FROM THE CHAIRMAN

Since the company has been founded, we have come a long way and I congratulate each one of you who has contributed in the journey for the past 30 years. The more I reflect back, the more I am looking into the future. There is only one way and that is forward.. Into the future.

More than ever, companies are recognizing the need to develop a sustainable business through innovation. It is time for the developing markets to rise. Notwithstanding the recent slowdown, China, India and other emerging markets have led global growth in the last two decades and will continue to do so. In a closely interconnected world, we have seen the democratization of entrepreneurship, the assertion of developing countries in the global landscape and the emergence of businesses that did not even exist a couple of decades ago. The world has changed and is changing beyond recognition every day. India is set to grow faster as we race ahead to meet the aspirations of billions of people. Indian businesses have built a formidable presence domestically and must now strengthen their footprint globally to build truly world-class enterprises; that are capable of competing with the best. India looks positively poised and strong to take its rightful place amongst the more advanced nations of the world and grow at a higher pace. Our company is uniquely poised at a juncture for growth globally.

We are expanding our operations in Milan, the heartland of global fashion. New initiatives and teams are taking shape. This will be our platform for International growth. We are further enhancing our design services to provide more value to our customers across all our business verticals. Design remains at the core of our businesses and growth. It will need focus and perseverance to take Bhartiya to the next level.

Another focus is on creating entrepreneurs and leaders within Bhartiya. Leaders who can take initiatives and risks. To take our journey forward, we need leaders who will not only build the organizational capabilities to harness technology and new ways of working, but also instil the values to build sustainable and responsible models of growth. More than ever before we need leaders who are value-led and purpose-driven. These are leaders who recognize that there are some non-negotiables in business and that building organizational character is essential to future success. We at Bhartiya, strongly encourage leaders who can take risk and turn failure into stepping stones.

I am glad that the company is founded on a strong vision and value system. Design thinking, innovation and commitment have been the fundamentals of our businesses and I urge every member of Bhartiya Group to remember and inculcate these at all times.

As the Chairman, and on behalf of our team, I would like to thank our shareholders & other stakeholders for the continued support to Bhartiya.

Snehdeep Aggarwal

Snehdeep Aggarwal, Chairman and Founder, Bhartiya Group being presented the Insignia of "Knight" by H.E. Lorenzo Angeloni, the Ambassador of Italy to India

SNEHDEEP AGGARWAL, CHAIRMAN AND FOUNDER, BHARTIYA GROUP AWARDED THE INSIGNIA OF “KNIGHT OF THE ORDER OF THE STAR OF ITALY”

New Delhi, May 26, 2017: Snehdeep Aggarwal, Chairman and Founder, Bhartiya Group, was Knighted the Order of the Star of Italy, a rare honour bestowed to foreign citizens or Italian expatriates who have achieved extraordinary results in the promotion of bilateral relations between Italy and other countries. H.E. Lorenzo Angeloni, the Ambassador of Italy to India presented the Award on behalf of the Government of Italy. This honor was an acknowledgement of Snehdeep Aggarwal’s contribution to the promotion of bilateral ties between Italy and India and for his iconic status as a role model entrepreneur, visionary and a business leader par excellence. Mr. Aggarwal strongly propagates “a design thinking” to all the businesses that Bhartiya does and the company set up a design studio in Milan nearly about 20 years ago with the aim of servicing international brands as their preferred partner. Today, it supports over 100 leading global brands as their design and preferred manufacturing partner. It also has a brand/label and is exploring various options for a forward integration into global retail in Fashion.

Mr. Aggarwal and Bhartiya group have a long connection with Italy spanning over two decades. Starting with an office in Florence which then moved to Milan with the setting up of the Design studio, the relationship has since grown exponentially, now with “Nikoo Homes” having many Italian companies as its supply chain partner for the development of a unique project in India.

On this occasion Mr. Aggarwal said, “I am extremely privileged and humbled to receive this title from Government of Italy and H. E. Lorenzo Angeloni. It has always been exciting to work with Italy, a country that I admire. I would like to extend my heartfelt gratitude to each and every partner who has supported us and played a vital role in this journey. We at Bhartiya Group hope to strengthen this relationship even more in the years to come.”

The evening witnessed prominent guests including some leading diplomats and business leaders.

MANAGEMENT DISCUSSION & ANALYSIS

LEATHER APPAREL

Over the years, Bhartiya continues to be the largest exporter of leather garments in India and growing continuously.

Operating as a vertically integrated business, from design to the final garment, Bhartiya has been able to establish itself as a self sustained and design oriented business partner. The management continues to focus on improving efficiencies in a complex manufacturing environment. We believe management has mastered the complexities of design- development- production to operate our factories with world class efficiencies. However, we also continue to strive to enhance quality, output and value in a holistic sense.

The economic slowdown in the company's key European markets has resulted in retailers reducing the width and depth compared to previous years' volumes. In such situations, the pressure of controlling price increases substantially and as an exporter, sometimes we have to struggle to compete for lower prices. From our experiences in the past, we were prepared to lookout for alternate supply chain partners that help us control the situation. Hence the company's well established sourcing capabilities were successful in fulfilling the raw material supplies.

As a company, we are always on a constant drive to improve the quality and output by various means. Also, this year we focussed on the quality of customers and not just the quantity. As in the path of growth, the quality and commitment of partners also reflects companys; development and success. As we strive to add value in our relationships, we also look out for the same.

ACCESSORIES

Due to the elaborate product development and marketing initiatives, the companys' clientele has grown with several new customers reposing faith in our capabilities. As a phased expansion plan for capacity building in small leather goods; the Chennai factory is on track and showing good results. This year, many new brands have been added to the portfolio comprising both domestic and international brands. As we have seen there is a global trend of diversification, some of our brands have entered the non leather accessories market as well. Keeping up with the trend of our customers, we have also been able to successfully adapt into non leather category as well. The company's Chennai based Accessories business operated factories in Vandalur and Tada and produces leather, fabric and non leather bags, accessories, belts and small leather goods for top retailers and brands.

The company has invested in creating teams with technical and product development expertise to enhance our quality of product offering. As for Leather apparels, the management also has been stressing to improve the quality of customers for Accessories division.

NON-LEATHER TEXTILE OUTERWEAR

Textile Outerwear has been a recent addition to the portfolio of Bhartiya Group. Having spent the past year in design, research and setup; the division has done some great progress. The factories that were setup with international expertise and advanced technology began operations this year. The company got all its compliance

ensured which is great step towards increasing the business. Due to the focus on design and quality; already large retailers like Levis, Whistles have started working with us which makes our portfolio quite strong to pitch to prospect buyers. With the groundwork almost in place and processes gaining momentum; the division is set to increase business in the coming seasons.

