Shares held in Demat Form: Please contact your Depository Participant (DP) and get your e-mail ID and Bank Account details registered / updated in your Demat Account by your DP.

In the event the Company is unable to pay the dividend to any Shareholder by electronic means, due to non-registration of Bank Account, the Company shall dispatch the dividend warrant to such Shareholder, once the normalcy is restored.

11 DEDUCTION OF TAX AT SOURCE ON DIVIDEND:

Pursuant to the provisions of the Income Tax Act, 1961, as amended by the Finance Act, 2020, the dividend income will be taxable in the hands of the Shareholders with effect from 01.04.2020. The Company is required to deduct Tax at Source (TDS) from the dividend payable to the Shareholders at prescribed rates in the Income Tax Act, 1961. In order to enable the Company to determine the appropriate TDS rate as applicable for various categories of Shareholders, members are requested to refer to the Income Tax Act for the same and update their details viz., Residential Status, PAN, Category as per the Income Tax with their Depository Participants (in case shares are held in Demat form) or forward the same by email to the Company / RTA at investor@indiacements.co.in / corpserv@integratedindia.in (in case shares are held in physical form).

Declaration in Form No. 15G / Form 15H, as applicable, fulfilling certain conditions to claim exemption from deduction of tax at source should be sent to the RTA on or before 20.09.2020. Please download Form 15G / 15H from the Income Tax website www.incometaxindia.gov.in. No communication would be accepted from members beyond September 20, 2020 regarding the tax on dividend matters.

- 12 Members are requested to contact the Registrar and Share Transfer Agent (RTA) for all matters connected with the Company's shares at Integrated Registry Management Services Private Limited, 2nd Floor, 'Kences Towers', No.1, Ramakrishna Street, North Usman Road, T.Nagar, Chennai 600017, Tel.: 044-28140801 to 28140803 & Fax: 044-28142479; Email: corpserv@integratedindia.in.

Members holding shares in physical form are requested to notify all changes with respect to their bank details, mandate, nomination, power of attorney, change of address, etc. to the RTA. Members holding shares in physical form in more than one folio are requested to write to the RTA immediately enclosing their Share Certificates for consolidation of their holdings into one folio.

Members holding shares in the dematerialised mode are requested to intimate all changes with respect to their bank details, mandate, nomination, power of attorney, change of address, etc. to their Depository Participant (DP). These changes will be automatically reflected in the Company's records.

- 13 The Ministry of Corporate Affairs, New Delhi, vide its notification dated May 7, 2018, has done away with the requirement to place the matter relating to appointment of Auditors for ratification by the members at every Annual General Meeting (AGM). Accordingly, no resolution is proposed at the AGM for ratification of appointment of M/s.K.S. Rao & Co., Chartered Accountants and M/s.S.Viswanathan LLP, Chartered Accountants, Statutory Auditors, who were appointed in the AGM held on 4th September, 2017 for a term of five years to hold office from the conclusion of the Seventyfirst AGM until the conclusion of the Seventysixth AGM of the Company.

14 Unclaimed dividends upto and including for the financial year 1994-95 have been transferred to the General Revenue Account of the Central Government. Shareholders who have not encashed their dividend warrants relating to financial year(s) upto 1994-95 may claim the same from the Registrar of Companies, Tamil Nadu-I, Chennai, No.26, Haddows Road, Chennai 600006, in the prescribed form which will be supplied by the Company / RTA on request.

15 Unclaimed dividends for the financial years from 1995-96 to 2000-01, 2006-07 to 2011-12 have been transferred to Investor Education and Protection Fund (IEPF). Dividend for the financial years ended 31st March, 2013 and 31st March, 2016 to 31st March, 2019 which remain unpaid or unclaimed for a period of 7 years will be transferred to the IEPF established under Section 125 of the Companies Act, 2013. Shareholders who have not encashed the dividend warrant(s) so far for the financial year ended 31st March, 2013 and for the financial years ended 31st March, 2016 to 31st March, 2019 are requested to make their claim forthwith to the Company / RTA.

In terms of Sections 124 and 125 of the Companies Act, 2013 and Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016 (Rules), as amended, all the equity shares in respect of which dividend has remained unpaid / unclaimed for a period of seven consecutive years or more are required to be transferred to the Demat account of IEPF Authority. Accordingly, the Company had transferred equity shares on which dividend remained unpaid / unclaimed for the financial years 2008-09 to 2011-12 to the IEPF Authority, after following the procedures prescribed in the aforesaid Rules. A Statement containing the details of such shareholders whose equity shares were transferred to IEPF Authority is available on the Company's website: www.indiacements.co.in under the heading "Investors Corner".

The Shareholders, who have not encashed / claimed their dividends from the year 2012-13, are advised to contact or write to the Company or to the RTA, Integrated Registry Management Services Private Limited, immediately claiming the dividend. In case, the Company / RTA do not receive any communication from the concerned shareholders, claiming their dividends, the Company shall, in compliance with the said Rules, transfer Dividend for the year 2012-13 and corresponding shares to IEPF account on the due date i.e. 21.11.2020.

It may be noted that all benefits, if any, which may accrue in future on such shares, including bonus shares, dividend, etc. will be credited / transferred to the IEPF account. Any claim in respect of the said shares / dividend so transferred, may be submitted online to IEPF Authority in the prescribed e-form IEPF-5 by following the procedures laid down in the Rules, available on the IEPF website: www.iepf.gov.in.

In terms of the aforesaid Rules, the Company had filed with the MCA the information on unclaimed dividend as on 31.03.2019 and hosted the same on the Company's website: www.indiacements.co.in under the heading "Investors Corner".

16 Under the provisions of Section 72 of the Companies Act, 2013, shareholder(s) is / are entitled to nominate in the prescribed manner, a person to whom his / her / their shares in the Company, shall vest after his / her / their lifetime. Members who are interested in availing this nomination facility are requested to write to the Company / RTA, in case shares are held in physical form or to the depository participants in case shares are held in demat form.

17 Members are requested to note that in case of deletion of name of deceased shareholder, transmission and transposition of names in respect of shares held in physical form, submission of self-attested photocopy of PAN Card of the claimant(s), surviving holder(s), legal heir(s) and joint holder(s) respectively, along with necessary documents at the time of lodgement of request for transmission / transposition, is mandatory.

18 In accordance with the provisions of Section 101 of the Companies Act, 2013 read with Rule 18 of the Companies (Management and Administration) Rules, 2014, Regulation 36 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings (SS2) and the General Circular No. 20/2020 dated 5th May, 2020 issued by MCA and in view of prevailing situation on account of COVID 19 and owing to the difficulties involved in dispatching physical copies of the financial statements (including Board's report, Auditor's report or other documents required to be attached therewith), such statements including the Notice of AGM are being sent only by e-mail to those Members who have registered their e-mail address with the Company/ Registrar and Share Transfer Agent (in respect of shares held in physical form) or with their DP (in respect of shares held in electronic form) and made available to the Company by the Depositories.

The Annual Report containing the said documents including Notice of AGM is also available on the Company's website 'www.indiacements.co.in' and on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com. from where it can be downloaded. The Notice can also be accessed from the websites of the Stock Exchanges on which the Shares of the Company are listed i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. Shareholders may please note that no physical / hard copy of the aforesaid documents will be sent by the Company.

Members, who have not registered their e-mail addresses, are requested to register their e-mail addresses with (i) the Depository Participant(s), if the shares are held in electronic form and (ii) with the Company / Registrar & Share Transfer Agent (RTA) of the Company, if the shares are held in physical form.

- 19 The Securities and Exchange Board of India (SEBI) vide its Circular dated 20.04.2018, has mandated registration of Permanent Account Number (PAN) and Bank Account Details for all securities holders. Members holding shares in physical form are therefore, requested to submit their PAN and Bank Account Details to RTA / Company by forwarding duly signed letter along with self-attested copy of PAN Card and cancelled cheque leaf. The cancelled cheque leaf should bear the name of the Member. In the alternative, Members are requested to submit a copy of bank passbook / statement issued by the Bank.

In terms of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, securities of listed companies can only be transferred in dematerialised form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of the above, members are advised to dematerialise equity shares held by them in physical form.

20 Electronic Voting (e-Voting)

- I In compliance with provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Secretarial Standards issued by the Institute of Company Secretaries of India and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020, the Company is pleased to provide to its members the facility of remote e-voting and voting through e-voting system during the AGM, in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as e-voting during the AGM will be provided by NSDL.
- II Those Members, who will be present in the AGM through VC / OAVM facility and have not cast their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system during the AGM.
- III The Members who have cast their vote by remote e-voting prior to the AGM may also attend/ participate in the AGM through VC / OAVM but shall not be entitled to cast their vote again.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 ANNEXED TO THE NOTICE OF THE SEVENTYFOURTH ANNUAL GENERAL MEETING OF THE COMPANY IN RESPECT OF ITEMS NO.5 TO 8 OF THE SAID NOTICE

Item No. 5:

Smt. Nalini Murari Ratnam (DIN : 07884044) was appointed by the Board of Directors as a Nominee Director with effect from 7th February 2020 in the casual vacancy caused by withdrawal of nomination of Sri M.R.Kumar (DIN: 03628755) by Life Insurance Corporation of India and she will hold office upto the date of the 74th Annual General Meeting of the Company.

Notice in writing under Section 160 of the Companies Act, 2013 has been received from a member signifying his intention to propose the appointment of Smt. Nalini Murari Ratnam as a Director of the Company liable to retirement by rotation.

The disclosure containing the profile and other details of Smt. Nalini Murari Ratnam as required under Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings (SS2) is annexed to the Notice.

The Nomination and Remuneration Committee, after considering Smt. Nalini Murari Ratnam's profile, experience and performance, has recommended her appointment as a Director liable to retirement by rotation and the Board has approved the same. The Board considers that the appointment of Smt. Nalini Murari Ratnam as a Director, as aforesaid, would be in the best interests of the Company. Hence the Board recommends the Ordinary Resolution as set out in Item No.5 of the Notice convening the 74th Annual General Meeting of the Company for approval of Members.

Interest of Directors and Key Managerial personnel:

None of the Directors except Smt. Nalini Murari Ratnam and none of Key Managerial Personnel of the Company or their relatives is directly or indirectly concerned or interested, financially or otherwise, in this resolution.

Item No. 6:

Sri Krishna Prasad Nair (DIN: 02611496) was co-opted as an Additional and Independent Director on the Company's Board with effect from 24th June 2020 and he is presently a non-executive Independent Director of the Company and his appointment as Independent Director will be subject to the approval of the Shareholders.

Under the provisions of Article 86 of the Articles of Association of the Company read with Section 161 of the Companies Act, 2013 ("the Act"), Sri Krishna Prasad Nair will hold office upto the date of the Seventyfourth Annual General Meeting of the Company.

Sri Krishna Prasad Nair is eligible for appointment as an Independent Director in terms of Section 149(4) and has given a declaration to the Board that he meets the criteria of independence as provided under Section 149(6) of the Act.

In terms of Section 149 and other applicable provisions, if any, of the Companies Act, 2013, Sri Krishna Prasad Nair is proposed to be appointed as Independent Director for a term of 3 consecutive years from 24.06.2020 to 23.06.2023. The disclosure containing the profile and other details of Sri Krishna Prasad Nair as required under Regulation 36 (3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings (SS2) is annexed to the Notice.

Considering the profile, experience and other details of Sri Krishna Prasad Nair, the Nomination and Remuneration Committee has recommended his appointment as an Independent Director for the aforesaid term and the Board has approved the same. Notice in writing under Section 160 of the Companies Act, 2013 has been received from a member signifying his intention to propose the appointment of Sri Krishna Prasad Nair as an Independent Director of the Company. Sri Krishna Prasad Nair fulfils all the conditions specified in the Companies Act, 2013 and the Rules made thereunder and he is independent of the Management. The Board considers that the appointment of Sri Krishna Prasad Nair as an Independent Director for the aforesaid term would be in the best interests of the Company. Hence, the Board recommends the Ordinary Resolution as set out in Item No.6 of the Notice convening the 74th Annual General Meeting of the Company for approval of the Members.

A copy of the draft letter of appointment of Sri Krishna Prasad Nair as an Independent Director setting out the terms and conditions would be available for inspection of Members on the website of the Company at www.indiacements.co.in and at the Registered Office of the Company between 11.00 A.M. and 1.00 P.M. on any working day, prior to the date of the meeting.

Interest of Directors and Key Managerial personnel:

None of the Directors except Sri Krishna Prasad Nair and none of Key Managerial Personnel of the Company or their relatives is directly or indirectly concerned or interested, financially or otherwise, in this resolution.

Item No.7:

The period of appointment of Smt. Rupa Gurunath as Wholetime Director, approved by the shareholders at the Annual General Meeting of the Company held on 7th December, 2015, concluded by the close of 4th March 2020.

The Nomination and Remuneration Committee (NRC) at its meeting held on 5th February 2020 has considered and unanimously recommended the reappointment of Smt. Rupa Gurunath as Wholetime Director for a further period of 5 years on the existing terms with effect from 5th March 2020.

