The digital landscape of India is packed with endless possibilities and potential.

Our grand vision at GTPL Hathway Limited, is to connect and transform people's lives through barrier-free connectivity and rich experience.

We are connecting millions of people across the country through our innovative and relevant offerings.

We are on a transformative path and meeting diverse needs of customers through enhanced digital cable television solutions and strong broadband connectivity.

We are on the forefront of digital revolution, creating value for our customers and stakeholders.

Meet GTPL Hathway

GTPL Hathway Limited is India's leading regional Multi System Operator (MSO), offering cable television (CATV) and broadband services.

Over the past few years, the Company evolved as a dominant player in the industry through enhanced service offerings, infrastructure and distribution network across the country with significant market share in Gujarat and Kolkata & Howrah region. The Company earns majority of its revenues in the form of subscription, activation and placement.

Number 1 MSO in Gujarat with

Right content-mix for attracting and retaining subscribers

GTPL's key strategy is to get closer to the customers by offering them a differentiated and relevant content. The Company has maintained a balanced mix of local and regional content by offering wide range of channels across genres. It appeals to a range of demographics and matches the tastes and preferences of subscribers.

The Company also enjoys right to place the Gujarat News channel on their network. The channel is produced by their Group Company, Gujarat Television Private Limited. The Company further intends to provide an increased number of local channels covering religious events, local cultural events, regional films, music and local news to attract and retain subscribers and to increase advertising revenue.

Strong traction on digitisation

The Company has leveraged its industry expertise to benefit from the four-phased policy on digitization announced by the Ministry of information and broadcasting that specifies the cable operators to transmit digital signals through addressable set top boxes (STBs).

The quality of our digital transmission provides unmatched viewer experience, thus giving us a competitive edge over other platforms, such as DTH satellite television.

Digitisation provides a competitive edge and leads towards efficiency, by way of:

- ✔ Telecasting a large number of channels
- ✔ Tiering options with differentiated content across local, regional and niche genres
- ✔ Higher quality picture and improved quality of service
- ✔ Increase in cable television ARPU through the high-value services such as HD television, pay-per-view etc.

Leveraging strong relationships with LCOs, MSOs and ISOs – investing into the future

Growing sustainable business is a result of various forces working together. GPL has been successful in maintaining effective relationship with its LCOs, MSOs and ISOs which has aided the smooth functioning of the cable and broadband business and enhancing the monetisation prospects.

The Company has expanded its business by acquiring LCO's/MSO's and ISO's through revenue sharing mechanism and providing training & support to LCO's to ensure quality services.

Managing Director's message

Dear Shareholders,

It is my pleasure to report that the year 2016-17 was exciting and eventful at GTPL Hathway Limited. We received an encouraging response and acceptability from investors after the launch of our IPO in June, 2017. I extend a warm welcome to all the new shareholders. I sincerely thank everyone for their strong belief, support and unwavering faith in us. GTPL will continue to strengthen its service offerings across segments.

Digital business in India is evolving fast with dynamic consumption patterns and favourable regulatory environment. The number of total TV households in India has seen a rapid increase from 119 million in 2011 to 183 million in 2017 and it is expected to touch 200 million by 2020. The change in customer behaviour will have a significant impact on content uptake and corresponding spends on subscription income.

Digital India is a dream which is over-arching and in step with taking India ahead. Digitisation is not just about the cable TV Industry, it is more about bringing access of digital content, choice and better services to customers. With the March 31, 2017 deadline for Phase IV digitisation as per The Cable Television Networks (Regulation) Amendment Act, 2011, all analogue signals have been switched off in the entire country. However, it seems that it will take some time before *India can be declared a fully digitised nation.*

Cable is a powerful source for broadband delivery that has not been tapped adequately in our country. However, strangely enough, cable is the medium that is making one gigabyte per second (gbps) speed wired broadband connectivity a reality in India.

At GTPL, we are aspired to connect with the consumers by building an inclusive system that transforms the type and quality of content provided to our customers.

GTPL is committed to offer a differentiated and better quality digital cable TV experience and broadband connectivity to its customers. As a leading cable and broadband player, we continuously make investments in upgrading technology for better customers experience. We recently deployed next-generation headend of Harmonics, USA, which enables us to offer up to 650 TV channels and 50 OTT channels. The network upgradation to GPON- Fibre to the home technology has commenced which enable us to provide high-speed broadband services.

Our Company stands at an inflection point from where we wish to significantly improve customers' experience, revitalise our ground teams, make prudent investments in technology and focus on improving ARPU. While GTPL is a key catalyst in transforming the cable and broadband industry, the Company itself is witnessing a transformation as we re-commit ourselves to achieving new milestones in the form of deepening the market and improving our financial performance.

We have identified the following immediate growth opportunities across our businesses:

GTPL is committed to offer a differentiated and better quality digital cable TV experience and broadband connectivity to its customers. As a leading cable and broadband player, we continuously make investments in upgrading technology for better customers experience.

1. In the cable TV business, we have already made Investment for Phase III and Phase IV and kicked off monetising the same recently. We have further increased our HD offering to 64 Channels to convert potential subscriber to HD Packages.
2. In our broadband business, we are deploying GPON FTTH technology to provide high speed services to customer. We are going to make our 8 million plus CATV Homes as Broadband enabled and convert potential homes as Broadband Subscribers.
3. We are utilising our existing cable TV infrastructure in broadband for better ROI.

Our innovative venture is here to add a new dimension to the entire value chain of the digital services domain along with enhanced distribution network. I am optimistic and determined that we will transform our vision into reality by reducing distances and digitally connecting people across the country. With our plans for investment in superior technology, a plethora of content options to our CATV customers and high-speed broadband connectivity at an aggressive pricing, we are confident about the future outlook of the Company and its ability to create value for all its stakeholders.

I would like to acknowledge the efforts of our team for their dedicated efforts towards driving this organisation. I am thankful to all our shareholders, investors and stakeholders for believing in our business. With your continued support, we will continue our digital transformation journey and add value to the customers and the shareholders.

Best Wishes,

Aniruddhasinhji Jadeja

 - The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- (xxi) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com.
- (xxii) Mr. Chirag Shah (Membership No. FCS 5545) of M/s. Chirag Shah & Associates, Practicing Company Secretaries, has been appointed as the Scrutinizer for providing facility to the members of the Company to scrutinize the voting and remote e-voting process at the ensuing 11th AGM in a fair and transparent manner

12. The Chairman shall, at the AGM, at the end of discussion on the resolutions on which voting is to be held, allow voting with the assistance of scrutinizer, by use of "Polling Paper" for all those members who are present at the AGM but have not casted their votes by availing the remote e-voting facility.

13. The Scrutinizer shall submit after the conclusion of voting at the AGM, will first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than three days of the conclusion of the AGM a consolidated scrutinizer's report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.
14. The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company www.gtpl.net and on the website of CDSL immediately after the declaration of result by the Chairman or a person authorized by him in writing. The results shall also be immediately forwarded to the National Stock Exchange of India Limited (NSE) and BSE Limited (BSE), and such stock exchanges shall place the results on their website.
15. Subject to receipt of requisite number of votes, the resolution shall be deemed to be passed on the date of the AGM.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

The following Explanatory Statement sets out all material facts relating to the Special Business mentioned in the accompanied notice dated August 08 2017.

Item No. 05 to 08

Mr. Bharat Bhogilal Chovatia, Mr. Kunal Chandra, Ms. Parulben Pravinkumar Oza and Mr. Falgun Harishkumar Shah were appointed by the Board in their meeting as Additional (Independent) Directors of the Company with effect from September 28, 2016 and their term of office expire at the ensuing 11th Annual General Meeting in terms of Section 161 of the Companies Act, 2013.

Pursuant to the provisions of Section 149 of the Companies Act, 2013 and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, inter alia, stipulates the criteria of independence should a company propose to appoint an Independent Director on its Board. As per the said Section 149, an Independent Director can hold office for a term up to 5 (five) consecutive years on the Board of the Company and he shall not be included in the total number of Directors liable to retire by rotation.

The Company has received notices in writing from members along with the deposit of Rs.1,00,000/-, requisite amount under Section 160 of the Companies Act, 2013, proposing the candidatures of each of Mr. Bharat Bhogilal Chovatia, Mr. Kunal Chandra, Ms. Parulben Pravinkumar Oza and Mr. Falgun Harishkumar Shah for the office of Directors of the Company. The Company has received declarations from them that they meet with the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Companies Act, 2013 and under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. They are not disqualified from being appointed as Directors in terms of Section 164 of the Companies Act, 2013 and have given their consent to act as Directors.

In the opinion of the Board, Mr. Bharat Bhogilal Chovatia, Mr. Kunal Chandra, Ms. Parulben Pravinkumar Oza and Mr. Falgun Harishkumar Shah fulfil the conditions for appointment as Independent Directors specified in the Companies Act, 2013, and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Accordingly, it is proposed to appoint Mr. Bharat Bhogilal Chovatia, Mr. Kunal Chandra, Ms. Parulben Pravinkumar Oza and Mr. Falgun Harishkumar Shah as independent directors under Section 149 of the Companies Act, 2013 and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 to hold office for 5 (five) consecutive years upto September 27, 2021 and they shall not be included in the total number of Directors liable to retire by rotation.

Brief resume and disclosure of information of Mr. Bharat Bhogilal Chovatia, Mr. Kunal Chandra, Ms. Parulben Pravinkumar Oza and Mr. Falgun Harishkumar Shah regarding nature of their expertise in specific functional areas and names of companies in which they hold directorships and memberships/ chairmanships of Board Committees, shareholding and relationship between Directors inter-se, etc. as stipulated under the Companies Act, 2013, read with the Secretarial Standard – 2 on General Meetings issued by the Council of the Institute of Company Secretaries of India and approved by the Central Government and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 are given in the Annexure to the Notice. The number of Meetings of the Board attended by the said Directors are given in the Corporate Governance section of the Annual Report.

Copies of the draft letters for respective appointments of Mr. Bharat Bhogilal Chovatia, Mr. Kunal Chandra, Ms. Parulben Pravinkumar Oza and Mr. Falgun Harishkumar Shah as Independent Directors setting out the terms and conditions would be available for inspection by members at the Registered Office of the Company and is also available on the Company's website.

Mr. Bharat Bhogilal Chovatia, Mr. Kunal Chandra, Ms. Parulben Pravinkumar Oza and Mr. Falgun Harishkumar Shah, Independent Directors and/or or their relatives are concerned or interested in the resolutions as set out at Item Nos. 05 to 08 of the Notice respectively, since they relate to their respective appointments. None of the other Directors and Key Management Personnel of the Company or their relatives is in any way concerned or interested, financially or otherwise in these resolutions set out at Item Nos. 05 to 08.

The Board considered their association would be of immense benefit to the Company and it is desirable to avail services of Mr. Bharat Bhogilal Chovatia, Mr. Kunal Chandra, Ms. Parulben Pravinkumar Oza and Mr. Falgun Harishkumar Shah as Independent Directors of the Company. Accordingly, the Board recommends the resolutions in relation to appointments of Mr. Bharat Bhogilal Chovatia, Mr. Kunal Chandra, Ms. Parulben Pravinkumar Oza and Mr. Falgun Harishkumar Shah as Independent Directors, for the approval of the Members of the Company.

Item No. 9

Mr. Rajan Gupta was appointed by the Board in their meeting as an Additional Director of the Company with effect from September 28, 2016 and his term of office expires at the ensuing 11th Annual General Meeting in terms of Section 161 of the Companies Act, 2013.

The Company has received notices in writing a notice from member along with the deposit of Rs.1,00,000/-, requisite amount under Section 160 of the Companies Act, 2013, proposing the candidatures of each of Mr. Rajan Gupta for the office of Director of the Company. He is not disqualified from being appointed as Director in terms of Section 164 of the Companies Act, 2013 and have given his consent to act as Director.

Accordingly, it is proposed to appoint Mr. Rajan Gupta as a Director in the category of Non-Executive under Section 152 of the Companies Act, 2013 and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, liable to retire by rotation.

Brief resume and disclosure of information of Mr. Rajan Gupta regarding nature of his expertise in specific functional areas and names of companies in which they hold directorships and memberships/ chairmanships of Board Committees, shareholding and relationship between Directors inter-se, etc. as stipulated under the Companies Act, 2013, read with the Secretarial Standard – 2 on General Meetings issued by the Council of the Institute of Company Secretaries of India and approved by the Central Government and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 are given in the Annexure to the Notice. The number of Meetings of the Board attended by the said Director is given in the Corporate Governance section of the Annual Report.

None of the other Directors and Key Management Personnel of the Company or their relatives except Mr. Rajan Gupta is in any way concerned or interested in this resolution set out at Item No. 9.

The Board considered his association would be of immense benefit to the Company and it is desirable to avail services of Mr. Rajan Gupta as a Director of the Company. Accordingly, the Board recommends the resolution in relation to appointments of Mr. Rajan Gupta for the approval of the Members of the Company.

Item No. 10

The Board of Directors of the Company, on the recommendation of the Audit Committee of the Board of Directors of the Company, in its meeting held on August 08, 2017, has approved the appointment of M/s. Rajendra Patel & Associates, Cost Accountant, Membership No.: F29021, to conduct the audit of the cost records of the Company for the financial year 2017-18, be paid a remuneration of Rs.1,20,000/- (Rs. One Lakh Twenty Thousand Only) plus reimbursement of out of pocket expenses and taxes, as may be incurred by the said Cost Auditor during the course of the audit to conduct the audit of the cost records of the Company, subject to the ratification of the said remuneration by the members of the Company.

In accordance with the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors is required to be ratified by the shareholders of the Company.

Accordingly, it is proposed to seek approval of the members by passing an Ordinary Resolution as set out at Item No. 10 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year 2017-18.

None of the persons specified in Section 102 of the Companies Act, 2013 namely the promoters, Directors, Key Managerial Personnel, Relatives of Promoters, Directors and Key Managerial Personnel or the entities comprising the interest of Promoters, Directors or Key Managerial Personnel, are concerned or interested financially or otherwise in the above resolution.

Inspection of documents

Copies of all relevant documents and papers referred to in the accompanying Notice and Explanatory Statement including Statutory Registers as required as per the Companies Act, 2013 are kept open for inspection by Members between 11.30 A.M. to 2.30 P.M. on any working day upto the date of Meeting at the Registered Office of the Company.

