NOTICE

Notice is hereby given that the 29th Annual General Meeting (AGM) of the Company will be held on Monday, the 11th day of August, 2025 at 4 pm (IST) through video conferencing (VC) or other Audio Visual Means (OAVM). The Company will conduct the meeting from Registered Office of the Company (deemed venue of the AGM) situated at 13B Bidhan Sarani, 4th Floor, Kolkata 700006 to transact the following business.

ORDINARY BUSINESS :

To consider and, if thought fit, pass, with or without modification(s), the following resolutions as ordinary resolutions:

1. “RESOLVED THAT the annual financial statements for the year ended 31st March, 2025 including the Audited Balance Sheet as at 31st March 2025 and Audited Profit and Loss Account for the year ended 31st March 2025, together with the Board and Auditors’ Reports be and hereby received, considered and adopted.”
2. “RESOLVED THAT a final dividend of Rs. 1.00 per share on the paid up equity shares of Rs 10/- each of the Company for the year ended 31st March, 2025, be and is hereby declared to be paid to the Members of the Company, holding shares in the dematerialized form, to those whose names appear in the list of beneficial holders furnished by respective Depositories as at the end of business hours on Friday, 13th June, 2025.
3. “RESOLVED THAT Mr Aparesh Nandi (DIN: 00722439), Chairman and Director of the Company, who retires by rotation at this meeting and, being eligible, has offered himself for re-appointment, be and is hereby re-appointed as a Director of the Company.

SPECIAL BUSINESS:

4. Disinvestment in Subsidiary ‘BCL Bio Energy Private Limited’ (CIN: U11200WB2021PTC244926) under Section 180(1)(a) of the Companies Act, 2013:

To consider and if thought fit, to pass with or without modification(s), the following resolution as a Special Resolution:

“RESOLVED THAT pursuant to the provisions of section 180(1)(a) and other applicable provisions if any, of the Companies Act, 2013, and the relevant rules made thereunder, Regulation 24 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (including any statutory modifications, amendments or re-enactments of any of them for the time being in force), the Memorandum and Articles of Association of the company and subject to other requisite approvals to the extent necessary as may be required, the consent of the members be and is hereby accorded to the Board of Directors of the Company (hereinafter referred to as Board) to sell/ transfer or otherwise dispose-off, 22% investments i.e. 34,32,000 shares or as specified by the Board of Directors in one or more tranches held in BCL Bio Energy Private Limited, a subsidiary company to Phoenix Overseas Limited (CIN: L15314WB2002PLC095587), a group company and at the consideration as per the Statutory Valuation Report in compliance with the provisions of the Act and the Board may finalise the terms and conditions of the agreement in this regard.

RESOLVED FURTHER THAT for the purpose of implementation of this resolution, the Board be and is hereby authorised to do all such acts, deeds, matter and things, including but not limited to deciding the time, mode, manner, extent of tranches, if required and other terms and conditions of the disinvestment/ sales of the shares as aforesaid, negotiating and finalising the terms of sale/ offer for sale as may be necessary, desirable and expedient to be agreed, and all incidental and necessary steps for and on behalf of the company and to settle all questions or queries that may arise in the course of implementing this resolution.”

5. Appointment of M/S. TP and Associates, Practising Company Secretaries as Secretarial Auditors and Fix Their Remuneration

To consider and if thought fit, to pass with or without modification(s), the following resolution as a Special Resolution:

“RESOLVED THAT pursuant to the provisions of Regulation 24A & other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) read with Circulars issued thereunder from time to time and Section 204 and other applicable provisions of the Companies Act, 2013, if any read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (“the Act”), M/s TP and Associates, Practising Company Secretaries (Membership Number : 49208 and Certificate of Practice number: 22187) be and is hereby appointed as Secretarial Auditors of the Company for a period of 5 consecutive years, from April 1, 2025 to March 31, 2030 (‘the Term’), on such terms & conditions, including remuneration as may be determined by the Board of Directors (hereinafter referred to as the ‘Board’ which expression shall include any Committee thereof or person(s) authorized by the Board).

“RESOLVED FURTHER THAT approval of the Members be and is hereby accorded to the Board to avail or obtain from the Secretarial Auditor, such other services or certificates or reports which the Secretarial Auditor may be eligible to provide or issue under the applicable laws at a remuneration to be determined by the Board.”

By order of the Board
Company Secretary
Devshree Sinha
(Mem No:A21786)

Place: Kolkata
Date: 29th May, 2025

Notes:

1. As you are aware, that the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020, Circular No. 20/2020 dated May 05, 2020, Circular No. 02/2021 dated 13.01.2021, Circular No. 19/2021 dated 8.12.2021, Circular No. 21/2021 dated 14.12.2021 and Circular No. 2/2022 dated 05.05.2022, read with the Securities and Exchange Board of India (“SEBI”) Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/167 dated 7th October, 2023. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM. The deemed venue of the meeting will be the registered office of the Company situated at 13B Bidhan Sarani, 4th Floor, Kolkata 700006.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has

entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.bcril.com. The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020, Circular No. 02/2021 dated 13.01.2021, Circular No. 19/2021 dated 8.12.2021, Circular No. 21/2021 dated 14.12.2021 and Circular No. 2/2022 dated 05.05.2022 and dated 7.10.2023.
8. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and Circular No. 02/2022 dated 05.05.2022 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021 or 2022 or 2023 or 2024 or 2025, to conduct their AGMs on or before 30.09.2025, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021.
9. The Board of Directors of the Company at its meeting held on 29th May 2025 has appointed (i) CA Sudhir Kothari, (Membership No. 053874), Chartered Accountants, (FRN 330320E) Sudhir Kothari & Associates, having its office at 10/1, Deodar Street, Kolkata- 700019, West Bengal, India as the Scrutinizer, for conducting the postal ballot process and e-voting process in a fair and transparent manner and (ii) Central Depository Services (India) Limited (CDSL) to provide e-voting facility for the postal ballot.
10. Relevant documents and registers are available for inspection at the Registered office of the Company during business hours on all days except Saturdays, Sundays and public holidays upto the date of Annual General Meeting subject to restrictions that may be imposed by the Government from time to time.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on <8th August 2025 (Friday) at 9.00 am (IST) > and ends on <10th August 2025 (Sunday) at 5pm (IST)>. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of <4th August 2025 (Monday)> may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Dividend shall be paid to the Members of the Company, holding shares in the dematerialized form, to those whose names appear in the list of beneficial holders furnished by respective Depositories as at the end of business hours on Friday, 13th June, 2025 (Record date).
- (iii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iv) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (v) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode** is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL	1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The users to login to Easi / Easiest are requested to visit cdsi website www.cdslindia.com and click on login icon & My Easi New (Token) Tab. 2) After successful login the Easi / Easiest user will be able to see the e-Voting option for eligible companies where the evoting is in progress as per the information provided by company. On clicking the evoting option, the user will be able to see e-Voting page of the e-Voting service provider for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.

	Additionally, there is also links provided to access the system of all e-Voting Service Providers, so that the user can visit the e-Voting service providers' website directly. 3) If the user is not registered for Easi/Easiest, option to register is available at cdsi website www.cdslindia.com and click on login & My Easi New (Token). Tab and then click on registration option. 4) Alternatively, the user can directly access e-Voting page by providing Demat Account Number and PAN No. from a e-Voting link available on www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the Demat Account. After successful authentication, user will be able to see the e-Voting option where the evoting is in progress and also able to directly access the system of all e-Voting Service Providers.
Individual Shareholders holding securities in demat mode with NSDL	1) If you are already registered for NSDL IDeAS facility, please visit the e-Services website of NSDL. Open web browser by typing the following URL: https://eservices.nsdl.com either on a Personal Computer or on a mobile. Once the home page of e-Services is launched, click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section. A new screen will open. You will have to enter your User ID and Password. After successful authentication, you will be able to see e-Voting services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider name and you will be re-directed to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. 2) If the user is not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Select "Register Online for IDeAS "Portal or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp 3) Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting 4) For OTP based login you can click on https://eservices.nsdl.com/SecureWeb/evoting/evotinglogin.jsp. You will have to enter your 8-digit DP ID, 8-digit Client Id, PAN No., Verification code and generate OTP. Enter the OTP received on registered email id/mobile number and click on login. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider name and you will be re-directed to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.

Individual Shareholders (holding securities in demat mode) login through their Depository Participants	You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. After Successful login, you will be able to see e-Voting option. Once you click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.
--	--

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 21 09911.
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at : 022 - 4886 7000 and 022 - 2499 7000

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

(vi) Login method for e-Voting and joining virtual meeting for **shareholders other than individual shareholders holding in Demat form & physical shareholders.**

- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
- 2) Click on "Shareholders" module.
- 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- 6) If you are a first-time user follow the steps given below:

	For Shareholders holding shares in Demat Form other than individual and Physical Form
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) • Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.

Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).
--	--

- (vii) After entering these details appropriately, click on “SUBMIT” tab.
- (viii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (ix) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (x) Click on the EVSN for the relevant <BCPL Railway Infrastructure Limited> on which you choose to vote.
- (xi) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xii) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xiii) After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xiv) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xv) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- (xvi) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvii) There is also an optional provision to upload BR/POA if any uploaded, which will be made available to scrutinizer for verification.
- (xviii) **Additional Facility for Non – Individual Shareholders and Custodians –Remote Voting**
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the “Corporates” module.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.

- After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- Alternatively Non Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz; investors@bcrl.com , if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

The Final Dividend on Equity shares for the financial year ended 31st March, 2025, as recommended by the Board, if approved and declared at the AGM, will be paid within 30 days of declaration, to the Members of the Company, holding shares in the dematerialized form and whose names appear in the list of beneficial holders as at the end of the business hours as on the record date, on 4th August, 2025.
17. Members are informed that the bank particulars registered with the respective Depository Participants (DP), with whom they maintain their demat accounts, will be used by the Company for payment of Dividend. Members are requested to update their banking details with the respective DPs, as per the process advised by your DP.
18. In case the Company is unable to pay dividend to any shareholder by electronic mode, due to non-availability of the details of the bank account, the Company shall upon normalization of the postal services dispatch the dividend warrants/cheque to such shareholders by post.
19. Pursuant to the provisions of the Companies Act, 2013, Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('Rules') notified by the Ministry of Corporate Affairs effective September 7, 2016, all shares in respect of which dividend has not been paid or claimed by the shareholders for seven consecutive years or more would be transferred to the Investor Education and Protection Fund (IEPF) of the Central Government. The Company has no such shares on which dividend is unpaid or unclaimed dividend for a period of seven years that is required to be transferred to the Investor Education and Protection Fund (IEPF).
20. Members may note that as per the Income Tax Act, 1961, as amended by the Finance Act, 2020, dividends paid or distributed by the Company after 1st April 2020, shall be taxable in the hands of the shareholders and the Company shall be required to deduct tax at source (TDS) at the prescribed rates from the dividend to be paid to shareholders, subject to approval of shareholders in the ensuing AGM. The TDS rate would vary depending on the residential status of the shareholder and the documents submitted by them and accepted by the Company.

- a. All Shareholders please note that the below details are to be completed and/or updated, as applicable, in their respective demat account(s) maintained with the Depository participant(s), on or before the record date ie. 13th June 2025 (Friday).

Please note that the following details, in case you had already registered with the Company, as available with the Company in the Register of Members/Register of Beneficial Ownership maintained by the Depositories will be relied upon by the Company, for the purpose of complying with the applicable TDS provisions:

- I. Valid Permanent Account Number (PAN).
- II. Residential status as per the Income Tax Act, 1961 i.e. Resident or Non-Resident for FY 2024-25.
- III. Category of the Shareholder viz. Mutual Fund, Insurance Company, Alternate Investment Fund (AIF) Category I and II, AIF Category III, Government (Central/State Government), Foreign Portfolio Investor (FPI)/Foreign Institutional Investor (FII): Foreign Company, FPI/FII: Others (being Individual, Firm, Trust, Artificial Juridical Person, etc.), Individual, Hindu Undivided Family (HUF), Firm, Limited Liability Partnership (LLP), Association of Persons (AOP), Body of Individuals (BOI) or Artificial Juridical Person, Trust, Domestic Company, Foreign Company, etc.
- IV. Email Address.
- V. Residential Address

- b. For Resident Shareholders, TDS is required to be deducted at the rate of 10% under Section 194 of the Income Tax Act, 1961 on the amount of dividend declared and paid by the Company in the financial year 2025-26 provided valid PAN is registered by the Shareholder. If the valid PAN is not registered, the TDS is required to be deducted at the rate of 20% under Section 206AA of the Income Tax Act, 1961.

However, no tax shall be deducted on the dividends paid to resident individuals if aggregate dividend distributed or likely to be distributed during the financial year does not exceed ₹10000. Normal dividend(s) declared in the preceding financial year would be considered as the basis to determine applicability of the said threshold for the entire financial year.

Even in the cases where the shareholder provides valid Form 15G (for individuals, with no tax liability on total income and income not exceeding maximum amount which is not chargeable to tax) or Form 15H (for individual above the age of 60 years with no tax liability on total income), no TDS shall be deducted.

- c. For Non-resident shareholders, the TDS is required to be deducted at the rate of 20% (plus applicable surcharge and cess) under Section 195 of the Income Tax Act, 1961. Further, as per Section 90 of the Income Tax Act, 1961 the non-resident shareholder has the option to be governed by the provisions of the Double Tax Avoidance Treaty between India and the country of tax residence of the shareholder, if they are more beneficial to them. For this purpose, i.e. to avail Tax Treaty benefits, the non-resident shareholders will have to provide the following:

- I. Self-attested copy of the PAN allotted by the Indian Income Tax authorities;
- II. Self-attested copy of valid Tax Residency Certificate obtained from the tax authorities of the country of which the shareholder is a resident;
- III. Self-declaration in Form 10F; and
- IV. Self-declaration in the attached format certifying:

- Shareholder is and will continue to remain a tax resident of the country of its residence during the Financial Year 2024-25;
- Shareholder is eligible to claim the beneficial DTAA rate for the purposes of tax withholding on dividend declared by the Company;
- Shareholder has no reason to believe that its claim for the benefits of the DTAA is impaired in any manner; Shareholder is the ultimate beneficial owner of its shareholding in the Company and dividend receivable from the Company; and
- Shareholder does not have a taxable presence or a permanent establishment in India during the Financial Year 2024-25.

- d. The draft of the aforementioned documents may also be accessed from the Company's website at www.bcril.com.
- e. Accordingly, in order to enable us to determine the appropriate TDS / withholding tax rate applicable, we request you to provide these details and documents as mentioned above before 13th June, 2025. Kindly note that the aforementioned documents are required to be emailed to investors@bcril.com.
- f. It may be further noted that in case the tax on dividend is deducted at a higher rate in absence of receipt of the aforementioned details/ documents, there would still be an option available with the shareholder to file the return of income and claim an appropriate refund, if eligible. No claim shall lie against the Company for such taxes deducted.
- g. We shall arrange to email the soft copy of TDS certificate at your registered email ID in due course, post payment of the dividend.
- h. Effective April 1, 2024, SEBI has mandated that the shareholders, who hold shares in physical mode and whose folios are not updated with any of the KYC details viz. (i) PAN (ii) Choice of Nomination (iii) Contact Details (iv) Mobile Number (v) Bank Account Details and (vi) Signature, shall be eligible to get dividend only in electronic mode. Accordingly, payment of dividend (as and when declared), subject to approval at the AGM, shall be paid to physical holders only after the above details are updated in their folios. Shareholders are requested to complete their KYC by writing to the Company's RTA, Maheshwari Datamatics Pvt.Ltd. The forms for updating the same are available at Company's website www.bcril.com and RTA www.mdp.in.

Explanatory statement pursuant to Sections 102 of the Companies Act, 2013

The following explanatory statement pursuant to Section 102 (1) of the Companies Act, 2013, sets out all material facts relating to the business mentioned in item in the accompanying Notice of the Annual General Meeting of the Company.

Item No. 4

The company proposes to disinvest its investment of 34,32,000 equity shares of Face Value Rs 10/- each in BCL Bio Energy Private Limited, which is a subsidiary Company to its group company, Phoenix Overseas Limited. The Rice Bran Extraction plant is facing initial turbulence customary of any new manufacturing facility. The Company being in the area of Railway Infrastructure development, it would not be possible for it to provide the required management bandwidth for augmenting the marketing thrust required for the products of BCL Bio Energy Private Limited. But at the same time BCPL is aware that with better management support the business of BCL would achieve exponential growth. The Board keeping in view its constraints feel that it is prudent to partially divest its stake from the Subsidiary and considers the proposed disinvestment in the best interest of the Company. Such disinvestment will amount to sale of substantial interest in undertaking by the Company, such that BCL Bio Energy Private Limited ceases to be a subsidiary of the concern. Your Directors propose resolution under section 180(1)(a) of the Companies Act, 2013 for the approval of the shareholders.

Members of the Company are further requested to note that Section 180(1)(a) of the Companies Act, 2013 mandates that the Board of Directors of the company shall exercise the power to sell its stake in the subsidiary concern, only with the approval of the members of the Company by way of a special resolution. The consideration will be determined as per the Statutory Valuation Report in compliance with the provisions of the Act. The Board recommends the Resolutions at Item No.4 of the accompanying Notice for approval by the Members of the Company.