The Board of Directors of the Company at its meeting held on 7th February 2020 considered the recommendations of NRC and has unanimously reappointed Smt.Rupa Gurunath as Wholetime Director for a further period of 5 years on the existing terms with effect from 5th March 2020, subject to the approval of the shareholders by passing the Ordinary Resolutions at the ensuing Annual General Meeting.

The approval of the Members is being sought under Sections 196, 197 and 203 read with Schedule V of the Companies Act, 2013 (including any statutory amendment(s) or modification(s) thereto or enactment(s) or re-enactment(s) thereof for the time being in force), for the reappointment of Smt. Rupa Gurunath as Wholetime Director and the terms of her reappointment and payment of remuneration to her on the existing terms as detailed in the resolutions set out in the accompanying Notice. The reappointment of Smt.Rupa Gurunath and payment of remuneration to her are proposed after considering the following:

Smt. Rupa Gurunath, Wholetime Director, is a Graduate in Science and holds a Post Graduate Diploma in Computer Applications and Executive MBA. Smt. Rupa Gurunath has been associated with the Company as a Director from 2007 and Wholetime Director since 2010.

Smt. Rupa Gurunath holds chairmanships / directorships in Coromandel Travels Limited, Coromandel Electric Company Limited, ICL Shipping Limited and India Cements Infrastructures Limited. She is President of Tamil Nadu Cricket Association and Trustee of The India Cements Educational Trust and The India Cements Gratuity Fund.

Our Company today is a major cement Company in the South and one of the largest in India. We have 8 operating units in Tamil Nadu, Telangana, Andhra Pradesh and Rajasthan with a capacity of 15.55 million tonnes per annum. This is apart from the 2 cement grinding plants - one at Chennai, Tamil Nadu and other at Parli, Maharashtra. The net turnover of our Company, as per the audited accounts, for the year ended 31.03.2020 was Rs.5057.54 crores. There are 2182 employees on the rolls of the Company.

Smt. Rupa Gurunath as Wholetime Director has been assisting the Managing Director in the day today management and administration of the Company and has been instrumental in successful and timely completion of the Company's various projects besides laying down systems and processes resulting in huge cost savings and overall improvement in the performance of the Company.

There is need for formulation of strategies on continuous basis and periodical review thereof for successful implementation and for sustained development of the Company in the light of highly competitive conditions prevailing in the industry necessitating increased managerial attention given to such matters. Hence the continued leadership of Smt. Rupa Gurunath, under the guidance of Managing Director of the Company, in the years ahead will be in the best interests of the Company.

Smt. Rupa Gurunath will function subject to the superintendence, direction and control of the Managing Director and also the Board of Directors.

Considering the size of the Company, turnover and the profile of the Wholetime Director, the proposed remuneration set out in the resolution is comparable, if not lower than the levels prevailing in the industry.

Sri N.Srinivasan, Managing Director, Smt.Rupa Gurunath, Wholetime Director and Smt. Chitra Srinivasan, Director, are related to each other. Sri N.Srinivasan, Smt.Rupa Gurunath and Smt. Chitra Srinivasan do not have any pecuniary relationship, directly or indirectly with the Company or managerial personnel except to the extent of their shareholdings in the equity share capital of the Company and the salary drawn by him / her as Managing Director and Wholetime Director respectively. Smt. Chitra Srinivasan is paid only sitting fee for attending the Board Meetings of the Company. Sri N.Srinivasan, Smt.Chitra Srinivasan and Smt.Rupa Gurunath hold 1124415, 78580 and 36440 Equity Shares of ₹ 10/- each of the Company respectively.

Interest of Directors and Key Managerial Personnel:

Smt. Rupa Gurunath, Wholetime Director, is interested in these resolutions as it concerns her reappointment and Sri N.Srinivasan, Managing Director and Smt. Chitra Srinivasan, Director, are interested in these resolutions as Smt. Rupa Gurunath is related to them. No other Director or other key managerial personnel of the Company or their relatives is directly or indirectly concerned or interested, financially or otherwise, in these resolutions.

The Board of Directors recommends the Ordinary Resolutions as set out in Item No.7 of the Notice convening the 74th Annual General Meeting of the Company for approval of the Members.

Item No.8:

The Board of Directors at its meeting held on 24.06.2020, based on the recommendation of the Audit Committee approved the appointment of Sri S.A.Murali Prasad, Cost Accountant (Membership No.2730), as Cost Auditor for auditing the cost accounts of the Company in respect of Cement Plants, including Grinding Units, Electricity Plants and Ready Mix Concrete (RMC) (Organic and Inorganic Chemicals) Units for the financial year ending 31.03.2021 at a remuneration of Rs.20 lakhs, besides reimbursement of applicable tax, travelling and out of pocket expenses.

In terms of Section 148(3) of the Companies Act, 2013 and the Companies (Audit and Auditors) Rules, 2014 the remuneration payable to the Cost Auditor is required to be ratified by the shareholders. Hence, the Board recommends the Ordinary Resolution as set out in Item No.8 of the Notice convening the 74th Annual General Meeting of the Company for approval of Members.

Interest of Directors and Key Managerial personnel:

None of the Directors or Key Managerial Personnel of the Company or their relatives is directly or indirectly concerned or interested, financially or otherwise, in this resolution.

OPERATIONS

The performance of the Company has been discussed in detail in the Management Discussion and Analysis section.

The Cement Industry in India after registering a healthy 13% growth in the previous year had to face a low growth scenario during the year under review. While the economy showed positive signs in the beginning of the year, it drifted down in the later quarters and was also hit by the pandemic COVID-19 towards the end of the year. The construction industry was the worst hit and cement demand registered a marginally negative growth during the year under review as per information from DIPP. The industry during March 2020 alone had witnessed a de-growth of 25% in production as compared to earlier year. The overall capacity utilization of the industry was hovering only around 73% on an all India basis. The industry in South with supply overhang had de-grown by 15% in the 4th quarter and registered a decline in growth of around 8% for the year under review. The company had a drop in production of around 11% for the year as a whole.

The year was no exception with regard to increase in the cost of in-put materials. The petroleum price saw a zigzag movement during the year and ended up on a higher note towards the end of the year. The exchange rate of rupee against dollar also varied frequently adding to woes of the industry. However, there was some relief in the form of softening of international price of petcoke and coal and also on the transport cost of the same which helped in achieving reasonable economies in the cost of production.

The performance of the company has to be viewed in this tough market conditions and the capacity utilization was lower at 71% against 79% in the previous year but was however better than the average of the industry in the south. The overall sales volume was at 110.22 lakh tons as compared to 124.40 lakh tons and drop in volume alone had accounted for a contribution loss of over ₹ 150 crores. With the reduction in variable cost and with tight control on the fixed cost, the company could earn an EBIDTA of ₹ 613 crores as compared to Rs.669 crores in the previous year. Interest and other charges were at ₹ 334 crores (₹ 324 crores) while depreciation was ₹ 247 crores (₹ 251 crores). The profit before exceptional items and tax was at ₹ 32 crores against ₹ 93 crores in the previous year. There was exceptional items of ₹ 100 crores representing provision for expected credit loss in respect of advances and receivables mainly from its subsidiaries. After considering comprehensive income of ₹ 241 crores mainly on account of valuation of PPE, the total comprehensive income for the year was ₹ 205 crores against ₹ 64 crores in the previous year.

The shipping division deployed its ship on the coastal movement of cargo and had earned an income of ₹ 24 crores against ₹ 29 crores in the previous year. RMC sales was generally in line with that of industry in south and it was lower at ₹ 110 crores against ₹ 121 crores in the previous year with a volume of 2.80 lakh cu.m against 3.06 lakh cu.m. in the previous year.

EXPANSION / MODERNISATION

The company has got in-principle approvals for capacity upgrades at its Dalavoi and Sankari plants. The expansion plan will be taken up at appropriate time based on demand supply improvement in the region. The company is in the advanced stage of putting up a new cement mill replacing the old energy in-efficient cement mills at its Sankarnagar plant with marginal increase in capacity. The company has also got plans to put up additional grinding unit at Khandwa in Madhya Pradesh which will be taken at appropriate time alongwith capacity enhancement of our plant in Rajasthan.

SUBSIDIARIES

CONSOLIDATED FINANCIAL STATEMENTS

Pursuant to Section 129(3) of the Companies Act, 2013 read with Rules, the Audited Consolidated Financial Statement of the Company and of all the Subsidiary and Associate Companies is enclosed. A separate statement containing the salient features of the audited financial statement of all the Subsidiary and Associate Companies is also enclosed in Form AOC-1, (Annexure 'H') as prescribed under the Companies Act, 2013 and the Rules made thereunder.

POLICY ON DETERMINATION OF MATERIAL SUBSIDIARIES

The India Cement Limited has, as on date, 13 subsidiaries controlled through shareholdings in such Companies, none of which is material.

SPRINGWAY MINING PRIVATE LIMITED AND NKJA MINING PRIVATE LIMITED

The Company has purchased 184.53 Ha of limestone bearing lands at Pawai Tehsil, Panna District and 68.55 Ha of land for setting up of a cement plant at Gaisabad Tehsil, Damoh District in Madhya Pradesh. As regards plant operations, necessary Terms of Reference (TOR) has been obtained and the process of obtaining environmental clearance is in progress.

COROMANDEL ELECTRIC COMPANY LIMITED

The power generation from the Gas power plant at Ramanathapuram was impacted during the year mainly by two reasons. The plant was stopped for 14 days in the month of July 2019 due to power evacuation problems in 230 KV feeder lines of Tamilnadu Electricity Board and was shutdown from 24th March, 2020 due to 21 days nationwide lockdown to contain the outbreak of COVID-19 Pandemic. However the plant was able to maintain the total generation (Net) for the year at 203 million KWH as against 209 million KWH in the previous financial year. The Company has achieved a plant load factor of 90.20% as against 93.02% in the previous year. While the Company had sold 19 million KWH of power to the cement plants of The India Cements Ltd. located in Tamil Nadu, the balance power of 184 million KWH was sold to other group captive consumers. The Company had earned a gross income from operations of Rs.107.82 crores and the net profit was Rs.2.34 crores for the year under review.

COROMANDEL TRAVELS LIMITED

The company has not acquired any aircraft to replace the aircraft that was sold during the previous year. There was no charter operation carried out during the year under review. However, the company is planning to continue charter operations by utilizing aircrafts of other non-scheduled operators.

PT. COROMANDEL MINERALS RESOURCES, INDONESIA AND COROMANDEL MINERALS PTE LIMITED, SINGAPORE

During the year under review, the company through its operating company viz., PT Mitra Setia Tenah Bumbu, Indonesia, which owns and operates coal mining, has mined a quantity of 4.66 lakh MTs of coal and sold 4.52 lakh MTs including 1.58 lakh MTs of coal sold to your company.

INDIA CEMENTS INFRASTRUCTURES LIMITED

In the first phase of the joint development of the property in Coimbatore, the company has built and sold 60 apartments. The company is in the process of finalizing plans for commissioning the 2nd phase.

ASSOCIATE COMPANIES

COROMANDEL SUGARS LIMITED

The country is expected to end 2019-20 season with a production of about 272 Lakh Tons – 18% lower than the 2018-19 production of 331 lakh Tons. Together with the Opening inventory of 142 lakh Tons, the total supply is far in excess of the domestic consumption of about 260 lakh Tons and hence the demand-supply dynamics continue to impact the realizations and profitability of the industry.

The Government led support measures (viz.) restricted sugar releases to maintain the demand - supply equilibrium, fixation of minimum selling price, buffer stock subsidy, assistance for sugar exports etc. continued during the year and this has greatly helped the Industry and the company.

During the year under review, the company has put up a vastly improved performance. Cane Crushing improved to 8.43 Lakh Tons (as against 7.22 Lakh Tons in FY 19) and Sugar production increased to 7.90 lakh Quintal (as against 7.04 Lakh Quintals in FY 19). Power exports was up, 489 lakh units (as against 401 Lakh units in FY 19). The Sugar sales (including exports) was higher at 7.51 lakh Quintals (as against 4.53 Lakh Quintals in FY 19).

While EBITDA was higher at ₹ 48.53 crores (as against ₹ 41.59 crores in FY 19), the continued mismatch between the cost of production and the realization has impacted the net profits/(losses) of the company. With the expected increase in the Sugar output to about 32 Million Metric Tons, leading to another year of huge surplus and due to COVID-19 implications, Industry's performance during this year will depend on the continuance as well as further incentives to be extended by both Central and State Governments.

INDIA CEMENTS CAPITAL LIMITED (ICCL)

The main focus of the Company continues to be on various fee-based activities such as Full Fledged Money Changing [FFMC], Travel & Tours and Forex Advisory Services. The Company's FFMC division continues to enjoy the status of Authorised Dealers, Category II. The wholly owned subsidiary viz. India Cements Investment Services Limited (ICISL) is in Stock Broking. The Consolidated Gross income from operations of ICCL was ₹ 561.83 lakhs during the year under review as against ₹ 588.59 lakhs in the previous year and the consolidated Net profit after tax was ₹ 1.16 lakhs as against ₹13.48 lakhs in the previous year. The other comprehensive income for the year was (₹3.58) lakhs (Previous Year ₹ 1.22 lakhs). Overall comprehensive income was (₹2.42) lakhs for the year against ₹14.70 lakhs in previous year.

