Message from the MANAGING DIRECTOR

Dear Shareholders,

FY 2024–25 marked a pivotal phase in Raminfo's journey—one that tested our resilience, deepened our strategic focus, and reaffirmed our long-term vision. As we navigated a challenging external environment—marked by election-led policy slowdowns and delayed project cycles—we remained steadfast in our commitment to public service innovation and national digital transformation.

Despite a temporary dip in revenues due to the completion of legacy projects and a lull in fresh government tenders, Raminfo did not pause. We took this time to invest—strategically, thoughtfully, and courageously—in future-facing sectors such as smart energy, health-tech, and green electronics. This was not retreat, but recalibration. We launched three new subsidiaries—**Raminfo Greentech**, **Raminfo Health**, and **Raminfo Greentronics**—to align with India's national development goals and emerging digital economy.

The foundation laid this year is already bearing fruit. We are proud to share that Raminfo, as part of a consortium, secured a ₹474 crore rooftop solar project in Rajasthan—a clear validation of our diversification strategy without straying from our digital core.

Our commitment to inclusive technology remains unchanged. With over three decades of pioneering platforms like eSeva and MeeSeva, we continue to reimagine citizen service delivery—now with the power of AI, deep analytics, and agile platforms.

In a world shaped by AI, sustainability, and real-time data, we're not just adapting—we are leading. Our platforms increasingly integrate AI for personalized citizen services, improved governance decision-making, and predictive analytics. We are investing in upskilling, cybersecurity, and ESG to ensure that as we grow, we grow responsibly.

We continue to build for scale and impact. Our **iCollab Hub** is now India's only GovTech start-up accelerator with real government partnerships. We are nurturing early-stage ventures to solve problems of governance, data use, citizen experience, and service logistics. This isn't just CSR—it's strategy. We are building the next generation of collaborators and innovators who will take India's digital public infrastructure to new heights.

The Indian economy's sustained momentum and the global push for sustainability and digital access provide fertile ground for our growth. As government activity revives post-elections, we are seeing fresh traction across key verticals—FinTech, public digital infrastructure, and cooperative platforms for citizen engagement.

Our internal transformation—"**Raminfo 2.0**"—is not just a strategy; it's our commitment to building a smarter, leaner, more focused enterprise. We continue to uphold fiscal prudence, ESG compliance, and inclusive governance as central pillars of our operations. The improvements in our balance sheet, despite topline compression, underscore the discipline with which we operate.

"Transforming Pauses into Purpose" *While the world slowed, we recalibrated. FY 2024–25 was not just a pause—it was a platform for transformation. From e-Governance to green energy, from digital health to sustainable electronics, we used this transition year to seed innovation, unlock new sectors, and prepare Raminfo for a more diversified and resilient future.*

Looking ahead to FY 2025–26, we are optimistic and ready. Our focus is threefold:

- Delivering **sustainable and diversified revenue** from both core IT services and emerging sectors.
- Driving **platform innovation**, especially in AI-led governance, healthcare, and digital public utilities.
- Strengthening our **stakeholder value** through transparency, capability building, and social impact.

To our shareholders, employees, partners, and well-wishers—thank you for believing in Raminfo’s vision.

We are not just building solutions; we are shaping digital Bharat, one inclusive platform at a time.

6. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA and SEBI Circulars.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- i. The voting period begins on September 14, 2025 and ends on September 16, 2025. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of September 10, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

As required under Section 102(1) of the Companies Act, 2013 (the 'Act'), the following explanatory statement sets out all the material facts relating to the businesses mentioned under Item Nos. 3 to 8 of the accompanying notice:

Item -: 3 Appointment of Mr. Gangaram Aloria, IAS (RETD.) (DIN: 02913711) as a Non-Executive Non-Independent Director:

The Board of Directors of the Company, based on the recommendation of the Nomination and Remuneration Committee, has proposed the appointment of Mr. Gangaram Aloria, IAS (RETD.) (DIN: 02913711) as a Non-Executive, Non-Independent Director of the Company, liable to retire by rotation, subject to the approval of shareholders at the ensuing Annual General Meeting.

Mr. Gangaram Aloria is a highly respected former Indian Administrative Service (IAS) officer with over 35 years of experience across key leadership roles in governance, infrastructure, urban development, and public administration. He served as the Chief Secretary to the Government of Gujarat, where he played a pivotal role in conceptualizing and executing large-scale initiatives, including the iconic "Statue of Unity" project. His career spans across diverse areas such as land reforms, public transport, urban housing, irrigation, and policy formulation for multiple departments at the state level.

After his retirement from government service, Mr. Aloria has continued to contribute his strategic expertise through board-level and advisory roles in several reputed organizations including APITCO, HAL, Brahmaputra Valley Fertilizer Corporation Limited, Phillips Carbon Ltd, and others. His broad public and private sector exposure, particularly in infrastructure and regulatory matters, aligns well with the Company's vision and future direction.

Considering his vast experience and demonstrated leadership in the public domain, the Board believes that his association will add significant strategic value to the Company's governance and policy oversight.

Mr. Aloria has consented to act as a Director of the Company and has confirmed that he is not disqualified from being appointed as a Director under the provisions of the Companies Act, 2013. The Company has also received declarations and disclosures as required under applicable laws and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR").

Pursuant to Regulation 17(1C) of SEBI LODR, approval of the Members by way of an Ordinary Resolution is being sought for the appointment of Mr. Gangaram Aloria as a Non-Executive, Non-Independent Director.

The profile and other details of Mr. Aloria, as required under Regulation 36(3) of SEBI LODR and Secretarial Standard-2, are provided in the Annexure to this Notice.

The Board recommends the resolution for appointment of Mr. Gangaram Aloria as a Non-Executive, Non-Independent Director of the Company for the approval of the Members.

None of the Directors, Key Managerial Personnel of the Company or their relatives, except Mr. Gangaram Aloria and his relatives, is concerned or interested, financially or otherwise, in the resolution.

The Board recommends the Ordinary Resolution as set out in Item No. 3 of the accompanying Notice for the approval of the members.

Item -: 4, 5 & 6

- 4. Approval for formulation, adoption, and implementation of Raminfo Employee Stock Option Plan 2025 for grant of employee stock options to the employees of the Company under this plan:**
- 5. Approval for formulation, adoption and implementation of Raminfo Employee Stock Option Plan 2025 for grant of employee stock options to the employees of subsidiaries of the Company under this plan:**
- 6. Approval for grant Employee Stock Options equal to or more than 1% of the issued capital of the Company to the employees under Employee Stock Option Plan 2025 of the Company and Subsidiary Companies:**

Employees Stock Option is a useful tool to attract retain and motivate the best available talent and to reward them for performance. This also provides an opportunity for employees to participate in the growth of the Company, besides creating long-term wealth in their hands.

The Raminfo Employee Stock Option Plan ("ESOP 2025"/"Scheme") proposed to be introduced is aimed at retaining the best talent in the Company. The opportunity to benefit from the equity upside (vis-à-vis fixed cash payouts) through the achievement of long-term business objectives further drives the high-performance culture needed in our business, which ultimately benefits shareholders.

Accordingly, based on the recommendation and approval of the Nomination & Remuneration Committee ('NRC') and the Board of the Company, the approval of members of the Company is being sought for implementation of ESOP 2025. The salient features of the Plan in terms of Section 62(1) (b) of the Companies Act, 2013 read with Rule 12 and Regulation 6 of the SBEB Regulations are given as hereunder:

1. Brief description of the scheme

The detailed terms and conditions of ESOP 2025, were duly approved by the NRC and Board at its meeting held on August 13, 2025, subject to further approval of the shareholders of the Company.

Under ESOP 2025, the Company would grant up to 10,00,000 (Ten Lakh) Options in one or more tranches in ESOP 2025 to eligible employees of the Company and subsidiaries of the Company that would entitle the grantees (in aggregate) the right to acquire, not exceeding 10,00,000 (Ten Lakh) fully paid-up equity shares of Rs. 10/- (Rupee Ten) each, representing 9.11% of the share capital of the Company as on June 30, 2025 on a fully diluted basis, with each such Option conferring a right upon the eligible employees to apply for one equity share in the Company in accordance with the terms and conditions as may be decided under the Plan.

ESOP 2025 provides for the grant of Options to employees of the Company and subsidiaries of the Company, as may be permissible under the SBEB Regulations (hereinafter referred to as 'Employees') from time to time.

