Letter to Shareholders

Dear Stakeholder,

Your company achieved many admirable wins and milestones through the first 11 months of FY '19-'20. However, it was in the final days of the year that the true nature of its purpose-driven worldview truly shone through. Your Company prioritized the health and safety of its employees, kept customers' mission-critical systems running under very difficult circumstances and pitched in to help communities across the world battle the pandemic.

When we emerge out of this crisis, the world will be a very different place. We are witnessing many of those changes already. With cloud and the new class of collaboration tools, people have been enabled to collaborate with each other just as well while working from home, as they did in person in the pre-COVID era. Employers are discovering that the productivity is just as efficient, if not better, in this new way of working.

Our strong balance sheet, great growth momentum, scaled digital systems for our people to deliver collaboratively and an executive management team relentlessly focused on executing our digital strategy, uniquely position Airan to deal with the unprecedented challenges of these times and help our clients navigate to the next normal.

The next few months will be difficult, but your company is reliably strong with deep relationships with customers and partners, enviable scale, a diversified business mix, a robust and resilient business model, and strong financials. Your company is well poised to take the lead in partnering customers to retrieve and rebound on to their growth and transformation journeys.

In conclusion, on behalf of the Members of the Board of Directors of Airan Limited, it gives me pleasure to extend thanks, and express my appreciation to all Shareholders for their continued support and confidence.

With best Wishes,
Sincerely,

Sandeep Agrawal
Chairman and Managing Director

Dear Shareholders,

It gives me immense pleasure to present to you Airan Limited's Annual Report for the FY 2019-'20. Though this was a year with extreme economic challenges for the world, a situation aggravated almost beyond measure by the unprecedented COVID-19 pandemic, your Company continued to play on its strengths and posted a stable financial performance.

The macro-economic factors that caused a slowdown in FY 2019-'20 will continue in FY 2020-'21, with the first half of Calendar Year (CY) 2020 completely dominated by the pandemic and consequent lockdowns, and with the US-China trade war still going on two years later.

Airan has successfully adapted to the 'work from home' culture. We continued operations all along the lockdown period, obviously with required limited work force, as we fall under the category of 'Essential services' as per the order issued by the Home Ministry, Government of India. We had and continue to take necessary precautions to protect all our employees' health in the most critical times, as far as possible.

The management is well aware of the fact that the current business environment may pose challenges in the near term, but it also provides opportunities in the short, medium, and long term. So, we are right to stay confident while remaining firmly grounded in our reality.

On behalf of the Board of Directors of Airan Limited, I would like to thank all Shareholders for their continued trust, confidence, and support throughout the year.

With best Wishes,
Sincerely,

Poonam Agrawal
Executive Director

MANAGEMENT DISCUSSIONS AND ANALYSIS

OVERVIEW OF THE INDUSTRY

The global economy in Calendar Year ('CY') 2019 has seen one of the slowest growth rates since the 2008 financial crisis. Among others, the biggest calamity is the outbreak of COVID-19, which grew into a pandemic in a matter of weeks in early CY 2020. Government-mandated lockdown in almost all the countries around the world prevented the spread of the disease and saved countless lives, but concurrently triggered a large misfortune to the world economy. The impact of which, will be felt for a long time to come. To counter the losses and prevent a complete economic breakdown, governments and central banks around the world have tendered remarkable amounts of monetary support.

For the CY 2019, the global market for software development and IT enabled services is estimated to have grown to \$1.5 trillion. IT services is estimated to have grown by 3.5% YoY, characterized by a shift to digital technologies, adoption of DevOps, and Software as a service (SaaS) models. Business Process Management grew by 4.5% over the prior year, driven by a greater focus on robotic process automation as organisations are keen at automating repetitive tasks and focus on strategic functions.

OUR BUSINESS

Airan Limited is a leading provider of IT enabled Services, Software as a Service, Consultation services, Application Outsourcing, Network Services, BPO, Platform Solutions, E-KYC, Banking Operations, Tele-calling and various other value-added services. Our vision is to build a global and esteemed organisation delivering the best-of-breed business solutions by leveraging technology that is delivered by the best-in-class workforce. We are guided by our value system which motivates our attitudes and actions. Our core values are Client value; Leadership by example; Integrity; Transparency; Fairness; and Excellence.

Our strategic objective is to build a sustainable organisation that remains relevant to the agenda of our clients, while creating growth opportunities for our employees, generating profitable growth for our investors and contributing to the communities that we operate in.

Airan Limited has made rapid inroad into areas which hold immense potential for the future and we are optimistic with our strategies. India is well-placed to drive the IT and ITeS related services. India's unique value proposition as the world's number one outsourcing destination continues to hold good at the back of its strong economic value propositions. The country provides access to largest technical talent pool, ensuring volume, high quality and faster time to the market.

PRIORITIZING EMPLOYEES

In line with our employee-first approach, we introduced two plans of action. The first was the COVID-19 Preparedness Program as we were operational during the entire lock-down on the counts of providing essential services to banks. The second was the Post-Lockdown Safety Plan which particularised return-to-work.

Both the above plans-of-action were undertaken to shield our employees from the virus and assure their well-being.

While, the two plans-of-actions were highly crafted, the following principal actions were undertaken that mark the spirit to provide a safe working environment for our employees and partners:

- Mandatory and daily sanitization via disinfection of all surfaces and areas of all the office premises. Both employee-specific area (desks, chairs, computer systems etc.) and general areas (walls, staircases, railings, toilets etc.) were regularly disinfected.
- Mandatory diagnosis of essential indicators, namely: thermal reading, oxygen saturation, and heart rate at all entry and exit points of all the office premises. Further a disinfection tunnel is installed at the entry / exit point of the head-office.
- Ensuring social distancing at the office premises by implementation of staggered lunch breaks and keeping one workstation unoccupied alternatively till the time of the lockdown. Red-Zone residents were circumvented until the risk subsided and entry of all non-essential personnel was banned into all the office premises.
- Distribution of face-masks, face-shields, hand-sanitizers, and homeopathic immunity boosters to all the employees. As well as distribution of gloves to employees handling physical cheques and cash.
- Initiation of a "tele/web-health" system through the state-of-the-art 'Airan Health Log Portal' especially designed for COVID-19. This enabled mandatory and regular reporting of body temperature and symptoms, followed by telephonic/web-consultations for required personnel in-order-to assess the risk of exposure to COVID-19.

