During his tenure as Managing Director for the last twenty one years, the company has grown substantially both in terms of sales and profitability. His thrust on R & D which led to the creation of a dedicated R & D centre in the company has helped the company sustain itself in the face of stiff competition and has enabled the company to carve a niche for itself in the market. He was the Chief Financial Officer of the company for a brief period during which time he helped to bring about commendable improvement in the financial management of the company that was evident in the manner in which the company was able to sustain itself during the financial meltdown. He has cultivated and sustained a policy of restrained borrowings in spite of investments in infrastructure and R & D. Mr. Jayakar Krishnamurthy is also the Executive Chairman of Ucal Holdings Inc., (formerly known as Amtec Precision Products Inc.).

The company under the stewardship of Mr. Jayakar Krishnamurthy has initiated a lot of steps for improving its volume of business and revenues. At this critical juncture of transition to BS VI norms, Mr. Jayakar Krishnamurthy's continued leadership will be an asset to the company. Mr. Jayakar Krishnamurthy has been spearheading the various improvement, expansion and developmental activities of the company. Keeping in mind the substantial increase in his responsibilities and the remuneration paid to managerial personnel occupying similar positions in comparable companies and taking into account the following factors i.e., financial position of the company, trend in the industry, qualification and experience of the appointee, past performance and past remuneration of the appointee, the Nomination and Remuneration Committee, Audit Committee and the Board of Directors of the company have passed necessary resolutions on 13th August, 2021 under the provisions of Companies Act, 2013 for the re-appointment and for payment of remuneration as set out in the notice to Mr. Jayakar Krishnamurthy as Managing Director of the company for a period of five years from 1<sup>st</sup> September, 2021 to 31<sup>st</sup> August, 2026.

In view of the provisions of Sections 196, 197, 203 and any other applicable provisions of the Companies Act, 2013 and subject to the approval of the Central Government, the company seeks the approval of shareholders for such appointment and payment of remuneration as detailed in the Notice. Details as required under Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 also forms part of this Notice.

A copy of the letter of appointment of Mr. Jayakar Krishnamurthy as Managing Director setting out the terms and conditions is available for inspection by the shareholders at the company's registered office during normal business hours on working days.

He holds 3,54,208 shares in the company. He is not related to any other director of the company.

None of the directors, key managerial personnel or their relatives except Mr. Jayakar Krishnamurthy to whom this resolution relates, is concerned or interested financial or otherwise in the resolution set out in Item No. 6 of the notice.

The Board recommends the resolution as set out in Item No. 6 of the Notice as a Special Resolution for the approval of the shareholders.

Mentoring young engineers and startups with innovative concepts

Mr.I.V.Rao does not hold any shares in the company. He is not related to any other director of the company. The terms and conditions of appointment of Mr.I.V.Rao as Independent Director will be available for inspection by the shareholders at the Registered Office of the company during normal business hours on any working day.

Except Mr.I.V.Rao, none of the other Directors or Key Managerial Personnel of the company or their relatives are, in any way, concerned or interested, financially or otherwise, in this resolution.

The Board recommends passing the resolution set out in Item No. 7 of this Notice as a ordinary resolution.

#### Item No. 8

As a part of business operations, the Company purchases / sells materials from Magnetic Meter Systems (India) Limited and R. D. Electrocircuits Private Limited, in the ordinary course of business and at arm's length basis. Both Magnetic Meter Systems (India) Limited and R. D. Electrocircuits Private Limited are related parties.

Pursuant to the provisions of Section 188 of the Companies Act, 2013 ("the Act"), read with the Companies (Meetings of Board and its Powers) Rules, 2014 ('Rules'), the Company is required to obtain consent of the Board of Directors and prior approval of the members by way of ordinary resolution, in case certain transactions with related parties exceeds such sum as is specified in the said Rules. The aforesaid provisions of the Companies Act 2013 are not applicable in respect of transactions which are in the ordinary course of business and on arm's length basis.

However, pursuant to Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, approval of the shareholders through ordinary resolution is required for all material related party transactions, even if they are entered into in the ordinary course of business and on arm's length basis. For this purpose, a transaction is considered material, if the transaction/transactions to be entered into individually or taken together with previous transactions during a Financial Year exceed 10% of the annual consolidated turnover of the Company, as per the last audited financial statements of the Company.

The Company proposes to enter into contracts/ arrangements with related parties as mentioned below, which are in the ordinary course of business and at arms length basis. Further, the estimated value of the proposed transaction is likely to exceed 10% of the annual consolidated turnover of the Company for the financial year 2021-2022 and therefore may exceed the materiality threshold as prescribed under Regulation 23 of the Listing Regulations. Thus, these transactions would require the approval of the Members by way of Ordinary Resolution. The Audit Committee and the board had reviewed and approved the related party transactions as mentioned in the resolution set out under Item No. 8 of the Notice, at its meeting held on 11<sup>th</sup> February 2021.

Approval of the Members is sought to enable the Board for entering into contracts/ arrangements/ agreements/ transactions (including any modifications, alterations, amendments or renewal thereto) with the said parties subject to the limits mentioned in the table below:

Sl No	Name of related party	Nature of Relationship	Nature of Transactions	Estimated value of Transactions in aggregate for the financial year 2021-2022 (₹ in Lakhs)
1	M/s Magnetic Meter Systems (India) Limited (MMSL)	Ms. Rekha Raghunathan is a Director in MMSL and MMSL is controlled by a relative of a Key Managerial Personnel (KMP)	Purchase of Materials	1,500
2	M/s Magnetic Meter Systems (India) Limited (MMSL)	Ms. Rekha Raghunathan is a Director in MMSL and MMSL is controlled by a relative of a Key Managerial Personnel	Sale of Goods	10
3	R.D. Electrocircuits Private Limited (RDEPL)	Mr. Jayakar Krishnamurthy and Mr. Ram Ramamurthy are Directors in RDEPL and RDEPL is a fellow subsidiary	Purchase of Materials	15,000

Regulation 23 (7) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 provides that all entities falling under the definition of related parties shall not vote to approve any related party transaction, irrespective of whether the entity is a party to the transaction or not.

The Board considers that the proposed arrangements with the related parties, are in the ordinary course of business.

None of the Directors or Key Managerial Personnel of the Company and their relatives except Mr. Jayakar Krishnamurthy, Mr. Ram Ramamurthy (being the Directors of M/s.R.D. Electrocircuits Private Limited) and Ms. Rekha Raghunathan (being Director of M/s. Magnetic Meter Systems (India) Limited) and their relatives, are concerned or interested, directly or indirectly, in this Resolution.

The shareholders approval is solicited for the resolutions at Item No. 8 of the accompanying Notice as Ordinary Resolution.

This Explanatory Statement may also be regarded as a disclosure as required under Listing Regulations.

### DIVIDEND

The Board has out of the profits available for appropriation recommended a dividend of ₹2 per equity share for the financial year 2020-21 on the 2,21,13,625 equity shares of face value of ₹10 each for the approval of the shareholders at the ensuing Annual General Meeting. The total dividend amount would be ₹442.27 lakhs. The dividend, if approved by the shareholders, will be paid within the due date to all the eligible shareholders whose names appear in the register of members of the company as on the record date fixed for this purpose. The dividend declared is as per the dividend policy of the company. The dividend policy is disclosed in the website of the company [www.ucalfuel.com](http://www.ucalfuel.com), weblink: <http://www.ucalfuel.com/policy-dividend.pdf>.

### TRANSFER TO GENERAL RESERVE

There has been no transfer to the general reserve of the company for the financial year 2020-2021.

### SHARE CAPITAL

The paid-up equity share capital of the company as on 31<sup>st</sup> March 2021 was ₹22,11,36,250. The company has not issued any Equity Shares, Sweat Equity Shares, Employee Stock Options and not called for Buy back of Shares during the financial year.

### FINANCIAL PERFORMANCE

The net revenue from the operations of the company stood at ₹49,263 lakhs in the financial year 2020-2021 as against ₹50,968 lakhs in the financial year 2019-20 resulting in a decreased revenue of 3.46%. This can be attributed to the reduced offtake by the existing customers owing to the ensuing change in the emission norms from 1<sup>st</sup> April, 2020 and also due

to a general slowdown in the economy during COVID-19. The earnings before Interest, Tax and Depreciation (EBITDA) stood at ₹5,856 lakhs in the financial year 2020-2021 as against ₹7,770 lakhs in the financial year 2019-20 as in addition to a decrease in the net revenue from operations there was also a constraint in raising selling prices despite an increase in the input cost.

The exports stood at ₹984 lakhs in the financial year 2020-2021 as compared to ₹740 lakhs in the financial year 2019-20. Continuous efforts are on to enhance the company's presence in the export market. The spares sales of the company in the financial year 2020-2021 stood at ₹9,270 lakhs as against ₹6,690 lakhs in the previous financial year. The offtake by the dealers and the Original Equipment Manufacturers (OEMs) increased in 2020-2021 resulting in a 39% increase. The company has put in extra efforts to expand its dealership network and become competitive in the spares market which is beset with spurious products. The Profit/(Loss) After Tax (PAT) for the financial year 2020-2021 stood at ₹3,533 lakhs as against a loss of ₹(8,575) lakhs of the previous financial year. The company's earnings per share is ₹16 in financial year 2020-21 as compared to "Nil" for the financial year 2019-2020 due to the exceptional item of ₹10,509 lakhs which is the provision for impairment of value of investment made in Ucal Holdings Inc as mandated under the Accounting Standards. However, the consolidated financial statements of the company show a profit of ₹2,886 lakhs with earnings per share of ₹13. To augment its capacity to meet the requirements of its customers, under the stringent BSVI emission norms, the company has spent ₹1,630 lakhs in capital investment in the financial year 2020-2021 as compared to ₹6,092 lakhs spent in the financial year 2019-20. The company continues its thrust on R&D and has spent ₹1,184 lakhs in the financial year 2020-2021 as against an amount of ₹1,585 lakhs spent in the previous financial year. The new BSVI emission norms came into effect from 1<sup>st</sup> April, 2020 and the company has successfully developed and commercialised the electronic carburettor and other relevant components. Efforts are on to expand the indigenous market for the same. The company continues to supply the mechanical carburettor for the export market in addition to supplying spares to both OEMs and dealers.

- c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- d) The annual accounts have been prepared on a “going concern” basis.
- e) Proper internal financial controls to be followed by the company have been laid down and such internal financial controls are adequate and are operating effectively.
- f) Proper systems to ensure compliance with the provisions of all applicable laws have been devised and such systems are adequate and are operating efficiently.

### RESIGNATION OF COMPANY SECRETARY

Ms. Rekha Raghunathan stepped down as Company Secretary, Compliance Officer and Key Managerial Personnel of the Company with effect from the end of the working day of 10<sup>th</sup> June, 2021.

### AUDIT COMMITTEE

The audit committee conforms to the requirements of Section 177 of the Companies Act, 2013 and Regulation 18 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. Mr.S. Natarajan resigned from the Board with effect from 19<sup>th</sup> July 2021. Ms.Lakshminarayanan Priyadarshini and Mr.I.V. Rao were inducted into the Audit Committee on 13<sup>th</sup> August 2021. The members of the Audit Committee as on date of this report are Mr.S.Balasubramanian, Mr. Jayakar Krishnamurthy, Ms.Lakshminarayanan Priyadarshini and Mr.I.V.Rao. Mr.S. Balasubramanian is the Chairman of the Audit committee. The committee met 5 times during the year. Detailed disclosure on the terms of reference and meetings are mentioned in the corporate governance report.

