**Notes:**

1. The Explanatory Statement setting out the material facts pursuant to section 102 of the Companies Act, 2013 with respect to the special business set out in the Notice is annexed hereto.
2. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE ANNUAL GENERAL MEETING (THE "MEETING") IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON A POLL INSTEAD OF HIMSELF/HERSELF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. THE INSTRUMENT APPOINTING THE PROXY SHOULD, HOWEVER, BE DEPOSITED AT THE REGISTERED OFFICE OF THE COMPANY NOT LESS THAN FORTY-EIGHT HOURS BEFORE THE COMMENCEMENT OF THE MEETING.**

**A PERSON CAN ACT AS A PROXY ON BEHALF OF MEMBERS NOT EXCEEDING FIFTY (50) AND HOLDING IN THE AGGREGATE NOT MORE THAN TEN PERCENT (10%) OF THE TOTAL SHARE CAPITAL OF THE COMPANY CARRYING VOTING RIGHTS. A MEMBER HOLDING MORE THAN TEN PERCENT (10%) OF THE TOTAL SHARE CAPITAL OF THE COMPANY CARRYING VOTING RIGHTS MAY APPOINT A SINGLE PERSON AS PROXY AND SUCH PERSON SHALL NOT ACT AS A PROXY FOR ANY OTHER PERSON OR SHAREHOLDER. MEMBERS/ PROXIES ARE REQUESTED TO BRING THEIR ATTENDANCE SLIP ALONG WITH THEIR COPY OF ANNUAL REPORT TO THE MEETING.**

3. At the 30th Annual General Meeting of the Company held on 27th September, 2017, the members approved appointment of M/s. K A S G & Co., Chartered Accountants, Gurugram (Firm Registration No 002228C), as Statutory Auditors of the Company to hold office for a period of five years from the conclusion of that Annual General Meeting till the conclusion of the 35th Annual General Meeting, subject to ratification of their appointment by members at every Annual General Meeting. The Ministry of Corporate Affairs vide notification No. S.O. 1833(E) dated 7<sup>th</sup> May, 2018, has done away with the requirement of seeking ratification of members for appointment of auditors at every Annual General Meeting. Accordingly, no resolution is being proposed for ratification of appointment of Statutory Auditors at the 31st Annual General Meeting.
4. Corporate members intending to send their authorised representatives to attend the Meeting are requested to send to the Company a certified copy of the Board Resolution authorising their representative to attend and vote on their behalf at the Meeting.
5. Brief resume of Directors including those proposed to be appointed / re-appointed, nature of their expertise in specific functional areas, names of companies in which they hold directorships and memberships/chairmanships of Board Committees, shareholding and relationships between directors inter-se as stipulated under Regulation 36 of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Rules, 2015 with the Stock Exchanges, is provided in the end of the Notice.
6. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013, will be available for inspection by the members at the Annual General Meeting.
7. The Register of Contracts or Arrangements in which Directors are interested, maintained under Section 189 of the Companies Act, 2013 will be available for inspection by the members at the Annual General Meeting.
8. The Register of Members and the Share Transfer Books of the Company will remain closed from Saturday, 22<sup>nd</sup> September 2018 to Friday, 28<sup>th</sup> September, 2018 (both days inclusive) for determining the names of members eligible for dividend on Equity Shares for the financial year ended 31<sup>st</sup> March, 2018, if declared at the Meeting.
9. Subject to the provisions of the Companies Act, 2013, dividend as recommended by the Board of Directors, if declared at the Meeting, will be paid within a period of 30 days from the date of declaration, to those members whose names appear on the Register of Members as on 21<sup>st</sup> September, 2018.
10. In respect of shares held in the demat form, the dividend will be payable on the basis of beneficial ownership as per details furnished by the National Securities Depository Ltd. and Central Depository Services (I) Ltd. for this purpose.
11. Members holding shares in demat form may please note that their bank details as furnished by the respective Depositories to the Company will be printed on their dividend warrants as per the applicable regulations of the Depositories. The Company will not entertain any direct request from such members for change/ deletion in such bank details. Further, instructions if any, already given by them in respect of shares held in physical form will not be automatically applicable to the dividend paid on shares held in demat form. Members may therefore give instructions regarding bank accounts, in which they wish to receive dividend, to their Depository Participants.

12. Under Section 124 of the Companies Act, 2013 (the "Act") and the applicable rules, the amount of dividend remaining unpaid or unclaimed for a period of seven years from the due date is required to be transferred to Investor Education and Protection Fund (IEPF), constituted by the Central Government. The Company has transferred unpaid/unclaimed dividend upto the financial years 2009-10 to IEPF.

The Company has been sending reminders to those members having unpaid/unclaimed dividend before transfer of such dividend to IEPF. Details of the unpaid/unclaimed dividend are also uploaded as per the requirements, on the Company's website [www.bhartiyafashion.com](http://www.bhartiyafashion.com). Members who have not encashed their dividend pertaining to the financial years beginning from 2010-11 till 2016-17 are advised to write to the Company or Mas Services Ltd., the Registrar and Share Transfer Agent of the Company, at their address, T-34, 2nd Floor, Okhla Industrial Area, Phase-II, New Delhi - 110 020, E-mail: [info@masserv.com](mailto:info@masserv.com) immediately, claiming dividends declared by the Company.

13. Section 124 of the Act read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended ('IEPF Rules 2016') amongst other things, provides for the manner of transfer of the unpaid and unclaimed dividend to the IEPF and the manner of transfer of shares, in case any dividend has not been encashed by the shareholders on such shares during the last seven consecutive years, to the designated demat account as prescribed by the IEPF Authority. As per the requirement, the Company had sent information to all the shareholders who had not claimed/encashed dividends in the last seven years intimating, amongst other things, the requirements of the IEPF Rules, 2016 with regard to transfer of shares and that in the event those shareholders do not claim any unclaimed/unpaid dividend for the past seven years, the Company will be required to transfer the respective shares to the IEPF demat account by the due date prescribed under the IEPF Rules 2016 and as amended from time to time. The Company has also simultaneously published notice in the leading newspaper in English and regional language having wide circulation on 24th May, 2017 and uploaded on the "Investors Section" of the website of the Company viz. [www.bhartiyafashion.com](http://www.bhartiyafashion.com), giving details of such shareholders and shares due to be transferred and in case valid claim is not received, the respective shares will be credited to the designated demat account of the Authority.

14. During the financial year 2017-18, the Company has transferred/credited 41620 shares of 352 shareholders to the demat account of Investor Education and Protection Fund Authority (IEPF Authority) in accordance with Section 124(6) of the Act read with IEPF Rules 2016, whose dividend has not been encashed on such shares during the last seven consecutive years. The details of the said shareholders whose shares have been transferred have been uploaded under "Investors Section" on the website of the Company viz. [www.bhartiyafashion.com](http://www.bhartiyafashion.com). Any person whose shares or unclaimed dividend has been transferred to IEPF may claim them pursuant to the process prescribed under IEPF Rules 2016.

The annual report for 2017-18 along with the notice of Annual General Meeting, attendance slip and proxy form is being sent by electronic mode to all the shareholders who have registered their email ids with the Depository Participants/Registrar and Share Transfer Agent unless where any member has requested for the physical copy. Members who have not registered their email ids, physical copies of the annual report 2017-18 along with the notice of annual general meeting, attendance slip and proxy form are being sent by the permitted mode. Members may further note that the said documents will also be available on the Company's website [www.bhartiyafashion.com](http://www.bhartiyafashion.com) for download. Physical copies of the aforesaid documents will also be available at the Company's registered office for inspection during normal business hours on working days. For any communication the shareholders may also send requests to [shares@bhartiya.com](mailto:shares@bhartiya.com).

