Letter from the Managing Director

Dear Shareholders,

I extend a warm welcome to all our shareholders and am pleased to present the Annual Report for the Financial Year 2021-22.

The world, which was recovering slowly from the impact of the unprecedented pandemic faced another onslaught of the deadly virus when the second wave hit us at the start of the financial year. Businesses were again disrupted, and another period of a virtual lockdown started. The first half of the financial year, thus, was again a period of immense stress.

I am glad to inform you that after the spate of the second wave, business has stabilized and robust growth is being witnessed since then. The growth is now reflecting in the numbers and like most businesses the sales of your company are also showing a steady upward trend. The demand, which was heavily subdued is now coming back with a vengeance and numbers are improving month on month.

The Indian economy is showing a strong revival and with the adverse global sentiments against China, India is now fast becoming a preferred destination for the Global companies. Financial pundits across the globe are very upbeat on the Indian story and the record GST collections show that the economy is now on a steep growth trajectory.

Our Government's focus, led ably by our Hon'ble Prime Minister, on making India as the "Toy Hub" of the world has led to increased interest in this sector and a number of initiatives have been implemented to ensure the sustained growth of toys. Amongst others these include mandatory adherence to quality norms and setting up of dedicated Toy Parks by various State Governments. The extension of the PLI scheme to toys is also under the active consideration of the Government and a favourable outcome is expected soon. Your company has been a pioneer in this field and is now taking all necessary steps to take advantage of the opportunity presented. Apart from the domestic market, your company has been selected for supplying our products to a number of large MNC's for their International operations. Thus, I am extremely confident that the toys segment will now perform exceedingly well. To meet the increased demand, we are taking necessary steps to augment capacity as well as to enhance our product line.

As you are aware we supply automotive components to the LCV/HCV segment. The demand in this segment is now increasing and is further accelerated by the huge infrastructure spends by the Government. Thus, we expect this segment to also grow significantly, especially as there has been a big void in the last couple of years which would result in the pent up demand being met in the coming months.

I would like to extend my heartfelt gratitude to all the Board members for providing their valuable inputs and to our shareholders for their continued faith in us. I would want to place on record my sincere appreciation to the entire team of OK Play for the courage and fortitude displayed in facing the huge challenges. I would also like to express my gratitude to Indian Overseas Bank for their continued support and for the trust they have reposed in your company.

With Best Wishes,

Rajan Handa
Managing Director

EXPLANATION OR COMMENTS BY THE BOARD ON EVERY QUALIFICATION, RESERVATION, ADVERSE REMARK OR DISCLAIMER BY THE STATUTORY AUDITOR OR SECRETARIAL AUDITOR

The Statutory Auditors of the company have given a qualified Audit report (Standalone & Consolidated) for the financial year 2021-22. The observations and management remarks are reproduced herein below:

Basis for Qualified Opinion on Consolidated Financial Results	Management Remarks
<p>a. The company has an amount of Rs. 1829.26 Lacs (PY — Rs, 2035.80 Lacs) outstanding under Advances to others. This amount pertains to the advances given to parties for supply of goods and services. Out of this amount, the balance receivable includes Rs. 855.02 Lacs from parties which are outstanding for a long time, The management has represented that the amount of advances has been reduced significantly in the current year and is confident that such advances are recoverable/adjustable and that no accrual of diminution in value of trade receivable is considered necessary as at 31st March 2022. Based on our assessment and review procedures performed, we are of the view that since these items are outstanding since more than 3 years, it is necessary to make a provision for doubtful debts. However, the management has ensured that negotiations are going on and the matter will be sorted out. The management is confident of recovery of this amount. We have based our opinion after taking into consideration the documents submitted by the management in respect of recoverability of the receivable, external confirmations received and the management `s internal assessment and representation in this matter.</p> <p>b. MANAGEMENT DISCUSSION AND ANALYSIS

