Economy Overview

India's economic growth in 2017-18 experienced a slowdown to 6.6% from 7.1% in the previous year. The first quarter of the financial year 2017-18 saw the impact of demonetisation settling down, while in the next quarter, the introduction of the landmark Goods and Services Tax (GST) brought in some uncertainties as businesses adjusted to the new regime. This did not take long, and from the third quarter onwards, signs of growth returning were evident.

Sectors such as public administration, defence and other services, trade, hotels, transport, communication and services related to broadcasting, electricity, gas and water supply and other utility services, financial, real estate and professional services registered a growth of over 7%.

Industrial growth also recovered with the Index of Industrial production (IIP) registering an impressive growth rate of 7.5% in January 2018 as compared to 2.4% in January 2017. The cumulative growth for the year stood at 3.7% in contrast to 5.1% growth registered during 2016-17.

Manufacturing sectors such as pharmaceuticals, electronics and transport equipment registered robust double-digit growth rates, while growth in other sectors such as electrical equipment, garments and textiles slackened.

Indian exports exhibited positive growth during the year 2017-18 and expanded by around 11% over the previous year.

Operating Performance

During the year under review, despite the economic slowdown in first half, your company recorded a turnover (net of excise) of ₹117.61 crores as compared to ₹112.75 crores in the previous year. Profit after tax at ₹8.03 crores improved significantly as compared to ₹6.10 crores in 2016-17 as a result of reduction in tax expense. Consequently, Earnings per share increased to ₹13.54 as compared to ₹10.33 in 2016-17.

Dividends

Based on the company's performance, the Directors are pleased to recommend a dividend of ₹4.00 per Equity Share (previous year ₹4.00 per Equity Share) for the financial year ended 31st March, 2018. The total outflow on account of the

proposed dividend including dividend distribution tax will be ₹291.72 lakh (previous year ₹291.24 lakh). The dividend on equity shares, if approved at the ensuing Annual General Meeting, will be paid to Members whose names appear in the Register of Members as on 19th September, 2018 and to Members whose names appear on that date as Beneficial Owners as furnished by National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL).

Transfer to Reserves

It is proposed to transfer an amount of ₹ 81.89 lakh (being 10% of the net profits for the year) to the General Reserve.

Industry Structure and Developments

Global gelatin market is expected to grow at a rate of 2% to 3% per annum. Increasing use in nutraceuticals, recognition of preventive healthcare, growing demand for technical textile and utilization of functional food are the major factors driving the market growth. Pharmaceutical applications are expected to witness fastest growth on account of rapidly expanding usage of hydrocolloids in production of tablets and capsules. However, food security concerns and threat of vegan gelatin substitutes are some of the factors hindering the market growth.

Pig skin segment holds the maximum share of the gelatin market. Huge amount of collagen found in pig skin is one of the key factors driving this segment. Bovine hides and bones are unrefined materials that are used broadly in the market, and both these segments combined together account for less than 60% share of the overall gelatin market.

Growing regulatory issues, primarily in the food industry, are also challenges for domestic gelatin manufacturers.

Opportunities and Threats, Outlook, Risks and Concerns

India continues to be categorised as "Negligible Risk" under BSE categorisation. With increasing level of awareness on environmental hazards, the state authorities are upgrading pollution control norms regularly and the industry is now required to address the issue of environment with more commitment. Your company continues to take all necessary steps to comply with pollution control norms.

Difficulty in sourcing good quality raw material and rise in raw material prices continue to areas of concern. The import of poor quality gelatin into India is a matter of health concern and affects proper price realisation for the gelatin produced by the domestic manufacturers. The industry has been taking pro-active steps to make the Government authorities aware of such imports. Furthermore, availability of cheap raw materials has pushed down the gelatine prices globally. This has the impact on pricing in the domestic market. Large quantities of gelatin are being imported into India at prices lower than the domestic prices, which is a major concern for the industry. The availability of good quality crushed bones at a reasonable cost is critical for the competitiveness of the domestic ossein and gelatin industry. The government has allowed imports of crushed bones and the quality of the imported bones is far superior. This may help to reduce the raw material prices in India and also help to improve the quality of gelatin.

The growth of the market for food gelatin is driven by the end-use industries, such as confectionery, nutritional drinks and bakery. Although the market is growing, it is facing different challenges that include low acceptance from strict vegetarians and religious groups. While your company is taking all actions to improve product mix, yield and productivity along with cost reduction measures, the price realisation for gelatin and consequently the margins are constantly facing pressure. The prima facie indications from the Government to replace the gelatin capsules by Hydro-

xypropylmethyl cellulose (HPMC) is a major challenge being faced by the industry over the past year. For the time being, this has been set to rest as the recommendation of expert committee appointed by the Government is in favour of continuing with gelatin capsules for medicinal use.

Segment-wise or product-wise performance

The Company is engaged in only one segment namely manufacture and sale of gelatine and related products like ossein and di-calcium phosphate (DCP) and as such there are no reportable segments as per Ind AS-108 "Operating Segments"

Quality initiatives

The Company is committed to the highest levels of quality for its products and customer services. During the financial year 2017-18, the Company retained its ISO certification for Quality Management (ISO 9001:2008), EDQM Certification from European Directorate for the Quality of Medicines and Healthcare, DNV Management System Certification for Food Safety Management System Standard (ISO 22000:2005), KOSHER Certification, Halal Assurance System Certification from Majelis Ulama, Indonesia.

