ANNUAL REPORT
2017-18

Letter from Managing Director

Dear Shareholders,

It gives me immense pleasure to present the Annual Report of your Company for the financial year ended on 31st March, 2018.

But before I discuss the performance of the Company, with a heavy heart, I write to inform you that Justice (Retd) T.R. Handa, our Founder Chairman left for his heavenly abode on the 5th of December, 2017.

Our Founder Chairman set the foundation of the Company in 1988 with an extra ordinary vision, deep commitment and immense determination, after taking retirement from judicial services. The extra ordinary efforts of our Founder Chairman helped the Company to successfully steer ahead from its humble beginning to its current position. On behalf of the entire OK PLAY Family and stakeholders I pay a tribute of love and respect to Late Justice (Retd) T.R. Handa.

I am pleased to inform you that in the financial year ended on 31st March, 2018, your Company has achieved a turnover of Rs.1,110,467,802 in comparison to the turnover of Rs.749,262,487 in the previous financial year.

Your Company's foray in the E-Vehicle Segment, especially on the three wheeled platform, has progressed significantly and I am pleased to inform you all that after successful trials and pilot runs, the product range is now poised for commercial launch. The products have been found to perform satisfactorily by a host of corporate customers as well as from the individual buyers. Apart from this our Government is actively promoting the introduction of E-Vehicles and is aggressively working towards making India an E-mobility nation by the year 2030. Your Company thus expects a huge growth in this segment.

In the Automotive component business, your Company's performance is improving significantly. Our flagship product, namely 'Plastic Fuel Tank', meets the specifications and requirements of the stringent BS-VI norms being implemented in our Country from the 1st of April, 2020. Thus your Company expects a huge growth in this segment also.

In the Toys and Playground Equipment segment, your Company has recently launched a new range of theme based outdoor playground equipment as well as school furniture. Your Company has also started exporting these products to Vietnam and is in the process of exploring new markets.

I would like to express my gratitude to our Board of Directors, Customers, Suppliers, Dealers, Bankers, Financial Institutions, Employees and most importantly to you all for reposing confidence in us and your continuous support to the Company.

With Best Wishes,
Sincerely

Rajan Handa
Managing Director

“RESOLVED THAT pursuant to the provisions of Section 14 and other applicable provisions of the Companies Act, 2013 read with Companies (Incorporation) Rules, 2014 (including any statutory modification(s), enactment(s) or re-enactment(s) thereof for the time being in force), insertion of the new Article 119 to Article 124 in Part B of Articles of Association of the Company be and are hereby approved and adopted and Article No. 1 to 118 shall be applicable in so far and to the extent they are not contrary to or inconsistent with the provisions of Article 119 to Article 124.

The new Articles numbers 119 to 124 are as follow:

119. For the purposes of this Part B the following terms shall have the meanings assigned to them hereinafter:

“**Event of Default**” shall mean occurrence of an event which is described as an 'event of default' under the provisions of the Facility Agreement;

“**Facility Documents**” shall mean the Facility Agreement and any other document executed by the Company or any other security provider and designated as a Facility Document by the Lender;

“**Final Settlement Date**” means such date on which all outstanding dues of the Company under the Facility Documents have been paid and settled in accordance with the terms of the Facility Documents and the Lender has provided a written confirmation of the same to the Company;

120. The Lender shall have the right to appoint its nominee as an observer on the Board of Directors of the Company.

121. The Lender can appoint nominee director subject to the following:

- (a) Upon the occurrence of an Event of Default, the Lender shall have the right to appoint and remove from time to time, such number of nominee directors on the Board of the Company, as determined by the Lender.
- (b) The nominee director(s) shall not be required to hold qualification shares and not be liable to retire by rotation.
- (c) The nominee director(s) shall be entitled to all the rights and privileges of other directors.
- (d) Any expenditure incurred by the Lender or the nominee director(s) in connection with his/her/their appointment or directorship shall be borne by the Company.
- (e) The nominee director(s) shall be appointed as a member of the management committee or other committees of the board of the Company, if so desired by the Lender.
- (f) The quorum of any board meeting held after the appointment of the nominee director(s) shall be as required by the Companies Act, 2013. Provided that any board meeting shall not be validly convened and there shall not be a proper quorum unless and until at least one nominee director is present at such meeting (However, if the nominee Director is not present at the meeting despite the Company has given notice of Board Meeting as per the statutory provisions, the Board Meeting shall be deemed validly convened).