1. INDUSTRY STRUCTURE, DEVELOPMENTS AND OUTLOOK

The toy industry in India has the potential to grow to \$2-3 bn by 2024. The Indian toy industry is only 0.5% of the global industry size indicating a large potential growth opportunity. The domestic toy demand is forecasted to grow at 10-15% against the global average of 5%. To instill standardization in production and import of toys, a Toy Quality Control order was issued on 25 February 2020 under the BIS Act to ensure toys manufactured or imported into the country were in line with global quality standards. Game changing government initiatives and cleverly placed incentives to attract investment have increased India's competitive position in the global manufacturing landscape. Recently, Ministry of Commerce & Industry has informed that the import of toys is down by 70% in the last three years, showing the robust growth of toy sector in India. The Invest India data also shows that there will be a 1.2 times increase in the proportion of affluent and elite consumers in tier 2 and tier 3 cities by 2025. India is also the world's second largest producer of polyester and related fibres with 8% global share for plush toys. To add spice to this segment, the government has also been promoting the make-in-India concept to boost domestic manufacture of toys. In February, 2021, the Prime Minister of India called upon start-up entrepreneurs to explore the toy sector. He urged industry players to support local toys and reduce reliance on foreign goods.

2. OPPORTUNITIES AND THREATS

At present India is manufacturing a variety of toys that are capable to stand out in the global and the local market. The toy industry has observed a boom over the last few decades and now the toys have become more accessible as their prices have been reduced significantly. With state-of-the-art technology, nanotechnology and advanced manufacturing technology, the toys made are quite durable and smart. Also innovation and technological advancement in the toy industry came up with a larger variety of toys which also increased the total sales volume of toys in India.

The Central Government is extending immense support to this industry which has boosted our confidence. We are also resorting to various innovative promotional activities and we aim to increase production by adding up new manufacturing facilities and cater to the growing demand.

The company also participated in KHILONA -2022 at India Expo Centre & Mart which was aimed at boosting toy manufacturing in India and improving existing market potential & share. This was aimed at bringing together an all-inclusive cross section of toy manufacturers from the length and breadth of India.

On the other hand, Global supply chain breakdown is turning toy shortage into a reality revealing the picture of toy manufacturers in India. India's toy industry is actually dominated by Chinese imports with account for almost 85% of the toy availability. Our industry lacks a feasible ecosystem to boost the production of toys on a larger scale. Indian toy manufacturers lack the required resources to innovate and compete with Chinese counter parts. They are unable to compete in terms of both design and pricing. However in recent years, the toy industry in India has witnessed steady growth. Industry reports have affirmed that the growth and total revenues of the leading toy companies in India have grown substantially.

3. SEGMENT WISE PERFORMANCE

Company manufactures plastic molded products ranging from automotive components to children playground equipment's and all the operations of the Company are considered as a single business segment due to homogeneity of plastic products.

4. RISKS AND CONCERNS

The Company has in place a Risk Management mechanism which establishes various levels of accountability and overview within the Company, while vesting identified managers with responsibility for each significant risk. The comprehensive risk assessment and minimization procedures are reviewed by the Management periodically. This facilitates the execution of risk management practices in the Company, in the areas of risk identification, assessment, monitoring, mitigation and reporting. Through this program, each function carried on project sites, addresses opportunities and risks through a comprehensive approach aligned to the Company's objectives. The Company has laid down procedures to inform the Audit Committee as well as the Board of Directors about risk assessment and management procedures and status. The Audit Committee of the Company has been entrusted with the task to frame, implement and monitor the risk management plan for the Company and it is responsible for reviewing the risk management plan and ensuring its effectiveness with an additional oversight in the area of financial risks and controls. Major risks identified by the business and functions are systematically addressed through mitigating actions on a continuing basis.

5. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has adequate internal financial control in place with regard to financial statements. Such controls were evaluated throughout the year, while no reportable material weaknesses, in the design or operations, were observed. Internal Control is an integral component of an organization's management that provides reasonable assurance of the effectiveness and efficiency of operations, reliability of financial reporting and compliance with applicable laws and regulations. The Board has ultimate responsibility for management of risks and ensuring the effectiveness of internal control systems. The Company carefully considers the appropriate balance between controls and risk in their programs and operations.

6. OPERATIONS AND FINANCIAL REVIEW

The operations and financial review is covered in the Directors' Report and is to be read as a part of this report itself.