### STATUTORY AUDITORS

M/s R. Subramanian and Company LLP, Chartered Accountants, Chennai (Registration Number: 004137S/S200041) were appointed statutory auditors of the company for a period of five consecutive years commencing from the conclusion of the 31<sup>st</sup> Annual General Meeting held on 28<sup>th</sup> September 2017 till the conclusion of the 36<sup>th</sup> Annual General meeting subject to the ratification of their appointment by the shareholders at the Annual General Meeting every year. However, as per the amendment in Section 40 of the Companies Amendment Act 2017, the ratification of the appointment of statutory auditor at the Annual General Meeting every year is not required. The emphasis of matter specified in the Independent auditor's report on the Standalone Financial Statements has been explained in Note No. 38 (c) of the notes to accounts.

### SECRETARIAL AUDITOR

Pursuant to the provisions of section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the company had appointed M/s. P. Sriram & Associates, a firm of practising company secretaries as secretarial auditor of the company to undertake secretarial audit of the company for the financial year 2020-2021. The report of the secretarial auditor is given in Annexure-I and forms part of this report. It does not contain any qualification, reservation, adverse remark or disclaimer except the following;

- (a) No woman Independent Director on the Board of the listed entity (from April 1, 2020 till December 06, 2020)
- (b) There was a shortfall in the minimum number of Independent Directors on the Board of the listed entity for the period from October 25, 2020 (after considering the 3 months period allowed for replacement by a new Independent Director from the date of resignation of an Independent Director) till December 06, 2020
- (c) The composition of Nomination and Remuneration Committee as stipulated under the said regulation is not met for the period from October 25, 2020 (after considering the 3 months period allowed for replacement by a new Independent Director from the date of resignation of an Independent Director) till December 06, 2020.

It was clarified that due to covid pandemic prevailing prior to 1.4.2020 with various kinds of lock down by the central government, state government and containment zones resulted in additional disturbances and precaution action by the company. This has resulted in the company additionally taking one and half months' time to comply with the requirement of appointing a woman independent director on the Board on 7<sup>th</sup> December 2020. Further the resignation of an Independent Director on 24<sup>th</sup> July 2020 was a sudden one and the company had 3 months time to replace such vacancy of the Independent Director till 23<sup>rd</sup> October 2020. The company has complied with the appointment of woman director on the Board with effect from 7<sup>th</sup> December 2020.

## INTERNAL AUDITORS

M/s. P. Chandrasekar, Chartered Accountants, continue as internal auditors of the company. Their scope of work is periodically reviewed and updated by the audit committee. It includes among other things a review of the operational efficiency, effectiveness of systems and controls in existence, review of the processes to safeguard the assets of the company and assessing the strength of the internal control in all areas. The internal auditor's report is discussed with the concerned stakeholders and corrective remedial action is taken on a regular basis in consultation with the audit committee. The internal auditors were present at the audit committee meetings as and when required.

## COST AUDITOR

In terms of Section 148 of the Companies Act, 2013 (the Act) read with Companies (Cost Records and Audit) Rules, 2014, as amended, the Board of Directors have appointed Mr. L. Thriyambak, Cost Accountant as Cost Auditor for the financial years 2020-2021 and 2021-2022 on a remuneration of ₹1,80,000 and ₹2,00,000 per annum respectively subject to the remuneration being ratified by the shareholders at the ensuing Annual General Meeting. The audit committee had recommended his appointment and remuneration subject to the compliance of all the requirements as stipulated under the Act and circulars issued thereunder. As specified by the Central Government under Section 148(1) of the Companies Act, 2013, the cost records are required to be maintained by the Company and accordingly such accounts and records are made and maintained. Mr. L. Thriyambak has sent his consent for appointment as Cost Auditor for the financial years 2020-2021 and 2021-2022.

## THE DETAILS OF APPLICATION MADE OR ANY PROCEEDING PENDING UNDER THE INSOLVENCY AND BANKRUPTCY CODE, 2016 DURING THE YEAR ALONG WITH THEIR STATUS AS AT THE END OF THE FINANCIAL YEAR.

Not applicable to the company.

## THE DETAILS OF DIFFERENCE BETWEEN THE AMOUNT OF THE VALUATION DONE AT THE TIME OF ONE TIME SETTLEMENT AND THE VALUATION DONE WHILE TAKING LOAN FROM THE BANKS OR FINANCIAL INSTITUTIONS ALONG WITH THE REASONS THEREOF.

Not Applicable to the company.

## SUBSIDIARY COMPANIES

The company has two wholly-owned subsidiaries.-.

Ucal Polymer Industries Limited (UPIL)-The revenue from operation of UPIL stood at ₹3,832 lakhs in the financial year 2020-2021 as against ₹4,994 lakhs in the financial year 2019-2020. The decreased revenue can be attributed to the decreased offtake by UCAL Fuel Systems Limited (UFSL) which continues to be the only major customer of UPIL. The net Profit/(Loss) after tax stood at ₹(56) lakhs in the financial year 2020-2021. UPIL continues to support the operations of UFSL by providing it an advantage in terms of pricing, quality and timeliness of supplies. UPIL has successfully met the new business requirements of UFSL as per BSVI emission norms.

Ucal Holdings Inc., (UHI)-The revenue from operations of UHI was ₹19,186 lakhs in the financial year 2020-2021 as against ₹21,780 lakhs in the financial year 2019-2020. In terms of US dollar, the revenue from operations was \$ 258 lakhs during financial year 2020-2021 as compared to \$ 300 lakhs in the financial year 2019-2020 recording a decrease of 16%. UHI has earned a net profit/ (loss) after tax of ₹(502) lakhs during the financial year 2020-2021 as against a net profit/(loss) of ₹(757) lakhs in the financial year 2019-2020.

The reduced revenue from operations and the profitability is due to the down turn in the US economy which had a direct impact on the operations of the company.

### **CONSOLIDATED FINANCIAL STATEMENTS**

The consolidated financial statements for the year ended 31<sup>st</sup> March 2021 of the company and its subsidiaries together with the auditor's report thereon are enclosed. The statement pursuant to sub section(3) of Section 129 of the Companies Act, 2013 read with Rule 5 of Companies (Accounts) Rules, 2014 in the prescribed form AOC-1 relating to the subsidiary companies is given in Annexure-II.

In terms of section 136 of the Companies Act, 2013 the company has not attached the financial statements of the subsidiary companies. However, the financial information of the subsidiary companies is disclosed in the annual report. The annual accounts, reports and other documents of the subsidiary companies will be available for inspection during business hours, by any shareholder of the company at the registered office of the company and also at the registered office of the concerned subsidiary and has also been posted on the website of the company [www.ucalfuel.com](http://www.ucalfuel.com). The annual accounts, reports and other documents of the subsidiary companies will be dispatched to the shareholders upon receipt of a request from them.

### **CORPORATE SOCIAL RESPONSIBILITY (CSR)**

The company's CSR activities are in the field of education, sports, health, sanitation and preservation of culture and heritage. As per Section 135 of the Companies Act, 2013, the CSR Policy was formulated by the CSR Committee and thereafter approved by the Board. The CSR policy is displayed on the website of the company [www.ucalfuel.com](http://www.ucalfuel.com), weblink: <http://www.ucalfuel.com/policycsr.pdf>. Mr.S.Balasubramanian is the chairman of the committee and Mr. Ram Ramamurthy and Mr. Jayakar Krishnamurthy are the other members of the committee. For the financial year 2020-2021 the report on corporate social responsibility is given as Annexure-III and forms part of the Board's Report.

### **PUBLIC DEPOSITS**

During the financial year 2020-2021, the company has not accepted any deposits from the public within the meaning of Section 73 of the Companies Act, 2013 read with Companies (Acceptance of Deposits) Rules 2014 and there is no outstanding amount on account of principal or interest on deposits from public as on date.

#### SECRETARIAL AUDIT REPORT

FINANCIAL YEAR ENDED 31<sup>st</sup> MARCH, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

THE MEMBERS,

UCAL FUEL SYSTEMS LIMITED

"RAHEJA TOWERS", DELTA WING - UNIT 705

177 ANNA SALAI, CHENNAI - 600 002

CIN: L31900TN1985PLC012343

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by UCAL Fuel Systems Limited (hereinafter called the "Company/UFSL"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on my verification of Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31<sup>st</sup> March, 2021 complied with the statutory provisions listed here under and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31<sup>st</sup> March, 2021 according to the provisions of:

- 1) The Companies Act, 2013 (the Act) and the rules made there under;
- 2) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- 3) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- 4) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment;
- 5) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 and any amended from time to time;
  - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;

### Other Specific Laws applicable to the company

- 6) The Special Economic Zone Act 2005 and the Special Economic Zone Rules 2006 (for the unit located in a Special Economic Zone)

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Equity Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

### I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors for the period under review except that:

- a) No woman Independent Director on the Board of the listed entity (from April 1, 2020 till December 06, 2020)
- b) There was a shortfall in the minimum number of Independent Directors on the Board of the listed entity for the period from October 25, 2020 (after considering the 3 months period allowed for replacement by a new Independent Director from the date of resignation of an Independent Director) till December 06, 2020
- c) The composition of Nomination and Remuneration Committee as stipulated under the said regulation is not met for the period from October 25, 2020 (after considering the 3 months period allowed for replacement by a new Independent Director from the date of resignation of an Independent Director) till December 06, 2020.

The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings. Agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. All decisions were carried out with unanimous approval of the Board and there was no instance of dissent voting by any member during the period under review.

I have examined the systems and processes of the Company in place to ensure the compliance with general laws like Labour Laws, Employees Provident Funds Act, Employees State Insurance Act, considering and relying upon representations made by the Company and its Officers for systems and mechanisms formed by the Company for compliance under these laws and other applicable sector specific Acts, Laws, Rules and Regulations applicable to the Company and its observance by them.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with other applicable laws on the operation of the Company and the rules made thereunder.

I further report that during the audit period, there were no specific events / actions having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, etc.

### Criteria for appointment of directors

The Nomination and Remuneration committee recommends the appointment of directors based on their qualification, expertise, integrity, credibility, trustworthiness and ability to handle issues. The need for that particular functional experience in the organisation is also taken into account along with their ability and willingness to devote time for the organization. It is also ensured that all diverse fields are suitably represented on the board. Particular emphasis is given to those with domain knowledge on the auto industry and its market and the latest developments in the field. In the case of independent directors, the committee will in addition to the above satisfy itself on the independence of directors and take into account their ability to develop a good working relationship with the other board members and senior management together with their ability to assist the company on issues of strategy, risk management and key appointments. In case of reappointment, the committee will evaluate the performance before recommending reappointment.