Every grant of Options shall be governed by a vesting schedule and such other terms, as determined by the NRC at the time of each grant. After vesting, the Employees may exercise the vested Options within the pre-defined exercise period. Each Option is convertible into one Equity Share of the Company upon vesting and exercise.

The Company will issue Equity Shares upon exercise of vested Options, subject to fulfillment of certain condition(s) including without limitation payment of exercise price and satisfaction of tax obligations. The NRC shall act as the compensation committee for the administration and supervision of the Plan. All questions of interpretation of the Plan shall be determined by the NRC and such determination shall be final and binding upon all persons having an interest in the Plan.

The NRC or any other person(s) authorized by the NRC from time to time shall take necessary administrative steps in order to implement, supervise, and administer the Plan including but not limited to the following:

- Determine the employee-wise number of grants for NRC's approval.
- Issue, amend, and modify the grant letters to grantees.
- Accept nomination forms/exercise notices from grantees.
- Sign and deliver all letters, correspondence, certificates, undertakings, other deeds, and documents on behalf of the Company for any purpose incidental or ancillary to the Plan.
- Appoint any consultant, lawyer, professional, etc., for any opinion, advice, views or to represent the Company before any statutory or non-statutory authority. Also, appoint a valuer/ merchant banker / chartered accountant as may be required.
- Do all such acts, deeds, and things as may be required to be done to implement and administer the Plan or any other matter connected thereto under the authority of the NRC

2. Total number of options to be granted

It is proposed to grant/offer/issue up to 10,00,000 (Ten Lakh) Options in ESOP 2025, in one or more tranches. Each Option will entitle the option holder to 1 (one) Equity Share of the Company. Accordingly, up to 10,00,000 (Ten Lakh) Equity Shares shall be allotted to the Employees under the ESOP 2025 upon exercise of all options under ESOP 2025.

Further, the SBEB Regulations require that in case of any corporate action(s) such as rights issue, bonus issue, merger, sale of division etc., a fair and reasonable adjustment needs to be made to the Options granted or to be granted. In this regard, the NRC shall adjust the Options and/or price of the Options granted or to be granted in such a manner that the total value of the Options granted or to be granted under the Plan remains the same after any such corporate action. Accordingly, if any additional Options are issued by the Company to the Options grantees for making such fair and reasonable adjustment, the aforesaid ceiling shall be deemed to be increased to the extent of such additional Options issued.

3. Identification of classes of employees entitled to participate and be beneficiaries in the scheme

Subject to determination or selection by the NRC, Employee(s) as defined in Regulation 2(1) (i) of the SBEB Regulations as amended from time to time, shall be eligible to participate and be beneficiaries in the ESOP 2025.

4. Requirements of vesting and period of vesting

Subject to exceptions such as death and permanent incapacity etc. as provided under SBEB Regulations, the vesting period of stock options shall not be less than a period of 1 year, and which may extend to a maximum period of 10 years, from the date of grant, as may be decided by the NRC. The quantum/proportion in which the Options would vest and the exact period over which the Options would vest with the employees would be determined by the NRC and stated in the grant letter.

Vesting of Options would be based on continued employment and meeting the mandatory performance conditions as specified in the grant letter. Performance conditions would be determined by the NRC from time to time.

5. Maximum period subject to regulation 18(1) of SBEB regulations within which the options/benefits shall be vested

The vesting period of stock options shall not be less than a period of 1 year, and which may extend to a maximum period of 10 years, from the date of grant, as may be decided by the NRC and stated in the grant letter.

The committee may vary the maximum vesting period from time to time, as may be statutorily permissible.

6. Exercise price or pricing formula

The Options will be granted at an Exercise Price as determined by the Nomination & Remuneration Committee, which shall in no case be lesser than the face value of Shares of the Company and not higher than the Fair Market Value of Shares of the Company as on date of Grant and shall be subject to conforming to the accounting policies specified in Regulation 15 of the SBEB Regulations.

The employee shall also be liable to pay the Company the amount equivalent to the value of the perquisite tax payable on the exercise of the options in accordance with the provisions of the Income Tax Act, 1961, and other applicable laws (if any) at the relevant time.

7. Exercise period/offer period and process of exercise/acceptance of offer

Exercise period:

The exercise period will commence from the date of vesting and will expire on completion of 10 years from the date of respective vesting.

In the event of resignation / termination / superannuation / death / permanent disability, stock options will be exercised in accordance with SBEB regulations as may be determined by the NRC in this regard.

Process of exercise:

- Vested stock options shall be exercisable by the grantee by making a written application to the Company expressing his / her desire to exercise such stock options in such manner and in such format as may be prescribed by the Company from time to time.
- Exercise of stock options shall be entertained only after payment of requisite exercise price and satisfaction of applicable taxes by the employee.
- Stock options if not exercised within the specified exercise period will lapse.

8. Appraisal process for determining the eligibility of employees for the scheme

The appraisal process for determining the eligibility of the employee will be specified by the NRC.

In determining the eligibility of employees to participate in the Plan, the NRC may consider one or more of the following parameters on a case-by-case basis including but not limited to tenure, performance, position and responsibilities of the employee, nature and value of the employee's service to the company, employee's present and potential contribution and such other factors as may be deemed appropriate by the NRC, at its sole discretion, from time to time.

9. Maximum number of options, shares, as the case may be, to be offered and issued per employee and in aggregate, if any

The maximum limit for any single employee:

The maximum number of options to be issued to any single eligible employee from ESOP 2025 will be decided by the NRC, subject to a maximum of 5% of the issued capital of the Company in any single financial year.

The aggregate number of options available for grant under ESOP 2025 for all employees:

A maximum of 10,00,000 (Ten Lakhs) options shall be available for grant to employees under ESOP 2025. Each Option shall entitle the option holder to one fully paid-up equity share of face value of ₹10/- of the Company (as adjusted for any changes in the capital structure of the Company). Accordingly, up to 10,00,000 (Ten Lakh) equity shares of face value of ₹10/- each shall be allotted to employees under the ESOP 2025.

10. Maximum quantum of benefits to be provided per employee under a scheme

The Employees will be entitled to Equity Shares of the Company on the exercise of Options as per the terms provided under ESOP 2025.

The maximum quantum of benefits provided to any eligible employee under the ESOP 2025 will be the difference between the market value of the Company's equity shares on the Stock Exchanges as on the date of exercise of Options and the exercise price paid by the employee.

No benefits, other than grant of Options and issuance of equity shares upon exercise, are envisaged under ESOP 2025.

11. Whether the scheme is to be implemented and administered directly by the company or through a trust

ESOP 2025 shall be implemented directly by the Company through the Board of Directors (including the Nomination & Remuneration Committee) of the Company.

12. Whether the scheme involves the new issue of shares by the company or secondary acquisition by the trust or both

ESOP 2025 will involve a new issue of Equity Shares of the Company and will not involve any secondary acquisition.

13. The amount of loan to be provided for implementation of the scheme by the company to the trust, its tenure, utilization, repayment terms, etc.

Not Applicable.

14. Maximum percentage of secondary acquisition (subject to limits specified under the regulations) that can be made by the trust for the purposes of the scheme

Not Applicable.

15. Statement to the effect that the company shall conform to the accounting policies specified in regulation 15 and accounting standards

The Company will follow and comply with Indian Accounting Standard (Ind AS) 102 - share-based payment and/or any other applicable accounting standards as may be prescribed by the Central Government in terms of the Act and rules made thereunder, including the disclosure requirements prescribed therein in compliance with Regulation 15 of the SBEB Regulations.

In addition, the Company shall disclose such details as required under the applicable laws.

16. Method which the Company shall use to value its options

The Company shall follow the 'fair valuation method' for the valuation of Options as prescribed under Ind AS 102 on share-based payment or any accounting standard/guidance note, as applicable, notified by the competent authorities from time to time.

17. Lock-in period

The Equity Shares issued pursuant to the Exercise of Options shall not be subject to any lock-in period restriction except such restrictions as may apply under the applicable laws/regulatory authority from time to time.

18. Statement with regard to Disclosure in Director's Report:

As per applicable requirements, the company shall make all such necessary disclosures in the Directors' Report

19. Conditions under which option vested in employees may lapse e.g. in case of termination of employment for misconduct

All the vested Options as on the date of termination (due to misconduct or breach of company policies/terms of employment from time to time) which were not exercised shall stand cancelled with effect from the date of such termination.

