LETTER FROM THE CHAIRMAN

MEERA

Dear Shareholders,

On behalf of the Meera Board of Directors, it's my privilege to welcome you to the 12TH AGM of your Company. Meera was founded in the year 2006 with minimal capital but a lot of ambition. Over the past 12 years, our hard work, innovation in technology aided by the tremendous support of our stakeholders has taken us to where we are today.

I am happy to announce that we had an outstanding performance on financial parameters for the FY 2017-18. The Standalone revenue of the company increased to Rs. 21.57 Crores as compared to Rs. 13.49 Crores in the previous year. The net profit after Tax also increased exponentially from Rs 1.06 Crores to Rs. 2.61 Crores. We have declared dividend of Rs. 2.2 on an EPS of Rs. 6.85.

Shareholders will also be aware that our 1st overseas office, started in USA on 23RD May, 2018, has already started contributing positively from the second half of F.Y. 2017-18. This initiative was critical as it enables us to showcase our capabilities in the largest market of the world. The initial performance has exceeded our expectations, and we look forward to many more order wins in F.Y. 2018-19.

We have always believed in striving to be a leading World Class Manufacturer of twisting machines. Innovation exhilarates us and we keep experimenting with newer manufacturing processes, emerging technologies and newer business models. For instance, we expanded our manufacturing facilities and integrated them with the global supply-chains of our customers, all with minimal capex.

During the year, we have launched a machine named TPRS-50 - a Twisting Machine, which is one of its kind, a single step S/Z Twister. It combines both the first and second twist in a single step, offering several quality and cost advantages. Apart from savings on several operational inputs like space, labour, power, the most remarkable benefit of TPRS 50 is nearly "Zero wastage" and a perfectly wound knotless package up to 12 KG. On the other hand, we continue to invest in technology and innovation and broke new grounds in diverse

fields including Artificial Intelligence, Additive Manufacturing etc.

This year, efficiency improvement was our main focus area for improving the production quality. The fact is that production is the result of cooperation of all the factors of production, as the efficiency of labour does not just depend on the personal qualities of the workers, it includes continuous training too. Thus, we have initiated activities such as "KAIZEN - Key to Competitive Success" which means "change for good" for the World Class Manufacturing which is complement to Vision of the company. Under KAIZEN we have encompass many activities such as Technical training to the employees, Welfare Activities includes distributions of books to all employees, sickness benefits and various other supplementary facilities so as to ensure that even in case of eventualities people get some minimum level of income. These benefits are provided to ensure economic and social justice; but, while helping to maintain the health and moral

of the people, they do make a positive contribution to the efficiency of the labour force.

To further strengthen our market position, we are further strengthening our capabilities with addition of some machinery such as Rope Twisting Machine. This high-end machine will help to cover whole range of yarn twisting technology.

Change and adaptability are the key to become a meaningful player in the global textile machinery industry. We remain committed to stay on our chosen path of operational excellence in the coming financial year.

On behalf of the Board of Directors of Meera Industries I take this opportunity to thank all our stakeholders for their continued support, confidence and faith reposed in Meera, and I look forward to an exciting journey ahead, together.

With Best Wishes,

ANNEXURE- B
FORM NO. MR-3
SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2018.

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Meera Industries Limited
Regd. Office - 2126, Road No. 2,
GIDC, Sachin, Surat - 394230.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Meera Industries Limited** (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the **Meera Industries Limited** books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2018, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2018, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Overseas Direct Investment in Wholly Owned Subsidiary;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; **(Not Applicable to the Company)**
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not Applicable to the Company)**
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not Applicable to the Company)**
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; **((Not Applicable to the Company)**
- (vi) I further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof on test-check basis, the Company has complied with the following laws applicable specifically to the Company namely the Factories Act, 1948 and Gujarat Factories Rules, 1963 and other labour laws and the Rules made thereunder and such compliance is carried out by the company under the direction and guidance of Labour Law Consultant appointed by the company.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreements entered into by the Company with Bombay Stock Exchange and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; **(to the extent applicable to securities of the Company listed on SME platform of BSE)**

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period it was perceived that the company listed its Equity Shares on the BSE SME platform on 15th May, 2017 and from Pre IPO period to Post IPO period the company has duly complied with all the laws, regulation, order, or any enactment or amendment, notification.

ANNEXURE- G

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management discussion and Analysis Report, is a reflection of the current state of business of the company. It also deals with opportunities and challenges faced by Company and future outlook.

Global Textile Machinery Industry

Global Textile machinery market is witnessing tremendous growth buoyed by growing demand of textile & apparel market. It is forecasted to grow at a CAGR of 14.02% till 2018.

India being global leaders in Textiles next to China, it must also develop textile machinery manufacturing hub that will not only suffice the country's need but also source machinery to international market increasing the exports. There is a tremendous growth for machinery market worldwide and so it is time for India to capture and en-cash on this opportunity.

Indian Economy

India's economy picked up some pace in FY 2017-18 and the gross domestic product growth was better than FY 2016-17. The structural reform of The Goods and Services Tax (GST) within a year of demonetisation is expected to provide a boost to the economic growth and investments in the long run although in the current situation it is said to be retarding growth. According to World Bank's Global Economic Prospects report, India's GDP is expected to rise to 7.4% in FY 2018-19 and 7.8% in FY 2019-20. Along with the upbeat outlook for the global economy, the textile industry is also expected to witness growth across developed and emerging markets.

Indian Textile Industry

The Indian textiles industry is among the one of oldest in the country. It is projected to reach USD 230 billion by 2020 from around USD 120 billion. At present the domestic textiles industry contributes 10% to the manufacturing output of the country, generating about 4% to its GDP and employs more than 45 million people. Exports have been a core feature of India's textile sector. The Indian textiles export market, estimated at \$18 billion, is expected to grow at a CAGR of 4% compared to the global CAGR of 3% over 2016-26.

The fundamental strength of the textile industry is its strong production base of wide range of fibre and yarns – from natural fibres like cotton, jute, silk and wool to synthetic and manmade fibres such as polyester, viscose, nylon and acrylic.

Industry structure, developments and outlook

The past year has been a challenging year for the Textile Industry with lots of ups and downs. In spite of the above, the industry has been able to maintain its steady performance during the year under review. Textile Industry has played a key role in the country's progress over the years and the situation is likely to gain momentum in the times ahead. The Industry continues to hold a dominant position in country's economic structure because of its huge contribution towards employment generation. Indian Textile Industry continues to face stiff competition from China and other emerging economies. The relative competitiveness of Industry is dependent upon the raw

cotton prices, exchange rates and prevalent interest rates regime.

