PERFORMANCE EVALUATION

During the Year Under Review, the formal annual evaluation of the performance of the Board, its committees and individual directors was carried out, in the Company by the independent directors, and the Board, in compliance with the Companies Act, 2013 and SEBI Listing Regulations, as amended from time to time.

The performance of Non-Independent Directors, Board as a whole and the chairman was done by the Independent Directors of the Company. Performance evaluation of independent directors was done by the entire Board, excluding the independent director being evaluated.

An indicative criterion of evaluation was circulated to the directors to facilitate such evaluation. Based on the feedback of the directors and on due deliberations of the views and counter views, the evaluation was carried out in terms of the NRC Policy and such indicative criterion. The Board sought the feedback of directors on various parameters including:

- Degree of fulfilment of key responsibilities towards stakeholders (by way of monitoring corporate governance practices, participation in the long-term strategic planning, etc.);
- Structure, composition, and role clarity of the Board and Committees;
- Extent of co-ordination and cohesiveness between the Board and its Committees;
- Effectiveness of the deliberations and process management;
- Board/Committee culture and dynamics; and
- Quality of relationship between Board Members and the Management.

The above criteria are broadly based on the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India.

The evaluation process endorsed the Board confidence in the ethical standards of the Company, the resilience of the Board and the management in navigating the Company during challenging times, cohesiveness amongst the Board, constructive relationship between the Board and the management, and the openness of the management in sharing strategic information to enable Board to discharge their responsibilities and fiduciary duties.

ANNUAL OVERVIEW AND OUTLOOK

India's economic growth momentum is expected to continue. The IMF projects that India will maintain its status as the fastest-growing major economy, with a GDP growth rate of 6.5% in both FY 2024-25 and FY 2025-26. By 2026, India is expected to surpass Japan, becoming the fourth-largest economy in the world. Furthermore, by 2028, India is likely to secure its position as the third largest economy. With strong economic fundamentals and steady growth, India is poised to become a major global economic powerhouse in the near future.

Our business is well-placed to take advantage of this growth journey.

The investment landscape in India has undergone a significant transformation, with HNIs increasingly diversifying beyond traditional financial instruments.

While the availability of sophisticated investment products provides a wide range of opportunities, it also introduces the challenge of unsystematic allocation, which can impact risk-adjusted returns. To address this, we have developed a mathematical approach to portfolio construction, creating investment strategies for our clients. Our uncomplicated and long-term perspective in private wealth solutions has consistently delivered strong results, particularly in navigating market volatility.

We believe these four growth pillars will drive our AUM growth by 20% or more annually. This ambitious yet achievable target is backed by our proven track record and strategic insights, reinforcing our position as a leader in India's wealth management sector.

INDUSTRY OVERVIEW

India's GDP is expected to grow at 6.5% during FY 2024-25 based on second advanced estimates released by the National Statistics Office (NSO). In last 10 years, GDP has doubled. In FY 2014-15, India's GDP was 2.1 trillion and it is likely to reach 4.3 trillion by end of FY2024-25, registering an increase of 100% in last 10 years. During this period, India has now become from 10th largest economy in 2014 to 5th largest economy now.

Financial Year 2024-25 has been eventful on many fronts. Shri Narendra Modi was elected as Prime Minister for the 3rd consecutive term. During this year, the final budget for FY2024-25 was presented in July 2024 and the Budget for FY2025-26 was presented in February 2025.

During the last year the revenues of the Government have increased significantly and Fiscal deficit was maintained at 4.8% compared to 5.6% earlier in FY2023-24. Thus Government's financial management is resulting in low inflation and low interest rates.

The Indian equity capital market saw moderate growth, with the Nifty delivering a return of 5.34% for the year. While foreign portfolio investments saw net outflows, domestic investors played a crucial role in supporting market stability. Increased participation from mutual funds and retail investors helped cushion the impact of global headwinds. Despite challenges such as geopolitical tensions and inflationary pressures, the Indian stock market remained steady, reflecting the strength of its underlying fundamentals. Moving forward, the equity capital market is expected to provide long-term wealth creation opportunities, driven by domestic investment flows and economic resilience.

Simultaneously, the Indian equity markets have demonstrated exceptional performance, with major indices like the Nifty and Sensex reaching an all-time high, propelling India's market capitalization to US\$ 4.5 Trillion and making it the fifth-largest globally. This milestone has been supported by record-high Systematic Investment Plan (SIP) inflows, indicating strong participation from retail investors.

India has over 850,000 high net-worth individuals (HNIs) in 2024, and this number is expected to reach 1.65 million by 2027, at CAGR of 25%. Notably, 20% of these millionaires are under 40, showing the rising impact of young wealth creators (Source: Anarock). This growth is likely to be driven substantially by the burgeoning affluence of India's young entrepreneurs. Notably, these entrepreneurs are increasingly benefiting from a favourable business environment and Government policies conducive to innovation and risk-taking. Hence the wealth management business is likely to grow fast in years ahead.

OPPORTUNITIES & THREATS

Opportunities

The Indian capital market has emerged as a key driver of economic growth, reflecting the nation's resilience amidst global headwinds. While the government and the Reserve Bank of India (RBI) have demonstrated exemplary leadership in navigating complex global and domestic challenges, the upcoming Union Budget presents an opportunity to further

strengthen the Indian capital market. Among these, rationalizing transaction costs and tax structures stands out as a critical area to unlock the market's full potential.

Today, investors and traders in the Indian market face multiple charges, including brokerage, exchange transaction fees, clearing fees, SEBI transaction fees, Goods and Services Tax (GST), stamp duty, Securities Transaction Tax (STT), and capital gains tax. These cumulative costs increase the cost of trading and investing, making trading and investment costly affair.

Despite the remarkable growth in demat accounts—now exceeding 18 crores—the number of active investors remains underwhelming. Less than 5 crore investors transacted in the last year, which, in a population of 1.4 billion, highlights the under-penetration of equity markets in India. By comparison, equity market participation in the US and China is far higher, underscoring the untapped potential in India's markets.

Threats

India's economy faces challenges like slowing growth and inflation but shows promise with infrastructure investments, global trade prospects, and policy reforms driving a resilient 2025 outlook.

The Indian economy, once riding high on post-pandemic recovery, now finds itself at a crossroads as it steps into 2025. Signs of deceleration have tempered a promising growth story marked by resilience and opportunity. As the global economic environment remains fraught with uncertainties, the outlook for India's economy presents a complex mix of hope, challenges, and the need for decisive action.

