32nd Annual Report 2016-2017

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

As required by Section 102(1) of the Companies Act, 2013, the following Explanatory Statement sets out material facts relating to the business under items 4-6.

Item No. 4

The Articles of Association of the Company as currently in force were adopted under the Companies Act, 1956, prevalent at that time. Further amendments were adopted from time to time, over the past years including the substantial changes as per Companies Act, 1956. The references to specific Sections of the Companies Act, 1956 in the existing Articles of Association are no longer in conformity with the Companies Act, 2013. Considering that substantive Sections of the Companies Act, 2013 which deal with the general working of the Companies stand notified, it is proposed to amend the existing Articles of Association of the Company to align it with the provisions of the Companies Act, 2013 including the Rules framed thereunder and adoption of specific Sections from Table "F" to Schedule I to the Companies Act, 2013 which sets out the model Articles of Association for a Company limited by shares.

Certain provisions of existing Articles of Association have been simplified by providing reference to relevant provisions of the Companies Act, 2013 and the Rules framed thereunder, to avoid repetition in its entirety.

The draft articles, proposed to be passed in this meeting are open for inspection at the Registered Office of the Company during the office hours between 10.00 A.M. and 5.00 P. M. on all working days except Sundays up to the date of the Meeting and shall also be available at the venue.

Provisions of the company law make it mandatory to seek approval of shareholders by way of special resolution to amend the articles of the company.

None of the Directors and Key Managerial Personnel is interested in this resolution.

Item No. 5

The members of the Company at the 31st Annual General Meeting held on 30th September, 2016, had approved the revision of remuneration of Mr. Ajay Anand as Chairman and Managing Director of the Company w.e.f 1st April, 2016 till the remainder of his contract term i.e. 31st March, 2019.

Now, in supersession of the resolution passed on 30th September, 2016 it has been proposed to increase the remuneration of Mr. Ajay Anand as Chairman and Managing Director of the Company w.e.f. 01st April, 2016 till the remaining term of his contract.

The Nomination and Remuneration committee in its meeting held on 06th May, 2017 has considered and recommended for increase in remuneration of Mr. Ajay Anand as Chairman and Managing Director at a remuneration as set out in resolution given in item No. 5.

Mr. Ajay Anand is founder and promoter of the Company and is associated with the Company since its inception. He has diverse knowledge and experience in textiles and technical textiles, particularly in home furnishing products and automotive fabrics. Having more than two decades of experience in the industry, Mr. Ajay Anand oversees day-to-day management and administration and plays a vital role in decision making of the Company. His thirst for developing products first-hand, craftsmanship and business development skills has made the Company being recognized amongst the most sought after brand in home furnishing category in the US and UK markets. Under his continuous leadership, guidance and efforts the Company boasts itself of an established supplier to customers and retail giants having worldwide presence. It is his vision that has led the Company achieve constant growth over the years. Keeping in view the dedication and contribution of Mr. Ajay Anand in the Company's performance, it is proposed to re-appoint him for a period of three years and increase his remuneration as stated in the resolution.

None of Directors or Key Managerial Personnel except Mr. Ajay Anand, himself and Mr. Sanjay Anand, Director of the Company, being relative of Mr. Ajay Anand is interested in this resolution.

Item No. 6

Faze Three Limited has entered into an exclusive manufacturing and processing agreement with Aunde India Limited for use of Faze Three's dyeing unit at Vapi for dyeing of Automotive Fabrics as per the laid down standards. The agreement also lays down terms for dealing with other units of Faze Three and Aunde India Limited in case of any specific requirement of capacity or technology sharing.

32nd Annual Report 2016-2017

M/s. Aunde India Limited is engaged into manufacturing of automotive textile fabric having its unit located in Dadra, UT of D& NH. The transactions are made in the ordinary course of business and are at arm's length price and requisite approvals have been taken from the Board and Audit Committee.