### Remuneration policy

The policy for appointment, remuneration and evaluation of the directors and senior management of the company is based on the recommendations of the Nomination and Remuneration committee which lays down the criteria for the same. The remuneration policy has been framed in such a way that it will support and ensure a good work culture in the organisation. The company does not have stock options. Therefore such instruments do not form part of the remuneration policy. The remuneration policy is designed keeping in mind various factors like financial position of the company, trend in the industry, qualification and experience of the appointee, past performance and past remuneration of the appointee. The remuneration relating to certain senior management positions and chief executive officer has a fixed and variable component which is based on achieving certain fixed targets thereby aligning the vision and goals of the organisation to the compensation. The philosophy behind the remuneration policy is to attract and retain talented individuals and develop and motivate them to achieve the goals of the organisation. The remuneration to the Chairman and Managing Director and Whole-time Director shall be in accordance to the limits / percentage / conditions laid down in the Companies Act 2013. The remuneration to other employees will be such that it ensures a direct relationship to their performance. The company has devised a suitable framework to identify and evaluate risks. Periodic assessments to identify the risk are carried out and the management is briefed on the risks in advance to enable the company to control the risk through a properly defined plan. The risks are classified as financial risks, operational risks, market risks and statutory compliance risks. The risks are evaluated based on previous experience, probability of occurrence, probability of non deletion and its impact on business. The risks are taken into account while preparing the annual business plan for the year. Insurable risks are covered by insurance policies to protect the company interests. The Board is also periodically informed of the risks and the actions taken to manage them. The company manages its risks by incurring prudent capital expenditure, by ensuring that customers underwrite the capacities created specifically for their requirements, by determining the prices of its products on a scientific basis based on detailed studies, by prudent financial management, by localization to protect itself from exchange risks, constant R&D efforts and by spreading its markets and manufacturing facilities geographically. The strategy development committee assists the management in assessing the market risks, competitors risks, product obsolescence risk and devises strategies to overcome the same. Mr. Jayakar Krishnamurthy and Mr. Ram Ramamurthy are the members of this committee as on 31<sup>st</sup> March 2021. Mr. Jayakar Krishnamurthy is the Chairman of the committee.

### MANAGEMENT DISCUSSION AND ANALYSIS REPORT

#### 1. GENERAL OVERVIEW

2020-21 was a year of Pandemic due to COVID 19. The entire world came to a halt due to the restrictions and lockdown that were put in place to avoid the spread of COVID 19. In India the impact was felt throughout the automotive industry as the country was under complete lockdown during 1<sup>st</sup> quarter of 2020-21. Two-wheeler sales registered a de-growth of (13%) over April-March 2021 compared to the same period last year. The domestic market experienced a sharp decline of (13%) and export sales declined by (7%). Within the two-wheeler segment Motorcycle sales de-grew by (9%) and Scooter sales de-grew by (24%) in April to March 2021 over the same period last year. The automotive industry recorded a more than 70% drop due to stringent lockdown and production/sales were hampered heavily. Despite continuous lockdowns and issues in restarting the supplies, 2<sup>nd</sup> quarter of 2020-21 and 3<sup>rd</sup> quarter of 2020-21 saw a fast ramp up. The automotive industry recovered quickly and was back on track by August 2020 and September 2020 and by utilizing the sudden spurt in demand due to a preference for personalized mobility to maintain social distancing. The Indian Automotive industry had a good Festival season sale in the 3<sup>rd</sup> quarter of 2020-21. Domestic sales registered growth in 3<sup>rd</sup> quarter of 2020-21, backed up with strong export demand.

On the technology front, the Indian automobile emission norms are now on par with the world industry leaders. Though the changes in the revenues of the company was proportional to that of the auto component/ auto industry, the company was able to en-cash on the technology innovation with a breakthrough product in e-Carb (Electronic Carburettor) which is a cost-effective solution to meet BSVI norms in 2W segment. The Company's efforts to meet the stringent emission norms from the year 2020 had fructified. With sustained R&D efforts, e-Carb (Electronic Carburettor) was proved as an Optimum Solution to meet the BSVI norms with Minimum Vehicle level Changes. The Company also launched the Electronic Control Unit (ECU) for e-Carb and added almost 8 new models in ECU supplies to its major OEM. The Company has now provided over 1 million e-Carb into the market. The Company has been able to control the financial and administration costs through prudent management practices. The Company's R&D is continuously responding to the competitive environment created by the various changing models of the OEM's, thereby ensuring that the company's image as a technology provider is maintained. The company's foray into newer areas like defense, aerospace and electronic components continue and these activities can be expected to yield results in a few years from now. The auto component industry is expected to follow the Original Equipment Manufacturer (OEM) in adoption of the electric vehicle technologies. The global move towards electric vehicles will generate new opportunities for auto component suppliers and the company is gearing up for the same.

#### 2. FUTURE BUSINESS STRATEGY

The company is undergoing a technological transformation as it prepares to expand the e-Carb system which meets BSVI norms to the OBD II requirements which will be mandatory from 1<sup>st</sup> Apr'2023. The company continues to invest in R&D and create and acquire intellectual property towards this end. The focus on marketing Electronic Fuel Injection (EFI) system and mechanical Throttle Body Assembly continue with addition of new customers for this product range.

The EFI development has fructified and co-development for a 250cc engine application for a niche segment has started. The company is working towards establishing itself as a supplier of mechanical and electronic carburetors and fuel injection systems by the year 2021-22. In Electronic Throttle Valve (ETV), proof of concept has been completed with one of the major OEM and project is likely to start by 2022-23. This will be a key product for growth in financial year 2022-23 as we are approaching other major OEMs in LCV, HCV and 2W segment.

The company intends to enter the electric vehicle segment in the future and is preparing itself for the same. The company's long-term vision is to become a one-stop shop and solution provider for all engine management requirements of the two-wheeler industry and major supplier of vacuum pumps, oil pumps, ETV and E-pumps for the four-wheeler industry and efforts are continuing towards achieving this objective.

### 3. ANALYSIS OF 2020-2021 SALES OF UCAL FUEL SYSTEMS LIMITED (UFSL) Vis-a-vis INDUSTRY

The year started off with slackness particularly due to pandemic in 1<sup>st</sup> quarter of 2020-21 and increase in vehicle prices because of introduction of BSVI norms, Industry registered de growth of almost (70%) in the 1<sup>st</sup> quarter of 2020-21 compared to 19-20 due to COVID Lockdowns. However the trend was reversed and market rebounded to the V shape recovery in 2<sup>nd</sup> quarter of 2020-21 and 3<sup>rd</sup> quarter of 2020-21 thanks to high sales due to personal mobility requirement. The company ended 2020-21 with a (10%) drop in turnover as compared to 2019-20. The introduction of e-Carb in <125cc segment and export model carb for 160cc segment in 2 W had positive impact in the turnover. Export sales have increased compared to 2019-20 due to Oil Pump Exports. While there has been a good improvement in the offtake of spares by dealers and export distributors, the off take by the OEMs had increased significantly. The Spares Segment registered a positive growth of 30% which had helped in both top line and bottom line

### 4. SWOT ANALYSIS STRENGTHS

#### STRENGTHS

- Technology in carburetor (mechanical and electronic) throttle body, air suction valves, pumps, ETV
- Capabilities (both technology & infrastructure) to develop products for meeting BSVI norms
- Capability in frugal engineering
- Flexibility in Product development and domestic Supply chain to meet the customer demand
- Facilities in pressure die castings, plastic and rubber molding
- Well-trained and disciplined workforce
- Good work culture
- Preferred supplier of OEMs

#### WEAKNESSES

- No new products to support E-mobility
- Low IT penetration
- Slow growth in export business
- Limited products for the 4W segment
- High employee cost

#### OPPORTUNITIES

- Entry into the EV segment with new products
- Electronic design, development and manufacturing capability
- Penetrate Export market with existing products
- Entry into new markets like South America, Africa and ASEAN
- Entry into Commercial and Tractor segments and electric mobility vehicles

#### THREATS

- Few new development of Engine platform in IC engines
- Competitive pressure on pricing policies
- Rising input cost
- Relentless pressure to reduce prices by OEMs thereby affecting profit margin
- Increased emphasis on electric mobility

## 5. RESEARCH AND DEVELOPMENT (R&D)

The company provides value to the Customers by offering engineering solutions through product / technological innovation. The focus for R&D in the financial year 2020-2021 has been to stabilize the developed electronic air-fuel management system, electric air suction valve for the various Customer applications to meet the stringent BSVI emission regulations. To address the next generation compliance, the company is developing products with additional features to improve the product life cycle management. The company is developing products for the thermal management system – Intake Throttle Valve, HC Dozer for the Commercial vehicle applications, Electronic Throttle Valve for the 2-W segment, FI system for the global power sport segment. Anticipating the technology changes in the mobility – electrification, hybridization, engine down-sizing (Gasoline Direct Injection with Turbo charge) R&D is developing products like e-Coolant pumps, e-Vacuum Pump, Motor controller, sensing of the throttle response, Vacuum pump with operation at high engine rpm. To develop and validate the new products / technologies, additional facilities and upgradation of existing facilities are being installed. The R&D validation lab continues to have the accreditation by NABL and the recognition from the Department of Scientific and Industrial Research, Ministry of Science and Technology. Key products / technologies developed in the financial year 2020-2021 include electronic air-fuel management system, engine management system integration and calibration, electric air suction valve, mechanical throttle body assembly, intake throttle valve, e-Coolant Pumps and e-Vacuum Pumps.

## 6. MANUFACTURING CAPABILITIES, FACILITIES AND OPERATIONS

During the financial year 2020-21, the company had enhanced the e-Carb capacity from 150K/month to 180K/month. The company had also established a new facility at Plant 10, for manufacture of Throttle Body with an installed capacity of 40K/month. These Throttle Bodies are being supplied to M/s Napino Control Systems who are a tier 1 vendor to M/s Hero Motor Cycles India Limited., This business is acquired, keeping in mind the huge business potential available with M/s Hero Motor Cycle India Limited.,

## 7. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

# Standalone Financial Statements

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF**

**M/S UCAL FUEL SYSTEMS LIMITED**

**Report on the audit of Standalone Ind AS Financial Statements**

**Opinion**

We have audited the accompanying Standalone Ind AS Financial Statements of UCAL FUEL SYSTEMS LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity, the Statement of Cash Flows for the year ended on that date and Notes to the Financial Statements, including a summary of the Significant Accounting Policies and other explanatory information (hereinafter referred to as 'the Standalone Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit (Including Other Comprehensive Income), the changes in Equity, and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter**

We draw attention to:-

- i. Note 38 (c) forming part of the financial statements for the year in connection with the non-availability of RBI approval for writing off made during the year 2017-18 in respect of Trade receivable and Loan receivable aggregating to ₹15,191.85 Lakhs due from foreign subsidiary (UCAL Holdings Inc., formerly Amtec Precision Products Inc.,)

Our opinion on the financial statements is not modified in respect of the above matter.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of Financial Statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Response to Key Audit Matters
<p>1. Evaluation of uncertain tax positions</p> <p>The company has material uncertain tax positions including matters under dispute which involved significant judgement to determine the possible impact arising from the outcome of these disputes.</p> <p>Refer Note 43 to the standalone financial statements</p>	<p>Principal Audit Procedures</p> <p>We have carried out the validation of the information provided by the management by performing the following procedures:</p> <ul style="list-style-type: none"> <li>- Evaluating reasonableness of the underlying assumptions</li> <li>- Examining the relevant documents on record</li> <li>- Relying on relevant external evidence available including legal opinion, relevant judicial precedents and industry practices</li> <li>- Getting management confirmation wherever necessary</li> </ul>

### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information in the Annual Report, comprising of the Director's report and its annexures, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information when it is made available and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that if there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Responsibilities of management and those charged with governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the Financial Position, Financial Performance (including Other Comprehensive Income), Changes in Equity and Cash Flows of the Company in accordance with Ind AS prescribed under Section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if,

individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and quantitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in Internal Control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

#### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143 (3) of the Act, we report, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of the written representations received from the Directors as on 31st March, 2021 taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March 2021 from being appointed as a Director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the Internal Financial Controls over financial reporting of the Company, and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements.
  - g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone financial statements in Note 43.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the company.
2. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.
  3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

## **ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE STANDALONE IND AS FINANCIAL STATEMENTS OF UCAL FUEL SYSTEMS LIMITED.**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).**

We have audited the Internal Financial Controls with reference to financial statements of UCAL FUEL SYSTEMS LIMITED (“the Company”) as of March 31, 2021 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s Management is responsible for establishing and maintaining Internal Financial Controls based on the Internal Control over Financial Reporting criteria established by the Company, considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting, issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s Internal Financial Controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls System with reference to financial statements and their operating effectiveness. Our audit of Internal Financial Controls with reference to financial statements included obtaining an understanding of Internal Financial Controls with reference to financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditors’ judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s Internal Financial Controls System with reference to financial statements.

