CHAIRMAN'S STATEMENT

Dear Shareholders,

My Colleagues on the Board and I extend a warm welcome, and sincere gratitude, to all the Shareholders of our Company and to all of you present here at this 56th Annual General Meeting of your Company. The Audited Annual Accounts together with the Directors' Report along with other Reports given in Annexures and Auditors' Report of the Company for the year 2016-17 and this 56th AGM Notice to the Shareholders all are in your hands for some time and with your permission, I take them as read.

social thought and action to serve society through providing basic civic amenities to the neighboring villages, rendering assistance in different forms. Company has also undertaken tree plantation programme in the surrounding area.

SAFETY, HEALTH AND ENVIRONMENT :

In the areas of Health, Hygiene and Environment the company has undertaken periodic medical examination as well as statutory requirements of fitness check-up under form no. 23 for its employees. In our commitment to environment we have ensured that the level of pollutants from the factory and nearby surroundings was much below the permissible levels.

PERFORMANCE:

I must now share with you, in brief, the status of our Company's performance during the year 2016-17.

The production and sales figures are contained in the Directors' Report with you with Annual Report and hence not repeated.

Your company could start the year 2016-17 with an optimistic note by restarting the operations of Phenol Plant at Kochi Unit in April 2016 by successfully entering into a tripartite agreement, for the supply of raw material and payments with BPCL and SBI which was valid for a period of 90 days. However the arrangement could not be continued, due to non- settlement of old dues to BPCL and fluctuations in the input prices. Another highlight of achievement during the year was a record production and supply of 685 MT of N2O4 to ISRO. During the year under review, your Company could achieve sales turnover of Rs. 143.38 Crores (net of excise duty).

The Company continued to initiate the best possible measures both in cost reduction as well as in several other areas. During the year, the CNA /N2O4 plant at Rasayani Unit achieved record production of N2O4 but Kochi Unit could operate Phenol plant intermittently due to non-availability of working capital and fluctuations in LPG and Benzene prices. However, we could ensure continuous operation of the Hydrogen Peroxide plant which enabled payment of part salaries to the employees.

During the year, your Company incurred a loss of Rs.255.57 crore mainly due to provisioning for the interest/penalties/fees etc payable on Preference Shares, Government loan and CPF Gratuity etc as per the sanctions and statuses.

I wish to inform you that with the consistent efforts put up by the Management and with the help and support from various Ministries including Ministry of Chemicals & Fertilizers, Ministry of Finance, Ministry of Commerce & Industries, the company continues to get the benefit of the anti-dumping duty on Phenol and Acetone. It is expected that with these actions and with continued efforts on improved operations and marketing, the performance and profitability of the Company would further improve.

FUTURE PLAN & REVIVAL / TURN AROUND PLAN:

Rasayani Unit

During the first quarter of 2016-17, the company could start the operation of Nitrobenzene Plant at Rasayani and CNA /N2O4 plant based on the tripartite agreement entered into with BPCL and SBI. However the agreement was only for 90 days and it was not further extended due to non-settlement of old dues. Further in view of the decision to close the operations of non-viable plants at Rasayani and transfer of CNA / N2O4 plant, to ISRO, the Rasayani operations were limited to the CNA / N2O4 plant only .

Kochi Unit

The company could successfully forge a tripartite agreement in the month of April 2016 with BPCL and SBI whereby 70 % of the collections in the Company's Cash Credit account is transferred to BPCL towards cost of raw materials supplies. Since then the plant operations of Kochi units have been restarted and the company could achieve a turnover of Rs.52.47 crore in the first quarter ended June, 2016. The company could mobilize advance payments from major customers to tide over the working capital shortage and ensure intermittent operation of the Phenol / Acetone plant at Kochi depending on the market situation.

Restructuring Plan.

The restructuring plan of the company has been approved by CCEA, whereby the operation of all the plants at Rasayani is being closed and the CNA / N2O4 plant is being transferred to ISRO, along with the manpower of the plant. The two plants (Phenol and Hydrogen plant) will be operational at Kochi.

Further Government has approved sale of 442 acre of land at Rasayani to BPCL for Rs.618.80 crore and the amount to be utilized along with a bridge loan of Rs.365.26 crore to clear the liabilities of the company.

Further, In view of the CCEA approval for the Closure of the Operations of all the plants (except CNA Plant). VRS was introduced to the employees of Rasayani Unit (Feb., 2017) during the year under review.