BUSINESS CONTINUITY

Our Services fall under the category of 'Essential services' as per the order issued by the Ministry of Home Affairs, Government of India. We were functioning throughout the day during the lockdown period from our office premises, and our door-step banking services were operational wherever the client locations were open while surviving the logistical risks. However, our in-house transaction processing also decreased due to dip in volumes, but as the unlock happened the volumes rebounded.

The company made mindful decisions to maintain uninterrupted operations while also ensuring a safe working environment. Only essential staff were allowed to report to work, while the company made necessary arrangements to ensure that these staff members maintain social distancing and are safe while feeling comfortable at work. The rest of the staff had been asked to work from home whenever it was required and feasible.

The company followed a strict monitoring processes – Thermal screening of all employees and visitors; sanitisation of all the premises and vehicles on regular basis; following social distancing at all work places; enforcing wearing of masks and regular sanitising of hands with hands-free sanitisers installed at all processing units and common areas of the office; regular reporting of the healthiness of all employees through our own health log portal. In case any slight indications of COVID-19 symptoms were observed in any person, the person was advised to consult a doctor and self-quarantine at home based on the severity of symptoms.

OPPORTUNITIES AND THREATS

The fiscal year of 2021 poses several intimidations while also giving rise to numerous prospects. The client market segments we serve are facing challenges as well as opportunities that have arisen from the COVID-19 pandemic and its resulting impact on the economy. We have encashed some of the opportunities, for instance the ones that resulted from the moratorium on EMIs by the regulator, which opened new horizons in the collection field. Further, we were marked as one of the only vendors in India to uphold BAU for cheque clearing activities, the same was also acclaimed by Economic Times Gujarat. We aspire to continue executing the same strategy of turning adversities into opportunities.

Due to the lock down and subsequent restrictions on movement, the entire industry is facing financial distress. There will be a major impact of COVID-19 on our turnover and profitability and as a result we may face financial distress in coming months. However, we have been pushing hard to get our due payments from our clients.

Seeing as, we serve industries in the tertiary sector like BFSI, Telecom, FinTech, IT and etc., we had all of our input materials available at our office store. Unlike asset-heavy industries like manufacturing, agriculture, construction etc., we are not dependent upon the supply chain of raw material. Hence, our services were not impacted due to interruptions in the supply chain. However, health and safety equipment for COVID-19 entailed superfluous charges.

Some of our services that encapsulate an element of home-visits like cheque/cash collection and physical KYC, were subjected to a reduction in demand as well as feasibility due to safety concerns. The in-house transaction processing work volumes also minorly lessened due to the diminishing number of financial transactions done by the public at large.

After Unlock-1, we have expanded our services and presence owing to the new mandates received from telecom and NBFC clients. This also enabled us to grow in terms of infrastructure with the unveiling of new processing centres, and in terms of workforce with a significant number of employees on boarded after the lockdown period.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The company has a proper and adequate system of Internal Control including internal financial controls. Company has an Audit Committee headed by an Independent director, inter-alia, to oversees company's financial reporting process, disclosure of financial information, and reviewing the performance of statutory and internal auditors with management. The internal control system, including internal financial controls of the Company, is monitored by an independent internal audit team, which encompasses examination/ periodic reviews to ascertain adequacy of internal controls and compliance to Company's policies. The committee also looks into related party transactions, preventive controls, investigations, as well as other areas requiring mandatory review as per applicable laws. The powers of Committee, inter-alia, include seeking information from any employee, obtaining outside legal or other professional advice, and investigating any activity of the Company within the committee's term of reference.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

During the year under review, the company has shown remarkable development which can be ensured by comparison of its Net Profit which is Rs. 63,932,000 in the year 2019-2020 as compared to previous year which is Rs. 38,039,000 in the year 2018-2019.

Financial Statements Standalone

Independent Auditors' Report

To The Members of Airan Limited Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Airan Limited ("the Company"), which comprise the Standalone Balance Sheet as at 31 March 2020, and the Standalone Statement of Profit and Loss (including other comprehensive income), Standalone Statement of Changes in Equity and Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters and there are no Key audit matters to this report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that :
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including other comprehensive income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
- In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure A to the Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Airan Limited of even date)

Report on the Internal Financial Control under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of Airan Limited ('the company') as of March 31, 2020 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Control

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards of Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls. These Standards and the Guidance Notes required that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls systems over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining and understanding of internal financial controls over financial reporting, assessing the risk that material weakness exists, and testing and evaluating the design and operating effectiveness of the internal control based on the assessed risk. The procedures selected depends on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our audit opinion of the company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and directors of the company;
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

Because of the inherent limitations of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to fraud or error may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

Annexure - B to the Independent Auditors' Report

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Airan Limited of even date)

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- i. In respect of the Company's fixed assets:
 - a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b. The Company has a program of verification to cover all the items of its fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. In accordance with this program, certain fixed assets were physically verified during the year. According to information and explanations given to us, no material discrepancies were noticed on such verification.
 - c. According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the Balance Sheet date. In respect of immovable properties of land and building that have been taken on lease and disclosed as fixed assets in the standalone financial statements, the lease agreements are in the name of the Company.
- ii. The Company is in the business of providing Business Auxiliary & Support services and does not have any physical inventories. Accordingly, reporting under Clause 3 (ii) of the Order is not applicable to the Company.
- iii. According to the information and explanations given to us, the Company has not granted unsecured loans to any body corporate, covered in the register maintained under Section 189 of the Companies Act, 2013, in respect of which.
 - a. The terms and conditions of the grant of such loans are, in our opinion, prima facie, not prejudicial to the Company's interest.
 - b. The schedule of repayment of principal and payment of interest has been stipulated and repayments or receipts of principal amounts and interest have been regular as per stipulations.
 - c. There is no overdue amount remaining outstanding as at the year-end
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- v. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2020 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- vi. The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus reporting under Clause 3(vi) of the order is not applicable to the Company.
- vii. According to the information and explanations given to us, in respect of statutory dues :
 - a. The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Goods and Service Tax, Value Added Tax, Customs Duty, Excise Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
 - b. There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Value Added Tax, Goods and Service Tax, Customs Duty, Excise Duty, Cess and other material statutory dues in arrears as at March 31, 2020 for a period of more than six months from the date they became payable except for the following:

Name of Statute	Nature of Dues	Amount (Rs. In Lakhs)	Period	Forum Where Dispute is Pending
The Income Tax Act, 1961	Income Tax	103.84	Assessment Year 2017-18	Commissioner of Income Tax (Appeals)

- viii. The Company has not defaulted in the repayment of loans or borrowings to a financial institution or a bank or government and has not issued any debentures during the year during the year.
- ix. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments), hence reporting under Clause 3 (ix) of the Order is not applicable to the Company.
- x. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- xii. The Company is not a nidhi company and hence, reporting under Clause 3(xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence, reporting under Clause 3(xiv) of the Order is not applicable to the Company.
- xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. The Company is not required to be registered under Section 45-I A of the Reserve Bank of India Act, 1934.