By order of the Board of Directors

VII. PENALTIES / PUNISHMENT/ COMPOUNDING OF OFFENCES:

Type	Section of the Companies Act	Brief Description	Details of Penalty / Punishment/ Compounding fees imposed	Authority [RD / NCLT/ COURT]	Appeal made, if any (give Details)
A. COMPANY					
Penalty	NA	NA	NA	NA	NA
Punishment	NA	NA	NA	NA	NA
Compounding	Sections 149, 177 and 178	Pursuant to provisions of sections 149 of the Companies Act, 2013 with effect from April 1, 2015, our Company was mandated to appoint independent directors and constitute an audit committee and a nomination and remuneration committee. However, our Company appointed independent directors and constituted an audit committee and a nomination and remuneration committee only on September 28, 2016. Accordingly, on December 5, 2016, our Company and Mr. Aniruddhasinhji Jadeja, our Managing Director, filed an application with the Registrar of Companies (RoC) for compounding of offences under sections 149, 177 and 178 of Companies Act 2013.	Order Awaited*	NCLT	NA
Compounding	Sections 134(3) and 204	On May 25, 2015, our Company adopted its annual accounts for Fiscal 2015, wherein secretarial audit report was not attached. Thus, our Company had not complied with the provisions of sections 134(3) and 204 of Companies Act 2013 for Fiscal 2015. Subsequently, our Company appointed a secretarial auditor and on November 23, 2016, obtained a secretarial audit report. Accordingly, on December 1, 2016, our Company and Mr. Aniruddhasinhji Jadeja, our Managing Director, filed an application with the RoC for compounding of offences under sections 134(3) and 204 of Companies Act 2013.	Order Awaited**	NCLT	NA
Compounding	Sec 129 read with Schedule III of Companies Act 2013 and Sec 211 read with Schedule VI of Companies Act 1956	Our Company did not disclose Hathway Cable and Datacom Limited (Hathway) as its holding company and the Hathway's shareholding in our Company in the notes to accounts of our annual reports from Fiscal 2008 to Fiscal 2016. Consequently, our Company had not complied with the provisions of Section 211 read with Schedule VI of the Companies Act, 1956 and Section 129 read with Schedule III of the Companies Act, 2013. Accordingly, on December 13, 2016 our Company and Mr. Aniruddhasinhji Jadeja, our Managing Director filed an application with the RoC for compounding of offences under Section 211 read with Schedule VI of Companies Act, 1956 and Section 129 read with Schedule III of the Companies Act, 2013. The application was pending before the NCLT.	Order Awaited	NCLT	NA

Compounding	Sections 149, 177 and 178 – As Managing Director on behalf of the Company	Pursuant to provisions of sections 149, 177 and 178 of the Companies Act, 2013 with effect from April 1, 2015, our Company was mandated to appoint independent directors and constitute an audit committee and a nomination and remuneration committee. However, our Company appointed independent directors and constituted an audit committee and a nomination and remuneration committee only on September 28, 2016. Accordingly, on December 5, 2016, our Company and Mr. Aniruddhasinhji Jadeja, our Managing Director, filed an application with the RoC for compounding of offences under sections 149, 177 and 178 of Companies Act 2013. The application was pending Before the NCLT as on March 31, 2017.	Order Awaited*	NCLT	NA
Compounding	Sections 134(3) and 204 of the Companies Act, 2013, as the Managing Director for and on behalf of the Company	On May 25, 2015, our Company adopted its annual accounts for Fiscal 2015, wherein secretarial audit report was not attached. Thus, our Company had not complied with the provisions of sections 134(3) and 204 of Companies Act 2013 for Fiscal 2015. Subsequently, our Company appointed a secretarial auditor and on November 23, 2016, obtained a secretarial audit report. Accordingly, on December 1, 2016, our Company and Mr. Aniruddhasinhji Jadeja, our Managing Director, filed an application with the RoC for compounding of offences under sections 134(3) and 204 of Companies Act 2013. The application was pending before the NCLT as on March 31, 2017.	Order Awaited**	NCLT	NA
Compounding	Sec 165- As an individual Director	Pursuant to provisions of section 165 of the Companies Act, 2013, no person shall become director of more than 20 companies, out of which more than 10 companies are public. The provisions of section 165 of the Companies Act, 2013 became applicable from April 1, 2015 (i.e. after a cooling period of 1 year from April 1, 2014). Subsequently, Mr. Anirudhasinhji Jadeja, our Managing Director, immediately resigned from their respective directorships in public companies in excess of 10. On September 25, 2016, Mr. Anirudhasinhji Jadeja, our Managing Director, filed applications with RoC for compounding of offences under sections 165 of Companies Act 2013. The application was pending before the NCLT as on March 31, 2017.	Order Awaited***	NCLT	NA

ANNEXURE - 4 TO THE BOARD'S REPORT

ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES OF THE COMPANY

1. A brief outline of the Company's CSR policy, including overview of projects or programmes proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programmes.

The Company understands its responsibility towards the society in which it operates and is initiating small but significant steps in bringing positive changes in the environment for sustainable development taking into consideration the interests of various stakeholders. With the rapidly changing corporate environment, more functional autonomy, operational freedom etc., the Company has adopted CSR policy ("Policy") as a strategic tool for sustainable growth. For the Company in the present context, CSR policy adopted by the Company is not just a tool of investment of funds for Social Activity but is also an effort to integrate Business processes with Social processes.

CSR Vision:

- ✓ Develop meaningful and effective strategies for engaging with all stakeholders;
- ✓ Consult with local communities to identify effective and culturally appropriate development goals; and
- ✓ Partner with credible organizations like trusts, foundations etc. including non-government organizations.

Constitution of Corporate Social Responsibility Committee:

Keeping in line with section 135 of the Companies Act, 2013 (hereinafter referred to as 'the Act'), the Board of Directors of the Company has formed Corporate Social Responsibility Committee (hereinafter referred to as the 'CSR Committee'), to inter alia, carry out the following functions:

- ✓ to formulate and recommend to the Board, a Corporate Social Responsibility Policy indicating activities to be undertaken as specified in prescribed Schedule;
- ✓ to recommend the amount of expenditure to be incurred on the activities referred to in clause (a);
- ✓ to monitor the Corporate Social Responsibility Policy from time to time.

CSR Projects, Programs and Activities:

In accordance with the primary CSR philosophy of the group and the specified activities under the Companies Act, 2013 read with Companies (Corporate Social Responsibility Policy) Rules, 2014, and any amendment(s) thereof, the CSR activities of the Company will have the following thrust areas:

- **Saving and improving lives of underprivileged women and children**
 - o Safe Motherhood
 - o Neonatal Resuscitation
- **Building Healthcare Capacity**
 - o Training of underprivileged girls as healthcare assistants and midwives.
- **Preventing Diseases,**
- **Reducing Stigma and Disability**
 - o Awareness and Prevention of HIV/AIDS
- **Community Responsibility**
 - o Disaster Relief
- **Formal and non-formal education, adult education**
- **Scholarships for girls, merit scholarships and technical education for boys**
- **Girl child education**
- **Digital literacy / computer education**
- **Pulse polio programme**
- **Health care centres and hospitals**
- **Mobile clinics – doctors' visits**
- **Reproductive and child health care, supplementary nutrition / mid-day meal projects**
- **Safe drinking water, sanitation – household toilets, community hospitals**
- **HIV / AIDS, cancer, TB awareness and prevention camps**
- **Blood donation**
- **Social security (insurance)**
- **Culture and sports**
- **Women empowerment**

2. The Composition of the CSR Committee:

The Composition of the CSR Committee is hereunder:

Sr. No.	Name of Director	Designation
1.	Mrs. Parulben Pravinkumar Oza	Chairman/Independent Director
2.	Mr. Ajay Singh	Non-Executive Director
3.	Mr. Amit Jayatilal Shah	Whole time director
4.	Mr. Rajan Gupta	Non- Executive Director

3. Average net profit of the Company for last three financial years: Rs. 6363.69 Lakh (approx.)
4. Prescribed CSR Expenditure (two per cent of the amount as in item 3 above): Rs. 1 27.27 Lakh (approx.)

5. Details of CSR spent during the financial year:

- (a) Total amount spent for the financial year: Rs. 70.09 Lakh
- (b) Amount unspent, if any: Rs. 57.02 Lakh
- (c) Manner in which the amount spent during the financial year is detailed below:

(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)
S. N.	CSR Project or activity identified	Sector in which the project is covered	Projects or programs (1)Local area or other (2) Specify the state and district where projects or programs was undertaken.	Amount outlay (budget) project or programs wise	Amount spent on the projects or programs Direct -heads: (1) Direct expenditure or projects or programs. (2)overheads:	Cumulative expenditure up to the reporting period.	Amount spent: Direct or through implementing agency
1.	Promoting Education	Educational	1. Local area 2. Ahmedabad, Gujarat	8.58 lakhs	8.58 lakhs	8.58 lakhs	Through implementing Agency
2.	Promoting medical and healthcare facility	Medical/ Heathcare	1. Local area 2. Ahmedabad, Gujarat	50.00 lakhs	50.00 lakhs	50.00 lakhs	Through implementing Agency

6. In case the Company has failed to spend the two percent of the average net profit of the last three financial years or any part thereof, the Company shall provide the reasons for not spending the amount in its Board report:

During the year 2016-17, the Company spent Rs. 70.09 Lakh towards the projects/activities as per the Policy of the Company. A few projects/activities undertaken by the Company is on-going one and will have a continuing engagement over the years to come. The Company was also in process of identifying and evaluating projects/activities as stipulated in the Policy of the Company; and therefore, the Company could not spend minimum prescribed amount during the year 2016-17 as stipulated in the Companies Act, 2013.

The Company has, however, identified some projects/activities or completing the identification of projects/activities to achieve the desired objectives.

7. The CSR Committee affirms that the implementation and monitoring of CSR Policy is in compliance with CSR Policy and Objectives of the Company.

ANNEXURE - 6 TO THE BOARD'S REPORT**Form No. MR-3
SECRETARIAL AUDIT REPORT**

FOR THE FINANCIAL YEAR ENDED 31.03.2017

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
GTPL Hathway Limited
202, Sahajanand Shopping Center,
Opp: Swaminarayan Mandir,
Shahibaug Ahmedabad-380004.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by GTPL Hathway Limited (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's (books, papers, minute books, forms and returns filed and other records maintained by the company) and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit. We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2017, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2017 according to the provisions of:

- (i). The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii). The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder:-
- (iii). The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv). Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings:-
- (v). The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011:- Not applicable during the Audit period
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015:- Not applicable during the Audit period
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009:-
 - d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999:- Not applicable during the Audit period
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008:- Not applicable during the Audit period
 - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009:- Not applicable during the Audit period
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998:- Not applicable during the Audit period
 - i. SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015:-
- (vi). Laws specifically applicable to the industry to which the company belongs, as identified by the management, that is to say:
 1. Cable Television Networks (Regulation) Act, 1995, Cable Television Network (Regulation) Rules, 1994 and Content Certification Rules, 2008;
 2. The Cinematography Act, 1952;
 3. Telecom Regulatory Authority of India Act, 1997;

We have also examined compliance with the applicable clauses of the following:

- a. Secretarial Standards issued by The Institute of Company Secretaries of India;
- b. The Listing Agreements entered into by the Company with Stock Exchange(s):-

Not Applicable to the company during the Audit period.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above. Except our comments listed below.

We report that, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors and Non-Executive Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. Except that the Company was required to appoint an Independent Director and has appointed independent Director as on 28th September, 2016. Subsequently Company has compounded the offence and Comply with the provision of Company Act, 2013.

Adequate notice is given to all directors to schedule the Board Meetings. Agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. In Certain cases the shorter notice was given for board meeting and the consent of all directors were taken for the same.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that, there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that

During the period under review Company has filed Draft Red Herring Prospectus for initial public offer with SEBI. After the period under review but before the date of signing of this report the Company has filed the Prospectus for its maiden public offer with SEBI and the initial public offer was duly over subscribed and the shares were listed on NSE and BSE.

ANNEXURE - 7 TO THE BOARD'S REPORT

Management Discussion and Analysis

1. INDIAN ECONOMIC REVIEW

India has emerged as the world's fastest growing economy in 2016-17 with GDP at 7.1% according to the Central Statistics Office (CSO). The growth was driven by favourable policies and reforms towards strengthening macro-economic stability to promote strong and sustainable growth. Sustained low inflation, low current account deficit and a stable currency have created a positive environment for economic growth. The recent implementation of Goods and Services Tax (GST) will further lead to unified tax regime. With Government's thrust on areas, such as power, infrastructure, affordable housing and digitisation should help accelerate India's growth rate closer to 8% in the medium term.

2. INDUSTRY STRUCTURE AND DEVELOPMENTS

The Indian Media and Entertainment (M&E) industry one of the fastest growing sectors in the economy backed by rising consumer demand and improving advertising revenues. The M&E industry witnessed modest growth during the year due to the impact of demonetisation. According to FICCI-KPMG estimates, India's M&E industry grew at 9.1% in CY16 over the previous year, to Rs. 1,262 billion and at a CAGR of 11.6% between 2011-2016.

The industry has been largely driven by increasing digitisation, rising cable & satellite (C&S) segment and higher internet usage over the last decade. Internet has almost become a mainstream media for entertainment for most of the people. The industry is expected to grow at a CAGR of 13.9% to Rs. 2,419 billion by 2021 (Source - FICCI-KPMG, DRHP, PL research).

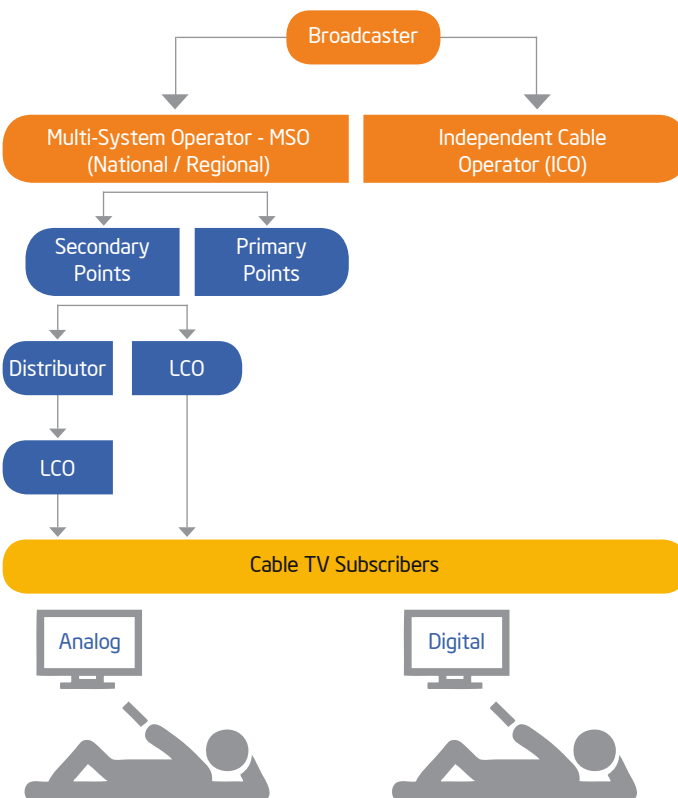

C&S Segment

India's cable TV industry has grown rapidly since its inception two decades ago, largely driven by entrepreneurship and innovation from distribution platforms and content providers. Cable TV, analog as well as digital, is now available across millions of Indian households. It is established as a mass medium for entertainment and information.

Cable TV industry structure

The key participants in the cable TV industry value chain include national and regional MSO, independent cable operator (ICO) and local cable operator (LCO). Cable TV broadcasting operates by uplinking a broadcaster's channel to a satellite which then provides a downlink signal to a particular region. The downlink signal is received by MSOs at their network operating. MSOs operate on secondary points, providing signals to LCOs that, in turn, own the last mile connectivity. Currently, approximately 95% of cable TV subscribers in India are driven via secondary points as opposed to the last mile (Source: The MPA Report).

