**NOTES:**

1. The Ministry of Corporate Affairs ("MCA") has vide its General Circular Nos. 14/2020 dated April 8, 2020 and 17/2020 dated April 13, 2020, in relation to "Clarification on passing of ordinary and special resolutions by companies under the Companies Act, 2013 and the rules made thereunder on account of threat posed by Covid - 19", General Circular Nos. 20/2020 dated May 5, 2020, Circular No. 10/2022 dated December 28, 2022 and subsequent circulars issued in this regard, i.e. 09/2023 dated September 25, 2023 and latest being General Circular No. 09/2024 dated September 19, 2024 ("MCA Circulars") and SEBI vide its Circular No. SEBI/HO/CFD/CFD-PoD2/P/CIR/2024/133 dated October 3, 2024 ("SEBI Circulars"), have permitted to conduct the Annual General Meeting ("AGM") virtually, without physical presence of Members at a common venue. In compliance with the provisions of the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and MCA Circulars, the 31<sup>st</sup> AGM of the Company is being held through VC / OAVM. The registered office of the Company shall be deemed to be the venue for the AGM.
2. Pursuant to the provisions of the Act, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM and hence the Proxy Form, Attendance Slip and Route Map are not annexed to this Notice.
3. The attendance of members attending the AGM through VC / OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of Companies Act, 2013.
4. Pursuant to Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Secretarial Standards -2 (SS-2), the particulars of Directors proposed to be appointed / re-appointed at the Annual General Meeting is given in the Annexure to the notice.
5. Explanatory Statement under Section 102 of the Companies Act, 2013 in respect of special business is annexed hereto and forms part of the Notice.
6. The Register of Members and the Share Transfer Books of the Company will be closed from September 19, 2025 to September 25, 2025 (both days inclusive).
7. In accordance with, the circulars issued by MCA and Securities and Exchange Board of India ('SEBI'), owing to the difficulties involved in dispatching of physical copies of the Annual Report of the Company and the Notice of AGM, the same are being sent in electronic mode to Members whose e-mail address is registered with the Company or the Depository Participants (DP).
8. Members who have not registered their e-mail addresses so far are requested to register the same with their DPs in case the shares are held by them in electronic form and with the Registrar & Share Transfer Agent in case the shares are held by them in physical form for receiving all communication including Annual Report, Notices, etc. from the Company electronically.

9. Members are requested to furnish their bank account details, change of address and all other required details to the Registrar & Share Transfer Agent in respect of shares if held in physical form. In case of shares held in electronic form, these details should be furnished to the respective Depository Participants (DPs).
10. The Securities and Exchange Board of India (“SEBI”) has mandated the submission of Permanent Account Number (“PAN”) by every participant in the securities market. Members holding shares in electronic form are therefore, requested to submit their PAN card numbers / copies of PAN card to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company/Registrar and Share Transfer Agent, M/s. Purva Sharegistry (India) Private Limited.
11. The Securities and Exchange Board of India (“SEBI”) has mandated that transfer of securities would be carried out in dematerialized form only w.e.f. 5<sup>th</sup> December, 2018. In view of the same and to avail various benefits of dematerialization, members are requested to dematerialize shares held by them in physical form. Members may contact the Company or Share Transfer Agent, for assistance in this regard.
12. SEBI vide its notification dated January 24, 2022 has amended Regulation 40 of SEBI Listing Regulations, and has mandated the Listed Companies to issue securities in dematerialized form only while processing service requests viz, issue of duplicate securities certificate, claim for unclaimed suspense account, renewal/exchange of securities certificate, endorsement, sub-division/splitting of securities certificate, consolidation of securities certificate/folios, transmission and transposition. Members are requested to contact Company’s Share Transfer Agent, for assistance in this regard.
13. Members can avail of the facility of nomination in respect of shares held by them in physical form pursuant to the provisions of Section 72 of the Companies Act, 2013. Members desiring to avail of this facility may send their nomination in the prescribed Form No. SH-13 duly filled in to M/s. Purva Sharegistry (India) Private Limited at the Registered Office of the Company. Members holding shares in electronic form may contact their respective Depository Participants for availing this facility.
14. Members may please note that the Notice of the 31<sup>st</sup> Annual General Meeting and the Annual Report for the year ended March 31, 2025 will also be available on the Company’s website [www.ken-fin.com](http://www.ken-fin.com) for their download. For any communication, the shareholders may also send requests to the Company’s investor email id: [kenfsl@rediffmail.com](mailto:kenfsl@rediffmail.com). Notice can also be accessed from the website of BSE Limited at [www.bseindia.com](http://www.bseindia.com) and the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. [www.evotingindia.com](http://www.evotingindia.com).

