Notes:

1. Pursuant to the Ministry of Corporate Affairs (MCA) General Circular No. 09/2024, dated September 19, 2024 and Securities and Exchange Board of India (SEBI) Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2024/133, dated October 3, 2024, and any other applicable circular issued by MCA and SEBI issued in this regard, companies are allowed to hold AGM through VC / OAVM, without the physical presence of members at a common venue. Hence, in compliance with the Circulars, the AGM of the Company is being held through VC / OAVM.
2. Pursuant to section 108 of the Companies Act, 2013 (Act) read with the rules made thereunder and regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR Regulations) and SEBI Circular No. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020, the Company shall provide for voting through remote e-voting, for participation in the AGM through VC / OAVM facility and e-voting during the AGM through KFin Technologies Limited (Formerly known as Kfin Technologies Private Limited) (KFIN), the Company's Registrar and Transfer Agent (RTA). Members who have cast their votes on the resolution by remote e-voting prior to the AGM may participate in the AGM through login credentials provided to them but shall not be entitled to cast their votes again.
3. Member entitled to attend and vote at a meeting is entitled to appoint a proxy to attend and vote instead of himself / herself and the proxy need not be a Member of the Company. Since the AGM is being held through VC / OAVM, physical attendance of Members is dispensed with and SEBI vide its Notification No. SEBI/LAD-NRO/GN/ 2024/218, dated 12th December, 2024, amended LODR Regulations and the requirement to send proxy forms shall not be applicable to general meetings held only through electronic mode. Accordingly, the facility for appointment of Proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
4. Pursuant to the Secretarial Standard - 2 on General Meetings issued by the Institute of Company Secretaries of India (ICSI) read with Clarification/Guidance on applicability of Secretarial Standards - 1 and 2, dated 15th April, 2020 issued by the ICSI and since the AGM will be held through VC / OAVM, the Route Map is not annexed to this Notice.
5. The attendance of shareholders through VC / OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.
6. In case of Joint Holders attending the AGM, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
7. Corporate / Institutional Members are entitled to appoint authorised representatives to attend the AGM through VC/ OAVM on their behalf and cast their votes, and those intending to authorise their representatives are requested to email certified copy of the Board / Committee / Governing Body resolution / authorisation letter, etc., to the Scrutinizer at Email ID kranthisarkar369@gmail.com with copy marked to the evoting@kfintech.com and to the Company at cs@gayatrihighways.com and with the subject line: Gayatri Highways Limited - Corporate / Institutional Member - AGM 2025 pursuant to section 113 of the Act.
8. For ease of conduct of AGM, Members seeking any information / ask any questions / express their views on the items of business to be transacted at the AGM are requested to email to the Company at cs@gayatrihighways.com with the subject line: Gayatri Highways Limited - Accounts - AGM 2025 at least 7 [Seven] days before the AGM, mentioning their name, demat account number/folio number, registered email ID, mobile number, etc. so that the Management can keep the information ready at the AGM. The queries may be raised precisely and in brief to enable the Company to answer the same suitably depending on the availability of time at the AGM.
9. The Register of Members and Share Transfer Books of the Company will be closed from 23rd September, 2025 to 29th September, 2025 (both days inclusive).

10. The cut-off date for the purpose of ascertaining shareholders entitled for remote e-voting and voting at the AGM is 22nd September, 2025 (Cut-off Date). Members holding shares either in physical or dematerialized mode, as on cut-off date may cast their votes electronically. The voting rights of members shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date. A person who is not a shareholder as on the cut-off date should treat this Notice for information purpose only.
11. An Explanatory Statement pursuant to section 102 of the Act is annexed hereto. Further, additional information pursuant to regulation 36 of the LODR Regulations, in respect of the directors seeking appointment / reappointment at the AGM, forms part of this Notice.
12. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the Directors are interested, maintained under Section 189 of the Act, will be available for inspection by the Members through electronic mode during the AGM and the relevant documents referred to in the AGM Notice will also be available electronically for inspection by the Members, without payment of any fees, from the date of circulation of this Notice up to the date of AGM, i.e. 29th September, 2025. Members seeking inspection of the aforementioned documents can send an email to cs@gayatrihighways.com with the subject line: Gayatri Highways Limited - AGM 2025 - Inspection - AGM 2025.
13. The Scrutinizer will submit his report to the Chairman of the meeting or to any other person authorized by the Chairman after the completion of the scrutiny of the e-voting (votes cast during the AGM and votes cast through remote e-voting). The resolutions will be deemed to be passed on the date of the Meeting subject to receipt of the requisite number of votes in favour of the resolutions.
14. The results declared along with the Scrutinizer's Report will be forwarded to BSE Limited and National Stock Exchange of India Limited and will be placed on the Company's website at <https://www.gayatrihighways.com> and the Company's RTA's website at <https://evoting.kfintech.com>, and shall be displayed at the Registered Office of the Company.
15. For shares held in electronic form: Members holding shares in electronic form are requested to update their KYC / submit their PAN and other documents, and who have not registered their email addresses, are requested to register their email addresses with their respective Depository Participants (DPs). It may be noted that any service request or compliant can be processed only if it is KYC compliant.
16. For shares held in physical form: SEBI vide its Circular dated 3rd November, 2021 has mandated registration of PAN, KYC details and Nomination, by holders of physical securities and as per regulation 40 of the LODR Regulations, securities of listed companies can be transferred only in dematerialised form with effect from 1st April, 2019, except in case of transmission or transposition of securities. Further, SEBI vide its Master Circular No. SEBI/HO/MIRSD/POD-1/P/CIR/ 2024/37 dated 7th May, 2024, has mandated that securities shall be issued only in dematerialised mode while processing duplicate / unclaimed suspense / renewal / exchange / endorsement / sub-division / consolidation / transmission / transposition service requests received from physical securities holders.

In view of the above and to eliminate risk associated with physical shares and to avail various benefits of dematerialisation, Members are advised to dematerialise their shares held in physical form. Members are requested to update their email addresses with the Company and with RTA.
17. Members can avail nomination facility in respect of shares held by them in physical form pursuant to the provisions of section 72 of the Act. Members desiring to avail this facility may send their nomination in the prescribed Form No. SH-13 duly filled in to RTA at Selenium Building, Tower-B, Plot No. 31 & 32, Financial District, Nanakramguda, Serilingampally, Hyderabad, Rangareddy, Telangana – 500 032, India or by email to einward.ris@kfintech.com. Members holding shares in electronic form may contact their respective DPs for availing this facility.
18. Your Company will be providing the facility of live webcast of proceedings of AGM. Members who are entitled to participate in the AGM can view the proceedings of AGM by logging on the website of KFin at

<http://emeetings.kfintech.com> using their secure login credentials. Members are encouraged to use this facility of webcast. During the live webcast of AGM, Members may post their queries in the message box provided on the screen.

A person who is not a shareholder as on the cut-off date should treat this Notice for information purpose only.

PROCEDURE FOR REMOTE E-VOTING

24. In compliance with the provisions of Section 108 of the Act, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, Regulation 44 of the SEBI Listing Regulations and in terms of SEBI vide circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020 in relation to e-Voting Facility Provided by Listed Entities, the Members are provided with the facility to cast their vote electronically, through the e-Voting services provided by KFinTech, on all the resolutions set forth in this Notice. The instructions for e-Voting are given herein below.
25. However, in pursuant to SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on "e-Voting facility provided by Listed Companies", e-Voting process has been enabled to all the individual

demat account holders, by way of single login credential, through their demat accounts / websites of Depositories / DPs in order to increase the efficiency of the voting process.

26. Individual demat account holders would be able to cast their vote without having to register again with the e-Voting service provider (ESP) thereby not only facilitating seamless authentication but also ease and convenience of participating in e-Voting process. Shareholders are advised to update their mobile number and e-mail ID with their DPs to access e-Voting facility.
27. The remote e-Voting period commences on 25th September, 2025 (9:00 a.m. IST) and ends on 28th September, 2025 (5:00 p.m. IST). During this period, Members of the Company holding shares either in physical form or in demat form, as on the cut-off date i.e. Monday, 22nd September, 2025 may cast their vote by remote e-voting. The remote e-voting module shall be disabled by KFin for voting thereafter. Once the vote on a resolution is cast by a Member, the Member shall not be allowed to change it subsequently.
28. The voting rights of Members shall be in proportion to their shares in the paid-up equity share capital of the Company as on the cut-off date.
29. Any person holding shares in physical form and non-individual shareholders, who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the login ID and password by sending a request at evoting@Kfintech.com. However, if he / she is already registered with KFinTech for remote e-Voting then he /she can use his / her existing User ID and password for casting the vote.
30. In case of Individual Shareholders holding securities in demat mode and who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date may follow steps mentioned below under "Login method for remote e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode."

II) Login methods for e-voting for shareholders other than individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

- (A) Members whose email IDs are registered with the Company/ Depository Participants (s), will receive an email from KFintech which will include details of E-Voting Event Number (EVEN), USER ID and password. They will have to follow the following process:
 - i. Launch internet browser by typing the URL: <https://evoting.kfintech.com/>
 - ii. Enter the login credentials (i.e. User ID and password). In case of physical folio, User ID will be EVEN (E-Voting Event Number) xxxx, followed by folio number. In case of Demat account, User ID will be your DP ID and Client ID. However, if you are already registered with KFintech for e-voting, you can use your existing User ID and password for casting the vote.
 - iii. After entering these details appropriately, click on "LOGIN".
 - iv. You will now reach password change Menu wherein you are required to mandatorily change your password. The new password shall comprise of minimum 8 characters with at least one upper case (A-Z), one lower case (a-z), one numeric value (0-9) and a special character (@, #, \$, etc.). The system will prompt you to change your password and update your contact details like mobile number, email ID etc. on first login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended that you do not share your password with any other person and that you take utmost care to keep your password confidential.
 - v. You need to login again with the new credentials.

- vi. On successful login, the system will prompt you to select the “EVENT” i.e., ‘GAYATRI HIGHWAYS LIMITED - AGM’ and click on “Submit”
 - vii. On the voting page, enter the number of shares (which represents the number of votes) as on the Cut-off Date under “FOR/AGAINST” or alternatively, you may partially enter any number in “FOR” and partially “AGAINST” but the total number in “FOR/AGAINST” taken together shall not exceed your total shareholding as mentioned herein above. You may also choose the option ABSTAIN. If the Member does not indicate either “FOR” or “AGAINST” it will be treated as “ABSTAIN” and the shares held will not be counted under either head.
 - viii. Members holding multiple folios/demat accounts shall choose the voting process separately for each folio/ demat accounts.
 - ix. Voting has to be done for each item of the notice separately. In case you do not desire to cast your vote on any specific item, it will be treated as abstained.
 - x. You may then cast your vote by selecting an appropriate option and click on “Submit”.
 - xi. A confirmation box will be displayed. Click “OK” to confirm else “CANCEL” to modify. Once you have voted on the resolution (s), you will not be allowed to modify your vote. During the voting period, Members can login any number of times till they have voted on the Resolution(s).
 - xii. FUTURE OUTLOOK

India's infrastructure sector continues to serve as a cornerstone of national development, with roads and highways playing a critical role in connecting people, markets, and industries. As India pursues its ambition to become a US\$ 26 trillion economy by 2047, infrastructure development—especially road construction—remains central to enhancing productivity, reducing logistics costs, and improving ease of doing business.

The Government of India has reaffirmed its commitment to large-scale infrastructure expansion through continued investments under flagship programmes such as PM GatiShakti, Bharatmala Pariyojana, the National Infrastructure Pipeline (NIP), and the National Monetization Pipeline (NMP). These initiatives are driving integrated planning and accelerated execution of transportation infrastructure projects, particularly in the roads and highways sector.

In the Union Budget 2025–26, the infrastructure allocation has been increased to Rs. 11.1 lakh crore (approx. US\$ 133 billion), with special emphasis on sustainable transportation, multimodal logistics, and digital monitoring of projects. The Ministry of Road Transport and Highways (MoRTH) alone has been allocated over Rs. 1.5 lakh crore, reaffirming the government's resolve to upgrade national highway corridors, enhance expressway networks, and improve last-mile connectivity across the country.

Under PM GatiShakti, over 2 lakh km of national highways are proposed to be completed by FY 2026, and dedicated logistics zones and multimodal terminals are being developed to ease freight movement. This unified master plan now integrates railways, roads, ports, airways, and even energy grids, creating unprecedented opportunities for EPC and HAM contractors in the road sector.

Private sector participation in highway development under *PPP, BOT, HAM, and TOT models* continues to gain traction. Recent policy reforms, digital procurement platforms, and viability gap funding have further streamlined participation by infrastructure developers.