Cable TV industry value chain

EVOLUTION OF THE TV BROADCASTING SECTOR

- TV broadcasting in India commenced in 1959 when Doordarshan, the state-owned channel, started free-to-air terrestrial broadcast of TV service in Delhi
- The use of satellite communication for direct broadcasting of TV programs began in 1975
- Cable TV came into prominence in 1989 with few entrepreneurs setting up small analog cable TV networks and distributing local video channels
- The C&S TV market gained popularity with the introduction of sports, international news channels and new programming genres
- Cable TV distribution emerged as a simple delivery mechanism for distributing multiple satellite channels to the consumers
- Local cable operators (LCOs) started growing multi-fold by distributing broadcast content to the consumers
- Regulatory framework for satellite broadcasting was initiated by the Government in 1999 to create transparency in the distribution network
- DTH operations commenced in India in 2003, offering distribution of TV services with improved quality and choice to the customer without any intermediary distributor
- TRAI initiated digitization of cable TV distribution networks to be executed in four phases in 2011
- Presently, the phase IV is in progress which will allow the distributors to benefit more from the digitised areas

Present scenario

Cable Television industry's growth in FY17 temporary slowed down due to delay in digitisation of analogue cable subscriber base. After multiple extensions of deadline, digitisation of Phase III cable subscriber base was largely completed. According to FICCI-KPMG industry report, Indian television segment registered a growth of 8.5% in CY16 as compared to 14.2% in CY15. The phase IV of digitisation is in progress currently and will aid revenue growth for both broadcasters and distributors.

The number of TV households in India increased to 181 million in 2016, implying a TV penetration of 63%. The number of C&S subscribers has reached 168 million in 2016 and expected to increase to 201 million by 2021 (Source: FICCI-KPMG Indian M&E Industry Report, 2017).

C&S subscriber split by distribution (million)

	2013	2014	2015	2016	2017E	2018E	2019E	2020E	2021E
Analog cable	68	70	65	47	10	-	-	-	-
Digital Cable	25	29	37	45	68	76	79	82	84
Pay DTH	37	40	44	54	71	78	81	84	86
Free Dish	9	10	15	22	29	31	31	31	30
Total	139	149	161	168	178	186	192	198	201

Subscription and advertising revenue growth (Rs. billion)

	2013	2014	2015	2016	2017E	2018E	2019E	2020E	2021E
Subscription revenue	281	320	361	387	426	494	579	672	771
Advertising revenue	136	155	181	201	225	257	298	343	394

Subscription is the revenue earned by MSOs and LCOs for cable television services. Subscription revenue is estimated to grow at a CAGR of 14.8% between 2016-2021, driven by the intended benefits of digitization after 2017. Advertising revenue is estimated to grow from Rs. 201 billion in 2016 to Rs. 394 billion in 2021 at a CAGR of 14.4%.

The TV industry is expected to grow at a CAGR of 14.7% to reach Rs. 1,166 billion in 2021. Positive factors for long-term growth include strong economic fundamentals and rising domestic consumption (Source: The KPMG-FICCI Report).

Broadband

India is on the brink of entering a new phase of digital growth, facilitated by the Government's progressive initiatives. Broadband can stimulate this growth significantly, India's internet subscriber base is expected to increase from 411.6 million subscribers in 2016 to 1,004.3 million subscribers in 2021 led by growth in wireless subscribers. The following chart shows the number of the internet subscribers in India in the 2016-2021 period, with the breakdown into the wireless and wireline internet subscribers:

Internet users in millions

	2016	2017E	2018E	2019E	2020E	2021E
Wireless	389.61	475.32	575.14	690.17	821.30	969.14
Wired	21.95	24.11	26.49	29.10	31.97	35.12

The pan-India reach of MSOs represents an opportunity for the industry to tap into the rapidly growing market, by providing cost effective, high speed connectivity to users. The MSOs made rapid strides in terms of their subscriber acquisitions with the top MSOs in India registering a 64% growth in broadband subscriptions over 2016.

India's broadband market penetration and average connection speed is lower as compared to developed markets such as the US, UK, Korea and Japan. Thus, there is headroom for growth in India's broadband subscriber base as well as the internet user base generally. In recent years, telecom operators have invested in 4G, while offering mobile broadband at attractive data tariffs. At the same time, the price of smartphones and other handheld devices declined. This has further led to a growth in wireless broadband services.

Similar developments are expected in fixed broadband segment. Both private and government market participants have been investing more in the segment over the last few years. As national 4G rollouts and fibre investments scale up, India is expected to witness a marked improvement in the fixed broadband and mobile connection speeds. Over time, better broadband infrastructure and lower data costs will allow consumers to use applications high speed applications which, in turn, will increase data consumption and time spent online.

3. PERFORMANCE REVIEW

Revenue: The Company's overall consolidated revenues increased 26.53% to Rs. 9417.40 Millions in 2016-17 as against Rs. 7442.84 Millions in 2015-16. The strong performance was largely owing to ISP revenue growth 76.52% & subscription revenue growth 33.02%.

EBITDA: Consolidated EBITDA went up by 50.66% to Rs. 2404.44 Millions in 2016-17 as against Rs. 1595.93 Millions in 2015-16 owing to higher % increase in revenue compare to operating expenses. The operating margins strengthened 400 bps over previous year.

PAT: Consolidated PAT strengthened by 430.92% to Rs. 400.23 Millions in 2016-17 as against Rs. 75.38 Millions in 2015-16 owing to higher operating margins. The net profit margins improved by 324 bps over previous year.

Expenses: The Company's key expenses include Pay channel expenses, Bandwidth Expenses and Manpower expenses and. Expenses as a proportion of

total revenue comprised 74.47% in 2016-17 as against 78.56% in 2015-16. The decrease was largely owing to improvement of 345 bps in pay channel expenses.

Finance Cost: The consolidated finance costs increased 30.37% to Rs. 579.65 Millions in 2016-17 as against Rs. 444.63 Millions in 2015-16 owing to increase in debt during the current financial year. The net debt for the Company stood at Rs.4437.62 Millions as against Rs. 3838.84 Millions in previous year.

Share Capital: The share capital of the Company increased by Nil % to Rs. 983.45 Millions during the year.

Other Equity: The reserves and surplus increased by 12.68 % to Rs. 3173.56 Millions during the year, owing to Positive profit after tax.

Fixed Assets: The Consolidated fixed assets of the Company increased 15.42 % to Rs. 11135.41 Millions in 2016-17 as against Rs. 9647.70 Millions in 2015-16. Gross block rose to Rs. 14716.43 Millions in 2016-17 as against Rs. 11679.57 Millions in 2015-16. The Company reported a return of 3.99% on total assets during 2016-17.

Current Assets: Total Consolidated current assets stood at Rs. 5081.06 Millions as on March 31, 2017 as against Rs. 4142.71 Millions as on March 31, 2016. The change is on account of increase in trade receivable & Cash.

Current Liabilities: Total consolidated current liabilities stood at Rs. 7612.90 Millions as on March 31, 2017 as against Rs. 6951.25 crores as on March 31, 2016. The change is on account of increase in short term borrowings.

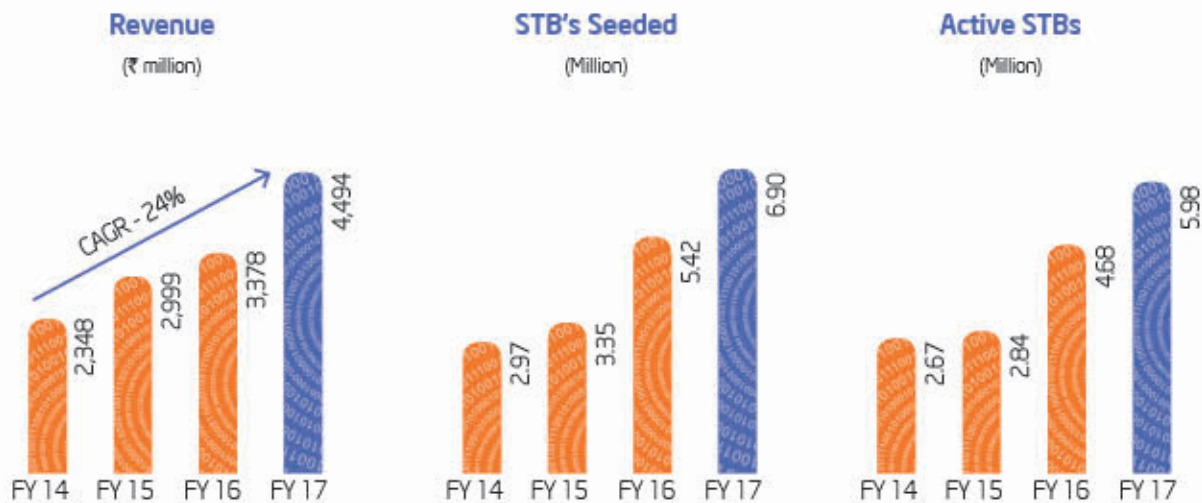

4. OPERATIONAL REVIEW

CATV Business

This financial year the Company focussed on converting the Analogue CATV Customer to Digital CATV Customer mainly in its Phase 3 and Phase 4 market. Company has seeded 1.48 mn Set Top Boxes during the financial year. TV Channel Packages has been introduced for Phase 3 and Phase 4 in Quarter 3 and Quarter 4 of this financial year respectively.

The Company has consistently increased its CATV revenue which stands at INR 4494 Million in FY 2016-17 and grown at the CAGR (Cumulative Annual Growth Rate) of around 24% over last 4 years.

The number of Seeded Boxes and Active STBs has consistently grown over last 4 years and stands at 6.98 Million and 5.98 Million respectively.

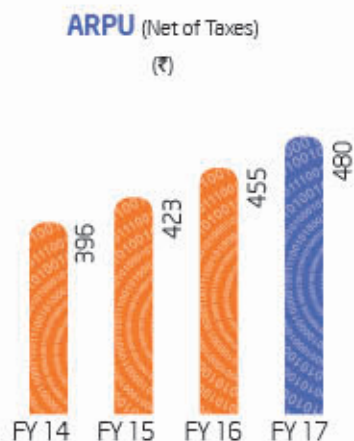

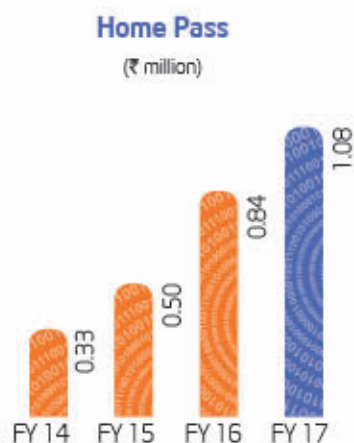

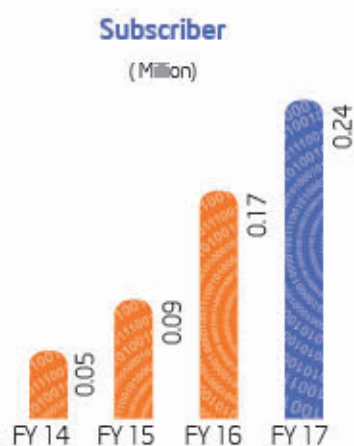

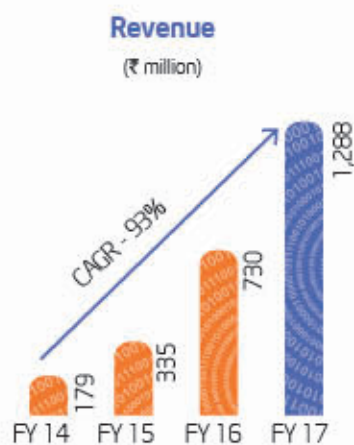

Broadband Business

In Broadband Services, the company has increased its home pass (broadband enabled homes) by around 0.24 Million homes and added around 70000 subscribers during the financial year. The Broadband business Average Realisation Per User (ARPU) has increased from Rs. 455 in March 2016 to Rs. 480 in March 2017.

The Company has consistently increased its ISP revenue which stands at INR 1288 Million in FY 2016-17 and grown at the CAGR (Cumulative Annual Growth Rate) of around 93% over last 4 years.

The number of Home Pass and Active Broadband Subscriber has consistently grown over last 4 years and stands at 1.08 Million and 0.24 Million respectively.

5. KEY GROWTH DRIVERS

Significant Investment in CATV for Digitisation has already been completed

The Company has Seeded 6.90 Million Boxes by March 2017. This year the investment has been made for seeding boxes in Phase 3 and Phase 4 market and the Company can now look forward to reaping the returns on that investment.

Leveraging current network infrastructure for Broadband Business

The Company has increased its Broadband Home Pass (broadband enabled homes) to 1.08 mn by the end of March 2017 by leveraging the current network infrastructure. Company will keep leveraging the current network infrastructure for expanding its Broadband Business

Introduction of New Technology which will enhance customer experience

The Company is in process of deploying next-generation video headend system from Harmonic Inc., USA which will enable to offer up to 650 cable television (CATV) channels and 50 OTT channels.

The Company is in process of implementing GPON-FTTH (Gigabit Passive Optical Network - Fiber to the home) technology in Broadband business which will enable the Company to provide High Speed Services, like 100 Mbps speed, to its customers.

Initial Public Offering

During the financial year, the Board of Directors approved to raise funds through Public offering and the Company filed its DRHP to the Securities and Exchange Board of India (SEBI) on December 30, 2016.

Pursuant to the Initial Public Offering of the Company in June 2017, the Company allotted 1,41,17,650 Equity Shares of Rs. 10/- each at a premium of Rs. 160/- per share on June 30, 2017. The shares of the Company got listed on the National Stock Exchange India Limited and BSE Limited on July 04, 2017.

6. OPPORTUNITIES AND THREATS

Opportunities

- The digitisation in DAS-IV area completed by 31st March 2017 as per Government Notification which gives opportunities to monetize the investment already made for digitisation and start billing per sub base basis to DAS-IV LCO's which can improve revenue.
- As digitization gets over, Cable MSOs have the opportunity to monetize other Value Added Services viz. HD, local channels & VoD services.
- The significant reach of MSOs represents an opportunity to tap into the rapidly growing Broadband market, by providing cost effective, high speed connectivity to users.

Threats

- Consumer preferences of consuming content in different screens are evolving which may put pressure on MSO's to expand its offering in all screens available and make investment to do so.
- The competition in broadband space may intensify over time due to existing and new players which may impact ARPUs.

7. COMPANY OUTLOOK

The Company is focusing on its core business activities, Cable Television business and Broadband Service business and doing geographical expansion of business across India. The Company is geared to use of high-tech advance technology to

enhance quality of services to the Customers. Company is in process of deploying next-generation video headend system from Harmonic Inc., USA which will enable to offer up to 650 cable television (CATV) channels and 50 OTT channels and GPON-FTTH technology in Broadband business which will enable the Company to provide High Speed Services, like 100 Mbps speed, to its customers.