Internal financial controls and its adequacy

The Company has designed and implemented a process driven framework for Internal Financial Controls within the meaning of the explanation to Section 134(5)(e) of the Companies Act, 2013. Based on the framework of internal financial controls and compliance systems established and maintained by the Company, work performed by the Internal, Statutory and Secretarial Auditors, including audit of the internal financial controls over financial reporting by the Statutory Auditors, and the reviews performed by Management and the relevant Board Committees, including the Audit Committee, the Board is of the opinion that the Company's internal financial controls were adequate and effective during the financial year 2017-18 and commensurate with the nature and size of its business operations and operating effectively and no material weakness exists. The Company has a process in place to continuously monitor the same and identify gaps, if any, and implement new and/or improved controls wherever the effect of such gaps would have a material effect on the Company's operations.

The Company's internal control system comprises audit and compliance of observations made by the Internal Auditor. The Internal Auditor independently evaluates the adequacy of internal controls and concurrently audits the majority of the transactions in value terms. Independence of audit and compliance is ensured by direct reporting of Internal Auditor to the Audit Committee. Statutory and Internal Auditors undertake rigorous testing of the control environment of the Company.

Fixed Deposits

During the year under review, the Company has not accepted any deposits from public as defined under Chapter V of the Companies Act, 2013 and as such, no amount on account of principal or interest on deposits from public was outstanding as on the date of the balance sheet.

Particulars of Loans, Guarantees or Investments

Details of Loans, Guarantees and Investments covered under the provisions of Section 186 of the Companies Act, 2013 are given in the notes to the Financial Statements.

Corporate Social Responsibility (CSR)

The brief outline of the corporate social responsibility (CSR) policy of the Company and the initiatives undertaken by the Company on CSR activities during the year are set out in Annexure I of this report in the format prescribed in the

Companies (Corporate Social Responsibility Policy) Rules, 2014. For other details regarding the CSR Committee, please refer to the Corporate Governance Report, which is a part of this report. The policy is available on <https://www.narmadagelatines.com>.

Risk Management

The Board of Directors of the Company has formed a Risk Management Committee to frame, implement and monitor the risk management plan for the Company. The Risk Management Committee is entrusted with the responsibility to assist the Board in overseeing the risks associated with the business and risk mitigating measures to be taken by the Company. The details of the Risk Management Committee, its terms of reference, key business risks identified and mitigation plans are set out in the Corporate Governance Report.

Vigil Mechanism

As per the provisions of Section 177(9) of the Companies Act, 2013 ('Act'), the Company is required to establish an effective Vigil Mechanism for directors and employees to report genuine concerns. The Company has a Whistle-blower Policy in place to encourage and facilitate employees to report concerns about unethical behaviour, actual/suspected frauds and violation of Company's Code of Conduct or Ethics Policy. The policy provides for adequate safeguards against victimisation of persons who avail the same and provides for direct access to the chairperson of the Audit Committee. The Audit Committee of the Company oversees the implementation of the Whistle-Blower Policy. The Company has disclosed information about the establishment of the Whistle-Blower Policy on its website www.narmadagelatines.com and in the Corporate Governance Report

Subsidiaries, Joint Ventures and Associate Companies

The Board of Directors recommends her re-appointment.

Pursuant to the provisions of Section 149 of the Act, Mr. Gulab Gupta, Mr. Mohan C Pant and Mr. Deepak Chaudhari are Independent Directors of the Company. They have submitted a declaration that each of them meet the criteria of independence as provided in Section 149(6) of the Act and Regulation 16(1)(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. There has been no change in the circumstances affecting their status as an Independent Director during the year.

During the year, Ms. Garvita Asati has been designated as Chief Financial Officer of the Company with effect from August 7, 2017.

Attention of Shareholders is invited to the relevant items of the Notice of the Annual General Meeting and the Notes thereto. Brief resume of the Director proposed to be reappointed, nature of her expertise in specific functional areas and names of companies in which she holds directorship and membership/ chairmanship of committees of the Board, as stipulated under Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 are given in the section on Corporate Governance in this Annual Report.

Board Evaluation

The Nomination & Remuneration Committee and the Board have laid down the manner in which formal annual evaluation of the performance of the Board, Committees, Chairman and individual

directors has to be made. The Board of Directors has carried out an annual evaluation of its own performance, board committees, and individual directors pursuant to the provisions of the Act, SEBI Listing Regulations and the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India.

The performance of the board was evaluated by the board after seeking inputs from all the directors on the basis of criteria such as the board composition and structure, effectiveness of board processes, information and functioning, etc. The performance of the committees was evaluated by the board after seeking inputs from the committee members on the basis of criteria such as the composition of committees, effectiveness of committee meetings, etc.

In a separate meeting of independent directors, performance of non-independent directors and the board as a whole was evaluated, taking into account the views of executive directors and non-executive directors.

The Board and the Nomination and Remuneration Committee reviewed the performance of individual directors on the basis of criteria such as the contribution of the individual director to the board and committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc. In the board meeting that followed the meeting of the independent directors and meeting of Nomination and Remuneration Committee, the performance of the board, its committees, and individual directors was also discussed.

Performance evaluation of independent directors was done by the entire board, excluding the independent director being evaluated. The manner in which the evaluation has been carried out is covered in the Corporate Governance Report.

