ANNEXURE TO THE NOTICE

Explanatory statement pursuant to Section 102(1) of the Companies Act, 2013

Item No. 3:

Pursuant to the provisions of Section 204 of the Companies Act, 2013 read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, and Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, every listed company is required to annex a Secretarial Audit Report given by a Practicing Company Secretary along with its Board's Report.

In view of the above legal requirements, the Board of Directors of the Company, based on the recommendation of the Audit Committee, has approved the appointment of **M/s. Yatin Sangani & Associates, Practicing Company Secretaries, Mumbai (Membership No. ACS 33246 and COP No. 22681)**, as the Secretarial Auditor of the Company for a term of five consecutive financial years commencing from FY 2025-26 to FY 2029-30.

The Board is of the opinion that the appointment of M/s. Yatin Sangani & Associates will ensure compliance with applicable statutory and regulatory provisions and will be in the best interests of the Company.

None of the Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution.

Accordingly, the Board recommends the Ordinary Resolution set out at Item No. 3 of the accompanying Notice for approval of the Members.

Item No. 4:

The Board of Directors, on the recommendation of the Nomination and Remuneration Committee, appointed **Mr. Anurag Satish Tiwari (DIN: 10603718)** as an Additional Director (Non-Executive & Independent) of the Company with effect from 09th January, 2025, pursuant to the provisions of Section 161(1) of the Companies Act, 2013. In terms of the provisions of the Act, he holds office up to the date of the ensuing Annual General Meeting.

The Company has received from Mr. Anurag Satish Tiwari (i) consent in writing to act as Director in Form DIR-2, (ii) intimation in Form DIR-8 to the effect that he is not disqualified from being appointed as a Director in terms of Section 164 of the Companies Act, 2013, and (iii) a declaration confirming that he meets the criteria of independence as prescribed under Section 149(6) of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (LODR) Regulations, 2015.

In the opinion of the Board, Mr. Anurag Satish Tiwari fulfils the conditions specified in the Act and the SEBI (LODR) Regulations for appointment as an Independent Director. The Board considers that his association would be of immense benefit to the Company and it is desirable to avail his guidance and expertise.

Accordingly, the Board of Directors recommends the resolution set out at Item No. 4 of the accompanying Notice for approval of the Members as a Special Resolution, appointing him as an Independent Director of the Company for a term of five consecutive **years commencing from 09th January, 2025**.

Except Mr. Anurag Satish Tiwari, being the appointee, none of the other Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the said

resolution.

Item No. 5:

The Board of Directors, on the recommendation of the Nomination and Remuneration Committee, appointed **Mrs. Anju Ashok Tiwari (DIN: 05246760)** as an Additional Director (Non-Executive & Independent) of the Company with effect from 09th January, 2025, pursuant to the provisions of Section 161(1) of the Companies Act, 2013. In terms of the provisions of the Act, she holds office up to the date of the ensuing Annual General Meeting.

The Company has received from Mrs. Anju Ashok Tiwari (i) consent in writing to act as Director in Form DIR-2, (ii) intimation in Form DIR-8 confirming that she is not disqualified from being appointed as a Director in terms of Section 164 of the Companies Act, 2013, and (iii) a declaration confirming that she meets the criteria of independence as prescribed under Section 149(6) of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (LODR) Regulations, 2015.

In the opinion of the Board, Mrs. Anju Ashok Tiwari fulfils the conditions specified in the Act and the SEBI (LODR) Regulations for appointment as an Independent Director. The Board considers that her association would be of valuable guidance and in the best interest of the Company.

Accordingly, the Board of Directors recommends the resolution set out at Item No. 5 of the accompanying Notice for approval of the Members as a Special Resolution, appointing her as an Independent Director of the Company for a term of five consecutive years **commencing from 09th January, 2025.**

Except Mrs. Anju Ashok Tiwari, being the appointee, none of the other Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the said resolution.