7. HUMAN RESOURCES/ INDUSTRIAL RELATION

The Company understands that Human Resource refers to the talents and energies of people and respect and trust is a prerequisite for dealing with people. We have always considered our employees as our key resource and the major driving force behind the performance and success of the company. We constantly strive to improve our operations, integrate our business through the value chain and optimize our performance through operational efficiencies and innovative technological solutions. The Company is fundamentally committed to protecting the environment while ensuring healthcare, safety and welfare for all its employees, contractors and communities. The Company is dedicated to performing its duties in a safe, environmentally responsible and effective manner. Our people's proficiency and skills strongly hold the foundation of our success. The Company empowers the people by providing them opportunities across spectrums including leadership and professional development. Building of managerial and technical competencies is an area of constant focus. The Company has a total strength of 119 employees as on 31 March 2022. We constantly strive to improve our operations, integrate our business through the value chain and optimize our performance through operational efficiencies and innovative technological solutions. The Company continues to set a fine record of industrial harmony with positive outcomes of effective performance.

8. DISCLOSURE OF ACCOUNTING TREATMENT

The Financial Statements have been prepared in accordance with the Companies (Indian Accounting Standard) Rules, 2015 (Ind AS) prescribed under Section 133 of Companies Act, 2013 and other recognized accounting practices and policies, to the extent applicable.

INDEPENDENT AUDITOR'S REPORT

To the Members of
OK PLAY INDIA LIMITED

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the Standalone financial statements of OK PLAY INDIA LIMITED (“the Company”), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Standalone Financial Statements including a summary of significant accounting policies and other explanatory information, (hereinafter referred to as “Ind AS Standalone Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the ‘Basis for Qualified Opinion’ section of our report the aforesaid Ind AS Standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, its profit/(loss), total comprehensive income/loss, its cash flows and the changes in equity for the year ended on that date.

Basis of Qualified Opinion

- A) The company has an amount of Rs. 1,000.75 Lacs (PY – Rs. 2,029.81 Lacs) outstanding under Advances to others. This amount pertains to the advances given to parties for supply of goods and services. Out of this amount, the balance receivable includes Rs. 855.02 Lacs from parties which are outstanding for a long time. The management has represented that the amount of advances has been reduced significantly in the current year and is confident that such advances are recoverable/adjustable and that no accrual of diminution in value of trade receivable is considered necessary as at 31st March 2022. We have relied on the documents submitted by the management in respect of recoverability of the receivable, external confirmations received and the management’s internal assessment and representation in this matter.
- B) As per The Indian Accounting Standards (IND AS) – 38 prescribed under section 133 of the Companies Act, 2013, an intangible asset shall be recognized if, and only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the entity; and the cost of the asset can be measured reliably. An entity shall assess the probability of expected future economic benefits using reasonable and supportable assumptions that represent management’s best estimate of the set of economic conditions that will exist over the useful life of the asset. The company has recognized the intangible assets of Rs. 1,233.18 Lacs during the FY 2021-22 primarily for the purpose of development of its Electric vehicle division and is confident of getting future economic benefits of the same.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the “Auditor’s Responsibilities for the Audit of the Standalone Financial Statements” section of our report. We are independent of the Company in accordance with the “Code of Ethics” issued by the Institute of Chartered Accountants of India (ICAI) together with ethical requirements that are relevant to our audit of

the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with the requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

Key Audit Matter	How the matter addressed in our audit
<p>Valuation of Inventories</p> <p>a) As per the Indian Accounting Standards prescribed under section 133 of the Companies Act, 2013, Inventories shall be measured at the lower of cost and net realizable value. Net realizable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to make the sale. The company is carrying inventories in the Balance Sheet as at 31st March 2022 - Rs. 4,777.14 Lacs (Previous Year Rs. 5,653.26 Lacs). As some part of the turnover comprises of job-work, it was not possible to accurately ascertain the realizable value of the same in open market. Consequently, management has valued the inventories of finished goods at cost since it was not possible to find out the realizable value of all such stocks. In so far as the items of raw material and work in progress are concerned, the same has also been valued at cost.</p>	<p>To address the risk of material error on inventories, our audit procedures included amongst other :</p> <ul style="list-style-type: none"> • Challenging the management with regard to the calculation methodology and the process with respect to inventory valuation. • Assessing the adequacy of, and movement in inventory by checking sample items to ensure appropriate basis of valuation • Evaluating, on a sample basis, whether inventories were stated at lower of cost or net realizable value at the reporting date by comparing with the sale prices of same kind of goods. • Relying on management experience and its representation given for the appropriateness of the valuation.