15. The members who are holding shares in demat mode are requested to support Green initiative by registering /updating their email addresses with their Depository Participants respectively to enable us to send the documents/reports and other communications via e-mail. Members holding shares in physical mode may please write to the Company or MAS Services Ltd., our Share Transfer Agent for updation of their e-mail address at the earliest. The shareholders holding shares in physical form may use the format annexed to the Notice for registering e- mail address.
16. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to the Depository Participants with whom they maintain their demat accounts.
17. With reference to the SEBI circular SEBI/HO/MIRSD/DOP1/CIR/P/2018/73 dated 20<sup>th</sup> April, 2018 on "Strengthening the Guidelines and Raising Industry standards", to strengthen the procedures and processes with regard to handling and maintenance of records, transfer of securities and payment of dividend/interest/redemption by the Registrar and Share Transfer Agents, Issuer Companies and Bankers to Issue. The Registrar and Share Transfer Agents (M/s. MAS Service Ltd.) have sent reminder letter on 9th July, 2018, for obtaining bank account details and PAN number of physical shareholders. Members holding shares in physical form should submit their PAN and update their bank details with the RTA of the Company.

**EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**

**ITEM NO. 4**

Though the requirement of affixing Common Seal on documents have been removed in Companies Act, 2013 but due to certain banking requirements, the Company wishes to retain the clause but for operational convenience it is proposed to amend the common seal witness clause.

Hence the Board of Directors of the Company recommends the resolution set in Item no. 4 for the amendment of the Clause in the Article of Association of the Company.

A copy of the proposed set of new Articles of Association of the Company would be available for inspection for the members at the Registered Office of the Company during the office hours till the Annual General Meeting.

The Board of Directors recommends passing of the Special Resolution as set out at Item No. 4 of this Notice.

Except to the extent of their shareholding, none of the Directors, Key Managerial Personnel and their relatives thereof is in

any way, concerned or interested in the proposed resolution.

#### **ITEM NOS. 5 & 6**

Based on the recommendation of Nomination and Remuneration Committee (NRC), the Board of Directors had appointed Mr. Robert Burton Moore Jr. as an Additional Director on the Board of the Company with effect from 16<sup>th</sup> April, 2018 to hold office upto the date of the Annual General Meeting. He has earlier headed the Fashion business of the company with strategic & operational leadership. Considering his immense contribution to the business and his experience in the leather industry, it is considered beneficial in the interest of the Company to have him on the Board of the Company.

The Company has received his consent to act as Director and declaration that he is not disqualified from being appointed as a Director of the Company.

In the opinion of the Board of Directors, Mr. Robert Burton Moore Jr., the Director proposed to be appointed, fulfils the conditions specified in the Act and the Rules made thereunder.

The Company has also received notice in writing, from a member under section 160 of the Act, proposing his candidature for appointment as Director of the Company.

Further, the Company is desirous of utilizing the expertise of Mr. Robert Burton Moore Jr., Director for business requirements and hence wants to pay professional fees to him towards his appointment as Consultant for Sales advisory and Marketing of our business.

As such, Mr. Robert Burton Moore Jr. will hold office or place of profit in the Company within the meaning of Section 188 of the Companies Act, 2013.

As per provisions of section 188 (1)(f) read with rule 3(b) of Companies (Meetings of Board and its Powers) Rules, 2014 approval of shareholders is required if the monthly remuneration of such person exceeds Rs. 2,50,000/-per month. Since the company is benefitted from the services of the above mentioned Director holding office or place of profit in the Company, the Board has sanctioned his professional fees exceeding Rs. 2,50,000/- per month which is justified.

Copy of Appointment Letter setting out terms and conditions of his appointment is available for inspection by Members till the Annual General Meeting as per details mentioned in the Notes.

Mr. Robert Burton Moore Jr is interested in the resolution set out at Item Nos. 5 & 6 of the Notice, which pertains to his appointment and his holding position of office or place of profit.

The relatives of Mr. Robert Burton Moore Jr may be deemed to be interested in the resolutions set out at Item Nos. 5 & 6 of the Notice, to the extent of their shareholding interest, if any, in the Company. None of the other Directors /KMP are interested in the aforesaid resolution.

The Board accordingly recommends the resolution as set forth in Item Nos. 5 & 6 for the approval of the members.

Brief resume of Mr. Robert Burton Moore Jr., nature of his expertise in specific functional areas, name of companies in which he holds directorship and memberships / chairmanships of Board Committees, shareholding and relationships amongst directors inter-se as stipulated under Secretarial Standards and Regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is provided in the end of the Notice.

## FROM THE CHAIRMAN

---

“

My endeavor is profit as an outcome of 'Happiness for all'.

This in my view, is the way to create a sustainable enterprise.

”

It gives me great satisfaction to share that your company continues to grow and prosper. From starting as a leather outerwear company, we have transformed today into a global Apparel and Accessories group with 5 clear business verticals. While consolidating our strength in our manufacturing units, going forward our focus will be to exponentially expand our virtual manufacturing business from India, Italy, Bangladesh and China. With this, the foundation is well set and gives us ample and multifold opportunity to keep growing for the next decade.

One of my goals for the last few years has been to create a strong professional and motivated leadership. While I continue to focus at strategic level, our operations are run independently by very focused and experienced professionals at all levels. We are proud to be one of the few companies in the country involved in the business of manufacturing and supply chain of

fashion products which runs independent of any operational role of the original promoters. This is hugely gratifying and a source of great strength for the company.

Many new divisions in which we have been investing in the last few years are now becoming profitable. This will create more strength and resources and enable us to invest further in growth. As salaries and cost of production in the manufacturing countries in Asia continue to rise, companies are using technology and enhancing efficiency in their production lines. We are also alive to this challenge and are taking steps to benchmark ourselves with the best in class. All our manufacturing units are fully compliant on social parameters and we are moving towards sustainable and environment friendly production methods. We also continue to remain focused in our design thinking and have created a forte in providing design solutions to all our customers and partners. This has enabled us to become a partner of choice to over 100 global fashion brands.

It gives me pride to share that your company has been shortlisted as a Fortune India next 500 Company for the second time this year.

My endeavor is profit as an outcome of 'Happiness for all'. This in my view, is the way to create a sustainable enterprise.

## MANAGEMENT DISCUSSION

“Bhartiya International was founded in 1987 and has evolved into a global conglomerate. It currently operates five major businesses: Virtual Manufacturing, Leather Garments, Fashion Accessories, Textile Outerwear and Finished Leather. It is a vertically integrated company with design and sampling facilities in Milan, Hangzhou, Gurugram, Chennai, and Bengaluru and operations in India, Italy, Bangladesh, Switzerland and China.

Bhartiya Fashion is known for latest designs, quality production, short lead times, and sustainability and is led by experienced industry leaders in all businesses. Mr. Errol Martin, an experienced global supply chain specialist, joined us as Chief Executive Officer.

### VIRTUAL MANUFACTURING

Virtual Manufacturing (VM), our sourcing business, is the fastest growing among the group. It is driven from Delhi and Milan. Delhi focuses on ladies soft woven and Milan focuses on outerwear, predominantly sourcing from China. The business is design driven, has world-class design studios in Milan and Gurugram with a team of young designers from all over the world and is expanding our sourcing capabilities.

