Forward-looking statements

Some information in this report may contain forward-looking statements which include statements regarding Company's expected financial position and results of operations, business plans and prospects and so on, are generally identified by forward-looking words such as 'believe,' 'plan,' 'anticipate,' 'continue,' 'estimate,' 'expect,' 'may,' 'will' or other similar words. Forward-looking statements are dependent on assumptions or basis underlying such statements. We have chosen these assumptions or basis in good faith, and we believe that they are reasonable in all material respects. However, we caution that actual results, performances or achievements could differ materially from those expressed or implied in such forward-looking statements. We undertake no obligation to update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise.

For more than three decades since inception our purpose has been to provide innovative building material solutions worldwide. In all these years, our core markets and consumers have evolved, and so have we.

We have crafted a rich legacy of innovation, supported by our design team and robust manufacturing capabilities. Our corporate governance framework also ranks among the best in the industry worldwide.

Today, we are a prominent player in global markets in the high-quality decorative laminates and allied products industry. To retain market leadership, we constantly focus on the evolving consumer aspirations spanning geographic borders, cultures and demographics.

FY22 saw us perform with diligence and fortitude, notwithstanding several macro headwinds such as high inflationary environment, supply chain disruptions and subdued demand scenario.

We have the right manufacturing scale and expertise to grow our revenue and margins. With economies of the world largely on the mend and strong product demand, we are confident of raising the bar of our performance significantly in the coming years with focus on enduring growth and sustaining excellence.

Managing Director's message

“
During the year, we recorded a net revenue of ₹ 659 crore, compared to ₹ 480 crore in the previous year, registering a growth of 37%.
”

Dear Shareholders,

It is often said that crisis reveals true character. We, at Stylam, can say with confidence that in the darkest hour of the year we have demonstrated our collective spirit to win and outshine competition. Despite repeated waves of the pandemic destabilising operations in the beginning of the year and geopolitical turmoil adding a further element of uncertainty in the closing months, we ended FY22 on positive note with growing domestic sales and exports.

Enduring growth

The strength of our business model is the outcome of years of robust strategies, hard work and consistent growth, notwithstanding challenges. To give you a historical perspective, we have grown our revenue more than 4X over the last 10 years and our PAT has surged over 15X during the same period.

What is even more interesting is that 10 years ago on a low revenue base of

₹ 140 crore, our EBITDA margin was 9%, and today on a revenue base of ₹ 659 crore it is 15.71%. This demonstrates our operational efficiency and the foresight and flexibility with which we have performed over the years across global markets and market cycles.

Over the years, we have built a diversified revenue source, with about two-thirds of our revenue being derived from exports to 80+ countries, and the balance from our extensive presence across the Indian subcontinent. This minimises our risk exposure in a volatile and constantly evolving operating scenario.

Diversity is in our DNA. Our products are as diverse as the markets where we operate. We run Asia's largest single-location laminate manufacturing plant with a varied product portfolio, catering to a wide range of customer preferences, built with over three decades of industry experience.

We have reached 80% capacity utilisation in the laminates division and have initiated modular expansion at the existing facilities, which will further enhance our capacity by up to 40%. A short cycle press capacity for laminating impregnated paper on Medium Density Fibre (MDF) panels has also been added as part of our diversification into a new venture in the segment.

During the year, we recorded a net revenue of ₹ 659 crore, compared to ₹ 480 crore in the previous year, registering a growth of 37%. Despite significant rise in input costs and ocean freight, we improved our EBITDA to ₹ 104 crore from ₹ 99 crore in the previous year. The prudent cost control measures helped improve the profit after tax to ₹ 61 crore during the year, compared to ₹ 55 crore in the previous year. Our financials vindicate the extent of our resilient business model in a year marked by challenges.

Since the 4th quarter of the year, raw material cost and ocean freight have started stabilising. With growing sales in domestic and export markets, we are confident of achieving far better revenues and margins in the coming years.

Sustaining excellence

We continued to strengthen our performance and margins in international markets. The US market was subdued during the year, while the Europe market performed well. Furthermore, we are participating in various conventions and exhibitions in the woodworking industry, both domestically and internationally, in order to broaden our footprint to new markets as well as our existing consumer base.

Our growing international market share is the result of our unwavering focus on building a specialised product portfolio. Products such as exterior laminates, bathroom cubicles and especially our acrylic solid surface continued to find increasing acceptance among our markets. I am pleased to report that we are among the first few companies to have a plant in India, where manufacturing operations are supported by European technology. We have pioneered Hot Coating technology that has enabled us to introduce anti-fingerprint and high gloss laminates. We have also developed the first production line to manufacture Solid Acrylic Surfaces in India, establishing us as a pioneer in this field as well.

We have built our distributor and dealer network to a very large extent in India. In addition, we have strengthened our marketing and branding efforts during the year, resulting in growing customer engagement through social media platforms. Our teams are working with influencers and we are getting good traction in the domestic market.

We have expanded our pan-India footprint by designing a product range that has become a benchmark in the laminate and adhesive industry. In the domestic market, our distributors and C&F agents, along with inventory

management remain our strong business enablers. Our distribution network in the Southern part of the country is strong, while we are gaining a stronger foothold in the Northern and Western India as well.

Fostering an engaging work culture

Stylam's growth is an outcome of our robust business practices and strong commitment to create value for our stakeholders. We continue to strengthen our governance framework and instil best practices across the operational framework. In addition, the commitment of our employees has enabled us to overcome the challenges of the pandemic. Our values foster a culture of trust and a strong sense of belonging among our teams.

Favourable industry dynamics

With the waning of the pandemic's impact, the real estate sector in India and overseas has bounced back significantly. India has emerged as one of the world's top five laminate exporters, with combined sector revenue at ₹ 8,000 crore, 25% of which accrues from exports in 2020-21 as per Indian Laminate Manufacturers' Association (ILMA).

The representation made by ILMA to Niti Aayog and the Department for the

Promotion of Industry and Internal Trade (DPIIT) for inclusion of laminate sector in Production Linked Incentive (PLI) Scheme is a big step in the right direction. Providing benefits to the laminate sector will not only strengthen its reputation and pricing power in global markets. As global customers are resorting to China-plus one strategy, India is aiming to achieve a sizable share of the world's furniture manufacturing and exports over the next 4-5 years.

Way forward

We are on course to accomplish our Vision 2025 goals. Our proposed capacity expansion plans are on track, with commercialisation expected by early 2023. The enhanced capacities and further improvement in capacity utilisations will help drive revenue and margins significantly. We have seen exponential growth over the last decade, despite industry cycles, economic volatilities and other ebbs and flows of business. We are now entering the next leg of our journey to amplify value for all stakeholders.

I sincerely believe that the best years of Stylam are still ahead of us.

Our laminates are designed and developed with meticulous care that involves cross-pollination of ideas, experiments and bold initiatives. We take inspiration from the life styles of consumers across different cultures and geographies.

From the standpoint of aesthetics, functionality, durability or even contemporary safety features, we showcase the best and the brightest ideas that stand out in India and overseas.

Adding value to life through our diverse portfolio

Vision 2022-2025

Improve and enhance the share of value-added products in the product mix as well as expanding the product range aggressively.

L A M I N A T E S

Our decorative laminate sheets are developed by fusing together sheets of classy brown kraft papers and decorative printed papers with heat and pressure.

Range and usage

All-purpose application that can be used to add style to wooden claddings, wall and column linings, lift linings, doors, shelves, and storage units, vanity unit tabletops, work tops, desks, and counters, office partitions, cubicles, store fittings, and home and office furniture.

Compact laminates

The inner core of our compact laminates is created by the combination of celluloid fibres and unique thermosetting resins. The resins, in combination with the specific heat and pressure cycles, produce a load-bearing strong laminate that is resistant to a wide range of chemical and atmospheric contaminants. They can be saw-cut, drilled, machined and punched to the required specifications due to their strong flexural and tensile strength.

Range and usage

All-purpose application that can be used to add style to wooden claddings, wall and column linings, lift linings, doors, shelves, and storage units, vanity unit tabletops, work tops, desks, and counters, office partitions, cubicles, store fittings, and home and office furniture.

Cuboid

Customised selection of products for areas, where functionality and durability are critical, such as restroom cubicles and lockers.

+Guard

Chemical-resistant laminates are utilised in chemical, analytical, microbiological, healthcare, pharmaceutical and educational laboratories.

Fascia

Weather resistant and engineered to preserve shape, colour, and durability in all-weather conditions, they can be utilised for exterior cladding.

Fire-retardant grade laminates

Fire-retardant laminates that can completely extinguish the flame source, removing the risk of hazardous fumes. Designed specifically for use in fire-prone areas such as kitchens and high-footfall areas such as airports, hotels, hospitals, schools, and commercial buildings.

Industrial laminates

Multi-purpose industrial laminates are available in all brown, black, and sandwiched design core variants. They are designed to have stable geometry under high temperatures and to deform minimally when subjected to stresses. Furthermore, they feature a high strength-to-weight ratio and qualities that do not diminish with age, making them suitable for usage in industrial settings.

