### Chairman's Message

Dear Shareholders,

It gives me immense pride and joy to address you at a time when our Company has embarked upon a renewed journey after a prolonged period of inactivity. Restarting operations after several years was not an easy task. It required resilience, conviction, and above all, the unwavering trust of our stakeholders. Today, I am delighted to share that the Company has not only re-commenced its business successfully but is also demonstrating strong and promising performance across its operations.

This progress would not have been possible without your confidence and continuous support. I wish to express my heartfelt gratitude to our shareholders, employees, business partners, regulators, and all those who stood by us during challenging times. Your faith in our vision has been the driving force behind our revival.

While we take pride in what has been achieved in this short span, we are equally conscious that this is only the beginning. The markets we serve are dynamic, competitive, and full of opportunities. We are committed to strengthening our business fundamentals, expanding our operational capacities, and continuously innovating to create long-term and sustainable value.

Our immediate focus will remain on consolidating the gains we have made, improving efficiencies, and ensuring compliance with the highest standards of corporate governance. At the same time, we are exploring new opportunities that will further enhance our growth trajectory in the coming years.

As we move forward, I assure you that the Board and the management team remain fully dedicated to ensuring that your Company not only delivers consistent financial performance but also builds a reputation for integrity, responsibility, and excellence.

On behalf of the Board of Directors, I once again thank you for your trust and support. Together, we have revived our Company's journey, and together, we will script its future success.

With warm regards, Sanjeev Bansal Chairman

#### THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING:

- Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- a. The voting period begins on Saturday 27<sup>th</sup> August, 2025 at 09:00 AM and ends on Monday 29<sup>th</sup> August, 2025 at 05:00 PM. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Tuesday 23<sup>rd</sup> August, 2025 may cast their vote electronically. The evoting module shall be disabled by CDSL for voting thereafter.
- b. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting
- c. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- d. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting for **Individual shareholders holding securities** in **Demat mode CDSL/NSDL** is given below:

| Type of shareholders  | Login Method  |  |  |  |
|---|---|--|--|--|
| Individual Shareholders holding securities in Demat mode with CDSL Depository | 1) Users who have opted for CDSL Easi / Easiest facility, can login through th existing user id and password. Explanatory Statements pursuant to Section 102 of the Companies Act, 2013 relating to the Special Businesses set out in the accompanying Notice;

ITEM NO.4: To appoint M/s. Rajeev Bhambri & Associates, Company Secretaries a Peer Reviewed Firm in Practice, as the Secretarial Auditors of the Company, to hold office for the term of 5 (Five) consecutive years effective from FY 2025-26 to FY 2029-30.

In Terms of recent amendment in Regulation 24A of SEBI Listing Regulations, the Company is required to appoint a Secretarial Auditor for a term of 5 (five) consecutive years with the approval of its shareholders in the AGM. Taking into accounts eligibility, qualification, independence, experience, competency of the audit team, efficiency in conduct of

audit, etc., the Board of Directors of the Company has, based on the recommendation of the Audit Committee, appointed M/s. Rajeev Bhambri & Associates, a peer reviewed firm as the Secretarial Auditor of the Company for a term of five years from the financial year 2025-26 upto the financial year 2029-30.

The Company has received consent cum eligibility certificate from M/s. Rajeev Bhambri & Associates, confirming that the appointment, if made, would be within the limits prescribed by Institute of Company Secretaries of India (ICSI) for maximum number of Secretarial Audits and that they are not disqualified to be appointed as the Secretarial Auditor in terms of the provisions of Regulation 24A of SEBI Listing Regulations. M/s. Rajeev Bhambri & Associates has also provided confirmation that they have subjected themselves to the peer review process of the ICSI and hold a valid certificate issued by the 'Peer Review Board' of the ICSI.

Besides the above audit service, the Company would also avail other services from the auditor as may be approved by the Board from time to time. The following are the details as required under Regulation 36(5) of the SEBI Listing Regulations.

