 - If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - How to retrieve your 'initial password'?
 - If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8-digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
- Click on **"Forgot User Details/Password?"** (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - Physical User Reset Password?"** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

- After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and who's voting cycle and General Meeting is in active status.
- Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join General Meeting".
- Now you are ready for e-Voting as the Voting page opens.
- Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
- Upon confirmation, the message "Vote cast successfully" will be displayed.
- You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.

7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

ANNEXURE TO NOTICE

EXPLANATORY STATEMENT UNDER SECTION 102 (1) OF THE COMPANIES ACT, 2013

Item No. 4:

Appointment of M/s. Jay Pandya & Associates Practicing Company Secretaries, Ahmedabad as the Secretarial Auditor of the Company for a period of five (5) years:

In accordance with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Third Amendment Regulations dated December 12, 2024 and Regulation 24A (1) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, every listed entity shall undertake Secretarial Audit by a Secretarial Auditor who shall be a Peer Reviewed Company Secretary. The Company may appoint an individual as Secretarial Auditor for not more than one term of five consecutive years or a Secretarial Audit firm as Secretarial Auditor for not more than two terms of five consecutive years.

It is proposed to appoint M/s. Jay Pandya & Associates, Practicing Company Secretary, as Secretarial Auditor of the Company for an Audit period of five consecutive years commencing from 2025-26 till 2029-30, at a remuneration as may be mutually agreed upon, between the Board of Directors of the Company and the Secretarial Auditor. The firm has confirmed its eligibility and provided the necessary documents, including the consent letter, peer review certificate, and eligibility confirmation.

The Board and the Audit Committee, while considering the appointment of M/s. Jay Pandya & Associates as Secretarial Auditor of the Company, evaluated the firm's credentials, expertise to manage secretarial audits in the sector that the Company operates, its professional standing, technical competence, and the diversity of its client portfolio. Based on this assessment, M/s. Jay Pandya & Associates was found to be well-qualified to conduct the Secretarial Audit for the Company.

Item No 5:

To regularize appointment of Ms. Krishna Hareshbhai Bhatt (DIN: 11203423) as Non-Executive Independent Director of the Company:

Pursuant to provisions of Section 161 of the Companies Act, 2013 and pursuant to the Articles of Association of the Company, the Board of Directors of the Company has appointed Ms. Krishna Hareshbhai Bhatt as an Additional Non-Executive and Independent Director of the Company with effect from Wednesday, 06th August, 2025.

The Company has received a declaration from Ms. Krishna Hareshbhai Bhatt (DIN: 11203423) that she meets with criteria of independence as prescribed under Section 149 of the Companies Act, 2013. Ms. Krishna Hareshbhai Bhatt having 5 years of experience in the field of Corporate Law, Secretarial Compliance and Governance and finance. Brief resume of Ms. Krishna Hareshbhai Bhatt and nature of her expertise in specific functional areas and names of the Companies in which she holds directorships and memberships / chairperson of the Board / Committees and shareholding are provided in the annexure to the explanatory statement attached herewith.

In the opinion of the Board, Ms. Krishna Hareshbhai Bhatt fulfils the conditions specified in the Act and rules made thereunder for her appointment as an Independent Director of the Company.

Keeping in view of her experience and knowledge, the Board considers that her association

would be of immense benefit to the Company and it is desirable to continue to avail the services of Ms. Krishna Hareshbhai Bhatt as an Independent Director.

Save and except Ms. Krishna Hareshbhai Bhatt and her relatives to the extent their shareholding in the Company, none of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 4.

Item No 6:

Cancellation of resolution pertaining to increase in authorised share capital approved in the extraordinary general meeting held on June 20, 2025:

The Board of Directors of the Company, in its meeting held on 26th May 2025, approved the issuance of 2,80,06,800 (Two Crores Eighty Lakhs Six Thousand Eight Hundred) equity shares of face value of Rs. 10.00/- each for cash at an issue price of Rs. 10.00/- per equity share, aggregating to Rs. 28,00,68,000/- (Rupees Twenty-Eight Crores and Sixty-Eight Thousand Only) on a Rights Basis to all eligible equity shareholders of the Company as on the record date, in consultation with the Rights Issue Committee.