Notes on Standalone Financial Statements for the year ended 31st March 2020

1 Corporate information

Airan Limited is a public company incorporated under provisions of Companies Act, 1956. The Company is a leading provider of consulting, technology, outsourcing and next generation digital services & software, enabling clients to execute strategies for their digital transformation. Strategic objective of the company is to build a suitable organisation that remains relevant to the agenda of clients, while creating growth opportunities for employees and generating profitable returns for investors. The Company's strategy is to be a navigator for our clients as they ideate on, plan and execute their journey to a digital future.

1(a) Statement of Compliance

The Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with of Companies (Indian Accounting Standards) Rules, as amended from time to time.

2 Basis of preparation of financial statements

2.1 Basis of Preparation and presentation

The Financial Statements have been prepared under historical cost convention basis except for certain financial assets and financial liabilities which have been measured at fair value.

The Company has adopted Ind AS and the adoption was carried out in accordance with Ind AS 101, First-Time Adoption of Indian Accounting Standards. The transition was carried out from the Accounting Principles generally accepted in India as prescribed under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules 2014 and the relevant provisions of the Companies Act, 2013 ('the 2013 Act') / Companies Act 1956 ('the 1956 Act') as applicable Indian GAAP. For all the periods upto 31st March 2019, Company prepared its financial statements in accordance with Indian GAAP. These financial statements for the year ended 31 March 2020 are the first the Company has prepared in accordance with Ind AS. Refer to note 4 for information on how the Company adopted Ind AS.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The Company's presentation and functional currency is Indian Rupees (₹) and all values are rounded to the nearest rupees in lakhs.

2.2 Use of estimates

The preparation of the Company's Ind AS financial statements requires management to make informed judgements, reasonable assumptions and estimates that affect the amounts reported in the financial statements and notes thereto. Uncertainty about these could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods. These assumptions and estimates are reviewed periodically based on the most recently available information. Revisions to accounting estimates are recognized prospectively in the Statement of Profit & Loss in the period in which the estimates are revised and in any future periods affected. In the assessment of the Company, the most significant effects of use of judgments and/or estimates on the amounts recognized in the financial statements relate to the following areas:

- **Useful lives of property, plant & equipment:** The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods. (Refer Note-5)
- **Impairment of investments in subsidiaries:** The Company reviews its carrying value of investments carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the statement of profit and loss. (Refer Note-7a)
- **Provision for income tax and deferred tax assets:** The Company uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.
- **Employee benefits:** The accounting of employee benefit plans in the nature of defined benefit requires the Company to use assumptions. These assumptions have been explained under employee benefits note.

3 Significant accounting policies

3.1 Current and Non-current classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification.

An asset is treated as Current when it is –

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:-

It is expected to be settled in normal operating cycle;

- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

3.2 Property, plant and equipment

Recognition and measurement

- a) The cost of an item of property, plant and equipment is recognized as an asset only if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.
- b) Property, plant and equipment are stated at cost net of accumulated depreciation and accumulated impairment loss, if any.
- c) The initial cost of an asset comprises its purchase price or construction cost (including import duties and non-refundable taxes) after deducting trade discounts and rebates, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation (if any) and the applicable borrowing cost till the asset is ready for its intended use.
- d) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- e) Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.
- f) Major spare parts which meet the definition of property plant and equipment are capitalized as property, plant and equipment. In other cases, the spare parts are inventorised on procurement and charged to Statement of Profit & Loss on issue/consumption.

Capital work-in-progress:

Projects under which property, plant and equipment are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

3.3 Intangible assets:

Intangible assets acquired separately are measured at cost of acquisition. Following initial recognition, intangible assets are carried at cost less accumulated amortization and impairment losses, if any. Intangible assets are amortized over their respective estimated useful life which reflects the manner in which the economic benefit is expected to be generated. The estimated useful life of amortizable intangibles is reviewed at the end of each reporting period and change in estimates if any are accounted for on a prospective basis.

3.4 Depreciation

Depreciation on Tangible Fixed Assets is provided on written down value method over the useful lives of assets estimated by the management.

The estimated useful lives are as mentioned below:

Type of Asset	Useful Lives
Buildings	60 Years
Office Equipments	5 Years
Furniture & Fixtures	10 Years
Vehicles	8 Years
Computer Equipments	3 Years

Depreciation on assets acquired / disposed off during the year is provided on pro-rata basis with reference to the date of addition/disposal.

Intangible assets are amortized over a period of its useful life as estimated by the management.

Softwares having specific estimated life are depreciated over a period of their useful life considering the straight line method of depreciation.

3.5 Cash flow Statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

3.6 Transaction in Foreign Currency

Foreign currency transactions are recorded at the exchange rate prevailing on the date of such transaction. Foreign currency monetary assets and liabilities are reported using the closing rate. Gains and losses arising on account of difference in foreign exchange rates on settlement/translation of monetary assets and liabilities on the closing date are recognized in the Statement of Profit and Loss.

3.7 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

3.7.1 Cash and cash equivalents

Cash comprises cash on hand and demand / short term deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.7.2 Investments

Investments in liquid funds and equity shares are primarily held for Company's temporary cash requirements and can be readily convertible in cash. These investments are initially recorded at fair value and classified as fair value through profit or loss.

The Company measures investment in subsidiaries at cost less provision for impairment, if any.

3.7.3 Trade receivables

Trade receivables are amounts due from customers for sale of services in the ordinary course of business. Trade receivables are initially recognized at its transaction price which is considered to be its fair value and are classified as current assets as it is expected to be received in the normal operating cycle of the business.

3.7.4 Borrowings

Borrowings are initially recorded at fair value and subsequently measured at amortized costs using effective interest method. Transaction costs are charged to statement of profit and loss as financial expenses over the term of borrowing.

3.7.5 Trade payables

Trade payables are amounts due to vendors for purchase of goods and services in the ordinary course of business and are classified as current liabilities to the extent it is expected to be paid in the normal operating cycle of the business.

3.7.6 Other financial assets and liabilities

Other non-derivative financial instruments are initially recognized at fair value and subsequently measured at amortized costs using the effective interest method.