A. Proposed fees payable to the Secretarial Auditors is to be decided by Managing Director time to time exclusive of applicable taxes and reimbursement of out-of-pocket expense on actual basis but excluding other services. Annual increment for subsequent years may be considered by the Board in consultation with the Secretarial Auditor.

B. Term: Five years from FY 2025-26 to FY 2029-30.

C. In case of a new auditor, any material changes in the fee payable to such auditor from that paid to the outgoing auditor along with the rationale for such change: Not applicable

D. Basis of recommendation for appointment: Board is of opinion that M/s. Rajeev Bhambri & Associates a Practicing Company Secretaries Firm is holding professional knowledge and experience in the area of compliance, corporate governance, accounts, finance, audit and the competence of their audit team and they also associated with the company from past several years. The firm has demonstrated efficiency in conducting audits and careful review of documentation. Based on these factors and the Audit Committee's recommendation, the Board recommend their appointment.

The documents related to the said resolution are available for inspection electronically until the last date of remote evoting at the request of the members.

The Board recommends passing of the resolution as an Ordinary Resolution as per item No. 4 of the accompanying notice for approval of the members of the Company.

None of the Directors or Key Managerial Personnel of the Company or their relatives are, concerned or interested financially or otherwise in the said resolution as per item no. 4 of the Notice.

# ITEM NO. 5: Appointment of Smt. Komal Bhalla (DIN 09106916) as a Non- Executive Independent Director of the Company.

The Board of Directors of the Company on the recommendation of Nomination and Remuneration committee at its meeting had approved and appointed Smt. Komal Bhalla as an Independent Director of the Company in accordance with the provision of section 149 of the Companies Act, 2013. The Board of Director of the Company has verified that Smt. Komal Bhalla is not debarred from holding the office of director pursuant to any SEBI order.

Smt. Komal Bhalla has given her consent to act as an Independent Director along with declaration in Form DIR-8 that he is not disqualified from being appointed as an Independent Director under section 164 of the Companies Act, 2013.

### **Brief Profile of Director**

Smt. Komal Bhalla is a working professional and has experience of more than 9 years. She has experience in management and other administrative work. She also has valuable knowledge about The Companies Act, SEBI Regulations and other laws applicable to the company.

Keeping in view this, the Board considered that her association would be of immense benefit to the Company, and it is desirable to avail services of Smt. Komal Bhalla as a Non- Executive Independent Director. Accordingly, the Board

recommends a resolution in relation to the appointment of Smt. Komal Bhalla as a Non- Executive Independent Director, for approval by the shareholders of the Company.

Copy of the draft letter for appointment of Smt. Komal Bhalla as a Non- Executive Independent Director setting out the terms and conditions is available for inspection by members at the Registered Office of the Company.

# MANAGEMENT DISCUSSION AND ANALYSIS

While it has been the practice of the Company to regularly share with Members the developments/information on the Company and the Industry Front. However, this section and format is being offered as part of the Annual Report.

# **OPPORTUNITIES AND STRENGTH**

India is a country with growing population and here the household penetration of soaps is 99%. People belonging to different income levels use different brands, which fall under different segments, but all income levels use soaps, making it the second largest category in India. Rural consumers in India constitute 70% of the population. Rural demand is growing, with more and more soap brands being launched. Thus the soap industry has signs of healthy growth ahead.

The promoters of the company had a strong standing of more than 60 years in the business of Soaps & Detergents manufacturing and has the ability to face any kind of challenges in the said business.

#### **THREATS**

There is lot of competition in the market and popular imported and Indian brands and continuous increases in raw material prices and other costs are main threats. Further there can be risks inherent in meeting unforeseen situation which too are not uncommon in the industry.

# **RISK AND MANAGEMENT PERCEPTION**

The operations of Joint Venture Project may be subject to general business risks and competition in the industry, which can affect the growth of the company. Your company continuously updates its systems and procedures to reduce uncertainties and risks and explore new market to cope with the competition.

