EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

The following explanatory statements, pursuant to section 102 of the Companies Act, 2013 ('the Act'), set out all material facts relating to the business mentioned at Item No. 3 accompanying:

Mr. Shashank Soni is an MBA from Cardiff University, UK and holds a Bachelor of Commerce degree from Narsee Monjee Institute of Management Studies (NMIMS) and is Director of the Company. He is associated with the Company since 2013.

The members of the Company at Considering the inflationary trend and the substantial increase in the business activities of the Company which results in increase in the work load and responsibilities of Managerial Personnel, the Board of Directors of the Company on the recommendation of the Nomination and Remuneration Committee has increased the monthly remuneration of above stated Director w.e.f. 1st April 2017 on the same terms and conditions as mentioned in the Ordinary Resolution passed by the members of the Company at their meeting held on 04th August, 2017. His experience, commitment and capabilities are playing a crucial role in the growth of the Company and have proved to be an invaluable asset for the Company. Considering their sincerity, commitment, hard work, devotion and concern about the company and its

growth, the Board feels it absolutely necessary to increase the remuneration up to 24 Lakh p.a. which includes variable pay, Insurance coverage, Gratuity and Provident Fund as per company's w.e.f 1st April 2017. The Board recommends to pass special resolutions as set out in Item No. 3 of the notice.

Mr. B.K. Soni, Chairman & Managing Director and Ms. Aruna Soni being relative of above director may also be deemed as concerned or interested financially or otherwise in the resolutions. Except them none of the other directors or Key Managerial Personnel (KMP) or their relatives are concerned or interested in the Resolution

The following explanatory statements, pursuant to section 102 of the Companies Act, 2013 ('the Act'), set out all material facts relating to the business mentioned at Item No. 4 accompanying:

As a measure of achieving greater financial flexibility and to enable optimal financial structuring to facilitate speedy implementation of its plans, it is proposed that the Board of Directors be authorized to borrow upto ₹50 Crore/- (Fifty Crore Rupees Only) over and above the paid up capital of the Company and its free reserves from any bank, financial institutions or any other lending institutions, firms, bodies corporate or

persons of India or otherwise from the foreign parties/entities subject to the provisions of the FDI and/or FEMA and from Directors, Shareholders, as my be considered appropriate.

As per Section 180 of the Companies Act, 2013, a Company cannot sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the company or where the company owns more than one undertaking, of the whole or substantially the whole of any of such undertakings and borrow money, where the money to be borrowed, together with the money already borrowed by the company will exceed aggregate of its paid-up share capital, free reserves and securities premium, apart from temporary loans obtained from the company's bankers in the ordinary course of business, unless it is previously authorized by a Special Resolution. Hence, it is necessary to obtain approval for the same from the Members.

The Board recommends passing of the above resolution(s) by the members of the Company as a Special Resolution.

None of the Directors and Key Managerial Personnel of the Company or their respective relatives are concerned or interested in the proposed resolutions.

MANAGEMENT DISCUSSION AND ANALYSIS

We are proud to share that, your company who pioneered formal recycling of electrical & electronic waste (E-waste) in the year 2005 in India is now completing 14th year of its services to the nation and environment. Eco Recycling Ltd is the first company registered by the Central Pollution Control Board (CPCB) and authorized by the Maharashtra Pollution Control Board (MPCB) to undertake the responsibility of managing e-waste.

During this journey of 14 years, your company set several milestones and set direction for the industry.

E-waste generation is directly proportionate to the consumption of electrical & electronic devices and the same is increasing because of change in fashion, technology, buying power etc. This hazardous waste was completely collected & dismantled by the informal

sector before Ecoreco came in to existence and even now more than 95% of e-waste is managed by the informal sector but unfortunately in a polluted manner. To curb such informal practices and track movement of e-waste in the country, the Ministry of Environment, Forest & Climate Change (MOEFCC) notified E-waste Management Rules, 2016 which became effective from 1st October, 2017.

As per the above Rules, now all the producers / importers of electrical & electronic equipment will have to collect back / get collected “end of life equipment” from the end consumer and give to authorised e-waste recycling facilities for environment friendly disposal. Ecoreco being the first company registered & authorized by the CPCB & MPCB is a preferred partner of large number of prominent corporates, MNC’s, BFSI Companies, original equipment manufacturers (OEM), who prefers to avail services of Eco Recycling Ltd for compete compliance of the above Rules.

The above Rules envisage collection of 10% to 70% of the equipment placed in the market when they reach end of life and get them recycled by the formal recycling facilities. It may not be out of place to mention that generation of e-waste is increasing very rapidly and is expected to touch more than 15 million MT by 2022. This growth of e-waste generation will certainly improve business of the formal recyclers and your company is poised to take advantage of this unfolding opportunity.

As per a report published by The Economic Times on 23rd December, 2017, it reads as under:

“I would say for every Rs. 5000 crore of sales, the estimated cost could be anywhere around 1% to 4% of the cost,” said an accounting expert helping some companies. So it would come to ₹50 crore to ₹200 crore per year for a company with such revenue.”

If we go by the above example, the size of e-waste recycling industry works out to more than ₹25,000 Crores against the present consumption level of USD

160 billion and the same will touch to ₹60,000 Crores when the consumption of electronic devices reaches to USD 400 Billion in India in the year 2022, which is most likely because of Digital India & Smart Cities Programs of Government of India and also growing requirement and buying power of the consumers.

One of the most important driver of growth of business will be effective implementation of Extended Producers’ Responsibility (EPR) which is a Globally accepted practice and an integral part of The E-waste Management Rules, 2016 also. On strict implementation of the same, this one principle alone can transform e-waste industry and change behavior of the consumer to follow environment friendly practices.

To enhance effortless & seamless collection of e-waste Ecoreco has initiated process of installation of Eco-Bins (Collection Boxes) in Educational Institutions like Schools, Colleges etc. and Spiritual Places like Mandir, Masjid, Gurudwara, Churches etc. as to these places, almost all the members of the family visits either daily or occasionally. We are confident that these Eco-Bins will not only increase awareness but encourage every individual to drop in small e-waste in to these boxes and for larger items they may contact company by any means of communication. We are of the view that corporates will certainly sponsor our idea out of their Corporate Social responsibility (CSR) Funds in the best interest of the environment & society.