Risks and concerns

Government policies are critical to the success of the Textile Industry. Further, increase in the power cost, raw materials prices and non-availability of skilled labour has become hindrance in the long term sustain ability of the textile industry. In spite of the above mentioned facts, we are of the firmed opinion that the future of the Textile Industry is quite promising. We hope that with the recoveries in economies of U.S.A and European Union will propel the growth of the Textile Industry and moreover domestic market is also continuously imperial.

Discussion on financial performance with respect to operational performance

The Company has reported profits during the year under review. The operational performance of the Company is on the growth path. The operational details are mentioned in the financial statement. Presence of the company through Wholly Owned Subsidiary (WOS) established and operative in Heaven of Textile Industry – USA is proving another revenue earning arm on account of export orders and show cases company's machines with practical demonstrations of the company's products.

The financial year 2017-18 was an important year in many ways for the Company in terms of new innovations, listing of the company at "BSE SME" platform, Implementation of Goods & Service Tax etc. which engender thrill for the future of the Company.

Segment-wise or product-wise performance

The Company is presently engaged in the manufacturing of Yarn Twisting, Winding and Heat –Setting Machines for textile industries. The Yarn manufacturing and trading also contributes to the top and bottom line of the company.

Internal control systems and their adequacy

The Company has a benefit of Internal Control Systems developed over years which ensured that all transactions are satisfactorily recorded and reported and all assets are protected against loss from an unauthorized use or otherwise. The Internal control system is adequate and commensurate with the nature of its business and size of its operations, though continues efforts are being made to strengthen the same. The management also reviews the internal control systems and procedures to ensure its application.

Material developments in Human Resources / Industrial Relations front

Human Resources are considered to be a form of capital and wealth of the company. It has been the focus of the management to improve and expand the contribution of its human resources towards attainment of organizational goals and values.

Disclaimer: Statements mentioned in this report are forward looking statements and based on certain assumptions and expectations of future events which are out of control of the Company and the actual results can differ materially from those reflected herein. The Company assumes no responsibility to publicly amend, modify or revise any statement on basis of any development, information, and event.

FINANCIAL STATEMENTS

STANDALONE

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF MEERA INDUSTRIES LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying Standalone Financial Statements of MEERA INDUSTRIES LIMITED ("the company"), which comprise the Balance Sheet as at 31 March 2018, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable

assurance about whether the Standalone Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Standalone Financial Statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone Financial Statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the Standalone Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India;

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2018;
- b) In the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- c) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure-A", a statement on the matters specified in the paragraph 3 and 4 of the order to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

INDEPENDENT AUDITORS' REPORT

Annexure A referred to in paragraph 1 under the heading Report on other legal and regulatory requirements of our report of even date Re: MEERA INDUSTRIES LIMITED

- b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
- c) the Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of written representations received from the directors as on 31 March, 2018, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2018, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
- g) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has pending litigations under Gujarat Value Added Tax Act, 2003 and the details of the same are given in Annexure A to this report read with Note No. 41 to the Financial statements, which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses
 - iii. There has been no delay in transferring amounts, required to be transferred, to Investor Education and Protection fund by the Company and

- I.
 - a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b. All fixed assets have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - c. According to the information and explanations given by the management, the title deeds of immovable properties included in fixed assets are held in the name of the Company.
- II.
 - a. The management has conducted physical verification of inventory except goods-in-transit at reasonable intervals during the year.
 - b. The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
 - c. The Company is maintaining proper records of inventory and no material discrepancies were noticed on physical verification.
- III. According to the information and explanations given to us, the Company has not granted loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, provisions of clauses 3(iii) (a), (b) & (c) of the Order are not applicable to the Company and hence not commented upon.
- IV. In our opinion and according to the information and explanations given to us, the company does not have any transactions to which the provisions of Section 185 apply. The company has complied with the provisions of Section 186 of the Act, with respect to the loans, investments, guarantees and security.
- V. The Company has not accepted any deposits from the public. Hence, the provisions of Sections 73 to 76 or any other relevant provisions of The Companies Act and rules framed there under are not applicable. The provisions of clause 3(v) of the Order are not applicable to the Company and hence not commented upon.

VI. The provisions of The Companies (Cost Records and Audit) Rules, 2014 as amended by the Companies (cost records and audit) Amendment Rules, 2016 read with provisions of Sec. 148(1) of The Companies Act, 2013 for the maintenance of cost records are not applicable to the company. Hence the Company is not required to maintain Cost Records and hence not required to get the cost audit done as per the provisions of The Companies (Cost Records and Audit) Rules, 2014

VII.

a. The Company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, customs duty, excise duty, value added tax, GST, cess and other material statutory dues applicable to it, though there has been a slight delay in few cases.

b. According to the information and explanations given to us, the following dues of Gujarat Value Added Tax have not been deposited by the company on account of disputes :

Nature of statute	Nature of Dues	Amount unpaid	Period to which the amount relates (Assessment Year)	Forum where Dispute is pending
Gujarat Value Added Tax Act, 2003	Demand raised under the assessment regarding Guj. Value Added Tax and Input tax credit along with Interest and Penalty.	13,02,464/-	2006-2007	Hon. Tribunal, Commercial Tax, Gujarat State, Ahmedabad

VIII. Based on our audit procedures and as per the information and explanations given by the management, we are of the opinion that the Company has not defaulted in repayment of dues to banks and Financial Institution. The Company had no Debentures issued or outstanding during the year.

IX. The company has raised money by way of initial public offer and term loan for car during the year. In our opinion and according to the information and explanations given to us, the amount raised through IPO and term loan taken by the Company have been applied for the purposes for which they were raised. However, out of the total amount raised through IPO, approximately Rs. 75,00,000/- have not been fully utilized during F.Y. 2017-2018 which was required to be utilized during F.Y. 2017-2018 for the purpose of purchase of additional plant & machineries at the existing manufacturing facilities at Surat and for setting up new manufacturing facilities to manufacture yarn at Surat as per "Objects of the Issue" as explained in Prospectus (page no. 46 to 51 of Prospectus). Thus, there is a delay in utilizing the funds raised through IPO. On being

inquired with the company and management regarding delay in utilizing the funds, it has been explained to us that the machine type required for the purpose was changed and new type of machine was not readily available with the vendors. Hence the delay was occurred.