In light of the proposed Rights Issue, it was necessary to increase the authorised share capital of the Company to accommodate the new shares. Accordingly, an Extraordinary General Meeting (EGM) was convened on 20th June 2025, wherein the shareholders approved the increase in the authorised share capital from the existing Rs. 28,00,68,000/- divided into 2,80,06,800 equity shares of Rs. 10/- each to Rs. 56,05,00,000/- divided into 5,60,50,000 equity shares of Rs. 10/- each.

Board of Directors was of the considered view that the Company would not be able to achieve the minimum subscription threshold of 90% by the closure of the Rights Issue on 22nd July 2025, which is required for the issue to be considered successful.

In view of the above, and since the Rights Issue was unlikely to proceed, the purpose for which the authorised capital was proposed to be increased became redundant. Therefore, the Board decided to recommend to the shareholders that the resolution passed at the EGM held on 20th June 2025 for increasing the authorised share capital be cancelled.

The Board recommends the passing of the resolution for cancellation of the earlier approved increase in authorised share capital.

None of the Directors or Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested in the resolution.

The Board evaluated the effectiveness of its functioning, that of the Committees and of individual Directors, pursuant to the provisions of the Act and SEBI Listing Regulations. The Board sought the feedback of Directors on various parameters including:

- Degree of fulfillment of key responsibilities towards stakeholders (by way of monitoring corporate governance practices, participation in the long-term strategic planning, etc.);
- Structure, composition, and role clarity of the Board and Committees;
- Extent of co-ordination and cohesiveness between the Board and its Committees;
- Effectiveness of the deliberations and process management;
- Board / Committee culture and dynamics; and
- Quality of relationship between Board Members and the Management.

The above criteria are broadly based on the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India on January 5, 2017.

The Chairman of the Board had one-on-one meetings with each Independent Director and the Chairman of the Nomination and Remuneration Committee had one-on-one meetings with each

Executive and Non-Executive, Non-Independent Directors. These meetings were intended to obtain Directors' inputs on effectiveness of the Board/ Committee processes.

In a separate meeting of Independent Directors, performance of Non-Independent Directors, the Board as a whole, and the Chairman of the Company was evaluated, taking into account the views of Executive Directors and Non-Executive Directors.

The Nomination and Remuneration Committee reviewed the performance of the individual directors and the Board as a whole.

In the Board meeting that followed the meeting of the independent directors and the meeting of Nomination and Remuneration Committee, the performance of the Board, its committees, and individual directors was discussed.

The evaluation process endorsed the Board Members' confidence in the ethical standards of the Company, the resilience of the Board and the Management in navigating the Company during challenging times, cohesiveness amongst the Board Members, constructive relationship between the Board and the Management, and the openness of the Management in sharing strategic information to enable Board Members to discharge their responsibilities and fiduciary duties.

The Board carried out an annual performance evaluation of its own performance and that of its committees and individual directors as per the formal mechanism for such evaluation adopted by the Board. The performance evaluation of all the Directors was carried out by the Nomination and Remuneration Committee.

The performance evaluation of the Chairman, the Non-Independent Directors and the Board as a whole was carried out by the Independent Directors. The exercise of performance evaluation was carried out through a structured evaluation process covering various aspects of the Board functioning such as composition of the Board & committees, experience & competencies, performance of specific duties & obligations, contribution at the meetings and otherwise, independent judgment, governance issues etc.

Pursuant to the provisions of the Companies Act, 2013 and SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, the Board has carried out the annual performance evaluation of the Directors individually as well as evaluation of the working of the Board by way of individual feedback from directors.

The evaluation frameworks were the following key areas:

a) For Non-Executive & Independent Directors:

- Knowledge
- Professional Conduct
- Comply Secretarial Standard issued by ICSI Duties
- Role and functions

b) For Executive Directors:

- Performance as leader
- Evaluating Business Opportunity and analysis of Risk Reward Scenarios
- Key set investment goal
- Professional conduct and integrity

- Sharing of information with Board.
- Adherence applicable government law

The Directors expressed their satisfaction with the evaluation process.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A. Overview of the Global Economy:

Global economic growth in 2025 is projected at 3.2%, following an estimated 3.1% in 2024, according to the latest global outlook. The upward revision to the 2024 forecast—by 0.2 percentage points compared to earlier projections—reflects stronger-than-anticipated resilience in the United States, as well as improved performance in several large emerging market and developing economies, aided by targeted fiscal support in China. However, the projected growth for 2024–25 remains below the historical average of 3.8% (2000–2019), primarily due to elevated interest rates, tapering fiscal stimulus, high sovereign debt burdens, and subdued productivity growth in several regions.