20. Specified time period within which the employee shall exercise the vested options in the event of a proposed termination of employment or resignation of employee

All the vested Options as on the date of submission of resignation shall be exercisable by the Employee within 10 years from the date of vesting of Options.

All the vested Options as on the date of termination (due to misconduct or breach of company policies/terms of employment from time to time) shall stand cancelled and will not be available for exercise.

21. Terms & conditions for buyback, if any of specified securities covered under SBEB Regulations

The NRC has the powers to determine the procedure and other terms and conditions for buy-back of Options granted, if the Company decides to undertake the buy-back of the Options granted at any time in compliance with applicable laws.

22. In case the company opts for expensing of share-based employee benefits using the intrinsic value, the difference between the employee compensation cost so computed and the employee compensation cost that shall have been recognized if it had used the fair value shall be disclosed in the Directors' report and the impact of this difference on profits and on earnings per share ("EPS") of the company shall also be disclosed in the Directors' report

Not applicable.

In terms of Section 62(1) (b) and other applicable provisions, if any, of the Act read with Rules there under and Regulation 6(1) and other applicable provisions of SBEB Regulations, the implementation of ESOP 2025 and grant of Options to the Employees of the Company under ESOP 2025 require approval of the shareholders by way of a special resolution. Therefore, the approval of the shareholders of the Company is being sought to pass a special resolution as set out at item no. 4.

Further, as per section 62(1) (b) and other applicable provisions, if any, of the Act read with Rules there under and Regulation 6(3) (c) of SBEB Regulations, approval of the shareholders by way of separate special resolution is also required for extending the benefits of ESOP 2025 to the employees of subsidiaries of the Company and grant of Options to employees of the subsidiaries of the Company under ESOP 2025. Therefore, the approval of the shareholders of the Company is being sought to pass a special resolution as set out at item no. 5.

Further, as per Section 62(1)(b) and other applicable provisions, if any, of the Act read with Rules there under and SBEB Regulations, approval of the shareholders by way of separate special resolution is also required for grant of options to employees of the subsidiary and the Company, during any one year, equal to or exceeding 1% of the issued capital (excluding outstanding warrants and conversions) of the Company at the time of grant of option under ESOP 2025. Therefore, the approval of the shareholders of the Company is being sought to pass a special resolution as set out at item no. 6.

A copy of the Schemes is available for inspection electronically during official hours on all working days till the conclusion of voting.

None of the directors and key managerial personnel of the Company or their relatives is in any way, financially or otherwise, concerned or interested in the resolutions, except to the extent of their shareholding in the Company or the options that may be granted under the ESOP 2025.

The Board recommends the resolution set forth in item no. 4, 5 & 6 for the approval of members.

Item -: 7 Approval for giving loan and guarantee or providing security in connection with loan availed by any specified person under section 185 of the Companies, Act, 2013:

Pursuant to the provisions of Section 185 of the Companies Act, 2013, as amended by the Companies (Amendment) Act, 2017 and notified by the Ministry of Corporate Affairs on May 7, 2018, a company is prohibited from directly or indirectly advancing any loan, including any loan represented by a book debt, or providing any guarantee or security in connection with any loan taken by any director or any other

person in whom the director is interested, unless prior approval of shareholders by way of a Special Resolution is obtained.

The amended provisions now permit such transactions, provided the same are in the ordinary course of business or fall within a legitimate business need and are made subject to shareholders' approval and appropriate disclosures.

In the ordinary course of its business and to support growth opportunities, the Company may be required to:

- (a) Advance loans, make business advances, or extend credit (including book debts),
- (b) Provide guarantees or securities in connection with loans, debentures, or bonds raised by
- (c) Its subsidiary companies (whether Indian or overseas),
- (d) Joint ventures, strategic alliances, or
- (e) Other body corporates in which any of the directors of the Company may be deemed to be interested.

While such transactions may be entered into for legitimate business purposes, as a measure of abundant caution and to ensure full compliance with the amended Section 185, the Board proposes to obtain shareholders' approval by way of a Special Resolution to authorize the Company to undertake such transactions.

Accordingly, the Board of Directors recommends the Special Resolution set out in Item No. 7 of the accompanying Notice for the approval of the members.

None of the Directors, Key Managerial Personnel or their relatives is concerned or interested in the resolution, financially or otherwise, except to the extent of their shareholding, if any, in the Company or in any body corporate to which such loans, guarantees or securities may be extended.

Item -: 8 Approval for Related Party Transactions with Raminfo Green Energy Private Limited under Regulation 23 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015:

Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations") provides that related party transactions, if entered into by the Company and the value of such transactions, either individually or taken together with previous transactions during a financial year, exceeds 10% of the annual consolidated turnover of the Company as per the last audited financial statements, shall require the prior approval of the shareholders of the Company by way of an ordinary resolution.

The Company, in the ordinary course of its business and at arm's length basis, proposes to enter into transactions with its subsidiary, Raminfo Green Energy Private Limited, a related party as defined under the SEBI LODR Regulations. These transactions shall relate, inter alia, to sale and purchase of goods, rendering or availing of services, reimbursement of expenses, and other transactions involving transfer of resources, services, or obligations, as may be mutually agreed upon.

The proposed transactions with Raminfo Green Energy Private Limited are estimated to be up to an aggregate value of ₹20,00,00,000/- (Rupees Twenty Crores only) during the period from 01st October, 2025 to 30th September, 2027.

In terms of Regulation 23(4) of the SEBI LODR Regulations, all related parties shall abstain from voting on this resolution, irrespective of whether they are related to the particular transaction or not.

The Board of Directors recommends the resolution set forth in Item No. 8 for the approval of members as an Ordinary Resolution.

None of the Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 8 of the Notice, except to the extent of their shareholding in the Company, if any.

Item -: 9 Appointment of Mr. D. S. Rao, Practicing Company Secretary as the Secretarial Auditors of the Company:

Pursuant to the amended provisions of Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI LODR Regulations') vide SEBI notification dated December 12, 2024 and provisions of Section 204 of the Companies Act, 2013 ('Act') and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and the Board of Directors at their meeting held on August 13, 2025 have approved and recommended the appointment of Mr. D. S. Rao, Practicing Company Secretary as Secretarial Auditors of the Company for a term of 5 (Five) consecutive years to hold office from the conclusion of this Annual General Meeting ('AGM') till the conclusion of the 36th (Thirty-Sixth) AGM to be held in the year 2030.

Mr. D. S. Rao, is an individual Practitioner, primarily engaged in providing Secretarial Audit, Governance, Compliance Management and other Assurance services. He has experience of handling the secretarial audits of listed and large unlisted companies. He holds Certificate of Practice No.:14487 and Peer review certificate no.: 1817/2022 issued by the Peer Review Board of the Institute of Company Secretaries of India. The recommendation for the appointment of Mr. D. S. Rao as Secretarial Auditor is based on his past track record and capabilities in delivering quality secretarial audit services to other companies of similar size and complexity.

Mr. D. S. Rao have confirmed that they are not disqualified from being appointed as Secretarial Auditors and the proposed appointment is within the limits as laid down by the ICSI and the extant regulations framed by SEBI. They have further furnished a declaration that they have not taken up any prohibited non-secretarial audit assignments for the Company, its holding and subsidiary companies and that they have no conflict of interest in terms of ICSI Auditing Standard on Audit Engagement.

The Board (including its committee thereof) shall approve the remuneration or any revision thereof of the Secretarial Auditors from time to time.

The Board of Directors recommends the resolution set forth in item No. 9 for approval of members as an Ordinary resolution.

None of the Directors, Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 9 of the Notice.

STATE OF AFFAIRS AND COMPANY'S PERFORMANCE:

During the financial year ended March 31, 2025, Raminfo Limited experienced a transitional phase, shaped by both macroeconomic conditions and strategic business recalibration. The Company reported a standalone revenue from operations of ₹2,062.99 lakhs, significantly lower than the ₹8,208.51 lakhs recorded in the previous year. On a consolidated basis, revenue from operations was ₹2,061.70 lakhs, and Profit After Tax stood at ₹171.06 lakhs (standalone) and ₹177.95 lakhs (consolidated), compared to ₹629.82 lakhs and ₹637.80 lakhs, respectively, in FY 2023-24.

This decline in performance was primarily due to the successful completion of several large-scale projects, which were not immediately replaced by new work due to a slowdown in public sector tendering activity. State and Central elections held in Q4 of FY 2023-24 and Q1 of FY 2024-25 led to delays in administrative approvals, certifications, and fresh project inquiries from government clients. Consequently, certain revenues that were otherwise executable during the year were deferred.