Specialty surfaces

Our specialty surfaces are the world's premier collection of value-added decorative surfaces that enrich and distinguish interiors.

Electrostatic Dissipative (ESD) laminates

They are designed to diffuse static electricity in order to protect electronics and other static-sensitive devices from electric charges that could cause damage during production or assembly. They are also dirt and dust particle resistant. As a result, they are ideally suited for usage in workstations where static-sensitive electronic components are made, as well as hospitals and medical facilities.

Range and usage

Mirror laminates

Mirror laminates provide significant value to interiors, while remaining durable and a semi-rigid sheet for easy fabrication and handling. They are intended for use as kitchen countertops and cladding, bathroom vanity counters, wash counters, bathroom cladding, tabletops, window sills and frames, decorative cladding, and false ceilings.

MIRROR SHIELD LAMINATE

Magnetic laminates

Magnetic laminates, a high-technology hybrid, add enjoyable and practical components to our high-quality designs. They are a virtually unquestionable addition to any commercial project because they can be written on with chalk or special board markers and quickly affixed directly to the existing laminate using magnets. They are appropriate for use in retail, education, commercial, residential and other locations.

MAGNETIC
LAMINATES

Metallic laminates

Metallic laminates are created with high-quality metallised aluminium foil sourced from Europe. They have bright and reflective surface elements that give the environment a modern and sleek appearance. They are also available in high metallic laminates and are used in a variety of industries including hospitality, interior design, gaming and entertainment, and retail signage display furniture. They are also suitable for kitchens, home furnishings, tabletops and worktops, edge bands, skirting boards, doors, interior wall cladding, mirror tiles, and white boards.

Synchro laminates

Synchro laminates are designed to work in tandem with the pattern on the décor paper to create an identical duplicate of the design seen. These laminates are popular among architects, designers, and homeowners that value quality and wish to add a unique touch to their interiors. They can be used in high-end commercial settings as well as work surfaces, cabinets, flooring, panels, countertops, and interior walls in homes.

**SYNCHRO
LAMINATES**

Digital laminates

With customisable printed laminates encompassing themes ranging from nature and sports to cuisine and romance, digital laminates give architects and designers the much desired artistic leeway. They are versatile and provide a unique aesthetic appeal to interior décor walls, divider walls, multi-purpose furniture stands, children's rooms, exhibition images and doors.

DiGi delight
DIGITAL LAMINATES

Chalk/Marker laminates

They deliver surface durability and can be used with dry and wet erase markers. Their intrinsic properties make them ideal for office meeting rooms, patient boards, memo boards, athletic facilities, and cafeteria menu boards.

**CHALK BOARDS &
MARKER BOARDS**

Unicore laminates

Unicore laminates are a one-of-a-kind combination of identical colours and core-layered decorative surfaces. They can be employed as a decorative element in the home as well as in the hospitality industry.

UNICORE
LAMINATES

Post forming laminates

They are exclusively designed for usage on surfaces where the laminate is required to roll in a simple radius around the edges of a substrate. They improve the ornamental feature of any standard laminate's edges by leaving no seams around corners. This makes them ideal for shutters, countertops, cabinet doors, storage cabinet doors, and shelving systems that have uneven corners.

**POST FORMING

Flicker laminates

With a sparkle that transcends serenity, flicker laminates are available in two colours of silver and copper. They are used in kitchens, baths, decorative units, clubs, and showrooms, as well as the events industry.

Innova

means saying **no** to status quo

For us, at Stylam, innovation means challenging the status quo and constantly thinking afresh to delight the patrons of our product brands nationally and internationally.

The laminates sector is a dynamic one that continually sets new trends. As an industry leader, we realise the need for constantly improving and developing designs that outshines competition. To stay ahead in the fast-paced world of laminates, we deploy cutting-edge technology and revolutionary processes to craft designs that captivate.

Hot coating technology

We are a pioneer in Hot Coating technology from KLEIBERIT and BARBERAN in Germany and Spain. This state-of-the-art machine, the first of its kind in India, uses cutting-edge proprietary technology from Germany to generate immaculate finished quality laminates. Our 60-metre lacquer line plant employs KLEIBERIT's Hot Coating adhesives imported from Germany, as well as sophisticated spray pump technology, to precisely apply the most sought-after High Gloss & Anti-Fingerprint (Super Matt) finish on laminates and exterior cladding.

Anti-fingerprint laminates

We offer an anti-fingerprint surface with an ultra-soft touch and a deep matt finish to absorb light for aesthetically pleasing interior spaces. For projects that make a statement, we deliver diverse patterns with a smooth feel eased by a matt surface and anti-fingerprint features. We manufacture it with cutting-edge German KLEIBERIT Hot Coating Technology and state-of-the-art BARBERAN equipment, resulting in thermal healing capability and anti-microbial surface protection. We also assure that the laminates will not deteriorate or dissolve over time.

High gloss laminates

We always strive to provide inventive, innovative furnishing options to develop adaptable spaces for households and corporations. We have pioneered laminates with scratch-resistant high gloss surfaces using our ground-breaking KLEIBERIT Hot Coating technology. We ensure that the gloss's brilliance will endure for years without showing any signs of wearing. We deliver a wide range of innovative patterns that are in synergy with trends in the market with designs and hues that go well with the most contemporary furniture.

Our PU+ Lacquer coating technology imparts radiance to the surface that lasts for years. It is available in a variety of vibrant colours that enhance the appeal of interiors. Laminates are moisture resistant and UV resistant while being easy to clean and maintain.

Wide spectrum of capabilities

Vision 2022-2025

Increase capacity utilisation on the back of completed expansion (capacities in place to double revenues)

Setting up the plywood manufacturing facility - Stylam Panels Limited incorporated

Our innovative product line and use of cutting-edge manufacturing processes have helped us become a global brand. We have a section-wise split based on the different departments of our organisation at our Manak Tabra and Panchkula plant facilities, which assists in boosting the work rate and productivity. Fully automated machinery from reputable European (Italy | Germany | UK | Spain) and Indian vendors have been installed in our units to produce high-quality products.

Our vast stockpiling unit is designed with innovation at its core to maintain optimal capacity conditions while maintaining the product's quality. The quality unit guarantees that all quality guidelines factors are taken into account and followed. We are actively developing a range of world-class laminates for both residential and commercial applications.

What distinguishes Stylam in the national and international markets is its ambition to set new standards in each of its facilities.

Infrastructure

We have a world-class infrastructure that enables us to manufacture large quantities of diverse surface solutions for the building materials industry. Our plant is one of the most dynamic laminates manufacturing units in the country, owing to its latest machinery and equipment. Imported moulds of various finishes from France and Germany, as well as an Italian IMEAS Machine for back sanding, are just a few of the installations that help to enhance our manufacturing units.

We operate one of Asia's largest single-location laminate production operations, spanning 44 acres and capable of producing 14.3 million sheets per year. We are a global pioneer in the 'Hot Coating Process' of PU+ Lacquer coating on thin laminates. We are also a Solid Acrylic Surfaces pioneer in India, having established the first production line to manufacture these products in India.

Capability

We are capable of manufacturing laminates in a wide array of sizes depending on the applications including sheets, panels, and boards. We operate our facility using a superior operating approach to achieve the wide range of capacities.

The sheet thickness spans from 0.5 mm to 30 mm and is available in a variety of finishes including gloss, matt, suede, texture, and more. We currently have over 1,200+ unique laminates designs in various textures, and we are constantly adding to the count. We manufacture Anti-fingerPrint and High Gloss laminate sheets in thicknesses of 1 mm and higher, while PreLam Boards in the aforementioned finishes can be manufactured in a range of 18 - 25 mm.

1,500+

Capacity

Our manufacturing capacity enables us to supply products to our customers across the globe. We have a laminate production capacity of approximately 20 million sheets per year. We have a single press with the highest capacity of 28 daylight and a press with the largest size of 1860x4320 mm.

Production capacity

Quality

Our range of products undergo some of the most stringent quality checks within the industry, before the product becomes a part of residential or commercial space. We base our inspection criteria on our product's ability to withstand heat, scratches, and stains. We have an ISI-certified laboratory with specialised Quality Assurance machines from Europe (Italy, Germany, the United Kingdom, and Spain) and India.

We have a highly qualified and committed Research and Development team that is continually working on innovation and improvement, culminating in the development of high-quality products. Furthermore, we have experts from all across the world to supplement our knowledge.

Quality assurance

To ensure quality, we source our raw materials only from trusted partners and check the entire batch of the raw material prior to entering the manufacturing unit. We carry out production under extreme supervision and any batch with any shortcoming is replaced with the new one. We have a monitoring team in place to oversee the manufacturing process.