Assessment platform was initiated last year for supply chain in order to fulfill customer specific compliance criteria's and this has enabled the VM business to work with global premium brands.

The Milan office is a major contributor to Virtual Manufacturing and continues to grow. New product categories were added this year, including denim garments for European and US markets. It has also partnered with more facilitators in Europe to grow the business. The current categories are PU and textile outerwear, ladies soft woven, kids wear, denim and, chinos, etc.

### LEATHER GARMENTS

We are the largest leather garment manufacturer in India and continue to grow even bigger. This year, the key focus has been on sustainability and new product development. Our manufacturing units are following strict guidelines for sustainability and compliance requirements.

Design teams continue to innovate new products: leather skirts,

# & ANALYSIS

shearling jackets, and leather pants. Dedicated merchandizing teams, sampling facility, production lines, and factories have been established for best brands and high-street retailers for many years. The manufacturing facilities are in Bengaluru and design offices in Gurugram and Milan.

## FASHION ACCESSORIES

With a vision of producing high quality leather and non-leather accessories in India, our accessories business has grown multi fold. This year, the accessories business is expected to be a major contributor to the total revenue. The business is focused on design led quality products. In this respect, we have launched a dedicated world-class sampling and product development facility.

Full-time designers in Milan and Chennai develop leather and non-leather accessories and our customer base has expanded to more customers in US, Europe,

and UK. This year we launched dedicated lines for belt manufacturing and this category has been growing at an exponential pace. Well-qualified industrial engineers and managers are leading production planning, raw material sourcing, operational efficiency, deliveries, and quality control.

## TEXTILE OUTERWEAR

This is the second full year of operation of textile outerwear. The business is producing the highest quality products to global customers. Capitalizing on our leather relationship with global brands, the business is expanding rapidly.

The business continues to add more machines to strengthen our production facilities and has specialized designers in Milan and Bengaluru. The business added a fabric-sourcing unit in the East Asia and wash facility in Bengaluru to achieve quality production and efficiency in this business.

## FINISHED LEATHER

Bhartiya has a dedicated leather tannery in Chennai, which can process 15,000 skins each day. This upstream integration enables Bhartiya to create new finishes and fashions in leather. This facility has multiplied its capacity to serve as the hub for leather sourcing and finishing. A dedicated Italian designer works on developing new leathers and organizes two leather collections per year. The research and development team develop new styles of leathers using most sustainable ways and using eco friendly chemicals.

The raw materials, including hides and skins, are sourced from New Zealand, the United Kingdom, Spain, France and Italy, as well as goat and sheep skins sourced from the Middle East and Latin America. The tannery is an LWG certified tannery.

# 04 OUR COMPANY

## HUMAN RESOURCES

Human Resources in the organization is working round the clock to support the business to excel in terms of acquiring best talent and bringing the best practices to develop the existing talent. As it is said that empowered and energized workforce results into superior business performance, so has been witnessed in Bhartiya business too.

Since technology is the utmost need to support the people's need, the HR team innovates their portal from time-to-time to keep abreast with the changing technology and making lives easy. There has been constant changes and efforts to advance the technology piece and link it with people practices. Bhartiya also works for the benefit of the society and takes part in the CSR activities.

Overall the HR team is constantly working to develop the leadership and assist people in developing themselves to face the ever challenging and volatile business environment.

## **INTERNAL CONTROL SYSTEM**

The Company has a proper and adequate system of internal controls to ensure that all assets are safeguarded and protected against loss from unauthorised use or disposition and that the transactions are authorised, recorded and reported correctly. Such internal controls are supplemented by an extensive programme of internal audits, review by management and documented policies, guidelines and procedures. These are designed to ensure that financial and other records are reliable for preparing financial information and other reports and for maintaining regular accountability of the Company's assets. The internal auditors present their report to the Audit Committee of the Board.

## **RISK MANAGEMENT**

The Company has made process which identifies, assesses and manages risk at Strategic, Operational and Compliance levels, across business units, functions and geographies. The board of directors are informed about the risks or opportunities that could have an adverse impact on the Company's operations or to that could be exploited to maximize the gains. The processes and procedures are in place to act in a time bound manner to manage the risks or opportunities. The risk management process is reviewed and evaluated by the board of directors. # BHARTIYA CITY, BENGALURU, INDIA

Located in Bengaluru, India; Bhartiya City is an inclusive and sustainable development; integrating homes, work spaces, shopping spaces, hospital, school, parks and bike paths to enliven and enrich citizens' lives. A city where local colour is celebrated and championed and Global Best Practices meet Indian culture.

Harnessing the insight into lifestyle solutions across the world, we created Bhartiya City. Conceived in partnership with our residential brand, Nikoo Homes, this is the first integrated city of its kind in India. An experienced team of professionals comprising some of the best local and international talent in the real estate development industry, with many years of combined experience have collaborated with architects and urban planners of international repute to bring their expertise to Bhartiya City.

Bhartiya's urban mixed-use hub is what binds the city and its varied districts together. Bhartiya City spreads over 125 acre and is being built around a vibrant City Centre. With shopping, hotels, a financial district, IT park, hospital and schools, the many activities and experiences are interconnected by urban spaces of differing scale and character.

Bhartiya city has seen significant progress in the past one year. Handover began last year for Nikoo Homes I and now its is inhabited by over 400 families. The construction of Nikoo Homes II that comprises 2400 homes is under construction and in full swing. The first phase of BCIT (Bhartiya Centre for Information Technology) was completed last year and phase II is under development. It is currently occupied by tenants like IBM, Infosys, Maersk, PFS southerland to name a few. The construction of the Bhartiya City Centre that comprises Retail mall, High Street, Cinema and Convention centre began last year. It spreads across 8 Lakh sq. ft and will offer over 140 brands with PVR signed up as the multiplex partner.

Last year has seen the city coming to life with people and companies moving into the city. Bhartiya City is turning out to be an upcoming destination with various events being held at the city.

## INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

To,  
The Members of  
Bhartiya International Ltd.

### Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Bhartiya International Ltd. ('the Holding Company') and its subsidiaries and associate (collectively referred to as 'the Company' or 'the Group'), comprising the consolidated balance sheet as at 31st March, 2018, the consolidated statement of profit and loss (including other comprehensive income), the consolidated cash flow statement and the Consolidated statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

### Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of the consolidated financial statements in terms of the requirements of the Companies Act, 2013 ('the Act') that give a true and fair view of the consolidated state of affairs (financial position), consolidated profit or loss (Consolidated financial performance including other comprehensive income), consolidated cash flows and consolidated statement of changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind As) specified under Section 133 of the Companies Act, 2013. The Board of Directors of the Company is responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

### Auditors' Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company, as at 31st March, 2018, and their consolidated profit, their consolidated cash flows and consolidated changes in equity for the year ended on that date.

### Other Matters

We did not audit the financial statements of five overseas subsidiaries and one local subsidiary, whose financial statements reflect total assets of Rs. 209.99 crore as at 31st March, 2018, total revenues of Rs. 304.99 crore and net cash outflows

amounting to Rs. 5.67 crore for the year ended on that date. These financial statements have been audited by other auditors whose reports have been furnished to us and our opinion is based solely on the reports of the other auditors.