Your Company remains focused on leveraging these opportunities by:

- Evaluating new concession models and bidding for viable NHAI/MoRTH projects
- Strengthening execution capacity through technology-enabled project management
- Enhancing collaboration with existing Special Purpose Vehicles (SPVs)
- Strictly adhering to evolving ESG norms, safety regulations, and fiscal discipline

Despite challenges such as rising input costs, land acquisition delays, and financing constraints, the long-term outlook for the road construction sector remains strong and resilient. The government's thrust on capital expenditure, digital highways, and green infrastructure will continue to open new avenues for execution-driven and compliance-oriented companies like ours.

Infrastructure support to nation's manufacturers also remains one of the top agendas as it will significantly transform goods and exports movement making freight delivery effective and economical.

Your Company is exploring new opportunities to identify suitable and viable project or to continue and strengthen its present business with its existing SPVs keeping in view the current business conditions, financial constraints, modern technologies, project deadlines, safety protocols, compliances and market margins.

Your Company remains committed to contributing meaningfully to India's infrastructure growth journey by adopting innovative construction methods, aligning with national priorities, and delivering projects with integrity, efficiency, and sustainable value.

AUDITOR'S REPORT

The Independent Auditor's Report issued by M/s. PRSV & Co. LLP, Chartered Accountants, the Statutory Auditors of the Company on the Standalone and Consolidated Financial Statements of the Company have qualifications.

EXPLANATIONS OR COMMENTS BY THE BOARD ON EVERY QUALIFICATION, RESERVATION OR ADVERSE REMARK OR DISCLAIMER MADE BY THE AUDITOR'S IN THEIR REPORT:

Auditors Qualification (Standalone)

1. The Company has written back Zero Interest Sub-ordinate Loan (ZISL) payable to Gayatri Projects Limited (GPL) of Rs. 17,887.51 Lakhs during the financial year 2022-23 which has been subject to confirmation from GPL. In the absence of balance confirmation, we are unable to comment upon the aforesaid write back and the carrying value of the payable as at 31 March 2025 or any adjustments required to and the consequent impact if any, on the financial statements had the confirmation been received from the GPL. Further, the Company did not get the confirmation of loan balance from GPL for non-interest-bearing loan amount due to them of Rs. 7,403.47 as GPL is under IBC.

Explanation:

As per the terms of the MOU dated 20.03.2019 between the parties, the ZISL is no more payable to Gayatri Projects Limited and hence the company has written back the ZISL. Management is unable to estimate the impact due to the non-confirmation of balances by GPL. The management further informed that GPL is in NCLT under IBC.

2. The Company has defaulted in repayment of outstanding term loan of Rs. 3,822.65 Lakhs and outstanding accumulated interest of Rs. 1,193.21 Lakhs (Interest was recognized in the financial statements till 31 March 2023) payable to IL&FS Financial Services Limited. The company has been calculating and recognizing interest only on the defaulted principle of Rs. 3,822.65 Lakhs as per the existing loan agreement since the Company has not received balance confirmation from the said lender. In the absence of balance confirmation, we are unable to comment on the carrying value of term loan principle and outstanding interest as at 31 March 2025 or any adjustment required to and the consequent impact if any on the financial statements had the confirmations been received from the lender.

Explanation:

The Company has requested for confirmation of balances and is yet to be received.

3. The Company did not provide interest on the outstanding term loan of Rs. 3,822. 65 Lakhs due to IL&FS Financial Services Limited for the period 01 April 2023 to 31 March 2025. The Company's records indicate that, had management provided interest for the period 01 April 2023 to 31 March 2025, the cumulative loss and the corresponding liability would have been increased by Rs. 1,146.80 Lakhs and total equity would have been reduced by Rs. 1,146.80 Lakhs calculated on interest of 15% p.a.

**Explanation:**

The Lender has already claimed the amounts from the Guarantor M/s. Gayatri Projects Limited. Further the lender has already submitted the claim to NCLT under IBC, 2016 against the Guarantor namely M/s. Gayatri Projects Limited and NCLT has admitted and appointed CIRP. As the matter is under dispute, the Company did not provide interest for the said period.

- 4(a) The Company has invested Rs.434.32 lakhs as equity and 0.001% optionally convertible debentures of Rs. 1,112.48 lakhs as well as advanced loans including interest till 31 March 2025 of Rs. 2,642.17 lakhs. Further it has to receive an amount of Rs.83.52 lakhs towards receivable for deputation. All these amounts aggregate to Rs. 4,272.49 lakhs in Cyberabad Expressways Limited (CEL), a jointly controlled entity.**

As per the audited financial statements of the CEL as on 31 March 2025, the negative net worth stood at Rs. 11,513.94 lakhs. Consequent to the erosion in the net worth of CEL, the exposure of the Company to the extent of Rs. 4,272.49 lakhs is required to be impaired fully. IndAS 36 requires the company to provide for impairment in the value of investments and other financial assets by providing for the amount of impairment in the Profit & Loss Account.

- 4 (b) The Company has invested Rs. 1,581.36 lakhs as equity (50% share in equity) and Rs. 20.88 lakhs towards receivable for deputation aggregating to Rs. 1,602.24 lakhs in Hyderabad Expressways Limited (HEL), a jointly controlled entity.**

As per the audited financial statements of the HEL as on 31 March 2025, the positive net worth stood at Rs. 7,745.55 lakhs including a loan of Rs. 5,114.52 lakhs advanced to CEL. As per the above paragraph, CEL has a negative net-worth of Rs. 11,513.95 lakhs as on 31 March 2025. Continuing for the reasons stated in the above paragraph, the loan advanced by HEL is in our opinion, doubtful of recovery resulting in reduction of net-worth of HEL to Rs. 2,631.03 lakhs. The Company owns 50% of the equity share capital of HEL and hence the Company share of net-worth in HEL works out to Rs. 1,315.52 lakhs vis-à-vis the exposure of Rs. 1,602.24 lakhs. This result in impairment to an extent of Rs.286.73 Lakhs from out of the investments made in HEL and Receivables due. Ind AS 36 requires the company to provide for this impairment in the value of investments and other financial assets by providing for the amount of impairment in the Profit & Loss Account.

Since the Company has not impaired the cost of investments, debentures, loans granted to jointly controlled entities and trade receivables to an extent of Rs. 4,272.49 lakhs to CEL and Rs.286.73 Lakhs to HEL in its books, the Loss for the year and other Comprehensive Income are understated by the said amount. The Other Equity in the balance sheet is overstated by Rs. 4,559.22 lakhs. Our conclusion on the statement is qualified in respect of the above matters.

Explanation:

There is an income receivable by Cyberabad Expressways Limited (CEL) due from the Government of Telangana/HGCL/HMDA. The Company has won the case in Arbitration, Commercial court and two additional cases in Hon'ble High Court of Telangana. Eventhough Section 37 petition is pending in Hon'ble High Court of Telangana, the company is insisting the payment of dues through an Executive Petition in Commercial Court which is pending. The Company further informed that it is confident of winning the case and receive the amount of Rs. 400 Crores (approx.) from the Government of Telangana/HGCL/HMDA. But as there is still an opportunity to the government to further escalate the case in higher legal forums like High Court or Supreme Court, CEL, a Jointly controlled Entity, has not recognized the income as the receipt of funds is contingent in nature. Accordingly, the management has not impaired its cost of investments, loans and receivables from CEL and also from HEL.

5. We were informed that the Holding Company did not receive the audited financial statements of Indore Dewas Tollways Limited (IDTL), which is a material subsidiary of the Holding Company for the quarter and year ended 31 March 2025 for the reasons stated there under. We were informed that the hon'ble NCLT bench at Hyderabad had admitted IDTL into Corporate Insolvency Resolution Process (CIRP) under Section 7 of the Insolvency and Bankruptcy Code (IBC), 2016 (as amended) and appointed Interim Resolution Professional (IRP). Further, a liquidator has been appointed for liquidation of IDTL. In this regard, we were informed that the Holding Company has compiled the financials results of IDTL for the year ended 31 March 2025 that were included in the statement by adopting the following procedure.

For the period 01st April 2023 to 30th October 2023, based on books of accounts and for the period 31st October 2023 to 31st March 2025, as nil transactions.

In the absence of the consolidation of subsidiary for the full year, we are unable to determine the effects on the consolidated financial statements of the failure to consolidate the subsidiary for the full year.

Explanation:

The hon'ble NCLT bench at Hyderabad had admitted IDTL into Corporate Insolvency Resolution Process (CIRP) under Section 7 of the Insolvency and Bankruptcy Code (IBC), 2016 (as amended) and appointed Interim Resolution Professional (IRP) with effect from 31st October, 2023. We have pursued the IRP of IDTL to provide the annual accounts for the financial year 2023-24, but we have not received any information or response from him. Hence we have prepared the consolidated accounts based on the available information from 1st April 2023 to 30th October 2023. Further a liquidator has been appointed for liquidation of IDTL.

MANAGEMENT DISCUSSION AND ANALYSIS

COMPANY'S OVERVIEW

Gayatri Highways Limited - GHL ("the Company") was incorporated during the year 2006 in accordance with the provisions of Companies Act, 1956. The Company on its own and through its jointly controlled entities is in the business of construction, operations and maintenance of carriageways on toll and annuity basis pursuant to the development agreements with the National and State Governments and makes investments in companies engaged in the construction, operations and maintenance of roads, highways, vehicle bridges and tunnels and toll roads. The registered office of the Company is located at 5th Floor, A-Block, 6-3-1090, TSR Towers, Rajbhavan Road, Somajiguda, Hyderabad - 500082, Telangana.

Industry Analysis:

Global economy has shown moderate growth with high pressures and geopolitical instability. Monetary policies and particularly interest rate adjustments in major economies added complexity, Emerging markets performed diversely. Trade tensions, supply chain disruptions, investment volatility, AI technology advancements and work force adaptations created a uncertain dynamic business environment for government, businesses, industry and policy makers. Global economy is projected to grow at a slow rate with a slow decline in inflation.

Indian economy is expected to continue its momentum growth. In FY 2024-25, capital expenditure of the National Highway Authority of India (NHAI) reached an all-time high of Rs.2.5 lakh crore, reporting a strong growth of 21% over the previous year. India continued to witness significant change in road construction, driven by continued investments under the Bharatmala Pariyojana project and the National Infrastructure Pipeline (NIP). The Union Budget for FY 2025-26 included a record-breaking capital allocation of Rs.2.65 lakh crore for the railways. The key areas targeted for investment are rolling stock, multitracking works, electrification, passenger amenities, high-speed rail and DFCs. The budgetary allocation for the Ministry of Road Transport and Highways (MoRTH) is Rs.2.87 lakh crore, an annual increase of 2.4% on a year on year basis.

The Build-Operate-Transfer (BOT) model by the government offers contractors long-term revenue opportunities through the operation and maintenance phases of an infrastructure project.

The Company continues to focus on opportunities by partnering with BOT concessionaires for the EPC scope of the project.

Opportunities and Threats

In view of more and more competition in infrastructure industry, the opportunities for securing contracts need continuous innovation in its various core functions. The Company has emerged as a significant Infrastructure Company with diversification in Roads and Expressways. The Company is poised to seize every opportunity to expand the existing line of business. The Company is well equipped to handle threats of competition and challenges or the Company's ongoing execution of Projects.

Business outlook:

In the Union Budget 2025-26, the infrastructure allocation has been increased to Rs. 11.1 lakh crore (approx. US\$ 133 billion), with special emphasis on sustainable transportation, multimodal logistics, and digital monitoring of projects. The Ministry of Road Transport and Highways (MoRTH) alone has been allocated over Rs. 1.5 lakh crore, reaffirming the government's resolve to upgrade national highway corridors, enhance expressway networks, and improve last-mile connectivity across the country.

In the road's sector, the Government's policy to increase private sector participation has proved to be a boon for the infrastructure industry as many private players are entering the business through the public-private partnership (PPP) model.

Your Company is exploring new opportunities to identify suitable and viable project or to continue and strengthen its present business with its existing SPVs keeping in view the current business conditions, financial constraints, modern technologies, project deadlines, safety protocols, compliances and market margins

RISKS AND CONCERNS

Inadequate risk management is a primary cause of concern indicated by most organizations in India. To be in a position to have fully identified all risks associated with a project and have a response plan for each; that is clearly a benchmark most organizations acknowledge, nevertheless, do little about it. Risk Management by its very nature is flawed because it only identifies the things project managers know; it fails to appreciate the “unknown”, “unknowns”, the “un-controllable”. That said, the more risks identified and planned for, the better position the project team is in to deliver a successful project. Risk Management has been identified as a best practice by most respondents. Moreover, there is a growing concern among Organizations about inaccurate risk identification. The project will yield continuous flow of revenue for the Company

The Company’s risk management approach is embedded within its core corporate governance approach, framework and proactive response to emerging challenges for assessment of business risks, operating controls and in compliance with Company’s policies.