#### **OVERVIEW**

Financial Statements of the Company have been prepared in compliance with the requirements of the Companies Act, 2013 and Ind-AS. The management of the Company accepts responsibility for the integrity and objectivity of these financial statements, as well as various estimates and judgments used therein. The estimates and judgments relating to financial statements have been made on a prudent and reasonable basis so that financial statements reflect in a true and fair manner, the form and substance of transactions and reasonably present the company's state of affairs and profit/loss for the year. The predictions and future estimates in any statements given in this report are based on current environment. However, many unforeseen and uncontrollable external factors may alter these predictions.

#### INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has proper and adequate internal control systems to ensure that all financial transactions are authorized and recorded correctly. This system ensures that all assets of the Company are properly protected against loss and put to authorized use only. The Audit Committee meets at regular intervals to review audit observations and implementation of corrective actions and submit reports of its observations to the Board of Directors.

# **HUMAN RESOURCES/INDUSTRIAL RELATIONS**

The relations of Company remained very cordial with staff and other concerned during the year under review but it is very unfortunate that there is no workforce in the company.

#### **OUTLOOK**

The Company has commenced its business operations after acquiring the business from M/s National Soap Mills through a Business Transfer Agreement. Pursuant to this acquisition, the Company has restarted and is now actively carrying on business operations. The Management is confident and hopes to deliver better results and capture emerging market opportunities to further expand the business in the near future.

#### **CAUTIONARY STATEMENT**

Statement in the Management Discussion and Analysis describing Company objectives, expectations, projections, estimates may be "forward looking statements" within the meaning of applicable laws and regulations. Actual position and circumstances may differ. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events.

# CORPORATE GOVERNANCE REPORT

#### 1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERANCE

Corporate Governance refers to a combination of laws, regulations, procedures, implicit rules and good corporate practices which ensure that a Company meets its obligations to optimize shareholders' value and fulfill its responsibilities to the community, customers, employees, Government and other segments of society.

The Principles of Corporate Governance and Code of Business Principles are the cornerstones of your Company. Your Company believes these principles distinguish a well-managed Company from a not so well managed Company. These principles ensure transparency, integrity and accountability which are vital for the long and sustained growth of your Company. Your Company has been practicing these principles long before these were made mandatory for listed Companies.

Your Company's endeavor has always been to engage persons of eminence as independent directors who can contribute to the corporate strategy, provide an external perspective and be a source of challenge and evaluation wherever appropriate. Your Company has the good fortune of having independent directors.

The company had established a code of governance based on transparency and accountability. For PAOS Industries Limited, Good Corporate Governance means adoption of best practices to ensure that the Company operates not only within the regulatory framework, but is also guided by broader business ethics. The adoption of such corporate practices- based on the transparency and proper disclosures – ensures accountability of the persons in charge of the Company and brings benefits to investors, customers, creditors, employees and the society at large.

# 2. BOARD OF DIRECTORS COMPOSITION

During the year, the Company has a strong and broad-based Board consisting of four Directors with adequate blend of professionals, executive, non-executive and independent Directors. The Composition of the Board of Directors comprises of eminent and distinguished personalities, one of which is executive Director (but no remuneration is paid to executive director), one is non-executive director and two are Independent Directors. As mentioned in the Regulation 15 of Chapter IV of SEBI (Listing Obligations and Disclosure Requirements) regulations, 2015, your company's paid up equity share capital was less than Rs.10.00 Crores and Net worth of the company was less than Rs.25 Crores. Therefore, your company fits the criteria mentioned within and therefore, the Regulations [17, 17A, 18, 19, 20, 21,22, 23, 24, 24A, 25, 26, 27] and clauses (b) to (i) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V of SEBI (LODR) Regulations, 2015, by means of exemption provided in Regulation 15(2), are not applicable to your company. As Company followed the voluntary practices to follow and comply with corporate governance throughout the year.

#### Practicing Company Secretary's Certificate on compliance with the conditions of Corporate Governance

To
PAOS Industries Limited,
Village Pawa, G.T. Road, Near Civil Airport,
Ludhiana, Punjab, India, 141120.

