The terms of reference of the said CSR&SD Committee included among others, the set-up of the Committee with existence of the two tier organization structure with mandatory membership of an Independent Director on the Board level committee, frequency of meeting, range of decision, staff/ stakeholder involvement etc.

PERFORMANCE :

I must now share with you, in brief, the status of our Company's performance during the year 2015-16.

The production and sales figures are contained in the Directors' Report before you and hence not repeated.

Your Company continued to enjoy support from all its valuable customers during the year 2015-16 due to quality assurances of its products manufactured at Kochi and Rasayani. During the year under review, your Company could achieve sales valuing Rs. 109.15 Crores (net of excise duty).

The Company had however taken the best possible measures both in cost reduction as well as in other areas. During the year, the operations of the Company, both at Kochi Unit and Rasayani Unit, continued to suffer due to non-availability of working capital. The Nox Blower installed in Conc. Nitric Acid Plant was commissioned in January 2016 and the company could achieve record N2O4 Production and supply 446 MT to ISRO during 2015-16 after restart of the Conc. Nitric Acid Plant.

The company could operate the Phenol Plant at Kochi intermittently only in the first half of 2015-16 and the Phenol Plant was shut down during second half year for want of working capital. However the Hydrogen Peroxide Plant is being operated continuously.

During the year your Company incurred a loss of Rs. 173.91 crore. .

I wish to inform you that with the consistent efforts put by the Management and with the help and support from various Ministries including Ministry of Chemicals & Fertilizers, Ministry of Finance, Ministry of Commerce & Industries, the company continues to get the benefit of the anti-dumping duty on Phenol and Acetone. It is expected that with the above action and continued efforts on improved operations and marketing, the performance and profitability of the Company would further improve.

The marketing strategy was mainly focused on domestic customers to maximize the market share by adopting flexible marketing strategies which helped in encountering the threat posed by the importers and the domestic competitors as well.

FUTURE PLAN & REVIVAL / TURN AROUND PLAN:

Future course of Actions

Rasayani Unit

With the working capital support from ISRO, the Rasayani Unit could ensure continuous running of Nitric Acid plant (C.N.A), where N2O4 is produced for supplying to ISRO by the Company. The company has plans to restart the Nitrobenzene plant and Formaldehyde plants along with the Nitric Acid Plant considering the synergy of operations depending on the availability of working capital.

Kochi Unit

The company could successfully forge a tripartite agreement in the month of April 2016 with BPCL and SBI whereby 70 % of the collections in the Company's Cash Credit account is transferred to BPCL towards cost of raw materials supplies to Rasayani and Kochi Units. The plant operations of Kochi and Rasayani units have since been restarted and the company could achieve a turnover of Rs.52.47 crore in the first quarter ending June 2016.

BIFR and Revival Plan.

BIFR in the meeting held on 22nd July 2015 has declared the company as sick company under the provisions of Sick Industrial Companies (Special Provisions) Act 1986 and directed the Operating Agency State Bank of India to submit a report on the revival or otherwise of the company in the next meeting. However subsequent meetings did not take place till the reconstitution of the Bench in May 2016. The company has submitted the revival proposal duly approved by the Board to the Ministry of Chemicals and Petrochemicals which is under consideration of the Government. In the meantime the company has approached BIFR for approval for the leasing of land at Rasayani to BPCL and CONCOR to generate part of the funds as per the revival plan.

**INDEPENDENT AUDITOR'S REPORT**

To the Members of HINDUSTAN ORGANIC CHEMICALS LIMITED

Report on the Financial Statements

We have audited the accompanying Standalone financial statements of HINDUSTAN ORGANIC CHEMICALS LIMITED ("the Company") which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, in which are incorporated the returns for the year ended on that date audited by the Independent branch auditors of the company's unit at Kochi.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit qualified opinion on the Standalone financial statements

Basis for Qualified Opinion

(A) No provisions have been made in the standalone financial statements for the following amounts (refer respective notes in the notes to the financial statements)

- (i) Penal Interest of Rs. 1475.51 lakhs (previous year ended 31st March 2015 Rs. 1268.87 lakhs) on overdue loan from Government of India.
- (ii) Loss on account of Misappropriation of Company's funds amounting to Rs. 64.81 lakhs (Previous year ended 31st March 2015, Rs. 64.81 lakhs), pending final report from CBI and outcome of the civil suit.
- (iii) Liability of wage revision for the period 1.1.1997 to 31.12.2000 Rs. 1887.79 lakhs (previous year ended 31st March 2015 Rs.1887.79 lakhs) at Rasayani unit
- (iv) Liability of the wage Revision for the period 1.1.2007 to 31.3.2008 Rs.161.55 lakhs (previous year ended 31 March 2015 Rs.161.55 lakhs) to the officers and Rs.148.26 lakhs (previous year ended 31st March 2015 Rs.148.26 lakhs) to staff at Rasayani unit.

The above first four matters were also qualified in Audit report on the financial statements for the year ended March 31, 2015.

Had the above effects of the items referred above been considered, the loss for the year would have been higher by 3737.92 Lakhs (Previous year ended 31st March 2015 - Rs 3531.28 Lakhs)

(B) In absence of adequate profit, Redemption reserve for redemption of 25% of Preference Shares Capital amounting to Rs. 6750 lacs due for redemption during the financial year 2015-16 is not provided in the books.

(C) The Balances of trade payables, loans & advances and other current assets and other debit/ credit balances are pending for confirmations and reconciliations (note no. 43). The effect of the same on the loss is not ascertainable. This matter was also qualified in Audit report on the financial statements for the year ended March 31, 2015.