The Indian market continues to be one of the most expensive markets in the world. Nifty at 24000 is trading around 20 times estimated FY26 earnings. This is higher than the long-term (10 to 12 year) average PE of about 18 times.

Since the US economy continues to be surprisingly resilient and many other markets – developed and emerging – are relatively cheaper compared to India, FIIs are likely to continue selling in India.

An important feature of FII activity in 2024 had been their dualistic behaviour. They sold heavily in the cash market through exchanges; but were consistent buyers in the 'primary market and others' category.

They have been selling in the highly-valued secondary market and buying in the fairly-valued primary market. This distinction is important since the popular perception is that FIIs are leaving India.

RISKS AND CONCERNS

NCL Research & Financial Services Limited (NCL) has exposures in various line of business. NCL are exposed to specific risks that are particular to their respective businesses and the environments within which they operate, including market risk, competition risk, credit risk, liquidity and interest rate risk, human resource risk, operational risk, information security risks, regulatory risk and macro-economic risks. The level and degree of each risk varies depending upon the nature of activity undertaken by them.

MARKET RISK

The Company has quoted investments which are exposed to fluctuations in stock prices. NCL continuously monitors market exposure in equity and, in appropriate cases, also uses various derivative instruments as a hedging mechanism to limit volatility.

LIQUIDITY AND INTEREST RATE RISK

The Company is exposed to liquidity risk principally, because of lending and investment for periods which may differ from those of its funding sources. Management team actively manages asset liability positions in accordance with the overall guidelines laid down by various regulators. The Company may be impacted by volatility in interest rates in India which could cause its margins to decline and profitability to shrink. The success of the Company's business depends significantly on interest income from its operations. It is exposed to interest rate risk, both as a result of lending at fixed interest rates and for reset periods which may differ from those of its funding sources. Interest rates are highly sensitive to many factors beyond the Company's control, including the monetary policies of the RBI, deregulation of the financial sector in India, domestic and international economic and political conditions and, inflation. As a result, interest rates in India have historically experienced a relatively high degree of volatility.

The Company seeks to match its interest rate positions of assets and liabilities to minimize interest rate risk. However, there can be no assurance that significant interest rate movements will not have an adverse effect on its financial position.

HUMAN RESOURCE DEVELOPMENT

The Company recognizes that its success is deeply embedded in the success of its human capital. During 2024-25, the Company continued to strengthen its HR processes in line with its objective of creating an inspired workforce. The employee engagement initiatives included placing greater emphasis on learning and development, launching leadership development programme, introducing internal communication, providing opportunities to staff to seek inspirational roles through internal job postings, streamlining the Performance Management System, making the compensation structure more competitive and streamlining the performance-link rewards and incentives.

CORPORATE SOCIAL RESPONSIBILITY INITIATIVES

The provision of the Companies Act, 2013 relating to CSR Initiatives are not applicable to the Company.

COMPLIANCE

The Compliance function of the Company is responsible for independently ensuring that operating and business units comply with regulatory and internal guidelines. The Compliance Department of the Company continues to play a pivotal role in ensuring implementation of compliance functions in accordance with the directives issued by regulators, the Company's Board of Directors and the Company's Compliance Policy. The Audit Committee of the Board reviews the performance of the Compliance Department and the status of compliance with regulatory/internal guidelines on a periodic basis.

The Company has complied with all requirements of regulatory authorities except delay in complying with the provisions of SEBI LODR Regulations, 2015. No penalties/strictures were imposed on the Company SEBI or any other statutory authority on any matter related to capital market during the last three years.

The Company's governance framework is based on the following principles:

- ✓ Appropriate composition and size of the Board, with each member bringing in expertise in their respective domains;
- ✓ Timely disclosure of material operational and financial information to the stakeholders;
- ✓ Availability of Information to the members of the Board and Board Committees to enable them to discharge their fiduciary duties;
- ✓ Systems and processes in place for internal control; and
- ✓ Proper business conduct by the Board, Senior Management and Employees.

CODE OF BUSINESS CONDUCT

- ✓ The Company had formulated a Code of Business Conduct for the employees, including the Executive Directors ('EDs'), Non-Executive Directors ('NEDs') and stakeholders of the Company. The Code inter alia covers conduct of employees, environment, health & safety, anti-trust/competition laws, anti-bribery & anti-corruption, proper accounting & internal controls. The Code is also available on the Company's website on link <https://www.nclfin.com/company-policies.html>
- ✓ The Company has also adopted the Code of Conduct for Independent Directors ('IDs') which suitably incorporates the duties of Independent Directors as laid down in the Companies Act, 2013. The same is available on the Company's website link <https://www.nclfin.com/company-policies.html>. The Company has received confirmations from the NEDs and EDs regarding compliance of the Code for the year under review.

CODE OF FAIR DISCLOSURE, CONDUCT & INTERNAL PROCEDURE FOR PREVENTION OF INSIDER TRADING

- ✓ In accordance with the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, as amended from time to time, the Board of Directors of the Company has adopted the CODE OF FAIR DISCLOSURE, CONDUCT & INTERNAL PROCEDURE FOR PREVENTION OF INSIDER TRADING ('Insider Trading Code').
- ✓ All our directors, employees of the Company have been identified as Designated Persons, and their immediate relatives and other connected persons such as auditors, consultants, bankers amongst others, who could have access to the unpublished price sensitive information of the Company, are governed under this Insider Trading Code.

20. approval of appointment of chief financial officer after assessing the qualifications, experience and background, etc. of the candidate.
21. Carrying out any other function as is mentioned in the terms of reference of the audit committee.

In fulfilling the above role, the Audit Committee has powers to investigate any activity within its terms of reference, to seek information from employees and to obtain outside legal and professional advice.

FUNCTIONS OF AUDIT COMMITTEE

The Audit Committee, while reviewing the Annual Financial Statements also reviews the applicability of various Accounting Standards (AS) referred to in Section 133 of the Companies Act, 2013. Compliance of the Accounting Standards as applicable to the Company has been ensured in the preparation of the Financial Statements for the year ended March 31, 2025.

The Audit Committee bridges the gap between the Internal Auditors and the Statutory Auditors. To ensure good Governance, the Company has been rotating Partners of Statutory Auditors. The Statutory Auditors are responsible for performing Independent audit of the Company's financial statements in accordance with the generally accepted auditing practices and issuing reports based on such audits, while the Internal Auditors are responsible for the internal risk controls.