The finished goods are manually examined for quality according to a number of criteria, and the end sheets are subjected to a technical inspection to make sure everything is in order. Along with this, the storage department runs their own check. We ensure that the packaging is done meticulously so that the laminates are prepared for shipping and there is no concern for damage. Only the highest quality products are delivered to the customers' doors owing to our competent after-sales services department.

Enhancing our visibility and recall

Kuch nahi dikhega

We launched this campaign to promote our TouchMe Anti-Fingerprint Laminate product. The ad campaign highlights the properties of the product by showcasing the fact that no matter how many hands touch its surface or is exposed to scratches, there won't be any trace of it. Our campaign was one of the most visible promotion during the IPL 2020 and helped increase our customer outreach through the hashtag #KuchNahiDikhega, which trended on twitter and helped create a buzz about the product.

Management Discussion and Analysis

Global economy

The global economy bounced back in 2021 with a GDP growth of 6.1%, the highest since the 1970s. As restrictions continued to be lifted after successful vaccination drives around the world, consumer spending increased, goods trade surpassed pre-pandemic levels and a steady uptick in investment was witnessed around the world. It gradually made way for healthy economic recovery. However, due to the lingering impacts of the pandemic, the recovery was somewhat slowed in Q3 and Q4 of 2021. Moreover, the emergence of the Omicron variant in the fourth quarter led to the reimposition of restrictions and it aggravated supply chain issues to a certain extent. Further, the Russia-Ukraine war at the beginning of 2022 marred the economic rebound as economies felt the unexpected impact of war.

The consequential sanctions on Russia since the onset of the war and its global impact on commodity markets, supply chains, inflation, and financial conditions also affected global growth estimates. Additionally, lockdowns in China and the deepening of a real estate crisis have impacted growth prospects. As a result, the GDP is now expected to slowdown to 3.2% in 2022.

Indian economy

At the beginning of the fiscal 2021-22, the Indian economy was hit by the deadly second wave of the pandemic that dealt a severe blow to its healthcare infrastructure. However, its economic impact was muted in comparison to the first wave, mainly on account of the successful vaccination drive around the country and the implementation of supportive fiscal and monetary policies. While the economy reported healthy growth of 6.2%, growing at 1.3% over 2019-20, it lost momentum in Q3 and Q4 due to supply chain shocks, high input costs, shortage of coal and power and high crude prices. However, despite global supply chain disruptions and uncertainties about the possible resurgence of COVID-19 infections across many parts of the world, domestic macroeconomic conditions diverged from the global configuration and the Indian economy achieved a real GDP growth of 8.7% in FY2021-22, the fastest growth rate among major economies.

As per the IMF, the Indian economy is expected to report growth of 7.4% in FY2022-23, slower than the previous forecast of 8.2%. This can be largely attributed to the impact of the Russia-Ukraine war that further aggravated inflationary pressures and compelled the RBI to raise interest rates.

Industry overview

Indian real estate sector

The Indian real estate market witnessed some recovery after the first wave of the pandemic. However, the second wave curtailed some of the optimism. With successful inoculation drives around the country and growing consumer confidence, market sentiments rebounded. The real estate sector benefitted from supportive government policies, customer-friendly tax regimes and low interest rates on loans. Moreover, the demand for housing continued to grow as people still consider real estate as a stable investment opportunity.

Outlook

Growing demand for real estate, lower home loan rates and optimism around the real estate sector is expected to buoy the Indian market in the near future. With growing income, the government's emphasis on affordable housing and a favourable

policy environment, the positive momentum is expected to be carried forward. Alongside, the government continues to undertake measures for increasing liquidity for real estate projects that were stalled due to various reasons. According to the NITI Aayog, the Indian real estate market is expected to report \$1 trillion sales by 2030 and represent 13% of the country's GDP by 2025.

Growth drivers

Rising disposable income- Growing income levels in cities have increased affordability for real estate and the rising demand for housing continues to be a favourable growth driver for the real estate industry.

Urbanisation- The urban population in India is expected to reach 525 million by 2025, up from an estimated 463 million in 2020. It is also expected to cater to the need for quality housing and infrastructure.

Home loan rates- Attractive home loan rates and tax relief on interest continue to stimulate the demand for affordable housing. It is also acting as an attractive proposition for first-time homebuyers.

Favourable government policies- Government initiatives such as Pradhan Mantri Awas Yojana, Housing for All as well as the growing demand for quality housing in Tier II and III cities are fuelling the growth of the sector.

Global furniture industry

The Global Furniture Market is estimated to be USD 420 Bn in 2022 and is projected to reach USD 505.13 Bn by 2027, growing at a CAGR of 3.76%¹. In the previous year, the furniture market witnessed restrained growth due to supply chain disruptions caused by trade restrictions and reduced consumption. However, the future looks promising as new residential spaces continue to flourish. Moreover, people have taken interest in interior decoration and are choosing high quality furnishings for living spaces. The development of smart cities and a significant spike in the construction sector is also projected to create substantial demand for furniture and home furnishing solutions in the years ahead. Further, online shopping platforms have enabled manufacturers to take their products to a larger number of customers, thereby resulting in a substantial increase in the customer base.

Indian furniture industry

The Indian furniture industry is anticipated to surpass USD 27 Bn² by 2022 owing to the soaring demand for home furniture, rising population and rapid urbanisation. It continues to boost investments for home renovations as consumers are consistently

choosing aesthetically pleasing furniture and home furnishing solutions. Additionally, rising disposable income and better living standards are encouraging people to invest in household décor solutions more than ever before. Besides, the growing trend of work-from-home has also led to the rising demand for multifunctional furniture for setting up home offices. Besides, the demand for lightweight, versatile, and portable furniture with maximum storage facilities from hotels and resorts continue to augment market growth.

Global laminates industry

The global decorative laminates market size was valued at USD 7.0 Bn in 2021. It is projected to reach USD 10.0 Bn by 2031, growing at a CAGR of 3.4% from 2022 to 2031³. Decorative laminate provides a number of advantages over other surface finishing products. For example, they are moisture-proof, abrasion- & impact-resistant, and require little to no maintenance. These attributes make them a cost-effective option over a longer period.

The demand for residential infrastructure has greatly increased due to the rise in global population and the growth of nuclear households. This has fuelled the use of decorative laminates on floors, walls, doors as well as windows. In addition, the laminates are being widely preferred by hotels, resorts, offices and other commercial properties due to its aesthetic properties as well as its durability. Decorative laminates are also being used for home remodelling projects, especially in high income countries. Additionally, low installation and maintenance costs have driven up the demand for decorative laminates in comparison to wooden flooring.

Indian laminates industry

India's market for decorative laminates is primarily driven by improved living standards and rising consumer spending per capita on home furnishings. The popularity of ready-to-assemble (RTA) cabinetry, flooring, and furniture has also influenced buyers to choose modern home furnishings. Furthermore, the need for decorative laminates in gymnasiums, convention centres, indoor sports clubs, and auditoriums have increased phenomenally. In the near term, factors like rising population and rapid urbanisation is expected to propel construction of corporate offices, retail spaces, educational facilities, government buildings, hotels, lodging spaces, medical and healthcare units, industrial spaces, and commercial utilities. This, in turn will positively influence the demand for laminates.

Global acrylic solid surface industry

Acrylic solid surface is described as a man-made material composed of alumina trihydrate (ATH), acrylic, epoxy or polyester resins and pigments. It is generally used in seamless countertop

installations and can be heated and bent in three-dimensional shapes through a process known as thermoforming. Acrylic solid surfaces are used for a wide range of applications, for residential and commercial purposes. It is used in kitchen countertops, sinks, bathrooms, furniture fittings, wall cladding etc. It is also used in commercial spaces such as offices, retail outlets, malls, hotels and bars, hospitals and clinics.

Acrylic solid surfaces are durable and affordable, offering a great alternative for natural stone surfaces like granite and quartz-marble countertops.

An increase in the number of hotels and restaurants that majorly use acrylic solid surfaces for countertops, furniture, wall claddings, exterior facades, etc. is a key factor for boosting the growth of the global acrylic solid surface market. Besides, the fascination of the HoReCa industry for aesthetically appealing interiors as well as exteriors continues to increase the demand for acrylic solid surfaces.

Growing urbanisation, infrastructure development, and technological advancements are some of the other factors that are anticipated to contribute to the growth of the global acrylic solid surface market.

Company overview

Opportunities

- Rising disposable income- In CY2021, disposable income increased to Rs 2,38,573,760 million from 1,99,689,740⁴ million. It is encouraging consumers to spend more on furniture and home décor and thereby creating opportunity for the decorative laminates
- Favourable government initiatives- Favourable government initiatives like the development of Smart cities and Pradhan Mantri Awas Yojana are fuelling the growth of the real estate market, which in turn acts as a positive impetus for the Indian laminates industry and presents an opportunity for the Company, given that it is an important player in the industry
- Changing consumer preferences- The demand for aesthetically pleasing living spaces continue to bring about a significant shift in consumer preferences. The change augurs well for the furniture and home furnishing industry.
- Encouragement for Make in India projects- The government's continuous encouragement for 'Make in India' projects have resulted in import substitution and has increased the demand for home grown products. This has fared well for the domestic home furnishing industry.