### **Meaning of Internal Financial Controls with reference to financial statements**

A company’s Internal Financial Control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s Internal Financial Control with reference to financial statements includes those policies and procedures that:

- (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and Directors of the Company; and

- (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls with reference to financial statements**

Because of the inherent limitations of Internal Financial Controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls with reference to financial statements to future periods are subject to the risk that the Internal Financial Control with reference to financial statements may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate Internal Financial Controls System with reference to financial statements and such Internal Financial Controls with reference to financial statements were operating effectively as at March 31, 2021, based on the Internal Control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

## NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021

### 1. Significant Accounting Policies:

The accounting policies mentioned herein are relating to the standalone financial statements of the Company

#### a) Brief Description of the Company:

UCAL Fuel Systems Limited is a Public Limited Company incorporated in India under the Companies Act, 1956 and its registered office is located in Chennai, Tamil Nadu. The shares of the Company are listed on the National Stock Exchange Limited and BSE Limited. The Company offers comprehensive fuel management systems for automotive sector. The Company has manufacturing facilities across India.

#### b) Statement of Compliance:

The standalone financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (The Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act as amended from time to time.

#### c) Basis of Preparation:

The financial statements have been prepared on the historical cost convention under accrual basis of accounting except for certain financial assets and liabilities described in more detail in the accounting policies below, which have been measured at fair value. The financial statements are prepared on a going concern basis. The financial statements are prepared in Indian Rupees which is the Company's functional currency.

#### d) Use of Estimates:

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future period.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas where significant estimates were made by the management are:

- i) Defined employee benefit obligations- Refer Note No 40
- ii) Estimation of useful life of Property, Plant and Equipment Refer Note No 1(i) and Note No 1(j)
- iii) Estimation and evaluation of provisions and contingencies relating to tax litigations Refer Note No 43
- iv) Recoverability/Recognition of Deferred Tax Assets Refer Note No 36.
- v) Estimation of value of the investment in UCAL Holding Inc. (wholly owned foreign subsidiary) - Refer Note no 33.
- vi) Estimation of uncertainty relating to global health pandemic- COVID 19

In Order to contain the COVID-19 pandemic, the central and state governments declared public lockdowns during the FY 2020-21 affecting regular operation of the production facilities of the Company during the initial part of the year causing an adverse impact on the revenue and profit for the FY 2020-21. However, the company has reopened its facilities and resumed regular operations after withdrawal of lockdowns. The Company has considered the possible effects that may result from the pandemic on the carrying amounts of property, plant and equipment, receivables, inventories and other assets.

## NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021 (CONTD)

### vii) Significant judgement made by management-

#### a) Treatment of provision for impairment in investment as business loss

Based on legal precedents in this regard, management has treated provision created in the FY 2019-20 towards Impairment of investment in Ucal Holding Inc. wholly owned foreign subsidiary as business loss for income tax purposes. Accordingly, management has created deferred tax asset for the aforesaid tax loss in the FY 2020-21 in line with the income tax return.

The areas where Recent Accounting Developments made by the management are:

#### i) On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Schedule III of Companies act, 2013 are:

##### A. Balance Sheet:

- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.
- Disclosures in respect of certain ratios including capital adequacy ratio and liquidity coverage ratio.

##### B. Statement of profit and loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements. The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

### e) Current and Non-Current Classification:

The company presents assets and liabilities in the balance sheet based on current / non-current classification.

Cash or cash equivalent is treated as current, unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. In respect of other assets, it is treated as current when it is:

- expected to be realized or intended to be sold or consumed in the normal operating cycle
- held primarily for the purpose of trading
- expected to be realized within twelve months after the reporting period. All other assets are classified as non-current.

A liability is treated as current when:

- It is expected to be settled in the normal operating cycle

## NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021 (CONTD)

- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities, as the case may be.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The company has identified twelve months as its operating cycle.

### f) Revenue Recognition:

A revenue contract with the customer is accounted for only when the contract has been approved, the payment terms for the goods or services is identifiable, each party's rights regarding the goods or services is identifiable, the contract has commercial substance and it is probable that the entity will collect the amount of consideration.

#### Sale of Products:

Revenue is recognized when the control of goods are transferred to a customer at an amount equal to the transaction price.

#### Interest Income:

Interest income from debt instruments is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset. While calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

#### Dividend Income:

Dividends are recognized in profit or loss only when the right to receive payment is established and the amount of dividend can be reliably measured.

#### Rental Income:

Rental Income from operating leases is recognized on a straight-line basis over the lease term.

### g) Cost Recognition:

Costs and Expenses are recognized when incurred and are classified according to their nature.

### h) Property, Plant and Equipment:

All items of Property, Plant, and Equipment are stated at cost of acquisition or construction less accumulated depreciation / amortization and Impairment, if any. Cost includes purchase price, taxes, and duties, labour cost and directly attributable overheads incurred upto the date the asset is ready for its intended use. However, cost excludes duty or tax to the extent credit of the duty or tax is availed of.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to Profit or Loss during the reporting period in which they are incurred.

## NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021 (CONTD)

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/ (losses).

### i) Depreciation and Amortization:

- i) Depreciation on property plant and equipment is charged over the estimated useful life of the asset or part of the asset, on straight line method, in accordance with Schedule II to the Companies Act, 2013.
- ii) The useful life of various class of property plant and Equipment are as provided below:

Class of Asset	Useful Life
Leasehold Land	Term of Lease
Buildings	30 years
Plant and Machinery	10-15 years
Electrical Equipment	10 years
Furniture and Fixtures	10 years
Office Equipment	5 years
Vehicles	5 years

- iii) Residual values and useful lives are reviewed, and adjusted, if appropriate, for each reporting period.
- iv) On tangible fixed assets added / disposed-off during the year, depreciation is charged on pro-rata basis from the date of addition / till the date of disposal.

### j) Intangible Assets

#### Purchased Intangible Assets:

Intangible assets are recognized as an asset if they meet the criteria for recognition under IndAS 38. Intangible assets are recorded at cost less amortization and accumulated impairment, if any.

Amortization is provided on a straight-line basis over estimated useful lives of the intangible assets as per details below:

Class of Asset	Useful Life
Software	Up to 3 years
Technical Know how	Up to 10 years

The amortization period for intangible assets with finite useful lives is reviewed at least at each year-end. Changes in expected useful lives are treated as changes in accounting estimates.

#### Internally generated intangible assets:

Research costs are charged to the Statement of Profit and Loss in the year in which they are incurred. Product development costs incurred on new products are recognized as intangible assets, when feasibility has been established, the company has committed technical, financial, and other resources to complete the development, and it is probable that asset will generate probable future economic benefit.

### k) Leases:

Effective April 1, 2019, the company has applied Ind AS 116 on Lease Accounting. Ind AS 116 replaces Ind AS 17.

The company has chosen the practical expedient provided by the standard to apply Ind AS 116 only to contracts that were previously identified as leases under Ind AS 17 and therefore has not reassessed whether a contract is or contains a lease at the date of initial application. Consequently, the application of the standard has no transition impact.

The company, as a lessee, recognises, at inception of a contract, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

## NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021 (CONTD)

At the date of commencement of the lease, the company recognizes a right-of-use ("ROU") asset representing its right to use the underlying asset for the lease term and a lease liability for all lease arrangements in which it is a lessee except for leases with a term of 12 months or less (short term leases) and leases for which the underlying assets is of low value. For such short term and assets of low value leases, the company recognizes the lease payment as an expense on a straight line basis over the term of the lease.

At commencement date, the ROU asset is measured at cost. The cost of the ROU asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred. The ROU assets are subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any.

The ROU assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of ROU asset. The estimated useful lives of ROU assets are determined on the same basis as those of PPE. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognized in the statement of profit and loss.

At the commencement date, the company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the company's incremental borrowing rate.

Lease liability and ROU asset are separately presented in the Balance Sheet. Lease payments are classified as financing cash flows while short-term lease payments, payment for leases of low value assets are classified within operating activities.

### l) Impairment:

Assets are tested for impairment when events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

### m) Foreign Currency Translation:

#### (i) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the company operates ('the functional currency'). I.e. in Indian rupee (INR) and all values are rounded off to nearest lakhs except otherwise indicated.

#### (ii) Transactions and Balances

- a) Transactions in foreign currencies are recorded at the spot exchange rates prevailing on the date of transaction.
- b) Foreign currency monetary assets and liabilities are translated at year end exchange rates.
- c) Non-monetary items denominated in foreign currency are valued at the exchange rate prevailing on the date of transaction if the item is valued at historical cost.
- d) Non-monetary items that are measured at fair value in foreign currency are translated using the exchanges rates at the date when the fair value is measured.
- e) Exchange differences arising on settlement of transactions and translation of monetary items are recognized as income or expense in the year in which they arise.

## NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021 (CONTD)

### n) Inventories:

Inventories are valued at the lower of cost and net realisable value. Cost of raw materials, components, stores, spares, Work-in-Progress and Finished Goods are ascertained on a weighted average basis. Cost of Finished Goods and Work-in-Progress comprises of direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Costs of purchased inventory are determined after excluding rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Materials and supplies held for use in production of inventories are not written down if the finished products in which they will be used are expected to be sold at or above cost.

### o) Employee Benefits:

#### i) Short Term Obligations:

Liabilities for wages, salaries, and bonuses, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the year in which the employees render the related service are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented under other financial liabilities in the balance sheet.

#### ii) Long term Post-employment obligation:

The company has the following post-employment benefit obligations:

- a) Defined benefit gratuity plans; and
- b) Defined contribution plans such as provident fund, pension plans

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The net defined benefit obligation is valued annually by an independent actuary using the projected unit credit method.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included under finance cost in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they arise, directly in other comprehensive income and are adjusted against retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

Provident Fund and Pension Plans:

The eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions as specified under the law are made to the Employee Provident Fund Organization (EPFO). The Company is liable only for its fixed contributions which are required to be made in accordance with the schemes in force as notified by EPFO. All contributions made by the Company are recognized as expenses for the relevant period.

