Operating Performance

During the year under review, your company recorded a turnover of ₹134.25 crores as compared to ₹125.68 crores in the previous year. Profit after tax at ₹12.88 crores improved significantly as compared to ₹10.06 crores in 2018-19. Consequently, Earnings per share increased to ₹21.29 as compared to ₹16.63 in 2018-19.

Impact of Covid-19 on the performance

Countrywide lockdowns were enforced during the second half of March 2020 due to the COVID-19 (new Coronavirus) pandemic, thereby affecting the entire Indian economy. Whilst the impact of this was not very significant on the results of FY 2019-20, the continuing lockdown and consequently reduced business activity in general in FY 2020-21 has begun to adversely impact sales, supply chain as well as costs. In quarter first of current financial year, your company has operated at 80% level compared to the previous year.

The management has, at the time of approving the financial statements, assessed the potential impact of the COVID-19 on the Company. Based on the current assessment, the management has evaluated the impact on its assets and liabilities particularly, inventory, investments, trade receivables, advances, etc. based on internal and external source of information and concluded that the carrying value of these assets are recoverable and no uncertainty exists on meeting the financial liabilities in the foreseeable future.

Since April 2020, the Company has started resuming its operations in manufacturing activities after taking requisite permissions from the Government authorities and as per issued government guidelines. The top-most priority for the Company was to ensure the safety of its employees and several measures have been taken to ensure their well-being. Regional sales offices are told to work from home. Employees who are working in manufacturing location, their safety is being ensured by stringent use of protective gear, frequent area sanitization, abiding by social distancing norms and taking all the necessary safety precautions. The Company has also supported various Government initiatives and helping communities around to fight the pandemic.

Dividends

Based on the company's performance, the Directors are pleased to recommend a dividend of ₹10.00 per Equity Share (previous year ₹10.00 per Equity Share) for the financial year ended 31st

March, 2020. The total outflow on account of the proposed dividend will be ₹604.96 lacs (previous year ₹728.11 lacs including dividend distribution tax). The dividend on equity shares, if approved at the ensuing Annual General Meeting, will be paid to Members whose names appear in the Register of Members as on 18th September, 2020 and to Members whose names appear on that date as Beneficial Owners as furnished by National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL). Pursuant to the Finance Act, 2020, dividend income will be taxable in the hands of the Shareholders w.e.f. April 1, 2020 and the Company is required to deduct tax at source ("TDS") from dividend paid to the Members at prescribed rates as per the Income Tax Act, 1961.

Share Capital

The Paid-up Equity Share Capital of the Company as on 31st March 2020 was ₹ 604.96 lacs comprising of 60,49,587 equity shares of ₹10/- each. The Company has not issued shares with differential voting rights, employee stock options and sweat equity shares. The Company has paid Listing Fees for the financial year 2020-21 to The Bombay Stock Exchange Ltd., where its equity shares are listed.

Transfer to Reserves

It is proposed to transfer an amount of ₹129.08 lacs (being 10% of the net profits for the year) to the General Reserve.

Quality initiatives

The Company is committed to the highest levels of quality for its products and customer services. During the financial year 2019-20, the Company retained its ISO certification for Quality Management (ISO 9001:2015), EDQM Certification from European Directorate for the Quality of Medicines and Healthcare, DNV Management System Certification for Food Safety Management System Standard (ISO 22000:2005), KOSHER Certification and Halal Assurance System Certification from Majelis Ulama, Indonesia.

Deposits from public

During the year under review, the Company has not accepted any deposits from public as defined under Chapter V of the Companies Act, 2013 and as such, no amount on account of principal or interest on deposits from public was outstanding as on the date of the balance sheet.

Particulars of Loans, Guarantees and Investments

Details of Loans, Guarantees and Investments covered under the provisions of Section 186 of the Companies Act, 2013 are given in the notes to the Financial Statements.

Corporate Social Responsibility (CSR)

A brief outline of the Corporate Social Responsibility (CSR) policy of the Company and the initiatives undertaken on CSR activities during the year are set out in Annexure - I of this report in the format prescribed in the Companies (Corporate Social Responsibility Policy) Rules, 2014. Details regarding the CSR Committee are covered in Corporate Governance Report, which is a part of this report. The CSR policy is available on the website of the company www.namadagelatines.com.

Risk Management

The Risk Management Committee has been entrusted with the responsibility to assist the Board in (a) approving the Company's Risk Management Framework and (b) overseeing strategic, operational, financial, liquidity, security, regulatory, legal, environmental, human recourse, and other risks that have been identified and assessed to ensure that there is a sound Risk Management Policy in place to address such concerns/risks. The

Risk Management process covers risk identification, assessment, analysis and mitigation. Incorporating sustainability in the process also helps to align potential exposures with the risk appetite and highlight risks associated with chosen strategies. The Audit Committee has additional oversight in the area of financial risks and controls. Major risks identified by the business and functions are systematically addressed through mitigating actions on continuing basis. The details of the Risk Management Committee, its terms of reference, key business risks identified and mitigation plans are set out in the Corporate Governance Report.

Vigil Mechanism / Whistle Blower Policy

The Company has a Vigil mechanism / Whistle-blower Policy in place to encourage and facilitate employees to report concerns about unethical behavior, actual/suspected frauds and violation of Company's Code of Conduct or Ethics. The policy provides for adequate safeguards against victimisation of persons who avail of the same and provides for direct access to the chairperson of the Audit Committee. The Audit Committee of the Company oversees the implementation of the Whistle-Blower Policy. Information on Whistle-Blower Policy is available on the Company's website www.namadagelatines.com and in the Corporate Governance Report.

Reporting of Frauds

There were no instances of fraud or suspected frauds reported during the year under review, which required the Statutory Auditors to report to the Audit Committee and / or Board under Section 143(12) of the Act and the rules made thereunder.

Subsidiaries, Joint Ventures and Associate Companies

The Company does not have any subsidiary, joint ventures or associate companies.

