BOARD'S REPORT

To

The Shareholders

The Board of Directors of the Company hereby present the Thirty-first (31st) Annual Report together with the Audited Financial Statements for the year 2016-2017 ended 31st March 2017.

During the financial year under review, the profitability of Steel industry was under stress due to drop in the sales realisations as a result of reduction in demand. Even though, there was some reductions in the prices of few raw materials but the overall gap between the realisations and cost of production has increased resulting in the slight reduction of profit. However, with the continuous efforts by the Company's Management towards strict cost reduction and better financial / working capital management, has helped to improve its overall performance in order to survive in the difficult market conditions.

1. FINANCIAL RESULTS

The summarised financial results for the year are as follows :

(₹ in Lakh)

Sr. No.	Particulars	For the financial year ended	
		31 st March 2017	31 st March 2016 (#)
1	Total Income	172,098	180,116
2	Total Expenditure	156,782	161,388
3	Gross Profit	15,316	18,728
4	Finance Cost	3,506	6,495
5	Profit before Depreciation	11,810	12,233
6	Depreciation	3,319	3,564
7	Profit before exceptional and extraordinary items and Tax	8,491	8,669

(#) The figures pertaining to the financial year 2015-2016 are after giving effect of the Ind AS adjustments.

2. FINANCE

Your Company has ended the financial year with a profit after tax of ₹ 6,517 Lakhs. After taking into account the brought forward profit of ₹ 42,243 Lakhs, your Company has carried forward an amount of ₹ 48,760 Lakhs to the Balance Sheet.

3. DIVIDEND

There is a continuous need of capital to upgrade product and its process with latest technology. The Company is always in the process of upgrading its facilities with certain capital projects either through renovation, addition, expansion or modernisation. Simultaneously, the Company is required to infuse its internal accruals to comply with the requirements of the lending banks financing for such capital projects.

As such, the Board of Directors does not recommend any dividend on the equity shares for the financial year 2016-2017 ended 31st March 2017.

4. SHARE CAPITAL

During the financial year under review, there is no change in the capital structure of the Company and accordingly, the issued, subscribed and paid-up share capital of the Company stand at ₹ 1,802,194,480 as on 31st March 2017.

5. MARKET SCENARIO

Despite various initiatives of the Indian Government, domestic steel companies are facing stiff competition due to dumping from China, Korea and Japan. Moreover, there was no substantial increase in demand from automobile and auto component industries. However, it is expected to improve the current market scenario in the days to come, particularly in view of implementation of GST. **SUNFLAG STEEL** is continuing to develop new high value grades of alloy steel to cater the needs of domestic as well as international markets in addition to existing ones.

6. COMPANY'S WORKING / OPERATIONS

MANAGEMENT DISCUSSION AND ANALYSIS

Sunflag Iron and Steel Company Limited (**SUNFLAG STEEL**) had set up a 'state of the art' integrated Steel plant at Warthi, Bhandara Road to produce high quality Special Steel with manufacturing facilities like Sponge Iron Plant, Mini Blast Furnace, Sinter Plant, Captive Power Plant, Steel melting shop and Rolling Mills.

SUNFLAG STEEL has established itself as a major global force. With the modern complex pulsating with world class technology, expert human resources and a commitment to excellence, **SUNFLAG STEEL** has become a reputed supplier in Flat Bars, Round Bars, Bright Bars and Wire Rods of Alloy Steel, Spring Steel, Rolled Products for higher sections and Stainless Steel and captured better position in these market segments.

SUNFLAG STEEL is also embarking on an export thrust and is regularly supplying to various customers in South East Asian, African, Middle East and South American countries.

GLOBAL ECONOMIC SCENARIO & OUTLOOK

With buoyant financial markets and a long-awaited cyclical recovery in manufacturing and trade under way, world growth is projected to rise from 3.1 percent in 2016 to 3.5 percent in 2017 and 3.6 percent in 2018, slightly above the October 2016 World Economic Outlook (WEO) forecast. The world economy gained speed in the fourth quarter of 2016 and the momentum is expected to persist.

A renewed multilateral effort is also needed to tackle common challenges in an integrated global economy.

INDIAN ECONOMIC SCENARIO & OUTLOOK

The Government of India has forecasted that the Indian economy will grow by 7.1 per cent in FY 2016-17. As per the Economic Survey 2016-17, the Indian economy should grow between 6.75 and 7.5 per cent in FY 2017-18.

Government of India has introduced Goods & Service Tax (GST) effective 1st July 2017 biggest ever tax reform in the country, possesses a hope in the industry for better growth in the years to come.

INDIAN STEEL INDUSTRY

India's crude steel output grew 10.7 per cent year-on-year to 25.76 million tonnes (MT) during January-March 2017. India's crude steel output during April 2017 grew by 5.4 per cent year-on-year to 8.107 MT.

AUTOMOBILE AND AUTO COMPONENT INDUSTRY

The automobile industry in India is expected to be the world's third largest by 2020, with the country currently being the world's second largest two-wheeler manufacturer. Two-wheeler production is projected to rise from 18.5 million in FY15 to 34 million by FY20. Passenger vehicle market in India is expected to cross the three million unit milestone during FY 2016-17, and further increase to 10 million units in FY 2019-20.

The government aims to develop India as a global manufacturing as well as a research and development (R&D) hub. It has set up National Automotive Testing and R&D Infrastructure Project (NATRIP) centres as well as a National Automotive Board to act as facilitator between the government and the industry.