Amid this environment, the Company undertook a strategic shift under the "Raminfo 2.0" initiative, focusing on high-value, margin-accretive projects, strengthening cash flow management, and enhancing financial sustainability. The acquisition of new office premises during the year also led to a one-time increase in depreciation expenses.

Despite these temporary headwinds, Raminfo remained operationally resilient, continuing to support critical digital infrastructure and citizen service platforms, which have been the foundation of its long-standing engagement with government stakeholders.

FUTURE OUTLOOK:

As we move into FY 2025–26, Raminfo is optimistic about a return to growth. With the conclusion of the election cycle, tendering activity from government departments has resumed, and the Company is witnessing a revival in project inquiries and RFP issuances. This improved environment is already reflected in the recent ₹474 crore rooftop solar project awarded by Rajasthan Renewable Energy Corporation Limited (RRECL), secured as part of a consortium in FY 2025–26. Additionally, the Company has also received a ₹14.14 crore project from the Directorate of Information Technology, Government of Tripura, for the development, deployment, implementation, and maintenance of the citizen-centric Services & Benefits Delivery Platform – 'UNNOTI' under the Tripura Rural Economic Growth & Service Delivery Project (TRESP). These projects mark both the beginning of Raminfo's foray into smart and sustainable energy solutions as well as a strengthening of its leadership in e-Governance and citizen service delivery.

The Company will continue to build on its legacy in e-Governance, while strategically diversifying into emerging areas such as AI-enabled governance, smart energy platforms, citizen-centric mobile applications, and digital infrastructure services. These initiatives are expected to drive long-term value and operational scalability.

With a renewed project pipeline, strategic clarity under "Raminfo 2.0," and a continued commitment to innovation and execution excellence, the Company is well-positioned to deliver improved performance in the coming fiscal years, creating enduring value for all stakeholders.

QUALITY STANDARD:

Raminfo Limited is committed to delivering high-quality solutions and services by adhering to well-defined processes and industry-recognized benchmarks. The Company has implemented robust quality assurance systems aligned with its business objectives and client expectations. Currently, the organization maintains ISO certification and is appraised at CMMi Level 3, validating its adherence to globally accepted software development and process maturity standards.

To sustain and enhance quality performance, the Company conducts regular technology and process training programs to ensure that employees remain equipped with the latest skills and best practices. These initiatives are designed to promote continuous improvement, customer satisfaction, and operational excellence across all service verticals.

DIVIDEND:

In view of the Company's performance during the financial year ended March 31, 2025, and with a focus on conserving resources for future growth and strategic initiatives, the Board of Directors has not recommended any dividend for the year under review. Form No. MR-3 SECRETARIAL AUDIT REPORT

(Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To
The Members,
RAMINFO LIMITED
Hyderabad.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Raminfo Limited**, (hereinafter referred to as “the Company”). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that, in my opinion, the Company has, during the audit period covering the Financial Year ended **31st March, 2025** complied with the statutory provisions listed hereunder and also that the Company has proper board-processes and compliance-mechanisms in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company according to the provisions of:

- (i) The Companies Act, 2013 (“the Act”) (applicable Sections as on date) and the Rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’): -
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. (Hereinafter referred to as “LODR Regulations”).
 - (d) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 1996;
 - (e) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018.

(vi) Provisions of the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') were not applicable to the Company during the Financial Year under review: -

- (a) The Securities and Exchange Board of India (Issue and Listing of Non – Convertible Securities) Regulations, 2021;
- (b) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and
- (c) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021.

(vii) The industry specific law that is applicable to the Company is:

- (a) The Information Technology Act, 2000.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards **SS-1** & **SS-2** with respect to meetings of the Board of Directors and members respectively, issued by The Institute of Company Secretaries of India and notified by the Ministry of Corporate Affairs.

I report that, during the period under review, the Company has duly complied with the provisions of the Companies Act, 2013, Regulations of SEBI and other acts, as specified above, applicable to the industry of the Company.

I further report that the Board of Directors of the Company is duly constituted with a proper balance of Executive Directors, Non-Executive Directors and Independent Directors. During the period under review, the following changes took place in the composition of Board of Directors:

ANNEXURE –VIII

REPORT ON CORPORATE GOVERNANCE

In pursuance of Regulation 34(3) and Schedule V of the SEBI Listing Regulations, a Report on Corporate Governance for the FY 2024 - 25 is presented below

1) COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:

We at Raminfo believe that corporate governance is about internalizing and manifesting a firm commitment to the adoption of ethical practices across the Company to deliver value in all of its dealings with a wide group of stakeholders encompassing associates, customers, vendors, regulators, and shareholders at all times. It is in this background that the Company wholeheartedly embraces good governance practices. The Company believes that corporate governance is an integral means for the existence of the Company. It ensures adherence to moral and ethical values, the legal and regulatory framework, and the adoption of good practices.

Your Company is in compliance with the Corporate Governance requirements as enshrined in the Companies Act, 2013 along with the Rules made thereunder ("Act"), the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), and other applicable laws.

Moreover, corporate governance is intertwined with the business of the Company and the principles are dovetailed into its activities. As such, the Company emphasizes transparency of operations. The Company recognizes that to attract, meet and surpass the expectations of investors, statutory disclosures and reporting norms alone are not sufficient and voluntary adherence to best disclosure practices is a sine qua non. These practices enable the Company to establish enduring relationships with all stakeholders and optimize the growth paradigm.

Further, the Company believes that strong corporate governance not only enhances long-term shareholder value but also instills trust and confidence among its stakeholders. The Board of Directors and senior management are committed to upholding the highest standards of integrity, accountability, and fairness in all interactions and decisions. Raminfo also fosters a culture of open communication, risk awareness, and continuous improvement, which contributes to sustainable development and responsible corporate citizenship.

The Company continues to strengthen its governance mechanisms to stay aligned with evolving regulatory landscapes, stakeholder expectations, and global best practices. In doing so, Raminfo ensures that governance is not merely a regulatory obligation, but a dynamic enabler of growth, innovation, and organizational excellence.

2) BOARD OF DIRECTORS:

a) Composition and category of Directors:

The Board of Directors is entrusted with the ultimate responsibility of the management, general affairs, direction and performance of the company and has been vested with requisite powers, authorities and duties.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

COMPANY OVERVIEW

Raminfo Limited, with a rich legacy spanning over three decades, remains a pioneer in digital public infrastructure, e-Governance, and citizen-centric IT solutions. The Company has played a foundational role in enabling digital transformation across several Indian states, having designed and operated landmark platforms like eSeva and MeeSeva, which have collectively served over 250 million citizens and enabled seamless delivery of essential public services. Operating across 9 Indian states, Raminfo continues to power a broad spectrum of government and public sector initiatives through innovative, scalable, and impact-driven technology solutions.

Over the years, Raminfo has positioned itself not merely as a technology service provider but as a nation-building partner, especially in enabling inclusive access to services in rural and underserved areas. Through a focus on domain-driven design, digital accessibility, and integration with key financial and identity infrastructure, the Company's platforms have helped bridge critical gaps in governance and service delivery.

As part of the ongoing "Raminfo 2.0" strategic transformation, the Company is recalibrating its business model to align with the evolving digital economy and national priorities. The emphasis is on transitioning from volume-driven, transaction-based models to high-margin, solution-centric verticals such as:

- AI-enabled governance and citizen experience platforms
- FinTech innovations including microfinance, digital lending, and cooperative banking tech
- Digital public infrastructure and integrated service delivery
- GovTech start-up acceleration, especially through its emerging innovation ecosystem, iCollab Hub.

In FY 2024–25, despite a moderation in revenue due to the completion of prior government projects and a temporary slowdown in new tenders during the election period, Raminfo continued to deliver critical public digital services without interruption. The Company invested in building strategic capabilities and laying the foundation for future growth areas, including smart energy and health-tech. These new focus areas are being developed through purpose-built subsidiaries such as:

- Raminfo Greentech Pvt Ltd (Renewable Energy and Battery Storage)
- Raminfo Health Pvt Ltd (Human and Veterinary Health-tech Platforms)
- Raminfo Greentronics Pvt Ltd (Electronic Refurbishment and R&D)

Raminfo's long-term vision is to evolve into a multi-domain digital solutions enterprise, addressing national priorities such as energy transition, digital governance, and sustainable development, while remaining grounded in its legacy of public trust, compliance, and technology stewardship.