In India, the Kabadies (scrap merchants / informal collectors) can play major role in formalizing the e-waste industry after attaining required skill sets relating to collection, packing, transportation, segregation, dismantling and other

non-polluting activities. Ecoreco with the financial support of National Skill Development Corporation (NSDC), has launched a nationwide skill development program for the present waste workers and new aspirants who considers Waste Management as a Career Opportunity. Your company is confident that the present waste workers will certainly opt for such program which will uplift their health and social perception.

Your company is committed to participate & support the initiative of the Government of India to achieve Swachh Bharat Abhiyan by 2nd Oct, 2019 (150th Birth Anniversary of the Father of the Nation, Mahatma Gandhi). We are of the opinion that for effective participation, there is a need to install 100,000 Eco-Bins and open hundreds of collection centers by the Skilled Waste Managers across nation out of the CSR Funds or funded by the Original Equipment Manufacturers (OEM) as part of their obligation under the above Rules for collection of e-waste.

In the developed world, producers of electrical & electronic equipment (EEE) pays costs of collection, transportation and recycling to the Recyclers and we expect that these global producers will certainly follow their own best practices in India also.

Before we sign off, we wish an extremely bright future to the stakeholders. We invite all the shareholders to contribute time & efforts for Swasth & Swachh Bharat, may be in the smallest way you can.

INDEPENDENT AUDITOR'S REPORT

To the members of Eco Recycling Limited Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of **M/s Eco Recycling Limited** ("the Company"), which comprises of the Balance Sheet as at March 31st, 2018, Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity, the Statement of Cash Flows for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of the standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including Accounting Standards prescribed under section 133 of the Act, read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation

and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order

to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the financial position of the Company as at March 31st 2018, its financial performance including other comprehensive income, its cash flows and changes in equity, for the year ended on that date.

Emphasis of Matter

We draw attention to the following notes in the standalone Ind AS financial statements annexed to the auditor's report

- a) **Note 4.4, 4.5 and 4.7:** The company has not done any fair valuation of its financial assets and financial liabilities as it believes that the carrying amounts of these financial assets and financial liabilities approximate their fair values and that the impact of change, if any, on account of fair valuation these financial assets and financial liabilities, will be insignificant.
- b) **Note no 37:** The company has a pending legal dispute with M/s KUD Realtors Pvt. Ltd relating to the transfer of assets purchased in

favour of the company. The company has paid amount of Rs 2, 10, 95,615 as advance for purchase of the assets. The company is however of the opinion that the dispute will be resolved in its favor soon.

Our opinion is not modified in any of the above matters

Other Matters

The comparative financial information of the company for the year ended 31st March 2017 and the transition date opening balance sheet as at 1st April 2016 included in these standalone Ind AS financial statements, are based on previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules 2006 and which have not been audited by us. This comparative financial information has been furnished to us by the Management and the Auditor's report for the years ended 31st March 2017 and 31st March 2016 contain a qualified opinion on those standalone financial statements.

The financial information for the periods 31st March 2017 and 1st April 2016, have been adjusted for differences in accounting policies adopted by the Company on transition to Ind AS.

Report on other Legal and Regulatory Requirements

“ANNEXURE B” TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **M/s Eco Recycling Limited** (“the Company”) as of March 31, 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on, the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over Financial reporting based on our audit conducted in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing issued by ICAI, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a

material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the standalone Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide

reasonable assurance that transactions are recorded as necessary to permit preparation of the standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the stand alone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over financial reporting

Because of the inherent limitations of internal financial controls over

financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be deducted. Also projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31,

ECO RECYCLING LIMITED

2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2018

1 Company Overview

The Company was incorporated in August 1994 having CIN No. L74120MH1994PLC079971, at Mumbai under The Companies Act, 1956.

The Company is engaged in the e-waste recycling business in an organised manner, with the help of superior technology, complying norms set by the Pollution Control Board for the environmental safety.

2 Basis of preparation of financial statements

2.1 Statement of compliance and basis of preparation:

These financial statements are prepared in accordance with the

Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act 2013 read with Companies (Indian Accounting Standards) Rules 2015, Companies (Indian Accounting Standards) Amendment Rules 2016.

The company prepared its standalone financial statements as per Indian GAAP in accordance with accounting standards notified under Companies (Accounting Standards) Rules 2006. These financial statements are the Company's first Ind AS standalone financial statements

The date of transition to Ind AS is April 01, 2016.

The standalone financial statements have been prepared on historical cost basis, except for certain items of financial assets and financial liabilities which have been measured at fair values.

The presentation of the standalone Ind AS Balance sheet, Statement of profit and loss and Statement of Changes in equity is as per Schedule III (Division II) notified by the Companies Act 2013.

2.2 Use of accounting estimates, assumption and judgements:

The preparation of the financial statements requires management to make estimates, assumptions and

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2018

judgments that affect the reported balances of assets and liabilities and disclosures as at the date of the financial statements and the reported amounts of incomes and expenses for the periods presented.

2.3 Useful lives of property plant and equipment:

The useful lives and the residual values of the property plant and equipment are reviewed by the management at least at every financial year end.

2.5 Impairment of Assets

The carrying amount of fixed assets and investments is regularly reviewed by the management and whenever there is an indication of impairment. In case of impairment loss, the asset is reduced to its recoverable amount

2.6 Employee benefit obligation:

The company uses actuarial valuation method to determine its defined employees benefits obligation at the end of each reporting period. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates

3 Significant Accounting policies:

3.1 Property Plant and Equipment ("PPE"):

PPE is measured at initial recognition at cost less accumulated depreciation and accumulated impairment losses if any. Cost of an item of PPE shall comprise of purchase price (less trade discounts and rebates), import duties and non-refundable purchase taxes, initial estimate of dismantling and other costs required to restore the site on which it is located and all

directly attributable costs to bring the asset to its location and condition necessary for it to be capable of operating in the manner as intended by the management.

An item of PPE shall always be recognised initially at cost. The cost of an item of PPE acquired is the cash price equivalent at the recognition date. If payment of an item of PPE is deferred beyond the normal credit terms, the difference between the total payment and cash price equivalent is deferred and recognised separately as finance cost over the period of credit.