We have relied on the unaudited financial statements of both the associates wherein the group's share of Loss aggregate Rs.1.18 crore. These unaudited financial statements, as approved by the respective Board of Directors of these companies, have been furnished to us by the management and our report insofar as it relates to the amounts included in respect of the associates is based solely on such approved unaudited financial statements.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of these matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

### **Report on other legal and regulatory requirements**

1. As required by sub-section 3 of Section 143 of the Act, we report, to the extent applicable, that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
  - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
  - c. The consolidated balance sheet, the consolidated statement of profit and loss, and the consolidated cash flow statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
  - d. In our opinion, the aforesaid consolidated financial statements comply with the Ind AS as specified under Section 133 of the Act.
  - e. On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2018 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditors of its subsidiary companies incorporated in India, none of the Directors of the Group companies incorporated in India is disqualified as on 31st March, 2018 from being appointed as a Director of that company in terms of sub-section 2 of Section 164 of the Act.
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'; and
  - g. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :
    - i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group.
    - ii) The provision has been made in the Consolidated Financial Statement as required under the applicable law or Ind As, for material foreseeable losses, if any, on long term contracts including derivatives contracts.
    - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.
    - iv) The disclosure requirement relating to holding as well as dealing in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016 which are not relevant to these consolidated financial statement. Hence, reporting under this clause is not applicable.

## **ANNEXURE TO THE AUDITORS' REPORT**

### **Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2018, we have audited the internal financial controls over financial reporting of Bhartiya International Ltd. ('the Holding Company') and its subsidiary companies which are companies incorporated in India, as of that date.

#### **Management's Responsibility for Internal Financial Controls**

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud May, occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting May, become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures May, deteriorate.

**Opinion**

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

### 1 CORPORATE INFORMATION

Bhartiya International Ltd. ('the Holding Company') is a public Ltd. company with domiciled in India and incorporated under the provisions of the Companies Act applicable in India. The Holding company and its subsidiaries (hereinafter referred to as "the Group") is engaged in the business of manufacturing and trading of leather products & textile products. The Holding Company has its registered office at Chennai and its corporate office at Delhi.

### 2 BASIS OF PREPARATION

The consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015.

These consolidated financial statements for the Year Ended 31st March, 2018 are the first financials with comparatives, prepared under Ind AS. For all previous periods including the Year Ended 31st March, 2017, the Company had prepared its consolidated financial statements in accordance with the accounting standards notified under companies (Accounting Standard) Rule, 2006 (as amended) and other relevant provisions of the Act (hereinafter referred to as 'Previous GAAP') used for its statutory reporting requirement in India.

The consolidated financial statements have been prepared on the historical cost basis except the certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies.

Based on the nature of products/activities and the time between acquisition of assets and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

### 3 PRINCIPLES OF CONSOLIDATION

The financial statements of the Holding Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.

Profits or losses resulting from intra-group transactions that are recognised in assets, such as Inventory and Property, Plant and Equipment, are eliminated in full.

In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the Foreign Currency Translation Reserve (FCTR).

Goodwill represents the difference between the Company's share in the net worth of subsidiaries and the cost of acquisition at each point of time of making the investment in the subsidiaries.

The audited / unaudited financial statements of foreign subsidiaries /associates have been prepared in accordance with the Generally Accepted Accounting Principle of its Country of Incorporation or Ind AS.

The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.

The carrying amount of the parent's investment in each subsidiary is offset (eliminated) against the parent's portion of equity in each subsidiary.

Investment in Associates has been accounted under the Equity Method as per Ind AS 28 – Investments in Associates .

The Group accounts for its share of post-acquisition changes in net assets of associates after eliminating unrealised profits and losses resulting from transactions between the Group and its associates.

Non-Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Company.

Non-Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTD.)

### 4 SIGNIFICANT ACCOUNTING POLICIES

#### 4.1 Property, Plant and Equipment

The Group has applied for the one time transition exemption of considering the carrying cost of the transition date i.e. 1st April, 2016 as the deemed cost under Ind AS, hence regarded thereafter as historical cost.

Freehold land is carried at cost. All other items of property, plant and equipment and Capital work in progress (including Pre-operative expenses) are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset. General and specific borrowing costs directly attributable to the construction of a qualifying asset are capitalized as part of the cost.

Depreciation is charged on a pro-rata basis at the straight-line method over estimated economic useful lives of its property, plant and equipment generally in accordance with that provided in the Schedule II

Assets acquired under finance lease and leasehold improvements are amortized over the shorter of estimated useful life of the asset or the related lease term.

#### 4.2 Investment Properties

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Group, is classified as investment property. Investment property is measured at its cost, including related transaction costs and applicable borrowing costs less depreciation and impairment if any.

Depreciation is charged on a pro-rata basis at the straight-line method over estimated economic useful lives of building generally in accordance with that provided in the Schedule II of the Companies Act .

#### 4.3 Intangible Assets

##### Computer Software

Computer software are stated at cost, less accumulated amortisation and impairments, if any.

##### Amortisation Method and Useful Life

The Group amortizes computer software using the straight-line method over the period of 3 years.

#### 4.4 Lease

##### Operating Lease

##### As a Lessee

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Group, as lessee, are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases.

##### As a Lessor

Lease income from operating leases where the Group is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

#### 4.5 Inventories

Raw materials and consumables have been valued at cost after providing for obsolescence. Cost comprise of cost of purchase and other cost incurred in bringing the inventories to their present location and condition. Cost is determined on FIFO basis. Finished goods are value at cost or net realisable value whichever is lower. Cost of finished goods and work-in- progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

#### 4.6 Cash & Cash Equivalents

The Group cash and cash equivalents consist of cash in hand and in banks and demand deposits with banks, which can be withdrawn at any time, without prior notice or penalty on the principal.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTD.)

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand and are considered part of the Group cash management system. In the balance sheet, bank overdrafts are presented under other current liabilities.

### 4.7 Employee Benefits

#### Defined Contribution Plan

Retirement benefit in the form of provident fund is a defined contribution scheme. The Group has no obligation, other than the contribution payable to the provident fund. The Group recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders the related service.

#### Defined Benefit Plan

Gratuity is a defined benefit obligation. The Group accounts for the gratuity liability, based upon the actuarial valuation performed in accordance with the Projected Unit Credit method carried out at the year end, by an independent actuary.

Re-measurement, comprising actuarial gains and losses and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss.

### 4.8 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### Financial Assets

Financial assets are recognised when the Group becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

Financial assets are subsequently classified as measured at

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

#### Debt Instruments:

Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

#### (a) Measured at Amortised Cost:

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss.

#### (b) Measured at fair Value through Other Comprehensive Income:

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTD.)

### (c) Measured at Fair Value through Profit or Loss:

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

### Equity Instruments:

All investments in equity instruments classified under financial assets are initially measured at fair value, the Group may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

The Group makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

### Derecognition

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

### Financial Liabilities

#### Initial Recognition and Measurement

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

#### Subsequent Measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

#### Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

#### Trade and Other Payable

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. The amounts are generally unsecured. Trade and other payable are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using effective interest method.

### Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

### Derivative Instruments

The Group enters into foreign exchange forward contracts to manage its exposure to foreign exchange rate risks. These contracts are initially recognised at fair value and subsequently, at the end of each reporting period, re-measured at their fair values on reporting date. The resulting gain or loss is recognised in profit or loss in the same line as the movement in the hedged exchange rate.

## 4.9 Provision and Contingent Liabilities

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTD.)

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Group or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

### 4.10 Revenue Recognition

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably. The Group retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on sales.