Challenges

- The Company's exports may be impacted due to a slowdown in the global economy.
- Raw material risks arising from supply chain constraints and the surge in oil prices can potentially hurt the near-term growth prospects of the Company.
- Being a pioneer in the manufacturing of solid acrylic surfaces in India, the Company may face some reluctance from customers in replacing products that were so far being used by them.

Risk and mitigation

The Company functions under a well-defined organization structure. Flow of information is well defined to avoid any conflict or communication gap between two or more Departments. Second level positions are created in each Department to continue the work without any interruption in case of non-availability of functional heads. Proper policies are followed in relation to maintenance of inventories of raw materials, consumables, key spares and tools to ensure their availability for planned production programmes. Effective steps are being taken to reduce cost of production on a continuing basis taking various changing scenarios in the market.

Note if any

The financial year again started with an unprecedented lockdown in the different part of the country due to pandemic which negatively impacted the economic activities across the globe. Post relaxation of lockdown economic activities gradually started picking up from mid of June 2021. company backed by manufacturing strength, robust supply chain management and strong distribution network made a strong come back. The recovery was led by consumer segments of the business followed by pick up in industrial segments.

Since second half of the year, input costs and ocean freight have been on the rise. The Company is managing the same with constant monitoring and swift decisions in line with the market dynamics. However EBIDTA margins has dropped YoY (15.71% in FY22 vs 20.65% in FY 21) despite of tremendous growth in the sales. However, as Company generated healthy cash-flows, a significant part of the borrowings was repaid within same fiscal year.

Our Approach

In the beginning of FY22 when the situation warranted, entire company's focus was on all round improvement of efficiency. As domestic operations Starts improving, the company focused both on Domestic operations & the international operations.

The operations were taken to full scale, factories were ramped up to full capacities, supply chain strengths ensured continued availability of stocks at all levels.

Operations

As we entered 2022, the outlook was uncertain & no specific expectations for growth were set, however as the year progressed, the company surpassed the 2021 base year revenue. Company has achieved revenue of ₹659.35 crore as against ₹479.53 crore recorded in the previous year. Exports, including export incentives, contribute 63.78% of total revenue.

During the year, operating margins improved significantly to ₹103.65 crore from ₹98.98 crore in the previous year.

Outlook

The global Laminates market has been garnering remarkable momentum in the recent years. Low-ticket product categories are well positioned for a recessionary environment and the steadily escalating demand due to improvement in purchasing power is projected to bode well for the global market. Also, Global laminate boards' market in coming years is anticipated to rise owing to rising demand for boards with durability and resistance.

Besides, building material products are benefiting from resilience in new home construction and residential repair and remodel activity. In domestic market demand trends continued though regional lockdowns are creating challenges. Demand revival is led by Tier-II and Tier-III cities as Tier II and III towns offers reasonable land prices along with emergence of many industries (including sunrise sectors and start-ups), better road-and-air connectivity, spacious homes and need of people wanting to stay close to their hometowns, which is expected to fuel the next leg of growth of building materials companies. Further, general

shift of preference from unorganized sector to organized sector due poor availability of products by the un-organized sector, will support the growth of the organized sector.

Product Extension and Expansion

The company has planned for product extension under greenfield project by entering in Plywood and allied wood products under the flagship of wholly owned subsidiary (WOS) Stylam Panels Limited

DIVIDEND DISTRIBUTION POLICY

1. Preamble

Regulation **43A** of the **SEBI** (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI (Listing Obligations and Disclosure Requirements) (Second Amendment) Regulations, 2021 (the "**Regulations**") mandated top one thousand listed companies (based on market capitalization of every financial year) to formulate a Dividend Distribution Policy, which shall be disclosed in its Annual Report and on its website.

The policy, in the interest of providing transparency to the shareholders, sets out the circumstances and different factors for consideration by the Board at the time of deciding on distribution or of retention of profits. In view of the said requirement, the **Board of Directors** of the Company recognizes the need to lay down a broad framework with regard to the distribution of dividend to its shareholders and utilization of the retained earnings. The Policy reflects the intent of the Company to reward its shareholders by distributing a portion of its profits after retaining sufficient funds for the business needs and growth of the Company.

The Company would ensure to strike the right balance between the quantum of the dividend paid and amount of profits retained in the business for various purposes. The Board of Directors will have regards to this policy while declaring/recommending dividends on the behalf of the Company. Through this policy, the Company would strive to maintain a consistent approach to dividend pay-out plans.

The Board of Directors (the "**Board**") of **Stylam Industries Limited** (the "**Company**") at its meeting held on 16 June 2021 has adopted this Dividend Distribution Policy (the "**Policy**"), pursuant to the terms of Regulation 43A of the SEBI (LODR) Regulations, 2015 read with SEBI (LODR) (Second Amendment), 2021.

2. Definitions

"**Board**" shall mean Board of Directors of the Company;

"**Companies Act**" shall mean the Companies Act, 2013 and Rules thereunder, notified by the Ministry of Corporate Affairs, Government of India, as amended;

"**Dividend**" includes any interim dividend;

"**Listed Entity / Company**" shall mean Stylam Industries Limited;

"**Policy**" means Dividend Distribution Policy;

"**Stock Exchange**" shall mean a recognised Stock Exchange as defined under clause (f) of Section 2 of the Securities Contracts (regulation) Act, 1956.

3. Policy

A. Parameters and factors for declaration of dividend

The dividend pay-out decision of the Board depends upon the following financial parameters, internal and external factors:

Financial parameters and Internal Factors:

- Operating cash flow of the Company
- Profit earned during the year
- Profit available for distribution
- Earnings Per Share ("EPS")
- Working capital requirements
- Capital expenditure requirements
- Business expansion and growth
- Likelihood of crystallization of contingent liabilities, if any
- Additional investment in subsidiaries and associates of the Company

External Factors:

- Economic environment
- Government regulations
- Capital markets
- Global conditions
- Statutory provisions and guidelines
- Dividend pay-out ratio of competitors

B. Circumstances under which the shareholders of the company may or may not expect dividend

The decision regarding dividend pay-out is a crucial decision as it determines the amount of profit to be distributed among shareholders of the Company and the amount of profit to be retained in business. The decision seeks to balance the dual objectives of appropriately rewarding shareholders through dividends and retaining profits in order to maintain a healthy capital adequacy

ratio to support future growth. The shareholders of the Company may not expect dividend in the following circumstances, subject to discretion of the Board of Directors:

- Proposed expansion plans requiring higher capital allocation
- Decision to undertake any acquisitions, amalgamation, merger, joint ventures, new product launches etc. which requires significant capital outflow
- Requirement of higher working capital for the purpose of business of the Company
- Proposal for buy-back of securities
- In the event of loss or inadequacy of profit.

C. Utilization of the retained earning

The Board may retain its earnings in order to make better use of the available funds and increase the value of the stakeholders in the long run. The decision of utilization of the retained earnings of the Company shall be based on the following factors:

- Market expansion plan
- Product expansion plan
- Increase in production capacity
- Modernization plan
- Diversification of business
- Long term strategic plans
- Replacement of capital assets
- Where the cost of debt is expensive
- Dividend payment
- Such other criteria as the Board may deem fit from time to time.

D. Rate/ Quantum of dividend:

The Company will strive to distribute an optimal and appropriate level of the profits earned by it in its business, to the shareholders, in the form of dividend. The Company would maintain a dividend pay-out as may be determined by the Board from time to time, considering the general business factors and other significant parameters specified in this policy.

E. Manner of dividend pay-out

In case of final dividend:

- i. Recommendation, if any, shall be done by the Board, usually in the Board meeting that considers

and approves the annual financial statements, subject to approval of the shareholders of the Company.

- ii. The dividend as recommended by the Board shall be approved/declared at the Annual General Meeting of the Company.
- iii. The payment of dividends shall be made within the statutorily prescribed period from the date of declaration, to those shareholders who are entitled to receive the dividend on the record date/book closure period, as per the applicable law.

In case of interim dividend:

- i. Interim dividend, if any, shall be declared by the Board.
- ii. Before declaring interim dividend, the Board shall consider the financial position of the Company that allows the payment of such dividend.
- iii. The payment of dividends shall be made within the statutorily prescribed period from the date of declaration to the shareholders entitled to receive the dividend on the record date, as per the applicable laws.
- iv. In case no final dividend is declared, interim dividend paid during the year, if any, will be regarded as final dividend in the Annual General Meeting.

4. Conflict in policy

In the event of any conflict between this Policy and the provisions contained in the regulations, the regulations shall prevail.