With strong process certifications (ISO 9001:2015, CMMi Level 3), an experienced leadership team, and a renewed brand identity launched during its 30th year celebrations, Raminfo is committed to delivering inclusive, innovative, and future-proof solutions that create value for citizens, governments, investors, and society at large.

GLOBAL ECONOMIC OVERVIEW AND OUTLOOK

The global economy is in a fragile phase. After showing signs of stabilization in 2024—with global growth at 3.2% and inflation easing—new disruptions emerged in early 2025. Fresh U.S. tariffs imposed since February, along with rising geopolitical tensions, have unsettled financial markets. These actions triggered stock market declines, higher bond yields, and increased global trade uncertainty.

Recent data indicates that growth momentum is weakening. GDP growth in late 2024 fell short of expectations, and leading indicators point to softer demand ahead. Inflation, while generally declining, has stalled or risen slightly in several economies, especially in core categories like housing and services. Labor markets are also showing signs of strain, with slower hiring and rising layoffs.

Growth in major economies is expected to moderate. The U.S. economy, which expanded by about 2.8% in 2024, is forecast to slow to 1.8% in 2025. China's strong 5.1% rebound in 2024 is projected to ease to 4.0%–4.5%, while Europe's growth remains sluggish at under 1%. Emerging markets and developing economies outperformed in 2024 with 4.3% growth, but are expected to moderate to 3.7% in 2025.

Global inflation has declined from 8.7% in 2022 to 5.9% in 2024 and is projected to fall further to 4.3% in 2025 and 3.6% in 2026. Advanced economies are expected to reach their inflation targets sooner than emerging markets.

The outlook remains balanced but uncertain. Downside risks include geopolitical conflicts, further tariff escalations, energy market shocks, and fiscal strains from high government debt. However, resilient domestic demand in the U.S. and India, improved supply chains, and China's fiscal stimulus are helping sustain global growth. Asia-Pacific, driven by India's strong investment and infrastructure growth, is likely to be the fastest-growing region.

Overall, global growth is projected to stay moderate at 2.8% in 2025 and 3.0% in 2026. While the risk of a major downturn has eased, global recovery remains uneven, shaped by tighter financial conditions, protectionism, and ongoing geopolitical challenges.

INDIAN ECONOMIC OVERVIEW AND OUTLOOK

India sustained its position as the fastest-growing major economy in the world during FY 2024–25. According to the Ministry of Finance and Reserve Bank of India (RBI) estimates, India's real GDP growth stood at 7.0%, building on the 7.6% growth recorded in the previous fiscal year. This growth was underpinned by strong domestic consumption, rising manufacturing output, and sustained government-led capital expenditure.

The government's strategic investments in infrastructure, digital services, and logistics modernization under programs such as PM Gati Shakti and the Production Linked Incentive (PLI) scheme contributed significantly to industrial activity and employment generation. The Index of Industrial Production (IIP) saw healthy year-on-year growth, while the services sector—particularly IT, financial services, and telecom—remained a key contributor to overall GDP.

Inflationary pressures moderated during the fiscal year, with headline Consumer Price Index (CPI) inflation averaging around 4.8%, well within the RBI's tolerance band. The central bank maintained a calibrated monetary policy stance, supporting both price stability and growth.

Although the state and central general elections held during Q4 FY 2023–24 and Q1 FY 2024–25 temporarily slowed government administrative functions, including public procurement and tendering,

this was seen as a transitory phase. A stable political mandate and a pro-growth policy outlook created a favorable environment for resumption of delayed infrastructure and digital transformation projects.

India's macroeconomic fundamentals—low external debt, rising foreign exchange reserves, and demographic advantage—continue to attract global investor confidence. For companies like Raminfo, the evolving landscape offers substantial opportunities in e-Governance, FinTech, renewable energy, and public digital infrastructure.

INDUSTRY REVIEW – IT AND EMERGING SECTORS

Information Technology (IT) and IT-Enabled Services (ITES)

The IT and ITES sector continued to be a vital component of India's economic landscape during FY 2024–25. Despite a cautious global spending environment and lingering geopolitical uncertainties, the sector demonstrated resilience due to increased demand for digital transformation, cloud adoption, cybersecurity, and artificial intelligence (AI) across both government and enterprise domains.

India maintained its competitive edge in the global IT services market, backed by a robust talent ecosystem, mature delivery capabilities, and strong government support for digitization. The emphasis on public digital infrastructure, particularly in governance, education, and citizen service delivery, created sustained demand for IT-led solutions.

For organizations like Raminfo, this provided a conducive environment to expand offerings in areas such as:

- Platform-based e-Governance solutions
- Digital service delivery frameworks for state and local governments
- Application modernization and data-driven administration

The Company remained focused on projects that enhance citizen experience, process transparency, and government accountability, building on its three-decade legacy in public sector technology solutions.

Emerging Sectors: Energy, Health-Tech, and Green Electronics

Recognizing the evolving policy landscape and sustainability imperatives, Raminfo broadened its strategic outlook by entering new, high-potential sectors that align with national development goals.

Renewable Energy and Sustainability

With India targeting 500 GW of renewable energy capacity by 2030, the sector is witnessing major traction in distributed solar, storage, and energy-efficiency solutions. To participate in this transition, Raminfo incorporated Raminfo Greentech Private Limited in FY 2024–25, with a strategic focus on green energy, battery storage systems, energy analytics, and carbon credit platforms. While commercial activities were in the preparatory stage as of March 31, 2025, the Company laid the foundation for participation in government-led green energy initiatives.

Health-Tech

The digitization of healthcare services in India continues to accelerate, driven by public health initiatives and the need for accessible care in semi-urban and rural regions. In response, Raminfo formed Raminfo Health Private Limited, aiming to develop integrated platforms for healthcare access, monitoring, and

service logistics, including in the veterinary domain. This vertical is expected to complement the Company's governance-focused portfolio in the coming years.

Green Electronics and Circular Economy

The rise in electronic waste and growing demand for affordable devices has led to increased interest in refurbishment and sustainable hardware supply chains. Raminfo launched Raminfo Greentronics Private Limited to enter the domain of electronics refurbishing, after-sales servicing, and IT hardware R&D. Though the Company had not commenced commercial operations during FY 2024–25, early investments were directed toward infrastructure development and market alignment.

Innovation Enablement and Start-up Collaboration

In parallel, Raminfo advanced its innovation-led agenda through iCollab Hub, a platform designed to foster start-up partnerships focused on solving governance challenges. iCollab supports early-stage ventures through access to mentorship, pilot environments, and structured public procurement guidance. This initiative reflects Raminfo's role as a GovTech ecosystem builder, creating long-term public value beyond conventional IT services.

BUSINESS PERFORMANCE REVIEW

Operational Context

FY 2024–25 was a transitional year for Raminfo. The Company's operations were impacted by the completion of large-scale projects from prior years and delays in new public-sector contracts due to general elections. This temporary slowdown affected revenue realization, which declined to ₹2,062.99 lakhs (Standalone) from ₹8,208.51 lakhs in the previous year.

Despite this, the Company maintained operational continuity across its core platforms and services. Under "Raminfo 2.0," efforts were directed toward improving cost control, enhancing margin profiles, and preparing for upcoming high-value contracts.

Strategic Developments

Raminfo launched new subsidiaries to explore future growth areas:

- Raminfo Greentronics Pvt Ltd – Refurbishing and trading of electronics.
- Raminfo Greentech Pvt Ltd – Renewable energy, battery storage, and carbon credits.
- Raminfo Health Pvt Ltd – Digital health and veterinary service platforms.

The Company also acquired new office premises, contributing to an increase in depreciation for the year.

Smart Energy Entry

In June 2025 (FY 2025–26), Raminfo, as part of a consortium, secured a ₹474 Cr rooftop solar project from RRECL. While this marks a promising new chapter, it is not a pivot from the Company's digital core but a complementary diversification aligned with national clean energy goals.

FINANCIAL PERFORMANCE

The financial year 2024–25 was marked by a challenging global environment and a prolonged election cycle in India, which led to delays in administrative decision-making and the awarding of new government

projects. While these external factors impacted short-term revenue generation, Raminfo utilized this period to strengthen its internal capabilities and lay the foundation for future expansion across its focus sectors.