CORPORATE SOCIAL RESPONSIBILITY

Secretarial Audit Report FY 2015-16

INDEPENDENT AUDITOR'S REPORT

To the Members of HINDUSTAN ORGANIC CHEMICALS LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Hindustan Organic Chemicals Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Basis for Qualified Opinion

- (a) The balances of trade payables, loans & advances and other current assets and other debts / credit balances are pending for confirmations and reconciliations. (Note No. 41). The effect of the same on the loss is not ascertainable.
This matter was qualified in Audit Report on the financial statements for the year ended March 31, 2016 as well.
- (b) In absence of current status of pending litigations and financial impact thereof, liabilities under such cases are not ascertainable and the foreseeable loss of the same is not considered while preparing financial results.
- (c) The Kochi unit of the Company has entered into long term supply contract with Gas Authority of India Limited (GAIL) for the supply of Liquefied Natural Gas in the year 2011 for the period of 15 years ending in 2026. Material foreseeable loss on this contract is not quantifiable in current scenario.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matters described in the Basis for Qualified Opinion*, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit and its cash flows for the year ended on that date.

Emphasis of Matter

Attention is drawn to the note 28 to the standalone financial statements which state that the Government of India has approved the restructuring plan of the company which includes closure of all plants at Rasayani unit except the Conc. Nitric Acid / N2O4 Plant (which is to be handed over to ISRO) and VRS to the employees (Direct and Indirect) rendered surplus due to shutting down of all plants at Rasayani except those employees associated with operation of CNAN2O4 plant at Rasayani and the skeletal staff required to implement the proposed restructuring. In view of this, the financial statement have been prepared on Going Concern Basis.

The net worth of the Company is fully eroded. The Company has incurred cash losses in the current and in previous years. The Company's Current Liabilities exceeded its Current Assets as at the balance sheet date. These conditions indicate the existence of material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern.

In absence of adequacy of funds, the company has not paid salaries to its employees, dues to many of its vendors, statutory dues and has defaulted to its vendors for more than a year. Further, due to inadequate working capital and economic viability of the products, some of the plants of the company are not utilised appropriately which may lead to obsolescence due to non-working for long and frequent shut-down in running plants.

Our opinion is not modified in respect of this matter.

Annexure C to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Hindustan Organic Chemicals Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to

permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India except as reported below:

- The Company should improve system of follow up with all creditors/debtors to ensure periodic reconciliation with parties because very few confirmations received during the year.
- The Company needs to implement program for physical verification of all movable and immovable assets on periodic basis in addition to impairment study done by external independent agency.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF HINDUSTAN ORGANIC CHEMICALS LIMITED, RASAYANI FOR THE YEAR ENDED 31 MARCH 2017

The preparation of Financial Statements of Hindustan Organic Chemicals Limited, Rasayani for the year ended 31 March 2017 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (the Act) is the responsibility of the management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act are responsible for expressing opinion on the Financial Statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 29 May 2017.

I, on behalf of the Comptroller and Auditor General of India, have conducted a Supplementary Audit under Section 143(6)(a) of the Act of the Financial Statements of Hindustan Organic Chemicals Limited, Rasayani for the year ended 31 March 2017. This Supplementary Audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and a selective examination of some of the accounting records. Based on my Supplementary Audit, I would like to highlight the following significant matters under Section 143(6)(b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the Financial Statements and the related Audit Report.

Standalone Statement of Profit and Loss

Employee Benefit Expenses – Rs.100.21 crore

Read with Note 28

- This does not include Rs.84.46 crore being the expenditure towards Voluntary Retirement Scheme / Voluntary Separation Scheme introduced by the Company as per the restructuring plan for the Company approved (25 May 2017) by the Government of India. This has resulted in understatement of Employee Benefit Expenses and loss by Rs.84.46 crore.

- This also does not include Rs.22.08 crore towards provision on account of wage revision (1997 and 2007) of Rasayani Unit which is accounted under Prior Period Adjustment (Note 27). In this connection a reference is invited to Note 33 of the Notes to the Standalone Financial Statements for the year 2015-16 wherein the Company has disclosed that no provision has been made for the liability towards wage arrears and it is shown as contingent liability. Since the Company had already ascertained the liability and disclosed the same as contingent liability in the previous year (2015-16), accounting the same as prior period expense in the current year is not in line with provisions of Accounting Standard 5 (Para 16).

This has resulted in understatement of Employee Benefit Expenses and overstatement of Prior Period Adjustment by Rs.22.08 crore.