As per the requirement of Regulation 23 of SEBI (Listing Obligations & Disclosure Requirements) Regulation, 2015 of all Material Related Party Transactions shall require approval of the Members through Resolution if the transaction or transactions to be entered into individually or taken together with previous transactions during the financial year, exceeds 10% of the annual consolidated turnover of the Company as per the last audited financial statements of the Company. Aunde India Limited is a Related Party and the transaction as described hereunder are likely to exceed 10% of the annual turnover of the Company as per the audited financial statements of the Company and thus, in terms of the Section, the transactions would require the approval of the members by way of Special Resolution:

S No.	Description	Details		
1	Name of the related party	M/s. Aunde India Limited		
2	Name of the related Director or KMP	Mr. Ajay Anand		
3	Nature of relationship	Associate as defined in AS-18

ECONOMY AND INDUSTRY

India is one of the fastest growing economies in the world. Also with positive Government reforms like demonetisation, Goods and Service Tax (GST), the overall business environment is favorable for good businesses. Investors and Lenders are moving towards quality companies giving them clear distinction and treatment over the rest. The Government's focus on the agricultural and rural sector is expected to boost the economic health of rural India which will have tremendous long term benefits.

The Indian textiles industry has inherent linkage with agriculture and with the culture and traditions of the country making for its versatile spread of products appropriate for both domestic and international markets. With over 45 million people employed directly, the textile industry is one of the largest sources of employment generation in the country. The Indian textiles industry, currently estimated at around US\$ 120 billion, is expected to reach US\$ 230 billion by 2020. It contributes to 10% of manufacturing production, 4% of India's GDP and 15% of country's export earnings. Indian exports of locally made retail and lifestyle products grew at a compound annual growth rate (CAGR) of 10 per cent from 2013 to 2017, mainly led by bedding, bath and home decor products and textiles. India was the largest producer of cotton in 2016-17, therefore, there is natural advantage over other exporting nations. The industry (including dyed and printed) attracted Foreign Direct Investment (FDI) worth US\$ 2.47 billion during April 2000 to March 2017.

FTL'S OVERVIEW AND PERFORMANCE

Faze Three Limited (FTL/ the Company) undertakes design, development, manufacture & exports of Home Textile products viz. Bathmats, Rugs, Blankets, Cushions, Curtains, Throws, etc. It has 6 manufacturing facilities located at Silvassa, Panipat & Vapi. In FY17, the company reported a total operating income of Rs. 246.38 crore versus Rs. 242.24 crore in FY16. The company's operating margin has been in the range of 11-12% for the last 3 years. Profit After Tax for the year stood at Rs.39.29 crore versus profit after tax of Rs.1.53 crore in FY16. The profit after tax for the year includes a remission of liability of Rs 13.45 crores and deferred tax liability reversal of Rs 11.12 crores.

During FY17, the company was able to resolve and fully repay the liability on account of corporate guarantee for its subsidiary PANA Textil in Germany and FCCB redemption as per agreed terms. The company raised fresh equity capital for the aforesaid repayment & redemption from Investors and promoters. On the back of strong operational performance and aforesaid developments, FTL's Networth turned positive from Rs (37.79) Crores on March 31, 2016 to Rs. 94.83 Crores as on March 31, 2017. The Company's capital structure has improved significantly as reflected by overall gearing as on March 31, 2017.

Approximately 90% of the total income of the company is derived from Exports. FTL is a direct exporter to large retail chains in USA UK and expanding its customer base across Europe. Presently FTL's top 10 customers are out of USA & UK contributing around 70% to the total revenues. The same has been the composition for the last 5 years and also the turnover of customers in the top 10 has been very low. The company has got niche place amongst the top retailers in its product line owing to continuous innovation, quality performance, timely execution & strong end customer ratings over 2 decades. The company was awarded as Innovative Vendor of the Year in the Home (Bath) segment by Sainsbury UK. All the manufacturing locations of the company are maintained as per global standards and are regularly audited by customers and third party auditors for quality and manufacturing standards. The company procures Yarn / Fibre and thereafter the entire processing until the finished product is done at the locations.

Given the turnaround in the FY 17, significantly improved financial position, strong existing customer base, robust design & product pipeline, the company expects to grow rapidly over the next 4-5 years without significant capital expenditure. The company expects the growth to significantly improve the operating metrics leading to improved operating margin in the coming years. The company grew moderately over last 4 years owing to its constrained working capital availability and financials, which also led to reduction in operating margins over the years. However, during the last 4 years, the company has made significant investment in designs, developments, key human resources, plants, supply value chain, etc. which is expected to payback and service the growth in the coming years.

The business attracted by the company to fuel the growth is mainly owing to the innovation & quality and preference given by the top retailers to the company over other sources of supply in its product line including competition from India and China. China is becoming expensive by the day, lack of innovation and trade policies towards China in the US has opened opportunities for India at large and in our segment the shift is more relevant as innovation plays a very important role.