The Directors of the Company or their relatives are concerned or interested in the passing of the Resolution at Item No 4 of the accompanying Notice to the extent of their shareholding in the company.

Item No.5

Pursuant to the Regulation 24A & other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") read with

provisions of Section 204 read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and other applicable provisions of the Companies Act, 2013, if any (“the Act”), the Audit Committee and the Board of Directors at their respective meetings held on May 29, 2025 have approved subject to approval of Members, appointment of M/s TP and Associates, Practising Company Secretaries (Membership Number: 49208 and Certificate of Practice number: 22187) as Secretarial Auditors for a term of 5(Five) consecutive years from April 1, 2025 till March 31, 2030.

M/s TP and Associates a Secretarial Audit Firm, reputed firm of Company Secretaries having specialization in Secretarial Audit, Corporate laws and Securities law including Corporate Governance & CSR, Capital markets, RBI, etc. Over the years, M/s TP and Associates a Secretarial Audit Firm has built a diverse client base and has served several corporate clients. The firm is Peer reviewed. M/s TP and Associates, have consented to the said appointment and confirmed that their appointment, if made, would be within the limits specified by the Institute of Companies Secretaries of India. They have further confirmed that they are not disqualified to be appointed as Secretarial Auditors in term of provisions of the Companies Act, 2013, the Companies Secretaries Act, 1980 and Rules and Regulations made thereunder and the SEBI Listing Regulations read with SEBI Circular dated December 31, 2024.

The appointment is subject to such remuneration as may be mutually agreed upon between the Board of Directors and the Secretarial Auditors, from time to time. The payment for services in the nature of certifications and other professional work will be in addition to the Secretarial audit fee and shall be determined by the Audit Committee and/or the Board of Directors Fee for subsequent year(s), as determined by the Audit Committee and/or the Board of Directors.

None of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No 5. The Board recommends the Resolutions at Item No.5 of the accompanying Notice for approval by the Members of the Company.

Annexure to Item 3 of the Notice

Details of Directors seeking appointment subject to approval of the shareholders’ Pursuant to Regulation 36(3) of the SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015 and Secretarial Standard 2 on General Meetings:

Message from the MD's Desk

Dear Ladies and Gentlemen,

At the outset, I am pleased to state that driven by our focus on timely completion of projects to the satisfaction of the clients, strategic management initiatives and efficient work force, we have been able to register impressive performance. In line with our expectations, we have been able to clock a growth of almost 50% in the Top Line. Building trust among stakeholders, employees, vendors, and clients, has been central to our philosophy. By nurturing an emotional bond rather than a mere transactional relationship, we have been able to create a supportive and innovative environment. This atmosphere encourages our employees to think creatively, experiment and learn from failures, thereby fostering motivation and extract leadership qualities in their work. Our collective efforts ensure timely completion of projects, enduring success and a strong reputation. Our ability to build long-term relationships with our stakeholders has also been a reason for our sustained

growth. Our culture of accessibility, open communication, work-life balance, and enduring leadership qualities have been instrumental in driving and maintaining our esteemed position in the industry. Our strong cultural foundation has facilitated many successful ventures. We have demonstrated remarkable resilience in turbulent times and have collectively worked hard to the best of our abilities to overcome challenges to perform in unprecedented circumstances, thereby, reducing the impact of inflation in input prices and transportation charges. Our focus on quality of work, profitability, sustainable growth and completion of projects on time, has helped us to grow our business despite inflationary challenges.

During the FY 24-25, the Railway Business of the Company has been able to perform satisfactorily in outperforming its revenue generation. Though the EBIDTA Margin of the business has taken a meagre hit of 90 basis points amidst overall inflationary conditions which has exerted some pressure, it is expected to stabilise after the price variation claims in the projects are approved by the competent authorities. The Management is taking all steps to protect the margins and is hopeful of maintaining the same because of the company's focus on key areas that may affect profitability. It is expected to register growth in the current fiscal year because of the newer projects and the overall buoyancy in the railways sector. Maintaining momentum is envisaged considering the overall buoyancy in the railways sector amplified by the Government's thrust for modernising the Railway Infrastructure through projects for speed augmentation and safety improvement.

BCPL's adherence to the policy of not compromising with either the quality of work or margins has been appropriately rewarded by the market and it has been able to garner prestigious electrification projects from the Indian Railways at prices that would ensure steady growth of the Company. The Management's adept strategies and focused approach in targeting project completion has resulted in sustainability and growth.

BCPL has always adhered to the principle of serving the best quality infrastructural facility without compromise. This commitment to excellence has been the cornerstone of our success for the past three decades. It has been a year of good progress, a year to set aside challenges and move towards considerable success – all of which we attribute to our team's diligent efforts. With the support of our stakeholders and the undaunted efforts of our employees and our strategic management abilities we have been able to achieve a steady business performance. BCPL's moto is *on time completion of projects maintaining best standard of performances*. Contributing towards promotion of green initiatives the company helps in running of trains with Electric Traction which in turn would reduce pollution and the country's dependence on imported fossil fuels.

Safety is of paramount importance in our area of work and we, at BCPL, are ever focused on improving the safety of our workers. During FY 2024-25, we have strictly implemented the 'STAY SAFE AND ZERO TOLERANCE' policy at work sites. Priority was given for establishing, maintaining, promoting, excellent safety standards and achieving 'Zero Accident' at work sites. Insuring our workforce against all accidents has been the priority of our concern and we have taken all possible measures to ensure their well-being.

The Rice Bran Extraction plant is going through initial turbulence typically faced by any new manufacturing facility. Operational for around 6 to 7 months during the FY 25-26, it started facing issues in terms of machinery tuning and stabilisation, initial lethargy of the raw material vendors and requirement of management bandwidth for augmenting the marketing thrust required for crude rice bran oil & deoiled rice bran products of 'BCL Bio Energy P Ltd'.

Considering the requirement of the subsidiary regarding better management support to achieve exponential growth, partial divestment of the stake in 'BCL' to Phoenix Overseas Limited, a group company with immense experience in international and domestic trade of products manufactured by 'BCL' is

recommended. Consequently, 'BCL' will cease to be subsidiary of the company.

BCPL believes that all round development can be brought about by paying attention to regions, groups and people which are backward and have special needs and by helping citizens to acquire useful skills. To achieve this, the Company is funding all its CSR activities through 'BRIL Social Foundation' to ensure social, economic and cultural development of the weaker sections of the society, in the manner recommended by its CSR Committee, in line with the stipulations of the Schedule VII to the Companies Act, 2013 and its CSR policy. The Company has identified CSR projects in promoting education, health care, scholarship programs, skill development with particular emphasis on economically backward groups in areas around which the Company operates. Our CSR initiatives are also focused towards grooming freshers in the field of engineering to become industry ready through the internships conducted by BRIL Social Foundation.

We at BCPL are optimistic about the positive outcomes of the green shoots visible in the Indian Economy and especially in the Railway Infrastructure space. With this sense of optimism in mind the Board has decided to recommend payment of Dividend to the shareholders of the Company at the rate of Rs.1.00 per share for the financial year 2024-25. With these words, I would once again thank all our associates for deciding to be a part of our progressive journey.

Jayanta Kumar Ghosh
Managing Director
(DIN:00722445)
BCPL Railway Infrastructure Limited

ACHIEVING EFFICACY

Promoting Pollution free environment with commitment for "On time completion of projects maintaining the best standards of performances"

Sustainable development by modernization through difficult terrain in rural and forested areas connecting the North Eastern parts of India

COMMITMENT FOR ZERO ACCIDENTS

MANDATORY COMPLIANCE OF SAFETY NORMS AT ALL UNITS

- USE OF SAFETY GEARS
- ADHERENCE TO SAFETY STANDARDS
- ORGANISING OF PERIODICAL SAFETY TRAINING SESSIONS
 - SAFETY VIGILANCE AND AUDIT
- ZERO TOLERANCE TOWARDS ACCIDENTS
- OCCUPATIONAL HEALTH AND SAFETY WITH INSURANCE

QUALITY CHECKS AND CONTROLS

Over the last three decades, we have made remarkable progress and achieved numerous milestones, each adding to our success story. We had demonstrated our proven proficiency in providing qualitative and timely completion of projects to the Indian Railways. This in turn has been an impetus to our longstanding ties that continue to endure with the Indian Railways.

Engagement procedures:

GOVERNANCE FRAMEWORK

Our fundamental corporate behaviour aims at conducting our business with integrity and the highest level of governance. We consistently uphold rigorous standards of governance that not only comply with applicable legislation but aim at serving the stakeholders considering the best standards of performance. Our governance practices prioritise maintaining an effective, well informed, and independent Board. The Board is responsible for our Company's management, strategic direction, and performance, with support from the Board Committees and the Management.

Board committees

Audit Committee	Stakeholders' Relationship & Investor Grievance Committee	Compensation & Nomination & Remuneration Committee	Corporate Social Responsibility Committee
Ensure the integrity of our Company's financial statements, internal control arrangements, and compliance with legal and regulatory requirements. Overseeing the statutory auditors' performance, qualifications, and independence.	Review of the Company's Investor Service Standards and addressing shareholders' grievances effectively.	Recommending candidates for directorship, determining the remuneration structure and evaluating their performances.	Responsible for formulating and recommending a Corporate Social Responsibility (CSR) Policy to the Board, in terms of the applicable laws, and overseeing its implementation.

Code of Conduct

We maintain a code of conduct that applies to all Directors and senior management. The code emphasises on core values and principles while outlining expectations to act in accordance with the highest standards of integrity, independence and ethical behaviour.

Policies

The Company's policies serve as an enabling framework for realising our governance vision and ensuring transparency both within and outside the organisation. The policies may be viewed at <https://bcril.com/policies/>.

STAKEHOLDERS' RELATIONSHIP

During our journey, we have been achieved numerous milestones, each creating incremental value for our stakeholders, thereby significantly impacting the industry. Building trust across our stakeholders' is paramount to us. Therefore, we have embraced a comprehensive reporting approach to ensure transparency and provide stakeholders with a holistic view of our financial and non-financial performance. Our governance practices prioritise maintaining an effective, well informed, and transparent approach to ensure satisfied stakeholders with whom we enjoy longstanding ties that continue to endure. We believe that an enterprise and the society in which it operates are mutually dependent on each other and the growth of the industry is proportional to the equitable development of the country, its environment and its people, irrespective of religion, race, caste, creed and gender.

Initiatives for meeting Stakeholders' requirements

DISCHARGING CORPORATE SOCIAL RESPONSIBILITIES

An enterprise and the society in which it operates are mutually dependent on each other and the growth of the industry is proportional to the equitable development of the country, its environment and its people, irrespective of religion, race, caste, creed and gender. Your Company also believes that all round development can be brought about by paying attention to regions, groups and people that are backward and have special needs and by helping citizens to acquire useful skills. To this extent, your Company has directed its funds in sourcing social activities performed by 'BRIL Social Foundation' in accordance with the provisions of law for fulfilling the aforesaid objective as laid out in Schedule VII to the Companies Act, 2013, as recommended by its CSR Committee in terms of the CSR Policy and approved by its Board of Directors on areas around in which the Company operates.

Your Company has granted funds to the Indian Institute of Cerebral Palsy (IICP), an NGO working in the disability sector since 1974, for providing equal opportunities and access for all marginalised groups including persons with disabilities. IICP being an accredited institution for education of the disadvantaged provides a multi-disciplinary team of special educators, physiotherapists, occupational therapists and social workers. Early Intervention Clinic and family services work with parents and primary caregivers for the effective management of their child with disability. At their Vocational Training Centres rehabilitation services are provided for persons with disabilities and capacity building through skill development training with an emphasis on employment and sustainable livelihoods is disseminated in rural areas and urban slums in partnership with local organisations.

CSR Projects Identified	Areas of operation
Higher studies to talented yet economically marginalised student	Financial assistance directly to the beneficiary student of economically backward section facilitating them for higher education in established institutes viz. Indian Institute of Technology, Kharagpur, West Bengal
Training to differently abled	Financial assistance to the Indian Institute of Cerebral Palsy (IICP), an NGO working in the disability sector since 1974
Training for skill development	Financial assistance to BRIL Social Foundation engaged in providing skill development initiatives for marginalised group of youths for enhancing employment opportunities and sustainable livelihoods

SKILL DEVELOPMENT - A CSR INITIATIVE

Our Social investments projects are targeted at socio-economic development for all, especially the talented yet marginalised population around our operational areas.

'Skilling' is a CSR Initiative of the Company organised in association with 'BRIL Social Foundation'. It plays a crucial role in training unskilled and semi-skilled ITI, Diploma and degree students or students of similar trade in electrification and other allied activities. Trainees are introduced to numerous products, procedures, techniques, soft skills and methods of interaction, design and drawings in order to increase their efficiency and earnings. They are also introduced to site working environment to give them insight into the actual on-job procedures. The training modules have been designed to provide both in-house and at site training facilities, so that the trainees can equip themselves for better opportunities in the future that will enable them to earn better. This ensures all-round betterment and growth of trainees in their profession.

Our initiative is directed towards enhancing skills of talented youths in aiming at their socio-economic development. Our CSR initiatives aim at providing scholarships to talented yet economically challenged youths aspiring in higher studies viz. IIT or other trades. It is also focussed towards grooming freshers under economically marginalised group to become industry ready through the internship programme conducted by BRIL Social Foundation.

Profit Before Tax	620.14	728.41	(-)14.87%
Profit After Tax	505.92	535.70	(-)5.56%

Operating Performance

The Railway Business of the Company has registered an impressive performance by clocking a growth of almost 50% in the Top Line in line with our expectations and is envisaged to maintain the momentum considering the overall buoyancy in the railways sector amplified by the Government's thrust for modernising the Railway Infrastructure through projects for speed augmentation and safety improvement.

The EBIDTA Margin of the business has taken a meagre hit of 90 basis points which is expected to stabilise after the price variation claims in the projects are approved by the competent authorities.

The Management is taking all steps to protect the margins and is hopeful of maintaining the same because of the company's focus on key areas that may affect the profitability.

However, the management of the Company shall continue to keep constant vigil on the present geo political situation which has emerged as a very strong risk factor in the global business environment.

The Management of the Company is optimistic about the plans of the Government towards investment in modernisation of the infrastructure sector of the country and hopes to bag significant quantum of orders from the Railways.

The inflationary trend in the global economy especially in ferrous and copper materials resulted in volatile markets. The Management has been able to sustain the adversities mainly on account of price variation claims with the Railway Authorities and the hedging techniques adopted to mitigate the inflationary pressures.

Despite the inflationary pressures in the first half of the FY24-25, the Management worked aggressively to expedite the project execution which enabled the company to maintain the growth trajectory of the performance. The Management improved its margin based on the satisfactory progress of the projects under execution and downward trajectory of inflation in the economy during the second half of the FY 24-25.

Your Company is one of the leading providers of Railway Electrification infrastructure to the Indian Railways directly and to large corporates as well, to support their efficient connectivity initiatives.

Considering the efforts and plans of the Central Government for the Railways, in construction of double, third and fourth lines along the existing routes to facilitate movement of high-speed trains, laying of new routes especially in the tough terrain of the North-Eastern part of the country and Integration of postal and railway networks, enormous opportunities in the foreseeable future may be expected for the company. New Vande Bharat Routes including sleeper coaches are being introduced at regular intervals and Dedicated Freight Corridor routes are being expanded with increased speeds. All these initiatives would entail huge investments in the Railways for practically overhauling or strengthening the existing infrastructure comprising of tracks, signaling and electrification.

Shareholders' Fund

Your Company has been able to keep increasing its member's funds despite all challenges faced during the financial year. This has been made possible because of the extreme hard work, dedication and sincerity of the Company's work force, and efficient completion of Railway Electrification Projects.

Share Capital

The Authorised Share Capital of your Company as on March 31, 2025 stood at ₹180,000,000 divided into 18,000,000 equity shares of ₹10/- each. The Issued Share Capital of your Company is ₹167,236,380 divided into 16,723,638 equity shares of ₹10/- each and the subscribed and paid-up capital is ₹167,236,380 divided into 16,723,638 equity shares of ₹10/- each fully paid-up. There are nil shares in suspense account.

Earnings

Despite the inflationary challenges your Company has been able to perform satisfactorily and the EBIDTA Margin of the business has taken a meagre hit of 90 basis points which is expected to stabilise after the price variation claims in the projects are approved by the competent authorities.

The Management of the Company took the adversities in their stride and made all out efforts for improvement of the Company's operating efficiencies. This has been possible with the overall improvement in the productivity of the Company's work force and the Government's thrust for modernising the Railway Infrastructure through projects for speed augmentation at various division of Railways.

Dividends

The Board of Directors have recommended a final dividend of ₹ 1.00 (10%) per equity share of ₹10 each for the financial year ended 31st March, 2025, subject to approval of shareholders. The outflow on account of dividend, if approved, would be ₹ 167.24 lacs.

Details of the dividend payment schedule is provided in Annexure-4. The Company has transferred ₹ 828.58 lacs to the Retained Earnings during the financial year 2024-25.

In terms of the provisions of Section 124 of the Act, till date no amount is due for transfer to the Investor Education and Protection Fund, in respect of dividend amounts lying unclaimed or unpaid for more than seven years from the date they became due.

Pursuant to the changes introduced by the Finance Act, 2020 in the Income-tax, Act 1961, the dividend paid or distributed by a Company shall be taxable in the hands of the shareholders. Accordingly, in compliance with the said provisions, your Company shall make the payment after necessary deduction of tax at source.