122. The Lender have the right to convert the whole or part of the outstanding under the Facility (whether then due or payable or not), into fully paid up shares of the Company at par value or fair value (as ascertained in accordance with applicable law, regulations and guidelines, including all rights and remedies available to the Lender under the Reserve Bank of India (RBI) circular dated 8 June 2015 on 'Strategic Debt Restructuring (SDR)' and other circulars issued by the RBI in pursuance of the same or in relation to conversion of outstanding loans into shares) as may be decided by the Lender and in the manner specified in a notice in writing to be given by the Lender to the Company (“**EOD Notice of Conversion**”) and in accordance with the following conditions:

- (a) the conversion right reserved as aforesaid may be exercised by the Lender upon the occurrence of a default by the Company in making payment of any amounts under the Facility Documents;
- (b) on receipt of the EOD Notice of Conversion, the Company shall allot and issue the requisite number of fully paid-up shares to the Lender or such other person identified by the Lender as from the date of conversion and the Lender shall accept the same in satisfaction of the part of the outstanding so converted; and
- (c) the said shares shall rank *pari passu* with the existing equity shares of the Company in all respects.
- (d) The Company shall, at all times, maintain sufficient authorized share capital, which has not been issued, for the above purpose.

123. Until the Final Settlement Date, the Company shall not be entitled to make any amendment to this Part B or introduce any provisions in these Articles, which would dilute the provisions of this Part B in any manner whatsoever without obtaining the prior written consent of the Lender.

124. This Part B shall fall away on and from the Final Settlement Date.

RESOLVED FURTHER THAT the Board of Directors of the company be and is hereby authorized to take all such steps and actions for the purpose of making all such filings and registrations as may be required in relation to the aforesaid amendment to the Articles of Association and further to do all such acts and deeds, matters and things as may be deemed necessary to give effect to this resolution.”

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. NEW DEVELOPMENTS AND OUTLOOK

The Indian economy is witnessing a positive transformation with bold and decisive measures undertaken by the Government that is facilitating it in unleashing the country's potential. The Indian government has also embarked on an ambitious plan to make India an e-mobility country by 2030.

The dynamics of the Global electric vehicle market are changing rapidly nowadays. Battery technology is advancing quickly and it is anticipated that by 2024 the fueling times between the Electric Vehicles (EV) and traditional fossil fuel dependent vehicles would be at par. In the last financial year the sales of Electric Vehicles in our country crossed 1 million units for first time. Under the current growth trajectory, EV producers could almost quadruple that achievement moving towards 4.5 million units, around 5 percent of the overall global light vehicles market, by the year 2020. Further innovative concepts like battery swapping and charging stations will encourage the users to shift to electric vehicles.

At OK PLAY, we are working to integrate our electric vehicles with Lithium-Ion batteries to make our vehicles more compatible with different technological requirements including battery swapping. The company is in an advanced stage of development of the L5 category of electric vehicle. These vehicles are specially designed for the Indian market keeping in view the Indian road and weather conditions. Advanced safety systems as well as the next generation telematics have been designed and developed and our vehicles compare most favourably with some of the best in the world. The company is now working on development of other variants of electric vehicles including heavy loaders etc.

The demand for the plastic fuel tank and other automotive components is also increasing as a result of the impending implementation of the BS VI emission norms from 1st April 2020. The company is also exploring opportunities for export of its products.

The management of the company is very confident that with the inherent innovative designing capabilities and skills coupled with the vast experience it has gained, the company is competent to provide product solutions to address the requirements of the future.

2. PERFORMANCE GOALS

The Government of India has set an ambitious target of increasing the GDP share of manufacturing industry from its current stagnant 16% to 25% by 2025. So far, the complex tax structure had been one of the main reasons affecting the progress of the Indian manufacturing sector. Now with the implementation of the unified tax system – GST, the manufacturing sector is set for an overall revival. The company is now looking to benefit from the environment of lower production cost, operations cost and logistics cost, as well as reduction in the time spent on compliances. The company, thus, anticipates a strong growth trajectory and is confident on achieving robust growth under the new taxation system.

3. SEGMENT WISE PERFORMANCE

The company manufactures a wide range of plastic moulded products including toys, children playground equipment, school furniture and automotive components. All the operations of the company have been considered as a single business segment due to homogeneity of plastic products.

4. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The company has an adequate and effective system of internal checks and controls to ensure proper accounting and utilization of all assets.

The internal financial control system is commensurate with the size and scale of operations of the company. The system and controls are periodically reviewed and modified based on the requirement.

