to dematerialise shares held by them in physical form.

17. Voting through Electronic Means

a) In compliance with the provisions of Regulation 44 of the Securities and Exchange Board of India (Listing Obligations And Disclosure Requirements) Regulations, 2015 and Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rule 2014 as amended by the Companies (Management and Administration) Amendment Rules 2015, the Company is offering e-voting facility to all its Members to enable them to exercise their right to vote on all matters listed in this Notice of 34th AGM by electronic means and the business may be transacted through e-voting services. The facility of casting votes by the members using an electronic voting system from a place other than venue of the AGM ('remote e-voting') will be provided by Central Depository Services (India) Limited (CDSL).

b) The facility for voting through ballot paper or polling paper shall be made available at the AGM venue also and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot/ Polling paper.

c) The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.

For this purpose, the Company has entered into an Agreement with Central Depository Services (India) Limited

(CDSL) for facilitating e-voting.

- d) The voting period begins on Friday, 19th September 2025 at 9.00 am and ends on Sunday, 21st, September 2025 at 5.00 pm. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 15th September 2025 may cast their vote electronically. The e-voting which they module shall be disabled by CDSL for voting thereafter..

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING:

Step 1 : Access through Depositories CDSL/ NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Friday, 19th September 2025 at 9.00 am and ends on Sunday, 21st September 2025 at 5.00 pm. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Monday September 15, 2025, may cast their vote electronically. The e-voting which they module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure

Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/ NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 (“the Act”)

The following Statement sets out all material facts relating to the Special Business mentioned in the accompanying Notice.

Item No. 4

Pursuant to the provisions of Section 188(1) of the Companies Act, 2013, read with applicable rules made thereunder, and Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and in accordance with the Company’s Policy on Materiality of and Dealing with Related Party Transactions, any material related party transaction shall require the prior approval of the shareholders of the Company by way of an Ordinary Resolution, even if such transactions are in the ordinary course of business and on an arm’s length basis.

As per Regulation 23(1), a “Material Related Party Transaction” is one that, either individually or taken together with previous transactions during a financial year, exceeds ₹1,000 crore or 10% of the annual consolidated turnover of the Company, whichever is lower, as per the last audited financial statements.

Accordingly, the Board of Directors, in its meeting held on 12th August 2024, approved a Material Related Party Transaction with M/s. Satara Engineering Projects and Equipments Private Limited, for the purchase of balancing machinery for capacity expansion at an aggregate value of ₹30,00,00,000/- (Rupees Thirty Crores only) plus applicable taxes, on prevailing market prices. The shareholders of the Company approved this transaction in the 33rd Annual General Meeting held on 23rd September 2024, for a period commencing from the date of the said AGM up to the date of the 34th AGM to

be held in 2025 provided that the said contract(s)/ arrangement(s)/ agreement(s)/ transaction(s) shall be carried out in the ordinary course of business and at an arm’s length basis.

During the financial year 2024–25, the Company executed transactions worth ₹11.54 crore under the above contract. The balance contract value is proposed to be executed during subsequent financial years.

To continue with the remaining contract value for FY 2025–26, the Board of Directors, in its meeting held on 12th August 2025, approved the continuation of the Material Related Party Transaction, and the Audit Committee granted its prior approval in the meeting held on 12th August 2025.

The Company now seeks shareholder approval for continuing the existing contract/arrangement with M/s. Satara Engineering Projects and Equipments Private Limited, a company incorporated under the Companies Act, 2013, having its registered office at L-15/3, Additional MIDC Area, Satara – 415004, for an amount of ₹30,00,00,000/- (Rupees Thirty Crores only) plus applicable taxes, for the purchase of balancing machinery for capacity expansion.

This approval is proposed till the completion of the contract. The contract shall continue to be in the ordinary course of business and on an arm’s length basis.

Information as per rule 3 of the companies (Meeting of the Board and its powers) second amendment rule, 2014

1. Name of the Related Party – M/s. Satara Engineering Projects and Equipment’s Private Limited
2. Name of the Director or Kay managerial Personnel who is related, if any – Mrs. Deepa Agarwal

3. Nature of Relationship- Mrs. Deepa Agarwal holds the position of Director in both the companies. She is also the wife of the Managing Director of the Company and has a shareholding interest in the related party
4. Nature, material terms, monetary terms value and particulars of the contract or arrangement: - the contract to be entered for purchase of balancing machinery of plant for capacity expansion, total worth of Rs. 30,00,00,000/- (Thirty Crores Only) plus extra taxes.
5. The contract to be entered on the prevailing market conditions hence on arm's length basis but exceeding the 10% of annual turnover of the company therefore contract is considered as a material in nature.

The related party transactions will be in line with the Company's Policy on Materiality of and Dealing with Related Party Transactions. These transactions will be on an arm's length basis and in the ordinary course of business. The related party transactions will be supported by the Valuation Report of an Independent valuer, wherever necessary.

Arms' Length Basis:

The Company ensures that the related party transactions are done on arms' length basis which are established taking into account various factors comparable with unrelated parties or on cost plus reasonable margin basis or market price basis, where available, or certified by any independent agency.

6. Based on the nature of the transaction, advance for part or full amount of the transaction/ arrangement could be paid in the ordinary course of business.

As per the process, necessary details for each of the Related Party Transactions as applicable along with the justification are provided to the Audit Committee in terms of

the Company's Policy on Materiality of and Dealing with Related Party Transactions and as required under SEBI Circular(s). Further, a Certificate from the Managing Director & Chief Executive Officer and Group Chief Financial Officer of the Company confirming that the Related Party Transactions are in the ordinary course of business of the Company and on an arm's length basis is also placed before the Audit Committee.

The Related Party Transactions placed for Members' approval shall also be reviewed/ monitored on quarterly basis by the Audit Committee of the Company as per Regulation 23 of the Listing Regulations and section 177 of the Companies Act, 2013 and shall remain within the proposed amount(s) being placed before the Members.

Any subsequent material modifications in the proposed transactions, as defined by the Audit Committee as a part of the Company's Policy on Materiality of and Dealing with Related Party Transactions, shall be placed before the Members for approval, in terms of Regulation 23(4) of the Listing Regulations.

As per second proviso to section 188 (1) of the Companies Act 2013, if any member is a related party in any contract or arrangement, then that party shall not vote in the resolution, wherein such contract or arrangement is considered for approval. Therefore, Mrs. Deepa Agarwal, Director of the company and their relatives and associates will not vote on the above resolution.

The Company will seek separate approval on an Annual Basis from the shareholders in future, in case any omnibus approvals are needed for Material Related Party Transactions.

Except above, none of the other Directors, Key Managerial Personnel of the Company

or their respective relatives are in any way concerned or interested in the said Resolution.

The Board recommends the Ordinary Resolution set out in Item No.4 of the Notice for approval by the shareholders.

Item No. 5

Pursuant to the provisions of Section 188(1) of the Companies Act, 2013, read with applicable rules made thereunder, and Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and in accordance with the Company's Policy on Materiality of and Dealing with Related Party Transactions, any material related party transaction shall require the prior approval of the shareholders of the Company by way of an Ordinary Resolution, even if such transactions are in the ordinary course of business and on an arm's length basis.

As per Regulation 23(1), a "Material Related Party Transaction" is one that, either individually or taken together with previous transactions during a financial year, exceeds ₹1,000 crore or 10% of the annual consolidated turnover of the Company, whichever is lower, as per the last audited financial statements.

Under the Listing Regulations, in addition to the approval and reporting for transactions by the Company with its own Related Party(ies), the scope extends to transactions by the Company with Related Party(ies) of any subsidiary(ies) of the Company or transactions by a subsidiary(ies) of the Company with its own Related Party(ies) or Related Party(ies) of the Company or Related Party(ies) of any subsidiary(ies) of the Company.

Given the nature of the Company's presence in multiple businesses, the Company works closely with its subsidiaries and associates to achieve its business objectives and

enters into various operational transactions with its related parties, from time to time, in the ordinary course of business and on an arm's length basis.

Amongst the transactions that the Company enters into with its related parties, the estimated value of the contract(s)/ arrangement(s)/ agreement(s)/ transaction(s) of the Company with the Related Party mentioned below and also the 'Related Party Transactions' under Regulation 2(1) (zc) of the Listing Regulations pertaining to Subsidiaries of the Company, may exceed the threshold of Material Related Party Transactions within the meaning of Regulation 23(1) of the Listing Regulations i.e.10% (ten per cent) of the annual turnover of the Company as per the last audited financial statements of the Company or any modifications thereof.

During the financial year, Mr. Niraj Chandra transferred a parcel of 6.94 hectares of land to Mrs. Deepa Agarwal, resulting in a change in the related party structure compared to the approvals obtained in the last AGM. Accordingly, this constitutes a modification in the parties involved, and fresh shareholder approval is required under Regulation 23(4) of SEBI LODR.

Further, the transaction value has also increased compared to the approval obtained in the last AGM. Hence, fresh shareholder approval is also required under Regulation 23(4) of the SEBI (LODR) Regulations.

The Audit Committee and the Board of Directors of the Company have reviewed and approved the proposed material related party transactions at their respective meetings held on 12th August 2025, after due evaluation of the terms, conditions, and supporting documents.