Management Discussion & Analysis

Economic Scenario

The global economy is challenged by elevated inflation, tight monetary and financial conditions,

escalating geopolitical tensions, rising geoeconomic fragmentation, disruptions in key global shipping routes, high public debt, burdens and financial instability. Global financial markets are on edge with recurrent bouts of volatility as every incoming data increases uncertainty around monetary policy trajectories of major central banks. The global economy is continuously reshaping itself faced with such unpredictable headwinds reshaping the contours of our lives and livelihoods. Against the backdrop of subdued global economic activity and multiple headwinds, the Indian economy has been expanded at a robust pace.

The Indian Economy has shown resilience, drawing upon the innate strength of its underlying fundamentals and supported by a prudent and favourable policy mix. The supportive policy initiatives include more allocation of capital spending on Infrastructure development, easing of supply chain bottlenecks through easier access to credit, relief to the infrastructural sector especially to MSMEs and other direct tax measures. A significant increase in capital expenditure on infrastructure by the Government to prepare the economy for a sustained long-term expansion. The Government emphasised on a strong and resilient social infrastructure through 'Aatma Nirbhar Bharat Abhiyan' packages and other sector specific initiatives aimed at indigenous research and development, reskilling population, as with building skills and providing employment and livelihood to one of the largest work forces in the world.

Industry outlook

Projects relating to transport and logistics infrastructure in the National Infrastructure Pipeline will be aligned with PM GatiShakti

framework, especially funding development projects in the North-Eastern region. The PM-GatiShakti program is intended as a transformative approach to economic growth and sustainable development driven by seven engines, namely, Roads, Railways, Airports, Ports, Mass Transport, Waterways, and Logistics Infrastructure and supported by the complementary roles of Energy Transmission, IT Communication, Bulk Water & Sewerage, and Social Infrastructure. The joint efforts of the government and the private sector is expected to create job and entrepreneurial opportunities for all, especially the youth.

Immense thrust is given for development of infrastructure, modernization of stations and trains, enhancement of connectivity, safety and comfort for the passengers. Looking ahead to FY 2025-26, a total capital expenditure of ₹2,65,200 crore has been earmarked for the Railways, a substantial increase compared to the earlier period. The construction of new railway lines will proceed at an accelerated pace, with a budget of ₹32,235.24 crore in FY 2025-26. Additionally, ₹4,550 crore has been allocated for gauge conversion in FY 2025-26, Rolling stock has been capped at ₹57,693 crore for FY 2025-26. A major push is also being made for the doubling of tracks, with a marked budget of ₹32,000 crore in FY 2025-26.

In FY 2025-26, safety-related initiatives for the Railways will receive significant attention with a budget allocation of ₹1,16,514 crore. This includes critical projects such as track renewal, signaling upgrades, telecom improvements, and the construction of new railway points and crossings. Over the coming years, 1,000 Road Over Bridges (RoBs) and Road Under Bridges (RuBs) will be constructed to enhance connectivity and safety.

Additionally, the Railways will introduce 50 new Namo Bharat trains connecting cities located 100-200 kilometers apart, each consisting of 16 coaches (both AC & Non-AC Coaches). Furthermore, 100 Amrit Bharat trains (Non-AC) will be launched, providing affordable and accessible travel options. A total of 200 Vande Bharat trains will also be introduced, further enhancing the high-speed travel network.

To accommodate more passengers, the Railways plans to manufacture 17,500 non-AC general coaches. Over the next five years, conventional ICF coaches will be replaced with LHB coaches, enhancing passenger safety. The Vande Sleeper train is rolled out, and 50 Vande Sleeper trains will be manufactured between 2025-27, with a total of 200 rakes set to be produced. The new trains & modern coaches will go a long way in revolutionizing the travel experience for masses in next 2 to 3 years. The Indian Railways is poised to become the second highest freight carrying Railways in the world aiming to touch target of 1.6 billion tonnes of cargo by the end of this fiscal.

Indian Railways, with its resolute efforts, is not just laying tracks but also paving the way for inclusive growth and integration of the Northeast, connecting through difficult terrain with the rest of the country. The Bairabi-Sairang line connectivity Aizawl, the Dimapur-Kohima new line project in Nagaland, the Murkongselek-Pasighat line in Arunachal Pradesh, the Sivok-Rangpo line connecting West Bengal and Sikkim, the Jiribam-Imphal line in Manipur, two major doubling projects from New Bongaigaon-Agthori via Rangia and New Bongaigaon-Goalpara-Kamakhya in Assam, represents more than just geographical connectivity. A real thrust has been given to boost connectivity in the Northeast entrusted with pivotal roles in transforming the Northeastern states with rapid implementation.

The National Rail Plan lays down the road map for capacity expansion of the railway network by 2030 to cater to growth up to 2050. It envisages the creation of a future ready railway system that is able to not only meet the passenger demand but also increase the freight corridors from the present level. IR's capital expenditure includes investments for constructing new lines, procuring wagons, doubling of lines, quadrupling, station redevelopment, modernisation and renewing tracks.

Opportunities and Threats

A lot of emphasis is given to Railway Electrification in recent years with a view to reduce the Nation's dependence on imported petroleum-based energy and to enhance the country's energy security, with a vision of providing eco-friendly, faster and energy efficient mode of transportation, keeping in mind the huge cost savings and considerable reduction in carbon foot print. Railways will develop new products and efficient logistics services for small farmers, and small and medium enterprises. It will also take steps towards integration of postal and railway networks to provide seamless solutions for movement of parcels. 100 PM-GatiShakti Cargo Terminals for multimodal logistics facilities will be developed over the next few years. Multimodal connectivity between mass urban transport and railway stations will be facilitated on priority. New-generation Vande Bharat trains, Vande Bharat sleeper coaches, replacement of ICF coaches with LHB coaches, further enhancing the high-speed travel network, will result in more capital infusion by the Government in the Railway Infrastructural sector.

Aided by the Government policy and initiatives your Company foresees a very bright future for organisations which are providing dedicated services for the Railway Electrification Eco System.

Your Company faced the bottlenecks created by uncertainties due to inflationary conditions and volatile logistic pricing thereby causing supply chain disruptions and project extensions. The inflationary trend in the global economy especially in ferrous and copper materials as well as increasing rates of freight has resulted in a volatile pricing mechanism. However, the Management has been able to overcome the adversities mainly on account price variation claims with the Railway Authorities and adept hedging strategies.

Further, issues like the inadequate availability of section clearance conducive for working at sites due to block availability at busy stations, thereby resulting in cost escalation of idle labour, posed a challenge for the Company. However, your Company is poised to mitigate such problems through, efficient workforce management, adept leadership qualities, quick decision making and internal control system.

To sum up, it may be stated that digitization, planning and execution coupled with skilled workforce and robust internal control system may help in mitigating the risks associated with the business.

A potential risk arises in providing better management support to the business of its existing subsidiary, BCL Bio Energy Pvt Ltd (BCL) in achieving exponential growth in the business of extraction of rice bran oil. Due to inadequate experience in international and domestic trade of products manufactured by BCL, the provision of support to BCL is ineffective. Phoenix Overseas Limited, a group company has immense experience in international and domestic trade of products manufactured by BCL Bio Energy Private Limited. It is proposed to disinvest the stake of BCL Bio Energy Private Limited which will cause BCL to cease as a subsidiary of the Company.

Company's Operations

Your Company's consistent focus on transforming challenges into opportunities has been the pivot which has enabled the Company to do well even during tough times. The inherent challenges brought about by geographical tensions followed by global inflation made it imperative that we focus on our strengths and look for all available opportunities. The Company's tremendous progress over the past decade has been possible because of an organizational culture that encourages and rewards team endeavours and value to the customer. The ability of the teams to consistently craft and execute winning strategies while ensuring that the corporate governance standards are maintained at the highest levels have ensured robust and consistent growth of the Company. Despite the undeniable challenges, your company has been agile and focussed to adapt to the new normal with understanding of the core values of business entrenched in team, technology and techniques more than ever, thus strengthening its position in the industry.

Your company has a dedicated team of in-house design engineers, to lay out the drawings and plan of execution as per the specifications of the Indian Railways.

Your Company has a pan India presence in executing electrification projects and traction substation work under Indian Railways. It has a strong order book position with path-breaking orders in the railway electrification segment received from Indian Railways as well as the Rail Vikas Nigam Limited (RVNL), Rail Infrastructure Development Company (Karnataka) Limited (K-Ride), Military Engineering Services (MES), WEBEL (West Bengal Electronics Industry Development Corporation Limited) and Tata Steel Limited.

Subsidiary Company - BCL Bio Energy Private Limited

300 MT per day of Rice Bran Oil Extraction

The Rice Bran Extraction plant is facing initial turbulence typically faced by any new manufacturing facility. During the year ended 31st March 2025, the plant was operational for around 6 to 7 months and was facing issues in terms of machinery tuning and stabilisation. Also, initial lethargy of the raw material vendors was faced which are being overcome with focussed efforts of the plant management.

The Board of BCL Bio Energy Private Limited (BCL) have requested to help them in enhancing their marketing efforts for the Crude Rice Bran Oil & Deoiled Rice Bran. The Board of Directors of the Company have deliberated on the request of BCL and are of the considered view that the Company being in the area of Railway Infrastructure development, it would not be possible for it to provide the required management bandwidth for augmenting the marketing thrust required for the products of BCL. But at the same time the Company is aware that with better management support the business of BCL would achieve exponential growth. As a result, the Board of directors are recommending partial divestment of the stake in BCL from 51% to 29% i.e 22% in favour of Phoenix Overseas Limited, a group company with immense experience in international and domestic trade of products manufactured by BCL Bio Energy Private Limited. With the proposed divestment the stake of Phoenix Overseas Limited in BCL would get increased to 51% thereby making it as the Holding Company of BCL Bio Energy Private Limited which would enable it to effectively guide the management of BCL in its efforts towards growth of business. The approval of the shareholders is being sought for in this regard.

Details of subsidiary in Form AOC-1 is provided in Annexure 1.

Consolidated Financial Statements

The duly audited Consolidated Financial Statements as required under the Indian Accounting Standard 110, provisions of Regulation 33 of the Listing Regulations and Section 136 of the Act have been prepared after considering the audited financial statements of your Company's subsidiaries and appear in the Annual Report of the Company for the FY 24-25.

Focus, Outlook and Future Projections

Your Company's focus on Railway Electrification has been able to carve a niche for itself in the field, whereby it has become a highly acceptable partner for the Railways. This has been possible because of the Company's focus on efficient execution management system.

The Indian Railway ecosystem is evolving and getting upgraded with previously unimaginable pace and commitment. New Vande Bharat Routes are being introduced every passing day and Dedicated Freight Corridor routes are being expanded with increased speeds. All these initiatives would entail huge investments in the Railways for strengthening the existing infrastructure comprising of tracks, signaling and electrification so that the dream of making the Indian Railways one of the best in the world is realized sooner than later.

The North eastern region of the country is relatively backward in terms of the reach of the Railways and the Central government of the day is committed to eradicating this weakness by implementing railway projects in the North Eastern states. Considering the efforts and plans of the central government for the Railways and its initiatives in expansion by way of capital infusion in infrastructural development, the sector assumes the importance of being a sunrise sector of the present decade.

Risks and Concerns

The Management of the Company endeavours to identify elements of risk in different areas of operations and to develop mechanism for initiating actions required to mitigate the risks.

The Management on a timely basis informs the Board about risks along with measures that they propose to take in order to mitigate the risks.

The Company has a Risk Management policy approved by the Audit Committee and the Board of Directors. The Policy provides a framework for identification of risks inherent in the business operations of the Company, and devises mitigation methods in a dynamic manner and on a continuous basis which are periodically reviewed and modified considering the size and complexity of the business and the regulatory as well as business requirements. The hedging policy laying down the technique, guidelines and procedures to mitigate the risk from high volatile as well as high value items forms part of the Risk Management policy. This hedging tool is devised for mitigating risk due to price fluctuation. The Risk Management Policy can be viewed at the following web link: <https://bcril.com/policies/>

Due to inflationary pressures, there were some uncertainties/ disruptions in the supply chains, availability of labour and their movement. Your Company continues to provide special attention to these areas requiring flexibility of operations and quick decision making.

Operational Efficiency

Your Company is constantly directing its efforts towards efficiency enhancement on all fronts starting from administrative office to project locations. Your Company has also started various programmes for training the work force in achieving improvements in micro level efficiency.

Your Company also encourages leadership skills amongst its employees which have helped in maintaining a motivated and efficient work force.

Safety

Your Company has, as a policy, always strived to ensure safety and security of its work force. Safety is of paramount importance in our area of work and we, at BCPL, are ever focussed on improving the safety of our workers and the safety of lives. With a view to achieve this, your Company constantly organises training programmes to inform employees about the ways and means of working under strict safe conditions. Your Company procures the best safety gears comprising of helmets, safety belts and undertakes regular safety checks to ensure that the rules are followed. The Company has a dedicated safety officer to ensure compliance with rules.

We have been vigilant at site in line with the health and safety policy and rules framed thereunder and ensured strict implementation of the 'STAY SAFE' policy and the 'ZERO TOLERANCE' policy towards slackness in maintaining safety at work site. Towards achieving our motto of preserving well-being of the employees we provide them adequate insurance cover. We also encourage virtual meetings at site offices at all levels, be it internal and/or client or stakeholders' periodically.

Quality Control

Your Company is aware of its responsibility towards the delivery of a safe Railway Electrification Eco System for the safety of property and the masses who use the services of the Railways for meeting their transport requirements.

With a view to achieving the best standards in its construction efforts the Company has in place a system of checks and balances whereby the work

performed by its employees is thoroughly checked by trained engineers in terms of safety standards set by the Railway Administration.

Your Company depends on vendors approved by RESEARCH DESIGNS & STANDARDS ORGANISATION (RDSO) for procuring equipment required in execution of projects. Further your Company has a system of identifying its vendors based on their credibility in terms of timely delivery of quality products.

Considering the ambitious plans of the Government towards Railway Electrification, timely procurement may play out as a key factor towards timely project completion. In order to address any risk involved, your Company takes further precautions by constantly developing vendor base so that in the event of a scarcity in supply of equipment the challenge can be effectively dealt with.

Further the Board of Directors have laid down a standard procurement policy for ensuring the orderly and efficient conduct of its business. The Policy provides a framework for procurement of materials as may be required by issuing purchase orders pursuant to these standard terms and conditions, thereby devising mitigation methods for orderly supply chains and for operating standard negotiating terms. The Procurement Policy can be viewed at the following web link: <https://bcril.com/policies/>

Environment

The aim of your Company is to develop business while improving its environmental performance in creating a more sustainable future. In order to achieve this, your Company continues to focus on measures for the conservation and optimal utilization of energy in all the areas of its operations. Work Sites are encouraged to consistently improve operational efficiencies, minimize consumption of natural resources and

reduce water, energy consumption and carbon emissions while maximizing productivity.

Adopting the use of digitisation in our business operations is encouraged by arranging virtual meetings at all levels, be it internal with the employees and work sites or Railway personnel, client or other stakeholders.

Health of Employees

Your Company recognises the importance of maintaining health of its employees who work away from home for considerable lengths of time. With a view to providing the best medical facilities to its employees, whenever required, your Company has tied up with Insurance provider to provide Accidental cover for its employees to avail the best medical attention without worrying about the cost.

In the past few years, we have learnt to be vigilant and be aware of health, hygiene and cleanliness at home and at work places. Your Company provided remote specialised training at various units through video conferencing and ensured personal hygiene, safe work habits and best practices in sanitation and disinfection in the work place.

Your Company is taking the utmost care of its staff and work force. Measures taken at all units of the Company include,

- Display of Posters regarding safety rules to be followed. Awareness at prominent places of all business units.
- Periodical conduct of safety vigilance and safety audit.
- Adopting 'Zero tolerance' for safety issues.
- Insuring employees against Accidents/injuries.

Directors' Responsibility Statement

Your Directors wish to inform that the Audited Accounts containing Financial Statements for the

financial year ended 31st March, 2025 are in full conformity with the requirements of the Act. They believe that the Financial Statements reflect fairly, the form and substance of transactions carried out during the year and reasonably present your Company's financial condition and results of operations.

Your Directors further confirm that in preparation of the Annual Accounts:

- i) The applicable accounting standards have been followed and wherever required, proper explanations relating to material departures have been given,
- ii) The Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit or loss of the Company for that period,
- iii) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities,
- iv) The Accounts have been prepared on a going concern basis,
- v) The Directors have laid down internal financial controls to be followed by the Company and ensure that such internal financial controls are adequate and operating effectively,
- vi) The Directors have devised proper systems to ensure proper compliance with the provisions of all applicable laws and these systems are adequate and operating effectively.

Corporate Governance

Your Company re-affirms its commitment to the standards of corporate governance. This Annual Report carries a Section on Corporate Governance and benchmarks your Company with the relevant provisions of the Listing Regulations.

Pursuant to the Listing Regulations, as amended, a certificate obtained from a Practising Company Secretary certifying that the Directors of the Company are not debarred or disqualified from being appointed or to continue as directors of the companies by the Securities and Exchange Board of India/Ministry of Corporate Affairs, forms part of the report as Annexure 6 to the Corporate Governance Report.