(D) In absence of current status of pending litigations and financial impact thereof, liabilities under such cases are not ascertainable and the foreseeable loss of the same is not considered while preparing financial results.

(E) The Kochi unit of the company has entered into long term supply contract with Gas Authority of India (GAIL) for supply of Liquefied Natural Gas in 2011 for the period of 15 years ending in 2026. Material foreseeable losses on this contract are not quantifiable in the current scenario.

(F) The Company has not provided any provision during the year for diminution in the value of investments in subsidiaries and also no provision is made against overdue of loans given to them since long.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matters described in the Basis for Qualified Opinion paragraph above*, the aforesaid Standalone financial statements give the information required by the Act in the manner so required gives a true & fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31st March, 2016 and its Losses and its Cash flow for the year ended on that date.

Emphasis of Matter

Attention is drawn to note 47 to the standalone financial statements which states that the Company has been declared as SICK unit by BIFR during the year vide its order dated 22nd July, 2015. The net worth of the Company is fully eroded. The Company has incurred cash losses in the current and in previous years. The Company's current liabilities exceeded its current assets as at the balance sheet date. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. However, the financial statements of the Company have been prepared on a going concern basis because the Company's management has submitted board approved revival plan to administrative ministry and the same is under process.

In the absence of adequacy of funds, the Company has not paid salaries to employees, dues to many vendors, statutory dues and defaulted to its lenders for more than a year. Further due to inadequate working capital and economic viability of the products, some of the plants of the Company are not utilized appropriately which may lead to obsolesce due to non-working since long and frequent shutdown in running plants.

Our opinion is not modified in respect of this matter.

Other Matter

We did not audit the financial statements / information of Kochi Unit included in the standalone financial statement of the Company whose financial statement / financial information reflecting the total assets of **Rs. 9,929.54 Lakhs (excluding inter-branch balance) as at 31st March, 2016 and total Revenues of Rs. 8,726.57 lakhs for the year ended on that date**, as considered in the standalone financial statement. The financial statements/ information of this unit has been audited by the Independent branch auditors whose report has been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of this unit is based solely on the report of such branch auditor.

Our opinion is not modified in respect of this matter.

The matters described in the Basis for Qualified Opinion paragraph above, and the going concern matter described in the Emphasis of Matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.

Annexure III" to the Independent Auditor's Report of even date on the Standalone Financial Statements of HINDUSTAN ORGANIC CHEMICALS LIMITED**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of HINDUSTAN ORGANIC CHEMICAL LIMITED as at March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company does have, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016 in material aspects, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India except as reported below:

- The Company needs to improve system of maintaining status of litigations or legal cases and periodic confirmations from legal consultants/in-charges should be placed in board meeting to ensure adequate provisioning under pending cases.
- The Company should improve system of follow up with all creditors/debtors to ensure periodic reconciliation with parties because very few confirmations received during the year.
- The Company needs to implement program for physical verification of all movable and immovable assets on periodic basis in addition to impairment study done by external independent agency.
- The Company should conduct Quarterly internal audit because no internal audit reports are placed in board meeting during the year due to delay in appointment of internal auditors.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matters described in the Basis for Qualified Opinion paragraph above* the aforesaid Consolidated financial statements give the information required by the Act in the manner so required gives a true & fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the group as at 31st march, 2016 and their consolidated Loss and their consolidated cash flow for the year ended on that date.

Emphasis of Matter

Attention is drawn to note 50 to the consolidated financial statements which states that the group has been declared as SICK unit by BIFR. The net worth of the group is fully eroded. The group has incurred a cash loss in the current and in previous years. The group current liabilities exceeded its current assets as at the balance sheet date. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the group's ability to continue as a going concern. However, the financial statements of the group have been prepared on a going concern basis because the group management has submitted board approved revival plan to administrative ministry and the same is under process.

In the absence of adequacy of funds, the group has not paid major part of salaries to employees, dues to many vendors, statutory dues and defaulted to lenders for more than a year. Further due to inadequate working capital and economic viability of the products, some of the plants of the group are not utilized appropriately which may lead to obsolescence due to non-working since long and frequent shutdown in running plants.

Our opinion is not modified in respect of this matter.

Other Matter

We did not audit the financial statements / information of the subsidiary, whose financial statement / financial information reflecting the total assets of **Rs. 3,831.73 Lakhs as at 31st March, 2016, total Revenues of Rs. 3,588.31 Lakhs and net cash outflow of 882.85 Lakhs** & We also did not audit the financial statements / information of Kochi Unit whose financial statement / financial information reflecting the total assets of **Rs. 9,929.54 Lakhs (excluding inter-branch balance) as at 31st March, 2016 and total Revenues of Rs. 8,726.57 lakhs for the year ended on that date,** as considered in the consolidated financial statement.

**Annexure III" to the Independent Auditor's Report of even date on the Consolidated Financial Statements of HINDUSTAN ORGANIC CHEMICALS LIMITED****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of HINDUSTAN ORGANIC CHEMICAL LIMITED as at March 31, 2016 in conjunction with our audit of the consolidated financial statements of the group for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The group's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the group does have, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016 in material aspects, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India *except* as reported below:

- The Holding Company needs to improve system of maintaining status of litigations or legal cases and periodic confirmations from legal consultants/in-charges should be placed in board meeting to ensure adequate provisioning under pending cases.
- The Holding Company should improve system of follow up with all creditors/debtors to ensure periodic reconciliation with parties because very few confirmations received during the year.
- The Holding Company needs to implement program for physical verification of all movable and immovable assets on periodic basis in addition to impairment study done by external independent agency.
- The Holding Company should conduct Quarterly internal audit because no internal audit reports are placed in board meeting during the year due to delay in appointment of internal auditors.