Global inflation trends are showing positive signs of moderation. Headline inflation is expected to fall from 5.2% in 2024 to 4.4% in 2025, driven by a combination of factors including declining commodity prices, easing supply chain disruptions, and the impact of tight monetary policies implemented by central banks worldwide. However, core inflation remains elevated in some economies, particularly those experiencing stronger domestic demand or currency depreciation.

From a textile industry perspective, global economic conditions have a direct influence on consumer spending, retail trends, and international trade flows. Slowing growth in advanced economies may affect demand for discretionary goods such as apparel, while softening inflation and commodity price corrections are likely to ease input cost pressures on textile manufacturers. Additionally, currency volatility and differential interest rate regimes across countries will continue to affect export competitiveness and capital flows within the sector.

Despite global challenges, the outlook for India's textile exports remains moderately optimistic, supported by diversification of global supply chains, strategic bilateral trade agreements, and India's growing role as a preferred manufacturing destination under the global "China Plus One" strategy. However, geopolitical risks, climate-related disruptions, and slowdown in key export markets remain key variables to watch in FY 2025–26.

B. Overview of the Indian Economy:

The global economy entered 2025 with mixed signals. While inflationary pressures have moderated compared to the previous years, uncertainty persists due to geopolitical tensions, fluctuating commodity prices, and uneven recovery across major economies. The anticipated global recession in 2023 did not fully materialize; however, 2024 saw muted growth across several advanced economies due to tightening financial conditions and cautious consumer sentiment. The United States has shown resilience in labor markets and a gradual recovery in consumer demand, while parts of Europe continue to face economic headwinds. Financial market volatility has declined, aided by easing concerns following past banking sector disruptions.

In the Indian context, the economy has shown remarkable resilience and continues to maintain its trajectory as the fastest-growing major economy. India's Real GDP at Constant (2011–12) Prices is estimated at ₹172.90 lakh crore (US\$ 2.07 trillion) for FY 2024–25, reflecting a robust growth rate

of 7.6%, up from 7.0% in FY 2023–24. This sustained growth is supported by strong domestic consumption, ongoing policy reforms, infrastructure expansion, and a healthy performance in the services and manufacturing sectors.

India has emerged as the fastest-growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships. India's appeal as a destination for investments has grown stronger and more sustainable because of the current period of global unpredictability and volatility, and the record amounts of money raised by India-focused funds in 2022 are evidence of investor faith in the "Invest in India" narrative.

India's status as an attractive investment destination is further solidified amid global volatility. Investor confidence remains high, with India-focused funds raising record inflows, and India's growing prominence in global supply chains bolstering its appeal. The country now hosts 113 unicorn startups with a combined valuation exceeding US\$ 350 billion, and the fintech sector is poised to generate the next wave of unicorns. Several tech IPOs are anticipated in FY 2025–26, further deepening the domestic capital market ecosystem.

Explaining the economic outlook factoring global rudiments, the slowdown in global growth and economic output coupled with increased uncertainty is likely to dampen global trade growth. Strong domestic demand amidst high commodity prices will raise India's total import bill and contribute to unfavourable developments in the current account balance. These may be exacerbated by plateauing export growth on account of slackening global demand. Should the current account deficit widen further, the currency may come under depreciation pressure. Also, entrenched inflation may prolong the tightening cycle, and therefore, borrowing costs may stay 'higher for longer'.

C. Indian Textile Industry:

India's textile and apparel exports during the fiscal year 2024–25 stood at **US \$34.4 billion**, registering a decline of **3%** compared to **US \$35.58 billion** in FY 2023–24.

Within the textile sector, the segment covering cotton yarn, fabrics, made-ups, and handloom products recorded a notable year-on-year increase in exports by \$740 million in 2024–25 over the previous year. This growth was primarily driven by a surge in cotton yarn exports. As per data from the Niryat portal of the Union Ministry of Commerce and Industry, North America remained the leading destination for India's textile exports at \$11 billion, followed by Europe at \$10 billion, and West Asia and North African countries at \$4 billion.

