MANAGEMENT DISCUSSION AND ANALYSIS REPORT

We submit herewith the “Management Discussion and Analysis Report” on the business of the Company as applicable to the extent relevant.

INDUSTRIAL SCENARIO – NBFC SECTOR IN INDIA

NBFCs have emerged as a critical pillar of India’s credit delivery mechanism, especially for segments underserved by banks — such as MSMEs, microfinance borrowers, infrastructure projects, vehicle finance, and consumer lending. As per an updated Industrial Scenario for NBFCs in India based on the latest RBI Financial Stability Report (June 2025) and Department of Economic Affairs updates, NBFCs (including Housing Finance Companies) now account for over 16% of total financial system assets and represent 99% of the country’s shadow banking sector.

They complement banks by offering niche, customised, and regionally targeted products, leveraging superior field-level understanding and digital integration. Credit Stock Growth: According to CRISIL MI&A data (quoted in DEA report), NBFC credit to small businesses has risen from ₹5.3 lakh crore in FY19 to over ₹9.5 lakh crore in FY24, with market share in small business lending increasing from 24% to 35%, projected to touch 38% by FY26. NBFC sector credit is expected to expand at 15–17% CAGR during FY24–FY27, driven by retail loans, MSME lending, and infrastructure finance. Asset Under Management of NBFCs is steadily rising, with vehicle finance, gold loans, and personal loans being key growth areas. Above the minimum requirement across the sector, indicating strong capital buffers. Gross NPAs for NBFCs declined to ~5.4% in March 2025 from higher pandemic levels, showing improved risk management. Return on Assets (RoA) and Return on Equity (RoE) remain healthy, supported by higher net interest margins.

IMF’s Financial Sector Assessment Program (FSAP) confirms that NBFCs have weathered recent macroeconomic pressures well. NBFCs are increasingly using AI-based underwriting, alternate credit scoring, and digital KYC to speed up loan approvals. Under the revised RBI framework (effective Jan 2026), co-lending arrangements will involve minimum 10% loan retention by NBFCs, enhancing transparency and risk-sharing. NBFCs are expanding into unsecured personal loans, renewable energy financing, and supply chain finance.

POLICY & REGULATORY LANDSCAPE

Scale-Based Regulation: Introduced in October 2021, classifies NBFCs into Base, Middle, Upper, and Top Layers, with progressively tighter oversight.

Industry bodies (e.g., FIDC) have urged the government to create a refinance/liquidity window via SIDBI and raise the bank lending limit to NBFCs under Priority Sector Lending from 5% to 10%. In January 2025, RBI began unwinding restrictions on major NBFCs after compliance improvements.

The NBFC sector is positioned for sustained double-digit growth in the medium term, supported by digital adoption, government policy support, and underserved market penetration.

The sector’s systemic significance means it will remain under close regulatory watch, but reforms (co-lending, capital norms) are expected to make it more resilient and competitive.

OPPORTUNITIES, THREATS, CHALLENGES AND OUTLOOK:

Opportunities

NBFCs have served the unbanked customers by pioneering into retail asset-backed lending, lending against securities and microfinance. Following variables in the external environment may be seen as opportunities for the Company:

- NBFCs aspire to emerge as a one-stop shop for all financial services.

- The sector has witnessed moderate consolidation activities in recent years, a trend expected to continue in the near future.
- New RBI guidelines on NBFCs with regard to capital requirements, provisioning norms & enhanced disclosure requirements are expected to benefit the sector in the long run.
- Government and RBI initiatives (such as Jan Dhan Yojana, Digital India, and priority sector lending) continue to promote credit access in semi-urban and rural areas where NBFCs already have a strong presence.
- MSME credit demand is growing at a CAGR of over 15%, with NBFCs' market share in small business lending expected to touch **38% by FY26** (CRISIL MI&A data, DEA report).
- Adoption of **AI-based credit assessment, e-KYC, and digital disbursement** allows NBFCs to scale faster and reduce costs.
- The revised RBI co-lending framework (effective January 2026) enables NBFCs to share risk and funding costs with banks, improving margins and loan book diversity.
- Opportunities in renewable energy finance, supply chain finance, affordable housing, and unsecured personal loans.
- Inclusion in systemic risk assessments and IMF FSAP acknowledgment of sector resilience boosts investor confidence.

Threats

Being a NBFC, the Company has to face various threats as under mentioned –

- Unlike banks, NBFCs cannot accept low-cost demand deposits and depend on bank borrowings or market instruments.
- Rapid changes in monetary policy can compress spreads and increase funding costs.
- Intensifying competition from fintechs, payment banks, and aggressive bank lending in retail and SME segments.
- Convergence of NBFC norms with bank regulations on capital adequacy, provisioning, and disclosure may pressure smaller NBFCs.
- Overexposure to high-risk borrower categories could raise NPAs if macro conditions deteriorate.
- Economic slowdown, currency volatility, and geopolitical events could dampen credit demand.

Challenges

- Despite easing of pandemic-era stress, smaller NBFCs still face difficulties in maintaining adequate liquidity buffers.
- The Scale-Based Regulation framework requires stronger governance, risk management, and capital, increasing operational costs.
- Maintaining low NPAs in the face of rapid loan growth requires stronger underwriting and recovery mechanisms.
- As switching costs are low, NBFCs must continuously innovate in service delivery to retain clients.
- While digital adoption offers opportunities, it also brings cyber security risks and the need for substantial IT investment.

Outlook:

The sector is projected to maintain 15–17% credit growth CAGR between FY24 and FY27, driven by MSME lending, retail finance, and co-lending models. With RBI's co-lending norms, capital enhancement requirements, and relaxation of earlier restrictions on major NBFCs, the sector is moving toward a more resilient and transparent framework. NBFCs' role in bridging the credit gap, especially in underserved markets, will keep them central to India's financial ecosystem. Strong demand, technological advancement, and policy support point to sustained growth, although profitability will hinge on effective cost control, prudent risk management, and diversification.

INDEPENDENT AUDITOR'S REPORT

TO
THE MEMBERS OF
INDO CREDIT CAPITAL LIMITED

REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Opinion

We have audited the accompanying standalone Ind AS financial statements of **Indo Credit Capital Limited**, (the "Company") which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement, the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act"), in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31st March, 2025 and its loss (financial performance including other comprehensive income), its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the "Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act and relevant rules there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

“ANNEXURE B” TO AUDITOR’S REPORT

(Referred to in paragraph 2(F) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Indo Credit Capital Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

Opinion

We have audited the internal financial controls over financial reporting of **“Indo Credit Capital Limited (the “Company”)** as of 31st March, 2025 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
