PERFORMANCE :

I must now share with you in brief the status of our company's performance during the year 2012-13.

The production and sales attainments are contained in the Directors' Report before you and hence not repeated.

Since in the opinion of the Management the value of assets seized by CBI is sufficient to cover the losses occurred on account of fraud, no provision in the accounts is made and the amount is shown as recoverable.
(iii)	Liabilities of wages revision for the period 01.01.1997 to 31.12.2000- Rs. 1928.51 Lacs at Rasayani Unit (Note no 33A)	No provision has been made for liability towards wage revision of employees of Rasayani Unit for the period from 01/01/1997 to 31/12/2000 amounting to Rs.1928.51 lacs, since the arrears are payable when the company generate adequate surplus with the prior approval of administrative Ministry. Accordingly no provision for the arrears payable as above was made in the accounts. However, during the year 2011-12 the Board of Directors with the concurrence of the administrative Ministry have decided to settle the dues of employees of Rasayani Unit during the next 4 years' time period. During the current year the company has paid an amount of Rs. 379.57 lacs towards the above dues and charged as current year wage expenses. On the same basis necessary accounting of the arrears payable will be made in the accounts depending on the release of dues in the subsequent years.
(iv)	Liabilities of wages Revision for the period 01.01.2007 to 31.03.2008 Rs 164.74 Lacs to Officers and Rs 148.93 Lacs to Staff at Rasayani Unit. (Note no 33B and 33C)	In respect of revision of wages with effect from 01.01.2007, the Board in its 327 th Meeting held on 9-8-2010 decided to release arrears subject to the condition that the Company generates adequate cash surplus. Accordingly, no provision has been made for arrears payable for the period 01.01.2007 to 31.03.2008 amounting to Rs 164.74 lacs in respect of officers & Rs 148.93 Lacs to staff of Rasayani Unit. During the current year an amount of Rs.114.22 lacs to officers and Rs.97.38 lacs to staff has been paid and charged to current year wage expenses. On the same basis necessary accounting will be made in subsequent years as and when the above dues are paid to the employees.

(v)	Claims of JNPT amounting to Rs.1137.83 lacs short provided in respect of-(Note no 34E) a) Lease rentals and escalation on leased land b) Water charges c) Way leave charges	As per lease agreement, JNPT had the obligation to provide suitable infrastructure facilities such as approach road, common manifold etc. within the specified time. JNPT failed to provide the said facilities which resulted in non-commissioning of the tank terminal. The matter was under arbitration and pending a favorable decision the company had shown liability towards way leave charges and the escalation in rental charges as a contingent liability. The arbitration in respect of lease rent escalation pertaining to HOCL tank terminal is in progress.
B.	Capital Work in Progress includes an Amount of Rs 2978.91 Lacs incurred on JNPT Tank Terminal Project. The construction has been suspended for more than 5 years and the lease has been called off by the lessor-JNPT after the expiry of the lease period in June 2010. The status of the project is stagnant, incomplete and of no utility since long. No Provision is made for the impairment in the value of this asset, if any, pending ascertainment of the recoverable amount (Note no 34 E).	The expenditure on the JNPT tank farm was incurred during the years 1995-97. As the market condition deteriorated the management decided to stop the construction of JNPT tank farm activity and concentrate on core business of HOCL. The Board also decided to sell the assets of JNPT Tank farm on As is Where Is Basis. The attempts made by the Company to dispose-off the partially completed tank farm did not materialize yet, however recently a party has shown interest in taking over the tank farms and the proposal is at preliminary stage. Further HOCL Management decided to form a JV with Interested Party to make the tank farm operational and requested JNPT to give necessary approval for the same. However JNPT informed that if HOCL wanted to go ahead with the proposed JV route, they have to look for a PSU partner. The company has been exploring the possibility of completing the tank farm with a PSU partner and had approached BPCL, IOCL etc. but there has not been any positive response from the PSUs. The company is exploring various ways of putting to use the JNPT Tank Terminal project.

We have audited the accompanying financial statements of Hindustan Organic Chemicals Limited ("the Company"), which comprises the Balance Sheet as at 31st March, 2013 and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub section (3C) section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinion on these financial statements based on our audit. We conducted our audit in accordance with Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedure to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

NOTES TO THE FINANCIAL STATEMENTS**NOTE – 1****SIGNIFICANT ACCOUNTING POLICIES****A. BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

The financial statements have been prepared on accrual basis, unless stated otherwise, under the historical cost convention, in accordance with the generally accepted accounting principles in India and the provisions of the Companies Act, 1956.