SWOT ANALYSIS

The company has clear focus and strategy to capitalize & grow on the existing strong business relationships with large retailers within the same product line. This would also allow the company to invest in newer products while the growth comes in from the existing products. Since the current operations are relatively smaller as compared to some of its large peers, the company does not face any major risk on the growth side. The company faces risk of Chinese vendors and suppliers who might get unfairly subsidized by the government. The company may face challenges in terms of weaker USD / INR a short period of time, significantly volatile raw material prices, etc.

Given the consistent performance over 2 decades with the large retailers across the world, multiple newer opportunities in terms of new line of product or business are always a possibility. Recently company has been working with some large customers to develop outdoor performance textile products out of India which are currently sourced out of China. Also in another project the company is working towards developing and testing universal usage technical textile applications. Each new product line has a minimum of USD 100 million of sourcing across all retailers in those markets. In case of any such new product line getting crystalized, the company would have to evaluate alternative plans for having capacity and infrastructure to be able to service the business opportunity on hand.

INTERNAL CONTROL SYSTEMS AND ITS ADEQUACY

FTL's internal controls are commensurate with its size and the nature of its operations. These have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorized use, executing transactions with proper authorization and ensuring compliance of corporate policies.

Internal control and audit program is constructed as per the rules and policies of companies which enables the smooth functioning of business operations. The Company has constituted an audit committee of Board of Directors, to overview the financial statements, assets, and functioning of statutory auditors as well as Directors of the Company.

HUMAN RESOURCES/ INDUSTRIAL RELATIONS

FTL continues its focus on employee retention. The Company's performance-driven culture with a strong focus on employees' career aspirations, rewards & recognition and total-welfare helped maintain a low attrition rate.

The Company has built a strong pool of talent by committed efforts to attract, transform and retain the best talent available. The Company continues to focus on people development by developing a continuously learning human resource base to unleash their potential.

POLLUTION AND ENVIRONMENTAL CONTROLS

FTL believes that profitability not only depends on the actual profit but also the benefit derived by the community through the activities of the Company. The operations of the Company are conducted in such a manner that it ensures safety to all concerned and a pleasant working environment. Faze Three Limited is conscious of the vulnerability and the essence of a healthy and clear environmental surrounding. The Company has framed policy for securing the quality of environment and requires its stakeholders to adhere to such policy.

Secretarial Audit Report

FOR THE FINANCIAL YEAR ENDED 31st March 2017

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
FAZE-THREE LIMITED
CIN: L99999DN1985PLC000197

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by FAZE-THREE LIMITED (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company of books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March 2017 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2017 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

Independent Auditor's Report

To the Members of Faze Three Limited

Report on the Financial Statements

We have audited the accompanying financial statements of Faze Three Limited ('the Company'), which comprise the balance sheet as at March 31, 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) the balance sheet, the statement of profit and loss and the cash flow statement dealt with by this Report are in agreement with the books of account;
- (d) in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) on the basis of the written representations received from the directors as on March 31, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “Annexure B”; and
- (g) with respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position
 - ii. The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Faze Three Limited (“the Company”) as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming Part of Financial Statements for the Year Ended March 31, 2017

Corporate Information

Faze Three is engaged in manufacturing and exports of Home furnishing items viz. Bathmats, Rugs, Blankets, Throws, Cushions, etc. It has six manufacturing locations across India viz. Panipat (3), Vapi (1) and Dadra & Nagar Haveli (2). The company is a direct exporter to most large retail giants mainly in US & Europe. The Company is a public company incorporated and domiciled in India and has its registered office in Dapada, Silvassa, UT of Dadra & Nagar Haveli. The company's equity shares are listed on the Bombay Stock Exchange.

1. Basis of Accounting

The Financial statements of the company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year except the following:

1.1 Summary of significant accounting policies

a. Change in accounting policy of depreciation of fixed assets

Plant and machinery represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as change in technology.

During the current year, based on technical evaluation, the Company has revised the estimated useful life of certain plant and machinery (Tufting Machines) from 15 years to 20 years. The same has resulted in depreciation for the full year being lower by ₹ 2.79 crores (PY – Nil).

b. Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c. Tangible and Intangible Fixed Assets

Tangible Fixed assets are stated at cost less accumulated depreciation and impairment provisions. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from de-recognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

d. Depreciation on Tangible Fixed Assets

Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management. The company has used the following rates to provide depreciation on its fixed assets. Individual assets costing up to ₹ Five thousand are depreciated in full in the year of purchase.