Directors and Key Managerial Personnel

Mr. Sanjeev Jain, erstwhile Non-Executive Director of the Company, left for heavenly abode suddenly on 3rd January, 2020. Late Mr. Jain was associated with the Company for more than a decade and the Company immensely benefitted from his vision and leadership. His sad demise is an irreparable loss to the Company. The Board of Directors of the Company express their deep condolences and pay tribute to late Mr. Sanjeev Jain.

Regulation 17(1A) of the Listing Regulations provides that listed entities shall not appoint any person or continue the directorship of any person who has attained the age of 75 years unless approval of shareholders have been obtained by way of special resolution. Accordingly approval of the shareholders was obtained through postal ballot on 30th March 2019 for continuation of Justice Gulab Gupta (87 years) and Mr. Mohan C. Pant (81 years) as the Non-Executive Independent Directors of the Company after 31st March, 2019.

All the Independent Directors of the Company have given declarations to the Company under Section 149(7) of the Act that they meet the criteria of independence as provided under Section 149(6) of the Act and Regulation 16(1)(b) of the Listing Regulations. In the opinion of the Board, they fulfil the conditions of independence as specified in the Act and the Listing Regulations and are independent of the management.

In accordance with the provisions of Section 152 of the Companies Act, 2013, and Article 115 of the Articles of Association of the Company, Mrs. Drushti R. Desai (DIN 00294249) retires by rotation at the ensuing Annual General Meeting of the Company and being eligible, has offered herself for re-appointment. The Board of Directors recommends her re-appointment.

Approval of the shareholders was obtained in the Annual General Meeting for appointment of Mr. Ashok K Kapur (DIN-00126807), as the Whole-time Director of the Company for a period of 2 years with effect from 1st June, 2019, on terms of remuneration as recommended by the Nomination & Remuneration Committee.

In terms of requirement of Listing Regulations, the Board has identified core skills, expertise and competencies of the Directors in the context of the Company's businesses for effective functioning, which are detailed in the Corporate Governance Report.

Attention of Shareholders is invited to the relevant items of the Notice of the Annual General Meeting and the Notes there to. Brief resume of the Directors proposed to be reappointed, nature of their expertise in specific functional areas and names of companies in which they hold directorship and membership/ chairmanship of committees of the Board, as stipulated under Regulation 36 of the Listing Regulations are given in the section on Corporate Governance in this Annual Report.

Directors' Appointment and Remuneration

The policy of the Company is to have an appropriate number of executive and independent directors on the board. The policy of the Company on directors' appointment and remuneration, etc. as required under Section 178 of the Companies Act, 2013, is available on the website (www.namadagelatines.com) and in the Corporate Governance Report. The remuneration paid to the directors is as per the terms laid down in the Nomination & Remuneration Policy of the Company.

The Company has a Nomination and Remuneration Committee which makes recommendation to the Board with regard to the appointment of new Directors and Key Managerial Personnel. This policy on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management has been formulated in terms of the provisions of the Companies Act, 2013 and the Listing Regulations as amended from time to time and includes the general guidelines on the appointment and remuneration including criteria for determining qualifications, positive attributes and independence of the Directors, Key Managerial Personnel and other employees of the company and other matters provided under sub-section (3) of Section 178 of the Companies Act, 2013.

The main objectives of the policy are:

- To lay down criteria and terms and conditions with regard to identifying persons who are qualified to become Directors (Executive and Non-Executive) and persons who may be appointed in senior management and key managerial positions and to determine their remuneration.
- To determine remuneration based on the Company's size and financial position and trends and practices on remuneration prevailing in peer companies and in the industry.
- To carry out evaluation of the performance of Directors, as well as key managerial and senior management personnel.
- To provide them reward linked directly to their effort, performance, dedication and achievement relating to the Company's operations.
- To retain, motivate and promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage.

Board Evaluation

The Nomination & Remuneration Committee and the Board have

laid down the manner in which a formal annual evaluation of the performance of the Board, Committees, Chairman and individual directors has to be made. The Board of Directors has carried out an annual evaluation of its own performance, Board committees, and individual directors pursuant to the provisions of the Act, SEBI Listing Regulations and the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India.

The Board evaluated its own performance after seeking inputs from all the directors on the basis of criteria such as the Board composition and structure, effectiveness of board processes, information and functioning, etc. The performance of the committees was evaluated by the Board after seeking inputs from the committee members on the basis of criteria such as the composition of committees, effectiveness of committee meetings, etc.

In a separate meeting of independent directors, the performance of non-independent directors and the Board as a whole was evaluated, taking into account the views of executive directors and non-executive directors.

The Board and the Nomination and Remuneration Committee reviewed the performance of individual directors on the basis of criteria such as the contribution of the individual director to the Board and Committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc. In the board meeting that followed the meeting of the independent directors and meeting of Nomination and Remuneration Committee, the performance of the Board, its committees, and individual directors was also discussed.

Performance evaluation of independent directors was done by the entire Board, excluding the independent director being evaluated. The manner in which the evaluation was carried out is covered in the Corporate Governance Report.

Board Meetings

The Board meets at regular intervals to discuss and decide on company's business policies and strategies. In case of special and urgent business, the Board/Committee's approval is taken by passing resolutions through circulation, or by calling Board/Committee meetings at a shorter notice, as permitted by law. The Company has complied with Secretarial Standards issued by the Institute of Company Secretaries of India on Board meetings and Annual General Meetings. The agenda for the Board and Committee meetings includes detailed notes on the items to be discussed to enable the Directors to take an informed decision. During the financial year under review, four Board Meetings and four Audit Committee Meetings were convened and held, the details of which are given in the Corporate Governance Report. The intervening gap between two Meetings was within the period prescribed under the Companies Act, 2013.

Directors' Responsibility Statement

Pursuant to Section 134(5) of the Act, the Board of Directors, to the best of its knowledge and ability, confirm that:

MANAGEMENT DISCUSSION AND ANALYSIS

Economy Overview

Despite continuing sluggishness in global demand, the real GDP growth of India registered a modest growth of 5.0 percent in 2019-20 as compared to 6.8 percent in 2018-19. Global confidence in the Indian economy improved as reflected in growing inflows of net Foreign Direct Investment (FDI) and an all-time high accumulation of foreign exchange reserves. India moving up by 14 positions to 63rd rank in 2019 World Bank's Ease of Doing Business 2020 Report, has among others, contributed to the increase in global confidence in Indian economy. India has emerged as an important player in the world on the back of high GDP growth and announcement / implementation of critical measures in the current year and last few years.

