SECRETARIAL AUDIT REPORT

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2019.

To,
The Members,
Nicco Parks & Resorts Limited.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Nicco Parks & Resorts Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis of evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that, in my opinion, the Company, during the audit period covering the financial year ended on 31st March, 2019, has generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:-

1. I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2019 according to the provisions of:
 - (i) The Companies Act, 2013 ('the Act') and the rules made thereunder;
 - (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
 - (iii) The Depositories Act, 1996 and the Regulations and Bye Laws framed thereunder;
 - (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A. Industry Structure and Development

According to the International Association of Amusement Parks and Attractions (IAAPA), an Amusement Park is defined as ‘a large, high-profile attraction that offers guests a complex of rides, food services and games’. Park format are broadly classified as amusement parks, theme parks and water parks. A theme park is defined as a unique setting or rides with specific themes. Water parks, on the other hand, offer a range of water based activities.

The total global parks industry was estimated at over Rs. 2.66 Trillion in terms of revenues. Geographically, parks in the USA and Europe are near maturity levels now, and Asia is fast emerging as the new growth hot-spot for the industry. Amusement park spending is expected to pick up in 2018 and to expand at a projected 6.2 percent compound annual rate over the next five years—again outpacing global economic growth, which is projected to average 5.3 percent compounded annually.

According to Indian Association of Amusement Parks and Industries, “The Indian amusement and theme park industry is expected to grow at a CAGR of more than 25% with the annual revenue of at least Rs.6250 crore (\$884million) by 2022”. In addition to this, the industry also pools in employment for thousands of people. The Indian amusement and theme park industry has brought in employment for more than 75,000 people. It has a strong potential for growth as it contributes significantly to local economy as well as tourism while giving access to exciting and thrilling avenues of entertainment of international standards to Indians.

Some of the key challenges faced by the sector are: having a high level of domestic traffic versus a disproportionately low footfall; not appealing to foreign tourists enough; a limited product range, the lack of innovation and incentive to upgrade in parks; and the lack of new age marketing and positioning tools to expand the visitor base. The benefit of amusement parks lies in providing active outdoor recreation while encouraging children and youth to engage in physical activities through outdoor games—both educative and entertaining.

An increasingly important trend observed across all amusement parks nowadays is that instead of visiting theme park passively, visitors are expecting a more interactive and participative experience. A voluntary involvement & participation in the ride/ park activities and leaving with a sense of accomplishment is the key differentiator. This has been made possible by rapid developments in the technology of Virtual Reality (VR), Augmented Reality (AR) and Mixed Reality (MR). They are becoming important forces of providing visitors to theme parks a range of exciting interactive experiences.

B. Opportunities and Threats

Opportunity

- Eastern India has experienced growth in leisure and entertainment business in recent years.
- Gradual shift of center of gravity of the city to Salt Lake due to development of large townships, Govt. offices and Information Technology industry in and around this place.
- Opportunity for expansion through Joint Venture in other parts of India and abroad.
- Large export potential for Company’s international standard quality products at competitive prices.
- The Company’s products and high quality services receive wide acceptance in India and abroad due to International Standards Organisation (ISO) certifications obtained by the Company.
- “Brand equity” of the Company is perceivably high.
- With the passage of time entertainment is becoming a way of life

Threats

- Development of similar large parks in the city eg. Eco Park.
- Increase in operational cost due to change in Statutory Govt. policies including rates, taxes, etc.
- Park business is seasonal.

- The in-house engineering team executes all internal & external projects. Dependency of external project business performance is on order availability, which may be highly cyclic.
- Alternative indoor entertainment options like Multiplexes, Malls etc.

C. Segment-wise Performance

a. Park Operation

Nicco Park was set up in 1991, till date over 33 million guests have visited this theme amusement park. Your company is proud to associate itself with the 'City of Joy' and boasts of being the only wholesome family entertainment cum amusement destination in East India.

Nicco Park's educative & wholesome recreational initiative is the concept that families should not only have a fun-filled experience but also have learned something during their time at the park. The nostalgia and the rides bring people and families here striking a connection formed through generations of fun passed down through every adrenaline filled scream.

We enjoy patronage from large number of visitors from Kolkata and the neighbouring rural areas bordering Kolkata. The popularity of the park lies not only from our unstinted services provided by our untiring staff, but also in the understanding and satisfying different consumer needs at different price points.

To maintain novelty of the Park and to increase repeat visits the Company is continuously adding new rides, attractions, facilities and events. In order to increase the entertainment value to our visitors your company added novelties in form of new rides and attractions. The new 'Crusader Ride' at the Water Park was inaugurated on March 11, 2019 in presence of visitors, guest & dignitaries at a gala event. The 'Crusader Ride' attained popularity among all age group of our visitors and was well received by the visitors at Water Park. The 'River Cave Ride', one of the popular rides at the main park was also revamped and drew large number of visitors.

Your Company had co-organized an 'International Festival of Magical Panda Lights' with Sichuan Illutrans Cultural Communication Co. Ltd, Sichuan, Peoples Republic of China. The 'Festival' which was held during the period December 2018 to June, 2019 was arguably a 'one of its kind' in India and had on display several larger-than-life, fully-illuminated lanterns, as well as cultural performances and offered delectable cuisines and beverages to the visitors of Nicco Parks, making it a memorable experience.

Market Research Data indicates that your Company has about 60% repeat visitors. With such high level of customer loyalty, there is a business compulsion to constantly re-invent ourselves to add new attractions, to conduct low cost high profile events and to carry out various sales promotions to benefit and attract the visitors.

During the year under review the Total Income was Rs. 5766 lakhs as against Rs. 4880 lakhs in the corresponding previous year registering a growth of approximately 18%. Cumulative income from Main Park and Water Park taken together was Rs. 3933 lakhs, Income from Projects was Rs. 77 lakhs. Income from Food & Beverage and Recreation Facilities was Rs.1625 Lakhs and Merchandising income stood at Rs.11 Lakhs. Income from Branding & Sponsorship & Miscellaneous Income was Rs 512 lakhs. Net Revenue from Operations as on March 31, 2019 was Rs.5545 lakhs.

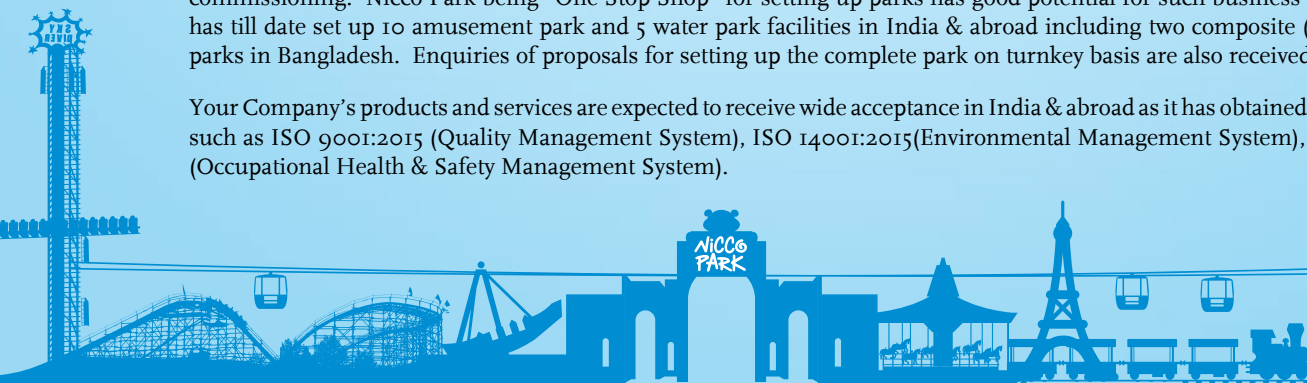

The overall annual footfall of the Park including Bowler's Den, Nicco Super Bowl and Other Recreation Facilities was 13.20 lakhs compared to 12.16 lakhs in 2017-18. The footfall at the water park increased substantially to 4.28 lakh from 3.13 Lakhs visitors. Per Capita Contribution in Main Park and Water Park taken together was Rs. 293 during the financial year 2018-2019.