Further, a Certificate from the Managing Director & Chief Executive Officer and Group Chief Financial Officer of the Company confirming that the Related Party Transactions are in the ordinary course of business of the Company and on an arm's length basis is also placed before the Audit Committee.

The Related Party Transactions placed for Members' approval shall also be reviewed/monitored on quarterly basis by the Audit Committee of the Company as per Regulation 23 of the Listing Regulations and section 177 of the Companies Act, 2013 and shall remain within the proposed amount(s) being placed before the Members.

Any subsequent material modifications in the proposed transactions, as defined by the Audit Committee as a part of the Company's Policy on Materiality of and Dealing with Related Party Transactions, shall be placed before the Members for approval, in terms of Regulation 23(4) of the Listing Regulations.

The Related Party Transactions placed for

Members' approval are specific in nature and have been approved by the Audit Committee and Board of Directors of the Company.

As per second proviso to section 188 (1) of the Companies Act 2013 and provisions of the Listing Regulations, if any member is a related party in any contract or arrangement, then that party shall not vote in the resolution, wherein such contract or arrangement is considered for approval. Therefore, Mr. Niraj Chandra and Mrs. Deepa Agarwal, Director of the company and their relatives and associates will not vote on the above resolution.

Except above, none of the other Directors, Key Managerial Personnel of the Company or their respective relatives are in any way concerned or interested in the said Resolution.

The Board recommends the Ordinary Resolution set out in Item No.5 of the Notice for approval by the shareholders.

Item no. 6

As per Section 180(1)(a) of the Companies Act, 2013, the Company cannot sell, lease, or otherwise dispose of the whole or substantially the whole of the undertaking of the Company without the approval of the members by way of a special resolution.

The Company owns immovable property (land) situated at GAT No. 466, 467, 468, 597, 454, 455, 456, 457, 463-A, 465, 181 and 922 at post Borgaon, Satara 415519 admeasuring approximately 9.09 hector.

The board of directors in its meeting held on 12th August 2025 approved the transfer or sale of said immovable property to the wholly owned subsidiary company M/s. Satara Aerospace and Defence Industrial Park Private Limited to develop and utilization of the land for setting up an Aerospace and Defence Industrial Park with following justification.

Justification for Transfer of Assets to Wholly Owned Subsidiary :-

The Board proposes to transfer certain assets of the Company to its wholly owned subsidiary, M/s. Satara Aerospace and Defence Industrial Park Private Limited, at book value. The justification for such transfer is as follows:

1. Internal Restructuring for Business Efficiency

The transfer is part of a group-level internal restructuring exercise aimed at streamlining operations and consolidating specific business functions or assets under a dedicated entity. This enhances operational focus and efficiency within the group.

2. No Realization of Gain or Loss – Transfer at Book Value

The assets are being transferred at book value, ensuring no gain or loss is recognized in the books of the Company. The transaction is a mere reallocation of resources within the same corporate group and does not involve any mark-up or diminution in asset values.

3. Regulatory and Tax Compliance

The transaction is being carried out in compliance with applicable provisions

of the Companies Act, 2013, including Sections 180(1)(a) and 188, and in accordance with applicable accounting and tax laws. Transfer at book value and without consideration ensures tax neutrality under provisions such as Section 47(iv) of the Income Tax Act, 1961 (transfer of assets from holding company to wholly owned subsidiary).

4. No Adverse Impact on Stakeholders

The transaction does not affect the interests of shareholders or creditors, as the financial and operational position of the Company remains intact. The assets continue to be controlled at the consolidated group level, and the transfer will not impair the Company's ability to meet its obligations.

5. Alignment with Accounting Standards (Ind AS 110)

From a financial reporting perspective, the assets remain within the consolidated financials of the group, and the transfer at book value maintains transparency and consistency in financial disclosures.

Additionally, since the proposed transfer will be made to a wholly owned subsidiary company, it will fall under the definition of 'related party' in terms of Section 2(76) of the Companies Act, 2013 and Regulation 23 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. However, as per the provisions of the Companies Act, 2013 and SEBI (LODR) Regulations, transactions with wholly owned subsidiaries are exempt from related party transaction approval requirements, but the same are disclosed herein for the transparency of members.

The Board of Directors recommends

the resolution set out in the accompanying Notice for the approval of the members as a Special Resolution.

None of the Directors, Key Managerial Personnel, and their relatives, except to the extent of their shareholding, if any, in the Company and in the wholly owned subsidiary, are concerned or interested in the proposed resolution.

Item no. 7

In accordance with the provisions of Section 204 of the Companies Act, 2013 and the rules made thereunder, and in compliance with Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended by the SEBI (Listing Obligations and Disclosure Requirements) (Third Amendment) Regulations, 2024 dated 12th December 2024, and SEBI Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2024/130 dated 31st December 2024, a person shall be eligible for appointment as the Secretarial Auditor of a listed entity only if such person is a qualified Company Secretary, registered with the Institute of Company Secretaries of India (ICSI), holds a valid Peer Review Certificate issued by the Peer Review Board of ICSI, and has not incurred any of the disqualifications as may be specified by SEBI.

Further, based on the above provisions, a listed entity shall, on the recommendation of its Board of Directors, appoint or re-appoint a Secretarial Auditor for not more than one term of five consecutive years, or a Secretarial Audit Firm as Secretarial Auditor for not more than two terms of five consecutive years, with the approval of shareholders at the Annual General Meeting.

The Board of Directors, at its meeting held on 12th August 2025, recommended the appointment of M/s. Neha Doshi & Co., Practicing Company Secretaries, as the

Secretarial Auditor of the Company for a term of five years, from the financial year 2025–26 to the financial year 2029–30, subject to the approval of shareholders at the ensuing 34th Annual General Meeting.

M/s. Neha Doshi & Co. has confirmed that the firm is not disqualified and is eligible to be appointed as Secretarial Auditors in terms of Regulation 24A of the SEBI Listing Regulations. The services to be rendered by M/s. Neha Doshi & Co. as Secretarial Auditors is within the purview of the said regulation read with SEBI circular no. SEBI/HO/CFD/CFD-PoD-2/CIR/P/2024/185 dated December 31, 2024.

The Board recommends the Ordinary Resolution as set out in Item No. 7 of this Notice for approval of the Members.

None of the Directors and/or Key Managerial Personnel of the Company and/or their relatives are concerned or interested, in the Resolution set out in Item No. 7 of this Notice.

OPERATIONS:

During the year under review, the paper division produced 12797.325 MT. of Kraft Paper as against 12804.205 MT in the previous year..

The Company achieved total sales of ₹4,043.59 lakhs during the year under review, as compared to ₹3,607.72 lakhs in the previous year, registering a notable year-on-year growth.

In the consolidated financial statements for FY 2024–25, no revenue has been recognized from the wholly owned subsidiary, M/s. Satara Aerospace and Defence Industrial Park Private Limited, as the subsidiary was incorporated

on 5th June 2024 and did not undertake any revenue-generating operations during the year. Consequently, there is no difference in revenue figures between the standalone and consolidated financial statements for the reporting period.

PROSPECTS:

The Company has established a strong and widespread dealer network across Western and Southern India for the sale of its paper products. It continues to focus on expanding and deepening this network to enhance market penetration and secure new orders for Kraft

paper. During the year, the Company was able to sell its entire production without any inventory overhang, indicating consistent demand and efficient supply chain management.

The Company offers a diverse range of Kraft paper products, ranging from 80 GSM to 180 GSM, catering to varied customer needs across sectors such as food packaging, e-commerce, industrial wrapping, and corrugated box manufacturing. This product flexibility enables the Company to serve a broad customer base and quickly adapt to evolving market demands.

The market for Kraft paper has shown strong signs of recovery and sustained growth, particularly in the industrial and sustainable packaging sectors. With growing environmental awareness and increasing regulatory restrictions on plastic and wood-based packaging, Kraft paper has emerged as a preferred eco-friendly alternative. This trend is expected to accelerate, creating favorable market conditions for the Company's core products.

RESERVE AND SURPLUS

An amount of ₹112.52 lakhs is proposed to be retained in the surplus under Reserves and Surplus for the financial year 2024–25. This retention will strengthen the Company's internal accruals and support future business needs, including working capital requirements and potential investments.

STATEMENT ON RISK MANAGEMENT POLICY:

In compliance with the provisions of the Companies Act, 2013, the management of the Company has duly adopted a Risk Management Policy. The policy outlines a structured approach to identifying, assessing, and mitigating various risks that could potentially impact the Company's operations or threaten its long-term sustainability.

The management has taken adequate measures to ensure the effective implementation of this policy by identifying key risk areas, including

operational, financial, regulatory, and strategic risks. Appropriate mitigation strategies have been put in place to address these risks and safeguard the Company's interests.

DIVIDEND:

In view of the modest profit for the year and the accumulated losses carried forward from previous years, the Board of Directors has decided not to recommend any dividend for the financial year 2024–25. This decision is in line with the Company's focus on preserving resources and strengthening its financial position.

MATERIAL CHANGES AND COMMITMENT

There have been no material changes and commitments affecting the financial position of the Company that have occurred between the end of the financial year and the date of this report. The financial position of the Company remains stable during this period.