**20. Instructions for shareholders for remote e-voting and joining the meeting are as under:**

**Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

**Step 2** : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The remote e-voting period begins on September 22, 2025 (09.00 a.m.) and ends on September 24, 2025 (05.00 p.m.). During this period, members of Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Thursday, September 18, 2025, may cast their vote electronically. The remote e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

- (iii) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e- voting process.

**Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

**42. RBI Guidelines:**

Reserve Bank Governor Shri Sanjay Malhotra announced that the repo rate will remain unchanged at 5.5% on Wednesday (August 6, 2025). He also projected the GDP growth projection for Financial Year 2026 retained at 6.5%. The CPI inflation for Financial Year 2026 projected down at 3.1% as compared with 3.7% projected in June.

Consequently, the standing deposit facility (SDF) rate under the liquidity adjustment facility (LAF) remains unchanged at 5.25% and the marginal standing facility (MSF) rate and the Bank Rate at 5.75%. This decision is in consonance with the objective of achieving the medium-term target for consumer price index (CPI) inflation of 4% within a band of +/- 2 per cent, while supporting growth.

In the June RBI policy, the central bank's MPC surprised with a bumper 50 basis points (bps) cut in the repo rate to 5.50% from 6%. The MPC changed the policy stance to 'Neutral' from 'Accommodative', and also slashed the Cash Reserve Ratio (CRR) by 100 bps to 3% from 4% earlier.

**43. Cyber security governance:**

Cyber security governance includes a board member overseeing the cybersecurity strategy and the executive management team, accountable for managing cybersecurity. The Senior Management track all the recent happenings related to cyber security risks on ongoing and periodical basis and solves the related issues.

## **REPORT ON CORPORATE GOVERNANCE**

*(Pursuant to Regulation 34(3) read with Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015)*

The Company has always believed in complying with the law not only in letter but in spirit as well. The Company, in keeping with its motto, 'Better Every day', strives to do better in all aspects of its functioning, highlighting its focus on better governance. Corporate Governance is the balance between economic and social goals and between individual and societal goals which the Company strives to uphold at all times. The Company treads carefully with a high sense of responsibility towards all stakeholders. Creating value for all stakeholders is the prime goal of the Company. The Company has a duty towards all its stakeholders to operate the business of the Company based on the core principles of good governance, accountability, transparency, integrity, societal, environment and regulatory compliances while creating long-term value for all its stakeholders. These elements collectively enable an organization to operate efficiently and ethically, fostering the generation of long-term wealth and value creation for all its stakeholders. The Company firmly believes that sound Corporate Governance is essential for enhancing and maintaining stakeholder trust, and consistently strives to align its performance goals with the governance principles. The Company has established systems and procedures ensuring that the Board is well informed and is prepared to fulfill its responsibilities. This foundation empowers the management to provide the strategic direction necessary for creating value for its stakeholders.

The Company is in compliance with the Corporate Governance Code as required under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"). This report outlines compliance with requirements of the Companies Act, 2013, as amended (the 'Act'), the SEBI Listing Regulations and Master Direction - Non-Banking Financial Company – Non-Systemically Important Non-Deposit taking Company (Reserve Bank) Directions, 2016, as amended as applicable to the Company.

### **1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE**

Good corporate governance is a synonym for sound management, transparency and adequate disclosure, encompassing good corporate practices, procedures, standards and implicit rules which propel a company to take sound decisions. As a Company with a strong sense of values and commitment, Ken Financial Services Limited (KFSL) believes that profitability must go hand in hand with a sense of responsibility towards all stakeholders. This is an integral part of KFSL's business philosophy. The cardinal principles such as independence, accountability, responsibility, transparency, trusteeship and disclosure serve as means for implementing the philosophy of Corporate Governance.

This philosophy is reflected and practiced through KFSL. Further, these practices allow the Board to make decisions that are independent of the management. The Company is committed to focus its energies and resources in creating and positively leveraging shareholders' wealth and, at the same time, safeguarding the interests of all stakeholders. This is our path to sustainable and profitable existence and growth.