In terms of Section 204 of the Act read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (as amended), your Board at its meeting held on 14th August, 2023 appointed Messrs TP & Associates, Company Secretaries (ACS-49208 COP No.22187) as the Secretarial Auditor to conduct audit of the secretarial records for the financial year ended 31st March, 2025 and to submit the Secretarial Audit Report.

The Secretarial Audit Report as received from Messrs TP & Associates, Company Secretaries in the prescribed Form No. MR-3 is annexed to this Board's Report and marked as Annexure 5.

In terms of Regulation 34 of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter "Listing Regulations"), a Report on Corporate Governance along with Compliance Certificate issued by Statutory Auditors of the Company is attached as Annexure 8 and forms integral part of this Report (hereinafter "Corporate Governance Report").

Secretarial Auditors and Secretarial Standards

Messrs TP & Associates, Practising Company Secretaries, have been appointed as the Secretarial Auditor of the Company with effect from 13th November, 2024. The report of the Secretarial Auditor is enclosed with this report and forms part of this report. It is proposed that Messrs TP & Associates, Practising Company Secretaries (Membership Number: 49208 and

Certificate of Practice number: 22187), be appointed as the Secretarial Auditor of the Company for a period of 5 years from the financial year 2025-2030, subject to approval of the shareholders at the ensuing general meeting.

During the year under review, the Company has duly complied with the applicable provisions of the Secretarial Standards on meetings of the Board of Directors (SS-1) and General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI).

Policy on Appointment and Remuneration of Directors and Key Managerial Personnel

The Company has formulated a Remuneration Policy pursuant to the provisions of Section 178 and other applicable provisions of the Act and Rules thereof. There has been no change in the said policy during the financial year ended 31st March, 2025. The Policy is available at the following web link: <https://bcril.com/policies/>

Qualification or Reservations in the Statutory/Secretarial Audit Reports

Your Board has the pleasure of confirming that no qualification, reservation, adverse remark or disclaimer has been made by the Statutory Auditors and the Company Secretary in Practice in their Audit Reports issued to the members of the Company.

Directors and Key Managerial Personnel

Your Company's Board is duly constituted and in compliance with the requirements of the Act, the Listing Regulations and provisions of the Articles of Association of the Company. Your Board has been constituted with requisite diversity, wisdom, expertise and experience commensurate to the scale of operations of your Company.

Composition of Board

The Board comprises 8 Directors of which, 3 are Executive Directors (2 of whom are part of the promoter group), 1 is Non-Executive (part of the promoter group) and 4 are Non-Executive, Independent Directors. The composition of the Board is in conformity with Regulation 17 of the Listing Regulations read with Section 149 of the Act.

Structure of the Board of Directors

Name of Director	Executive/ Non-Executive	Independent	Lady
Aparesh Nandi	Non-Executive	No	No
Jayanta Kumar Ghosh	Executive	No	No
Uday Narayan Singh	Executive	No	No
Debasis Sircar	Executive	No	No
Sanghamitra Mukherjee	Non-Executive	Yes	Yes
Swapan Kumar Chakraborty	Non-Executive	Yes	No
Sudipta Kumar Mukherjee	Non-Executive	Yes	No
Ranajit Kumar Mondal	Non-Executive	Yes	No

Meetings of the Board

The Meetings of the Board of Directors are pre-scheduled and intimated to all the Directors in advance, in order to enable them to plan their schedule. During the year 2024-2025, the Board of Directors met 4 (Four) times and the maximum gap between any two consecutive Board Meetings did not exceed 120 (One Hundred Twenty) days. For details of the meetings of the Board of Directors, please refer to the Corporate Governance Report.

Changes in Board Composition

Details of Directors' appointment/reappointment and change in board composition during the financial year under review are as follows:

Name of Director Designation & Category	Reason and date of appointment/reappointment/ retirement/ resignation
Mr Aparesh Nandi Non-Executive Chairman/ Promoter (Non-Independent)	Mr Aparesh Nandi (DIN:00722439), Non-Executive Chairman, Non-Independent Director of the Company retired by rotation and was re-appointed pursuant to Section 152(6) of the Act at the 28 th Annual General Meeting held on 26 th September, 2024. He is due to retire by rotation at the ensuing Annual General Meeting and being eligible, offers himself for re-appointment pursuant to Section 152(6) of the Act.

Independent Directors

In the opinion of the Board, the Independent Directors possess the attributes of integrity, expertise and experience as required to be disclosed under Rule 8(5)(iii) of the Companies (Accounts) Rules, 2014 (as amended).

The following are the independent directors of the Company:

1. Dr Sanghamitra Mukherjee
2. Mr Swapan Kumar Chakraborty
3. Mr Sudipta Kumar Mukherjee
4. Mr Ranajit Kumar Mondal

The Company has received declarations from Independent Directors that they meet the criteria of independence as prescribed u/s 149(6) of the Companies Act, 2013 and as required under the Listing Regulations. In the opinion of the Board, they fulfil the condition for appointment/ re-appointment as Independent Directors on the Board.

The Board of Directors confirms that the Independent Directors have affirmed compliance with the Code for Independent Directors as prescribed in Schedule IV to the Act and also with

the Company's Code of Conduct applicable to all the Board Members and Senior Management Personnel of the Company for the financial year ended on 31st March, 2025.

All the Independent Directors of your Company are registered with the Indian Institute of Corporate Affairs ("IICA") and have their name included in the 'Independent Directors Data Bank' maintained by the IICA.

The Company arranges detailed presentations on various business aspects to familiarise the Independent directors about the different aspects of the prevailing business environment, economy, performance of the Company and its strategies.

Statement of Evaluation of Board of Directors and Committees thereof

Your Company understands the requirements of an effective Board Evaluation process and accordingly conducts the Performance Evaluation every year in respect of the following:

- i. Board of Directors as a whole.
- ii. Committees of the Board of Directors.
- iii. Individual Directors including the Chairman of the Board of Directors.

In compliance with the requirements of the provisions of Section 178 of the Act, the Listing Regulations and the Guidance Note on Board Evaluation issued by SEBI, your Company has carried out a performance evaluation process internally for the Board/Committees of the Board/Individual Directors including the Chairman of the Board of Directors for the financial year ended 31st March, 2025.

The key objectives of conducting the Board Evaluation process were to ensure that the Board and various Committees of the Board have appropriate composition of Directors and they

have been functioning collectively to achieve common business goals of your Company. Similarly, the key objective of conducting performance evaluation of the Directors through individual assessment and peer assessment was to ascertain if the Directors actively participate in the Board/Committee Meetings and contribute to achieve the common business goals of the Company. The Directors carry out the aforesaid performance evaluation in a confidential manner and provide their feedback on a rating scale of 1-5. This year too, the outcome of such performance evaluation exercise was discussed at a separate Meeting of the Independent Directors held on 28th March, 2025 and was later tabled at the Board Meeting held on 29th May, 2025. After completion of internal evaluation process, it was noted that the Board and the Committees are working effectively.

Pursuant to Section 178(3) of the Act and Regulation 17(6) of the Listing Regulations, the Remuneration Committee is entrusted with responsibility of formulating criteria for determining qualifications, positive attributes and independence of an independent director. This can be viewed at <https://bcril.com/policies/>

Committees of the Board

A. Audit Committee

The Board of Directors of your Company has duly constituted an Audit Committee in compliance with the provisions of Section 177 of the Act, the Rules framed thereunder read with Regulation 18 of the Listing Regulations. The terms of reference of the Audit Committee have been duly approved by the Board of Directors.

During the year under review, the Audit Committee comprised Independent Directors, namely, Mr. Sudipta Kumar Mukherjee (Chairman), Mr. Swapan Kumar Chakraborty (Member) and Mr. Uday Narayan Singh,

Executive Director & CFO. Powers and role of the Audit Committee are included in Corporate Governance Report. All the recommendations made by the Audit Committee were accepted by the Board of Directors.

Whistle Blower Policy

In terms of the provisions of Section 177 of the Act and the Rules framed therein read with Regulation 22 of the Listing Regulations, your Company has a vigil mechanism in place for directors and employees of the Company through which genuine concern regarding various issues relating to inappropriate functioning of the organisation can be raised. The Whistle Blower Policy has been uploaded in the website of the Company at <https://bcril.com/policies/>

The Vigil Mechanism of your Company is governed by the 'Whistle Blower Policy' Mechanism, which provides for adequate safeguards against victimization of director(s)/employee(s) who avail of the mechanism and also provides for direct access to the Chairman of the Audit Committee in exceptional cases.

C. Nomination and Remuneration Committee

The Company has a Nomination & Remuneration Committee. The details of the committee are given in the Report on Corporate Governance – Annexure 7.

C. Stakeholders' Relationship and Investor Grievance Committee

The Company has a Stakeholders' Relationship and Investor Grievance Committee. The details of the committee are given in the Report on Corporate Governance – Annexure 7.

D. Corporate Social Responsibility Committee

The Company has a Corporate Social Responsibility Committee. The details of the

committee are given in the Report on Corporate Governance – Annexure 7. A report on the CSR activities/initiatives undertaken by the Company is provided in Annexure 2.

Cautionary Statement

Statements in this Report, particularly those which relate to Management Discussion and Analysis, describing the Company's objectives, projections, estimates and expectations may constitute 'forward looking statements' within the meaning of applicable laws and regulations. Actual results might differ materially from those either expressed or implied in the statement depending on the circumstances.

Appreciation

Your Company has been able to operate efficiently because of the culture of professionalism, creativity, integrity and continuous improvement in all functions and areas as well as the efficient utilization of the Company's resources for sustainable and profitable growth.

Your Directors hereby wish to place on record their appreciation for the undaunted efforts, despite the challenges faced by the employees, during the inflationary conditions. Your Directors also wish to place on record their appreciation for the efficient and loyal services rendered by each and every employee, without whose whole-hearted efforts, the overall satisfactory performance would not have been possible. The Industrial Relations were generally satisfactory during the year. Your Company wishes to put on record its deep appreciation of the cooperation extended and efforts made by all employees. Your Directors look forward to the long term future with confidence.

Your Company continued to receive co-operation and unstinted support from the Railways, Suppliers, and others associated with the Company as its business partners. The Directors wish to place on record their appreciation for the same and your Company will continue in its endeavour to build and nurture strong links with

concerned parties, based on mutuality, respect and co-operation with each other and consistent with National interest.

REPORT OF CSR ACTIVITIES/INITIATIVE

Your Company recognises that an enterprise and the society in which it operates are mutually dependent on each other and growth of the company is dependent on the development of the country, its environment and its people. Towards, serving the needs of the people and encouraging all round development, the Company devotes its resources, in a manner recommended by its Corporate Social Responsibility Committee and approved by its Board of Directors in accordance with the provisions of law for fulfilling the aforesaid objective in a manner laid out in Schedule VII to the Companies Act, 2013.

A brief outline of the Company's Corporate Social Responsibility Policy (CSR) has been uploaded in the website of the Company and may be viewed at the weblink <https://bcril.com/policies/>

Pursuant to the provisions of Section 135, read with Schedule VII of the Act, the Corporate Social Responsibility (CSR) Committee had been formed. The terms of reference of the CSR Committee are as follows:

- Formulating and recommending to the Board, a CSR Policy.
- Recommending the amount of expenditure to be incurred on CSR activities.
- Monitoring CSR Policy.

The details of composition of the Corporate Social Responsibility Committee of the Board of Directors are as under:-

Sl. No.	Name	Chairman/ Members
1	Swapn Kumar Chakraborty	Chairman
2	Sanghamitra Mukherjee	Member
3	Aparesh Nandi	Member

The Company constituted its Corporate Social Responsibility (CSR) Committee and the policy for discharge of its CSR activities. During the year 2024-25, one committee meeting was held during the year and three circular resolutions was passed by all three members of the committee meeting. The weblink on Composition of the Board and its Committees can be viewed at <https://bcril.com/board-of-committee/>

Your Company during the year 2024-25, contributed to CSR activities, through donation of ₹ 16.86 lacs to 'BRIL Social Foundation' and ₹ 0.10 lacs to 'Indian Institute of Cerebral Palsy (IICP)' as against its 2% obligation amounting to ₹16.86 lacs. The CSR expenditure in the financial year 2024-25 has been approved by the Committee. Average net profit of the Company for the last three financial years is ₹ 842.96 lacs. Prescribed CSR Expenditure (two percent of the average net profit for the last three years) is ₹ 16.86 lacs. All CSR activities are recommended by the CSR committee from time to time including finalising the mode of disbursement and utilization of the amount. The Total CSR disbursed amount is ₹ 16.96 lacs and the surplus arising out of the CSR projects or programmes or activities of the previous financial year being ₹0.10 lacs is carried over and is required to be set off for the ensuing financial year. No CSR amount is spent for ongoing projects nor remains unspent during the financial year. Hence, CSR spent for administrative overheads/impact assessment is not applicable. Creation/Acquisition of capital asset is not applicable. There is no unspent amount in the preceding three financial years.

Contributions to CSR activities undertaken other than ongoing projects during the year :

CSR project or activity Identified	Sector or Item from the list of activities in Schedule VII to the Act	Projects or programs (1) Local area or other (2) Specify the State and district where projects or programs was undertaken	Amount outlay (budget) project or program wise	Amount spent on the projects or programs Sub-heads: (1) Direct expenditure on projects or programs (2) Overheads:	Cumulative expenditures upto to the reporting period	Amount spent: Direct (Yes)

'Skilling' is a CSR Initiative of the Company organised in association with 'BRIL Social Foundation'. It plays a crucial role in training unskilled and semi-skilled ITI, Diploma and Bachelor degree students or students of similar trade in electrification and other allied activities. Trainees are introduced to numerous products, procedures, techniques, soft skills and methods of interaction, design and drawings in order to increase their efficiency and earnings. They are also introduced to site working environment to give them insight into the actual on-job procedures. The training modules have been designed to provide both in-house and at site training facilities, so that the trainees can equip themselves for better opportunities in the future that will enable them to earn better. This ensures all-round betterment and growth of trainees in their profession.

Your Company is taking its initiative towards enhancing skills of talented youths in aiming at their socio-economic development. Your Company's Social investments projects are targeted at socio-economic development for all, especially the talented yet marginalised population around the operational areas. Our CSR initiatives are also focussed towards grooming freshers in the field of engineering to become industry ready through the internship programme conducted by BRIL Social Foundation.

Your Company is making all out efforts to engage in activities for the benefit of society at large so that it can meet its statutory commitments to humanity. The entire amount to be spent during the previous years at various projects was duly spent and no amount is lying unspent as on date. Your Directors affirm that the implementation and monitoring of the CSR policy is in compliance with the CSR objectives and policy of the Company.

DIVIDEND DISTRIBUTION PROCEDURES

The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) require the top 1000 listed companies to disclose a Dividend Distribution Policy. The Company is not required to disclose a Dividend Distribution Policy.

Dividend

Dividend represents the profit of the Company, which is distributed to shareholders in proportion to the amount paid-up on shares they hold. Dividend includes Interim Dividend. The Board may declare one or more Interim Dividends and recommend Final Dividend for the approval of the shareholders at the Annual General Meeting. The dividend for any financial year shall ordinarily be paid out of the Company's profits for that year in terms of the provisions of the Companies Act, 2013 ("the Act").

Your Company believes in long term value creation for its shareholders while maintaining the desired liquidity leverage ratios, considering growth opportunities and protecting the interest of all the stakeholders.

Dividend History

Financial Year	Dividend per Share (₹)
2024-25 Final recommended	1.00
2023-24	0.70
2022-23	0.70
2021-22	0.70
2020-21	0.70
2019-20 Final	0.20
2019-20 Interim	0.40
2018-19	0.60

In terms of the provisions of Section 124 of the Act, till date no amount is due for transfer to the Investor Education and Protection Fund, in respect of dividend amounts lying unclaimed or unpaid for more than seven years from the date they became due.

As per the Income Tax Act, 1961 (the Act), as amended by the Finance Act, 2020, dividends paid or distributed by a Company on or after 1st April, 2020 shall be taxable in the hands of the shareholders. The Company shall also be required to deduct tax at source at the time of making the payment of the Dividend, if declared at the AGM. The TDS rate may vary depending on the residential status of the shareholder and the documents submitted to the Company in accordance with the provisions of the Act. The TDS for various categories of shareholders along with required documents are provided in Tables 1 and 2 below:

Table 1: Resident Shareholders

Category of Shareholder	Tax Deduction Rate	Exemption applicability/ Documentation requirement
Any resident shareholder	10%	Update the PAN if not already done with depositories (in case of shares held in demat mode) No deduction of taxes in the following cases: √ If dividend paid/distributed or likely to be paid/distributed to a Resident Individual shareholder during FY 2024-2025 does not exceed ₹10,000/-, √ If shareholder is exempted from TDS provisions through any

		circular or notification and provides an attested copy of the PAN along with the documentary evidence in relation to the same.
Submitting Form 15G/ Form 15H	NIL	✓ The shareholder's estimated total income as well as dividend payable is below the taxable limit and a declaration is received from the concerned shareholders in Form 15G (for individuals up to the age of 60 years). ✓ The shareholder's estimated total income is below the taxable limit and a declaration is received from the concerned shareholders in Form 15H (for individuals of the age of 60 years or above).
Insurance Companies/ Corporation established by or under a Central Act/ Mutual Funds etc		A declaration that the shares are owned by it or it has full beneficial interest in such shares along with self-attested copy of PAN and registration document or any other relevant documentary evidence as applicable.
Other resident shareholder without PAN/ Invalid PAN	20%	—

Table 2: Non-Resident Shareholders

Category of Shareholder	Tax Deduction Rate	Exemption applicability/ Documentation requirement
Any non-resident shareholder including Foreign Institutional Investors, Foreign Portfolio Investors (FII, FPI)	20% (plus applicable surcharge and cess) or Tax Treaty rate whichever is lower	Non-resident shareholders may opt for tax rate under Double Taxation Avoidance Agreement ("Tax Treaty"). The Tax Treaty rate shall be applied for tax deduction at source on submission of following documents to the company: ✓ Copy of the PAN Card, if any, allotted by the Indian authorities. ✓ Self-attested copy of Tax Residency Certificate (TRC) valid for the year 2025 obtained from the tax authorities of the country of which the shareholder is resident. ✓ A copy of Form 10F electronically furnished on income tax e-filing portal (for non-resident possessing PAN) or self-declaration in Form 10F (for non-resident who is not required to obtain PAN) in the attached form. ✓ Self-declaration confirming not having a Permanent Establishment in India in accordance with the applicable Tax Treaty read with the Multilateral Instrument (where applicable), eligibility to Tax Treaty benefit and beneficial ownership of shares. TDS shall be deducted at 20% (plus applicable surcharge and cess) if any, if the above mentioned documents are not provided.