The decentralized power looms, hosiery, and knitting sector form the largest component of the Indian textiles industry. Its close linkage to agriculture—providing essential raw materials such as cotton—and the nation's ancient cultural and textile traditions, makes this sector distinct from others in the Indian economy. India's textile industry has the capacity to produce a wide range of products catering to diverse market segments, both domestically and globally.

D. Outlook:

During the reporting period, We must focus more on offering new products meeting customer retail price points. We experienced an increase in sales volume, leading to a rise in revenue from this segment. The steady demand for quality yarn products in the domestic market contributed to our success. Further geographic presence will be increased, and new markets will be explored.

E. Industry structure and development:

The domestic apparel & textile industry in India contributes approx. 2.3 % to the country's GDP, 13% to industrial production and 12% to the country's total exports. India has a 4% share in global trade of textiles and apparel, maintaining its position as one of the key players globally.

India is one of the leading global producers of cotton and jute in the world. India is also the Second-largest producer of silk in the world and 95% of the world's hand-woven fabric comes from India. Total textile exports are expected to reach \$65 Bn by FY26 and is expected to grow at 10% CAGR from 2019-20 to reach \$190 Bn by 2025-26.

The sector is the second-largest employment generator in India, directly employing over 45 million individuals and providing livelihoods to over 100 million people across allied industries including agriculture, logistics, and retail.

The industry's growth is being catalyzed by government-led initiatives such as PLI (Production-Linked Incentive) schemes, Mega Textile Parks, and a continued focus on technology adoption and sustainability. With a robust raw material base, skilled workforce, and policy support, India's textile industry is well-positioned to enhance its global competitiveness in the coming years.

F. Opportunities and Threats:

Opportunities:

- The government's continued support through schemes such as the National Technical Textiles Mission (NTTM), 100% FDI in the textile sector, and SAMARTH – Scheme for Capacity Building in the Textile Sector, is driving investment, skill enhancement, and innovation across the value chain.
- 'China plus one' diversification policy will benefit Indian manufacturers. As global retailers are looking for an alternate supply base, India has greater appeal as an attractive option for manufacturing and exports of textiles and apparels.
- The growth of the technical textile market will create lucrative opportunities.
- The rapid growth of organized retail and e-commerce platforms is transforming buying behavior and enhancing market reach for textile and apparel products, particularly in Tier 2 and Tier 3 cities.
- Rising disposable income will stimulate domestic demand.
- The growing popularity of 'fast fashion' products will contribute to the growth of the textile and apparel industry.
- Long-standing relationships with international brands, institutional buyers, and a skilled workforce provide Indian textile players with a strong foundation for sustained growth and operational stability.

Threats:

- **Market Competition:** The domestic yarn trading market remains highly competitive, with numerous established and emerging players competing for market share. This creates pricing pressure and may affect margins. The Company actively monitors competitor strategies and continuously innovates to maintain its competitive positioning.
- **Raw Material Costs:** Fluctuations in raw material prices can impact our profitability. We actively manage our procurement process and explore alternative suppliers to mitigate the risk of sudden price increases.
- **Regulatory Changes:** Any adverse changes in trade policies, tariffs, or regulatory frameworks—both domestic and international—may affect export competitiveness and supply chain dynamics. The Company remains agile by staying informed on regulatory developments and adjusting its operations accordingly.
- **Economic Factors:** Economic conditions, both domestically and internationally, can impact the demand for yarn products. We assess economic trends and adjust our production and pricing strategies to optimize performance.
- **Labor Availability and Costs:** The industry is labor-intensive, and availability of skilled labor, especially in manufacturing hubs, can become a constraint. Rising labor costs and increasing regulatory scrutiny on workplace practices may affect productivity and compliance overheads.

G. Segment-wise or Product-wise performance:

The Company is operating in only one segment i.e. Trading in textiles products. Therefore, there is no requirement of Segment wise reporting.