5. Discloser

The Dividend Distribution Policy shall be disclosed in the Annual Report and on the website of the Company i.e., www.stylam.com

6. Policy review and amendments

This Policy would be subject to modification in accordance with the guidelines / clarifications as may be issued from time to time by relevant statutory and regulatory authority. The Board may modify, add, delete or amend any of the provisions of this Policy. Any exceptions to the Dividend Distribution Policy must be consistent with the Regulations and must be approved in the manner as may be decided by the Board of Directors

Independent Auditor's Report

To
The Members of
Stylam Industries Limited

Report on the audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Stylam Industries Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2022, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS"), and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

The Key Audit Matter

Revenue Recognition

The Company recognizes revenue at the point of time when control of the goods is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

In determining the transaction price for the sale, the Company considers the effects of variable consideration and consideration receivable from the customer.

The nature of rebates, discounts and sales returns, if any, involve judgment in determining sales revenues and revenue cut-off. The risk is, therefore, that revenue may not be recognized in the correct period or that revenue and associated profit is misstated.

How the matter was addressed in our audit

- We performed process walk through to understand the adequacy and the design of the revenue cycle. We tested internal controls in the revenue and trade receivables over the accuracy and timing of revenue accounted in the financial statements.
- Understanding the policies and procedures applied to revenue recognition, as well as compliance thereof, including an analysis of the effectiveness of controls related to revenue recognition processes employed by the Company.
- We reviewed the revenue recognition policy applied by the Company to ensure its compliance with Ind-AS 115 requirements.
- We checked the contracts of customers along with revenue recognition policy applied by the Company to ensure satisfaction of performance obligation upon transfer of control of products to customer at a point in time. Our checking procedure includes consideration of the accounting and presentation of the rebates and discount arrangements.
- In addition to substantive analytical reviews performed to understand how the revenue has trended over the year, we performed a detailed testing on transactions around the year-end, ensuring revenues were recognized in the correct accounting period. We also tested journal entries recognized to revenue focusing on unusual or irregular transactions.

The Key Audit Matter**Fair value Measurement**

In FY 2019, company has capitalized receivable from one of its customer in Singapore.

This capitalization was done on the basis of scheme approved by High Court in Singapore.

Owing to practical issues the shares so allotted to the company are assigned in favour of person resident of Singapore.

The shares are listed in Singapore Stock Exchange (SGX)

How the matter was addressed in our audit

- We have performed analytical audit measures correctness of capitalization transaction in the bookkeeping records.
- We have also assessed the appropriateness of the notes to the financial statements concerning the valuation.
- As regards the valuation calculations, the trading shares is suspended by SGX, we have assessed management judgement on the valuation and fair value is derived on the basis of input available i.e last stated price of shares.

Other Information

The Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Management's and Board of Directors Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Standalone Financial Statement

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, based on our audit, we report that :
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and the statement of changes in equity dealt with by this Report are in agreement with the relevant books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

 - ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the

Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us

to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement.

- v. The Interim dividend paid by the Company during the current year is in accordance with section 123 of the Companies Act 2013 to the extent it applies to payment of dividend.
- (C) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limits laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) of the Act which are required to be commented upon by us.

Annexure A to the Independent Auditor's Report

(Referred to in Paragraph 1 Under 'Report on other Legal and Regulatory Requirements' of our Report of Even Date)

With reference to the Annexure A referred to in the Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31 March 2022, we report the following:

- i. (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
(B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its fixed assets by which all fixed assets are verified in a phased manner, over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) Based on the examination of the registered sale deed, transfer deed, conveyance deed, mutation of title papers we report that, the title deeds, of all the immovable properties of land and buildings (other than those that have been taken on lease and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in (property, plant & equipment and capital work in progress), are held in the name of the Company as at the balance sheet date. Immovable properties of land and buildings whose title deeds have been pledged as security for loans, guarantees, etc., are held in the name of the Company.
 - (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets or both during the year
 - (e) According to the information and explanations given to us and the records examined by us including registered title deeds, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date. In respect of immovable properties of land that have been taken on lease and disclosed as Right of Use Assets in the financial statements, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.
 - (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- ii. (a) The inventory, except goods-in-transit and stocks lying with third parties, have been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. For stocks lying with third parties at the year end, written confirmations have been obtained. The discrepancies noticed on verification between the physical stocks and the book records were not material and have been dealt with in books of account.
(b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, at points of time during the year, from banks or financial institutions on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns and statements comprising (stock statements, book debt statements, and statements on ageing analysis of the debtors) filed by the Company with such banks or financial institutions are in agreement with the unaudited books of account of the Company, of the respective quarters and no material discrepancies have been observed.
 - iii. (a) During the year the company has made investments of ₹1.00 Crore in its subsidiaries "M/s Stylam Panels Limited.
(b) During the year the company has not provided any loans or advances in the nature of loans, or stood guarantee, or provided security to any other entity.
(c) In our opinion, the investments made and the terms and conditions of investments during the year are, prima facie, not prejudicial to the Company's interest.
(d) The Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.
 - iv. The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
 - v. The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.

vi. The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company

vii. According to the information and explanations given to us, in respect of statutory dues

(a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Customs Duty, Goods and Service Tax, cess and other material statutory dues applicable to it to the appropriate authorities.

(b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Customs Duty, Goods and Service Tax, cess and other material statutory dues in arrears as at 31st March, 2022 for a period of more than six months from the date they became payable.

(c) Details of dues of Income Tax, Sales Tax, Service Tax, Excise Duty, and Value Added Tax which have not been deposited as on 31st March, 2022 on account of disputes are given below:

Annexure B to the Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to financial statements of Stylam Industries Limited ("the Company") as of 31 March 2022 in conjunction with our audit of the financial statements of the Company as at and for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at 31 March 2022, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the

Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal

financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31,

2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Standalone Financial Statements

for the year ended March. 31, 2022

1. Company information

Stylam Industries Limited (“the Company”) is a public limited company incorporated in India with its registered office located at Sco-14, Sector 7-C, Madhya Marg, Chandigarh, India. The Company is listed on the Bombay Stock Exchange (BSE) and National Stock Exchange (NSE) The Company is engaged in manufacturing of laminates, solid surface panels and allied products.

The manufacturing facilities of the company are located at Panchkula, Haryana, India

2. Basis of Preparation, Measurement and Significant accounting policies

2.1 Basis of Preparation and measurement

a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the ‘Ind AS’) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements.

The financial statements are presented in INR, the functional currency of the Company. Items included in the financial statements of the Company are recorded using the currency of the primary economic environment in which the Company operates (the ‘functional currency’)

The financial statements of the Company for the year ended March 31, 2022 were approved for issue in accordance with the resolution of the Board of Directors on May 10, 2022

b) Basis of measurement

These Standalone Financial statements are prepared under the historical cost convention unless otherwise indicated.

2.2 Key accounting estimates and judgements

The preparation of Financial statements requires management to make judgements, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Key source of estimation of uncertainty at the date of financial statements, which may cause material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment, useful lives of property and plant and equipment, provisions, valuation of deferred tax liabilities, contingent liabilities and fair value measurements of financial instruments as discussed below.

Key source of estimation of uncertainty in respect of revenue recognition and employee benefits have been discussed in the respective policies.

Continuous evaluation is done on the estimation. Actual results may differ from these estimates.

2.3 Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013.

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is treated as current when:

- It is expected to be realised or intended to be sold or consumed in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is expected to be realised within twelve months after the reporting period; or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

The Company classifies all other assets as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle for the purpose of current and non-current classification of assets and liabilities.

Notes to the Standalone Financial Statements

for the year ended March. 31, 2022

2.4 Significant accounting policies

(a) Property, plant and equipment (PPE)

– Property, plant and equipment

Freehold land is carried at cost.

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, adjustments arising from exchange rate variations attributable to the assets.

Costs in nature of repairs and maintenance are recognised in the Statement of Profit and Loss as and when incurred.

– Capital work in progress

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as “Capital work-in-progress.

– Capital Advances

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under “Other Non-Current Assets”.

(b) Depreciation and amortization methods, estimated useful lives and residual value

Depreciation is provided on straight line basis on the original cost/ acquisition cost of assets or other amounts substituted for cost of fixed assets as per the useful life specified in Part ‘C’ of Schedule II of the Act, read with notification dated 29 August 2014 of the Ministry of Corporate Affairs.

The useful life is as follows:

Sr. No.	Nature of Asset	Useful Life (Years)
1.	Buildings	30
2.	Plant & Machinery	15
3.	Other Equipment	3 to 5
4.	Vehicles	8
5.	Furniture/ Fittings	10

Depreciation in respect of additions to assets has been charged on pro rata basis with reference to the period when the assets are ready for use. The provision for depreciation for multiple shifts has been made in respect of eligible assets on the basis of operation of respective units.

(c) Intangibles

Intangible assets purchased and cost incurred thereon are initially measured at cost.

– Amortisation

Intangible Assets are amortized on a Straight Line basis over the estimated useful economic life. The estimated useful lives of intangible assets are assessed as 10 years.

(d) De-recognition

The carrying amount of an item of property, plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the de-recognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognised in the Statement of Profit and Loss when the item is derecognised.

(e) Non-current assets held for sale

Non-current asset, are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use.