ADEQUACY OF INTERNAL FINANCIAL CONTROLS

In accordance with Section 134(5)(e) of the Companies Act, 2013 and Rule 8(5)(viii) of Companies (Accounts) Rules, 2014, the Company has an Internal Financial Control Policy and Procedures commensurate with the size and nature of operations and financial reporting. The Company has defined standard operating procedures covering all functional areas like sales, marketing, materials, fixed assets etc.

The Company has engaged the services of Chartered Accountant firms for carrying out internal audit of all its plants as well as marketing offices. The internal auditors have been given the specific responsibility to verify and report on compliance of standard operating procedures. The auditors have reported that there are adequate financial controls in place and are being followed by the Company. This has been further explained in the Management Discussion and Analysis Report.

- (d) Solar lights are also being installed replacing conventional lighting at the plants.

(iii) Further capital investment on energy conservation equipment:

- (a) Further investments on conversion of Pneumatic conveying system to Belt Bucket Elevator system for silo feed as well as kiln feed to save on power.
- (b) Automation of packing and loading system to reduce manpower and to reduce power consumption.
- (c) Retrofitting the coolers with high efficiency coolers to reduce heat and the power consumption.
- (d) Preheater top cyclone modification and duct modification for reducing exit temperature, pressure drop and improvement in efficiency.
- (e) Upgradation of Preheater ESP fan motors with VFD motors.
- (f) Installation of new grinding system at Khandwa in Madhya Pradesh as part of capacity enhancement programme.
- (g) Installation of additional Waste Heat Recovery System at one more plant.
- (h) Proposed to make investment in solar power as part of energy cost reduction.

Impact of measures at (i) and (ii) above for reduction of energy consumption and consequent impact on cost of production of goods:

While the power consumption has come down specifically in some of the units as that of previous year despite the drop in volume by 11%, the heat consumption has marginally come down during the year under review.

Further investments are expected to reduce the power by nearly 4 units per ton of cement and fuel by 15 Kcals

B. Technology Absorption:

Particulars given in Form A annexed.

C. Foreign exchange earnings & outgo:

(a) Activities relating to exports, initiatives taken to increase exports, development of new exports markets for products & services and export plans:

There was no significant export sale during the year under review.

(b) Total foreign exchange used and earned:

	Current Year	Previous Year
Earned ₹/Crores	66.09	66.95
Used ₹/Crores	4.90	9.26

ANNEXURE 'B' TO DIRECTORS' REPORT FOR THE YEAR ENDED 31ST MARCH, 2020

MANAGEMENT DISCUSSION AND ANALYSIS

OVERVIEW OF THE ECONOMY

The World economy saw a slower expansion in 2019 due to sluggish growth in advanced economies and slowdown in emerging and developing economies, caused by macro-economic stress, tight monetary conditions and the continued US- China trade tensions. As per IMF estimates, after the modest growth of 3.6% in 2018, global economy witnessed a slower growth of 2.9% in 2019.

INDIAN ECONOMY: PERSISTING SLOW DOWN AGGRAVATED BY COVID-19 CRISIS

At the start of fiscal year 2019-20, there were hopes of Indian economy regaining the growth momentum, mainly buoyed by the large domestic driven consumption. But the fiscal year began on a tough note with a five-year lower GDP growth rate of 5.1% (later revised to 5.6%) in the first quarter with global headwinds casting its shadow on the economy.

The slowdown continued in the subsequent quarters with official estimates pegging GDP in the first nine months (April-December) at 5.1% against 6.3% in the same period in 2018-19.

Though the country experienced prolonged rainfall in the two main monsoon seasons resulting in higher farm output, manufacturing activity was hit hard with weak demand and lower capacity utilisation. Construction sector saw subdued growth. Investment in terms of gross capital formation declined.

The persisting slowdown was aggravated by the sudden outbreak of coronavirus pandemic and nation-wide lock down from March 25, 2020. This led to the country clocking a moderate GDP growth of 4.2% in 2019-20 against 6.1% in 2018-19, as per official estimates.

SECTORAL PERFORMANCE

As in the previous year, the country had favourable monsoon last year. There was sufficient and prolonged rainfall in most parts of the country both during the South-West and North-East monsoon seasons.

This along with higher crop prices, increased crop loans and the schemes implemented by the Centre and States improved the prospects of rural economy.

During the year, agriculture and allied sector was the bright spot and clocked a good growth of 4% against 2.4 %in the previous year.

Manufacturing activity remained weak during the year. It contracted 1.4% in the fourth quarter of last year against a 0.8% fall in the previous Quarter. It was the third quarter of decline in manufacturing value added.

As a result, the sector reported a meagre growth of 0.03 % in 2019-20 compared to 5.7% in the previous year.

The construction sector also saw a contraction of 2.2% in the fourth quarter against a fall of 0.04% in the previous quarter and its growth during the year fell to 1.3% from a good growth of 6.1% in 2018-19.

In March 2020, industrial production crashed by 16.7% in the wake of Covid-19 induced nationwide lock down from March 25. With weak industrial activity during the year, the overall growth in terms of Index of Industrial Production was a mere 0.7% compared to 3.8% in 2018-19.

CORE SECTOR PERFORMANCE AFFECTED BY SLOWDOWN

The slowdown in the economy during the year and the contraction in output affected the performance of core sector or infrastructure sector comprising eight Industries having a weightage of 40.27% in the Index of Industrial Production (IIP). The cumulative growth of core sector in 2019-20 was a mere 0.6% against 4.4% in the previous year.

In line with the weak performance of core sector last year, cement sector also witnessed a marginal negative growth compared to a reasonable growth of 13.31% in 2018-19. According to official estimates, last year, cement production declined to 334.48 million tonnes from 337.32 million tonnes in the previous year.

The industry in the South reported a de-growth of around 8% last year reversing the turnaround reported in 2018-19 with a robust growth of 19%. The decline in demand was primarily in Andhra Pradesh and Telangana due to the deferment of infrastructure spending by the two Governments.

The financial crisis in non-banking financial companies affected financial services, real estate and others resulting in a lower growth of 4.6% in 2019-20 compared to 6.8% in the previous year. The growth in the other segment- trade, hotels, communication and transport has more than halved to 3.6% against 7.7% a year ago. The overall services sector GVA moderated from 7.7% in 2018-19 to 5.5% last year.

EXPORTS, IMPORTS & TRADE BALANCES

The recovery in exports witnessed in the last two years was halted in 2019-20 in the wake of global slowdown and contraction in world trade which was accentuated by Covid-19 crisis. In March 2020, exports suffered a negative growth of 35%

Cumulative value of exports in 2019-20 was USD 314.31 billion (₹ 22,26,566.71 crore) against USD 330.08 billion (₹ 23,07,726.19 crore) in 2018-19, registering a negative growth of (-) 4.78 per cent in Dollar terms (negative growth of (-) 3.52 per cent in Rupee terms).

Cumulative value of imports in 2019-20 was USD 467.19 billion (₹ 33,07,977.05 crore), against USD 514.08 billion (₹ 35,94,674.61 crore) in 2018-19, registering a negative growth of (-) 9.12 per cent in Dollar terms (negative growth of (-) 7.98 per cent in Rupee terms).

The decline in imports narrowed the trade deficit to \$152.88 billion against \$184 billion in 2018-19. This in turn narrowed the current account deficit to 0.9% of GDP compared to 2.1% in the previous fiscal.

India's foreign exchange reserves stood at \$ 475.20 Billion in the week ended March 27,2020.

FISCAL DEFICIT

Due to shortfall in collections apart from lower revenue mop up from disinvestment and spectrum, the fiscal deficit widened to 4.59% of GDP in 2019-20 to ₹9.35 trillion, overshooting the revised target of 3.8% (₹ 7.66 trillion).

INFLATION

During the year, spike in vegetable prices in the later half of the year and the sharp increase in fuel prices after December pushed CPI inflation during the year rate to a higher trajectory and the average CPI inflation during the year came to 4.77% (above the targeted 4%) compared to 3.43% in 2018-19.

In terms of wholesale price, on account of broad-based moderation across segments along with deflation in fuel and power, build up inflation rate (WPI) touched the four year low of 1% last year compared to 3.1% in the previous year.

CEMENT INDUSTRY

The Cement Industry after witnessing a healthy demand growth of 13% in the previous year 2018-19, remained sluggish during the year under review and slumped to register a marginal negative growth. As earlier mentioned, the Indian economy which grew at 7.2% and 6.8% in the previous two fiscal, witnessed a slowdown coupled with the out-break of COVID -19 pandemic during the last quarter to register an approximate growth of only 4%. Apart from general economic slowdown, the cement demand was also affected post the general elections in May'19 due to stalling of some of the existing projects for review, extended monsoons, low capital outgo on infrastructure and road activities and was compounded by the stress in the financial sector and thereby low growth in housing sector.

Though there was some recovery in cement demand from December'19, the momentum could not be sustained with the out-break of COVID-19 pandemic which impaired the construction activities in total. The emergence of this virus has crippled the economic activities worldwide with experts predicting negative GDP growth ranging from 3 to 5% worldwide for the Financial Year 2020-21.

The selling price of cement which started improving from February'19 went down after the first quarter of the financial year under review resulting in lower realization adversely affecting the bottom line. The industry, during March 2020 alone had witnessed a decline in growth by 25% in production as compared to earlier year. The cement industry in South with supply overhang had a negative growth of 15% during the 4th quarter and a de-growth of around 8% during the year under review.

To combat the spread of the virus, the union government announced a nationwide lockdown from the last week of March'2020 resulting in complete stalling of all activities. The lockdown has also been extended with some relaxations. The lockdown could have a near/long term impact on the cement industry with migrant labour in the construction industry returning to their home towns stopping the work then and there. The capacity utilization of the industry in general on an all India basis was close to 74%. Southern region with highest production capacity could register a capacity utilization of around 60 to 62% only. Southern States in particular Andhra Pradesh, Telangana and Maharashtra which witnessed upward surge in demand in the previous fiscal, witnessed a steep decline in demand post general elections, as the ongoing projects were affected due to change of Governments in the respective states. Our company with five of the units situated in these States was affected

more than that of peers. The positive indicator for the year was softening of the fuel prices which helped in mitigating the impact on account of the decline in demand. The volatility of the exchange rate of rupee against dollar continued to haunt the industry reducing the benefit of softening fuel price.

However, with the relaxation of restrictions from the month of May 2020, the cement demand has started recovering and the new initiatives announced by some of the State Governments like construction of roads, irrigation projects, low cost housing etc have further improved the prospects for the cement industry. The outlook for the industry for the foreseeable future appears to be cautiously optimistic given the smart recovery of cement prices and softening of the crude prices further.

COMPANY PERFORMANCE:

The performance of the Company was in line with the performance of the industry in the region. The production and sales performance are as under:

	Lakh Tonnes		
	2019-20	2018-19	increase/ (decrease)
Clinker production	80.51	91.59	(12%)
Cement Production	110.16	123.11	(11%)
Cement & Clinker sales	110.22	124.40	(11%)

The year which started with capacity utilisation of close to 78% dropped during the later quarters due to various factors mentioned above and ultimately registered a 71% capacity utilisation for the year under review as compared to 79% in the previous year. As earlier mentioned, the selling price of cement which went up substantially from the month of February'19 remained at remunerative levels till July'19 and softened thereafter. The variable cost of production was lower by 4% and kept under control despite lower capacity utilisation and marginal reduction in blended cement production. The operating parameters of fuel consumption and power consumption was maintained as that of previous year despite lower production. While fuel prices came down by 7%, the variable cost of power was lower by 5%. Despite the vagaries in the price of diesel, the logistics expenses were also kept under tight control during the year under review.

The net plant realisation remained flat as that of previous year. The reduction in volume meant a contribution loss of more than Rs.150 crores for the year. However, with the improved variable cost, the overall EBIDTA was at Rs.613 crores as compared to Rs.669 crores in the previous year. There was exceptional items amounting to Rs.100 crores representing provision for expected credit losses in respect of advances and receivables primarily from subsidiaries. The interest cost were higher by Rs.10 crores at Rs.334 crores while depreciation was lower by nearly Rs.5 crores at Rs.247 crores. After considering the exceptional items as above and the related tax provision thereon, the loss for the year was at Rs.36 crores as compared to a profit of Rs.69 crores in the previous year. After considering other comprehensive items comprising mainly gain from valuation of PPE, the overall comprehensive income for the year was higher at Rs.205 crores as compared to Rs.64 crores in the previous year.

COST MITIGATION MEASURES AND OTHER IMPROVEMENT MEASURES:

Input price of materials has been increasing every year and the year was no exception. The variation in diesel prices resulted in significant increase in the raw materials cost. However, the fuel price softened during the year which gave relief from the pressure on input cost. The increase in price of petroleum products affected the operating cost of mines and the product distribution cost. The company's on-going efforts continued throughout the year through proactive steps.