TEXTILE

Last one year has been quite eventful for the textile apparel division. The Textile division focusses on providing sourcing solutions of India and Bangladesh produced casual clothing, resort wear and scarves to retailers and brands including Mango, Okaidi, Liu jo, Kookai and others. The past year focussed on strengthening the product development division and expanding the marketing team. The expansion of marketing team led to reaching out to new markets. Also to reach out to more customers, the division increased its number of agents. The steps taken above increased the reach to European customers and also resulted in some new relationships being created. Offering design based sourcing solutions utilising the creativity of design studio based in Milan has gained us value and reputation over the last year prominently, over and above providing contract production facilities in Asia. Definitely, the marketing strategy involves targeting textile and leather customers through cross selling, which is being run in close co-ordination with the company's Italian operations

INTERNATIONAL

The company's fur and outerwear business outsources its manufacturing in China and is directly linked to the operations in Italy through the subsidiaries in Europe. Our Swiss subsidiary supported by the Milan based Ultima Italia business continues its business expansion, focussed on providing great designed, value priced product to large customers. The office being stationed in the fashion capital of the world helps strategise marketing encouraging cross selling within the divisions, boasting and utilising the design team that constantly curates and creates collections. Another milestone is the setting up of another office in the heart of Milan. This is a step towards strengthening and expanding our international presence. With a clear roadmap to increase the customers worldwide, this office shall be an important point of contact in establishing new relations. Apart from marketing and design, the company plans to widen its sourcing base beyond China in order to enhance its offering and supply chains.

OVERVIEW

Over 30 years, despite major changes and disruptions, innovation has been, and continues driving our business. Connecting bright minds and creating ideas, using rapid prototyping methodology, design thinking, and collaborative work ideas are just some of the ways we innovate at Bhartiya everyday. Our business is built upon our people, our time-honoured values, financial strength, our culture of innovation, our approach to sustainability.

OUR COMPANY

HUMAN RESOURCES

Bhartiya has been working round the clock to achieve the efficiencies by increasing the productivity, maximum utilization and optimization of the available resources and real-time monitoring of operations. We are ensuring to improve our manufacturing units to accommodate large orders by introducing concepts like 5s and lean management thereby increasing the profitability.

People in Bhartiya are nurtured to achieve both the organization and individual objectives by giving them an opportunity to undertake projects which helps them in their overall development. Since learning and development play a vital role, we organize technical training across the organization for managers and workers which helps them in extemporizing their work schedules. The organization also sensitizes employees in the area of compliance and rights of women employees. Bhartiya has been generously awarding people for their contribution towards the business and have a robust reward and recognition program at both the corporate and factory level to applaud the efforts.

INTERNAL CONTROL SYSTEM

The Company has a proper and adequate system of internal controls to ensure that all assets are safeguarded and protected against loss from unauthorised use or disposition and that the transactions are authorised, recorded and reported correctly. Such internal controls are supplemented by an extensive programme of internal audits, review by management and documented policies, guidelines and procedures. These are designed to ensure that financial and other records are reliable for preparing financial information and other reports and for maintaining regular accountability of the Company's assets. The internal auditors present their report to the Audit Committee of the Board.

RISK MANAGEMENT

The Company has made process which identifies, assesses and manages risk at Strategic, Operational and Compliance levels, across business units, functions and geographies. The board of directors are informed about the risks or opportunities that could have an adverse impact on the Company's operations or to that could be exploited to maximize the gains. The processes and procedures are in place to act in a time bound manner to manage the risks or opportunities. The risk management process is reviewed and evaluated by the board of directors. Bhartiya International's exposure to foreign currency risk is restricted to its imports and exports. These risks are minimized through well-thought-out financial operations, astute treasury management and effective use of hedge options.

CAUTIONARY STATEMENT

All the statements and assertions in this report regarding the projections, estimates and outlook are subject to current market situations and expected effects of future events on current and developing circumstances. Results may vary due to a number of factors, which could effect the Company's business operations, such as demand and supply conditions, price inputs, change in government levies and regulations, industrial relations and other economic variables in the country. Bhartiya International cannot be held responsible in any way for such statements and it undertakes no obligations to publicly update these to reflect subsequent events or circumstances.

BHARTIYA CITY REACHES ITS FIRST MILESTONE

The sustainably driven smart city development in India has reached a significant milestone with Nikoo I apartments being handed over giving the project the ultimate credibility and stature.

Bhartiya City is a 125 acre site located in Bengaluru. The masterplan comprises eight precincts, which will mix residential, public, commercial, leisure and retail zones supported by a range of infrastructure including schools, hospitals and transport links.

Global architects have been working with developer Bhartiya Urban to translate its vision to deliver an inspirational city development into an effective masterplan aimed at creating a clear sense of place and improved quality of life for people. A variety of configurations have been provided ranging from one to four bedrooms and lofts. These buildings will be complemented by a range of community facilities including a resident's clubhouse called the 'Black Swan' and sporting facilities such as tennis and basketball courts and a jogging track. A shopping mall, convenience stores, spa, extensive park and gardens will be delivered in the second phase of the scheme.

The central park, provides a large amount of green space; nearly 70% of Bhartiya City is dedicated to public realm. This thinking has even been taken to the design objectives for the roads; tree-lined avenues that are core to the plans improving safety, health and wellbeing.

Districts 2 and 3, have also been designed which form the city centre. This includes the architectural concept and schematic design, retail interior design, landscape design and public realm strategy. The two precincts comprise of mixed-use development, featuring six office towers, hotels, a convention centre, shopping centre with a mix of retail styles, food courts, cafes and restaurants, cinema, park and major landscaped areas, as well as Celebration Square; a public performance area with capacity for 5,000 people. The designs for retail have almost been finalised and the rollout for leasing is expected to begin in 2017.

A major factor of the design is the integration of public spaces. Walkways and cycle paths will seamlessly link the various elements of the scheme and a pedestrianised grand promenade will include fountains and green spaces, creating a destination within the development. Major developments have happened on the school and hospital concepts and design which are going to be one of their kind facilities within the city. The city seems to be coming live as imagined; in fact better.

PROCEDURE FOR POSTAL BALLOT

In compliance with Regulation 44 of the SEBI Listing Regulations and sections 108, 110 and other applicable provisions of the Companies Act, 2013, read with the related Rules, the Company provides electronic voting facility to all its members, to enable them to cast their votes electronically. The company engages the services of NSDL for the purpose of providing e-voting facility to all its members. The members have the option to vote either by physical ballot or e-voting.

The company dispatches the postal ballot notices and forms along with postage prepaid business reply envelopes to its members whose names appear on the register of members/list of beneficiaries as on cut-off date. The postal ballot notice is sent to members in electronic form to the email addresses registered with their depository participants (in case of electronic shareholding)/the Company's registrar and share transfer agents (in case of physical shareholding). The Company also publishes a notice in the newspaper declaring the details of completion of dispatch and other requirements as mandated under the Act and applicable rules.

Voting rights are reckoned on the paid-up value of the shares registered in the names of the members as on the cut-off date. Members desiring to exercise their votes by physical ballot forms are requested to return the forms duly completed and signed, to the Scrutinizer on or before the close of the voting period. Members desiring to exercise their votes by electronic mode are requested to vote before close of business hours on the last date of e-voting.