COSTS - STEEL BUSINESS

During the year under review, the Company continued to focus on costs, improvements through Total Productive Maintenance (TPM) and various cost reduction policies, wherever applicable.

STEEL SECTOR – THREATS AND CHALLENGES

Shift towards relatively lower steel demand growth in most of the heavy-weight economies.

The franchisee route or the smaller producers perhaps are the biggest threat to the industry. They are able to use the name of big players and use the re-cycle material.

OPPORTUNITIES

India is expected to become the second largest steel producer in the world by 2020, based on increased capacity addition in anticipation of upcoming demand, and the new steel policy, that has been approved by the Union Cabinet in May 2017, is expected to boost India's steel production.

Huge scope for growth is offered by India's comparatively low per capita steel consumption and the expected rise in consumption due to increased infrastructure construction and the thriving automobile, steel and infrastructure sectors.

SUNFLAG STEEL will see better opportunities in the years to come due to continuous developments of new grades of high alloy steel as well wire rod. Further, venturing into the self dependency of raw material will help in decreasing in the cost of production and enhancing the profitability. This has even proved advantageous during the recessionary period which is very good sign for the Company.

MATERIAL DEVELOPMENT

SUNFLAG STEEL was not able to maintain its profitability mainly due to marginal rise in selling prices of its products versus abnormal rise in the cost of inputs such as iron ore, coke and largely due to overall decelerated global and Indian economic growth.

In order to achieve effective cost reduction and improvement in productivity, activity of total productive maintenance (TPM) continued to be implemented by the Company during the year under review.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has in place adequate internal control systems and procedures commensurate with the size and nature of business. These procedures are designed to ensure :

- that all assets and resources are used efficiently and are adequately protected;
- that all the internal policies and statutory guidelines are complied with; and
- the accuracy and timing of financial reports and management information is maintained.

CAUTIONARY STATEMENT

The Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may be 'forward-looking statements' within the meaning applicable to securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the company's operations include economic conditions affecting demand / supply and price conditions in the domestic and overseas markets, changes in the Government regulations, tax laws and other statutes and other incidental factors.

CORPORATE GOVERNANCE REPORT

Brief statement on the Company's Philosophy on Code of Corporate Governance :

At **SUNFLAG STEEL**, Corporate Governance has been an integral part of the way we have been doing our business since inception. We believe that good Corporate Governance emerges from the application of the best and sound management practices and compliance with the laws coupled with adherence to the highest standards of transparency and business ethics. These main drivers, together with the Company's ongoing contributions to the local communities through meaningful "Corporate Social Responsibility" initiatives will play a pivotal role in fulfilling our renewed vision to be the most sustainable and competitive Company in our industry and our mission to create value for all our stakeholders.

As per the provisions of the Companies Act, 2013 read with Listing Regulations, Mrs. Neelam Kothari (DIN : 06709241), a qualified Chartered Accountant and Cost Accountant from Mumbai, continued to be a Women Director on the Board of the Company.

d) Separate Meeting of Independent Directors :

As stipulated by Schedule IV - Code of Independent Directors to the Companies Act, 2013 and the Regulations 25 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, a separate meeting of the Independent Directors of

the Company was held on 4th March, 2017 to review the performance of Non-independent Directors (including the Non-executive Chairman) of the Company and the Board as a whole. The Independent Directors also reviewed the quality, content and timeliness of the flow of information between the Management, the Board and its Committees, which is necessary to effectively and reasonably perform and discharge their duties.

e) Induction, Training and Familiarisation Program for Board Members :

The provision of an appropriate induction programme for new Directors and ongoing training for existing Directors is a major contributor to the maintenance of high Corporate Governance standards of the Company. Every such newly appointed Director is required to undergo through a formal induction program including the presentation from the Managing Director and Deputy Managing Director on the Company's manufacturing, marketing, finance and other important aspects. The Chief Financial Officer and the Company Secretary are jointly responsible for ensuring that such induction and training programmes are provided to all such Directors. The Independent Directors, from time to time, request management to provide detailed understanding of any specific project, activity or process of the Company. The management provides such information and training either at the meeting of Board of Directors or otherwise.

The induction for Director/s include interactive sessions with executive committee members, business and functional heads, visit to the manufacturing and coal mine sites, visits to locations where the CSR activities have been carried out by the Company, etc. On the matters of specialised nature, the Company engages services of outside experts and consultants for presentation and discussion with the Board members from time to time.

The presentations are made by the management team giving an overview and familiarise the Directors with the operations and business model of the Company. The Directors are also appraised about the Industry developments, new initiatives and strategy of the Company from time to time. The Board members were presented with reports, internal policies and periodic presentations at the Board and its Committee meetings. The Board members are also appraised of their roles, authorities, rights and responsibilities under various laws and regulations applicable to the Company, including but not limited to, the Companies Act, 2013 read with the rules made there under and the SEBI (LODR) Regulations, 2015 (Listing Regulations),

f) Evaluation of the Board's Performance :

During the financial year, the Board continued with a formal mechanism for evaluating its performance as well as that of its Committees and individual Directors, including the Chairman and Vice Chairman of the Board. The exercise was carried out through a structured evaluation process covering various aspects of the Board functioning such as composition of the Board and its Committees, experience & competencies, performance of specific duties and obligations, governance issues, etc. Separate exercise was carried out to evaluate the performance of individual Directors including the Chairman and Vice Chairman of the Board, who were evaluated on parameters such as attendance, contribution at the meetings, independent judgment, safeguarding of minority shareholders interest etc.