8. RISK MANAGEMENT

Nature of Risk	Definition	Mitigation Measures
LCOs Support and Training	LCOs function as primary facilitators of our business expansion. Therefore, lack of training and motivation of LCOs may impact business growth.	We regularly collaborate with LCOs to provide training and for our branding initiatives. The Company has invested in facilitating infrastructure to enable the LCOs to work more efficiently in partnership with us.
Competition	Our CATV service face competition from providers of television services through alternative technology platforms, such as DTH satellite television and IPTV	The Company is No 1 MSO with 67% market share in Gujarat and No2 in Kolkata and Howrah with 24% Market share and present in 10 States. The Company is well placed to protect and grow its market share by virtue of which we enjoy certain advantages over competitor in the DTH space, such as ability to deliver Higher number of quality channels, localized content, reliability of service in all seasons, lower cost of subscriber acquisition and better suitability in high-density areas.
Technology Risk	Our Business depends on technology and inability to adopt relevant and new technologies will jeopardise our growth	The Company always works with world class technology partners and deploy latest technology for enhanced customer experience. Company is deploying next-generation video headend system for CATV business from Harmonic Inc., USA which will enable to offer up to 650 cable television (CATV) channels and 50 OTT channels and support latest compression technology of HVEC and 4K Content. Company is also in process of implementing GPON-FTTH (Gigabit Passive Optical Network – Fiber to the home) technology in Broadband business which will enable the Company to provide High Speed Services, like 100 Mbps speed, to its customers

9. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company's internal controls are commensurate with its size and the nature of its operations. These have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorised use, executing transactions with proper authorisation and ensuring compliance of corporate policies. The Company has a well-defined delegation of power with authority limits for approving revenue as well as expenditure.

The Company has appointed Internal Auditor who conducts the Audit. Internal Audit Results were presented to Audit Committee and appropriate mitigation steps taken by Audit Committee and Management.

There are no material financial controls related observations outstanding as at March 31, 2017.

Based on the above, the management believes that adequate Internal Financial Controls exist in relation to its Financial Statements.

10. HUMAN RESOURCES

The Company's human resources are at the centre of all its operations. It takes special care to recognise outstanding performance. Employees are rewarded for their utmost dedication after periodical review of their performance. Various training sessions and seminars are provided to the employees with the help of professional trainers. The Company's regular and senior management staffs also participate in refresher courses and specialised training sessions. The Company had 1287 employees in its payroll as on March 31, 2017.

11. CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectation may be "forward-looking" within the meaning of applicable laws and regulations. Actual results might differ materially from those expressed or implied.

ANNEXURE - 8 TO THE BOARD'S REPORT**DECLARATION REGARDING ADHERENCE TO THE CODE OF CONDUCT**

To,
The Board of Directors,
GTPL Hathway Limited

ANNEXURE - 9 TO THE BOARD'S REPORT

Report on Corporate Governance

(1) Company's philosophy on Code of Governance

The Corporate Governance provisions of the Listing Regulations applicable to the Company immediately upon the listing of the Equity Shares on the Stock Exchanges, i.e. the National Stock Exchange of India and BSE Limited on and from July 04, 2017. The Company was in compliance with the requirements of the applicable regulations, including the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the Companies Act, 2013 and the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, in respect of the Corporate Governance including constitution of the Board and Committees thereof and formulation of policies. The Corporate Governance framework is based on an effective independent Board, separation of the Board's supervisory role from the executive management team and constitution of the Board committees, as required under laws. The Board has constituted the Committees in accordance with the requirements of the Companies Act, 2013 and Listing Regulations executed with the Stock Exchanges:

Your Company believes that good Corporate Governance is essential for achieving long term corporate goals of the Company and to fulfill the aspirations of the all its stakeholders including shareholders. In the context of globalization and liberalization business environment, where the stakeholders are scattered all over the world, the Company feels that their participation and involvement in the affairs of the Company can be achieved only through professional approach and better Corporate Governance. The entire process begins with the functioning of the Board of Directors, with leading professionals and experts serving as independent directors and represented in the various Committees of the Board. The Company's philosophy on code of governance is based on the following principles:

- Transparency, accountability and integrity in business practices;
- Compliance with all applicable laws of the land;
- Effective management control of the Board;
- Transparency in timely disclosure of financial and other important information

(2) Board of Directors

(a) composition and category of directors and number of other board of directors or committees in which a director is a member or chairperson;

The Board of Directors functions either as a full board or through various committees constituted to oversee specific operational areas. The executive management provides the Board of Directors detailed reports on its performance periodically.

Currently, our Board has 8 Directors comprising 2 Executive Directors, 2 Non-Executive Directors and 4 Independent Directors (Out of the 4 independent Directors one is Woman Director).

None of the Directors hold directorship in more than 10 (Ten) Public Limited Companies or acts as an Independent Director of more than 7 Listed Companies. Further none of the Directors is member of more than 10 (Ten) Committees or chairperson of more than 5 (Five) Committees across all Public Limited Companies in which he is a Director.

The composition of the Board and other relevant details relating to directors for the financial year ended March 31, 2017 are as under :

Name of the Director	Category (Chairperson /Executive/Non-Executive/Independent/Nominee)*	Date of Appointment at present designation	No of Directorship in listed entities including the Company	No. of directorship in entities other than listed entity#	No of memberships in Audit/ Stakeholder Committee(s) in listed entities including the Company	No of post of Chairperson in Audit/ Stakeholder Committee in listed entities including the Company

3	Ms. Parulben Pravinkumar Oza	Independent Director	Member
4	Mr. Amit Jayantilal Shah	Executive Director	Member
5	Mr. Ajay Singh	Non-Executive Director	Member
6	Mr. Bharat Bhogilal Chovatia	Independent Director	Member

The terms of reference of the Audit Committee include the following:

- (a) oversight of the Company's financial reporting process, examination of the financial statement and the auditors' report thereon and the disclosure of its financial information to ensure that the financial statement is correct, sufficient and credible;
- (b) providing recommendation for appointment, re-appointment and replacement, remuneration and terms of appointment of auditors of the Company and the fixation of audit fee;
- (c) review and monitor the statutory auditor's independence and performance and effectiveness of audit process;
- (d) approval of payment to statutory auditors for any other services rendered by the statutory auditors;
- (e) reviewing, with the management, the annual financial statements before submission to the Board for approval, with particular reference to:
 - (i) matters required to be included in the 'Director's Responsibility Statement' to be included in the Board's report in terms of clause (c) of sub-section 3 of Section 134 of the Companies Act, 2013, as amended;
 - (ii) changes, if any, in accounting policies and practices and reasons for the same;
 - (iii) major accounting entries involving estimates based on the exercise of judgment by management;
 - (iv) significant adjustments made in the financial statements arising out of audit findings;
 - (v) compliance with listing and other legal requirements relating to financial statements
 - (vi) disclosure of any related party transactions; and
 - (vii) qualifications in the draft audit report.
- (f) reviewing, with the management, the quarterly and half-yearly financial statements before submission to the Board for approval;
- (g) reviewing, with the management, the statement of uses / application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilized for purposes other than those stated in the offer document/prospectus/notice and the report submitted by the monitoring agency monitoring the utilisation of proceeds of a public or rights issue, and making appropriate recommendations to the Board to take up steps in this matter;
- (h) reviewing, with the management, performance of statutory and internal auditors, and adequacy of the internal control systems;
- (i) reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;
- (j) discussion with internal auditors any significant findings and follow up there on;
- (k) reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to the Board;
- (l) discussion with statutory auditors before the audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern;
- (m) look into the reasons for substantial defaults in the payment to the depositors, debenture holders, shareholders (in case of non-payment of declared dividends) and creditors;
- (n) review the functioning of the whistle blower mechanism;
- (o) approval of appointment of the chief financial officer (i.e., the whole time finance Director or any other person heading the finance function or discharging that function) after assessing the qualifications, experience and background etc. of the candidate;
- (p) approval or any subsequent modification of transactions of the Company with related parties and omnibus approval for related party transactions proposed to be entered into by the Company subject to such conditions as may be prescribed;
- (q) scrutiny of inter-corporate loans and investments;

- (r) valuation of undertakings or assets of the Company, wherever it is necessary;
- (s) evaluation of internal financial controls and risk management systems; and
- (t) carry out any other function as mentioned in the terms of reference of the Audit Committee.

The powers of the Audit Committee shall include the following:

- (a) to investigate any activity within its terms of reference;
- (b) to seek information from any employee;
- (c) to obtain outside legal or other professional advice; and
- (d) to secure attendance of outsiders with relevant expertise, if it considers necessary.

The Audit Committee shall mandatorily review the following information:

- (a) management's discussion and analysis of financial condition and results of operations;
- (b) statement of significant related party transactions (as defined by the Audit Committee), submitted by the management;
- (c) management letters / letters of internal control weaknesses issued by the statutory auditors;
- (d) internal audit reports relating to internal control weaknesses;
- (e) the appointment, removal and terms of remuneration of the chief internal auditor; and
- (f) statement of deviations:
 - i. quarterly statement of deviation(s) including report of monitoring agency, if applicable, submitted to stock exchange(s) in terms of regulation 32 (1) of Listing Regulations.
 - ii. annual statement of funds utilized for purposes other than those stated in the offer document/prospectus/notice in terms of regulation 32 (7) of Listing Regulations.

The Audit Committee shall have authority to investigate into any matter in relation to the items as specified aforesaid, seek information from any employee or referred to it by the Board and for this purpose shall have power to obtain professional advice from external sources and have full access to information contained in the records of the Company.

- b. meetings and attendance during the year.

- (i) reviewing and approving compensation strategy from time to time in the context of the then current Indian market in accordance with applicable laws;
- (j) framing suitable policies and systems to ensure that there is no violation, by an employee of any applicable laws in India or overseas, including the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, as amended and the Securities and Exchange Board of India (Prohibition of Fraudulent and Unfair Trade Practices relating to the Securities Market) Regulations, 2003, as amended; and
- (k) performing such other activities as may be delegated by the Board of Directors and/or are statutorily prescribed under any law to be attended to by the Nomination and Remuneration Committee.

The Nomination and Remuneration Committee shall have the authority to investigate into any matter in relation to the items specified under the terms of reference or such other matter as may be referred to it by the Board and for this purpose, shall have full access to information contained in the records of the Company and shall have power to obtain external professional advice, if necessary.

2. meeting and attendance during the year;

During the financial year 2016-17, there were two meetings of the Committee held on December 08, 2016 and February 06, 2017.

The attendance of Members during these meetings was as follows:

Sr. no.	Name	Category	Attendance in Meeting
1	Mr. Kunal Chandra	Chairman	1
2	Ms. Parulben Pravinkumar Oza	Member	1
3	Mr. Falgun Harishkumar Shah	Member	2
4	Mr. Ajay Singh	Member	2

3. performance evaluation criteria for independent directors.

The Performance Evaluation Policy ("Policy") as set out hereunder aims to ensure that the Independent Directors of the Company ("Independent Directors") and other directors, as a whole work efficiently and effectively in achieving their functions. This Policy aims at establishing a procedure for conducting periodical evaluation of the Board and the individual directors. Hence, it is important that every individual member of the Board effectively contributes in the deliberations of the Board.

Role of the Board and Independent Directors

In conformity with the requirements of the Act read with the Listing Regulations, the performance evaluation of the Independent Directors shall be done by the entire Board, excluding the Independent Director being evaluated.

The Independent Directors are duty bound to evaluate the performance of non- Independent Directors and the Board as a whole. The Independent Directors shall meet at least once in a year to review the performance of the non- Independent Directors, performance of chairperson of the Company and the Board as a whole, taking into account the views of both executive directors and non-executive directors.

Evaluation Criteria

The Board shall pay regards to the following parameters for the purpose of evaluating the performance of a particular director. In respect of each of the evaluation factors, various aspects have been provided to assist with the evaluation process in respect of performance of the Board itself, and the individual directors. Such evaluation factors may vary in accordance with their respective functions and duties.

Appraisal of each director of the Company shall be based on the criteria as stipulated in the Policy.

Evaluation of Independent Directors

While evaluating the performance of Independent Directors, the Board may consider attendance and participations in the Board meetings, raising of concerns to the Board, among other criteria

Evaluation of Non-Independent Directors/ Executive Directors

While evaluating the performance of non-Independent Directors/ executive directors, the Committee may consider leadership initiatives, Professional skills, problem solving and decision making aptitude, among others criteria.

Evaluation of the Board

While evaluating the performance of the Board as a whole, the Committee may consider the effectiveness of the Board in decision making, ability of the Board to review the organization's performance in carrying out the stated mission on a regular basis, communication channel and flow of information, among others criteria.

Evaluation of Key Management Personnel

While evaluating the performance of the Key Management Personnel (as defined by the Committee from time to time), the Committee may consider interpersonal and communication skills, team work attributes, safeguard of confidential information among others criteria.

The Committee may amend the Policy, if required, subject to approval of the Board, to ascertain its appropriateness as per the needs of the Company.

5. REMUNERATION OF DIRECTORS

Pursuant to Section 178 (3) of the Act read with Regulation 19 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has formulated and approved this Nomination and Remuneration Policy ("Policy"). The said Policy is available on the website of the Company at www.gtpl.net.

Objective of the Policy

The objectives of this Policy are set forth below:

- to lay down criteria and terms and conditions with regard to identifying persons who are qualified to become Directors (independent, executive and non-executive) and persons who may be appointed in Senior Management and Key Managerial Personnel positions;
- to ensure that the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the Company successfully;
- to ensure that relationship of remuneration to performance is clear and meets appropriate performance benchmarks;
- To carry out evaluation of the performance of Directors, as well as Key Managerial and Senior Management personnel and provide necessary report to the Board for further evaluation by the Board; and
- to ensure that the remuneration paid to the Directors, Key Managerial Personnel and Senior Management personnel involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

Remuneration to Managing Director / Whole-time Directors:

- The Remuneration/ Commission, as applicable, to be paid to Managing Director / Whole-time Directors, etc. shall be governed as per provisions of Act or any other enactment for the time being in force and the approvals obtained from the Members of the Company.

Remuneration to Non- Executive / Independent Directors:

- The Non-Executive / Independent Directors may receive sitting fees and such other remuneration as permissible under the provisions of the Act and the Listing Regulations. The amount of sitting fees shall be such as may be recommended by the Committee and approved by the Board.

Remuneration to Key Managerial Personnel and Senior Management:

- The remuneration to Key Managerial Personnel and Senior Management personnel shall consist of fixed pay and incentive pay, in compliance with the provisions of the Act and in accordance with this Policy.

The components of the total remuneration vary for different cadres and are governed by industry pattern, qualifications and experience of the employee, responsibilities handled by him, individual performance, etc.