X. According to the information and explanations given to us, no fraud by the company or on the company by its officers or employees has been noticed or reported during the course of our audit.

XI. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

XII. In our opinion and according to the information and explanations given to us, the company is not a Nidhi company. Accordingly, the provisions of clause 3(xii) of the Order are not applicable to the Company and hence not commented upon.

XIII. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Section 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the notes to the standalone financial statements as required by the applicable accounting standards.

XIV. According to the information and explanations given to us and based on our examinations of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.

XV. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3(xv) of the Order are not applicable and hence not commented upon.

XVI. According to the information and explanations given to us, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and hence not commented upon.

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **MEERA INDUSTRIES LIMITED** ("The Company") as of 31 March 2018 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. However, we are of the opinion that the company can make the Internal Controls on Financial Reporting more adequate and more effective considering the inherent risk and nature and size of the business activities carried out by the company.

NOTES ON ACCOUNTS FOR THE YEAR ENDED MARCH 31, 2018**1 CORPORATE INFORMATION:**

Meera Industries Limited ("the Company") was incorporated on 05/07/2006 as a private Limited company and later on during Financial Year 2016-2017, it got converted in Public Limited Company domiciled in India. Its shares are listed on BSE SME platform effective from 09/05/2017. The company is primarily engaged in the business of manufacture and sale of customized textile machinery and machinery parts including Import and Export of the same. During the year company has started manufacturing and trading in yarn including export of the same. During the year under reporting the company has subscribed 1000 shares of the wholly owned subsidiary company Meera Industries USA LLC. at USA as per the norms of RBI and remitted the amount of subscription of USD 1,00,000/- during the year under reporting.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**(i) Basis of preparation of Financial Statements:**

These financial statements of the company have been prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on accrual basis, except in case of assets for which provision for impairment for certain financial instruments which are measured at fair value.

All amounts included in the financial statements are reported in absolute figures of Indian Rupees.

(ii) Presentation and disclosure of financial statements:

During the year end 31ST March 2018, the company has presented the financial statements as per the Schedule III notified under the Companies Act, 2013. The company has also reclassified the previous figures in accordance with the requirements applicable in the current year.

(iii) Use of estimates:

The preparation of financial statements in conformity with Indian GAAP requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, if any at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(iv) Tangible Fixed Assets (AS 10):

Tangible Fixed assets are carried at cost of acquisition and other applicable costs less accumulated depreciation and accumulated impairment loss, if any. The cost of fixed assets includes cost of acquisition plus, any freight, taxes, duties and other incidental expenses that are directly attributable to bring the assets to their working conditions for their intended use. Borrowing costs directly attributable to the qualifying assets are capitalized as part of the cost. The costs of internally generated assets comprise direct costs attributed to the generation of the assets.

Capital work in progress, if any comprises of the cost of fixed assets that are not yet ready for their intended use at the balance sheet date. Assets held for disposal, if any are stated at the lower of net book value and the estimated net realizable value.

When parts of the items of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to the property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

Gain / loss arising from de-recognition / sale / disposal of fixed assets are measured as the difference between the net disposal / sale proceeds and the carrying amount of the assets and are recognized in the statement of profit or loss when the asset is derecognized / disposed off.

Advances paid towards the acquisition of fixed assets, if any outstanding as of balance sheet date is disclosed under long term loans and advances.

No assets have been revalued during the year.

(v) Intangible Assets:

Intangible assets are stated at the consideration paid for acquisition less accumulated amortization and accumulated impairment losses, if any.

(vi) Borrowing Costs (AS 16):

Loan processing charges paid to Bank for Term Loans have been charged to respective assets account since the same are attributable to the acquisition of qualifying assets as per the requirements of AS 16.

Borrowing cost primarily includes interest and amortisation of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset.

(vii) Depreciation / Amortization (AS 6):

Depreciation on tangible fixed assets is calculated on the Straight Line Method (SLM) based on the useful lives and residual values estimated by the management in accordance with Schedule II to the Companies Act, 2013. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

Intangible assets, if any are amortized on a straight line basis over the estimated useful economic life.

No assets have been revalued during the year.

(viii) Impairment of tangible and Intangible Assets (AS 28):

As per the estimates made by the management and as per the various assessments made by the management, there were no indicators whether internal or external (as provided in para 8 of AS 28) which has led to the impairment loss to any assets. Since there are no such indicators which suggest that the net value of the assets would fall significantly by passage of time and normal use, the company has not provided for any impairment loss for any assets during the current financial period. The company has chosen the "value in use" technique and as per the measurement of future cash flow, the management is of the opinion that the future cash flow and the terminal value of the assets would not be significantly less than the carrying value and hence no impairment for any assets has been provided for in the financial statements.

No reversal of impairment loss has been recognized in the Profit & loss Account.

Since the company has not carried out the activities in segments, the impairment loss or reversal of the impairment loss has not been provided for the segments.

In the opinion of the Board of Directors and to the best of their knowledge and belief the aggregate value of the current assets, loans and advances on realization in the ordinary course of business, will not be less than the amount at which they are stated in the Balance Sheet.

(ix) Investments (AS 13):

Investments which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued.

Current investments are carried in the financial statements at lower of cost and fair value determined in respect of each category of the investments. Long-term investments are carried at cost. However, provision for diminution in value, if any is made to recognise a decline other than temporary in the value of the investments.

On disposal of an investment, if any, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

The company has made Investments in the shares of wholly owned subsidiary in current financial year which is recognised under the head non-current investments at cost at the value converted in local currency after applying the conversion rate as on the date of remittance. All other Investments are stated at cost or Net realizable value whichever is less.

(x) Government grants and subsidies (AS 12):

Grants and subsidies from the government are recognised when there is reasonable assurance that (i) the Company will comply with the conditions attached to them, and (ii) the grant / subsidy will be received.

When the grant or subsidy relates to revenue, it is recognised as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognised as deferred income and released to income in equal amounts over the expected useful life of the related asset.

During the year, the Company has not applied for any Grants / subsidies related to the Revenue or specific Fixed Assets nor the Company has received any such Grants / subsidies during the year.

During the year the company has earned and claimed duty draw back on export sales which is recognised as income in the statement of profit and loss on the basis of accrual of the same.

(xi) Inventories (AS 2):

Inventories of materials include raw materials, yarn, stores and spares and consumables, packing materials, components, work-in-progress and project work-in-progress. Inventories except work-in-progress are valued at the lower of cost and estimated net realisable value. Cost in case of work in progress is determined on the basis of the actual expenditure attributable to the said work till the end of the reporting period.