India's GDP growth for the 2020-21 fiscal is expected to slow down to 3.2 per cent. The COVID-19 pandemic is expected to result in significant adverse economic impact globally.

However, 2020 saw a significantly changed scenario with the outbreak of the COVID-19 pandemic. This was followed by strong actions by the governments across the world in the form of a global lockdown to stem the rate of spread of the disease. Despite relief measures provided in the form of easing of monetary policy by central banks and fiscal packages announced by government, we are expected to see a contraction in global economy. Currently, the analyst consensus is a dip growth this year and then a gradual recovery next year – however, it is marked with uncertainty depending on the ground situation, that is, the duration of lockdown, growth in infection rate with the opening up of economies, timeline for development of vaccine and others.

Similar to the global outlook, the Indian economy was projected to grow at a stronger pace in 2020-21 than the previous year, supported by monetary and fiscal stimulus and lower oil prices. However, the unprecedented COVID-19 pandemic, and the subsequent nationwide lockdown by the Government, along with other necessary measures to contain the pandemic, have made experts revise their forecasts significantly, with possible contraction of the Indian GDP in during the financial year 2020-21. In the short term, the lockdown could also potentially lead to a financial distress, both for consumers and companies, including disruptions in money supply and general liquidity.

Industry Structure and Developments

The global gelatin market is currently being driven by an increasing demand for functional and convenience foods, growth in end-user industries, rising health awareness and growth in emerging markets. Gelatin has multiple applications across various industries including food & beverage, pharmaceutical, biomedical, personal care, and other technical areas.

The food and beverage sector currently represents the largest end-use sector followed by nutraceuticals, pharmaceuticals, cosmetics and others. In the food and beverage sector, gelatin is widely used in bakeries and confectionaries, wine fining, meat products, etc. In the nutraceuticals sector, it is used in nutritional bars and protein drinks. In the pharmaceutical sector, it is used in making hard and soft capsules, stabilizers for oil emulsions, glycerinated gelatin for suppositories, etc.

The worldwide market for Gelatin is expected to grow at a CAGR of roughly 2.8% over the next five years.

However, food security concerns and threat of vegan gelatin substitutes are some of the factors hindering the market growth. Growing regulatory issues, primarily in the food industry and environment, are also challenges for domestic gelatin manufacturers.

Opportunities and Threats, Outlook, Risks and Concerns

Due to Covid-19 nearly the whole world has gone into lockdown, and businesses across the globe are operating in fear of an impending collapse of global financial markets. This situation, clubbed with sluggish economic growth in the previous year, especially in a developing country like India, is leading to extremely volatile market conditions.

The lockdown has affected the purchase of our main raw material crushed bone. The slaughter houses are not functioning due to lower exports and lower consumption of meat in the country. The restaurants are closed, the hiccup in transportation for this particular commodity continues and it has resulted in an overall shortage of over 50% for the industry. Difficulty in sourcing good quality raw material and rise in raw material prices continue as an area of concern.

India continues to be categorised as "Negligible Risk" under BSE categorisation. With increasing level of awareness on environmental hazards, the state authorities are upgrading pollution control norms regularly and the industry is now required to address the issue of environment with more commitment. Your company continues to take all necessary steps to comply with pollution control norms.

Segment-wise or product-wise performance

The Company is engaged in only one segment namely manufacture and sale of gelatine and related products like ossein and di-calcium phosphate (DCP) and as such there are no reportable segments as per Ind AS-108 "Operating Segments".

Internal financial controls and its adequacy

The Company's Internal Financial Control framework is commensurate with the size and the nature of its operations. These have been designed to provide reasonable assurance about recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorized use, executing transactions with proper authorization and ensuring compliance of Corporate Policies.

The Company has laid down procedures and policies to guide the operations of the business. The Company has a well-defined delegation of power with authority limits to approve revenue as well as expenditure. Functional heads are responsible to ensure compliance with the policies and procedures laid down by the management.

The Company has appointed reputed firm of Chartered Accountants to carry out internal audits. The audit is based on a focused and risk based internal audit plan, which is reviewed and approved each year by the Audit Committee of the Company.

The Audit Committee reviews reports submitted by internal auditors. Suggestions to improve any process are considered by the management and the Audit Committee follows up on corrective actions taken by the management. The Audit Committee also meets the Company's statutory auditors to ascertain, inter alia, their views on the adequacy of internal control systems and keeps the Board of Directors informed of its major observations periodically.

The operating management assessed the effectiveness of the Company's internal control over financial reporting as of 31st March 2020. M/s. Lodha & Co., the Statutory Auditor of the Company audited the financial statements included in this Annual Report and have issued a report on the internal control over financial reporting (as defined in Section 143 of the Companies Act, 2013).

Based on its evaluation (as provided under Section 177 of the Companies Act, 2013 and Clause 18 of SEBI Listing Regulations), the Audit Committee has concluded that as of 31st March 2020, the Internal Financial Controls were adequate and operating effectively.

Human Resources / Industrial Relations

The Company's human resources agenda continues to remain focused on the development of its employees, building capabilities in the organization and progressive employee relations policies. The Company addressed training and development needs of its workforce in technical and behavioural areas by deploying internal and external faculty. Pursuant to the provisions of the Companies Act, 2013 and Regulation 19 of the SEBI (Listing Obligations and Disclosure Requirements), 2015, the Board has carried out the annual performance evaluation of its own performance, the Directors individually as well as the evaluation of the working of its Audit Committee, Nomination and Remuneration Committee and other Committees.