Annexure - II to the Board's Report**SECRETARIAL AUDIT REPORT
FORM No. MR-3**

For the Financial Year Ended 31st March, 2018

(Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To,
The Members,
NARMADA GELATINES LIMITED
'CARAVS', Room No. 28,
15 Civil Lines,
Jabalpur (M.P) - 482001

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Narmada Gelatines Limited, (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended 31st March, 2018, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Narmada Gelatines Limited for the financial year ended on 31st March, 2018 according to the provisions as may be applicable to the company of:

- (1) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (2) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (3) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (4) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investments and External Commercial Borrowings: Not applicable during the period under review;
- (5) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009: Not applicable during the period under review;
 - d. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014: Not applicable during the period under review;
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008: Not applicable as the company has not issued any debt securities during the period under review
 - f. The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client: Not applicable during the period under review as the company is not acting as a Registrar and Share Transfer Agent.
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009: Not applicable during the period under review;
 - h. The Securities and Exchange Board of India (Buy Back of Securities) Regulations, 1998: Not applicable during the period under review;
 - i. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- (6) The Food Safety and Standards Act, 2006 along with Food Safety and Standards Rules, 2011;
- (7) Factories Act, 1948 and Rules made thereunder;
- (8) Employees Provident Fund and Miscellaneous Provisions Act, 1952 and Rules made thereunder;
- (9) Maternity Benefits Act, 1961;
- (10) Minimum Wages Act, 1948;

- (13) The Employment Exchange (Compulsory Notification of Vacancies) Act, 1956;
- (14) Payment of Wages Act, 1936;
- (15) Environmental Laws.

I have also examined the compliance of Secretarial Standards on Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India and made effective 1st July, 2015.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

There is no change in the composition of the Board of Directors during the period under review. Adequate notice(s) had been given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

The Resolutions passed by the Board of Directors and Committees thereof had no dissenting views which were required to be captured and minuted.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

This Report is to be read with my letter of even date annexed as Annexure "A" and forms an integral part of this report.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act and relevant rules thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018 and its profit (including other comprehensive income), its cash flows and changes in equity for the year ended on that date.

Other Matters

Opening balances have been considered based on the audited financial statements prepared under previous Generally Accepted Accounting Practices (Previous GAAP) issued by the other auditors whose unqualified audit report dated 29th May, 2017 have been furnished to us. The differences arising from transition from Previous GAAP to Ind AS have been derived from such audited financial statements.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Cash Flows and Statement of Changes in Equity, dealt with by this Report are in agreement with the books of account.

- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2018 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018, from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to other matter to be included in the Auditor's Report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements- Refer Note 33 to the Ind AS financial statements.
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we state that:

- The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment (fixed assets).
 - As explained to us, the Company has a phased program for physical verification of property, plant and equipment (fixed assets) over a period of three years. In our opinion, the frequency of verification is reasonable, considering the size of the Company and nature of its property, plant and equipment (fixed assets). Pursuant to the program of the physical verification of fixed assets, physical verification of the assets has been carried out during the year and no material discrepancies were noticed on such verification.
 - Based on the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- The Inventory has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable. The discrepancies noticed on verification between the physical stocks and records were not material in relation to the operations of the company and the same has been properly dealt within the books of accounts.
- The Company has not granted any loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clause 3(iii) of the Order are not applicable to the Company.
- The Company has not granted any loans, made investments, provided guarantees and security during the year. Accordingly, the provisions of clause 3(iv) of the Order are not applicable to the Company.
- No deposits within the meaning of directives issued by Reserve Bank of India and Sections 73 to 76 or any other relevant provisions of the Act and rules framed thereunder have been accepted by the Company.
- According to the information and explanations given to us, the Central Government has not prescribed maintenance of cost records under clause (d) of sub-section (1) of Section 148 of the Act in respect of Company's products. Accordingly, the provisions of clause 3(vi) of the Orders are not applicable to the Company.
- According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income- tax, sales-tax, goods and service tax, service tax, duty of customs, duty of excise, value added tax and other statutory dues applicable to the Company with appropriate authorities. No undisputed amounts in respect of the aforesaid statutory dues

were outstanding as at the last day of the financial year for a period of more than six months from the date they became payable.

- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the disputed dues on account of income tax, Excise duty, goods and service tax, and Sales tax which have not been deposited as at 31st March, 2018 is as under:

“ANNEXURE B”**REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE ACT**

We have audited the internal financial controls over financial reporting of NARMADA GELATINES LIMITED (“the Company”) as of 31st March, 2018 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has broadly, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The financial statements have been prepared on accrual basis under the historical cost convention, except for certain financial assets and liabilities measured at fair value. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

Upto the financial year ended on 31st March 2017, the company has prepared the accounts according to the Previous GAAP. The financial statements for the year ended 31st March 2018 are the first to have been prepared in accordance with Ind AS. Balance sheet as on 31st March 2017 has been presented as comparative on the basis of Ind AS. For any variation in the amounts represented in the comparative balance sheet vis-à-vis earlier presentation, a reconciliation is given as part of notes.