5. HUMAN RESOURCES/ INDUSTRIAL RELATION

OK PLAY believes that the employees form the basis for growth. OK PLAY places employee engagement, development and retention of talent as its highest priority, to help achieve its organizational goals.

The company also has an established rewards and recognition policy. The company's management firmly believes that for the success of any organization, cordial industrial relations are essential. Over the years the management has made sincere and continued efforts for the development of an atmosphere of mutual co-operation, confidence and respect. As on 31st March, 2018, the company had 234 permanent employees.

6. CAUTIONARY STATEMENT

Statement in this Management Discussion and Analysis Report containing the Company's objectives, expectations, projections, estimates about the Company's strategy for growth, product development, market share, controls may be "forward looking statement" within the meaning of applicable securities laws and regulations.

Forward Looking Statements are based on certain assumptions and expectations of future events. Actual results could differ materially from those expressed or implied, depending upon economic conditions, demand, supply, change in government policies, price conditions, political conditions, economic scenario and various other incidental factors within or outside the country.

INDEPENDENT AUDITORS' REPORT

To the Members of OK PLAY INDIA LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying financial statements of OK PLAY INDIA LIMITED (“the Company”), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for then year the ended and a summary of significant accounting policies and other explanatory information, (hereinafter referred to as “Ind AS Financial Statements”).

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with companies (Indian Accounting Standard) Rules, 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls and ensuring their operating effectiveness and the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of OK Play India Limited ('the Company') as of 31 March 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

B. SIGNIFICANT ACCOUNTING POLICIES

B.1 BASIS OF PREPARATION AND PRESENTATION

The financial statements of the Company have been prepared in accordance with the Companies (Indian Accounting Standards) Rules 2015 ('Ind AS') issued by Ministry of Corporate Affairs ('MCA'). The Company has uniformly applied the accounting policies during the period presented. For all periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). These financial statements for the year ended March 31, 2018 are the first financial statements, the Company has prepared in accordance with Ind AS. For the purpose of comparatives, financial statements for the year ended March 31, 2017 are also prepared under Ind AS. The financial statements for the year ended March 31, 2018 were authorized and approved for issue by the Board of Directors on 30th May, 2018. As these are the first financial statements of the Company under Ind AS, refer note 28 and 29 for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position and financial performance.

The financial statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount.

- i) Certain financial assets and liabilities and
- ii) Defined benefit plans- plan assets

B.2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) **Property, plant and equipment**

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre-operative expenses and disclosed under Capital Work-in-Progress.

Depreciation on property, plant and equipment is provided using straight line method. Depreciation is provided on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from de-recognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

The useful lives, residual values and method of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively

(b) **Intangible Assets**

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss

when the asset is derecognized.

Intangible assets are amortized over a period of ten years, the estimated minimum useful life of the related products.

(c) Research and Development Expenditure

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are charged to the Statement of Profit & Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalized.

(d) Finance Cost

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

(e) Inventories

The closing stock of Raw Materials, Packing Material & Accessories, Stores & Spares and Working in Process have been valued at cost while the Finished Goods have been taken at lower of cost or net realizable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.

(f) Impairment of non-financial assets-property, plant and equipment and intangible assets.

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets maybe impaired.

An impairment loss is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount.

The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(g) Provisions and Contingent Liabilities/Assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities, if material, are disclosed by way of notes to accounts. Contingent assets are not recognized or disclosed in the financial statements.

(h) Employee Benefits Expense

Company's contribution to Government Administered Provident Fund and Employees' State Insurance Corporation are charged to Profit & Loss Account.

Defined benefit contributions in respect of gratuity are provided on the basis of actuarial valuation made at the end of the financial year. Actuarial gains or loss arising from such valuation are charged to revenue in the year in which they arise.

(i) Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognized in the comprehensive income or in equity, in which case, the tax is also recognized in other comprehensive income or equity.

- Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance Sheet date.

- Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred Tax liabilities and assets are reviewed at the end of each reporting period

(j) Foreign currencies transactions and translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognized in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction.

(k) Revenue Recognition

Revenue from sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

Revenue from rendering of services is recognized when the performance of agreed contractual task has been completed.

Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from operations includes sale of goods and services.

Interest Income

Interest income from a financial asset is recognized using effective interest rate method.

Dividends

Revenue is recognized when the Company's right to receive the payment has been established.

(i) FINANCIAL INSTRUMENTS**i) Financial Assets:****A. Initial recognition and measurement**

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognized using trade date accounting.