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY

The Company has adequate Internal Control Systems and Procedures with regard to purchase of Stores, Raw Materials including Components, Plant and Machinery, equipment, sale of goods and other assets. The Company has clearly defined roles and responsibilities for all positions and all operating parameters are monitored and controlled.

The Company designs and maintains accounting and internal control systems to provide reasonable assurance at reasonable cost that assets are safeguarded against loss from unauthorized use or disposition, and that the financial records are reliable for preparing financial statements and maintaining accountability for assets. The Board process and systems to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. These systems are augmented by written policies, an organizational structure providing division of responsibilities, careful selection and training of qualified personnel, and a program of internal audits.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, and its profit, and its cash flows for the year ended on that date.

Basis for Qualified Opinion

- 1 The Company has written back Zero Interest Sub-ordinate Loan (ZISL) payable to Gayatri Projects Limited (GPL) of Rs. 17,887.51 Lakhs during the financial year 2022-23 which has been subject to confirmation from GPL. In the absence of balance confirmation, we are unable to comment upon the aforesaid write back and the carrying value of the payable as at 31 March 2025 or any adjustments required to and the consequent impact if any, on the financial statements had the confirmation been received from the GPL. Further, the Company did not get the confirmation of loan balance from GPL for non-interest-bearing loan amount due to them of Rs. 7,403.47 Lakhs as GPL is under IBC.
2. The Company has defaulted in repayment of outstanding term loan of Rs. 3,822.65 Lakhs and outstanding accumulated interest of Rs. 1,193.21 Lakhs (Interest was recognized in the financial statements till 31 March 2023) payable to IL&FS Financial Services Limited. The company has been calculating and recognizing interest only on the defaulted principle of Rs. 3,822.65 Lakhs as per the existing loan agreement since the Company has not received balance confirmation from the said lender. In the absence of balance confirmation, we are unable to comment on the carrying value of term loan principle and outstanding interest as at 31 March 2025 or any adjustment required to and the consequent impact if any on the financial statements had the confirmations been received from the lender.
3. The Company did not provide interest on the outstanding term loan of Rs. 3,822. 65 Lakhs due to IL&FS Financial Services Limited for the period 01 April 2023 to 31 March 2025. The Company's records indicate that, had management provided interest for the period 01 April 2023 to 31 March 2025, the cumulative loss and the corresponding liability would have been increased by Rs. 1,146.80 Lakhs and total equity would have been reduced by Rs. 1,146.80 Lakhs calculated on interest of 15% p.a.
4. a. The Company has invested Rs.434.32 Lakhs as equity and 0.01% optionally convertible debentures of Rs. 1,112.48 Lakhs as well as advanced loans including interest till 31 March 2025 of Rs. 2,642.17 Lakhs. Further it has to receive an amount of Rs.83.52 Lakhs towards receivable for deputation. All these amounts aggregate to Rs. 4,272.49 Lakhs in Cyberabad Expressways Limited (CEL), a jointly controlled entity.

As per the audited financial statements of the CEL as on 31 March 2025, the negative net worth stood at Rs. 11,513.94 Lakhs. Consequent to the erosion in the net worth of CEL, the exposure of the Company to the extent of Rs. 4,272.49 Lakhs is required to be impaired fully. IndAS 36 requires the Company to provide for impairment in the value of investments and other financial assets by providing for the amount of impairment in the Profit & Loss Account.

- b. The Company has invested Rs. 1,581.36 Lakhs as equity (50% share in equity) and Rs. 20.88 Lakhs towards receivable for deputation aggregating to Rs. 1,602.24 Lakhs in Hyderabad Expressways Limited (HEL), a jointly controlled entity.

As per the audited financial statements of the HEL as on 31 March 2025, the positive net worth stood at Rs. 7,745.55 Lakhs including a loan of Rs. 5,114.52 Lakhs advanced to CEL. As per the above paragraph, CEL has a negative net-worth of Rs. 11,513.95 Lakhs as on 31 March 2025. Continuing for the reasons stated in the above paragraph, the loan advanced by HEL is in our opinion, doubtful of recovery resulting in reduction of net-worth of HEL to Rs. 2,631.03 Lakhs. The Company owns 50% of the equity share capital of HEL and hence the Company share of net-worth in HEL works out to Rs. 1,315.52 Lakhs vis-à-vis the exposure of Rs. 1,602.24 Lakhs. This result in impairment to an extent of Rs.286.73 Lakhs from out of the investments made in HEL and Receivables due. Ind AS 36 requires the company to provide for this impairment in the value of investments and other financial assets by providing for the amount of impairment in the Profit & Loss Account.

Since the Company has not impaired the cost of investments, debentures, loans granted to jointly controlled entities and trade receivables to an extent of Rs. 4,272.49 Lakhs to CEL and Rs.286.73 Lakhs to HEL in its books, the Loss for the year and other Comprehensive Income are understated by the said amount. The Other Equity in the balance sheet is overstated by Rs. 4,559.22 Lakhs. Our conclusion on the statement is qualified in respect of the above matters.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Auditor's Response
1. As at 31 March 2025, the Company has total exposure of Rs. 12,193.61 Lakhs comprising of equity of Rs. 75.44 lakhs (for 26% stake), Non- Convertible Redeemable preference shares of Rs. 12,002.17 Lakhs and receivable of Rs. 116.00 lakhs which are classified as financial assets in the financial statements. Un-audited financial statements of HKR Roadways Ltd as on 31 March 2025 show a negative net worth of Rs. 3,507.03 lakhs (Previous year positive net worth of Rs. 7,375.83 lakhs). In the light of the above there is a requirement to ascertain whether the said exposure of the Company in the associate Company is impaired in terms of Ind AS 36 - 'Impairment of Assets'.	<p>In respect of the impairment indicator assessment for the investments our audit procedures included and were not limited to the following: -</p> <p>Obtained and read the financial statements of the associate entity to identify if any disclosure is made for impairment of assets in its standalone financial statements.</p> <p>We have obtained the management's understanding and opinion in estimating the realizable value of the amount invested in the associate company with regard to impairment.</p>

As per Ind AS 36 - 'Impairment of Assets' the standard is applicable to financial assets classified as investments in subsidiaries, associates and joint ventures. Accordingly, in assessing whether there is any indication that an asset may be impaired, an entity shall consider as a minimum, the external and internal sources of information, any other indications or evidences from internal reporting that indicates that the assets may be impaired.

This assessment involves significant judgment especially in relation to determination of expected future economic benefits.

Accordingly, the evaluation of impairment of investments in subsidiaries/joint ventures was determined to be a key audit matter.

We understand that the Company is in the process of divesting its share along with the other partner and expects to realise a consideration in excess of the exposure by it. Management has prepared revenue projections and has computed the DCF value of Rs. 1,97,087.27 Lakhs to take care of all the third-party liabilities in the said Company including premium on redemption of preference shares and sponsor loan interest as well as redeemable preference shares and the payback of equity investment.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the Management report, Chairman's statement, Director's report, Business

Responsibility and Sustainability Reporting etc. but does not include the standalone financial statements and our auditor's report thereon. The Management report, Chairman's statement, Director's report, Business Responsibility and Sustainability Reporting etc. is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Management report, Chairman's statement, Director's report, Business Responsibility and Sustainability Reporting etc., if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibility of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, the statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

- e) On the basis of the written representations received from the directors as on 31 March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position except those disclosed in financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. a) the management has represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 b) the management has represented that, to the best of their knowledge and belief, no funds have been received by the Company to or in any other person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly lend or invest in other person or entity identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 c) based on our audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that that has caused us to believe that the representations under above sub-clause (a) and (b) contain any material misstatement.
 - v. The Company has not declared or paid any dividend during the year.
 - vi. Based on our examination which included test checks the Company has used accounting software for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software, Further, for the periods where audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting software, we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention
 - vii. The Company did not pay any remuneration to its directors during the current year except gratuity provision made in the books as per the actuarial valuation report.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT
(Referred to in our Report of even date)**Report on on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Gayatri Highways Limited ("the Company") as of 31st March 2025 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Standalone Financial Statements

(All amounts in ₹ Lakhs unless otherwise stated)

1. Corporate Information

Gayatri Highways Limited - GHL ("the Company") was incorporated during the year 2006 in accordance with the provisions of Companies Act, 1956. The Company on its own and through its jointly controlled entities is in the business of construction, operations and maintenance of carriageways on toll and annuity basis pursuant to the development agreements with the National and State Governments and makes investments in companies engaged in the construction, operations and maintenance of roads, highways, vehicle bridges and tunnels and toll roads. The registered office of the Company is located in 6-3-1090, 5th Floor, A-Block, TSR Towers, Rajbhavan Road, Somajiguda, Hyderabad-500082.

2. Summary of material accounting policies

a) Basis of preparation of standalone financial statements

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Unless otherwise stated, the accounting policies applied by the Company are consistent with those used in the previous year.

b) Use of estimates

The preparation of the standalone financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make estimates and judgements that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the reporting date of the standalone financial statements and amounts of income and expenses. Examples of such estimates include the ECL provision of trade receivables, determination of recoverable amounts of plant, property and equipment, deferred tax assets, employee benefits and useful lives of plant, property and equipment.

Although these estimates are based on management's best knowledge of current events and actions, actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

c) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when it is:

- Expected to be settled in normal operating cycle;
- Held primarily for the purpose of trading;
- Due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

Notes to the Standalone Financial Statements

(All amounts in ₹ Lakhs unless otherwise stated)

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has identified twelve months as its operating cycle.

d) Fair value measurement

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to / by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting year. External valuers are involved for valuation of significant assets and significant liabilities. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

e) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Sale of Services: Revenue from services rendered which primarily relate to deputation and operation and maintenance income is recognised in the statement of profit and loss as and when the underlying services are performed.

Notes to the Standalone Financial Statements

(All amounts in ₹ Lakhs unless otherwise stated)

Revenue from fixed price contracts is recognised as per the percentage of completion method where the performance obligations are satisfied over time and when there is no uncertainty as to measurement or collectability of consideration.

Interest income: For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

Dividend: Dividend is recognised when the Company's right to receive the payment is established i.e. when it is probable that the economic benefits associated with the dividend will flow to the entity.

f) Earnings/(loss) per share

Basic earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

g) Provisions and contingent liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

h) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

i) Taxes

Income tax expense comprises of current and deferred tax. Current income tax assets and liabilities is measured at the amount expected to be recovered from or paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provision where appropriate.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

Notes to the Standalone Financial Statements

(All amounts in ₹ Lakhs unless otherwise stated)

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

j) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A) Financial Asset

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade receivables and loans

Equity investments:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity investments which are held for trading are classified as FVTPL. For all other equity investments, the Company may make an irrevocable election to present in OCI subsequent changes in fair value. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

Notes to the Standalone Financial Statements

(All amounts in ₹ Lakhs unless otherwise stated)

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognised in OCI. There is no recycling of amounts from OCI to P&L, even on sale of investment. Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the P&L.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- the rights to receive cash flows from the asset have expired, or
- the Company has transferred its rights to receive cash flows from the asset, and (i) the Company has transferred substantially all the risks and rewards of the asset, or (ii) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on trade receivables and other financial assets.

B) Financial Liability

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and financial guarantee contracts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities designated upon initial recognition as at fair value through profit or loss.

Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Notes to the Standalone Financial Statements

(All amounts in ₹ Lakhs unless otherwise stated)

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

k) Plant, Property and Equipments

Plant, Property and Equipments are stated at cost of acquisition, less accumulated depreciation thereon. The cost of an item of fixed asset comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

l) Depreciation and amortization

Depreciation of Plant, Property and Equipments is provided on the basis of straight line method in accordance with Schedule II to the Companies Act, 2013.

m) Impairment of non-financial assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors an impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

n) Employee benefits

GRATUITY – The company operates a defined gratuity plan in India, which is non-funded based and governed by the Payment of Gratuity Act, 1972. Company's liability towards gratuity is determined by independent actuaries, using the projected unit credit method.

Past service costs are recognised immediately in the statement of profit and loss. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions for defined benefit obligation and plan assets are recognised in OCI in the period in which they arise. When the benefits under a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in the statement of profit and loss. The Company recognises gains or losses on the settlement of a defined benefit plan obligation when the settlement occurs.

\$Note on Relinquishment of rights:

Sai Maatarini Tollways Limited (SMTL)

Gayatri Highways Limited (GHL) has relinquished all its rights including but not limited to rights to receive dividend, right of voting, right to appoint directors, right to receive any money from SMTL with effect from 6th January, 2025 which was approved by the members through postal ballot and SMTL is ceased to be subsidiary in GHL.

Accordingly, GHL has derecognised the investment in SMTL along with goodwill.