Current and Non-current classification:

- (i) The assets and liabilities in the Balance Sheet are based on current/ non - current classification. An asset as current when it is:
- Expected to be realized or intended to be sold or consumed in normal operating cycle of twelve months
 - Held primarily for the purpose of trading
 - Expected to be realized within twelve months after the reporting period, or
 - Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.
- (ii) A liability is current when:
- Expected to be settled in normal operating cycle
 - Held primarily for the purpose of trading
 - Due to be settled within twelve months after the reporting period, or
 - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are treated as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

(ii) Use of Estimates

The preparation of the financial statements is in conformity with the Ind AS, requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future actual results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

(iii) First time adoption of Ind AS

The Company has adopted Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs with effect from April 1st, 2017, with a transition date of April 1st, 2016. The adoption of Ind AS has been carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards. Ind AS 101 requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements for the year ended 31st March, 2018, be applied retrospectively and consistently for all financial years presented. However, in preparing these Ind AS financial statements, the Company has availed of certain exemptions and exceptions in accordance with Ind AS 101, as explained below. The resulting difference between the carrying values of the assets and liabilities in the financial statements as at the transition date under Ind AS and Previous GAAP have been recognised directly in equity (retained earnings or another appropriate category of equity).

Being first time adoption of Ind AS, the Company has availed the following exemptions as granted under Appendix C & D of Ind AS 101

- Ind AS 101 permits to measure all its property, plant & equipments at their Previous GAAP carrying value i.e. being deemed cost represented by Gross Block reduced by accumulated depreciation on 1st April, 2016.
- Retrospective impacts of transition from Previous GAAP to Ind AS on assets and liabilities, have been adjusted against "Other Equity" on 1st April 2016.

NOTES TO FINANCIAL STATEMENTS

(All amounts in Indian rupee lakh, unless otherwise stated)

- c. An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with Previous GAAP (after adjustments to reflect any difference in accounting policies).
- d. Ind AS estimates as at 1st April, 2016 are consistent with the estimates as at the same date made in conformity with Previous GAAP.
- e. Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

(iv) Property, Plant And Equipment & Intangible Assets

Property, Plant and Equipment: The gross block of fixed assets is stated at cost of acquisition or construction (except revalued assets) including any cost attributable to bringing the assets to their working condition for their intended use. Borrowing costs that are directly attributable to acquisition or construction of an asset that necessarily takes a substantial period of time till such assets are ready for the intended use are capitalized.

Freehold land, Buildings, Plant and Machinery and Electrical Installations were revalued as at 31st March 1993 by an approved valuer and accordingly the net replacement cost are stated.

Intangible assets: Intangible assets are stated at cost of acquisition less accumulated amortisation and impairment, if any

Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets which are carried at cost or revalued amount are recognized in the Statement of Profit and Loss.

(v) Depreciation / Amortization

Depreciation is provided on the basis of the useful lives of the Property, Plant and Equipments as estimated by management and which are in line with the useful lives prescribed under Section 123 read with Schedule II of the Companies Act, 2013.

Depreciation on certain Buildings acquired prior to 1st July 1986 is charged under Written Down Value method and on others under Straight Line method.

Being a continuous plant, Depreciation on Plant and Machinery is charged based on the useful lives of the assets, as estimated by management, which is in line with the useful life prescribed in Schedule II of the Companies Act, under Straight Line method on single shift basis excepting certain items acquired before 1st July, 1986 on which depreciation is charged under Written Down Value method. Depreciation on Diesel Generator sets is charged under Straight Line method.

Depreciation on Electrical Installations and Furniture & Fixtures being charged under Written Down Value method, has been changed to Straight Line method.

Depreciation on Motor Vehicles is charged under Straight Line method.

Assets costing up to ₹ 5,000 each are depreciated fully in the year of purchase.

Intangible assets are amortised over their estimated useful economic life under Straight Line method. Computer software cost is amortised over a period of five years.

(vi) Inventories

Inventories (includes Raw Material, Work-in-Progress, Finished goods, Stores & spares, Consumables, Packing Materials) are valued at cost or net realisable value, whichever is lower. Net realisable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to make the sale. Cost of Raw Material, Semi-finished and Finished Goods and Work-in-Progress is determined on weighted average basis and comprises of expenditure incurred in the normal course of business in bringing inventories to their present location including appropriate overheads apportioned on a reasonable and consistent basis. Obsolete, slow moving and defective stocks are identified at the time of physical verification of stocks and where necessary, provision is made for those inventories. Adequate allowance is made for obsolete and slow moving items.

(vii) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be measured reliably.

Sale of goods is recognised when the significant risk and rewards of ownership is transferred to the customer. Sales represents invoiced value of goods supplied, net of returns and discounts, including excise duty but excluding sales tax. On implementing Goods and Services Tax, revenue from sale of goods is net of taxes.

Revenue recognition from sale of "Duty Entitlement Passbook Licence or Merchandise Exports from India Scheme (MEIS)" is made on sale of the licence after receipt of the same from the office of the Director General of Foreign Trade.

Income from Duty Drawback is recognised on receipt basis.

Claims / Refunds not ascertainable with reasonable certainty are accounted for on final settlement and are recognized as revenue on certainty of receipt on prudent basis.

Interest income is recognized on a time proportion basis taking into account the amount outstanding at the rate applicable.

(viii) Income from Investment

Income from Investments (other than investments in shares of companies and Mutual Funds) is accounted on accrual basis.