3.7.7 De-recognition of financial assets and liabilities

The Company derecognizes a financial asset when the contractual right to the cash flows from the asset expires or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction which substantially all the risk and rewards of ownership of the financial asset are transferred. The Company derecognizes a financial liability when its contractual obligations are discharged, cancelled or expired; the difference between the carrying amount of derecognized financial liability and the consideration paid is recognized as profit or loss.

3.8 Leases - Company as a lessee

The Company has adopted Ind AS 116 - Leases effective 1 April 2019, using the modified retrospective method. However there is no significant impact due to this on the Company's financial statements. The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

3.9 Impairment of assets

Financial assets

At each balance sheet date, the Company assesses whether a financial asset is to be impaired. The Company measures the loss allowance for financial assets at an amount equal to lifetime expected credit losses if the credit risk on that financial asset has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the Company measures the loss allowance for financial assets at an amount equal to 12-month expected credit losses. The Company uses both forward-looking and historical information to determine whether a significant increase in credit risk has occurred.

Non-financial assets

Tangible and Intangible assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss to such extent. When an impairment loss subsequently reverses, the carrying amount of the asset (or a CGU) is increased to the revised estimate of its recoverable amount, such that the increase in the carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or CGU) in prior years. A reversal of an impairment loss is recognised immediately in statement of profit and loss.

3.10 Revenue Recognition

The Company derives revenues primarily from consulting, technology, outsourcing, next-generation services and software. Contracts with customers are either on a time, unit of work, fixed-price or on a fixed-timeframe basis.

Revenues from customer contracts are considered for recognition and measurement when the contract has been approved in writing by the parties to the contract, the parties to the contract are committed to perform their respective obligations under the contract, and the contract is legally enforceable. Revenue is recognized upon transfer of control of promised services ("performance obligations") to customers in an amount that reflects the consideration the Company has received or expects to receive in exchange for these services ("transaction price"). When there is uncertainty as to collect ability, revenue recognition is postponed until such uncertainty is resolved.

The Company assesses the services promised in a contract and identifies distinct performance obligations in the contract. The Company allocates the transaction price to each distinct performance obligation based on the relative standalone selling price. The price that is regularly charged for a service when sold separately is the best evidence of its relative standalone selling price.

3.11 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of these assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognised in statement of profit and loss in the period in which they are incurred.

3.12 Provisions and Contingencies

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

3.13 Employees Benefit

Short term employee benefits: Short term employee benefits are recognized as expenses at the undiscounted amount in the Statement of Profit and Loss of the year for which the related service is rendered.

Long term employee benefits:

a) Defined Contribution Plan:

As per applicable laws the eligible employees of the company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and company make monthly contribution at specified percentage of the covered employee salary. The contributions as specified under the law are paid to the respective provident fund authorities as specified by law as per the scheme framed under the governing laws.

b) Defined benefit plans:

The company has not formulated any specific terms of employment providing for specific retirement benefits. However as per applicable laws, the company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees at retirement, death/disablement while in employment or termination of employment, of an amount equivalent to 15 days salary with reference to the number of completed year of service and last drawn salary. As required under Ind AS 19 "Employee Benefits", the company has not made any provision as of now but proposes to account for liability for gratuity payable in future based on an independent actuarial valuation.

c) Termination benefits

Termination benefits are charged to the Statement of Profit and Loss in the year of accrual when the Company is committed without any possibility of withdrawal of an offer made to either terminate employment before the normal retirement date or as a result of an offer made to encourage voluntary retirement.

3.14 Taxes on income

Income tax expense comprises current and deferred tax expense. Income tax expenses are recognized in statement of profit and loss, except when they relate to items recognized in other comprehensive income or directly in equity, in which case, income tax expenses are also recognized in other comprehensive income or directly in equity respectively.

Current tax is the tax payable on the taxable profit for the year, using tax rates enacted or substantively enacted by the end of reporting period by the governing taxation laws, and any adjustment to tax payable in respect of previous periods. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes arising from deductible and taxable temporary differences between the tax base of assets and liabilities and their carrying amount in the financial statements are recognized using substantively enacted tax rates and laws expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled. The deferred tax arising from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction are not recognized.

Deferred tax asset are recognized only to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilized. Deferred tax assets and liabilities are offset when the Company has a legally enforceable right to do the same.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which gives rise to future economic benefits in the form of adjustment of future income tax liability. Accordingly, MAT is recognized as deferred tax asset in the balance sheet when the assets can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

3.15 Earning Per Share

Basic earnings per share is computed and disclosed using the weighted average number of common shares outstanding during the year. Dilutive earning per share is computed and disclosed using the weighted average number of common and dilutive common equivalent shares outstanding during the year, except when the results would be anti-dilutive.

4 Explanation of transition to Ind AS

As stated in Note 2.1, these are the Company's first financial statements prepared in accordance with Ind AS. For the year ended 31 March 2019, the Company had prepared its financial statements in accordance with Companies (Accounting Standards) Rules, 2006, notified under Section 133 of the Act and other relevant provisions of the Act ('previous GAAP').

The accounting policies set out in Note 2 and 3 have been applied in preparing these financial statements for the year ended 31 March 2020 including the comparative information for the year ended 31 March 2019 and the opening Ind AS balance sheet on the date of transition i.e. 1 April 2018.

In preparing its Ind AS balance sheet as at 1 April 2018 and in presenting the comparative information for the year ended 31 March 2019, the Company has adjusted amounts reported previously in financial statements prepared in accordance with previous GAAP. This note explains the principal adjustments made by the Company in restating its financial statements prepared in accordance with previous GAAP, and how the transition from previous GAAP to Ind AS has affected the Company financial position, financial performance and cash flows.

Optional exemptions availed and mandatory exceptions

In preparing these financial statements, the Company has applied the below mentioned optional exemptions and mandatory exceptions.

A. Optional exemptions availed

1. Property plant and equipment

As per Ind AS 101 an entity may elect to:

- (i) measure an item of property, plant and equipment at the date of transition at its fair value and use that fair value as its deemed cost at that date
- (ii) use a previous GAAP revaluation of an item of property, plant and equipment at or before the date of transition as deemed cost at the date of the revaluation, provided the revaluation was, at the date of the revaluation, broadly comparable to:
 - fair value;
 - or cost or depreciated cost under Ind AS adjusted to reflect, for example, changes in a general or specific price index.
- (iii) use carrying values of property, plant and equipment as on the date of transition to Ind AS (which are measured in accordance with previous GAAP prescribed under Ind AS 101) if there has been no change in its functional currency on the date of transition.