- On the raw material cost front, the same remained flat during the year due to optimal sourcing and judicious usage of costlier raw materials.
- On the power and fuel cost front, the company has been constantly endeavouring to reduce the same by optimising the usage of imported coal and petcoke based on cost effectiveness of the same.
- To ensure reduction in carbon emission, the blending efficiency in cement was improved further.
- The Company also utilised all the waste fly ash generated from its power plants in cement manufacture leading to cost reduction.
- Effluents of other industries like slag, chemical gypsum, wet fly ash, etc. were also used in the manufacture of cement as part of the initiative.
- The thermal power used in the overall power mix was improved to 66% from 61% in the previous year despite the drop in overall production of cement and lesser quantum of power used. The cost of thermal power generation was also brought down during the year through improvement in operating efficiency of the power plants.

- The power from Waste Heat Recovery System was also increased marginally during the year to 6.10 crores units from 5.90 crores units in the previous year and could meet upto 6% of the overall requirement of power resulting in cost savings.
- All these efforts resulted in the average variable cost of power coming down to ₹ 4.75 per unit as against ₹ 5.04 per unit in the previous year.
- The Company also could maintain the overall power consumption at the previous year level despite drop in production by 11%. There was also marginal reduction in heat consumption of about 3 Kcal per kg of clinker in specific heat consumption.
- The Company could marginally increase the usage of alternate fuel based on availability upto 2% overall fuel mix duly contributing for the carbon emission reduction.
- Despite the increase in cost of diesel through most part of the year, the freight and forwarding expenses was also kept under control with the significant economies achieved for the distance carried.
- The company also has invested in bag filters and necessary pollution control equipments in order to comply with the latest emission norms duly contributing for carbon emission reduction.
- The company is also in the advanced stage of installing Energy Efficient Cement Mill at one of its plants and is in the process of setting up a Waste Heat Recovery System at one more of its plant to reduce cost further.
- On the fixed cost front, the company has already taken steps through pruning down man power further at its locations, closing down unviable divisions and has effected policy changes to contain spiralling man power cost.
- Despite the increase in wages through all India settlement for workers, increase in wages to casual labour through increase in minimum wages, the overall manpower cost was brought down during the year on account of the above reason.
- The company has taken further steps in streamlining the compensation for the channel partners for selling cement and barring one-off expenses, the overall overhead expenses was also kept under control during the year under review.
- The company has also made further in-roads into the fixed cost and has embarked on schemes to substantially reduce the same through usage of technology and through leveraging on digital platforms which has already started paying rich dividends.

GREEN ENERGY AND CLEAN DEVELOPMENT MECHANISM:

- The Company's goal is to ensure the sustainable development through meeting the norms of environment regulations without compromising on the standards.
- The company accordingly continuously maintain high governance standards, shows respect for nature and social responsiveness towards nearby community.
- In order to meet the goals, the company has been striving beyond its chartered sustainable road map to control carbon emissions and ensure a better climatic environment nearby its plants.
- All the emission levels of the plants at various sections are continuously monitored through Continuous Ambient Air Quality Monitors which are directly linked to State Pollution Control Boards.
- Despite the vintage of the plants and the level of automation, the company has been striving hard to maintain all the norms of emissions and has also been taking steps to comply with the revised norms of Nox and Sox emissions and further investments are on the anvil to tighten these emissions.
- Based on the availability, the company has been maximising the usage of cost efficient alternate fuels including paper waste, agricultural waste and wood chips, etc. to ensure that we are in the carbon emission reduction map.
- The Company was the earliest one in India to get the licence for blended cement production and as part of its mission and vision, the blending efficiency is being continuously improved further through lesser clinker consumption duly accounting for reduction in carbon emission.
- The Company is the first one in India to install a Waste Heat Recovery System at its Vishnupuram plant which has contributed 6 crore units aiding in this mission of environment protection.
- The company has also duly replaced most of its Electro static precipitators with high efficiency bag filters as part of energy management program and emission control.

- The Company has also installed suitable pollution control equipments at various critical locations at its plants to ensure that the fugitive dust emission is tightly controlled.
- As earlier mentioned, the company is ensuring sustainable development of the surrounding villages through diversion of water collected from its mines for recharging nearby village ponds and has also created ponds in its exhausted mines for the usage of local village agricultural developments. Plans are also on the anvil to refill the exhausted mines with rejects as per the directives of the Governments to ensure sustainable long term vegetation.
- Water conservation is on the top most agenda of the company and the company has taken steps to recycle the water after treatment from its sewage treatment plants and also through rain water harvesting at its plants, mines and colony.
- To ensure that we conserve nature and preserve bio-diversity, the company has been associated with afforestation in mines area at some of its locations.
- Long term sustainable environment is the mission of the Company.

HEALTH & SAFETY:

- For your company maintaining the health and safety of its constituents is a non negotiable item and it is an integral part of the Company. The Company has a very well-defined Safety, Health and Environment (SHE) policy which mentions the objectives, ownership and accountability.
- The policy covers all its employees, stakeholders including contractors, nearby community, customers, visitors, etc.
- The company has standard operating procedures across its locations for employment of contract labourers including work permit system.
- Frequent safety audits are being conducted at all the factories through rotation system by seniors from other plants.
- The company also employs external agencies to conduct electrical safety programmes, fire safety and instrumentation safety duly imparting training on best practices.
- Personal protective equipments to all the executives, staff and workers are being provided and stringent rules are framed for strict adherence to the safety protocol.
- Daily safety prayer meetings and oaths taking are being conducted at all the units.
- The company has also got high level safety review committee comprising senior management people who visits all the plants and review the safety protocols, accountability, contractor safety management and ensuring zero harm culture across the company.
- The company has also taken steps to share key lessons of any incidence in any of the units across the group to avoid similar incidence occurrence through its internal website.
- Process safety audits to identify the grey areas and gaps in critical sections like coal mill, mining operations, raw mill handling are being conducted regularly.
- As regards health of the employees, the welfare measures include provision of facilities like GYM, play area for sports at all our locations in addition to recreation clubs, ladies clubs, etc.
- Employees health are periodically monitored through health check ups and details regarding blood group, etc., have been digitized.
- The company has also provided medical facilities at all our locations for timely treatments and qualified medical practitioners are in place to monitor the health of the employees.
- All the locations are also provided with Ambulance service for emergency treatments.
- As regards surroundings, safety camps programmes and family welfare programmes are being conducted at periodic intervals.
- As part of CSR, the company has been conducting medical camps in the nearby villages including eye testing, provision of spectacles, free cataract operations, distribution of hearing aids etc.
- The company has also been providing support to stockists to ensure that they adopt safety practices while handling or storing our products.
- Periodical safety celebrations at factory and mines are also organised across all the plants duly recognising the best adopted safety practices.

BUSINESS RISKS AND OPPORTUNITIES

As earlier mentioned, the company has a comprehensive Risk Management Policy which is well-defined to include strategic, operational, financial compliance related risks and the mitigation process are also detailed. The Board of Directors of the Company periodically review the same and plan for action to be taken.

The risk management policy in general encompasses assessment process covering projects, raw materials, occupational health, environment, regulatory rules, competition, demand, substitute products and other operational risk related to the business. Periodical meetings are held by the senior management to identify business risks and to formulate plan for managing the same which helps in strategic decision making by the Board easily.

The key risk currently relates to the fluctuation in demand for cement fundamentally driven by the economic growth in the country. The slowdown of the economy and the subdued infrastructure development has led to constriction in demand for cement. Particularly in South where there is capacity overhang, this risk is looming large leading to fluctuation in cement price impacting the bottom line. However, with the initiatives in infrastructure back on stream in the states of Andhra Pradesh, Telangana and Maharashtra and with the low cost housing schemes etc., being envisaged, it is expected that the risk in this regard could be mitigated in the near future.

Another key risk relates to the compliance with the new regulations on climate and environment in the form of reduction in green gas emission, discharge of waste materials, containment of Co2 emission, etc. This necessitates very strict compliance to emissions like Sox and Nox and suspended particulate matter in the atmosphere.

In addition to heavy investments to comply with these regulations, the marginal non-compliance if any to the standards is viewed very seriously with punitive damages and closure of business like what has happened to some of the industries in the South.

The Company has periodically invested on the capital projects for this and is also in the process of investing on the primary and secondary abatements processes to contain these emissions.

The Company has also taken steps to reuse industrial waste water, water treatment from sewage treatment plant, power through WHRS, undertaken plantation development of green belt in plant and mines area to protect the environment.

The Company has also invested heavily on the pollution control equipments duly replacing the electro static precipitators with high efficiency bag filters to comply with the norms.

In order to control dust emission, the Company has also taken steps through Computational Fluid Dynamics (CFD) analysis of Cooler ESP along with upgradation of 3 phase transformer, frequency controllers rectifier sets together with installation of water spray system to ensure stack emission within norms. For controlling the Nox, CFD modelling has been undertaken along with burner tip modification and TAD to calciner inlet duct modification which has resulted in Nox emission within the prescribed limits. As far as Sox is concerned, all the Company's plants complied with this regulation with emission level well within the regulatory limit.

Industry is also raw material intensive which constitutes sizable portion of the operating cost. Limestone is among the primary raw material used in the manufacture of cement and ensuring adequate limestone reserves is the key risk considering the amendments introduced by MMDR Regulations from 2015. While the process and securing mining lease have become cumbersome with introduction of auctions and floor pricing etc, the cost of material is also becoming highly prohibitive given the trend of auction rates prevailing. The process of land acquisition has also become more complicated, challenging and expensive. The time taken for obtaining environment clearances and Forest wild life clearances, which are pre-requisites for commencing the mining and plant activities are also very high and exhausting.

Your Company is guarded against this risk to a great extent with most of the mining licenses being renewed till 2030 as per the guidelines of MMDR Act. The Company has also got sufficient mining areas which can take care of the company's requirements for several decades and also will provide sufficient back up for expansion at appropriate time.

The Company has also been scouting for new areas always to augment its reserves further. The company has also been conserving the limestone reserves through purchase in the markets, increase in the usage of additives in the overall mix and through higher usage of marginal grade limestone without compromising on the quality thereby increasing life of our mines.

Cement manufacture is an energy intensive process and there is high dependence on fuel like coal and petcoke which is required not only for the kilns but also for the power plants. The availability of quality fuel at an affordable price is an area of concern for the industry. The power and fuel cost which forms a significant portion of its operating cost has always been fluctuating widely based on the movement of price of fuel and fluctuations in exchange rate. Domestic coal available in India is given priority for other sectors like power with cement being last in the list. Though fuel supplies agreement have been entered into by some of the units, majority of the cement players resort to import of coal and petcoke. Also the quality of the fuel available inland is low and the landed cost per calorie is slightly higher when compared with the imported fuel.

The company has been using coal and petcoke judiciously based on its cost per calorie and has been buying in the spot markets duly spreading out the purchases throughout the year to derive the benefit of any downward movement in the prevailing price or freight rates. There are no fixed price contract for fuel. Based on availability and cost economies, the company has been using alternate fuel also like agricultural waste, paper waste, etc.

As far as other raw materials like Gypsum is concerned, the Company is reasonably secured against this risk through contracts with nearby fertilizer plants and has also been importing unhydrated Gypsum which is available in plenty from Thailand.

Fly ash requirements are met through long term contract from the nearby thermal power plants.

The ever fluctuating foreign exchange rate is also a cause of concern and is being partially covered through export earnings while major portion of exposure is covered through hedging.

As far as requirements of the power is concerned, the southern States which were experiencing shortage of power in the early 2000s have turned out to be power surplus States. Your Company is reasonably secured against the power risk with its own thermal power plants in Tamil Nadu, Telangana and Rajasthan, Waste Heat Recovery System at Vishnupuram, Wind Mill of 18.65 MW, availing of low cost power through shareholding in APGPCL and power through its subsidiary which has gas power plant in Ramanathapuram. The company's dependence on high cost electricity board power is low at 14 to 15%.

Ensuring freight cost under control is a challenging task in the face of substantial movements in the price of diesel and frequent increase in the railway tariff. The company has taken lot of steps in containing the cost through substitution of more market, reduction freight rates for longer leads which helped in containing logistics cost despite the substantial increase in the price of diesel.

Legal and regulatory compliance risks are being addressed through a committee comprising of our legal department, experts and through professional advice.

As regards the ever changing laws, rules, accounting standards, regulations relating to corporate governance, public disclosures and requirements of listing agreements, the Company is committed to maintain a very high standard of corporate governance.

In the last few years, technology has evolved manifold and so is the risk attached to it. The cyber security also assumes importance as any attack can impact the business operations machinery or human asset. The above has been periodically tested through impact assessment. Most of its hardware and software and its security management in general are aligned in line with the industry standards. The company has also provided necessary back up system to its critical servers to mitigate this risk.