The Profit Before Tax stood at Rs. 1094 lakhs a substantial increase of around 23% compared to previous financial year attributed to the aggressive marketing, healthy increase in the sale of Food & Beverage and change in pricing policy.

b. Consultancy, Contract and Sale of Ride Components

Having gathered immense experience in maintaining and running amusement parks, the Company has diversified into extending overall consultancy for setting up theme parks and water parks in addition to engineering, manufacturing and supply of amusement park's rides. Company also undertakes turnkey contracts for setting up composite amusement park and Water Park from concept to commissioning. Nicco Park being "One Stop Shop" for setting up parks has good potential for such business in future. Nicco Park has till date set up 10 amusement park and 5 water park facilities in India & abroad including two composite (amusement + water) parks in Bangladesh. Enquiries of proposals for setting up the complete park on turnkey basis are also received from time to time.

Your Company's products and services are expected to receive wide acceptance in India & abroad as it has obtained 3 major certifications such as ISO 9001:2015 (Quality Management System), ISO 14001:2015 (Environmental Management System), OHSAS 18001:2007 (Occupational Health & Safety Management System).

Your Company is also exploring the possibility of working together in some of the large theme park coming up in India and also signed Non-Disclosure Agreement with a few international renowned companies in the field of Amusement park rides and attractions manufacture.

c. Others

Due to its ever increasing demand, the interiors of Nicco Super Bowl were restructured, Bowler's Den, Bar-cum-Restaurant was also refurbished during this year. Acknowledged as a family dining center, its locational advantage, atmosphere, ambience and multi cuisines have made it very popular to the locals of Salt Lake area and to the workforce from Information Technology, BPO, Call Centre and Electronics Industry located in the close proximity. Incomes from other recreational facilities have increased substantially over the last few years. During the year under review the 'Income from Other Recreation Facilities' and food and beverage stood at Rs. 1625 Lakhs.

D. Outlook

Sustainable, profitable growth can only be achieved with the right people working in an organisation that is fit to win, with a culture in which performance is aligned with values. We are building capability and leadership among our people and attracting some of the best talent in the market place. Profitable volume growth allows us to optimise the utilisation of our infrastructure and spread fixed costs, reducing the average cost per unit. It improves our profitability and allows us to invest in the business.

With aggressive marketing schemes to increase footfall, good number of booking for events and with an emphasis on increasing Food & Beverage sales, barring any unforeseen circumstances, your company looks to the future with confidence.

E. Risks and Concerns

"Visitors' safety" being of utmost concern, your Company continuously ensures high quality maintenance of all its rides and attractions. Apart from conducting daily inspection and ensuring the operational safety of the rides by in-house engineering team, periodic third party inspections are also conducted by renowned firms like Westlake Engineering Limited, UK; TUV India Pvt. Ltd. & SGS India Pvt. Ltd.

The entertainment provided by your Company is interactive and participative in nature and faces competition from various other forms of entertainment in the leisure industry. The business has seasonality and being outdoor, climatic conditions have a bearing on its success. Sponsorship earnings also depend upon overall business conditions of various industries within the country.

With respect to project operations, although there are several renowned and reputed companies in the field worldwide who have a domineering presence, India has a cost advantage, which your Company is attempting to leverage. However, the Consultancy, Contracts and Sale of components for rides are also subject to variation depending upon the number of contracts.

Recognizing the needs associated with the various facets of the business of your Company, it had already formulated a Risk Management Framework in consultation with various functional heads to identify, assess and mitigate the major areas of risk associated with the business of the Company. The Risk Management Framework is reviewed by the Audit Committee and Board of Directors on a regular basis.

F. Internal Control Systems and their Adequacy

Your Company has adequate internal procedures commensurate with the Company's size and nature of business. The objective of these procedures are to ensure efficient use and protection of the Company's resources, accuracy in financial reporting and due compliance of statutes and Company procedures.

The existing system provides for structured work instructions, clearly laid down procedures of authorizations and approvals for purchase and sale of goods and services, reserved responsibility of custodial control with identified personnel, and use of computerized systems to ensure controls at source. Internal Audit is done by an external agency. Post audit checks and reviews are carried out to ensure follow up on the observations made by the audit teams. The Internal Audit reports, the progress in implementation of recommendations contained in such reports and the adequacy of internal control systems are reviewed by the Audit Committee of the Board in its periodical meetings.

G. Financial & Operational Performance

Your Company has adopted Indian Accounting Standard (referred to as 'Ind-AS'), with effect from 1st April, 2017 for periods upto and including the year ended 31st March, 2019.

During the year under review the Total Income was Rs. 5766 lakhs as against Rs. 4880 lakhs in the corresponding previous year registering a growth of approximately 18%. Net Revenue from Operations as on March 31, 2019 was Rs. 5545 lakhs & Profit Before Tax stood at Rs. 1094 lakhs a substantial increase of around 23% compared to previous financial year.

There are no material departures in adoption of the prescribed accounting standards. The estimates and judgments relating to the financial statements have been made on a reasonable basis, so that the financial statements reflect the form and substance of transactions in a true and fair manner, and reasonably represent the Company's state of affairs and profit for the year.

Your company is in the business of leisure and entertainment and is providing interactive, participative and educative form of entertainment with its amusement park in Kolkata for wholesome recreation for the families. Set up in 1991, over 33 million guests visited this theme amusement park during the last 28 years.

H. Human Resources Management

Ours is a continuous quest to offer the finest guest experience and we are constantly reinventing ourselves in a sector that is on the move. People power is one of the pillars of our success.

Your Company firmly believes that its greatest strength lies in the quality of its manpower. The Company's "people philosophy" has given it a competitive edge as its guests are served by bright, enthusiastic and committed employees who anticipate guest's needs and deliver exceptional service with genuine warmth.

There is a conscious effort on the part of the management to develop the Knowledge, Skills and Attitudes of its people through a variety of training interventions specifically aimed at an individual's need with a specific thrust on enhancing functional / domain knowledge across disciplines.

Employee – Management relations remained cordial through 2018-19. As on 31st March, 2019 number of people employed by the Company was 230. The IR situation continues to be peaceful.

INDEPENDENT AUDITORS' REPORT

To the Members of
Nicco Parks & Resorts Limited

Report on the abridged standalone financial statements

The accompanying abridged standalone financial statements of Nicco Parks & Resorts Limited (the "Company") comprise the abridged Balance Sheet as at March 31, 2019, the abridged Statement of Profit and Loss (including Other Comprehensive Income) and abridged Cash Flow Statement and the Statement of Changes in Equity for the year then ended together with the related notes, which we have signed under reference to this report.

These abridged standalone Ind AS financial statements are derived from the standalone Ind AS audited financial statements of the Company for the year ended March 31, 2019 prepared by the Company's Management in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules 2015, as amended, covered by our attached report of even date to the Members of the company pursuant to section 143 of the Act, in which we have expressed an unmodified audit opinion.

The abridged standalone financial statements do not contain all the disclosures required by the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules 2015, as amended, and Division II of schedule III to the Act, applied in the preparation and presentation of the audited standalone financial statements of the Company.

Reading the abridged standalone financial statements, therefore, is not a substitute for reading the audited standalone financial statements of the Company.

Management's Responsibility for the Abridged Standalone Ind AS Financial Statements

The Company's Management is responsible for the preparation of the abridged standalone financial statements in accordance with Rule 10 of the Companies (Accounts) Rules, 2014 (the "Rules"), as amended.

The Company's Management (including Directors) are ultimately responsible for the designing, implementing and maintaining internal control relevant to the preparation and presentation of the abridged standalone financial statements that are consistent with the audited standalone financial statements and are free from material misstatement, whether due to fraud or error; and also includes appropriate interpretation and application of the relevant provisions of the Rules and the Act.

The Company's Management (including Directors) are also responsible for ensuring that the Company complies with the requirements of the Rules.

Auditors' Responsibility

Our responsibility is to express an opinion on the abridged standalone financial statements based on our procedures, which were conducted in accordance with Standard on Auditing (SA) 810, 'Engagements to Report on Summary Financial Statements', issued by the Institute of Chartered Accountants of India.

