MANAGEMENT DISCUSSION AND ANALYSIS

'Make in India' campaign, has formed an ideal base for India's manufacturing segment, but for sustainable growth India needs to accommodate best prevailing practices followed by established manufacturing countries across world. Today, China world's largest manufacturer is amongst the leading importer of recyclable waste material across the globe. China has a unique proposition of circular economy that starts from procuring recyclable waste into raw material making for its manufacture units. China imports recyclable waste from across the world, converts it into raw material for feeding ever growing demand of its manufacturing sector. It is this cheaper raw material embedded in waste that has over the years provided a unique competitive advantage to China. Almost all the ships with export materials come back with recyclable waste material instead of travelling empty in its reverse journey to China. Recyclable waste materials price is determined through international bidding process, hence generating favourable prices for reverse haulage. For India, a major learning is that massive wealth can be created at Pan India level by transiting recyclable waste into export through formal sector, securing material base and sustain competitive advantage. Hence, circular economy embedded in the overall industry policy should be the focus of 'Make in India' policy. India may also consider such proposition to meet domestic requirement of raw material at much cheaper the price without compromising environment, air, water and land pollution.

Within manufacturing sector, electronic products and application sector need special focus and policy initiative. India today is a leading importer of electronics; government expects demand

for electronics to cross \$400 billion by 2020. On reviewing with the current rate, domestic production by the same time can best reach \$100 billion. Hence India desperately needs measures towards strengthening local manufacturing units with an aim to reduce dependency in electronics manufacturing. In this direction, conversion of domestic reusable waste into raw material has the potential to support manufacturing units by feeding low cost raw material. Prevention of land, water, air through hazardous disposal of e-waste too can save a country from losing a healthy work force.

India is home of a mammoth magnitude of e-waste arising mainly from the abandoned, obsolete or broken electrical or electronic devices and is expected to grow to 15 million MT by 2020 from 3.2 million MT in 2015 consisting of monetary value of recoveries from e-waste to the tune of USD 3 billion (INR 20,000 Crores) and may touch to USD 15 billion (INR 100,000 crore) by 2020. This issue of e-waste has triggered a need for a sound e-waste management in the country. More than the generation of e-waste, the most serious problem is its collection, handling and processing. Mostly resorted to conventional modes of collection by Kabadies or scrap collectors or rag pickers; there does not exist an organized system through which e-waste is collected and disposed, which is endangering ecology. Hence a two-way approach is the need of the time:

(a) Formal training & skilling of Kabadies, Scrap Collectors, Rag Pickers and others who believe waste management is a growing industry and following Rules is the only way to continue

(b) Post training get these waste managers integrated with the formal sector

Being in the lower strata of the socio-economic pyramid, basic skill upgradation of this segment toward managing e-waste can facilitate in curtailing raw material procurement cost at one end and elevating standard of their living on the other. Concerned with the grievous social problem of e-waste, Eco Recycling Ltd, India's only listed corporate entity in the segment has come forward with a resolve to find solutions to this ongoing e-waste problem. Government of India also have initiated 'Skill India Campaign' to train unskilled labours so that they can become self-reliant. Believing the need and to have a strong bridge for communities at large, which are the key source of e-waste generation and the Kabadies, Ecoreco Enviro Education, has initiated training of Kabadies to extend them an opportunity to become part of the formal supply chain. The effort would suffices three major aspects -

- (a) Proper disposal of Hazardous waste, thereby protecting the environment.
- (b) Organised collection without disturbing much the current collection structure.
- (c) Employment generation and better income for the Kabadies.

India needs very detailed policy guidance for circular economy with due recognition toe-waste recycling as an industry, so that it can transit towards an organised form. As a result, favourable policies be introduced and reforms shall be initiated by the government. With all this in place, Indians and India could reap the benefits of lower prices of finished goods, enjoy

positive foreign exchange and save environment.

EPR & CSR tools can play wonderful roles

Globally, there are a few countries, which has Extended Producers' Responsibility (EPR) model in place but there is no other country except India which also has Corporate Social Responsibility (CSR) as a mandatory requirement to spend 2% of profits on certain types of projects which includes waste management and skill development. We are once again, pleased to share that, Ecoreco provides Skill Development & Entrepreneurship Opportunity to the existing e-waste workers and new aspirants besides its core activity of managing e-waste.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy

and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We have conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the company has

in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Basis of Qualified Opinion :

- (i) **We draw attention to Note No. 33 of the "Notes forming part of Standalone Financials Statements" regarding method of accounting of 'Miscellaneous expenditure (to the extent not written off)', which in our opinion is not in accordance with the Accounting Standard 26 "Intangible Assets" aggregating to ₹8,60,076/-**

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us **except for the effects of the matter described in the 'Basis for qualified opinion' paragraph above**, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2017, its Loss and its cash flows for the year ended on that date.