Such asset, are generally measured at the lower of their carrying amount and fair value less cost to sell.

Losses on initial classification as held for sale and subsequent gains and losses on re-measurement are recognised in the Statement of Profit and Loss.

Once classified as held-for sale, property, plant and equipment are no longer amortized or depreciated.

(f) Investments in Subsidiaries, and Associates

Investments in Subsidiary, and Associates are carried at cost less accumulated impairment losses, if any.

During the year entire investment in subsidiary “M/s Stylam Asia Pacific Pte Ltd “ has been written off as this subsidiary company did not have any business activity since its incorporation and has decided to discontinue its business and also has applied for strike off its name .

(g) Inventory

Raw materials, work-in-progress, finished goods, packing materials, stores, spares, components, consumables and stock-in-trade are carried at the lower of cost and net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business less estimated cost of completion and estimated costs necessary to make the sale.

Notes to the Standalone Financial Statements

for the year ended March. 31, 2022

For valuation of raw materials, packing materials, stock-in-trade, stores, and consumables, FIFO method is used to determine cost.

Cost of finished goods and work-in-progress includes the cost of raw materials, plus an appropriate share of variable production overheads.

(h) Financial instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

– Initial Recognition and measurement

All financial assets are recognised at fair value.

– Cash and cash equivalents

- Cash and cash equivalent comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. These balances with banks are unrestricted for withdrawal and usage.
- Other bank balances include balances and deposits with banks that are restricted for withdrawal and usage

– Recoverability of trade receivable

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the worth of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

– Derivative financial instruments and Hedge Accounting

The Company uses various derivative financial instruments such as forwards and options contracts to mitigate the risk of changes in exchange rates. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement

of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability.

– Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Financial Liabilities

– Initial recognition and measurement

All financial liabilities are recognised at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

– Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

– Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expire.

(i) Impairment of non-financial assets

At each balance sheet date, the carrying amount of fixed assets is reviewed by the management to determine whether there is any indication that those assets suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss (recoverable amount is the higher of an asset's net selling price or value in use). In assessing the value in use, the estimated future cash flows expected from the continuing use of the assets and from their disposal are discounted to their present value using a pre discounted rate that reflects the current market assessment of time value of money and risks specific to the asset.

Notes to the Standalone Financial Statements

for the year ended March. 31, 2022

Reversal of impairment loss is recognised immediately as income in the Profit and Loss Account.

(j) Valuation of deferred tax liabilities

The Company reviews the carrying amount of deferred tax liabilities at the end of each reporting period.

(k) Provision and contingent liabilities

A provision is recognised when the Company has a present obligation as result of a past event and it is probable that the outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent liabilities are not recognised in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.

(l) Revenue recognition

– Sale of products

Revenue from sale of products is recognized when the control on the goods have been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time i.e., when the material is shipped to the customer or on delivery to the customer and there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

Revenue from operations is disclosed net of GST.

Revenue from operations is adjusted with gain/ loss on corresponding on foreign currency transactions related to export.

– Government Grants

Export incentive entitlements are recognised as income when there is reasonable assurance to receive that company will comply with the conditions attached to them and it is established that incentive will be received.

Government grants relating to income are recognized in Profit & Loss Account on a systematic basis over the periods in which the Company recognizes as expenses, the related costs for which grants are intended to compensate.

– Other Income

Other income is accounted for on accrual basis as and when the right to receive arises.

(m) Expenditure

Expenses are accounted on accrual basis.

(n) Employee benefits

The Company's retirement benefit obligation is subject to a number of judgement including discount rates, inflation and salary growth. Significant judgement is required when setting these criteria and a change in these assumptions would have a significant impact on the amount recorded in the Company's balance sheet and the statement of profit and loss. The Company sets these judgements based on previous experience and third party actuarial advice.

– Short-term employee benefits

All employee benefits falling due within twelve months of the end of the period in which the employees render the related services are classified as short term employee benefits, which include benefits like salaries, wages, short term compensated absences, performance incentives, etc. and are recognised as expenses in the period in which the employee renders the related service and measured accordingly.

– Defined contribution plans

Contributions to defined contribution schemes such as provident fund, employees state insurance, labour welfare fund, are charged as an expense in Profit and loss account, based on the amount of contribution required to be made as and when services are rendered by the employees. These are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

– Retirement benefit obligations

Retirement benefit obligations are classified into defined benefits plans and defined contribution plans as under:

Defined Gratuity Plans

The Company pays gratuity to the employees whoever has completed five years of service with the Company

Notes to the Standalone Financial Statements

for the year ended March. 31, 2022

at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act 1972.

The plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount based on the respective employee's salary and the tenure of employment. The liability in respect of Gratuity is recognised in the books of accounts based on actuarial valuation by an independent actuary.

Compensated absences

As per the Company's policy, eligible leaves can be accumulated by the employees and carried forward to future periods to either be utilized during the service, or encashed. Encashment can be made during service, on early retirement, on withdrawal of scheme, at resignation and upon death of the employee. Accumulated compensated absences are treated as other long-term employee benefits. The Company's liability in respect of other long-term employee benefits is recognised in the books of account based on actuarial valuation using projected unit credit method as at Balance Sheet date by an independent actuary. Actuarial losses/gains are recognised in the Statement of Profit and Loss in the year in which they arise.

Actuarial valuation

The liability in respect of all defined benefit plans is accrued in the books of account on the basis of actuarial valuation carried out by an independent actuary using the Projected Unit Credit Method, which recognises each year of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up the final obligation. The obligation is measured at the present value of estimated future cash flows. The discount rates used for determining the present value of obligation under defined benefit plans, is based on the market yields on Government securities as at the Balance Sheet date, having maturity periods approximating to the terms of related obligations.

– Re-measurement

Benefit plans in respect of retirement benefits are charged to the Other Comprehensive Income.

(o) Income Taxes

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income. In which case, the tax is also recognised in other comprehensive income or equity.

– Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

– Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities / assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

(p) Finance costs

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

Interest free loan taken from promoters and others has been derived on basis of fair value based on market rate of interest prevailing when loan and derived to the total tenure of loan. The interest for the period is charged to the Statement of Profit and Loss.

(q) Foreign currencies transactions and translation

Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses from settlement of these transactions are recognised in the Statement of Profit and Loss. Foreign currency denominated monetary assets and liabilities are translated into functional currency at exchange rates in effect at the balance sheet date, the gain or loss arising from such translations are recognised in the statement of profit and loss.

Notes to the Standalone Financial Statements

for the year ended March. 31, 2022

(r) Earnings per share

Basic earnings per share is calculated by dividing the net profit attributable to equity shareholders of the Company.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and weighted average number of equity shares outstanding during the financial year.

(s) Business Combination

The company accounts for its business combinations in the nature of Merger, wherein all the assets and liabilities of the transferor company will become, after amalgamation, the assets and liabilities of the transferee company.

The consideration for the amalgamation receivable by those equity shareholders of the transferor company who agree to become equity shareholders of the transferee company is discharged by the transferee company wholly by the issue of equity shares in the transferee company.

The business of the transferor company is intended to be carried on, after the amalgamation, by the transferee company.

No adjustment is to be made to the book values of the assets and liabilities of the transferor company when they are incorporated in the financial statements of the transferee company except to ensure uniformity of accounting policies.

24. FINANCIAL RISK MANAGEMENT

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company, through three layers of defense namely policies and procedures, review mechanism and assurance aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations. The Audit committee of the Board with top management oversee the formulation and implementation of the Risk management policies. The risk are identified at business unit level and mitigation plan are identified, deliberated and reviewed at appropriate forums.

The Company has exposure to the following risks arising from financial instruments:

- credit risk
- liquidity risk
- market risk

a. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, loans and investments.

The carrying amount of financial assets represents the maximum credit risk exposure.

Trade receivables and other financial assets

The Company has established a credit policy under which customer is analysed individually for creditworthiness before the payment and delivery terms and conditions are offered. The Company performs an on-going assessment and monitoring of the financial position and the risk of default. Based on the aforesaid checks, monitoring and historical data, the Company does not perceive any significant credit risk on trade receivables.

In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are an individual or a legal entity, whether they are a institutional, dealers or end-user customer, their geographic location, industry, trade history with the Company and existence of previous financial difficulties.

The Company based on internal assessment which is driven by the historical experience/ current facts available, the management believes the strong opinion of recovery from trade receivables and where risk of default, if any, will be negligible and accordingly no provision for expected cash loss has been provided on trade receivables.

With regards to all other financial assets with contractual cash flows management believes these to be high quality assets with negligible credit risk. Thus, no provision for expected cash loss has been provided on these financial assets.

b. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities.

The Company has mature liquidity risk management processes covering short-term, mid-term and long-term funding. Liquidity risk is controlled through maintaining sufficient reserves, adequate amount of committed credit facilities and loan funds.