The Scrutinizer submits his report to the Chairman, after the completion of scrutiny, and the consolidated results of the voting by postal ballot are then announced by the Chairman/authorized officer. The results are also displayed on the Company's website www.bhartiyafashion.com besides being communicated to the Stock Exchanges, Depository and Registrar and Share Transfer Agents. The last date of E-Voting is deemed to be the date of passing of the resolutions as per Secretarial Standard.

Special resolution proposed to be passed by way of Postal Ballot

None of the businesses proposed to be transacted in the ensuing AGM require the passing of a special resolution by way of Postal Ballot.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of the consolidated financial statements in terms of the requirements of the Companies Act, 2013 ('the Act') that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013 (hereinafter referred to as 'the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014. The Board of Directors of the Company is responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safe guarding of the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company, as at 31st March, 2017, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

We did not audit the financial statements of five overseas subsidiaries and one local subsidiary, whose financial statements reflect total assets of Rs.1,104,288,101/- as at 31st March, 2017, total revenues of Rs.2,244,329,990/- and net cash inflows amounting to Rs.39,638,421/- for the year ended on that date. These financial statements have been audited by other auditors whose reports have been furnished to us and our opinion is based solely on the reports of the other auditors.

We have relied on the unaudited financial statements of both the associates wherein the group's share of Loss aggregate Rs.5853,988/-. These unaudited financial statements, as approved by the respective Boards of Directors of these companies, have been furnished to us by the management and our report insofar as it relates to the amounts included in respect of the associates is based solely on such approved unaudited financial statements.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the this matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

ANNEXURE TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2017, we have audited the internal financial controls over financial reporting of Bhartiya International Limited (the Holding Company) and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

INDEPENDENT AUDITORS' REPORT ON STANDALONE FINANCIAL STATEMENTS

To,
The Members of
Bhartiya International Ltd.

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Bhartiya International Limited ('the Company'), which comprise the balance sheet as at 31st March, 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The balance sheet, the statement of profit and loss and the cash flow statement dealt with by this Report are in agreement with the books of account.

- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE- A TO THE INDEPENDENT AUDITORS' REPORT

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31st March, 2017, we report that:

- i. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
- (b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) The title deeds of immovable properties, as disclosed in Note 13 on fixed assets to the financial statements, are held in the name of the Company, except for a building acquired in earlier year having carrying value of 18.50 Lacs as at 31st March, 2017.
- ii. The physical verification of inventory excluding stocks with third parties and in transit has been conducted at reasonable intervals by the Management during the year. In respect of inventory lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on physical verification of inventory as compared to book records were not material and have been appropriately dealt with in the books of accounts.
- iii. The Company has granted interest free unsecured loans to one company covered in the register maintained under Section 189 of the Act.
 - (a) In respect of the aforesaid loans, the terms and conditions under which such loans were granted are not prejudicial to the Company's interest.
 - (b) In respect of the aforesaid loans, the terms of arrangements do not stipulate any repayment schedule and the loans are repayable on demand. Accordingly paragraph 3(iii)(a) of the order is not applicable to the company in respect of repayment of the principal amount
 - (c) In respect of the aforesaid loans, there is no amount which is overdue for more than ninety days.
- iv. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made, and guarantees and security provided by it.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. The Central government has not prescribed the maintenance of cost records under section 148(1) of the Act, for the Company.
- vii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales tax, value added tax, duty of customs, service tax, duty of excise, cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities.

(b) Following are the amounts which are disputed and not paid by the Company:

Nature of Demand	Amount in Rs	Period to which the Amount Relates	Forum where appeal has been filed
Karnataka VAT	5,659,787/-	F.Y 2009-2010 & 2010-2011	Karnataka Appellate Tribunal, Bengaluru
TNVAT	52,521,621/-	F.Y 2010-11, 2011-12, 2012-13 & 2013-14	Departmental Authorities

- viii. According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank as at the balance sheet date.
- ix. In our opinion, and according to the information and explanations given to us, moneys raised by way term loans have been applied for the purposes for which they were obtained.
- x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.

- xi. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.

ANNEXURE- B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Bhartiya International Limited ("the Company") as of 31st March, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

STANDALONE NOTES FORMING PART OF THE FINANCIAL STATEMENTS AS AT FOR THE YEAR ENDED 31st MARCH,2017

1.0 SIGNIFICANT ACCOUNTING POLICIES:

a) Method of Accounting

These financial statements have been prepared in accordance with Generally Accepted Accounting Principles in India to comply with Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on accrual basis.

b) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires judgments, estimates and assumptions to be made that effect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Difference between actual results and estimates are recognized in the period in which the results are known / materialised.

c) Fixed Assets

Fixed Assets are stated at cost of acquisition inclusive of duties, non refundable taxes, incidental expenses related to acquisition and reduced by accumulated depreciation, impairment loss & Subsidy / Grant received if any. In respect of project involving construction, related pre-operational expenses form part of the value of assets capitalised. Interest on borrowings and other costs directly attributable to the asset during the period of construction / acquisition upto the date the asset is put to use is also added to the cost of fixed assets.

d) Depreciation

In respect of fixed assets acquired during the year, depreciation is charged on a straight line basis so as to write off the cost of assets over the useful lives as prescribed in Schedule II of the Companies Act, 2013 and for the assets acquired prior to April 1, 2014, the carrying amount as on April 1, 2014 is depreciated over the remaining useful life. Cost of Leasehold land is amortised over the period of lease.

e) Inventories

Raw materials and consumables have been valued at cost after providing for obsolescence. Cost comprise of cost of purchase, cost of conversion and other cost incurred in bringing the inventories to their present location and condition. Cost is determined on FIFO basis.

Finished goods are valued at lower of cost or net realisable value. Cost is determined as per the absorption costing method .

f) Foreign Exchange Transactions

- a) Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction.
- b) Current Assets and Current Liabilities, outstanding in foreign currency at the year end, are converted at the closing exchange rates.
- c) Investments in Overseas Subsidiary is carried at the original rupee cost.
- d) All gains /losses on such conversion are charged to profit and loss account.

g) Retirement Benefits

The employer's contribution to the employees provident fund is accounted for on accrual basis and is charged to the profit and loss account during the year. The gratuity liability is provided for all eligible employees during the year on accrual basis. Provision is made for value of unutilised leave due to employees at the end of the year.

h) Borrowing Costs

Borrowing costs that are directly attributable to the acquisition of qualifying assets are capitalized as part of cost of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

i) Revenue Recognition

Sale of Goods

Revenue is recognised when the significant risks and rewards of ownership of the goods are passed on to the buyer which is generally on dispatch of goods to customers.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS (CONTD.)**Export Incentive**

Export Incentive under the "Duty Entitlement Pass Book Scheme" and "Duty Draw Back Scheme" are accounted for in the year of export

Other export incentives are accounted for on actual receipt basis.