Pursuant to applicable provisions of the Companies Act, 2013 and the Listing Regulations, the Board, in consultation with its Nomination & Remuneration Committee, has formulated a framework containing, inter-alia, the process, format, attributes and criteria for performance evaluation of the entire Board of the Company, its Committees and individual Directors, including Independent Directors. The framework is monitored, reviewed and updated by the Board, in consultation with the Nomination and Remuneration Committee, based on need and new compliance requirements. Evaluation of the Board and its Committees is based on various aspects of their functioning, such as, adequacy of the constitution and composition of the Board and its Committees, matters addressed in the meetings, processes followed at the meeting, Board's focus, regulatory compliances and Corporate Governance, etc., are in place. Similarly, for evaluation of individual Director's performance, various parameters like Director's profile, contribution in Board and Committee meetings, execution and performance of specific duties, obligations, regulatory compliances and Governance, etc. are considered.

Further, the performance of Chairman, Executive Directors and Independent Directors are evaluated on certain additional parameters depending upon their roles and responsibilities. Similarly, criteria for evaluation of Independent Directors include effective deployment of knowledge and expertise, commitment to their role towards the Company and various stakeholders, high ethical standards, adherence to applicable codes and policies, effective participation and application of objective independent judgement during meetings, etc.

Accordingly, the annual performance evaluation of the Board, its Committees and each Director was carried out for the financial year 2019-2020 by the Board on parameters such as level of engagement and contribution, independence of judgement, safeguarding the interest of the Company and its minority shareholders, etc. was carried out. The performance evaluation of the Independent Directors was carried out by the entire Board. The performance evaluation of Non Independent Directors was carried out by the Independent Directors. The Directors expressed their satisfaction with the evaluation process.

INDEPENDENT AUDITOR'S REPORT

To The Members of Narmada Gelatines Limited

Opinion

We have audited the financial statements of Narmada Gelatines Limited ("the Company"), which comprise of Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020, and its profits, other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Basis for Opinion

We conducted our audit in accordance with the Standard on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

Attention is drawn to note no. 45 of the financial statements regarding management's current assessment of Company's assets and liabilities in view of prevailing Covid-19 pandemic and nationwide lockdown and conclusion based on such assessment that the carrying value of the assets are recoverable and no uncertainty exists on meeting the liabilities in the foreseeable future. Our report is not modified in respect of this matter.

Information Other than the Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of other information. The Other information comprises the information included in the Board's Report including Annexures to the Board report, but does not include the financial statement and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management responsibilities for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

Pursuant to the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and records.
- (c) The Balance sheet, the Statement of Profit & Loss (including other comprehensive income), Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on records by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a Director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position. Refer Note No. - 35 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been a delay of forty days in transferring unpaid dividend of Rs. 2,20,639, the required amount to be transferred, to the Investor Education and Protection Fund by the Company and as explained by the management the delay was unintentional.

"ANNEXURE A"

ANNEXURE REFERRED TO IN PARAGRAPH "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT TO THE MEMBERS OF "NARMADA GELATINES LIMITED" FOR THE YEAR ENDED 31ST MARCH, 2020

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we state that:

1.
 - a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment (fixed assets).
 - b) As explained to us, the Company has a phased program for physical verification of property, plant and equipment over a period of three years. In our opinion, the frequency of verification is reasonable, considering the size of the Company and nature of its property, plant and equipment. Pursuant to the program of the physical verification of property, plant and equipment, physical verification of the assets has been carried out during the year and no material discrepancies were noticed on such verification.
 - c) Based on the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
2. The Inventory has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable. The discrepancies noticed on verification between the physical stocks and records were not material in relation to the operations of the company and the same has been properly dealt within the books of accounts.
3. The Company has not granted any loans, secured or unsecured to parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clause 3(iii) of the Order are not applicable to the Company.
4. The Company has not granted any loans, made investments, provided guarantees and security during the year. Accordingly, the provisions of clause 3(iv) of the Order are not applicable to the Company.
5. In our opinion and according to the information and explanations given to us, no deposits have been accepted by the Company within the meaning of directives issued by RBI (Reserve Bank of India) and Sections 73 to 76 or any other relevant provisions of the Act and rules framed there under.
6. According to the information and explanations given to us, the Central Government has not prescribed maintenance of cost records under clause (d) of sub-section (1) of Section 148 of the Act. Accordingly, the provisions of clause 3(vi) of the Order are not applicable to the Company.
7.
 - a) According to the information and explanations given to us and on the basis of our examination of the records, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, goods and service tax, duty of customs, and other statutory dues applicable to the Company with appropriate authorities. No undisputed amounts in respect of the aforesaid statutory dues were outstanding as at the last day of the financial year for a period of more than six months from the date they became payable.

- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the disputed dues on account of Income tax, Excise duty, Goods and Service tax, and Sales tax which have not been deposited as at 31st March, 2020 is as under:

Name of the Statute	Nature of Dues	Period to which it relates	Amount (Rs. in Lacs)	Forum at which it is pending

8. The Company has not defaulted in repayment of borrowings from a bank during the year. The Company has not taken any loans and borrowings from any financial institution or Government nor has it issued any debentures during the year.
9. Based on the information and explanations given to us by the management, the Company has not raised any money by way of term loan or initial public offer or further public offer (including debt instrument) during the year.
10. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of fraud by or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of such case by the management.
11. According to the information and explanations given to us and based on examination of records of the Company, managerial remuneration has been paid or provided for during the year is in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
12. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Therefore, the provisions of clause 3(xii) of the Order are not applicable to the Company.
13. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Act where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards. (Refer Note 36 of the financial statements)

"ANNEXURE B"

ANNEXURE REFERRED TO IN PARAGRAPH "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT TO THE MEMBERS OF "NARMADA GELATINES LIMITED" FOR THE YEAR ENDED 31ST MARCH, 2020

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Narmada Gelatines Limited ("the Company") as of 31st March, 2020 in conjunction with our audit of the Financial Statements of the Company for the year ended on the date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements and (4) also provide reasonable assurance by the internal auditors through their internal audit reports given to the organisation from time to time.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has broadly, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial control over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

(All amounts in Indian rupee lacs, unless otherwise stated)

1. CORPORATE INFORMATION

Narmada Gelatines Ltd. was set up in 1961 as Leiner Knit Gelatin Company Pvt. Ltd. The Company was converted into a Public Company and registered as Shaw Leiner Limited in 1969. In the year 1979, the name of the Company was changed to Shaw Wallace Gelatines Limited, and in the year 2002, the Company was renamed as Narmada Gelatines Limited. The Company is registered in Jabalpur (Madhya Pradesh) under Registration number L24111MP1961PLC016023. The Registered office of the Company is at 28, CARAVS, 15 Civil Lines, Jabalpur (M.P.). The Company is engaged in the manufacture and sale of Osein and Gelatine.