The evaluation of the Independent Directors was carried out by the entire Board and that of the Chairman, Vice Chairman and the Non-Independent Directors were carried out by the Independent Directors. The Directors were satisfied with the evaluation results, which reflected the overall engagement of the Board and its Committees with the Company.

g) Agenda :

All the meetings are conducted as per well designed and structured agenda. All the agenda items are backed by necessary supporting information, notes and documents (except for the critical price sensitive information, which is circulated at the meeting itself) to enable the Board and its Committee to take informed decisions. The agenda also includes item related to ratification, confirmation and approval, if any, of minutes of the previous meetings of the Board, its Committees and Subsidiary Companies. Additional agenda items, if any, in the form of "Other Business" are included with the permission of the Chairman and with the consent of a majority of the Directors present in the meeting, which shall include at least one Independent Director, if any. The agenda including notes thereof are generally circulated together with seven clear days Notice prior to the Board and its Committee Meetings. In addition, the resolutions are passed by circulation for any business exigencies, were later placed in the ensuing Board Meeting for ratification and approval, if any.

The Companies Act, 2013 read with the relevant rules made there under, now facilitates the participation of Directors in the Board and its Committee Meetings through video conferencing or other audio visual mode. Accordingly, the option to participate in the meeting through video conferencing (subject to technical aspects) was made available for the Directors except in respect of such meetings and items which are not permitted to be transacted through video conferencing pursuant to the provisions of the Companies Act read with the relevant rules made there under.

The Board periodically reviews the items required to be placed before it and in particular, reviews and approves quarterly and half yearly unaudited statements of financial results and the audited statements of annual financial results, corporate strategies, business plans, annual budgets, projects and capital expenditure. The Board monitors overall operating performance, progress of major projects and review such other items which require Board's attention. It directs and guides the activities of the management towards the set goals and seeks accountability. It also sets standards of corporate behaviour, ensures transparency in corporate dealings and compliance with all applicable laws and regulations. The agenda for the Board meeting covers items set out as per the various laws and regulations applicable to the Company, including but not limited to, the Companies Act, 2013 read with the rules made there under and the SEBI (LODR) Regulations, 2015 (Listing Regulations) to the extent these are relevant and applicable to the Company.

h) Invitees and Proceedings :

Report on Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of Sunflag Iron and Steel Company Limited ("**the Company**"), which comprise the balance sheet as at March 31, 2017, the statement of profit and loss, including the statement of other comprehensive income, the cash flow statement and the statement of changes in equity for the year then ended, and a summary of significant accounting policies.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("**the Act**") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Other Matters

The financial information of the Company for the year ended March 31, 2016 and the transition date opening balance sheet as at April 01, 2015 included in these standalone Ind AS financial statements, are based on the previously issued statutory financial statements for the years ended March 31, 2016 and March 31, 2015 prepared in accordance with the Companies (Accounting Standards) Rules, 2006 (as amended) which were audited by predecessor auditors whose report for the year ended March 31, 2016 & March 31, 2015 dated May 26, 2016 & May 30, 2015 respectively expressed an unmodified opinion on those standalone financial statements. The adjustments to those standalone financial statements for the differences in accounting principles adopted by the Company on transition to the Ind AS have been audited by us.

Report On Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 ("**the Order**") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure -1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
 2. As required by section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

"ANNEXURE - 2" TO INDEPENDENT AUDITOR'S REPORT

"Annexure -2" to the Independent Auditor's Report of even date on the standalone Financial Statements of Sunflag Iron & Steel Company Limited,

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Sunflag Iron & Steel Company Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

Notes forming part of the Financial Statements for the year ended 31st March, 2017**I. Corporate information**

Sunflag Iron and Steel Company Limited (the 'Company') was incorporated in 1984 and is engaged in the business of manufacturing and sale of Special Steel Rolled products. The Company is listed on The National Stock Exchange of India Limited (NSE) and BSE Limited (BSE)

The registered office of the Company is situated at 33, Mount Road, Sadar, Nagpur - 440001, Maharashtra, India.

These financial statements are presented in Indian Rupees (₹)

2. Significant accounting policies**I. Basis of preparation**

Ministry of Corporate Affairs notified roadmap to implement Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules 2015 as amended by the Companies (Indian Accounting Standards) (Amendments) Rules, 2016. As per the said roadmap, the Company is required to apply Ind AS starting from the financial year beginning on or after 1st April, 2016. Accordingly, the financial statements of the Company have been prepared in accordance with Ind AS.

For all the periods upto and including the year ended March 31, 2016, the Company has prepared its financial statements in accordance with the Accounting Standards notified under the Section 133 of the Companies Act 2013, read together with Companies (Accounts) Rules 2014 (Indian GAAP). These financial statements for the year ended 31st March, 2017 are the first the Company has prepared in accordance with Ind AS.

The financial statements have been prepared on historical cost basis, except as stated otherwise.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements are presented in Indian Rupees (Rs.) and all values are rounded to the nearest lacs (NR 00,000), except when otherwise indicated.

II Property, plant and equipment

Property, plant and equipment are stated at original cost net of tax/duty credit availed, less accumulated depreciation and accumulated impairment losses, when significant part of the property, plant and equipment are required to be replaced at intervals, the company derecognised the replaced part and recognised the new parts with its own associated useful life and depreciated accordingly. Likewise when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance cost are recognised in the statement of the profit and loss as incurred. The present value of the expected cost or the decommissioning of the asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Capital work in progress includes property plant & equipment under installation/under development as at the balance sheet date.