ANNEXURE - 10 TO THE BOARD'S REPORT

CORPORATE GOVERNANCE COMPLIANCE CERTIFICATE

To,
 The Members of
GTPL Hathway Limited

We have examined the compliance of Corporate Governance by GTPL Hathway Limited ("the Company") for the year ended on 31st March, 2017 as stipulated in applicable regulations of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 of the said Company with the Stock Exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to a review of procedures and implementations thereof adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the applicable regulations of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

ANNEXURE - 11 TO THE BOARD'S REPORT**COMPLIANCE CERTIFICATE IN RELATION TO AUDITED ANNUAL FINANCIAL STATEMENTS (STANDALONE AND CONSOLIDATED) OF GTPL HATHWAY LIMITED ("COMPANY") FOR THE FINANCIAL YEAR ENDED MARCH 31, 2017**

To,
The Board of directors
GTPL Hathway Limited
202, Sahajanand Shopping Centre,
Opposite Swami Narayan Temple,
Shahibaug, Ahmedabad 380004
Gujarat

Subject: Compliance Certificate in relation to Audited Annual Financial Statements (Standalone and Consolidated) of GTPL Hathway Limited ("Company") for the financial year ended March 31, 2017 pursuant to Regulation 17 (8) read with Part B of Schedule II and Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

We, the undersigned, in our respective capacities as the Chief Executive Officer and the Chief Financial Officer of the Company, to the best of our knowledge and belief certify that:

- A.** We have reviewed financial statements and results for the year ended 31st March, 2017 and that to the best of their knowledge and belief:
- (1) these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - (2) these statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
 - (3) these financial results do not contain any false or misleading statement or figures and do not omit any material fact which make the statements or figures contained therein misleading.
- B.** There are, to the best of our knowledge and belief, no transactions entered into by the listed entity during the year which are fraudulent, illegal or violate Company's Code of Conduct.
- C.** We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting and we have disclosed to the auditors and the audit committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps they have taken or propose to take to rectify these deficiencies.
- D.** We have indicated to the auditors and the Audit committee, wherever applicable, the following:
- (1) significant changes in internal control over financial reporting during the year;
 - (2) significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statements; and
 - (3) instances of significant fraud of which they have become aware and the involvement therein, if any, of the management or an employee having a significant role in Company's internal control system over financial reporting.

Independent Auditors' Report

To the Members of GTPL Hathway Limited

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of GTPL Hathway Limited ("the Company"), which comprise the balance sheet as at March 31, 2017, the statement of profit and loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone Ind AS financial statements").

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at March 31, 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) the balance sheet, the statement of profit and loss, the statement of cash flows and the statement of changes in equity dealt with by this Report are in agreement with the books of account;

- (d) in our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rule issued thereunder;
- (e) on the basis of the written representations received from the directors as on March 31, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
- (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements – Refer Note 35 to the standalone Ind AS financial statements;
 - ii. the Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company; and
 - iv. the Company has provided requisite disclosures in its standalone Ind AS financial statements as to holdings as well as dealings in Specified Bank Notes during the period from November 8, 2016 to December 30, 2016 and these are in accordance with the books of accounts maintained by the Company. Refer Note 44 to the standalone Ind AS financial statements.

Annexure - A to the Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone Ind AS financial statements for the year ended March 31, 2017, we report that:

- 1) (a) The Company has maintained proper records showing full particulars, including quantitative details except in case of certain network equipment and location wise particulars of Access Devices with the subscribers. As explained to us the nature of some of the distribution equipment (like cabling & other line equipment) is such that maintaining location wise details is impractical. The management has maintained maps to identify approximate quantity & location of Such Equipment. Updating/Preparation of maps relating to addition/replacement of assets are in progress.
- (b) The Company has a regular program of physical verification of its fixed asset (other than set top boxes installed at customer premises and those in transit or lying with distributors/cable operators and distributing equipment comprising overhead and underground cables physical verification of which is infeasible owing to the nature and location of these assets), under which fixed asset are verified in a phased manner over a period of three years which, in our opinion is reasonable having regard to the size of the company and nature of its asset. According to the information and explanation given to us, the existence of set top boxes installed at customer premises is considered on the basis of the 'active user' status of the set top box. No material discrepancies were noticed on the verification of these assets.
- (c) The title deeds of immovable properties are held in the name of the company.
- 2) The inventories have been physically verified by the management at reasonable intervals during the year and there were no material discrepancies noticed on physical verification of stock, as compared to book records.
- 3) The company has not granted unsecured loans to companies, firms, partnerships and other parties covered in the register maintained under section 189 of the companies Act, 2013.
- 4) In our opinion and according to the information and explanation given to us, the company has complied with the provision of section 185 and 186 of the Companies Act, 2013 for loans, investments, guarantees and security.
- 5) The company has not accepted any deposits from the public in accordance with the provisions of Section 73 to 76 of the Act or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
- 6) According to the information and explanation given to us, the central government has not prescribed for the maintenance of cost records under section 148(1) of the companies act, 2013.
- 7) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company is regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Customs, duty of Excise, value added tax, cess and any other statutory dues to the appropriate authorities
- (b) According to the information and explanations given to us, there are no dues of duty of customs which have not been deposited with the appropriate authorities on account of any dispute. However, according to information and explanations given to us, the following dues of income tax, sales tax, duty of excise, service tax and value added tax have not been deposited by the Company on account of disputes:

Name of Statute	Nature of Dues	Financial Year	Amount under Dispute (Rs. In Millions)	Amount paid under Protest (Rs. In Millions)	Forum where dispute is pending
Gujarat Value Added Tax	VAT	2010-11	1.94	1.94	Value added Tax Commissioner
West Bengal Value Added Tax Act	VAT	2012-13	22.29	2.99	Directorate of Commercial Taxes (Appeal)
VAT - Maharashtra	VAT	2009-10	0.46	0.10	The Deputy Commissioner of Sales Tax (Appeal)
ET - Patna	Entertainment Tax	2013-14	18.31	-	The Joint Commissioner of Commercial Taxes (Appeal)
Maharashtra Land Revenue Act	Entertainment Tax	2013-14 and 2014-15	41.36	-	Bombay High Court

- 8) In our opinion and according to explanation given to us, the company has not defaulted in repayment of loans or borrowings to banks or financial institution.
- 9) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments). The company has raised money by way of term loans from banks and financial institution during the year. The term loans were applied for the purpose for which those were raised.
- 10) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments). The company has raised money by way of term loans from banks and financial institution during the year. The term loans were applied for the purpose for which those were raised.

- 11) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- 12) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- 13) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- 14) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone Ind AS financial statements as required by the applicable accounting standards.
- 15) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- 16) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- 17) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of GTPL Hathway Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Standalone Financial Statements

1. COMPANY OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES

1.1 Corporate Information

GTPL Hathway Limited ("the Company" or "the group") is a Public Company Limited by shares. The Company is engaged in distribution of television channels through analog and digital cable distribution network.

The Company is a public limited company incorporated and domiciled in India and incorporated under companies act, 1956. The address of Corporate office is GTPL House , Shree one building , Opp Armieda , Sindhu Bhavan Road , Near Pakwan Cross Road , Bodakdev , Ahmedabad 380059.

SIGNIFICANT ACCOUNTING POLICIES

1.2 Basis of preparation and presentation

The standalone financial statement comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act and rules thereunder.

In accordance with Ind AS 101 First-time Adoption of Indian Accounting Standard, the Company has presented reconciliation from the presentation of Standalone Financial Information under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP or Indian GAAP") to Ind AS of Shareholders' equity as at March 31, 2016 and as at April 1, 2015 and of the Standalone Statement of profit and loss for the year ended March 31, 2016.

1.2.1 Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities (including derivative instruments) measured at fair value;
- assets held for sale – measured at fair value less cost to sell;
- defined benefit plans – plan assets measured at fair value; and

1.3 Use of judgements, estimates & assumptions

While preparing financial statements in conformity with Ind AS, we make certain estimates and assumptions that require subjective and complex judgments. These judgments affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses, disclosure of contingent liabilities at the statement of financial position date and the reported amount of income and expenses for the reporting period. Financial reporting results rely on our estimate of the effect of certain matters that are inherently uncertain. Future events rarely develop exactly as forecast and the best estimates require adjustments, as actual results may differ from these estimates under different assumptions or conditions. We continually evaluate these estimates and assumptions based on the most recently available information.

Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are as below:

- Assessment of functional currency;
- Financial instruments;
- Useful lives of property, plant and equipment and intangible assets;
- Valuation of inventories;
- Measurement of recoverable amounts of cash-generating units;
- Assets and obligations relating to employee benefits;
- Provisions;
- Evaluation of recoverability of deferred tax assets; and
- Contingencies.

1.4 Foreign Currency Translation:

1.4.1 Functional and presentation currency

The Company's Standalone financial statements are prepared in Indian Rupees, which is also the Company's functional and presentation currency.

1.4.2 Transactions and balances

Monetary items

Foreign currency transactions are recorded at the exchange rate prevailing at the date of transactions. Exchange difference arising on settlement of transactions is recognized as income or expense in the year in which they arise.

Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of the year are restated at the year-end rate and difference in translations and unrealised gains / (losses) on foreign currency transactions are recognised in the statement of profit & loss.

Non - Monetary items:

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

1.5 Revenue recognition

1.5.1 Revenue from Operations

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

- Subscription income includes subscription from Subscribers / Cable Operators relating to cable TV, Internet. Revenue from Operations in DAS notified area is recognized on accrual basis based on underlying subscription plan or agreements with the concerned subscribers / parties. Whereas, Subscription Income from Cable TV Operators in Non-DAS area, is accrued monthly based on number of connections declared by the said operators to the Company. In cases where revision of number of connections and / or rate is under negotiations at the time of recognition of revenue, the Company recognizes revenue as per invoice raised. Adjustments for the year, if any, arising on settlement is adjusted against the Revenue. Other cases are reviewed by the management periodically.
- Activation fee, which in substance is an advance payment for future services or the ongoing services being provided are essential to the subscribers receiving the expected benefit of the upfront payment of activation fee. Accordingly revenue from activation fees shall be amortized over expected customer retention period.
- Carriage / Placement income is recognized on accrual basis based on agreements with the concerned subscribers / parties on a monthly / yearly basis.)
- Revenue from prepaid Internet Service plans, which are active at the end of accounting period, is recognized on time proportion basis. In other cases of Internet Service plans, entire revenue is recognized in the period of sale.
- Advertisement income is recognised as per the terms of underlying agreements/arrangements with the concerned parties.

The Company collects service tax and entertainment tax on behalf of the government and, therefore, it is not an economic benefit flowing to the Company. Hence, it is excluded from revenue.

1.5.2 Other Revenues

Other Income comprises of profit received on sale of Set Top Boxes and fees received for Lease & Rent of Equipment, advertisement and consultancy services. Income from such services is recognized as per the terms of underlying agreements/arrangements with the concerned parties. Income from profit from set top box is arrived at by netting off the cost of purchases of set top boxes with its sale.

Other Operating Income comprises of fees for advertisement and consultancy services. Income from such services is recognized as per the terms of underlying agreements/arrangements with the concerned parties.

1.5.3 Interest Income

Interest income from debt instruments is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset.

1.5.4 Share of profit/loss from Joint Ventures / Partnership Firms

Share of Profit / Loss from Partnership Firms / Joint Ventures is accounted in respect of the financial year of the firm / venture, ending on or before the balance sheet date, on the basis of their audited accounts.

1.6 Income tax

1.6.1 Current Tax

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss.

1.6.2 Deferred tax

Deferred taxes are computed for all temporary differences between the accounting base and the tax base of assets and liabilities.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

1.7 Leases

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date, whether fulfillment of the arrangement is dependent on the use of a specific asset or assets or the arrangement conveys a right to use the asset, even if that right is not explicitly specified in an arrangement.

1.7.1 As a lessee

Leases of property, plant and equipment where the company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

1.7.2 As a lessor

Lease income from operating leases where the company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Lease is recognized as finance lease or operating lease as per the definition and classification criteria. An important consideration in such determination is that land has indefinite economic life. Based on contractual & other arrangement, Land can either be classified as financial lease or operating lease.

1.8 Business combinations

Business combinations are accounted for using the acquisition method. At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values.

Business combinations involving entities or businesses under common control shall be accounted for using the pooling of interest method. Under pooling of interest method, the assets and liabilities of the combining entities are reflected at their carrying amounts, the only adjustments that are made are to harmonise accounting policies.

The acquisition method of accounting under Ind AS is used to account for business combinations by the Company from the date of transition to Ind AS i.e. April 1, 2015. Prior to the date of transition to Ind AS, business acquisition has been accounted based on previous GAAP.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the Company re-assesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and reviews the procedures used to measure the amounts to be recognised at the acquisition date. If the reassessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then the gain is recognised in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through OCI.

1.9 Impairment of assets

Goodwill and intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events

or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the assets carrying amount exceeds its recoverable amount. The recoverable amount is higher of an assets fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

1.10 Cash and cash equivalents

Cash and cash equivalents for the purposes of Cash Flow Statement comprise cash at bank, cash / cheques in hand, demand deposits with banks and other short-term investments with an original maturity of three months or less. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

1.11 Non-current assets held for sale and discontinued operations

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell.

An impairment loss is recognised for any initial or subsequent write-down of the asset to fair value less costs to sell. A gain is recognised for any subsequent increases in fair value less costs to sell of an asset, but not in excess of any cumulative impairment loss previously recognised. A gain or loss not previously recognised by the date of the sale of the non-current asset is recognised at the date of de-recognition.

Non-current assets are not depreciated or amortised while they are classified as held for sale. Non-current assets classified as held for sale are presented separately from the other assets in the balance sheet.

A discontinued operation is a component of the entity that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single co-ordinated plan to dispose of such a line of business or area of operations, or is a subsidiary acquired exclusively with a view to resale. The results of discontinued operations are presented separately in the statement of profit and loss.

1.12 Investment in subsidiaries, joint ventures and associates

Subsidiaries are entities over which the company has control. The company controls an entity when the company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity.

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

An associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies.

The Company's investments in its subsidiaries, joint ventures and associates are accounted at cost and reviewed for impairment at each reporting date.

1.13 Investments and other financial assets

1.13.1 Classification

The company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

1.13.2 Measurement

At initial recognition, the company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

1.13.3 Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

Debt instruments included within the fair value through profit and loss (FVTPL) category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

1.13.4 Equity instruments

The company subsequently measures all equity investments at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

(i) Impairment of financial assets

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(ii) De-recognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- the rights to receive cash flows from the asset have expired, or
- the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
 - a) the Company has transferred substantially all the risks and rewards of the asset, or
 - b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

1.14 Financial Liabilities, Derivatives and hedging activities:

1.14.1 Financial liabilities

(i) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, financial guarantee contracts or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

(ii) Subsequent measurement

All financial liabilities are subsequently measured at amortised cost using effective interest method or at FVTPL. The subsequent measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships and effective as defined by Ind-AS 109. Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities can be designated upon initial recognition at fair value through profit or only if such election so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch') as stated in Ind-AS 109. For non - held for trading liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized

in OCI, unless such recognition in OCI would create or enlarge an accounting mismatch in profit or loss, in which case these effects in credit risk are recognised in P & L. These gains/ loss are not subsequently transferred to P&L. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The company has not designated any financial liability as at fair value through profit and loss.

Financial guarantee contracts

Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognised less cumulative amortisation.

1.14.2 Derivative financial instruments and hedge accounting

(i) Initial recognition and subsequent measurement

The Company uses derivative financial instruments, such as forward currency contracts, and interest rate swaps, to hedge its foreign currency risks and interest rate risks respectively. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

The purchase contracts that meet the definition of a derivative under Ind-AS 109 are recognised in the statement of profit and loss. Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss.