<p>b) The company has an amount of Rs. 2,704.29 Lacs (PY – Rs. 866.48 Lacs) outstanding under trade receivables. Out of the above balance, Rs.1,717.97 Lacs pertains to be receivable from its subsidiary companies. The balance receivable amount includes Rs. 431.73 Lacs which are outstanding for more than 3 years. The management has represented that the significant portion of such trade receivable are still recoverable/adjustable and that no accrual of diminution in value of trade receivable is therefore necessary as at 31st March 2022. Based on our assessment and review procedures performed, we are of the views that since these items are outstanding since more than 3 years, for which the Company has provided for an amount of Rs. 60 lacs (PY Rs. 40 lacs) for doubtful debts. The management, based on internal assessment and evaluations, has also represented that the significant portion of such trade receivables and advances are recoverable/adjustable and that no additional accrual of diminution in value of trade receivable is therefore necessary as at 31st March 2022. We have relied on the documents submitted by the management in respect of recoverability of the receivable, external confirmations received and the management’s internal assessment and representation in this matter.</p>	<p>We have performed the following procedures in relation to the recoverability of receivables:</p> <ul style="list-style-type: none"> • Tested the accuracy of aging of trade receivables at yearend on a sample basis; • Obtained a list of outstanding receivables and identified any debtors with financial difficulty through discussion with management, • Received direct balance confirmation from parties with a significant amount of balance outstanding, • Assessed the recoverability of the unsettled receivables on a sample basis through our evaluation of management’s assessment of the credit profile of the customers, historical payment pattern of customers and latest correspondence with customers and to consider if any additional provision should be made; and • Tested subsequent settlement of trade receivables after the balance sheet date on a sample basis. <p>We found the key judgments and assumptions used by management in the recoverability assessment of receivables to be majorly supportable based on the available evidence.</p>

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls and ensuring their operating effectiveness and the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materially and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work, and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- (1) As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (2) As required by Section 143(3) of the Act, we report that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Standalone Financial Statements;
 - d. In our opinion, the aforesaid Standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Indian Accounting Standards) Rules, 2015 as amended;
 - e. On the basis of written representations received from the directors as on March 31, 2022, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of the internal financial controls with reference to the financial statement of the Company and the operating effectiveness of such controls, we give our separate Report in "Annexure B".
 - g. With respect to the other matters to be included in the Auditor's report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provision of section 197 of the Act.
- (3) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone financial statements as referred to in Note 28(1) to the Standalone financial statements.
 - ii. The Company did not have any material foreseeable losses on long term contracts including derivative contracts;

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

(xvii) The company has not incurred cash loss in current financial year as well in immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year.

(xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We further state that our reporting is based on the facts upto the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) There is no liability of the company under the provisions of section 135 of the Companies Act, relating to Corporate Social Responsibility. Therefore, the provisions of Clause (xx) (a) and (b) of paragraph 3 of the order are not applicable to the Company.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (‘the Act’)

We have audited the internal financial controls with reference to standalone financial statements of OK India Limited (‘the Company’) as of 31 March 2022 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to the financial statement criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to the financial statement based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the ‘Guidance Note’) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the financial statements included obtaining an understanding of internal financial controls with reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to the financial statements.

Meaning of Internal Financial Controls with reference to these Standalone Financial Statements

A company’s internal financial control with reference to these Standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the

preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to the financial statements includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the Financial Statements

Because of the inherent limitations of internal financial controls with reference to the financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial control with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to the financial statements and such internal financial controls with reference to the financial statements were operating effectively as at 31 March 2022, based on the internal financial controls with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

NOTES ON CHANGES IN EQUITY NATURE AND PURPOSE OF RESERVES

- (a) **Capital Reserve** : The Company recognises profit and loss on purchase, sale, issue or cancellation of its own equity instruments to capital reserve.
- (b) **Share Premium** : Share Premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of section 52 of the Companies Act, 2013.
- (c) **General Reserve** : The General Reserve is a free reserve which is used to transfer profits from retained earnings for appropriation purposes. As the General Reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the General Reserve will not be reclassified subsequently to Statement of Profit & Loss.
- (d) **Retained Earnings** : Retained Earnings represent the amount of accumulated earnings of the Company.
- (e) **Other Comprehensive Income** : Other Comprehensive Income consists of remeasurement of net defined benefit liability/asset, net of taxes.