Capital expenditure on tangible assets for research and development is classified under property and equipment and is depreciated on the same basis as other property, plant and equipment.

Property, plant and equipment eliminated from the financial statement, either on disposal or when retired from the active use. Losses arising in the case of retirement of property, plant and equipment are recognised in the statement of the profit and loss in the year.

III. Intangible assets

Capital expenditure on purchase and development of identifiable assets without physical substance is recognized as intangible assets in accordance with principles given under Ind AS-38 - Intangible Assets.

The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the assets are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates.

IV. Depreciation and amortization

The assets' residual values, useful lives and methods of depreciation are reviewed each financial year end and adjusted prospectively, if applicable.

Depreciation on property, plant and equipment is provided over the useful life of assets as specified in schedule II to the Companies Act, 2013 on straight line method except in case of heavy & light vehicles which are depreciated on written down basis.

Property, plant and equipment which are added / disposed-off during the year, depreciation is provided on pro-rata basis with reference to the month of addition / deletion.

No depreciation is charged on free hold land and capital work in progress.

Intangible assets are amortised over its useful life not exceeding six years on straight line basis.

V Impairment of non-financial assets

Property, plant and equipment, intangible assets and assets classified as investment property with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset or CGU is estimated to be less than its carrying amount, the carrying amount of the asset or CGU is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit or loss.

An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

Impairment losses on continuing operations, including impairment on inventories are recognized in the statement of profit and loss, except for the assets previously revalued with the revaluation taken to other comprehensive income (OCI). For such assets, the impairment is recognized in OCI up to the amount of any previous revaluation surplus.

VI Inventories

Inventories are valued as under :

i	Raw materials & components	At lower of cost or net realisable value
ii	Consumables, store & spares	At depreciated cost
iii	Finished and semi-finished goods produced and purchased by the Company	At lower of cost or net realisable value
iv	Work in progress	At lower of cost of material, plus appropriate production overheads or net realizable value
v	Any other saleable products of the manufacturing process are considered as finished goods	At the lower of the estimated net realisable value or cost
vi	Goods in transit	At cost

Cost incurred in bringing the inventories to their present location and condition. Slow and non-moving material, obsolete, defective inventories are duly provided for and valued at net realisable value. Goods and materials in transit are valued at actual cost incurred up to the date of balance sheet.

Cost is calculated on weighted average basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and costs required to make the sale.

The cost of inventories have been computed to include all cost of purchases, cost of conversion and other related.

Materials and supplies held for use in the production of inventories are not written down if the finished product in which they will be used are expected to be sold at above cost.

VII. Cash and cash equivalents

Cash and cash equivalents includes cash on hand and at bank, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

For the purpose of the statement of cash flows, cash and cash equivalents consists of cash and short term deposits, as defined above, net of outstanding bank overdraft as they are being considered as integral part of the Company's cash management.

VIII. Leases

For arrangements entered into prior to 1 April 2015, the company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

Where the Company is the lessee

Operating lease payments are recognized as an operating expense in the statement of profit and loss on a straight-line basis over the lease term.

Where the Company is the lessor

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease, costs including depreciation are recognized as an expense in the statement of profit and loss.

IX Employee benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with Indian Accounting Standard Ind AS-19 - Employee Benefits.

a) Long term benefit**i) Defined benefit plan**

The Company's liabilities on account gratuity is determined at the end of each financial year on the basis of actuarial valuation certificates obtained from registered actuary in accordance with the measurement procedure as per Indian Accounting Standard (INDAS)-19- 'Employee Benefits'. Gratuity liability is funded on year to year basis by contribution gratuity policy taken from Life Insurance Corporation (LIC). The costs of providing benefits under these plans are also determined on the basis of actuarial valuation at each year end. Actuarial gains and losses for defined benefit plans are recognized through OCI in the period in which they occur.

ii) Defined contribution plan

Retirement benefits in the form of provident fund are accrued as per the provisions of the Employees Provident Funds and Miscellaneous Provisions Act, 1952. Contributions payable to the employee's provident fund in respect of the company are charged to the statement of profit and loss. There are no other than the contribution payable to the provident fund/trust.

Liability towards superannuation is funded in accordance with the scheme with Life Insurance Corporation of India.

b) Short term benefits

Short term employee benefits are recognized as expenses in the statement of profit & loss of the year in which related services are rendered.

Leave salary in respect of accumulated earned leave has been provided for according to the service rules of the Company.

X. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all potential dilutive equity shares.

XI Provisions, contingent liabilities, contingent assets and commitments :**General**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to provision presented in the statement of profit & loss net of any reimbursement.

If the effect of the time value of money is material, provisions are disclosed using a current pre-tax rate that reflects, when appropriate, the risk specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as finance cost.

Mine restoration or assets retirement obligation

Mine restoration expenditure is provided for in the statement of profit and loss based on present value of estimated expenditure required to be made towards restoration and rehabilitation at the time of vacation of mine. The cost estimates are reviewed periodically and are adjusted to reflect known developments which may have an impact on the cost estimates or life of operations. The unwinding of the discount on provision is shown as a finance cost in the statement of profit and loss.