#### iii) Other Long-Term Employee Benefits:

Liabilities for compensated absences are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are, therefore, measured at the present value of the expected future payments that has accrued to the employees in accordance with the company's policy for compensated absences. The benefits are discounted using an appropriate discount rate and are estimated using

the projected unit credit method by an independent actuary. Remeasurement as a result of experience adjustments and changes in actuarial assumptions are recognised in other comprehensive income. The obligation is classified as current and non-current based on the policy stated in the notes.

The eligible employees of the company are entitled to receive benefits in respect of superannuation, a defined contribution plan, in which the company makes monthly contributions at a specified percentage of the covered employees' salary. The employees are eligible to receive the contribution made along with accumulated return thereon. The company is liable only for its fixed contributions which are required to be made in accordance with the company's policy. Being in the nature of a defined contribution plan, the contributions are accounted as an expense as and when they accrue.

### p) Taxes on Income:

Tax expense comprises of current and deferred taxes.

The current tax for the period is the tax payable on the current period's taxable income computed in accordance with the Income Tax Act, 1961 applying the enacted income tax rate applicable. The current tax expense includes income tax payments relating prior periods.

Deferred income tax is recognized using the balance sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period.

Deferred tax assets are recognized for carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profits will be available to utilize those unused tax credits and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same tax jurisdiction. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

The company is entitled to claim special tax deductions towards qualifying expenditure (Research and Development). The company accounts for such allowances as tax credits reducing income tax payable and current tax expense.

The carrying amounts of deferred tax assets are reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient tax profits arise for their utilization.

### q) Government Grants:

Government Grants including non-monetary grants at fair value, are recognized only when there is reasonable assurance that the entity will comply with the conditions attaching to them and the grants will be received. The grants are recognized in profit or loss on a systematic basis over the periods in which the entity recognizes as expenses the related costs which the grants are intended to compensate.

Government grants relating to assets are presented by setting up the grant as deferred income and are credited to profit or loss on systematic basis over the useful lives of the related assets.

### r) Provisions and Contingent Liabilities:

#### i) Provision

Provision is recognized when the company has a present legal or constructive obligation as a result of past events,

## NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021 (CONTD)

it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

### ii) Contingent Liabilities:

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability a disclosure is made by way of contingent liability.

### s) Segment Reporting:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

### t) Cash and Cash Equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, deposits held with financial institutions with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown under borrowings in current liabilities in the balance sheet.

### u) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value.

#### i) Financial Assets:

Classification:

The company classifies its financial assets in the following categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those measured at amortized cost

The classification depends on the entity's business model for managing the financial assets and the contractual term of the cash flow.

**Measurement:**

All financial assets are initially recognized at fair value and are subsequently measured at amortized cost or fair value based on their classification.

Transaction costs arising on acquisition of a financial asset are accounted as below:

Nature of instrument	Treatment of transaction cost
Designated as Fair value through profit and loss	Recognized in profit and Loss Statement
Other than those designated as Fair value through Profit and Loss	Adjusted against the fair value of the instrument on initial recognition

## NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021 (CONTD)

### **Debt Instruments:**

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset. The following are the measurement categories into which the company classifies its debt instruments.

#### **Amortized cost:**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on debt instrument that is subsequently measured at amortized cost and is not a part of a hedging relationship is recognized in profit or loss when the asset is de-recognized or impaired. Interest income on these financial assets is included in finance income using effective interest rate method.

#### **Fair Value through Other Comprehensive Income and Fair Value through profit/loss:**

Assets that do not meet the criteria for measurement at amortized cost are measured at Fair value through other comprehensive income unless the company elects the option to measure the same at fair value through profit or loss to eliminate an accounting mismatch.

### **Equity Instruments:**

The company subsequently measures all investments in equity instruments other than investments in subsidiary companies at fair value. Gain/Loss arising on fair value is recognized in the statement of profit and loss. Dividend from such investments are recognized in profit or loss as other income when the company's right to receive payments is established.

### **Investment in Subsidiary Companies:**

Investments in subsidiary companies are measured at cost less provision for impairment, if any.

### **Trade receivables:**

Trade receivables are measured at amortized cost and are carried at values arrived after deducting allowances for expected credit losses and impairment, if any.

### **Impairment:**

The company accounts for impairment of financial assets based on the expected credit loss model. The company measures expected credit losses on a case to case basis.

### **Derecognition and write-off:**

A financial asset is derecognized only when:

- a) The contractual right to receive the cash flows of the financial asset expires or
- b) The company has transferred the rights to receive cash flows from the financial asset or
- c) The company retains the contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay the cash flows to one or more recipients.

Further a financial asset is derecognized only when the company transfers all risks and rewards associated with the ownership of the assets.

The gross carrying amount of a financial asset is directly reduced and an equal expenditure is recognized when the entity has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. A write-off constitutes a derecognition event.

## NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021 (CONTD)

### ii) Financial Liabilities:

Financial Liabilities are initially recognised at fair value, net of transaction cost incurred. Financial Liabilities are subsequently measured at amortised cost (unless the entity elects to measure it at Fair Value through Profit and Loss Statement to eliminate any accounting mismatch). Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in profit or loss over the period of the liability, using the effective interest method.

Financial Liabilities are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled, or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gain / (loss). Financial Liabilities are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

#### a. Financial Assets and Liabilities not carried at Fair Values:

The management considers that the carrying amount approximates the fair value in respect of financial assets and financial liabilities carried at amortized cost, such fair values have been computed using Level 3 inputs.

## NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021 (CONTD)

### b. Assets and Liabilities that are measured at Fair Value on a recurring basis: (₹ in Lakhs)

Description	Fair Value Hierarchy	As at 31 <sup>st</sup> March 2021	As at 31 <sup>st</sup> March 2020
<b>Equity Instruments</b>			
HDFC Bank Limited	Level 1	283.79	163.76

Suryadev Alloys and Power Private Limited	Level 3	0.82	0.82
<b>Total</b>		<b>292.99</b>	<b>169.10</b>

Fair Value Hierarchies as per Indian Accounting Standard 114 – Fair Value measurement:

**Level 1:** Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date. The asset included in this hierarchy are listed equity shares that are carried at fair value using the closing prices of such instruments as at the close of the reporting period.

**Level 2:** : Level 2 hierarchy uses inputs that are inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly. As on the balance sheet date there were no assets or liabilities for which the fair values were determined using Level 2 hierarchy.

**Level 3:** Level 3 hierarchy uses inputs that are unobservable for determination of fair value. Level 3 inputs were used in determination of fair value of investment in unquoted equity shares.

There were no transfers between fair value hierarchies during the reported years. The company's policy is to recognize transfers in and transfers out of fair value hierarchy levels as at the end of the reporting period.

### 38. Financial Assets Risk Management:

The company is exposed to risks in the form of Market Risk, Liquidity Risk, and Credit Risk. The risk management policies of the company are monitored by the board of directors. The nature and extent of risks have been disclosed in this note.

#### a) Market Risk

The risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

##### i) Currency Risk:

The company has foreign currency receivable and payables denominated in currency other than INR exposing the company to currency risk. The company's significant foreign currency exposures at the end of the reporting period expressed in INR is as below:

(₹ in Lakhs)

Particulars	As at 31 <sup>st</sup> March 2021			As at 31 <sup>st</sup> March 2020

## NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021 (CONTD)

The Company is exposed to foreign currency risk as it does not hold any forward contracts for hedging the risk. Any weakening in the functional currency might increase the cost of imports.

### Sensitivity Analysis

The sensitivity of profit or loss and equity to changes in the USD exchange rate arises mainly from foreign currency denominated financial instruments as disclosed above and has been computed in assuming an 5% increase or decrease in the exchange rate

(₹ in Lakhs)

	Impact on Profit after Tax*		Impact on Equity*

INR/ JPY decreases by 5%	(3.16)	0.31	(3.16)	0.31

\*Holding all other variable constant. In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

### ii) Interest Rate Risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company has availed loans at floating interest rate exposing the company to interest rate risk. The company has not hedged its interest rate risk using interest rate swaps and is exposed to the risk. The total exposure of the company to interest rate risks at the balance sheet date has been disclosed below:

(₹ in Lakhs)

	As at 31 <sup>st</sup> March 2021		As at 31 <sup>st</sup> March 2020	
	INR	%	INR	%
Variable Rate Borrowings	14,406.68	65.99	13,145.89	79.65

<b>Total</b>	<b>21,831.05</b>	<b>100.00</b>	<b>16,502.96</b>	<b>100.00</b>

### Sensitivity Analysis:

The sensitivity to the changes in the interest rate have been determined by assuming that the amount of liability as at the end of the reporting period was outstanding throughout the year. A 50-basis point's fluctuation has been used to demonstrate the sensitivity of profit or loss and equity to interest rate holding all other variables constant.

### iii) Equity Price Risk:

Investments in equity instruments of the subsidiary companies are not held for trading and are carried at cost, hence are not exposed to equity price risk. The company holds certain investments in equity instruments that are quoted in stock exchanges and such investments are designated as measured at fair value through profit and loss statement exposing the company to equity price risk. Exposure to Equity price risk was INR ₹ 292.18 lacs (INR ₹ 168.28 lacs).

### d) Liquidity Risk:

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The company has obtained fund and non-fund based working capital limits from various bankers which is used to manage the liquidity position and meet obligations on time.

Maturity Analysis of Non-Derivative Financial Liabilities: (₹ in Lakhs)

<b>Total</b>	<b>28,453.71</b>	<b>8,521.95</b>	<b>36,975.66</b>

### c) Credit Risk:

Credit Risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The management evaluates the Credit Risk of individual financial assets at each reporting date. An expected credit loss is recognized if the Credit Risk has increased significantly since the initial recognition of the financial instrument. In general, the Company assumes that there has been a significant increase in Credit Risk since initial recognition if the amounts are 30 days past due from the initial or extended due date. However, in specific cases the Credit Risk is not assessed to be significant even if the asset is due beyond a period of 30 days depending on the credit history of the customer with the Company and business relation with the customer. A default on a financial asset is when the counter party fails to make contractual payments within 1 year from the date they fall due from the initial or extended due date. The definition of default is adopted given the industry in which the entity operates.

Write off of Financial Assets:

To the extent a financial asset is irrecoverable, it is written off by recognizing an expense in the statement of profit and loss. Such assets are written off after obtaining necessary approvals from appropriate levels of management when it is estimated that there is no realistic probability of recovery and the amount of loss has been determined. Subsequent recoveries, if any of amounts previously written off are recognized as an income in the statement of profit and loss in the period of recovery.

The company considers the following to be indicators of remote possibility of recovery:

- The counterparty is in continuous default of principal or interest payments

## NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021 (CONTD)

- b) The counterparty has filed for bankruptcy
- c) The counterparty has been incurring continuous loss during its considerable number its past accounting periods

The company assesses changes in the credit risk of a financial instrument taking into consideration ageing of bills outstanding on the reporting date, responsiveness of the counterparty towards requests for payment, forward looking information including macroeconomic information and other party specific information that might come to the notice of the company. In general, it is assumed that the counterparty continues his credit habits in future.

During the year 2017-18, the company wrote off ₹2,854.06 Lakhs of Trade Receivables and ₹12,337.79 Lakhs of loan receivable from Ucal Holding Inc., (Previously Amtec Precision Products Inc), wholly owned subsidiary. The company is awaiting approval from RBI for the said write off.

The company does not hold any security/collateral against its trade receivables, lease receivables, loans, and deposits.