NOTES TO FINANCIAL STATEMENTS

(All amounts in Indian rupee lakh, unless otherwise stated)

Dividend income on investments is recognised when the right to receive dividend is established. Interest income is recognized on a time proportionate basis taking into account the amounts invested and the rate of interest. For all financial instruments measured at amortised cost, interest income is recorded using the Effective interest rate method to the net carrying amount of the financial assets.

(ix) Foreign Currency Transactions

Foreign currency transactions are accounted at the exchange rates prevailing on the date of the transactions. Gains and losses, if any, on settlement or reinstatement of year end closing balances by applying the closing rates in respect of monetary assets and monetary liabilities not covered by the forward contracts are recognized in the statement of profit and loss.

Non-monetary items denominated in foreign currency are stated at the rate prevailing on the date of the transaction.

The premium or discount arising at the inception of the forward contract entered into to hedge the existing asset / liability, is amortized as expense or income over the life of the contract. Exchange differences on such contract are recognized in the statement of profit and loss in the reporting period in which the exchange rates change. Any profit or loss arising out of cancellation or renewal of such contract are recognized as income or expense in the reporting period. Forward exchange contracts outstanding as at the year end on account of firm commitment / highly probable forecast transaction are marked to market and the losses, if any, are recognized in the statement of profit and loss and gains are ignored.

(x) Employee Benefits

The Company has the following post-employment benefit plans:

- (i) Defined benefit plans such as gratuity;
- (ii) Defined contribution plans such as Provident fund & Superannuation fund; and
- (iii) Other employee benefits.

(i) Defined benefit plan:

Voluntary Retirement Scheme Expenses, if any are fully charged off in the year of payment.

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of defined benefit obligations at the end of the reporting period less fair value of plan assets. The defined benefit obligations is calculated annually by actuaries through actuarial valuation using the Projected Unit Credit method.

The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- a. Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements; and
- b. Net interest expense or income

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement comprising:

- a. Re-measurement of Actuarial (gains)/losses
- b. Return on plan assets, excluding amount recognized in effect of asset ceiling
- c. Re-measurement arising because of change in effect of asset ceiling

are recognised in the period in which they occur directly in Other comprehensive income. Re-measurement are not reclassified to profit or loss in subsequent periods.

Ind AS 19 requires the exercise of judgment in relation to various assumptions including future pay rises, inflation and discount rates and employee and pensioner demographics. The Company determines the assumptions in conjunction with its actuaries, and believes these assumptions to be in line with best practice, but the application of different assumptions could have a significant effect on the amounts reflected in the income statement, other comprehensive income and balance sheet. There may be also inter-dependency between some of the assumptions.

(ii) Defined contribution plan:

Under defined contribution plans, the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. Defined contribution plans comprise of contributions to provident fund, Insurance and Employees' Pension Scheme. The Company's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers.

(iii) Other employee benefits

- a. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the obligation as at the balance sheet date determined based on an actuarial valuation.

**NOTES TO FINANCIAL STATEMENTS**

(All amounts in Indian rupee lakh, unless otherwise stated)

- b. Undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the period when the employee renders the related services.
- c. Expenses incurred towards voluntary retirement scheme are charged to the statement of profit and loss as and when incurred.
- d. Other benefits comprising of discretionary long service awards are recognized as and when determined.

(xi) Current and Deferred tax

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income. Current tax is based on taxable profit for the year. Taxable profit is different from accounting profit due to temporary differences between accounting and tax treatments, and due to items that are never taxable or tax deductible. Tax provisions are included in current liabilities. Interest and penalties on tax liabilities are provided for in the tax charge. The Company offsets, the current tax assets and liabilities (on a year on year basis) where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis or to realise the assets and liabilities on net basis. Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements. Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred tax assets are not recognised where it is more likely than not that the assets will not be realised in the future. The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax items are recognised in correlation to the underlying transaction either in Other comprehensive income or directly in equity.

(xii) Impairment of Assets

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets are impaired. If any such indication exists, the Company estimates the amount of impairment loss. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made. An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through profit or loss.

(xiii) Financial Instruments**Financial assets - Initial recognition**

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the statement of profit and loss.

Subsequent measurement

Financial assets, other than equity instruments, are subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of:

- a. the entity's business model for managing the financial assets; and
- b. the contractual cash flow characteristics of the financial asset.

(i) Measured at amortised cost:

A financial asset is measured at amortised cost, if it is held under the hold to collect business model i.e. held with an objective of holding the assets to collect contractual cash flows and the contractual cash flows are solely payments of principal and interest on the principal outstanding. Amortised cost is calculated using the effective interest rate (EIR) method by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. On derecognition, gain or loss, if any, is recognised to statement of profit and loss.

(ii) Measured at fair value through other comprehensive income (FVOCI):

A financial asset is measured at FVOCI, if it is held under the hold to collect and sell business model i.e. held with an objective to collect contractual cash flows and selling such financial asset and the contractual cash flows are solely payments of principal and interest on the principal outstanding. It is subsequently measured at fair value with fair value movements recognised in the OCI, except for interest income which recognised using effective interest rate method. The losses arising from impairment are recognised in the statement of profit and loss. On derecognition, cumulative gain or loss previously recognised in the OCI is reclassified from the equity to statement of profit and loss.