Any component of an item of PPE which has a cost significant in relation to the total cost of the item, shall be depreciated separately.

The depreciable amount of a PPE shall be allocated on a systematic basis over its useful live. The useful lives of PPE is determined in accordance with Schedule II of the Companies Act 2013 and the residual value shall not exceed 5% of the original cost of the asset.

After initial recognition the company adopts the Cost model for subsequent measurement of its PPE.

On disposal of an item of PPE, any gains or losses are recognised in the profit and loss.

3.2 Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity

3.2.1 Financial Assets - Initial Recognition and Measurement:

Initial recognition of financial assets is always at fair value. An entity shall classify all financial assets as subsequently measured either at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both (i) the entity's business model for managing financial assets, and (ii) the contractual cash flow characteristics of the financial asset.

Reclassification: an entity shall reclassify financial assets when and only when it changes the business model for managing those financial assets

Financial Assets - De-recognition: Financial assets are de-recognised when and only when:

"(a) The contractual rights to cash flows from the financial asset expires; or (b) The financial asset is transferred and the transfer qualifies for de-recognition"

A transfer qualifies for de-recognition, when the entity transfers substantially all the risks and rewards of ownership of the financial asset.

On derecognition, the difference between the carrying amount of the financial asset and the consideration received shall be recognised in the statement of profit and loss

Investments in subsidiaries, associates and joint ventures: Investment in subsidiaries, joint ventures and associates are measured at cost as per Ind AS 27.

Trade Receivables: Trade receivables do not have significant financing component and are carried at fair value which is the initial transaction price.

Impairment of Financial Assets:

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2018

Expected credit losses (ECL) are recognised for all financial assets subsequent to initial recognition other than financial assets in FVTPL category.

For financial assets other than trade receivables that do not carry any significant component, expected credit losses are measured either using the 12-month expected credit loss approach or the lifetime expected credit loss approach depending on whether the credit on the financial asset has increased significantly since its initial recognition.

For trade receivables that do not contain significant financing component, the company has adopted the simplified approach to measure loss allowance at an amount equal to life time expected credit losses i.e. expected cash shortfalls. The impairment losses and reversals are recognised in the Statement of Profit and Loss.

3.2.2 Financial Liabilities - Initial Recognition and Measurement:

Initial recognition of financial liabilities shall always be at fair value. All financial liabilities shall be subsequently measured at amortised cost except for financial liabilities at FVTPL and financial guarantee contracts.

A financial liability shall be derecognised when and only when it is extinguished ie. When the obligation specified in the contract is discharged or cancelled or expires. Any difference between the carrying amount of the financial liability and consideration paid, shall be recognised in profit or loss.

Financial Liabilities - Financial Guarantee contracts:

"Financial guarantee contracts issued by the company, are those contracts that require a payment to be made to reimburse the holder for loss it incurs because the specified debtor fails to make payment when due, in accordance with the terms of the debt instrument. Financial guarantee contracts are recognised as financial liability at the time the guarantee is issued and measured initially at fair value. Subsequently financial guarantee liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 – Financial Instruments and the amount initially recognised less cumulative amortisation, where appropriate"

Financial Liabilities - De-recognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another, from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

3.3 Inventories:

Inventories are valued at lower of cost and net realisable value. Cost of work in progress and finished goods comprise of purchase cost, conversion costs and other costs

incurred in bringing the inventories to their present location and condition.

Cost is determined using the weighted average basis.

Net realisable is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

3.4 Income Taxes:

Income tax comprises of current tax and deferred tax. Income tax is recognised in the statement of profit and loss except for items that are recognised directly in equity or in other comprehensive income.

Current tax: current tax liabilities (assets) for the current and prior periods shall be measured at the amounts expected to be paid to (recovered from) the taxation authorities. Current tax is measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period. Current tax assets and current tax liabilities shall be offset if and only if the entity has a legally enforceable right to set off the recognised amounts and where the entity intends to either settle on a net basis or to realise the asset and liability simultaneously.

Deferred tax: Deferred tax is recognised using the balance sheet liability approach. Deferred income tax assets and liabilities are recognised for all deductible temporary differences and taxable temporary differences arising from differences between the carrying amounts of assets and liabilities and their respective tax bases.

Deferred income tax liabilities (assets)

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2018

are based on tax rates that are expected to apply to the period when the assets is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred assets shall be recognised for carry forward of unused tax laws and unused tax credits to the extent it is probable that future taxable profits will be available against which the unused tax losses and unused tax credits can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting period and shall be reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or all that deferred tax asset to be utilised. Deferred tax assets and liabilities shall be offset, if and only if, the entity has a legally enforceable right to set off current tax assets against current tax liabilities and the deferred tax assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or on different taxable entities which intend to settle current tax liabilities and assets on net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Revenue Recognition:

- a) **Sale of Goods:** Revenue from sale of goods is recognised when all significant risks and rewards of ownership are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount

of revenue can be measured reliably. The company retains no effective control of the goods transferred and no significant uncertainty exists regarding the amount of the consideration that will be derived from sale of goods.

Revenue is measured at fair value of consideration received or receivable after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as sales tax, value added tax etc.

- b) **Rendering of Services:** Income from services is recognised based on agreements/ arrangements with the customers, as the service is performed in proportion to the stage of completion of the transaction at the reporting date and the amount of revenue can be measured reliably.
- c) **Interest Income and Dividend:** Interest income is recognised using the effective interest rate (EIR) method. Dividend income on investments is recognised when the right to receive dividend is established.

3.6 Finance Cost:

Finance cost includes interest expense on borrowings calculated using the effective interest rate (EIR) method.

The entity capitalises borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset as part of the cost of the asset. All other borrowing costs is recognised as an expense in the period in which incurred.