The contractual maturities of the Company's financial liabilities are presented below:-

(₹ in Lakhs)

31 March 2022	Contractual cash flows			Total

Other financial liabilities	5.60	5.60	–	5.60

Foreign exchange forward contracts is the difference between the booking rate and exchange rate at the balance sheet date, and not considered under financial obligation.

c. Market risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates that will affect the Company's income, assets, liabilities or expected cash flows. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Currency risk

The Company is exposed to currency risk to the extent that there is a mismatch between the currencies in which sales, purchases and borrowings are denominated and the functional currency of the Company. The currencies in which the Company is exposed to risk are USD and EUR

The Company follows a natural hedge driven currency risk mitigation policy to the extent possible. Any residual risk is evaluated and appropriate risk mitigating steps are taken, including but not limited to, entering into forward contracts.

Exposure to currency risk

The summary quantitative data about the Company's exposure to currency risk as reported to the management of the Company is as follows:

(₹ in Lakhs)

Notes to the Standalone Financial Statements

for the year ended March. 31, 2022

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rate. The borrowings of the Company are principally denominated in rupees and US dollars with a mix of fixed and floating rates of interest. The Company has exposure to interest rate risk, arising principally on changes in base lending rate and LIBOR rates. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings.

Exposure to interest rate risk

The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows:

The following table provides a break-up of the Company's fixed and floating rate borrowings:

Particulars	(₹ in Lakhs)	
	31-03-2022	31-03-2021
Fixed rate borrowings	2,301.21	1,062.85
Floating rate borrowings	5,645.64	4,852.39
Total borrowings	7,946.85	5,915.24

Sensitivity analysis

The sensitivity analysis below have been determined based on the exposure to interest rates for floating rate liabilities assuming the amount of the liability outstanding at the year-end was outstanding for the whole year.

If interest rates had been 25 basis points higher / lower and all other variables were held constant, the Company's profit before tax for the year ended 31 March 2022 would decrease / increase by Rs 14.11 lakh (for the year ended 31 March 2021: decrease / increase by ₹ 15.54 lakh). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowings.

25. Capital Management

Risk management

The Company's objectives when managing capital are to:

- safeguard its ability to continue as a going concern, so that its can continue to provide returns for its shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The Company manages its capital structure and makes adjustments to it as and when required. To maintain or adjust the capital structure, the Company plan either to raise fresh debt or to repay it, to raise fresh equity or sell those assets which have little contribution in the company's overall performance, when to pay dividends etc.

Consistent with others in the industry, the Company monitors capital on the basis of the following gearing ratio:

Net debt (total borrowings net of cash and cash equivalents and other bank balances) and divided by Total 'equity' (as shown in the Balance Sheet).

Particulars	(₹ in Lakhs)	
	31-03-2022	31-03-2021

In addition to the above the Company has investments in its subsidiary amounting to Rs 100.00 Lakh (31 March 2021 : 0.07 Lakh) and has investment in shares of associate company to Rs 35.63 Lakh (31 March 2021 : 35.63 Lakh), which are carried at cost.

The shares allotted to company amounting to ₹ 114.14 lakh (31 March 2021 : ₹ 114.14 Lakh) towards settlement of dues as per direction of Singapore Court's order. These shares are listed on Singapore stock exchange but trading is suspended. Hence, these are carried at fair value when shares were so allotted.

- Fair valuation of financial assets and liabilities with short term maturities is considered as approximate to respective carrying amount due to the short term maturities of these instruments.
- Fair value for investments has been disclosed at fair value.
- The fair values of long term borrowings are based on discounted cash flows using current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.
- The fair value of forward foreign exchange contracts and principal swap is determined using forward exchange rates at the balance sheet date

There are no transfers between level 1, Level 2 and Level 3 during the year ended 31 March 2022 and 31 March 2021.

The following explains the judgements and estimates made in determining the fair values of the financial instruments that are recognised and measured at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial investments into the three levels prescribed under the accounting standard.

Notes:

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes mutual funds that have quoted price and are valued using the closing NAV.

Level 2 hierarchy includes the fair value of financial instruments that are not traded in an active market (for example, over-the-counter derivatives) and the fair value is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 : If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. Currently, the Company does not have any such financial instruments.

28. Business Combination

Amalgamation with Golden Chem-Tech Limited

On 21st December, 2017, the Board of Directors of Stylam Industries Limited (SIL), subject to obtaining requisite approvals from statutory authorities and shareholders, had approved a Scheme of Amalgamation between SIL and Golden Chem-Tech Limited (GCL). The scheme envisaged the amalgamation of GCL with the Company and the dissolution without winding up of GCL pursuant thereto. Both the Companies had received all necessary approvals and in accordance with the terms of the Scheme, 30th September 2017 was the appointed date and effective date. Accordingly, all assets and liabilities of GCL had become assets and liabilities of the Company with effect from that date.

On 11th March, 2020 the Company had allotted 307,830 Equity Shares of ₹10/- each to the shareholders who were holding shares of GCL as on the record date.

No adjustment had been made to the book values of the assets and liabilities of GCL when they were incorporated in the financial statements of the company except to ensure uniformity of accounting policies.”

Independent Auditor's Report

To
The Members of
Stylam Industries Limited

Report on the audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Stylam Industries Limited ("the Company"), and its subsidiaries (the Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2022, and the consolidated statement of Profit and Loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies, Notes to the Financial Statements and other explanatory information (hereinafter referred to as "the Consolidated Financial Statement statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2022, consolidated profit, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

The Key Audit Matter

Revenue Recognition

The Group recognizes revenue at the point of time when control of the goods is transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

In determining the transaction price for the sale, the Group considers the effects of variable consideration and consideration receivable from the customer.

The nature of rebates, discounts and sales returns, if any, involve judgment in determining sales revenues and revenue cut-off. The risk is, therefore, that revenue may not be recognized in the correct period or that revenue and associated profit is misstated.

How the matter was addressed in our audit

- We performed process walk through to understand the adequacy and the design of the revenue cycle. We tested internal controls in the revenue and trade receivables over the accuracy and timing of revenue accounted in the financial statements.
- Understanding the policies and procedures applied to revenue recognition, as well as compliance thereof, including an analysis of the effectiveness of controls related to revenue recognition processes employed by the Company.
- We reviewed the revenue recognition policy applied by the Group to ensure its compliance with Ind-AS 115 requirements.
- We checked the contracts of customers along with revenue recognition policy applied by the Group to ensure satisfaction of performance obligation upon transfer of control of products to customer at a point in time. Our checking procedure includes consideration of the accounting and presentation of the rebates and discount arrangements.
- In addition to substantive analytical reviews performed to understand how the revenue has trended over the year, we performed a detailed testing on transactions around the year-end, ensuring revenues were recognized in the correct accounting period. We also tested journal entries recognized to revenue focusing on unusual or irregular transactions.

The Key Audit Matter

Fair value Measurement

In FY 2019, Group has capitalized receivable from one of its customer in Singapore.

This capitalization was done on the basis of scheme approved by High Court in Singapore.

Owing to practical issues the shares so allotted to the Group are assigned in favour of person resident of Singapore.

The shares are listed in Singapore Stock Exchange (SGX)

How the matter was addressed in our audit

- We have performed analytical audit measures correctness of capitalization transaction in the bookkeeping records.
- We have also assessed the appropriateness of the notes to the financial statements concerning the valuation.
- As regards the valuation calculations, the trading shares is suspended by SGX, we have assessed management judgement on the valuation and fair value is derived on the basis of input available i.e last stated price of shares.

Other Information

The Holding Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other

information is materially inconsistent with the standalone financial statements or our knowledge obtained

in the audit or otherwise appears to be materially misstated. When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Management's and Board of Directors Responsibility for the consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial

statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of Consolidated Financial Statement

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the holding Company has adequate internal financial controls with reference to consolidated financial

statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements.
- We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, based on our audit, we report that :
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account and records maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2022 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditor of its subsidiary companies incorporated in India, none of the directors of the Group companies, incorporated in India is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The consolidated financial statements disclose the impact, if any, of pending litigations on the consolidated financial position of the Group;
 - ii. The Group did not have any long-term contracts including derivative contracts as at March 31, 2022 for which there were any material foreseeable losses.;
 - iii. There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies, incorporated in India during the year.
 - iv. (a) The respective Managements of the Company whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The respective Managements of the Company whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiaries from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Interim dividend paid by the Company during the current year is in accordance with section 123 of the Companies Act 2013 to the extent it applies to payment of dividend. No dividend has been declared/paid by the subsidiaries during the year.
- (C) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act:
- In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the holding company and its subsidiaries which are incorporated in India to its directors during the year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director by the holding company and its subsidiaries which are incorporated in India is not in excess of the limit laid down under Section 197 of the Act.
- (D) With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

Annexure A to the Independent Auditor's Report

Annexure "A" To The Independent Auditor's Report Of Even Date On The Consolidated Ind AS Financial Statements of Stylam Industries Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

Opinion

1. In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31st March, 2022, We have audited the internal financial controls over financial reporting of STYLAM INDUSTRIES LIMITED (hereinafter referred to as "the Holding Company") and its one subsidiary company, which are the companies incorporated in India, as of that date
2. In our opinion the Holding Company and its subsidiary company which are the companies incorporated in India has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31st March 2022, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

3. The Board of Directors of the of the Holding company and its subsidiary company which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

4. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over

Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

7. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

8. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

9. Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Holding Company, insofar as it relates to the one subsidiary, which is the Company incorporated in India, is based on the corresponding report of the auditors of such subsidiary Company incorporated in India.

b) Basis of measurement

These Consolidated Financial statements are prepared under the historical cost convention unless otherwise indicated.