As permitted by Ind AS 101, the Company has elected to continue with the carrying values under previous GAAP for all the items of property, plant and equipment.

2. Investments in subsidiaries in separate financial statement:

The Company has measured investment in subsidiaries at previous GAAP carrying amount as deemed cost on transition to Ind AS in the separate financial statements.

3. Designation of previously recognised financial instruments:

The Company has classified other investment in equity instruments at fair value through other profit and loss.

B. Mandatory exceptions

1. Estimates

Ind AS estimates on the date of transition are consistent with the estimates as at the same date made in conformity with previous GAAP.

2. Derecognition of financial assets and liabilities

The Company has applied the de-recognition requirements of Ind AS 109 prospectively from the date of transition to Ind AS.

4 Explanation of transition to Ind AS (Continued)

3. Classification and measurement of financial assets

The Company has assessed classification and measurement of financial assets based on facts and circumstances prevalent on the date of transition to Ind AS.

4. Impairment of financial assets :

The Company has applied impairment requirements of Ind AS 109 retrospectively to financial instruments and concluded that there is no need to recognize any additional loss allowance on financial assets.

Notes to the reconciliation between previous GAAP and IndAS:

- (A) **Fair value of financial assets - current investments** : Under IndAS, Investments in mutual funds and other equity instruments are classified at fair value through profit or loss. Under previous GAAP, the same were carried at cost or market value. This difference has resulted in decrease in equity under Ind AS by Rs. 17.34 lakhs as at 31 March 2019 (Rs. 44.01) lakhs as at 1 April 2018 and increase of profit by Rs. 26.67 lakhs for the year ended 31 March 2019.
- (B) **Deferred tax on transitional adjustments** : Under Ind AS, transitional adjustments are recognised net of applicable deferred tax. This difference has resulted in decrease in equity under IndAS by Rs. 829.56 lakhs as at 31 March 2019 and decrease in equity as at 1 April 2018 by Rs. 905.85 lakhs and increase in profit by Rs. 76.29 lakhs for the year ended 31 March 2019.

Cash flow statement

The transition from previous GAAP to IndAS has not had a material impact on the statement of cash flows.

Prior period comparatives

Previous year's figures have been regrouped/reclassified wherever necessary to confirm with current year's classification.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any borrowing in the current period. No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2020 and 31 March 2019.

Investments in Equity shares, quoted	7(b)	105.13	-	-	105.13

Determination of fair values:

Investment in mutual funds : The fair values represent net asset value as stated by the issuers of these mutual fund units in the published statements. Net asset values represent the price at which the issuer will issue further units in the mutual fund and the price at which issuers will redeem such units from the investors.

Investment in Equity shares, quoted : Equity investments traded in an active market determined by reference to their quoted market prices.

B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

a) credit risk b) liquidity risk c) market risk

i. Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors along with the top management are responsible for developing and monitoring the Company's risk management policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company's audit committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company,

ii. Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade receivables, certain loans and advances and other financial assets.

The carrying amount of financial assets represents the maximum credit exposure.

The maximum exposure to credit risk for trade and other receivables are as follows:

Particulars	Note	Carrying Amount (Amount in Lakhs)		
		As at March 31, 2020	As at March 31, 2019	As at April 01, 2018
Trade receivables	11	1490.47	888.77	763.05
Cash and cash equivalents	12	132.70	154.35	92.41
Loans	8	2077.46	1549.12	1093.65
Other financial assets	9	329.94	269.30	131.05
		4030.56	2861.55	2080.15

Trade receivables

The Company has developed guidelines for the management of credit risk from trade receivables. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment.

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macro economic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue. Further, management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behavior and extensive analysis of customer credit risk.

The Company's exposure to credit risk for trade receivables by relationship is as follows:

(Amount in Lakhs)

Particulars	As at March 31, 2020	As at March 31, 2019	As at April 01, 2018
Third party customers	1490.47	888.77	763.05
Related parties	-	-	-

Other financial assets

This balance primarily constitute of Bank fixed deposits having maturity of more than 12 months.

Cash and cash equivalents

The Company held cash and cash equivalents with credit worthy banks and financial institutions as at the reporting dates which has been measured on the 12-month expected loss basis. The credit worthiness of such banks and financial institutions are evaluated by the management on an ongoing basis and is considered to be good with low credit risk. Also, no impairment loss has been recorded in respect of fixed deposits that are with recognised commercial banks and are not past due.

iii. Liquidity risks

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company has current financial assets which the management believes is sufficient to meet all its liabilities maturing during the next 12 months.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, including contractual interest.

Financial instruments - Fair value and risk management (continued)
iv. Market risks

Market risk is the risk of loss of future earnings or fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign exchange rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables. The Company is exposed to market risk primarily related to foreign exchange rate risk (currency risk), interest rate risk and the market value of its investments. Thus the Company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.

Financial Statements Consolidated

Independent Auditors' Report

To The Members of Airan Limited Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the Consolidated Financial Statements of Airan Limited ("the Company"), which comprise the Consolidated Balance Sheet as at 31 March 2020, and the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated Financial Statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters and there are no Key audit matters to this report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Consolidated Financial Statements and our auditors' report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid Consolidated Financial Statements comply with the AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- The Company has disclosed the impact of pending litigations on its financial position in its Consolidated Financial Statements.
 - The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure A to the Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Airan Limited of even date)

Report on the Internal Financial Control under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of Airan Limited ("the company") as of March 31, 2020 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Control

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards of Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls. These Standards and the Guidance Notes required that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls systems over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining and understanding of internal financial controls over financial reporting, assessing the risk that material weakness exists, and testing and evaluating the design and operating effectiveness of the internal control based on the assessed risk. The procedures selected depends on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our audit opinion of the company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and directors of the company;
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

Because of the inherent limitations of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to fraud or error may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

Annexure - B to the Independent Auditors' Report

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Airan Limited of even date)