Emphasis of Matter:

We draw attention of the management to the following observations without qualifying our opinion:

- 1) Note 31 of the Notes forming part of Financial Statements regarding holding of equity shares which are currently not being reflected in the Company's De-mat account due to a dispute with "Keynote Capital Limited" and hence Company has not accounted the loss of Rs. 235.16 Lakhs which is considered as fully recoverable by the Management. The Company has assessed the recoverability of these claims based on legal advice. Considering the Contractual tenability and legal advice from Company's counsel in the matter, the management is confident of recovery of the same. In view of Significant uncertainty, the amount of loss for eventual non-recovery of claim made by the company, if any is presently not ascertainable. In the interim company has booked the loss on sale of these shares in the current Financial Year.
- 2) We draw attention to Note 34 of the Notes forming part of Standalone Financial Statements regarding uncertainties in relation to assets purchased from KUD Realtors Pvt. Ltd. due to certain legal disputes.
- 3) Note 15 of the Notes forming part of the standalone Financial Statements regarding valuation of closing stock, The Company has certain inventory items which are non-moving and obsolete. This indicates material uncertainty, that may cast doubts on the recoverability of these Inventories. However, in view of

the management, no provision is required to be made as they are confident of its recoveries.

- 4) Note 11 (B) of the Notes forming part of the standalone Financial Statements regarding Branding Expenses, The Company has capitalised Branding expenses incurred amount to Rs. 652.77 Lakhs as Intangible Assets under Development. However, the same as not in consonance into the principles laid down under As-26 "Intangible Assets". The management is of the view that branding will have a long term benefit.
- 5) Note 11 (C) of the Notes forming part of the standalone Financial Statements regarding Capital work in Progress, Due to prolonged suspension of construction activities of 'E- Waste recycling and Precious metal recovery' project, expenses incurred and capitalized so far on those assets, the physical condition of these assets under construction require technical evaluation to determine impairments or write off, if any. However, in the view of the management, the suspension of construction activities of these assets is temporary in nature and assets under construction are not obsolete, and the company will be able to resume construction activities in the near future and hence no provision is required to be made.
- 6) Note 12 of the Notes forming part of the standalone Financial Statements regarding Non-Current Investment, The market value of the quoted investment as at 31st march, 2017 is Rs. 186.28 lakhs as against the carrying value of Rs. 304.81 lakhs. However, no provision

for the same is made as in view of the management, diminution is temporary in nature. Further in respect of investments in unquoted equity shares amounting to Rs. 141.01 lakhs as at 31st march, 2017, out of which for the investment of Rs. 55 lakhs, audited financial statements are not available of the investee companies. No impairment has been provided for the same in the books of accounts as in view of the management the Quoted & Unquoted investments are long term and strategic in nature and there is no diminution other than temporary in nature. We are unable to ascertain or quantify whether any provision is required to be made for the impairment of these investments.

- 7) Note 13 of the Notes forming part of the standalone Financial Statements regarding Advances recoverable in cash or kind, includes dues outstanding from Shree Ganesh Forgings Ltd. of Rs. 22.50 Lakhs and Chandramouli Silk Mills of Rs. 25 Lakhs. These are outstanding for a long period of time. Absence of recoveries from those parties since several years indicates the existence of material uncertainty that may cast doubt on the recoverability of the advances. However, in view of the management no provision is required as they are proceeding with legal action.
- 8) Note 35 of the Notes forming part of Standalone Financial Statements regarding Balances of some of the trade receivables, trade payables and creditor of expenses, loans and advances (given and taken) and loans are subject to confirmation and reconciliation. The consequential

adjustments if any, arising out of these are not quantifiable.

“ANNEXURE B” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date on the standalone financial statements of Eco Recycling Limited)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Eco Recycling Limited (“the Company”) as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial

Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial

Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our

audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those

policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over

financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We have conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the

internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Holding company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated financial statements.