I have examined the compliance of conditions of Corporate Governance by PAOS Industries Limited ('the Company'), for the year ended on 31<sup>st</sup> March, 2025, as stipulated in Regulations 17 to 27 and clauses (b) to (i) of sub regulation (2) of regulation 46 and Para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (collectively referred to as "SEBI Listing Regulations, 2015").

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to a review of procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, the provisions of the Corporate Governance as stipulated in the SEBI (LODR) regulations, 2015 were not applicable to the Company, however, I certify that Company has complied with some of its provisions of the conditions of Corporate Governance as stipulated in the SEBI (LODR) regulations, 2015 for the year ended on March 31, 2025.

I further state that this certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

# **Independent Auditor's Report on Standalone Financial Statements**

# To The Members of PAOS Industries Limited

# **Report on the Audit of the Standalone Financial Statements**

We have audited the accompanying standalone financial statements of PAOS Industries Limited ("the Company") which comprise the Balance Sheet as at 31st March 2025, the statement of Profit and Loss (including Other Comprehensive Income), the statement of changes in Equity and the Statement of Cash Flows Statement for the year ended on that date and a summary of significant accounting policies and other explanatory information, (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

# **Basis for opinion**

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there-under, and we have fulfilled our other ethical responsibilities

in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

# **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. We have determined the following key audit matter to communicate in our report.

#### 1. Acquisition of Business Transfer Agreement (BTA):

The company has entered into Business transfer agreement dated 16<sup>th</sup> July, 2024 to acquire the running business of M/s National Soap Mills (a partnership firm in which the directors of the company are partners) for a consideration discharged through the issue of 8% Non-Convertible Debentures, redeemable after 10 years from the date of issue.

Audit Procedure: Our audit procedures included, but were not limited to, verifying the accounting treatment of this transaction in accordance with the provisions of Ind AS 103 (Business Combinations) and Ind AS 109 (Financial Instruments).

# Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholders' Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

# Management's Responsibilities for the Standalone Financial Statements

The accompanying standalone financial statements have been approved by Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes:

- maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities;
- selection and application of appropriate accounting policies;
- making judgments and estimates that are reasonable and prudent;
- the design, implementation and maintenance of adequate internal financial controls, that were operating
  effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and
  presentation of the standalone financial statements that give a true and fair view and are free from material
  misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

# Auditors' Responsibility for the Audit of Standalone Financial Statements:

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our

opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

# ANNEXURE - "A" TO THE INDEPENDENT AUDITORS REPORT ON STANDALONE FINANCIAL STATEMENTS

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of the members of PAOD Industries Limited of even date)

To the best of our information and according to the explanation given to us by the company and the books of account and records examined by us in the normal course of audit, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of its property, plant and equipment, capital work-in-progress and relevant details of right-of-use assets.
- (b) The Company does not hold any intangible assets as at the balance sheet date. Accordingly, the reporting under this clause is not applicable.
- (c) As explained to us, all property, plant and equipment have been physically verified by the management once in a year. In our opinion, the frequency of verification is reasonable considering the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (d) According to the information and explanations given to us and based on our examination of the relevant records, the immovable property used by the Company is held under lease, and the lease deed is duly executed in the name of the Company.
- (e) The Company has not revalued its property, plant and equipment (including right-of-use assets) during the year.
- (f) Based on the information and explanations given to us and on the basis of our examination of the records, no proceedings have been initiated or are pending against the Company under the Prohibition of Benami Property Transactions Act, 1988 (as amended), and the rules made thereunder.
- (ii) (a) As explained to us, the inventories were physically verified by the management at reasonable intervals during the year. In our opinion, the coverage and procedure of such verification by the management is appropriate. No material discrepancies (i.e., 10% or more in the aggregate for each class of inventory) were noticed during such verification.
- (b) According to the information and explanations given to us and based on our examination of the records, the Company has been sanctioned working capital limits in excess of ₹5 crores in aggregate from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company, except for the following discrepancies.

