Company Overview

Business Overview

With more than a decade of experience in operating in plastic packaging products industry, we are one of the leaders in manufacturing of rigid plastic sheets and thermoformed packaging products to the industry segment we cater to.

- ❖ Started our business in the year 2004, presently we are operating out of 3 manufacturing facilities in Daman
- ❖ Our manufacturing facilities at Daman are equipped with state of the art machinery with annual extrusion capacity of over 10,000 MT and thermoforming capacity of 4,320 MT with more than 100 products
- ❖ We manufacture customized thermoformed packaging products which are tailored to client's requirements
- ❖ Our products range from yoghurt & ice cream containers to food packing, coffee cups, bakery products and confectioneries packaging, beverage cups & containers, generic bowls, punnets & trays for fruits and vegetable packing, lids etc.
- ❖ We strive to ensure excellent shelf visibility with various decorations/design options like printing and sleeving.
- ❖ We also produce rigid plastic sheets of PP/APET/GPET, HIPS, which are sold for 'form filled sealed' (FFS) application, for box making & vacuum forming applications.

Products

Our business and products

Packaging is a vital communicator with the customer/consumer, it plays a major role in giving a distinctive look and preserving the flavours and hygiene of the products which also protects the contents

- Rigid plastic packaging products (along with lids) in various shapes and sizes.
- Diversified range of products that cater to the dairy, beverages, FMCG, QSR, retail, pharmaceuticals and the electronics sector
- We produce rigid plastic sheets of PP / APET / GPET and HIPS, which are sold for 'form filled sealed' (FFS) application, for box making and for vacuum forming applications

THERMOFORMED PRODUCTS

- Dairy cups/ ice cream cups
- cups for packaging of juices, beverages & water
- rectangular meal trays/hygiene containers
- trays for sweets & confectioneries
- barrier trays and containers for shelf life enhancement
- plates bowls
- clear cups – PET/PP

PLASTIC RIGID SHEETS

High Impact Polystyrene (HIPS)

Polyethylene Terephthalate (PET)

Polypropylene (PP)

Latest Developments

Design & Development

- Developed new ice cream pack for a multi-national confectionary Company
- Developed new pack for another for another multi-national FMCG Company for peanut butter spread

Biodegradable products

- Received approval to PLA Product from CIPET in March 2019 which qualifies us to manufacture biodegradable range of products

Business Development

- Agreement signed with large Indian Corporate for supplies of PP barrier trays

Infrastructural Development

- Placed order for new multi-colour printing machine which is expected to be installed in July 2019
- Installed a 1000 KVA DG set at Unit –II to enhance productivity
- Installed online Vision Camera Inspection System on Extrusion machine to enhance quality of products

Growth Plans

(Rs. in Lakhs)