Management Reply to the Comments of The Comptroller And Auditor General Of India Standalone Statement of Profit and Loss

Employee Benefit Expenses – Rs.100.21 crore

Read with Note 28

Comment - 1

This does not include Rs.84.46 crore being the expenditure towards Voluntary Retirement Scheme / Voluntary Separation Scheme introduced by the Company as per the restructuring plan for the Company approved (25 May 2017) by the Government of India. This has resulted in understatement of Employee Benefit Expenses and loss by Rs.84.46 crore.

Reply :

As per the VRS Scheme notified by the company the relieving of employees was subject to receipt of funds (from sale of land / Government assistance). The relieving of employees is subject to raising of funds of Rs.618.80 crore from sale of 442 acre of land at Rasayani to BPCL. Moreover the salary to employees will have to be paid / provided, till the date of relieving of the employees. The actual VRS liability will vary depending on the date of relieving of the employees. The VRS circular also stated that the company had the right to withdraw the scheme without any notice. Therefore, the company has calculated the estimated VRS liability upto 31.03.2017 and shown under Commitment / Contingent liabilities, in the Notes to Accounts for the year 2016-17, pending receipt of funds and completion of the various formalities.

Comment – 2

This also does not include Rs.22.08 crore towards provision on account of wage revision (1997 and 2007) of Rasayani Unit which is accounted under Prior Period Adjustment (Note 27). In this connection a reference is invited to Note 33 of the Notes to the Standalone Financial Statements for the year 2015-16 wherein the Company has disclosed that no provision has been made for the liability towards wage arrears and it is shown as contingent liability. Since the Company had already ascertained the liability and disclosed the same as contingent liability in the previous year (2015-16), accounting the same as prior period expense in the current year is not in line with provisions of Accounting Standard 5 (Para 16).

This has resulted in understatement of Employee Benefit Expenses and overstatement of Prior Period Adjustment by Rs.22.08 crore

Reply :

The wage revision arrears due to Rasayani Unit employees was approved by the Board of Directors during earlier years and the payment was to be made in instalments subject to generation of funds. The company had made part payments during the year 2012-13 and the amounts was debited as prior period expenditure, as the approval for payment was given during earlier years. As per the approved restructuring plan of GoI, it is proposed to give VRS / VSS to employees of Rasayani unit; consequent on closure of the unviable plants and necessary funds, is being generated by sale of land to BPCL Rs.618.80 Crore and balance as bridge loan (Rs.360.26 crore) and the arrears due to the employees of Rasayani Unit has been included in the liability. Hence, the amount of arrears payable has been accounted as prior period expenditure, as the approval for the payment was accorded during earlier years and company has not made provision earlier, for want of funds.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Basis for Qualified Opinion

- (a) The balances of trade payables, loans & advances and other current assets and other debts / credit balances are pending for confirmations and reconciliations. (Note No. 41). The effect of the same on the loss is not ascertainable.
This matter was qualified in Audit Report on the financial statements for the year ended March 31, 2016 as well.
- (b) The financials of HOC-Chematur Ltd. in which the Holding Company holds 60% of the equity, has not been considered by the management in the consolidated financial statements for reasons stated in Note no. 33 to the consolidated financial statements.
- (c) In absence of current status of pending litigations and financial impact thereof, liabilities under such cases are not ascertainable and the foreseeable loss of the same is not considered while preparing financial results.
- (d) The Kochi unit of the Company has entered into long term supply contract with Gas Authority of India Limited (GAIL) for the supply of Liquefied Natural Gas in the year 2011 for the period of 15 years ending in 2026. Material foreseeable loss on this contract is not quantifiable in current scenario.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matters described in the Basis for Qualified Opinion*, the aforesaid Consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with

the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit and its cash flows for the year ended on that date.

Emphasis of Matter

- (a) Attention is drawn to the note 28 to the Consolidated financial statements which state that the Government of India has approved the restructuring plan of the Holding Company which includes closure of all plants at Rasayani unit except the Conc. Nitric Acid / N2O4 Plant (which is to be handed over to ISRO) and VRS to the employees (Direct and Indirect) rendered surplus due to shutting down of all plants at Rasayani except those employees associated with operation of CNAN/N2O4 plant at Rasayani and the skeletal staff required to implement the proposed restructuring.

In view of this, the financial statements have been prepared on Going Concern Basis.

The net worth of the group is fully eroded. The group has incurred cash losses in the current and in previous years. The group's Current Liabilities exceeded its Current Assets as at the balance sheet date. These conditions indicate the existence of material uncertainty that may cast significant doubt on the group's ability to continue as a going concern.