Besides the above, Chairman and Managing Director, Chief Financial Officer, the representatives of the Statutory Auditors and the Internal Auditors are permanent invitees to the Audit Committee Meetings. The Company Secretary acts as a Secretary to the Committee as required by Regulation 18(1)(e) of the Listing Regulations.

The Company follows best practices in financial reporting. The Company has been reporting on quarterly basis, the Un-audited Financial Results as required by the Regulation 33 of the Listing Regulations. The Company's quarterly Un-audited Standalone Financial Results are made available on the web-site www.nclfin.com and are also sent to the Stock Exchanges where the Company's equity shares are listed for display at their respective websites.

The Audit Committee also oversees and reviews the functioning of a vigil mechanism (implemented in the Company as Whistle Blower Policy) and reviews the finding of investigation into cases of material nature and the actions taken in respect thereof.

INTERNAL CONTROLS AND GOVERNANCE PROCESSES

The Company continuously invests in strengthening its internal control and processes. The Audit Committee along with the CFO formulates a detailed plan to the Internal Auditors for the year, which is reviewed at the Audit Committee Meetings. The Internal Auditors attend the meetings of Audit Committee at regular intervals and submit their recommendations to the Audit Committee and provide a road map for the future.

Constitution and Meetings of Audit Committee

There was no change in composition of Audit Committee during the year under review.

The members of Audit Committee met five times on 12th April, 29th May, 13th August and on 14th November in year 2024 and on 12th February in the year 2025.

The Company has adopted an 'Internal Code of Conduct for Regulating, Monitoring and Reporting of Trades by Designated Persons ("the Code")' in accordance with the SEBI (Prohibition of Insider Trading) Regulations, 2015 as amended from time to time ("the PIT Regulations").

The Code is applicable to Promoters, Member of Promoter's Group, all Directors and such Designated Persons who are expected to have access to unpublished price sensitive information relating to the Company. The Company Secretary is the Compliance Officer for monitoring adherence to the said PIT Regulations.

The Company has put in place adequate and effective system of internal controls to ensure compliance with the requirements of the PIT Regulations. A structured digital database is being maintained by the Company, which contains the names and other particulars as prescribed of the persons covered under the Codes drawn up pursuant to the PIT Regulations.

The Company has formulated the 'Policy on Procedure of Inquiry in case of leak / suspected leak of Unpublished Price Sensitive Information' ('UPSI'). The policy is formulated to maintain ethical standards in dealing with sensitive information of the Company by persons who have access to UPSI. The rationale of the policy is to strengthen the internal control systems to ensure that the UPSI is not communicated to any person except in accordance with the Insider Trading Regulations. The Policy also provides an investigation procedure in case of leak/suspected leak of UPSI.

The Company has also formulated a Policy for determination of 'legitimate purposes' as a part of the Code of Practices and Procedures for Fair Disclosure of UPSI as per the requirements of the Insider Trading Regulations. The Company Secretary has been appointed as the Compliance Officer for ensuring implementation of the codes for fair disclosure and conduct. The Board, designated persons and other connected persons have affirmed compliance with the Code. This Code is displayed on the Company's website.

CREDIT RATINGS

During the year under review, the Company has not borrowed any money and has not raised any funds. Hence, disclosure pertaining to utilization of funds and Credit Rating is not applicable.

DISCLOSURES

- There were no transactions with related party i.e. with Promoters, Directors, Management, Subsidiaries or Relatives that may have potential conflict of interest with the Company at large. The details of the related Party transactions are disclosed under the notes on accounts, as required under the Accounting Standard 18 issued by the Institute of Chartered Accountants of India.
- There has been no instance of non-compliance by the Company on any matter related to Capital Markets and hence the question of penalties or strictures being imposed on the Company by the Stock Exchange or SEBI or any Statutory Authority does not arise.
- In Compliance with the Securities & Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 as amended till date, on Prohibition of Insider Trading, the Company has a comprehensive Code of Conduct and the same is being strictly adhered to by its management, staff and relevant business associates. The code expressly lays down the guidelines and the procedure to be followed and disclosures to be made, while dealing with shares of the Company and cautioning them on the consequences of non-compliance thereof. Further, we affirm that no personnel have been denied access to the Audit Committee.
- Reconciliation of Share Capital Audit:** As stipulated by SEBI, a qualified Practicing Company Secretary carries out Secretarial Audit to reconcile the total admitted capital with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) and the total issued and listed capital. This audit is carried out every quarter

and the report thereon is submitted to the Stock Exchanges where the company's shares are Listed the audit confirms that the total Listed and Paid-up Capital is in agreement with the aggregate of the total number of shares in dematerialized form (held with NSDL and CDSL) and total number of shares in physical form.

CODE OF BUSINESS CONDUCT & ETHICS

The Company has adopted Code of Business Conduct and Ethics ("the Code") which is applicable to the Board of Directors and Senior Management Team (one level below the Board of Directors) of the Company. The Board of Directors and the members of Senior Management Team are required to affirm semi-annual compliance of this Code. The Code requires Directors and Employees to act honestly, fairly, ethically and with integrity, conduct themselves in professional, courteous and respectful manner. CONFLICT OF INTEREST

Each Director informs the Company on an annual basis about the Board and the Committee positions he occupies in other companies including Chairmanships and notifies changes during the year. Members of Board while discharging their duties, avoid conflict of interest in the decision making process. The members of Board restrict themselves from any discussions and voting in transactions that they have concern or interest.

VIGIL MECHANISM / WHISTLE BLOWER POLICY

The Company has a whistle blower policy encompassing vigil mechanism pursuant to the requirements of the section 177(9) of the Act and regulation 22 of the Listing Regulations. The Board of Directors, at its meeting held on 14 February 2019, revised whistle blower policy containing, inter alia, leak or suspected leak of unpublished price sensitive information in view of SEBI (Prohibition of Insider Trading) Regulations, 2015, as amended, (SEBI PIT Regulations). The policy/vigil mechanism enables directors and employees to report to the Management their concerns about unethical behaviors, actual or suspected fraud or violation of the Company's code of conduct or ethics policy and leak or suspected leak of unpublished price sensitive information.

This mechanism provides safeguards against victimization of directors/employees who avail of the mechanism and provides for direct access to the Chairman of the Audit Committee in exceptional cases. The policy has been appropriately communicated to the employees within the Organisation and has also been hosted on the Company's website link <https://www.nclfin.com/company-policies.html>.