(ii) De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

1.15 Foreign exchange gains and losses

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognised in Other Income.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognised in profit or loss.

1.16 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

1.17 Property, plant and equipment

Property, plant and equipment is stated at cost, less accumulated depreciation and accumulated impairment losses. The initial cost of an asset comprises its purchase price, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any. The purchase price is the aggregate amount paid and the fair value of any other consideration given to acquire the asset.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Set Top Boxes (STBs) and Internet Access devices on hand at the year-end are included in Capital Work in Progress. On installation, such devices are capitalized or treated as sale, as the case may be.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Stores & Spares which meet the definition of property plant and equipment and satisfy the recognition criteria of Ind AS 16 are capitalized as property, plant and equipment.

1.17.1 Depreciation on Property, plant and equipment

The depreciation on tangible fixed assets was provided using Straight Line Method at rates specified and in the manner prescribed by Schedule XIV to the Companies Act, 1956 upto 31st March, 2014 except for the Set top Boxes as mentioned below.

With effect from 1st April, 2014, Depreciation on tangible fixed assets is provided using the Straight Line Method based on the useful life of the assets as estimated by the management and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013. The estimate of the useful life of the assets has been assessed based on technical advice which considered the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset, anticipated technological changes, manufacturers warranties and maintenance support, etc

Depreciation on Set Top Boxes are provided under Straight Line Method over the estimated useful life of eight years as per technical evaluation.

In case of additions or deletions during the year, depreciation is computed from the month in which such assets are put to use and up to previous month of sale, disposal or held for sale as the case may be. In case of impairment, depreciation is provided on the revised carrying amount over its remaining useful life.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.

1.18 Investment properties

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

1.19 Intangible Assets

1.19.1 Intangible Assets acquired separately

Intangible assets comprises of Cable Television Franchise, Movie & Serial Rights, Bandwidth Rights, Goodwill and Softwares. Cable Television Franchisee represents purchase consideration of a network that mainly attributable to acquisition of subscribers and other rights, permission etc. attached to a network.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

1.19.2 De-recognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

1.19.3 Amortisation of intangible assets

The intangible assets are amortized on a straight line basis over their expected useful lives as follows:

- Cable Television Franchise is amortized over a period of 5 to 20 years
- Softwares are amortized over the license period and in absence of such tenor, over five years.

The estimated useful lives, residual values, amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

1.20 Borrowing costs

Borrowing costs that are directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that the company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

1.21 Provisions, Contingent liabilities and Contingent Assets

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions for restructuring are recognised by the company when it has developed a detailed formal plan for restructuring and has raised a valid expectation in those affected that the company will carry out the restructuring by starting to implement the plan or announcing its main features to those affected by it.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

1.22 Retirement and other Employee benefits

1.22.1 Short-term obligations

Short term employee benefits are recognised as an expense at an undiscounted amount in the Statement of profit & loss of the year in which the related services are rendered.

a) Post-employment obligations

The Company operates the following post-employment schemes:

- defined benefit plans such as gratuity; and
- defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions for provident fund and pension as per the provisions of the Provident Fund Act, 1952 to the government. The Company's contribution is recognised as an expense in the Profit and Loss Statement during the period in which the employee renders the related service. The company's obligation is limited to the amounts contributed by it.

1.22.2 Other long-term employee benefit obligations

The liabilities for leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

1.23 Earnings Per Share (EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.24 Rounding of amounts

All amounts disclosed in the financial statement and notes have been rounded off to the nearest crores, except where otherwise indicated.

1.25 Reclassification

Previous year's figures have been reclassified / regrouped wherever necessary.

2. Notes of the standalone financial statements for the year ended March 31, 2017

2.1 First-time adoption of Ind AS

These Standalone financial statements, for the year ended 31 March 2017, are the company's first Standalone financial statements prepared in accordance with Ind AS.

The accounting policies set out in the notes have been applied in preparing the Standalone Financial statements for the period ended March 31, 2017 and for the years ended March 31, 2016. The company has followed the same accounting policy choices (both mandatory exceptions and optional exemptions availed as per Ind AS 101) as initially adopted on transition date i.e. April 1, 2015.

An explanation of how the transition from Indian GAAP to Ind AS has affected the company's Standalone Financial Statements is set out in the following tables and notes.

2.1.1 Exemptions and exceptions availed:

The applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS as at the transition date, i.e. April 1, 2015 are explained below.

a) Estimates:

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after accounting policies), unless there is an objective evidence that those estimates were in error.

Ind AS estimates as at 1 April, 2015 are consistent with the estimates as at same date made in conformity with previous GAAP. The Company made estimates for Impairment of financial assets based on expected credit loss model in accordance with Ind AS at the date of transition as these were not required under previous GAAP.

b) Hedge Accounting:

Hedge accounting can only be applied prospectively from the transition date to transactions that satisfy the hedge accounting criteria in Ind AS 109, at that date. Hedging relationships cannot be designated retrospectively, and the supporting documentation cannot be created retrospectively. As a result, only hedging relationships that satisfied the hedge accounting criteria as of 1 April 2015 are reflected as hedges in the Company's results under Ind AS.

The Company uses derivative financial instruments, such as forward currency contracts to hedge its foreign currency risks. Under Indian GAAP, there is no mandatory standard that deals comprehensively with hedge accounting, which has resulted in the adoption of varying practices. The entity has assessed the conditions of qualifying hedging relationship on date of transition to Ind AS and therefore not recognised a hedge relationship that does not qualify for hedge accounting as per Ind AS 109.

c) De-recognition of financial assets and liabilities

Ind AS 101 requires a first-time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However, Ind AS 101 allows a first-time adopter to apply the de-recognition requirements in Ind AS 109 retrospectively from the date of the entity's choosing, provided that the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognized as a result of past transactions was obtained at the time of initially accounting for those transactions.

The Company has elected to apply the de-recognition provisions of Ind AS 109 prospectively from the date of transition to Ind AS.

d) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS. Accordingly, the classification and the measurement of financial assets is done based on the facts & circumstances as on the date of transition.

e) Business combinations

Ind AS 101 provides the option to apply Ind AS 103 prospectively from the transition date or from a specific date prior to the transition date. This provides relief from full retrospective application that would require restatement of all business combinations prior to the transition date. The Company elected to apply Ind AS 103 prospectively to business combinations occurring after its transition date. Business combinations occurring prior to the transition date have not been restated. The Company has applied same exemption for investment in associates and joint ventures.

f) Prospective application of Ind AS 21 to business combinations

The Company has not applied Ind AS 21 The Effects of Changes in Foreign Exchange Rates retrospectively to fair value adjustments and goodwill from business combinations that occurred before the date of transition to Ind AS. The Company has elected to apply this exemption.

g) Cumulative translation differences

Ind AS 101 permits cumulative translation gains and losses to be reset to zero at the transition date. This provides relief from determining cumulative currency translation differences in accordance with Ind AS 21 from the date subsidiary or equity method investee was formed or acquired. The Company elected to reset all cumulative translation gains and losses to zero by transferring it to opening retained earnings at its transition date.

h) Deemed cost

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use

that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets covered by Ind AS 38 Intangible Assets and investment property covered by Ind AS 40 Investment Properties.

Accordingly, The Company has elected to measure all of its property, plant and equipment, intangible assets and investment property at their previous GAAP carrying value.

i) Fair value measurement of financial assets or financial liabilities

First-time adopters may apply Ind AS 109 to day one gain or loss provisions prospectively to transactions occurring on or after the date of transition to Ind AS. Therefore, unless a first-time adopter elects to apply Ind AS 109 retrospectively to day one gain or loss transactions, transactions that occurred prior to the date of transition to Ind AS do not need to be retrospectively restated.

Accordingly, The Company has opted for recognizing gain or loss prospectively to transactions occurring on or after the date of transition to Ind AS.

j) Leases

Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, this assessment should be carried out at the inception of the contract or arrangement. Ind AS 101 provides an option to make this assessment on the basis of facts and circumstances existing at the date of transition to Ind AS, except where the effect is expected to be not material. The Company has elected to apply this exemption for such contracts/arrangements.

Notes to the Financial Statements

Notes to the Financial Statements (contd.)

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds, ETFs and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

There are no transfers between levels 1 and 2 during the year.

Valuation technique used to determine fair value:

Specific valuation techniques used to value financial instruments include:

- ✓ the use of quoted market prices or dealer quotes for similar instruments
- ✓ the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date
- ✓ the fair value of the remaining financial instruments is determined using discounted cash flow analysis.
- ✓ All of the resulting fair value estimates are included in level 2.

Valuation Techniques used for fair value measurement

Particulars	Fair value as on Mar 31, 2017	Valuation Technique	Unobservable input	Range
Unquoted Equity	NA	NA	NA	NA
Debt Securities	NA	NA	NA	NA
Hedge Funds	NA	NA	NA	NA
Investment Properties	NA	NA	NA	NA
Corporate Guarantee	0.04	Market Rate	NA	
Security Deposit	33.52	Market Rate	NA	
Forward Contract	-	Present Value	Reports from Bank	NA

Valuation processes

The finance department of the company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial officer (CFO) and the audit committee (AC).

Discussions of valuation processes and results are held between the CFO, AC and the valuation team quarterly, in line with the company's quarterly reporting periods.

Changes in level 2 and 3 fair values are analyzed at the end of each reporting period during the quarterly valuation discussion between the CFO, AC and the valuation team. As part of this discussion the team presents a report that explains the reason for the fair value movements.

Cash flow and fair value interest rate risk

The company's main interest rate risk arises from long-term borrowings with variable rates, which expose the company to cash flow interest rate risk. The company's borrowings at variable rate were mainly denominated in INR & USD.

The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

(a) Interest rate risk exposure

(Rs. in Million)

PRICE RISK

The entity do not have any in investments in quoted securities or other equity instruments except for investments in group entities. Thus, the company is not exposed to any price risk.

NOTE 30: CAPITAL MANAGEMENT

The Company's objectives when managing capital are to safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and Maintain an optimal capital structure to reduce the cost of capital.

Consistent with others in the industry, the Company monitors capital on the basis of the following gearing ratio:

Net debt (total borrowings net of cash and cash equivalents) divided by Total 'equity' (as shown in the balance sheet, including non-controlling interests).

Particulars	March 31, 2017	March 31, 2016

The carrying amounts of trade receivables, trade payables, capital creditors and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The company has not classified any financial asset as hedge instrument and hence, hedge accounting is not applicable.

NOTE 30: FINANCIAL RISK MANAGEMENT

The company's activities expose it to market risk, liquidity risk and credit risk. In order to minimize any adverse effects on the financial performance of the company, derivative financial instruments, such as foreign exchange forward contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.

Risk	Exposure	Measurement	Management
Credit Risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost	Ageing Analysis	Diversification of bank deposits, credit limits and letter of credit
Liquidity Risk	Borrowings and other liabilities	Rolling cash flow forecast	Availability of committed credit lines and borrowing facilities
Market Risk			
- Forex	Future commercial transactions	Sensitivity analysis	Forward foreign exchange contracts
- Interest Rates	Long term borrowings at variable rates	Sensitivity analysis	Interest rate

Credit Risk Management

Credit risk is managed on a group basis. For banks and financial institutions, only high rated banks/institutions are accepted.

For other financial assets, the Company assesses and manages credit risk based on internal credit rating system. The finance function consists of a separate team who assesses and maintains an internal credit rating system. Internal credit rating is performed on a group basis for each class of financial instruments with different characteristics.

Class 1	Quality
Class 2	Standard

Notes to the Financial Statements (contd.)

Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, group treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at local level in the operating companies of the Company in accordance with practice and limits set by the Company. These limits vary by location to take into account the liquidity of the market in which the entity operates. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

MARKET RISK MANAGEMENT

Foreign Currency Risk

The company operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions and foreign currency loans, primarily with respect to the US\$. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the company's functional currency (INR). The risk is measured through a forecast of highly probable foreign currency cash flows. The objective of the hedges is to minimize the volatility of the INR cash flows of highly probable forecast transactions.

The company uses foreign exchange forward contracts to hedge its exposure in foreign currency risk. The company measures the forward contract a fair value through profit and loss not classified as hedge.

The spot component of forward contracts is determined with reference to relevant spot market exchange rates. The differential between the contracted forward rate and the spot market exchange rate is defined as the forward points.

NOTE 37: EMPLOYEE BENEFITS

Defined Contribution Plan

- (a) Provident Fund : A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions for provident fund and pension as per the provisions of the Provident Fund Act, 1952 to the government. The Company's contribution is recognised as an expense in the Profit and Loss Statement during the period in which the employee renders the related service. The company's obligation is limited to the amounts contributed by it.

Contribution by employer

Particulars	31-03-2017	31-03-2016
Company's Contribution towards Provident Fund	21.03	33.05

Defined Benefits Plan

- (a) Gratuity: The Company has a defined benefit gratuity plan. The scheme is funded with an insurance company in the form of a qualifying insurance policy. Every employee who has completed five or more years of service is eligible for gratuity as per the provisions of the Gratuity Act, 1972.

Assumptions

Independent Auditors' Report

To the Members of GTPL Hathway Limited

Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of GTPL Hathway Limited ("the Holding Company") and its subsidiaries (collectively referred to as "the Company" or "the Group"), which comprise the consolidated balance sheet as at March 31, 2017, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of cash flows and the consolidated statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the consolidated financial position of the Group, as at March 31, 2017 and its consolidated financial performance including other comprehensive income, its consolidated cash flows and the consolidated changes in equity for the year then ended.

Other Matters

- (a) We did not audit the financial statements of 11 subsidiaries and 38 JV subsidiaries whose financial statements reflect total assets of Rs. 1232.80 Million as at March 31, 2017, total revenues of Rs. 890.73 million and net cash outflows amounting to Rs. 11.55 million for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and joint ventures, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and joint ventures, is based solely on the reports of the other auditors.
- (b) We did not audit the financial statements of 29 joint ventures, whose financial statements reflect total net loss of Rs. 22.87 million for the year ended on March 31, 2017, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit of Rs. 40.57 million for the year ended March 31, 2017, as considered in the consolidated financial statements, in respect of 2 associates, whose financial statements have been audited by us and other auditor. The financial statements which are unaudited have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, joint

ventures, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries, joint ventures and associates, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements / financial information are not material to the Group.

- (c) Certain Subsidiaries and Joint Ventures have not been considered for consolidation in the audited Ind AS consolidated financial statements as the criteria of effective control/ joint control as the case may be, could not be fulfilled during the reporting period on account of disputes with and / or delay and / or lack of communication from these Subsidiaries and Joint Ventures. Further, we are of the opinion that given the size of the investment of the Company in these Subsidiaries and Joint Ventures, these Subsidiaries and Joint Ventures does not have a material impact on the Consolidated Financial Statements under Ind AS. As of March 31, 2017, the value of these investments in the Consolidated Financial Statements under Ind-AS were Rs 38.87 million and the management has made a provision of Rs 38.25 million towards the carrying cost of the investments.
- (d) Without qualifying our opinion, we draw attention to Note No. 35 regarding certain joint ventures and associates which have not been consolidated on the grounds that the criteria of effective joint control could not be fulfilled during the reporting period. The same shall be consolidated from the date when the management feels that joint control has been established over these entities and Note No. 35 of those joint ventures and subsidiaries which were consolidated till 31st March, 2017, however as the same are now held for disposal, the same have been shown as investments and have been carried at cost with suitable provision for diminution against the same.