NOTE 1

A. CORPORATE INFORMATION

The Company was incorporated on 19th August 1988 and is a public limited company listed on the Bombay Stock Exchange (BSE). The Company's registered office is at 17, Roj ka Meo Industrial Estate, Tehsil Nuh, District Mewat, Haryana -122103. The company manufactures Plastic Molded Toys, School Furniture, Playground Equipment, Infrastructure & Automotive Products, Point-Of-Purchase Products and E-Vehicles.

B. SIGNIFICANT ACCOUNTING POLICIES

B.1 BASIS OF PREPARATION AND PRESENTATION

The financial statements of the Company have been prepared in accordance with the Companies (Indian Accounting Standards) Rules 2015 ('Ind AS') issued by Ministry of Corporate Affairs ('MCA'). The Company has uniformly applied the accounting policies during the period presented.

The financial statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount.

- i) Certain financial assets and liabilities and
- ii) Defined benefit plans- plan assets

B.2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Property, plant and equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre-operative expenses and disclosed under Capital Work-in-Progress.

Depreciation on property, plant and equipment is provided using straight line method. Depreciation is provided on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from de-recognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

The useful lives, residual values and method of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively

(b) Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

Intangible assets are amortized over a period of ten years, the estimated minimum useful life of the related products.

(c) Research and Development Expenditure

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are charged to the Statement of Profit & Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalized.

(d) Finance Cost

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

(e) Inventories

The closing stock of Raw Materials, Packing Material & Accessories, Stores & Spares, Work in Progress and Finished Goods are valued at cost (including related overheads) or net realizable value whichever is less. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition. The cost is determined on weighted average basis.

(f) Impairment of non-financial assets-property, plant and equipment and intangible assets.

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets may be impaired.

An impairment loss is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount.

The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(g) Provisions and Contingent Liabilities/Assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities, if material, are disclosed by way of notes to accounts. Contingent assets are not recognized or disclosed in the financial statements.

(h) Employee Benefits Expense

Company's contribution to Government Administered Provident Fund and Employees' State Insurance Corporation are charged to Profit & Loss Account.

Defined benefit contributions in respect of gratuity are provided on the basis of actuarial valuation made at the end of the financial year. Actuarial gains or loss arising from such valuation are charged to revenue in the year in which they arise.

(i) Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognized in the comprehensive income or in equity, in which case, the tax is also recognized in other comprehensive income or equity.

- Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance Sheet date.

- Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred Tax liabilities and assets are reviewed at the end of each reporting period

(j) Foreign currencies transactions and translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognized in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction.

(k) Revenue Recognition

Revenue from sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

Revenue from rendering of services is recognized when the performance of agreed contractual task has been completed.

Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from operations includes sale of goods and services.

Interest Income

Interest income from a financial asset is recognized using effective interest rate method.

Dividends

Revenue is recognized when the Company's right to receive the payment has been established.

(l) FINANCIAL INSTRUMENTS

i) Financial Assets:

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognized using trade date accounting.

B. Subsequent measurement

a) Financial assets carried at amortized cost (AC)

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories is measured at FVTPL.

B. Investment in Subsidiaries, Associates and Joint venture

The Company has accounted for its investments in subsidiary at cost.

C. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognized in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

D. Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognized from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analyzed.

For other assets, the Company uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ii) Financial Liabilities:

A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable costs. Fees of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii) DE recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

iv) Fair value measurement

The fair value of an asset or liability is measured using the assumption that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Where fair value is based on quoted prices from active market.

Level 2 – Where fair value is based on significant direct or indirect observable market inputs.

Level 3 – Where fair value is based on one or more significant input that is not based on observable market data.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers are required between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) (a) on the date of the event or change in circumstances or (b) at the end of each reporting period.

C. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the Company's financial statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods.

a) Depreciation/amortization and useful lives of property, plant and equipment/ intangible assets.