Talent Management and retaining quality manpower is also a very big challenge and the company has been able to overcome this through improved morale, excellent employer and employee relationship and has inculcated a sense of belonging among employees. Specialised training courses are conducted to increase the skill at various levels of management staff to prepare them as future managers with high responsibility. The cost of manpower which is also an area of concern has been addressed through various measures to rationalise the benefits to employees and also through shutting down non remunerative verticals, etc. The company has brought down overall manpower cost through various measures over the years.

OUTLOOK

The year began on a grim note with lockdown from March 25, 2020 and stringent measures to restrict the spread of Coronavirus severely disrupting the economic activity.

World Bank expects a significant contraction of 5.2% in world economy in 2020 while IMF expects it to shrink by 3%. Indian economy is also expected to contract by 4.5% in 2020-21 following longer period of lockdown and slower recovery than expected in April.

While the Government has announced a series of stimulus and monetary policy measures, they are largely aimed at easing supply side constraints. Economy is still facing downside risks to growth and the recovery in demand mainly hinges on pick-up in economic activity with focus on job creation and income generation.

The expected good rabi crop and the forecast of normal south west monsoon augur well for the rural economy. Given that India's economy is driven by its high domestic consumption and a strong rural base, it is expected that the economy will bounce back once the pandemic situation is under control.

According to experts, there are also reports of green shoots in terms of certain economic indicators in some sectors reflecting the economic recovery.

It is hoped that the Government will pursue the ambitious plan to give push to big ticket investments in the infrastructure projects identified across the sectors as part of National Infrastructure pipeline which has envisaged an investment of over Rs102 lakh crore over five years till 2025.

There are expectations of increased public spending on rural infrastructure, irrigation, road building and other projects. This along with pick up in individual home building activity is expected to improve the cement demand.

The Budget for 2020-21 has also proposed a new tax regime for personal income with revised tax rates and has extended the tax benefits for affordable housing.

These measures are expected to stimulate the housing and construction activity and improve the cement demand with better prices.

HUMAN RESOURCES & INDUSTRIAL RELATIONS

The role of Human resources has evolved over a period of years. The Company is focussed on having least manpower at all its locations and has been continuously reducing the workforce through multitasking, automation etc. The human relation policies have also been revised with suitable performance appraisal schemes in order to ensure a strong performance oriented culture and at the same time focus on developing leaders for future. Various development programmes including “Leaders of Tomorrow” are conducted by premium institutions for grooming people as per succession policy. Training programmes are also conducted wherever necessary for bridging competency gaps for critical departmental leaders to improve their performance. The industrial relations remained cordial throughout the year at all our plants. The overall number of employees on the rolls of the Company as at the end of the year under review was 2182.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company has a well-defined internal control system commensurate with size, scale and complexity of operation to support the business operations to ensure statutory compliance. The internal audit is carried out by a team of outside professional firms whose function is defined through internal audit charter, which includes inter alia transaction audit, systems audit and process audit. In order to maintain their independence and objectivity, the internal audit function directly reports to the Audit committee.

External auditors carry out concurrent audit of all the plants and offices which adds to the stability of the internal control systems. The detailed annual audit plan is rolled out and the same is approved by the Audit Committee. Suitable internal checks have been built in to cover all monetary transactions with proper delineation of authority, which provides for checks and balances at every stage. The Company has a strong system of budgetary control which covers all aspects of operations, finance, capital expenditure at micro level and on a monthly basis reported directly to top management. All the physical performances and efficiency parameters are monitored on a daily basis and actions are taken immediately. The Company has an Audit Committee of Directors to review financial statements to shareholders. The role and terms of reference of the Audit Committee cover the areas mentioned under SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 and Section 177 of the Companies Act, 2013 besides other assignments referred to by the Board of Directors from time to time.

Other Comprehensive income/(Exp)net	240.61	(5.30)
Total Comprehensive income	205.10	64.14

The overall turnover was low on account of lower volume by 11% during the year. While the net plant realisation was up by 1% only, variable cost was lower by 4% resulting in the operating profit of Rs.613 crores as against Rs.669 crores in the previous year despite huge contribution loss due to lower volume. Exceptional items mainly comprise of expected credit losses in respect of some advances and loans mainly from subsidiaries. The other comprehensive income includes the gain arising from the fair valuation of PPE.

Key Financial Ratios:

Ratio	2019-20	2018-19	%change
Debtors Turnover (Days)	52	47	9.3%
Inventory Turnover (Days)	96	84	13.3%
Interest Coverage Ratio	1.83	2.06	(11.0%)

Net Profit Margin (%)	(0.70%)	1.23%	(156.9%)
Return on Networth (%)	3.79%	1.22%	209.4%

Notes:

As the profit for the year 2019-20 was negatively impacted due to various reasons, as mentioned in the Directors' Report, the profitability ratios changed unfavourably during the year and had consequential impact on other ratios as well.

The significant amount arising out of fair valuation of PPE during the year 2019-20 contributed to higher Return on Networth compared to previous year.

Cost of goods sold = Total expenses excluding selling expenses, donation and finance cost.

Annually

- (b) Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?

No.

Section E: Principle-wise performance

Principle 1: Businesses should conduct and govern themselves with Ethics, Transparency and Accountability.

- (1) Does the policy relating to ethics, bribery and corruption cover only the Company? Yes / No. Does it extend to the Group / Joint Ventures / Suppliers / Contractors / NGOs / Others?

The Company has got a Code of Conduct and Vigil Mechanism which are applicable to all the senior management staff of the Company and an annual affirmation on compliance of these Codes is taken from them. The company as such does not have a policy covering the above principles for outside parties but it persuades all the constituents associated with it to follow the principles of ethics, etc. As far as subsidiaries of the group are concerned, the activities are not material and significant in relation to business activities of the parent company.

- (2) How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

There were no complaints on ethics / transparency and accountability during the year.

Principle 2: Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle.

1. List upto 3 of your products or services whose design has incorporated social or environmental concerns, risks and / or opportunities.
- (a) The company is engaged in the manufacture of products that will enable the customer to build structures which are durable, cost effective and conducive for human life style. The company produces blended cement which uses fly ash, a natural waste of the thermal power plants as an additive thereby contributing to the improvement in the environment. All the products of the company comply with relevant standards applicable.
- (b) The company is also focused on continuous improvement of its clinker to cement ratio resulting in conservation of limestone and reduction of CO2 emission.
- (c) The first plant of Waste Heat Recovery System in India was also installed at one of the units recycling the waste heat for power generation addressing the carbon emissions and saving of fossil fuel and water in the process.
- (d) The company also provides necessary support to customers, stockists and other stake holders on the importance of sustainable structures through mason meets, engineer meets and plant visits are also held to impart knowledge which are sustainable for our products.
2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):

- (a) Reduction during sourcing / production / distribution achieved since the previous year throughout the value chain?

The Company's ongoing efforts to reduce the power and fuel consumption per ton of cement continued during the year also. Despite reduction in volume, the power was maintained as that of previous year and the heat consumption was brought down by 3 Kcal when compared to previous year. The company could achieve economies in inward transport cost and input materials through improvement in logistics management in the wake of diesel price increase.

- (b) Reduction during usage by consumers (energy, water) has been achieved since the previous year?

It is very difficult to assess end usage of cement by customers as cement is used for variety of purposes by diverse consumers. Hence the details relating to reduction in the energy or water by consumers through usage of our product cannot be quantified.

3. Does the Company have procedures in place for sustainable sourcing (including transportation)?

(a) If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.

The company's procurement policy and selection of vendors are based on ensuring sustainable environment, social interest of the local and with focus on cost efficient procurement.

It may be seen that the major raw material limestone is sourced from the vicinity of the plant with least transport and thereby lesser fuel and carbon emission. The company also adopts latest mining methods using surface miners avoiding the process of drilling and blasting, etc contributing to the sustainability of the environment.

Most of the other raw-materials are also procured from the nearby sources avoiding high transport cost and with low impact on the environment there on.

With regard to stores and maintenance, preference is given to the local vendors who have been associated with the company for long time and are also the authorized agents of the original equipment manufacturers. All these people confirm to the principles of sustainability and statutory compliance and non employment of child labour. The company does not engage any child labour and also gives preference to the local manpower and vendors involving minimal freight on transport of goods or personnel.

4. Has the Company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? – Yes

If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

The Company always encourages procurement of goods like stores, spares and PP bags from the local and small producers. For repairs and maintenance of plants, people from nearby villages are employed providing opportunities to earn livelihood.

For outside repair jobs, the company resort to the usage of nearby workshops put up small entrepreneurs. The company also periodically advice these vendors and entrepreneurs on the aspects of safety and quality and insist on their acceptance to adhere to the safety procedures of the company.

5. Does the Company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

In the cement manufacturing process, there are no major waste nor any discharge of any effluent .

The fly ash from our thermal power plants including the bottom ash is used in cement production. The waste water discharged from the power plant operation is purified, recycled for plant usage, gardening and house-keeping in the colony. The excess heat available from the kiln at one of our plant is captured and power produced at cheaper cost.

The company has plans to put one more Waste Heat Recovery System at another plant. All effluents of other plants like copper slag, fly ash, chemical gypsum are being used in the process.

Oil wastes are disposed of duly complying with pollution control procedures.

The company has also been increasing the usage of alternate fuel in the form of plastic waste, paper waste, agriculture waste etc. in the process.

INDEPENDENT AUDITORS' REPORT

**To the Members of
The India Cements Limited**

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying Standalone Ind AS Financial Statements of The India Cements Limited ("the Company"), which comprise the Balance sheet as at 31st March 2020, the statement of Profit and Loss (Including Other Comprehensive Income), the Cash Flow Statements and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Emphasis of Matter

Without qualifying our report, we draw attention to

- (a) Note No.41.4 of the Standalone Ind AS Financial Statements, regarding the order of attachment issued under Prevention of Money laundering Act through which certain assets of the company amounting to Rs.120.34 Crores have been attached vide provisional attachment Order dated 25th February 2015 which the company is disputing before legal forums. The company has been legally advised that it has strong grounds to defend its position, pending the outcome of the proceedings the impact if any is not ascertainable at this stage.
- (b) Note No.41.2(f) of the Standalone Ind AS Financial Statements relating to the order of the Competition Commission of India (CCI), concerning alleged contravention of the provisions of Competition Act, 2002 and imposing a penalty of Rs.187.48 Crores on the Company. On Company's appeal, National Company Law Appellate Tribunal (NCLAT), in its Order passed on 25th July, 2018, has reportedly upheld the CCI's Order. The company appealed against the order before Supreme Court and the Supreme Court vide its Order dated 05th October, 2018 admitted the Company's appeal and directed that the interim order passed by the Tribunal in the matter, will continue. Pending the outcome, no adjustments have been made in the Standalone Ind AS Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

1. Revenue recognition:

Discounts, Incentives and Rebates etc.:

Reasons why the matter was determined to be a key audit matter	Auditor's Response
<p>(i) Revenue is measured net of discounts, incentives and rebates earned by customers on the Company's sales.</p> <p>(ii) The Company has its presence across different marketing regions within the country and operates in competitive business environment. The company recognises discounts, incentives and rebates at the time of sale. The assessment of discounts, incentives and rebate schemes recognised on sales made during the year is material and considered to be complex and dependent on various performance obligations and market conditions. There is a risk of revenue being affected as a result of variations in assessment of discounts, incentives and rebates recognised on sales.</p> <p>Given the complexity involved in the assessment of provisions required for discounts, incentives and rebates the same is considered as key audit matter.</p>	<p>Our procedures included:</p> <ul style="list-style-type: none"> • Assessing the appropriateness of the Company's revenue recognition accounting policies, including those relating to discounts, incentives and rebates by comparing with applicable accounting standards. • Testing the effectiveness of the Company's controls over the calculation of discounts, incentives and rebates based on commitments made. • Obtaining management's assessment of its obligations towards discounts, incentives and rebates accruals under applicable schemes and compared the accruals made with the approved schemes on sample basis. • Examined on a sample basis, all the supporting documentation required for computing the company's obligation towards discounts, incentives and rebates recorded and disbursed during the year including credit notes issued after the year end date to determine whether these were recorded appropriately. • The management's assessment of discounts, incentives and rebates recorded for the current year have been compared with past practices of payments and reversal of such discounts and incentives and rebates to assess the adequacy of provisions made during the current year. • Examining the manual journals posted to discounts, rebates and incentives to identify unusual or irregular items.