Expansion Project

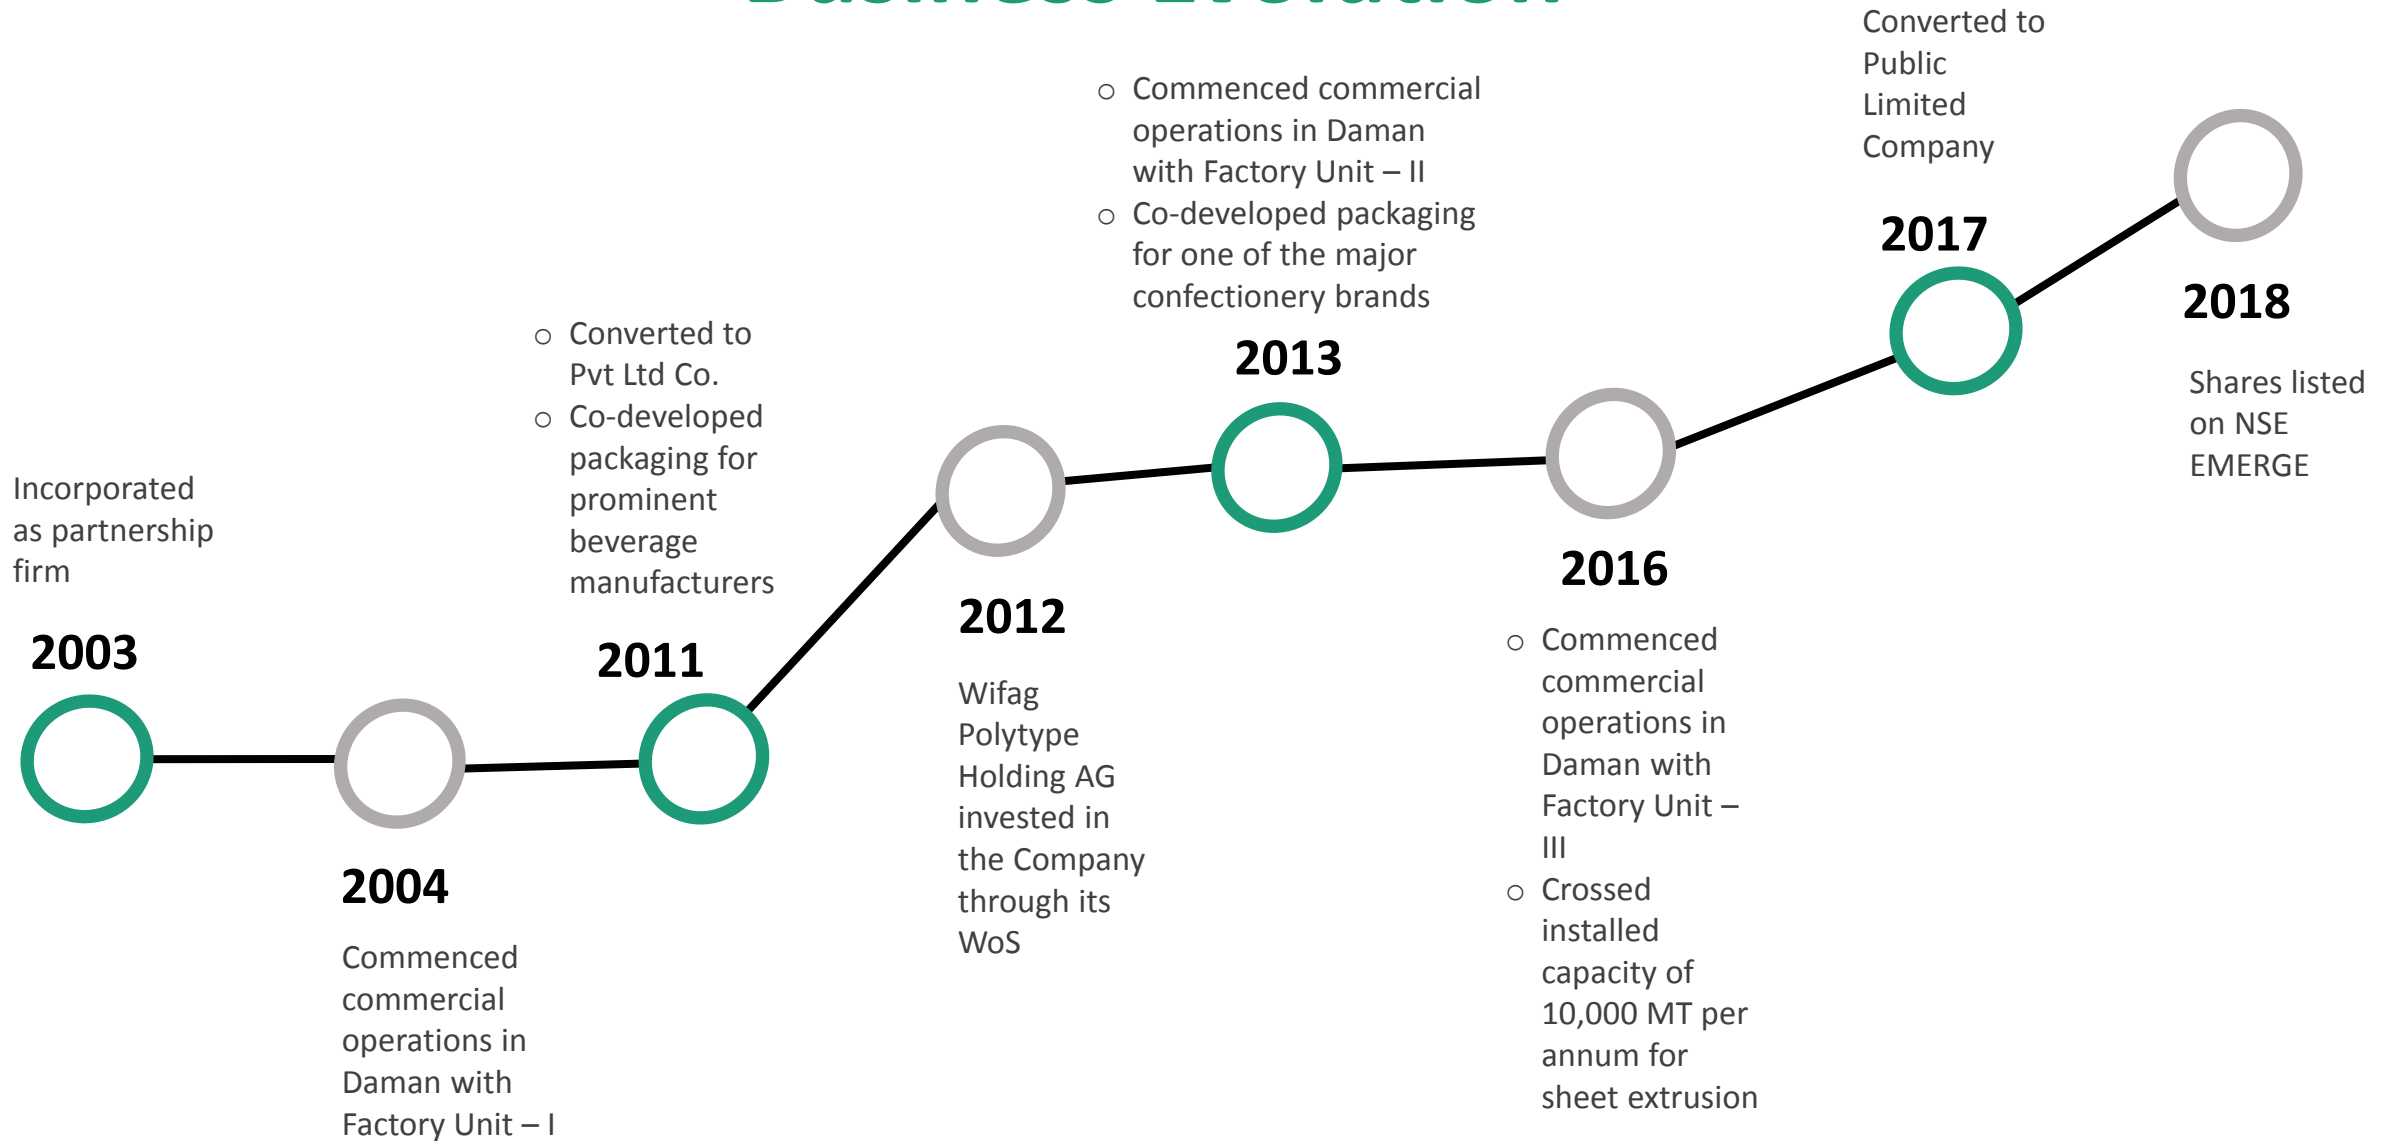

- New manufacturing facility to focus on manufacturing of multi layer plastic rigid sheets & thermoformed packaging products with latest technology
- Obtained land on long term lease of 16.9 years for constructing & setting up Factory Unit IV
- Received quotations for plant & machineries with estimated cost of Rs. 2,688.09 Lakhs
- Placed order for main Plant & Machinery
- Construction of Building & civil works already begun

Utilization of Pre IPO and IPO proceeds

| Particulars | Estimated cost | Actual cost up to 31 st March 2019 |
|--|-----------------|---|
| Capital Expenditure for Setting up of Factory (Unit IV at Daman) | 3,624.04 | 405.98 |
| General Corporate purpose | 64.05 | 55.40 |
| Issue related expenses | 221.44 | 221.44 |
| Total | 3,909.53 | 682.82 |

- Received in-principal approval from Board of Directors for consolidation and modernization of Unit I and Unit III thereby resulting into increasing productivity, cost reduction and improvement in overall turnover and margins
- Received in-principal approval from Board of Directors for procurement of Digital Printing Machine, one of 1st such machines in India, which will help the Company penetrate B2C space with specific value added products

Business Evolution

Factory Units

Survey No. 37/2, Plot No. 32 and 33,
Silver Industrial Estate, Village
Bhimpore, Daman- 396 210

Factory Unit 1

Factory Unit 2

Plot No. 370/2(3), near PSL, Vapi
Road, Village Kachigam, Daman-

Manufacturing Stages

EXTRUSION

Extrusion is initial and a vital process, since it helps us in producing sheets of various materials, sizes and colours. Our manufacturing facilities are equipped with series of extruders, indigenous & imported. Total extrusion capacity is over 10,000 MT p.a.

