Coronavirus (Covid-19) Pandemic - Brief highlights of the initiatives undertaken by the Company to combat the second wave of the Coronavirus crisis

The Company has always supported the need of the nation in challenging situations and will continue to work with Governments, non-profit organizations and healthcare institutions in their fight to combat Coronavirus.

With active Covid-19 cases rapidly increasing and a large number of new cases being reported daily, over the past few weeks, many Covid-19 patients have suffered due to breathlessness on account of the non-availability of medical oxygen in hospitals. The second wave of the Covid-19 has caused an acute shortage of medical oxygen at hospitals. The Company has taken steps to procure and donate critical medical care equipments such as oxygen concentrators, oxygen cylinders, ventilators to hospitals / healthcare facilities. The Company has taken cognizance of the impact this pandemic has had on the weaker sections of the society. It also

extended its support by supplying masks, shields, gloves, sanitizers to hospitals in order to provide relief to the vulnerable and most needy sections of the society.

The Company has ensured the first dose of vaccination for 100% of its employees above 45 years of age and hopes to completely vaccinate the employees with the second dose in due course. The Company has also initiated steps to completely vaccinate its employees below 45 years of age as the availability of vaccine increases.