Opinion

In our opinion, the accompanying abridged standalone financial statements, are consistent, in all material respects, with the audited standalone financial statements of the Company as at and for the year ended March 31, 2019 prepared in accordance with Division II of Schedule III to the Act, covered by our attached report of even date to the Members of the Company pursuant to section 143 of the Act, in accordance with the Rules.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Nicco Parks & Resorts Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone Financial Statements of Nicco Parks & Resorts Limited ("the Company"), which comprise the Balance sheet as at March 31, 2019, the Statement of Profit and Loss, (including the Statement of Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone Financial Statements, including a summary of significant accounting policies and other explanatory information. (hereinafter referred to as "the standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants (ICAI) of India together with the ethical requirements that are relevant to our audit of the standalone Financial Statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Financial Statements for the financial year ended March 31, 2019. These matters were addressed in the context of our audit of the standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone Financial Statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and will take appropriate actions as per the applicable laws and regulations.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Financial Statements, including the disclosures, and whether the standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- I. As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time;
- (e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act;
- (f) With respect to the adequacy of the internal financial controls with reference to financial statement of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- (g) In our opinion, the managerial remuneration for the year ended March 31, 2019 has been paid/ provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act; and
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - I. The Company has disclosed the impact of pending litigations on its financial position in its standalone Financial Statements – Note 39 to the standalone Financial Statements;
 - II. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - III. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Nicco Parks & Resorts Limited of even date)

Report on the Internal Financial Controls with reference to standalone financial statement under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statement of Nicco Parks & Resorts Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statement criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statement based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statement was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statement and their operating effectiveness. Our audit of internal financial controls with reference to financial statement included obtaining an understanding of internal financial controls with reference to financial statement, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statement.

Meaning of Internal Financial Controls with reference to financial statement

A company’s internal financial control with reference to financial statement is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statement includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone Financial Statements.

Limitations of Internal Financial Controls with reference to financial statement

Because of the inherent limitations of internal financial controls with reference to financial statement, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statement to future periods are subject to the risk that the internal financial control with reference to financial statement may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statement and such internal financial controls with reference to financial statement were operating effectively as at March 31, 2019, based on the internal control with reference to financial statement criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 BACKGROUND / CORPORATE INFORMATION

Nicco Parks & Resorts Limited (“the Company”) is a listed entity incorporated in India in 1991 having its Registered Office at “Jheel Meel”, Sector V, Saltlake City, Kolkata -700106. The Company is associated with the only wholesome family entertainment cum amusement destination in East India. The company is engaged in the business and operations of theme based entertainment including theme park, water park and associated activities including retail merchandising and food and beverages.

2 BASIS OF ACCOUNTING

2.1 Statement of Compliance

The financial statement are prepared in accordance with Indian Accounting Standards (“IND- AS”) as prescribed under Section 133 of the Companies Act, 2013 (“the Act”), as notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by Companies (Indian Accounting Standard) Amendment Rules, 2016 and other accounting principles generally accepted in India.

The financial statements for the year ended 31st March, 2019 has been approved by the company’s Board of Director’s at their meeting held on 29th May, 2019.

2.2 Basis of Measurement

The financial statements have been prepared on historical cost convention on accrual basis except for following assets and liabilities which have been measured at fair value or revalued amount:

- (i) Financial assets and liabilities that is measured at Fair value/ Amortised cost;
- (ii) Plan assets under defined benefit plans - Measured at fair value.

2.3 Functional and Presentation Currency

The Financial Statements have been presented in Indian Rupees (INR), which is also the Company’s functional currency. All financial information presented in INR has been rounded off to the nearest lakhs as per the requirements of Schedule III, unless otherwise stated.

2.4 Use of Estimates and Judgements

The preparation of financial statements require judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities including contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between actual results and estimates are recognized in the period prospectively in which the results are known/ materialized.

2.5 Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1”Presentation of Financial Statements”. The Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

2.6 Adoption of new accounting standard

The Company has applied the following standards and its amendments for the first time for annual reporting period commencing 1st April, 2018.

- a) IND AS 115- Revenue from Contracts with Customers
- b) Amendment to IND AS 12 - Income Tax
- c) Amendment to IND AS 21 - The Effects of Changes in Foreign Exchange Rates
- d) Amendment to IND AS 28 - Investments in Associates and Joint Ventures
- e) Amendment to IND AS 112 - Disclosure of Interests in Other Entities
- f) Amendment to IND AS 40 - Investment Property
- g) Amendment to IND AS 20 - Accounting for Government Grant and Disclosure of Government assistance

The Company had to change its accounting policies following the adoption of IND AS- 115. Most of the amendments listed above did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current and future periods.

2.7 Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements.

a Property, plant and equipment

- i) Property, plant and equipment held for use in the production or/and supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any accumulated depreciation and accumulated impairment losses (if any).
- ii) Cost of an item of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting any trade discounts and rebates, borrowing cost, if capitalization criteria is met and any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located.
- iii) In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of directly attributable overheads, directly attributable borrowing costs incurred in bringing the item to working condition for its intended use, and estimated cost of dismantling and removing the item and restoring the site on which it is located. The costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling items produced while bringing the asset to that location and condition are also added to the cost of self-constructed assets.
- iv) Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as Capital Advances under other non-current assets.
- v) Capital work in progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.
- vi) Gains or losses arising from de-recognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.
- vii) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.
- viii) The Company identifies and determines cost of asset significant to the total cost of the asset having useful life that is materially different from that of the remaining life.

Subsequent Expenditure

- i) Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.
- ii) Major Inspection/ Repairs/ Overhauling expenses are recognized in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any Unamortized part of the previously recognized expenses of similar nature is derecognized.

b Depreciation on Property, plant and equipment

- i) Depreciation on property, plant and equipment is provided under Straight Line Method (except for Vehicle where Written Down Method is followed) at rates based on the estimated useful lives of assets prescribed by Schedule II of the Companies Act, 2013 except for the following assets where the useful life estimated by the management is lower than the life prescribed under Schedule II.

As per the above policy, depreciation on the following assets have been provided at rates which are different from the corresponding rates prescribed in Schedule II based on the estimated life of the assets.

Particulars	Useful life (in years) estimated by the management
Inflatable Rides and Theme Derby Rides	4
Machinery for Sports facilities	10
Machinery, Equipments, Rides, Electrical Installation, Furniture and fittings at Water Park, Waterside Hall-I & II and Haunted House	10
Structural and other works at Water Park	10
Buildings at Water Park	20
Other Rides	20

- ii) Depreciation in respect of property, plant and equipment added / disposed off during the year is provided on pro-rata basis, with reference to the date of addition/disposal.

c Intangible Assets

- i) Intangible assets acquired separately are measured on initial recognition at cost. Such assets are carried at cost less accumulated amortisation and accumulated impairment loss, if any.
- ii) Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. Intangible assets being Computer Software are amortised on straight line basis over its estimated useful life of 5 years. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.
- iii) Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

d Leases

The determination of whether an agreement is, or contains, a lease is based on the substance of the agreement at the date of inception.

i) Finance leases:

- A. Lease where the company has substantially transferred all the risks and rewards of ownership of the related assets are classified as finance leases. Assets under finance leases are capitalised at the commencement of the lease at the lower of the fair value or the present value of Minimum lease payments and a liability is created for an equivalent period. Each lease rental paid is allocated between the liability and interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each period.
- B. Assets given under finance lease are recognised as a receivable at an amount equal to the net investment in the lease. Lease income is recognised over the period of the lease so as to yield a constant rate of return on the net investment in the lease.

ii) Operating Leases:

The leases which are not classified as finance lease are operating leases.

- A. Lease rentals on assets under operating leases are charged to the Statement of Profit and Loss on a straight line basis over the term of the relevant lease.
- B. Assets leased out under operating leases are continued to be shown under the respective class of assets. Rental income is recognised based on a straight line basis over the term of the relevant lease.

e Borrowing Costs

Borrowing costs (including other ancillary borrowing cost) directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

f Foreign Currency Transactions

Functional currency

The functional currency of the company is Indian Rupees ('INR'). These financial statements are presented in Indian Rupees and all the values are rounded to the nearest lakhs, except otherwise indicated.

Transactions and translations

Foreign currency transactions are translated into the functional currency using the spot rates of exchanges at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognized in profit or loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings, the balance is presented in the Statement of Profit and Loss within finance costs.

Non monetary items are not retranslated at period end and are measured at historical cost (translated using the exchange rate at the transaction date).

g Inventories

- i) Inventories other than Contract Work in Progress, are valued at lower of Cost of Net Realisable Value and is computed on FIFO Basis.

The cost of inventories have been computed to include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition.

- ii) Contract Work in Progress, if any, is valued at cost which relates to future activities on the contract. Appropriate allowance is also made for such cost, recovery of which is not possible.

h Revenue Recognition

IND AS 115 was issued on 28 March 2018 and supersedes IND AS 11 Construction Contracts and IND AS 18 Revenue Recognition and it applies, with limited exception, to all revenue arising from contracts with its customers. IND AS 115 establishes a five step model to account for revenue arising from Contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. Revenue from contract with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the group expects to be entitled in exchange for those goods or services. Revenue is measured at the fair value of the consideration received/ receivable taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government.