COMPLIANCES REGARDING INSIDER TRADING

Pursuant to the SEBI (Prohibition of Insider Trading) Regulations, 2015, the Company has a Board approved code of conduct to regulate, monitor and report trading by insiders ('code of conduct') and a Code of Practices and Procedures for Fair Disclosure of unpublished price sensitive information ('code of fair disclosure').

During the year under review, SEBI amended the SEBI PIT Regulations. In view of the amendments to the said Regulations, the Board of Directors, at its meeting held on 14 February 2019, inter alia approved the following, with effect from 1 April 2019:

- a. Revised code of conduct to regulate, monitor and report trading by Designated Persons;
- b. Revised code of practices and procedures for fair disclosure of unpublished price sensitive information;
- c. Revised whistle blower policy;
- d. Institutional mechanism for prevention of insider trading; and
- e. Amendment to the terms of reference of the Audit Committee.

The code of conduct and code of fair disclosure framed by the Company have helped in ensuring compliance with the requirements.

q. Share Transfer System and Transfer of Shares

The transfer of shares in physical form is processed and completed by Registrar & Transfer Agent within a period of fifteen days from the date of receipt thereof provided all the documents are in order. In case of shares in electronic form, the transfers are processed by NSDL/CDSL through respective Depository Participants. In compliance with the Listing Regulations, a Practicing Company Secretary carries out audit of the System of Transfer and a certificate to that effect is issued.

However; as per SEBI Notification No SEBI/LAD-NRO/GN/2018/24 dated June 8, 2018 and further amendment vide Notification No. SEBI/LAD-NRO/GN/2018/49 dated November 30, 2018, requests for effecting transfer of securities (except in case of transmission or transposition of securities) shall not be processed from April 1, 2019 unless the securities are held in the dematerialized form with the depositories. Therefore, Shareholders are requested to take action to dematerialize the Equity Shares of the Company, promptly.

r. Consolidation of Folios and avoidance of multiple mailing

In order to enable the Company to reduce costs and duplicity of efforts for providing services to investors, members who have more than one folio in the same order of names are requested to consolidate their holdings under one folio. Members may write to the Registrars and Transfer Agents indicating the folio numbers to be consolidated along with the original shares certificates to be consolidated.

s. Review of Governance Practices

We have in this Report attempted to present the governance practices and principles being followed at the Company, as evolved over a period, and as best suited to the needs of our business and stakeholders.

Our disclosures and governance practices are continually revisited, reviewed and revised to respond to the dynamic needs of our business and ensure that our standards are at par with the globally recognized practices of governance, so as to meet the expectations of all our stakeholders.

t. Compliance with Secretarial Standards

The Institute of Company Secretaries of India, a Statutory Body, has issued Secretarial Standards on various aspects of corporate law and practices. The Company has complied with each one of them.

x. Dematerialization of Equity Shares & Liquidity

The Company's Equity Shares are in Demat trading segment and the Company had established connectivity with both NSDL & CDSL by signing the necessary agreements.

As on 31st March 2025, 99.46% public shareholdings of the Company are in dematerialized form.

Procedures for dematerialization of Equity Shares:

Shareholders who continue to hold shares in physical form are requested to dematerialize their shares at the earliest and avail the benefits of dealing in shares in demat form. For convenience of shareholders, the process of getting the shares dematerialized is given hereunder:

- Demat account should be opened with a Depository Participant (DP).
- Shareholders should submit the Dematerialization Request Form (DRF) along with share certificates in original, to their DP.
- DP will process the DRF and will generate a Dematerialization Request Number (DRN).
- DP will submit the DRF and original share certificates to the Registrar and Transfer Agents (RTA), which is Purva Sharegistry (India) Private Limited.
- RTA will process the DRF and confirm or reject the request to DP/ depositories
- Upon confirmation of request, the shareholder will get credit of the equivalent number of shares in his demat account maintained with the DP

y. Important Points

Investors should hold securities in dematerialised form, as transfer of shares in physical form is no longer permissible.

As mandated by SEBI, w.e.f. April 1, 2019, request for effecting transfer of securities shall not be processed unless the securities are held in dematerialised form with a depository except for transmission and transposition of securities.

Members are advised to dematerialise securities in the Company to facilitate transfer of securities.

Holding securities in dematerialized form is beneficial to the investors in the following manner:

- A safe and convenient way to hold securities;
- Elimination of risk(s) associated with physical certificates such as bad delivery, fake securities, delays, thefts, etc.;
- Immediate transfer of securities;
- No stamp duty on electronic transfer of securities;
- Reduction in transaction cost;
- Reduction in paperwork involved in transfer of securities;
- No odd lot problem, even one share can be traded;
- Availability of nomination facility;
- Ease in effecting change of address / bank account details as change with Depository Participants (DPs) gets registered with all companies in which investor holds securities electronically;
- Easier transmission of securities as the same is done by DPs for all securities in demat account;
- Automatic credit in to demat account of shares, arising out of bonus / split / consolidation / merger / etc.;
- Convenient method of consolidation of folios/accounts;
- Holding investments in Equity, Debt Instruments, Government securities, Mutual Fund Units etc. in a single account;
- Ease of pledging of securities; and
- Ease in monitoring of portfolio.

Members holding Shares in Physical mode:

- a) are required to submit their Permanent Account Number (PAN) and bank account details to the Company / RTA, if not registered with the Company as mandated by SEBI.
- b) are advised to register the nomination in respect of their shareholding in the Company. Nomination Form SH-13 ([Pursuant to section 72 of the Companies Act, 2013 and rule 19(1) of the Companies (Share Capital and Debentures) Rules 2014] can be obtained from the Company's Registrar and Share Transfer Agent. It is also available on Public domain.
- c) are requested to register / update their e-mail address with the Company / RTA for receiving all communications from the Company electronically.

Members holding Shares in Electronic mode:

- a) are requested to submit their PAN and bank account details to their respective DPs with whom they are maintaining their demat accounts.
- b) are advised to contact their respective DPs for registering the nomination.
- c) are requested to register / update their e-mail address with their respective DPs for receiving all communications from the Company electronically.