Dividend

Dividend income is recognised when the right to receive the dividend is established

i) Investment

All long term investments are stated at cost. Provision in the carrying amount of long term investments is made for any diminution in value considered permanent. Current Investments are carried at lower of cost or market value.

k) Taxation

Provision for tax for the year comprises current Income Tax determined to be payable in respect of taxable income and deferred tax being the tax effect of timing differences representing the difference between taxable income and accounting income that originate in one period, and are capable of reversal in one or more subsequent periods.

l) Government Grants

Grants received against specific fixed assets are adjusted to the cost of assets. Revenue Grants are recognised in the Profit and Loss Account in accordance with the related scheme.

m) Impairment of Assets

Where there is a indication that an asset is impaired, the recoverable amount, if any, is estimated and the impairment loss is recognised to the extent carrying amount exceeds recoverable amount.

n) Provisions, Contingent Liabilities and Contingent Assets

Provision is recognised in the accounts when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company.

o) Employee Share based payments

The Company has formulated Employee Stock Option Plans (ESOP Schemes) in accordance with the SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999. The Scheme provides for grant of option to employee of the Company and its subsidiaries to acquire equity shares of the Company that vest in a graded manner and that are to be exercised within a specified period. Employee Stock Option granted by the Company are accounted under the 'Intrinsic Value Method' stated in the Guidance Note on 'Employee Share Based Payment' issued by the Institute of Chartered Accountants of India.

p) Derivative Financial Instruments and Hedge Accounting

The Company has adopted principles of hedges accounting as set out in Accounting Standard (AS) 30, "Financial Instruments Recognition and Measurement", to the extent that the adoption does not conflict with existing accounting standards and other authoritative pronouncements of the Company Law and other regulatory requirements of the Company Law and other regulatory requirements. The Company uses foreign exchange forward contracts to hedge its exposure to movements in foreign exchange rates. The use of these foreign exchange forward contracts reduce the risk or cost to the Company. The Company does not use these contracts for trading or speculation purpose.

3.1 Note on ESOP

The Company instituted an Employees Stock Option Plan ('ESOP 2013') pursuant to the Nomination and Remuneration Committee (Earlier Compensation Committee) and Shareholders' resolution dated 23rd September, 2013. As per ESOP 2013, the Company granted 164,650 options comprising equal number of equity shares in one or more tranches to the eligible employees of the Company and its subsidiaries. Under ESOP 2013, a total of 164,650 options have been granted. The options under this grant would vest to the employees equally as 33.3% of the total grant every year at the end of first, second and third year from the date of the grant respectively, with an exercise period of five years from the date of respective vesting.

The vesting conditions include completion of one, two and three years of service. These options are exercisable at a price of Rs.50/- each which would be a discount to the market price of Company's shares on the date of grant. Options under the plan are granted to be vested over a period of three years and are settled by Equity Shares being allotted to the beneficiary, upon exercise. INDEPENDENT AUDITORS' REPORT

**To,
The Members of
Bhartiya Global Marketing Ltd.**

Report on the Financial Statements

We have audited the accompanying financial statements of Bhartiya Global Marketing Ltd. ('the Company'), which comprise the balance sheet as at 31st March, 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017 and its Loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The balance sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Bhartiya Global Marketing Limited ("the Company") as of 31st March, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds

and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2017

1 Significant Accounting Policies

a) Method of Accounting :

These financial statements have been prepared in accordance with Generally Accepted Accounting Principles in India to comply with Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on accrual basis.

b) Use of Estimates :

The preparation of financial statements in conformity with generally accepted accounting principles requires judgments, estimates and assumptions to be made that effect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Difference between actual results and estimates are recognized in the period in which the results are known / materialised.

c) Fixed Assets :

Fixed Assets are stated at cost of acquisition inclusive of duties, non refundable taxes, incidental expenses related to acquisition and reduced by accumulated depreciation, impairment loss & Subsidy / Grant received if any. In respect of project involving construction, related pre-operational expenses form part of the value of assets capitalised. Interest on borrowings and other costs directly attributable to the asset during the period of construction / acquisition upto the date the asset is put to use is also added to the cost of fixed assets.

d) Depreciation :

In respect of fixed assets acquired during the year, depreciation is charged on a straight line basis so as to write off the cost of assets over the useful lives as prescribed in Schedule II of the Companies Act, 2013 and for the assets acquired prior to 1st April, 2014, the carrying amount as on 1st April, 2014 is depreciated over the remaining useful life.

e) Revenue Recognition :

Revenue is recognised when the significant risks and rewards of ownership of the goods have been passed on to the buyer which is generally on dispatch of goods to customers.

Revenue from service charge is recognised on accrual basis.

f) Inventories :

Raw materials have been valued at cost . Cost is determined on FIFO basis.

Finished Goods are valued at lower of cost or net realisable value. Cost is determined as per the absorption costing method.

g) Retirement Benefits :

The employer's contribution to the employees provident fund is charged to the profit and loss account during the year. Gratuity liability is provided for on all eligible employees during the year on accrual basis. Provision is made for value of unutilised leave due to employees at the end of year on accrual basis.

h) Investment :

(i) Investment in subsidiary is valued at cost. Provision is made for any diminution in value considered permanent.

(ii) Investment representing the capital invested in a partnership firm is valued at cost.

i) Foreign Currency Transactions

Earning and expenditure in foreign currency are accounted for at the actual exchange rate prevailing on the date of transaction and monetary items denominated in foreign currency outstanding at the year end are translated at the year end rates. Gain/loss in conversion is charged to profit & loss account.

j) Taxation

Provision for tax for the year comprises current income tax determined to be payable in respect of taxable income and deferred tax being the tax effect of timing differences representing the difference between taxable income and accounting income that originate in one period, and are capable of reversal in one or more subsequent periods.

k) Impairment of Assets

Where there is a indication that an asset is impaired, the recoverable amount, if any, is estimated and the impairment loss is recognised to the extent carrying amount exceeds recoverable amount.

l) Provisions Contingent Liabilities and Contingent Assets

In accordance with Accounting Standard -29 (Provisions, Contingent Liabilities and Contingent Assets), issued by the institute of Chartered Accountants of India, provisions are recognised in the accounts in respect of present probable obligations, the amount of which can be reliably estimated.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company.

INDEPENDENT AUDITORS' REPORT

To

The Members of J & J Leather Enterprises Ltd.

Report on the Financial Statements

We have audited the accompanying financial statements of **J & J Leather Enterprises Ltd.** ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) In the case of the balance sheet, of the state of affairs of the Company as at 31st March, 2017;
- b) In the case of the Statement of Profit and Loss, of the Profit for the year ended on that date; and
- c) In the case of Cash Flow statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub section 11 of section 143 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.