THERMOFORMING

We have series of thermofforming machines indigenous & imported. Our facilities are equipped with moulds that can manufacture products in various shapes and sizes with ability to process PS, PP & PET materials

PRINTING

We are equipped with series of printing machines, indigenous & Swiss, which can print up to 8 colors. Some features of machines include 'no cup no print system', auto-loading & auto stacking of cups, pre registered metal based printing plates & temperature controlled ink stations.

SLEEVING

Sleeving technology is used for better aesthetics and for shorter run products. Our sleeving machines are custom designed and are equipped with auto loading of cup, auto sleeve application, auto stacking and counting of cups.

Technology Upgradation

One of the early ones to introduce 6-colour printing in dry offset in Indian market

2004

One of the first ones to introduce fully automated thermoforming machines with German technology

2009

One of the early ones to introduce fully automated 6-colour printing machine in dry offset with Swiss technology in the Indian market

2010

One of the early ones to introduce alternate decoration technology of shrink sleeving on containers

2011

One of the early ones to introduce fully automated 8-colour printing machine in dry offset with Swiss technology in the Indian market

2012

- Introduce high-tech extrusion machines for plastic rigid sheets with an Italian technology
- One of the early ones to have complete integrated solution under one roof
- Extrusion, Forming, Printing, sleeving

2013

One of the early ones to introduce three station fully automated vacuum forming machine with German technology for punnets, trays, hinged containers, lids etc

2014

- One of the early ones introduce fully automated sleeving machine with indigenous
- Technology introduced PP barrier packaging for enhanced shelf life of the food product.

2016

Board of Directors

Mr. Ramswaroop Thard - Promoter, Chairman & MD

- Bachelors degree of Engineering-Pune University having experience of 21 years in plastic industry
- Plays pivotal role in business development, sales, administration & finance

Mr. Sajjankumar Rungta – Non-Executive Director

- Another Promoter Director of our Company
- Experience of 35 years in textile and transportation industry

Mr. Alain Berset - Non-Executive, Nominee Director

- Mechanical Engineer from E'ole d'ingénieurs de Fribourg, MBA from Haute Ecole de Gestion de Fribourg & Bern having experience of 21 years

Mr. Rajesh Murarka - Non-Executive, Independent Director

- Chartered Accountant with experience of 21 years in debt syndication, debt structuring/ re-structuring and debt advisory services

Mr. Naresh Thard – Promoter & Joint MD

- B.com from Mumbai University having experience of 20 years in plastic industry with strong technical strength in packaging domain
- Instrumental in growth of the Company since inception

Mr. Praveen Bhatia - Non-Executive, Nominee Director

- Chartered Accountant with experience of 24 years in issue management, merger & amalgamations, foreign collaborations, project consultation, loan syndication, audit, taxation, investment advisory