Property, plant and equipment/intangible assets are depreciated/amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of assets annually in order to determine the amount of depreciation/ amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation/amortization for future periods is revised if there are significant changes from previous estimates.

b) Recoverability of trade receivable

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

c) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and qualification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

d) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGUs) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

e) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risks of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking

estimates at the end of each reporting period.

The fair value of the financial assets and liabilities mean the amount that would be received to sell an asset and paid to transfer a liability in an orderly transaction between market participants. Trade receivables, cash and cash equivalents, other bank balances, loans, other current financial assets, current borrowings, trade payables and other current financial liabilities have been valued at their carrying amounts as this largely approximate to its fair value due to the short-term maturities of these instruments.

9. The Company's Board of Directors have overall responsibility for the establishment and oversight of the Company's risk management framework. Below note explains the risk which the entity is exposed to and how the entity manages the risk and related on financials, if any.

(i) **Foreign Currency Risk**

All foreign currency denominated assets and liabilities are translated using exchange rate at reporting date.

The following table shows foreign currency exposures on financial instruments at the end of the reporting year. Foreign Currency Expos

Particulars	As at 31.03.2022		As at 31.03.2021	
	In USD	Rs.in lacs	In USD	Rs.in lacs
Loans	3,51,000	265.55	3,51,000	257.51
Trade and Other Payables	-	-	39,235	28.78
Net Exposure	3,51,000	265.55	3,90,235	286.29

Foreign Currency Sensitivity

Since the net foreign currency exposure is not substantial, the foreign currency sensitivity is not material at the reporting date.

(ii) **Interest Rate Risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the market interest rate. Since the company's borrowings which are affected by interest rate fluctuation is very insignificant to the size and operations of the company, therefore, a change in interest rate risk does not have a material impact on the company's financial statements in relation to fair value of financial instruments.

OK PLAY INDIA LIMITED
NOTES TO STANDALONE FINANCIAL STATEMENTS

(iii) **Credit Risk**

Credit Risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the company. Financial instruments that are subject to concentrations of credit risks, principally consist of balance with banks, trade receivables, loans and advances. None of the financial instruments of the company result in material concentrations of credit risks.

(iv) **Liquidity Risk**

The company manages liquidity risk through banking facilities by continuously monitoring forecast and actual cash flows.

INDEPENDENT AUDITOR'S REPORT

To the Members of OK PLAY INDIA LIMITED

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying Consolidated Financial Statements of OK PLAY INDIA LIMITED (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") comprising of the Consolidated Balance Sheet as at March 31, 2022, the Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and notes to the Consolidated Financial Statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the 'Basis for Qualified Opinion' section of our report the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2022, its profit/loss, total comprehensive income/loss, its cash flows and the changes in equity for the year ended on that date.

Basis of Qualified Opinion

- A) The company has an amount of Rs. 1,829.25 Lacs (PY – Rs. 2,055.80 Lacs) outstanding under Advances to others. This amount pertains to the advances given to parties for supply of goods and services. Out of these receivable, the balance receivable includes Rs. 855.02 Lacs from parties which are outstanding for a long time. The management has represented that the amount of advances has been reduced significantly in the current year and is confident that such advances are recoverable/adjustable and that no accrual of diminution in value of trade receivable is considered necessary as at 31st March 2022. We have relied on the documents submitted by the management in respect of recoverability of the receivable, external confirmations received and the management's internal assessment and representation in this matter.
- B) As per The Indian Accounting Standards (IND AS) – 38 prescribed under section 133 of the Companies Act, 2013, an intangible asset shall be recognized if, and only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the entity; and the cost of the asset can be measured reliably. An entity shall assess the probability of expected future economic benefits using reasonable and supportable assumptions that represent management's best estimate of the set of economic conditions that will exist over the useful life of the asset. The company has recognized the intangible assets of Rs. 1233.18 Lacs during the FY 2021-22 primarily for the purpose of development of its Electric vehicle division and is confident of getting future economic benefits of the same.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the "Code of Ethics" issued by the Institute

of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules and we have fulfilled our other ethical responsibilities in accordance with the requirements and the ICAI’s ‘Code of Ethics’. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