NATURE OF BUSINESS

There has been no change in the nature of the Company's business during the financial year under review. The Company continued to operate in its existing line of business without any diversification or restructuring.

DEPOSITS:

During the financial year under review, the Company has not accepted or renewed any deposits from the public in terms of Sections 73 and 76 of the Companies Act, 2013, read with the Companies (Acceptance of Deposits) Rules, 2014. Accordingly, no amount on account of principal or interest on public deposits was outstanding as on the date of the Balance Sheet.

CORPORATE SOCIAL RESPONSIBILITY INITIATIVES

The provisions relating to Corporate Social Responsibility under Section 135 of the Companies Act, 2013 are not applicable to the Company during the financial year under review. Accordingly, the Company has not

developed or implemented any CSR initiatives for the said period.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS MADE UNDER SECTION 186 OF THE COMPANIES ACT, 2013

During the financial year under review, the Company has not made any loans, given any guarantees, or made any investments that fall within the scope of Section 186 of the Companies Act, 2013, requiring compliance.

However, the Company has made investments and extended a loan to its wholly owned subsidiary, which is exempt from the provisions of Section 186 pursuant to the exemptions provided under the Act. Accordingly, no disclosure under Section 186 is applicable for the said transactions.

PARTICULARS OF CONTRACTS OR ARRANGEMENTS MADE WITH RELATED PARTIES

During the year under review, the Company has entered into material contracts/arrangements with related parties, which required prior approval of the Board and/or shareholders, in accordance with the provisions of Section 188(1) of the Companies Act, 2013 and applicable rules.

In compliance with Section 188(2) of the Act, read with Rule 8(2) of the Companies (Accounts) Rules, 2014, the prescribed disclosure in Form AOC-2 is appended to this Board's Report as *Annexure I*.

The Policy on Related Party Transactions (RPT), as approved by the Board of Directors, is available on the Company's website at: www.kaypowerandpaper.com.

The Policy is designed to ensure that appropriate procedures are in place for reporting, reviewing, approving, and disclosing all transactions entered into between the Company and its related parties. It aims to address any actual or potential conflict of interest that may arise in such transactions.

All related party transactions are placed before the Audit Committee for prior review and approval. For transactions that are repetitive in nature and entered into in the ordinary course of business and at arm's length, the Company obtains prior omnibus approval from the Audit Committee, in accordance with applicable provisions.

Additionally, all related party transactions are subject to independent verification by the statutory auditors to ensure compliance with the relevant provisions of the Companies Act, 2013 and Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Your directors draw attention to Note No. 32 of the financial statements, which contains the details of related party transactions entered into during the financial year under review.

SUBSIDIARY COMPANY

During the year under review, the Company incorporated a wholly owned subsidiary, M/s. Satara Aerospace and Defence Industrial Park Private Limited, on 5th June 2024.

The wholly owned subsidiary is primarily engaged in the development of an industrial park with comprehensive infrastructure facilities, including land development, construction of civil structures, internal roads, power and water supply systems, warehousing, logistics support, built-to-suit factory buildings, and related construction services. Additionally, it aims to provide consultancy services for setting up industrial units, liaising with statutory authorities, as well as offering support services such as security, parking, food courts, sewerage and effluent treatment systems, telecom infrastructure, and other ancillary maintenance facilities.

As of 31st March 2025, no significant operational activities were carried out by the subsidiary, and there has been no material change in the nature of its business.

A report on the performance and financial position of the subsidiary in the prescribed

format Form AOC-1, as required under the proviso to Section 129(3) of the Companies Act, 2013, forms part of this Annual Report as *Annexure II*.

The said subsidiary does not qualify as a “material subsidiary” in terms of Regulation 24 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the year, the Company advanced a sum of ₹ 9.21 Crores to its subsidiary company. The said amount was further advanced by the wholly owned subsidiary towards the purchase of land from a company in which certain Directors of the Company are interested.

This transaction was undertaken in compliance with the applicable provisions of the Companies Act, 2013, and the relevant rules made thereunder. Necessary disclosures in this regard have been made in the notes to accounts of both the standalone and consolidated financial statements.

The Consolidated Financial Statements (CFS) of the Company have been prepared in accordance with the applicable Accounting Standards (AS), and form an integral part of this Annual Report. The audited financial statements of the subsidiary are included within the CFS and have been presented in Form AOC-1 as a separate annexure II.

Pursuant to Section 136 of the Companies Act, 2013, the standalone and consolidated financial statements of the Company, along with the audited financial statements of the subsidiary and other relevant documents, are available on the Company’s website at www.kaypowerandpaper.com.

JOINT VENTURES AND ASSOCIATE COMPANIES

Your Company does not have any joint venture or associate companies.

FINANCIAL STATEMENTS:

The audited Standalone and Consolidated Financial Statements of the Company, which

form an integral part of this Annual Report, have been prepared in compliance with the applicable provisions of the Companies Act, 2013, and in accordance with:

- Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- The applicable provisions of the Indian Accounting Standards (Ind AS), including Ind AS 110 – Consolidated Financial Statements, as prescribed under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014.

These financial statements present a true and fair view of the financial position and performance of the Company and its subsidiary for the financial year ended 31st March 2025.

DIRECTORS AND KEY MANAGERIAL PERSONNEL

During the year under review, the following changes took place in the composition of the Board of Directors and Key Managerial Personnel:

- Mr. Anilkumar Govind Bidkar (DIN: 10639665) and Mr. Satish Laxman Pharande (DIN: 03516332) were appointed as Non-Executive Independent Directors of the Company for a first term of five consecutive years, commencing from the conclusion of the 33rd Annual General Meeting and continuing up to the conclusion of the 38th Annual General Meeting, to be held in the financial year 2029. Their appointments were recommended by the Nomination and Remuneration Committee, approved by the Board of Directors, and subsequently ratified by the shareholders through ordinary resolutions passed on 23rd September 2024.
- Mr. Kaustubh Wadikar (DIN: 06772587) and Mr. Sandeep Shahapurkar (DIN: 06919724) successfully completed their second consecutive term of five years each as Independent Directors on 23rd

September 2024. Accordingly, they ceased to be Directors with effect from the close of business hours on the same date. The Board places on record its deep appreciation for their valuable contributions and guidance during their tenure.

- Mrs. Deepa Agarwal, Director of the Company, retires by rotation at the ensuing Annual General Meeting, and being eligible, has offered herself for re-appointment. The Board recommends her re-appointment for the approval of the members. The necessary resolution is being put in the notice of ensuring Annual General Meeting for consideration and approval of members of the company.
- During the year under review, the Company re-appointed the Chief Financial Officer (CFO) with effect from 13th November 2023, based on the recommendation of the Nomination and Remuneration Committee and approval of the Board of Directors meeting held on 28th May 2024, in accordance with the provisions of the Companies Act, 2013.

There were no other changes in the Key Managerial Personnel during the financial year.

Furthermore, during the financial year ended 31st March 2025, none of the Directors on the Board have been debarred or disqualified from being appointed or continuing as Directors by the Securities and Exchange Board of India (SEBI), the Ministry of Corporate Affairs (MCA), or any other statutory authority.

CHANGES IN CAPITAL STRUCTURE

During the financial year under review, the following changes took place in the capital structure of the Company:

- On 18th March 2024, the Shareholders approved the issue of 2,59,00,000 (Two Crore Fifty-Nine Lakh) convertible warrants on a preferential basis to promoters and non-promoters. Each warrant carries the option to convert into one equity share at a price

of ₹ 30.10 per warrant (comprising ₹10 face value and ₹20.10 premium), within a period of 18 months from the date of allotment. In-principle approval for the said issuance was received from BSE Limited, vide approval no. LOD/PREF/AB/FIP/32/2024-25 dated 4th April 2024.

- Subsequently, on 15th April 2024, the Company allotted 2,59,00,000 convertible warrants on a preferential basis to the respective allottees.
- On 2nd July 2024, 1,13,00,000 equity shares were allotted upon conversion of warrants, following receipt of the requisite consideration.
- Further, on 7th August 2024, an additional 1,50,000 share warrants were converted into equity shares, leading to a corresponding increase in the paid-up share capital.

As a result of the above allotments, the paid-up equity shares capital of the Company increased from ₹10,64,00,000 to ₹ 22,09,00,000.

Utilization Of Funds

The funds raised through the preferential issue of warrants and conversion thereof have been utilized for the purposes stated in the offer, and there has been no deviation or variation in the utilization of proceeds. These actions were undertaken in compliance with applicable laws and regulatory requirements and have significantly strengthened the capital base of the Company to support its future growth initiatives.

Outstanding Warrants

Out of the total 2,59,00,000 convertible warrants allotted on a preferential basis, 1,44,50,000 warrants remain outstanding as on the date of this report. These warrants are required to be converted into equity shares on or before 15th October 2025, in accordance with the terms of the issue. Upon full conversion, the paid-up equity share capital of the Company is expected to increase by approximately ₹14.45 crores.

BOARD EVALUATION:

Pursuant to the provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board of Directors is required to monitor and review the Board evaluation framework. The Act also mandates that a formal annual evaluation be carried out by the Board of its own performance, that of its committees, and of individual directors.