#### Revenue from Services

Revenue from services is recognised in the accounting period in which the services are rendered.

#### Other Operating Revenue - Export Incentives

"Export Incentives under various schemes are accounted in the year of export.

#### Interest Income

Interest income is recognized using the effective interest rate (EIR) method

#### Dividend Income

Dividend income on investments is recognised when the right to receive dividend is established.

### 4.11 Foreign Currency Translation

Transactions in foreign currencies are initially recorded in functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

### 4.12 Income Tax

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in other comprehensive income.

#### Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit before tax as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period. The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and liability simultaneously.

#### Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTD.)

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The Group offsets deferred income tax assets and liabilities, where it has a legally enforceable right to offset current tax assets against current tax liabilities, and they relate to taxes levied by the same taxation authority on either the same taxable entity, or on different taxable entities where there is an intention to settle the current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

### 4.13 Earning Per Share

Basic earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

### 4.14 Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they are incurred.

### 4.15 Government Grants

Government grants are not recognised until there is reasonable assurance that the Group will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which the Group recognises as expenses the related costs for which the grants are intended to compensate.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income.

### 4.16 Share based Payment

Equity-settled share-based payments to employees are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Group revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserve.

### 4.17 Critical Estimates and Judgements -

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results. Management also need to exercise judgement in applying the Group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

#### The Areas Involving Critical Estimates or Judgement are:

- Estimation of Defined benefit obligation
- Estimation of current tax expenses and Payable
- Useful lives of depreciable assets
- Provision and contingent liability
- Carry value of investment in associates

### 6.2 Estimation of Fair Value

The Fair Valuation is based on current prices in the active market for similar properties. The main inputs used are quantum, area, location, demand, restrictive entry to the complex, age of building and trend of fair market rent in village/city area.

This valuation is based on valuations performed by an accredited independent valuer. Fair valuation is based on replacement cost method. The fair value measurement is categorised in level 2 fair value hierarchy.

### 51. FAIR VALUE MEASUREMENT

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset and paid to transfer a liability in an orderly transaction between market participants.

#### The following Methods and Assumptions were used to estimate the Fair Values:

Trade receivables, cash and cash equivalents, other bank balances, short term loans, other current financial assets, current borrowings, trade payables and other current financial liabilities: approximate their carrying amounts largely due to the short-term maturities of these instruments.

Investments traded in active markets are determined by reference to quotes from the financial institutions; for example: Net asset value (NAV) for investments in mutual funds declared by mutual fund house.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTD.)

The fair values for loans, security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation techniques.

The following is the basis for categorising the financial instruments measured at fair value into Level 1 to Level 3 :

Level 1: This level includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: This level includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: This level includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

**54. FIRST-TIME ADOPTION OF IND AS**

These are the Company's first financial statements prepared in accordance with Ind AS.

The Group has adopted Indian Accounting Standards (Ind AS) notified by the Ministry of Corporate Affairs with effect from 1st April, 2017, with a transition date of 1st April, 2016. Ind AS 101-First-time Adoption of Indian Accounting Standards requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements which is for the Year Ended 31st March, 2018 for the company, be applied retrospectively and consistently for all financial years presented. Consequently, in preparing these Ind AS financial statements, the Company has availed certain exemptions and complied with the mandatory exceptions provided in Ind AS 101, as explained below. The resulting difference in the carrying values of the assets and liabilities as at the transition date between the Ind AS and Previous GAAP have been recognised directly in equity (retained earnings or another appropriate category of equity).

Set out below are the Ind AS 101 optional exemptions availed as applicable and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTD.)

### i) Deemed Cost for Property, Plant and Equipment and Intangible Assets

The Company has elected to measure all its property, plant and equipment and intangible assets at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS.

### ii) Investments in Subsidiaries and Associates

The Company has elected to measure its investments in subsidiaries and associates at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS.

#### Transition to Ind AS - Reconciliations

The following reconciliations provide the explanations and quantification of the differences arising from the transition from Previous GAAP to Ind AS in accordance with Ind AS 101:

- i) Reconciliation of Balance sheet as at 1st April, 2016 (Transition Date).
- ii) Reconciliation of Balance sheet as at 31st March, 2017.
- iii) Reconciliation of Total Comprehensive Income for the Year Ended 31st March, 2017.
- iv) Adjustments to Statement of Cash Flows.

The presentation requirements under Previous GAAP differs from Ind AS, and hence, Previous GAAP information has been regrouped for ease of reconciliation with Ind AS. The Regrouped Previous GAAP information is derived from the Financial Statements of the Company prepared in accordance with Previous GAAP.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTD.)

### 54.5 The following explains the material adjustments made while transition from previous accounting standards to IND AS

#### A. Borrowings

Under the previous GAAP, transaction costs incurred towards origination of borrowing were charged to the profit and loss as and when incurred. As required under the IND AS 109 these costs have been deducted from the carrying amount of borrowings on initial recognition. These costs are recognised in the profit and loss over the tenure of the borrowing as interest expense, computed using the effective interest rate method.

#### B Proposed Dividend

Under the previous GAAP, dividends proposed by the board of directors after the balance sheet date but before the approval of the financial statements were considered as adjusting events and accordingly, provision for proposed dividend was recognised as a liability. Under Ind AS, such dividends are recognised when the same is approved by the shareholders in the general meeting.

#### C Fair Valuation of Investment

Under the previous GAAP, investments in equity instruments and mutual funds were classified as long-term investments or current investments based on the intended holding period and realisability. Long-term investments were carried at cost less provision for other than temporary decline in the value of such investments. Current investments were carried at lower of cost and fair value. Under IND AS, these investments are required to be measured at fair value through statement of profit and loss and changes in fair value are recognised in statement of profit and loss.

#### D Security Deposits

Under the previous GAAP, interest free security deposits were recorded at their transaction value. Under IND AS, all financial assets are required to be recognised at fair value. Accordingly, the Company has fair valued the security deposits under IND AS. Difference between amortised value of security deposits and the carrying value (transaction value) as per Previous GAAP has been recognised as prepaid lease rent and recognised as expenses uniformly over the lease period. Interest income, measured by the effective interest rate method is accrued. The effect of these is reflected in total equity and / or profit or loss, as applicable.

#### E Employee Stock Option Expenses

Under the previous GAAP, the cost of equity-settled employee share-based plan were recognised using the intrinsic value method. Under Ind AS, the cost of equity-settled share based plan has been recognised based on the fair value of the Options as at the grant date.

#### F Excise Duty

Under the previous GAAP, revenue from sale of goods was presented exclusive of excise duty. Under Ind AS, revenue from sale of goods is presented inclusive of excise duty. The excise duty expense is charged to Statement of Profit and Loss. There is no impact in the total equity and profit.

#### G Derivative Instruments - Foreign Exchange Forward Contracts

Under Previous GAAP, unrealised net loss on foreign exchange forward contracts, if any, as at each Balance Sheet date was provided for. Under Ind AS, foreign exchange forward contracts are mark-to-market as at Balance Sheet date and unrealised net gain or loss is recognised in profit and loss statement.

#### H Non-Current Liabilities Security Deposit

Under Previous GAAP, non-current security deposit liabilities were recognised on undiscounted basis. Ind AS requires such liabilities to be recognised at present value (discounted value) where the effect of time value of money is material. This led to a decrease in the value of non-current liabilities on the date of transition which was shown as prepaid lease rent. Ind AS also provides that where discounting is used, the carrying amount of the liability increases in each period to reflect the passage of time. This increase is recognised as finance cost. The interest cost on unwinding of discount and impact of change in discount rate has been recognised in the Statement of Profit and Loss under 'Rental costs' and 'finance cost' respectively for the Year Ended 31st March, 2017.