A. Revenue from Sale of Products

Revenue from the sale of products is recognized at the point in time when control of the products are transferred to customers and the company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold. Revenue from the sale of products is measured at the fair value of the consideration received or receivables, net of returns and allowances, trade discounts and volume rebates (if any).

B. Revenue from Construction Contract

According to Ind AS 115 revenue is recognized over time (percentage of completion) either when the performance creates an asset that the customer controls as the asset is created (e.g. work in progress) or when the performance creates an asset with no alternative use and an enforceable right to payment as performance is completed to date has been secured. Revenue is also recognized over time if the customer simultaneously receives and consumes the benefits from goods and services as performed. Under Ind AS 11 construction contracts, with a high degree of individual adjustment were recognized as revenue by reference to the percentage of completion. Company has assessed the effect of the new standard and has concluded that apart from providing more extensive disclosures the application of Ind AS 115 has not had significant effect on recognition and measurement of revenue. Revenue on construction contracts is recognized on percentage completion method based on the stage of completion of the contract. The stage of completion is determined as a proportion that contract costs incurred for work performed upto the reporting date bears to the estimated total costs. When it is probable that the total contract cost will exceed the total contract revenue, the expected loss is recognized immediately. For this purpose, total contract costs are ascertained on the basis of actual costs incurred and costs to be incurred for completion of contracts in progress, which is arrived at by the management based on current technical data, forecasts and estimate of expenditure to be incurred in future including contingencies. Revisions in projected profit or loss arising from change in estimates are reflected in each accounting period which, however, cannot be disclosed separately in the financial statements as the effect thereof cannot be accurately determined.

Contract Assets : Contract assets are recognised when there is excess of revenue earned over billings on contracts. Unbilled receivables where further subsequent performance obligation is pending are classified as contract assets when the company does not have unconditional right to receive cash as per contractual terms. Revenue recognition for fixed price development contracts is based on percentage of completion method. Invoicing to the clients is based on milestones as defined in the contract. This would result in the timing of revenue recognition being different from the timing of billing the customers. Unbilled revenue for fixed price development contracts is classified as non-financial asset as the contractual right to consideration is dependent on completion of contractual milestones.

Contract Liability : Contract Liability is recognised when there are billings in excess of revenues and it also includes consideration received from customers for whom the company has pending obligation to transfer goods or services. The billing schedules agreed with customers include periodic performance based payments and / or milestone based progress payments. Invoices are payable within contractually agreed credit period.

C. Sale of Services

Revenue from rendering services is recognised when the performance of agreed contractual task has been completed.

- (i) Income from Entry Fees/Rides/Games etc.

Revenues from theme park/water park ticket sales are recognized when the tickets are issued. Revenue from sale of

Passes/Fun Tickets-Annual Membership with all days validity which are non-refundable in nature are recognized when Passes/ Tickets are sold.

(ii) **Recreational Facility Income**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

D. Barter Transactions

The company recognises revenue from Barter transactions involving Advertising at Fair Value of the advertising services involved in the Barter Transaction by taking reference to a non barter transaction of similar nature and accordingly recognise it over the period of the rights given to the party. When the fair value of the goods or services received cannot be measured reliably, the revenue is measured at the fair value of the goods or services given up, adjusted by the amount of any cash or cash equivalents transferred.

E. Dividend income

Dividend incomes from investments are recognized when the Company's right to receive the payment of the same is established by the Balance Sheet date.

F. Interest Income

Interest income from financial assets is recognised using effective interest rate method. EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. Interest income also includes interest earned on margin money kept with banks.

i Government Grant

Government grants are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants are recognised in the statement of profit or loss on a systematic basis over the periods in which the Company recognises the related costs for which the grants are intended to compensate. Capital grant received from sponsors for construction of specific asset are recognised as deferred revenue in the Balance Sheet and transferred to the profit or loss on a systematic and rational basis over the useful lives of the related asset.

j Income Taxes

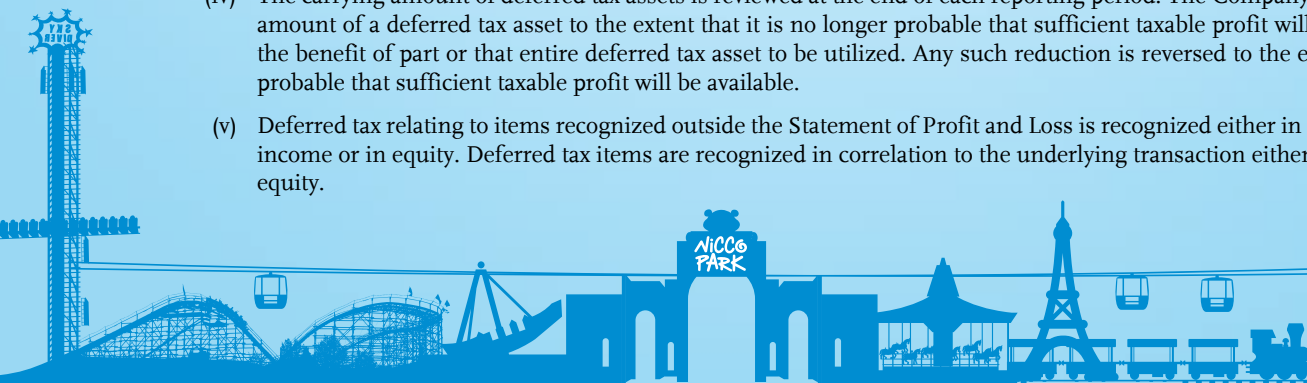

Taxes on Income comprises of current tax and deferred tax. Current tax and deferred tax are recognized in profit and loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax expense is also recognized in other comprehensive income or directly in equity, respectively.

Current Tax

Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred Tax

- (i) Deferred Tax assets and liabilities shall be measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.
- (ii) Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognized for carry forward of unused tax losses and unused tax credits.
- (iii) Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.
- (iv) The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.
- (v) Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in other comprehensive income or in equity. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

- (vi) Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

k Earnings per Share

Earnings per share is calculated by dividing the net profit or loss before OCI for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss before OCI for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

l Provisions, Contingent Liability & Contingent Assets

A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Provisions are determined based on the best estimate required to settle the obligation at the balance sheet date. A contingent liability is disclosed unless the possibility of an outflow of resources embodying economic benefits is remote. A contingent asset is neither recognized nor disclosed.

m Cash flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

n Cash and Cash equivalents

Cash and cash equivalents for the purpose of cash flow statement/ balance sheet comprise of cash and cheques on hand, cash at bank including short term deposits and highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

o Retirement and other employee benefits

- (i) Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation other than the contribution payable to the Provident fund. Contribution payable the provident fund is recognised as an expenditure in the statement of profit and loss and/or carried to Construction work-in-progress when an employee renders the related service.

- (ii) The Company's obligation towards gratuity, a defined benefit employee retirement scheme is recognized on the basis of period end actuarial valuation determined under the Projected Unit Credit Method. The trustees of the Scheme have entered with the Life Insurance Corporation of India (LIC). Payments are made by the Company based on demand raised by LIC.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

- (iii) Short term compensated absences are provided for based on estimates. The Company treats accumulated leave expected to be carried forward beyond twelve months as long term employee benefit for measurement purposes. Such long term compensated absences are provided for based on the actuarial valuation using the unit projected credit method at the end of each financial year.

p Financial Instruments

Financial Assets

A. Initial recognition and measurement

All financial assets are initially recognized when the company becomes a party to the contractual provisions of the instruments. A financial asset is initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

B. Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- (a) Measured at Amortized Cost;

- (b) Measured at Fair Value Through Other Comprehensive Income (FVTOCI);
- (c) Measured at Fair Value Through Profit or Loss (FVTPL); and
- (d) Equity Instruments measured at Fair Value Through Other Comprehensive Income (FVTOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

a) Financial assets carried at amortised cost (AC)

A debt instrument is measured at the amortized cost if both the following conditions are met:

- i) The asset is held within a business model whose objective is achieved by both collecting contractual cash flows; and
- ii) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.”

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A debt instrument is measured at the FVTOCI if both the following conditions are met:

- i) The objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
- ii) The asset’s contractual cash flows represent SPPI.

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income.

c) Financial assets at fair value through profit or loss (FVTPL)

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

C. Derecognition

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

D. Impairment of Financial Assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance. The company recognizes lifetime expected losses for all contract assets and/ or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

E. Investments in Associates

The Company has accounted for its Investments in Associates at cost.

F. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss , except for those equity investments for which the Company has elected to to present the value changes in “Other Comprehensive Income”.

Financial Liabilities:

A. Initial recognition and measurement

All financial liabilities are recognised initially at fair value and in case of Loans & Borrowings and payables, net of directly attributable cost.

B. Subsequent measurement

Financial liabilities are measured subsequently at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

C. Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

D. Off-setting of financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

q Operating Segment

The identification of operating segment is consistent with performance assessment and resource allocation by the chief operating decision maker. An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses including revenues and expenses that relate to transactions with any of the other components of the Company and for which discrete financial information is available. Operating segments of the Company comprises three segments Park Operations, Consultancy, Contracts & Sale of components for Rides and F&B and Other Recreational Activities. All operating segments' operating results are reviewed regularly by the chief operating decision maker to make decisions about resources to be allocated to the segments and assess their performance.

r Measurement of Fair Value

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either :

- (a) In the principal market for the asset or liability, or
- (b) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the input that is significant to the fair value measurement as a whole:

- (a) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (b) Level 2 — Inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- (c) Level 3 — Inputs which are unobservable inputs for the asset or liability.

s New Standards / Amendments to Existing Standard issued but not yet effective upto the date of issuance of the Company's Financial Statement are disclosed below.

Ministry of Corporate Affairs ("MCA"), through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified the following new amendments to Ind ASs which the Company has not applied as they are effective from April 1, 2019: The Company will adopt new standard and amendment to existing standards with effect from April 1, 2019.

- i. “Ind AS 116: Leases- Ind AS 116 will supersede the existing Ind AS 17. The new standard provides a comprehensive model to identify lease-arrangements and the treatment thereof in the financial statements of both the lessee and lessor. The new standard requires entities to make more judgments and estimates (e.g., determining when a customer has the right to direct the use of an identified asset, estimating the incremental rate of borrowing) and make more disclosures (e.g., discount rate, weighted average lease term, other qualitative and quantitative information). Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. A lessee is required to recognise a right-of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments. Ind AS 17 required classifying leases as finance lease and operating lease, the same is not required under Ind AS 116. Under Ind AS 116, a lessee measures right-of-use assets similarly to other non-financial assets (such as property, plant and equipment) and lease liabilities similarly to other financial liabilities. On initial application the Company will recognize new assets and liabilities for its operating leases of premises and other assets. The nature of expenses related to those leases will change from lease rent in previous periods to a) amortization change for the right-to-use asset, and b) interest accrued on lease liability. Requirements with regard to lessor accounting are substantially similar to accounting requirements contained in Ind AS 17. Accordingly, a lessor will continue to classify its leases as operating leases or finance leases, and to account for those two types of leases differently. Company is proposing to use the ‘Modified Retrospective Approach’ for transitioning to Ind AS 116 without adjusting the comparatives.”
- ii. Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments: Ministry of Corporate Affairs has notified Ind AS 12 Appendix ‘C’ Uncertainty over Income Tax Treatments on March 30, 2019. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or Company of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates. The Company has decided to adjust the cumulative effect in equity on the date of initial application without adjusting comparatives.
- iii. Amendment to Ind AS 12 – Income taxes: Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, ‘Income Taxes’, in connection with accounting for dividend distribution taxes accordingly an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. It is relevant to note that the amendment does not amend situations where the entity pays a tax on dividend which is effectively a portion of dividends paid to taxation authorities on behalf of shareholders. Such amount paid or payable to taxation authorities continues to be charged to equity as part of dividend, in accordance with Ind AS 12.
- iv. Amendment to Ind AS 19 – plan amendment, curtailment or settlement- Ministry of Corporate Affairs issued amendments to Ind AS 19, ‘Employee Benefits’ on March 30, 2019, in connection with accounting for plan amendments, curtailments and settlements.
- v. Amendment to Ind AS 23 – Borrowing Costs- The amendments clarify that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalisation rate on general borrowings.
- vi. Amendment to IND AS 28 - Long term interests in Associates and joint Ventures- The amendments clarify that an entity applies IND AS 109 financial instruments, to long term interests in an associate or joint ventures that form part of the net investment in the associate or joint venture but to which the equity method is not applied.

The impact of the above standards on the financial statements, as assessed by the Company, is not expected to be material.

t Significant Judgements and Key sources of Estimation in applying Accounting Policies

Information about Significant judgements and Key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:

- i) **Recognition of Deferred Tax Assets** : The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company’s future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits.
- ii) **Useful lives of depreciable/ amortisable assets (tangible and intangible)** : Management reviews its estimate of the useful lives of depreciable/ amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to actual normal wear and tear that may change the utility of plant and equipment.
- iii) **Defined Benefit Obligation (DBO)** : Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.

- iv) **Provisions and Contingencies** : The assessments undertaken in recognising provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgement by management regarding the probability of exposure to potential loss.
- v) **Impairment of Financial Assets** : The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.
- vi) **Allowances for Doubtful Debts** : The Company makes allowances for doubtful debts through appropriate estimations of irrecoverable amount. The identification of doubtful debts requires use of judgment and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.
- vii) **Fair value measurement of financial Instruments** : When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The input to these models are taken from observable markets where possible, but where this not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.
- 3 The abridged financial statements have been prepared pursuant to Section 136(1) of the Companies Act, 2013 and Rule 10 of the Companies (Accounts) Rules, 2014, and are based on the annual financial statements for the year ended March 31, 2019 approved by the Board of Directors at their meeting held on May 29, 2019. Notes to Accounts and other particulars with reference to Schedule number and Note number as appearing in Audited Financial Statements.

INDEPENDENT AUDITORS' REPORT

To the Members of
Nicco Parks & Resorts Limited

Report on the Abridged Consolidated Indian Accounting Standards (IND AS) Financial Statements

The accompanying abridged IND AS consolidated financial statements of Nicco Parks & Resorts Limited ("the Holding Company") and its associates, comprise the abridged consolidated Balance Sheet as at March 31, 2019, the abridged consolidated Statement of Profit and Loss (including Other Comprehensive Income), abridged consolidated Cash Flow Statement and the statement of Changes in Equity for the year then ended together with the related notes, which we have signed under reference to this report.

These abridged IND AS consolidated financial statements are derived from the consolidated IND AS audited financial statements of the Company for the year ended March 31, 2019 prepared by the Company's Management in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules 2015, as amended, covered by our attached report of even date to the Members of the company pursuant to section 143 of the Act, in which we have expressed an unmodified audit opinion.

The abridged consolidated IND AS financial statements do not contain all the disclosures required by Ind AS 28 "Investments in Associates" by the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules 2015, as amended, and Division II of schedule III to the Act, applied in the preparation of the audited IND AS consolidated financial statements of the Company. Reading the abridged consolidated financial statements, therefore, is not a substitute for reading the audited consolidated financial statements of the Company.

Management's Responsibility for the Abridged Consolidated Financial Statements

The Holding Company's Management (including Directors) is responsible for the preparation of the abridged consolidated IND AS financial statements in accordance with Rule 10 of the Companies (Accounts) Rules, 2014, as amended, and based on the consolidated IND AS audited financial statements for the year ended March 31, 2019. The Holding Company's Management (including Directors) are ultimately responsible for the designing, implementing and maintaining internal financial control relevant to the preparation and presentation of the abridged consolidated IND AS financial statements that are consistent with the audited consolidated financial statements and are free from material misstatement, whether due to fraud or error and also includes appropriate interpretation and application of the relevant provisions of the Rules and the Act.

The Holding Company's Management (including directors) is also responsible for ensuring that the company complies with the requirements of the Rules.

Auditors' Responsibility

Our responsibility is to express an opinion on the abridged consolidated IND AS financial statements based on our procedures, which were conducted in accordance with Standard on Auditing (SA) 810, 'Engagements to Report on Summary Financial Statements', issued by the Institute of Chartered Accountants of India.

Opinion

In our opinion, the accompanying abridged consolidated IND AS financial statements are consistent, in all material respects, with the audited consolidated IND AS financial statements of the Company as at and for the year ended March 31, 2019 prepared in accordance with Division II of Schedule III to the Act and the requirements of Ind AS 28 – "Investments in Associates", covered by our attached report of even date to the Members of the company pursuant to section 143 of the Act, in accordance with the Rules.