Basis of Qualified Opinion :

(i) ***We draw attention to Note No. 33 of the "Notes forming part of the Consolidated Financials Statements" regarding method of accounting of 'Miscellaneous expenditure (to the extent not written off)', which in our opinion is not in accordance with the Accounting Standard 26 "Intangible Assets" aggregating to Rs. 8,60,076/-***

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us **except for the effects of the matter described in the 'Basis for qualified opinion' paragraph above**, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the

accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2017, their consolidated loss and their consolidated cash flows for the year ended on that date.

Emphasis of Matter:

We draw attention of the management to the following observations without qualifying our opinion:

- 1) Note 31 of the Notes forming part of Consolidated Financial Statements regarding holding of equity shares which are currently not being reflected in the Company's Demat account due to a dispute with "Keynote Capital Limited" and hence Company has not accounted the loss of Rs. 235.16 Lakhs which is considered as fully recoverable by the Management. The Company has assessed the recoverability of these claims based on legal advice. Considering the Contractual tenability and legal advice from Company's counsel in the matter, the management is confident of recovery of the same. In view of Significant uncertainty, the amount of loss for eventual non-recovery of claim made by the company, if any is presently not ascertainable. In the interim company has booked the loss on sale of these shares in the current Financial Year.
- 2) Note 34 of the Notes forming part of Consolidated Financial Statements regarding uncertainties in relation to assets purchased from KUD Realtors Pvt. Ltd. due to certain legal disputes.
- 3) Note 15 of the Notes forming part of the Consolidated Financial Statements regarding valuation of closing stock, The Company has certain inventory items which are

non-moving and obsolete. This indicates material uncertainty, that may cast doubts on the recoverability of these Inventories. However, in view of the management, no provision is required to be made as they are confident of its recoveries.

- 4) Note 11 (B) of the Notes forming part of the Consolidated Financial Statements regarding Branding Expenses, The Company has capitalised Branding expenses incurred amount to Rs. 652.77 Lakhs as Intangible Assets under Development. However, the same as not in consonance into the principles laid down under AS-26 "Intangible Assets". The management is of the view that branding will have a long term benefit.
- 5) Note 11 (C) of the Notes forming part of the Consolidated Financial Statements regarding Capital work in Progress, Due to prolonged suspension of construction activities of 'E- Waste recycling and Precious metal recovery" project, expenses incurred and capitalized so far on those assets, the physical condition of these assets under construction require technical evaluation to determine impairments or write off, if any. However, in the view of the management, the suspension of construction activities of these assets is temporary in nature and assets under construction are not obsolete, and the company will be able to resume construction activities in the near future and hence no provision is required to be made.
- 6) Note 12 of the Notes forming part of the Consolidated Financial Statements regarding Non-Current Investment, The market value of the quoted investment as at 31st March, 2017 is Rs. 186.28 Lakhs as against

ECO RECYCLING LIMITED

the carrying value of Rs. 304.82 Lakhs. However, no provision for the same is made as in view of the management, diminution is temporary in nature. Further in respect of investments in unquoted equity shares amounting to Rs. 141.01 Lakhs as at 31st March, 2017, out of which for the investment of Rs. 55 Lakhs, audited financial statements are not available of the investee companies. No impairment has been provided for the same in the books of accounts as in view of the management the Quoted & Unquoted investments are long term and strategic in nature and there is no diminution other than temporary in nature. We are unable to ascertain or quantify whether any provision is required to be made for the impairment of these investments.

- 7) Note 13 of the Notes forming part of the Consolidated Financial Statements regarding Advances recoverable in cash or kind, includes dues outstanding from Shree Ganesh Forgings Ltd. of Rs. 22.50 Lakhs and Chandramouli Silk Mills of Rs. 25 Lakhs. These are outstanding for a longer period of time. Absence of recoveries from those parties since several years indicates the existence of material uncertainty that may cast doubt on the recoverability of the advances. However, in view of the management no provision is required as they are proceeding with legal action.
- 8) Note 35 of the Notes forming part of Consolidated Financial Statements regarding Balances of some of the trade receivables, trade payables and creditor of expenses, loans and advances (given and taken) and loans are subject to confirmation and reconciliation. The consequential adjustments if

any, arising out of these are not quantifiable.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF ECO RECYCLING LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2017, We have audited the internal financial controls over financial reporting of Eco Recycling Limited (hereinafter referred to as "the Holding Company") and its subsidiary company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the of Holding company and its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on, "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and

appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls,

material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary company which are companies incorporated in India, have,

in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on, "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".