Our report is not qualified in respect of such matters.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books.
- (c) The consolidated balance sheet, the consolidated statement of profit and loss, the consolidated statement of cash flows and consolidated statement of changes in equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
- (d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder.
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2017 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the Directors of the Group companies incorporated in India is disqualified as on March 31, 2017 from being appointed as a Director of that company in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
- (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. the consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group. Refer Note 29 to the consolidated Ind AS financial statements;
 - ii. provision has been made in the consolidated Ind AS financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivatives contracts.
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India; and
 - iv. the Company has provided requisite disclosures in its consolidated Ind AS financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November, 2016 to 30 December, 2016 and these are in accordance with the books of accounts maintained by the Company. Refer Note 42 to the consolidated Ind AS financial statements.

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2017, we have audited the internal financial controls over financial reporting of GTPL Hathway Limited ("the Holding Company") and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Notes to the Consolidated Financial Statements

1. COMPANY OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES

1.1 Background

GTPL Hathway Limited ("the Company" or "the group") is a Public Company Limited by shares. The Company is engaged in distribution of television channels through analog and digital cable distribution network.

The Company is a public limited company incorporated and domiciled in India and incorporated under companies act, 1956. The address of Corporate office is GTPL House , Shree one building , Opp Armieda , Sindhu Bhavan Road , Near Pakwan Cross Road , Bodakdev , Ahmedabad 380059.

SIGNIFICANT ACCOUNTING POLICIES

1.2 Basis of preparation and presentation

The consolidated financial statement complies in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act and rules thereunder.

In accordance with Ind AS 101 First-time Adoption of Indian Accounting Standard, the Group has presented reconciliation from the presentation of Consolidated Financial Information under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP or Indian GAAP") to Ind AS of Consolidated Shareholders' equity as at March 31, 2016 and of the Consolidated Statement of profit and loss for the year ended March 31, 2016.

1.2.1 Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities (including derivative instruments) measured at fair value;
- defined benefit plans – plan assets measured at fair value; and

1.3 Principles of consolidation and equity accounting

1.3.1 Subsidiaries

Subsidiaries are all entities (including structured entities) over which the company has control. The company controls an entity when the company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting under Ind AS is used to account for business combinations by the Group from the date of transition to Ind AS i.e. April 1, 2015. Prior to the date of transition to Ind AS, business acquisition has been accounted based on previous GAAP.

The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

1.3.2 Associates

Associates are all entities over which the company has significant influence but not control or joint control. Investments in associates are accounted for using the equity method of accounting, after initially being recognized at cost.

1.3.3 Joint arrangements

Under Ind AS 111 Joint Arrangements, investments in joint arrangements are classified as either joint operations or joint ventures. The classification depends on the contractual rights and obligations of each investor, rather than the legal structure of the joint arrangement. Interests in joint ventures are accounted for using the equity method, after initially being recognized at cost in the consolidated balance sheet.

1.3.4 Equity method

Under the equity method of accounting, the investments are initially recognized at cost and adjusted thereafter to recognise the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the company's share of other comprehensive income

of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognized as a reduction in the carrying amount of the investment.

When the group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the company does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the group and its associates and joint ventures are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the policy.

1.3.5 Changes in ownership interests

The group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognized within equity.

When the company ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is remeasured to its fair value with the change in carrying amount recognized in profit or loss. This fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognized in other comprehensive income in respect of that entity are accounted for as if the company had directly disposed of the related assets or liabilities. This may mean that amounts previously recognized in other comprehensive income are reclassified to profit or loss.

If the ownership interest in a joint venture or an associate is reduced but joint control or significant influence is retained, only a proportionate share of the amounts previously recognized in other comprehensive income are reclassified to profit or loss where appropriate.

1.4 Segment reporting

The Chief Operational Decision Maker monitors the operating results of its business Segments separately for the purpose of making decisions about resources allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements.

The operating segments have been identified on the basis of nature of products/service and has two reportable segments Cable Television and Internet service segment.

- Segment revenue includes sales and other income directly attributable with /allocable to segments including inter-segment revenue.
- Expenses that are directly identifiable with /allocable to segments are considered for determining the segment results. Expenses which relate to the Company as a whole and not allocable to segments are included under unallocable expenditure.
- Income which relates to the Company as a whole and not allocable to segments is included in unallocable income.
- Segment results includes margins on inter-segment and sales which are reduced in arriving at the profit before tax of the company.
- Segment assets & liability include those directly identifiable with the respective segments. Unallocable assets and liability represent the assets and liabilities that relate to the Company as a whole and not allocable to any segment.

1.5 Foreign Currency Translation:

1.5.1 Functional and presentation currency

The Group's consolidated financial statements are prepared in Indian Rupees, which is also the Company's functional and presentation currency.

1.5.2 Transactions and balances

Monetary items

Foreign currency transactions are recorded at the exchange rate prevailing at the date of transactions. Exchange difference arising on settlement of transactions is recognized as income or expense in the year in which they arise.

Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of the year are restated at the year-end rate and difference in translations and unrealised gains / (losses) on foreign currency transactions are recognized in the statement of profit & loss.

Non - Monetary items

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

1.6 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

1.6.1 Revenue from Operation

- Subscription income includes subscription from Subscribers / Cable Operators relating to cable TV, Internet. Revenue from Operations in DAS notified area is recognized on accrual basis based on underlying subscription plan or agreements with the concerned subscribers / parties. Whereas, Subscription Income from Cable TV Operators in Non-DAS area, is accrued monthly based on number of connections declared by the said operators to the Company. In cases where revision of number of connections and / or rate is under negotiations at the time of recognition of revenue, the Company recognizes revenue as per invoice raised. Adjustments for the year, if any, arising on settlement is adjusted against the Revenue. Other cases are reviewed by the management periodically.
- Activation fee, which in substance is an advance payment for future services or the ongoing services being provided are essential to the subscribers receiving the expected benefit of the upfront payment of activation fee. Accordingly revenue from activation fees shall be amortized over expected customer retention period.
- Carriage / Placement income is recognized on accrual basis based on agreements with the concerned subscribers / parties on a monthly / yearly basis.
- Revenue from prepaid Internet Service plans, which are active at the end of accounting period, is recognized on time proportion basis. In other cases of Internet Service plans, entire revenue is recognized in the period of sale.
- The Company collects service tax and entertainment tax on behalf of the government and, therefore, it is not an economic benefit flowing to the Company. Hence, it is excluded from revenue.

1.6.2 Other Revenues

Other Income comprises of profit received on sale of Set Top Boxes and fees received for Lease & Rent of Equipment, advertisement and consultancy services. Income from such services is recognized as per the terms of underlying agreements/arrangements with the concerned parties. Income from profit from set top box is arrived at by netting off the cost of purchases of set top boxes with its sale.

Other Operating Income comprises of fees for advertisement and consultancy services. Income from such services is recognized as per the terms of underlying agreements/arrangements with the concerned parties.

1.6.3 Interest Income

Interest income from debt instruments is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset.

1.6.4 Share of profit/loss from Joint Ventures / Partnership Firms

Share of Profit / Loss from Partnership Firms / Joint Ventures is accounted in respect of the financial year of the firm / venture, ending on or before the balance sheet date, on the basis of their audited accounts.

1.7 Income tax

1.7.1 Current Tax

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

1.7.2 Deferred tax

Deferred taxes are computed for all temporary differences between the accounting base and the tax base of assets and liabilities.

Deferred tax liabilities are recognized for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

1.8 Leases

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date, whether fulfillment of the arrangement is dependent on the use of a specific asset or assets or the arrangement conveys a right to use the asset, even if that right is not explicitly specified in an arrangement.

1.8.1 As a lessee

Leases of property, plant and equipment where the company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

1.8.2 As a lessor

Lease income from operating leases where the company is a lessor is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Lease is recognized as finance lease or operating lease as per the definition and classification criteria. An important consideration in such determination is that land has indefinite economic life. Based on contractual & other arrangement, Land can either be classified as financial lease or operating lease.

1.9 Business combinations

Business combinations are accounted for using the acquisition method. At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognized at fair value on acquisition date.

Business combinations involving entities or businesses under common control shall be accounted for using the pooling of interest method. Under pooling of interest method, the assets and liabilities of the combining entities are reflected at their carrying amounts, the only adjustments that are made are to harmonise accounting policies.

The acquisition method of accounting under Ind AS is used to account for business combinations by the Group from the date of transition to Ind AS i.e. April 1, 2015. Prior to the date of transition to Ind AS, business acquisition has been accounted based on previous GAAP.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognized for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the Group re-assesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and reviews the procedures used to measure the amounts to be recognized at the acquisition date. If the reassessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then the gain is recognized in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through OCI.

1.10 Impairment of assets

Goodwill and intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the assets carrying amount exceeds its recoverable amount. The recoverable amount is higher of an assets fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

1.11 Cash and cash equivalents

Cash and cash equivalents comprise cash and cash-on-deposit with banks and financial institutions. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of twelve months or less and that are readily convertible to known amounts of cash to be cash equivalents.

1.12 Non-current assets held for sale and discontinued operations

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell.

An impairment loss is recognized for any initial or subsequent write-down of the asset to fair value less costs to sell. A gain is recognized for any subsequent increases in fair value less costs to sell of an asset, but not in excess of any cumulative impairment loss previously recognized. A gain or loss not previously recognized by the date of the sale of the non-current asset is recognized at the date of de-recognition.

Non-current assets are not depreciated or amortised while they are classified as held for sale. Non-current assets classified as held for sale are presented separately from the other assets in the balance sheet.

A discontinued operation is a component of the entity that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single co-ordinated plan to dispose of such a line of business or area of operations, or is a subsidiary acquired exclusively with a view to resale. The results of discontinued operations are presented separately in the statement of profit and loss.

1.13 Investments and other financial assets

1.13.1 Classification

The company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

1.13.2 Measurement

At initial recognition, the company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

1.12.3 Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

Debt instruments included within the fair value through profit and loss (FVTPL) category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

1.13.4 Equity instruments

The company subsequently measures all equity investments at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognized in profit or loss as other income when the company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognized in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

(i) Impairment of financial assets

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

(ii) De-recognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- the rights to receive cash flows from the asset have expired, or
- the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
 - a) the Company has transferred substantially all the risks and rewards of the asset, or

- b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

1.14 Financial Liabilities, Derivatives and hedging activities:

1.14.1 Financial liabilities

(i) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, financial guarantee contracts or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

(ii) Subsequent measurement

All financial liabilities are subsequently measured at amortised cost using effective interest method or at FVTPL. The subsequent measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships and effective as defined by Ind-AS 109. Gains or losses on liabilities held for trading are recognized in the profit or loss.

Financial liabilities can be designated upon initial recognition at fair value through profit or only if such election so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch') as stated in Ind-AS 109. For non – held for trading liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI, unless such recognition in OCI would create or enlarge an accounting mismatch in profit or loss, in which case these effects in credit risk are recognized in P & L. These gains/ loss are not subsequently transferred to P&L. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The company has not designated any financial liability as at fair value through profit and loss.

Financial guarantee contracts

Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognized less cumulative amortisation.

1.14.2 Derivative financial instruments and hedge accounting

(i) Initial recognition and subsequent measurement

The Company uses derivative financial instruments, such as forward currency contracts, and interest rate swaps, to hedge its foreign currency risks and interest rate risks respectively. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

The purchase contracts that meet the definition of a derivative under Ind-AS 109 are recognized in the statement of profit and loss.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss.

(ii) De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

1.15 Foreign exchange gains and losses

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognized in Other Income.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognized in profit or loss.

1.16 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

1.17 Property, plant and equipment

Property, plant and equipment is stated at cost, less accumulated depreciation and accumulated impairment losses. The initial cost of an asset comprises its purchase price, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any. The purchase price is the aggregate amount paid and the fair value of any other consideration given to acquire the asset.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Set Top Boxes (STBs) and Internet Access devices on hand at the year-end are included in Capital Work in Progress. On installation, such devices are capitalized or treated as sale, as the case may be.

An item of property, plant and equipment is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.

Stores & Spares which meet the definition of property plant and equipment and satisfy the recognition criteria of Ind AS 16 are capitalized as property, plant and equipment.

1.17.1 Depreciation on Property, plant and equipment

The depreciation on tangible fixed assets was provided using Straight Line Method at rates specified and in the manner prescribed by Schedule XIV to the Companies Act, 1956 upto March 31, 2014 except for the Set Top Boxes as mentioned below.

With effect from April 1, 2014, Depreciation on tangible fixed assets is provided using the Straight-Line Method based on the useful life of the assets as estimated by the management and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013. The estimate of the useful life of the assets has been assessed based on technical advice which considered the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset, anticipated technological changes, manufacturers warranties and maintenance support, etc

Depreciation on Set Top Boxes are provided under Straight Line Method over the estimated useful life of eight years as per technical evaluation.

In case of additions or deletions during the year, depreciation is computed from the month in which such assets are put to use and up to previous month of sale, disposal or held for sale as the case may be. In case of impairment, depreciation is provided on the revised carrying amount over its remaining useful life.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.

1.18 Investment properties

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

1.19 Intangible Assets

1.19.1 Intangible Assets acquired separately

Intangible assets comprise of Cable Television Franchise, Movie & Serial Rights, Bandwidth Rights, Goodwill and Software. Cable Television Franchisee represents purchase consideration of a network that mainly attributable to acquisition of subscribers and other rights, permission etc. attached to a network. The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

1.19.2 De-recognition of intangible assets

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized in profit or loss when the asset is de-recognized.

1.19.3 Amortization of intangible assets

The intangible assets are amortized on a straight line basis over their expected useful lives as follows:

- Cable Television Franchise is amortized over a period of 5 to 20 years
- ISP Franchise is amortised over a period of twenty years
- Softwares are amortized over the license period and in absence of such tenor, over five years.

The estimated useful lives, residual values, amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

1.20 Borrowing costs

Borrowing costs that are directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that the company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

1.21 Provisions, Contingent liabilities and Contingent Assets

Provisions are recognized when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Provisions for restructuring are recognized by the company when it has developed a detailed formal plan for restructuring and has raised a valid expectation in those affected that the company will carry out the restructuring by starting to implement the plan or announcing its main features to those affected by it.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

1.22 Retirement and other Employee benefits

1.22.1 Short-term obligations

Short term employee benefits are recognized as an expense at an undiscounted amount in the Statement of profit & loss of the year in which the related services are rendered.

a) Post-employment obligations

The Company operates the following post-employment schemes:

- defined benefit plans such as gratuity; and
- defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions for provident fund and pension as per the provisions of the Provident Fund Act, 1952 to the government. The Company's contribution is recognized as an expense in the Profit and Loss Statement during the period in which the employee renders the related service. The company's obligation is limited to the amounts contributed by it.

1.22.2 Other long-term employee benefit obligations

The liabilities for leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

1.23 Earnings Per Share (EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.24 Rounding of amounts

All amounts disclosed in the financial statement and notes have been rounded off to the nearest million, except where otherwise indicated.