#### I Revenue from Sale of Goods

Under Previous GAAP, revenue were recognised net of trade discounts, rebates, sales taxes and excise duties. Under Ind AS, revenue is recognised at the fair value of the consideration received or receivable, after deduction of any discounts, any taxes or duties collected on behalf of the government except excise duty. Discounts given include rebates and price reductions which have been reclassified from 'Commission Brokerage & Discount' within other expenses under Previous GAAP and netted from revenue under Ind AS.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONTD.)

### J Other Export Incentive (Focus License)

Other Export incentives were accounted for on actual receipt basis. Ind AS requires these incentives be accounted for in the year of export.

### K Non-Current Provisions

Under Previous GAAP, non-current provisions were recognised on undiscounted basis. Ind AS requires such provisions to be recognised at present value (discounted value) where the effect of time value of money is material. This led to a decrease in the value of non-current provisions as on 1st April, 2016 which was recognised in retained earnings. Subsequently, the present value is increased to reflect passage of time by recognising finance cost.

### L Employee Benefit Plan

Under the previous GAAP, actuarial gains and losses on employee defined benefit obligations were recognised in profit or loss. Under Ind AS, the actuarial gains and losses on re-measurement of net defined benefit obligations are recognised in other comprehensive income. This resulted in a reclassification between profit or loss and other comprehensive income.

### M Lease Hold Land

Under the previous GAAP, long term leasehold land were recognised in property, plant and equipment. Under Ind AS all leasehold land are considered as operating lease. Consequently depreciation is decreased and rent expenses increase.

### N Property given on Lease

Building given on lease were recognised in property, plant and equipment. Ind AS requires such building given on lease were re-classified to investment property from property, plant and equipment.

### O Retained Earnings

Retained earnings as at 1st April, 2016 has been adjusted consequent to the above Ind AS transition adjustments.

### P Tax Impact

Tax adjustments include deferred tax impact on account of differences between Previous GAAP and IND AS.

## 55. Financial Risk Management

The Company's management monitors and manages the financial risks relating to the operations of the Company. These risks include credit risk, liquidity risk and market risk (including currency risk, interest rate risk and other price risk).

### Credit Risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets.

Financial instruments that are subject to concentrations of credit risk, principally consist of balance with banks, investments in debt instruments/bonds, trade receivables, loans and advances. None of the financial instruments of the Company result in material concentrations of credit risks.

The age analysis of trade receivables as of the balance sheet date have been considered from the due date and disclosed in below table.

Particulars	As at	As at
	31st March, 2018	31st March, 2017
Less than 6 month	1,719,220,521	836,099,057
More than 6 month	189,392,242	77,017,517

### Liquidity Risk

The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The surplus funds with the Company and operational cash flows will be sufficient to dispose the financial liabilities within the maturity period.

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

### Other Price Risks

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the balance sheet at fair value through profit and loss. To manage its price risk arising from investments in equity securities, the Company diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Company.

### Other Price Risk Sensitivity

The table below summarizes the impact of increases/decreases of the BSE index on the Company's equity and Gain/Loss for the period. The analysis is based on the assumption that the index has increased by 5 % or decreased by 5 % with all other variables held constant, and that all the Company's equity instruments moved in line with the index.

## INDEPENDENT AUDITORS' REPORT

To,  
The Members of  
Bhartiya International Ltd.

### Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Bhartiya International Ltd. ('the Company'), which comprise the balance sheet as at 31st March, 2018, the statement of profit and loss (including other comprehensive income), the cash flow statement and statement of changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income, cash flows and changes in equity) of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including IND AS specified under section 133 of the Act, of the state of affairs of the Company as at 31st March, 2018 and its profit (including other comprehensive income), its cash flows and statement of changes in equity for the year ended on that date.

## ANNEXURE - A TO THE INDEPENDENT AUDITORS' REPORT

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31st March, 2018, we report that:

- i. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
  - (b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
  - (c) The title deeds of immovable properties, as disclosed in Note 4 on fixed assets to the financial statements, are held in the name of the Company, except for a building acquired in earlier year having a carrying value of 18.50 Lacs as at 31st March, 2018.
- ii. The physical verification of inventory excluding stocks with third parties and in transit has been conducted at reasonable intervals by the Management during the year. In respect of inventory lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on physical verification of inventory as compared to book records were not material and have been appropriately dealt with in the books of accounts.
- iii. According to information and explanation given to us and on the basis of our examination of the books of accounts, the company has not granted any loans, secured or unsecured to the companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3 (iii) (a) to (C) of the Order are not applicable to the Company and hence not commented upon.
- iv. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made, and guarantees and security provided by it.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. The Central government has not prescribed the maintenance of cost records under section 148(1) of the Act, for the Company.
- vii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales tax, value added tax, duty of customs, service tax, duty of excise, GST, cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities.

(b) Following are the amounts which are disputed and not paid by the Company:

Nature of Demand	Amount in Rs	Period to which the Amount Relates	Forum where appeal has been filed
Karnataka VAT	56,59,787	F.Y 2009-2010 & 2010-2011	Karnataka Appellate Tribunal, Bengaluru
Tamil Nadu VAT	5,25,21,621	F.Y 2010-11, 2011-12, 2012-13 & 2013-14	Departmental Authorities

- viii. According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank as at the balance sheet date.
- ix. In our opinion, and according to the information and explanations given to us, money raised by way of term loans have been applied for the purposes for which they were obtained.
- x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.

- xi. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- xiii. In our opinion all transactions with the related parties are in compliance with section 177 and 188 of Act, Where applicable, and the requisite details have been disclosed in the financial statement etc., as required by the applicable Ind As.
- xiv. The Company has complied with the provisions of Section 42 of the Companies Act, 2013 in respect of the allotment of shares/warrants and moneys raised by way of allotment of shares/warrants have been applied for the purposes for which they were obtained.

## **ANNEXURE - B TO THE AUDITORS' REPORT**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Bhartiya International Ltd. ("the Company") as of 31st March, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud May, occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting May, become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures May, deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March,2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Its shares are listed on leading stock exchange in India. The Company has its registered office at Chennai and its corporate office at Gurugram, Haryana. The Company is in the business of manufacturing and trading of leather products & textile products.

### 2 BASIS OF PREPARATION

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015.

These financial statements for the Year Ended 31st March, 2018 are the first financials with comparatives, prepared under Ind AS. For all previous periods including the Year Ended 31st March, 2017, the Company had prepared its financial statements in accordance with the accounting standards notified under companies (Accounting Standard) Rule, 2006 (as amended) and other relevant provisions of the Act (hereinafter referred to as 'Previous GAAP') used for its statutory reporting requirement in India.

The financial statements have been prepared on the historical cost basis except the certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies.

Based on the nature of products/activities and the time between acquisition of assets and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

### 3 SIGNIFICANT ACCOUNTING POLICIES

#### 3.1 Property, Plant and Equipment

The Company has applied for the one time transition exemption of considering the carrying cost of the transition date i.e. 1st April, 2016 as the deemed cost under Ind AS, hence regarded thereafter as historical cost.