| Quarter |                     |             |               | Amount        |                | Whether      |

- (iii) During the year, the company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Therefore, the provisions of clause 3(iii) of the said Order are not applicable to the company.
- (iv) The company has not made any loans, investments, guarantees and security on which provisions of section 185 and 186 of the Companies Act 2013 are applicable. Therefore, the provisions of clause 3(iv) of the said Order are not applicable to the company.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from public. Therefore, the provisions of Clause (v) of paragraph 3 of the order are not applicable to the Company.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014 prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that prima facie, the prescribed cost records have been maintained.
- (vii) a) According to the records of the Company and the information and explanations given to us, the Company has generally been regular in depositing undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess, and other material statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above statutory dues were outstanding as at 31st March 2025 for a period of more than six months from the date they became payable.
- b) According to the information and explanations provided to us, there are no dues of Goods and Services Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess or other statutory dues which have not been deposited on account of any dispute.
- viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) (a) In our opinion, and according to the information and explanations provided to us, the Company has not defaulted in the repayment of loans or borrowings to any financial institution, bank, government, or in the payment of dues to debenture holders during the year.
- (b) According to the information and explanations provided to us, and based on our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank, financial institution, government, or any government authority.
- (c) To the best of our knowledge and belief, and according to the information and explanations provided to us, in our opinion, the term loans availed by the Company during the year have been applied for the purposes for which they were obtained.
- (d) Based on an overall examination of the financial statements, and in our opinion, the Company has not utilised funds raised on a short-term basis for long-term purposes during the year.
- (e) According to the information and explanations provided to us, and based on our overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, joint ventures, or associate companies.

- (f) In our opinion and according to the information and explanations provided to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures, or associate companies.
- (x) (a) During the year, the Company has issued non-convertible debentures (NCDs) as non-cash consideration in connection with a slump sale transaction. As this does not involve raising funds in the nature of a public offer or borrowing for general application, the provisions of Clause 3(x)(a) of the Order are not applicable.
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partly, or optionally convertible) during the year. Accordingly, the provisions of Clause 3(x)(b) of the Order are not applicable.
- (xi) (a) To the best of our knowledge and according to the information and explanations provided to us, no fraud by the Company or any fraud on the Company by its officers or employees has been noticed or reported during the year.
- (b) During the year, no report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4, as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014, with the Central Government.
- (c) As represented to us by the management, no whistle-blower complaints were received by the Company during the year.

(xii)The Company is not a Nidhi Company as defined under the Companies Act, 2013. Accordingly, the provisions of Clause 3(xii) of the Order are not applicable.

(xiii)In our opinion, and according to the information and explanations provided to us, all transactions with related parties are in compliance with the provisions of Sections 177 and 188 of the Companies Act, 2013, wherever applicable. The details of such related party transactions have been disclosed in the financial statements as required by the applicable accounting standards and the Companies Act, 2013.

- (xiv) (a) In our opinion, the Company has an adequate internal audit system that is commensurate with the size and nature of its business operations. The system is designed to provide reasonable assurance regarding the effectiveness of internal controls and risk management.
- (b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.

(xv)According to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with them during the year. Accordingly, the provisions of Section 192 of the Companies Act, 2013 are not applicable.

- (xvi)(a) According to the information and explanations provided to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi)(a) of the Order are not applicable.
- (b) The Company is not engaged in any business activities that would require it to obtain registration as a Non-Banking Financial Company (NBFC) under Section 45-IA of the Reserve Bank of India Act, 1934. Hence, the reporting under Clause 3(xvi)(b) is not applicable.
- (c) The Company is not a Core Investment Company (CIC) as defined by the Reserve Bank of India. Accordingly, the requirements of Clause 3(xvi)(c) of the Order are not applicable.
- (d) Based on the information and explanations provided during the course of the audit, the Group does not include any Core Investment Company (CIC) as part of its structure. Therefore, the provisions of Clause 3(xvi)(d) of the Order are not applicable.