Key Audit Matter	How the matter addressed in our audit
<p>1. As per the Indian Accounting Standards prescribed under section 133 of the Companies Act, 2013, Inventories shall be measured at the lower of cost and net realizable value. Net realizable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to make the sale. The company is carrying inventories in the Balance Sheet as at 31st March 2022 - Rs. 6696.49 Lacs (Previous Year Rs. 6423.54 Lacs). As some part of the turnover comprises of job-work, it was not possible to accurately ascertain the realizable value of the same in open market. Consequently, management has valued the inventories of finished goods at cost since it was not possible to find out the realizable value of all such stocks. In so far as the items of raw material and work in progress are concerned, the same has also been valued at cost.</p>	<p>To address the risk of material error on inventories, our audit procedures included amongst other :</p> <ul style="list-style-type: none"> • Challenging the management with regard to the calculation methodology and the process with respect to inventory valuation. • Assessing the adequacy of, and movement in inventory by checking sample items to ensure appropriate basis of valuation <p>Evaluating, on a sample basis, whether inventories were stated at lower of cost or net realizable value at the reporting date by comparing with the sale prices of same kind of goods</p> <ul style="list-style-type: none"> • Relying on management experience and its representation given for the appropriateness of the valuation.

<p>2. The company has an amount of Rs. 1273.39 Lacs (PY – Rs. 1058.22 Lacs) outstanding under trade receivables.. Out of the above balance Rs. 464.83 Lacs is outstanding for more than 3 years. The management has represented that the significant portion of such trade receivable are still recoverable/adjustable and that no accrual of diminution in value of trade receivable is therefore necessary as at 31st March 2022. Based on our assessment and review procedures performed, we are of the views that since these items are outstanding since more than 3 years, for which the Company has provided for an amount of Rs. 60 lacs (PY Rs. 40 lacs) for doubtful debts. The management, based on internal assessment and evaluations, has also represented that the significant portion of such trade receivables and advances are recoverable/adjustable and that no additional accrual of diminution in value of trade receivable is therefore necessary as at 31st March 2022. We have relied on the documents submitted by the management in respect of recoverability of the receivable, external confirmations received and the management’s internal assessment and representation in this matter.</p>	<p>We have performed the following procedures in relation to the recoverability of receivables:</p> <ul style="list-style-type: none"> • Tested the accuracy of aging of trade receivables at yearend on a sample basis; • Obtained a list of outstanding receivables and identified any debtors with financial difficulty through discussion with management, • Received direct balance confirmation from parties with a significant amount of balance outstanding, • Assessed the recoverability of the unsettled receivables on a sample basis through our evaluation of management’s assessment of the credit profile of the customers, historical payment pattern of customers and latest correspondence with customers and to consider if any additional provision should be made; and • Tested subsequent settlement of trade receivables after the balance sheet date on a sample basis. <p>We found the key judgments and assumptions used by management in the recoverability assessment of receivables to be majorly supportable based on the available evidence.</p>

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management

Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibility for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation of these Consolidated Financial Statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive Income/Loss, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act.

The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements except one subsidiary "RIRA E-Vehicles Private Limited" where we have relied on that company's statutory Auditor's work.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that,

individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materially and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- A. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements;
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept by the Company so far as it appears from our examination of those books;
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive Income/Loss), the Consolidated statement of change in equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements;
 - d. In our opinion, the aforesaid Consolidated Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Indian Accounting Standards) Rules, 2015 as amended;
 - e. On the basis of written representations received from the directors of the Companies as on March 31, 2022 taken on record by the Board of Directors of the company and its subsidiaries

incorporated in India and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2022, from being appointed as a director in terms of Section 164(2) of the Act;

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in “Annexure A” which is based on the auditor’s report of the company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operative effectiveness of the internal financial control over financial reporting of those companies for reasons stated therein.
- g. With respect to the other matters to be included in the Auditor’s report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Group Companies to their directors during the year is in accordance with the provision of section 197 of the Act.

B. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- (i) The Consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group as referred to Note 27(3) to the Consolidated Financial Statements;
- (ii) The Group did not have any material foreseeable losses on long term contracts including derivative contracts;
- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiaries.