The financial statements were approved for issue by the Board of Directors on 29th June, 2020.

2. SIGNIFICANT ACCOUNTING POLICIES**(i) Basis of Accounting**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendments Rules 2016 prescribed under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared on accrual basis under the historical cost convention, except for certain financial assets and liabilities measured at fair value. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

Current and Non-current classification:

- (i) The assets and liabilities in the Balance Sheet are based on current/non-current classification. An asset is current when it is
 - a. Expected to be realized or intended to be sold or consumed in normal operating cycle of twelve months
 - b. Held primarily for the purpose of trading
 - c. Expected to be realized within twelve months after the reporting period, or
 - d. Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.
- (ii) A liability is current when:
 - a. Expected to be settled in normal operating cycle
 - b. Held primarily for the purpose of trading
 - c. Due to be settled within twelve months after the reporting period, or
 - d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are treated as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

(ii) Use of Estimates

The preparation of the financial statements in conformity with the Ind AS, requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future actual results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the period in which the results are known / materialise.

(iii) Property, Plant and Equipment & Intangible Assets

Property, Plant and Equipment: The gross block of fixed assets is stated at cost of acquisition or construction (except revalued assets) including any cost attributable to bringing the assets to their working condition for their intended use. Borrowing costs that are directly attributable to acquisition or construction of an asset that necessarily take a substantial period of time till such assets are ready for the intended use are capitalized.

Freehold land, Buildings, Plant and Machinery and Electrical Installations were revalued as at 31st March 1993 by an approved valuer and accordingly the net replacement cost is stated.

Intangible assets: Intangible assets are stated at cost of acquisition less accumulated amortisation and impairment, if any. Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets which are carried at cost or revalued amount are recognized in the Statement of Profit and Loss.

(iv) Depreciation / Amortisation

Depreciation is provided on the basis of the useful lives of the Property, Plant and Equipments as estimated by management and which are in line with the useful lives prescribed under Section 123 read with Schedule II of the Companies Act, 2013.

Depreciation on certain Buildings acquired prior to 1st July 1986 is charged under Written Down Value method and on others under Straight Line method.

Being a continuous plant, Depreciation on Plant and Machinery is charged based on the useful lives of the assets, as estimated by management, which is in line with the useful life prescribed in Schedule II of the Companies Act, under Straight Line method on single

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

(All amounts in Indian rupee lacs, unless otherwise stated)

shift basis excepting certain items acquired before 1st July, 1986 on which depreciation is charged under Written Down Value method. Depreciation on Diesel Generator sets is charged under Straight Line method.

Depreciation on Electrical Installations and Furniture & Fixtures being charged under Written Down Value method has been changed to Straight Line method.

Depreciation on Motor Vehicles is charged under Straight Line method. Assets costing up to ₹ 5,000 each are depreciated fully in the year of purchase.

Intangible assets are amortised over their estimated useful economic life under Straight Line method. Computer software cost is amortised over a period of five years.

(v) Inventories

Inventories (includes Raw Material, Work-in-Progress, Finished goods, Stores & spares, Consumables, Packing Materials) are valued at cost or net realisable value, whichever is lower. Net realisable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to make the sale. Cost of Raw Material, Semi-finished and Finished Goods and Work-in-Progress is determined on weighted average basis and comprises of expenditure incurred in the normal course of business in bringing inventories to their present location including appropriate overheads apportioned on a reasonable and consistent basis. Obsolete, slow moving and defective stocks are identified at the time of physical verification of stocks and where necessary, provision is made for those inventories. Adequate allowance is made for obsolete and slow moving items.

(vi) Revenue Recognition

The Company recognizes revenue, whenever control over distinct goods or services is transferred to the customer; i.e. when the customer is able to direct the use of the transferred goods or services and obtains substantially all of the remaining benefits, provided a contract with enforceable rights and obligations exists and among others collectability of consideration is probable taking into account customer's creditworthiness.

Revenue is the transaction price the Company expects to be entitled to. In determining the transaction price, the Company considers effects of variable consideration, the existence of significant financing contracts, non-cash consideration and consideration payable to the customer, if any.

Sale of goods

Revenue from the sale of goods is recognised when the control of the goods passes to the buyer either at the time of dispatch or delivery or when the risk of loss transfers. Export sales are recognized based on the terms of the sale which is when substantial risks and rewards of ownership are passed to the customers.

Revenue from sale of goods is net of taxes and recovery of charges collected from customers like transport, packing etc. Provision is made for returns when appropriate. Revenue is measured at the fair value of consideration received or receivable and is net of price discounts, allowance for volume rebate and similar items.

Claims/Refunds not ascertainable with reasonable certainty are accounted for, on final settlement and are recognized as revenue on certainty of receipt on prudent basis.

Revenue recognition from sale of "Duty Entitlement Passbook License or Merchandise Exports from India Scheme (MEIS)" is made on sale of the license after receipt of the same from the office of the Director General of Foreign Trade.

Income from Duty Drawback is recognised on receipt basis.

Dividend

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(vii) Income from Investment

Income from Investments (other than investments in shares of companies and Mutual Funds) is accounted on accrual basis.

Dividend income on investments is recognised when the right to receive dividend is established. Interest income is recognized on a time proportionate basis taking into account the amounts invested and the rate of interest. For all financial instruments measured at a amortised cost, interest income is recorded using the Effective interest rate method to the net carrying amount of the financial assets.

(viii) Foreign Currency Transactions

Foreign currency transactions are accounted at the exchange rates prevailing on the date of the transactions. Gains and losses, if

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020
(All amounts in Indian rupee lacs, unless otherwise stated)

any, on settlement or reinstatement of year end closing balances by applying the closing rates in respect of monetary assets and monetary liabilities not covered by the forward contracts are recognized in the statement of profit and loss.