Credit Exposures:

The company categories the financial assets into following classes based on credit risk:

Grade	Description	Extent of Loss recognized
A	High Quality Asset, the risk of default is negligible or nil	12 month expected Credit Loss
B	Standard Asset, the risk of default is low and the counterparty has sufficient financial strength to meet the obligations	12 month expected Credit Loss
C	Low Quality Asset, the risk of default is considerable and there has been a significant increase in the credit risk since initial recognition	Life Time Expected Credit Losses
D	Possibility of recovery is negligible and the asset is written off	Asset is written off

### 39. Capital Management:

The company manages its capital to ensure the continuation of going concern, to meet the funding requirements and to maximize the return to its equity shareholders. The company is not subject to any capital maintenance requirement by law. Capital budgeting is being carried out by the company at appropriate intervals to ensure availability of capital and optimization of balance between external and internal sources of funding. The capital of the company consists of equity shares and accumulated internal accruals. Changes in the capital have been disclosed with additional details in the Statement of Changes in Equity.

The company's objectives when managing capital are to

- Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefit for other stakeholders, and
- Maintain an optimal capital structure to reduce the cost of capital.

The company monitors capital on the basis of the following gearing ratio: Net Debt (Total borrowings net of cash and cash equivalents) divided by Total 'Equity' (as shown in the balance sheet). The company strategy is to maintain an optimum gearing ratio. The gearing ratios were as follow:

Significant Assumptions made for the valuation of Defined benefit Obligations include:

Assumptions	As at 31 <sup>st</sup> March 2021	As at 31 <sup>st</sup> March 2020
	%	%
Discount Rate	6.45%	7.60%
Salary Growth Rate	5.00%	5.00%
Mortality Rate (% of IALM 06-08)	100.00%	100.00%
Attrition Rate	8.00%	8.00%

### Risk Exposure:

Valuations of defined employee benefit obligations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary over time. Thus, the company is exposed to various risks in providing the above gratuity benefit which are as follows:

In addition to Interest Rate risk and liquidity risk explained in the Note No. 38 the company is also exposed to the below risks on account of valuation of defined benefit obligations:

- Salary Escalation Risk:** The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
- Demographic Risk:** The company has used certain mortality and attrition assumptions in valuation of the liability. The company is exposed to the risk of actual experience turning out to be worse compared to the assumptions.
- Regulatory Risk:** Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity payout).
- Investment Risk:** The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

# Consolidated Financial Statements

**INDEPENDENT AUDITORS' REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2021****TO THE MEMBERS OF M/S UCAL FUEL SYSTEMS LIMITED****Report on the audit of Consolidated IndAS Financial Statements****Opinion**

We have audited the accompanying Consolidated Ind AS Financial Statements of M/s. UCAL FUEL SYSTEMS LIMITED ("hereinafter referred to as the holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the group") comprising the Consolidated Balance Sheet as at March 31, 2021 the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Statement of Consolidated Cash Flows for the year ended on that date and Notes to the Consolidated Financial Statements, including a summary of the Significant Accounting Policies and other explanatory information (hereinafter referred to as 'the Consolidated Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the group as at March 31, 2021, the Consolidated Profit (Including Other Comprehensive Income), the Consolidated changes in Equity, and its Consolidated cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter**

We draw attention to:

- i. Note 34 (c) forming part of the financial statements for the year in connection with the non-availability of RBI approval for writing off made during the year 2017-18 in respect of Trade receivable and Loan receivable aggregating to ₹15,191.85 Lakhs due from foreign subsidiary (UCAL Holdings Inc., formerly Amtec Precision Products Inc.,)

Our opinion on the financial statements is not modified in respect of the above matter.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Response to Key Audit Matters
<p>1. Evaluation of uncertain tax positions</p> <p>The company has material uncertain tax positions including matters under dispute which involved significant judgement to determine the possible impact arising from the outcome of these disputes.</p> <p>Refer Note 40 to the consolidated financial statements</p>	<p>Principal Audit Procedures</p> <p>We have carried out the validation of the information provided by the management by performing the following procedures:</p> <ul style="list-style-type: none"> <li>- Evaluating reasonableness of the underlying assumptions</li> <li>- Examining the relevant documents on record</li> <li>- Relying on relevant external evidence available including legal opinion, relevant judicial precedents and industry practices</li> <li>- Getting management confirmation wherever necessary</li> </ul>

### Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information in the Annual Report, comprising of the Director's report and its annexures, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that if there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including accounting standards specified under section 133 of the Act.

The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such auditor remains responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and quantitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other Matters

- (a) Financial statements / financial information of M/s. Ucal Holdings Inc., (Previously known as Amtec Precision Products Inc.,) a wholly owned foreign subsidiary, whose financial statements / financial information reflect total assets of ₹18,197.44 lakhs as at March 31<sup>st</sup> 2021, total revenues of ₹19,186.32 lakhs and net loss after tax amounting to ₹501.72 lakhs for the year ended on that date, as considered in the consolidated financial statements were not audited by us. The financial information has been audited by another auditor whose reports have been furnished to us by the Management. The financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in the United States of America ("USA") and which have been audited by other auditor under generally accepted auditing standards applicable in that country. The Company's management has converted the financial statements from accounting principles generally accepted in USA to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Company's management. Our opinion in so far as it relates to the balances and affairs of this subsidiary is based on the report of other auditor and the conversion adjustments prepared by the management of the Company and audited by us.
- (b) Financial statements / financial information of M/s. UCAL Polymer Industries Limited, a wholly owned subsidiary, whose financial statements / financial information reflect total assets of ₹6,786.31 lakhs as at March 31<sup>st</sup>, 2021, total revenues from operations of ₹3,832.21 lakhs and net loss after tax amounting to ₹55.79 lakhs for the year ended on that date, as considered in the consolidated financial statements were audited by us.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

#### Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31<sup>st</sup> March, 2021 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on 31<sup>st</sup> March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act
- (f) With respect to the adequacy of internal financial controls over financial reporting of the Holding Company and the Subsidiary incorporated in India and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'.

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the companies of the Group, incorporated in India, to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group– Refer Note 39 to the consolidated financial statements.
- ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiary company incorporated in India.

## Annexure A to Independent Auditors' Report – 31<sup>st</sup> March 2018

### Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of subsection 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the Consolidated Ind AS Financial Statements of the company as of and for the year ended March 31, 2021, we have audited the Internal Financial Controls Over Financial Reporting of UCAL FUEL SYSTEMS LIMITED ('the Holding Company') and its Subsidiary Company, which is a company incorporated in India, as of that date.

#### Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the of the Holding company, its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Group Company's Internal Financial Controls Over Financial Reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls Over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls System Over Financial Reporting and their operating effectiveness. Our audit of Internal Financial Controls Over Financial Reporting included obtaining an understanding of Internal Financial Controls Over Financial Reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of Internal Control based on the assessed risk. The procedures selected depend on the Auditors' judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls System Over Financial Reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Holding Company and its Subsidiary incorporated in India have maintained, in all material respects, an adequate Internal Financial Controls System Over Financial Reporting and such Internal Financial Controls Over Financial Reporting were operating effectively as at March 31, 2021, based on the Internal Control Over Financial Reporting criteria established by the Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021

### 1. Significant Accounting Policies:

The accounting policies mentioned herein are relating to the consolidated financial statements of the group.

#### a) Brief Description of the Group:

UCAL Fuel Systems Limited, Parent Company, is a Public Limited Company incorporated in India under the Companies Act, 1956 and its registered office is located in Chennai, Tamil Nadu. The shares of the Company are listed on the National Stock Exchange Limited and BSE Limited. The group offers comprehensive fuel management systems for automotive sector. The group has manufacturing facilities in India and United States of America.

#### b) Statement of Compliance:

The Financial Statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (The Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act as amended from time to time.

#### c) Basis of Preparation:

The Financial Statements have been prepared on the historical cost convention under accrual basis of accounting except for certain financial assets and liabilities described in more detail in the accounting policies below, which have been measured at fair value. The Financial Statements are prepared on a going concern basis. The Financial Statements are prepared in Indian Rupees which is the group's functional currency.

#### d) Basis of Consolidation:

The Consolidated Financial Statements of the group include the Financial Statements of the parent group and its subsidiaries. The parent Company has control over the subsidiaries as it is exposed, or has rights, to variable returns from its involvement with the investee; and has the ability to affect its returns through its power over the subsidiaries.

Consolidation of a subsidiary begins when the Parent Company obtains control over the subsidiary and ceases when the parent loses control of the subsidiary. Adjustments are made to the Financial Statements of subsidiaries, as and when necessary, to bring their accounting policies into line with the group's accounting policies.

#### Principles of Consolidation:

- The Consolidated Financial Statements have been prepared in accordance with Indian Accounting Standard 110 (IndAS 110) "Consolidated Financial Statements", under Section 133 of the Companies Act, 2013.
- The Consolidated Financial Statements of the group have been combined on a line by line basis by adding together like items of assets, liabilities, income and expenses. The intra-group balances and intra group transactions and unrealized profits have been fully eliminated.
- The difference between the cost of Investment in the subsidiaries, over the net assets at the time of acquisition of shares in the subsidiaries is recognized in the Consolidated Financial Statements as goodwill or capital reserve as the case may be.
- The following are the subsidiaries considered in the Consolidated Financial Statements:

S. No	Subsidiary	Country of Incorporation	% of ownership interest	
			31-Mar-2021	31-Mar-2020
1.	UCAL Polymer Industries Limited	India	100%	100%
2.	UCAL Holdings Inc (FKA. Amtec Precision Products Inc.)	USA	100%	100%
3.	UPIL USA Inc. *	USA	100%	100%
4.	UCAL Systems Inc. (FKA. North-American Acquisition Corporation) **	USA	100%	100%
5.	Amtec Moulded Products Inc. **	USA	100%	100%

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021

\*\* Wholly owned by UCAL Holdings Inc (FKA Amtec Precision Products Inc.)

### e) Use of Estimates:

The preparation of Financial Statements requires management to make certain estimates and assumptions that affect the amounts reported in the Financial Statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future period.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the Financial Statements.

The areas where significant estimates were made by the management are:

- i) Defined employee benefit obligations- Refer Note No 36
- ii) Estimation of useful life of Property, Plant and Equipment Refer Note No 1(j) and Note No 1(k)
- iii) Estimation and evaluation of provisions and contingencies relating to tax litigations Refer Note No 39
- iv) Recoverability/Recognition of Deferred Tax Assets Refer Note No 32.
- v) Estimation of uncertainty relating to global health pandemic- COVID 19

In Order to contain the COVID-19 pandemic, the global governments have declared public lockdowns during the FY 2020-21 affecting regular operation of the production facilities of the Group during the initial part of the year causing an adverse impact on the revenue and profit for the FY 2020-21. However, the Group has reopened its facilities and resumed regular operations after withdrawal of lockdowns. The Group has considered the possible effects that may result from the pandemic on the carrying amounts of property, plant and equipment, receivables, inventories and other assets.

#### vi) Significant judgement made by Group management-

- a) Treatment of provision for impairment in investment as business loss

Based on expert opinion and legal precedents in this regard, group has treated provision created in the FY 2019-20 towards Impairment of investment in Ucal Holding Inc. wholly owned foreign subsidiary as business loss for income tax purposes. Accordingly, group has created deferred tax asset for the aforesaid tax loss in the FY 2020-21 in line with the income tax return.