3.7 Employee Benefit Expenses:

- a) **Short Term Employee Benefits:** Short term employee benefits include wages and salaries, paid annual leaves, paid sick leave, profit sharing and bonuses etc. expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service. Short term employee benefits are recognised in the financial statements at an undiscounted amount, as an expense, for the period in which the employee has rendered the service.
- b) **Post Employment Benefits:** Under defined contribution plans the entity pays fixed contributions into a separate entity (a fund) with no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The related actuarial and investment risks fall on the employee. The reporting entity's obligation is determined by the amounts contributed for that period and the contribution paid / payable is recognised as an expense for the period the related services are rendered by the employee

3.8 Foreign Currency Translation:

The company's function currency is Indian rupees (INR). All foreign currency transactions are initially translated into the functional currency using exchange rates at the

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2018

date of transaction. At each reporting date, all monetary foreign currency items are translated into functional currency using the closing rate. All non monetary items foreign currency items are translated into functional currency at transaction date rates or at exchange rates at the date the fair value of non monetary items were re-valued, wherever applicable. All resulting exchange gains / losses are recognised in profit or loss.

In case of foreign operations, all monetary and non monetary items are translated into the functional currency using the closing rates. The resultant exchange differences are recognised in other comprehensive income net of taxes and accumulated in other equity as a separate component.

3.9 Earnings Per Share:

Basic earnings per share (BEPS) is computed by dividing the Net profit for the year attributable to equity share holders of the company by the weighted average number of equity shares (WAN) outstanding during the period. For calculating Diluted earnings per share (DEPS), the net profit for the period attributable to equity share holders of the company is divided by WAN, adjusted for the effects of all dilutive potential equity shares.

3.10 Provisions and Contingent Liabilities:

A provision is a liability of uncertain timing or amount. Provision is recognised when the entity has a present obligation based on a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Where the effect of time value of money is material, the amount of provision shall be the

present value of the expenditures expected to be required to settle the obligation.

Contingent liability shall never be recognised. A contingent liability is disclosed, unless the possibility of outflow of resources embodying economic benefits is remote.

3.11 Leases:

Leases in which a substantial portion of risks and rewards of ownership are retained by the lessor are classified as operating leases. Operating lease payments and receipts are recognised in profit and loss on a straight line basis over the lease term unless the lease payments are structured to increase in line with expected general inflation to compensate the lessor's expected inflationary cost increases, in which case the same is recognised as expense or income in line with the contractual term.

A Lease is classified as a finance lease whenever the terms of the lease transfer substantially all the risks and rewards incidental to ownership to the lessee.

4 Notes on Transition to Ind AS:

The financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified by the Ministry with effect from April 01, 2016.

The company's transition date is April 01, 2016 (Opening Ind AS balance sheet).

Ind AS 101 First time adoption to Indian Accounting Standards provides mandatory and optional exemptions, to a first time adopter of the Indian Accounting standards from retrospective application of certain or all aspects of the other standards.

This standard mandates that a first time adopter shall use the same accounting policies in its opening Ind AS balance sheet and throughout all periods presented in its first Ind AS financial statements. Any difference in the carrying value of assets and liabilities between Ind AS and Previous GAAP have been recognised directly in retained earnings (or if appropriate, another category of equity) at the date of transition to Ind AS (i.e. Opening balance sheet as at April 01, 2016).

4.1 Mandatory Exceptions:

- a) **Estimates:** the company's estimates as at April 01, 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP.
- b) **Classification and measurement of financial assets:** The company has classified financial assets as subsequently measured at amortised cost or at fair value through other comprehensive income on the basis of facts and circumstances that exist at the date of transition to Ind AS.
- c) **De-recognition of financial assets and financial liabilities:** The company has decided to apply the de-recognition requirements in Ind AS 109 Financial Instruments prospectively for transactions occurring on or after the date of transition to Ind AS.

4.2 Optional Exceptions:

- (a) **Property Plant and Equipment:** The company has opted for exemption given under paragraph D7AA of Ind AS

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2018

101 for all its property plant and equipment recognised in its financial statements as per previous GAAP on the date of transition to Ind AS. Accordingly all the property plant and equipment are carried at their existing previous GAAP carrying values, which will be their respective deemed costs at the date of transition to Ind AS.

(b) Investments in subsidiaries,

associates and joint ventures:

The company has opted for exemption given in paragraph D15 of Ind AS 101. Accordingly the investments in subsidiaries, associates and joint ventures are carried at their respective previous GAAP carrying values, as deemed costs on the date of transition to Ind AS.

(c) **Designation of previously recognised financial assets:**

Ind AS 101 permits investments in equity instruments to be designated as at fair value through OCI (FVTOCI) in accordance with Ind AS 109, on the basis of facts and circumstances that existed at the date of transition to Ind AS. The company has opted to avail this exemption to designate certain equity investments as FVTOCI on the date of transition to Ind AS.

4.3 Reconciliation between previous GAAP and Ind AS

I Effect of Ind AS adoption on Equity as at March 31, 2018 and March 31, 2017

Particulars	As At March 31, 2017	As At April 1, 2016	
Total Equity as per previous GAAP	300,327,991	310,826,815	
Effect of changes in fair value of equity instruments	(11,832,176)	(7,908,913)	(a)
Total adjustment to equity	(11,832,176)	(7,908,913)	
Total Equity Under Ind AS	288,495,815	302,917,902	

II Effect of Ind AS adoption on total comprehensive income for the year ended March 31, 2017

Particulars	For the year ended March 31, 2017	
Net Profit (Loss) after tax as previously reported	(10,498,825)	
Employee Benefit expense	742,929	(b)
Profit for the year under Ind AS	(9,755,896)	
Other Comprehensive Income (Net of tax)		
Effect of changes in fair value of equity instruments	(3,923,262)	(a)
Employee defined benefit plan actuarial gains / (losses)	(742,929)	(b)
Other Comprehensive Income for the year (Net of tax)	(4,666,191)	
Total comprehensive income for the year ended March 31, 2017	(14,422,087)	

Notes to reconciliation of equity and total comprehensive income:

- (a) **Fair valuation of investments:** Under previous Indian GAAP, current investments are measured at lower of cost and fair value, and long term investments are measured at cost less diminution in value which is other than temporary. Under Ind AS, investments, long term as well as current, are measured at fair market value, with gains or losses recognised either in profit or loss or in other comprehensive income based on the business model of the company for managing these investments.
- (b) **Deferred tax:** Under previous GAAP, deferred tax liabilities and assets was recognised using the income approach i.e. based on timing differences between the accounting profit and taxable profits for the period. Under Ind AS deferred tax calculations are based on balance sheet liability method i.e. based on temporary differences between the carrying amounts of assets and liabilities in the balance sheet and its tax base. This has resulted in recognising deferred tax on temporary differences that were not required to be recognised under previous Indian GAAP.