The following are the Investments are derecognised w.r.t. SMTL:

Particulars	As at 31st March 2025	As at 31st March 2024
Equity Value of Investment in SMTL	17,940.48	—
Goodwill on acquisition of Shares in SMTL	75.55	—
Derecognition of Investment in SMTL	18,016.03	—

*Note on Impairment Loss recognised

i. Sai Maatarini Tollways Limited (SMTL)

Gayatri Highways Limited (GHL) has initially impaired its Investment in FY 2022-23 based on IndAS-36 - "Impairment of Assets". As per the clause 9 of Ind AS 36, GHL has tested its investments in SMTL for impairment and estimated the recoverable amount of the investment as zero based on the IDBI (the Lead Bank of SMTL) provided sanction letter vide dated 15 July, 2022, with the terms and conditions which contain the following:

"SMTL/its Sponsors shall recompense the lenders, from all the present and future payments from NHAI, in relation to the project, towards Termination payment or any claim by SMTL or its sponsors or any other identified/unidentified claims, if any. The said payments from NHAI shall be for the sole benefit of Lenders (Senior Lenders and Sub-debt Lenders) and shall be deposited in escrow account maintained with lead bank or in any other account identified by the lead bank for the benefit of Lenders".

As per the above sanction letter, the bank clearly mentioned that any claims received by the SMTL is payable only to the Lenders and not to sponsors (Equity or Quasi-Equity). Further, Sai Maatarini Tollways Limited (SMTL) has entered into a settlement agreement with NHAI towards the full and final settlement of all dues and Claims vide dated 30.03.2023. As per IDBI sanction letter, the investment of GHL (Equity and Quasi-Equity (ZISL)) in SMTL is not realizable and any claim amounts will be paid only to the lenders.

Accordingly, GHL has impaired its Equity Investment and written off the instruments entirely equity in nature in SMTL.

During the current financial year 2024-25, GHL has relinquished its rights in SMTL (refer above note) and derecognised the investment, accordingly impairment loss earlier recognised is derecognised.

The following are the Investments impaired w.r.t. SMTL:

Particulars	As at 31st March 2025	As at 31st March 2024
Equity Value of Investment in SMTL	17,940.48	17,940.48

4. Investments (continued)

ii. Indore Dewas Tollways Limited (IDTL)

Gayatri Highways Limited (GHL) has initially impaired its Investment in FY 2022-23 based on the clause 9 of Ind AS 36 - "Impairment of Assets", GHL has tested its investments in IDTL for impairment and estimated the recoverable amount of the investment as zero based on the following basis:

The IDTL's Project was terminated by NHAI and the toll collections are taken over by NHAI vide its letter dated 27.05.2022. Further, Loan accounts of IDTL have become NPA and Lenders have filed the cases before DRT and NCLT (under IBC) for recovery of loan.

The conciliation/settlement offer of the Company for Rs.270 Crores was not accepted by NHAI. Further, NHAI has informed that they will not pay anything to the company towards termination payment as the premium due to NHAI is more than the termination payment. In fact as per books of IDTL, the balance premium amount of Rs.566 Crores as on 31st March, 2023 is payable by IDTL to NHAI. The IDTL bank accounts are frozen and no operations are allowed except payment to IDTL lenders. The amount realizable from NHAI will not be sufficient to repay the senior lenders dues which are Rs.585.52 Crores as on 31st March, 2023.

As per the above, any amount realizable from NHAI the lenders will be adjusted to senior lenders dues and nothing will be available to Equity or Quasi-Equity.

Accordingly, GHL has impaired its Equity Investment and written off the instruments entirely equity in nature in IDTL. The following are the Investments impaired w.r.t. IDTL:

Particulars	As at 31st March 2025	As at 31st March 2024
Equity Value of Investment in IDTL	3.33	3.33
Impairment loss of Investment in IDTL	3.33	3.33

iii. Balaji Highways Holding Private Limited (BHHPL)

Gayatri Highways Limited (GHL) has initially impaired its Investment in FY 2023-24 based on the clause 9 of Ind AS 36 - "Impairment of Assets", GHL has tested its investments in BHHPL for impairment and estimated the recoverable amount of the investment as zero based on following basis:

- 1) The net worth of the BHHPL as on 31st March 2024 is negative Rs.14.07 Lakhs.
- 2) There are no regular operations generating revenue.
- 3) Only investment of BHHPL is in IDTL which was already in losses and the value of investment is impaired.

Accordingly, GHL has impaired its Equity Investment in BHHPL. Further, the net worth of the BHHPL as on 31st March, 2025 is negative Rs.15.21 Lakhs.

The following are the Investments impaired w.r.t. BHHPL:

Impairment loss on certain investments in subsidiaries and joint ventures has been recognised considering the performance of these companies and their future projections.

The Company has long-term investments in subsidiaries which are measured at cost less impairment or at fair value through profit or loss. The management assesses the performance of these entities including the future projections, relevant economic and market conditions in which they operate to identify if there is any indicator of impairment in the carrying value of the investments. In case indicators of impairment exist, the impairment loss is measured by estimating the recoverable amounts based on available information. The recoverable amount estimates are based on judgments, estimates, assumptions and market data as on reporting date and ignore subsequent changes in the economic and market conditions.

Notes to the Standalone Financial Statements

(All amounts in ₹ Lakhs unless otherwise stated)

During the year ended 31st March, 2024, the performance of subsidiaries coupled with the relevant economic and market indicators resulted in indicators of impairment in respect of certain entities. Accordingly, the Company determined the recoverable amounts of the long term assets and other exposures related to these entities and recorded a provision of Rs. 10 lakhs for the year ended 31st March, 2024.

Notes to financial instruments

i. The management assessed that the fair value of cash and cash equivalents, trade receivables, loans, trade payables and other financial liabilities approximate the carrying amount largely due to short-term maturity of these instruments. The management assessed that the fair value of borrowings approximate the carrying amount largely due to such borrowings carry interest rates or rates are negotiable.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

ii. Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data rely as little as possible on entity specific estimates.

Level 3: Inputs for the assets or liabilities that are not based on the observable marked data (unobservable inputs)

iii. Measurement of fair value of financial instruments

The Company's finance team performs valuations of financial items for financial reporting purposes, including Level 3 fair values, in consultation with third party valuation specialist for complex valuations, wherever necessary. Valuation techniques are selected based on the characteristics of each instrument, with the overall objective of maximizing the use of market-based information.

31 Financial risk management

Financial risk factors

The Company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement
Credit risk	Cash and cash equivalent, trade receivables, financial assets measured at amortized cost	Ageing analysis
Liquidity risk	Borrowings and other financial liabilities	Rolling cash flow forecasts
Market risk – Interest rate	Long-term borrowings at variable rates	Sensitivity analysis

The Company's risk management is carried out by a central treasury department (of the group) under policies approved by the board of directors. The board of directors provides written principles for overall risk management, as well as policies covering specific areas, such interest rate risk, credit risk and investment of excess liquidity.

a. Credit risk

Credit risk arises from cash and cash equivalents, trade receivables, investments carried at amortized cost and deposits with banks and financial institutions.

Credit risk management

The finance function of the Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics.

Significant increase in credit risk on an on-going basis throughout each reporting period. In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 30 days past due. A default on a financial asset is when the counterparty fails to make contractual payments when they fall due. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

Expected credit loss for trade receivables under simplified approach

The Company recognises significant income from toll road on the basis of actual collection and hence there are no significant outstanding. Hence, as the Company does not have significant credit risk, it does not present the information related to ageing pattern. The company has widespread customer base and no single customer accounted for 10% or more of revenue in any of the years indicated.

During the periods presented, the Company made no write-offs of trade receivables and it does not expect to receive future cash flows or recoveries from collection of cash flows previously written off.

b. Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Other financial liabilities	1,193.21	—	—	1,193.21
Total	25,118.65	16,770.03	—	41,888.68

c. Interest rate risk

The Company's fixed rate borrowings are carried at amortized cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, 'Financial Instruments - Disclosures', since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

The Company's variable rate borrowing is subject to interest rate. Below is the overall exposure of the borrowing:

	As at 31st March 2025	As at 31st March 2024
Fixed rate borrowing	20,592.68	20,592.68
Interest free borrowing	7,904.70	7,904.70
Total borrowings	28,497.38	28,497.38

Interest rate risk

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

32 Capital Management

The Company's objectives when managing capital are to:

Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

The Company monitors its capital using gearing ratio, which is net debt divided by total equity. Net debt includes long term borrowings, short term borrowings, current maturities of long term borrowings less cash and cash equivalents and other bank balances.

	As at 31st March 2025	As at 31st March 2024

II. Audit Qualification

S. No	Particulars	Remarks
1.	Details of Audit Qualification	<p>a. The Company has invested Rs.434.32 lakhs as equity and 0.001% optionally convertible debentures of Rs. 1,112.48 lakhs as well as advanced loans including interest till 31 March 2025 of Rs. 2,642.17 lakhs. Further it has to receive an amount of Rs.83.52 lakhs towards receivable for deputation. All these amounts aggregate to Rs. 4,272.49 lakhs in Cyberabad Expressways Limited (CEL), a jointly controlled entity.</p> <p>As per the audited financial statements of the CEL as on 31 March 2025, the negative net worth stood at 11,513.94 lakhs. Consequent to the erosion in the net worth of CEL, the exposure of the Company to the extent of Rs. 4,272.49 lakhs is required to be impaired fully. IndAS 36 requires the company to provide for impairment in the value of investments and other financial assets by providing for the amount of impairment in the Profit & Loss Account.</p> <p>b. The Company has invested Rs. 1,581.36 lakhs as equity (50% share in equity) and Rs. 20.88 lakhs towards receivable for deputation aggregating to Rs. 1,602.24 lakhs in Hyderabad Expressways Limited (HEL), a jointly controlled entity.</p> <p>As per the audited financial statements of the HEL as on 31 March 2025, the positive net worth stood at Rs. 7,745.55 lakhs including a loan of Rs. 5,114.52 lakhs advanced to CEL. As per the above paragraph, CEL has a negative net-worth of Rs. 11,513.95 lakhs as on 31 March 2025. Continuing for the reasons stated in the above paragraph, the loan advanced by HEL is in our opinion, doubtful of recovery resulting in reduction of net-worth of HEL to Rs. 2,631.03 lakhs. The Company owns 50% of the equity share capital of HEL and hence the Company share of net-worth in HEL works out to Rs. 1,315.52 lakhs vis-à-vis the exposure of Rs. 1,602.24 lakhs. This result in impairment to an extent of Rs. 286.73 lakhs from out of the investments made in HEL and Receivables due. Ind AS 36 requires the company to provide for this impairment in the value of investments and other financial assets by providing for the amount of impairment in the Profit & Loss Account.</p> <p>Since the company has not impaired the cost of investments, debentures, loans granted to jointly controlled entities and trade receivables to an extent of Rs. 4,272.49 lakhs to CEL and Rs.286.73 lakhs to HEL in its books, the Loss for the year and other</p>

		Comprehensive Income are understated by the said amount. The Other Equity in the balance sheet is overstated by Rs. 4,559.22 lakhs. Our conclusion on the statement is qualified in respect of the above matters.
2.	Type of Qualification	Qualified Opinion
3.	Frequency of Qualification	First Time
4.	For Audit Qualification(s) where impact is quantified by the Auditor, Management Views	There is an income receivable by Cyberabad Expressways Limited (CEL) due from the Government of Telangana/HGCL/HMDA. The company has won the case in Arbitration, Commercial court and two additional cases in Hon'ble High Court of Telangana. Eventhough Section 37 petition is pending in Hon'ble High Court of Telangana, the company is insisting the payment of dues through an Executive Petition in Commercial Court which is pending. The Company further informed that it is confident of winning the case and receive the amount of Rs. 400 Crores (approx.) from the Government of Telangana/HGCL/HMDA. But as there is still an opportunity to the government to further escalate the case in higher legal forums like High Court or Supreme Court, CEL, a Jointly controlled Entity, has not recognized the income as the receipt of funds is contingent in nature. Accordingly, the management has not impaired its cost of investments, loans and receivables from CEL and also from HEL.
5.	For Audit Qualification(s) where the impact is not quantified by the auditor:	
	i. Management's estimation on the impact of audit qualification.	Not Applicable
	ii. If management is unable to estimate the impact, reasons for the same.	Not Applicable
	iii. Auditor's Comments on (i) or (ii) above :	No further comments.

INDEPENDENT AUDITOR'S REPORT

To the Members of GAYATRI HIGHWAYS LIMITED

Report on the audit of the Consolidated Ind AS Financial Statements

Qualified Opinion

We have audited the accompanying Consolidated financial statements of Gayatri Highways Limited ("the Holding Company") its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and jointly controlled entities which comprise the Consolidated Balance Sheet as at 31 March 2025 and the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information for the year ended on that date..