Despite the muted business environment, the Company demonstrated resilience through disciplined financial management, strategic cost controls, and operational efficiencies. Careful resource optimization and prudent working capital management enabled Raminfo to sustain financial stability during the year.

The Company's revenue from operations for FY 2024–25 stood at ₹2,062.99 Lakhs, compared to ₹8,208.51 Lakhs in the previous year. The Earnings Before Interest, Taxes, Depreciation, and Amortization (EBITDA) amounted to ₹661.09 Lakhs in FY 2024–25, as against ₹1,294.41 Lakhs in FY 2023–24. Profit After Tax (PAT) stood at ₹171.06 Lakhs in FY 2024–25, compared to ₹629.82 Lakhs in the preceding year.

The debt-equity ratio improved to 0.13x in FY 2024–25 from 0.18x in FY 2023–24, reflecting the Company's ongoing efforts to deleverage and strengthen its balance sheet position.

Although revenues were temporarily impacted by the election-related slowdown in public sector projects, Raminfo's strategic realignment and financial prudence have positioned the Company for a stronger performance in the upcoming fiscal year, as government activity and new project awards gain momentum.

HUMAN RESOURCES

At Raminfo, human capital is viewed as a strategic growth driver and the foundation of the Company's transformation journey under "Raminfo 2.0." The Company is deeply committed to nurturing a people-first culture, fostering continuous learning, adaptability, and purpose-driven engagement. During the year, Raminfo invested significantly in building employee capabilities to align with the changing demands of the digital economy and emerging technology domains.

Diversity, equity, and inclusion (DEI) continued to be at the core of Raminfo's HR strategy. As of March 31, 2025, women constituted 50% of the Board of Directors, reinforcing the Company's commitment to gender balance in leadership roles. Raminfo proactively fostered inclusive hiring practices and career

advancement opportunities for underrepresented talent groups. Sensitization programs, inclusive leadership workshops, and flexible work policies further enhanced a culture of respect and belonging.

The industrial relations climate remained positive and stable throughout the year. There were no disruptions to operations, and employee concerns were addressed promptly through well-established grievance redressal mechanisms. The Company remained fully compliant with applicable labor laws and statutory requirements, reinforcing its commitment to ethical and responsible employment practices.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Raminfo has established and continues to maintain a robust and well-documented internal control framework that ensures the reliability of financial reporting, operational effectiveness, and regulatory compliance. The internal control systems are designed in accordance with statutory requirements, including the Companies Act, 2013, and are benchmarked against international best practices to ensure comprehensive risk management and governance oversight.

The Company engages independent external firms to conduct periodic internal audits covering financial, operational, and compliance areas. These audits assess the adequacy and effectiveness of internal controls and identify areas for process improvements. The findings from these audits are reviewed in detail by the Audit Committee of the Board, which plays a pivotal role in monitoring the control environment.

Raminfo has implemented a structured process to track and resolve audit observations within defined timelines. Corrective actions are taken promptly, and follow-up audits are conducted where necessary to ensure sustained compliance. The Company also leverages technology solutions for internal controls monitoring, further enhancing transparency and accountability across functions.

Overall, the internal control environment of the Company is considered adequate and effective in safeguarding its assets, preventing frauds, and supporting the achievement of its business objectives.

FUTURE OUTLOOK

As the political and economic environment stabilizes following the conclusion of the election cycle, Raminfo Limited is witnessing a resurgence in business momentum. There has been a noticeable revival in government-led project inquiries, tenders, and RFP activity, offering a fertile ground for renewed growth. The recent ₹474 crore rooftop solar project win and the expanding pipeline in Artificial Intelligence (AI), FinTech solutions, and citizen-centric digital platforms reflect Raminfo's strengthened market positioning and diversified sectoral approach.

Looking ahead, Raminfo is poised to drive transformative growth across multiple verticals, leveraging its core capabilities in public digital infrastructure while expanding into smart energy and health-tech domains. The Company's innovation ecosystem, anchored by iCollab Hub, will continue to play a critical role in fostering GovTech start-up partnerships, offering mentorship, scalable platforms, and real-world pilot opportunities for early-stage ventures.

In FY 2025–26, Raminfo's strategic focus will remain on three pillars:

- **Delivering sustainable revenue growth** through a balanced mix of traditional IT services and emerging sectors such as renewable energy, health-tech, and electronics refurbishment.
- **Driving innovation through Gen-AI, data analytics, and platform modernization**, with a focus on improving citizen experiences and government efficiency.
- **Strengthening ESG (Environmental, Social, and Governance) compliance**, with green energy initiatives, enhanced data privacy frameworks, and greater transparency in operations.

Raminfo's outlook remains positive, underpinned by its domain expertise, agile business model, and a committed leadership team. With strong execution of its "Raminfo 2.0" strategy, the Company is confident

of creating long-term value for stakeholders, while contributing meaningfully to India's digital and sustainable development goals.

CAUTIONARY STATEMENT

INDEPENDENT AUDITOR'S REPORT

To the members of M/s. RAMINFO LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **M/s. RAMINFO LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the statement of Profit and Loss (including other comprehensive income), the statement of Changes in Equity, the statement of Cash Flows for the year on that date and Notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information ("hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit and other comprehensive income, changes in equity and cashflows for the year on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the entity in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, was of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Analysis, Board's Report and Report on Corporate Governance including Annexures but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial

statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") as amended, issued by the Central Government in terms section 143(11) of the Act, we give in "**Annexure – A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2) As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including other comprehensive income, Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of written representations received from the directors, as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in

“Annexure-B”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.

- g) With respect to the matter to be included in the Auditor’s Report under Section 197(16) of the Act, as amended, in our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 Act.
- h) With respect to the other matters to be included in Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to explanations given to us:

 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - (iv)
 - (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the standalone financial statements, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (iv) (a) and (iv) (b) contain any material mis-statement.
 - (v) The Company has not declared any dividend in previous financial year which has been paid in current year. Further, no dividend has been declared in current year. Accordingly, the provision of section 123 of the Act is not applicable to the Company.
 - i) Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated

throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Annexure-B to the Independent Auditor's Report

The "Annexure-B" referred to in clause 2(f) of **"Report on Other Legal and Regulatory Requirements"** Paragraph of the Independent Auditor's Report of even date to the members of **M/s. RAMINFO LIMITED** on the Standalone Financial Statements for the year ended March 31, 2025.

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting **M/s. RAMINFO LIMITED**, ("the Company") as at March 31, 2025 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ARE FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS.

1. CORPORATE INFORMATION:

RAMINFO Limited ("The Company") was incorporated on 20-05-1994 and the CIN being L72200TG1194PLC017598. The company is engaged in the business of Software development, Health services, Energy solutions, e-Governance projects, lease of immovable property etc.

1.1. SIGNIFICANT ACCOUNTING POLICIES:

1.1.1. Statement of Compliance:

These standalone financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with section 133 of Companies Act, 2013, (the 'Act') as amended from time to time.

1.1.2. Basis of Preparation:

These standalone financial statements have been prepared on historical cost basis and on the accrual basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

The Functional currency of the Company is Indian Rupee (INR). These standalone financial statements are presented in INR and all values are rounded to the nearest lakhs, except for share and earnings per share data, unless otherwise stated.

1.1.3. Use of estimates and Judgements

The preparation of standalone financial statements requires the Management of the Company to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the reported amounts of assets and liabilities on the date standalone financial statements, the disclosure of contingent assets and liabilities at the date of standalone financial statements and the reported amounts of revenues and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

(a) Impairment testing:

Investments in/Advances given to subsidiaries, the management assesses whether there is any indication of impairment in the value of such investment and advance. The carrying amount is compared with the present value of future net cash flows of the subsidiary.

(b) Deferred Tax Assets:

Deferred tax assets are recognized for unused tax losses/credits to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

(c) Property, plant and equipment:

The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by management at the time the asset is acquired and reviewed at the end of each reporting period.

(d) Provisions:

A provision is recognized when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(e) Expected credit losses on financial assets:

The impairment provisions of financial assets are based on assumptions about risk of default and expected timing of collection. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

(f) Estimation uncertainties relating to the COVID-19 pandemic:

The Company has considered the possible effects that may result from COVID-19, a global pandemic, on the carrying amount of receivables, intangible assets and investments. In developing the assumptions relating to the possible future uncertainties in global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used an internal and external source of information including economic forecasts. The Company based on current estimates expects the carrying amount of the above assets will be recovered, net of provisions established.