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2018

4.4 Long term investments in unquoted equity instruments (other than investment in subsidiary)

Under previous Indian GAAP, non current investments are carried at cost with provision for diminution in their value which is other than temporary. under Ind AS, the company has designated unquoted equity instruments as financial assets at fair value through other comprehensive income and certain unquoted preference shares as financial assets at fair value through profit and loss. The company has not performed a fair valuation of its unquoted investments in equity shares and preference shares, as the company believes that the impact of change on account of the fair valuation of such investments is insignificant

4.5 Fair value disclosures for financial assets and financial liabilities

The company believes that the

fair values of non-current financial assets (security deposits, lease rental deposits), current financial assets (trade receivables etc.) and non current financial liabilities approximate their carrying amounts

4.6 Investment in quoted equity shares

The company has designated investments in quoted equity shares as subsequently measured at fair value through other comprehensive income FVTOCI. On transition date, the difference between the existing carrying amount and fair value has been recognised as an adjustment to opening retained earnings. Subsequent adjustment to the fair values of such quoted equity investments is recognised in other comprehensive and accumulated separately under other equity in the balance sheet

4.7 Financial Guarantee contracts

Under previous Indian GAAP, financial

guarantee given by parent on behalf of its subsidiaries is recognised as "Contingent liability"

Under Ind AS, corporate / financial guarantee is treated as a financial liability and is recognised at fair value on initial as well as subsequent recognition. The fair value of the financial guarantee is treated as "investment in subsidiary". Finance income is recognised over the term of the guarantee using the effective interest method.

The company has given a corporate / financial guarantee to National Skills Development Corporation (NSDC) on behalf of its 100% subsidiary Ecoreco Enviro Education P.Ltd. The company has however not done a fair valuation of the financial guarantee given to NSDC, as the company feels that its impact on the financial statements is insignificant

Note 17.1: The Company had set up a small facility for recycling of e-waste near Mumbai and were carrying out R&D for the recovery of various metals from printed circuit boards & other complicated e-waste. In the process we approached Department of Scientific & Industrial Research (DSIR) for their financial support to complete technology development and commercialize the same with an optimum capacity to recycle. DSIR was kind enough to sanction Rs.1186 lacs as grant payable back on commercialization of the above project. To implement the above project Company had withdrawn Rs.900 lacs from the above grant and invested its own funds of Rs. 2134.53 lacs to develop / procure required Plant & Machineries. Unfortunately, we could not develop / commercialize the project so far because access road to the Project Site has been blocked by the local villagers who also owns some parcel of land around the above project site. The company has approached to practically all the levels of Administration at the Local & State level for their kind intervention and resolution. The Company has also appealed to the office of the PMO and the same has been forwarded to the Ministry of Environment & Forests for their attention.

INDEPENDENT AUDITOR'S REPORT

To the members of Eco Recycling Limited Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of **M/s Eco Recycling Limited** ("the Holding Company") and its subsidiaries (collectively referred to as "the Group"), which comprises of the consolidated Balance Sheet as at March 31st, 2018, consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Statement of Changes in Equity, the Consolidated Statement of Cash Flows for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Ind AS financial statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of the consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including Accounting Standards prescribed under section 133 of the Act, read with relevant rules issued there under.

This respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of

the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on the consolidated Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on

the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated financial position of the Group as at March 31st 2018, its consolidated financial performance including other comprehensive income, its consolidated cash flows and consolidated changes in equity, for the year then ended.

Emphasis of Matter

We draw attention to the following notes in the consolidated Ind AS financial statements annexed to the auditor's report

- a) **Note 4.4, 4.5 and 4.7:** The holding company and its subsidiary company, have not done any fair valuation of its financial assets and financial liabilities as it believes that the carrying amounts of these financial assets and financial liabilities approximate their fair values and that the impact of change, if any, on account of fair valuation these financial assets and financial liabilities, will be insignificant.
- b) **Note no 37:** The holding company has a pending legal dispute with M/s KUD Realtors Pvt. Ltd relating to the transfer of assets purchased in favour of the company. The holding company has paid amount of Rs 2, 10, 95,615 as advance for purchase of the assets. The holding company is however of the opinion that the dispute will be resolved in its favor soon.

Our opinion is not modified in any of the above matters

Other Matters

The comparative consolidated financial information of the Group for the year ended 31st March 2017 and the transition date opening balance sheet as at 1st April 2016 included in these consolidated Ind AS financial statements, are based on previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules 2006 and which have not been audited by us. This comparative financial information has been furnished to us by the Management of the Holding company and the Consolidated Auditor's report for the years ended 31st March 2017 and 31st March 2016 contain a qualified opinion on those respective years' consolidated financial statements. The consolidated financial information for the periods 31st March 2017 and 1st April 2016, have been adjusted for differences in accounting policies

adopted by the Group on transition to Ind AS.

Report on other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law relating to the preparation of the aforesaid consolidated Ind AS financial statements, have been kept by the Group so far as it appears from our examination of those books;
 - c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss including other Comprehensive income, the consolidated statement of cash flows and the statement of changes in equity, dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements;
 - d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards prescribed under section 133 of the Act read with relevant rules there under;
 - e) On the basis of the written representations received from the directors as on March 31st, 2018 taken on record by the Board of Directors of the Holding company and the reports of the statutory auditors of its subsidiary company, none

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF ECO RECYCLING LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **M/s Eco Recycling Limited** ("the Holding Company") and its subsidiaries (collectively referred to as "the Group"), as of March 31, 2018 in conjunction with our audit of the consolidated Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group are responsible for establishing and maintaining internal financial controls based on, the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial

controls over Financial reporting based on our audit conducted in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by ICAI, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the consolidated Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the stand alone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be deducted. Also projections of any evaluation of

the internal financial controls over financial reporting to future periods are subject to risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company

and its subsidiary companies have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the holding Company considering the essential components of internal control stated in the Guidance Note on Audit of

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2018

1 (A) Principles of consolidation:

The consolidated financial statements relate to the Company and its subsidiary company and companies controlled, that is, companies over which the Company exercises control over ownership and voting power (herein after collectively referred to as the "Group"). The consolidated financial statements have been prepared on the following basis:

- a. The financial statements of the Company and its subsidiary are combined on a line-by-line basis by

adding together the book values of like items of assets, liabilities, income and expenses after fully eliminating intra-group balances and intra-group transactions and resultant unrealized profits or losses in accordance with the IND AS – 110 "Consolidated Financial Statements" prescribed u/s 133 of Companies Act, 2013 (the Act) read with rule 7 of the Companies (Accounts) Rules, 2014 issued by the Central Government.