The Company has adopted Governance Guidelines to cover aspects related to composition and role of the Board, Chairman and Directors, Board diversity, Director's term, retirement age and committees of the Board. It also covers aspects relating to nomination, appointment, induction of Directors, Director's remuneration and Board effectiveness review. The Company is committed to driving these values and strives to set the highest standards in governance and business ethics.

**(x) Information placed before the Board**

The Board of Directors ('the Board') is the apex body, constituted by the shareholders, for overseeing the Company's overall functioning. The Board provides strategic direction, leadership and guidance to the Company Management as also monitors the performance of the Company with the objective of creating long-term value for the various stakeholders and the Company. During the year under review, the composition of the Board was in conformity with Regulation 17 of the SEBI Listing Regulations read together with Section 149 and 152 of the Act and rules framed thereunder.

The Board is presented with relevant information on various matters related to the working of the Company, especially those that require deliberation at the highest level. Presentations are also made to the Board by key members of the senior management on important matters from time to time. In addition to items required to be placed before the Board for its noting and/or approval, information is provided on various significant items.

In terms of quality and importance, the information supplied by Management to the Board is far ahead of the mandate under the SEBI Listing Regulations.

Pursuant to the various regulatory requirements and considering business needs, the Board is apprised on various matters, *inter alia*, covering the following:

- Business plans, forecast and strategic initiatives

## **MANAGEMENT DISCUSSION AND ANALYSIS (MD&A)**

### **Overall Review**

Ken Finance Service Limited ('KFSL' or 'the Company') is a non-systemically important non-deposit taking non-banking financial company (NBFC) registered with the Reserve Bank of India (RBI) since March 24, 1998, with registration number 13.00423 and classified as NBFC-Investment and Credit Company (NBFC-ICC) pursuant to circular DNBR (PD) CC.No.097/03.10.001/2018-19 dated 22 February 2019. The Company is mainly engaged in the business of financing. The Company has a diversified lending portfolio across retail, SMEs and commercial customers with significant presence in urban and rural India..

NBFC's plays a vital role in the Indian financial market, providing a range of financial services. India's NBFCs continue to be instrumental in driving credit growth for the country's underserved segments. In the last few years, the contribution of NBFCs to India's gross domestic product (GDP) was well above 10% and these entities now account for more than 25% of credit, thus NBFCs role in driving consumption, investment, and financial inclusion make them a vital component of the country's economic engine.

The RBI has estimated real GDP growth for FY2025 at 6.5%. It has projected growth at the same percentage rate for FY2026; and has forecast CPI inflation at 4%. With no imminent fear of inflation, the RBI's Monetary Policy Committee, in its first meeting of FY2026, unanimously decided to reduce the policy repo rate by 25 basis points, bringing it down to 6 per cent with immediate effect.

Therefore, as it stands, the Indian economy seems to be in a good place. At 6.5%, it continues to clock the highest real GDP growth rate among all major countries in the world, including China. Both wholesale and consumer price inflation are under control. The central bank has been confident enough to reduce the repo rate and inject further liquidity into the system. A key concern remains the recent escalation of US tariffs and policymakers will have to watch this very carefully in the coming months. Even so, it is probably fair to say that India can expect another excellent year of growth and income generation.

### **Industry Structure and Development**

Lending and borrowing money are critical to a country's financial health. Banks traditionally played the role of prime lenders in India, disbursing loans for both commercial and personal purposes. However, extensive due diligence and long processes resulted in individuals turning to the unorganised sector or traditional moneylenders who charged exorbitant interest rates.

In recent years, however, the lending market in India has developed into a dynamic playfield of various non-banking financial companies (NBFC), fintech enterprises and digital lending platforms.

India's NBFCs continue to be instrumental in driving credit growth for the country's underserved segments. In the last few years, the contribution of NBFCs to India's gross domestic product (GDP) was well above 10% and these entities now account for more than 25% of credit, thus NBFCs role in driving consumption, investment, and financial inclusion make them a vital component of the country's economic engine.

NBFCs are critical to India's financial ecosystem, particularly in underserved segment such as rural and semi-urban areas where banks have limited reach. Their importance lies in:

- Financial inclusion: By providing credit to underserved regions.
- Faster services: With simplified processes and doorstep delivery.
- Priority sector lending: Addressing credit needs in agriculture, microfinance, and other unorganised sectors.
- Economic growth: Supporting sectors like housing, infrastructure and small enterprises through financing.