The Securities and Exchange Board of India vide its circular no. SEBI/HO/MIRSD/DOS3/CIR/P/2019/30 dated February 11, 2019, with a view to address the difficulties in transfer of shares, faced by non-residents and foreign nationals, has decided to grant relaxations to non-residents from the requirement to furnish PAN and permit them to transfer equity shares held by them in listed entities to their immediate relatives subject to the following conditions:

- a) The relaxation shall only be available for transfers executed after January 1, 2016.
- b) The relaxation shall only be available to non-commercial transactions, i.e. transfer by way of gift among immediate relatives.
- c) The non-resident shall provide copy of an alternate valid document to ascertain identity as well as the non-resident status.
- d) Non-Resident Indian members are requested to inform Purva Sharegistry (India) Private Limited, Company's Registrar and Transfer Agent immediately on the change in the residential status on return to India for permanent settlement.

z. Electronic Payment Services

Investors should avail the Electronic Payment Services for payment of dividend as the same reduces risk attached to physical dividend warrants. Some of the advantages of payment through electronic credit services are as under:

- Avoidance of frequent visits to banks for depositing the physical instruments;
- Prompt credit to the bank account of the investor through electronic clearing;
- Fraudulent encashment of warrants is avoided;
- Exposure to delays / loss in postal service avoided; and
- As there can be no loss in transit of warrants, issue of duplicate warrants is avoided.

Printing of bank account numbers, names and addresses of bank branches on dividend warrants provide protection against fraudulent encashment of dividend warrants. Members are requested to provide the same to the Company's Registrar and Transfer Agent (RTA) for incorporation on their dividend warrants.

aa. Register for SMS alert facility

Investor should register with Depository Participants for the SMS alert facility. Both Depositories viz. National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) alert investors through SMS of the debits and credits in their demat account.

bb. Intimate Mobile Number

Shareholders are requested to intimate their mobile number and changes therein, if any, to Company's RTA viz. Purva Shareregistry (India) Private Limited to their dedicated e-mail id i.e., "support@purvashare.com", if shares are held in physical form or to their DP if the holding is in electronic form, to receive communications on corporate actions and other information of the Company.

cc. Submit Nomination Form and avoid Transmission hassle

Nomination helps nominees to get the shares transmitted in their favour without any hassles. Investors should get the nomination registered with the Company in case of physical holding and with their Depository Participants in case shares are held in dematerialised form.

Form may be downloaded from the Company's website, under the section 'Investor Relations'. However, if shares are held in dematerialised form, nomination has to be registered with the concerned Depository Participants directly, as per the form prescribed by the Depository Participants.

dd. Deal only with SEBI registered intermediaries

Investors should deal only with SEBI registered intermediaries so that in case of deficiency of services, investor may take up the matter with SEBI.

ee. Corporate benefits in electronic form

Investor holding shares in physical form should opt for corporate benefits like bonus / split / consolidation / merger / etc. in electronic form by providing their demat account details to the Company's RTA.

ff. Register e-mail address

Investors should register their e-mail address with the RTA / Depository Participants. This will help them in receiving all communication from the Company electronically at their e-mail address. This also avoids delay in receiving communications from the Company. Prescribed form for registration may please be downloaded from the Company's website.

gg. Facility for a Basic Services Demat Account (BSDA)

SEBI has stated that all the depository participants shall make available a BSDA for the shareholders unless otherwise opted for regular demat account with (a) No Annual Maintenance charges if the value of holding is upto ₹ 50,000; and (b) Annual Maintenance charges not exceeding ₹ 100/- for value of holding from ₹ 50,001 to ₹ 2,00,000. (Refer circular CIR/MRD/ DP/22/2012 dated August 27, 2012 and circular CIR/MRD/ DP/20/2015 dated December 11, 2015).

hh. For the Attention of Shareholders holding shares in electronic form

Shareholders holding shares in electronic mode should address all their correspondence to their respective Depository Participants (DPs).

ii. Outstanding GDRs./ADRs/Warrants or any convertible instruments, conversion data likely impact on Equity :

Not any.

jj. Commodity Price Risk / Foreign Exchange Risk

Your Company does not deal into any of commodity and hence and is not directly exposed to any commodity price risk.

Similarly, the Company does not enter into any Foreign Exchange transactions and hence is not directly exposed to any Foreign Exchange Risk.

Independent Auditors' Report Standalone Ind AS Financial Statements for the year ended 31st March 2025

To the Members of NCL Research & Financial Services Limited

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying financial statements of NCL RESEARCH & FINANCIAL SERVICES LIMITED (the "Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended on that date, and Notes to the Financial Statements, including a summary of material Accounting Policies and Other Explanatory Information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its loss, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion there on, and we do not provide a separate opinion on those matters.

In our opinion and according to the information and explanation given to us, there were no key audit matters which required to be reported.

Emphasis of Matter

1. Trade receivables amounting of Rs. 174.61 Lakhs are receivable since long time. As per management explanation, these are recoverable and company is in process to recover and ECL Provision has not been made thereon.
2. Other interest free advances (shown under other financial assets) amounting of Rs. 2091.34 Lakh given as advances to various parties for share purchase of various companies. Out of the 2059.44 lakhs advances are outstanding since long time. As per management explanation these are fully recoverable and company is in process to recover. ECL Provision is not made thereon.
3. Some of the balances of Trade Receivables, Deposits, Loans and Advances, Trade payable are subject to confirmation from the respective parties and consequential reconciliation/adjustment arising there from, if any.
4. We draw attention to Notes in respect of incomplete Supporting bills, documents etc. of Supporting for some of the expenditure of 'revenue nature for the quarter ended March 31, 2025 as well as the year-to-date results for the period from April 01, 2024 to March 31, 2025.
5. The company has Net Tax Asset of Rs. 112.28 Lakhs (Shown under Current Tax Assets) as on 31st March 2025 pertaining to various years. As per the management, company is in process to reconcile with tax department.
6. The Company has not complied with provision if Ind AS- 19 for employee benefits. As per the management, company is in process to comply the same.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under

section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or

when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The Statement includes the results for the quarter ended March 31, 2025 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2025 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the '**Annexure A**', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure “B” to the Independent Auditors’ Report

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of NCL Research & Financial Services Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls with reference to Standalone Ind AS financial statements

A Company’s internal financial control with reference to these standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control with reference to financial statements includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and

3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Ind AS financial statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these standalone financial statements and such internal financial controls over financial reporting with reference to these standalone financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

BRIEF PROFILE

The company is incorporated on 4th February 1985 at Mumbai, Maharashtra, India. It is a Public limited company by its shares. The company is one of the RBI registered Non-Deposit taking Company NBFC and is into the business of Finance and Investments. The activities of the company includes financing, investing in shares & other securities, Commodities and other related activities of capital market.