Item No. 6:

The Board of Directors appointed **Mr. Kaushik Ratanshi Bhadra (DIN: 11029006)** as an Additional Director (Non-Executive & Non-Independent) of the Company with effect from 03rd April, 2025, pursuant to the provisions of Section 161(1) of the Companies Act, 2013. In terms of the provisions of the Act, he holds office up to the date of the ensuing Annual General Meeting.

The Company has received from Mr. Kaushik Ratanshi Bhadra (i) consent in writing to act as Director in Form DIR-2 and (ii) intimation in Form DIR-8 confirming that he is not disqualified from being appointed as a Director in terms of Section 164 of the Companies Act, 2013.

The Board is of the opinion that the appointment of Mr. Kaushik Ratanshi Bhadra will be beneficial to the Company considering his experience and guidance.

Accordingly, the Board of Directors recommends the resolution set out at Item No. 6 of the accompanying Notice for approval of the Members as an Ordinary Resolution, appointing him as a Non-Executive & Non-Independent Director of the Company.

Except Mr. Kaushik Ratanshi Bhadra, being the appointee, none of the other Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the said resolution.

MANAGEMENT DISCUSSION ANALYSIS REPORT

Your Directors have pleasure in presenting the management discussion and analysis report for the year ended on March 31, 2025. The Management Discussion and Analysis have been included in consonance with the Code of Corporate Governance as approved by The Securities and Exchange Board of India (SEBI). Investors are cautioned that these discussions contain certain forward looking statements that involve risk and uncertainties including those risks which are inherent in the Company's growth and strategy. The company undertakes no obligation to publicly update or revise any of the opinions or forward looking statements expressed in this report consequent to new information or developments, events or otherwise.

The Management of the Company is presenting herein the overview, opportunities and threats, initiatives by the Company and overall strategy of the Company and its outlook for the future. This outlook is based on Management's own assessment and it may vary due to future economic and other future developments in the country.

ECONOMIC OVERVIEW

The print industry has been plunged into a perfect storm. COVID-19 has propelled digital transformation and shifted its paradigm to "web-to-print", implying that industry players can no longer wait. As we know, every crisis comes with opportunities. While the print industry has undoubtedly taken a severe hit during the pandemic, 2024 will be the year when industry players will be pushed to capitalize on opportunities beyond printing.

The challenge of operating during the lockdown has affected the hierarchy of operations. While some of the restrictions may recede over time, others could have a long-lasting impact. Advanced print technology has a far-fetched future, embracing innovative media and communication waves that go beyond imagination. Though print is not much in use, the industry is all set to expand due to privacy issues and oversaturation that digital platforms experience.

The consensus reveals that significant changes are ahead. Some of the leading printing companies are adapting to innovative ways and adopting digital printing technology for customization.

Newspaper printing and magazines were the worst hit during the pandemic. The sales stopped because of widespread work-from-home, and readers switched to online channels. Even IKEA stopped publishing catalogues to control the budget – the most critical printing job worldwide. The graphics industry – PoS (point of sale) and wide-format display were affected by lockdowns as people stopped visiting shops, bars, restaurants, and hotels. Also, commercial printing like newsletters, manuals, and business forms suffered severely. This radical decline in demand saw several service providers shut down. Post-pandemic, a new and open environment will create better opportunities for companies that managed to survive. Once this happens, there will be fewer instances of low-value printing operations happening.

INDUSTRY STRUCTURE AND DEVELOPMENT

The company is actively considering expansion, support growth plans of the Company, long-term working capital, general corporate purposes and to peruse the main object of the company as stated in its Memorandum of Associates (MOA).

OPPORTUNITIES & THREATS

The growth of the Company is subject to opportunities and threats as are applicable to the industry from time to time. The Company has risk management policy in place for risk assessment and treatment of the same. The company does not foresee any major threats to its growth and market share in the coming years. The existing capacity should take care of the company's requirement at least for the next four to five years.