NOTES TO FINANCIAL STATEMENTS

(All amounts in Indian rupee lakh, unless otherwise stated)

(iii) Measured at fair value through profit or loss (FVTPL):

Investment in financial asset other than equity instrument, not measured at either amortised cost or FVOCI is measured at FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the statement of profit and loss.

Equity Instruments:

All investments in equity instruments, if any classified under financial assets are subsequently measured at fair value.

The Company recognises a loss allowance for Expected Credit Losses (ECL) on financial assets that are measured at amortised cost and at FVOCI. The credit loss is difference between all contractual cash flows that are due to an entity in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. This is assessed on an individual or collective basis after considering all reasonable and supportable including that which is forward-looking.

The Company's trade receivables or contract revenue receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall, being simplified approach for recognition of impairment loss allowance.

Under simplified approach, the Company does not track changes in credit risk. Rather it recognizes impairment loss allowance based on the lifetime Expected Credit Losses at each reporting date right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables.

The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

For financial assets other than trade receivables, the Company recognises 12-month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. If, in a subsequent period, credit quality of the instrument improves such that there is no longer significant increase in credit risks since initial recognition, then the Company reverts to recognizing impairment loss allowance based on 12 months Expected Credit Losses.

The impairment losses and reversals are recognised in statement of profit and loss. For equity instruments and financial assets measured at FVTPL, there is no requirement for impairment testing.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement.

In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Financial Liabilities

Initial Recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

The Company's financial liabilities includes trade and other payables, loans and borrowings including bank overdrafts and derivative instruments.

Subsequent measurement

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Loans & Borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognized in profit & loss when the liabilities are derecognized as well as through EIR amortization process.

Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that requires a payment to be made or to reimburse the holder for a loss it incurs because the specified debtors fails to make payment when due in accordance with the term of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

NOTES TO FINANCIAL STATEMENTS

(All amounts in Indian rupee lakh, unless otherwise stated)

Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative adjustments.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Derivative financial instruments & hedge accounting

The Company uses derivative financial instruments, such as forward foreign exchange contracts to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value, with changes in fair value recognised in statement of profit and loss.

Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. The Company designates their derivatives as hedges of foreign currency risk associated with the cash flows of highly probable forecast transactions and variable interest rate risks associated with the borrowings.

(xiv) Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

(xv) Provision and Contingent Liabilities

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements.

(xvi) Leases

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the statement of profit and loss on a straight-line basis over the period of the lease.

NOTES TO FINANCIAL STATEMENTS

(All amounts in Indian rupee lakh, unless otherwise stated)

(xvii) Segment Reporting

The accounting policies adopted for segment reporting, if any, are in conformity with the accounting policies adopted by the Company.

(xviii) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity share holders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

(xix) Cash and cash equivalents

Cash and cash equivalents include cash and cheques in hand, bank balances, demand deposits with banks and other short-term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value where original maturity is three months or less.

Cash flows are reported using the indirect method whereby the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

(xx) Borrowing Cost

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalized as a part of cost of that asset, during the period till all the activities necessary to prepare the qualifying assets for its intended use or sale are complete. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are recognized as an expense in the period in which they are incurred.

(xxi) Exceptional Items

When an item of income or expense within profit or loss from ordinary activity is of such size, nature or incidence that their disclosure is relevant to explain the performance of the Company for the year, the nature and amount of such items is disclosed as exceptional items.

D. Assumptions

With the objective of presenting the plan assets and plan liabilities of the defined benefits plans at their fair value in the balance sheet, assumptions under Ind AS 19 are set by reference to market conditions at the valuation date.

The significant actuarial assumptions were as follows:

	As at 31st March 2018	As at 31st March 2017	As at 1st April 2016
Financial Assumptions			
Discount rate	7.70%	7.00%	7.46%
Salary escalation rate : Management employees	7.00%	7.00%	8.00%
Non-management employees	7.00%	7.00%	8.00%
Demographic Assumptions			
Expected average remaining working lives of employees in no. of years			
Management employees	11.32	12.14	12.26
Non-management employees	7.91	8.11	7.39
Mortality rate	IALM (2006-08) Ulf.	IALM (2006-08) Ulf.	IALM (2006-08) Ulf.
Attrition rate	4%	4%	4%
Retirement age	60	60	60

E. Sensitivity

The sensitivity of the overall plan liabilities to changes in the weighted key assumptions are:

	Change in assumption	Impact on defined benefit obligation	
		Increase assumption	Decrease assumption
Discount rate	± 1%	(13.11)	14.66
Salary Escalation Rate	± 1%	14.30	(13.02)

The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the same method used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

ii) **Compensated Absences:** The Company permits encashment of compensated absence accumulated by their employees on retirement, separation and during the course of service. The liability in respect of the Company, for outstanding balance of leave at the balance sheet date is determined and provided on the basis of actuarial valuation performed by an independent actuary.

The disclosure in respect of the defined Compensated Absences are given below:

Expenses recognised in statement of profit and loss	6.06	19.09	3.09
Balance sheet liability	6.06	19.09	3.09

41 FIRST TIME ADOPTION OF IND AS

The accounting policies set out in Note 2 have been applied in preparing the financial statements from the year ended 31st March, 2018, the comparative information presented in these financial statements for the year ended 31st March, 2017 and in the preparation of an opening Ind AS balance sheet at 1st April, 2016 (the Company's date of transition). In preparing the opening Ind AS balance sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act (Previous GAAP or Indian GAAP). An explanation of how the transition from Previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following tables and notes.