The Registered Office of the Company is situated at Bhagyodaya Building, 3rd Floor, 79, N. M. Road, Fort, Mumbai-400 023.

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 Statement of Compliance

The financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) issued by Ministry of Corporate Affairs in exercise of the powers conferred by section 133 read with sub-section (1) of section 210A of the Companies Act, 2013. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied along with compliance with other statutory promulgations require a different treatment.

The financial statements for the year ended March 31, 2025 of the Company is the first financial statements prepared in compliance with Ind AS. The date of transition to Ind AS is April 1, 2017. The financial statements upto the year ended March 31, 2018, were prepared in accordance with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") and other relevant provisions of the Act. The figures for the year ended March 31, 2018 have now been restated under Ind AS to provide comparability. Refer Note 43 for the details of first-time adoption exemptions availed by the Company.

1.2 Basis of Preparation:

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act and the Master Direction – Non-Banking Financial Company (Reserve Bank) Directions, 2016 ('the NBFC Master Directions') issued by RBI. These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies stated out below.

The Financial statements have been prepared on a going concern basis. The Company presents its balance sheet in order of Liquidity.

Accounting policies have been consistently applied except where newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Fair value measurements under Ind AS are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at reporting date
- Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the valuation of assets or liabilities

1.3 Presentation of Financial Statements:

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Division III to Schedule III to the Companies Act, 2013 ("the Act") applicable for Non-Banking Finance Companies ("NBFC"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the

financial statements along with the other notes required to be disclosed under the notified accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Amounts in the financial statements are presented in Indian Rupees rounded off to zero decimal places as permitted by Schedule III to the Companies Act, 2013. Per share data are presented in Indian Rupee to two decimal places.

1.4 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery. Revenue is measured at the fair value of the consideration received or receivable as reduced for estimated customer credits and other similar allowances.

Income from arbitrage comprises profit / loss on sale of securities held as stock-in-trade and profit / loss on equity derivative instruments is accounted as per following:

- i. Interest income is recognised in the Statement of Profit and Loss and for all financial instruments except for those classified as held for trading or those measured or designated as at fair value through profit or loss (FVTPL) is measured using the effective interest method (EIR).

The calculation of the EIR includes all fees and points paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts. For financial assets at FVTPL transaction costs are recognised in profit or loss at initial recognition.

The interest income is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets the interest income is calculated by applying the EIR to the amortised cost of the credit-impaired financial assets (i.e. the gross carrying amount less the allowance for expected credit losses (ECLs)). For financial assets originated or purchased credit-impaired (POCI) the EIR reflects the ECLs in determining the future cash flows expected to be received from the financial asset.

- ii. Dividend income is recognised when the Company's right to receive dividend is established by the reporting date and no significant uncertainty as to collectability exists.
- iii. Fee and commission income and expense include fees other than those that are an integral part of EIR. The fees included in the Company statement of profit and loss include among other things fees charged for servicing a loan, non-utilisation fees relating to loan commitments when it is unlikely that these will result in a specific lending arrangement and loan advisory fees.
- iv. Any differences between the fair values of the investment in debt oriented mutual funds classified as fair value through the profit or loss, held by the Company on the balance sheet date is recognised as an unrealised gain/loss in the statement of profit and loss. In cases there is a net gain in aggregate, the same is recognised in "Net gains or fair value changes" under revenue from operations and if there is a net loss the same is disclosed "Expenses", in the statement of profit and loss.
- v. Profit / loss on sale of securities are determined based on the FIFO cost of the securities sold.
- vi. Profit / loss on FNO Segment and Commodity transactions is accounted for as explained below:

Initial and additional margin paid over and above initial margin for entering into contracts for Equity Index / Stock Futures / Commodity Spot Trading/ Currency Futures and or Equity Index / Stock Options / Currency Options, which are released on final settlement / squaring-up of underlying contracts, are disclosed under "Other current assets". Mark-to-market margin-Equity Index / Stock Futures / Currency Futures representing the amounts paid in respect of mark to market margin is disclosed under "Other current assets".

"Equity Index / Stock Option / Currency Option Premium Account" represents premium paid or received for buying or selling the Options, respectively.

On final settlement or squaring up of contracts for Equity Index / Stock Futures / Currency Future, the realized profit or loss after adjusting the unrealized loss already accounted, if any, is recognized in the Statement of Profit and Loss. On settlement or squaring up of Equity Index / Stock Options / Currency Option, before expiry, the premium prevailing in "Equity Index / Stock Option / Currency Option Premium Account" on that date is recognized in the Statement of Profit and Loss.

As at the Balance Sheet date, the Mark to Market / Unrealised Profit / (Loss) on all outstanding arbitrage portfolio comprising of Securities and Equity / Currency Derivatives positions is determined on scrip basis with

net unrealized losses on scrip basis being recognized in the Statement of Profit and Loss and the net unrealized gains on scrip basis are ignored.

- vii. Other operational revenue represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

1.5 Property, Plant and Equipments

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation less impairment loss, if any. Historical cost comprises of purchase price, including non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to statement of profit or loss during the reporting period in which they are incurred.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separated items (major components) of property, plant and equipment.

Depreciation methods, estimated useful lives and residual value:

Depreciation is provided on the written down value method over the estimated useful lives of the assets which in certain cases may be different than the rate prescribed in Schedule II to the Companies Act, 2013, in order to reflect the actual usages of the assets.

The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Class of Assets	Useful life as prescribed in Schedule II of Companies Act, 2013 (in years)	Useful life as followed by the Company (in year)
Computers	3	3
Furniture & Fixtures	10	10
Office Equipments	5	5
Vehicles	8	8

The assets' residual values, useful lives and method of depreciation are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount and are recognized as income or expense in the statement of profit and loss.

1.6 Intangible Assets:

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Direct expenses and administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets.

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Intangible assets under development".

Intangible assets are amortised on written down value method over the estimated useful life. The method of amortisation and useful life are reviewed at the end of each accounting year with the effect of any changes in the estimate being accounted for on a prospective basis.

An intangible asset is de-recognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset are recognised in profit or loss when the asset is derecognised.

1.7 Impairment of Tangible and Intangible Assets other than Goodwill

As at the end of each accounting year, the Company reviews the carrying amounts of its PPE and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the PPE, investment property and intangible assets are tested for impairment so as to determine the impairment loss, if any. Goodwill and the intangible assets with indefinite life are tested for impairment each year.