Non-monetary items denominated in foreign currency are stated at the rate prevailing on the date of the transaction.

The premium or discount arising at the inception of the forward contract entered into to hedge the existing asset/liability, is amortized as expense or income over the life of the contract. Exchange differences on such contract are recognized in the statement of profit and loss in the reporting period in which the exchange rate change. Any profit or loss arising out of cancellation or renewal of such contract are recognized as income or expense in the reporting period. Forward exchange contracts outstanding as at the year end on account of firm commitment / highly probable forecast transaction are marked to market and the losses, if any, are recognized in the statement of profit and loss and gains are ignored.

(ix) Employee Benefits

The Company has the following post-employment benefit plans:

- i. Defined benefit plans such as gratuity;
- ii. Defined contribution plans such as Provident fund & Superannuation fund; and
- iii. Other employee benefits

(i) Defined benefit plan:

Voluntary Retirement Scheme Expenses, if any, are fully charged off in the year of payment.

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of defined benefit obligations at the end of the reporting period less fair value of plan assets. The defined benefit obligation is calculated annually by actuaries through an actuarial valuation using the Projected Unit Credit method.

The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- a. Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements and
- b. Net interest expense or income

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement comprising:

- a. Re-measurement of Actuarial (gains)/losses
- b. Return on plan assets, excluding amount recognized in effect of a asset ceiling
- c. Re-measurement arising because of change in effect of a asset ceiling

are recognised in the period in which they occur directly in Other Comprehensive Income. Re-measurements are not reclassified to profit or loss in subsequent periods.

Ind AS 19, Employees benefits requires the exercise of judgment in relation to various assumptions including future pay rises, inflation and discount rates and employee and pensioner demographics. The Company determines the assumptions in conjunction with its actuaries, and believes these assumptions to be in line with best practice, but the application of different assumptions could have a significant effect on the amounts reflected in the income statement, other comprehensive income and balance sheet. There may be also inter-dependency between some of the assumptions.

(ii) Defined contribution plan:

Under defined contribution plans, the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. Defined contribution plans comprise of contributions to provident fund, Insurance and Employees' Pension Scheme. The Company's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers.

(iii) Other employee benefits

- a. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the obligation as at the balance sheet date determined based on an actuarial valuation.
- b. Undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the period when the employee renders the related services.
- c. Expenses incurred towards voluntary retirement scheme are charged to the statement of profit and loss and when incurred.
- d. Other benefits comprising of discretionary long service awards are recognized as and when determined.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

(All amounts in Indian rupee lacs, unless otherwise stated)

(x) Current and Deferred tax

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income. Current tax is based on taxable profit for the year. Taxable profit is different from accounting profit due to temporary differences between accounting and tax treatments, and due to items that are never taxable or tax deductible. Tax provisions are included in current liabilities. Interest and penalties on tax liabilities are provided for in the tax charge. The Company offsets the current tax assets and liabilities (on a year on year basis) where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis or to realise the assets and liabilities on net basis. Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements. Deferred income tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred tax assets are not recognised where it is more likely than not that the assets will not be realised in the future. The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax items are recognised in correlation to the underlying transaction either in Other comprehensive income or directly in equity.

(xi) Impairment of Assets

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets are impaired. If any such indication exists, the Company estimates the amount of impairment loss. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets is considered as a cash generating unit, if any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made. An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through profit or loss.

(xii) Financial Instruments**Financial assets - Initial recognition**

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the statement of profit and loss.

Subsequent measurement

Financial assets, other than equity instruments, are subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of:

- a. the entity's business model for managing the financial assets; and
- b. the contractual cash flow characteristic of the financial asset.

(i) Measured at amortised cost

A financial asset is measured at amortised cost, if it is held under the hold to collect business model i.e. held with an objective of holding the assets to collect contractual cash flows and the contractual cash flows are solely payments of principal and interest on the principal outstanding. Amortised cost is calculated using the effective interest rate (EIR) method by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. On derecognition, gain or loss, if any, is recognised to statement of profit and loss.

(ii) Measured at fair value through other comprehensive income (FVOCI):

A financial asset is measured at FVOCI, if it is held under the hold to collect and sell business model i.e. held with an objective to collect contractual cash flows and selling such financial asset and the contractual cash flows are solely payments of principal and interest on the principal outstanding. It is subsequently measured at fair value with fair value movements recognised in the OCI, except for interest income which recognised using effective interest rate method. The losses arising from impairment are recognised in the statement of profit and loss. On derecognition, cumulative gain or loss previously recognised in the OCI is reclassified from the equity to statement of profit and loss.

(iii) Measured at fair value through profit or loss (FVTPL):

Investment in financial asset other than equity instrument, not measured at either amortised cost or FVOCI is measured at FVTPL. Such

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020
(All amounts in Indian rupee lacs, unless otherwise stated)

financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the statement of profit and loss.

Equity Instruments:

All investments in equity instruments, if any classified under financial assets are subsequently measured at fair value.

The Company recognises a loss allowance for Expected Credit Losses (ECL) on financial assets that are measured at amortised cost and at FVOCI. The credit loss is difference between all contractual cash flows that are due to an entity in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. This is assessed on an individual or collective basis after considering all reasonable and supportable including that which is forward-looking.

The Company's trade receivables or contract revenue receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall, being simplified approach for recognition of impairment loss allowance.

Under simplified approach, the Company does not track changes in credit risk. Rather it recognizes impairment loss allowance based on the life time Expected Credit Losses at each reporting date right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables.

The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

For financial assets other than trade receivables, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as life time expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. If, in a subsequent period, credit quality of the instrument improves such that there is no longer significant increase in credit risk since initial recognition, then the Company reverts to recognizing impairment loss allowance based on 12 months Expected Credit Losses.

The impairment losses and reversals are recognised in statement of profit and loss. For equity instruments and financial assets measured at FVTPL, there is no requirement for impairment testing.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement.

In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Financial Liabilities

Initial Recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative instruments.