2. Litigations and Contingencies:

Reasons why the matter was determined to be a key audit matter	Auditor's Response
<p>The Company is subject to a large number of legal and tax related claims which have been disclosed / provided for in the financial statements based on the facts and circumstances of each case in view of its operations spread across various regions within India.</p> <p>Taxation and litigation exposures have been identified as a key audit matter due to the, timescales involved for resolution and the potential financial impact arising out of these on the financial statements given the inherent complexity and magnitude of potential exposures across the Company and the judgement necessary to estimate the amount of provisions required or to determine required disclosures. Further significant management judgement is involved in assessing the exposure of each case and eventual obligation on the company and thus there is a risk that such cases may not be adequately provided for or disclosed.</p> <p>These estimates could change substantially over time as new facts emerge and each legal case progress and subsequent judicial guidance emerges or statutory amendments if any with retrospective effects are enacted.</p> <p>(Refer note 41.2 & 41.4 to the standalone Ind AS financial statements).</p>	<p>Our audit procedures included the following: -</p> <ul style="list-style-type: none"> • Gained an understanding of the process of identification of claims, litigations and contingent liabilities and identified key controls in the process. For selected controls we have performed tests of such controls. • Obtained the summary of Company's legal and tax cases and critically assessed management's position through discussions with the Legal Counsel and operational management, on both the probability of success in significant cases, and the magnitude of any potential loss. • Inspected external legal opinions (where considered necessary) and other evidence to corroborate management's assessment of the risk profile in respect of pending legal claims and disputes. • Engaged with legal experts to technically appraise the legal positions taken by management with respect to local tax issues. • Assessed whether management assessment of similar cases is consistent across the divisions or that differences in positions are adequately justified. • Assessed the relevant disclosures made within the financial statements to address whether they appropriately reflect the facts and circumstances of the respective tax and legal exposures and the requirements of relevant accounting standards.

3. Allowance for Receivables:

Reasons why the matter was determined to be a key audit matter	Auditor's Response
<p>Trade receivables of the company comprise mainly receivables from its customers towards sale of cement and other cement related products and shipping and infrastructure development business. The operating environment in the cement industry and other businesses the company operates has the inherent risks of default on receivables from the company's customers. In particular, in the event of financial stress at the customers end the company is exposed to potential risk of financial loss when the customers fail to meet their payment obligations in accordance with the agreed credit terms.</p> <p>The recoverable amount was estimated by management based on their specific recoverability assessment on individual debtor with reference to the aging profile, historical payment pattern and the past record of default of the customer. Management would make specific provision against individual balances with reference to the recoverable amount. For the purpose of determination of provision requirement, significant judgements and assumptions, including the credit risk assessment of customers, the timing and amount of realisation of these receivables, are required for the identification of impairment events and the determination of the provision to be made towards the receivables.</p>	<p>We have performed the following procedures in relation to the recoverability of trade receivables:</p> <ul style="list-style-type: none"> • Tested the accuracy of aging of trade receivables at year end on a sample basis; • Obtained a list of outstanding receivables along confirmation of balances on a sample basis as per the auditing standards and identified any debtors with financial difficulty through discussion with management. • Assessed the recoverability of the unsettled receivables on a sample basis through our evaluation of management's assessment with reference to the credit profile of the customers, historical payment pattern of customers, publicly available information if any and latest correspondence with customers and to consider if any additional provision should be made; and • Tested subsequent settlement of trade receivables after the balance sheet date on a sample basis, if any.

Other Information

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board Report including Annexures to Board's Report like Management Discussion and Analysis, Business Responsibility Report, Corporate Governance and Shareholder's Information etc., but does not include the standalone Ind AS financial statements and our auditor's report thereon. The above reports are expected to be made available to us after the date of the auditor's report.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the above reports, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IND AS) specified under section 133 of the Act read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and the estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the financial year ended March 31, 2020 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of accounts.
 - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standard) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these standalone Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements – Refer Note 41.2 & 41.4 to standalone Ind AS financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company
3. With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration provided by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. However, due to inadequacy of profit, the remuneration paid to Managing Director and Whole Time Director resulted in excess of the limit specified under Sec 197 amounting to Rs.230 Lakhs and the same has been since recovered by the Company. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) of the Act which are required to be commented upon by us.

ANNEXURE ‘A’ TO THE INDEPENDENT AUDITORS’ REPORT

The Annexure referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date

- i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. Pursuant to the programme, certain fixed assets were physically verified by the management during the year and according to the information and explanations given to us, no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company except for the following which are not held in the name of the company. In regard to Immovable properties of land and buildings wherever title deeds have been pledged as securities towards loans, guarantees etc availed by the company the same are stated to have been held in the name of the company and are confirmed by the lenders as on the reporting date.

(INR in Lakhs)

Particulars of Land & Building	Value as at 31.03.2020		No of Cases
	Gross Block	Net Block	
Building – Apartment at Delhi	5.70	4.68	1

Freehold land includes land transferred pursuant merger, pending mutation in the name of the company.

- ii) According to information and explanations given to us the inventories were physically verified during the year by the management at reasonable intervals and no material discrepancies were noticed on physical verification.
- iii) According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the register maintained under Section 189 of the Companies Act, 2013.
- iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, in respect to the loans given, investments made, guarantees given and security provided.
- v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public during the year. However, in regard to the unclaimed deposits the company has complied with the provisions of Section 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under.
- vi) The maintenance of cost records has been specified by the central government under section 148(1) of Companies Act, 2013. We have broadly reviewed the cost records maintained by the company pursuant to Companies (Cost Records and Audit) Rules, 2014 as amended, prescribed by the central government under sub-section (1) of section 148 of Companies Act, 2013, and are opinion that prima facie the prescribed cost records have been made and maintained. We have however not made a detailed examination of the said records with a view to determine whether they are accurate or complete and we have relied on the reports of cost auditors in this regard.
- vii) According to the information and explanations given to us and on the basis of our examination of the books of account in respect of statutory dues:
 - a) The company has generally been regular in depositing undisputed statutory dues, barring few instances of delays in making payment towards Provident Fund, Employees’ State Insurance, Income-tax, Goods and Service Tax, Duty of Customs, Value Added Tax, Cess and any other Statutory Dues to the appropriate authorities. There were no undisputed amounts payable towards Provident Fund, Employees’ State Insurance, Income-tax, Goods and Service Tax, Duty of Customs, Cess and any other Statutory Dues as on 31st of March, 2020 for a period of more than six months from the date they became payable.

Annexure - B to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Standalone Ind AS Financial Statements of the Company as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of The India Cements Limited ("the Company") as of that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ON ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2020

1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The Financial Statements upto the year ended 31st March 2016 were prepared in accordance with the Accounting Standards Rules 2006 (as amended) and other relevant provisions of the Companies Act 2013 (Indian GAAP).

The Ministry of Corporate Affairs (MCA) issued a Notification on 16th February, 2015, making Indian Accounting Standards (Ind AS), issued under Section 133 of Companies Act 2013 mandatory for certain class of Companies.

As per the Notification, Ind AS is mandatory for the Company for the Financial year commencing 1st April 2016. Accordingly, the Company has adopted Ind AS from 1st April 2016 and the financial Statements from the year 2016-17 are prepared in accordance with the principles laid down in the said Ind AS.

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities:

- (i) Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments)
- (ii) Employee's Defined Benefit plan as per Actuarial valuation
- (iii) Plant, Property and Equipment measured at fair value.

The Company has considered its operating cycle to be 12 months for the purpose of Current and Non-current classification of assets and liabilities.

The financial statements are presented in Indian Rupees rounded to the nearest lakhs with two decimals.

2 FIRST TIME ADOPTION OF IND AS DURING THE FINANCIAL YEAR 2016-17

The company restated the financial statements as at 1st April 2015 (opening), being the transition date, on the following basis:

Exemptions availed as per Ind AS 101:

1) Past Business Combination:

The company has elected not to apply Ind AS 103-Business Combinations retrospectively to Past Business Combinations that occurred before the transition date of 01-Apr-2015, consequently, the company has kept the same classification for the past business combinations as in its previous GAAP financial statements.

2) Property, Plant and Equipments:

The company has elected to measure the PPE at Fair value on transition date.

3) Investments in Subsidiaries & Associates:

The Company has elected to carry its Investments in Subsidiaries & Associates at deemed cost which is its previous GAAP carrying amount at the date of transition to Ind AS.

4) Sales Tax Deferrment Loan:

The Company has elected to use the previous GAAP carrying amounts of Sales Tax Deferrment Loan existing at the date of transition to Ind AS as the carrying amount of the loan in the opening Ind AS Balance Sheet.

5) Fair Value of Financial Assets and Liabilities:

As per the Ind AS exemption, the company has not fair valued the financial assets and liabilities retrospectively and has measured the same prospectively.

3 SIGNIFICANT ITEMS OF ACCOUNTING POLICY (To be read with Notes 1 & 2)

1 Use of estimates:

The preparation of financial statements in conformity with generally accepted Indian Accounting Standards (Ind AS) principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure

of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

2 Inventories:

- (a) Raw materials, fuel, stores & spares and packing materials are valued at lower of weighted average cost and Net Realisable Value (NRV). However, these items are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost.
- (b) Work in progress, Stock in trade and Finished goods are valued at lower of cost and NRV. Cost of Finished goods and WIP includes cost of raw materials, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.
- (c) Construction and Infrastructure Projects are valued at cost or net realisable value whichever is lower.

3 Cash and Cash equivalents:

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash at bank, in hand (including cheques in hand) and short term investment with an original maturity of three months or less.

4 Property, Plant and Equipments:

- (a) During transition from Indian GAAP to Ind AS on 01 April, 2015, the fair value of Property, Plant and Equipments (PPE) is considered as the deemed cost of acquisition.
- (b) Additions to Property, plant and equipment are stated at cost of acquisition or construction. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.
- (c) Property, Plant and Equipments (PPE) acquired on hire purchase or on Financial Lease are shown at their principal cost, excluding the interest cost included in these agreements which is charged to revenue over the life of the agreement.
- (d) Depreciation is recognised using straight line method so as to depreciate the carrying value less the residual values over the remaining useful life of the asset(s), other than freehold land and properties under construction, specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined.
- (e) Capital work-in-progress includes cost of property, plant and equipment under installation/ under development as at the balance sheet date and are carried at cost, comprising of direct cost, directly attributable cost and attributable interest.
- (f) Software development costs are capitalised and depreciated along with computers. Software, that are capitalised, are depreciated over 3 years under straight line method.
- (g) Material items such as Spare parts, Stand-by equipments and service equipments are classified as PPE when they meet the definition of PPE as specified in Ind AS 16. and depreciated.
- (h) Fair value of PPE is ascertained at regular intervals. However, PPE and intangible assets with definite lives, are reviewed for impairment at each Balance Sheet date, if events or changes in circumstances indicate that their carrying values may not be recoverable and impairment, if any, is charged to revenue.

5 Foreign Currency Transactions:

- (a) Foreign Exchange transactions are accounted at the exchange rates prevailing at the time of transactions or at contracted rates. Assets and Liabilities in foreign currencies are translated at values prevailing as at the year end. Gains / Losses if any, arising therefrom are recognised in the Profit and Loss account.
- (b) Forward Exchange contracts used to hedge Foreign Currency Transactions are initially recognised at the spot rate on the date of contract. Forward Exchange contracts remaining unsettled at the end of the year are translated at the year end rates. The difference in translation of Forward exchange contracts are recognised in the Profit and Loss Account.

6 Borrowing Costs:

Borrowing costs consist of interest and other ancillary costs that the Company incurs in connection with the borrowing of funds. The borrowing costs directly attributable to the acquisition or construction of any asset that takes a substantial period of time to get ready for its intended use or sale are capitalised. All the other borrowing costs are recognised in the statement of profit and loss within finance costs of the period in which they are incurred.

7 Mines Restoration Expenses:

The company provides for the expenditure to reclaim the quarries used for mining based on the estimated expenditure required to be made towards restoration and rehabilitation at the time of vacation of mines. Costs arising from such obligation for restoration and rehabilitation at closure of the mines are assessed at each Balance Sheet date and the provision if any required is made in the financial statements so as to reflect the current best estimates.

8 Revenue Recognition:

(A) The Company has adopted IndAS 115 with effect from 01-04-2018 (i.e.,) from the date on which it became applicable

(a) Revenue Recognition on Sale of goods:

Revenue is recognized on the basis of approved contracts regarding the transfer of goods or services to a customer for an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Revenue is measured at the fair value of consideration received or receivable taking into account the amount of discounts, incentives, volume, rebates on sales. Any amounts receivable from the customer are recognised as revenue after the control over the goods sold are transferred to the customer.

The company does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised good or service to the customer and when the customer pays for that good or service will be one year or less.

(b) Revenue from Freight Services (Charter of Ship): Revenue from ship hiring services which are on time charter is recognised on accrual basis.

(c) Revenue from sale of Power generated: Revenue from power generated from windmills and sale of surplus units generated from captive thermal power plants are recognised upon transmission of energy to the grids.

(B) Dividend income is recognised when the Company's right to receive dividend is established.

9 Research and Development:

Research and Development expenses not resulting in any tangible property/equipment are charged to revenue.

10 Investments:

Investments other than in Subsidiaries and Associates are stated at fair values. Investment carried at cost is tested for impairment as per IND AS 36.

11 Employee benefits:

(a) Recognition and measurement of Defined Contribution Plans

The Company recognizes contribution payable to a defined contribution plan as an expense in the Statement of Profit and Loss when the employees render services to the Company during the reporting period.

(b) Recognition and measurement of Defined Benefit Plans

The cost of providing defined benefits is determined using the Projected Unit Credit method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets, if applicable.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability/(asset) are recognized in the Statement of Profit and Loss.

Remeasurements of the net defined benefit liability/ comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized in Other Comprehensive Income.