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined in the case of an individual asset, at the higher of the net selling price and the value in use.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pretax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, such deficit is recognised immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount. For this purpose, the impairment loss recognised in respect of a cash generating unit is allocated first to reduce the carrying amount of any goodwill allocated to such cash generating unit and then to reduce the carrying amount of the other assets of the cash generating unit on a pro-rata basis.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit), except for allocated goodwill, is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss (other than impairment loss allocated to goodwill) is recognised immediately in the Statement of Profit and Loss.

1.8 Employee Benefits:**i. Short term employee benefits:**

Employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

ii. Post-employment benefits:

- a) **Defined contribution plans:** The Company's superannuation scheme, state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/ payable under the schemes is recognised during the period in which the employee renders the related service.
- b) **Defined benefit plans:** The employees' gratuity fund schemes and employee provident fund schemes managed by board of trustees established by the Company, the post-retirement medical care plan and the Parent Company pension plan represent defined benefit plans. The present value of the obligation under defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognised in other comprehensive income and is reflected in retained earnings and the same is not eligible to be reclassified to profit or loss.

Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the Statement of Profit and Loss as employee benefit expenses. Interest cost implicit in defined benefit employee cost is recognised in the Statement of Profit and Loss under finance cost. Gains or losses on settlement of any defined benefit plan are recognised when the settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the Company recognizes related restructuring costs or termination benefits.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

iii. Long term employee benefits:

The obligation recognised in respect of long term benefits such as long term compensated absences is measured at present value of estimated future cash flows expected to be made by the Company and is recognised in a similar manner as in the case of defined benefit plans vide (ii) (b) above.

iv. Termination benefits:

Termination benefits such as compensation under employee separation schemes are recognised as expense when the Company's offer of the termination benefit is accepted or when the Company recognises the related restructuring costs whichever is earlier.

1.9 Financial instruments:

Financial assets and financial liabilities are recognised in the Company's balance sheet when the Company becomes a party to the contractual provisions of the instrument.

Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

A financial asset and a financial liability is offset and presented on net basis in the balance sheet when there is a current legally enforceable right to set-off the recognised amounts and it is intended to either settle on net basis or to realise the asset and settle the liability simultaneously.

1.10 Write off:

Loans and debt securities are written off when the Company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a de-recognition event. The Company may apply enforcement activities to financial assets written off. Recoveries resulting from the Company's enforcement activities will result in impairment gains.

1.11 Impairment:

The Company recognises loss allowances for ECLs on the following financial instruments that are not measured at FVTPL:

- Loans and advances to customers;
- Debt investment securities;
- Trade and other receivable;
- Lease receivables;
- Irrevocable loan commitments issued; and
- Financial guarantee contracts issued.

Credit-impaired financial assets

A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Credit-impaired financial assets are referred to as Stage 3 assets. Evidence of credit impairment includes observable data about the following events:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past due event;
- the lender of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession that the lender would not otherwise consider;
- the disappearance of an active market for a security because of financial difficulties; or
- the purchase of a financial asset at a deep discount that reflects the incurred credit losses.

It may not be possible to identify a single discrete event instead; the combined effect of several events may have caused financial assets to become credit-impaired. The Company assesses whether debt instruments that are financial assets measured at amortised cost or FVTOCI are credit-impaired at each reporting date. To assess if corporate debt instruments are credit impaired, the Company considers factors such as bond yields, credit ratings and the ability of the borrower to raise funding.

A loan is considered credit-impaired when a concession is granted to the borrower due to a deterioration in the borrower's financial condition, unless there is evidence that as a result of granting the concession the risk of not receiving the contractual cash flows has reduced significantly and there are no other indicators of impairment. For financial assets where concessions are contemplated but not granted the asset is deemed credit impaired when there is observable evidence of credit-impairment including meeting the definition of default. The definition of default (see below) includes unlikelihood to pay indicators and a back-stop if amounts are overdue for 90 days or more.

1.12 Cash and bank balances:

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

1.13 Securities premium account:

i. Securities premium includes:

- The difference between the face value of the equity shares and the consideration received in respect of shares issued pursuant to Stock Option Scheme.
- The fair value of the stock options which are treated as expense, if any, in respect of shares allotted pursuant to Stock Options Scheme.

- ii. The issue expenses of securities which qualify as equity instruments are written off against securities premium account.

1.14 Borrowing costs:

Borrowing costs include interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease and exchange differences arising from foreign currency borrowings, to the extent they are regarded as an adjustment to interest costs.

Borrowing costs net of any investment income from the temporary investment of related borrowings, that are attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

1.15 Accounting and reporting of information for Operating Segments:

Operating segments are those components of the business whose operating results are regularly reviewed by the chief operating decision making body in the Company to make decisions for performance assessment and resource allocation. The reporting of segment information is the same as provided to the management for the purpose of the performance assessment and resource allocation to the segments. Segment accounting policies are in line with the accounting policies of the Company.

1.16 Foreign currencies:

- i. The functional currency and presentation currency of the Company is Indian Rupee. Functional currency of the Company and foreign operations has been determined based on the primary economic environment in which the Company and its foreign operations operate considering the currency in which funds are generated, spent and retained.
- ii. In currencies other than the Company's functional currency are recorded on initial recognition using the exchange rate at the transaction date. At each Balance Sheet date, foreign currency monetary items are reported at the prevailing closing spot rate. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated.

Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing spot rate are recognised in the Statement of Profit and Loss in the period in which they arise.

- iii. Financial statements of foreign operations whose functional currency is different than Indian Rupees are translated into Indian Rupees as follows –
 - A. assets and liabilities for each Balance Sheet presented are translated at the closing rate at the date of that Balance Sheet;
 - B. income and expenses for each income statement are translated at average exchange rates; and
 - C. all resulting exchange differences are recognised in other comprehensive income and accumulated in equity as foreign currency translation reserve for subsequent reclassification to profit or loss on disposal of such foreign operations.

1.17 Taxation:

Current Tax:

Tax on income for the current period is determined on the basis of taxable income (or on the basis of book profits wherever minimum alternate tax is applicable) and tax credits computed in accordance with the provisions of the Income Tax Act, 1961 and based on the expected outcome of assessments/appeals.