### **Opportunities and Threats**

There are lot of opportunities and wide range of financial services offered by NBFCs which includes:

- Personal loans
- Leasing and hire-purchase services
- Investment and asset management services
- Home loans
- Credit card services
- Vehicle loans
- Microfinance
- Insurance services
- Gold loans

Further Government of India has exempted NBFCs from the hard rules and regulations which are mandatory for the traditional banks, keeping in mind the financial needs of the people. NBFCs get to enjoy flexibility in the rules for paperwork and other restrictions due to which many entrepreneurs put their interest in these financial institutions. Government of India has provided many opportunities for the establishment of NBFCs in the Indian market. The NBFCs are eligible for a foreign investment of up to 100%.

NBFCs are contributing to India's GDP by facilitating credit access, supporting investment, and contributing to various sectors. The diverse range of services offered by NBFCs have contributed to the overall growth and resilience of the Indian economy. This is why the Indian Government has taken many initiatives to protect the interests of NBFCs and help them to emerge. NBFCs are in the business of profit. The contributions made by the NBFCs in the growth of the Indian economy highlights how well NBFCs have been functioning.

**Asset Quality and Credit Risk:** NBFCs face challenges related to asset quality and credit risk, especially during economic downturns or in sectors prone to volatility. Poor risk management practices can lead to asset quality deterioration and increase the likelihood of defaults.

### **Segment-wise/Product-wise Performance**

The Company is engaged mainly in business of financing and as such there are no other reportable segment. The revenue for the year was Rs.59,888/- hundreds in comparison to Rs.58,007/- hundreds during the previous year.

**Outlook**

NBFCs remain a cornerstone of India's financial system, particularly to promote financial inclusion and economic growth. They can address the credit needs of underserved segments, leverage new sources of funds and embrace technological advancements. By integrating these strategies, NBFCs play a pivotal role in driving universal and sustainable economic growth, and ensure that the benefits of financial inclusion and technological innovation are widely shared across the nation.

**Risk and Concern**

- Higher risk weights: Increased risk weights for loans from banks to NBFCs, making bank borrowing more expensive. However, effective 1 April 2025, the RBI has rolled back the higher risk weights previously assigned, and restored these to the pre-November 2023 levels.
- Funding constraints: Smaller NBFCs with lower credit ratings face a fund crunch due to rising borrowing costs and limited financing / refinancing options.
- Shallow bond market: India's debt market lacks depth and liquidity, limiting access to diversified domestic funding.
- Cost pressures: Rising credit costs may affect NBFCs' profitability.
- Overseas borrowing challenges: While attractive due to reduced hedging costs, overseas funding is still at a nascent stage for many NBFCs.

**Internal Control System**

KFSL's has in place adequate system of internal control. It has documented procedures covering all financial and operating functions. These controls have been designed to provide a reasonable assurance with regard to maintaining of proper accounting controls, monitoring of operations, protecting assets from unauthorized use or assets, compliance with regulations and for ensuring reliability of financial reporting.

The company had continued its efforts to align all its processes and controls with best practices in these areas as well.

**Financial Performance w.r.t. Operational Performance**

During the year under review, the Company has earned Total Income of Rs. 59,888/- hundreds in comparison to Rs.58,007/- hundreds during the previous year. The total expenses have been increased from Rs.46,544/- hundreds to Rs.48,524/- hundreds. The Net Profit after tax is Rs.8,372/- hundreds in comparison with Rs. 7,682/- hundreds during the previous year. Your directors are of the opinion of performing better in forthcoming F.Y. 2025-26.

**Safety, Health and Environment**

Your Company as a matter of policy gives greater importance to safety, health and environment and also ensures compliance with applicable legislative requirements.

## **Human Resources**

The Company firmly believes that Human Capital is its most important asset. A series of engagement interventions across identified key themes were undertaken to increase employee morale and the initiatives focused on key aspects such as physical and mental wellness, celebrations, continuing with its journey of “Happiness at the workplace”.

## **Key Financial Ratios:**

In accordance with the SEBI (Listing Obligations and disclosures Requirements) Regulations 2018 (Amendment) Regulations, 2018, the Company is required to give details of significant changes (change of 25% or more as compared to the immediately previous financial year) in Key sector-specific financial ratios.