Asset Description	Useful Life in years
Factory Building	30
Residential & Office Building	60
Plant and Machinery (Tufting Machines)	20
Plant and Machinery (Others)	15
Laboratory Equipments	10
Furniture and fixtures	10
Office Equipments	5
Computers	3
Computer Server	6
Electrical Installations	10
Fire Hydrant Systems	15
Vehicles	8

e. Intangible Assets

Intangible Assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

Intangible assets are amortized on a straight line basis over the estimated useful economic life. The company uses a presumption that the useful life of an intangible asset will not exceed five years from the date when the asset is available for use. If the persuasive evidence exists to the effect that useful life of an intangible asset exceeds five years, the company amortizes the intangible asset over the best estimate of its useful life.

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized. Intangible assets are considered as such only if amounts involved are significant.

f. Borrowing Costs

Borrowing costs includes interest, amortisation of ancillary costs incurred in connection with arranging the borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

g. Impairment of Tangible Fixed Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. The recoverable amount is higher of the asset's net selling price or value in use, which means the present value of future cash flows expected to arise from continuing use of the asset and its eventual disposal. An impairment loss is reversed, if and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognised. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

h. Government grants and subsidies

Grants and subsidies from the government are recognized when there is reasonable assurance that (i) the company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognized as deferred income and released to income in equal amounts over the expected useful life of the related asset.

i. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

j. Inventories

Raw materials, Work-in-progress, packing materials, traded items and finished goods are valued at lower of weighted average cost or net realisable value. Cost of finished goods includes material and packaging cost, proportion of manufacturing overheads based on normal operating capacity and excise duty. Custom duty on stock lying in bonded warehouses is included in cost. Cost of traded items includes cost of purchase and other cost

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Due allowances are made in respect of slow moving, non moving and obsolete inventory based on estimates made by the management

k. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of goods have been passed to the buyer, usually on delivery of the goods. Domestic sales are inclusive of excise duty. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year.

Interest

Interest income is recognized on a time proportion basis taking into account outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

l. Leases

Where the assets are given on lease

Assets subject to operating leases are included in fixed assets. Lease income in respect of operating leases is recognised in the Statement of Profit and Loss on a straight-line method over the lease term in accordance with Accounting Standard 19 on 'Leases' as notified under the Companies (Accounting Standards) Rules, 2006. Maintenance costs including depreciation are recognised as an expense in the Statement of Profit and Loss.

m. Foreign Currency Transaction and balances

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined. The exchange differences arising on restatement of monetary items are recognized as income or as expenses in the period in which they arise in the statement of profit and loss.

n. Income taxes

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing

in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

o. Retirement and other Employee benefits

Retirement benefit in the form of provident fund and family pension fund is a defined contribution scheme and is charged to the statement of profit and loss. The company has no other obligation, other than the contribution payable to the provident fund and family pension fund.

The company provides for gratuity, a defined benefit plan covering eligible employees. The company has covered its gratuity liability with Life Insurance Corporation of India and the contribution as advised are made to LIC based on the actuarial valuation carried out by LIC.

p. Segment reporting

The company has a single reportable segment.

q. Earnings per Share

Basic earnings per share are calculated by dividing the net profit and loss after taxes for the period attributable to equity shareholder by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus elements in a right issue, share split, and reverse shares split (consolidation of shares) that have changed the number of equity outstanding without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss after taxes for the period attributable to equity shareholders and weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

r. Provisions

Provisions are recognized when there is a present obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligations and reliable estimate can be made of the amount of obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimate.

s. Contingent liabilities / Assets

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

t. Cash and Cash Equivalents

Cash and cash equivalents for the purposes of cash flow statement comprises cash at bank and in hand and short term investments with an original maturity of three months or less.

u. Measurement of EBIDTA

As permitted by the Guidance note on the revised schedule III to the Companies Act, 2013, the company has elected to present earnings before interest tax, depreciation and amortization (EBITDA) as a separate line items on the face of the statement of the profit & loss. The company measured EBITDA on the basis of Profit & loss for continuing operation. In its measurement, the company does not include depreciation and amortization expense, finance costs, exceptional items and tax expense.