In absence of adequacy of funds, the group has not paid salaries to its employees, dues to many of its vendors, statutory dues and has defaulted to its vendors for more than a year. Further, due to inadequate working capital and economic viability of the products, some of the plants of the group are not utilised appropriately which may lead to obsolescence due to non-working for long and frequent shut-down in running plants.

- (b) The Group have a few difference in accounting policies of the Holding Company and the Subsidiary Company which are listed below:

9	Prior Period Adjustments	Items of income / expenses above Rs. 10,000/- in each case relating to previous years, are accounted as prior period adjustments.	There is no specific policy

As per the information and explanation given to us, the impact of differences as above is not material with the respect to the Group as a whole.

Our opinion is not modified in respect of this matter.

Annexure C to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with my / our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2017, we have audited the internal financial controls over financial reporting of Hindustan Organic Chemicals Limited (hereinafter referred to as "the Holding Company") and its subsidiary company as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the of the Holding company and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India except as reported below:

- The Company should improve system of follow up with all creditors/debtors to ensure periodic reconciliation with parties because very few confirmations received during the year.
- The Company needs to implement program for physical verification of all movable and immovable assets on periodic basis in addition to impairment study done by external independent agency.

- This does not include Rs.84.46 crore being the expenditure towards Voluntary Retirement Scheme / Voluntary Separation Scheme introduced by the Company as per the restructuring plan for the Company approved (25 May 2017) by the Government of India. This has resulted in understatement of Employee Benefit Expenses and loss by Rs.84.46 crore.
- This also does not include Rs.22.08 crore towards provision on account of wage revision (1997 and 2007) of Rasayani Unit which is accounted under Prior Period Adjustment (Note 27). In this connection a reference is invited to Note 33 of the Notes to the Consolidated Financial Statements for the year 2015-16 wherein the Company has disclosed that no provision has been made for the liability towards wage arrears and it is shown as contingent liability. Since the Company had already ascertained the liability and disclosed the same as contingent liability in the previous year (2015-16), accounting the same as prior period expense in the current year is not in line with provisions of Accounting Standard 5 (Para 16).

This has resulted in understatement of Employee Benefit Expenses and overstatement of Prior Period Adjustment by Rs.22.08 crore.

Comment - 1

This does not include Rs.84.46 crore being the expenditure towards Voluntary Retirement Scheme / Voluntary Separation Scheme introduced by the Company as per the restructuring plan for the Company approved (25 May 2017) by the Government of India. This has resulted in understatement of Employee Benefit Expenses and loss by Rs.84.46 crore.

Reply :

As per the VRS Scheme notified by the company the relieving of employees was subject to receipt of funds (from sale of land / Government assistance). The relieving of employees is subject to raising of funds of Rs.618.80 crore from sale of 442 acre of land at Rasayani to BPCL. Moreover the salary to employees will have to be paid / provided, till the date of relieving of the employees. The actual VRS liability will vary depending on the date of relieving of the employees. The VRS circular also stated that the company had the right to withdraw the scheme without any notice. Therefore, the company has calculated the estimated VRS liability upto 31.03.2017 and shown under Commitment / Contingent liabilities, in the Notes to Accounts for the year 2016-17, pending receipt of funds and completion of the various formalities.

Comment – 2

This also does not include Rs.22.08 crore towards provision on account of wage revision (1997 and 2007) of Rasayani Unit which is accounted under Prior Period Adjustment (Note 27). In this connection a reference is invited to Note 33 of the Notes to the Standalone Financial Statements for the year 2015-16 wherein the Company has disclosed that no provision has been made for the liability towards wage arrears and it is shown as contingent liability. Since the Company had already ascertained the liability and disclosed the same as contingent liability in the previous year (2015-16), accounting the same as prior period expense in the current year is not in line with provisions of Accounting Standard 5 (Para 16).

This has resulted in understatement of Employee Benefit Expenses and overstatement of Prior Period Adjustment by Rs.22.08 crore

Reply :

The wage revision arrears due to Rasayani Unit employees was approved by the Board of Directors during earlier years and the payment was to be made in instalments subject to generation of funds. The company had made part payments during the year 2012-13 and the amounts was debited as prior period expenditure, as the approval for payment was given during earlier years. As per the approved restructuring plan of Gol, it is proposed to give VRS / VSS to employees of Rasayani unit; consequent on closure of the unviable plants and necessary funds, is being generated by sale of land to BPCL Rs.618.80 Crore and balance as bridge loan (Rs.360.26 crore) and the arrears due to the employees of Rasayani Unit has been included in the liability. Hence, the amount of arrears payable has been accounted as prior period expenditure, as the approval for the payment was accorded during earlier years and company has not made provision earlier, for want of funds.