<b>Particulars</b>	<b>F.Y. 2024-25</b>	<b>F.Y. 2023-24</b>
Debt equity Ratio <sup>1</sup>	0.32 times	0.30 times
Net Profit Margin (%) <sup>2</sup>	13.98 %	13.24 %
Return on Networth (%) <sup>3</sup>	1.15 %	1.07 %

<sup>1</sup> The debt-to-equity ratio remains low, reflecting a conservative approach to leverage.

<sup>2</sup> Net Profit Margin has increased as a result of improved business structure of the Company.

<sup>3</sup> Return on Networth has improved as a result of overall business improvement.

Your Company’s actual result may differ from those projected depending on various factor. Your Company cannot guarantee that the assumptions and estimates in the forward-looking statements are accurate or will be realized.

## **Independent Auditors' Report**

To the Members of  
**Ken Financial Services Limited**

### **Report on the Audit of the Standalone Financial Statements**

#### **Opinion**

We have audited the standalone financial statements of Ken Financial Services Limited ("the Company"), which comprise the balance sheet as at March 31, 2025, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2025, its profit, and its cash flows for the year ended on that date.

#### **Basis of Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

#### **Information other than the financial statements and Auditors' report thereon**

The Company's Board of Directors is responsible for the other information, the other information comprises the information included in the Director's report, but does not include

the Financial Statements and our Auditor's report thereon. The Director's report is expected to be made available to us after the date of this Auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read Director's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### **Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditors' responsibility for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of

our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on other legal and regulatory requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on basis of such checks of books and records of the company as we considered appropriate and according the information and explanations given to us, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order.

  - iv.
    - (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries;
    - (ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
    - (iii) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.

- v. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.
  - vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- h) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

**Management’s responsibility for internal financial controls**

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the Institute of Chartered Accountants of India (‘ICAI’) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

#### **Meaning of internal financial controls with reference to financial statements**

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### **Inherent limitations of internal financial controls with reference to financial statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the criteria for internal financial controls with reference to financial statements established by the respective Company considering the essential components of internal control stated in the Guidance Note.

**Notes to financial statements****Note No.: 1****A. Company Overview:-**

Ken Financial Services Limited ('the Company', 'KFSL') (Corporate ID No.: L65990MH1994PLC078898) is a company limited by shares, incorporated on June 10, 1994 and domiciled in India. The shares of the Company are listed on the Bombay Stock Exchange (BSE), India. The Company is mainly engaged in the business of financing. The Company has its registered office at F-9, 1<sup>st</sup> Floor, Shah Arcade 1, Rani Sati Marg, Near W. E. Highway, Malad (East), Mumbai - 400 097.

The Company is a non-systemically important non-deposit taking non-banking financial company (NBFC) registered with the Reserve Bank of India (RBI) since March 24, 1998, with registration number 13.00423 and classified as NBFC-Investment and Credit Company (NBFC-ICC) pursuant to circular DNBR (PD) CC.No.097/03.10.001/2018-19 dated 22 February 2019.

Financial statements were subject to review and recommendation of Audit Committee and approval of Board of Directors. On May 29, 2025, Board of Directors of the Company approved and recommended the financial statements for consideration and adoption by the shareholders in its Annual General Meeting.

**B. Basis of Preparation:**

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed in the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act. The Company uses accrual basis of accounting.

The financial statements are presented in Indian Rupee (₹), which is also the functional currency of the Company, in denomination of hundred as permitted by Schedule III to the Act. The financial statements have been prepared on a historical cost basis, except for certain financial instruments that are measured at fair value.

The financial statements are prepared on a going concern basis as the Management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

**B.1 Presentation of financial statements**

The Company prepares and present its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows'.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only where Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the

recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis where permitted by Ind AS.

### **C. Critical Accounting Estimates and Judgments**

The preparation of financial statements in accordance with Ind AS requires management to make certain judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates, with the differences between the same being recognized in the period in which the results are known or materialize. Continuous valuation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

Information about areas involving a higher degree of judgment or complexity or critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities are included in the following notes:

(a) Estimation of useful life – Note on Property, Plant and Equipment

(b) Recognition of deferred tax assets – Note on Deferred Tax

### **D. Summary of significant accounting policies:**

The principal accounting policies adopted in the preparation of the financial statements are set out below. The policies have been consistently applied to all years presented, unless otherwise stated. The presentation of financial statements requires the use of certain accounting estimates. The areas where significant judgments and estimates have been made in preparing the financial statements and their effects are disclosed.