Accordingly, during the year under review, the evaluation of the performance of the Board as a whole, its committees, and individual Directors was conducted, based on the criteria and framework approved by the Board, covering various aspects such as composition, effectiveness, structure, participation, decision-making, and overall functioning.

The evaluation process has been detailed in the Corporate Governance Report, which forms part of this Annual Report. The Nomination and Remuneration Committee collated the evaluation results, which were reviewed and approved by the Board.

NUMBER OF BOARD MEETINGS CONDUCTED DURING THE YEAR:

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s Kay Power and Paper Limited (hereinafter called "the Company")**. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2025 ("the audit period") complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute

books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2025, according to the provisions of:

- i. The Companies Act, 2013 ('the Act') and the Rules made thereunder including any re-enactment thereof;
- ii. The Securities Contracts (Regulation) Act, 1956 ("SCRA"), Rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. The Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (Not Applicable to the Company during the audit period);
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.

- f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with the client;
- g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; (Not Applicable to the Company during the audit period)
- h. The SEBI (Buyback of Securities) Regulations, 2018; and (Not Applicable to the Company during the audit period)
- i. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015 as amended from time to time.
- vi. Other laws are applicable specifically to the Company is Indian Boiler Act 1923.

I have also examined compliance with the applicable clauses of the following:

- (i) The Equity Listing Agreements with Bombay Stock Exchange (BSE LTD).
- (ii) Secretarial Standards issued by The Institute of Company Secretaries of India

and as notified by the Central Government, and

- (iii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), as amended from time to time.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. as mentioned above, Subject to the following observations:

- i. The company has not published public notices and un-audited/audited quarterly result in English daily newspaper as required to be published under Regulation 47 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, (LODR) 2015. As informed by the Company, due to carry forward losses and inadequate profit during the year, the company could not spent money on publication of financial result in English newspaper. The aforesaid results are made available on the company website and also on the website of the Bombay stock exchange Ltd for downloading.
- ii. The quarterly results are not accompanied by the Limited Review Report as per Regulation 33 (1) (d) & 33 (3) (c) (LODR) Regulation 2015 for the 1st Quarter. Thereafter the Company has appointed Peer Review Auditor on 12.08.2024, so except for the 1st quarter limited review report is given by the Peer Review Auditor.

I further report that;

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors

and Independent Directors as per Companies Act, 2013. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent adequately in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions are carried through while the dissenting member's views, if any, are captured and record as part of the minutes.

I further report that as per the explanations given to us and the representations made by the Management and relied upon by us there are adequate systems and processes in place

in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

ANNEXURE IV : REPORT ON CORPORATE GOVERNANCE**1. Company's philosophy on Corporate Governance**

The Company firmly believes that good Corporate Governance is essential for building trust and long-term value for all its stakeholders. In line with the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR"), the Company has adopted robust governance practices which reflect its commitment to integrity, transparency, accountability, and ethical conduct.

The philosophy of Corporate Governance at the Company is not merely compliance-driven but goes beyond to ensure that corporate objectives are achieved in a manner that is consistent with stakeholder expectations and societal norms. The Company's governance framework is structured to promote efficient conduct of business while upholding the core principles laid down under the SEBI regulations and the Companies Act, 2013.

The Company recognizes that the Board of Directors plays a pivotal role in overseeing the Company's management, providing strategic direction, and ensuring responsible decision-making. The Board is fully accountable to shareholders and other stakeholders and functions as a trustee in safeguarding their interests.

The Company has established appropriate systems and controls to ensure compliance with applicable laws and to facilitate a culture of ethical and responsible corporate citizenship. The Board and senior management remain committed to continuously reviewing and strengthening the Company's governance framework in line with evolving best practices.

Key principles guiding the Company's Corporate Governance framework include:

- **Transparency:** Ensuring accurate and timely disclosures of relevant information to stakeholders.
- **Accountability:** Establishing clear roles and responsibilities, with appropriate checks and balances.
- **Integrity and Ethics:** Upholding high standards of ethical behavior and fair conduct across all business dealings.
- **Responsibility and Sustainability:** Taking into account the environmental, social, and governance (ESG) aspects of business operations.
- **Stakeholder Inclusiveness:** Recognizing and responding to the legitimate needs and expectations of all stakeholders.

In summary, the Company views Corporate Governance not merely as a set of obligations under law but as a dynamic framework for achieving excellence, enhancing stakeholder value, and fostering long-term sustainability.

This Nomination and Remuneration Policy is being formulated in compliance with Section 178 of the Companies Act, 2013 read along with the applicable rules thereto and pursuant to regulations of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time. This policy on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management has been formulated by the Nomination and Remuneration Committee (NRC or the Committee) and has been approved by the Board of Directors and is available on company's website on link – www.kaypowerandpaper.com

Mechanism for evaluating Board members:

One of the key functions of the Board is to monitor and review the board evaluation framework. The Board works with the nomination and remuneration committee to lay down the evaluation criteria for the performance of executive / non-executive / independent directors through a peer-evaluation excluding the director being evaluated through a Board effectiveness survey. The questionnaire of the survey is a key part of the process of reviewing the functioning and effectiveness of the Board and for identifying possible paths for improvement. Each Board member is requested to evaluate the effectiveness of the Board dynamics and relationships, information flow, decision-making of the directors, relationship to stakeholders, company performance, company strategy, and the effectiveness of the whole Board and its various

committees on a scale of one to five. Feedback from each director is encouraged to be provided as part of the survey.

Independent directors have three key roles – governance, control and guidance. Some of the performance indicators based on which the Independent Directors are evaluated include:

- Ability to contribute to and monitor our corporate governance practices
- Ability to contribute by introducing international best practices to address top-management issues.
- Active participation in long-term strategic planning
- Commitment to the fulfillment of a director's obligations and fiduciary responsibilities; these include participation in Board and committee meetings.

The NRC Committee meetings were held on August 12, 2024 and February 12, 2025. The Attendance of the Members at the Meetings was as follow: -

MANAGEMENT AND DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENT

The Indian packaging industry continues its robust expansion in FY 2025–26, emerging as a major growth driver for the Kraft paper segment. The sustained demand from key end-user industries—such as food and beverages, pharmaceuticals, e-commerce, consumer durables, and personal care—has significantly contributed to the rising consumption of Kraft paper. With e-commerce and quick-commerce platforms experiencing exponential growth, the requirement for strong, lightweight, and sustainable packaging materials like Kraft paper has intensified.

Industrial and manufacturing sectors, including cement, textiles, FMCG, and electronics, have also demonstrated increased reliance on Kraft paper for packaging, storage, and logistics purposes. These sectors are undergoing structural expansion, thereby pushing the demand for Kraft paper packaging solutions.

The shift in consumer preferences and the retail landscape—from unorganized to organized retail formats like supermarkets, hypermarkets, and large-format stores—continues to influence packaging requirements. Kraft paper, appreciated for its biodegradable nature and aesthetic appeal, is increasingly being used for branded packaging by modern retail chains.

Additionally, India's position as a key exporter of textiles, pharmaceuticals, handicrafts, and auto components has supported demand for high-performance packaging materials. Kraft paper plays a pivotal role in export-grade packaging, offering both cost efficiency and environmental sustainability.

Government initiatives launched under the 'Make in India' and 'Atmanirbhar Bharat' programs, along with regulatory measures aimed at reducing plastic usage and encouraging sustainable packaging alternatives, have provided a favorable policy backdrop for the growth of the Kraft paper industry. These initiatives are expected to enhance domestic manufacturing and promote

the adoption of eco-friendly materials in industrial applications.

As per industry estimates, India's Kraft paper market was approximately 11.02 million tons in 2024, with projections to reach over 21 million tons by 2033, reflecting a CAGR of around 7.2% (2025–33). Kraft paper continues to dominate the paperboard and industrial packaging segment, accounting for approximately 52.5% of total segment consumption in FY 2025–26.

The Indian paper industry is broadly categorized into the following segments:

1. Paperboard and industrial packaging paper
2. Writing and printing paper
3. Newsprint
4. Specialty papers

Kay Power and Paper Ltd, strategically located in Satara, Maharashtra, is engaged in the manufacturing of Kraft paper using Indian and imported wastepaper as raw material. During FY 2024–25, the Company maintained its commitment to product quality and customer satisfaction through rigorous quality assurance practices, which have enabled strong client retention and operational efficiencies.

While the sector has witnessed considerable capital investments aimed at capacity augmentation, industry participants continue to face challenges in the form of raw material shortages and increased imports. These factors have impacted input costs and the economic viability of new projects. However, the long-term outlook remains positive, given the increasing awareness of sustainability and the growing demand for biodegradable packaging.

The industry's contribution to the economy remains significant, with an estimated annual gross capital formation of ₹8,500 crore, generation of direct employment to over 15,000 individuals annually, and creation of 72 million man-days of livelihood opportunities per year through agro and farm forestry initiatives.

**OPPORTUNITIES AND THREATS:****Opportunities**

The Indian Kraft paper market is witnessing strong growth momentum, driven by increasing awareness of the adverse environmental impact of plastic and other non-biodegradable packaging materials. The rising demand for compostable and sustainable packaging solutions is fuelling the adoption of Kraft paper across various end-user industries.