ANNEXURE 'B' TO AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of J&J Leathers Enterprises Ltd. ("the Company") as of 31st March, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to

the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2017

1 SIGNIFICANT ACCOUNTING POLICIES

i) **Method of Accounting**

The financial statements are prepared on accrual basis under the historical cost convention in compliance in with the Accounting Standards referred to in Section 133 and in accordance with the requirements of the Companies Act, 2013.

ii) **Use of Estimates**

The Preparation of Financial Statements requires estimates and assumptions which affect the reported amount of Assets, Liabilities, Revenue and Expenses of the reporting period. The difference between the actual results and estimates are recognized in the period in which the results are known or materialized.

iii) **Fixed Assets**

Fixed Assets are stated at cost less accumulated depreciation and impairment losses. The cost of fixed assets is inclusive of duties, taxes, freight and other incidental expenses (other than those subsequently recoverable from tax authorities) related to acquisition. Interest on borrowings and other financing costs during the period of construction / acquisition are added to the cost of fixed assets

iv) **Depreciation**

Depreciation is calculated on fixed assets on written down value method in accordance with the manner specified in Schedule II of the Companies Act, 2013

Depreciation on assets whose actual cost does not exceed five thousand rupees has been provided at the rate of hundred percent. Depreciation has been provided on prorata on additions/deletions.

v) **Recognition of Income and Expenditure**

Revenue / Incomes and Cost/Expenditure are generally accounted on accrual, as they are earned or incurred. Revenue is recognised when practically all risks and rights connected with the goods on which Job work performed have been transferred. This usually occurs upon dispatch, after the price has been determined and collection of the receivable is reasonably certain.

vi) **Foreign Currency Transactions**

Earning and expenditure in foreign currency are accounted for at the actual exchange rate prevailing on the date of transaction and monetary items denominated in foreign currency outstanding at the year end rates. Gain / Loss in conversion is charged to profit & loss account .

vii) **Inventories**

Raw material ,stores and spares and finished goods are valued at lower of Cost or estimated net relisable value. Cost is determined on the first in first out cost method and in the case of work in progress and finished goods, it also include an appropriate portion of production and administration related overheads.

viii) **Retirement Benefits**

The employer's contribution to the employees provident fund is charged to the profit and Loss account during the year. Gratuity liability is provided for on all eligible employees during the year on accrual basis. Provision is made for value of unutilised leave due to employees at the end of year on accrual basis

ix) **Taxes on Income**

Current tax is determined on the amount of tax payable in respect of taxable income for the year. The deferred tax charge is recognized using current tax rates. Where there is unabsorbed depreciaion or carry forward losses, deferred tax assets are recognized only to the extent there is reasonable certainty of relization in future.

x) **Government Grants**

Grants received from the Government which are in the nature of promoters contribution and are with reference to the total investment without any liability for repayment, are treated as Capital reserve.

xi) **Impairment of Assets**

Where there is a indication that an asset is impaired, the recoverable amount, if any is estimated and the impairment loss is recongnised to the extent carrying amount exceeds recoverable amount.

xii) **Provision contingent liabilities and Contingent Assets**

In accordance with Accounting Standard -29 (Provisions, Contingent Liabilities and Contingent Assets), issued by the Institute of Chartered Accountants of India, provisions are recongnised in the accounts in respet of present probable obligations, the amount of which can be reliably estimated. Contingent liabilities are disclosed in respect of possible obligation that arise from past events but their existence is confirmed by the occurrence or non occurrene of one or more uncertain future events not wholly within the control of the Company.

INDEPENDENT AUDITORS' REPORT

**To,
The Members of
Bhartiya International SEZ Ltd.**

Report on the Financial Statements

We have audited the accompanying financial statements of Bhartiya International SEZ Ltd. ('the Company'), which comprise the balance sheet as at 31st March, 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017 and its Loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2017 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The balance sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rule issued thereunder.

- (e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations which would impact its financial position.

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Bhartiya International SEZ Limited ("the Company") as of 31st March, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over

Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

INDEPENDENT AUDITORS' REPORT

To,

**The Members of
Bhartiya Fashion Retail Ltd.**

Report on the Financial Statements

We have audited the accompanying financial statements of Bhartiya Fashion Retail Ltd. ('the Company'), which comprise the balance sheet as at 31st March, 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017 and its Loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Bhartiya Fashion Retail Ltd.** ("the Company") as of 31st March, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial

reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

INDEPENDENT AUDITORS' REPORT

To,
The Members of
Bhartiya Urban Infrastructure Ltd.

Report on the Financial Statements

We have audited the accompanying financial statements of Bhartiya Urban Infrastructure Ltd. ('the Company'), which comprise the balance sheet as at 31st March, 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017 and its Loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The balance sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- (e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations which would impact its financial position.

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Bhartiya Urban Infrastructure Ltd. ("the Company") as of 31st March, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that

a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

DIRECTORS' REPORT

The Directors have the pleasure in submitting their report and the audited financial statements for the year ended 31st March, 2017.

Principal Activity

The Company is engaged in exports and import in garments, bags and related products.

Financial Statements

The results for the year are set out in the statement of comprehensive income. The statement of financial position of the Company as at 31st March, 2017 is set out in the Balance Sheet.

Directors

The directors who held office during the year and up to the date of this report were: -

Ms. Wenjian Zhang

In accordance with the Company's Articles of Association, the director shall remain in office during the ensuing year.

Directors' Interests

At no time during the financial year or at the end of the financial year was the Company or its parent company, or fellow subsidiaries a party to any arrangements or shadow directors, if any, to enable the Directors or shadow directors, if any, to acquire benefits by means of the acquisition of shares in or debentures of the Company or any other body corporate.

In the opinion of the Sole Director, no directors or shadow directors, if any, had material interests in those significant transactions, arrangements or contracts in relation to the Company's business entered into by the Company, its parent company, or fellow subsidiaries in the financial year or subsisted at any time in the financial year.

Business Review

The Company is a wholly owned subsidiary of another body corporate. Accordingly, the Company is exempted from preparing a business review.

Permitted Indemnity Provisions

Article 137 of Part I of Table A of the Predecessor Companies Ordinance, which forms part of the Company's Articles, provides that every director for the time being of the Company shall be indemnified out of the assets of the Company against any liability incurred by him in relation to the Company in defending any proceedings, whether civil or criminal, in which judgment is given in his favour or in which he is acquitted or in connection with any application under section 358 of the Predecessor Companies Ordinance (equivalent to sections 902 to 904 of the Hong Kong Companies Ordinance) in which relief is granted to him by the Court. This permitted indemnity provision is in force during the financial year and at the time of approval of this report.

Charitable Donations

During the financial year, the Company made no charitable donations (2016: Nil).

Arrangement to Purchase shares or Debentures

There did not subsist at the end of the year arrangements to which the company was a party which enabled the directors of the company to acquire benefits by means of acquisition of shares in or debentures of the company or any other body corporate.

INDEPENDENT AUDITORS' REPORT

To The Shareholder of
World Fashion Trade Ltd.
(Incorporated in the Republic of Mauritius with limited liability)

We have audited the financial statements of the Hong Kong Representative office of World Fashion Trade Ltd. ("the Company"), which comprise the statement of financial position as at 31st March, 2017, and the statement of Comprehensive Income, statement of changes in Equity and statement of Cash flows for the year ended, and a summary of significant accounting policies and other explanatory notes.