(c) **Other Long Term Employee Benefits**

Entitlements to annual leave and sick leave are recognized when they accrue to employees. Unavailed leave balances are accounted using the Projected Accrued Benefit method with actuarial valuations being carried out at each Balance Sheet date.

- (d) Fringe Benefits arising on options vested under Employees Stock Options Scheme (ESOS) are charged to Profit and Loss Account and credited to Stock Options Outstanding Account. On allotment of shares, corresponding amount is transferred from Stock Option Outstanding account to Securities Premium Account.

12 Tax Expense:

- (a) **Current income tax** is measured and accounted based on the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961 at the tax rates applicable for the year.
- (b) **Deferred Tax** is provided, on all temporary differences at the reporting date between the tax base of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax is measured and accounted based on the tax rates and tax laws enacted or substantively enacted at the Balance Sheet date.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

13 Provisions, Contingent Liabilities & Contingent Assets:

- (a) Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.
- (b) Contingent liability is disclosed in books for a present obligation arising from past events where it is not probable that an outflow of resources will be required to settle the obligation and a reliable estimate is not possible.

Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

14 Government Grants:

Government grants which the company is entitled to based on investments made under State Investment Promotion Scheme. The grant amount periodically computed based on income linked with VAT / GST payment are recognised in the Statement of Profit and Loss in the period in which there is reasonable assurance that money becomes receivable.

The benefit of a government loan at below current market rate of interest is treated as a government grant. The loan is recognised and measured in accordance with Ind AS 109. The benefit of the below market rate of interest/ interest free loans is measured as the difference between the initial carrying value of the loan determined in accordance with Ind AS 109 (at Fair Value) and the proceeds received, which is disclosed as deferred income liability. Government grant is recognised in the statement of profit and loss on a systematic basis by transferring from deferred income liability over the period of the loan during which the entity recognises as interest expense, the related costs for which the grants are intended to compensate.

15 Leases:

Company as a lessee

The Company has adopted Ind AS 116 with effect from 01-04-2019 using the Modified Retrospective Approach and accordingly the comparative figures for the previous year's figures has not been restated.

Ind AS 116 requires lessees to account for all leases under a single on-balance sheet model. The Company, as a lessee, upon transition to Ind AS 116, elected to measure the lease liability for all leases whose non-cancellable leases is more than 12 months, at the present value of remaining lease payments discounted using the Company's borrowing rate at the date of initial application and recognise the right-of-use asset at an amount equal to the lease liability.

The Company applies the short-term lease recognition exemption to those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option. Lease payments on short-term leases are recognised as expense on a straight-line basis over the lease term.

16 (a) Financial Assets:

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument. All financial assets are recognised initially at fair value. These assets are subsequently classified and measured at:

- (i) amortised cost
- (ii) Fair Value Through Profit and Loss (FVTPL)
- (iii) Fair Value Through Other Comprehensive Income (FVTOCI).

All equity instruments other than in subsidiaries and associates in scope of Ind AS 109 are measured at fair value, the company may, on initial recognition, irrevocably elect to measure the same either at FVTOCI or FVTPL.

The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVTOCI. Fair value changes excluding dividends, on an equity instrument measured at FVTOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

Debt instruments are measured at amortised cost, fair value through other comprehensive income ('FVTOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Expected credit losses are recognised for financial assets other than those classified under FVTPL category. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to lifetime expected credit losses i.e., expected credit short fall. The impairment losses and reversals are recognised in statement of Profit and Loss.

(b) Financial Liabilities:

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are classified and measured at amortised cost / fair value through profit and loss (FVTPL). In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using effective interest method.

Financial liabilities are subsequently measured at amortised cost. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

**Terms / Rights / restrictions attached to shares:**

The Company has only one class of Equity share. Each share has a paid up value of ₹ 10/- Every shareholder is entitled to one vote per share, except for the holders of Global Depository Shares, as given below:

During the year 2005-06, the company allotted 5,12,27,592 underlying equity shares of ₹ 10/- each represented by 2,56,13,796 Global Depository Shares (GDS) in the ratio of 2:1. Holders of these GDSs have no voting rights with respect to the Deposited shares.

During the previous year 2018-19, the company had declared and distributed a dividend of ₹ 0.80 per share.

The Board of Directors has recommended a dividend of ₹ 0.60 per share, for the year 2019-20, which is subject to the approval of the shareholders.

During the year 2017-18, pursuant to the Scheme of Amalgamation of Trinetra Cement Limited and Trishul Concrete Products Limited (Transferor Companies) with The India Cements Limited (Transferee Company) approved by the Hon'ble National Company Law Tribunal, Division Bench, Chennai, vide its Order dated 20.04.2017, the Company has allotted, in June 2017, 9,73,544 equity shares of ₹ 10/- each fully paid-up to the eligible shareholders of Trinetra Cement Limited and erstwhile Trishul Concrete Products Limited.

Shares reserved for issue under Employee stock option scheme:

As recommended by the Compensation Committee, the Board of Directors has granted, as on 01.04.2017, 18,35,000 options to eligible employees under Employees Stock Option Scheme, 2016 (Scheme). The options granted under the Scheme got vested with the employees on 01.04.2018 and the vested options were to be exercised within one year from the date of vesting. On exercise of each option, one equity share of ₹ 10/- each fully paid-up were to be allotted at a price of ₹ 50/- per share, including a premium of ₹ 40/- per share.

Out of the above, 17,45,000 Stock Options were vested on 01.04.2018 and the balance 90,000 Stock Options were cancelled. During the year 2018-19, all the 17,45,000 options were exercised by the Option holders and equal number of equity shares were allotted to them. Consequently the paid up equity share capital stands at ₹ 309.90 Crores.

(II) Disclosure of Fair Value Measurements:

The Fair Values of Financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair Value of cash and short-term deposits, trade and other short-term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to their short term maturities of these instruments.

Fair Value Hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1: Quoted (Unadjusted) prices in active markets for identical assets or liabilities.
- Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.
- Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The details of financial instruments that are measured at fair value on recurring basis are given below:

INDEPENDENT AUDITORS' REPORT

**To the Members of
The India Cements Limited**

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying Consolidated Ind AS Financial Statements of The India Cements Limited (hereinafter referred to as "the Company") and its subsidiaries (the company and its subsidiaries together referred to as "the Group"), and its associates, which comprise the consolidated Balance sheet as at 31st March 2020, the consolidated statement of Profit and Loss (Including Other Comprehensive Income), the consolidated statement of Cash Flow Statements and the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors on standalone or consolidated financial statements, as applicable, of such subsidiaries and associates as were audited by the other auditors, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act"), in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates as at March 31, 2020, and its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the group and its subsidiaries in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS financial statements.

Emphasis of Matter

Without qualifying our report, we draw attention to

- (a) Note No.41.4 of the Consolidated Ind AS Financial Statements, regarding the order of attachment issued under Prevention of Money laundering Act through which certain assets of the company amounting to Rs.120.34 Crores have been attached vide provisional attachment Order dated 25th February 2015 which the company is disputing before legal forums. The company has been legally advised that it has strong grounds to defend its position, pending the outcome of the proceedings the impact if any is not ascertainable at this stage.
- (b) Note No.41.2 (f) of the Consolidated Ind AS Financial Statements relating to the order of the Competition Commission of India (CCI), concerning alleged contravention of the provisions of Competition Act, 2002 and imposing a penalty of Rs.187.48 Crores on the Company. On Company's appeal, National Company Law Appellate Tribunal (NCLAT), in its Order passed on 25th July, 2018, has reportedly upheld the CCI's Order. The company appealed against the order before Supreme Court and the Supreme Court vide its Order dated 05th October, 2018 admitted the Company's appeal and directed that the interim order passed by the Tribunal in the matter, will continue. Pending the outcome, no adjustments have been made in the Consolidated Ind AS Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Consolidated Ind AS financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the Consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

1. Revenue recognition:

Discounts, Incentives and Rebates etc.:

Reasons why the matter was determined to be a key audit matter	Auditor's Response
<p>(i) Revenue is measured net of discounts, incentives and rebates earned by customers on the Company's sales.</p> <p>(ii) The Company has its presence across different marketing regions within the country and operates in competitive business environment. The company recognises discounts, incentives and rebates at the time of sale. The assessment of discounts, incentives and rebate schemes recognised on sales made during the year is material and considered to be complex and dependent on various performance obligations and market conditions. There is a risk of revenue being affected as a result of variations in assessment of discounts, incentives and rebates recognised on sales.</p> <p>Given the complexity involved in the assessment of provisions required for discounts, incentives and rebates the same is considered as key audit matter.</p>	<p>Our procedures included:</p> <ul style="list-style-type: none"> • Assessing the appropriateness of the Company's revenue recognition accounting policies, including those relating to discounts, incentives and rebates by comparing with applicable accounting standards. • Testing the effectiveness of the Company's controls over the calculation of discounts, incentives and rebates based on commitments made. • Obtaining management's assessment of its obligations towards discounts, incentives and rebates accruals under applicable schemes and compared the accruals made with the approved schemes on sample basis. • Examined on a sample basis, all the supporting documentation required for computing the company's obligation towards discounts, incentives and rebates recorded and disbursed during the year including credit notes issued after the year end date to determine whether these were recorded appropriately. • The management's assessment of discounts, incentives and rebates recorded for the current year have been compared with past practices of payments and reversal of such discounts and incentives and rebates to assess the adequacy of provisions made during the current year. • Examining the manual journals posted to discounts, rebates and incentives to identify unusual or irregular items.

2. Litigations and Contingencies:

Reasons why the matter was determined to be a key audit matter	Auditor's Response
<p>The Company is subject to a large number of legal and tax related claims which have been disclosed / provided for in the financial statements based on the facts and circumstances of each case in view of its operations spread across various regions within India.</p> <p>Taxation and litigation exposures have been identified as a key audit matter due to the, timescales involved for resolution and the potential financial impact arising out of these on the financial statements given the inherent complexity and magnitude of potential exposures across the Company and the judgement necessary to estimate the amount of provisions required or to determine required disclosures. Further significant management judgement is involved in assessing the exposure of each case and eventual obligation on the company and thus there is a risk that such cases may not be adequately provided for or disclosed.</p> <p>These estimates could change substantially over time as new facts emerge and each legal case progress and subsequent judicial guidance emerges or statutory amendments if any with retrospective effects are enacted.</p> <p>(Refer note 41.2 & 41.4 to the Consolidated Ind AS financial statements).</p>	<p>Our audit procedures included the following: -</p> <ul style="list-style-type: none"> • Gained an understanding of the process of identification of claims, litigations and contingent liabilities and identified key controls in the process. For selected controls we have performed tests of such controls. • Obtained the summary of Company's legal and tax cases and critically assessed management's position through discussions with the Legal Counsel and operational management, on both the probability of success in significant cases, and the magnitude of any potential loss. • Inspected external legal opinions (where considered necessary) and other evidence to corroborate management's assessment of the risk profile in respect of pending legal claims and disputes. • Engaged with legal experts to technically appraise the legal positions taken by management with respect to local tax issues. • Assessed whether management assessment of similar cases is consistent across the divisions or that differences in positions are adequately justified. • Assessed the relevant disclosures made within the financial statements to address whether they appropriately reflect the facts and circumstances of the respective tax and legal exposures and the requirements of relevant accounting standards.

3. Allowance for Receivables:

Reasons why the matter was determined to be a key audit matter	Auditor's Response
<p>Trade receivables of the company comprise mainly receivables from its customers towards sale of cement and other cement related products and shipping and infrastructure development business. The operating environment in the cement industry and other businesses the company operates has the inherent risks of default on receivables from the company's customers. In particular, in the event of financial stress at the customers end the company is exposed to potential risk of financial loss when the customers fail to meet their payment obligations in accordance with the agreed credit terms.</p> <p>The recoverable amount was estimated by management based on their specific recoverability assessment on individual debtor with reference to the aging profile, historical payment pattern and the past record of default of the customer. Management would make specific provision against individual balances with reference to the recoverable amount. For the purpose of determination of provision requirement, significant judgements and assumptions, including the credit risk assessment of customers, the timing and amount of realisation of these receivables, are required for the identification of impairment events and the determination of the provision to be made towards the receivables.</p>	<p>We have performed the following procedures in relation to the recoverability of trade receivables:</p> <ul style="list-style-type: none"> • Tested the accuracy of aging of trade receivables at year end on a sample basis; • Obtained a list of outstanding receivables along confirmation of balances on a sample basis as per the auditing standards and identified any debtors with financial difficulty through discussion with management. • Assessed the recoverability of the unsettled receivables on a sample basis through our evaluation of management's assessment with reference to the credit profile of the customers, historical payment pattern of customers, publicly available information if any and latest correspondence with customers and to consider if any additional provision should be made; and • Tested subsequent settlement of trade receivables after the balance sheet date on a sample basis, if any.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the parent has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated Ind AS financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group as well as associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its joint ventures to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) and (b) of the section titled 'Other Matters' in this audit report.