Freehold land is carried at cost. All other items of property, plant and equipment and Capital work in progress (including Pre-operative expenses ) are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset. General and specific borrowing costs directly attributable to the construction of a qualifying asset are capitalized as part of the cost.

Depreciation is charged on a pro-rata basis at the straight-line method over estimated economic useful lives of its property, plant and equipment generally in accordance with that provided in the Schedule II

Assets acquired under finance lease and leasehold improvements are amortized over the shorter of estimated useful life of the asset or the related lease term.

#### 3.2 Investment Properties

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured at its cost, including related transaction costs and applicable borrowing costs less depreciation and impairment if any.

Depreciation is charged on a pro-rata basis at the straight-line method over estimated economic useful lives of building generally in accordance with that provided in the Schedule II of the Companies Act .

#### 3.3 Intangible Assets

##### Computer Software

Computer software are stated at cost, less accumulated amortisation and impairments, if any.

##### Amortisation Method and Useful Life

The Company amortizes computer software using the straight-line method over the period of 3 years.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS (CONTD.)

### 3.4 Lease

#### Operating Lease

##### As a Lessee

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company, as lessee, are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases.

##### As a Lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

### 3.5 Investment In Subsidiaries and Associates

Upon first-time adoption of Ind AS, the Company has elected to measure its investments in subsidiaries and joint ventures at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS i.e., 1st April, 2016.

Investments in subsidiaries and associates are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists permanently, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries and associates, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

### 3.6 Inventories

Raw materials and consumables have been valued at cost after providing for obsolescence. Cost comprise of cost of purchase and other cost incurred in bringing the inventories to their present location and condition. Cost is determined on FIFO basis. Finished goods are value at cost or net realisable value whichever is lower. Cost of finished goods and work-in- progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

### 3.7 Cash & Cash Equivalent

The Company's cash and cash equivalents consist of cash on hand and in banks and demand deposits with banks, which can be withdrawn at any time, without prior notice or penalty on the principal.

For the purposes of the cash flow statement, cash and cash equivalents include cash on in hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand and are considered part of the Company's cash management system. In the balance sheet, bank overdrafts are presented under other current liabilities.

### 3.8 Employee Benefits

#### Defined Contribution Plan

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders the related service.

#### Defined Benefit Plan

Gratuity is a defined benefit obligation. The Company accounts for the gratuity liability, based upon the actuarial valuation performed in accordance with the Projected Unit Credit method carried out at the year end, by an independent actuary.

Re-measurement, comprising actuarial gains and losses and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS (CONTD.)

### 3.9 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### Financial Assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

Financial assets are subsequently classified as measured at

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

#### Debt Instruments:

Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

#### (a) Measured at Amortised Cost:

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss.

#### (b) Measured at Fair Value through Other Comprehensive Income:

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

#### (c) Measured at Fair Value through Profit or Loss:

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

#### Equity Instruments:

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company May, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

#### Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS (CONTD.)

### Financial Liabilities

#### Initial Recognition and Measurement

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

#### Subsequent Measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

#### Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

#### Trade and Other Payable

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are generally unsecured. Trade and other payable are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using effective interest method.

#### Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

#### Derivative Instruments:

The Company enters into foreign exchange forward contracts to manage its exposure to foreign exchange rate risks. These contracts are initially recognised at fair value and subsequently, at the end of each reporting period, re-measured at their fair values on reporting date. The resulting gain or loss is recognised in profit or loss in the same line as the movement in the hedged exchange rate.

### 3.10 Provision and Contingent Liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

### 3.11 Revenue Recognition

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably. The Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on sales.

#### Revenue from Services

Revenue from services is recognised in the accounting period in which the services are rendered.

#### Other operating revenue - Export Incentives

“Export Incentives under various schemes are accounted in the year of export.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS (CONTD.)

### Interest Income

Interest income is recognized using the effective interest rate (EIR) method

### Dividend Income

Dividend income on investments is recognised when the right to receive dividend is established.

### 3.12 Foreign Currency Translation

The Company's financial statements are presented in Indian currency, which is also the company's functional currency.

#### Transactions and Balances

Transactions in foreign currencies are initially recorded in functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

### 3.13 Income Tax

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in other comprehensive income.

#### Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit before tax as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and liability simultaneously.

#### Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The Company offsets deferred income tax assets and liabilities, where it has a legally enforceable right to offset current tax assets against current tax liabilities, and they relate to taxes levied by the same taxation authority on either the same taxable entity, or on different taxable entities where there is an intention to settle the current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

### 3.14 Earning Per Share

Basic earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS (CONTD.)

### 3.15 Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they are incurred.

### 3.16 Government Grants

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income.

### 3.17 Share Based Payment

Equity-settled share-based payments to employees are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserve.

### 3.18 Critical Estimates and Judgements -

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results. Management also need to exercise judgement in applying the Group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

#### **The areas involving critical estimates or judgement are:**

- Estimation of Defined benefit obligation
- Estimation of current tax expenses and Payable
- Useful lives of depreciable assets
- Provision and contingent liability
- Carry value of investment in subsidiary and associates

### 53. FAIR VALUE MEASUREMENT

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset and paid to transfer a liability in an orderly transaction between market participants.

#### The following methods and assumptions were used to estimate the fair values:

Trade receivables, cash and cash equivalents, other bank balances, short term loans, other current financial assets, current borrowings, trade payables and other current financial liabilities: approximate their carrying amounts largely due to the short-term maturities of these instruments.

Investments traded in active markets are determined by reference to quotes from the financial institutions; for example: Net asset value (NAV) for investments in mutual funds declared by mutual fund house.

The fair values for loans, security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation techniques.

The following is the basis for categorising the financial instruments measured at fair value into Level 1 to Level 3 :

Level 1: This level includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: This level includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: This level includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

**55. FIRST-TIME ADOPTION OF IND AS**

These are the Company's first financial statements prepared in accordance with Ind AS.

The Company has adopted Indian Accounting Standards (Ind AS) notified by the Ministry of Corporate Affairs with effect from 1st April, 2017, with a transition date of 1st April, 2016. Ind AS 101-First-time Adoption of Indian Accounting Standards requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements which is for the Year Ended 31st March, 2018 for the company, be applied retrospectively and consistently for all financial years presented. Consequently, in preparing these Ind AS financial statements, the Company has availed

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS (CONTD.)

certain exemptions and complied with the mandatory exceptions provided in Ind AS 101, as explained below. The resulting difference in the carrying values of the assets and liabilities as at the transition date between the Ind AS and Previous GAAP have been recognised directly in equity (retained earnings or another appropriate category of equity).

Set out below are the Ind AS 101 optional exemptions availed as applicable and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

### i) Deemed Cost for Property, Plant and Equipment and Intangible Assets

The Company has elected to measure all its property, plant and equipment and intangible assets at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS.

### ii) Investments in Subsidiaries and Associates

The Company has elected to measure its investments in subsidiaries and associates at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS.

### Transition to Ind AS - Reconciliations

The following reconciliations provide the explanations and quantification of the differences arising from the transition from Previous GAAP to Ind AS in accordance with Ind AS 101:

- i) Reconciliation of Balance sheet as at 1st April, 2016 (Transition Date).
- ii) Reconciliation of Balance sheet as at 31st March, 2017.
- iii) Reconciliation of Total Comprehensive Income for the Year Ended 31st March, 2017.
- iv) Adjustments to Statement of Cash Flows.