B. USE OF ESTIMATES

The preparation of financial statements requires estimates and assumptions to be made that affect the reported balances of assets and liabilities on the date of the financial statements and reported amount of income and expenses during the year. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

C. FIXED ASSETS

- Fixed Assets are stated at historical cost less depreciation. Costs include all expenses incurred to bring the assets to its present location and condition.
- The constructed/fabricated capital assets are capitalized as and when the same are installed in the plants.
- Machinery spares which are procured for use in connection with particular machinery/equipment and stand by equipments which are identified to a particular item of fixed asset and having irregular use are capitalized and written off over the remaining useful life of the machinery/ equipment.
- In respect of Plant and Machinery, significant expenditure on repairs, renewals and replacement having a separate identity and is capable of being used after the existing assets are disposed off or which are certified by the concerned technical department to have resulted in technical improvement, increased capacity or increased useful life of the assets, is capitalised. The estimated residual value of the replaced parts, determined on technical assessment is charged to Statement of Profit and Loss as loss on scrapping of assets.
- Items of fixed assets that have been retired from active use and are held for disposal are valued at lower of their net book value or net realisable value.

D. IMPAIRMENT OF ASSETS

The carrying amount of assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

E. DEPRECIATION

The classification of plant and machinery into continuous and non-continuous process is done as per technical certificate and depreciation thereon is provided accordingly.

- In case of continuous process plants and computer systems
 - Acquired before 1.4.1993 :
The specified period has been recomputed by applying to the original cost, revised rates as prescribed in Schedule XIV as per notification GSR No. 756(E) dated 16.12.1993 and depreciation charge has been calculated on straight-line method by allocating the unamortized value as per books of account over the remaining part of the recomputed specified period. For this purpose the date of acquisition is taken as the last day of each year in which it is acquired/capitalized.
 - Acquired after 1.4.1993 :
Depreciation is provided at the rates prescribed in Schedule XIV of the Companies Act, 1956.
- In case of other Fixed Assets :

There is no change in the status of M/s HOC-Chematur Ltd., and the provision against the investment is continued.

36 a) During the year 2007-08, the Modified Draft Rehabilitation Scheme (MDRS) for revival of subsidiary - Hindustan Fluorocarbon Ltd. (HFL) was approved by BIFR for implementation. As part of implementation of MDRS, HOCL had waived interest of ₹ 2260.26 lacs accumulated on loan given to HFL and converted the unsecured loan amounting to ₹ 2609.72 lacs as Zero Coupon Loan (ZCL), which is secured by creating first charge on HFL immovable property (land valued to the extent of ₹ 4000 lacs) in favour of HOCL. Further, the Company had given loans aggregating to ₹ 590.77 lacs (previous year ₹ 890.77 lacs) which included additional loans of ₹ 134.34 lacs given to settle its dues to the financial institutions. On this 10% interest was charged by HOCL during the earlier years as per agreement entered into between HOCL and HFL. Out of the above loan HFL has made re-payment of ₹ 300 lacs (previous year Nil) during the year.

b) Advances to joint venture Company M/s HOC-Chematur Ltd. includes advance paid to M/s Chematur Engg. A.B amounting to ₹ 664.71 lacs and expenses allocated in earlier years, aggregating to total ₹ 1066.55 lacs (previous year ₹ 1066.26 lacs). In view of uncertainties involved in recovery/completion of the joint venture company project, a provision for doubtful advance of equivalent amount was made during the earlier years. Since there is no improvement in the status of the joint venture project the provision for doubtful advances is maintained.

37 During the year 2001-2002, a case of misappropriation of Company's funds to the tune of ₹ 64.81 lacs (net and to the extent identified) by an official of the Company, involving fraudulent / fake payments / withdrawals under various heads of accounts including sales tax, debtors etc. had been detected. The case is at present under investigation of CBI. In the meantime, based on the report of the Vigilance Department, a civil suit has been filed for recovery of the amount involved from the concerned employee who was dismissed from the services of the Company. Since in the opinion of the Management the value of assets seized by CBI is sufficient to cover the losses occurred on account of fraud, no provision in the accounts is made and the amount is shown as recoverable.