NOTE 1

(1) BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS

The consolidated financial statements have been prepared on the historical cost basis except for the following assets and liabilities which have been measured at fair value amount:

- i. Certain financial assets and liabilities and
- ii. Defined benefit plans – plan assets

The consolidated financial statements of the Group have been prepared to comply with the Indian Accounting Standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

(2) PRINCIPLES OF CONSOLIDATION

The consolidated financial statements relate to OK Play India Limited ('the Company') and its subsidiary companies. The consolidated financial statements have been prepared on the following basis:

- a) The financial statements of the Company and its subsidiary Companies are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- b) Profits or losses resulting from intra-group transactions that are recognized in assets, such as inventory and property, plant & equipment, are eliminated in full.
- c) Offset (eliminate) the carrying amount of the parent's investment in the subsidiary and the parent's equity of the subsidiary.
- d) The difference between the cost of investment in the subsidiary, over the net assets at the time of acquisition of shares in the subsidiary is recognized in the financial statements as Goodwill or Capital Reserve, as the case may be.
- e) Minority Interest's share of net profit of consolidated subsidiary for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- f) Minority Interest's share of net assets of consolidated subsidiary is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the Company's shareholders.
- g) As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's standalone financial statements.

(3) Other significant accounting policies

These are set out under "Significant Accounting Policies" as given in the Company's standalone financial statements.

NOTES ON CHANGES IN EQUITY

NATURE AND PURPOSE OF RESERVES

- (a) **Capital Reserve** : The Group recognises profit and loss on purchase, sale, issue or cancellation of the Group's equity instruments to capital reserve.
- (b) **Share Premium** : Share Premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of section 52 of the Companies Act, 2013.
- (c) **General Reserve** : The General Reserve is a free reserve which is used to transfer profits from retained earnings for appropriation purposes. As the General Reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the General Reserve will not be reclassified subsequently to Statement of Profit & Loss.
- (d) **Retained Earnings** : Retained Earnings represent the amount of accumulated earnings of the Group
- (e) **Other Comprehensive Income** : Other Comprehensive Income consists of remeasurement of net defined benefit liability/asset, net of taxes.

Trade Receivables	1,273.39	1,058.22
Cash and Cash Equivalents	169.19	235.67
Other Financial Assets	10.69	26.06

B Financial liabilities at amortized Cost

Non-Current		
Borrowings	5,709.64	5,183.41
Other Financial Liabilities	-	-
Current		
Borrowings	4,085.53	3,460.76
Trade Payables	2,132.63	1,993.73

The fair value of the financial assets and liabilities mean the amount that would be received to sell an asset and paid to transfer a liability in an orderly transaction between market participants. Trade receivables, cash and cash equivalents, other bank balances, loans, other current financial assets, current borrowings, trade payables and other current financial liabilities have been valued at their carrying amounts as this largely approximate to its fair value due to the short-term maturities of these instruments.

- 11 The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. Below note explains the risk which the entity is exposed to and how the entity manages the risk and related on financials, if any.

(i) **Foreign Currency Risk**

All foreign currency denominated assets and liabilities are translated using exchange rate at reporting date.

The following table shows foreign currency exposures on financial instruments at the end of the reporting year.

Foreign Currency Exposure

Particulars	As at 31.03.2022		As at 31.03.2021	
	In USD	Rs.in lacs	In USD	Rs.in lacs
Loans	3,51,000	265.55	3,51,000	257.51
Trade and Other Payables	-	-	39,235	28.78
Net Exposure	3,51,000	265.55	3,90,235	286.29

Foreign Currency Sensitivity

Since the net foreign currency exposure is not substantial, the foreign currency sensitivity is not material at the reporting date.

(ii) **Interest Rate Risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the market interest rate. Since the company's borrowings which are affected by interest rate fluctuation is very insignificant to the size and operations of the company, therefore, a change in interest rate risk does not have a material impact on the company's financial statements in relation to fair value of financial instruments.

(iii) **Credit Risk**

Credit Risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the company. Financial instruments that are subject to concentrations of credit risks, principally consist of balance with banks, trade receivables, loans and advances. None of the financial instruments of the company result in material concentrations of credit risks.

(iv) **Liquidity Risk**

The company manages liquidity risk through banking facilities by continuously monitoring forecast and actual cash flows.