We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors as noted in 'Other Matters' paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

We communicate with those charged with governance of the company and such other entities included in the consolidated Ind AS Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS financial statements of the financial year ended March 31, 2020 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare

Annexure - A to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the Consolidated Ind AS Financial Statements of the Company as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of The India Cements Limited (hereinafter referred to as “the Company”) and its subsidiaries, associates, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary and associate companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to consolidated Ind AS financial statements of the company, its subsidiaries and its associate companies which are companies incorporate in India, over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to consolidated Ind AS financial statements, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated Ind AS financial statements over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated Ind AS financial statements system over financial reporting and their operating effectiveness. Our audit of internal financial controls with reference to consolidated Ind AS financial statements over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the relevant subsidiary and associate companies in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company’s internal financial controls system with reference to consolidated Ind AS financial statements over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls with reference to consolidated Ind AS financial statements over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated Ind AS financial statements over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to consolidated Ind AS financial statements over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated Ind AS financial statements over financial reporting to future periods are subject to the risk that the internal financial control with reference to consolidated Ind AS financial statements over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors as mentioned in the Other Matters paragraph, the Company and such companies incorporated in India which are its subsidiaries, have, in all material respects, adequate internal financial controls with reference to consolidated Ind AS financial statements and such internal financial controls were operating effectively as at 31 March 2020, based on the internal financial controls with reference to consolidated Ind AS financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. As regards the associate companies where consolidation is based on financial statements prepared by management, we express our inability to comment on the adequacy and operating effectiveness of internal financial controls over financial reporting.

Other matter

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated Ind AS financial statements over financial reporting in so far as it relates to ten subsidiary companies which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

CONSOLIDATED ACCOUNTS

NOTES ON ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2020

1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The Financial Statements upto the year ended 31st March 2016 were prepared in accordance with the Accounting Standards Rules 2006 (as amended) and other relevant provisions of the Companies Act 2013 (Indian GAAP).

The Ministry of Corporate Affairs (MCA) issued a Notification on 16th February, 2015, making Indian Accounting Standards (Ind AS), issued under Section 133 of Companies Act 2013 mandatory for certain class of Companies.

As per the Notification, Ind AS is mandatory for the Company for the Financial year commencing 1st April 2016. Accordingly, the Company has adopted Ind AS from 1st April 2016 and the financial Statements from the year 2016-17 are prepared in accordance with the principles laid down in the said Ind AS.

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

The Financial Statements have been prepared on a historical cost basis, except for the following assets and liabilities:

- (i) Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).
- (ii) Employee's Defined Benefit plan as per Actuarial valuation.
- (iii) Plant, Property and Equipment measured at fair value.

The Company has considered its operating cycle to be 12 months for the purpose of Current and Non-current classification of assets and liabilities.

The financial statements are presented in Indian Rupees rounded to the nearest lakhs with two decimals.

2 FIRST TIME ADOPTION OF IND AS DURING THE FINANCIAL YEAR 2016-17

The company restated the financial statements as at 01st April 2015 (opening), being the transition date, on the following basis:

Exemptions availed as per Ind AS 101:

1) Past Business Combination:

The company has elected not to apply Ind AS 103-Business Combinations retrospectively to Past Business Combinations that occurred before the transition date of 01-Apr-2015, consequently, the company has kept the same classification for the past business combinations as in its previous GAAP financial statements.

2) Property, Plant and Equipments:

The company has elected to measure the PPE at Fair value on transition date.

3) Investments in Subsidiaries & Associates:

The Company has elected to carry its Investments in Subsidiaries & Associates at deemed cost which is its previous GAAP carrying amount at the date of transition to Ind AS.

4) Sales Tax Deferrment Loan:

The Company has elected to use the previous GAAP carrying amounts of Sales Tax Deferrment Loan existing at the date of transition to Ind AS as the carrying amount of the loan in the opening Ind AS Balance Sheet.

5) Fair Value of Financial Assets and Liabilities:

As per the Ind AS exemption, the company has not fair valued the financial assets and liabilities retrospectively and has measured the same prospectively.

CONSOLIDATED ACCOUNTS

NOTES ON ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2020 (Contd.)

3 SIGNIFICANT ITEMS OF ACCOUNTING POLICY (To be read with Notes 1 & 2)

1 Use of estimates:

The preparation of financial statements in conformity with generally accepted Indian Accounting standards (Ind AS) principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

2 Inventories:

- (a) Raw materials, fuel, stores & spares and packing materials are valued at lower of weighted average cost and net realisable value (NRV). However, these items are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost.
- (b) Work in progress, Stock in trade and Finished goods are valued at lower of cost and NRV. Cost of Finished goods and WIP includes cost of raw materials, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.
- (c) Construction and Infrastructure Projects are valued at cost or net realisable value whichever is lower.

3 Cash and Cash equivalents:

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash at bank, in hand (including cheques in hand) and short term investment with an original maturity of three months or less.

4 Property, Plant and Equipments:

- (a) During transition from Indian GAAP to Ind AS on 01 April, 2015, the fair value of Property, Plant and Equipments (PPE) is considered as the deemed cost of acquisition.
- (b) Additions to Property, plant and equipment are stated at cost of acquisition or construction. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.
- (c) Property, Plant and Equipments (PPE) acquired on hire purchase or on Financial Lease are shown at their principal cost, excluding the interest cost included in these agreements which is charged to revenue over the life of the agreement.
- (d) Depreciation is recognised using straight line method so as to depreciate the carrying value less the residual values over the remaining useful life of the asset(s), other than freehold land and properties under construction, specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined.
- (e) Capital work-in-progress includes cost of property, plant and equipment under installation/ under development as at the balance sheet date and are carried at cost, comprising of direct cost, directly attributable cost and attributable interest.
- (f) Software development costs are capitalised and depreciated along with computers. Software, that are capitalised, are depreciated over 3 years under straight line method.
- (g) Material items such as Spare parts, Stand-by equipments and service equipments are classified as PPE when they meet the definition of PPE as specified in Ind AS 16. and depreciated.
- (h) Fair value of PPE is ascertained at regular intervals. However, PPE and intangible assets with definite lives, are reviewed for impairment at each Balance Sheet date, if events or changes in circumstances indicate that their carrying values may not be recoverable and impairment, if any, is charged to revenue.

CONSOLIDATED ACCOUNTS

NOTES ON ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2020 (Contd.)

5 Foreign Currency Transactions:

- (a) Foreign Exchange transactions are accounted at the exchange rates prevailing at the time of transactions or at contracted rates. Assets and Liabilities in foreign currencies are translated at values prevailing as at the year end. Gains / Losses if any, arising therefrom are recognised in the Profit and Loss account.
- (b) Forward Exchange contracts used to hedge Foreign Currency Transactions are initially recognised at the spot rate on the date of contract. Forward Exchange contracts remaining unsettled at the end of the year are translated at the year end rates. The difference in translation of Forward exchange contracts are recognised in the profit and loss account.

6 Borrowing Costs:

Borrowing costs consist of interest and other ancillary costs that the Company incurs in connection with the borrowing of funds. The borrowing costs directly attributable to the acquisition or construction of any asset that takes a substantial period of time to get ready for its intended use or sale are capitalised. All the other borrowing costs are recognised in the statement of profit and loss within finance costs of the period in which they are incurred.

7 Mines Restoration Expenses:

The company provides for the expenditure to reclaim the quarries used for mining based on the estimated expenditure required to be made towards restoration and rehabilitation at the time of vacation of mines. Costs arising from such obligation for restoration and rehabilitation at closure of the mines are assessed at each Balance Sheet date and the provision if any required is made in the financial statements so as to reflect the current best estimates.

8 Revenue Recognition:

(A) The Company has adopted IndAS115 with effect from 01-04-2018 (i.e.,) from the date on which it became applicable

(a) Revenue Recognition on Sale of goods:

Revenue is recognized on the basis of approved contracts regarding the transfer of goods or services to a customer for an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Revenue is measured at the fair value of consideration received or receivable taking into account the amount of discounts, incentives, volume, rebates on sales. Any amounts receivable from the customer are recognised as revenue after the control over the goods sold are transferred to the customer.

The company does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised good or service to the customer and when the customer pays for that good or service will be one year or less.

(b) **Revenue from Freight Services (Charter of Ship):** Revenue from ship hiring services which are on time charter is recognised on accrual basis.

(c) **Revenue from sale of Power generated:** Revenue from power generated from windmills and sale of surplus units generated from captive thermal power plants are recognised upon transmission of energy to the grids.

(B) Dividend income is recognised when the Company's right to receive dividend is established.

9 **Research and Development:** Research and Development expenses not resulting in any tangible property/equipment are charged to revenue.

10 Investments:

Investments other than in Subsidiaries and Associates are stated at fair values. Investment carried at cost is tested for impairment as per IND AS 36.

CONSOLIDATED ACCOUNTS

NOTES ON ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2020 (Contd.)

11 Employee benefits:

(a) Recognition and measurement of Defined Contribution Plans:

The Company recognizes contribution payable to a defined contribution plan as an expense in the Statement of Profit and Loss when the employees render services to the Company during the reporting period.

(b) Recognition and measurement of Defined Benefit Plans:

The cost of providing defined benefits is determined using the Projected Unit Credit method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets, if applicable.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability/(asset) are recognized in the Statement of Profit and Loss.

Remeasurements of the net defined benefit liability/ comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized in Other Comprehensive Income.

(c) Other Long Term Employee Benefits:

Entitlements to annual leave and sick leave are recognized when they accrue to employees. Unavailed leave balances are accounted using the Projected Accrued Benefit method with actuarial valuations being carried out at each Balance Sheet date.

(d) Fringe Benefits arising on options vested under Employees Stock Options Scheme (ESOS) are charged to Profit and Loss Account and credited to Stock Options Outstanding Account. On allotment of shares, corresponding amount is transferred from Stock Option Outstanding account to Securities Premium Account.

12 Tax Expense:

(a) Current income tax is measured and accounted based on the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961 at the tax rates applicable for the year.

(b) Deferred Tax

Deferred tax is provided, on all temporary differences at the reporting date between the tax base of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax is measured and accounted based on the tax rates and tax laws enacted or substantively enacted at the Balance Sheet date.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

13 Provisions, Contingent Liabilities & Contingent Assets:

(a) Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

(b) Contingent liability is disclosed in books for a present obligation arising from past events where it is not probable that an outflow of resources will be required to settle the obligation and a reliable estimate is not possible.

Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

14 Government Grants:

Government grants which the company is entitled to based on investments made under State Investment Promotion Scheme. The grant amount periodically computed based on income linked with VAT / GST payment are recognised in the Statement of Profit and Loss in the period in which there is reasonable assurance that money becomes receivable.

The benefit of a government loan at below current market rate of interest is treated as a government grant. The loan is recognised and measured in accordance with Ind AS 109. The benefit of the below market rate of interest/ interest free loans is measured as the difference between the initial carrying value of the loan determined in accordance with Ind AS 109 (at Fair Value) and the proceeds received, which is disclosed as deferred income liability. Government grant is recognised in the statement of profit and loss on a systematic basis by transferring from deferred income liability over the period of the loan during which the entity recognises as interest expense, the related costs for which the grants are intended to compensate.

CONSOLIDATED ACCOUNTS

NOTES ON ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2020 (Contd.)

15 Leases:

Company as a lessee

The Company has adopted Ind AS 116 with effect from 01-04-2019 using the Modified Retrospective Approach and accordingly the comparative figures for the previous year's figures has not been restated.

Ind AS 116 requires lessees to account for all leases under a single on-balance sheet model. The Company, as a lessee, upon transition to Ind AS 116, elected to measure the lease liability for all leases whose non-cancellable lease term is more than 12 months, at the present value of remaining lease payments discounted using the Company's borrowing rate at the date of initial application and recognise the right-of-use asset at an amount equal to the lease liability.

The Company applies the short-term lease recognition exemption to those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option. Lease payments on short-term leases are recognised as expense on a straight-line basis over the lease term.

16 (a) Financial Assets:

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument. All financial assets are recognised initially at fair value. These assets are subsequently classified and measured at:

- (i) amortised cost
- (ii) Fair Value Through Profit and Loss (FVTPL)
- (iii) Fair Value Through Other Comprehensive Income (FVTOCI).

All equity instruments other than in subsidiaries and associates in scope of Ind AS 109 are measured at fair value, the company may, on initial recognition, irrevocably elect to measure the same either at FVTOCI or FVTPL.

The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVTOCI. Fair value changes excluding dividends, on an equity instrument measured at FVTOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

Debt instruments are measured at amortised cost, fair value through other comprehensive income ('FVTOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Expected credit losses are recognised for financial assets other than those classified under FVTPL category. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to lifetime expected credit losses i.e., expected credit short fall. The impairment losses and reversals are recognised in statement of Profit and Loss.

(b) Financial Liabilities:

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are classified and measured at amortised cost / fair value through profit and loss (FVTPL). In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using effective interest method.

Financial liabilities are subsequently measured at amortised cost. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

(II) Disclosure of Fair Value Measurements

The Fair Values of Financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair Value of cash and short-term deposits, trade and other short-term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to their short term maturities of these instruments.