Exemptions and exceptions availed

A. Ind AS optional exemptions

Deemed Cost

The Company on first time adoption of Ind AS, has elected to continue with the carrying value for all of its property, plant & equipment and other intangible assets as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed costs as at the date of transition.

B. Ind AS mandatory exemptions

(i) Estimates

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with Previous GAAP (after adjustments to reflect any difference in accounting policies).

Ind AS estimates as at 1st April, 2016 are consistent with the estimates as at the same date made in conformity with Previous GAAP.

The Company made estimates for following item in accordance with Ind AS at the date of transition as these were not required under Previous GAAP:

- Impairment of financial assets based on expected credit loss model.

(ii) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

(iii) De-recognition of financial assets and financial liabilities

The Company has elected to apply derecognition requirements for financial assets and financial liabilities in Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS.

C. Transition to Ind AS - reconciliations

The following reconciliations provide a quantification of the effect of significant differences arising from the transition from Previous GAAP to Ind AS in accordance with Ind AS 101:

- I. Reconciliation of Balance sheet as at 31st March, 2017
- II. Reconciliation of Balance sheet as at 1st April, 2016
- III. Reconciliation of Statement of Profit and Loss for the year ended 31st March, 2017

NOTES TO FINANCIAL STATEMENTS

(All amounts in Indian rupee lakh, unless otherwise stated)

The presentation requirements under Previous GAAP differs from Ind AS and hence Previous GAAP information has been regrouped for ease of reconciliation with Ind AS. The Regrouped Previous GAAP information is derived from the Financial Statements of the Company prepared in accordance with Previous GAAP.

Notes to reconciliation of Balance Sheet as at 31st March, 2017, 1st April 2016 and Statement of Profit & Loss for the year ended 31st March, 2017

(i) Fair Valuation of Investments

Under previous GAAP, investment in debts and equity instruments were classified into Non-Current and Current Investments, these were carried at cost. Under Ind AS, these investments are required to be measured at fair value either through OCI (FVTOCI) or through Profit & loss (FVTPL). The company has opted to fair value these investments through Profit & loss (FVTPL). Accordingly, resulting fair value change of these investments have been recognised in retained earnings as at the date of transition and subsequently in the profit & loss account for the year ended 31st March 2017.

(ii) Remeasurements of post employment benefit obligations

Under the Previous GAAP, cost relating to post employment benefit obligations including actuarial gain/losses were recognised in profit & loss. Under Ind AS, actuarial gain/losses on the net defined benefit liability are recognised in other comprehensive income instead of profit & loss.

(iii) Proposed Dividend

Under the Previous GAAP, dividend proposed by the board of directors after the balance sheet date but before the approval of the financial statements were considered as subsequent events. Accordingly, provision for proposed dividend including dividend distribution tax was recognised as liability. Under Ind AS, such dividends are recognised when the same is approved by the shareholders in the general meeting.

NOTES TO FINANCIAL STATEMENTS

(All amounts in Indian rupee lakh, unless otherwise stated)

(iv) Deferred taxes

Under Previous GAAP, deferred taxes were recognised based on Profit & loss approach i.e. tax impact on difference between the accounting income and taxable income. Under Ind AS, deferred tax is recognised by following balance sheet approach i.e. tax impact on temporary difference between the carrying value of asset and liabilities in the books and their respective tax base.

(v) Financial Assets / Financial Liabilities

Financial assets / Financial liabilities are stated at fair value as per Ind AS as against historical cost as per the Previous GAAP.

42 RISK MANAGEMENT

Financial risk management objectives and policies :

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's activity expose it to market risk, liquidity risk, commodity risk and credit risk. The Company's financial risk management policy is set by the Risk Management Committee and governed by overall direction of Board of Directors of the Company.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

Risk	Exposure arising from	Measurement	Risk Management
(i) Credit risk	Cash and cash equivalents, trade receivables, financial instruments, financial assets measured at amortised cost	Ageing analysis Credit ratings	Credit limits and letters of credit and Performance guarantees.
(ii) Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
(iii) Market risk – interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Interest rate swaps
(iv) Market risk – foreign exchange	Future commercial recognised financial assets and liabilities not denominated in Indian rupees	Cash flow forecasting Sensitivity analysis	Forward foreign exchange contracts
(v) Commodity risk	Purchase of Raw Material	As per production planning and budgeting	Procurement and inventory strategy

I. CREDIT RISK

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of account receivables. Individual credit limits are set accordingly. The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the company compares the risk of default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. The company considers reasonable and supportive forward-looking information. Financial assets are written off when there is no reasonable expectation of recovery, such as debtor failing to engage in a repayment plan with the company. The company provides for overdue outstanding as per the policy approved by the Board of Directors, which are evaluated on a case to case basis.

The Company's concentration of risk with respect to trade receivables is low, as its customer's base is widely spread across the length and breadth of the country and majority of the customers are with sound financial health.

The average credit period extended to customers ranges from 30 - 60 days

III. MARKET RISK - INTEREST RATE RISK

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to balance the Company's position with regards to interest income and interest expense and to manage the interest rate risk, finance department performs a comprehensive interest rate risk management. The company is not exposed to significant interest rate risk as at the respective reporting dates.