Other Matter

The abridged consolidated IND AS financial statements also include the Holding company's share of net loss of Rs. 0.03 lakhs for the year ended 31st March, 2019, as considered in the abridged consolidated financial statements, in respect of 1 (one) associate, whose financial

statements have not been audited by us. We have also not audited the financials of 1(one) associate whose share of profit has not been considered for the reasons stated in Note 9.1 of the abridged consolidated IND AS financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the abridged consolidated IND AS financial statements insofar as it relates to the amounts and disclosures included in respect of these associates and our report in terms of sub-section (3) and (11) of Section 143 of the Act insofar as it relates to the aforesaid associates, is based solely on the reports of the other auditors.

Our opinion on the abridged consolidated IND AS financial statements, is not modified in respect of the above matter.

INDEPENDENT AUDITOR'S REPORT

To The Members of
Nicco Parks & Resorts Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Nicco Parks & Resorts Limited (hereinafter referred to as “the Holding Company”) and its associates which comprise the consolidated Balance sheet as at March 31 2019, the consolidated Statement of Profit and Loss, (including the Statement of Other Comprehensive Income), the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the consolidated state of affairs of the Holding Company and its associates as at March 31, 2019, its consolidated profit including other comprehensive income, its consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the consolidated financial statements’ section of our report. We are independent of the Holding Company and its associates in accordance with the ‘Code of Ethics’ issued by the Institute of Chartered Accountants (ICAI) of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2019. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Consolidated Financial Statements and Auditor’s Report Thereon

The Holding Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the consolidated financial statements and our auditor’s report thereon. The other information is expected to be made available to us after the date of this auditor’s report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and will take appropriate actions as per the applicable laws and regulations.

Management's Responsibility for the Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Holding Company and its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Holding Company and its associates is responsible for assessing the Holding Company and its associates Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Holding Company and its associates or to cease operations, or has no realistic alternative but to do so. Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Holding Company and its associates' ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Holding Company and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated financial statements also include the Holding company's share of net loss of Rs. 0.03 lakhs for the year ended 31st March, 2019, in respect of 1(one) associate, whose financial statements have not been audited by us. We have also not audited the financials of 1(one) associate whose share of profit has not been considered for the reasons stated in Note 47 (a) of the consolidated IND AS financial statements. These financial statements have been audited by other auditor whose report have been furnished to us by the management and our opinion on the Consolidated Ind AS financial statement, in so far as it related to the amounts and disclosure included in respect of these associates and our report in terms of sub section 3 of section 143 of the Act, in so far as it relates the aforesaid associates, is based solely on the reports of the other auditors.

Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by section 143 (3) of the Act, based on our audit and on the consideration of the report of the other auditors on the separate financial statements of the subsidiaries referred to in the other matter paragraph above, we report, to the extent applicable that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law relating to the preparation of aforesaid Consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors.

 - (d) In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2019 taken on record by the Board of Directors of the Holding Company and the reports of statutory auditors of its associates, none of the directors of Holding Company and its associates companies are disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164(2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to consolidated financial statement of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - (g) In our opinion, the managerial remuneration for the year ended March 31, 2019 has been paid/ provided by the Holding Company and its associates to its directors in accordance with the provisions of section 197 read with Schedule V to the Act; and

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- I. The Holding Company and its associates has disclosed the impact of pending litigations on its financial position in its financial statements – Note 39 to the consolidated financial statements;
 - II. The Holding Company and its associates did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - III. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its associates.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Nicco Parks & Resorts Limited of even date)

Report on the Internal Financial Controls with reference to financial statement under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of consolidated Ind AS financial statements of the Company as of and for the year ended 31st March 2019, we have audited the internal financial controls over financial reporting of the Holding Company. Based on comments made by the independent auditors of the associate companies (covered entities) with respect to the internal financial controls over financial reporting as required in terms of sub-section (3)(i) of section 143 of the Act, we report as under:

Management’s Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and the covered entities are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Holding Company’s and covered entities internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their reports referred to in the Other Matters Paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to financial statement

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls with reference to financial statement

Because of the inherent limitations of internal financial controls with reference to consolidated financial statement, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also,

projections of any evaluation of the internal financial controls with reference to financial statement to future periods are subject to the risk that the internal financial control with reference to financial statement may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its associates have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to 2 associates, is based on the corresponding reports of the auditors of such companies.

NOTES TO ABRIDGED CONSOLIDATED FINANCIAL STATEMENT for the year ended March 31, 2019

1 BACKGROUND / CORPORATE INFORMATION

Nicco Parks & Resorts Limited (“the Company”) is a listed entity incorporated in India in 1991 having its Registered Office at “Jheel Meel”, Sector IV, Saltlake City, Kolkata -700106. The Company is associated with the only wholesome family entertainment cum amusement destination in East India. The company is engaged in the business and operations of theme based entertainment including theme park, water park and associated activities including retail merchandising and food and beverages.

2 BASIS OF ACCOUNTING

2.1 Statement of Compliance

The financial statement are prepared in accordance with Indian Accounting Standards (“IND- AS”) as prescribed under Section 133 of the Companies Act, 2013 (“the Act”), as notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by Companies (Indian Accounting Standard) Amendment Rules, 2016 and other accounting principles generally accepted in India.

The consolidated financial statements for the year ended 31st March, 2019 has been approved by the company’s Board of Director’s at their meeting held on 29th May, 2019.

2.2 Principles of Consolidation

Investment in Associate Companies has been accounted under the equity method as per IND AS 28 - “Investments in Associates and Joint Ventures”. The difference between the cost of investment in the associates and the share of net assets at the time of acquisition of shares in the associates is identified in the financial statements as Goodwill or Capital Reserve as the case may be.

2.3 Basis of Measurement

The financial statements have been prepared on historical cost convention on accrual basis except for following assets and liabilities which have been measured at fair value or revalued amount:

- (i) Financial assets and liabilities that is measured at Fair value/ Amortised cost;
- (ii) Plan assets under defined benefit plans - Measured at fair value.”

2.4 Functional and Presentation Currency

The Financial Statements have been presented in Indian Rupees (INR), which is also the Company’s functional currency. All financial information presented in INR has been rounded off to the nearest lakhs as per the requirements of Schedule III, unless otherwise stated.

2.5 Use of Estimates and Judgements

The preparation of financial statements require judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities including contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between actual results and estimates are recognized in the period prospectively in which the results are known/ materialized.

2.6 Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1”Presentation of Financial Statements”.The Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

2.7 Adoption of new accounting standard

The Company has applied the following standards and its amendments for the first time for annual reporting period commencing 1st April, 2018.

- a) IND AS 115- Revenue from Contracts with Customers
- b) Amendment to IND AS 12 - Income Tax
- c) Amendment to IND AS 21 - The Effects of Changes in Foreign Exchange Rates
- d) Amendment to IND AS 28 - Investments in Associates and Joint Ventures
- e) Amendment to IND AS 112 - Disclosure of Interests in Other Entities

- f) Amendment to IND AS 40 - Investment Property
- g) Amendment to IND AS 20 - Accounting for Government Grant and Disclosure of Government assistance

The Company had to change its accounting policies following the adoption of IND AS- 115. Most of the amendments listed above did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current and future periods.

2.8 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the consolidated financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the consolidated financial statements.

a Property, plant and equipment

- i) Property, plant and equipment held for use in the production or/and supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any accumulated depreciation and accumulated impairment losses (if any).
- ii) Cost of an item of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting any trade discounts and rebates, borrowing cost, if capitalization criteria is met and any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located.
- iii) In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of directly attributable overheads, directly attributable borrowing costs incurred in bringing the item to working condition for its intended use, and estimated cost of dismantling and removing the item and restoring the site on which it is located. The costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling items produced while bringing the asset to that location and condition are also added to the cost of self-constructed assets.
- iv) Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as Capital Advances under other non-current assets.
- v) Capital work in progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.
- vi) Gains or losses arising from de-recognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.
- vii) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.
- viii) The Company identifies and determines cost of asset significant to the total cost of the asset having useful life that is materially different from that of the remaining life.

Subsequent Expenditure

- i) Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.
- ii) Major Inspection/ Repairs/ Overhauling expenses are recognized in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any Unamortized part of the previously recognized expenses of similar nature is derecognized.

b Depreciation on Property, plant and equipment

- i) Depreciation on property, plant and equipment is provided under Straight Line Method (except for Vehicle where Written Down Method is followed) at rates based on the estimated useful lives of assets prescribed by Schedule II of the Companies Act, 2013 except for the following assets where the useful life estimated by the management is lower than the life prescribed under Schedule II.

As per the above policy, depreciation on the following assets have been provided at rates which are different from the corresponding rates prescribed in Schedule II based on the estimated life of the assets.