(xii) Revenue recognition (AS 9):

Revenue comprises sale & export of customized machinery, yarn and service income, interest income, dividend income and export incentive income. Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and that the revenue can be reliably measured. The Company collects excise duty, sales taxes, value added taxes (VAT), Central Sales Tax, GST as applicable on behalf of the government and therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

Revenue from sale of goods is recognised in the statement of profit and loss when the significant risks and rewards in respect of ownership of goods has been transferred to the buyer as per the terms of the respective sales order, and the income can be measured reliably and is expected to be received.

Interest income are recognized on a time proportion basis taking into account the amount outstanding and the rate applicable

Dividend income from investments is recognized when the right to receive payment is established.

Export incentives are recognised when the right to receive the same is established.

Duty drawback income on export is recognized on accrual basis when the right to receive the claim by the company is established.

Exchange gain income is recognised on the basis of the exchange rate fluctuations between the dates of import / exports as the case may be and the actual payment / receipts of the imports / exports. Exchange gain is recognized on Net basis that is to say after netting off the exchange loss, if any. Exchange gain / loss is recognised on transfer of amount to Rupees Account from Dollar Account maintained by the company during the reporting period.

(xiii) CENVAT, Gujarat VAT Credit & GST:

CENVAT, Gujarat VAT credit and GST credit available on purchase of materials, purchase of capital goods and input services is not charged to cost of material, capital goods and services. CENVAT VAT credit and GST Credit availed is accounted by way of adjustment against excise duty, VAT payable GST payable on dispatch of finished goods or service tax payable and GST payable on rendering of services.

(xiv) Retirement and other Employee benefits (AS 15):

Defined contributions to Provident Fund and Employee State Insurance Corporation are charged to the statement of Profit & Loss of the year, when the employee renders the related service. There are no other obligations other than the contribution payable to the respective statutory authorities.

No retirement benefits have been paid to any employee during the year by the company.

The company does not pay the leave salary on yearly basis. However, the unveiled leave at the end of the financial year gets carry forwarded to subsequent years for availment.

In accordance with the Payment of Gratuity Act, 1972, the company provides for an amount for gratuity to eligible employees, at retirement or termination of employees. The company's obligation in respect of the gratuity plan, which is defined benefit plan (unfunded), is provided for based on actuarial valuation carried out by an independent actuary using Projected Unit Credit (PUC) method. The company has not recognized actuarial gains and losses in the Statement of Profit and Loss since the plan is unfunded and the fair value of plan assets is not applicable.

(xv) Foreign Exchange Transactions (AS 11):

Transactions in foreign currencies other than those covered by forward contracts entered into by the Company are accounted at the exchange rates prevailing on the date of transactions or at rates that closely approximate the rate at the date of the transaction.

Monetary assets (debtors for exports) and liabilities (Creditors for imports) relating to foreign currency transactions remaining unsettled at the end of the period are translated at the period-end rate and the difference in translation and realized gain and losses on foreign exchange transactions are recognized in the statement of profit and loss.

Non-monetary foreign currency items are carried at historical cost determined on the date of transaction.

Exchange difference in respect of liability incurred to acquire fixed assets is charged to revenue account.

Forward premium in respect of forward exchange contracts, if any is recognized over the life of contract. There is no carry forward of Forward contract as at the end of the year. The company has not entered into any forward exchange contracts intended for trading or speculation purposes. The company has entered into foreign exchange forward contracts for the payment / receipt of foreign exchange for import / export of goods and capital assets as the case may be and the contracts were settled during the reporting period. Any gain / loss on such contracts are recognised in the statement of profit & loss for the reporting period.

(xvi) Taxation (AS 22):

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss. The amount of current tax actually determined at the time of filing of IT return for the Assessment Year determined the final self assessment tax liability and accordingly the company has reversed the excess provision of current tax charged to statement of profit and loss in earlier period or made additional provision for current tax not charged to statement of profit & loss, in current reporting period as the case may be.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognised for all taxable timing differences. Deferred tax assets are recognised for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each reporting date, the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Separate and detailed calculation of Deferred tax is appended in these notes.

(xvii) Provisions and contingent liabilities, Contingent assets (AS 29):

A provision is recognised when the Company has a present obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made of the amount of obligation. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These estimates are reviewed at each balance sheet date and adjusted to reflect the

current best estimates.

Provisions of various expenses are recognized in the financial statements since there exists present obligations as a result of event and the expenses are accrued and incurred during the year.

The opening balance of provisions is used during the year against the payments during the year. The closing balances of provisions are the expenses accrued during the year and provided.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably.

The Company does not recognise a contingent liability but discloses its existence in the financial statements unless the possibility of an outflow is remote.

A contingent asset is not recognized in the financial statements and hence not disclosed.

(xviii) Earnings / (loss) per share (AS 20):

Basic earnings / (loss) per share are calculated by dividing the net profit / (loss) for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the year and also after the balance sheet date but before the date the financial statements are approved by the board of directors for the purpose of calculating diluted earnings / (loss) per share. The net profit / (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus and right issue as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

(xix) Cash and Cash Equivalents:

Cash and cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand, cheques on hand and short-term investments with an original maturity of three months or less.

(xx) Operating leases:

Where the Company is a lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on the basis of the lease (rent agreements). Initial direct costs such as legal costs, brokerage costs, etc. if any, are recognised immediately in the statement of profit and loss.

34. Operating leases:

The Company has taken factory land on lease rental agreement of 5 years with fixed rental on monthly basis for each of the years included in the lease period which is increasing every year. Each renewal is at the option of lessee. There are no restrictions placed upon the company by entering into these leases. The total rental expenses during the period was ` 19,20,000 (10,80,000).

The company has not entered into any lease agreements with any person during the year whereby any operating lease incomes are generated. The company has not acquired any fixed assets under finance lease / operating lease agreements during the year.

35. Earning / (loss) per share:

Basic and Dilutive Earnings per Share ("EPS") computed in accordance with Accounting Standard (AS) 20 'Earnings per Share'.

Particulars		2017-2018	2016-2017
Basic :			
Profit after tax as per P & L Account before exceptional item	A	2,61,28,897.91	1,06,32,815.00
Weighted Number of Equity shares outstanding during the period	B	3815062	2774350
Basic EPS (Rupees)	A/B	6.85	3.83
Diluted EPS (Rupees)	A/B	6.85	3.83

Since the company has not issued any convertible preference shares or convertible debentures, the diluted EPS is same as that of Basic EPS.