Subsequent measurement

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Loans & Borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognized in profit & loss when the liabilities are derecognized as well as through EIR amortization process.

Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that requires a payment to be made or to reimburse the holder for a loss it incurs because the specified debtors fails to make payment when due in accordance with the term of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020
(All amounts in Indian rupee lacs, unless otherwise stated)

Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative adjustments.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Derivative financial instruments & hedge accounting

The Company uses derivative financial instruments, such as forward foreign exchange contracts to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value, with changes in fair value recognised in statement of profit and loss.

Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. The Company designates their derivatives as hedges of foreign currency risk associated with the cash flows of highly probable forecast transactions and variable interest rate risks associated with the borrowings.

(xiii) Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

(xiv) Provision and Contingent Liabilities

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements.

(xv) Leases

As a Lessee:

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020
(All amounts in Indian rupee lacs, unless otherwise stated)

To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset;
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease; and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at a mortgaged cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a Lessor:

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Based on Company's assessment, the contracts entered into by the Company do not contain a lease as specified above or they are either short term or low value leases. Therefore, those have been accounted as per the applicable accounting standards.

(xvi) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker (CODM).

The Company has identified its Whole time Director as CODM who is responsible for allocating resources and assessing performance of the operating segments and makes strategic decisions.

(xvii) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity share holders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

(xviii) Cash and cash equivalents

Cash and cash equivalents include cash and cheques in hand, bank balances, demand deposits with banks and other short-term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value where original maturity is three months or less.

Cash flows are reported using the indirect method whereby the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

(All amounts in Indian rupee lacs, unless otherwise stated)

(xix) **Borrowing Costs**

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalized as a part of cost of that asset, during the period till all the activities necessary to prepare the qualifying assets for its intended use or sale are complete. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are recognized as an expense in the period in which they are incurred.

(xx) **Exceptional Items**

When an item of income or expense within profit or loss from ordinary activity is of such size, nature or incidence that their disclosure is relevant to explain the performance of the Company for the year, the nature and amount of such items is disclosed as exceptional items.

(xxi) **Recent accounting pronouncements**

The Company has adopted Ind AS 116, effective annual reporting period beginning April 1, 2019 and applied the standard to its leases, using the modified retrospective approach. There is no material impact to the Company on implementation of Ind AS-116.

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards. There is no such notification which would have been applicable for future periods.

42 FINANCIAL INSTRUMENTS

"The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

- Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
- Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counter-party. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts. The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Fair value estimation

For financial instruments measured at fair value in the Balance Sheet, a three level fair value hierarchy is used that reflects the significance of inputs used in the measurements. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The categories used are as follows:

- Level 1: quoted prices for identical instruments
- Level 2: directly or indirectly observable market inputs, other than Level 1 inputs; and
- Level 3: inputs which are not based on observable market data.

For assets and liabilities which are carried at fair value, the classification of fair value calculations by category is summarised below:

	Level 1	Level 2	Level 3
31st March, 2019			
Assets at fair value	6,780.03	-	-
31st March, 2020			
Assets at fair value	6,459.79	-	-

There were no significant changes in classification and no significant movements between the fair value hierarchy classifications of financial assets and financial liabilities during the years.

43 RISK MANAGEMENT

Financial risk management objectives and policies:

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's activity expose it to market risk, liquidity risk, commodity risk and credit risk. The Company's financial risk management policy is set by the Risk Management Committee and governed by overall direction of Board of Director of the Company.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

Risk	Exposure arising from	Measurement	Risk Management
(i) Credit risk	Cash and cash equivalents, trade receivables, financial instruments, financial assets measured at a amortised cost.	Ageing analysis Credit ratings	Credit limits and letters of credit and Performance guarantees
(ii) Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
(iii) Market risk - interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Interest rate swaps
(iv) Market risk-foreign exchange	Future commercial transactions recognised financial assets and liabilities not denominated in Indian rupees	Cash flow forecasting Sensitivity analysis	Forward foreign exchange contracts
(v) Commodity risk	Purchase of Raw Material	As per production planning and budgeting	Procurement and inventory strategy

I CREDIT RISK

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of account receivables. Individual credit limits are set accordingly. The Company considers the probability of default upon initial recognition of an asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the company compares the risk of default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. The company considers reasonable and supportive forward-looking information. Financial assets are written off when there is no reasonable expectation of recovery, such as debtor failing to engage in a repayment plan with the company. The company provides for overdue outstanding as per the policy approved by the Board of Directors which are evaluated on a case to case basis.

The Company's concentration of risk with respect to trade receivables is low, as its customer's base is widely spread across the length and breadth of the country and majority of the customers are with sound financial health.

The average credit period extended to customers ranges within 30-90 days

II LIQUIDITY RISK

"Liquidity risk is defined as the risk that the company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's treasury department is responsible for maintenance of liquidity (including quasi-liquidity), continuity of funding as well as timely settlement of debts. In addition, policies related to mitigation of risks are overseen by senior management. Management monitors the Company's net liquidity position on the basis of expected cash flows vis-a-vis debt service fulfilment obligation."

Maturity profile of financial liabilities

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date.

Contractual maturity patterns of Financial Liabilities:

Particulars	As at 31st March 2020			As at 31st March 2019

TOTAL	1,424.90	-	1,424.90	1,488.17	-	1,488.17

III MARKET RISK - INTEREST RATE RISK

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to balance the Company's position with regards to interest income and interest expense and to manage the interest rate risk, finance department performs a comprehensive interest rate risk management. The Company is not exposed to significant interest rate risk as at the respective reporting dates.

IV MARKET RISK - FOREIGN CURRENCY RISK

The Company is exposed to foreign exchange risk towards honouring of export/ import commitments. Management evaluates exchange rate exposure in this connection in terms of its established risk management policies which includes the use of derivatives like foreign exchange forward contracts to hedge risk of exposure in foreign currency. The company is not exposed to foreign currency risk at the respective reporting dates.