Particulars	Useful life (in years) estimated by the management
Inflatable Rides and Theme Derby Rides	4
Machinery for Sports facilities	10

Machinery, Equipments, Rides, Electrical Installation, Furniture and fittings at Water Park, Waterside Hall-I & II and Haunted House	10
Structural and other works at Water Park	10
Buildings at Water Park	20
Other Rides	20

ii) Depreciation in respect of property, plant and equipment added / disposed off during the year is provided on pro-rata basis, with reference to the date of addition/disposal.

c Intangible Assets

- i) Intangible assets acquired separately are measured on initial recognition at cost. Such assets are carried at cost less accumulated amortisation and accumulated impairment loss, if any.
- ii) Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. Intangible assets being Computer Software are amortised on straight line basis over its estimated useful life of 5 years. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.
- iii) Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

d Leases

The determination of whether an agreement is, or contains, a lease is based on the substance of the agreement at the date of inception.

i) Finance leases:

- A. Lease where the company has substantially transferred all the risks and rewards of ownership of the related assets are classified as finance leases. Assets under finance leases are capitalised at the commencement of the lease at the lower of the fair value or the present value of Minimum lease payments and a liability is created for an equivalent period. Each lease rental paid is allocated between the liability and interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each period.
- B. Assets given under finance lease are recognised as a receivable at an amount equal to the net investment in the lease. Lease income is recognised over the period of the lease so as to yield a constant rate of return on the net investment in the lease.

ii) Operating Leases:

The leases which are not classified as finance lease are operating leases.

- A. Lease rentals on assets under operating leases are charged to the Statement of Profit and Loss on a straight line basis over the term of the relevant lease.
- B. Assets leased out under operating leases are continued to be shown under the respective class of assets. Rental income is recognised based on a straight line basis over the term of the relevant lease.

e Borrowing Costs

Borrowing costs (including other ancillary borrowing cost) directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

f Foreign Currency Transactions

Functional currency

The functional currency of the company is Indian Rupees ('INR'). These financial statements are presented in Indian Rupees and all the values are rounded to the nearest lakhs, except otherwise indicated.

Transactions and translations

Foreign currency transactions are translated into the functional currency using the spot rates of exchanges at the dates of the

transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognized in profit or loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings, the balance is presented in the Statement of Profit and Loss within finance costs.

Non monetary items are not retranslated at period end and are measured at historical cost (translated using the exchange rate at the transaction date).

g Inventories

- i) Inventories other than Contract Work in Progress, are valued at lower of Cost of Net Realisable Value and is computed on FIFO Basis.

The cost of inventories have been computed to include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition.

- ii) Contract Work in Progress, if any, is valued at cost which relates to future activities on the contract. Appropriate allowance is also made for such cost, recovery of which is not possible.

h Revenue Recognition

IND AS 115 was issued on 28 March 2018 and supersedes IND AS 11 Construction Contracts and IND AS 18 Revenue Recognition and it applies, with limited exception, to all revenue arising from contracts with its customers. IND AS 115 establishes a five step model to account for revenue arising from Contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. Revenue from contract with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the group expects to be entitled in exchange for those goods or services. Revenue is measured at the fair value of the consideration received/ receivable taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government.

A. Revenue from Sale of Products

Revenue from the sale of products is recognized at the point in time when control of the products are transferred to customers and the company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold. Revenue from the sale of products is measured at the fair value of the consideration received or receivables, net of returns and allowances, trade discounts and volume rebates (if any).

B. Revenue from Construction Contract

According to Ind AS 115 revenue is recognized over time (percentage of completion) either when the performance creates an asset that the customer controls as the asset is created (e.g. work in progress) or when the performance creates an asset with no alternative use and an enforceable right to payment as performance is completed to date has been secured. Revenue is also recognized over time if the customer simultaneously receives and consumes the benefits from goods and services as performed. Under Ind AS 11 construction contracts, with a high degree of individual adjustment were recognized as revenue by reference to the percentage of completion. Company has assessed the effect of the new standard and has concluded that apart from providing more extensive disclosures the application of Ind AS 115 has not had significant effect on recognition and measurement of revenue. Revenue on construction contracts is recognized on percentage completion method based on the stage of completion of the contract. The stage of completion is determined as a proportion that contract costs incurred for work performed upto the reporting date bears to the estimated total costs. When it is probable that the total contract cost will exceed the total contract revenue, the expected loss is recognized immediately. For this purpose, total contract costs are ascertained on the basis of actual costs incurred and costs to be incurred for completion of contracts in progress, which is arrived at by the management based on current technical data, forecasts and estimate of expenditure to be incurred in future including contingencies. Revisions in projected profit or loss arising from change in estimates are reflected in each accounting period which, however, cannot be disclosed separately in the financial statements as the effect thereof cannot be accurately determined.

Contract Assets : Contract assets are recognised when there is excess of revenue earned over billings on contracts. Unbilled receivables where further subsequent performance obligation is pending are classified as contract assets when the company does not have unconditional right to receive cash as per contractual terms. Revenue recognition for fixed price development contracts is based on percentage of completion method. Invoicing to the clients is based on milestones as defined in the contract. This would result in the timing of revenue recognition being different from the timing of billing the customers. Unbilled revenue for fixed price development contracts is classified as non-financial asset as the contractual right to consideration is dependent on completion of contractual milestones.

Contract Liability : Contract Liability is recognised when there are billings in excess of revenues and it also includes consideration received from customers for whom the company has pending obligation to transfer goods or services. The billing schedules agreed with customers include periodic performance based payments and / or milestone based progress payments. Invoices are payable within contractually agreed credit period.

C. Sale of Services

Revenue from rendering services is recognised when the performance of agreed contractual task has been completed.

(i) Income from Entry Fees/Rides/Games etc.

Revenues from theme park/water park ticket sales are recognized when the tickets are issued. Revenue from sale of Passes/Fun Tickets-Annual Membership with all days validity which are non-refundable in nature are recognized when Passes/ Tickets are sold.

(ii) Recreational Facility Income

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.”

D. Barter Transactions

The company recognises revenue from Barter transactions involving Advertising at Fair Value of the advertising services involved in the Barter Transaction by taking reference to a non barter transaction of similar nature and accordingly recognise it over the period of the rights given to the party. When the fair value of the goods or services received cannot be measured reliably, the revenue is measured at the fair value of the goods or services given up, adjusted by the amount of any cash or cash equivalents transferred.

E. Dividend income

Dividend incomes from investments are recognized when the Company’s right to receive the payment of the same is established by the Balance Sheet date.

F. Interest Income

Interest income from financial assets is recognised using effective interest rate method. EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. Interest income also includes interest earned on margin money kept with banks.

i Government Grant

Government grants are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants are recognised in the statement of profit or loss on a systematic basis over the periods in which the Company recognises the related costs for which the grants are intended to compensate. Capital grant received from sponsors for construction of specific asset are recognised as deferred revenue in the Balance Sheet and transferred to the profit or loss on a systematic and rational basis over the useful lives of the related asset.

j Income Taxes

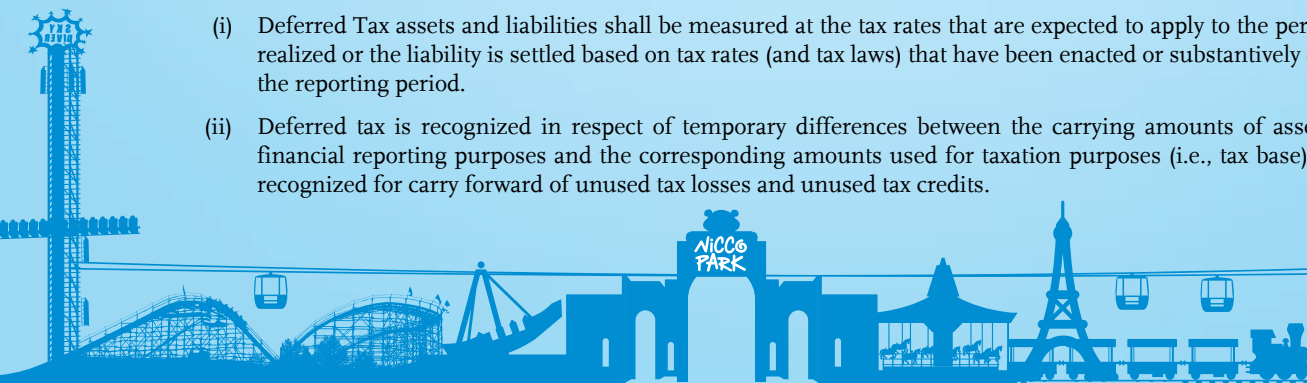

Taxes on Income comprises of current tax and deferred tax. Current tax and deferred tax are recognized in profit and loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax expense is also recognized in other comprehensive income or directly in equity, respectively.