(xvii)According to the information and explanations provided to us and based on our examination of the financial statements, the Company has not incurred cash losses in the current financial year but has incurred cash losses amounting to Rs 29.60 lacs in the immediately preceding financial year.

(xviii)According to the information and explanations provided to us, there has been no resignation of the statutory auditors during the year. Accordingly, the provisions of Clause 3(xviii) of the Order are not applicable to the Company. (xix)According to the information and explanations provided to us, and based on our examination of the financial ratios, ageing analysis, expected realisation of financial assets and payment schedules of financial liabilities, as well as other information accompanying the financial statements, and our understanding of the Board of Directors' and management's plans, nothing has come to our attention that causes us to believe that any material uncertainty exists as at the date of the audit report indicating that the Company is not capable of meeting its liabilities as and when they fall due within a period of one year from the balance sheet date. It is, however, important to note that this assessment does not constitute an assurance regarding the Company's future viability. Our reporting is strictly based on the information made available and evaluated up to the date of this audit report, and we do not provide any guarantee or assurance that all liabilities due within the next twelve months will be discharged as and when they become payable.

(xx)In our opinion, and according to the information and explanations provided to us, the provisions of Section 135 of the Companies Act, 2013 relating to Corporate Social Responsibility are not applicable to the Company for the year, as it does not meet the prescribed thresholds, including net profit criteria.

Accordingly, reporting under Clauses 3(xx)(a) and 3(xx)(b) of the Order is not applicable.

# ANNEXURE "B" TO THE INDEPENDENT AUDITORS REPORT ON STANDALONE FINANCIAL STATEMENTS

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial control over the financial reporting of "PAOS Industries Limited" ('the company') as of 31<sup>st</sup> March, 2025 in conjunction with our audit of the standalone financial statements of the company for the year ended on that date:

# Management's Responsibility for Internal Financial Controls:

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation, and maintenance of adequate internal financial controls that were operating effectively for ensuring:

- the orderly and efficient conduct of its business,
- the safeguarding of its assets,
- the prevention and detection of frauds and errors,
- the accuracy and completeness of the accounting records, and
- the timely preparation of reliable financial information, as required under the Companies Act, 2013.

# Auditor's Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included:

- obtaining an understanding of internal financial controls,
- assessing the risk that a material weakness exists, and
- testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial control over financial reporting includes those policies and procedures that:

- 1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- 2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- 3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

# Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

The registered office of the Company is located at Village Pawa, G.T Road, near Civil Airport, Ludhiana-141120. The Company is primarily listed on BSE Limited.

The Company is primarily engaged in the manufacturing, trading and marketing of laundry soaps, toilet soaps and detergent powders that are formulated without the use of LABSA, a substance known to be potentially carcinogenic."

#### 2. Basis of preparation

"The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act.

These financial statements have been prepared on a historical cost basis.

These Financial statements are presented in INR and all values are rounded to the nearest lakhs (INR 00,000), except where otherwise indicated.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

These financial statements provide comparative information in respect of the previous periods."

#### 2.1 Summary of Material Accounting Policies

#### A. Current versus non-current classification

"The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- ► Expected to be realised or intended to be sold or consumed in normal operating cycle;
- ► Held primarily for the purpose of trading;
- ► Expected to be realised within twelve months after the reporting period, or
- ► Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- ▶ It is expected to be settled in normal operating cycle
- ► It is held primarily for the purpose of trading
- ▶ It is due to be settled within twelve months after the reporting period, or
- ▶ There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle."

#### **B. Revenue Recognition**

#### 1. Sale of goods

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the good have passed to the buyer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, related discounts & incentives and volume rebates. It excludes goods and service tax

#### 2. Interest Income

"Interest income is recognised on the time proportion basis determined by the amount outstanding and the rate applicable and where no significant uncertainty as to measurability or collectability exists. Interest income shall be calculated by using the effective interest method. This is in line with para 5.4 of INDAS 109."

