Pursuant to the amendments to Regulation 24A of the Listing Regulations, every listed entity is required to conduct a Secretarial Audit and annex the Secretarial Audit Report to its annual report. Additionally, a listed entity must appoint a Secretarial Audit firm for a maximum of two terms of five consecutive years, with shareholders' approval to be

obtained at the Annual General Meeting.

Accordingly, based on the recommendation of the Audit Committee, the Board of Directors has approved and recommended to the members of the Company, the appointment of M/S Kamlesh M. Shah & Co., a firm of practicing Company Secretaries, as the Secretarial Auditors of the Company for a period of 5 (five) consecutive years, effective from 1st April, 2025 to 31st March, 2030.

The Board of Directors have approved that in addition to the Secretarial Audit Report, the Secretarial Auditor may also render such other services or provide such certificates, reports, or opinions which the Secretarial Auditors may be eligible to provide or issue under the Applicable Laws. While recommending M/S Kamlesh M. Shah & Co., for appointment, the Board and the Audit Committee evaluated various factors, including the firm's capability to handle a diverse and complex business environment, its existing experience in the Company's business segments, its industry standing, the clientele it serves, and its technical expertise. M/S Kamlesh M. Shah & Co., was found to be well-equipped to manage the scale, diversity, and complexity associated with the Secretarial Audit of the Company.

M/S Kamlesh M. Shah & Co, is led by Mr. Kamlesh M. Shah, an Associate Member of ICSI with over 33 years of expertise in corporate legal and secretarial matters. The concern provides a wide array of services, including corporate law compliance, entity incorporation, legal drafting, secretarial audits, and corporate restructuring.

The terms and conditions of M/S Kamlesh M. Shah & Co, appointment include a tenure of five consecutive years, commencing from the Financial Year 2025-26 to the financial year 2029-30. The proposed fees for the Secretarial Audit for the Financial year 2025-2026 and for the rest of the term will be decided by Board of Directors in consultation with Mr. Kamlesh Shah. The proposed fee is determined based on the scope of work, team size, industry experience, and the time and expertise required to conduct the audit effectively.

M/S Kamlesh M. Shah & Co, has provided its consent cum eligibility letter and consented to act as the Secretarial Auditors of the Company and has confirmed that the proposed appointment, if made, would be within the limit specified by the Institute of Companies Secretaries of India and in compliance with the provisions of the Companies Act, 2013 and the Listing Regulations.

Accordingly, the consent of the shareholders is sought for the appointment of M/S Kamlesh M. Shah & Co as the Secretarial Auditors of the Company.

The Board of Directors recommends the ordinary resolution for approval by the members, as set out in the Item no. 3 of the notice convening the meeting.

**SUMERU INDUSTRIES LIMITED.**

Report on the Audit of the Standalone Financial Statements

**Opinion**

1. We have audited the accompanying standalone financial statements of Sumeru Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS"), of the state of affairs (financial position) of the Company as at March 31, 2025 and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

**Basis for Opinion**

3. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

**Key Audit Matters**

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended March 31, 2025. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matters described below to be the key audit matters to be communicated in our report:

Sr. No.	Key Audit Matter	How our audit addressed the key audit matter
<b>1</b>	<b>Fair Valuation of Investments</b>	
	The Company's investments (other than investment in Associates) are measured at fair value at each reporting date and these fair value measurements significantly impact the Company's results. Within the Company's investment portfolio, the valuation of certain assets such as unquoted equity and bonds requires significant judgment as a result of quoted prices being unavailable and limited liquidity in these markets.	We have assessed the Company's process to compute the fair value of various investments. For quoted instruments, we have independently obtained market quotations and recalculated the fair valuations. For the unquoted instruments, we have obtained an understanding of the various valuation methods used by management and analysed the reasonableness of the principal assumptions made for estimating the fair values and various other data used while arriving at the fair value measurement.

**Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

6. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

**Management's Responsibility for the Standalone Financial Statements**

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

9. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

10. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also;

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a

basis for our opinion. The risks of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(I) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimate and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our audit's report to the related disclosures in the standalone financial statements, or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall, presentation, structure and content of the standalone financial statements, including the disclosures and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify, during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charge with governance, we determine those matter that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

15. As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure B, a statement on the matters specified in paragraph 3 and 4 of the Order.

16. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our

- examination of those books;
- c) The Balance Sheet, the statement of Profit & Loss including Other comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
  - e) As per the management representation, we report,
    - No funds have been advanced or loaned or invested by the Company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding that the intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the Company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of ultimate beneficiaries.
    - No funds have been received by the Company from any person(s) or entities including foreign entities ("Funding Parties") with the understanding that such company shall whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide guarantee, security or the like on behalf of the Ultimate beneficiaries.
    - Based on the audit procedures performed, we report that nothing has come to our notice that has caused us to believe that the representations given under sub-clause (i) and (ii) by the management contain any material mis-statement.
  - f) In our opinion, as the Company has not declared/paid any dividend during the year, reporting for the compliance with Section 123 of the Companies Act, 2013 is inapplicable.
  - g) On the basis of the written representation received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of Act.
  - h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the opening effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - i) With respect to other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, the Company has neither paid nor provided for any remuneration to its directors during the year.
  - j) With respect to the other matter to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us;
    1. The company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
    2. The Company did not have any Long Term Contracts including derivative contracts for which there were any material foreseeable losses.
    3. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
    4. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

## Annexure A to Independent Auditors' Report

Referred to in paragraph 16(h) of the Independent Auditors' Report of even date to the members of SUMERU INDUSTRIES LIMITED on the Standalone Ind AS financial statements for the year ended March 31, 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of SUMERU INDUSTRIES LIMITED ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting, were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTE 25**
**Significant Accounting Policies and Notes on Accounts:**
**Nature of Operations:**

The Company's principal activity is providing management services apart from trading in products. The Company is establishing the salt pan project in the Kutch District of Gujarat. However, owing to local condition and environment, the Company has decided to halt this project.

**1. Significant Accounting Policies:**
**1) Basis of Preparation of Financial Statements:-**
**(i) Compliance with Ind AS**

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the

Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other relevant provisions of the Act. The financial statements are presented in Indian Rupees (INR) which is also the Company's functional currency.

**(ii) Historical cost convention**

The financial statements have been prepared on an accrual basis and under the historical cost convention except certain financial assets and liabilities are measured at fair value (refer accounting policy regarding financial instruments).

**(iii) Classification of assets and liabilities**

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements based on the nature of business and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

**2) Summary of Significant Accounting Policies:**
**a) Property, Plant and Equipment:**

All items of Property, plant and equipment except land are shown at cost, less accumulated depreciation and impairment, if any. The cost of an item of property, plant and equipment comprises its cost of acquisition inclusive of inward freight, import duties, and other non-refundable taxes or levies and any cost directly attributable to the acquisition / construction of those items; any trade discounts and rebates are deducted in arriving at the cost of acquisition.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. All other repairs and maintenance are charged to statement of profit or loss during the reporting period in which they are incurred.

Gain or losses arising on disposal of property, plant and equipment are recognised in profit or loss.

**Transition to Ind AS**

On transition to Ind AS, the company has elected to continue with the carrying value of all its property, plant and equipment recognized as at April 01, 2016 measured as per the previous GAAP (Indian GAAP) and use that carrying value as the deemed cost of property, plant and equipment.

**(b) Depreciation and amortisation:**

Depreciation has been provided based on useful life assigned to each asset in accordance with Schedule II of the Companies Act, 2013 under Straight Line Method. The residual values are not more than 5% of the original cost of the asset.

**(c) Impairment of assets**

At the date of balance sheet, if there are indications of impairment and the carrying amount of the cash generating unit exceeds its recoverable amount (i.e. the higher of the fair value less costs of disposal and value in use), an impairment loss is recognised. The carrying amount is reduced to the recoverable amount and the reduction is recognised as an impairment loss in the profit or loss. The impairment loss recognised in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

**(d) Inventories:**

The cost of various categories of inventory is determined as follows:

1. Raw material and Packing Materials : At Cost including local taxes (Net of setoff) or Net realisable value, whichever is lower.
2. Stock in Process : At Cost or Net realisable value, whichever is lower.
3. Stock of Finished Goods : At Cost or Net realisable value, whichever is lower.
4. Consumable Stores & Spares : At Cost or Net realisable value, whichever is lower.
5. Scrap : At Net realisable value

Cost of raw material and packing materials are determined using first in first out (FIFO) method. Costs of finished goods and stock in process include cost of raw material and packing materials, cost of conversion and other costs incurred in bringing the inventories to the present location and condition.

**(e) Revenue recognition:**

Revenue is measured at the fair value of the consideration received or receivable.

The Company recognises sale of goods when the significant risks and rewards of ownership are transferred to the buyer.

Income recognition for services takes place as and when the services are performed in accordance with IND AS 115.

Interest Income is accounted on accrual basis and dividend income is accounted on receipt basis.

**(f) Fair value measurement:**

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statement are categorized within the fair value hierarchy.