Current Tax

Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred Tax

- (i) Deferred Tax assets and liabilities shall be measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.
- (ii) Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognized for carry forward of unused tax losses and unused tax credits.

- (iii) Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.
- (iv) The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.
- (v) Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in other comprehensive income or in equity. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.
- (vi) Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

k Earnings per Share

Earnings per share is calculated by dividing the net profit or loss before OCI for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss before OCI for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

l Provisions, Contingent Liability & Contingent Assets

A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Provisions are determined based on the best estimate required to settle the obligation at the balance sheet date. A contingent liability is disclosed unless the possibility of an outflow of resources embodying economic benefits is remote. A contingent asset is neither recognized nor disclosed.

m Cash flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

n Cash and Cash equivalents

Cash and cash equivalents for the purpose of cash flow statement/ balance sheet comprise of cash and cheques on hand, cash at bank including short term deposits and highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

o Retirement and other employee benefits

- (i) Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation other than the contribution payable to the Provident fund. Contribution payable to the provident fund is recognised as an expenditure in the statement of profit and loss and/or carried to Construction work-in-progress when an employee renders the related service.
- (ii) The Company's obligation towards gratuity, a defined benefit employee retirement scheme is recognized on the basis of period end actuarial valuation determined under the Projected Unit Credit Method. The trustees of the Scheme have entered with the Life Insurance Corporation of India (LIC). Payments are made by the Company based on demand raised by LIC.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

- (iii) Short term compensated absences are provided for based on estimates. The Company treats accumulated leave expected to be carried forward beyond twelve months as long term employee benefit for measurement purposes. Such long term compensated absences are provided for based on the actuarial valuation using the unit projected credit method at the end of each financial year.

p Financial Instruments

Financial Assets

A. Initial recognition and measurement

All financial assets are initially recognized when the company becomes a party to the contractual provisions of the instruments. A financial asset is initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

B. Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- (a) Measured at Amortized Cost;
- (b) Measured at Fair Value Through Other Comprehensive Income (FVTOCI);
- (c) Measured at Fair Value Through Profit or Loss (FVTPL); and
- (d) Equity Instruments measured at Fair Value Through Other Comprehensive Income (FVTOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

a) Financial assets carried at amortised cost (AC)

A debt instrument is measured at the amortized cost if both the following conditions are met:

- i) The asset is held within a business model whose objective is achieved by both collecting contractual cash flows; and
- ii) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.”

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A debt instrument is measured at the FVTOCI if both the following conditions are met:

- i) The objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
- ii) The asset’s contractual cash flows represent SPPI.

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income.

c) Financial assets at fair value through profit or loss (FVTPL)

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

C. Derecognition

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

D. Impairment of Financial Assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance. The company recognizes lifetime expected losses for all contract assets and/ or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

E. Investments in Associates

The Company has accounted for its Investments in Associates at cost.

F. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in “Other Comprehensive Income”.

Financial Liabilities:

A. Initial recognition and measurement

All financial liabilities are recognised initially at fair value and in case of Loans & Borrowings and payables, net of directly attributable cost.

B. Subsequent measurement

Financial liabilities are measured subsequently at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

C. Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

D. Off-setting of financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty. \

q Operating Segment

The identification of operating segment is consistent with performance assessment and resource allocation by the chief operating decision maker. An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses including revenues and expenses that relate to transactions with any of the other components of the Company and for which discrete financial information is available. Operating segments of the Company comprises three segments Park Operations, Consultancy, Contracts & Sale of components for Rides and F&B and Other Recreational Activities. All operating segments' operating results are reviewed regularly by the chief operating decision maker to make decisions about resources to be allocated to the segments and assess their performance.

r Measurement of Fair Value

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either :

- (a) In the principal market for the asset or liability, or
- (b) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the input that is significant to the fair value measurement as a whole:

- (a) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

- (b) Level 2 — Inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- (c) Level 3 — Inputs which are unobservable inputs for the asset or liability.

s New Standards / Amendments to Existing Standard issued but not yet effective upto the date of issuance of the Company's Financial Statement are disclosed below.

Ministry of Corporate Affairs (“MCA”), through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified the following new amendments to Ind AS which the Company has not applied as they are effective from April 1, 2019: The Company will adopt new standard and amendment to existing standards with effect from April 1, 2019.

- i. Ind AS 116: Leases- Ind AS 116 will supersede the existing Ind AS 17. The new standard provides a comprehensive model to identify lease-arrangements and the treatment thereof in the financial statements of both the lessee and lessor. The new standard requires entities to make more judgments and estimates (e.g., determining when a customer has the right to direct the use of an identified asset, estimating the incremental rate of borrowing) and make more disclosures (e.g., discount rate, weighted average lease term, other qualitative and quantitative information). Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. A lessee is required to recognise a right-of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments. Ind AS 17 required classifying leases as finance lease and operating lease, the same is not required under Ind AS 116. Under Ind AS 116, a lessee measures right-of-use assets similarly to other non-financial assets (such as property, plant and equipment) and lease liabilities similarly to other financial liabilities. On initial application the Company will recognize new assets and liabilities for its operating leases of premises and other assets. The nature of expenses related to those leases will change from lease rent in previous periods to a) amortization change for the right-to-use asset, and b) interest accrued on lease liability. Requirements with regard to lessor accounting are substantially similar to accounting requirements contained in Ind AS 17. Accordingly, a lessor will continue to classify its leases as operating leases or finance leases, and to account for those two types of leases differently. Company is proposing to use the ‘Modified Retrospective Approach’ for transitioning to Ind AS 116 without adjusting the comparatives.
- ii. Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments: Ministry of Corporate Affairs has notified Ind AS 12 Appendix ‘C’ Uncertainty over Income Tax Treatments on March 30, 2019. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or Company of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates. The Company has decided to adjust the cumulative effect in equity on the date of initial application without adjusting comparatives.
- iii. Amendment to Ind AS 12 – Income taxes: Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, ‘Income Taxes’, in connection with accounting for dividend distribution taxes accordingly an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. It is relevant to note that the amendment does not amend situations where the entity pays a tax on dividend which is effectively a portion of dividends paid to taxation authorities on behalf of shareholders. Such amount paid or payable to taxation authorities continues to be charged to equity as part of dividend, in accordance with Ind AS 12.
- iv. Amendment to Ind AS 19 – plan amendment, curtailment or settlement- Ministry of Corporate Affairs issued amendments to Ind AS 19, ‘Employee Benefits’ on March 30, 2019, in connection with accounting for plan amendments, curtailments and settlements.
- v. Amendment to Ind AS 23 – Borrowing Costs- The amendments clarify that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalisation rate on general borrowings.
- vi. Amendment to IND AS 28 - Long term interests in Associates and joint Ventures- The amendments clarify that an entity applies IND AS 109 financial instruments, to long term interests in an associate or joint ventures that form part of the net investment in the associate or joint venture but to which the equity method is not applied.

The impact of the above standards on the financial statements, as assessed by the Company, is not expected to be material.

t Significant Judgements and Key sources of Estimation in applying Accounting Policies

Information about Significant judgements and Key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:

- i) **Recognition of Deferred Tax Assets :** The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits.

- ii) **Useful lives of depreciable/ amortisable assets (tangible and intangible) :** Management reviews its estimate of the useful lives of depreciable/ amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to actual normal wear and tear that may change the utility of plant and equipment.
 - iii) **Defined Benefit Obligation (DBO) :** Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.
 - iv) **Provisions and Contingencies :** The assessments undertaken in recognising provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgement by management regarding the probability of exposure to potential loss.
 - v) **Impairment of Financial Assets :** The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.
 - vi) **Allowances for Doubtful Debts :** The Company makes allowances for doubtful debts through appropriate estimations of irrecoverable amount. The identification of doubtful debts requires use of judgment and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.
 - vii) **Fair value measurement of financial Instruments :** When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The input to these models are taken from observable markets where possible, but where this not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.
3. The abridged financial statements have been prepared pursuant to Section 136(1) of the Companies Act, 2013 and Rule 10 of the Companies (Accounts) Rules, 2014, and are based on the annual financial statements for the year ended March 31, 2018 approved by the Board of Directors at their meeting held on May 29, 2019.