#### **1. Leases**

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

The Company has elected not to apply the requirements of Ind AS 116 to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

## **2. Property Plant & Equipment:**

### **(a) Initial Measurement & Recognition**

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of an item of Property, plant and equipment comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the assets to its working condition for its intended use with any trade discounts or rebates being deducted in arriving at purchase price. Cost of the assets also includes interest on borrowings attributable to acquisition, if any, of qualifying fixed assets incurred up to the date the asset is ready for its intended use.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of Property, plant and equipment.

Cost of Property, plant and equipment not ready for intended use as on the balance sheet date, is disclosed as capital work in progress. Advances given towards acquisition of property, plant and equipment outstanding at each balance sheet date are disclosed as Capital Advances under Other non-current Assets.

Any gain or loss on disposal of an item of property plant and equipment is recognized in statement of profit and loss.

### **(b) Subsequent expenditure**

Subsequent costs are included in the asset's carrying amount or recognized as a

separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

**(c) Depreciation:**

Depreciation is provided on the straight-line method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013. Depreciation on assets added/disposed off during the year is provided on pro-rata basis from the date of addition or up to the date of disposal, as applicable.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

**3. Inventories**

Inventories, if any, are valued at the lower of cost and net realizable value. Cost is computed on a weighted average basis. Cost of finished goods and work-in-progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

**4. Cash and Cash Equivalents**

Cash and cash equivalents are short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

**5. Financial Instruments:**

**(A) Financial Assets**

**Recognition and measurement**

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

Financial assets are subsequently classified as measured at

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI)

**(a) Measured at amortised cost:** Financial assets that are held within a business

model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any, is recognised in the Statement of Profit and Loss.

**(b) Measured at fair value through other comprehensive income:** Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On de-recognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

**(c) Measured at fair value through profit or loss:** A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

#### **Trade Receivables and Loans:**

Trade receivables and loans are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

#### **Equity Instruments:**

All investments in equity instruments classified under financial assets are subsequently measured at fair value. Equity instruments which are held for trading are measured at FVTPL. For all other equity instruments, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument shall be recognised as 'other income' in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

#### **De-recognition**

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

**Impairment of Financial Assets**

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financial assets in FVTPL category. For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall. The impairment losses and reversals are recognised in Statement of Profit and Loss, if any.

**(B) Financial Liabilities:****Initial recognition and measurement**

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

**Subsequent measurement**

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or losses are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

**De-recognition**

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

**6. Provisions and Contingent Liabilities**

Provisions are recognised when the Company

- (a) has a present obligation (legal or constructive) as a result of a past event,
- (b) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and
- (c) a reliable estimate can be made of the amount of the obligation.

Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-

occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

## **7. Revenue Recognition**

Interest, finance charges, service charges etc. are recognized as income on accrual basis. Revenue is measured at the fair value of the consideration received or receivable and recognized when it is probable that the economic benefits associated with the transaction will flow to the entity.

## **8. Other Income**

Other income is mainly accounted on accrual basis, except in case of significant uncertainties.

## **9. Retirement and other employee benefits:**

Employee benefits include provident fund, superannuation fund, gratuity fund, compensated absences, long service awards and post-employment medical benefits.

### **Short-term obligation:**

Short-term employee benefits like salaries, wages, bonus and welfare expenses payable wholly within twelve months of rendering the services are accrued in the year in which the associated services are rendered by the employees and are measured at the amounts expected to be paid when the liabilities are settled.

### **Long-term obligation**

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognized as a liability at the present value of the defined benefit obligation as at the Balance Sheet date less the fair value of the plan assets out of which the obligations are expected to be settled. Long Service Awards are recognized as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

## **10. Impairment of Non-Financial Assets:**

Assessment for impairment is done at each Balance Sheet date as to whether there is any indication that a non-financial asset maybe impaired. If any indication of impairment exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made. Asset/cash generating unit whose carrying value exceeds their recoverable amount are written down to the recoverable amount by recognizing the impairment loss as an expense in the Statement of Profit and Loss. Recoverable amount is higher of an asset's or cash generating unit's fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life.

Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer

exist or may have decreased. An impairment loss recognized for goodwill is not reversed in subsequent periods.