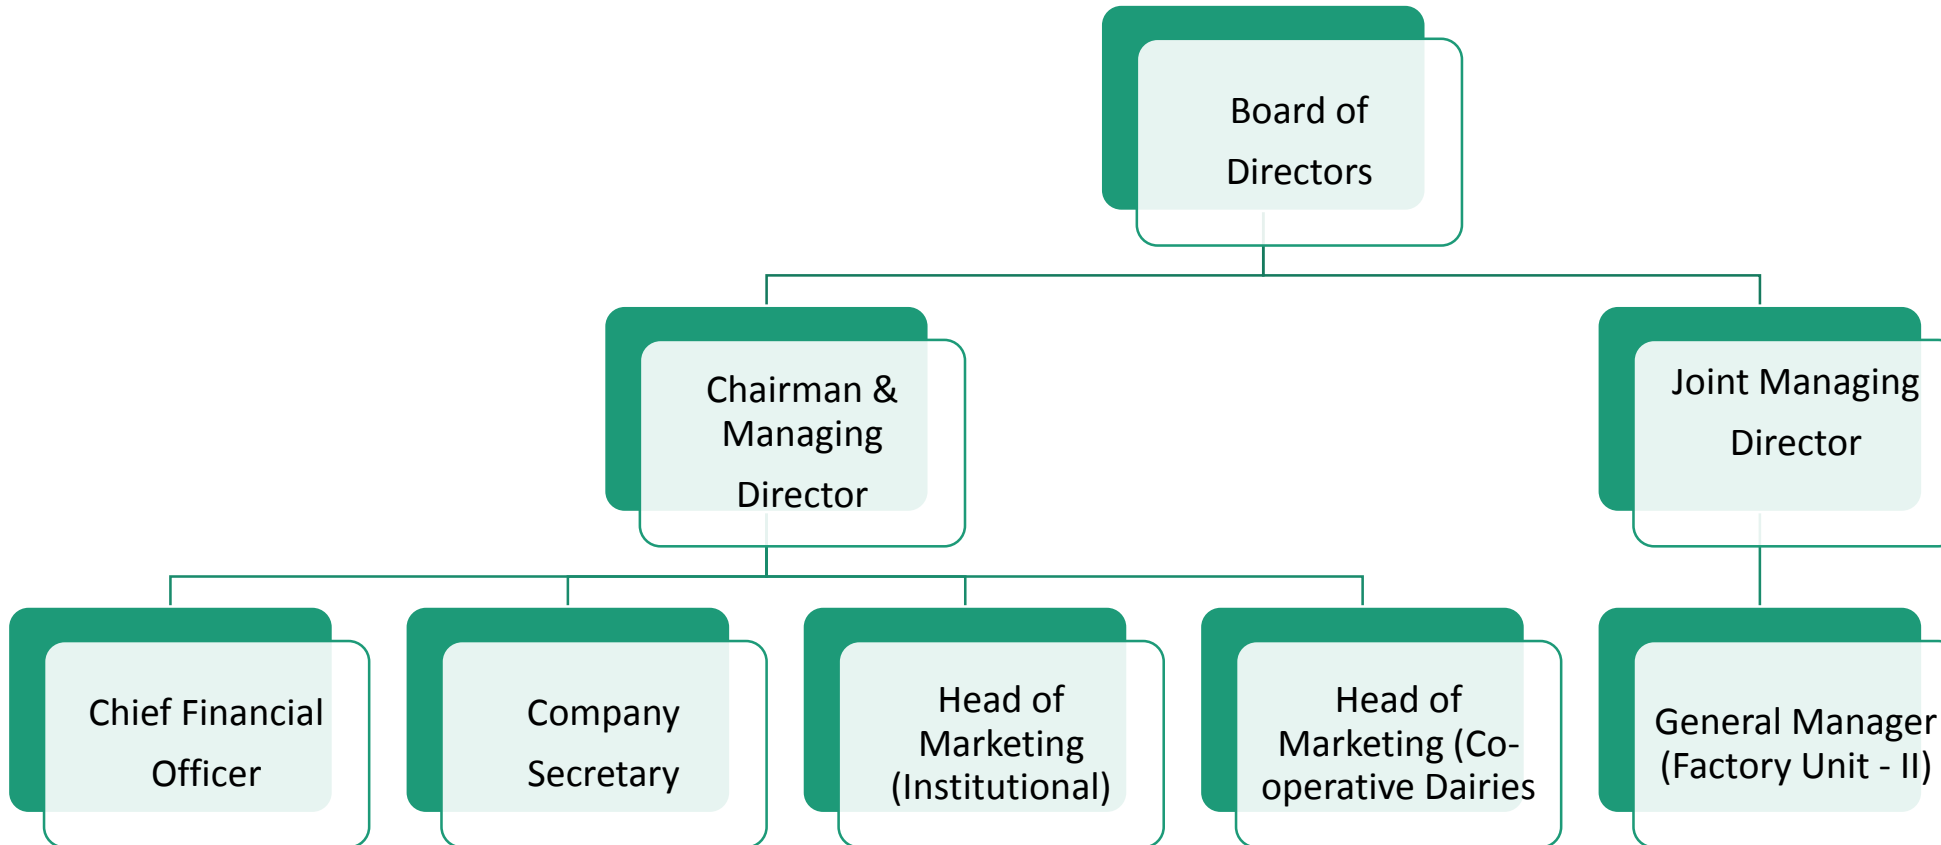

Mrs. Meenakshi Ahuja - Non-Executive, Independent Director

- Experience of 20 years in sales and marketing
- B. Sc. from Delhi University & PGD in Business Analytics from National Productivity Council, Delhi & Diploma in COBOL from NIIT Delhi

Mr. Pradeep Gupta- Non-Executive, Independent Director

- Mechanical Engineer & PGD- Industrial Management, Operations Research having 38 years of experience in Plant Operations, Business & Market Development and Client Relationship Management

Management Organization Structure

**The in-charge of Factory Unit - I and Factory Unit - III report directly to the Joint Managing Director*