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries and jointly controlled entities referred to in the Other Matters section below the aforesaid Consolidated financial statements to the extent made available to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2025, their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Qualified Opinion

1. The holding Company has written back Zero Interest Sub-ordinate Loan (ZISL) payable to Gayatri Projects Limited (GPL) of Rs. 17,887.51 Lakhs during the financial year 2022-23 which has been subject to confirmation from GPL. In the absence of balance confirmation, we are unable to comment upon the aforesaid write back and the carrying value of the payable as at 31 March 2025 or any adjustments required to and the consequent impact if any, on the financial statements had the confirmation been received from the GPL. Further, the Company did not get the confirmation of loan balance from GPL for non-interest-bearing loan amount due to them of Rs. 7,403.47 as GPL is under IBC.
2. The holding Company has defaulted in repayment of outstanding term loan of Rs. 3,822.65 Lakhs and outstanding accumulated interest of Rs. 1,193.21 Lakhs (Interest was recognized in the financial statements till 31 March 2023) payable to IL&FS Financial Services Limited. The Company has been calculating and recognizing interest only on the defaulted principle of Rs. 3,822.65 Lakhs as per the existing loan agreement since the Company has not received balance confirmation from the said lender. In the absence of balance confirmation, we are unable to comment on the carrying value of term loan principle and outstanding interest as at 31 March 2025 or any adjustment required to and the consequent impact if any on the financial statements had the confirmations been received from the lender.
3. The holding Company did not provide interest on the outstanding term loan of Rs. 3,822.65 Lakhs due to IL&FS Financial Services Limited for the period 01 April 2023 to 31 March 2025. The Company's records indicate that, had management provided interest for the period 01 April 2023 to 31 March 2025, the cumulative loss and the corresponding liability would have been increased by Rs. 1,146.80 Lakhs and total equity would have been reduced by Rs. 1,146.80 Lakhs calculated on interest of 15% p.a.
4. a. The holding Company has advanced loans including interest till 31 March 2025 of Rs. 2,642.17 lakhs. Further it has to receive an amount of Rs.83.52 lakhs towards receivable for deputation. All these amounts aggregate to Rs. 2,725.69 lakhs in Cyberabad Expressways Limited (CEL), a jointly controlled entity.

As per the audited financial statements of the CEL as on 31 March 2025, the negative net worth stood at Rs. 11,513.94 lakhs. Consequent to the erosion in the net worth of CEL, the exposure of the Company to the extent of Rs. 2,725.69 lakhs is required to be impaired fully. IndAS 36 requires the Company to provide for impairment in the value of investments and other financial assets by providing for the amount of impairment in the Profit & Loss Account.

- b. The holding Company has invested Rs. 2,429.51 lakhs (including accumulated share of profit as per equity method Rs. 848.15 lakhs) as equity (50% share in equity) and Rs. 20.88 lakhs towards receivable for deputation aggregating to Rs. 2,450.39 lakhs in Hyderabad Expressways Limited (HEL), a jointly controlled entity.

As per the audited financial statements of the HEL as on 31 March 2025, the positive net worth stood at Rs. 7,745.55 lakhs including a loan of Rs. 5,114.52 lakhs advanced to CEL. As per the above paragraph, CEL has a negative net-worth of Rs. 11,513.95 lakhs as on 31 March 2025. Continuing for the reasons stated in the above paragraph, the loan advanced by HEL is in our opinion, doubtful of recovery resulting in reduction of net-worth of HEL to Rs. 2,631.03 lakhs. The Company owns 50% of the equity share capital of HEL and hence the Company share of net-worth in HEL works out to Rs. 1,315.52 lakhs vis-à-vis the exposure of Rs. 2,450.39 lakhs. This result in impairment to an extent of Rs. 1,134.87 lakhs from out of the investments made in HEL and Receivables due. Ind AS 36 requires the Company to provide for this impairment in the value of investments and other financial assets by providing for the amount of impairment in the Profit & Loss Account.

Since the holding Company has not impaired the cost of investments, debentures, loans granted to jointly controlled entities and trade receivables to an extent of Rs. 2,725.69 lakhs to CEL and Rs. 1,134.87 lakhs to HEL in its books, the Loss for the year and other Comprehensive Income are understated by the said amount. The Other Equity in the balance sheet is overstated by Rs. 3,860.56 lakhs. Our conclusion on the statement is qualified in respect of the above matters.

5. As detailed in Note No 46 to the consolidated financial statements, we were informed that the parent did not receive the audited financial statements of Indore Dewas Tollways Limited (IDTL), which is a material subsidiary of the Holding Company for the year ended 31 March 2025 for the reasons stated there under. We were informed that the hon'ble NCLT bench at Hyderabad had admitted IDTL into Corporate Insolvency Resolution Process (CIRP) under Section 7 of the Insolvency and Bankruptcy Code (IBC), 2016 (as amended) and appointed Interim Resolution Professional (IRP) and a liquidator has been appointed for liquidation of IDTL. In this regard, we were informed that the parent has compiled the financials results of IDTL for the year ended 31 March 2025 that were included in the statement by adopting the following procedure.

For the period 01st April 2023 to 30th October 2023, based on books of accounts and for the period 31st October 2023 to 31st March 2025, as nil transactions.

In the absence of the consolidation of subsidiary for the full year, we are unable to determine the effects on the consolidated financial statements of the failure to consolidate the subsidiary for the full year.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Auditor's Response
<p>As at 31 March 2025, the Company has total exposure of Rs. 12,193.61 comprising of equity of Rs. 75.44 lakhs (for 26% stake), Non-Convertible Redeemable preference shares of Rs. 12,002.17 and receivable of Rs. 116.00 lakhs which are classified as financial assets in the financial statements. Un-audited financial statements of HKR Roadways Ltd as on 31 March 2025 show a negative net worth of Rs. 3,507.03 lakhs (Previous year positive net worth of Rs. 7,375.83 lakhs). In the light of the above there is a requirement to ascertain whether the said exposure of the Company in the associate Company is impaired in terms of Ind AS 36 - 'Impairment of Assets'.</p> <p>As per Ind AS 36 - 'Impairment of Assets' the standard is applicable to financial assets classified as investments in subsidiaries, associates and joint ventures. Accordingly, in assessing whether there is any indication that an asset may be impaired, an entity shall consider as a minimum, the external and internal sources of information, any other indications or evidences from internal reporting that indicates that the assets may be impaired.</p> <p>This assessment involves significant judgment especially in relation to determination of expected future economic benefits.</p> <p>Accordingly, the evaluation of impairment of investments in subsidiaries/joint ventures was determined to be a key audit matter.</p>	<p>In respect of the impairment indicator assessment for the investments our audit procedures included and were not limited to the following: -</p> <p>Obtained and read the financial statements of the associate entity to identify if any disclosure is made for impairment of assets in its standalone financial statements.</p> <p>We have obtained the management's understanding and opinion in estimating the realizable value of the amount invested in the associate Company with regard to impairment.</p> <p>We understand that the Company is in the process of divesting its share along with the other partner and expects to realize a consideration in excess of the exposure by it. Management has prepared revenue projections and has computed the DCF value of Rs. 1970.87 Lakhs to take care of all the third-party liabilities in the said Company as well as redeemable preference shares and the payback of equity investment.</p>

**Other Matter**

1. We did not audit the financial statements of 1 Subsidiary whose financial statements reflect total assets of Rs. 5.52 Lakhs as at 31 March 2025, total revenue of Rs. Nil and net cashflow amounting to Rs. (1.08) Lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss of Rs. 387.62 Lakhs for the year ended 31 March 2025, as considered in the consolidated financial statements, in respect of 4 Jointly controlled entities whose financial statements have not been audited by us.

These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiaries, jointly controlled entities, is based solely on the reports of the other auditors.

2. We did not audit the financial statements of 1 Subsidiary whose financial statements reflect total assets of Rs. 74,263.15 Lakhs as at 31 March 2025, total revenue of Rs. Nil and net cashflow amounting to Rs. Nil for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements include the Group's share of net assets Rs. 12,077.61 Lakhs and total profit after tax (net) of Rs. 711.65 Lakhs and total comprehensive income (net) of Rs. 711.65 Lakhs for the year ended 31 March 2024, as considered in the consolidated financial statements, in respect of 1 Jointly controlled entity whose financial statements have not been audited by us.

These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries, jointly controlled entities and associates, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

3. The Company has relinquished its rights held in Sai Maatarini Tollways Limited (SMTL) shares which were acquired from GPL in terms of Scheme of Arrangement (NCLT order dated 03 November 2017) with appointed date of 01 April 2016 vide members resolution dated 06 January, 2025 and consequently SMTL ceased to be a subsidiary of the Company w.e.f 06 January, 2025 and the net impact of Rs. 1,12,542.27 Lakhs (based on unaudited books of accounts) on deconsolidation as on 06 January 2025 has been transferred to profit and loss statement for the year ended 31 March 2025.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management referred to in the Other Matters section below the aforesaid Consolidated financial statements to the extent made available to us

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial statements and our auditor's report thereon. The Management report, Chairman's statement, Director's report, Business Responsibility and Sustainability Reporting etc. is expected to be made available to us after the date of this auditor's report.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Management report, Chairman's statement, Director's report, Business Responsibility and Sustainability Reporting etc., if we conclude that there is a material misstatement therein, we are required to

communicate the matter to those charged with governance under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibility of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, based on our audit and on the consideration of report of the other auditor on separate financial statements we give in the "Annexure 1" a statement on the matters specified in paragraph 3(xxi) of the Order.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries and joint ventures, as noted in the 'other matter' paragraph we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Group so far as it appears from our examination of those books.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2025 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors who are appointed under Section 139 of the Act, of its subsidiary companies and joint ventures incorporated in India referred to in the Other Matters section below the aforesaid Consolidated financial statements to the extent made available to us, none of the directors of the Group's companies and its joint venture, incorporated in India, is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" which is based on the auditor's reports of the Company and its subsidiary companies and joint ventures incorporated in India referred to in the Other Matters section below the aforesaid Consolidated financial statements to the extent made available to us. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose impact of pending litigations on the consolidated financial position of the Group.
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.

- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its subsidiary companies incorporated in India.
- iv. a) The respective managements of the Holding Company and its subsidiaries and joint venture which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries and joint venture respectively that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries and joint venture to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the respective Holding Company or any of such subsidiaries and joint venture ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b) The respective managements of the Holding Company and its subsidiaries and joint venture which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries and joint venture respectively that, to the best of its knowledge and belief, no funds have been received by the respective Holding Company or any of such subsidiaries and joint venture from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries and joint venture shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the subsidiaries and joint venture which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under subclause (a) and (b) contain any material mis-statement.
- v. The Holding Company, its subsidiaries and joint venture companies incorporated in India have not declared or paid any dividend during the year.
- vi. Based on our examination which included test checks performed by us on the Holding Company, jointly controlled companies incorporated in India whose financial statements have been audited under the Act, the Holding Company, jointly controlled companies incorporated in India have used accounting software systems for maintaining their respective books of account for the financial year ended 31 March 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of audit, we and respective other auditors, whose reports have been furnished to us by the Management of the Holding Company, have not come across any instance of the audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Holding Company and above referred jointly controlled companies incorporated in India as per the statutory requirements for record retention.

The financial statements of 1 subsidiary and 1 jointly controlled entity have not been audited under the provisions of the Act as of the date of the report. Therefore, we are unable to comment on the reporting requirements under Rule 11(g) of the Companies (Audit and Auditors) Rule, 2014 in respect of the associate and joint venture.

ANNEXURE - 2 TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 (f) under the heading "Report on Other Legal and Regulatory Requirements" of our report on even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Gayatri Highways Limited ("the Company") as of 31 March 2025 in conjunction with our audit of the Consolidated Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group and its joint venture, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both, issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial controls with reference to Consolidated Financial Statement is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or

disposition of the Company's assets that could have a material effect on the Consolidated Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Holding Company, its subsidiary company and its Jointly controlled companies which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2025, based on the criteria for internal financial control with reference to consolidated financial statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements of the Holding Company, in so far as it relates to the subsidiary companies and jointly controlled entities, which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiaries and jointly controlled entities incorporated in India.

The Holding Company has consolidated financial information of one subsidiary and one jointly controlled entity incorporated in India on the basis of Unaudited financial statements prepared by the management.

Our opinion is not modified in respect of the above matters.