Effective April 1, 2024, SEBI has mandated that the shareholders, who hold shares in physical mode and whose folios are not updated with any of the KYC details viz. (i) PAN (ii) Choice of Nomination (iii) Contact Details (iv) Mobile Number (v) Bank Account Details and (vi) Signature, shall be eligible to get dividend only in electronic mode. Accordingly, payment of dividend (as and when declared), subject to approval at the AGM, shall be paid to physical holders only after the above details are updated in their folios. Shareholders are requested to complete their KYC by writing to the Company's RTA, Maheshwari Datamatics Pvt.Ltd. The forms for updating the same are available at Company's website [www. https://bcril.com/investor-services/](https://bcril.com/investor-services/) and RTA www.mdp.in

FORM NO. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2025
[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
BCPL RAILWAY INFRASTRUCTURE LIMITED
(CIN: L51109WB1995PLC075801)
13B BIDHAN SARANI, 4TH FLOOR,
Bidhan Sarani, Kolkata,
West Bengal, India, 700006

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by BCPL RAILWAY INFRASTRUCTURE LIMITED (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conduct/statutory compliances and expressing our opinion thereon.

The Company’s Management is responsible for preparation and maintenance of secretarial and other records and for devising proper systems to ensure compliance with the provisions of applicable laws and regulations.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of the secretarial audit and considering the continuing relaxations granted by Ministry of Corporate Affairs and Securities and Exchange Board of India, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2025, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2025, to the extent applicable, according to the provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii) The Securities Contracts (Regulation) Act, 1956 and Rules made thereunder;
- iii) The Depositories Act, 1996 and Regulations and Bye-laws framed thereunder;
- iv) The Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct investment and External Commercial Borrowings;
- v) The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (“SEBI Act”) or by SEBI, to the extent applicable:
 - a) SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) SEBI (Prohibition of Insider Trading) Regulations 2015;
 - c) SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - d) SEBI (Share Based Employee Benefits) Regulations, 2021;
 - e) SEBI (Issue and Listing of Debt Securities) Regulations, 2008;
 - f) SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993;

- g) SEBI (Delisting of Equity Shares) Regulations, 2021;
- h) SEBI (Buyback of Securities) Regulations, 2018;
- i) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015
- vi) Other than fiscal, labour and environmental laws which are generally applicable to all manufacturing companies, the following laws/acts are also, inter alia, applicable to the Company:
 - a) The Trade Marks Act, 1999;
 - b) The Legal Metrology Act, 2009; - Not applicable

We have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that:

- a) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- b) Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- c) None of the directors in any meeting dissented on any resolution and hence there was no instance of recording any dissenting member's view in the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

This report is to be read with our letter of even date which is annexed as Annexure – I which forms an integral part of this report.

Sl no.	Date of the meeting	No. of Directors attended the meeting
1	28.05.2024	8
2	12.08.2024	8
3	13.11.2024	8
4	07.02.2025	8

NOTES :

A. Dr Sanghamitra Mukherjee, Mr Swapan Chakraborty, Mr Sudipta Kumar Mukherjee and Mr Ranajit Kumar Mondal, are the Independent Directors of the Company.

B. Compensation paid/payable to Executive Directors and to Non – Executive Directors is given under “Remuneration” section of the report.

D. Other than the Executive Directors, Independent Directors are entitled to a sitting fee of Rs 11,000/- for every Board Meeting and Rs 7,700/- for every committee meeting attended by them.

E. Required quorum was present in all the meetings.

INDEPENDENT DIRECTORS:**I. Meetings:**

As stipulated by the Code of Independent Directors under the Act and the Listing Regulations, a separate Meeting of the Independent Directors of the Company was held on 28th March 2025 to review the performance of Non-Independent Directors (including the Chairman) and the Board as a whole. The Independent Directors also reviewed the quality, quantity and timeliness of flow of information between the Company's management and the Board that is necessary for the Board Members to effectively and reasonably perform their duties.

II. Familiarization Programme for Independent Directors:

In order to encourage active participation from the Independent Directors and also to enable them to understand the business environment of the Company, Familiarization Programmes for the Independent Directors has been adopted and implemented.

Once appointed, the Independent directors are issued a letter of appointment setting out in detail, the terms of appointment, duties, responsibilities, code of conduct for directors. The Independent Directors undergo Familiarization Programmes of the Company. Necessary information and supportive documents in respect of Railway sector, the regulatory environment under which the Company operates, the business environment, economic situations, the policies of the company, banking and finance issues, credit and ratings and Annual Reports of past financial years are provided to the Independent Directors. Induction of the Independent Directors is conducted by explaining the work culture and environment, swot analysis, stages or execution process of the projects and salient features of certain important projects. A visit to the store or godown or factory of the subsidiary is occasionally held to help them have an insight to the functioning of the company.

The Independent directors hold discussions with Key Functional Heads of the Company to understand various functions which are critical to the business performance of the Company. The Independent Directors are provided with financial results, internal audit findings, performance of the Company and the industry scenario, order book position, export market, segment reporting, position of security deposits, receivables, work-in-progress, bank guarantees, credit ratings and financial controls, risk and hedging strategies and other specific documents as sought for from time to time. The Independent Directors were provided with a presentation regarding the work in progress of the Company's subsidiaries. A virtual presentation on the structural layout of the company's subsidiary works at Burdwan was presented before the Board. Each section of the solvent extraction plant, fabrication unit, the storage facility, the hexane tanks, the water-cooling section, the preparatory section, the boiler unit, the main gate, the power house, the control room, the office premises was virtually displayed to the board members. Apart from the above, various aspects of the business of edible oil extraction detailing the cost benefit analysis, domestic/export market of the product, review on the installation process, cost associated and profit of the industry were also periodically presented at the meeting. A provisional budget on the activities of the corporate social responsibilities to be undertaken by the company was presented to the Independent Directors. The Independent Directors are also made aware of all policies and Code of Conduct and Business Ethics adopted by the Board and compliances required under SEBI (LODR) Regulations and other regulations.

Details of the Familiarization Program imparted during the year under review has been uploaded on the website of the Company at <https://bcril.com/familiarization-programme/>

III. Formal Letter of Appointment:-

In terms of the provisions of Regulation 46(2)(b) of the Listing Regulations and Section 149 of the Act, and Rules framed thereunder, the Independent Directors of the Company were appointed for a period of five years by the Members of the Company at the General Meetings. A formal letter of appointment setting out the terms and conditions of appointment, roles and functions, responsibilities, duties, fees and remuneration, liabilities, resignation/removal, etc., as specified under Schedule IV to the Act, has been issued to each of the Independent Directors subsequent to obtaining approval of the Members to their respective appointments. The terms and conditions of such appointment of the Independent Directors are also made available on the website of the Company and at <https://bcril.com/policies/>

IV. As required under Regulation 25(8) of the Listing Regulations, the Independent Directors of the Company have confirmed that they are not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties. Based on the declarations and confirmations received from the Independent Directors, the Board of Directors confirmed that the Independent Directors of the Company meet the criteria of independence as stipulated under Regulation 16(1)(b) of the Listing Regulations read with Section 149(6) of the Act, and the rules framed thereunder and they are independent of the management.

Pursuant to Section 134(3)(m) of the Act, read with the Companies (Accounts) Rules, 2014 all the Independent Directors of the Company are registered on the website of Institute of Corporate Affairs notified under Section 150(1) of the Act.

In compliance with Regulation 36(3) of the Listing Regulations read with the Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI), the required information about the Directors proposed to be appointed/re-appointed has been annexed to the Notice convening the 29th Annual General Meeting.

None of the Directors on the Board holds directorships in more than ten public companies. None of the Independent Directors serves as an Independent Director on more than seven listed entities. Necessary disclosures regarding Committee positions in other public companies as on 31st March, 2025 have been made by the Directors.

V. Pursuant to the Act, the tenure of office of each Independent Director was extended upto five consecutive years from the date of his/her appointment. Special resolutions were passed by the shareholders at their meeting held on the 26th September 2024, for continuation of directorship of Mr. Swapan Kumar Chakraborty (DIN: 00458410) and Dr Sanghamitra Mukherjee (DIN: 07203827) who will be attaining 75 years of age, till their current tenure of appointment i.e. upto March 30, 2028 in terms of Regulation 17(1A) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the year 2024-25, four Nomination and Remuneration committee meetings were held :

Date of the meeting	No. of Directors attended the meeting
28.05.2024	3
12.08.2024	3
13.11.2024	3
07.02.2025	3

Notes :

- i) All Directors are entitled to a sitting fee of Rs 7,700/- for every committee meetings attended by them.
- ii) The quorum for the Independent Directors was complied with during the year.

The Compensation and Nomination and Remuneration Committee's ("the Remuneration Committee") constitution and terms of reference are in compliance with the provisions of Section 178 of the Act and Regulation 19 of the Listing Regulations.

The Remuneration Committee fulfils the roles as laid out in the Act and as per roles specified in Part D of Schedule II of the Listing Regulations which are as below:

- (1) Formulation of the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board of Directors a policy relating to the remuneration of the directors, key managerial personnel and other employees.
- (2) Formulation of criteria for evaluation of performance of Independent Directors and the Board of Directors.
- (3) Devising a policy on diversity of Board of Directors.
- (4) Identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and recommending to the Board of Directors their appointment and removal.
- (5) Whether to extend or continue the term of appointment of the Independent Directors, on the basis of the report of performance evaluation of Independent Directors.
- (6) Recommend to the board, all remuneration, in whatever form, payable to senior management.

Performance Evaluation Criteria for Independent Directors:

Your Company understands the requirements of an effective Board Evaluation process and accordingly conducts the Performance Evaluation every year in respect of the following:

- i. Board of Directors as a whole.
- ii. Committees of the Board of Directors.
- iii. Individual Directors including the Chairman of the Board of Directors.

In compliance with the requirements of the provisions of Section 178 of the Act, the Listing Regulations and the Guidance Note on Board Evaluation issued by SEBI, your Company has carried out a performance evaluation process internally for the Board/Committees of the Board/Individual Directors including the Chairman of the Board of Directors for the financial year ended 30th March, 2025.

The key objectives of conducting the Board Evaluation process were to ensure that the Board and various Committees of the Board have appropriate composition of Directors and they have been functioning collectively to achieve common business goals of your Company. Similarly, the key objective of conducting performance evaluation of the Directors through individual assessment and peer assessment was to ascertain if the Directors actively participate in the Board/Committee Meetings and contribute to achieve the common business goals of the Company. The Directors carry out the aforesaid performance evaluation in a confidential manner and provide their feedback on a rating scale of 1-5.

This year also, the outcome of such performance evaluation exercise was discussed at a separate Meeting of the Independent Directors held on 28th March, 2025 and will be tabled at the ensuing Board Meeting. After completion of internal evaluation process, it was noted that the Board and the Committees are working effectively.

Pursuant to Section 178(3) of the Act and Regulation 17(6) of the Listing Regulations, the Remuneration Committee is entrusted with responsibility of formulating criteria for determining qualifications, positive attributes and independence of an independent director. This can be viewed at <https://bcril.com/policies/>

Remuneration of Directors:

In compliance with the requirements of Section 178 of the Companies Act, 2013, Rules framed thereunder and pursuant to the provisions of Regulation 19(4) of the Listing Regulations, the Board of Directors of the Company has adopted a Nomination and Remuneration Policy for the Directors, Key Managerial Personnel (KMPs), Senior Management Personnel (SMPs), Functional Heads and other employees of the Company. The policy provides for criteria and qualifications for appointment of Directors, KMPs and SMPs, remuneration paid/payable to them, Board diversity, etc. The said policy has been uploaded on the website of the Company at <https://bcril.com/policies/>

The remuneration of Directors is as under:

Certificate to the Members of BCPL RAILWAY INFRASTRUCTURE LIMITED

1. We, L. B. Jha & Co., Chartered Accountants, the Statutory Auditors of BCPL RAILWAY INFRASTRUCTURE LIMITED ('the Company'), have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on 31st March 2025 as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and para-C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations).

Managements' Responsibility

2. The compliance of the conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in Listing Regulations.

Auditor's Responsibility

3. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. We have examined the books of account and other relevant records and documents maintained by the Company for the purpose of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.
5. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India (the ICAI), the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

7. In our opinion, and to the best of our information and according to explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Regulations.
8. We state that such compliance is neither assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
BCPL RAILWAY INFRASTRUCTURE LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of BCPL RAILWAY INFRASTRUCTURE LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows, the Statement of Changes in Equity and notes to the financial statements for the year ended on that date including a summary of material accounting policies and other explanatory information (herein after referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit (including Other Comprehensive Loss), Changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

3. Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matter	Response to Key Audit Matter
Revenue recognition – accounting for construction contracts There are significant accounting judgements including estimation of costs to complete, determining the stage of completion and the timing of revenue recognition. The Company recognises revenue and profit/loss on the basis of stage of completion based on the proportion of contract costs incurred at reporting date, relative to the total estimated costs of the contract at completion. The recognition of revenue and profit/loss therefore rely on estimates in relation to total	<u>Principal Audit Procedures</u> In responding to the identified key audit matter, we completed the following audit procedures: • Testing of the design and implementation of controls involved for the determination of the estimates used as well as their operating effectiveness; • Testing the relevant information technology

estimated costs of each contract. Cost contingencies are included in these estimates to take into account specific uncertain risks, or disputed claims against the Company, arising within each contract. These contingencies are reviewed by the Management on a regular basis throughout the contract life and adjusted where appropriate.	systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard; • Testing a sample of contracts for appropriate identification of performance obligations; • For the sample selected, reviewing for change orders and the impact on the estimated costs to complete; • Engaging technical experts to review estimates of costs to complete for sample contracts; and Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings
Contingent Liabilities The Company operates in a complex tax environment and is required to discharge direct and indirect tax obligations under various legislations such as Income Tax Act, 1961, the Finance Act, 1994, Goods and Services Tax Act and VAT Acts of various states. The tax authorities under these legislations have raised certain tax demands on the Company in respect of the past periods. The Company has disputed such demands and has appealed against them at appropriate forums. As at March 31, 2025 the Company has an amount of Rs. 310.04 Lakhs involved in various pending tax litigations. Ind AS 37 requires the Company to perform an assessment of the probability of economic outflow on account of such disputed tax matters and determine whether any particular obligation needs to be recorded as a provision in the books of account or to be disclosed as a contingent liability. Considering the significant degree of judgement applied by the management in making such assessments and the resultant impact on the financial statements, we have considered it to be an area of significance for our audit.	Principal Audit Procedures In assessing the exposure of the Company for the tax litigations, we have performed the following procedures: • Obtained an understanding of the process laid down by the management for performing their assessment taking into consideration past legal precedents, changes in laws and regulations, expert opinions obtained from external tax / legal experts (as applicable); • Assessed the processes and entity level controls established by the Company to ensure completeness of information with respect to tax litigations; • Along with our tax experts, we undertook the following procedures: • Reading communications with relevant tax authorities including notices, demands, orders, etc., relevant to the ending litigations, as made available to us by the management; • Testing the accuracy of disputed amounts from the underlying communications received from tax authorities and responses filed by the Company; • Considered the submissions made to appellate authorities and expert opinions obtained by the Company from external tax / legal experts (wherever applicable) which form the basis for management's assessment; • Assessed the positions taken by the management in the light of the aforesaid

	information and based on the examination of the matters by our tax experts. • Read the disclosures included in the Standalone Financial Statements in accordance with Standalone 37.
--	---

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in Board's Report including Annexures to Board Report, and Shareholders' Information but does not include the standalone financial statements and our auditor's report thereon. The aforesaid documents are expected to be made available to us after the date of this auditor's report.
5. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
6. In connection with our audit of the standalone financial statements, our responsibility is to read the other information when it becomes available and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.
7. When we read the aforesaid documents, if we conclude that there is a material misstatement therein, we are required to communicate the matters to those charged with governance.