Directors' Responsibility for the Financial Statements

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards for Private Entities issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. Our report is made solely to you, as a body, in accordance with Section 405 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the content of this report.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion

Opinion

In our opinion, the financial statements give a true and fair view of the state of the Company's affairs as at 31st March, 2017 and of its Profit and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standard for Private Entities and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

Emphasis of Matter

Fundamental Uncertainty

In forming our opinion, we have considered the adequacy of the disclosures made in the financial statements concerning the inherent uncertainty as to the continuation of the financial support by the company's holding company. If that support were withdrawn the company might not be able to continue in operational existence. There is, therefore, a significant level of concern as to the appropriateness of the going concern basis of preparation of financial statements. If this support is withdrawn, adjustments would have to be made to reduce the value of assets to their recoverable amount, to provide for any further liabilities which might arise and to reclassify non-current assets as current assets. It is not possible to quantify these potential effects. However our opinion is not qualified in this respect.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

Accounting policies and explanatory notes to the financial statements for the year ended 31st March, 2017.

1. General information

World Fashion Trade Ltd. (the Company) is an exempted company incorporated in Republic of Mauritius with limited liability and has a Branch Office in Hong Kong. Its holding company is Bhartiya International Ltd., a public limited company incorporated in India and its shares are listed on National Stock Exchange of India. The address of the Branch Office of the Company is suite 609, 6th Floor, Hong Kong Plaza, 188, Connaught Road West, Hong Kong .

The Company is engaged in Export and Imports in garments, bags and related products.

2. Basis of preparation and Accounting Policies

These financial statements have been prepared in accordance with the Hong Kong Financial Reporting Standard for Private Entities (HKFRS for Private Entities) issued by the Hong Kong Institute of Certified Public Accountants and the requirements of the Hong Kong Companies Ordinance. They have been prepared under the historical cost convention, as modified by the revaluation of investment property at fair value.

Foreign Currency Translation

(a) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates (the functional currency). These financial statements are presented in Hong Kong Dollars, which is the Company's functional and the Company's presentation currency.

(b) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign Exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss.

Foreign exchange gains and losses that relate to borrowings and cash and cash equivalents are presented in profit or loss within "finance costs". All other foreign exchange gains and losses are presented in profit or loss within "other income" or "other expenses".

2. Basis of preparation and Accounting Policies (cont'd)

Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, demand deposits and other short-term highly liquid investments with original maturities of three months or less. Bank overdraft is shown within borrowings in current liabilities on the statement of financial position.

Trade Receivables

Trade receivables are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for impairment of trade receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables.

Property, Plant and Equipment

Property, plant and equipment are stated at cost less accumulated depreciation. Cost includes purchase price, taxes and duties, installation expenses, interest cost and other direct costs incurred till the date the asset is available for use. Interest incurred for constructed asset is capitalized up to the date the asset is ready for its intended use based on the weighted average rate of all borrowings. The cost of construction in progress is transferred to the appropriate asset category, when construction is complete and the asset is available for intended use.

Depreciation is charged on a straight-line basis over the estimated economic useful lives of property, plant and equipment. The estimated useful economic lives are as follows:

· Plant and Machinery	3-20 years
· Furniture & fixtures	8-10 years
· Computers	3-5 years
· Office equipment	8-15 years

If there is an indication that there has been a significant change in the depreciation rate, useful life or residual value of an asset, the depreciation of that asset is revised prospectively to reflect the new expectations.

NOTES (CONTD.)

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

2. Basis of preparation and Accounting Policies

Intangible Assets

Intangible assets are purchased computer software that is stated at cost less accumulated amortisation and any accumulated impairment losses. It is amortised over its estimated life of five years using the straight-line method. If there is an indication that there has been a significant change in the amortisation rate, useful life or residual value of an intangible asset, the amortisation is revised prospectively to reflect the new expectations.

Borrowings

Borrowings are recognised initially at the transaction price and are subsequently stated at amortised cost. Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Interest expense is recognised on the basis of the effective interest method and is included in finance costs.

Trade Payables

Trade payables are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Taxation

Income Tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit as reported in the statement of income and retained earnings because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred Tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases using in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from goodwill or from the initial recognition (other than in business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

2. Basis of preparation and Accounting Policies (cont'd)

Taxation- Contiued

The carrying amount of deferred tax assets is reviewed at the reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. However, the measurement of deferred tax liabilities associated with an investment property measured at fair value does not exceed the amount of tax that would be payable on its sale to an unrelated market participant at fair value at the reporting date. Deferred tax is recognised in profit or loss, except when it relates to items that are recognised in other comprehensive income or directly in equity, in which case the deferred tax is also recognised in other comprehensive income or directly in equity respectively.

Employee Benefit Obligations

Salaries, annual bonuses, paid annual leave, contributions to defined contribution retirement plans and the cost of non-monetary benefits are accrued in the year in which the associated services are rendered by employees. Where payment or settlement is deferred and the effect would be material, these amounts are stated at their present values.

Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership of the leased asset to the Company. All other leases are classified as operating leases.

Rights to assets held under finance leases are recognised as assets of the Company at the fair value of the leased property (or, if lower, the present value of minimum lease payments) at the inception of the lease. The corresponding liability to the lessor is included in the consolidated statement of financial position as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a

NOTES (CONTD.)

constant rate of interest on the remaining balance of the liability. Finance charges are deducted in measuring profit or loss. Assets held under finance leases are included in property, plant and equipment, and depreciated and assessed for impairment losses in the same way as owned assets.

Rentals payable under operating leases are charged to profit or loss on a straight-line basis over the term of the relevant lease.

2. Basis of preparation and accounting policies (cont'd)

Impairment of Non-Financial Assets, other than Inventories

At each reporting date, property, plant and equipment, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or Company of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or Company of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (Company of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable and is shown net of discounts, rebates, returns, sales-related taxes.

Revenue is recognised in profit or loss provided it is probable that the economic benefits will flow to the Company and the revenue and costs, if applicable, can be measured reliably, as follows:

Revenue from the sale of goods is recognized when the goods are delivered and the risks and rewards of ownership have been passed to the customers and consultancy charges are recognised when the services are provided.

Borrowing Costs

All borrowing costs are recognised in profit or loss in the period in which they are incurred.

Research and development costs

All research and development costs are recognised as an expense unless they form part of the cost of another asset that meets the recognition criteria.

Dividend Distribution

Dividend distribution to the Company's shareholders is recognised as a liability in the period in which the dividends are approved by the Company's shareholders.