IV. MARKET RISK- FOREIGN CURRENCY RISK

The Company is exposed to foreign exchange risk towards honouring of export/ import commitments. Management evaluates exchange rate exposure in this connection in terms of its established risk management policies which includes the use of derivatives like foreign exchange forward contracts to hedge risk of exposure in foreign currency. The company is not exposed to foreign currency risk at the respective reporting dates.

V. COMMODITY RISK

Principal Raw Material for Company's products is Crushed bone, HCL, Lime and Coal as a fuel. The Company sources its major raw material requirement from domestic suppliers located in various part of India.

The Company effectively manages with availability of material as well as price volatility based on the following:

- Raw materials are procured from different sources at competitive prices.
- Alternative sources are developed for uninterrupted supply of raw materials.
- Demand and supply are external factors on which company has no control; however the Company plans its production and sales from the experience gained in the past and on-going study and appraisal of the market dynamics, competition, economic policies and growth patterns of different segments of users of company's products.
- Specific steps to reduce the gap between demand and supply by expanding its customer base, delivery mechanisms, etc.
- Proper inventory control systems have been put in place.

The Risk committee of the Company comprising members from Board of Directors and the operations has developed and enacted a risk management strategy regarding commodity Price risk and its mitigation.

44 FINANCIAL INSTRUMENTS

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- (i) Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
- (ii) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counter-party. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Fair value estimation

For financial instruments measured at fair value in the Balance Sheet, a three level fair value hierarchy is used that reflects the significance of inputs used in the measurements. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The categories used are as follows:

- Level 1: quoted prices for identical instruments;
- Level 2: directly or indirectly observable market inputs, other than Level 1 inputs; and
- Level 3: inputs which are not based on observable market data.

NOTES TO FINANCIAL STATEMENTS

(All amounts in Indian rupee lakh, unless otherwise stated)

For assets and liabilities which are carried at fair value, the classification of fair value calculations by category is summarised below:

	Level 1	Level 2	Level 3
1st April, 2016			
Assets at fair value	3788.18	-	-
31st March, 2017			
Assets at fair value	4482.22	-	-
31st March, 2018			
Assets at fair value	5257.15	-	-

There were no significant changes in classification and no significant movements between the fair value hierarchy classifications of financial assets and financial liabilities during the years.

45 Post the applicability of Goods and Service Tax (GST) with effect from 1st July 2017, revenue from operations are disclosed net of GST, whereas Excise duty formed part of expenses in previous year. Accordingly, the revenue from operations and other expenses for the year are not comparable with previous year.

46 The Company is engaged in the manufacture and sale of Ossein and Gelatine. Since all these segments meet the aggregation criteria as per the requirements of Ind AS 108 on 'Operating segments', the management considers these as a single reportable segment. Accordingly, disclosure of segment information has not been furnished.

47 Recent accounting pronouncements

Ind AS 115 - Revenue from Contracts with Customers

On 28th March, 2018, Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers effective from 1st April, 2018. The core principle of the new standard is that an entity should recognize revenue when (or as) the entity satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset. Further, the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

Control of an asset refers to the ability to direct the use of, and obtain substantially all of the remaining benefits from, the asset. Control includes the ability to prevent other entities from directing the use of, and obtaining the benefits from, an asset.

Ind AS 21 - Foreign currency transactions and advance consideration

On 28th March, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 effective from 1st April, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

Ind AS 12 - Income Taxes

Amendments to Ind AS 12, Income Taxes clarifying the requirements for recognising deferred tax assets on unrealised losses. The amendments clarify the accounting for deferred tax where an asset is measured at fair value and that fair value is below the asset's tax base. They also clarify certain other aspects of accounting for deferred tax assets. These amendments only clarify the existence of guidance of Ind AS 12 and do not change the underlying principles for recognition of deferred tax asset.

The effect on adoption of Ind AS are expected to be insignificant.

48 Certain financial assets and financial liabilities are subject to formal confirmation and reconciliations. The Management, however, is confident that the impact whereof, if any, for the year on the financial statements will not be material.

49 The financial statements were approved for issue by the Board of Directors on 29th May, 2018.

- (vii) After entering these details appropriately, click on "SUBMIT" tab.
- (viii) Members holding shares in physical form will then reach directly the EVSN selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (ix) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (x) Click on the relevant EVSN on which you choose to vote.
- (xi) On the voting page, you will see Resolution Description and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution
- (xii) Click on the "Resolutions File Link" if you wish to view the entire Resolutions.
- (xiii) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xiv) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xv) You can also take out print of the voting done by you by clicking on "Click here to print" option on the Voting page.
- (xvi) If Demat account holder has forgotten the changed password then Enter the User ID and Captcha Code click on Forgot Password & enter the details as prompted by the system.
- (xvii) Institutional shareholders (i.e. other than Individuals, HUF, NRI etc.) are required to log on to www.evotingindia.co.in and register themselves as Corporates. After receiving the login details they have to link the account(s) which they wish to vote on and then cast their vote. They should upload a scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, in PDF format in the system for the scrutinizer to verify the same.

The remote e-voting begins on 23rd September, 2018 (9:00 am) and ends on 25th September, 2018 (5:00 pm). During this period, shareholders of the Company holding shares either in physical form or in dematerialized form as on the cut-off date of 19th September, 2018, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter. In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.co.in under help section or write an email to helpdesk.evoting@cdslindia.com.