3. Summary of material accounting policies

a) Basis of preparation of consolidated financial statements

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Unless otherwise stated, the accounting policies applied by the Group are consistent with those used in the previous year.

i. Investment in Subsidiaries

The consolidated financial statements comprise the consolidated financial statements of the Parent company and its subsidiaries as at March 31, 2025. Subsidiaries are all entities that are controlled by the Company. Control exists when the Company (i) has power over the investee (i.e., existing rights that give it the current ability to direct the relevant activities of the investee), (ii) is exposed to, or has rights to variable returns from its involvement with the entity and (iii) has the ability to affect those returns through power over the entity. The Company re-assesses whether or not it controls a subsidiary if facts and circumstances indicate that there are changes to one or more of the elements of control. The consolidated financial statements of subsidiaries are included in these consolidated financial statements from the date when the Company obtains control and continues until the date that control ceases.

Notes to the Consolidated Financial Statements

(All amounts in ₹ Lakhs unless otherwise stated)

ii. Investment in associate and Joint Ventures

Investments in its associate and joint venture are accounted for using the equity method. Under the equity method, the investment in an associate or a joint venture is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the share of net assets of the associate or joint venture since the acquisition date.

The statement of profit and loss reflects the share of the results of operations of the associate or joint venture. Any change in OCI of those investees is presented as part of the OCI. In addition, when there has been a change recognised directly in the equity of the associate or joint venture, the Company recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Company and the associate or joint venture are eliminated to the extent of the interest in the associate or joint venture.

If an entity's share of losses of an associate or a joint venture equals or exceeds its interest in the associate or joint venture (which includes any long term interest that, in substance, form part of the Company's net investment in the associate or joint venture), the entity discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Company has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture. If the associate or joint venture subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The financial statements of the associate or joint venture are prepared for the same reporting period as the Company. When necessary, adjustments are made to bring the accounting policies in line with those of the Company.

After application of the equity method, the Company determines whether it is necessary to recognise an impairment loss on its investment in its associate or joint venture. At each reporting date, the Company determines whether there is objective evidence that the investment in the associate or joint venture is impaired. If there is such evidence, the Company calculates the amount of impairment as the difference between the recoverable amount of the associate or joint venture and its carrying value, and then recognises the loss as 'Share of profit of an associate and a joint venture' in the statement of profit or loss.

Upon loss of significant influence over the associate or joint control over the joint venture, the Company measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate or joint venture upon loss of significant influence or joint control and the fair value of the retained investment and proceeds from disposal is recognised in profit or loss.

Consolidation procedure

Assets, liabilities, income and expenses of a subsidiary during the year are included in the consolidated financial statements. Profit or loss and each component of OCI are attributed to the equity holders of the parent of the Company. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Company are eliminated in full on consolidation.

For the purpose of preparing these consolidated financial statements, the accounting policies of subsidiaries, joint venture and associates have been changed where necessary to align them with the policies adopted by the Company. Furthermore, the consolidated financial statements of subsidiaries, associates and jointly controlled entities are prepared for the same reporting period as of the Company.

Notes to the Consolidated Financial Statements

(All amounts in ₹ Lakhs unless otherwise stated)

b) Use of estimates

The preparation of the consolidated financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the balances of assets and liabilities and disclosures relating to contingent liabilities as at the reporting date of the financial statements and amounts of income and expenses. Examples of such estimates include the provision for doubtful receivables, determination of recoverable amounts of fixed assets, deferred tax assets, employee benefits and useful lives of fixed assets.

Although these estimates are based on management's best knowledge of current events and actions, actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

c) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when it is:

- Expected to be settled in normal operating cycle;
- Held primarily for the purpose of trading;
- Due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has identified twelve months as its operating cycle.

d) Fair value measurement

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.-

Notes to the Consolidated Financial Statements

(All amounts in ₹ Lakhs unless otherwise stated)

The principal or the most advantageous market must be accessible to / by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting year. External valuers are involved for valuation of significant assets and significant liabilities. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

e) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Sale of Services: Revenue from services rendered which primarily relate to deputation and operation and maintenance income is recognised in the statement of profit and loss as and when the underlying services are performed.

Revenue from fixed price contracts is recognised as per the percentage of completion method where the performance obligations are satisfied over time and when there is no uncertainty as to measurement or collectability of consideration.

Interest income: For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

Notes to the Consolidated Financial Statements

(All amounts in ₹ Lakhs unless otherwise stated)

f) Earnings/(loss) per share

Basic earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

g) Provisions and contingent liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

h) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

i) Taxes

Income tax expense comprises of current and deferred tax. Current income tax assets and liabilities is measured at the amount expected to be recovered from or paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provision where appropriate.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

j) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Notes to the Consolidated Financial Statements

(All amounts in ₹ Lakhs unless otherwise stated)

A) Financial Asset

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade receivables and loans.

Equity investments:

All equity investments in jointly controlled entities are measured at cost less diminution other than temporary. All equity investments in scope of Ind AS 109 are measured at fair value. Equity investments which are held for trading are classified as FVTPL. For all other equity investments, the Company may make an irrevocable election to present in OCI subsequent changes in fair value. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognised in OCI. There is no recycling of amounts from OCI to P&L, even on sale of investment. Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the P&L.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- a. the rights to receive cash flows from the asset have expired, or
- b. the Company has transferred its rights to receive cash flows from the asset, and (i) the Company has transferred substantially all the risks and rewards of the asset, or (ii) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on trade receivables and other financial assets.

Notes to the Consolidated Financial Statements

(All amounts in ₹ Lakhs unless otherwise stated)

B) Financial Liability

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and financial guarantee contracts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities designated upon initial recognition as at fair value through profit or loss.

Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

k) Plant, Property and Equipments

Plant, Property and Equipments are stated at cost of acquisition, less accumulated depreciation thereon. The cost of an item of fixed asset comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

Notes to the Consolidated Financial Statements

(All amounts in ₹ Lakhs unless otherwise stated)

l) Investment Property

Investment property, comprising land held for long-term capital appreciation or for current rental yields, or both, is measured initially at cost, including transaction costs. Subsequent to initial recognition, investment property is carried at cost less accumulated depreciation and any accumulated impairment losses, in accordance with the cost model under Ind AS 40, Investment Property. Land, being an asset with an infinite useful life, is not depreciated. However, it is subject to impairment testing whenever there is an indication that the carrying amount may not be recoverable. Transfers to or from investment property are made when, and only when, there is a change in use, evidenced by criteria such as commencement of owner-occupation, commencement of development with a view to sale, or ending of owner-occupation.

m) Depreciation and amortization

Depreciation of tangible assets is provided on the basis of straight line method in accordance with Schedule II to the Companies Act, 2013.

n) Impairment of non-financial assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

o) Employee benefits

GRATUITY – The company operates a defined gratuity plan in India, which is non-funded based and governed by the Payment of Gratuity Act, 1972. Company's liability towards gratuity is determined by independent actuaries, using the projected unit credit method.

Past service costs are recognised immediately in the statement of profit and loss. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions for defined benefit obligation and plan assets are recognised in OCI in the period in which they arise. When the benefits under a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in the statement of profit and loss. The Company recognises gains or losses on the settlement of a defined benefit plan obligation when the settlement occurs.

a. The Company has only one class of 9% Non-convertible cumulative redeemable preference shares (NCRPS) having a par value of ₹10 per share. Each holder of preference shares is entitled to one vote per share in the matter of preference share holders. The Company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors, if any, is subject to the approval of the shareholders in the ensuing annual general meeting.

b. NCRPS shall be redeemed upon completion of a period of 10 years from the date on which they are issued. The tenure of the NCRPS may exceed 10 years from the date of issue, but shall in no circumstances exceed 20 years from the date of issue. However, any variation (extension or reduction) in the tenure of NCRPS will be subject to the mutual agreement of both parties.

c. As per the Indian accounting standard 32, a preference share that provides for mandatory redemption by the issuer for a fixed or determinable amount at a fixed or determinable future date, or gives the holder the right to require the issuer to redeem the instrument at or after a particular date for a fixed or determinable amount, is a financial liability. Accordingly, 9% Non-convertible cumulative redeemable preference shares were treated as a financial liability and the finance cost (as interest) on such liability was also recognised.

Terms & Conditions for Loans in IDTL:

(i) Extension of Moratorium for Term loans - COVID19 Pandemic & RBI Circular dated 27th March 2020.

Due to the COVID-19 pandemic and the declining economic scenario, the Reserve Bank of India along with the Ministry of Finance have issued circular and guidelines to all the Banks for allowing moratorium in payment of EMIs, and to defer recovery of installments in all loan accounts from March 2020 to August 2020. Accordingly the company has submitted a request letter dated 18th May 2020 to all the Lenders seeking for the moratorium for the payment of Debt dues from March 2020 to August 2020 in accordance with the RBI Covid19 Regulatory package dated 27th March 2020. However Punjab National Bank (PNB) & India Infrastructure Finance Company Ltd (IIFCL) have communicated vide 14th December 2020 consortium meeting that the moratorium as per the circular cannot be availed with respect to the loans disbursed by them as the account has become NPA as on 31st January 2020 (Punjab National Bank) & IIFCL (31st December 2019).

Accordingly the current maturities with respect to the Principal repayment of the Term loan I and Funded Interest Term loan have been updated as per the COVID moratorium granted by RBI vide its circular dated 27th March 2020. Accordingly the Moratorium has been effected for the Union bank of India & State Bank of India as per the

As per the recall notice the Term Loan and FITL and interest thereon has become payable immediately. Accordingly the Non-Current Borrowings are transferred to Current Borrowings.

(III) Restructuring of Term Loan as per the RBI circular dated 7th June 2019.

- (i) Due to Low Toll Collections and the deficit in the cash flows, the SPV is unable to service even the interest obligations towards the Lenders in full. The account has always been in SMA2 with all the Lenders.
- (ii) The Techno Economic Viability Study (TEV) has been conducted by M/s Mott Macdonald & Forensic Audit has been conducted by M/s Sagar & Associates, Chartered Accountants. Both the reports were submitted to all the Lenders, discussed in the consortium meetings and the final reports have been approved by all the Lenders vide consortium meeting dated 4th October 2019.
- (iii) All the Lenders vide consortium meeting held dated 7th Feb 2020 have decided to appoint credit rating agencies ie CRISIL & CARE to assess the sustainable and unsustainable debt. Accordingly CRISIL & CARE have issued the RP4 Rating with Part A debt as Rs. 236 crs(sustainable debt) & Part B Debt as ₹31,600 lakhs (Unsustainable debt) (out of ₹ 59,700 lakhs total debt as on 1st October 2020) and the same has been submitted to all the Lenders.
- (iv) After receiving the RP4 ratings from the two credit rating agencies, the company has requested the Lenders vide consortium meetings dated 7th Oct 2020, 14th December 2020 to take up the proposal of the Resolution Plan with their Competent Authorities as per the RBI circular dated 7th June 2019. The Resolution Plan has been prepared based on the two RP4 Ratings issued by CRISIL & CARE.
- (v) Punjab National Bank has categorised the account as Non Performing Asset (NPA) as on 31st January 2020. The recall letter has been received from PNB vide their letter dated 4th February 2020. Borrowings from PNB have been continued to be reported as Non current as all the Lenders in the consortium meeting dated 14th December 2020 agreed to take up the resolution proposal with their respective competent authorities. During the consortium meeting held dated 6th May 2021, the lead bank ie., Union bank of India has communicated that the Resolution Plan is not accepted by their competent Authority.
- (vi) UBI on behalf of all the lenders recalled the CREDIT FACILITIES (Term Loan and Funded Interest Term Loan) as on 05.01.2022 vide their letter No.IFB:HYD:737:2021-22 . As per the recall notice the Term Loan and FITL and interest thereon has become payable immediately. Accordingly the Non-Current Borrowings are transferred to Current Borrowings.

 - c) PNB & IIFCL has not implemented the moratorium as the account was Non Performing Asset (NPA) as on 31st January 2020 & 31st December 2019 respectively.

Notes to the Consolidated Financial Statements

(All amounts in ₹ Lakhs unless otherwise stated)

15 Borrowings (Continued...)

- (viii) As on 31st March 2025, all the accounts have slipped into NPA with all the banks as on 31st December 2021. The Lenders were remitted an amount of Rs 10 crs in the month of July 2022 which were adjusted against the TL & FITL dues. As on 31st December 2022, an amount of Rs 30 crs was transferred from the toll collections account by the Lead bank and has been distributed amongst the Lenders in the ratio of their disbursements. All the amounts were accounted by the Lenders towards the Term loan I interest payments as per their email communications.
- (ix) As the accounts have become NPA with all the Lenders, the term loan statements received from them are not upto date. There are few months for which the interest charges have not been accounted by the Lenders. Hence the Term loan reconciliations were not done and there are differences in the balances of the loans as per the books and the loan statements.