SEGMENTWISE PERFORMANCE:

The Company's business activities during the year could not generate any income. Therefore, the requirement of segment wise reporting is not applicable.

OPPORTUNITIES/ OUTLOOK:

The company is taking all steps to restart the business & expects a better outlook in the coming years.

THREATS:

The major threat for the company is the fact that the company does not have any funds presently.

RISKS AND CONCERNS:

Your company is taking adequate measures to safeguard against Risks & Concerns.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

Your Company has been maintaining an adequate internal control system commensurate with the size & nature of its business.

HUMAN RESOURCES POLICIES:

The company considers human resources as most valuable assets, among all other assets of the Company. Envisaging the future expansion, the policy of the company is to actuate the talent by providing opportunities to develop themselves within the organization.

CAUTIONARY STATEMENT:

Due to unfavourable market conditions your company is facing profitability problems. However, your management is making optimum efforts to minimize the overheads & cost reduction.

FINANCIAL MANAGEMENT AND FINANCIAL PERFORMANCE:

The Company is in the process of financial restructuring which will help the Company to

reflect better its operational efficiency, improvements in the future years and reflect the true shareholder value. Further, there would be a positive impact on the various key financial ratios such as Net Profit Margin, Return on Capital Employed and Return on net worth etc.

ENVIRONMENTAL ISSUES:

As the company is not carrying on any manufacturing activity, the matter relating to produce of harmful gases and the liquid effluents are not applicable.

DETAILS OF SIGNIFICANT CHANGES (I.E. CHANGE IN 25% OR MORE AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR) IN KEY FINANCIAL RATIOS:

NOT APPLICABLE SINCE NO SIGNIFICANT CHANGE

DISCLOSURE OF ACCOUNTING TREATMENT:

Not applicable since no different treatment from that prescribed in an Accounting Standard has been followed.

STATUTORY COMPLIANCES:

Being a responsible legal entity, the company has duly complied with all the compliances with all the regulatory authorities during the year under review.

CAUTION:

INDEPENDENT AUDITOR’S REPORT

To the members of Inland Printers Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Inland Printers Limited** (the “Company”), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the “financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the “Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and its loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (“SA”)s specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit matters

Key Audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion there on, and we do not

provide a separate opinion on these matters. We have determined that there are no key audit matters that need to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, financial statements, and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users

taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in planning the scope of our audit work and in evaluating the results of our work; and to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.

2. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. In view of there being no amounts required to be transferred to the Investor Education and Protection Fund for the year under audit, the reporting under this clause applicable.

- A. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kinds of funds) by the Company to or in any other person or entity, including foreign entity ("intermediaries"), with the understanding , whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner

whatsoever by or on behalf of the Company (" Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries:

- B. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (" Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (" Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - C. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (II) of Rule 11(e), as provided under (A) and (B) above, contain any material misstatement.
3. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

As provision to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 01, 2024, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2025.

- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has incurred cash losses during the financial year amounting to Rs. 14,89,433/-. In the immediately preceding year, the Company had incurred cash losses amounting to Rs. 47,52,629/-.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. During the year Section 135(1) of the Act is not applicable to the company, hence reporting

under clause 3(xx)(a) of the Order is not applicable.

- xxi. During the year, there are no remarks by the respective auditor of the Company to be included in the Consolidated Financial Statement, hence clause 3(xxi) of the order is not applicable.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Inland Printers Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub- section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

1. We have audited the internal financial controls over financial reporting of **Inland Printers Limited** (the “Company”) as of March 31, 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

2. The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A

company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Note 1

I Company Formation:

The Company was incorporated as a public limited company on 3rd November, 1978. The Company is engaged in E-commerce activity relating to printing business. The equity shares of the Company are listed at the Bombay Stock Exchange (BSE).