Deferred Tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that is probable that taxable profit will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets in respect of unutilised tax credits which mainly relate to minimum alternate tax are recognised to the extent it is probable of such unutilised tax credits will get realised.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

1.18 Provisions, contingent liabilities and contingent assets:

Provisions are recognised only when:

- i. an Company entity has a present obligation (legal or constructive) as a result of a past event; and
- ii. it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- iii. a reliable estimate can be made of the amount of the obligation

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

- i. a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- ii. a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

1.19 Statement of cash flows:

Statement of cash flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i. changes during the period in operating receivables and payables transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, un-realised gains and losses; and
- iii. all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

1.20 Earnings Per Share:

The Company presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

1.21 Key source of Estimation:

The preparation of financial statements in conformity with Ind AS requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates include useful lives of property, plant and equipment & intangible assets, expected credit loss on loan books, future obligations in respect of retirement benefit plans, fair value measurement etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

1.22 Changes in Accounting Standard and recent accounting pronouncements (New Accounting Standards issued but not effective):

On March 30, 2022, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2019, notifying Ind AS 116 on Leases. Ind AS 116 would replace the existing leases standard Ind AS 17. The standard sets out the principles for the recognition, measurement, presentation and disclosures for both parties to a contract, i.e. the lessee and the lessor. Ind AS 116 introduces a single lease accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Currently for operating lease, rentals are charged to the statement of profit and loss. The Company is currently evaluating the implication of Ind AS 116 on the financial statements.

The Companies (Indian Accounting Standards) Amendment Rules, 2019 notified amendments to the following accounting standards. The amendments would be effective from April 1, 2019

- a) Ind AS 12, Income taxes — Appendix C on uncertainty over income tax treatments
- b) Ind AS 19— Employee benefits
- c) Ind AS 23 – Borrowing costs
- d) Ind AS 28— investment in associates and joint ventures
- e) Ind AS 103 and Ind AS 111 — Business combinations and joint arrangements
- f) Ind AS 109 — Financial instruments

The Company is in the process of evaluating the impact of such amendments.

1.23 Inventories

Inventories have been valued at the method prescribed in the Accounting Standards.

1.24 Other Income Recognition

Interest on Loan is booked on a time proportion basis taking into account the amounts invested and the rate of interest.

Dividend income on investments is accounted for when the right to receive the payment is established.

1.25 Purchases

Purchase is recognized on passing of ownership in share based on broker's purchase note.

1.26 Expenditure

Expenses are accounted for on accrual basis and provision is made for all known losses and liabilities.

1.27 Investments

Current investments are stated at the lower of cost and fair value. Long-term investments are stated at cost. A provision for diminution is made to recognise a decline, other than temporary, in the value of long-term investments. Investments are classified into current and long-term investments.

Investments that are readily realisable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as non-current investments.

1.28 Related Parties

Parties are considered to be related if at any time during the reporting period one party has the ability to control the other party or exercise significant influence over the other party in making financial and/or operating decisions.

As required by AS-18 "Related Party Disclosure" only following related party relationships are covered:

- i. Enterprises that directly, or indirectly through one or more intermediaries, control, or are controlled by, or are under common control with, the reporting enterprise (this includes holding Companies, subsidiaries and fellow subsidiaries);
- ii. Associates and joint ventures of the reporting enterprise and the investing party or venture in respect of which the reporting enterprise is an associate or a joint venture;
- iii. Individuals owning, directly or indirectly, an interest in the voting power of the reporting enterprise that gives them control or significant influence over the enterprise, and relatives of any such individual;
- iv. Key management personnel (KMP) and relatives of such personnel; and
- v. Enterprises over which any person described in (iii) or (iv) is able to exercise significant influence.

1.29 Stock In Trade

Shares are valued at cost or market value, whichever is lower. The comparison of Cost and Market value is done separately for each category of Shares.

Units of Mutual Funds are valued at cost or market value whichever is lower. Net asset value of units declared by mutual funds is considered as market value for non-exchange traded Mutual Funds.

1.30 Fair Value Hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

1.31 Financial Risk Management Objectives and Policies:

The Company's activities are exposed to a variety of Financial Risks from its Operations. The key financial risks include Market risk, Credit risk and Liquidity risk.

- i. **Market Risk:**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises mainly three types of risk, foreign currency risk, Interest rate risk and other price risk such as Equity price risk and Commodity Price risk.

ii. **Foreign Currency Risk:**

There are no Foreign Currency transactions during the financial year.

iii. **Foreign Currency Sensitivity:**

There are no Foreign Currency transactions during the financial year.

iv. **Credit Risk:**

Credit risk is the risk that counterparty might not honor its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables).

v. **Trade Receivables:**

Customer credit risk is managed based on company's established policy, procedures and controls. The company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

Credit risk is reduced by receiving pre-payments and export letter of credit to the extent possible. The Company has a well-defined sales policy to minimize its risk of credit defaults. Outstanding customer receivables are regularly monitored and assessed. The Company follows the simplified approach for recognition of impairment loss and the same, if any, is provided as per its respective customer's credit risk as on the reporting date.

vi. **Liquidity Risk:**

Liquidity risk is the risk, where the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The company's approach is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due.

1.32 **Summary of Significant Accounting Policies General**

- Contingent Liabilities & Commitments - Nil
- Additional Information disclosed as per Part II of the Companies Act, 2013 – Nil

1.33 **Cash and cash Equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

1.34 **Earnings/(loss) per share**

i. **Basic earnings/ (loss) per share**

Basic earnings / (loss) per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year.

ii. **Diluted earnings / (loss) per share**

Diluted earnings / (loss) per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Note 38:**Other Notes to Accounts**

- i. In the opinion of the management, current assets, loans and advances and other receivables are approximately of the value stated, if realized in the ordinary course of business. The provisions of all known liability are ascertained, except for Trade Receivables. Since the receivables are dues for more than one year, we are not certain about the recoveries of the same. The Company is confident of receiving the dues and hence no contingency liabilities have been provided.
- ii. Previous year figures have been restated to confirm the classification of the current year.
- iii. Balances of Sundry Debtors, Unsecured Loans, and Sundry Creditors are Loans & Advances are subject to reconciliation, since conformations have not been received from them. Necessary entries will be passed on receipt of the same if required.
- iv. The company has not provided for Gratuity and Leave Encashment to Employees on accrual basis, which is not in conformity with AS-15 issued by ICAI. However, in the opinion of management the amount involved is negligible and has no impact on Statement of Profit & Loss.
- v. Previous year figures have been regrouped / rearranged wherever necessary to conform current year's figure. However same is not material.