## **11. Taxation:**

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognised directly in equity or in other comprehensive income.

Current tax is the expected tax payable/receivable on the taxable income/ loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years. Interest income/ expenses and penalties, if any, related to income tax are included in current tax expense.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is recognized using the tax rates enacted, or substantively enacted, by the end of the reporting period.

Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

## **12. Earnings per Share**

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

<b>22</b>	<b>Earnings per share (EPS)</b>		

Basic EPS is calculated in accordance with Ind AS 33 'Earnings per share' by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted EPS is calculated by dividing the profit attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares of the Company.

#### The following reflects the income and share data used in the basic and diluted EPS computations:

Net profit attributable to equity shareholders	8,371.93	7,682.47
Weighted Average Number of equity shares outstanding during the year	30,001.00	30,001.00
Earnings per share (basic) (₹)	0.28	0.26
Earnings per share (diluted) (₹)	0.28	0.26
Face Value per Share (Rs.)	10	10

The Company does not have any Dilutive Potential Equity Shares. Hence Basic and Diluted EPS are same.

The carrying amounts of Cash and Cash equivalents, Trade Receivables, Loans, Other Financial Assets, Trade and Other Payables and Borrowings(Other than Debt Securities) are considered to be approximately equal to the fair value.

#### I. Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are

- (a) recognised and measured at fair value and,
- (b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the Indian accounting standard. An explanation of each level is as follows :

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices. For example, listed equity instruments that have quoted market price.

**Level 2:** The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the- counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

#### II. Valuation techniques used to determine fair value

Significant valuation techniques used to value financial instruments include:

- the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date.
  - o Use of quoted market price or dealer quotes for similar instruments
  - o Using discounted cash flow analysis.

The fair values computed above for assets measured at amortised cost are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy due to the use of unobservable inputs.

#### Note : 26 Capital

##### (i) Capital management

The company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets.

The management monitors the return on capital as well as the level of dividends to shareholders. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

#### Note : 27 Financial Risk Management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

#### A. Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The company is exposed to credit risk from its operating activities (primarily for trade receivables and loans) and from its financing activities (deposits with banks and other financial instruments).

##### Credit risk management

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables.

The Company's maximum exposure to credit risk as at 31st March, 2025 & 2024 is the carrying value of each class of financial assets.

##### i) Trade and other receivables

Credit risk on trade receivables is limited based on past experience and management's estimate.

##### ii) Cash and Cash Equivalents

The Company held cash and bank balance with credit worthy banks of Rs.441020.07 at March 31, 2025, (March 31, 2024: Rs 459954.72). The credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks where credit risk is largely perceived to be extremely insignificant

#### B. Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. For the Company, liquidity risk arises from obligations on account of financial liabilities – Trade and Other Payables and Borrowings.

##### Liquidity risk management

The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. A material and sustained shortfall in our cash flow could undermine the Company's credit rating and impair investor confidence.

The Company maintained a cautious funding strategy, with a positive cash balance throughout the year. This was the result of cash delivery from the business. Cash flow from operating activities provides the funds to service the financing of financial liabilities on a day-to-day basis. The Company's treasury department regularly monitors the rolling forecasts to ensure it has sufficient cash on-going basis to meet operational needs. Any short term surplus cash generated by the operating entities, over and above the amount required for working capital management and other operational requirements, are retained as cash and cash equivalents (to the extent required).

#### C. Market risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments. The Company is exposed to market risk primarily related to interest rate risk and the market value of the investments.

##### i) Currency Risk

The functional currency of the Company is Indian Rupee. Currency risk is not material, as the Company does not have any exposure in foreign currency.

##### ii) Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

##### Exposure to interest rate risk

According to the Company interest rate risk exposure is only for floating rate borrowings. Company does not have any floating rate borrowings on any of the Balance Sheet date disclosed in this financial statements.

##### iii) Price Risk

Price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. It arises from financial assets such as investments in quoted instruments.

##### a Fair value sensitivity analysis for fixed rate Instruments

The Company does not account for any fixed rate financial assets or financial liabilities at fair value through Profit or Loss. Therefore, a change in interest rates at the reporting date would not affect Profit or Loss.

##### b Cash flow sensitivity analysis for variable rate Instruments

The company does not have any variable rate instrument in Financial Assets or Financial Liabilities.