2. Basis of preparation and Accounting Policies (cont'd)

Related parties

For the purpose of these financial statements, related party includes a person and entity as defined below:

- (a) A person or a close member of that person's family is related to the Company if that person:
 - (i) is a member of the key management personnel of the Company or of a parent of the Company;
 - (ii) has control over the Company; or
 - (iii) has joint control or significant influence over the reporting entity or has significant voting power in it.
- (b) An entity is related to the Company if any of the following conditions applies:
 - (i) the entity and the Company are members of the same Company (which means that each parent, subsidiary and fellow subsidiary is related to the others).
 - (ii) either entity is an associate or joint venture of the other entity (or of a member of a Company of which the other entity is a member).
 - (iii) both entities are joint ventures of a third entity.
 - (iv) either entity is a joint venture of a third entity and the other entity is an associate of the third entity.
 - (v) the entity is a post-employment benefit plan for the benefit of employees of either the Company or an entity related to the Company. If the reporting entity is itself such a plan, the sponsoring employers are also related to the plan.
 - (vi) the entity is controlled or jointly controlled by a person identified in (a).
 - (vii) a person identified in (a)(i) has significant voting power in the entity.

AUDITORS' REPORT

Report of the Statutory Auditors
on the limited statutory examination to the general meeting of
Ultima S.A., Neuchatel

As statutory auditors, we have examined the financial statements (balance sheet, income statement and notes) of Ultima S A for the period from 1st April, 2016 to 31st March, 2017.

These financial statements are the responsibility of the Board of Directors. Our responsibility is to perform a limited statutory examination on these financial statements. We confirm that we meet the licensing and independence requirements as stipulated by Swiss Law.

We conducted our examination in accordance with the Swiss Standard on the limited Statutory Examination. This standard requires that we plan and perform a limited statutory examination to identify material misstatements in the financial statements. A limited statutory examination consists primarily of inquiries of company personnel and analytical procedures as well as detailed tests of company documents as considered necessary in the circumstances. However, the testing of operational processes and the internal control system, as well as inquiries and further testing procedures to detect fraud or other legal violations, are not within the scope of this examination.

Based on our limited statutory examination, nothing has come to our attention that causes us to believe that the financial statements and the proposed appropriation of available earnings do not comply with Swiss law and the company's articles of incorporation.

INDEPENDENT AUDITORS' REPORT

To The Shareholder of
Design Industry Ltd.
(Incorporated in Hong Kong with limited liability)

We have audited the financial statements of Design Industry Ltd. ("the Company"), which comprise the statement of financial position as at 31st March, 2017, and the statement of Comprehensive Income, statement of changes in Equity and statement of Cash flows for the year ended, and a summary of significant accounting policies and other explanatory notes.

Directors' Responsibility for the Financial Statements

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards for Private Entities issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. Our report is made solely to you, as a body, in accordance with Section 405 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the content of this report.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and true and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the state of the Company's affairs as at 31st March, 2017 and of its Profit and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standard for Private Entities and have been properly prepared in accordance with the Hong Kong Companies Ordinance.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

Accounting policies and explanatory notes to the financial statements for the year ended 31st March, 2017.

1. General Information

Design Industry Limited (the Company) is a limited company incorporated in Hong Kong. Its ultimate holding company is Bhartiya International Ltd., a public limited company incorporated in India and its shares are listed on National Stock Exchange of India. Its immediate holding company is Ultima SA, a private company incorporated in Switzerland. The address of the registered office of the Company 609, 6th Floor, Hong Kong Plaza, 188, Connaught Road West, Hong Kong.

The Company is engaged in the export and Import in garments, bags and related products. The company is also rendering consultancy services.

2. Basis of preparation and Accounting Policies

These financial statements have been prepared in accordance with the Hong Kong Financial Reporting Standard for Private Entities (HKFRS for Private Entities) issued by the Hong Kong Institute of Certified Public Accountants and the requirements of the Hong Kong Companies Ordinance. They have been prepared under the historical cost convention, as modified by the revaluation of investment property at fair value.

Foreign Currency Translation

(a) Functional and Presentation Currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates (the functional currency). These financial statements are presented in Hong Kong Dollars, which is the Company's functional and the Company's presentation currency.

(b) Transactions and Balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss.

Foreign exchange gains and losses that relate to borrowings and cash and cash equivalents are presented in profit or loss within "finance costs". All other foreign exchange gains and losses are presented in profit or loss within "other income" or "other expenses".

2. Basis of Preparation and Accounting Policies (cont'd)

Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, demand deposits and other short-term highly liquid investments with original maturities of three months or less. Bank overdraft is shown within borrowings in current liabilities on the statement of financial position.

Trade Receivables

Trade receivables are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for impairment of trade receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables.

If there is an indication that there has been a significant change in the depreciation rate, useful life or residual value of an asset, the depreciation of that asset is revised prospectively to reflect the new expectations.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Intangible Assets

Intangible assets are purchased computer software that is stated at cost less accumulated amortisation and any accumulated impairment losses. It is amortised over its estimated life of five years using the straight-line method. If there is an indication that there has been a significant change in the amortisation rate, useful life or residual value of an intangible asset, the amortisation is revised prospectively to reflect the new expectations.

Borrowings

Borrowings are recognised initially at the transaction price and are subsequently stated at amortised cost. Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Interest expense is recognised on the basis of the effective interest method and is included in finance costs.

NOTES (CONTD.)**Trade Payables**

Trade payables are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

2. Basis of Preparation and Accounting Policies (cont'd)**Taxation**

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit as reported in the statement of income and retained earnings because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases using in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from goodwill or from the initial recognition (other than in business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. However, the measurement of deferred tax liabilities associated with an investment property measured at fair value does not exceed the amount of tax that would be payable on its sale to an unrelated market participant at fair value at the reporting date. Deferred tax is recognised in profit or loss, except when it relates to items that are recognised in other comprehensive income or directly in equity, in which case the deferred tax is also recognised in other comprehensive income or directly in equity respectively.

Employee Benefit Obligations

Salaries, annual bonuses, paid annual leave, contributions to defined contribution retirement plans and the cost of non-monetary benefits are accrued in the year in which the associated services are rendered by employees. Where payment or settlement is deferred and the effect would be material, these amounts are stated at their present values.

2. Basis of Preparation and Accounting Policies (cont'd)**Leases**

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership of the leased asset to the Company. All other leases are classified as operating leases.

Rights to assets held under finance leases are recognised as assets of the Company at the fair value of the leased property (or, if lower, the present value of minimum lease payments) at the inception of the lease. The corresponding liability to the lessor is included in the consolidated statement of financial position as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are deducted in measuring profit or loss. Assets held under finance leases are included in property, plant and equipment, and depreciated and assessed for impairment losses in the same way as owned assets.

Rentals payable under operating leases are charged to profit or loss on a straight-line basis over the term of the relevant lease.

Impairment of Non-Financial Assets, other than Inventories

At each reporting date, property, plant and equipment, intangible assets, and investments in a subsidiary and an associate are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or Company of related assets) is estimated and compared with its carrying amount. If an estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

NOTES (CONTD.)

If an impairment loss subsequently reverses, the carrying amount of the asset (or Company of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (Company of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable and is shown net of discounts, rebates, returns, sales-related taxes.