IV) One Time Settlement (OTS) Proposal of Rs 250 crs submitted to the Lenders vide letter dated 30th June 2021

The Company has proposed/submitted to the Lenders the One Time Settlement (OTS) proposal for the settlement of debt dues to all the Lenders vide letter dated 30th June 2021. The Company has once again submitted to the Lenders the One Time Settlement (OTS) proposal for the settlement of debt dues to all the Lenders vide letter dated 13th December 2021 to Punjab National Bank, on 14th December 2021 to State Bank of India, on 17th December 2021 to Union Bank of India and on 21st December 2021 to IIFCL keeping in view the subsequent developments in the Project:

- a) Formation of the Conciliation Committee of Independent Experts (CCIE) by NHAI for the amicable settlement of all disputes with NHAI. b) Non Approval of the Resolution Plan proposal by the competent Authority of the Lead bank ie., Union Bank of India.

The SPV has submitted to the Lenders that the Sponsors/ Promoters will settle the debt dues to the Lenders through a One Time Settlement (OTS) proposal towards the full, final and complete settlement of all the dues to the lenders, without any further recourse to the project company, promoters and sponsors. The amount will be bought in by the Promoters directly or through an investor or through their associates/affiliates or private arrangement or by way of collecting advance money from NHAI. Upon payment of the said amount to the Lenders, all the liabilities towards the existing Lenders, contingent or crystallized, stand irrevocably extinguished including outstanding principal, interest due and payable, accrued and unpaid interest, penal interest and other charges and the Lenders have no further claim of any nature against the Company, Promoters and Sponsors.

The SPV further submitted that this proposal is towards full and final settlement of all existing, past and future dues, including penalties if any, processing charges, late payment charges of all the consortium loan accounts etc without any further recourse to the company, promoters and sponsors. Further, there should be a freeze on the levy of interest on the outstanding dues w.e.f. 01-07-2021, such that there would no future issues, pending the completion of the settlement

None of the Lenders have taken up the proposal of the company for One Time Settlement (OTS) with their competent Authorities.

The Conciliation meetings with NHAI have failed and NHAI has communicated the same vide their letter dated 25th April 2022. The NHAI has also communicated vide its letter dated 25th April 2022 that the Project will be terminated and the Lenders are given the option to exercise their rights of Substitution as per the Concession Agreement. The Lenders have communicated their consent to NHAI for exercising the Substitution rights vide their letter to NHAI dated 17th May 2022.

The Consortium of Lenders have appointed M/s Sharat & Associates, Chartered Accountants (empanelled with the lead bank) for conducting the Forensic Audit for the period January 2019 to April 2022. The Firm has submitted the report to the Lenders.

V) Repayment of Zero Interest Subordinate loan (Unsecured loans from promoters) :

Subordinate debt will be repaid only after the payment of debt Obligations towards the Lenders.

The Lenders have called for the Consortium meetings dated 4th May 2022, 17th May 2022 for discussing the above. The lead bank has also taken legal opinion in this regards from their legal counsel and proceeded further. The Lenders have given their consent for exercising their rights under Substitution vide their letter dated 17th May 2022.
- 2) The NHAI has issued the letter to the company ie IDTL dated 27th May 2022 for the Suspension of the Concession as per the Article 36 of the Concession Agreement. This was in response to the letter dated 5th May 2022 written from IDTL to NHAI for the Authority default. NHAI has also instructed to handover the toll plaza to the NHAI/Ms Prakash Asphaltings and Toll Highways (India) Ltd (Toll operating/collecting agency) from 28th May 2022. Accordingly IDTL has handed over the toll plaza to NHAI on 28th May 2022 at 8:00 hours AM. Both the Lead bank (on behalf of the consortium) and the company has protested strongly in writing by the above action of the NHAI.
- 3) NHAI has communicated to the Lead bank vide its letter dated 8th June 2022, that the rights to Substitution is covered Under article 37.1.3 of the Concession Agreement and has requested to proceed as per the Concession Agreement within the prescribed time.
- 4) The Consortium meeting was held on 16th June 2022 to discuss the wayforward in the Project. The Company represented to the Lenders for the release of the operating expenses of the Project for the month of June 2022 including the legal/Arbitration expenses payable to the legal counsel who have been appointed for the Arbitration proceedings. The Lead bank has taken the opinion from Ms Link Legal, Law Firm and based on the provisions of the Article 36 and the escrow agreement which stated the mechanism of operation of the escrow during the suspension period. The Lead bank has released the payments for the month of June 2022 & July 2022 based on the legal opinion received from Ms Link Legal, Legal counsel except for the Legal costs.

Subsequently the Lead bank ie., Union Bank of India (IFB Branch) has transferred the account to the SAM (Stress Asset Management) branch as per their email communication dated 24th August 2022 and since then the SAM branch has freezed all the Bank accounts with a restriction on the payments. Since then no payments have been released by the SAM branch. The Operational expenses, Statutory dues and other payments from the month of August 2022 to March 2023 are still pending to be released by the Union Bank of India - SAM Branch.

- 5) On the way forward, the company has suggested to the consortium that all the Lenders should directly represent to NHAI with the below points:-
 - (i) Substitution of NHAI into the project ie., let NHAI take over the project and run itself by paying to the Lenders the Termination payment.
 - (ii) There is a difficulty in getting a Substitute for the project as nobody will be willing to take up such kind of project with huge payment of premium to NHAI.
 - (iii) The company to withdraw all its claims against NHAI in lieu of the Termination payment made to the Lenders and will support the Lenders in all the ways.

Lenders can meet the NHAI officials, Member (Technical) and Member (Finance) to settle the matter amicably without company's intervention. The lead bank opined they will get back after discussions with their HO.

- 6) A fixed amount of the Rs 27.56 lacs per day was being deposited into the escrow account every day by the agency appointed by NHAI and till now an amount of Rs 45.51 crs has been deposited for the period 4th June 2022 to 10th November 2022 (PIs see table below).

- 7) The company has referred the matter to Arbitration and obtained a stay order for the action of NHAI and non deposition of the toll into the escrow account. The Company had moved an application under Section 17 of the Arbitration and Conciliation Act, 1996 before the concerned Arbitral Tribunal. The Tribunal had also passed an order dated 30.05.2022 restraining the Authority from appropriating the toll revenues for any of its counter-claims lodged before the Tribunal, which includes the Premium payable by the Concessionaire to the Authority. The order also states that the Bank Guarantee for an amount of Rs. 12.927 crs cannot be encashed by the NHAI.
- 8) In the event of the Suspension of the toll rights of the Concessionaire the waterfall mechanism as per clause 31.1.1 of the Concession Agreement will still hold good as specified in the clause 36.2 of Article 36 of the CA.

36.2.1 : The Authority shall be entitled to make withdrawals from the escrow account for meeting the costs incurred by it for remedying and rectifying the cause of suspension, and thereafter for defraying the expenses specified in Clause 31.3. in the event of the Suspension of the toll rights of the Concessionaire the waterfall mechanism as per clause 31.1.1 of the Concession Agreement will still hold good as specified in the clause 36.2 of Article 36 of the CA.

Clause 31.3 - Withdrawals during the Concession Period

31.3.1 The Concessionaire shall, at the time of opening of the Escrow account, give irrevocable instructions, by way of an Escrow Agreement, to the Escrow bank instructing, inter alia, that deposits in the escrow account shall be appropriated in the following order every month, or at shorter intervals as necessary, and if not due in a month then appropriated proportionately in such month and retained in the Escrow account and paid out there from in the month when due:

- a) All taxes due and payable by the Concessionaire ;
- b) All payments related to Construction of the Project Highways, subject to and in accordance with the conditions, if any set forth in the financing Agreements,
- c) O&M Expenses, subject to the ceiling, if any, set forth in the Financing Agreements,
- d) O&M Expenses and other costs and expenses incurred by the Authority in accordance with the provisions of this Agreement, and certified by the Authority as due and payable to it ;
- e) Concession Fee due and payable to the Authority;
- f) Monthly, proportionate provision of Debt service due in an Accounting year;
- g) All payments and damages certified by the Authority as due and payable to it by the Concessionaire, including repayment of Revenue shortfall loan;
- h) Monthly proportionate provision of debt service payments due in an Accounting year in respect of Subordinate debt ;
- i) Any reserve requirements set forth in the Financing Agreement; and
- j) Balance, if any in accordance with the instructions of the Concessionaire

Provided, however, that no withdrawals or appropriation shall be permitted prior to Financial close, save and except

- 9) 36.2.2 : During the period of Suspension hereunder, all the rights and liabilities vested in the Concessionaire in accordance with the provisions of this Agreement shall continue to vest therein and all things done or actions taken, including expenditure incurred by the Authority for discharging the obligations of the Concessionaire under and in accordance with this Agreement and the Project Agreements, shall be deemed to have been done or taken for and on behalf of the Concessionaire and the Concessionaire undertakes to indemnify the Authority for all the costs incurred during such period.

- 10) As per the clauses 36.2.1 & 36.2.2 the concessionaire's rights and liabilities still vest with the Concessionaire and the Concessionaire is obligated to discharge the obligations of the project in accordance with this agreement and the project documents. The concessionaire is bound to indemnify the Authority for all costs incurred by the Authority for the maintenance of the project during such period. Hence the Concessionaire rights and duties have not been suspended and the concessionaire is can operate the escrow as per the waterfall mechanism specified in clause 31.1.1 as specified above.
- 11) The Lenders have been remitted interest and Principal dues for an amount of Rs 41.46 crs after the suspension of Concession in in the months of July 2022 to December 2022.
- 12) The company has written letters to the lead bank for the Release of operating expenses vide letter no. IDTL/2022- 2023/119 dated 08th July 2022 immediately as the statutory dues and O&M expenses are a priority to the debt dues as per waterfall mechanism specified in Article 31 of the Concession Agreement. However the Lead bank has not been releasing any payments since August 2022. The Lead bank and the Escrow banker ie., Union bank of India – Stressed Assets Management branch has since then has not processed any of the O&M expenses ie., Statutory dues to the govt, employees salaries and gratuity settlements, Travel expenses & local conveyance incurred by the lenders for site visit which are the foremost priority as per the waterfall mechanism of the Escrow Agreement. The company has been also requesting for the release of the legal expenses which are very critical for the Arbitration process to go on and realization of the claims filed with NHAI.
- 13) NHAI has written a letter dated 13th August 2022 to the Lead bank citing breach of the concession agreement and unauthorised withdrawals from the escrow account during the Suspension period by the Escrow banker without the consent of the Authority. The Lead bank vide its letter dated 19th August 2022 has replied to NHAI that they have not breached any provisions of the CA & the escrow agreement and have processed the payments as per the clause 4.4.1 of the escrow agreement & 37.1 of the Concession Agreement.
- 14) The Tribunal has given the below order dated 5th August 2022 with respect to the operation of the escrow account

“(i) Without going into the question as to whether the suspension of the Agreement by the Respondent is legal, valid or not and the accepted position that till suspension is in operation in terms of Article 36 of the Concession Agreement, the Respondent is permitted to act in terms of Clause 36.2 of the Concession Agreement read with Clause 4.5 of the Escrow Agreement.As per the clause 4.5 the Authority may exercise its rights to operate the escrow account in accordance with the terms, however nowhere the concessionaire is barred to operate the same.

(ii) While withdrawing money from the Escrow Account in the aforesaid manner, the Respondent (NHA) shall notify the Claimant (Concessionaire) as to for what purpose the withdrawal is being made.

(iii) In case the Claimant has any grievance about the manner of such withdrawal, it is open to the Claimant to move the Tribunal for such directions as deemed proper.Hence the claimant (Concessionaire) has every right to file a grievance against the Authority to the Tribunal if any of the expenses as per the waterfall mechanism are being barred to be released by the Authority.

(iv) Learned counsel for the parties agreed that if any grievance is there in terms of para (iii) above arises, the same shall be decided by this Tribunal without resort to the Dispute Resolution Mechanism provided in the Escrow Agreement”

If the escrow bank receives any instructions from NHAI for the release of any payments, the Escrow banker has to intimate the concessionaire about the payments requested by the Authority. This is as per the Arbitration award dated 5th August 2020.
- 15) The Lead bank is not inviting the Company in any of its meetings and also not sharing the minutes of the Consortium Meetings. The submissions of the company are also not being recorded in the Minutes of the Consortium Meetings.