# C. Property Plant & Equipment

- "i) Depreciation is calculated on a Written down value method basis over the estimated useful lives of the assets as follows:
- ▶ Plant and Equipment 15 years
- ► Furniture and fixtures 10 years
- ► Vehicle 8-10 years
- ► Computer & Computer Peripherials 3 years
- ► Office Equipments 3-5 years
- ► Lease hold Land/ Building over lease period

The Company, based on technical assessment made by technical expert and management estimate, depreciates certain items of building, plant and equipment over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used."

"The Company reviews the estimated residual values and expected useful lives of assets at least annually. In particular, the Company considers the impact of health, safety and environmental legislation in its assessment of expected useful lives and estimated residual values.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate"

After taking over the business from NSM, the Company had elected to continue with the carrying value of all the items of property, plant and equipment recognized as at July 16, 2024, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment.

ii) Capital work in progress is stated at cost, net of accumulated impairment loss, if any. Plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company

depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

# D. Intangibles Assets

"Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

An intangible asset is derecognised upon disposal (i.e. at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising upon derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss. when the asset is derecognised."

#### **E. Borrowing Cost:**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs. No Borrowing cost has been capitalised during the year.

#### F. Leases

"The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

# Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

# i) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

#### • Building: 10 years

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. "

#### ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

# iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of machinery, building and equipment (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as rent expense on a straight-line basis over the lease term."

# **G.** Inventories

"Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- (i) Raw materials: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis.
- (ii) Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity but excluding borrowing costs. Cost is determined on first in, first out basis.
- (iii) Traded goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.
- (iv) Stores and Spares: cost includes cost of purchases and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis. An item of spare parts that does not meet the definition of Property, Plant and Equipment' has to be recognised as a part of inventories.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale."

# H. Segment reporting

"The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The business of the Company falls within single line of business i.e. business of Soaps, liquid detegents and phynol. All other activities of the Company revolve around its main business. Hence, there is no separate reportable primary segment."

# I. Taxes

# "Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income Tax Act, 1961 and Rules thereunder. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income."

#### J. "Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

In assessing the recoverability of deferred tax assets, the Company relies on the same forecast assumptions used elsewhere in the financial statements and in other management reports, which, among other things, reflect the potential impact of climate-related development on the business, such as increased cost of production as a result of measures to reduce carbon emission.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised, or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Company offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered."

## K. Provisions and contingencies

"Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a

reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent Assets are only disclosed when it is probable that the economic benefits will flow to the entity."

# L. Foreign Currency Transactions

"The Company's financial statements are presented in INR, which is also it's functional currency.

Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e. translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively)."

# M. Retirement and Other Employee Benefits

"Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

# Gratuity

The Gratuity plan is governed by Payment of Gratuity act, 1972. Under the act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age. The entity has defined benefit gratuity plan in India (unfunded). The entity's defined benefit gratuity plan is a final salary plan for employees. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method."

## N. Financial instruments

"A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### **Financial assets**

Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss. The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient, the Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in section (c) Revenue from contracts with customers.

The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at fair value are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset. "

# O. Impairment of assets

"The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount."

## **Other Accounting Policies**

# P. Fair value measurement

"The Company measures financial instruments at fair value which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use."

"The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ► Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ► Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for sale in discontinued operations. "

"For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes

- ▶ Disclosures for valuation methods, significant estimates and assumptions (notes 42, 45)
- ► Contingent consideration no Consideration is due
- ▶ Quantitative disclosures of fair value measurement hierarchy (note 44)
- ► Investment in unquoted equity shares (discontinued operations)
- ► Property, plant and equipment under revaluation model (note 3)
- ► Investment properties
- ► Financial instruments (including those carried at amortised cost) (note 43)"

# Q. Government Grants

"Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

When the grant, if any, relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

When the grant, if any, relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

When the Company receives grants, if any, of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual instalments.

When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favorable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities."