36. Segmental Reporting (AS 17):

As permitted by paragraph 4 of Accounting Standard-17 (As-17), "Segment Reporting", if a single financial report contains both consolidated financial statements and the separate financial statements of the parent, segment information need by presented only on the basis of the consolidated financial statements. Thus, disclosures required by AS-17 are given in consolidated financial statements.

37. Related Party Disclosures:

a. List of related parties and nature of relationships where control exists:

MEERA INDUSTRIES USA LLC – WHOLLY OWNED SUBSIDIARY OUTSIDE INDIA

Disclosures as required by Regulation 34(3) read with para A of Schedule V to the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

The company has wholly owned subsidiary outside India during the reporting period and hence the disclosure requirements as per Regulation 53(f) SEBI (LODR) Regulations, 2015 has given in the notes on accounts. The company has not granted any loans to its subsidiary during the reporting period.

Note: No loans have been granted by the Company to any person for the purpose of investing in the shares of Meera Industries Limited.

38. Cash Flow Statement:

Cash flows are reported using the indirect method, whereby net profits before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the company are segregated.

39. Based on the information available with the company, there are no dues to Micro & Small Enterprises under the Micro, Small and medium Enterprises Development Act, 2006.

40. Disclosure required U/S. 186(4) of The Companies Act, 2013:

The company has not given any loans and guarantees to any related parties nor provided any guarantees for obtaining loans by the related parties.

No related parties have given any securities for loans obtained by the company.

The Company Has Wholly Owned Subsidiary Outside India during the year under reporting.

41. The provisions of sec. 135 of the Companies Act, 2013 related to Corporate Social Responsibility are not applicable to the company hence, no provision is made out of profit and no such expenses were incurred by the company during the reporting period.

42. During the year the company has not entered into any hire purchase agreement with any institutions.

43. Provision for trade guarantees / warranties:

The company is engaged in the business of manufacturing of textile machinery and not provided or entered into any service contracts which creates the liability of warranties etc. and therefore, no such liabilities are provided.

44. Contingent Liabilities:

Particulars	March 31, 2018	March 31, 2017
Amount payable if the "C" Forms under GVAT / CST pending for collection are not received till the date of assessment	NIL	10,72,460
Sales tax matter disputed in Appeal	NIL	97,342
Sales tax assessment for Sales tax A.Y. 2006 - 2007 pending before Gujarat Commercial Tax Tribunal, Ahmedabad	13,02,464	NIL

Notes:

1. The Company has filed an appeal before the Appellate authorities in respect of the disputed matter under sales tax and the appeal is pending with the appellate authority. Considering the facts of the matters, no provision is considered necessary by the management because the management is hopeful that the matter would be decided in favour of the Company in the light of the legal opinion obtained by the company.

45. Capital and other commitments:

There are no contracts remaining to be executed on Capital account and hence no provision has been made on this account.

The Company has no obligation on account of non-fulfilment of export commitments under various advance licenses during the reporting period and hence no provisions have been made.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF
MEERA INDUSTRIES LIMITED**Report on the Consolidated Financial Statements**

We KA SANGHAVI & CO. LLP have audited the accompanying Consolidated Financial Statements of MEERA INDUSTRIES LIMITED (hereinafter referred to as "the Holding Company"), its Whole Owned Subsidiary out side India (the Holding Company, its subsidiaries together referred as "the Group") and its associates which comprise the Consolidated Balance Sheet as at 31 March 2018, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these Consolidated Financial Statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as 'the Act') that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and of the Associates are responsible for maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the Consolidated Financial Statements by the directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards

and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India;

- a) In the case of the Consolidated Balance Sheet, of the state of affairs of the Group and its associates as at March 31, 2018;
- b) In the case of the Consolidated Statement of Profit and Loss, of the profit for the year ended on that date; and
- c) In the case of the Consolidated Cash Flow Statement, of the cash flows for the year ended on that date.

The Consolidated Financial Statements include the results of following entities:

1. Meera Industries Limited (Holding Company)
2. Meera Industries USA LLC (Wholly Owned Subsidiary).

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Group and its associates so far as appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Financial Statements
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of written representations received from the Directors of the Holding Company as on 31 March, 2018, taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its wholly owned subsidiary company incorporated outside India, none of the directors of Group Companies are disqualified as on 31 March, 2018, from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting of the Group, refer to our separate report in "Annexure A" which is based on the auditor's report of the company and its subsidiary companies incorporated in India. Our report expresses an

unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of those companies, for the reasons stated therein and

- g) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to our best of our information and according to the explanations given to us:
 - i. The Group has disclosed the impact of pending litigations on its financial position in financial statements. Refer Notes 2 sub point xviii to the financial statement;
 - ii. The Group did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses
 - iii. There has been no delay in transferring amounts, required to be transferred, to Investor Education and Protection fund by the Group and

Other matters

1. The accompanying consolidated financial statements include total assets of Rs. 90.21 lakhs as at March 31, 2018 and total revenue of Rs. 139.39 Lakhs for the year ended on that date in respect of the wholly owned subsidiary company incorporated outside India (i.e. USA) which have not been audited by us, whose financial statements and other financial information have been furnished to us. Our opinion, in so far it relates to amounts and disclosures in respect of this wholly owned subsidiary is based solely on such financial statement and other financial information.

ANNEXURE - A TO THE AUDITORS' REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of MEERA INDUSTRIES LIMITED as of and for the year ended March 31, 2018, we have audited the internal financial controls over financial reporting of MEERA INDUSTRIES LIMITED (hereinafter referred to as the "Holding Company") as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Holding Company and associates which is the company and associates incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its associates which are companies incorporated in India, have, maintained in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. However, we are of the opinion that the company can make the Internal Controls on Financial Reporting more adequate and more effective considering the inherent risk and nature and size of the business activities carried out by the company.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018**1 CORPORATE INFORMATION:**

Meera Industries Limited ("the Company") was incorporated on 05/07/2006 as a private Limited company and later on during Financial Year 2016-2017, it got converted in Public Limited Company domiciled in India. Its shares are listed on BSE SME platform effective from 09/05/2017. The company is primarily engaged in the business of manufacture and sale of customized textile machinery and machinery parts including Import and Export of the same. During the year company has started manufacturing and trading in yarn including export of the same. During the year under reporting the company has subscribed 1000 shares of the wholly owned subsidiary company Meera Industries USA LLC. at USA as per the norms of RBI and remitted the amount of subscription of USD 1,00,000/- during the year under reporting.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**(i) Basis of preparation of Financial Statements:**

These consolidated financial statements comprise the financial statements of Meera Industries Ltd. and its Wholly Owned Subsidiary in USA- Meera Industries USA LLC (together referred to as the Group). The consolidated financial statements are prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on accrual basis, except in case of assets for which provision for impairment for certain financial instruments which are measured at fair value.