1.1.4. Revenue Recognition:

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

The specific recognition criteria described below must also be met before revenue is recognized:

a) Income from Services:

Revenues are recognized immediately when the services are provided. The company collects the taxes on behalf of the government and therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

b) Sale of Goods:

Revenue from sale of goods is recognized when the goods are delivered and titles have passed, at which time all the following are satisfied:

- i. The company has transferred all significant risks and rewards of ownership of goods to the buyer
- ii. The amount of revenue can be measured reliably and
- iii. It is probable that the economic benefits associated with the transaction will flow to the Company

c) Lease /Rental Income:

Revenue from leases where the Company is the lessor and the lease arrangement qualifies as an operating lease is recognized on a straight-line basis over the lease term as per the terms of the agreement, unless another systematic basis is more representative of the time pattern in which benefit derived from the leased asset is diminished. Lease income is presented under Revenue from Operations.

1.1.5. Property, Plant and Equipment:

Property, Plant and Equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, intended by the Management. The Company depreciates property, plant and equipment over their useful lives specified in Schedule II of the Companies Act, 2013 using the straight- line method. The useful lives of the assets are as follows:

Asset Category	Useful Life considered by company (Years)
Office Equipment	5
Furniture & Fixtures	10
Computer Systems – other than servers	3
Computer Systems –servers	3
Electrical Installations	10
Vehicles	10

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

The cost of assets not ready to use before year ended are disclosed under 'Capital work-in-progress'.

Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

The company realized the revenue from eSubcenter project in the current financial year so the Capital expenditure relating to the eSubcenter project was capitalized and charged the depreciation over a period of 5 years, since the project life is 5 years and the revenue expenditure charged to profit and loss account.

1.1.6. Intangible Assets

Intangible Assets are stated at cost less accumulated amortization and impairment, if any. Intangible Assets are amortized over their respective individual estimated useful lives on the straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence demand, competition, and other economic factors (such as stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

Software product development costs are expensed as incurred unless technical and commercial feasibility of the project demonstrated, future economic benefits are probable, the Company has an intention and ability to complete and use or sell the software and the costs can be reliably measured. The costs which can be capitalized include the cost of material, employee benefit expenses, overhead costs that are directly attributable to preparing the asset for its intended use.

1.1.7. Inventories

Inventories are valued at cost or net realizable value whichever is lower. Costs include all non-refundable duties and all charges incurred in bringing the goods to their present location and condition.

1.1.8. Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability of another entity.

Initial recognition:

All financial assets and financial liabilities are initially measured at fair value, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value of financial assets and financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition or issue of financial assets and financial liabilities at fair value through profit and loss are recognized immediately in profit or loss.

(a) Financial Assets:

The measurement of financial assets depends on their classification, as described below:

i) At Amortised cost:

A financial asset is measured at the amortized cost if both the following conditions are met:

- A.** The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- B.** Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal interest (SPPI) on the principal amount outstanding.

ii) At Fair Value through Other Comprehensive Income (FVTOCI):

A financial asset is measured at the FVTOCI if both the following conditions are met:

- A.** The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- B.** Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal interest (SPPI) on the principal amount outstanding.

iii) At Fair Value through Profit or Loss:

A Financial asset which is not classified in any of the above categories ((i) and (ii)) is subsequently fair valued through profit or loss.

(b) Financial Liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest rate method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to short maturity of these instruments.

(c) Investment in subsidiaries

Investment in subsidiaries is carried at cost in the separate financial statements.

(d) Derecognition of Financial instrument:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of financial liability) is derecognized from the Company's Balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

1.1.9. Fair value of financial instruments:

For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to short maturity of these instruments.

1.1.10. Impairment:

(a) Financial assets

The Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposure. The Company follows 'Simplified Approach' for recognition of impairment loss allowance on all trade receivables or contractual receivables.

Under the simplified approach the Company does not track changes in credit risk, but it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. If credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income / (expense) in the statement of profit and loss.

(b) Non-Financial assets

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of fair value less cost to sell and the value-in-use) is determined on an individual basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimated used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

1.1.11. Provision, Contingent Liabilities and Contingent Assets:

Provisions are recognized for when the Company has a present, legal or contractual obligation as a result of past events, only if it is probable that an outflow of resources embodying economic outgo or loss will be required and if the amount involved can be measured reliably.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as finance cost.

Contingent Liability

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise are disclosed as contingent liability and not provided for. Such liability is not disclosed if the possibility of outflow of resources is remote.

Contingent Asset

A contingent asset is possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Contingent assets are not recognized but disclosed only when an inflow of economic benefits are probable.

1.1.12. FOREIGN CURRENCY TRANSACTIONS

(a) Initial recognition

Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction.

(b) Conversion:

At the year-end, monetary items denominated in foreign currencies, if any, are converted into rupee equivalents at exchange rates prevailing on the balance sheet date.

(c) Exchange Differences:

All exchange differences arising on settlement and conversion of foreign currency transaction are included in the Statement of Profit and Loss.

1.1.13. Taxes on Income

Income tax expenses comprise current and deferred income tax. Income Tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to item recognized directly in equity, in which case it is recognized in Other Comprehensive Income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from tax authorities, using the tax rates and tax laws that have been enacted or substantially enacted by the Balance Sheet date.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefits will be realized.

Minimum alternate tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax for the year. The Company recognizes MAT credit available as deferred tax asset only when there is convincing evidence that sufficient taxable profit will be available to allow all or part of MAT credit to be utilized during the specified period, i.e., the period for which such credit is allowed to be utilized. In the year in which the Company recognizes MAT credit as an asset, it is created by way of credit to the Statement of Profit and Loss and shown as part of deferred tax asset. The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent that it is no longer probable that it will pay normal tax during the specified period.

1.1.14. Retirement and other employee benefits:

(a) Short Term Employee Benefits

The company has an obligation towards leave encashment, a defined benefit retirement plan covering eligible employees. The liability is provided for on the basis of the Company policy and calculations made by the Management at the end of each financial year.

(b) Post-Employment Benefits

i) Defined Benefit Plan

Gratuity being a defined benefit scheme is accrued based on the valuations (Gratuity payable) calculated by the employees of the company and were not on the basis of actuarial valuations made by a qualified actuary.

For the purpose of presentation of defined benefit plans, the allocation between short term and long-term provisions has been made as determined by the internal staff.

ii) Defined Contribution Plans

Company's contribution to Provident Fund and Employees' State Insurance Fund which are define contribution plans determined under the relevant schemes and/or statutes are charged to Statement of Profit and Loss when incurred.

1.1.15. Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax for the period adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

1.1.16. Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are recognized in the Statement of Profit and Loss in the period they occur.

1.1.17. Segment Reporting:

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

1.1.18. Earnings per Equity Share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per equity share are computing by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

NOTE 34 - FINANCIAL RISK MANAGEMENT

Financial risk factors:

The Company's activities expose it to a variety of financial risks - market risk, credit risk and liquidity risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the Company is interest rate risk. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and foreign currency risk.

A. Interest rate risk

Interest rate risk is the risk that fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company quite often bridges its short term cash flow mismatch by availing working capital loan from banks by hypothecation of stocks and book debts. The interest rate on working capital loan is Bank Rate RLLR + 2.50%.

The Company's exposure to interest rate risk due to variable interest rate borrowings is as follows:

(All amounts are in lakhs of Indian Rupees, unless otherwise stated)

Particulars	As at March 31, 2025	As at March 31, 2024
Working capital loan from Banks (Punjab National Bank)	43.85	-

B. Foreign currency risk

Foreign currency risk is the risk that the fair value of future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the rendering of services in US. The exchange rate between the Indian rupee and US dollar has changed in recent years and may fluctuate in substantially in the future.

The foreign currency risk from monetary assets and liabilities is as follows:

(All amounts are in lakhs of Indian Rupees, unless otherwise stated)

Particulars	Foreign currency	Year ended March 31, 2025	Year ended March 31, 2024
Trade receivables	US Dollar	-	4.68

C. Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to ₹3,845.73 (Amount in lakhs) and ₹4,719.82 (Amounting in lakhs) respectively as at March 31, 2025 and March 31, 2024 respectively. Trade receivables are typically unsecured and are derived from revenue earned from customers primarily located in India and US. Credit risk has always managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. As per Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain.

Credit risk exposure

The allowance for expected credit loss on customer balances for the years ended March 31, 2025 and March 31, 2024 is ₹344.50 and ₹359.12 respectively.