55.1 The presentation requirements under Previous GAAP differs from Ind AS, and hence, Previous GAAP information has been regrouped for ease of reconciliation with Ind AS. The Regrouped Previous GAAP information is derived from the Financial Statements of the Company prepared in accordance with Previous GAAP.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS (CONTD.)

55.7 The following explains the material adjustments made while transition from previous accounting standards to IND AS

### A. Borrowings

Under the previous GAAP, transaction costs incurred towards origination of borrowing were charged to the profit and loss as and when incurred. As required under the IND AS 109 these costs have been deducted from the carrying amount of borrowings on initial recognition. These costs are recognised in the profit and loss over the tenure of the borrowing as interest expense, computed using the effective interest rate method.

### B Proposed Dividend

Under the previous GAAP, dividends proposed by the board of directors after the balance sheet date but before the approval of the financial statements were considered as adjusting events and accordingly, provision for proposed dividend was recognised as a liability. Under Ind AS, such dividends are recognised when the same is approved by the shareholders in the general meeting.

### C Fair Valuation of Investment

Under the previous GAAP, investments in equity instruments and mutual funds were classified as long-term investments or current investments based on the intended holding period and realisability. Long-term investments were carried at cost less provision for other than temporary decline in the value of such investments. Current investments were carried at lower of cost and fair value. Under IND AS, these investments are required to be measured at fair value through statement of profit and loss and changes in fair value are recognised in statement of profit and loss.

### D Security Deposits

Under the previous GAAP, interest free security deposits were recorded at their transaction value. Under IND AS, all financial assets are required to be recognised at fair value. Accordingly, the Company has fair valued the security deposits under IND AS. Difference between amortised value of security deposits and the carrying value (transaction value) as per Previous GAAP has been recognised as prepaid lease rent and recognised as expenses uniformly over the lease period. Interest income, measured by the effective interest rate method is accrued. The effect of these is reflected in total equity and / or profit or loss, as applicable.

### E Employee Stock Option Expense

Under the previous GAAP, the cost of equity-settled employee share-based plan were recognised using the intrinsic value method. Under Ind AS, the cost of equity-settled share based plan has been recognised based on the fair value of the Options as at the grant date.

### F Excise Duty

Under the previous GAAP, revenue from sale of goods was presented exclusive of excise duty. Under Ind AS, revenue from sale of goods is presented inclusive of excise duty. The excise duty expense is charged to Statement of Profit and Loss. There is no impact in the total equity and profit.

### G Derivative Instruments - Foreign Exchange Forward Contracts

Under Previous GAAP, unrealised net loss on foreign exchange forward contracts, if any, as at each Balance Sheet date was provided for. Under Ind AS, foreign exchange forward contracts are mark-to-market as at Balance Sheet date and unrealised net gain or loss is recognised in profit and loss statement.

### H Non-Current Liabilities Security Deposit

Under Previous GAAP, non-current security deposit liabilities were recognised on undiscounted basis. Ind AS requires such liabilities to be recognised at present value (discounted value) where the effect of time value of money is material. This led to a decrease in the value of non-current liabilities on the date of transition which was shown as prepaid lease rent. Ind AS also provides that where discounting is used, the carrying amount of the liability increases in each period to reflect the passage of time. This increase is recognised as finance cost. The interest cost on unwinding of discount and impact of change in discount rate has been recognised in the Statement of Profit and Loss under 'Rental costs' and 'finance cost' respectively for the Year Ended 31st March, 2017.

### I Revenue from Sale of Goods

Under Previous GAAP, revenue were recognised net of trade discounts, rebates, sales taxes and excise duties. Under Ind AS, revenue is recognised at the fair value of the consideration received or receivable, after deduction of any discounts, any taxes or duties collected on behalf of the government except excise duty. Discounts given include rebates and price reductions which have been reclassified from 'Commission Brokerage & Discount' within other expenses under Previous GAAP and netted from revenue under Ind AS.

### J Other Export Incentive (Focus License)

Other Export incentives were accounted for on actual receipts basis. Ind AS requires these incentives be accounted for in the year of export.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS (CONTD.)

### K Non-Current Provisions

Under Previous GAAP, non-current provisions were recognised on undiscounted basis. Ind AS requires such provisions to be recognised at present value (discounted value) where the effect of time value of money is material. This led to a decrease in the value of non-current provisions as on 1st April, 2016 which was recognised in retained earnings. Subsequently, the present value is increased to reflect passage of time by recognising finance cost.

### L Employee Benefit Plan

Under the previous GAAP, actuarial gains and losses on employee defined benefit obligations were recognised in profit or loss. Under Ind AS, the actuarial gains and losses on re-measurement of net defined benefit obligations are recognised in other comprehensive income. This resulted in a reclassification between profit or loss and other comprehensive income.

### M Lease hold Land

Under the previous GAAP, long term leasehold land were recognised in property, plant and equipment. Under Ind AS all leasehold land are considered as operating lease.

### N Property given on Lease

Building given on lease were recognised in property, plant and equipment. Ind AS requires such building given on lease were re-classified to investment property from property, plant and equipment.

### O Retained Earnings

Retained earnings as at 1st April, 2016 has been adjusted consequent to the above Ind AS transition adjustments.

### P Tax Impact

Tax adjustments include deferred tax impact on account of differences between Previous GAAP and IND AS.

## 56. Financial Risk Management

The Company's management monitors and manages the financial risks relating to the operations of the Company. These risks include credit risk, liquidity risk and market risk (including currency risk, interest rate risk and other price risk).

### Credit Risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets.

Financial instruments that are subject to concentrations of credit risk, principally consist of balance with banks, investments in debt instruments/bonds, trade receivables, loans and advances. None of the financial instruments of the Company result in material concentrations of credit risks.

The age analysis of trade receivables as of the balance sheet date have been considered from the due date and disclosed in below table.

Particulars	As at	As at
	31st March, 2018	31st March, 2017
Not Due	911,929,780	445,924,953
Less than 6 month	25,720,948	108,828,984
More than 6 month	21,392,723	20,152,176

### Liquidity Risk

The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The surplus funds with the Company and operational cash flows will be sufficient to dispose the financial liabilities within the maturity period.

### Market Risk

Market risk is the risk of any loss in future earnings, in realisable fair values or in future cash flows that may, result from a change in the price of a financial instrument. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates risk/liquidity risk which impact returns on investments. Market risk exposures are measured using sensitivity analysis.

### Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

### Exposure to Interest Rate Risk

% of Borrowings out of above bearing variable rate of interest	86.19%	86.14%

### Interest Rate Sensitivity:

A change of 100 bps in interest rates would have following Impact on profit before tax

Particulars	As at	As at
	31st March, 2018	31st March, 2017
100 bp increase would decrease the profit before tax by	25,842,732	21,523,184
100 bp decrease would Increase the profit before tax by	25,842,732	21,523,184

### Foreign Currency Risk Management

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Particulars	As at 31st March,2018		As at 31st March,2017

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS (CONTD.)

### Foreign Currency Sensitivity

The following table details the Company's sensitivity to a 5% change in rupee value against the relevant foreign currencies, which is used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

### Other Price Risks

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the balance sheet at fair value through profit and loss. To manage its price risk arising from investments in equity securities, the Company diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Company.

### Other Price Risk Sensitivity

The table below summarizes the impact of increases/decreases of the BSE index on the Company's equity and Gain/Loss for the period. The analysis is based on the assumption that the index has increased by 5 % or decreased by 5 % with all other variables held constant, and that all the Company's equity instruments moved in line with the index.