B. Subsequent measurement**a) Financial assets carried at amortized cost (AC)**

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss FVTPL)

A financial asset which is not classified in any of the above categories is measured at FVTPL.

C. Investment in Subsidiaries, Associates and Joint venture

The Company has accounted for its investments in subsidiary at cost.

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognized in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

E. Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognized from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analyzed.

For other assets, the Company uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ii) Financial Liabilities:

A Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable costs. Fees of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii) De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

iv) Fair value measurement

The fair value of an asset or liability is measured using the assumption that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Where fair value is based on quoted prices from active market.

Level 2 – Where fair value is based on significant direct or indirect observable market inputs.

Level 3 – Where fair value is based on one or more significant input that is not based on observable market data.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers are required between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) (a) on the date of the event or change in circumstances or (b) at the end of each reporting period.

C. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the Company's financial statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods.

a) Depreciation/amortization and useful lives of property, plant and equipment/ intangible assets.

Property, plant and equipment/intangible assets are depreciated/amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of assets annually in order to determine the amount of depreciation/ amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation/amortization for future periods is revised if there are significant changes from previous estimates.

b) Recoverability of trade receivable

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

c) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and qualification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

d) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGUs) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

e) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risks of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

D. FIRST TIME ADOPTION OF IND AS

The Company has adopted Ind AS with effect from 1st April 2017 with comparatives being restated. Accordingly, the impact of transition has been provided in the Opening Reserves as at 1st April, 2016. The figures for the previous period have been restated, regrouped and reclassified wherever required to comply with the requirement of Ind AS and Schedule III.

a) Exemptions from retrospective application**(i) Fair value as deemed cost exemption**

The Company has elected to measure items of property, plant and equipment and intangible assets at its carrying value at the transaction date except for certain class of assets which are measured at fair value as deemed cost.

(ii) Investments in subsidiary

The Company has elected to measure investment in subsidiary at cost.

The fair value of the financial assets and liabilities are included at the amount that would be received to sell on asset and paid to transfer a liability in an orderly transaction between market participants. The following methods and assumptions were used to estimate the fair values:

- Trade receivables, cash and cash equivalents, other bank balances, loans, other current financial assets, current borrowings, trade payables and other current financial liabilities: Approximate their carrying amounts largely due to the short-term maturities of these instruments.

Foreign Currency Risk

All foreign currency denominated assets and liabilities are translated using exchange rate at reporting date.

The following table shows foreign currency exposures in USD on financial instruments at the end of the reporting year.

Foreign Currency Exposure

(Amount in USD)

Particulars	As at 31.3.2018	As at 31.3.2017	As at 01.4.2016
Loans	5,42,600.00	24,17,600.00	36,67,600.00

Net Exposure	14,88,265.00	31,33,514.51	42,95,537.00

Foreign Currency Sensitivity

Since the net foreign currency exposure is not substantial, the foreign currency sensitivity is not material at the reporting date.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the market interest rate. Since the company's borrowings which are affected by interest rate fluctuation is very insignificant to the size and operations of the company, therefore, a change in interest rate risk does not have a material impact on the company's financial statements in relation to fair value of financial instruments.

Credit Risk

Credit Risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the company.

Financial instruments that are subject to concentrations of credit risks, principally consist of balance with banks, trade receivables, loans and advances. None of the financial instruments of the company result in material concentrations of credit risks.

Liquidity Risk

The company manages liquidity risk through banking facilities by continuously monitoring forecast and actual cash flows.

INDEPENDENT AUDITORS' REPORT

To the Members of OK PLAY INDIA LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of OK PLAY INDIA LIMITED (“the Holding Company”) and its subsidiary (the Holding Company and its subsidiary together referred to as “the Group”) comprising of the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the Consolidated Ind AS Financial Statements”).

Management's Responsibility for the Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these Consolidated Ind AS Financial Statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as “the Act”) that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS Financial Statements by the Board of Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these Consolidated Ind AS Financial Statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Consolidated Ind AS Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Ind AS Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Ind AS Financial Statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2018, their consolidated profit/loss, consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS Financial Statements;
- b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS Financial Statements have been kept by the Company so far as it appears from our examination of those books;
- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Ind AS Financial Statements;
- d. In our opinion, the aforesaid Consolidated Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- e. On the basis of written representations received from the directors of the Holding Company and the Subsidiary Company as on March 31, 2018 and taken on record by the Board of Directors of the respective companies, none of the directors of the Group companies is disqualified as on March 31, 2018, from being appointed as a director in terms of Section 164(2) of the Act;
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Consolidated Ind AS Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group as referred to in Note 29(3) to the Consolidated Ind AS Financial Statements;