Responsibility of Management for Standalone Financial Statements

8. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.
9. In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
10. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matters or when we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
16. Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial

statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Report on Other Legal and Regulatory Requirements

17. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure-A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
18. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive loss), the Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - refer Note 30 of Standalone financial statements.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- d. (i) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (ii) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.
- e. (a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
- (b) The Company has neither declared nor paid any interim dividend during the year.
- (c) The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- f. Based on our examination which included test checks, the company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE- A: TO THE INDEPENDENT AUDITOR'S REPORT

To the Members of BCPL RAILWAY INFRASTRUCTURE LIMITED

[Referred to in paragraph 17 of the Auditors' Report of even date]

- i. (a)(A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.
- (a) (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Property, Plant & Equipment are physically verified by the management according to a phased program designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, a portion of the Property, Plant & Equipment has been physically verified by the management during the year and no material discrepancies between the book records and the physical inventory have been noticed.
- (c) According to the information and explanations given to us and the records of the Company examined by us, the title deeds of the immovable properties of the Company are held in the name of the Company except the immovable properties which were owned by Bapi Construction. Details of Property is given below.

Details of title deeds of immovable property not held in the name of the Company						
Description of Property	Gross Carrying Value (Rs.)	Held in name of	Whether Promoter, Director or their relative or employee	Holding Period	Reason for not being held in the name of the Company	Is the property under dispute (Y/N)
Land at Sodepur, Kolkata, W.B.	611582	Bapi Construction	No	1st Apr 2008	Bapi Construction has been taken over by the Company w.e.f 01/04/2008 *	No

*The Registration of the property is yet to be done in the name of the company however mutation of the property has already been done.

- (d) According to the information and explanations given to us and the records of the company examined by us, the Company has not revalued any of its Property, Plant and Equipment or Intangible assets during the year.
- (e) According to the information and explanations given to us no proceeding has been initiated during the year or are pending against the Company as at March 31,2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

- ii. (a) The inventory has been physically verified by the management during the year. The discrepancies noticed on physical verification of inventory as compared to book records were not material and have been properly dealt with in the books of account. In our opinion, the frequency of verification is reasonable.
- (b) According to the information and explanations given to us and the records of the company examined by us, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets and quarterly statements of current assets filed by the Company with such banks or financial institutions in respect of its working capital borrowing are in agreement with the books of accounts of the company.
- iii. (a) (A) According to the information and explanations given to us and based on the audit procedures conducted by us, the Company has granted unsecured loans and provided guarantee to its subsidiary company M/s. BCL Bio Energy Private Limited. The terms and conditions of these loans and guarantee in our opinion are not prima-facie prejudicial to the interests of the Company.

The aggregate amount during the year, and balance outstanding at the balance sheet date with respect to such loans and guarantee to subsidiary company is given below -

Particulars	(Rs. in lakhs)	
	Guarantee	Loans
Aggregate amount given during the year (Rs. in Lakhs) (excluding interest)	4779.00	775.15
Balance outstanding at the balance sheet date (Rs. in Lakhs) (excluding interest)	4779.00	775.15

(B) According to the information and explanations given to us and based on the audit procedures conducted by us, the Company has not granted any loans or provided advances in the nature of loans or stood guarantee, or provided security to any other entity during the year.

(b) As the Company is charging interest against these loans; the terms and conditions of these loans in our opinion are not prima-facie prejudicial to the interests of the Company.

(c) There is no stipulation regarding recovery of loans as these loans are repayable on demand.

(d) The aforesaid loans being repayable on demand, there is no amount overdue for more than ninety days in respect of recovery of principal and interest of the above loans.

(e) Since all the above loans are repayable on demand, reporting under this clause is not applicable.

(f) According to information and explanation given to us and records of the Company examined by us, the details of loans given during the year that are repayable on demand are as per details given below

	(Rs. in lakhs)		
	All Parties	Promoters	Related Parties
Aggregate amount of loans/ advances in			775.15

nature of loans - Repayable on demand (A) - Agreement does not specify any terms or period of repayment (B)			
Total (A+B)			775.15
Percentage of loans/ advances in nature of loans to the total loans			100%

- iv. According to the information and explanations given to us and the records of the Company examined by us, the provisions of section 185 and 186 of the Companies Act, 2013, have been complied with in respect of loans, investments guarantees and securities given by the Company.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the rules framed there under. Further, no orders have been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal which could impact the Company.
- vi. The Central Government of India has not prescribed maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues including provident fund, income-tax, goods and service tax, duty of customs, cess and any other statutory dues, as applicable, with the appropriate authorities.
- (b) According to the information and explanations given to us and the records of the Company examined by us, the particulars of dues of income tax, value added tax and sales tax as at 31st March 2025 which has not been deposited on account of a dispute are as follows-

Name of the statute	Nature of dues	Amount (Rs. in lakhs) *	Period to which the amount relates	Forum where the dispute is pending
West Bengal Value Added Tax Act, 2003	Sales Tax	19.41	FY 2006-07	W.B. Appellate & Revisional Board, Kolkata
Odisha Sales Tax Act	Sales Tax	16.80	01.04.2005 to 30.11.2008	Commissioner of Sales Tax, Bhubaneswar, Orissa
Goods and Services Tax Act	Service Tax	36.33	FY 2008-09	Customs, Excise & Service Tax Appellate Tribunal, Kolkata
Goods and Services Tax Act	Service Tax	5.81	FY 2006-07 to FY 2011-12	Customs, Excise & Service Tax Appellate Tribunal, Kolkata
Goods and Services Tax Act	Service Tax	150.57	FY 2012-13 to FY 2016-17	Customs, Excise & Service Tax Appellate

				Tribunal, Kolkata
Odisha Sales Tax Act	Sales Tax	33.65	FY 2008-09 to 2011-12	Asst. Comm of Sales Tax, Cuttack, Odisha
Odisha Sales Tax Act	Sales Tax	47.47	05.2005-11.2008	Deputy Comm. Of sales Tax (Appeal), Bhubaneswar, Odisha

* Excluding Interest and Penalty not yet determined

* Amount is net of payments made under Protest

- viii. According to the information and explanations given to us and the records of the Company examined by us, there was no unrecorded income relating to previous year that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) According to the information and explanations given to us and the records of the Company examined by us, the Company has not defaulted in repayment of loans or in the payment of interest to lenders during the year.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the information and explanations given to us and the records of the Company examined by us, the Company has applied the term loans for the purpose for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) According to the information and explanations given to us the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures, hence reporting under this clause is not applicable.
- According to the information and explanations given to us the Company has not raised loans during the year on the pledge of securities held in its any subsidiaries, associates or joint ventures, hence reporting under this clause is not applicable.
- (f)
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under this clause is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under this clause is not applicable.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud on or by the Company, noticed or reported during the year, nor have we been informed of such case by the management.

- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
 - (c) According to the information and explanations given to us and the records of the Company examined by us, the Company has not received any complaints from any whistle-blower during the year (and up to the date of this report) and hence reporting under this clause is not applicable.
- xii. The Company is not a Nidhi Company and hence reporting under this clause is not applicable.
- xiii. According to the information and explanations given to us and the records of the Company examined by us, the Company has complied with the requirements of sections 177 and 188 of the Act with respect to its transactions with the related parties. Pursuant to the requirement of the applicable Accounting Standard, details of the related party transactions have been disclosed in Note 34 of the standalone financial statements for the year under audit.
- xiv.
 - (a) In our opinion, the Company has an internal audit system. The internal audit system is being further strengthened to make it commensurate with the size and the nature of its business.
 - (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi.
 - (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3 (xvi) (a) and (b) is not applicable.
 - &
 - (b)
 - (c) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and hence reporting under this clause is not applicable.
- xvii. According to the information and explanations given to us and the records of the Company examined by us the company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of

one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. (a) & According to information and explanation given to us and records of the Company examined by us, there is no fund lying unspent, hence reporting under clause 3(XX) (a) & (b) is not applicable.
(b)
- xxi. According to information and explanation given to us and records of the Company examined by us, there have been no any qualifications or adverse remarks given by the respective auditor in the Companies (Auditor's Report) Order (CARO) reports of the companies included in the consolidated financial statements.

ANNEXURE- B TO THE INDEPENDENT AUDITOR'S REPORT
To the Members of BCPL RAILWAY INFRASTRUCTURE LIMITED
[Referred to in paragraph 18 (f) of the Independent Auditor's Report of even date]

Report on the Internal Financial Control under Clause (i) of Sub –sections 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of BCPL RAILWAY INFRASTRUCTURE LIMITED ("the Company") as of 31st March, 2025 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Control

2. The Company's management is responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the "Guidance Note" and the Standard on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedure selected depends on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statement, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external

purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- 1) Pertain to the maintenance of the records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
- 2) provide reasonable assurance that the transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorization of management and directors of company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

7. Because of inherent limitation of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to errors or fraud may occur and not be detected. Also, projections of any evaluations of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion and based on audit tests performed in our audit of the financial statements for the year ended 31st March 2025, the Company has, in all material respect, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025. The Company had established informal practices which are effective in having a proper internal control over financial reporting. A formal system of internal controls over financial reporting criteria is in the process of being established by the Company considering the essential components of internal control as stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting, issued by the Institute of Chartered Accountants of India.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the 31st March, 2025 financial statements of the Company and these material weakness does not affect our opinion on the financial statements of the Company

Notes to the Standalone Financial Statement

1 Corporate Information

BCPL RAILWAY INFRASTRUCTURE LIMITED ("BCPL or the Company") is a public limited company domiciled in India and incorporated under the provisions of the Companies Act applicable in India. It is listed on the Bombay Stock Exchange. The Company executes Railway Electrification Projects, turnkey OHE projects and other projects for Railway as well as non-government parties. The Company has also investment in BCL Bio Energy Private Limited which is a subsidiary of BCPL Railway Infrastructure Limited. BCL Bio Energy is constructing a 300 TPD rice bran extraction plant. The registered office of the Company is located at 13B Bidhan Sarani, 4th Floor, Kolkata 700006. The financial statements for the year ended March 31, 2025 were approved by the Board of Directors and authorized for issue on 29th May, 2025.

2 Materiality Policy

2.1 Basis of Preparation

The Ind AS financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the Company. The Ind AS financial statements have been prepared on a historical cost basis, except for certain assets and liabilities which have been measured at fair values. (refer accounting policy regarding financial instruments)

2.2 Use of estimates

The preparation of the financial statements in conformity with IND AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the financial statements.

Key sources of estimation uncertainty

The following are the key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

2.2.1 Useful lives of property, plant and equipment

The Company reviews the estimated useful lives of property, plant and equipment at the end of each reporting period. The charge in respect of periodic depreciation is derived of the determining an estimate of an asset expected useful life and the expected residual value at the end of its life. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology

2.2.2 Fair value measurements and valuation processes

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. In

estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party valuers, where required, to perform the valuation. Information about the valuation techniques and inputs used in determining the fair value of various assets, liabilities are disclosed in the notes to the financial statements.

2.2.3 Claims, Provisions and Contingent Liabilities

In case of any ongoing dispute / litigation, where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such accruals are by nature complex and can take number of years to resolve and can involve estimation uncertainty.

2.2.4 Actuarial Valuation

The determination of Company's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognised in the Statement of Profit and Loss and in other comprehensive income. Such valuation depend upon assumptions determined after taking into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market. Information about such valuation is provided in notes to the financial statements.

2.3 Significant Accounting Policies

2.3.(i) Current and Non-Current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current. A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
 - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

2.3.(ii) Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Ind AS financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable
- ▶ For assets and liabilities that are recognised in the Ind AS financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.3.(iii) Revenue from contracts with customer

Revenue is recognized from construction and service activities is recognized based on "over time" method and the company uses the input method to measure progress of delivery.

When the outcome of individual contracts can be estimated reliably, contract revenue and contract cost are recognized as revenue and expenses respectively by reference to the stage of completion at the reporting date. Costs are recognized as incurred and revenue is recognized on the basis of the proportion of total cost at the reporting date to the estimated total cost of the contract.

Estimates of the final out-turn on each contract may include cost contingencies to take account of the risk within each contract that have been identified during the early stages of contract. The cost contingencies are reviewed on a regular basis throughout the contract life and are adjusted where appropriate. However, the nature of the risks on contracts are such that they often cannot be resolved until the end of the project and therefore may not reverse until the end of the Project. The estimated final out-turns on contracts are continuously reviewed, and in certain limited cases, recoveries from insurers are assessed, and adjustments made where necessary. No margin is recognized until the outcome of the contract can be estimated with reasonable certainty. Provision is made for all known or expected losses on individual contracts once each loss is foreseen.

Revenue in respect of variations to contracts and incentive payments is recognized when it is highly probable and agreed by the customer. Revenue in respect of claim is recognized only if it is highly probable not to reverse in future periods. Profit for the year includes the benefit of claims settled in the year to the extent not previously recognized on contracts completed in previous years.

The figures have been taken as per the management working on the basis of the work completed.

In some old projects where substantial contract revenue has already been recognized in earlier periods, income from operations is determined and recognized, based on the bills raised on technical evaluation of work executed based on joint inspection with customers including railways.

Export Income

Export sale is accounted for at the time of clearance of the goods at the Indian Customs Stations.

Exchange Differences

Difference between the rate recorded as above and the realization rate of the bills is recognized as Foreign Exchange Gain/Loss through the Profit and Loss Account.

Other Income

Other income comprises of primarily of Interest Income, Dividend Income, Gain/ (Loss) on sale of Investments, Rental Income and Claims (if any).

Interest Income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the asset's net carrying amount on initial recognition.

Dividend Income is recognized as and when right to receive payment is established provided, which is generally after the shareholders approve it in the Annual General Meeting.

Gain/ (Loss) on sale of Current/ Non Current Investments are recognized at the time of redemption/ Sale and at Fair value at each reporting period.

Rent Income/Lease rentals are recognized on accrual basis in accordance with the terms of agreements.

Insurance and other claims are accounted for as and when admitted by the appropriate authorities in view of uncertainty involved in ascertainment of final claim.

2.3.(iv) Taxes

Current Tax

Current income-tax assets and liabilities are measured at the amount expected to be recovered or paid to the taxation authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is provided using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Ind AS financial statements at the reporting date. Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss).

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in Other Comprehensive Income (OCI) or directly in equity. In this case, the tax is also recognised in OCI or directly in equity, respectively.

2.3.(v) Property, Plant and Equipment

Property, plant and equipment and Capital work in progress are carried at cost of acquisition, on current cost basis less accumulated depreciation and accumulated impairment, if any. Cost comprises purchase price and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. Machinery spares which can be used only in connection with an item of property, plant and equipment and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in Statement of Profit and Loss as incurred.

Depreciation is provided on Straight line method over the useful lives of property, plant and equipment except for depreciation on Motor Cars which is provided for on the reducing balance method as estimated by management. Pursuant to Notification of Schedule II of the Companies Act, 2013 depreciation is provided on prorata basis over the estimated useful lives of property, plant and equipment where applicable, as prescribed under Schedule II to the Companies Act 2013.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

2.3.(vi) Intangible Assets

Intangible Assets are recognized only when future economic benefits arising out of the assets flow to the enterprise and are amortised over their useful life ranging from 3 to 5 years. Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in Statement of Profit and Loss in the period in which the expenditure is incurred.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

2.3.(vii) Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. Borrowing Costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the borrowing costs. Discount on Commercial papers is amortised over the tenor of the underlying instrument. Borrowing Costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the date the asset is ready for its intended use is added to the cost of the assets. Capitalisation of Borrowing Costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. All other borrowing costs are expensed in the period they occur.

2.3(viii) Leases

As a lessee

The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate.

Generally, the company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the following:

- Fixed payments, including in-substance fixed payments;
 - Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- Amounts expected to be payable under a residual value guarantee; and
 - The exercise price under a purchase option that the company is reasonably certain to exercise, lease

- payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The company presents right-of-use assets that do not meet the definition of investment property in 'property, plant and equipment' and lease liabilities in 'loans and borrowings' in the statement of financial position.

Short-term leases and leases of low-value assets

The company has elected not to recognise right-of-use assets and lease liabilities for short-term leases of real estate properties that have a lease term of 12 months. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

2.3.(ix) Inventories

Raw materials, work-in-progress and finished products are valued at lower of cost and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes purchase price non refundable taxes and duties and other directly attributable costs incurred in bringing the goods to the point of sale. Work-in-progress and finished goods include appropriate proportion of overheads and where applicable, excise duty. Cost are assigned to individual items of inventory on weighted average basis. Stores and Spares are valued on the "weighted average" basis.

2.3.(x) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

2.3.(xi) Provisions and Contingencies

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the Statement of Profit and Loss.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that

reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The Company does not recognize a contingent liability but discloses its existence in the Ind AS financial statements.

2.3.(xii) Employee Benefits

2.3.1 Defined Contribution Plan

Employee benefits in the form of Provident Fund are considered as defined contribution plan and the contributions are recognised in the Statement of Profit and Loss account of the year when the contributions to the respective funds are due. There are no other obligations other than the contributions payable to the respective authorities.