The areas where Recent Accounting Developments made by the management are:

- i) On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Schedule III of Companies act, 2013 are:

#### A. Balance Sheet:

- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021

- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.
- Disclosures in respect of certain ratios including capital adequacy ratio and liquidity coverage ratio.

### B. Statement of profit and loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements. The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

### f) Current and Non-Current Classification:

The group presents assets and liabilities in the balance sheet based on current / non-current classification.

Cash or cash equivalent is treated as current, unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. In respect of other assets, it is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period.

All other assets are classified as non-current. A liability is treated as current when:

- It is expected to be settled in the normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities, as the case may be.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The group has identified twelve months as its operating cycle.

### g) Revenue Recognition:

A revenue contract with the customer is accounted for only when the contract has been approved, the payment terms for the goods or services is identifiable, each party's rights regarding the goods or services is identifiable, the contract has commercial substance and it is probable that the entity will collect the amount of consideration.

#### Sale of Products:

Revenue is recognized when the Control of goods are transferred to a customer at an amount equal to the transaction price.

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021

### Interest Income:

Interest income from debt instruments is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset. While calculating the effective interest rate, the group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

### Dividend Income

Dividends are recognized in profit or loss only when the right to receive payment is established and the amount of dividend can be reliably measured.

### Rental Income:

Rental Income from operating leases is recognized on a straight-line basis over the lease term.

### h) Cost Recognition:

Costs and Expenses are recognized when incurred and are classified according to their nature.

### i) Property, Plant and Equipment:

All items of Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation / amortization and Impairment, if any. Cost includes purchase price, taxes and duties, labour cost and directly attributable overheads incurred up to the date the asset is ready for its intended use. However, cost excludes duty or tax to the extent credit of the duty or tax is availed of.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to Profit or Loss during the reporting period in which they are incurred. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

### j) Depreciation and Amortization:

i) Depreciation on property plant and equipment is charged over the estimated useful life of the asset or part of the asset, on straight line method, in accordance with the useful lives estimated by local managements.

ii) The useful life of various class of property plant and Equipment are as provided below:

Class of Asset	Useful Life
Leasehold Land	Term of Lease
Leasehold Improvements	Lower of term of lease and respective useful lives
Buildings	10-30 years
Plant and Machinery	5-20 years
Electrical Equipment	10 years
Furniture and Fixtures	10 years
Office Equipment	3-5 years
Vehicles	3-5 years

iii) Residual values and useful lives are reviewed, and adjusted, if appropriate, for each reporting period.

iv) On tangible fixed assets added / disposed-off during the year, depreciation is charged on pro-rata basis from the date of addition / till the date of disposal.

## k) Intangible Assets

### Purchased Intangible Assets:

Intangible assets are recognized as an asset if they meet the criteria for recognition under IndAS 38. Intangible assets are recorded at cost less accumulated depreciation and accumulated Impairment, if any.

Amortization is provided on a straight-line basis over estimated useful lives of the intangible assets as per details below:

Class of Asset	Useful Life
Software	Up to 3 years
Technological Know how	Up to 10 years

The amortization period for intangible assets with finite useful lives is reviewed at least at each year-end. Changes in expected useful lives are treated as changes in accounting estimates.

### Internally generated intangible assets:

Research costs are charged to the Statement of Profit and Loss in the year in which they are incurred. Product development costs incurred on new products are recognized as intangible assets, when feasibility has been established, the entity has committed technical, financial and other resources to complete the development and it is probable that asset will generate probable future economic benefits.

## l) Leases:

Effective 1st April 2019, the group has applied Ind AS 116 on Lease Accounting. Ind AS 116 replaces Ind AS 17.

The group has chosen the practical expedient provided by the standard to apply Ind AS 116 only to contracts that were previously identified as leases under Ind AS 17 and therefore has not reassessed whether a contract is or contains a lease at the date of initial application. Consequently, the application of the standard has no transition impact.

The group, as a lessee, recognises, at inception of a contract, a lease if the contract conveys the right to control the use of an identified assets for a period of time in exchange for consideration.

At the date of commencement of the lease, the group recognizes a right-of-use ("ROU") assets representing its right to use the underlying assets for the lease term and a lease liabilities for all lease arrangements in which it is a lessee except for leases with a term of 12 months or less (short term leases) and leases for which the underlying assets is of low value. For such short term and assets of low value leases, the group recognizes the lease payment as an expense on a straight line basis over the term of the lease.

At commencement date, the ROU assets is measured at cost. The cost of the ROU assets measured at inception shall comprise of the amount of the initial measurement of the lease liabilities adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred. The ROU assets are subsequently measured at cost less any accumulated depreciation, accumulated Impairment losses, if any.

The ROU assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of ROU asset. The estimated useful lives of ROU assets are determined on the same basis as those of PPE. Right-of-use assets are tested for Impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognized in the statement of profit and loss.

At the commencement date, the group measures the lease liabilities at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the group's incremental borrowing rate.

Lease liabilities and ROU assets are separately presented in the Balance Sheet. Lease payments are classified as financing cash flows while short-term lease payments, payment for leases of low value assets are classified within operating activities.

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021

### m) Impairment:

Assets are tested for Impairment when events or changes in circumstances indicate that the carrying amount may not be recoverable. An Impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing Impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

### n) Foreign Currency Translation:

#### (i) Functional and presentation currency

Items included in the Financial Statements are measured using the currency of the primary economic environment in which the Company operates ('The Functional Currency'). i.e in Indian Rupee (₹) and all values are rounded off to nearest Lakhs except otherwise indicated.

#### (ii) Transactions and Balances

- Transactions in foreign currencies are recorded at the spot exchange rates prevailing on the date of transaction.
- Foreign currency monetary assets and liabilities are translated at year end exchange rates.
- Non-monetary items denominated in foreign currency are valued at the exchange rate prevailing on the date of transaction if the item is valued at historical cost.
- Non-monetary items that are measured at fair value in foreign currency are translated using the exchanges rates at the date when the fair value is measured.
- Exchange differences arising on settlement of transactions and translation of monetary items are recognized as income or expense in the year in which they arise.

#### (iii) Translation of Financial Statements of Overseas Subsidiaries

The results and financial position of an entity whose functional currency is not Indian Rupees have been translated to the presentation currency using the following procedures:

- Assets and liabilities for each balance sheet presented (i.e., including comparatives) shall be translated at the closing rate at the date of the balance sheet.
- Income and expenses for each statement of profit and loss presented have been translated at average exchange rates that prevailed during the year for practical reasons
- All resulting exchange differences have been recognized in other comprehensive income.

### o) Inventories:

Inventories are valued at the lower of cost and net realisable value. Cost of raw materials, components, stores, spares, Work-in-Progress and Finished Goods are ascertained on a weighted average basis. Cost of Finished Goods and working-progress comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Costs of purchased inventory are determined after excluding rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Materials and supplies held for use in production of inventories are not written down if the finished products in which they will be used are expected to be sold at or above cost.

**p) Employee Benefits:**

**i) Short Term Obligations:**

Liabilities for wages, salaries and bonuses, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the year in which the employees render the related service are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented under other financial liabilities in the balance sheet.

**ii) Long term Post-employment obligation:**

The Company has the following post-employment benefit obligations:

- a) Defined benefit gratuity plans; and
- b) Defined contribution plans such as provident fund, pension plans

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The net defined benefit obligation is valued annually by an independent actuary using the projected unit credit method.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included under finance cost in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they arise, directly in other comprehensive income and are adjusted against retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

Liabilities towards all defined contribution plans are recognized as expenses in the respective years of accrual.

**iii) Other Long-Term Employee Benefits:**

Liabilities for compensated absences are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are, therefore, measured at the present value of the expected future payments that has accrued to the employees in accordance with the Company's policy for compensated absences. The benefits are discounted using an appropriate discount rate and are estimated using the projected unit credit method by an independent actuary. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in other comprehensive income. The obligation is classified as current and non-current based on the policy stated in the notes.

**q) Taxes on Income:**

Tax expense comprises of current and deferred taxes.

The current tax for the period is the tax payable on the current period's taxable income computed in accordance with the Income Tax Act, 1961 applying the enacted income tax rate applicable. The current tax expense includes income tax payments relating prior periods.

Deferred income tax is recognized using the balance sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Financial Statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period.

Deferred tax assets are recognized for carryforward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profits will be available to utilize those unused tax credits and losses.

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same tax jurisdiction. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

Where the group is entitled to claim special tax deductions towards qualifying expenditure (Research and Development), the group accounts for such allowances as tax credits reducing income tax payable and current tax expense.

The carrying amounts of deferred tax assets are reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient tax profits arise for their utilization.

### r) Government Grants:

Government Grants including non-monetary grants at fair value, are recognized only when there is reasonable assurance that the entity will comply with the conditions attaching to them and the grants will be received. The grants are recognized in profit or loss on a systematic basis over the periods in which the entity recognizes as expenses the related costs which the grants are intended to compensate.

Government grants relating to assets are presented by setting up the grant as deferred income and are credited to profit or loss on systematic basis over the useful lives of the related assets

### s) Provisions and Contingent Liabilities:

#### i) Provision

Provision is recognized when the group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

#### ii) Contingent Liabilities:

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability a disclosure is made by way of contingent liability.

### t) Segment Reporting:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

### u) Cash and Cash Equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, deposits held with financial institutions with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and Bank overdrafts. Bank overdrafts are shown under borrowings in current liabilities in the balance sheet.

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021

### v) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value.

#### i) Financial Assets:

##### Classification:

The group classifies its financial assets in the following categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those measured at amortized cost

The classification depends on the entity's business model for managing the financial assets and the contractual term of the cash flow.

##### Measurement:

All financial assets are initially recognized at fair value and are subsequently measured at amortized cost or fair value based on their classification.

Transaction costs arising on acquisition of a financial asset are accounted as below:

Nature of instrument	Treatment of transaction cost
Designated as Fair value through profit and loss	Recognized in profit and Loss Statement
Other than those designated as Fair value through Profit and Loss	Adjusted against the fair value of the instrument on initial recognition

#### Debt Instruments:

Subsequent measurement of debt instruments depends on the group's business model for managing the asset and the cash flow characteristics of the asset. The following are the measurement categories into which the group classifies its debt instruments.

##### Amortized cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on debt instrument that is subsequently measured at amortized cost and is not a part of a hedging relationship is recognized in profit or loss when the asset is derecognized or impaired. Interest income on these financial assets is included in finance income using effective interest rate method.

Fair Value through Other Comprehensive Income and Fair Value through profit/loss:

Assets that do not meet the criteria for measurement at amortized cost are measured at Fair value through Other comprehensive income unless the group elects the option to measure the same at fair value through profit or loss to eliminate an accounting mismatch.

#### Equity Instruments:

The group subsequently measures all Investments in equity instruments at fair value. Gain/Loss arising on fair value is recognized in the statement of profit and loss. Dividend from such Investments are recognized in profit or loss as other income when the group's right to receive payments is established.

#### Trade receivables:

Trade receivables are measured at amortized cost and are carried at values arrived after deducting allowances for expected credit losses and Impairment, if any.

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021

### **Impairment:**

The group accounts for Impairment of financial assets based on the expected credit loss model. The group measures expected credit losses on a case to case basis.