All amounts included in the financial statements are reported in absolute figures of Indian Rupees.

(ii) Presentation and disclosure of financial statements:

During the year end 31ST March 2018, the group has presented the consolidated financial statements as per the Schedule III notified under the Companies Act, 2013. The group has also reclassified the previous year's figures in accordance with the requirements applicable in the current year.

(iii) Principles of consolidation:

The consolidated financial statements of the Group are prepared in accordance with Accounting Standard 21 – 'Consolidated Financial Statements', Accounting Standard 23 – 'Accounting for Investments in Associates in Consolidated Financial Statements' as notified by the Rules.

The consolidated financial statements are presented, to the extent possible, in the same format as that adopted by the Company for its standalone financial statements.

Subsidiaries

Wholly own Subsidiary outside India is fully consolidated from the date of acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

The financial statements of the Company and its subsidiary have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra group balances and intra group transactions. The unrealised profits or losses resulting from the intra group transactions and intra group balances have been eliminated.

The excess of the cost to the Company of its investment in the subsidiaries over the Company's portion of equity on the acquisition date is recognised in the financial statements as goodwill and is tested for impairment annually. The excess of Company's portion of equity of the subsidiary over the cost of investment therein is treated as capital reserve.

The Company's portion of the equity in the subsidiary at the date of acquisition is determined after realigning the material accounting policies of the subsidiary to that of the parent and the charge/(reversal) on account of realignment is adjusted to the accumulated reserves and surplus of the subsidiary at the date of acquisition.

The consolidated financial statements are prepared using uniform accounting policies for like transactions and events in similar circumstances and necessary adjustments required for deviations, if any to the extent possible unless otherwise stated, are made in the consolidated financial statements and are presented in the same manner as the Company's standalone financial statements.

Share of minority interest, if any in the net profit is adjusted against the income to arrive at the net income attributable to shareholders of the parent Company. Minority interest's share of net assets is presented separately in the balance sheet.

If the losses attributable to the minority in a consolidated subsidiary exceed the minority's share in equity of the subsidiary, then the excess, and any further losses applicable to the minority, are adjusted against the Group's interest except to the extent that the minority has a binding obligation to, and is able to, make good the losses. If the subsidiary subsequently reports profits, all such profits are allocated to the Group's interest until the minority's share of losses previously absorbed by the Group has been adjusted.

A change in the ownership interest of a subsidiary, without a loss of control is accounted for as an equity transaction.

If the Group loses control over a subsidiary, it:

- a) derecognises the assets (including goodwill) and liabilities of the subsidiary;
- b) derecognises the carrying amount of any minority interest;
- c) derecognises the cumulative translation differences, recorded in foreign currency translation reserve;
- d) recognises the value of the consideration received;
- e) recognises the value of any investment retained;
- f) recognises any surplus or deficit in profit or loss;

Associates

The Group consists of only one Wholly owned subsidiary outside India and no other associates during the reporting period.

(iv) Use of estimates:

The preparation of financial statements in conformity with Indian GAAP requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, if any at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(v) Tangible Fixed Assets (AS 10):

Tangible Fixed assets are carried at cost of acquisition and other applicable costs less accumulated depreciation and accumulated impairment loss, if any. The cost of fixed assets includes cost of acquisition plus, any freight, taxes, duties and other incidental expenses that are directly attributable to bring the assets to their working conditions for their intended use. Borrowing costs directly attributable to the qualifying assets are capitalized as part of the cost. The costs of internally generated assets comprise direct costs attributed to the generation of the assets.

Capital work in progress, if any comprises of the cost of fixed assets that are not yet ready for their intended use at the balance sheet date. Assets held for disposal, if any are stated at the lower of net book value and the estimated net realizable value.

When parts of the items of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to the property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

Gain / loss arising from de-recognition / sale / disposal of fixed assets are measured as the difference between the net disposal / sale proceeds and the carrying amount of the assets and are recognized in the statement of profit or loss when the asset is derecognized / disposed off.

Advances paid towards the acquisition of fixed assets, if any outstanding as of balance sheet date is disclosed under long term loans and advances.

No assets have been revalued during the year.

(vi) Intangible Assets:

Intangible assets are stated at the consideration paid for acquisition less accumulated amortization and accumulated impairment losses, if any.

(vii) Borrowing Costs (AS 16):

Loan processing charges paid to Bank for Term Loans have been charged to respective assets account since the same are attributable to the acquisition of qualifying assets as per the requirements of AS 16.

Borrowing cost primarily includes interest and amortisation of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset.

(viii) Depreciation / Amortization (AS 6):

Depreciation on tangible fixed assets is calculated on the Straight Line Method (SLM) based on the useful lives and residual values estimated by the management in accordance with Schedule II to the Companies Act, 2013. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

Intangible assets, if any are amortized on a straight line basis over the estimated useful economic life.

No assets have been revalued during the year.

(ix) Impairment of tangible and Intangible Assets (AS 28):

As per the estimates made by the management and as per the various assessments made by the management, there were no indicators whether internal or external (as provided in para 8 of AS 28) which has led to the impairment loss to any assets. Since there are no such indicators which suggest that the net value of the assets would fall significantly by passage of time and normal use, the company has not provided for any impairment loss for any assets during the current financial period. The company has chosen the "value in use" technique and as per the measurement of future cash flow, the management is of the opinion that the future cash flow and the terminal value of the assets would not be significantly less than the carrying value and hence no impairment for any assets has been provided for in the financial statements.

No reversal of impairment loss has been recognized in the Profit & loss Account.

Since the company has not carried out the activities in segments, the impairment loss or reversal of the impairment loss has not been provided for the segments.

In the opinion of the Board of Directors and to the best of their knowledge and belief the aggregate value of the current assets, loans and advances on realization in the ordinary course of business, will not be less than the amount at which they are stated in the Balance Sheet.

(x) Investments (AS 13):

Investments which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued.