2.3.2 Defined Benefits Plan

2.3.2.1 Gratuity

Every employee who has completed five years or more of service is entitled to Gratuity as per the provisions of The Payment of Gratuity Act, 1972. The costs of providing benefits are determined on the basis of actuarial valuation using the projected unit credit method at each year-end. Actuarial gains/losses are immediately recognised in retained earnings through Other Comprehensive Income in the period in which they occur. Re-measurements are not re-classified to Statement of Profit and Loss in subsequent periods. The excess / shortfall in the fair value of the plan assets over the present value of the obligation calculated as per actuarial methods as at balance sheet dates is recognised as a gain / loss in the Statement of Profit and Loss. Any asset arising out of this calculation is limited to the past service cost plus the present value of available refunds and reduction in future contributions.

2.3.2.2 Long Term Compensated Absences

Unavailed Leave balances are not accumulated and paid in the year of accrual.

2.3.(xiii) Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

2.3.(xiv) Earning per Share

Basic Earnings Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

2.3.(xv) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A Financial Assets

(i) Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

(ii) Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in two categories:

- Debt instruments at amortised cost
- Equity instruments measured at fair value through other comprehensive income FVTOCI

Debt instruments at amortised cost other than derivative contracts

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in Other Income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

Equity investments

Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

(iii) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred substantially all the risks and rewards of the asset

(iv) Impairment of Financial Assets

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances and security deposits held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since initial recognition.

(v) Foreign Currency Transactions

The reporting currency of the Company is the Indian Rupee.

Foreign currency transactions are recorded on initial recognition in the reporting currency, using the exchange rate predetermined on the basis of the exchange rate mentioned in the Shipping Bill in case of exports and Bill of Entry in

case of Imports. Difference between the rate recorded as above and the realization rate of the bills is recognized as Foreign Exchange Gain/Loss through the Profit and Loss Account. At each balance sheet date, foreign currency monetary items are reported using the exchange rate predetermined on the basis of the exchange rate on the date of the balance sheet. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

B Financial Liabilities

(i) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowing or payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and financial guarantee contracts.

(ii) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include derivatives, financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risks are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the lender for a loss it incurs because the specified borrower fails to make a payment when due in accordance with the terms of a loan agreement. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

(iii) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or

the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

(iv) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.3.(xvi) Operating Segments

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker (CODM). The CODM who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Board of Directors of the Company.

2.3.(xvii) Recent Pronouncement

Ind AS 1 - Presentation of Financial Statements - This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors - This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The company has evaluated the amendment and there is no impact on its standalone financial statements.

Ind AS 12 - Income Taxes - This amendment has narrowed the scope of the initial recognition exemptions so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The company has evaluated the amendment and there is no impact on its standalone financial statements.

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023.

2.3.(xviii) Standards issued but not effective

There are no standards issued but not effective up to the date of issuance of the Company's financial statements.

2.3.(xix) New and amended standards

The Ministry of Corporate Affairs (MCA) has notified Companies (Indian Accounting Standards) Rules, 2024 to amend the following Ind AS which are effective for annual periods beginning on or after April 1, 2024.

The Company has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

(i) Ind AS 117 Insurance Contracts

The Ministry of Corporate Affairs (MCA) notified the Ind AS 117, Insurance Contracts, vide notification dated 12 August 2024, under the Companies (Indian Accounting Standards) Amendment Rules, 2024

(ii) Amendments to Ind AS 116 Leases – Lease Liability in a Sale and Leaseback.

The MCA notified the Companies (Indian Accounting Standards) Second Amendment Rules, 2024, which amend Ind AS 116, Leases, with respect to Lease Liability in a Sale and Leaseback.

The above amendments do not have any impact on the Company's standalone financial statements.

c) Total Remeasurements Recognised in OCI (Gain)/Loss	(14.53)	(1.32)
d) Amount Recognised in OCI (Gain)/ Loss End of Period	(33.32)	(18.79)

(ii) The principle assumptions used in determining employee benefit obligations for the Company's plans are shown below:

Gratuity		
Particulars	Year ended March 31, 2025	Year ended March 31, 2024
Financial Assumptions Used to Determine the Profit & Loss Charge		
a) Discounting Rate	6.80 P A	7.09 P A
b) Salary Escalation Rate	10.00 PA	10.00 PA
Demographic Assumptions Used to Determine the Defined Benefit		
a) Retirement Age	60 Years	60 Years
b) Mortality Table (Indian Assured Lives Mortality)	2012-2014	2012-2014

c) Employee Turnover / Attrition Rate

18 to 30 Years	3%	3%
30 to 45 Years	2%	2%
Above 45 Years	1%	1%

The salary escalation rate usually consists of at least three components, viz. regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account.

Assumptions regarding future mortality experience are set in accordance with published statistics by the Actuary.
The discount rate is based on the government securities yield.

Financial instruments at amortized cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the Ind AS financial statement are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

During this year there has been no transfer from one level to another.

36 Financial risk management objectives and policies

The Company's principal financial liabilities, other than derivatives, comprise borrowings and trade payable. The main purpose of these financial liabilities is to finance the Company's working capital requirements. The Company has various financial assets such as trade receivables, loans, investments, short-term deposits and cash & cash equivalents, which arise directly from its operations. The company enters into derivative transactions by way of forward exchange contracts to hedge its payables.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's Board of Directors oversees the management of these risks. The Company's Board of Directors review financial risks and the appropriate financial risk governance framework for the Company. The Board ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All derivative activities for risk management purposes are carried out by personnels that have appropriate skills, experience and supervision. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below:

(i) Market Risk

Market Risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market factors. Market risk comprises three types of risk: Interest rate risk, currency risk and other price risk, such as its equity price risk, liquidity risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits and financial derivative.

The sensitivity analyses have been prepared on the basis that the amount of net debt, the ratio of fixed floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all constant at March 31, 2025. The sensitivity analyses exclude the impact of movements in market variables on the carrying values of gratuity and other post-retirement obligations. The following assumptions have been made in calculating the sensitivity analyses.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2025 and March 31, 2024

The sensitivity of equity is calculated as at March 31, 2025 for the effects of the assumed changes of the underlying risk

Interest Rate Risk

The Company has incurred short term debt to finance its working capital, which exposes it to interest rate risk. Borrowings issued at variable rates expose the Company to interest rate risk. Borrowing issued at fixed rates expose the Company to fair value interest rate risk. The Company's interest rate , applying a prudent mix of fixed and floating debt through evaluation of various bank loans and money market instruments.

Although the Company has significant variable rate interest bearing liabilities at March 31, 2020, interest rate exposure of the Company is mainly on Borrowing from Bank/FI, which is linked to their prime lending rate and the Company does not foresee any risk on the same.

(ii) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financial activities, including deposits with banks and financial institutions, and other financial instruments.

Trade Receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored by The Board of Directors and corrective actions taken.

As per the policy, any trade receivables overdue for more than 365 days, equivalent provision / allowance are provided in the books of accounts on the relevant

Financial instruments and cash deposits

For banks and financial institutions, only high rated banks/institutions are accepted. Credit risk from balances with banks and financial institutions is managed by the company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's board of Directors on an annual basis and therefore mitigate financial loss through counterparty's potential failure to make payments.

(iii) Liquidity risk

The company objective is to at all times maintain optimum level of liquidity to meet its cash and collateral requirement at all times. The Company relies on Borrowing to meet its additional need for fund. The current committed lines of credit are sufficient to meet its short to medium term expansion needs and hence evaluates the concentration of risk with respect to liquidity as low. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining headroom on its undrawn committed borrowing facilities at all times so that Company does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

Current Reporting period						Rs. in lakhs
Particulars	On demand	Less than 3 months	3 to 12 months	1 to 5 years	>5 years	Total
<u>Financial Liabilities</u>						
(i) Borrowings	2,620.15		5.59	5.74		2,631.47
(ii) Trade and other payables		2,235.64				2,235.64
(iii) Other financial liabilities	2.94	148.02		1.94		152.90

Previous Reporting period

Particulars	On demand	Less than 3 months	3 to 12 months	1 to 5 years	>5 years	Total
<u>Financial Liabilities</u>						
(i) Borrowings	1,629.44			3.88		1,633.33
(ii) Trade and other payables		1,283.34				1,283.34
(iii) Other financial liabilities	3.73	73.17		2.17		79.07

37 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserve attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximize the shareholder value.

The Company generally avails short term borrowings to bridge its working capital gap and finances its capital expenditure through internal generation of funds. The Company has a generally low debt equity ratio.

Rs. in lakhs		
Particulars	Year ended March 31, 2025	Year ended March 31, 2024
Borrowings	2,631.47	1,633.33
Less : cash and cash equivalents	760.56	722.47
Net debt	1,870.91	910.86
Total Equity	9,480.22	8,917.55
Capital and net debt	11351.13	9828.41
Gearing ratio	5.07	9.79

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowings in the current period. No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2025 and March 31, 2024.

38 Tax Reconciliation

Rs. in lakhs		
Reconciliation of tax expenses and the accounting profit multiplied by Indis'a tax rate		
Particulars	Year ended March 31, 2025	Year ended March 31, 2024
Profit Before Tax	1,034.62	744.90

Tax at the Indian tax rate of 25.17% (previous year - 25.17%)	260.39	187.48
Tax effect of amounts which are not deductible (taxable) in calculating taxable		
Companies Act Depreciation	5.76	4.62
Others	25.38	29.02
Tax effect of amounts which are deductible (non-taxable) in calculating taxable income		
Income Tax Act Depreciation	(8.06)	(8.57)
Others	(22.05)	(32.27)
Tax effect of other adjustment		
Deduction u/s section 80G	-	-
Tax Expense (Current Tax)	261.42	180.27

39 a) The figures in these accounts have been rounded off to nearest lakhs of rupees. Figures marked with (*) are below the rounding off norm adopted by the Company.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BCPL RAILWAY INFRASTRUCTURE LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of **BCPL RAILWAY INFRASTRUCTURE LIMITED** (hereinafter referred to as “the Holding Company”) and its subsidiary (the Holding Company and its subsidiary together referred to as “the Group”) which comprise the Consolidated Balance Sheet as at 31st March, 2025, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement, the Consolidated Statement of Changes in Equity and notes to the consolidated financial statements for the year then ended including a summary of material accounting policies and other explanatory information (herein after referred to as “Consolidated Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditor on separate financial statements of the subsidiary referred to in the Other Matters paragraph, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Group as at March 31, 2025, of its consolidated profit (including Other Comprehensive Loss), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained along with the consideration of audit reports of the other auditor referred to in the “Other Matters” paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

3. Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report in respect of the companies audited by us:

Key Audit Matter	Response to Key Audit Matter
Revenue recognition – accounting for construction contracts There are significant accounting judgements including estimation of costs to complete, determining the stage of completion and the timing of revenue recognition. The Company recognises revenue and profit/loss on the basis of stage of completion based on the proportion of contract costs incurred at reporting date, relative to the total estimated costs of the contract at completion. The recognition of revenue and profit/loss therefore rely on estimates in relation to total estimated costs of each contract. Cost contingencies are included in these estimates to take into account specific uncertain risks, or disputed claims against the Company, arising within each contract. These contingencies are reviewed by the Management on a regular basis throughout the contract life and adjusted where appropriate.	<u>Principal Audit Procedures</u> In responding to the identified key audit matter, we completed the following audit procedures: • Testing of the design and implementation of controls involved for the determination of the estimates used as well as their operating effectiveness; • Testing the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard; • Testing a sample of contracts for appropriate identification of performance obligations; • For the sample selected, reviewing for change orders and the impact on the estimated costs to complete; • Engaging technical experts to review estimates of costs to complete for sample contracts; and Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings
Contingent Liabilities The Company operates in a complex tax environment and is required to discharge direct and indirect tax obligations under various legislations such as Income Tax Act, 1961, the Finance Act, 1994, Goods and Services Act and VAT Acts of various states. The tax authorities under these legislations have raised certain tax demands on the Company in respect of the past periods. The Company has disputed such demands and has appealed against them at appropriate forums. As at March 31, 2025 the Company has an amount of Rs. 310.04 Lakhs involved in various pending tax litigations. Ind AS 37 requires the Company to perform an assessment of the probability of economic outflow on account of such disputed tax matters and determine	<u>Principal Audit Procedures</u> In assessing the exposure of the Company for the tax litigations, we have performed the following procedures: • Obtained an understanding of the process laid down by the management for performing their assessment taking into consideration past legal precedents, changes in laws and regulations, expert opinions obtained from external tax / legal experts (as applicable); • Assessed the processes and entity level controls established by the Company to ensure completeness of information with respect to tax litigations; • Along with our tax experts, we undertook the following procedures: • Reading communications with relevant tax authorities including notices, demands,

whether any particular obligation needs to be recorded as a provision in the books of account or to be disclosed as a contingent liability. Considering the significant degree of judgement applied by the management in making such assessments and the resultant impact on the financial statements, we have considered it to be an area of significance for our audit.	orders, etc., relevant to the ending litigations, as made available to us by the management; • Testing the accuracy of disputed amounts from the underlying communications received from tax authorities and responses filed by the Company; • Considered the submissions made to appellate authorities and expert opinions obtained by the Company from external tax / legal experts (wherever applicable) which form the basis for management's assessment; • Assessed the positions taken by the management in the light of the aforesaid information and based on the examination of the matters by our tax experts. • Read the disclosures included in the Standalone Financial Statements in accordance with Standalone 37.
--	---

No Key Audit Matters has been communicated to us in respect of its subsidiary which have been audited by other auditor.

Other Information

4. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis; Board's Report including Annexures to Board Report, Business Responsibility Report, Corporate Governance and Shareholders' Information but does not include the consolidated financial statements and our auditor's report thereon. The aforesaid documents are expected to be made available to us after the date of this auditor's report.
5. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
6. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.
7. When we read the aforesaid documents, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Consolidated Financial Statements

8. The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and statement of changes in equity of the Group in accordance with

the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under Section 133 of the Act, read with Rules issued thereunder. The respective Board of Directors of the companies included in the Group is responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

9. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group is responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
10. The respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group have adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditor. For the other entity included in the consolidated financial statements, which has been audited by other auditor, such other auditor remains responsible for the direction, supervision and performance of the audit carried out by him. We remain solely responsible for our audit opinion.
13. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditor regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matters or when we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
16. Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in

evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Other Matters

17. The Consolidated Financial Statements include the audited Financial Statement of one subsidiary, whose Financial Statements reflect Group's share of total assets of Rs. 7396.52 lakhs as at March 31, 2025, Group's share of total revenue of Rs. 2890.00 lakhs and Group's share of total net profit/(loss) after tax of Rs. (313.12) lakhs, total comprehensive income/(loss) of Rs. (313.12) lakhs for the year ended March 31, 2025 respectively, and Cash flows (net) of Rs. 1217.31 lakhs for the year ended March 31, 2025 as considered in the consolidated Financial Statement, which have been audited by their respective independent auditor. The independent auditors' reports on financial statements of this entity have been furnished to us and our opinion on the consolidated Financial Statement, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us are as stated in paragraph above.

Our opinion on the Consolidated Financial Statement is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor.

Report on Other Legal and Regulatory Requirements

18. As required by Section 143 (3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion proper books of accounts as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditor.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Loss), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant Rules issued thereunder.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2025 taken on record by the Board of Directors of the Holding Company and the reports of the other statutory auditor of its subsidiary, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in “Annexure A”, which is based on the auditor’s report of the parent and subsidiary.
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:
According to the information and explanations given to us and the records of the Group examined by us, the Holding Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 30 to the consolidated financial statements.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. (a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
 - (b) The Company has neither declared nor paid any interim dividend during the year.
 - (c) The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi Based on our examination which included test checks, the Group has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE –A TO THE INDEPENDENT AUDITOR’S REPORT
To the members of BCPL RAILWAY INFRASTRUCTURE LIMITED
[Referred to in paragraph 18 (f) of the Auditors’ Report of even date]

Report on the Internal Financial Control under Clause (i) of Sub –section 3 of Section 143 of the Companies Act, 2013(“the Act”)

1. We have audited the internal financial controls over financial reporting of **BCPL RAILWAY INFRASTRUCTURE LIMITED** (Hereinafter referred to as “the Holding Company”) and its subsidiary (the Holding Company and its subsidiary together referred to as “the Group”), as of 31st March 2025 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

2. The respective Board of Directors of the of the Holding Company and its subsidiary, are responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

3. Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its subsidiary, based on our audit. We conducted our audit in accordance with the “Guidance Note” and the Standard on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedure selected depends on the auditor’s judgment, including the assessment of the risk of material misstatement of the financial statement, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor of the subsidiary, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting the Holding Company and its subsidiary.

Meaning of Internal Financial Control over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statement for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that
 - 1) pertain to the maintenance of the records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - 2) provide reasonable assurance that the transactions are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorization of management and directors of company; and
 - 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statement.

Inherent Limitations of Internal Financial Control over Financial Reporting

7. Because of inherent limitation of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to errors or fraud may occur and not be detected. Also, projections of any evaluations of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of the other auditor referred to in the Other Matters paragraph below, the Holding Company and its subsidiary, have, in all material respect, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025 .The Holding Company had established informal practices which are effective in having a proper internal control over financial reporting. A formal system of internal controls over financial reporting criteria is in the process of being established by the Holding Company considering the essential components of internal control as stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting, issued by the Institute of Chartered Accountants of India.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the 31st March, 2025 financial statements of the Holding Company and these material weakness does not affect our opinion on the financial statements of the Company.

Other Matters

9. Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to subsidiary company included in consolidated financial statements is based solely on the corresponding report of the auditor of such subsidiary company.