- b. Investments in subsidiary are

eliminated and differences between the costs of investment over the net assets on the date of the investment in subsidiaries are recognised as goodwill or capital reserve, as the case may be.

- c. As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's stand alone financial statements.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2018

The list of subsidiary companies which are included in the consolidated financial statements are as under:

Name of the Company	Country of incorporation	% holding
Ecoreco Enviro Education Pvt. Ltd.	India	100%

Investments other than in Subsidiaries are accounted as per IND AS – 109 – “Accounting for Investments”.

2 Basis of preparation of financial statements

2.1 Statement of compliance and basis of preparation:

These financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act 2013 read with Companies (Indian Accounting Standards) Rules 2015, Companies (Indian Accounting Standards) Amendment Rules 2016.

The company prepared its standalone financial statements as per Indian GAAP in accordance with accounting standards notified under Companies (Accounting Standards) Rules 2006. These financial statements are the Company's first Ind AS standalone financial statements

The date of transition to Ind AS is April 01, 2016.

The standalone financial statements have been prepared on historical cost basis, except for certain items of financial assets and financial liabilities which have been measured at fair values.

The presentation of the standalone Ind AS Balance sheet, Statement of profit and loss and Statement of Changes in equity is as per Schedule III (Division II) notified by the Companies Act 2013.

2.2 Use of accounting estimates, assumption and judgements:

The preparation of the financial

statements requires management to make estimates, assumptions and judgments that affect the reported balances of assets and liabilities and disclosures as at the date of the financial statements and the reported amounts of incomes and expenses for the periods presented.

2.3 Useful lives of property plant and equipment:

The useful lives and the residual values of the property plant and equipment are reviewed by the management at least at every financial year end.

2.5 Impairment of Assets

The carrying amount of fixed assets and investments is regularly reviewed by the management and whenever there is an indication of impairment. In case of impairment loss, the asset is reduced to its recoverable amount

2.6 Employee benefit obligation:

The company uses actuarial valuation method to determine its defined employees benefits obligation at the end of each reporting period. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates

3 Significant Accounting policies:

3.1 Property Plant and Equipment (“PPE”):

PPE is measured at initial recognition at cost less accumulated depreciation

and accumulated impairment losses if any. Cost of an item of PPE shall comprise of purchase price (less trade discounts and rebates), import duties and non-refundable purchase taxes, initial estimate of dismantling and other costs required to restore the site on which it is located and all directly attributable costs to bring the asset to its location and condition necessary for it to be capable of operating in the manner as intended by the management.

An item of PPE shall always be recognised initially at cost. The cost of an item of PPE acquired is the cash price equivalent at the recognition date. If payment of an item of PPE is deferred beyond the normal credit terms, the difference between the total payment and cash price equivalent is deferred and recognised separately as finance cost over the period of credit.

Any component of an item of PPE which has a cost significant in relation to the total cost of the item, shall be depreciated separately.

The depreciable amount of a PPE shall be allocated on a systematic basis over its useful live. The useful lives of PPE is determined in accordance with Schedule II of the Companies Act 2013 and the residual value shall not exceed 5% of the original cost of the asset.

After initial recognition the company adopts the Cost model for subsequent measurement of its PPE.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2018

On disposal of an item of PPE, any gains or losses are recognised in the profit and loss.

3.2 Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity

3.2.1 Financial Assets - Initial Recognition and Measurement:

Initial recognition of financial assets is always at fair value. An entity shall classify all financial assets as subsequently measured either at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both (i) the entity's business model for managing financial assets, and (ii) the contractual cash flow characteristics of the financial asset.

Reclassification: an entity shall reclassify financial assets when and only when it changes the business model for managing those financial assets

Financial Assets - De-recognition: Financial assets are de-recognised when and only when:

"(a) The contractual rights to cash flows from the financial asset expires; or (b) The financial asset is transferred and the transfer qualifies for de-recognition"

A transfer qualifies for de-recognition, when the entity transfers substantially all the risks and rewards of ownership of the financial asset.

On derecognition, the difference between the carrying amount of the financial asset and the consideration received shall be recognised in the statement of profit and loss

Investments in subsidiaries, associates

and joint ventures: Investment in subsidiaries, joint ventures and associates are measured at cost as per Ind AS 27.

Trade Receivables: Trade receivables do not have significant financing component and are carried at fair value which is the initial transaction price.

Impairment of Financial Assets: Expected credit losses (ECL) are recognised for all financial assets subsequent to initial recognition other than financial assets in FVTPL category.

For financial assets other than trade receivables that do not carry any significant component, expected credit losses are measured are measured either using the 12-month expected credit loss approach or the lifetime expected credit loss approach depending on whether the credit on the financial asset has increased significantly since its initial recognition.

For trade receivables that do not contain significant financing component, the company has adopted the simplified approach to measure loss allowance at an amount equal to life time expected credit losses i.e. expected cash shortfalls. The impairment losses and reversals are recognised in the Statement of Profit and Loss.

3.2.2 Financial Liabilities - Initial Recognition and Measurement:

Initial recognition of financial liabilities shall always be at fair value. All financial liabilities shall be subsequently measured at amortised cost except for financial liabilities at FVTPL and financial guarantee contracts.

A financial liability shall be de-recognised when and only when it is extinguished ie. When the obligation specified in the contract is discharged or cancelled or expires. Any difference between the carrying amount of the financial liability and consideration paid, shall be recognised in profit or loss.