In addition to traditional applications, Kraft paper is gaining popularity in gift wrapping, events, weddings, and premium packaging due to its aesthetic appeal, textured finish, and versatility. The rising preference for natural, eco-conscious designs has expanded Kraft paper's presence in these niche markets.

Another significant growth driver is the increasing use of saturated Kraft paper in the construction sector for applications such as countertops, partitions, and flooring, where technical strength and durability are critical.

The e-commerce and logistics sectors continue to be major consumers of Kraft paper. Its strength, folding resistance, and compression durability make it an ideal material for protective packaging during transit. The exponential growth in online shopping and direct-to-consumer deliveries further enhances this demand.

From a regulatory perspective, the Government of India's active measures to phase out single-use plastic have created a favorable environment for the Kraft paper industry. For example, in June 2022, the Central Pollution Control Board (CPCB), under the Ministry of Environment, issued directives to restrict specified plastic products, thereby accelerating the demand for paper-based alternatives.

Additionally, increasing adoption of Kraft paper in the printing and publication sectors, along with the development of advanced packaging formats such as stand-up pouches and zipper pouches, is expected to unlock further growth potential in the years ahead.

Threats and Challenges

Despite favorable market trends, the Kraft paper industry continues to face several operational and structural challenges:

1. Raw Material Availability, Quality, and Cost

The availability, quality, and pricing of raw materials—primarily wastepaper and pulp—pose significant challenges. Rising demand coupled with limited domestic supply has driven up procurement costs. Additionally, the quality of input fiber directly impacts the quality and strength of the final product. Manufacturers must diversify sourcing channels, explore alternative fibers (such as agro-based residues), and adopt sustainable procurement practices to ensure consistency and cost control.

2. Energy Efficiency and Sustainability

The paper manufacturing process is energy-intensive, leading to high power and fuel costs. To address this, companies need to invest in energy-efficient technologies, process optimization, and renewable energy adoption to lower their carbon footprint and operational expenditure.

3. Technological Advancements

Rapid advancements in manufacturing technologies and automation require continuous upgradation to maintain competitiveness. Failure to adapt may result in inefficiencies, higher production costs, and compromised product quality. Investments in automation, digital monitoring systems, and smart manufacturing tools are essential to drive innovation and operational excellence.

4. Environmental Concerns

The industry must address concerns related to deforestation, high water consumption, and pollution. Regulatory expectations are becoming more stringent. Manufacturers must implement responsible forestry practices, reduce water and energy use, and strengthen recycling and waste management initiatives to meet sustainability goals.

5. Global Competition

Globalization has intensified competition, particularly from low-cost manufacturers in other regions. Indian producers must differentiate themselves through quality, innovation, and service excellence.

Strategic partnerships, R&D collaborations, and value-added product offerings can help maintain competitiveness in domestic and export markets.

6. Quality Control

Maintaining consistent product quality is critical to customer satisfaction and brand reputation. Variability in inputs can result in inconsistent outputs. To mitigate this risk, companies must implement robust quality control frameworks, real-time monitoring, and continuous process improvements.

7. Regulatory Compliance

Evolving environmental, safety, and product quality regulations require strict adherence. Non-compliance can lead to penalties and reputational damage. Companies must invest in compliance systems and ensure alignment with national and international standards.

8. Changing Consumer Preferences

Consumers are increasingly demanding environmentally friendly, recyclable, and biodegradable packaging materials. Manufacturers need to respond swiftly to these trends by integrating green practices, enhancing product innovation, and improving product visibility in eco-conscious segments.

SEGMENT-WISE OR PRODUCT WISE PERFORMANCE

The Company operates exclusively in the paper segment, with a focus on the production and marketing of Kraft paper. There are no reportable secondary segments during the financial year.

The Company has developed and maintained a well-established dealer network across Western and Southern India, which continues to serve as a strong distribution backbone for its paper products. During the year under review, the Company focused on further strengthening its dealer network and actively pursued new order opportunities to enhance market reach and customer engagement.

The Company manufactures a diverse range of Kraft paper, with grammage varying from 80 GSM to 180 GSM, catering to a broad spectrum of applications and end-user industries. This product flexibility allows the

Company to serve various market segments, including packaging, industrial wrapping, e-commerce, and retail sectors.

During FY 2024–25, the Company successfully sold its entire production output without any difficulty, reflecting the consistent demand for its products and the reliability of its supply chain. The strong product quality, customer trust, and responsiveness to market requirements have contributed to the Company's sustained performance in a competitive market environment.

REVIEW OF PERFORMANCE

During the financial year 2024–25, the Company achieved Sales and Other Operating Income of ₹ 4285.71 lakhs. This reflects stable performance in a competitive and evolving market environment. The management remains focused on enhancing operational efficiency, optimizing capacity utilization, and responding proactively to market trends to improve the overall financial and operational performance in the forthcoming periods.

The Company successfully met market demand and was able to sell its entire output without difficulty, indicating healthy demand for its Kraft paper products and a strong relationship with its distribution network and end-users.

STRATEGIES

To maintain its competitive edge and respond to dynamic market conditions, the Company continues to implement the following strategic initiatives:

- **Quality Enhancement:** The Company remains committed to consistently improving the quality of its Kraft paper to align with evolving customer requirements and industry standards. Enhanced quality has been a key factor in strengthening customer loyalty and expanding the customer base.
- **Technology Upgradation:** The Company is progressively adopting latest technologies to manufacture various grades of Kraft paper more efficiently and sustainably. Investments in machinery and process optimization are aimed at improving product consistency, reducing waste, and increasing productivity.

- **Customer-Centric Approach:** By delivering high-quality Kraft paper and ensuring timely fulfillment of orders, the Company has seen a steady increase in its customer base. Customer satisfaction continues to be a central focus of the Company's growth strategy.

Looking ahead, the Company will continue to explore new market segments, focus on sustainability, and enhance operational capabilities to drive growth and value creation for all stakeholders..

OUTLOOK, RISK AND CONCERN MANAGEMENT PERCEIVES

The paper industry is inherently cyclical and closely linked to global demand-supply dynamics of pulp, wastepaper, and finished paper products. Global price fluctuations, input costs, and trade policies significantly influence industry performance. Despite these inherent volatilities, the outlook for the Indian paper industry remains positive, driven by increasing demand for sustainable packaging, growth in the FMCG and e-commerce sectors, and rising environmental consciousness favoring paper over plastic.

In this favorable environment, the Company is well-positioned to leverage emerging opportunities and respond effectively to evolving market needs. With an emphasis on quality, operational efficiency, and customer engagement, the Company is geared to meet future challenges and expand its market presence.

However, certain risks and concerns remain:

- **Raw Material Availability and Cost:** The Company's operations are dependent on the continuous supply of quality wastepaper and other raw materials. Volatility in raw material prices, especially due to rising demand and competition among paper mills, may impact production costs and margins.
- **Competitive Pressure:** Increased competition within the domestic paper industry, along with cheaper imports, poses pricing pressures that can affect profitability.
- **Environmental Regulations:** The paper industry is subject to stringent

environmental norms. Ensuring compliance with evolving regulations may require additional investment in sustainability and pollution control infrastructure.

- **Energy and Input Costs:** Rising power, fuel, and logistics costs remain a concern, particularly for energy-intensive operations like paper manufacturing.

In light of these challenges, the Company continues to monitor risks proactively, diversify sourcing strategies, invest in technology upgrades, and strengthen cost control mechanisms to maintain operational resilience and long-term sustainability.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has in place an adequate internal control system, commensurate with the nature and size of its operations, to ensure the safeguarding of assets, prevention and detection of fraud and errors, and reliable financial reporting.

All transactions are properly authorized, documented, recorded, and reported to the management in accordance with established policies and procedures. The Company adheres to all applicable Accounting Standards and regulatory requirements to ensure accuracy and transparency in the preparation and presentation of its financial statements.

The internal control system is periodically reviewed and enhanced to align with best industry practices and regulatory expectations, thereby ensuring the Company's operations remain robust, compliant, and risk-resilient.

HUMAN RESOURCE DEVELOPMENT/ INDUSTRIAL RELATIONS

The Company continues to uphold fair and transparent human resource practices, providing equal opportunity to all employees regardless of background. The Company's HR policy emphasizes on-the-job training, performance-based remuneration, talent retention, and initiatives aimed at promoting work-life balance. Employees are encouraged to take ownership, demonstrate a proactive attitude, and embrace challenges—fostering a culture of accountability and continuous improvement.

Recognizing the importance of skill

development, the Company has implemented a structured program to upgrade the skills of its workforce with the objective of manpower rationalization and productivity enhancement. Regular training programs are conducted to equip employees with updated technical and operational competencies aligned with industry standards.

The Company values open and transparent communication and maintains continuous interaction between management and employees, promoting a collaborative and supportive work environment.

As of March 31, 2025, the total number of employees stood at 49

The Company remains committed to nurturing human capital as a strategic asset, ensuring

that its workforce remains competent, motivated, and aligned with its long-term goals.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE.

Financial performance with respect to operational performance is explained in detail in the beginning of the Directors' Report. The management is making continuous efforts to improve its financial and operational performance.