Contingent liability is disclosed in the case of :

- * There is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.
- * A present obligation arising from past event, when it is not probable that an outflow of resources will be required to settle the obligation.
- * A present obligation arises from the past event, when no reliable estimate is possible.
- * A present obligation arises from the past event, unless the probability of outflow are remote.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

Onerous contract

A provision for onerous contracts is measured at the present value of the lower expected costs of terminating the contract and the expected cost of continuing with the contract. Before a provision is established, the Company recognizes impairment on the assets with the contract.

Contingent assets

Contingent assets are not recognized. However, when the realization of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognized as an asset.

XII. Segment accounting and reporting

The chief operational decision maker monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss and is measured consistently with profit and loss in the financial statements.

The operating segments have been identified on the basis of the nature of products/services.

- i. Segment revenue includes sales and other income directly identifiable with/allocable to the segment including inter-segment revenue.
- ii. Expenses that are directly identifiable with/allocable to the segments are considered for determining the segment result. Expenses not allocable to segments are included under unallocable expenditure.
- iii. Income not allocable to the segments is included in unallocable income.
- iv. Segment results includes margin or inter segment and sales which are reduced in arriving at the profit before tax of the Company.
- v. Segment assets and Liabilities include those directly identifiable with the respective segments. Assets and liabilities not allocable to any segment are classified under unallocable category.

XIII. Investment in joint ventures & associates

Investment in subsidiaries are carried at cost. The cost comprises price paid to acquire investment and directly attributable cost.

On transition to IND AS, the company has adopted optional exemption under IND AS 101 to consider carrying value as deemed cost.

XV. Government grant / assistance

Government grant with a condition to purchase, construct to otherwise acquire long term assets are initially measured based on grant receivable under the scheme. Such grant are recognized in the statement of profit & loss on a systematic basis over the useful life of the asset. Amount of benefits receivable in excess of grant income accrued based on usage of the assets is accounted as Government grant received in advance. Changes in estimate are recognized prospectively over the remaining useful life of assets. Government revenue grants relating to costs are deferred and recognized in the statement of profit and loss over the period necessary to match them with the costs that they intended to compensate.

XVI. Taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-Tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income tax relating to items recognized directly in equity is recognised in equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Minimum alternate tax

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

Deferred Tax

Deferred tax is recognised on timing differences, being the difference between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be future taxable income available to realise such assets.

Deferred tax assets are recognised timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realizability.

XVII Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue from sale of manufactured goods i.e. steel rolled products is recognised in accordance with Ind AS 18 issued by Ministry of Corporate Affairs and measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

The specific recognition criteria described below must be met before revenue is recognized :

i. Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

The Company provides cash in kind discounts at fair value to customers. These benefits are passed to customers on achievement of certain target of sales by respective customers.

Consideration received is allocated between the products sold and discount to be allowed to customers. Fair value of the in kind discount is determined by applying principle of Ind AS 113, i.e. at market rate. The fair value of the in kind discount is deferred and recognised as revenue when the in kind discount is issued.

ii Other operating income

Revenue from job work charges, incentives on exports and other government incentives related to operations are recognized in books after due consideration of certainty of utilization / receipt of such incentives.

iii Other income

Interest income on fixed deposit with banks is recognized on time proportion basis taking into account the amount outstanding and the rates applicable.

Dividend income from investments is recognized when the company's right to receive payment is established.

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

XVIII. Foreign currency translation / conversion

Standalone financial statements have been presented in Indian Rupees (Rs), which is the Company's functional and presentation currency.

i. Initial recognition

Foreign currency transactions are recorded in initial recognition in the functional currency, using the exchange rate at the date of the transaction.

ii. Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

iii. Exchange differences

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company are recognized as income or expense in the statement of profit and loss.

iv. Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

v. Borrowing costs

Borrowing costs include interest, amortization of ancillary costs incurred and exchange difference arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the

tenure of the loan. Borrowing costs, allocated to and utilized for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying assets up to the date of capitalization of such asset is added to the cost of the assets.

Other borrowing costs are expensed in the period in which they are incurred

XIX. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

XX. Equity shares

Ordinary shares are classified as equity. Incremental cost net of taxes directly attributable to the issue of new equity shares are reduced from retained earnings, net of taxes.

XXI. Standards issued but not yet effective :

In March 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments in accordance with the recent amendments made by International Accounting Standards Board (IASB) to IAS 7, 'Statement of cash flows' and IFRS 2, 'Share based payment', respectively. The amendments are applicable to the Company from April 1, 2017

Amendment to Ind AS 7

The amendment to Ind AS 7 requires the entities to provide disclosures that enables users of financial statements to evaluate changes in liabilities arising from financing activities, including both charges arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financial activities, to meet the disclosure requirement.

The company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.

Amendment to Ind AS 102

The amendment to Ind AS 102 provides specific guidance to measurement of cash-settled awards, modification of cash-settled awards and awards that include a net settlement feature in respect of withholding taxes.

It clarifies that the fair value of cash-settled awards is determined on a basis consistent with that used for equity-settled awards. Market-based performance conditions and non-vesting conditions are reflected in the 'fair-values', but non-market performance conditions and service vesting conditions are reflected in the estimate of the number of awards expected to vest. Also, the amendment clarifies that if the terms and conditions of a cash-settled share-based payment transaction, the transaction is accounted for as such from the date of the modification. Further, the amendment requires the award that include a net settlement feature in respect of withholding taxes to be treated as equity-settled in its entirety. The cash payment to the tax authority is treated as if it was part of an equity settlement.