Notes to the Consolidated Financial Statement

1 Corporate Information

The Consolidated Financial Statements comprise the financial statements of BCPL RAILWAY INFRASTRUCTURE LIMITED (the "Holding Company"), its subsidiary (collectively referred to as "the Group"). The Parent executes Railway Electrification Projects, turnkey OHE projects and other projects for Railway as well as non-government parties.

The subsidiary is executing a Rice Bran Oil extraction project at Burdwan, West Bengal.

The consolidated financial statements for the year ended March 31, 2025 were approved by the Board of Directors and authorized for issue on 29th May, 2025.

2 Materiality Policy

2.1 Basis of Preparation

The financial statements of the Parent and subsidiary have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the Company. The Ind AS financial statements have been prepared on a historical cost basis, except for certain assets and liabilities which have been measured at fair values. (refer accounting policy regarding financial instruments)

2.2 Basis of Consolidation

The Group combines the financial statements of the parent and its subsidiaries adding together like items of assets, liabilities, equity, income and expenses. Inter-company transaction, balance and un realised gains on transactions between group companies are eliminated.

Non-controlling interests in the results and equity of subsidiary are shown separately in the Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in Equity and Balance Sheet respectively. The details of the subsidiary considered for the purpose of consolidation

Name of Subsidiary	Country of Incorporation	Proportion of ownership	
		As at 31 st March 2025	As at 31 st March 2024
BCL BIO ENERGY PRIVATE LIMITED	INDIA	51.00%	51.00%

2.3 Use of estimates

The preparation of the financial statements in conformity with IND AS requires management to make estimates, judgments and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognised in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the financial statements.

Key sources of estimation uncertainty

The following are the key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

2.3.1 Useful lives of property, plant and equipment

The Company reviews the estimated useful lives of property, plant and equipment at the end of each reporting period. The charge in respect of periodic depreciation is derived of the determining an estimate of an asset expected useful life and the expected residual value at the end of its life. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology

2.3.2 Fair value measurements and valuation processes

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party valuers, where required, to perform the valuation. Information about the valuation techniques and inputs used in determining the fair value of various assets, liabilities are disclosed in the notes to the financial statements.

2.3.3 Claims, Provisions and Contingent Liabilities

In case of any ongoing dispute / litigation, where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such accruals are by nature complex and can take number of years to resolve and can involve estimation uncertainty.

2.3.4 Actuarial Valuation

The determination of Company's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognised in the Statement of Profit and Loss and in other comprehensive income. Such valuation depend upon assumptions determined after taking into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market. Information about such valuation is provided in notes to the financial statements.

2.4 Significant Accounting Policies

2.4.(i) Current and Non-Current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current. A liability is current when:

- It is expected to be settled in normal operating cycle
 - It is held primarily for the purpose of trading
 - It is due to be settled within twelve months after the reporting period, or
 - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period
- The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

2.4.(ii) Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Ind AS financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable
- For assets and liabilities that are recognised in the Ind AS financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.4.(iii) Revenue from contracts with customer

Revenue is recognized from construction and service activities is recognized based on "over time" method and the company uses the input method to measure progress of delivery.

When the outcome of individual contracts can be estimated reliably, contract revenue and contract cost are recognized as revenue and expenses respectively by reference to the stage of completion at the reporting date. Costs are recognized as incurred and revenue is recognized on the basis of the proportion of total cost at the reporting date to the estimated total cost of the contract.

Estimates of the final out-turn on each contract may include cost contingencies to take account of the risk within each contract that have been identified during the early stages of contract. The cost contingencies are reviewed on a regular basis throughout the contract life and are adjusted where appropriate. However, the nature of the risks on contracts are such that they often cannot be resolved until the end of the project and therefore may not reverse until the end of the Project. The estimated final out-turns on contracts are continuously reviewed, and in certain limited cases, recoveries from insurers are assessed, and adjustments made where necessary. No margin is recognized until the outcome of the contract can be estimated with reasonable certainty. Provision is made for all known or expected losses on individual contracts once each loss is foreseen.

Revenue in respect of variations to contracts and incentive payments is recognized when it is highly probable and agreed by the customer. Revenue in respect of claim is recognized only if it is highly probable not to reverse in future periods. Profit for the year includes the benefit of claims settled in the year to the extent not previously recognized on contracts completed in previous years.

The figures have been taken as per the management working on the basis of the work completed.

In some old projects where substantial contract revenue has already been recognized in earlier periods, income from operations is determined and recognized, based on the bills raised on technical evaluation of work executed based on joint inspection with customers including railways.

Export Income

Export sale is accounted for at the time of clearance of the goods at the Indian Customs Stations.

Exchange Differences

Difference between the rate recorded as above and the realization rate of the bills is recognized as Foreign Exchange Gain/Loss through the Profit and Loss Account.

Other Income

Other income comprises of primarily of Interest Income, Dividend Income, Gain/ (Loss) on sale of Investments, Rental Income and Claims (if any).

Interest Income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the asset's net carrying amount on initial recognition.

Dividend Income is recognized as and when right to receive payment is established provided, which is generally after the shareholders approve it in the Annual General Meeting.

Gain/ (Loss) on sale of Current/ Non Current Investments are recognized at the time of redemption/ Sale and at Fair value at each reporting period.

Rent Income/Lease rentals are recognized on accrual basis in accordance with the terms of agreements.

Insurance and other claims are accounted for as and when admitted by the appropriate authorities in view of uncertainty involved in ascertainment of final claim.

2.4.(iv) Taxes

Current Tax

Current income-tax assets and liabilities are measured at the amount expected to be recovered or paid to the taxation authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is provided using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Ind AS financial statements at the reporting date. Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss).

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in Other Comprehensive Income (OCI) or directly in equity. In this case, the tax is also recognised in OCI or directly in equity, respectively.

2.4.(v) Property, Plant and Equipment

Property, plant and equipment and Capital work in progress are carried at cost of acquisition, on current cost basis less accumulated depreciation and accumulated impairment, if any. Cost comprises purchase price and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. Machinery spares which can be used only in connection with an item of property, plant and equipment and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in Statement of Profit and Loss as incurred.

Depreciation is provided on Straight line method over the useful lives of property, plant and equipment except for depreciation on Motor Cars which is provided for on the reducing balance method as estimated by management. Pursuant to Notification of Schedule II of the Companies Act, 2013 depreciation is provided on prorata basis over the estimated useful lives of property, plant and equipment where applicable, as prescribed under Schedule II to the Companies Act 2013.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

2.4.(vi) Intangible Assets

Intangible Assets are recognized only when future economic benefits arising out of the assets flow to the enterprise and are amortised over their useful life ranging from 3 to 5 years. Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in Statement of Profit and Loss in the period in which the expenditure is incurred.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

2.4.(vii) Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. Borrowing Costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the borrowing costs. Discount on Commercial papers is amortised over the tenor of the underlying instrument. Borrowing Costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date the asset is ready for its intended use is added to the cost of the assets. Capitalisation of Borrowing Costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. All other borrowing costs are expensed in the period they occur.

2.4.(viii) Leases

As a lessee

The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate.

Generally, the company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the following:

- Fixed payments, including in-substance fixed payments;
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- Amounts expected to be payable under a residual value guarantee; and
- The exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The company presents right-of-use assets that do not meet the definition of investment property in 'property, plant and equipment' and lease liabilities in 'loans and borrowings' in the statement of financial position.

Short-term leases and leases of low-value assets

The company has elected not to recognise right-of-use assets and lease liabilities for short-term leases of real estate properties that have a lease term of 12 months. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

2.4.(ix) Inventories

Raw materials, work-in-progress and finished products are valued at lower of cost and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes purchase price non refundable taxes and duties and other directly attributable costs incurred in bringing the goods to the point of sale.

Work-in-progress and finished goods include appropriate proportion of overheads and where applicable, excise duty. Cost are assigned to individual items of inventory on weighted average basis.

Stores and Spares are valued on the "weighted average" basis.

2.4.(x) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

2.4.(xi) Provisions and Contingencies

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the Statement of Profit and Loss.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The Company does not recognize a contingent liability but discloses its existence in the Ind AS financial statements.

2.4.(xii) Employee Benefits

2.4.1 Defined Contribution Plan

Employee benefits in the form of Provident Fund are considered as defined contribution plan and the contributions are recognised in the Statement of Profit and Loss account of the year when the contributions to the respective funds are due. There are no other obligations other than the contributions payable to the respective authorities.

2.4.2 Defined Benefits Plan

2.4.2.1 Gratuity

Every employee who has completed five years or more of service is entitled to Gratuity as per the provisions of The Payment of Gratuity Act, 1972. The costs of providing benefits are determined on the basis of actuarial valuation using the projected unit credit method at each year-end. Actuarial gains/losses are immediately recognised in retained earnings through Other Comprehensive Income in the period in which they occur. Re-measurements are not re-classified to Statement of Profit and Loss in subsequent periods. The excess / shortfall in the fair value of the plan assets over the present value of the obligation calculated as per actuarial methods as at balance sheet dates is recognised as a gain / loss in the Statement of Profit and Loss. Any asset arising out of this calculation is limited to the past service cost plus the present value of available refunds and reduction in future contributions.

2.4.2.2 Long Term Compensated Absences

Unavailed Leave balances are not accumulated and paid in the year of accrual.

2.4.(xiii) Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

2.4.(xiv) Earning per Share

Basic Earnings Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

2.4.(xv) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A Financial Assets

(i) Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

(ii) Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in two categories:

- Debt instruments at amortised cost
 - Equity instruments measured at fair value through other comprehensive income FVTOCI
- Debt instruments at amortised cost other than derivative contracts

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is

included in Other Income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

Equity investments

Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

(i) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred substantially all the risks and rewards of the asset

(ii) Impairment of Financial Assets

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances and security deposits held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since initial recognition.

(ii) Foreign Currency Transactions

The reporting currency of the Company is the Indian Rupee.

Foreign currency transactions are recorded on initial recognition in the reporting currency, using the exchange rate predetermined on the basis of the exchange rate mentioned in the Shipping Bill in case of exports and Bill of Entry in case of Imports. Difference between the rate recorded as above and the realization rate of the bills is recognized as Foreign Exchange Gain/Loss through the Profit and Loss Account. At each balance sheet date, foreign currency monetary items are reported using the exchange rate predetermined on the basis of the exchange rate on the date of the balance sheet. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

B Financial Liabilities

(i) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowing or payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and financial guarantee contracts.

(ii) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include derivatives, financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are reclassified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risks are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the lender for a loss it incurs because the specified borrower fails to make a payment when due in accordance with the terms of a loan agreement. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

(iii) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

(iv) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.4(xvi) Operating Segments

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker (CODM). The CODM who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Board of Directors of the Company.

2.4.(xvi) Recent Pronouncement

Ind AS 1 - Presentation of Financial Statements - This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors - This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The company has evaluated the amendment and there is no impact on its standalone financial statements.

Ind AS 12 - Income Taxes - This amendment has narrowed the scope of the initial recognition exemptions so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The company has evaluated the amendment and there is no impact on its standalone financial statements.

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023.

2.4.(xvii) Standards issued but not effective

There are no standards issued but not effective up to the date of issuance of the Company's financial statements.

2.4.(xviii) New and amended standards

The Ministry of Corporate Affairs (MCA) has notified Companies (Indian Accounting Standards) Rules, 2024 to amend the following Ind AS which are effective for annual periods beginning on or after April 1, 2024.

The Company has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

(i) Ind AS 117 Insurance Contracts

The Ministry of Corporate Affairs (MCA) notified the Ind AS 117, Insurance Contracts, vide notification dated 12 August 2024, under the Companies (Indian Accounting Standards) Amendment Rules, 2024

(ii) Amendments to Ind AS 116 Leases – Lease Liability in a Sale and Leaseback

The MCA notified the Companies (Indian Accounting Standards) Second Amendment Rules, 2024, which amend IND AS 116, Leases, with respect to Lease Liability in a Sale and Leaseback.

The above amendments do not have any impact on the Company's standalone financial statements.

(ii) The principle assumptions used in determining employee benefit obligations for the Company's plans are shown below:

Particulars	Gratuity	
	As on 31.03.2025	As on 31.03.2024
Financial Assumptions Used to Determine the Profit & Loss Charge		
a) Discounting Rate	6.80 P A	7.09 P A
b) Salary Escalation Rate	10.00 PA	10.00 PA
Demographic Assumptions Used to Determine the Defined Benefit		
a) Retirement Age	60 Years	60 Years
b) Mortality Table (Indian Assured Lives Mortality)	2012-2014	2012-2014
c) Employee Turnover / Attrition Rate		
18 to 30 Years	3%	3%
30 to 45 Years	2%	2%
Above 45 Years	1%	1%

The salary escalation rate usually consists of at least three components, viz. regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account.

Assumptions regarding future mortality experience are set in accordance with published statistics by the Actuary.

The discount rate is based on the government securities yield.

Financial instruments at amortized cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the Ind AS financial statement are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

During this year there has been no transfer from one level to another.

36 Financial risk management objectives and policies

The Company's principal financial liabilities, other than derivatives, comprise borrowings and trade payable. The main purpose of these financial liabilities is to finance the Company's working capital requirements. The Company has various financial assets such as trade receivables, loans, investments, short-term deposits and cash & cash equivalents, which arise directly from its operations. The company enters into derivative transactions by way of forward exchange contracts to hedge its payables.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's Board of Directors oversees the management of these risks. The Company's Board of Directors review financial risks and the appropriate financial risk governance framework for the Company. The Board ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All derivative activities for risk management purposes are carried out by personnels that have appropriate skills, experience and supervision. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below:

(i) Market Risk

Market Risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market factors. Market risk comprises three types of risk: Interest rate risk, currency risk and other price risk, such as its equity price risk, liquidity risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits and financial derivative.

The sensitivity analyses have been prepared on the basis that the amount of net debt, the ratio of fixed floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all constant at March 31, 2025. The sensitivity analyses exclude the impact of movements in market variables on the carrying values of gratuity and other post-retirement obligations. The following assumptions have been made in calculating the sensitivity analyses.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2022 and March 31, 2021

The sensitivity of equity is calculated as at March 31, 2022 for the effects of the assumed changes of the underlying risk

Interest Rate Risk

The Company has incurred short term debt to finance its working capital, which exposes it to interest rate risk. Borrowings issued at variable rates expose the Company to interest rate risk. Borrowing issued at fixed rates expose the Company to fair value interest rate risk. The Company's interest rate , applying a prudent mix of fixed and floating debt through evaluation of various bank loans and money market instruments.

Although the Company has significant variable rate interest bearing liabilities at March 31, 2025, interest rate exposure of the Company is mainly on Borrowing from Bank/FI, which is linked to their prime lending rate and the Company does not foresee any risk on the same.

(ii) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financial activities, including deposits with banks and financial institutions, and other financial instruments.

Trade Receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored by The Board of Directors and corrective actions taken.

As per the policy, any trade receivables overdue for more than 365 days, equivalent provision / allowance are provided in the books of accounts on the relevant date.

Financial instruments and cash deposits

For banks and financial institutions, only high rated banks/institutions are accepted. Credit risk from balances with banks and financial institutions is managed by the company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's board of Directors on an annual basis and therefore mitigate financial loss through counterparty's potential failure to make payments.

(iii) Liquidity risk

The company objective is to at all times maintain optimum level of liquidity to meet its cash and collateral requirement at all times. The Company relies on Borrowing to meet its additional need for fund. The current committed lines of credit are sufficient to meet its short to medium term expansion needs and hence evaluates the concentration of risk with respect to liquidity as low. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining headroom on its undrawn committed borrowing facilities at all times so that Company does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

Current Reporting period

Rs. in lakhs

Particulars	On demand	Less than 3 months	3 to 12 months	1 to 5 years	>5 years	Total
<u>Financial Liabilities</u>						
(i) Borrowings	4,379.80		268.63	2,881.63		7,530.06
(ii) Trade and other payables		2,572.66				2,572.66
(iii) Other financial liabilities	2.94	148.06		3.11		154.11

Previous Reporting period

Particulars	On demand	Less than 3 months	3 to 12 months	1 to 5 years	>5 years	Total
<u>Financial Liabilities</u>						
(i) Borrowings	1,623.85		203.69	2,153.53		3,981.08
(ii) Trade and other payables		1,367.19				1,367.19
(iii) Other financial liabilities	3.73	73.23	-	2.84	-	79.80

37 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserve attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximize the shareholder value.

The Company generally avails short term borrowings to bridge its working capital gap and finances its capital expenditure through internal generation of funds. The Company has a generally low debt equity ratio.

Rs. in lakhs

Particulars	Year ended March 31, 2025	Year ended March 31, 2024
Borrowings	7530.06	3981.08
Less : cash and cash equivalents	1979.55	724.14
Net debt	5550.51	3,256.94
Total Equity	9304.2	8,906.12
Capital and net debt	14854.75	12,163.06
Gearing ratio	1.68	2.73

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowings in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2025 and March 31, 2024.

38 Tax Reconciliation

Reconciliation of tax expenses and the accounting profit multiplied by Indis'a tax rate

Rs. in lakhs

Particulars	Year ended March 31, 2025	Year ended March 31, 2024
Profit Before Tax	620.14	728.41
Tax at the Indian tax rate of 25.17% (previous year - 25.17%)	156.08	183.33