**(g) Financial Instruments:**

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. All the financial assets and liabilities are measured initially at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial asset and financial liabilities (other than financial assets and liabilities carried at fair value through profit or loss) are added or deducted from the fair value measured on initial recognition of financial asset or financial liability.

**(h) Financial assets**

**Classification and Measurement**

All the financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial asset (other than financial assets carried at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset.

Subsequent measurement of a financial assets depends on its classification i.e., financial assets carried at amortised cost or fair value (either through other comprehensive income or through profit or loss). Such classification is determined on the basis of Company's business model for managing the financial assets and the contractual terms of the cash flows.

The Company's financial assets primarily consists of cash and cash equivalents, trade receivables, loans to employees and security deposits etc. which are classified as financial assets carried at amortised cost.

**Amortised cost**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a financial assets that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is recognised using the effective interest rate method.

**Impairment of financial assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. For trade receivables, the Company provides for lifetime expected credit losses recognized from initial recognition of the receivables.

**De-recognition of financial assets**

A financial asset is de-recognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

**(i) Income recognition**

**Interest income**

Interest income is recognised at contracted rate of interest.

**Dividends**

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

**(j) Provision, Contingent Liabilities and Contingent Assets**

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably.

All known Liabilities, wherever material, are provided for and Liabilities, which are disputed, are referred to by way of Notes on Accounts.

Contingent assets are not recognized in the financial statements.

**(k) Taxes on Income**

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income-tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists

to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

Minimum Alternate Tax (MAT) Credit is recognized as assets only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of credit to the profit and loss account and shown as MAT credit entitlement. The company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

**(l) Loans and Receivables**

Trade receivables and loans are initially measured at transaction value, which is the fair value and subsequently retained at cost less appropriate allowance for credit losses as most loans and receivable of the Company are current in nature. Where significant, non-current loans and receivables are accounted for at amortized cost using effective rate method less appropriate allowance for credit losses. Interest is accounted for on the basis of contractual terms, where applicable and is included in interest income. Impairment losses are recognized in the profit or loss where there is an objective evidence that the Company will not be able to collect all the due amounts.

**(m) Investments**

At initial recognition, the Company measures its investments at its fair value plus costs that are directly attributable to the acquisition of the financial asset. Investments are designated as subsequently measured at fair value through profit or loss. The transaction costs are expenses immediately in statement of profit or loss. Movements in fair value of these assets re taken in profit or loss.

Investment in Limited Liability Partnership (LLP) firm is carried at cost in the separate financial statements. The share in profit/loss in LLP is recognised as income/expense in the standalone statement of profit and loss and is recorded under other current financial asset/liabilities as the right to share the profit/loss is established as per the LLP's agreement.

**(n) Segment reporting**

Identification of segments:

The Company's operating businesses are organized and managed according to the nature of products and predominant source of the risk for the Company is business product, therefore business segment has been considered as primary segment. The analysis of geographical segments is based on the areas in which the Company operates.

**Segment policies:**

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

**(o) Earning per share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders after deducting preference

dividends and attributable taxes by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

**(p) Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

**(q) Leases:-**

**Policy applicable before April 1, 2019**

Leases are classified as finance leases whenever the terms of lease transfer substantially all the risks and rewards of ownership to the lessee. Leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases.

**(i) Operating Lease:**

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of the time pattern in which economic benefits from leased assets are consumed. The aggregate benefit of incentives (excluding inflationary increases where rentals are structured solely to increase in line with the expected general inflation to compensate for the lessor's inflationary cost increases, such increases are recognised in the year in which the benefits accrue) provided by the lessor is recognized as a reduction of rental expense over the lease term on a straight-line basis.

**(ii) Finance Lease:**

Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognized immediately in profit or loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on borrowing costs. Contingent rentals are recognized as expenses in the periods in which they are incurred.

**Policy applicable after April 1, 2019**

The Company has adopted Ind AS 116 effective from April 1 2019 using modified retrospective approach. For the purpose of preparation of Standalone Financial Information, management has evaluated the impact of change in accounting policies required due to adoption of Ind AS 116 for year ended March 31 2020.

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the

right to control the use of an identified assets, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

As a lessee, the Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the fixed payments, including in substance fixed payments;

The lease liability is measured at amortised cost using the effective interest method.

The Company has used number of practical expedients when applying Ind AS 116: - Short-term leases, leases of low-value assets and single discount rate.

The Company has selected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight line basis over the lease term.

The Company's leases mainly comprise land and building for office use.

#### ® Employee benefits

Retirement benefits in the form of Provident Fund contributed to Statutory Provident Fund is a defined contribution scheme and the payments are charged to the Profit and Loss Account of the year when the payments to the respective funds are due.