H. Future Outlook:

Looking ahead, we will focus on the following strategies to sustain growth and capitalize on emerging opportunities:

- Focus on analytics
- Global trade and geopolitical factors
- Online Expansion
- Premiumisation and access to global brands
- Technological advancements
- Further Growth of Private Brands
- Sustainability and eco-friendly practices

I. Risks and concerns:

Management recognizes the following principal risks that may influence decisions made by investors given their significant impact on business conditions as stated in the securities report, and among matters pertaining to accounting status, consolidated companies' financial status and business performance, as well as cash flows. INDEPENDENT AUDITORS' REPORT

To the Members of 7NR Retail Limited

Report on the Indian Accounting Standards (Ind AS) Standalone Financial Statements

We have audited the accompanying standalone financial statements of 7NR Retail Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements including a summary of material accounting policies and other explanatory information.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2021, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit and other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management and Board of Directors' Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these Standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the applicable Indian Accounting Standards (Ind AS) specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management and board of directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for

expressing our opinion on whether the company has adequate internal financial controls system with reference to standalone financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by 'the Companies (Auditor's Report) Order, 2020' ("the order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by section 143 (3) of the Act, based on our audit, we report that:

Report on the Standalone Financial Statements

Page 4 of 5

- (a) We have sought and obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), and Statement of Cash Flow Statement and statement of changes in equity dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standard) Rules, 2021, as amended.
- (e) On the basis of written representations received from the directors as on March 31, 2025, and taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**. Our audit report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls with reference to the standalone financial statements.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 read with Schedule V of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The financial statements disclose the impact of pending litigations on the financial position of the Company – Refer Note 27 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investors Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The Company has not declared or paid dividend during the year.

vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of the accounting software where audit trail was enabled.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of 7NR Retail Limited as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management and Board of Directors' Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to the standalone financial statements.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external

Annexure B to Independent Auditors' Report

Referred to in Annexure referred to in paragraph 2 (f) under the heading "Report on other legal and regulatory requirements" of our report of even date to the members of **7NR Retail Limited** on the standalone financial statements as of and for the year ended March 31, 2025

Page 2 of 2

purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Corporate Information

7NR Retail Limited ("the Company") is a public limited Company having its registered office at B-308, Titanium Heights, Near Vodafone House, Corporate Road, Prahalad Nagar, Makarba, Ahmedabad - 380015. The Company is engaged in the business of trading of textiles.

2. Material Accounting Policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of Compliance

These financial statements have been prepared in accordance with Ind-AS as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

Basis of preparation

The financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as required by the applicable accounting standards.

The financial statements are presented in Indian rupees (INR) and all amounts are rounded to the nearest lakhs, except otherwise indicated. Amount less than Rs. 500 are indicated as "0.00" in the financial statements.

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle. Based on the nature of the products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities.

Current V/s Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- i) Expected to be realized or intended to be sold or consumed in normal operating cycle
- ii) Held primarily for the purpose of trading
- iii) Expected to be realized within twelve months after the reporting period, or
- iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when:

- i) It is expected to be settled in normal operating cycle
- ii) It is held primarily for the purpose of trading
- iii) It is due to be settled within twelve months after the reporting period, or
- iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. The Company classifies all other liabilities as non-current.

Use of estimates and judgments

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected. Significant judgments and estimates about the carrying amount of assets and liabilities include useful lives of tangible and intangible assets, impairment of tangible assets, intangible assets including goodwill, investments, employee benefits and other provisions and recoverability of deferred tax assets.

Fair Value Measurement

The Company classifies its financial assets in the following measurement categories:

- i) Those to be measured subsequently at fair value (either through Other Comprehensive Income, or through profit or loss).
- ii) Those measured at amortised cost.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

At each reporting date, the Company analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per The Company's accounting policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Revenue Recognition

Revenue from contract with customer is recognised upon transfer of control of promised products or services to customers on complete satisfaction of performance obligations for an amount that reflects the consideration which the Company expects to receive in exchange for those products or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as per contracts with the customers. However, Goods and Services tax (GST) are not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

Sales of Goods

Revenue from the sale of goods is recognized when all significant risks and rewards of ownership of the goods have passed to the buyer, which generally coincides with delivery. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Interest Income

Interest income is included in other income in the statement of profit and loss. Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate when there is a reasonable certainty as to realization.