Current investments are carried in the financial statements at lower of cost and fair value determined in respect of each category of the investments. Long-term investments are carried at cost. However, provision for diminution in value, if any is made to recognise a decline other than temporary in the value of the investments.

On disposal of an investment, if any, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

All Investments are stated at cost or Net realizable value whichever is less.

(xi) Government grants and subsidies (AS 12):

Grants and subsidies from the government are recognised when there is reasonable assurance that (i) the Group will comply with the conditions attached to them, and (ii) the grant / subsidy will be received.

When the grant or subsidy relates to revenue, it is recognised as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognised as deferred income and released to income in equal amounts over the expected useful life of the related asset.

During the year, the Group has not applied for any Grants / subsidies related to the Revenue or specific Fixed Assets nor the Group has received any such Grants / subsidies during the year.

During the year the Group has earned and claimed duty draw back on export sales which is recognised as income in the statement of profit and loss on the basis of accrual of the same.

(xii) Inventories (AS 2):

Inventories of materials include raw materials, yarn, stores and spares and consumables, packing materials, components, work-in-progress and project work-in-progress. Inventories except work-in-progress are valued at the lower of cost and estimated net realisable value. Cost in case of work in progress is determined on the basis of the actual expenditure attributable to the said work till the end of the reporting period.

(xiii) Revenue recognition (AS 9):

Revenue comprises sale & export of customized machinery by the group, yarn and service income, interest income, dividend income and export incentive income. Revenue is recognised to the extent it is probable that the economic benefits will flow to the Group and that the revenue can be reliably measured. The Group collects excise duty, sales taxes, value added taxes (VAT), Central Sales Tax, GST as applicable on behalf of the government and therefore, these are not economic benefits flowing to the Group. Hence, they are excluded from revenue.

Revenue from sale of goods is recognised in the statement of profit and loss when the significant risks and rewards in respect of ownership of goods has been transferred to the buyer as per the terms of the respective sales order, and the income can be measured reliably and is expected to be received.

Interest income are recognized on a time proportion basis taking into account the amount outstanding and the rate applicable

Dividend income from investments is recognized when the right to receive payment is established.

Export incentives are recognised when the right to receive the same is established.

Duty drawback income on export is recognized on accrual basis when the right to receive the claim by the company is established.

Exchange gain income is recognised on the basis of the exchange rate fluctuations between the dates of import / exports as the case may be and the actual payment / receipts of the imports / exports. Exchange gain is recognized on Net basis that is to say after netting off the exchange loss, if any. Exchange gain / loss is recognised on transfer of amount to Rupees Account from Dollar Account maintained by the company during the reporting period.

(xiv) CENVAT, Gujarat VAT Credit & GST:

CENVAT, Gujarat VAT credit and GST credit available on purchase of materials, purchase of capital goods and input services is not charged to cost of material, capital goods and services. CENVAT VAT credit and GST Credit availed is accounted by way of adjustment against excise duty, VAT payable GST payable on dispatch of finished goods or service tax payable and GST payable on rendering of services.

(xv) Retirement and other Employee benefits (AS 15):

Defined contributions to Provident Fund and Employee State Insurance Corporation are charged to the statement of Profit & Loss of the year, when the employee renders the related service. There are no other obligations other than the contribution payable to the respective statutory authorities.

No retirement benefits have been paid to any employee during the year by the company.

The Group does not pay the leave salary on yearly basis. However, the unavailed leave at the end of the financial year gets carry forwarded to subsequent years for availment.

In accordance with the Payment of Gratuity Act, 1972, the Group provides for an amount for gratuity to eligible employees, at retirement or termination of employees. The Group's obligation in respect of the gratuity plan, which is defined benefit plan (unfunded), is provided for based on actuarial valuation carried out by an independent actuary using Projected Unit Credit (PUC) method. The Group has not recognized actuarial gains and losses in the Statement of Profit and Loss since the plan is unfunded and the fair value of plan assets is not applicable.

(xvi) Foreign Exchange Transactions (AS 11):

Transactions in foreign currencies other than those covered by forward contracts entered into by the Group are accounted at the exchange rates prevailing on the date of transactions or at rates that closely approximate the rate at the date of the transaction.

Monetary assets (debtors for exports) and liabilities (Creditors for imports) relating to foreign currency transactions remaining unsettled at the end of the period are translated at the period-end rate and the difference in translation and realized gain and losses on foreign exchange transactions are recognized in the statement of profit and loss.

Non-monetary foreign currency items are carried at historical cost determined on the date of transaction.

Exchange difference in respect of liability incurred to acquire fixed assets is charged to revenue account.

Forward premium in respect of forward exchange contracts, if any is recognized over the life of contract. There is no carry forward of Forward contract as at the end of the year. The group has not entered into any forward exchange contracts intended for trading or speculation purposes. The group has entered into foreign exchange forward contracts for the payment / receipt of foreign exchange for import / export of goods and capital assets as the case may be and the contracts were settled during the reporting period. Any gain / loss on such contracts are recognised in the statement of profit & loss for the reporting period.

(xvii) Taxation (AS 22):

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the group operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss. The amount of current tax actually determined at the time of filing of IT return for the Assessment Year determined the final self assessment tax liability and accordingly the company has reversed the excess provision of current tax charged to statement of profit and loss in earlier period or made additional provision for current tax not charged to statement of profit & loss, in current reporting period as the case may be.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognised for all taxable timing differences. Deferred tax assets are recognised for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the group has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each reporting date, the group re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each reporting date. The group writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Separate and detailed calculation of Deferred tax is appended in these notes.

(xviii) Provisions and contingent liabilities, Contingent assets (AS 29):

A provision is recognised when the group has a present obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made of the amount of obligation. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These estimates are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Provisions of various expenses are recognized in the financial statements since there exists present obligations as a result of event and the expenses are accrued and incurred during the year.

The opening balance of provisions is used during the year against the payments during the year. The closing balances of provisions are the expenses accrued during the year and provided.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably.

The group does not recognise a contingent liability but discloses its existence in the financial statements unless the possibility of an outflow is remote.

A contingent asset is not recognized in the financial statements and hence not disclosed.

(xix) Earnings / (loss) per share (AS 20):

Basic earnings / (loss) per share are calculated by dividing the net profit / (loss) for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the year and also after the balance sheet date but before the date the financial statements are approved by the board of directors for the purpose of calculating diluted earnings / (loss) per share. The net profit / (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus and right issue as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

(xx) Cash and Cash Equivalents:

Cash and cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand, cheques on hand and short-term investments with an original maturity of three months or less.