II Basis of Preparation, Measurement and Significant Accounting Policies

(A) Basis of preparation of Financial Statements

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by the Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

(B) Key Accounting Estimates and Judgements

The preparation of the financial statements requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates. The estimates and judgements used in preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

Current /Non Current Classification

Any asset or liability is classified as current if it satisfies any of the following conditions:

- (i) the asset/liability is expected to be settled/realised in the Company's normal operating cycle
- (ii) the asset is intended for sale or consumption
- (iii) the asset/liability is held primarily for the purpose of trading
- (iv) the asset/liability is expected to be realised/settled within twelve months after the reporting period.
- (v) the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.
- (vi) in the case of a liability, the Company does not have unconditional right to defer settlement of the liability for at least twelve months after reporting date.

All other assets and liabilities are classified as non-current

(C) Significant Accounting Policies

i Statement of Compliances with Indian Accounting Standards (Ind AS)

The financial statements of the Company comply in all material aspects with IND AS notified under Section 133 of the Companies Act, 2013, [Companies (Indian Accounting Standards) Rules, 2015 (as amended)] and other applicable laws.

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values

ii Basis of Preparation and Presentation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values

iii Property, Plant and Equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs comprises purchase price and any attributable cost of bringing the assets to its working condition for its intended use. The cost of property, plant and equipment acquired in a business combination is recorded at fair value on the date of acquisition.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on De-recognition of the asset is included in the Statement of Profit or Loss when the asset is derecognised.

Inland Printers Limited

- iv** Depreciation on property, plant and equipment has been provided on Straight Line Method over their useful lives. Estimated useful lives of the assets are as below:

Property, Plant and Equipment	Number of Years
Plant and Equipment	15 years
Office Equipment	5 years
Furniture, Fixture and other Fittings*	7 years
Leasehold Improvement*	Lease term or 7 years, whichever is lower
Vehicle	8 years
Computers (End User Device)	3 years
Computers (Other than End User Device)	6 years

*Based on technical evaluation, the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

The residual values, estimated useful lives and methods of depreciation are reviewed at the end of each reporting period and the effect of any changes in estimate is accounted for prospectively.

- v** Intangible Assets

Intangible Assets are carried at acquisition cost less accumulated amortisation and accumulated impairment losses, if any. Acquisition cost includes Information system related Costs as well as costs incurred for enhancement and improvements. Amortisation is recognised on a straight line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period and the effect of any changes in estimates is accounted for prospectively.

Estimated useful lives of the Intangible assets are as follows:

Intangible Assets	Useful lives
Computer Software	6 years
License Rights	Over the period of License

- vi** **Revenue Recognition:**

Rendering of services

Revenue from a contract to provide services is recognised as they are rendered based on arrangements with the customers.

- vii** Leases

The Company as a lessee

The Company's Lease assets classes primarily consist of leases for Buildings (Leased Stores). The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognised on a straight line basis over the term of the relevant lease.

viii Taxation:

Income Taxes:

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognised directly in equity or in other comprehensive income.

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off corresponding current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

ix Earnings Per Share:

Basic EPS is arrived at based on net profit after tax available to equity shareholders to the weighted average number of equity shares outstanding during the year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

x Borrowing costs

Borrowing costs that is directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in the statement of profit or loss in the period in which they are incurred.

xi Employee benefits

Short term employee benefits

All employee benefits payable wholly within twelve months from reporting date are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives and the expected cost of bonus etc. are recognised as an expense at the undiscounted amount in statement of profit and loss for the period in which the related service is rendered.

Post-employment defined contribution benefits

Payment to defined contribution plans such as provident fund, employee state insurance etc. are recognised as expense when employees have rendered services entitling them to such contributions. Company has no further payment obligations once the contributions have been paid.

Post-employment defined benefit benefits

Cost of post-employment benefit plans such as gratuity are recognised as an expense in the statement of profit and loss for the period in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using projected unit credit method, with actuarial valuation techniques at the end of each annual reporting period. Service cost (including current service cost, past service cost) and interest expense are recognised in the statement of profit and loss. Gains and losses through re-measurements of the net defined benefit liability are recognised in other comprehensive income. The effect of any plan amendments are recognised in statement of profit and loss.