Property, Plant and Equipment

All items of property, plant and equipment are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the carrying amount of asset or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred. Gains or losses arising on retirement or disposal of assets are recognized in the Statement of Profit and Loss.

Depreciation methods, estimated useful lives and residual value

Depreciation on Property, Plant & Equipment is charged on ***Straight Line Method***. Depreciations are charged over the estimated useful lives of the assets as specified in Schedule II of the Companies Act, 2013. Depreciation in respect of additions to/and deletion from assets has been charged on pro-rata basis from/till the date they are put to commercial use. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at regular intervals and adjusted prospectively, if appropriate.

Depreciation on additions/deletions to Property plant and equipment during the year is provided for on a pro-rata basis with reference to the date of additions/deletions.

7NR Retail Limited

(CIN: L52320GJ2012PLC073076)

Notes to the Standalone Financial Statements for the year ended March 31, 2025

The estimated useful lives of assets are as under:

Name of Asset	Useful life
Office Building	60 Years
Plant & Machinery	15 Years
Electric Installation & AC	10 Years
Furniture & Fixtures	10 Years
Office Equipment	10 Years
Motor Vehicles	8 Years
Computer Software	6 Years
Computer Equipment	3 Years

Inventories

Cost of Inventories is arrived at on First-In First-Out (FIFO) basis and valued at cost or net realizable value whichever is lower. Cost comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventory to the present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Employees' Benefits

Liabilities for wages and salaries that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Income Taxes

Tax on Income comprises current tax and deferred tax. These are recognized in Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or in other comprehensive income.

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Management periodically evaluates positions taken in the tax returns with respect to situations for which applicable tax regulations are subject to interpretation and revises the provisions where appropriate.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Earnings Per Share (EPS)

Earnings per share (EPS) is calculated by dividing the net profit or loss for the period attributable to Equity Shareholders by the weighted average number of Equity shares outstanding during the period. Earnings considered in ascertaining the EPS is the net profit for the period and any attributable tax thereto for the period.

Diluted earnings per share is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of equity shares, for the effects of all diluted potential equity shares.

Changes in Accounting Estimates and Errors

The financial statements have been prepared in accordance with Ind AS 8. The Company selects and applies accounting policies consistently for similar transactions to ensure comparability. Changes in accounting policies are applied retrospectively unless specified otherwise. Changes in estimates are recognized prospectively. Prior period errors, if any, are corrected retrospectively in the financial statements.

Provisions and contingent liabilities

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Contingent liabilities are recognized only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of obligation cannot be made. Contingent assets are not recognized in the financial statements.

Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Initial recognition and measurement

All financial assets are initially recognized when the Company becomes a party to the contractual provisions of the instrument. All financial assets are initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

Classification

For the purpose of subsequent measurement, the Company classifies financial assets in following categories:

Financial assets at amortized cost

Notes to the Standalone Financial Statements for the year ended March 31, 2025

Financial assets at amortized cost are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses, if any. Interest income and impairment are recognized in the Statement of Profit and Loss.

Financial assets at fair value through other comprehensive income (FVTOCI)

These assets are subsequently measured at fair value through other comprehensive income (OCI). Changes in fair values are recognized in OCI and on derecognition, cumulative gain or loss previously recognized in OCI is reclassified to the Statement of Profit and Loss. Interest income calculated using EIR and impairment loss, if any, are recognized in the Statement of Profit and Loss.

Financial assets at fair value through profit or loss (FVTPL)

These assets are subsequently measured at fair value. Net gains and losses, including any interest income, are recognized in the Statement of Profit and Loss.

Financial assets are not reclassified subsequent to their recognition except if and in the period the Company changes its business model for managing for financial assets.

De-recognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized. Any gain or loss on derecognition is recognized in the Statement of Profit and Loss.

Impairment of financial assets

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, lease receivable, trade receivable other contractual rights to receive cash or other financial assets. For trade receivable, the Company measures the loss allowance at an amount equal to life time expected credit losses. Further, for the measuring life time expected credit losses allowance for trade receivable the Company has used a practical expedient as permitted under Indian AS 109. This expected credit loss allowance is computed based on provisions, matrix which takes into account historical credit loss experience and adjusted for forward looking information.