XXII. Critical accounting estimates, assumptions and judgements

In the process of applying the Company's accounting policies, management has made the following estimates, assumptions and judgements, which have significant effect on the amounts recognised in the financial statement :

i. Property, plant and equipment

External adviser or internal technical team assess the remaining useful lives and residual value of property, plant and equipment. Management believes that the assigned useful lives and residual value are reasonable.

ii. Income taxes

Management judgement is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements.

iii. Contingencies

Management judgement is required for estimating the possible outflow of resources, if any, in respect of Contingencies / claim / litigations against the Company as it is possible to predict the outcome of pending matters with accuracy.

iv. Allowance for uncollected accounts receivable and advances

Trade receivables do not carry interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not to be collectible. Impairment is made on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.

v. Mine restoration obligation

In determining the fair value of the mine restoration obligation the company uses technical estimates to determine the expected cost to restore the mines and the expected timing of these costs. Discount rates are determined based on the government bond of similar tenure.

XXIII Fair value measurement

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either :

- * In the principle market for the asset or liability, or
- * In the absence of a principle market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and the best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole :

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets & liabilities on the basis of the nature, characteristics and the risks of the asset or liability and the level of the fair value hierarchy as explained above.

XXIV Financial Instruments**i Initial recognition**

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivable which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition.

ii Subsequent measurement**Non-derivative financial instruments****Financial assets carried at amortized cost-debt**

A financial asset is subsequently measured at amortized if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

*** Financial assets at fair value through other comprehensive income-debt**

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

*** Financial assets at fair value through profit or loss-debt**

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

*** Financial assets at fair value through profit or loss (FVPL) - equity**

A financial asset i.e. equity which is not classified as FVOCI, are subsequently fair valued through profit or loss.

*** Financial guarantee contracts**

Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirement of Ind AS 109 and the amount recognised less cumulative amortisation.

*** Impairment of Financial Assets**

The company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss profit or loss.

*** Investment in subsidiaries / associates / joint ventures**

Investment in subsidiaries/associates/joint venture is carried at cost in the financial statements.

*** Cash and cash Equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

*** Financial liabilities**

Financial liabilities are subsequently carried at amortized cost using the effective interest method, for trade and other payables maturing with one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii De-recognition

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of financial liability) is derecognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

iv. Reclassification of financial assets

The company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the company either begins or ceases to perform an activity that is significant to its operations. If the company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognised gains, losses (including, impairment gains or losses) or interest.

v. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

vi. Current and non-current classification

The company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is treated as current when it is :

- * Expected to be realized or intended to be sold or consumed in normal operating cycle.
- * Held primarily for the purpose of trading
- * Expected to be realized within twelve months after the reporting period, or
- * There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

Impairment review

Assets are tested for impairment whenever there are any internal or external indicators of impairment. Impairment test is performed at the level of each Cash Generating Unit ('CGU') or groups of CGUs within the Company at which the assets are monitored for internal management purposes, within an operating segment. The impairment assessment is based on higher of value in use and value from sale calculations. During the year, the testing did not result in any impairment in the carrying amount of other assets. The measurement of the cash generating units' value in use is determined based on financial plans that have been used by management for internal purposes. The planning horizon reflects the assumptions for short to- mid-term market conditions.

Key assumptions used in value-in-use calculations:- Operating margins (Earnings before interest and taxes); Discount rate; Growth rates; Capital expenditures.

The fair value of financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties in an orderly market transaction, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values.

- The fair values of derivatives are on MTM as per Bank
- Company has opted to fair value its Long term and Current investments through profit & loss
- Company has adopted effective rate of interest for calculating Interest. This has been calculated as the weighted average of effective interest rates calculated for each loan. In addition processing fees and transaction cost relating to each loan has also been considered for calculating effective interest rate.

Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of **Sunflag Iron & Steel Company Limited** (hereinafter referred to as "the Holding Company") and its subsidiaries & joint ventures (collectively referred to as "the Group"), comprising of the consolidated balance sheet as at 31st March, 2017, the consolidated statement of profit and loss including other comprehensive income, the consolidated cash flow statement and consolidated change in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Amendment Rules, 2015 as amended.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities, the selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group as at 31st March, 2017 and their consolidated profit including other comprehensive income, its consolidated cash flows and consolidated change in equity for the year ended on that date.

Annexure A to the Independent Auditor's Report to the Members of Sunflag Iron & Steel Company Limited dated May 26, 2017 on its consolidated Ind AS financial statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") as referred to in paragraph 2(f) of 'Report on Other Legal and Regulatory Requirements' section

In conjunction with our audit of the consolidated Ind AS financial statements of **Sunflag Iron & Steel Company Limited** as of and for the year ended March 31, 2017. We have audited the Internal Financial Controls Over Financial Reporting of **Sunflag Iron & Steel Company Limited** (hereinafter referred to as the "Holding Company") and its subsidiary companies & joint ventures (together referred to as "the Group"), which are companies incorporated in India, for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the of the Holding Company, its subsidiary companies and joint ventures, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over

financial reporting criteria established by the Holding Company, its subsidiaries and Joint ventures considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the Act).

Auditors's Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies and joint ventures which are companies incorporated in India, have, maintained in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to subsidiaries and joint ventures, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India. Our report is not qualified in respect of this matter.