There were significant changes in the following ratios (i.e. change of 25% or more as compared to the previous financial year) during the financial year 2024-25 compared to immediately previous financial year.

INDEPENDENT AUDITOR'S REPORT

TO MEMBERS OF KAY POWER AND PAPER LIMITED

REPORT ON AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

We have audited the standalone financial statements of Kay Power and Paper Limited ("the Company"), which comprise the balance sheet as at 31st March 2025, and the statement of Profit and Loss, Statement of changes in equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our

professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report

OTHER INFORMATION

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors Report to the members and Annexures thereto, Report on Corporate Governance, Management Discussion and Analysis, but does not include the Standalone Financial Statements and our auditor's report thereon. Our opinion on Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial statements or our knowledge obtained in the audit or otherwise appear to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting

records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying

transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A, statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act except Ind AS 19 regarding 'Employee Benefits' on account of non-provision for liability towards post-employment defined benefit plans like gratuity payable to employees as described in the Note 2(k) of Notes to accounts.
 - (e) On the basis of written representations received from the directors as on March 31, 2025 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of sub-section (2) of Section 164 of the Companies Act, 2013
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B;
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and
 - (h) With respect to the other matters to be included in the Auditor's Report in

accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company did not have any pending litigation as on March 31, 2025 having material impact on its financial position.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as on March 31, 2025.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended on March 31, 2025.
- iv. a. The management has represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("intermediaries") with the understanding whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security, or the like on behalf of the Ultimate Beneficiaries.
- b. The management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any person or entity including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall,

whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries,

- c. Based on such audit procedures considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (iv)(a) and (iv)(b) above contain any material misstatement.
- v. There are no events of dividend declared and paid by the Company during the year until the date of this report, hence compliance with provisions of section 123 of the Companies Act, 2013 is not required.
- vi. Based on the information and explanations given to us and based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which does not have a working feature of recording audit trail (edit log) facility. We report that during the course of our audit we found that the audit trail has not been preserved by the company.

Annexure - B to the Auditors' Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Kay Power and Paper Limited ("the Company") as of 31 March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and

plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3)

provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of

collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES

1. Corporate Information

Kay Power and Paper limited, registered under the Companies Act 1956/2013 and having its registered office at Gat No. 454/457, Village Borgaon Satara-415519., mainly belongs to Paper Industry and operates in manufacturing of Kraft paper in various category. The Company's manufacturing facilities is located at Village Borgaon, Satara.

The Company is public limited company and is listed on the Bombay Stock Exchange (BSE)

2. Summary of Material Accounting Policies

a. Basis of preparation

Statement of Compliance

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016, as amended from time to time.

Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is

recognised prospectively in current and future periods.

Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest Lakhs (up to two decimals).

b. Critical accounting estimates and management judgments

In application of the accounting policies, which are described in note 2, the management of the Company is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and assumptions are based on historical experience and other factors that are considered to be relevant.

- c.** Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either, in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the standalone

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities;

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable;

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

d. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within the operating cycle or twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within the operating cycle or twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle of the Company is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. The Company's normal operating is assumed to be twelve months.

e. Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks

The specific recognition criteria described below must also be met before revenue is recognised.

Sale of goods:

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns. GST tax is excluded from revenue.

Interest income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable. Interest income is included in other income in the statement of profit and loss.

f. Government Grant

Grants from the government are recognised at their fair value where there is a reasonable

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

assurance that the grant will be received and the Company will comply with all attached conditions. Government grants relating to income are deferred and recognised in the Statement of Profit and Loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

g. Property, plant and equipment

Property, plant and equipment, Capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the property, plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the property, plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in statement of profit or loss as incurred. No decommissioning liabilities are expected or be incurred on the assets of plant and equipment.

Depreciation on Fixed Assets has been provided at the useful lives provided in Schedule II to the Companies Act, 2013 for SLM method on the original cost of the assets. No depreciation on remaining assets of Power Division is charged as power division was not functional and assets in power division remained idle for the whole year. Depreciation on Fixed Assets of Paper Division is charged for the whole year. Depreciation on addition to Fixed Assets is charged on pro-rata basis from date on which asset is put to use.

Computer software

Costs associated with maintaining software

programmes are recognised as an expense as incurred. Separately acquired software are recorded as intangible assets and amortised from the point at which the asset is available for use. Useful life of computer software is estimated at 3 years.

h. Inventory

Inventory comprises of stock of raw material, completed products for sale and work-in-progress. Inventory is valued at cost or net realizable value whichever is lower.

i. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds.

j. Taxes

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss of the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rate enacted or substantially enacted at the reporting date.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognised for deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent that it is probable that taxable profit will be available against which those can be utilised. The deferred tax assets are not recognized in the year as there is lack of reasonable certainty that sufficient taxable

**NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025**

profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognised deferred tax assets are re-assessed at each reporting date and will be recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

k. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

l. Provisions and Contingent liability

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed in the Notes. Contingent liabilities are disclosed for

- i. possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- ii. present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

m. Employee benefits**Short-term obligations**

Short-term employee benefits are expensed as the related service is provided. Liabilities for wages and salaries, including non-monetary

benefits that are expected to be settled wholly within one year after the end of the period in which the employees render the related service are the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Post-employment obligations

The Company operates the following post-employment schemes:

- i. defined benefit plans such as gratuity and
- ii. defined contribution plans such as provident fund

Defined benefit plans

The liability for defined benefit obligation towards gratuity is recognised in the year of payment and in view of the heavy accumulated losses and due to the small eligible staff strength, no actuarial working is taken to avoid extra expenditure for it. The liability or asset in respect of defined benefit gratuity plans is not recognised in the balance sheet.

Defined contribution plans

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

n. Financial instruments**Financial assets****Initial recognition and measurement**

All financial assets are recognised initially at fair value.

The classification depends on the Company's business model for managing the financial asset and the contractual terms of the cash flows. The Company classifies its financial assets in the

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025

following measurement categories:

- i. those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss),
- ii. those measured at amortised cost, and

Subsequent measurement

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. All other financial assets are measured at amortised cost, using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss.

Impairment of financial assets

The Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss financial assets that are not fair valued.

The Company follows 'simplified approach' for recognition of impairment loss for trade receivables and lease receivables resulting from transactions within the scope of Ind AS 17 that have no significant financing component. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL.

The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized, is recognized under the head 'other expenses' in the statement of profit and loss. The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

De-recognition of financial assets

The Company derecognizes a financial asset when –

- i. the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under IND AS 109.
- ii. it retains contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay the cash flows to one or more recipients.

When the entity has neither transferred a financial asset nor retained substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to extent of continuing involvement in the financial asset.

Financial liabilities

Initial recognition

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

The subsequent measurement of financial liabilities depends on their classification, as described below:

Trade and other payables

These amounts represent liabilities for goods

**NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025**

and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within one year after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

Borrowings are classified as current liabilities unless the group has an unconditional right to defer settlement of the liability for at least one year after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability

becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

o. Earnings per share

The basic earnings per share is computed by dividing the net profit for the year attributable equity shareholders by the weighted average number of equity shares outstanding during the period. The Company does not have any potential equity share or warrant outstanding for the periods reported, hence diluted earnings per share is same as basic earnings per share of the Company.

p. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Board of Directors of the Company, assesses the financial performance and position of the Company, and makes strategic decisions. The Board of Directors is therefore considered to be the chief operating decision maker.

q. Critical estimated and judgements**i Impairment of Trade receivables**

The Company estimates the uncollectability of accounts receivable by analyzing historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

ii Income Taxes

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

NOTE NO. 29 (v) Key Financial Ratios

Rs. In Lakhs

Particulars	Unit of Measurement	March 31, 2025	March 31, 2024	Variation in %
Current Ratio	In multiples	0.78	1.22	-36%
Debt Equity Ratio	In multiples	0.017	7.86	-100%
Return of Equity Ratio	In %	4.21%	55.36%	-92%
Inventory Turnover Ratio	In days	20	27	-25%
Trade receivables Turnover Ratio	In days	37	25	48%
Trade Payables Turnover Ratio	In days	94	82	15%
Net Profit Ratio	In %	2.63%	3.89%	-32%
Return on Capital Employed	In %	2.74%	4.76%	-42%
Return on Investment	In %	2.31%	3.74%	-38%

Formula adopted for above ratios

Current Ratio = Current Assets/(Total Current Liabilities- Security Deposits payable on Demand- Current Liabilities of Long Term Debt)

Debt Equity Ratio = Total Debt/ Total Equity

Return of Equity Ratio= Total Comprehensive Income/ Average Total Equity

Inventory Turnover Ratio= 365/(Net Revenue/Average Inventories)

Trade Receivables Turnover Ratio= 365/(Net Revenue/Average Trade Receivables)

Trade Payables Turnover Ratio= 365/(Net Purchase/Average Trade Payables)

Net Profit Ratio = Net Profit/ Total Income

Return on Capital Employed = (Total Comprehensive Income + Interest)/ (Average of Equity + Debt)

Return on Investment = Total Comprehensive Income/ Average Total Assets

Reasons for variation if more than 25%

- **Current Ratio** :- Current ratio for current year has become was adverse due to large amount of Trade Payables towards capital expenditure during the year.