### **Derecognition and write-off:**

A financial asset is derecognized only when:

- a) The contractual right to receive the cash flows of the financial asset expires or
- b) The group has transferred the rights to receive cash flows from the financial asset or
- c) The group retains the contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay the cash flows to one or more recipients.

Further a financial asset is derecognized only when the group transfers all risks and rewards associated with the ownership of the assets.

The gross carrying amount of a financial asset is directly reduced and an equal expenditure is recognized when the entity has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. A write-off constitutes a derecognition event.

### **ii) Financial Liabilities:**

Financial Liabilities are initially recognised at fair value, net of transaction cost incurred. Financial Liabilities are subsequently measured at amortised cost (unless the entity elects to measure it at Fair Value through Profit and Loss Statement to eliminate any accounting mismatch). Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in profit or loss over the period of the liability, using the effective interest method.

Financial Liabilities are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gain / (loss). Financial Liabilities are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

### **w) Investment Property**

Investment property is property held to earn rentals or for capital appreciation or both, rather than for:

- a) Use in the production or supply of goods or services or for administrative purposes; or
- b) Sale in the ordinary course of business

Investment properties are measured and presented at cost. Depreciation is calculated in accordance with IndAS 16 Property, Plant and Equipment on straight-line basis. Useful life and depreciation method is reviewed on an annual basis in line with the requirements of the accounting standards.

#### A. Financial Assets and Liabilities not carried at Fair Values:

The Management considers that the carrying amount approximates the fair value in respect of Financial Assets And Financial Liabilities carried at amortized cost, such fair values have been computed using Level 3 inputs.

#### B. Assets and Liabilities that are measured at Fair Value on a recurring basis: (₹ in Lakhs)

Description	Fair Value Hierarchy	As at 31 <sup>st</sup> March 2021	As at 31 <sup>st</sup> March 2020
<b>Equity Instruments</b>			
HDFC Bank Limited	Level 1	283.79	163.76
The Karnataka Bank Limited	Level 1	2.26	1.42
IDBI Bank Ltd	Level 1	6.01	3.01
Union Bank of India(Erst, Corporation bank)	Level 1	0.11	0.09
Suryadev Alloys and Power Private Limited	Level 3	0.82	0.82
<b>Total</b>		<b>292.99</b>	<b>169.10</b>

Fair Value Hierarchies as per Indian Accounting Standard 114 – Fair Value measurement:

**Level 1:** Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date. The asset included in this hierarchy are listed equity shares that are carried at fair value using the closing prices of such instruments as at the close of the reporting period.

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021

**Level 2:** Level 2 hierarchy uses inputs that are inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly. As on the balance sheet date there were no assets or liabilities for which the fair values were determined using Level 2 hierarchy.

**Level 3:** Level 3 hierarchy uses inputs that are unobservable for determination of fair value. Level 3 inputs were used in determination of fair value of Investment in unquoted equity shares.

There were no transfers between fair value hierarchies during the reported years. The group's policy is to recognize transfers in and transfers out of fair value hierarchy levels as at the end of the reporting period.

### 35. Financial Assets Risk Management:

- The group is exposed to risks in the form of Market Risk, Liquidity Risk and Credit Risk. The risk management policies of the group are monitored by the board of directors. The nature and extent of risks have been disclosed in this note.
- Market Risk

The risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: **currency risk, interest rate risk and other price risk.**

#### I. Currency Risk:

The group has foreign currency receivable and payables denominated in currency other than the functional currency of the respective components exposing the group to currency risk. The group's significant foreign currency exposures at the end of the reporting period expressed in INR is as below:

(₹ in Lakhs)

Particulars	As at 31 <sup>st</sup> March 2021			As at 31 <sup>st</sup> March 2020		
Currency	EUR	USD	JPY	EUR	USD	JPY
<u>Financial Assets</u>						
Trade Receivables	238.45	8.13	166.95	240.72	-	27.11
Total (A)	238.45	8.13	166.95	240.72	-	27.11
<u>Financial Liabilities</u>						
Trade Payables	-	59.99	120.46	-	270.41	108.84
Total (B)	-	59.99	120.46	-	270.41	108.84
Net Exposure (A) – (B)	238.45	(51.86)	46.49	240.72	(270.41)	(81.73)

The group is exposed to foreign currency risk as it does not hold any forward contracts for hedging the risk. Any weakening in the functional currency might increase the cost of imports and borrowing cost towards buyer's credit.

#### Sensitivity Analysis

The sensitivity of profit or loss and equity to changes in the USD exchange rate arises mainly from foreign currency denominated financial instruments as disclosed above and has been computed in assuming a 5% increase or decrease in the exchange rate:

(₹ in Lakhs)

Particulars	Sensitivity of profit after tax and equity					
	As at 31 <sup>st</sup> March 2021			As at 31 <sup>st</sup> March 2020		
Changes In exchange Rate	EUR	USD	JPY	EUR	USD	JPY
Increase in 5%	7.94	(1.72)	1.54	11.92	(13.34)	(4.06)
Decrease in 5%	(7.94)	1.72	(1.54)	(11.92)	13.34	4.06

\*Holding all other variable constant. In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021

### II. Interest Rate Risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The group has availed loans at floating interest rate exposing the group to interest rate risk. The group has not hedged its interest rate risk using interest rate swaps and is exposed to the risk. The total exposure of the group to interest rate risk as at the balance sheet date has been disclosed below:

(₹ in Lakhs)

	As at 31 <sup>st</sup> March 2021		As at 31 <sup>st</sup> March 2020	
	INR	%	INR	%
Variable Rate Borrowings	19,330.15	72.25	15,317.51	71.47
Fixed Rate Borrowings	7,424.37	27.75	6,116.01	28.53
<b>Total</b>	<b>26,754.52</b>	<b>100.00</b>	<b>21,433.52</b>	<b>100.00</b>

### Sensitivity Analysis:

The sensitivity to the changes in the interest rate have been determined by assuming that the amount of liability as at the end of the reporting period was outstanding throughout the year. A 50-basis points fluctuation has been used to demonstrate the sensitivity of profit or loss and equity to interest rate holding all other variables constant

(₹ in Lakhs)

	Impact on Profit after tax and Equity	
	Year ended 31 <sup>st</sup> March 2021	Year ended 31 <sup>st</sup> March 2020
Interest rate increases by 50 bps	(64.38)	(32.63)
Interest rate decreases by 50 bps	64.38	32.63

### III. Equity Price Risk:

Investments in equity instruments of the subsidiary group companies are not held for trading and are carried at cost, hence are not exposed to equity price risk. The group holds certain Investments in equity instruments that are quoted in stock exchanges and such Investments are designated as measured at fair value through profit and loss statement exposing the group to equity price risk. Exposure to Equity price risk was ₹292.18 Lakhs (₹168.28 Lakhs).

### Sensitivity Analysis:

(₹ in Lakhs)

	Impact on Profit and Equity As at 31 <sup>st</sup> March 2021 *	Impact on Profit and Equity As at 31 <sup>st</sup> March 2020 *
5% increase in Equity Prices	14.60	8.42
5% Decrease in Equity Prices	(14.60)	(8.42)

\*Before tax

### IV. Liquidity Risk:

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The group has obtained fund and non-fund based working capital limits from various Bankers which is used to manage the liquidity position and meet obligations on time.

### V. Credit Risk:

Credit Risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The management evaluates the Credit Risk of individual financial assets at each reporting date. An expected credit loss is recognized if the Credit Risk has increased significantly since the initial recognition of the financial instrument. In general, the group assumes that there has been a significant increase in Credit Risk since initial recognition if the amounts are 30 days past due from the initial or extended due date. However, in specific cases the Credit Risk is not assessed to be significant even if the asset is due beyond a period of 30 days depending on the credit history of the customer with the group and business relation with the customer. A default on a financial asset is when the counter party fails to make contractual payments within 1 year from the date they fall due from the initial or extended due date. The definition of default is adopted given the industry in which the entity operates.

#### Write off of Financial Assets:

To the extent a financial asset is irrecoverable, it is written off by recognizing an expense in the statement of profit and loss. Such assets are written off after obtaining necessary approvals from appropriate levels of management when it is estimated that there is no realistic probability of recovery and the amount of loss has been determined. Subsequent recoveries, if any of amounts previously written off are recognized as an income in the statement of profit and loss in the period of recovery.

The group considers the following to be indicators of remote possibility of recovery:

- the counter party is in continuous default of principal or interest payments
- the counter party has filed for Bankruptcy
- the counter party has been incurring continuous loss during its considerable number its past accounting periods

The group assesses changes in the Credit Risk of a financial instrument taking into consideration ageing of bills outstanding on the reporting date, responsiveness of the counter party towards requests for payment, forward looking information including macro economic information and other party specific information that might come to the notice of the group. In general, it is assumed that the counter party continues his credit habits in future.

During the year 2017-18, the Parent Company wrote off ₹2,854.06 Lakhs of Trade Receivables and ₹12,337.79 Lakhs of Loan Receivable from Ucal Holding Inc., (Previously Amtec Precision Products Inc) Wholly Owned Subsidiary. The Parent Company is awaiting approval from RBI for the said write off.

The group does not hold any Security/Collateral against its trade receivables, lease receivables, loans and deposits.

### 36. Capital Management:

The group manages its capital to ensure the continuation of going concern, to meet the funding requirements and to maximize the return to its equity shareholders. The group is not subject to any capital maintenance requirement by law. Capital budgeting is being carried out by the group at appropriate intervals to ensure availability of capital and optimization of balance between external and internal sources of funding. The capital of the group consists of equity shares and accumulated internal accruals. Changes in the capital have been disclosed with additional details in the Statement of Changes in Equity

The Group objectives when managing capital are to

- Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefit for other stakeholders, and
- Maintain an optimal capital structure to reduce the cost of capital.

The company monitors capital on the basis of the following gearing ratio: Net Debt (Total borrowings net of cash and cash equivalents) divided by Total 'Equity' (as shown in the balance sheet). The company strategy is to maintain an optimum gearing ratio. The gearing ratios were as follow:

Particulars	For the year ended 31 <sup>st</sup> March 2021	For the year ended 31 <sup>st</sup> March 2020
i. Net Debt	23,593.26	21,091.91

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2021

Significant Assumptions made for the valuation of Defined benefit Obligations include:

Assumptions	As at 31 <sup>st</sup> March 2021	As at 31 <sup>st</sup> March 2020
	%	%
Discount Rate	6.97%	6.60%
Salary Growth Rate	6.00%	5.00%
Mortality Rate (% of IALM 06-08)	100.00%	100.00%
Attrition Rate	6.50%	8.00%

### Risk Exposure:

Valuations of defined employee benefit obligations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary over time. Thus, the group is exposed to various risks in providing the above gratuity benefit which are as follows:

In addition to Interest Rate risk and liquidity risk explained hereinbefore the group is also exposed to the below risks on account of valuation of defined benefit obligations:

- a. **Salary Escalation Risk:** The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
- b. **Demographic Risk:** The group has used certain mortality and attrition assumptions in valuation of the liability. The group is exposed to the risk of actual experience turning out to be worse compared to the assumptions.
- c. **Regulatory Risk:** In India, gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity payout).
- d. **Investment Risk:** The probability or likelihood of occurrence of losses relative to the expected return on any particular Investment.