Impairment review

Assets are tested for impairment whenever there are any internal or external indicators of impairment. Impairment test is performed at the level of each Cash Generating Unit ('CGU') or groups of CGUs within the Company at which the assets are monitored for internal management purposes, within an operating segment. The impairment assessment is based on higher of value in use and value from sale calculations. During the year, the testing did not result in any impairment in the carrying amount of other assets. The measurement of the cash generating units' value in use is determined based on financial plans that have been used by management for internal purposes. The planning horizon reflects the assumptions for short to- mid-term market conditions.

Key assumptions used in value-in-use calculations:- Operating margins (Earnings before interest and taxes)- Discount rate- Growth rates- Capital expenditures

36 Financial Risk Management

In the year 2015, Sunflag Steel has implemented the concept of risk management to improve the Company's ability to address the increasingly complex internal and external legal issues and potential business situations. Through risk management, the Company expects to identify potential critical problems for the Company's business and to perform mitigation measures that are considered as most convenient. A risk is a potential event that negatively affects the achievement of the vision, mission, goals and targets of the Company or organizational unit. Risk Management is an attempt to minimize the negative effects from the various sources of risks to the Company's business activities so that objectives can be achieved optimally. Pursuant to the Section 134(3) of the Companies Act, 2013, the Company is required to give a statement on particulars of risk involved in the business activities being carried out, new developments and implementation of risk management policy of the company. This shall also include identifying area wise risk and action plan for its mitigation.

In view of aforesaid, the following risk areas and proposed action plan were placed before the committee for their information, consideration, review / approval and recommendation to the Board:-

The business risks that are anticipated by Sunflag Steel for its integrated steel plant are classified into five types of risk, viz.

1. Strategic risks - risks that are strategic for the development of the Company, such as technology development, government policies, investment plans, new product development, etc.

2. Operational risk - the risk of loss due to the failure or inadequacy of the quality control of business processes, strike, risk of fire, and non-availability of basic raw materials.

3. Financial risk - the risk that directly or indirectly lead to financial losses.

4. Marketing risk - the risk that are directly or indirectly related to selling of finished products and subsequent value realisation from customers.

5. Environmental risk - the risk that impacts on environmental degradation, environmental pollution, social disruption, the Company's reputation, etc.

According to the sources, risks can be derived from outside (external) or inside (internal) factors of the Company. In summary, these risks are :-

Raw materials scarcity risks :

An important raw material/s namely Iron ore and Coal, acquired either from captive mines or domestic and international markets, There is always a risk of shortage of these important raw materials required for production due to various reasons. The efforts of the Company to minimize the negative impact of the risk of scarcity of raw materials, amongst others includes:— Proper planning for raw material management (procurement, storage and consumption).- Systematic procurement of raw material, keeping in mind both time and cost involved.- Proper mix of captive raw material and direct purchase (both domestic and imported) to balance the cost of production.

Risk of damage and loss of assets :

To control the risk of damage and loss of assets, the company has initiated the following :

- Insured all assets and property of the Company, which are exposed to the risk of loss due to damage, fire, loss and other possible causes.
- Insured all goods (cargo) that are in transit (transport) as per the agreed terms of delivery by the seller or buyer.
- Insured all contracted construction and erection projects undertaken by contractors.
- Insured all possible losses that might occur to the assets themselves and third parties who are located at the office and factory areas owned by the Company.

Financial and compliance risk :

To control the risk due to fluctuation in foreign exchange rates and regulatory compliance risks, the Company initiated the following efforts :

- Entered into a hedging contract, particularly for import transactions.
- Ensuring strict corporate governance policy and timely reporting system
- Ensured strict adherence of all applicable laws / rules / regulation and legislations including updating any changes in the applicable laws, rules regulations etc.
- Implementing Company policies on various areas of compliances.

Business competition risk :

To control this risk, the Company initiated the following :

- Improved cost competitiveness in all area of operations.
- Ensured accuracy and speed in handling consumer claims.
- Efforts for on time delivery and quality requirements.
- Established a network of distributors.
- Conducted an annual customer satisfaction surveys to determine the level of customer satisfaction with the Company's products, and to determine aspects that need to be improved as an on-going exercise.

Risk of government policy :

As a precaution against possible negative impacts, the Company initiated a variety of efforts including :— Study of impact of government policies against the Company and to follow up act on these studies.- Proposed solutions to the government and the relevant department/s to protect the interests of the national industry.

Factory / plant operations risk :

To control the risk of possible disruption of plant operations, the Company has initiated the following actions :— Implemented predictive programs and preventive maintenance consistently.- Conducted daily, weekly and monthly studies on the operating performance of its production facilities.- Assessed and implemented the revitalization program to ensure reliable operation of production facilities.

Employee risk :

Risks associated with personnel issues are very broad, including accidents, health, pension plans, retirement, termination of employment and many more.To minimize such risks, the company has initiated the following steps :

- Involved all employees in the workers social security program which includes insurance for accidents, benefits upon death and pension plans through the committee for implementation of the labour social security program in accordance with the applicable legislation/s in force.
- Provided health care to employees and their families.
- Organized pension plans and old age retirement programs.
- Provided and granted the rights of employees in accordance with the collective labour agreement between the Company and labour unions.

- Conducted grievance redresses meeting/s under the supervision of Shri Surendra Kumar Gupta, Deputy Managing Director of the Company:

1. Monthly Steering committee meeting with all HODs (Plant Level) and second line officer to redress issues and;
2. Quarterly APEX Committee meeting to monitor / redress matters like safety, compliance of Factories Act, with all HODs (Plant Level) and representative of Union member.