- **Debt Equity Ratio** :- Debt Equity ratio is improved in the year under consideration due to increase in equity on account of internal accruals and decrease in outside debts.

- **Return of Equity Ratio** :- Even though Net comprehensive income is decrease by small margin during the year under consideration, return on equity ratio decreased due to large increase in equity share capital and share premium.

- **Inventory Turnover Ratio** :- Increase in the net revenue and reduction in inventory value during the year under consideration has caused lower days of Inventory turnover .

- **Trade Receivables Ratio** :- Increase in the net revenue and and higher amount of trade receivables during the year under consideration has caused increase in days of Trade Receivables turnover .

- **Net Profit Ratio** :- A small increase in material cost as compared to previous year coupled with higher employee benefit cost has caused net profit ratio to decrease by 1.26%.

- **Return on Capital Employed** :- Large increase in Equity Share Capital during the year has caused fall of 2% in ratio of return on capital employed during the year under consideration.

- **Return on Investment** : Return on investment ratio is decreased by 1.43% on account of decrease in total

NOTE 30(i): FINANCIAL RISK MANAGEMENT

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company has constituted a Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

a. MANAGEMENT OF CREDIT RISK

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations and arises principally from the company's receivables from customers

i) Trade receivables:-

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to Rs. 518.03 and Rs. 292.80 lakhs as of 31st March 2025 and 31st March 2024, respectively. Trade receivables are typically unsecured and are derived from revenue earned from customers located in India. Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The company have stop supply mechanism in place in case outstanding goes beyond agreed limits. Based on prior experience and an assessment of the current economic environment, management believes there is no further credit risk provision required.

Others	493.89	268.66

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025**ib. Other financial assets:-**

Credit risk on cash and cash equivalents is limited as the company generally invests in deposits with banks and financial institutions with good reputation. The Company's maximum exposure to credit risk is the carrying value of each class of financial assets.

b. MANAGEMENT OF LIQUIDITY RISK

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses or risking damage to company's reputation. In doing this, management considers both normal and stressed conditions. Management monitors the rolling forecast of the company's liquidity position on the basis of expected cash flows. This monitoring includes financial ratios and takes into account the accessibility of cash and cash equivalents.

The company has access to funds from debt markets through loan from banks. The company invests its surplus funds in bank deposits.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance Sheet date.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2025**c. MANAGEMENT OF MARKET RISK:**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of fluctuation in market prices. These comprise three types of risk i.e. currency rate, interest rate and other price related risks. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and derivative financial instruments. Regular interaction with bankers, intermediaries and the market participants help us to mitigate such risk.

i) Foreign currency risk

The company makes payment in foreign currency for material imported. The transactions in foreign currency constitute very small proportion of total transaction. Hence, foreign exchange risk is not material market risk to the Company. During the period under audit or in comparative period presented the company has not made any derivative financial instruments related transaction to cover foreign exchange risk or otherwise.

The company did not have any unhedged foreign currency exposure as on 31/03/2025 or any other earlier two preceding years.

ii) Interest rate risk exposure

Interest rate risk is the risk that the fair value or future cash flows on a financial instrument will fluctuate because of changes in market interest rates. The management is responsible for the monitoring of the company's interest rate position. Various variables are considered by the management in structuring the company's investment to achieve a reasonable competitive cost of funding. Only interest bearing loan outstanding is small amount of loan against vehicle bearing fixed interest. The company has not borrowed any other funds bearing interest.

NOTE 30 (ii): CAPITAL MANAGEMENT**(a) Risk management**

The Company's capital comprises equity share capital, share premium, retained earnings attributable to equity holders.

The Company's objectives when managing capital are to safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders and maintain an optimal capital structure to reduce the cost of capital.

The company had incurred heavy loss in past resulting in complete erosion of its net worth. Net worth has turned positive from year ended on 31/03/2018. But the company is not yet in position to pay dividend to share holder.

AUDITORS' REPORT**TO MEMBERS OF KAY POWER AND PAPER LIMITED****REPORT ON AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS**

We have audited the consolidated financial statements of Kay Power and Paper Limited ("the Holding Company") and its subsidiary Satara Aerospace and Defence Industrial Park Private Limited (Holding Company and its subsidiary together referred to as "the Group"), which comprise the consolidated balance sheet as at 31st March 2025, consolidated statement of Profit and Loss, consolidated Statement of changes in equity and consolidated Statement of Cash Flows for the year then ended, and notes to consolidated financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2025, and its consolidated profit, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our

professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

OTHER INFORMATION

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the Consolidated Financial Statements and our auditor's report thereon. Our opinion on Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial statements or our knowledge obtained in the audit or otherwise appear to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments

and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management of the holding Company and of its subsidiaries included in the Group is responsible for assessing each Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective management and Board of Directors of the Company and of its subsidiaries included in the Group are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting in preparation of Consolidated Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Group (Holding Company and Subsidiary) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of consolidated financial statements, including the disclosures, and whether consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities on business activities within the Group to express an opinion on the Consolidated Financial Statements, of which we are the independent auditors. We are responsible for the direction, supervision and performance of the audit of financial information of companies included in the Consolidated Financial

Statements of which we are the independent auditors. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of Holding Company and other company included in the Group regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, to report on matters specified in paragraphs 3 and 4 of the Order to the extent applicable, we report that there have not been any qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order (CARO) reports of the companies included in these consolidated

financial statements.

2. As required by Section 143(3) of the Act, we report to the extent applicable, that:
 - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid Consolidated Financial Statements;
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept by the Company so far as appears from our examination of those books;
 - (c) The Consolidated Balance Sheet, Consolidated Statement of Profit and Loss, Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements
 - (d) In our opinion, consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act except Ind AS 19 regarding 'Employee Benefits' on account of non-provision for liability towards post-employment defined benefit plans like gratuity payable to employees as described in the Note 2(k) of Notes to accounts of Holding company.
 - (e) On the basis of written representations received from the directors of holding company as on March 31, 2025 and taken on record by the Board of Directors of holding company, none of the directors of group companies is disqualified as on March 31, 2025 from being appointed as a director in terms of sub-section (2) of Section 164 of the Companies Act, 2013
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies and the operating effectiveness of such controls, refer to our separate report in Annexure A;
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of

section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company and Subsidiary to its directors during the year is in accordance with the provisions of section 197 of the Act; and

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Holding Company and Subsidiary did not have any pending litigation as on March 31, 2025 having material impact on its financial position.
- ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as on March 31, 2025.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and Subsidiary during the year ended on March 31, 2025.
- iv.
 - a. The management has represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the group to or in any other person or entity, including foreign entities ("intermediaries") with the understanding whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the group ("Ultimate Beneficiaries") or provide any guarantee, security, or the like on behalf of the Ultimate Beneficiaries.
 - b. The management has represented

that, to the best of its knowledge and belief, no funds have been received by the group from any person or entity including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries,

- c. Based on such audit procedures considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (iv)(a) and (iv)(b) above contain any material misstatement.
- v. There are no events of dividend declared and paid by the Holding Company and Subsidiary during the year until the date of this report, hence compliance with provisions of section 123 of the Companies Act, 2013 is not required.
- vi. Based on the information and explanations given to us and based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which does not have a working feature of recording audit trail (edit log) facility. We report that during the course of our audit we found that the audit trail has not been preserved by the company.

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Kay Power and Paper Limited ('the Holding Company') as of and for the year ended 31st March 2025, we have audited the internal financial controls over financial reporting of the Holding Company and its subsidiary companies incorporate in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with

ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to Consolidated Financial Statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation

of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and Subsidiary have, in all material respects, adequate internal financial controls system with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements reporting were operating effectively as at 31 March, 2025 based on the internal control with reference to Consolidated Financial Statements criteria established by such companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2. Summary of Material Accounting Policies

a. Basis of preparation

Statement of Compliance

The Consolidated Financial Statements ("the financial statements") relate to the Company and its subsidiary (collectively "the group"). The Consolidated Financial Statements of the Group are prepared in accordance with the Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis. The Ind AS are prescribed under section 133 of the Companies Act, 2013, and the relevant provisions thereof. The financial statements of the subsidiary company used in the preparation of the Consolidated financial statements have been drawn upto the same report date as that of the parent Company. Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting

policy hitherto in use. The Group has prepared these Consolidated Financial Statements as per the format prescribed in Schedule III to the Companies Act, 2013.

The holding and subsidiary companies must follow uniform accounting policies for like transactions and other events in similar circumstances.

b) Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in current and future periods.

Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest Lakhs (up to two decimals).

c) Inter-company Transactions

All intra-group balances and transactions are eliminated in full during consolidation.

d) Investments.

Investment in the subsidiary in the books of the holding company is eliminated against the parent's share in the net assets of the subsidiary.

e) Critical accounting estimates and management judgments.

In application of the accounting policies, which are described in note 2, the management of the Company is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2025

estimates and assumptions are based on historical experience and other factors that are considered to be relevant.

- f) Fair value is the price that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either, in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities;

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable;

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

g) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in the normal

operating cycle;

- Held primarily for the purpose of trading;
- Expected to be realised within the operating cycle or twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within the operating cycle or twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle of the Company is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. The Company's normal operating is assumed to be twelve months.

h) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2025

The specific recognition criteria described below must also be met before revenue is recognised.