Financial Liabilities - Financial Guarantee contracts:

"Financial guarantee contracts issued by the company, are those contracts that require a payment to be made to reimburse the holder for loss it incurs because the specified debtor fails to make payment when due, in accordance with the terms of the debt instrument. Financial guarantee contracts are recognised as financial liability at the time the guarantee is issued and measured initially at fair value. Subsequently financial guarantee liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 – Financial Instruments and the amount initially recognised less cumulative amortisation, where appropriate"

Financial Liabilities - De-recognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another, from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2018

3.3 Inventories:

Inventories are valued at lower of cost and net realisable value. Cost of work in progress and finished goods comprise of purchase cost, conversion costs and other costs incurred in bringing the inventories to their present location and condition.

Cost is determined using the weighted average basis.

Net realisable is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

3.4 Income Taxes:

Income tax comprises of current tax and deferred tax. Income tax is recognised in the statement of profit and loss except for items that are recognised directly in equity or in other comprehensive income.

Current tax: current tax liabilities (assets) for the current and prior periods shall be measured at the amounts expected to be paid to (recovered from) the taxation authorities. Current tax is measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period. Current tax assets and current tax liabilities shall be offset if and only if the entity has a legally enforceable right to set off the recognised amounts and where the entity intends to either settle on a net basis or to realise the asset and liability simultaneously.

Deferred tax: Deferred tax is recognised using the balance sheet liability approach. Deferred income tax assets and liabilities are recognised for all deductible temporary differences and taxable

temporary differences arising from differences between the carrying amounts of assets and liabilities and their respective tax bases.

Deferred income tax liabilities (assets) are based on tax rates that are expected to apply to the period when the assets is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred assets shall be recognised for carry forward of unused tax laws and unused tax credits to the extent it is probable that future taxable profits will be available against which the unused tax losses and unused tax credits can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting period and shall be reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or all that deferred tax asset to be utilised. Deferred tax assets and liabilities shall be offset, if and only if, the entity has a legally enforceable right to set off current tax assets against current tax liabilities and the deferred tax assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or on different taxable entities which intend to settle current tax liabilities and assets on net basis, or to realise the assets and settle the liabilities simultaneously.

3.5 Revenue Recognition:

a) **Sale of Goods:** Revenue from sale of goods is recognised when all significant risks and rewards

of ownership are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably. The company retains no effective control of the goods transferred and no significant uncertainty exists regarding the amount of the consideration that will be derived from sale of goods.

Revenue is measured at fair value of consideration received or receivable after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as sales tax, value added tax etc.

b) **Rendering of Services:** Income from services is recognised based on agreements/ arrangements with the customers, as the service is performed in proportion to the stage of completion of the transaction at the reporting date and the amount of revenue can be measured reliably.

c) **Interest Income and Dividend:** Interest income is recognised using the effective interest rate (EIR) method. Dividend income on investments is recognised when the right to receive dividend is established.

3.6 Finance Cost:

Finance cost includes interest expense on borrowings calculated using the effective interest rate (EIR) method.

The entity capitalises borrowing costs that are directly attributable to the acquisition, construction or

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2018

production of a qualifying asset as part of the cost of the asset. All other borrowing costs is recognised as an expense in the period in which incurred.

3.7 Employee Benefit Expenses:

a) Short Term Employee Benefits:

Short term employee benefits include wages and salaries, paid annual leaves, paid sick leave, profit sharing and bonuses etc. expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service. Short term employee benefits are recognised in the financial statements at an undiscounted amount, as an expense, for the period in which the employee has rendered the service.

b) Post Employment Benefits:

Under defined contribution plans the entity pays fixed contributions into a separate entity (a fund) with no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The related actuarial and investment risks fall on the employee. The reporting entity's obligation is determined by the amounts contributed for that period and the contribution paid / payable is recognised as an expense for the period the related services are rendered by the employee

3.8 Foreign Currency Translation:

The company's function currency

is Indian rupees (INR). All foreign currency transactions are initially translated into the functional currency using exchange rates at the date of transaction. At each reporting date, all monetary foreign currency items are translated into functional currency using the closing rate. All non monetary items foreign currency items are translated into functional currency at transaction date rates or at exchange rates at the date the fair value of non monetary items were re-valued, wherever applicable. All resulting exchange gains / losses are recognised in profit or loss.

In case of foreign operations, all monetary and non monetary items are translated into the functional currency using the closing rates. The resultant exchange differences are recognised in other comprehensive income net of taxes and accumulated in other equity as a separate component.

3.9 Earnings Per Share:

Basic earnings per share (BEPS) is computed by dividing the Net profit for the year attributable to equity share holders of the company by the weighted average number of equity shares (WAN) outstanding during the period. For calculating Diluted earnings per share (DEPS), the net profit for the period attributable to equity share holders of the company is divided by WAN, adjusted for the effects of all dilutive potential equity shares.

3.10 Provisions and Contingent Liabilities:

A provision is a liability of uncertain timing or amount. Provision is recognised when the entity has a present obligation based on a past event and it is probable that an outflow of resources embodying

economic benefits will be required to settle the obligation. Where the effect of time value of money is material, the amount of provision shall be the present value of the expenditures expected to be required to settle the obligation.

Contingent liability shall never be recognised. A contingent liability is disclosed, unless the possibility of outflow of resources embodying economic benefits is remote.

3.11 Leases:

Leases in which a substantial portion of risks and rewards of ownership are retained by the lessor are classified as operating leases. Operating lease payments and receipts are recognised in profit and loss on a straight line basis over the lease term unless the lease payments are structured to increase in line with expected general inflation to compensate the lessor's expected inflationary cost increases, in which case the same is recognised as expense or income in line with the contractual term.

A Lease is classified as a finance lease whenever the terms of the lease transfer substantially all the risks and rewards incidental to ownership to the lessee.

4 Notes on Transition to Ind AS:

The financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified by the Ministry with effect from April 01, 2016.

The company's transition date is April 01, 2016 (Opening Ind AS balance sheet).

Ind AS 101 First time adoption to Indian Accounting Standards provides mandatory and optional

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2018

exemptions, to a first time adopter of the Indian Accounting standards from retrospective application of certain or all aspects of the other standards. This standard mandates that a first time adopter shall use the same accounting policies in its opening Ind AS balance sheet and throughout all periods presented in its first Ind AS financial statements. Any difference in the carrying value of assets and liabilities between Ind AS and Previous GAAP have been recognised directly in retained earnings (or if appropriate, another category of equity) at the date of transition to Ind AS (i.e. Opening balance sheet as at April 01, 2016).