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- i. In respect of the Company's fixed assets:
 - a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b. The Company has a program of verification to cover all the items of its fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. In accordance with this program, certain fixed assets were physically verified during the year. According to information and explanations given to us, no material discrepancies were noticed on such verification.
 - c. According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the Balance Sheet date. In respect of immovable properties of land and building that have been taken on lease and disclosed as fixed assets in the Consolidated Financial Statements, the lease agreements are in the name of the Company.
- ii. The Company is in the business of providing Business Auxiliary & Support services and does not have any physical inventories. Accordingly, reporting under Clause 3 (ii) of the Order is not applicable to the Company.
- iii. According to the information and explanations given to us, the Company has not granted unsecured loans to anybody corporate, covered in the register maintained under Section 189 of the Companies Act, 2013, in respect of which.
 - a. The terms and conditions of the grant of such loans are, in our opinion, prima facie, not prejudicial to the Company's interest.
 - b. The schedule of repayment of principal and payment of interest has been stipulated and repayments or receipts of principal amounts and interest have been regular as per stipulations.
 - c. There is no overdue amount remaining outstanding as at the year-end
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- v. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2020 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- vi. The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus reporting under Clause 3(vi) of the order is not applicable to the Company.
- vii. According to the information and explanations given to us, in respect of statutory dues :
 - a. The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Goods and Service Tax, Value Added Tax, Customs Duty, Excise Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
 - b. There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Value Added Tax, Goods and Service Tax, Customs Duty, Excise Duty, Cess and other material statutory dues in arrears as at March 31, 2020 for a period of more than six months from the date they became payable except for the following:

Name of Statute	Nature of Dues	Amount (Rs. In Lakhs)	Period	Forum Where Dispute is Pending
The Income Tax Act, 1961	Income Tax	103.84	Assessment Year 2017-18	Commissioner of Income Tax (Appeals)

- viii. The Company has not defaulted in the repayment of loans or borrowings to a financial institution or a bank or government and has not issued any debentures during the year during the year.
- ix. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments), hence reporting under Clause 3(ix) of the Order is not applicable to the Company.
- x. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- xii. The Company is not a nidhi company and hence, reporting under Clause 3(xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Consolidated Financial Statements as required by the applicable accounting standards.
- xiv. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence, reporting under Clause 3(xiv) of the Order is not applicable to the Company.
- xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. The Company is not required to be registered under Section 45-I A of the Reserve Bank of India Act, 1934.

2.1 Basis of Preparation and presentation

The Financial Statements have been prepared under historical cost convention basis except for certain financial assets and financial liabilities which have been measured at fair value

The Company has adopted IndAS and the adoption was carried out in accordance with IndAS 101, First-Time Adoption of Indian Accounting Standards. The transition was carried out from the Accounting Principles generally accepted in India as prescribed under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules 2014 and the relevant provisions of the Companies Act, 2013 ('the 2013 Act') / Companies Act 1956 ('the 1956 Act') as applicable Indian GAAP. For all the periods upto 31st March 2019, Company prepared its financial statements in accordance with (Indian GAAP). These financial statements for the year ended 31 March 2020 are the first the Company has prepared in accordance with Ind AS. Refer to note 4 for information on how the Company adopted Ind AS.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Company's presentation and functional currency is Indian Rupees (₹) and all values are rounded to the nearest Rupees in Lakhs

2.2 Use of estimates

The preparation of the Company's IndAS financial statements requires management to make informed judgements, reasonable assumptions and estimates that affect the amounts reported in the financial statements and notes thereto. Uncertainty about these could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods. These assumptions and estimates are reviewed periodically based on the most recently available information. Revisions to accounting estimates are recognized prospectively in the Statement of Profit & Loss in the period in which the estimates are revised and in any future periods affected.

In the assessment of the Company, the most significant effects of use of judgments and/or estimates on the amounts recognized in the financial statements relate to the following areas:

- **Useful lives of property, plant & equipment:** The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods. (Refer Note-5)
- **Impairment of investments in subsidiaries:** The Company reviews its carrying value of investments carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the statement of profit and loss.
- **Provision for income tax and deferred tax assets:** The Company uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period
- **Employee benefits:** The accounting of employee benefit plans in the nature of defined benefit requires the Company to use assumptions. These assumptions have been explained under employee benefits note.

2(b) Principles of Consolidation

- a) The financial statements of the Holding Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- b) Profits or losses resulting from intra-group transactions that are recognised in assets, such as Inventory and Property, Plant and Equipment, are eliminated in full.
- c) In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the Foreign Currency Translation Reserve (FCTR).
- d) Goodwill represents the difference between the Company's share in the net worth of subsidiaries and the cost of acquisition at each point of time of making the investment in the subsidiaries.
- e) The audited / unaudited financial statements of foreign subsidiaries / joint ventures / associates have been prepared in accordance with the Generally Accepted Accounting Principle of its Country of Incorporation or Accounting Standards.
- f) The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances. The carrying amount of the parent's investment in each subsidiary is offset (eliminated) against the parent's portion of equity in each subsidiary.
- g) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as on the date of disposal is recognised in the Consolidated Statement of Profit and Loss being the profit or loss on disposal of investment in subsidiary.
- h) Non-Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Company.

3 Significant accounting policies

3.1 Current and Non-current classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification. An asset is treated as Current when it is –

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

3.2 Property, plant and equipment

Recognition and measurement

- a) The cost of an item of property, plant and equipment is recognized as an asset only if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.
- b) Property, plant and equipment are stated at cost net of accumulated depreciation and accumulated impairment loss, if any.

- c) The initial cost of an asset comprises its purchase price or construction cost (including import duties and non-refundable taxes) after deducting trade discounts and rebates, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation (if any) and the applicable borrowing cost till the asset is ready for its intended use.
- d) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- e) Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.
- f) Major spare parts which meet the definition of property plant and equipment are capitalized as property, plant and equipment. In other cases, the spare parts are inventorised on procurement and charged to Statement of Profit & Loss on issue/consumption.

Capital work-in-progress:

Projects under which property, plant and equipment are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

3.3 Intangible assets:

Intangible assets acquired separately are measured at cost of acquisition. Following initial recognition, intangible assets are carried at cost less accumulated amortization and impairment losses, if any.

Intangible assets are amortized over their respective estimated useful life which reflects the manner in which the economic benefit is expected to be generated. The estimated useful life of amortizable intangibles is reviewed at the end of each reporting period and change in estimates if any are accounted for on a prospective basis.

3.4 Depreciation

Depreciation on Tangible Fixed Assets is provided on written down value method over the useful lives of assets specified in Part C of Schedule II to the Companies Act 2013 read with the relevant notifications issued by the Department of Company affairs.

The estimated useful lives are as mentioned below:

Type of Asset	Useful Live
Buildings	60 Years
Office Equipments	5 Years
Furniture & Fixtures	10 Years
Vehicles	8 Years
Computer Equipments	3 Years

Depreciation on assets acquired / disposed off during the year is provided on pro-rata basis with reference to the date of addition/disposal.