Sale of goods:

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns.

GST tax is excluded from revenue.

Interest income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable. Interest income is included in other income in the statement of profit and loss.

i) Government Grant

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions. Government grants relating to income are deferred and recognised in the Statement of Profit and Loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

j) Property, plant and equipment

Property, plant and equipment, Capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the property, plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the property, plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in statement of profit or

loss as incurred. No decommissioning liabilities are expected or be incurred on the assets of plant and equipment.

Depreciation on Fixed Assets has been provided at the useful lives provided in Schedule II to the Companies Act, 2013 for SLM method on the original cost of the assets. No depreciation on remaining assets of Power Division is charged as power division was not functional and assets in power division remained idle for the whole year. Depreciation on Fixed Assets of Paper Division is charged for the whole year. Depreciation on addition to Fixed Assets is charged on pro-rata basis from date on which asset is put to use.

Policies must be consistent across both companies.

Intangible Assets

Computer software

Costs associated with maintaining software programmes are recognised as an expense as incurred. Separately acquired software are recorded as intangible assets and amortised from the point at which the asset is available for use. Useful life of computer software is estimated at 3 years.

k) Inventory

Inventory comprises of stock of raw material, completed products for sale and work-in-progress. Inventory is valued at cost or net realizable value whichever is lower.

l) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds.

m) Taxes

Current tax

Current tax comprises the expected tax payable

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2025**

or receivable on the taxable income or loss of the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rate enacted or substantially enacted at the reporting date.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognised for deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent that it is probable that taxable profit will be available against which those can be utilised. The deferred tax assets are not recognized in the year as there is lack of reasonable certainty that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognised deferred tax assets are re-assessed at each reporting date and will be recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

n) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

o) Provisions and Contingent liability

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed in the Notes. Contingent liabilities are disclosed for

- i. possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- ii. present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

p. Employee benefitsShort-term obligations

Short-term employee benefits are expensed as the related service is provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within one year after the end of the period in which the employees render the related service are the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Post-employment obligations

The Company operates the following post-employment schemes:

- i. defined benefit plans such as gratuity and
- ii. defined contribution plans such as provident fund

Defined benefit plans

The liability for defined benefit obligation towards gratuity is recognised in the year of payment and in view of the heavy accumulated losses and due to the small eligible staff strength, no actuarial working is taken to avoid extra expenditure for it. The liability or asset in respect of defined benefit gratuity plans is not recognised in the balance sheet.

Defined contribution plans

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2025

employee benefit expense when they are due.

q. Financial instruments

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value.

The classification depends on the Company's business model for managing the financial asset and the contractual terms of the cash flows. The Company classifies its financial assets in the following measurement categories:

- i. those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss),
- ii. those measured at amortised cost, and

Subsequent measurement

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. All other financial assets are measured at amortised cost, using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss.

Impairment of financial assets

The Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss financial assets that are not fair valued.

The Company follows 'simplified approach' for recognition of impairment loss for trade receivables and lease receivables resulting from transactions within the scope of Ind AS 17 that have no significant financing component. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment

loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL.

The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized, is recognized under the head 'other expenses' in the statement of profit and loss. The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

De-recognition of financial assets

The Company derecognizes a financial asset when –

- i. the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under IND AS 109.
- ii. it retains contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay the cash flows to one or more recipients.

When the entity has neither transferred a financial asset nor retained substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to extent of continuing involvement in the financial asset.

Financial liabilities

Initial recognition

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2025**Subsequent measurement

The subsequent measurement of financial liabilities depends on their classification, as described below:

Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within one year after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

Borrowings are classified as current liabilities unless the group has an unconditional right to defer settlement of the liability for at least one year after the reporting period. Where there is

a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

r. Earnings per share

The basic earnings per share is computed by dividing the net profit for the year attributable equity shareholders by the weighted average number of equity shares outstanding during the period. The Company does not have any potential equity share or warrant outstanding for the periods reported, hence diluted earnings per share is same as basic earnings per share of the Company.

s. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Board of Directors of the Company, assesses the financial performance and position of the Company, and makes strategic decisions. The Board of Directors is therefore considered to be the chief operating decision maker.

t. Critical estimated and judgements**i Impairment of Trade receivables**

The Company estimates the un-collectability of accounts receivable by analyzing historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

ii Income Taxes

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

- i) This section explains the judgements and estimates made in determining the fair values of the financial instruments that are recognized and measured at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2025

The following table provides the fair value measurement hierarchy of the company's financial assets and liabilities that are measured at fair value or where the fair value disclosure is required.

Financial Assets and Liabilities measured at fair value - recurring fair value measurement at 31st March, 2025	Notes	Level 1	Level 2	Level 3	total
Financial Assets					
Financial Investment at FVPL					
Equity Instruments				0.32	0.32
Total Financial Assets				0.32	0.32
Financial Liabilities		0	0	0	0
Total Financial Liability		0	0	0	0

Level- 3 If one or more of the significant is no based on observable data. The instrument is included in level three. This is the case for unlisted equity securities.

(ii) Valuation technique used to determine fair value

The following methods and assumptions were used to estimate the fair value of the level 3 financial instruments included in the above tables:

The investment in unquoted equity instrument represents investment in equity shares of Ambala Cements Ltd and National General Industries Ltd. The fair value arrived at is after taking into account the relevant financial indicators of the respective companies.

(iii) As per Ind AS 107 "Financial Instrument: Disclosure", fair value disclosures are not required when the carrying amounts reasonably approximate the fair value. Accordingly fair value disclosures have not been made for the following financial instruments:-

1. Trade receivables
2. Cash and cash equivalent
3. Other bank balances
4. Security deposits
5. Borrowings
6. Trade payables
7. Employee dues
8. Other payables

NOTE 30(i): FINANCIAL RISK MANAGEMENT

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company has constituted

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2025**

a Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

a. MANAGEMENT OF CREDIT RISK

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations and arises principally from the company's receivables from customers

i) Trade receivables:-

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to Rs. 518.03 as of 31st March 2025. Trade receivables are typically unsecured and are derived from revenue earned from customers located in India. Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The company have stop supply mechanism in place in case outstanding goes beyond agreed limits. Based on prior experience and an assessment of the current economic environment, management believes there is no further credit risk provision required.

i a. Ageing Analysis of Trade Receivables

Rs. In Lakhs

Particulars	31/03/2025
More Than 6 months	24.14
Others	493.89

ib. Other financial assets:-

Credit risk on cash and cash equivalents is limited as the company generally invests in deposits with banks and financial institutions with good reputation. The Company's maximum exposure to credit risk is the carrying value of each class of financial assets.

b. MANAGEMENT OF LIQUIDITY RISK

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses or risking damage to company's reputation. In doing this, management considers both normal and stressed conditions. Management monitors the rolling forecast of the company's liquidity position on the basis of expected cash flows. This monitoring includes financial ratios and takes into account the accessibility of cash and cash equivalents.

The company has access to funds from debt markets through loan from banks. The company invests its surplus funds in bank deposits.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance Sheet date.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2025

Particulars	Contractual Cash Flows As on 31/03/2025 Rs. In Lakhs				
	Carrying Value	Total	Within 12 months	1-5 Years	More than 5 Years

Trade Payables	1144.16	1144.16	1144.16		
Other Current Liabilities	11.97	11.97	11.97		

* Borrowing includes Inter-Corporate deposits. Repayment period of ICDs is not stipulated but it is assumed that they will be repaid over a period of five years.

c. MANAGEMENT OF MARKET RISK:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of fluctuation in market prices. These comprise three types of risk i.e. currency rate, interest rate and other price-related risks. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and derivative financial instruments. Regular interaction with bankers, intermediaries and the market participants help us to mitigate such risk.

i) Foreign currency risk

The company makes payment in foreign currency for imported materials. The transactions in foreign currency constitute very small proportion of total transaction. Hence, foreign exchange risk is not material market risk to the Company. During the period under audit or in comparative period presented the company has not made any derivative financial instruments related transaction to cover foreign exchange risk or otherwise.

The company did not have any unhedged foreign currency exposure as on 31/03/2025 or any other earlier two preceding years.

ii) Interest rate risk exposure

Interest rate risk is the risk that the fair value or future cash flows on a financial instrument will fluctuate because of changes in market interest rates. The management is responsible for the monitoring of the company's interest rate position. Various variables are considered by the management in structuring the company's investment to achieve a reasonable competitive cost of funding. Only interest bearing loan outstanding is small amount of loan against vehicle bearing fixed interest. The company has not borrowed any other funds bearing interest.

NOTE 30 (ii): CAPITAL MANAGEMENT

(a) Risk management

The Company's capital comprises equity share capital, share premium, retained earnings attributable to equity holders.

The Company's objectives when managing capital are to safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2025**

for other stakeholders and maintain an optimal capital structure to reduce the cost of capital.

The company had incurred heavy loss in past resulting in complete erosion of its net worth. Net worth has turned positive from year ended on 31/03/2018. But the company is not yet in position to pay dividend to share holder.