Financial Liabilities

Initial recognition and measurement

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial liabilities are initially measured at amortized cost unless at initial recognition, they are classified as fair value through profit or loss. In case of trade payables they are initially recognize at fair value and subsequently, these liabilities are held at amortized cost, using the Effective interest method.

Classification and subsequent measurement

Financial liabilities are classified as measured at amortised cost or FVTPL.

A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in the Statement of Profit and Loss.

Financial liabilities other than classified as FVTPL, are subsequently measured at amortized cost using the effective interest method. Interest expense is recognised in Statement of Profit and Loss. Any gain or loss on derecognition is also recognised in the Statement of Profit and Loss.

De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on subsequently different terms, or the terms of an existing liability are subsequently modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of the new liability. The difference in the respective carrying amount is recognize in the Statement of Profit & Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

29. Some of the Balances of sundry creditors, sundry debtors, loans & advances, and other liabilities are subject to balance confirmation.

30. Segment Information

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The CODM is considered to be the Board of Directors who makes strategic decisions and is responsible for allocating resources and assessing performance of the operating segments.

Trading in Textile is the Company's only business segment, hence the disclosure of segment wise information as required by Ind AS 108 on "Segment Reporting" is not applicable.

31. Capital management

The Company manages its capital to ensure business continuity and maximize shareholder value by maintaining an optimal balance between debt and equity. It assesses capital needs through annual planning, funding them via equity, internal accruals, and both short- and long-term borrowings. The Company also aims to maintain a strong capital base to sustain future growth and uphold investor, creditor, and market confidence.

The capital structure is as follows :

Particulars	31 March, 2025	31 March, 2024
Current Borrowings	16.69	15.19
Non Current Borrowings	464.73	581.55
Total Debt	481.42	596.74
	14.22%	17.21%
Equity Share Capital	2,800.68	2,800.68

Total Equity	2,903.41	2,870.64
	85.78%	82.79%
Total Capital	3,384.83	3,467.38

The Company is predominantly equity financed which is evident from the capital structure table.

32. Financial Risk Management

The Company's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and interest rate risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

A. Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counter parties, taking into account their financial position, past experience and other factors.

(i) Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. In addition, receivable balances are monitored on an ongoing basis with the result that the Company's exposure to Bad debt is not significant. Also the Company does not enter into sales transaction with customers having credit loss history. There are no significant Credit risk with related parties of the Company. The Company's is exposed to Credit risk in the event of non payment of customers. Credit risk concentration with respect to Trade Receivables is mitigated by the Company's large customer base. Adequate expected credit losses are recognised as per the assessment.

(ii) Bank Deposits

The company maintains its cash and cash equivalents and bank deposits with reputed and highly rated bank. Hence, there is no significant credit risk on such deposits.

(iii) Investments

The Company limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The company does not expect any losses from non-performance by these counter-parties, and does not have any significant concentration of exposures to specific industry sectors.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk through credit limits with banks.

The Company's corporate treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

The table below summarises the maturity profile remaining contractual maturity period at the reporting date:

Particulars	Carrying value	Due in less than 1 year	Due in more than 1 year
As at 31st March, 2025			
Borrowings	481.42	16.69	464.73
Trade Payables	389.12	389.12	-
	870.54	405.81	464.73
As at 31st March, 2024			
Borrowings	596.74	15.19	581.55
Trade Payables	740.55	740.55	-
	1,337.29	755.74	581.55

33. Fair Value Measurements

Financial Instruments by Category	31 March, 2025		31 March, 2024	
	FVTPL	Amortised Cost	FVTPL	Amortised Cost
Financial assets				
Current Investments	67.73	-	164.19	-
Trade Receivables	-	964.12	-	2,210.88
Cash & Cash Equivalents	-	45.01	-	13.77
Loans	-	1,213.51	-	1,004.88
Total Financial Assets	67.73	2,222.64	164.19	3,229.53
Financial Liabilities				
Borrowings	-	481.42	-	596.74
Trade Payables	-	389.12	-	740.55
Total Financial Liabilities	-	870.54	-	1,337.29

The management assessed that fair value of cash and short-term deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Fair Value Hierarchy

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual fund units that have a quoted price. The fair value of all equity instruments which are traded on the Stock Exchanges is valued using the closing price as at the reporting period. The mutual fund units are valued using the closing net assets value.

Level 2: The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.