2. NOTES OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

2.1 First-time adoption of Ind AS

These consolidated financial statements, for the year ended March 31, 2017, are the group's first consolidated financial statements prepared in accordance with Ind AS.

The accounting policies set out in the notes have been applied in preparing the Consolidated Financial statements for the year ended March 31, 2017 and for the year ended March 31, 2016. The Group has followed the same accounting policy choices (both mandatory exceptions and optional exemptions availed as per Ind AS 101) as initially adopted on transition date i.e. April 1, 2015 while preparing Consolidated Financial Statement for the year.

An explanation of how the transition from Indian GAAP to Ind AS has affected the Group's Consolidated Financial Statement is set out in the following tables and notes.

2.1.1 Exemptions and exceptions availed:

The applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS as at the transition date, i.e. April 1, 2015 are explained below.

- a) Estimates: An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after accounting policies), unless there is an objective evidence that those estimates were in error.

Ind AS estimates as at April 1, 2015 are consistent with the estimates as at same date made in conformity with previous GAAP. The group made estimates for Impairment of financial assets based on expected credit loss model in accordance with Ind AS at the date of transition as these were not required under previous GAAP.

- b) Hedge Accounting:

Hedge accounting can only be applied prospectively from the transition date to transactions that satisfy the hedge accounting criteria in Ind AS 109, at that date. Hedging relationships cannot be designated retrospectively, and the supporting documentation cannot be created retrospectively. As a result, only hedging relationships that satisfied the hedge accounting criteria as of April 1, 2015 are reflected as hedges in the group's results under Ind AS.

The Group uses derivative financial instruments, such as forward currency contracts to hedge its foreign currency risks. Under Indian GAAP, there is no mandatory standard that deals comprehensively with hedge accounting, which has resulted in the adoption of varying practices. The entity has assessed the conditions of qualifying hedging relationship on date of transition to Ind AS and therefore not recognized a hedge relationship that does not qualify for hedge accounting as per Ind AS 109.

- c) Non-controlling interests

Ind AS 110 requires entities to attribute the profit or loss and each component of other comprehensive income to the owners of the parent and to the non-controlling interests. This requirement needs to be followed even if this results in the non-controlling interests having a deficit balance. Ind AS 101 requires the above requirement to be followed prospectively from the date of transition. Consequently, the group has applied the above requirement prospectively.

- d) De-recognition of financial assets and liabilities

Ind AS 101 requires a first-time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However, Ind AS 101 allows a first-time adopter to apply the de-recognition

requirements in Ind AS 109 retrospectively from the date of the entity's choosing, provided that the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognized as a result of past transactions was obtained at the time of initially accounting for those transactions.

The group has elected to apply the de-recognition provisions of Ind AS 109 prospectively from the date of transition to Ind AS.

e) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS. Accordingly, the classification and the measurement of financial assets is done based on the facts & circumstances as on the date of transition.

f) Business combinations

Ind AS 101 provides the option to apply Ind AS 103 prospectively from the transition date or from a specific date prior to the transition date. This provides relief from full retrospective application that would require restatement of all business combinations prior to the transition date. The group elected to apply Ind AS 103 prospectively to business combinations occurring after its transition date. Business combinations occurring prior to the transition date have not been restated. The group has applied same exemption for investment in associates and joint ventures.

g) Prospective application of Ind AS 21 to business combinations

The Group has not applied Ind AS 21 The Effects of Changes in Foreign Exchange Rates retrospectively to fair value adjustments and goodwill from business combinations that occurred before the date of transition to Ind AS. The group has elected to apply this exemption.

h) Cumulative translation differences

Ind AS 101 permits cumulative translation gains and losses to be reset to zero at the transition date. This provides relief from determining cumulative currency translation differences in accordance with Ind AS 21 from the date subsidiary or equity method investee was formed or acquired. The group elected to reset all cumulative translation gains and losses to zero by transferring it to opening retained earnings at its transition date.

i) Deemed cost

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets covered by Ind AS 38 Intangible Assets and investment property covered by Ind AS 40 Investment Properties.

Accordingly, the group has elected to measure all of its property, plant and equipment, intangible assets and investment property at their previous GAAP carrying value.

j) Fair value measurement of financial assets or financial liabilities

First-time adopters may apply Ind AS 109 to day one gain or loss provisions prospectively to transactions occurring on or after the date of transition to Ind AS. Therefore, unless a first-time adopter elects to apply Ind AS 109 retrospectively to day one gain or loss transactions, transactions that occurred prior to the date of transition to Ind AS do not need to be retrospectively restated.

Accordingly, the group has opted for recognizing gain or loss prospectively to transactions occurring on or after the date of transition to Ind AS.

k) Leases

Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, this assessment should be carried out at the inception of the contract or arrangement. Ind AS 101 provides an option to make this assessment on the basis of facts and circumstances existing at the date of transition to Ind AS, except where the effect is expected to be not material.

The group has elected to apply this exemption for such contracts/arrangements.

l) Joint ventures

Ind AS 101 provides an exemption for changing from proportionate consolidation to the equity method. As per the exemption, when changing from proportionate consolidation to the equity method, an entity should recognise its investment in the joint venture at transition date to Ind AS. That initial investment should be measured as the aggregate of the carrying amounts of the assets and liabilities that the entity had previously proportionately consolidated, including any goodwill arising from acquisition. The balance of the investment in joint venture at the date of transition to Ind AS, determined in accordance with the above is regarded as the deemed cost of the investment at initial recognition. The group has elected to apply this exemption for its joint venture.

Notes to the Consolidated Financial Statements (contd.)

- i) GTPK Broadband Private Limited (GBPL), one of our subsidiary Company, has been granted Unified License from Ministry of Communications & IT, under Government of India, under which GBPL is required to pay an annual license fee at the rate of 8% of the its adjusted gross revenue. Hathway Cable and Datacom Limited (Hathway), the Company's Holding Company, along with others has filed a petition (petition no. 655 of 2015) under sections 14 and 14A of the TRAI Act against the DoT before the Telecom Dispute Settlement Appellate Tribunal (TDSAT). It was averred that the unified ISP license policy arbitrarily distinguished between existing ISP licenses required to be renewed and existing ISP licenses not requiring renewal for the near future. Further, it was averred that the inclusion of revenue from 'pure internet services' in the adjusted gross revenue for the computation of license fees under DoT's new unified ISP license policy was contrary to the order dated October 12, 2012 of the TDSAT (in petition No. 429 of 2012). TDSAT vide its order dated December 10, 2015 (TDSAT Order) has granted stay with respect to the matter filed by Hathway. Further, GBPL is in the process of filing a petition with the TDSAT on similar grounds. The license fee for the year ended March 31, 2017 works out to Rs.96.04 million (8% of Rs. 1200.46 million adjusted gross revenue). On the basis of the TDSAT Order, the license fee of Rs. 96.04 million has been considered to be contingent in nature.
- j) A shareholder of GTPK Kolkata Cable & Broadband Pariseva Limited (one of our subsidiary company) offered to sale his 30,000 share to company (buy back), price offered by company was not accepted by him. Matter was then referred to Company Law Board, whereby Board appointed valuer . Valuation

Notes to the Consolidated Financial Statements (contd.)

finalized by Company Law Board was not accepted by company, hence, petition was filed with High Court against Board's order. Value was finalized by valuer of High Court at Rs. 24 million (Rs. 800/- per share). Hence, petition was filed in Supreme Court against order passed by high court.

Supreme Court agreed to hear petition on a condition that "Company to deposit 2 Crore in cash & Rs. 0.47 million as bank guarantee with registrar of court". Hence, company has paid Rs. 24.75 million as guarantee with Registrar and petition is yet to be heard in Supreme Court.

- (k) Appeal with CESTAT against Order of Commissioner Audit, Service Tax for the service tax liability and interest and penalty of Rs.193.88 million thereon for the period from FY 2008-09 to 2012-13.
- (l) The assistant commissioner of commercial tax, patna had assessed entertainment tax liability of Rs. 15.65 million for Fy. 2014-15 and Rs.13.57 million for FY 2015-16 of GTPL DCPL Private Limited one of our Subsidiary Company against which the company has filed appeal with Joint Commissioner of Commercial Tax (Appeal).

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds, ETFs and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

There are no transfers between levels 1 and 2 during the year.

Valuation technique used to determine fair value:

Specific valuation techniques used to value financial instruments include:

- ✓ the use of quoted market prices or dealer quotes for similar instruments
- ✓ the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date
- ✓ the fair value of the remaining financial instruments is determined using discounted cash flow analysis.
- ✓ All of the resulting fair value estimates are included in level 2.

Notes to the Consolidated Financial Statements (contd.)

Valuation Techniques used for fair value measurement

Particulars	Fair value	Valuation Technique	Unobservable input	Range
Forward Contract	0.47	Present Value	Bank Report	NA
Corporate Guarantee	0.04	Present Value	Market Range	NA
Security Deposit	90.04	Present Value	Market Range	NA

Valuation processes

- The finance department of the group includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial officer (CFO) and the audit committee (AC).
- Discussions of valuation processes and results are held between the CFO, AC and the valuation team quarterly, in line with the group's quarterly reporting periods.

Changes in level 2 and 3 fair values are analyzed at the end of each reporting period during the quarterly valuation discussion between the CFO, AC and the valuation team. As part of this discussion the team presents a report that explains the reason for the fair value movements.

- ✓ The carrying amounts of trade receivables, trade payables, capital creditors and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature.
- ✓ For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.
- ✓ The group has not classified any financial assets as hedge instruments and hence hedge accounting is not applicable

Notes to the Consolidated Financial Statements (contd.)

NOTE 32 : FINANCIAL RISK MANAGEMENT

The group's activities expose it to market risk, liquidity risk and credit risk. In order to minimize any adverse effects on the financial performance of the group, derivative financial instruments, such as foreign exchange forward contracts, are entered to hedge certain foreign currency risk exposures to hedge variable interest rate exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.

Risk	Exposure	Measurement	Management
A) Credit Risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost	Ageing Analysis	Diversification of bank deposits, credit limits and letter of credit
B) Liquidity Risk	Borrowings and other liabilities	Rolling cash flow forecast	Availability of committed credit lines and borrowing facilities
C) Market Risk			
- Forex	Future commercial transactions	Sensitivity analysis	Forward foreign exchange contracts
- Interest Rates	Long term borrowings at variable rates	Sensitivity analysis	Interest rate
D) Price Risk	The entity do not have any investment in quoted securities or other equity instruments excepts for investment in group entities. Thus, the company is not exposed to any risk.		

A) Credit Risk Management

Credit risk is managed on a group basis. For banks and financial institutions, only high rated banks/institutions are accepted.

For other financial assets, the group assesses and manages credit risk based on internal credit rating system. The finance function consists of a separate team who assesses and maintains an internal credit rating system. Internal credit rating is performed on a group basis for each class of financial instruments with different characteristics.

Cash flow and fair value interest rate risk

The group's main interest rate risk arises from long-term borrowings with variable rates, which expose the group to cash flow interest rate risk. The group's borrowings at variable rate were mainly denominated in INR & USD.

The group's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

(a) Interest rate risk exposure

Notes to the Consolidated Financial Statements (contd.)

NOTE 33 : CAPITAL MANAGEMENT

The group's objectives when managing capital are to

- (a) Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- (b) Maintain an optimal capital structure to reduce the cost of capital.

Consistent with others in the industry, the group monitors capital on the basis of the following gearing ratio:

Net debt (total borrowings net of cash and cash equivalents) divided by Total 'equity' (as shown in the balance sheet, including non-controlling interests).

Particulars	31.03.2017	31.03.2016	01.04.2015
Net Debt	3,786.46	2,631.90	1,771.85

Interim Dividend	-	-	-
-Details per share			

B) Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, group treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the group's liquidity position and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at local level in the operating companies of the group in accordance with practice and limits set by the group. These limits vary by location to take into account the liquidity of the market in which the entity operates. In addition, the group's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

C) Market Risk Management

Foreign Currency Risk

The group operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions and foreign currency loan, primarily with respect to the US\$. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the company's functional currency (INR). The risk is measured through a forecast of highly probable foreign currency cash flows. The objective of the hedges is to minimize the volatility of the INR cash flows of highly probable forecast transactions.

The group uses foreign exchange forward contracts to hedge its exposure in foreign currency risk. The group measures the forward contract at fair value through P&L not classified as hedge.

The spot component of forward contracts is determined with reference to relevant spot market exchange rates. The differential between the contracted forward rate and the spot market exchange rate is defined as the forward points.

NOTE 34 : SEGMENT REPORTING

(A) Description of segments

The Company has disclosed business segment as the primary segment. Segments have been identified taking in to account the nature of services, the differing risks and returns, the organizational structure and internal reporting system.

The company's operations predominantly relate to rendering of services as a Multilevel Cable Operator and other is Internet operations under ISP License.

Segment revenue, segment results, segment assets and segment liabilities include the respective amounts identifiable to each of the segments as also amounts allocated on a reasonable basis.

The accounting principles consistently used in the preparation of the financial statements are also consistently applied to record income and expenditure in individual segments. These are set out in the note on significant accounting policies.

(B) Segment Revenue:

Segment revenue is measured in the same way as in the statement of profit or loss. Revenue and expenses which relate to the enterprise as a whole and are not allocable to a segment on reasonable basis have been disclosed as Unallocable.

Notes to the Consolidated Financial Statements (contd.)

ACCOUNTING POLICY CHOICE FOR NON-CONTROLLING INTERESTS

The group recognises non-controlling interests in an acquired entity either at fair value or at the non-controlling interest's proportionate share of the acquired entity's net identifiable assets. This decision is made on an acquisition-by-acquisition basis.

Interest in other Entities (For Consolidated FS)

(a) Subsidiaries

The group's subsidiaries at 31 March 2017 are set out below. Unless otherwise stated, they have share capital consisting solely of equity shares that are held directly by the group, and the proportion of ownership interests held equals the voting rights held by the group. The country of incorporation or registration is also their principal place of business.

Notes to the Consolidated Financial Statements (contd.)

NOTE 37: EMPLOYEE BENEFITS

Defined Contribution Plan

- (a) Provident Fund : A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions for provident fund and pension as per the provisions of the Provident Fund Act, 1952 to the government. The Company's contribution is recognised as an expense in the Profit and Loss Statement during the period in which the employee renders the related service. The company's obligation is limited to the amounts contributed by it.

Particulars	31-03-2017	31-03-2016
Group's Contribution towards Provident Fund	42.65	35.42

Defined Benefits Plan

- (a) Gratuity: The liability in respect of defined benefit plans includes Gratuity liability as per the provisions of the Payment of Gratuity Act, 1972 which is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services. The company's obligation includes actuarial risk and investment risk. Actuarial gains and losses in respect of post-employment are charged to the Profit and Loss Statement.

Assumptions

Particulars	31-03-2017	31-03-2016
Approach Used	Projected Units Credit Method	Projected Units Credit Method
Increase in compensation levels	7.50%	7.50%
Discount rate	7.45%	8.00%
Attrition Rate	NA	NA