(xii) Operating leases:

Where the Group is a lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on the basis of the lease (rent agreements). Initial direct costs such as legal costs, brokerage costs, etc. if any, are recognised immediately in the statement of profit and loss.

DEFERRED TAX:

Deferred tax liability has been created on the basis of the timing difference in depreciation as per the Companies Act, 2013 and the depreciation allowable as per The Income Tax Rules, 1962 for the assets of the Indian Holding company. Further the same is created due to the claim made under the Income Tax Act, 1961 as per provisions of Sec. 35(2AB) and 35(1)(iv) during the reporting year.

Deferred tax asset is on the basis of the provisions of gratuity on the basis of the actuarial valuation during the reporting year.

34. Additional information pursuant to the provisions of Schedule III of The Companies Act, 2013 in respect of Consolidation:

A) List of Subsidiaries which are included in the consolidation and the Company's effective holdings therein are as under:

Name of the subsidiary	Country of Incorporation	Effective ownership in subsidiaries as at March 31,	
		2018	2017
Meera Industries USA LLC	USA	100%	Nil

b) Additional information, as required under Schedule III of the Act for the entities consolidated as subsidiaries.

Name of the subsidiary	Net Assets (total assets – total liabilities)		Share in profit or loss	
	As % of consolidated Net assets	Amount	As % of Consolidated profit or loss	Amount
<u>Parent</u>				
Meera Industries Limited	102.03	921.63	105.80	261.29
<u>Indian Subsidiaries</u>	Nil	Nil	Nil	Nil
<u>Wholly owned Subsidiary outside India</u>				
Meera Industries USA LLC	5.14	46.40	(5.80)	(14.33)
<u>Minority Interest in all subsidiary</u>	Nil	Nil	Nil	Nil
<u>Eliminations</u>	(7.17)	(64.76)	Nil	Nil
TOTAL	100.00	903.27	100.00	246.96

- C) In respect of the following components of consolidated financial statements, it is not practicable to align the accounting policies followed by the subsidiary company.

(Amount in Lakhs Rs.)

Components of Consolidated Financial Statements	Particulars	Amount as at March 31, 2018	Proportion of the total component
Deferred tax	There is no timing difference as far as the subsidiary is concerned, since the subsidiary is WOS at USA and not supposed to file income tax return in India. Therefore, while calculating the deferred tax in the consolidated statements, the timing differences arising out of the items appearing in the Holding Company are considered.	NIL (NIL)	NIL (NIL)
Depreciation	The subsidiary has provided depreciation by taking different useful life of the assets as against the useful life considered by the holding company.	0.30 (NIL)	1.00% (NIL)

35. Operating leases:

The Group has taken factory land on lease rental agreement of 5 years with fixed rental & office premises at USA on monthly lease rental basis for each of the years included in the lease period which is increasing every year. Each renewal is at the option of lessee. There are no restrictions placed upon the Group by entering into these leases. The total rental expenses during the period was ₹ 27,32,245 (10,80,000).

The group has not entered into any lease agreements with any person during the year whereby any operating lease incomes are generated. The company has not acquired any fixed assets under finance lease / operating lease agreements during the year.

36. Earning / (loss) per share:

Basic and Dilutive Earnings per Share ("EPS") computed in accordance with Accounting Standard (AS) 20 'Earnings per Share'.

Particulars		2017-2018	2016-2017
Basic :			
Profit after tax as per P & L Account before exceptional item	A	2,46,96,158.53	1,06,32,815.00
Weighted Number of Equity shares outstanding during the period	B	3815062	2774350
Basic EPS (Rupees)	A/B	6.47	3.83
Diluted EPS (Rupees)	A/B	6.47	3.83

Since the group has not issued any convertible preference shares or convertible debentures, the diluted EPS is same as that of Basic EPS.

- 37. Segmental Reporting (AS 17):** The group has disclosed business segment as the primary segment. Segments have been identified taking into account the nature of the product, the differing risks and returns, the organization structure and internal reporting system. The group has identified geographical segment as secondary reportable segments.

The group's operations predominantly relate to manufacturing and sale of textile machineries including servicing of machineries on labor basis and also manufacturing and processing of Yarn in local market as well as exports.

Segment revenue, segment results, segment assets and segment liabilities include the respective amounts identifiable to each of the segments. Inter-segment transfers have been carried out at mutually agreed prices which are at arm's length price.

The accounting principles consistently used in the preparation of the financial statements are also consistently applied to record income and expenditure in individual segments. These are as set out in the note on significant accounting policies.

39. Cash Flow Statement:

Cash flows are reported using the indirect method, whereby net profits before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the company are segregated.

40. Based on the information available with the group, there are no dues to Micro & Small Enterprises under the Micro, Small and medium Enterprises Development Act, 2006.

41. Disclosure required U/S. 186(4) of The Companies Act, 2013:

The group has not given any loans and guarantees to any related parties nor provided any guarantees for obtaining loans by the related parties.

No related parties have given any securities for loans obtained by the company.

42. The provisions of sec. 135 of the Companies Act, 2013 related to Corporate Social Responsibility are not applicable to the company hence, no provision is made out of profit and no such expenses were incurred by the company during the reporting period.

43. During the year the group has not entered into any hire purchase agreement with any institutions.

44. Provision for trade guarantees / warranties:

The Group is engaged in the business of manufacturing of textile machinery and not provided or entered into any service contracts which creates the liability of warranties etc. and therefore, no such liabilities are provided.

45. Contingent Liabilities:

Particulars	March 31, 2018	March 31, 2017
Amount payable if the "C" Forms under GVAT / CST pending for collection are not received till the date of assessment	NIL	10,72,460
Sales tax matter disputed in Appeal	NIL	97,342
Sales tax assessment for Sales tax A.Y. 2006-2007 pending before Gujarat Commercial Tax Tribunal, Ahmedabad	13,02,464	NIL

46. Capital and other commitments:

There are no contracts remaining to be executed on Capital account and hence no provision has been made on this account.

The group has no obligation on account of non-fulfilment of export commitments under various advance licenses during the reporting period and hence no provisions have been made.

47. Accounting policies not specifically referred to otherwise are consistent and in consonance with the generally accepted accounting policies. (GAAP).
48. The previous year's figures have been regrouped or reclassified wherever necessary to confirm with the current year's presentation.