2.2 Key accounting estimates and judgements

The preparation of Consolidated Financial statements requires management to make judgements, estimates

Notes to the Consolidated Financial Statements

for the year ended March. 31, 2022

and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgements based on historical experience and other factors, including expectations of future events that are believed to be reasonable.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

2.3 Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Group normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013.

The Group presents assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is treated as current when:

- It is expected to be realised or intended to be sold or consumed in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is expected to be realised within twelve months after the reporting period; or

- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

Group classifies all other assets as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Group classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. Group has identified twelve months as its operating cycle for the purpose of current and non-current classification of assets and liabilities.

24. FINANCIAL RISK MANAGEMENT

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company, through three layers of defense namely policies and procedures, review mechanism and assurance aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations. The Audit committee of the Board with top management oversee the formulation and implementation of the Risk management policies. The risk are identified at business unit level and mitigation plan are identified, deliberated and reviewed at appropriate forums.

The Company has exposure to the following risks arising from financial instruments:

- a. credit risk
- b. liquidity risk
- c. market risk

a. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, loans and investments.

The carrying amount of financial assets represents the maximum credit risk exposure.

Trade receivables and other financial assets

The Company has established a credit policy under which customer is analysed individually for creditworthiness before the payment and delivery terms and conditions are offered. The Company performs an on-going assessment and monitoring of the financial position and the risk of default. Based on the aforesaid checks, monitoring and historical data, the Company does not perceive any significant credit risk on trade receivables.

In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are an individual or a legal entity, whether they are a institutional, dealers or end-user customer, their geographic location, industry, trade history with the Company and existence of previous financial difficulties.

The Company based on internal assessment which is driven by the historical experience/ current facts available, the management believes the strong opinion of recovery from trade receivables and where risk of default, if any, will be negligible and accordingly no provision for expected cash loss has been provided on trade receivables.

With regards to all other financial assets with contractual cash flows management believes these to be high quality assets with negligible credit risk. Thus, no provision for expected cash loss has been provided on these financial assets.

Notes to the Consolidated Financial Statements

for the year ended March. 31, 2022

b. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities.

The Company has mature liquidity risk management processes covering short-term, mid-term and long-term funding. Liquidity risk is controlled through maintaining sufficient reserves, adequate amount of committed credit facilities and loan funds.

The contractual maturities of the Company's financial liabilities are presented below:-

(₹ in Lakhs)

31 March 2022	Contractual cash flows			Total
	Carrying amount	Within one year	More than one year	
Non-derivative financial liabilities

Trade payable	5,149.31	5,122.34	26.97	5,149.31
Other financial liabilities	5.60	5.60	–	5.60

Foreign exchange forward contracts is the difference between the booking rate and exchange rate at the balance sheet date, and not considered under financial obligation.

c. Market risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates that will affect the Company's income, assets, liabilities or expected cash flows. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Currency risk

The Company is exposed to currency risk to the extent that there is a mismatch between the currencies in which sales, purchases and borrowings are denominated and the functional currency of the Company. The currencies in which the Company is exposed to risk are USD and EUR

The Company follows a natural hedge driven currency risk mitigation policy to the extent possible. Any residual risk is evaluated and appropriate risk mitigating steps are taken, including but not limited to, entering into forward contracts.

Exposure to currency risk

The summary quantitative data about the Company's exposure to currency risk as reported to the management of the Company is as follows:

(₹ in Lakhs)

Particulars	31 March 2022		31 March 2021	
	USD	EUR	USD	EUR

Notes to the Consolidated Financial Statements

for the year ended March. 31, 2022

Sensitivity analysis

A reasonably possible strengthening /(weakening) of the EUR and USD against the functional currency at 31 March 2022 would have affected the measurement of financial exposure denominated in a foreign currency and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact on forecast sales and purchases.

	Movement	Profit or Loss (before tax)	
		(₹ in Lakhs)	
		Strengthening	Weakening
Year ended March 31,2022			
USD	1%	9.99	(9.99)
EURO	1%	(17.94)	17.94
Year ended March 31,2021			
USD	1%	17.63	(17.63)
EURO	1%	(30.27)	30.27

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rate. The borrowings of the Company are principally denominated in rupees and US dollars with a mix of fixed and floating rates of interest. The Company has exposure to interest rate risk, arising principally on changes in base lending rate and LIBOR rates. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings.

Exposure to interest rate risk

The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows:

The following table provides a break-up of the Company's fixed and floating rate borrowings:

Particulars	(₹ in Lakhs)	
	31-03-2022	31-03-2021
Fixed rate borrowings	2,301.21	1,062.85
Floating rate borrowings	5,645.64	4,852.39
Total borrowings	7,946.85	5,915.24

Sensitivity analysis

The sensitivity analysis below have been determined based on the exposure to interest rates for floating rate liabilities assuming the amount of the liability outstanding at the year-end was outstanding for the whole year.

If interest rates had been 25 basis points higher / lower and all other variables were held constant, the Company's profit before tax for the year ended 31 March 2022 would decrease / increase by ₹ 14.11 lakh (for the year ended 31 March 2021: decrease / increase by ₹ 15.54 lakh). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowings.

25. Capital Management

Risk management

The Company's objectives when managing capital are to:

- safeguard its ability to continue as a going concern, so that its can continue to provide returns for its shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

Notes to the Consolidated Financial Statements

for the year ended March. 31, 2022

The Company manages its capital structure and makes adjustments to it as and when required. To maintain or adjust the capital structure, the Company plan either to raise fresh debt or to repay it, to raise fresh equity or sell those assets which have little contribution in the company's overall performance, when to pay dividends etc.

Consistent with others in the industry, the Company monitors capital on the basis of the following gearing ratio:

Net debt (total borrowings net of cash and cash equivalents and other bank balances) and divided by Total 'equity' (as shown in the Balance Sheet).

Particulars	(₹ in Lakhs)	
	31-03-2022	31-03-2021

In addition to the above the Company has investments in its subsidiary amounting to ₹ 100.00 Lakh (31 March 2021 : 0.07 Lakh) and has investment in shares of associate company to ₹ 35.63 Lakh (31 March 2021 : 35.63 Lakh), which are carried at cost.

The shares allotted to company amounting to ₹ 114.14 lakh (31 March 2021 : ₹ 114.14 Lakh) towards settlement of dues as per direction of Singapore Court's order. These shares are listed on Singapore stock exchange but trading is suspended. Hence, these are carried at fair value when shares were so allotted.

- Fair valuation of financial assets and liabilities with short term maturities is considered as approximate to respective carrying amount due to the short term maturities of these instruments.
- Fair value for investments has been disclosed at fair value.
- The fair values of long term borrowings are based on discounted cash flows using current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.
- The fair value of forward foreign exchange contracts and principal swap is determined using forward exchange rates at the balance sheet date

There are no transfers between level 1, Level 2 and Level 3 during the year ended 31 March 2022 and 31 March 2021.

The following explains the judgements and estimates made in determining the fair values of the financial instruments that are recognised and measured at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial investments into the three levels prescribed under the accounting standard.

Notes:

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes mutual funds that have quoted price and are valued using the closing NAV.

Level 2 hierarchy includes the fair value of financial instruments that are not traded in an active market (for example, over-the-counter derivatives) and the fair value is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 : If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. Currently, the Company does not have any such financial instruments.

28. Business Combination

Amalgamation with Golden Chem-Tech Limited

"On 21st December, 2017, the Board of Directors of Stylam Industries Limited (SIL), subject to obtaining requisite approvals from statutory authorities and shareholders, had approved a Scheme of Amalgamation between SIL and Golden Chem-Tech Limited (GCL). The scheme envisaged the amalgamation of GCL with the Company and the dissolution without winding up of GCL pursuant thereto. Both the Companies had received all necessary approvals and in accordance with the terms of the Scheme, 30th September 2017 was the appointed date and effective date. Accordingly, all assets and liabilities of GCL had become assets and liabilities of the Company with effect from that date.

On 11th March, 2020 the Company had allotted 307,830 Equity Shares of ₹10/- each to the shareholders who were holding shares of GCL as on the record date.

No adjustment had been made to the book values of the assets and liabilities of GCL when they were incorporated in the financial statements of the company except to ensure uniformity of accounting policies."