4.1 Mandatory Exceptions:

- a) **Estimates:** the company's estimates as at April 01, 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP.
- b) **Classification and measurement of financial assets:** The company has classified financial assets as

subsequently measured at amortised cost or at fair value through other comprehensive income on the basis of facts and circumstances that exist at the date of transition to Ind AS.

- c) **De-recognition of financial assets and financial liabilities:** The company has decided to apply the de-recognition requirements in Ind AS 109 Financial Instruments prospectively for transactions occurring on or after the date of transition to Ind AS.

4.2 Optional Exceptions:

- (a) **Property Plant and Equipment:** The company has opted for exemption given under paragraph D7AA of Ind AS 101 for all its property plant and equipment recognised in its financial statements as per previous GAAP on the date of transition to Ind AS. Accordingly all the property plant and equipment are carried at their existing previous GAAP carrying

values, which will be their respective deemed costs at the date of transition to Ind AS.

- (b) **Investments in subsidiaries, associates and joint ventures:** The company has opted for exemption given in paragraph D15 of Ind AS 101. Accordingly the investments in subsidiaries, associates and joint ventures are carried at their respective previous GAAP carrying values, as deemed costs on the date of transition to Ind AS.
- (c) **Designation of previously recognised financial assets:** Ind AS 101 permits investments in equity instruments to be designated as at fair value through OCI (FVTOCI) in accordance with Ind as 109, on the basis of facts and circumstances that existed at the date of transition to Ind AS. The company has opted to avail this exemption to designate certain equity investments as FVTOCI on the date of transition to Ind AS.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2018

4.3 Reconciliation between previous GAAP and Ind AS

I Effect of Ind AS adoption on Equity as at March 31, 2018 and March 31, 2017

Particulars	As At March 31, 2017	As At April 1, 2016	
Total Equity as per previous GAAP	290,658,339	306,962,884	
Effect of changes in fair value of equity instruments	(11,832,176)	(7,908,913)	(a)
Total adjustment to equity	(11,832,176)	(7,908,913)	
Total Equity Under Ind AS	278,826,172	299,053,971	

II Effect of Ind AS adoption on total comprehensive income for the year ended March 31, 2017

Particulars	For the year ended March 31, 2017	
Net Profit (Loss) after tax as previously reported	(16,383,803)	
Employee Benefit expense	742,929	(b)
Profit for the year under Ind AS	(15,640,874)	
Other Comprehensive Income (Net of tax)		
Effect of changes in fair value of equity instruments	(3,923,262)	(a)
Employee defined benefit plan actuarial gains / (losses)	(742,929)	(b)
Other Comprehensive Income for the year (Net of tax)	(4,666,191)	
Total comprehensive income for the year ended March 31, 2017	(20,307,065)	

Notes to reconciliation of equity and total comprehensive income:

(a) Fair valuation of investments:

Under previous Indian GAAP, current investments are measured at lower of cost and fair value, and long term investments are measured at cost less diminution in value which is other than temporary. Under Ind AS, investments, long term as well as current, are measured at fair market value, with gains or losses recognised either in profit or loss or in other comprehensive income based on the business model of the company for managing these investments.

(b) Deferred tax: Under previous GAAP, deferred tax liabilities and assets was recognised using the

income approach i.e. based on timing differences between the accounting profit and taxable profits for the period. Under Ind AS deferred tax calculations are based on balance sheet liability method i.e. based on temporary differences between the carrying amounts of assets and liabilities in the balance sheet and its tax base. This has resulted in recognising deferred tax on temporary differences that were not required to be recognised under previous Indian GAAP.

4.4 Long term investments in unquoted equity instruments (other than investment in subsidiary)

Under previous Indian GAAP, non current investments are carried at cost with provision for diminution in their value which is other than temporary.

under Ind AS, the company has designated unquoted equity instruments as financial assets at fair value through other comprehensive income and certain unquoted preference shares as financial assets at fair value through profit and loss. The company has not performed a fair valuation of its unquoted investments in equity shares and preference shares, as the company believes that the impact of change on account of the fair valuation of such investments is insignificant

4.5 Fair value disclosures for financial assets and financial liabilities

The company believes that the fair values of non-current financial assets (security deposits, lease rental deposits), current financial assets (trade receivables etc.) and non current financial liabilities

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2018

approximate their carrying amounts

4.6 Investment in quoted equity shares

The company has designated investments in quoted equity shares as subsequently measured at fair value through other comprehensive income FVTOCI. On transition date, the difference between the existing carrying amount and fair value has been recognised as an adjustment to opening retained earnings. Subsequent adjustment to the fair values of such quoted equity investments is recognised in other

comprehensive and accumulated separately under other equity in the balance sheet

4.7 Financial Guarantee contracts

Under previous Indian GAAP, financial guarantee given by parent on behalf of its subsidiaries is recognised as "Contingent liability"

Under Ind AS, corporate / financial guarantee is treated as a financial liability and is recognised at fair value on initial as well as subsequent recognition. The fair value of the financial guarantee is treated as

"investment in subsidiary". Finance income is recognised over the term of the guarantee using the effective interest method.

The company has given a corporate / financial guarantee to National Skills Development Corporation (NSDC) on behalf of its 100% subsidiary Ecoreco Enviro Education P.Ltd. The company has however not done a fair valuation of the financial guarantee given to NSDC, as the company feels that its impact on the financial statements is insignificant

Note 17.1: The Company had set up a small facility for recycling of e-waste near Mumbai and were carrying out R&D for the recovery of various metals from printed circuit boards and other complicated e-waste. In the process we approached Department of Scientific & Industrial Research (DSIR) for their financial support to complete technology development and commercialise the same with an optimum capacity to recycle. DSIR was kind enough to sanction Rs. 1186 lacs as grant payable back on commercialisation of the above project. To implement the above project Company had withdrawn Rs. 900 lacs from the above grant and invested it's own funds of Rs. 2134.53 lacs to develop/procure required Plant & Machineries. The project however could not be completed and commercialised due to issues relating to acquisition of land for the project by the Government. This amount of Rs. 900 lacs is to be repaid in 5 annual instalment and the repayment to start after one year from the date of commercialisation of the Project