Annexure to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2018, we have audited the internal financial controls over financial reporting of OK Play India Limited ('the Holding Company') and its subsidiary company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2018**NOTE: 1 SIGNIFICANT ACCOUNTING POLICIES ON CONSOLIDATED ACCOUNTS****(1) BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS**

The consolidated financial statements have been prepared on the historical cost basis except for the following assets and liabilities which have been measured at fair value amount:

- i. Certain financial assets and liabilities and
- ii. Defined benefit plans – plan assets

The consolidated financial statements of the Group have been prepared to comply with the Indian Accounting Standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

Up to the year ended March 31, 2017, the Group has prepared its consolidated financial statements in accordance with the requirement of Indian Generally Accepted Accounting Principles (GAAP), which includes Standards notified under the Companies (Accounting Standards) Rule, 2006 and considered as "Previous GAAP".

These consolidated financial statements are the Group's first Ind AS consolidated financial statements. The figures for the previous period have been restated, regrouped and reclassified wherever required to comply with the requirement of Ind AS and Schedule III.

(2) PRINCIPLES OF CONSOLIDATION

The consolidated financial statements relate to OK Play India Limited ('the Company') and its subsidiary company. The consolidated financial statements have been prepared on the following basis:

- a) The financial statements of the Company and its subsidiary Company are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- b) Profits or losses resulting from intra-group transactions that are recognized in assets, such as inventory and property, plant & equipment, are eliminated in full.
- c) Offset (eliminate) the carrying amount of the parent's investment in the subsidiary and the parent's equity of the subsidiary.
- d) The difference between the cost of investment in the subsidiary, over the net assets at the time of acquisition of shares in the subsidiary is recognized in the financial statements as Goodwill or Capital Reserve, as the case may be.
- e) Minority Interest's share of net profit of consolidated subsidiary for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- f) Minority Interest's share of net assets of consolidated subsidiary is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the Company's shareholders.
- g) As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's standalone financial statements.

(3) Other significant accounting policies

These are set out under "Significant Accounting Policies" as given in the Company's standalone financial statements.

Cash and Cash Equivalents	2,41,03,527.15	2,37,27,455.78	1,04,00,339.23
Other Financial Assets	11,25,140.00	21,35,039.96	9,28,703.00
(B) Financial liabilities at amortized Cost			
Non-Current			
Borrowings	85,44,46,816.45	36,70,88,560.93	30,70,76,846.87
Current			
Borrowings	26,50,44,397.10	42,59,03,649.19	44,59,88,829.26
Trade Payables	17,28,97,304.85	18,08,33,097.04	17,93,46,126.36

The fair value of the financial assets and liabilities are included at the amount that would be received to sell on asset and paid to transfer a liability in an orderly transaction between market participants. The following methods and assumptions were used to estimate the fair values:

- Trade receivables, cash and cash equivalents, other bank balances, loans, other current financial assets, current borrowings, trade payables and other current financial liabilities: Approximate their carrying amounts largely due to the short-term maturities of these instruments.

Foreign Currency Risk

All foreign currency denominated assets and liabilities are translated using exchange rate at reporting date.

The following table shows foreign currency exposures in USD on financial instruments at the end of the reporting period

Particulars	Foreign Currency Exposure (USD)		
	As at 31.03.2018	As at 31.03.2017	As at 01.04.2016
Loans	5,42,600.00	24,17,600.00	36,67,600.00
Trade and Other Payables	15,53,965.00	10,49,034.51	9,27,393.00
Trade and Other receivables	Nil	(21840.00)	Nil
Net Exposure	20,96,565.00	34,44,794.51	4,594,993.00

Foreign Currency Sensitivity

Since the net foreign currency exposure is not substantial, the foreign currency sensitivity is not material at the reporting date.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the market interest rate. Since the company's borrowings which are affected by interest rate fluctuation is very insignificant to the size and operations of the company, therefore, a change in interest rate risk does not have a material impact on the company's financial statements in relation to fair value of financial instruments.

Credit Risk

Credit Risk refers to the risk that counter party will default on its contractual obligations resulting in financial loss to the company.

Financial instruments that are subject to concentrations of credit risks principally consist of balance with banks, trade receivables, loans and advances. None of the financial instruments of the company result in material concentrations of credit risks.

Liquidity Risk

The company manages liquidity risk through banking facilities by continuously monitoring forecast and actual cash flows.