- 16) The Lead bank has subsequently conducted meetings on dates 27th July 2022, 19th August 2022 & 13th October 2022 but however has not released any funds for the purpose of O&M expenses and legal charges despite several requests made by the company. The bankers have not considered any submissions made by the company nor they have recorded the same in the Minutes of the Meetings. The Minutes of the Consortium Meeting dated 13th October 2022 have not been shared with the company till date.
- 17) As on 31st March 2024 an amount of Rs 4.37 crs were lying in the escrow account. The SAM branch of the UBI was not processing any payments and has frozen all the operative bank accounts.
- 18) There was a debit of Rs 30 crs from the Toll collections account on 31st December 2022 to an unknown account bearing no 020511010168 without the knowledge of the Company. The company has reported the same to the Lead bank vide its letter dated 5th January 2023 with a copy to all the banks stating that there is an unauthorized debit in the toll collections account without following the waterfall mechanism prescribed in the escrow agreement. The lead bank has communicated the details of the payment of the Rs 30 crs vide their email dated 23rd March 2023.
- 19) NHAI has not deposited any amount for the period 28th May 2022 to 3rd June 2022. The Lenders have written letters to NHAI in this regards. Till now the toll amount for the above period is still now pending to be deposited by NHAI into the escrow account in IDTL.
- 20) The Consortium meeting was held by Union bank of India at the Corporate office of the company on 13th March 2023. The company has requested the Lenders to immediately release the pending payments for the period August 2022 to March 2023. An amount of Rs 1,12,70,410 for the release of the pending payments for the period August 2022 to March 2023. The company has also requested for the budget of Rs. 1,04,01,300/- for the next one year for operational and legal expenses. Till now no update from the lead bank has been received in this regards and Minutes of the meeting have also not been shared by the lead bank till now
- 21) The company has requested the lead bank to clear the legal bills of the Arbitrators on priority basis amounting to Rs 64.20 lacs. Without the payments to the Arbitrators the claims with NHAI will not move forward. The lead bank has communicated that they will get back on this. However till now no communication has been received from them. Further The lead bank has proposed that the can be remitted 50% 50% by the Lenders and the company's sponsor. However the company has communicated that there is no support system available to the company now as the sponsors are not in a position to give any financial support. It is well aware to the Lenders that the promoter company ie Ms Gayatri Projects Limited is under NCLT and the same is taken over by the Resolution Professional.

VII) TERMINATION of Concession by the Authority

- 1) NHAI has stopped depositing the toll collections into the escrow account from 11th November 2023. The 180 days period for the Substitution was completed by 17th November 2022. The Lead bank has failed to initiate the Substitution process.
- 2) The company vide its letter dated 23rd November 2022 to NHAI has issued Termination Notice on account of Authority Default. Subsequently NHAI has issued letter dated 16th December 2022 the Termination Notice on account of Concessionaire default.

**Notes to the Consolidated Financial Statements**

(All amounts in ₹ Lakhs unless otherwise stated)

Note: Additional Concession Fees Payable to NHAI & Premium Deferment

The total premium amount payable as per the Concession Agreement, has been capitalized as "Intangible Assets" and amortized over a period of the service concession Agreement as per the method prescribed in Part A to the Schedule II to the Companies Act, 2013 and corresponding Obligation for committed premium has been recognised as liabilities at discounted value. The Contractual Obligation to pay premium (Additional Concession Fees) to National Highways Authority of India over the Concession period has been recognized upfront on Discounted basis (fair value) as per the Concession Agreement and is a part of the "Intangible Asset" and corresponding Obligation for committed premium payable to NHAI is recognized as liabilities. The related finance costs arising on discounting has been taken to the Profit and loss account.

Due to the low toll collections and deficit in the cash flows, there has been a stress in the account. The National Highways Authority of India has approved the proposal for the deferment of premium payable to them vide their sanction letter dated 11th June, 2014. The premium deferment sanction was given for a specific period as per the NHAI letter. As per the sanction terms, NHAI reviews the Annual accounts of the company every year. NHAI has contended that there were surplus cash flows in the certain years and the same were to be remitted to NHAI, which the company has communicated that it is an erroneous contention. The same was not accepted by NHAI and the issue has gone into dispute. However during the current year, the NHAI has cancelled the sanction of the premium deferment vide its letter dated 6th August 2020 and has issued notice to the SPV for the payment of the entire premium due along with Interest from 2014 to the date of issuance of the letter. The SPV has protested for the above and has replied suitably vide its letter dated 14th August 2020. The same and the matter is under arbitration with NHAI. Now NHAI has constituted the (CCIE) Conciliation Committee for Independent Experts for the amicable settlement of all the Disputes between the SPV and NHAI. However as the Conciliation Meetings (CCIE) have failed as per the NHAI letter dated 25th April 2022, the Arbitration proceedings have been invoked and the matter is now under Arbitration.

Additional Concession fee has to be paid to National Highways Authority of India as per clause 26.2.1 of the Concession Agreement dated 17th May, 2010. National Highways Authority of India has granted deferment of Additional concession fees payable to them vide their sanction letter dated 11th June, 2014. Interest on the Additional Concession fees payable to National Highways Authority of India for the period 1st April 2015 to 31st December 2023 has not been provided in the books of accounts as the payment has been deferred by NHAI due to the deficit in the cash flows of the project and also the matter is under Arbitration proceedings now. NHAI has subsequently terminated the project effective December 2022, hence No provision is henceforth required to be made on account of Premium deferment.

Notes to financial instruments

i. The management assessed that the fair value of cash and cash equivalents, trade receivables, loans, trade payables and other financial liabilities approximate the carrying amount largely due to short-term maturity of these instruments. The management assessed that the fair value of borrowings approximate the carrying amount largely due to such borrowings carry interest rates or rates are negotiable.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

ii. Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data rely as little as possible on entity specific estimates.

Level 3: Inputs for the assets or liabilities that are not based on the observable marked data (unobservable inputs)

iii. Measurement of fair value of financial instruments

The Company's finance team performs valuations of financial items for financial reporting purposes, including Level 3 fair values, in consultation with third party valuation specialist for complex valuations, wherever necessary. Valuation techniques are selected based on the characteristics of each instrument, with the overall objective of maximizing the use of market-based information.

36 Financial risk management

Financial risk factors

The Company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement
Credit risk	Cash and cash equivalent, trade receivables, financial assets measured at amortized cost	Ageing analysis
Liquidity risk	Borrowings and other financial liabilities	Rolling cash flow forecasts
Market risk – Interest rate	Long-term borrowings at variable rates	Sensitivity analysis

The Company's risk management is carried out by a central treasury department (of the group) under policies approved by the board of directors. The board of directors provides written principles for overall risk management, as well as policies covering specific areas, such interest rate risk, credit risk and investment of excess liquidity.

a. Credit risk

Credit risk arises from cash and cash equivalents, trade receivables, investments carried at amortized cost and deposits with banks and financial institutions.

Credit risk management

The finance function of the Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an on-going basis throughout each reporting period. In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 30 days past due. A default on a financial asset is when the counterparty fails to make contractual payments when they fall due. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

Expected credit loss for trade receivables under simplified approach

The Company recognises significant income from toll road on the basis of actual collection and hence there are no significant outstanding. Hence, as the Company does not have significant credit risk, it does not present the information related to ageing pattern. The company has widespread customer base and no single customer accounted for 10% or more of revenue in any of the years indicated.

During the periods presented, the Company made no write-offs of trade receivables and it does not expect to receive future cash flows or recoveries from collection of cash flows previously written off.

b. Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Total	3,57,960.74	16,870.59	4.92	3,74,836.25

c. Interest rate risk

The Company's fixed rate borrowings are carried at amortized cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, 'Financial Instruments - Disclosures', since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

The Company's variable rate borrowing is subject to interest rate. Below is the overall exposure of the borrowing:

	As at 31st March 2025	As at 31st March 2024
Fixed rate borrowing	74,112.68	2,21,167.22
Interest free borrowing	7,923.98	7,923.98
Total borrowings	82,036.66	2,29,091.20

Interest rate risk

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

	For the year ended 31st March 2025	For the year ended 31st March 2024
Interest rates – increase by 50 basis points (50 bps)	(370.56)	(1,105.84)

37 Capital Management

The Company's objectives when managing capital are to :

Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

The Company monitors its capital using gearing ratio, which is net debt divided by total equity. Net debt includes long term borrowings, short term borrowings, current maturities of long term borrowings less cash and cash equivalents and other bank balances.

1.	Details of Audit Qualification	The Holding Company did not provide interest on the outstanding term loan of Rs. 3,822.65 Lakhs due to IL&FS Financial Services Limited for the period 01 April 2023 to 31 March 2025. The Company's records indicate that, had management provided interest for the period 01 April 2023 to 31 March 2025, the cumulative loss and the corresponding liability would have been increased by Rs. 1,146.80 Lakhs and total equity would have been reduced by Rs. 1,146.80 Lakhs calculated on interest of 15% p.a.

II. Audit Qualification

S. No	Particulars	Remarks
1.	Details of Audit Qualification	<p>a. The Holding Company has advanced loans including interest till 31 March 2025 of Rs. 2,642.17 lakhs. Further it has to receive an amount of Rs.83.52 lakhs towards receivable for deputation. All these amounts aggregate to Rs. 2,725.69 lakhs in Cyberabad Expressways Limited (CEL), a jointly controlled entity.</p> <p>As per the audited financial statements of the CEL as on 31 March 2025, the negative net worth stood at 11,513.94 lakhs. Consequent to the erosion in the net worth of CEL, the exposure of the Company to the extent of 2,725.69 lakhs is required to be impaired fully. IndAS 36 requires the company to provide for impairment in the value of investments and other financial assets by providing for the amount of impairment in the Profit & Loss Account.</p> <p>b. The Holding Company has invested Rs. 2,429.51 lakhs (including accumulated share of profit as per equity method Rs. 848.15 lakhs) as equity (50% share in equity) and Rs. 20.88 lakhs towards receivable for deputation aggregating to Rs. 2,450.39 lakhs in Hyderabad Expressways Limited (HEL), a jointly controlled entity.</p> <p>As per the audited financial statements of the HEL as on 31 March 2025, the positive net worth stood at Rs. 7,745.55 lakhs including a loan of Rs. 5,114.52 lakhs advanced to CEL. As per the above paragraph, CEL has a negative net-worth of Rs. 11,513.95 lakhs as on 31 March 2025. Continuing for the reasons stated in the above paragraph, the loan advanced by HEL is in our opinion, doubtful of recovery resulting in reduction of net-worth of HEL to Rs. 2,631.03 lakhs. The Company owns 50% of the equity share capital of HEL and hence the Company share of net-worth in HEL works out to Rs. 1,315.52 lakhs vis-à-vis the exposure of Rs. 2,450.39 lakhs. This result in impairment to an extent of Rs. 1,134.87 lakhs from out of the investments made in HEL and Receivables due. Ind AS 36 requires the company to provide for this impairment in the value of investments and other financial assets by providing for the amount of impairment in the Profit & Loss Account.</p> <p>Since the holding company has not impaired the cost of investments, debentures, loans granted to jointly controlled entities and trade receivables to an extent of Rs. 2,725.69 lakhs to CEL and Rs.1,134.87 lakhs to HEL in its books, the Loss for the year and other Comprehensive Income are</p>

		understated by the said amount. The Other Equity in the balance sheet is overstated by Rs. 3,860.56 lakhs. Our conclusion on the statement is qualified in respect of the above matters.

4.	For Audit Qualification(s) where impact is quantified by the Auditor, Management Views	There is an income receivable by Cyberabad Expressways Limited (CEL) due from the Government of Telangana/HGCL/HMDA. The company has won the case in Arbitration, Commercial court and two additional cases in Hon'ble High Court of Telangana. Eventhough Section 37 petition is pending in Hon'ble High Court of Telangana, the company is insisting the payment of dues through an Executive Petition in Commercial Court which is pending. The Company further informed that it is confident of winning the case and receive the amount of Rs. 400 Crores (approx.) from the Government of Telangana/HGCL/HMDA. But as there is still an opportunity to the government to further escalate the case in higher legal forums like High Court or Supreme Court, CEL, a Jointly controlled Entity, has not recognized the income as the receipt of funds is contingent in nature. Accordingly, the management has not impaired its cost of investments, loans and receivables from CEL and also from HEL.

II. Audit Qualification

S. No	Particulars	Remarks
1.	Details of Audit Qualification	<p>We were informed that the Holding Company did not receive the audited financial statements of Indore Dewas Tollways Limited (IDTL), which is a material subsidiary of the Holding Company for the quarter and year ended 31 March 2025 for the reasons stated there under. We were informed that the hon'ble NCLT bench at Hyderabad had admitted IDTL into Corporate Insolvency Resolution Process (CIRP) under Section 7 of the Insolvency and Bankruptcy Code (IBC), 2016 (as amended) and appointed Interim Resolution Professional (IRP). Further, a liquidator has been appointed for liquidation of IDTL. In this regard, we were informed that the Holding Company has compiled the financials results of IDTL for the year ended 31 March 2025 that were included in the statement by adopting the following procedure.</p> <p>For the period 01st April 2023 to 30th October 2023, based on books of accounts and for the period 31st October 2023 to 31st March 2025, as nil transactions.</p> <p>In the absence of the consolidation of subsidiary for the full year, we are unable to determine the effects on the consolidated financial statements of the failure to consolidate the subsidiary for the full year.</p>