# 36. Employee Benefit Expenses

The Gratuity plan is governed by Payment of Gratuity act, 1972. Under the act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age. The entity has defined benefit gratuity plan in India (unfunded). The entity's defined benefit gratuity plan is a final salary plan for employees.

Gratuity is paid from entity as and when it becomes due and is paid as per entity's scheme for Gratuity.

The following table summarise the components of benefit expense recognised in the statement of profit or loss.

#### 42 Significant accounting judgements, estimates and assumptions

#### A) Provision for expected credit losses of trade receivables and contract assets

The trade receivables are bifurcated into two classes i.e. secured and unsecured. Secured trade receivables are those against which security deposits are available with company, hence they have good credit worthiness. For other class of receivables the company measured the expected credit loss of trade receivables from individual customers based on the historical trend, industry practices and the business environment in which entity opreates. Loss rates are based on acutal loss expreience and past trends. Based on data, loss of collection of receivables is not material hence no provision is considered. The information about the ECLs on the Company's trade receivables and contract assets is disclosed in Note 45.

## Valuation techniques to determine the fair value

Cash and eash equivalents, trade receivables, Loans, Other current financial assets, trade payables, current borrowings and other current financial liabilities approximate their carrying amounts largely due to the short term maturities of these instruments. The fair value of the financial assets and liabilities is the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

# D) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or contractual contract, leading to a financial loss. The Company is operating through a network of distributors and other distribution partners based at different locations. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and form its financing activities, including deposits with banks, foreign exchange transactions and other financial instruments. The Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at end of each reporting period, as summarised below:

| Particulars                             | March 31, 2025 | March 31, 2024 |
|---|----------------|----------------|
| <u>Financial assets</u>                 |                |                |
| - Investments                           | -              | -              |
| - Loans to employees                    | 1.87           | =              |
| - Trade receivables                     | 22.45          | -              |
| - Cash and Cash equivalents             | 3.34           | 1.72           |
| - Bank Balances other than (ii) above   | 560.19         | =              |
| - Other financials assets - non current | -              | -              |

In respect of trade and other receivables, The Company is not exposed to any significant credit risk exposure to any single counterparty. Trade receivables consist of a large number of customers of various scales and in different geographical areas. Based on historical information about customer default rates, management considers the credit quality of trade receivables. In case the receivables are not recovered even after regular follow-up, measures are taken to stop further supplies to the concerned customer.

Movement in expected credit loss allowance on trade receivables

| Particulars  | March 31, 2025    | March 31, 2024 |
|--|-------------------|----------------|
| Balance at the beginning of the year                     |                   | (4)            |
| Loss allowance measured at lifetime expected credit loss | e <sup>®</sup> el |                |
| Balance at the end of the year                           | -                 | -              |

The Credit risk for cash and cash equivalents, bank deposits including interest accrued thereon is considered negligible, since the counterparties are reputable banks with high quality of external credit ratings and state government bodies.

# E) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. The Company's management is responsible for liquidity as well as funding and monitor's the Company net liquidity position through rolling forecasts on the basis of expected cash flow.

The table below summarize the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

#### 47 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity holders of the company. The primary objective of the company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company's policy is to keep the gearing ratio between 0% and 15%. The Company includes within net debt, interest bearing loans and borrowings, less cash and cash equivalents, excluding discontinued operations.

| Particulars                               | 31-03-2025 | 31-03-2024 |
|---|------------|------------|
| Non - Current Borrowings (Note 16)        | 1,552.09   | 198.72     |
| Current borrowings                        | 4,319.93   | 1,438.73   |
|   | 5,872.02   | 1,637.45   |
| Less: cash and cash equivalents (Note 10) | 3.34       | 1.72       |
| Net debt                                  | 5,868.68   | 1,635.73   |
|   |            |            |
| Equity Share capital                      | 610.36     | 610.36     |
| Other Equity                              | (2,196.35) | (2,239.89) |
| Total capital                             | (1,585.99) | (1,629.53) |
| Capital and net debt                      | 4,282.68   | 6.20       |

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2025 and 31 March 2024.