Other long term employee benefit

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date. Cost of other long term benefits are determined using projected unit credit method, with actuarial valuation techniques at the end of each annual reporting period and the cost (including re-measurement) is recognised in statement of profit and loss.

xii Inventories

Inventories are stated at the lower of cost and net realisable value. Costs of inventories are determined on weighted average basis. Cost of inventories comprise of cost of purchase, cost of conversion and other related cost incurred in bringing the inventories to their present location and condition.

xiii Foreign currencies

Indian rupees (₹) is the functional currency of the Company. In preparing these financial statements, transactions in currencies other than the functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognised in statement of profit and loss in the period in which they arise except for exchange differences which are regarded as an adjustment to interest cost as per policy on borrowing cost.

xiv Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognized nor disclosed except when realisation of income is virtually certain, related asset is disclosed. When the Company expects some or all of a provision to be reimbursed, reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

xv Financial instruments

Classification as financial liability or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial assets and financial liabilities- Initial recognition.

Financial instruments comprise of financial assets and financial liabilities. Financial assets primarily comprise of investments, loans, deposits, trade receivables and cash and bank balances. Financial liabilities primarily comprise of borrowings, trade and other payables and financial guarantee contracts.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets/ issue of financial liabilities are added to the fair value of the financial assets/ subtracted from fair value of financial liabilities on initial recognition, except for financial asset/ liability is subsequently measured at fair value through profit or loss.

Subsequent measurement

Financial assets and financial liabilities at amortised cost

After initial recognition all financial assets (other than investment in equity instruments and derivative instruments) are subsequently measured at amortised cost using the effective interest method. All financial liabilities (other than derivative liabilities), subsequently after initial recognition, are measured at amortised cost using effective interest method. The Company has not designated any financial asset or financial liability as fair value through profit or loss ("FVTPL").

Financial assets and financial liabilities at FVTPL

All derivative assets and derivative liabilities are always measured at FVTPL with fair value changes is being recognised in statement of profit and loss.

Investment in equity instruments either at FVTPL or FVTOCI

Investment in equity instruments are measured at FVTPL with fair value changes is being recognised in statement of profit and loss. However, on initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

Financial guarantee obligation

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

After initial recognition of financial guarantee obligation at fair value, the Company subsequently measured it at the higher of:

- Amount of loss determined in accordance with impairment requirement under Ind AS 109 (see policy on impairment of financial asset); and
- The amount initially recognised less, when appropriate, the cumulative income recognised.

Impairment of financial asset

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables and other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate.

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial asset has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

For trade receivables, the Company measures the loss allowance at an amount equal to lifetime expected credit losses.

De-recognition of financial asset

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

xvi Operating segment

The management views the Company's operation as a single segment engaged in E-Commerce activity relating to Printing Business . Hence there is no separate reportable segment under Ind AS 108 'Operating segment'.

xvii Key sources of estimation uncertainty and critical accounting judgements

In the course of applying the accounting policies, the Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

Key sources of estimation uncertainty

Useful lives of property, plant and equipment

Management reviews the useful lives of property, plant and equipment at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. Accordingly, depreciable lives are reviewed annually using the best information available to the Management.

Impairment of property, plant and equipment, investment in subsidiaries, joint ventures and associates

Determining whether the assets are impaired requires an estimate in the value in use of cash generating units. It requires to estimate the future cash flows expected to arise from the cash generating units and a suitable discount rate in order to calculate present value. When the actual cash flows are less than expected, a material impairment loss may arise.

Provisions, liabilities and contingencies

The timing of recognition of provision requires application of judgement to existing facts and circumstances which may be subject to change

Fair value measurements

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party qualified valuers to perform the valuation.

The management works closely with the qualified external valuers to establish the appropriate valuation techniques and inputs to the model. A degree of estimate is required in establishing fair values.