Revenue is recognised in profit or loss provided it is probable that the economic benefits will flow to the Company and the revenue and costs, if applicable, can be measured reliably, as follows:

Revenue from the sale of goods is recognized when the goods are delivered and the risks and rewards of ownership have been passed to the customers and consultancy charges are recognised when the services are provided.

2. Basis of Preparation and Accounting Policies (cont'd)**Borrowing Costs**

All borrowing costs are recognized in profit or loss in the period in which they are incurred.

Research and Development Costs

All research and development costs are recognized as an expense unless they form part of the cost of another asset that meets the recognition criteria.

Dividend Distribution

Dividend distribution to the Company's shareholders is recognized as a liability in the period in which the dividends are approved by the Company's shareholders.

IV. Significant Accounting Policies and Estimates Adopted by the Company

(I) Fiscal Year

The financial year has been based on Gregorian calendar which starts on 1st April and ends on the next year 31st March.

(II) Bookkeeping Base Currency

The Company takes Renminbi (RMB) yuan as its book keeping base currency.

(III) Accounting Measurement Attribute

The Company adopts the historical cost basis for accounting measurements. The financial assets and financial liabilities which are measured at their fair values, of which the variation is recorded into the profits and losses of the current period, financial assets available for sale, and derivative financial instruments are measured at their fair values; investment real estates are measured at the cost model, the fair value model will only be applied for measurement when the company has got concrete evidence signifying that the fair value of investment real estates could be obtained continuously and reliably; inventory, fixed assets and other assets on acquisition, which its payment delayed longer than normal payment condition, should be measured at the present value of the payment; other assets with impairment are measured at the recoverable amount, the amount of overage on assets is determined at replacement cost; the asset inventory surplus is measured at replacement cost.

There is no change about calculation nature of statement items during current reporting period.

(IV) Recognition Criteria of Cash and Cash Equivalents

Cash equivalents refer to short term, (generally refers to the purchase date due within 3 months) highly liquid investments that readily convert to cash and that are subject to an insignificant risk of changes in value.

(V) Foreign Currency Translation

Transactions denominated in foreign currency are translated into RMB yuan at the spot exchange rate published by People's Bank of China at the transaction date. For ending balances of various foreign currency accounts, foreign currency monetary items are translated at the spot exchange rate at the balance sheet date with difference, included in profit or loss of the period; non-monetary items carried at historical costs are translated at the spot exchange rate at the transaction date; non-monetary items carried at fair value in foreign currency are reported at the spot exchange rate at the date when the fair value was determined, with difference included in the profit or loss arising from change in fair value.

NOTES (CONTD.)**(VI) Provision for bad and doubtful debts**

The provision for bad and doubtful debts is estimated by management based on individual accounts receivable which show signs of uncollectibility. Provision for other receivables is determined based on their specific nature and management's estimate of their collectability.

(VII) Inventories

1. Inventories include finished products or goods held for sale in the ordinary course of business, work in process in the process of production, and materials or supplier etc. to be consumed in the production process or in the rendering of services.
2. Raw materials purchased, checked and accepted into storage are recorded at the standard cost; dispatched from storage are accounted for with standard cost method; finished products (self-made semi-finished products) accepted into storage are recorded at the standard cost; dispatched from storage are accounted for with standard cost method. The standard cost is adjusted to the actual cost according to the cost variance of inventories dispatched from storage at the end of the period.
3. At the balance sheet date, inventories are measured at the lower of cost or net realizable value; Net realizable value is the estimated selling price in the ordinary course of business, less the costs of completion and selling expenses; the net realizable value of a material inventory to be processed is the estimated selling price of the finished goods made of the material minus the prospective costs, selling expenses and taxes upon completion under normal production and management; in case the price of part of an inventories is agreed in the contract but the other parts under the same item is not agreed in the contract by the date of balance sheet, the net realizable value shall be confirmed separately and compared with the corresponding costs to confirm the amount of inventory revaluation reserve.
4. Perpetual inventory method is adopted.
5. Low value consumables are amortized upon the first usage.

(IX) Principle of Revenue Recognition**1. Sale of Goods**

Revenue recognition from the sale of goods takes place when: (1) significant risks and rewards of ownership of the goods is transferred to the buyer; (2) the entity retains neither continuing managerial involvement of ownership nor effective control over the goods sold; (3) the amount of revenue can be measured reliably; (4) it is probable that the economic benefits of the transaction will flow to the entity; (5) the costs of the transaction incurred and to be incurred can be measured reliably.

2. Revenue from Providing Labour Services

If an enterprise can, on the date of the balance sheet, reliably estimate the outcome of a transaction concerning the labor services it provides (the amount of revenue can be measured in a reliable way; the relevant economic benefits are likely to flow into the enterprise; the schedule of completion under the transaction can be confirmed in a reliable way; and the costs incurred or to be incurred in the transaction can be measured in a reliable way), it shall recognize the revenue from providing services employing the percentage-of-completion method.

If an enterprise cannot, on the date of the balance sheet, measure the result of a transaction concerning the providing of labour services in a reliable way, it shall be conducted in accordance with the following circumstances, respectively: If the cost of labour services incurred is expected to be compensated, the revenue from the providing of labour services shall be recognized in accordance with the amount of the cost of labour services incurred, and the cost of labour services shall be carried forward at the same amount; or if the cost of labour services incurred is not expected to compensate, the cost incurred should be included in the current profits and losses, and no revenue from the providing of labour services may be recognized.

3. Revenue from allowing others to use the Company's Assets

Revenue arising from use by others of assets is recognized when: it is probable that economic benefits associated with the transaction will flow to the entity, and the amount of the revenue can be measured reliably. Interest income is recognized based on the length of time for which the entity's cash is used by others and the effective interest rate; and royalties are recognized according to the period and method of charging as specified in relevant contract or agreement.

NOTES (CONTD.)**(X) Deferred Tax Assets/ Deferred Tax Liabilities**

1. Deferred tax assets or deferred liabilities are calculated and recognized based on the difference between the carrying value and tax base of assets and liabilities (and the difference of the carrying value and tax base of items not recognized as assets and liabilities but with their tax base being able to be determined according to tax laws) and in accordance with the tax rate applicable to the period during which the assets are expected to be recovered or the liabilities are expected to be settled.
2. A deferred tax asset is recognized to the extent of the amount of the taxable income, which it is most likely to obtain and which can be deducted from the deductible temporary difference. At the balance sheet date, if there is any concrete evidence showing that it is likely to acquire a sufficient amount of taxable income in a future period to offset against the deductible temporary difference, the deferred tax assets unrecognized in prior periods is recognized.
3. At the balance sheet date, the carrying amount of deferred tax assets is reviewed, if it is unlikely to obtain sufficient taxable income to offset against the benefit of the deferred tax asset, the carrying amount of the deferred tax assets is written down. And such write-down is subsequently reversed where it becomes probable that sufficient taxable income will be available.