Intangible assets are amortized over a period of its useful life as estimated by the management.

Softwares having specific estimated life are depreciated over a period of their useful life considering the straight line method of depreciation.

3.5 Cash flow Statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

3.6 Transaction in Foreign Currency

Foreign currency transactions are recorded at the exchange rate prevailing on the date of such transaction. Foreign currency monetary assets and liabilities are reported using the closing rate. Gains and losses arising on account of difference in foreign exchange rates on settlement/translation of monetary assets and liabilities on the closing date are recognized in the Statement of Profit and Loss.

3.7 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

3.7.1 Cash and cash equivalents

Cash comprises cash on hand and demand / short term deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.7.2 Investments

Investments in liquid funds and equity shares are primarily held for Company's temporary cash requirements and can be readily convertible in cash. These investments are initially recorded at fair value and classified as fair value through profit or loss.

The Company measures investment in subsidiaries at cost less provision for impairment, if any.

3.7.3 Trade receivables

Trade receivables are amounts due from customers for sale of services in the ordinary course of business. Trade receivables are initially recognized at its transaction price which is considered to be its fair value and are classified as current assets as it is expected to be received in the normal operating cycle of the business.

3.7.4 Borrowings

Borrowings are initially recorded at fair value and subsequently measured at amortized costs using effective interest method. Transaction costs are charged to statement of profit and loss as financial expenses over the term of borrowing.

3.7.5 Trade payables

Trade payables are amounts due to vendors for purchase of goods and services in the ordinary course of business and are classified as current liabilities to the extent it is expected to be paid in the normal operating cycle of the business.

3.7.6 Other financial assets and liabilities

Other non-derivative financial instruments are initially recognized at fair value and subsequently measured at amortized costs using the effective interest method.

3.7.7 De-recognition of financial assets and liabilities

The Company derecognizes a financial asset when the contractual right to the cash flows from the asset expires or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction which substantially all the risk and rewards of ownership of the financial asset are transferred. The Company derecognizes a financial liability when its contractual obligations are discharged, cancelled or expired; the difference between the carrying amount of derecognized financial liability and the consideration paid is recognized as profit or loss.

3.8 Leases - Company as a lessee

The Company has adopted Ind AS 116 - Leases effective 1 April 2019, using the modified retrospective method. However there is no significant impact due to this on the Company's financial statements. The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

3.9 Impairment of assets

Financial assets

At each balance sheet date, the Company assesses whether a financial asset is to be impaired. The Company measures the loss allowance for financial assets at an amount equal to lifetime expected credit losses if the credit risk on that financial asset has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the Company measures the loss allowance for financial assets at an amount equal to 12-month expected credit losses. The Company uses both forward-looking and historical information to determine whether a significant increase in credit risk has occurred.

Non-financial assets

Tangible and Intangible assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss to such extent. When an impairment loss subsequently reverses, the carrying amount of the asset (or a CGU) is increased to the revised estimate of its recoverable amount, such that the increase in the carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or CGU) in prior years. A reversal of an impairment loss is recognised immediately in statement of profit and loss.

3.10 Revenue Recognition

The Company derives revenues primarily from consulting, technology, outsourcing, next-generation services and software. Contracts with customers are either on a time, unit of work, fixed-price or on a fixed-timeframe basis.

Revenues from customer contracts are considered for recognition and measurement when the contract has been approved in writing by the parties to the contract, the parties to the contract are committed to perform their respective obligations under the contract, and the contract is legally enforceable. Revenue is recognized upon transfer of control of promised services ("performance obligations") to customers in an amount that reflects the consideration the Company has received or expects to receive in exchange for these services ("transaction price"). When there is uncertainty as to collectability, revenue recognition is postponed until such uncertainty is resolved.

The Company assesses the services promised in a contract and identifies distinct performance obligations in the contract. The Company allocates the transaction price to each distinct performance obligation based on the relative standalone selling price. The price that is regularly charged for a service when sold separately is the best evidence of its relative standalone selling price.

3.11 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of these assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in statement of profit and loss in the period in which they are incurred.

3.12 Provisions and Contingencies

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

3.13 Employees Benefit

Short term employee benefits:

Short term employee benefits are recognized as expenses at the undiscounted amount in the Statement of Profit and Loss of the year for which the related service is rendered.

Long term employee benefits:

a) Defined Contribution Plan:

As per applicable laws the eligible employees of the company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and company make monthly contribution at specified percentage of the covered employee salary. The contributions as specified under the law are paid to the respective provident fund authorities as specified by law as per the scheme framed under the governing laws.

b) Defined benefit plans:

The company has not formulated any specific terms of employment providing for specific retirement benefits. However as per applicable laws, the company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees at retirement, death/disablement while in employment or termination of employment, of an amount equivalent to 15 days salary with reference to the number of completed year of service and last drawn salary. As required under Ind AS 19 "Employee Benefits", the company has not made any provision as of now but proposes to account for liability for gratuity payable in future based on an independent actuarial valuation.

c) Termination benefits:

Termination benefits are charged to the Statement of Profit and Loss in the year of accrual when the Company is committed without any possibility of withdrawal of an offer made to either terminate employment before the normal retirement date or as a result of an offer made to encourage voluntary retirement.

3.14 Taxes on income

Income tax expense comprises current and deferred tax expense. Income tax expenses are recognized in statement of profit and loss, except when they relate to items recognized in other comprehensive income or directly in equity, in which case, income tax expenses are also recognized in other comprehensive income or directly in equity respectively.

Current tax is the tax payable on the taxable profit for the year, using tax rates enacted or substantively enacted by the end of reporting period by the governing taxation laws, and any adjustment to tax payable in respect of previous periods. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes arising from deductible and taxable temporary differences between the tax base of assets and liabilities and their carrying amount in the financial statements are recognized using substantively enacted tax rates and laws expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled. The deferred tax arising from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction are not recognized.

Deferred tax asset are recognized only to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilized. Deferred tax assets and liabilities are offset when the Company has a legally enforceable right to do the same.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which gives rise to future economic benefits in the form of adjustment of future income tax liability. Accordingly, MAT is recognized as deferred tax asset in the balance sheet when the assets can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

3.15 Earning Per Share

Basic earnings per share is computed and disclosed using the weighted average number of common shares outstanding during the year. Dilutive earning per share is computed and disclosed using the weighted average number of common and dilutive common equivalent shares outstanding during the year, except when the results would be anti-dilutive.