V COMMODITY RISK

"Principal Raw Material for Company's products is Crushed bone, HCL, Lime and Coal as a fuel. The Company sources its major raw material requirement from domestic suppliers located in various part of India. The Company effectively manages with a availability of material as well as price volatility based on the following:

- Raw materials are procured from different sources at competitive prices.
- Alternative sources are developed for uninterrupted supply of raw materials.
- Demand and supply are external factors on which company has no control; however the Company plans its production and sales from the experience gained in the past and on-going study and appraisal of the market dynamics, competition, economic policies and growth patterns of different segments of users of company's products.
- Specific steps to reduce the gap between demand and supply by expanding its customer base, delivery mechanisms, etc.
- Proper inventory control systems have been put in place. The Risk committee of the Company comprising members from Board of Directors and the operations has developed and enacted a risk management strategy regarding commodity Price risk and its mitigation."

44 FINANCIAL RISK FACTORS

(a) Capital risk management

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital

(b) No asset has been pledged as security, except mutual funds referred in Note 38

(c) Dividends

The Company follows the policy of Dividend for any financial year as may be decided by Board considering financial performance of the company and other internal and external factors.

- 45 The novel corona virus (COVID-19) pandemic continues to spread rapidly across the globe including India. In March, 2020, the COVID-19 outbreak was declared a global pandemic by the World Health Organization. COVID-19 has taken its toll on not just human life, but business and financial markets too. Various governments have introduced a variety of measures to contain the spread of the virus. The Central and State Governments and local bodies had announced various lock down measures which has significant impact on all the industries across the nation. The operations of the Company have also been scaled down as a consequence of the nationwide lockdown. The management has, at the time of approving the financial statements, assessed the potential impact of the COVID-19 on the Company. Based on the current assessment, the management has evaluated the impact on its assets and liabilities particularly, inventory, investments, trade receivables, advances, etc. based on internal and external source of information and concluded that the carrying value of these assets are recoverable and no uncertainty exists on meeting the financial liabilities in the foreseeable future.
- 46 The Company is engaged in the manufacture and sale of Ossein and Gelatine. Since all these segments meet the aggregation criteria as per the requirements of Ind AS 108 on 'Operating segments', the management considers these as a single reportable segment. Accordingly, no further disclosure is required to be furnished.
- 47 Certain financial assets and financial liabilities are subject to formal confirmation and reconciliations. The Management, however, is confident that the impact thereof, if any, for the year on the financial statements will not be material.
- 48 The previous year's figures have been re-grouped / re-classified wherever required to conform to current period's classification.

- The Scrutinizer, after scrutinising the votes cast at the meeting and through remote e-voting, will, not later than three days of conclusion of the Meeting, make a consolidated Scrutinizer's report and submit the same to the Chairman. The results declared along with the consolidated Scrutinizer's report shall be placed on the website of the Company www.narmadagelatines.com and on the website of CDSL, and the results shall simultaneously be communicated to the BSE Limited.
- The Scrutinizer shall, within a period not exceeding three (3) working days from the conclusion of the e-voting period, unblock the votes in the presence of at least two (2) witnesses not in the employment of the Company and make a Scrutinizer's Report of the votes cast in favour or against, if any, forthwith to the Chairman of the Company.
- Subject to receipt of requisite number of votes, the Resolutions shall be deemed to be passed on the date of the Meeting, i.e. September 25, 2020.

Members are requested to read the instructions below carefully before exercising their vote through remote e-voting.

These details and instructions form an integral part of Notice for the Annual General Meeting to be held on 25th September, 2020.

Steps for E-voting

The instructions for members for remote e-voting are as under:

- Log on to the e-voting website www.evotingindia.com
- Click on "Shareholders" tab.
- Select the Electronic Voting Sequence Number - "EVS N" along with "NARMADA GELATINES LIMITED" from the drop down menu and click on "SUBMIT".
- Enter your User ID (For CDSL: 16 digits beneficiary ID, For NSDL: 8 Character DP ID followed by 8 Digits Client ID). Members holding shares in Physical Form should enter Folio Number registered with the Company and then enter the Captcha Code as displayed and Click on Login.
- If you are holding shares in Demat form and had logged on to www.evotingindia.com and casted your vote earlier for EVSN of any company, then your existing password is to be used. If you are a first time user, follow the steps given below.
- Fill up the following details in the appropriate boxes

For Members holding shares in Demat Form and Physical Form

PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders)
	(i) Members who have not updated their PAN with the Company/Depository Participant are requested to use the first two letters of their name and the 8 digits of the sequence number in the PAN field.
	(ii) In case the sequence number is less than 8 digits enter the applicable number of 0's before the number after the first two characters of the name in CAPITAL letters. Eg. If your name is Ramesh Kumar with sequence number 1 then enter RA 00000001 in the PAN field.
DOB	Enter the Date of Birth as recorded in your demat account or in the company records for the said demat account or folio in dd/mm/yyyy format.
Dividend Bank details	- Enter the Dividend Bank Details as recorded in your demat account or in the company records for the said demat account or folio. Please enter the DOB or Dividend Bank Details in order to login. If the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (iv).

- After entering these details appropriately, click on "SUBMIT" tab.
- Members holding shares in physical form will then reach directly the EVSN selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- Click on the relevant EVSN on which you choose to vote.

- (xi) On the voting page, you will see Resolution Description and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xii) Click on the "Resolutions File Link" if you wish to view the entire Resolutions.
- (xiii) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xiv) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xv) You can also take out print of the voting done by you by clicking on "Click here to print" option on the Voting page.
- (xvi) If Demat account holder has forgotten the changed password, then enter the UserID and Captcha Code click on Forgot Password & enter the details as prompted by the system.
- (xvii) Shareholders can also cast their vote using CDSL's mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from Google Play Store. Apple and Windows phone users can download the app from the App Store and the Windows Phone Store respectively. Please follow the instructions as prompted by the mobile app while voting on your mobile.
- (xviii) Note for Non-Individual Shareholders and Custodians
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- (xix) The remote e-voting begins on 22nd September, 2020 (9:00 am) and ends on 24th September, 2020 (5:00 pm). During this period, shareholders of the Company holding shares either in physical form or in dematerialized form as on the cut-off date of 18th September, 2020, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter. In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com under help section or write an email to helpdesk.evoting@cdslindia.com.