Environmental Impact Risk :

Environmental pollution, for any reason, can have a negative impact on the work environment, employee health and safety of workplace equipment and also create lawsuits. The Company has consistently and lawfully implemented rules and regulations, including those set out in the environmental management system (ISO 14000) and occupational health safety management system. The company has always encouraged the implementation of being a green company by taking the motto "Go Green" among others, with the "One Man One Tree" reforestation act by planting around the company plant site.

The fair value of financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties in an orderly market.

The following methods and assumptions were used to estimate the fair values.

- i) The fair values of derivatives are on MTM as per Bank
- ii) Company has opted to fair value its Long term and Current investments through profit & loss
- iii) Company has adopted effective rate of interest for calculating Interest. This has been calculated as the weighted average of effective interest rates calculated for each loan, In addition.

Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

38 Disclosure of trade receivable

- i) Average Credit Period on sales is 60 days. No interest is charged on trade receivables for the first 12 days from the date of the invoice. Thereafter, interest charged at 15% per annum on the outstanding balance.
- ii) The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on provision matrix. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provisions matrix. The provision matrix at the end of the reporting period is as follows :

45 First time adoption of Ind AS

These financial statements, for the year ended 31st March 2017, are the first the group has prepared in accordance with Ind AS. For periods up to and including the year ended 31st March 2016, the group prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). Accordingly, the group has prepared financial statements which comply with Ind AS applicable for period ending on 31st March 2017, together with the comparative period data as at and for the year ended 31st March 2016, as described in the summary of significant accounting policies. In preparing these financial statements, the group's opening balance sheet was prepared as at 1st April 2015, the group's date of transition to Ind AS. This note explains the principal adjustments made by the group in restating its Indian GAAP financial statements, including the balance sheet as at 1st April 2015 and the financial statements as at and for the year ended 31st March 2016.

Exemptions applied : Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. **The group has, accordingly, applied following exemptions :** a) The group has elected to consider carrying amount of all items of Property, Plant and Equipments (PPE) and Intangible assets per Indian GAAP, as deemed cost at the date of transition. b) The group has availed the exemption of fair value measurement of financial assets or liabilities at initial

recognition and accordingly will apply fair value measurement of financial assets or liabilities at initial recognition prospectively to transactions entered into on or after 1st April 2015.

c) The estimates at 1st April 2015 and at 31st March, 2016 are consistent with those made for the same dates in accordance with Indian GAAP (after adjustments to reflect any differences in accounting policies) apart from the following items under Indian GAAP did not require estimation:- Fair value of investments in unquoted equity instruments. - Impairment of financial assets based on expected credit loss model- Discount ratesThe estimates used by the group to present these amounts in accordance with Ind AS reflect conditions that existed as at 1st April, 2015 and 31st March, 2016.

Notes to the reconciliation of equity as at 1st April 2015 and 31st March 2016 and Total comprehensive income for the year ended 31st March 2016

1. Fair Valuation of Investments : Under Indian GAAP, investments in equity instruments, mutual funds and debt securities were classified as long term investments or current investments based on the intended holding period and realisability. Long term investments were carried at cost less provision for other than temporary diminution in the value of investments. Current investments were carried at lower of cost and fair value. Ind AS requires such investments to be measured at fair value except investments in subsidiaries, associates and joint venture for which exemption has been availed. Accordingly, the group has designated investments in equity instruments and mutual funds as FVTPL investments. The difference between the instrument's fair value and Indian GAAP carrying amount has been recognized in retained earnings.

2. Financial instruments measured at amortized cost : Under Indian GAAP, interest free loan to employees are recorded at their transaction value. Under Ind AS, these loans are to be measured at amortized cost on the basis of effective interest rate method. Due to this, long term loans to employees and short term loans to employees has been decreased and difference between carrying amount and amortized cost has been recognized as 'Deferred employee cost' under the head 'Other non-current assets'/'Other current assets'.

3. Borrowings : Under Indian GAAP, transaction costs incurred in connection with borrowings are amortised upfront and charged to profit or loss for the period. Under Ind AS, transaction costs are included in the initial recognition amount of financial liability and charged to profit or loss using the effective interest method. Therefore, borrowings as at 1st April 2015 and 31st March 2016 have been reduced with corresponding adjustment in retained earnings.

5. Defined benefit obligation : Both under Indian GAAP and Ind AS, the group recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under Indian GAAP, the entire cost, including actuarial gain and loss, are charged to profit and loss. Under Ind AS, such actuarial gain and loss is to be recognized separately through Other Comprehensive Income. Thus, employee cost has been reduced and actuarial gain/loss has been recognized in OCI net of taxes.

6. Sale of goods : Under Indian GAAP, sale of goods was presented as net of excise duty. However, under Ind AS, sale of goods includes excise duty. Thus, sale of goods under Ind AS has increased by the excise duty with a corresponding increase in other expenses.

7. Deferred tax : Indian GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS has resulted in recognition of deferred tax on temporary differences which was not required under Indian GAAP. In addition, the various transitional adjustments lead to temporary differences. According to the accounting policies, the Company has to account for such differences. Deferred tax adjustments are recognised in correlation to the underlying transaction either in retained earnings or a separate component of equity.

8. Statement of cash flows : The transition from Indian GAAP to IND AS has not had a material impact on statement of cash flows.

Notes to the Financial Statements for the year ended 31st March 2017

Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in equity instruments) on the basis of the facts and circumstances that exist at the date of transition to Ind AS.