4 Explanation of transition to Ind AS

As stated in Note 2.1, these are the Company's first financial statements prepared in accordance with Ind AS. For the year ended 31 March 2019, the Company had prepared its financial statements in accordance with Companies (Accounting Standards) Rules, 2006, notified under Section 133 of the Act and other relevant provisions of the Act ('previous GAAP').

The accounting policies set out in Note 2 and 3 have been applied in preparing these financial statements for the year ended 31 March 2020 including the comparative information for the year ended 31 March 2019 and the opening Ind AS balance sheet on the date of transition i.e. 1 April 2018.

In preparing its Ind AS balance sheet as at 1 April 2018 and in presenting the comparative information for the year ended 31 March 2019, the Company has adjusted amounts reported previously in financial statements prepared in accordance with previous GAAP. This note explains the principal adjustments made by the Company in restating its financial statements prepared in accordance with previous GAAP, and how the transition from previous GAAP to Ind AS has affected the Company financial position, financial performance and cash flows.

Optional exemptions availed and mandatory exceptions

In preparing these financial statements, the Company has applied the below mentioned optional exemptions and mandatory exceptions.

A. Optional exemptions availed

1. Property plant and equipment

As per Ind AS 101 an entity may elect to:

- (i) measure an item of property, plant and equipment at the date of transition at its fair value and use that fair value as its deemed cost at that date
- (ii) use a previous GAAP revaluation of an item of property, plant and equipment at or before the date of transition as deemed cost at the date of the revaluation, provided the revaluation was, at the date of the revaluation, broadly comparable to:
 - fair value;”
 - or cost or depreciated cost under Ind AS adjusted to reflect, for example, changes in a general or specific price index.
- (iii) use carrying values of property, plant and equipment as on the date of transition to Ind AS (which are measured in accordance with previous GAAP prescribed under Ind AS 101) if there has been no change in its functional currency on the date of transition.

As permitted by Ind AS 101, the Company has elected to continue with the carrying values under previous GAAP for all the items of property, plant and equipment.

2. Investments in subsidiaries in separate financial statement:

The Company has measured investment in subsidiaries at previous GAAP carrying amount as deemed cost on transition to IndAS in the separate financial statements.

3. Designation of previously recognised financial instruments:

The Company has classified other investment in equity instruments at fair value through other profit and loss.

B. Mandatory exceptions

1. Estimates

Ind AS estimates on the date of transition are consistent with the estimates as at the same date made in conformity with previous GAAP.

2. Derecognition of financial assets and liabilities

The Company has applied the de-recognition requirements of Ind AS 109 prospectively from the date of transition to Ind AS.

4. Explanation of transition to Ind AS (Continued)

3. Classification and measurement of financial assets

The Company has assessed classification and measurement of financial assets based on facts and circumstances prevalent on the date of transition to Ind AS.

4. Impairment of financial assets:

The Company has applied impairment requirements of Ind AS 109 retrospectively to financial instruments and concluded that there is no need to recognize any additional loss allowance on financial assets.

Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders, debt, cash and cash equivalents. The primary objective of the Company's capital management is to maximise the shareholder value. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total equity. The Company includes within net debt, borrowings, interest accrued on it less cash and cash equivalents.

Total Equity (As per Balance sheet) (B)	8174.31	7501.21	7086.81
Gearing ratio A/B	0.11	0.11	0.20

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any borrowing in the current period. No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2020 and 31 March 2019.

Other financial liabilities	19	14.50	14.50	1.44	1.44

Fair value hierarchy:

The following table categorise the financial assets and liabilities held at fair value by the valuation methodology applied in determining their fair value.

As at 31 March 2020		Level 1	Level 2	Level 3	Total
Investments in Equity shares, quoted	7	99.83	-	-	99.83
As at 31 March 2019		Level 1	Level 2	Level 3	Total
Investments in Mutual funds	7	510.29	-	-	510.29
Investments in Equity shares, quoted	7	105.13	-	-	105.13

Determination of fair values:

Investment in mutual funds : The fair values represent net asset value as stated by the issuers of these mutual fund units in the published statements. Net asset values represent the price at which the issuer will issue further units in the mutual fund and the price at which issuers will redeem such units from the investors.

Investment in Equity shares, quoted : Equity investments traded in an active market determined by reference to their quoted market prices.

B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

a) credit risk b) liquidity risk c) market risk

i. Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors along with the top management are responsible for developing and monitoring the Company's risk management policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company's audit committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company,

ii. Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade receivables, certain loans and advances and other financial assets.

The carrying amount of financial assets represents the maximum credit exposure.

The maximum exposure to credit risk for trade and other receivables are as follows:

Particulars	Note	Carrying Amount (Amount in Lakhs)		
		As at March 31, 2020	As at March 31, 2019	As at April 01, 2018
Trade receivables	11	1516.89	938.69	763.45
Cash and cash equivalents	12	233.64	269.95	106.10
Loans	8	2462.32	1949.49	1783.65
Other financial assets	9	329.94	269.30	88.41
		4542.79	3427.43	2741.61

Trade receivables

The Company has developed guidelines for the management of credit risk from trade receivables. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment.

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macro economic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue. Further, management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behavior and extensive analysis of customer credit risk.

The Company's exposure to credit risk for trade receivables by relationship is as follows:

(Amount in Lakhs)

Particulars	As at March 31, 2020	As at March 31, 2019	As at April 01, 2018
Third party customers	1516.89	938.69	763.45
Related parties	-	-	-

Other financial assets

This balance primarily constitute of Bank fixed deposits having maturity of more than 12 months.

Cash and cash equivalents

The Company held cash and cash equivalents with credit worthy banks and financial institutions as at the reporting dates which has been measured on the 12-month expected loss basis. The credit worthiness of such banks and financial institutions are evaluated by the management on an ongoing basis and is considered to be good with low credit risk. Also, no impairment loss has been recorded in respect of fixed deposits that are with recognised commercial banks and are not past due.

iii. Liquidity risks

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company has current financial assets which the management believes is sufficient to meet all its liabilities maturing during the next 12 months.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, including contractual interest.

Financial instruments - Fair value and risk management (continued)
iv. Market risks

Market risk is the risk of loss of future earnings or fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign exchange rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables. The Company is exposed to market risk primarily related to foreign exchange rate risk (currency risk), interest rate risk and the market value of its investments. Thus the Company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.