The movement in credit loss allowance is as follows:

(All amounts are in lakhs of Indian Rupees, unless otherwise stated)

Particulars	Year ended March 31, 2025	Year ended March 31, 2024
Balance at the beginning	359.12	191.88
Impairment loss recognized/(reversed)	(14.62)	167.24
Balance at the end	344.50	359.12

Credit risk on cash and cash equivalents is limited as the Company generally invests in deposit with banks with high credit ratings assigned by credit rating agencies.

D. Liquidity risk

The Company monitors its risk of shortage of funds using cash flow forecasting models. These models consider the maturity of its financial investments, committed funding and projected cash flows from

operations. The Company's objective is to provide financial resources to meet its business objective in a timely, cost effective and reliable manner and to manage its capital structure. A balance between continuity of funding and flexibility is maintained through the use of various types of borrowings.

NOTE 35 - CAPITAL MANAGEMENT

The Company's objective when managing capital is to safeguard continuity and healthy capital ratios in order to support its business and provide adequate return to its shareholders through continuing growth. The Company's overall strategy remains unchanged from previous year.

The Company sets the amount of capital required on the basis of annual business and long-term operating plans which include capital and strategic investments.

The funding requirements are met through a mixture of equity, internal fund generation, borrowings. The Company's policy is to use borrowings to meet anticipated funding requirements.

INDEPENDENT AUDITOR'S REPORT

To the members of M/s. RAMINFO LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **M/s. RAMINFO LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiary companies, joint venture and its associate (Holding company, subsidiaries, Joint Venture and its Associate together referred to as "the Group") which comprise the Consolidated Balance Sheet as at March 31, 2025 the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of changes in equity and the Consolidated Cash Flow Statement for the year, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2025, Consolidated profit and other comprehensive income, consolidated change in equity and consolidated cash flow for the year on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the entity in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, was of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
<p>Evaluation of provision for Provident fund damages along with interest</p> <p>Based on the summons, to appear for hearing u/s 14B of the EPF and MP Act, 1952 (and order for payment of interest u/s 7Q) for belated remittance made during the period 01/04/1996 to 11/03/2014, received dated 11/03/2014, the Company has created ₹63.71 Lakhs towards provision for Provident fund damages along with interest during the financial year 2015-16.</p> <p>The same was under dispute. The same amount was still continuing in the books of accounts. This is considered to be a Key Audit Matter.</p> <p>Refer Note 19 to the Consolidated Financial Statements.</p>	<p>We have reviewed the summons to appear for hearing u/s 14B of the EPF and MP Act, 1952 (and order for payment of interest u/s 7Q) for belated remittance made during the period 01/04/1996 to 11/03/2014, received dated 11/03/2014 and all other relevant documents to review the nature of payments, likelihood of outflow of payable amounts.</p>

Information other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's annual report but does not include the Consolidated Financial Statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and accounting principles generally accepted in India. The respective management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial

controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective management and Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the Consolidated Financial Statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements/financial information of its subsidiary companies (RAMINFO DIGITECH PVT LTD) whose financial statements/financial information reflect total assets of ₹10.59 Lakhs as at March 31, 2025 and total revenue of ₹168.96 Lakhs and total net profit of ₹6.56 Lakhs for the year ended March 31, 2025, (RAMINFO GREENTRONICS PRIVATE LIMITED-(of which the Holding Company holds 76.15% of equity)) whose financial statements/financial information reflect total assets of ₹1.00 Lakh as at March 31, 2025 and total revenue of ₹Nil and total net loss of ₹0.87 Lakhs for the year ended March 31, 2025, (RAMINFO GREENTECH PRIVATE LIMITED) whose financial statements/financial information reflect total assets of ₹1 Lakh as at March 31, 2025 and total revenue of Nil and total net loss of ₹0.87 Lakhs for the year ended March 31, 2025 (RAMINFO HEALTH PRIVATE LIMITED) whose financial statements/financial information reflect total assets of ₹1 Lakh as at March 31, 2025 and total revenue of ₹Nil and total net loss of ₹0.87 Lakhs for the year ended March 31, 2025, one joint venture (WHP-RAMINFO-MEDONGO AP HEALTHCARE Z2 PROJECT) whose share of net Profit / (Loss) is ₹0.11 lakhs (Loss) of total Group's net Profit/(Loss) of ₹0.20 Lakhs (Loss) for the year ended March 31, 2025 and one Associate

This financial statements/ financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary companies, joint venture is based solely on the reports of the other auditors. However, the associate financial statements have been unaudited and were provided to us by the Management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this associate, is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the Management, the unaudited financial information of this associate is not material to the Group.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1) As required by Section 143(3) of the Act we report, to the extent applicable, that:

Annexure-A to the Independent Auditor's Report

(Referred in paragraph 1(f) under 'Report on other legal and regulatory requirements' of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated financial statements of the **M/s. RAMINFO LIMITED** as of and for the year ended March 31, 2025, we have audited the internal financial controls over financial reporting of **RAMINFO LIMITED** ("here in after referred to as "the Holding Company") and such companies incorporated in India under the Companies Act 2013, which are its subsidiary companies, as of that date.

Management's Responsibility for Internal Financial Controls

Management and Board of Directors of the Holding Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls, both issued by ICAI. Those Standards and the Guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for

external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, and such companies incorporated in India which are its subsidiary companies, have in all material respects, an adequate internal financial controls system over financial reporting with reference to these consolidated financial statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal controls over financial reporting criteria established by such companies considering the essential components of such internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to its subsidiary company, which are incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect to our reliance on the work done by and the reports of other auditors.

NOTES ARE FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS.

1. CORPORATE INFORMATION:

RAMINFO Limited ("The Company") was incorporated on 20-05-1994 and the CIN being L72200TG1194PLC017598. The company is engaged in the business of Software development, Health services, Energy solutions, e-Governance projects, lease of immovable property etc.

Raminfo Limited ("The Company") and its subsidiary Raminfo Digitech Private Limited, Raminfo Green tech Private limited, Raminfo Greetronics Private limited, Raminfo Health PRivate Limited collectively referred to as "The Group".

1.1. SIGNIFICANT ACCOUNTING POLICIES:

1.1.1. Basis of Preparation:

These consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), under historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

1.1.2. Use of estimates and Judgements

The preparation of consolidated financial statements requires the Management of the Company to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the reported amounts of assets and liabilities on the date consolidated financial statements, the disclosure of contingent assets and liabilities at the date of consolidated financial statements and the reported amounts of revenues and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

(a) Impairment testing:

Investments in/Advances given to subsidiaries, the management assesses whether there is any indication of impairment in the value of such investment and advance. The carrying amount is compared with the present value of future net cash flows of the subsidiary.

(b) Deferred Tax Assets:

Deferred tax assets are recognized for unused tax losses/credits to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

(c) Property, plant and equipment:

The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by management at the time the asset is acquired and reviewed at the end of each reporting period.

(d) Provisions:

A provision is recognized when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(e) Expected credit losses on financial assets:

The impairment provisions of financial assets are based on assumptions about risk of default and expected timing of collection. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

1.1.3. Basis of Consolidation:

Raminfo Limited consolidates entities which it owns or controls. The consolidated financial statements comprise the financial statements of the Company and its subsidiary. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns.

The financial statements of the Group companies are consolidated on a line-by-line basis by adding together the book values of the like items of assets, liabilities, income and expenses after eliminating all significant intra-group balances and intra-group transactions. The unrealized profits and unrealized losses resulting from intra-group transactions are eliminated.

These financial statements are prepared by applying uniform accounting policies in use at the Group. Non-controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly owned by the Company, are excluded.

1.1.4. Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably.

a) Income from Services:

Revenues are recognized immediately when the services are provided. The company collects the taxes on behalf of the government and therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

b) Sale of Goods:

Revenue from sale of goods is recognized when the goods are delivered and titles have passed, at which time all the following are satisfied:

- i. The company has transferred all significant risks and rewards of ownership of goods to the buyer
- ii. The amount of revenue can be measured reliably and
- iii. It is probable that the economic benefits associated with the transaction will flow to the Company

c) Lease /Rental Income

Revenue from leases where the Company is the lessor and the lease arrangement qualifies as an operating lease is recognized on a straight-line basis over the lease term as per the terms of the agreement, unless another systematic basis is more representative of the time pattern in which benefit derived from the leased asset is diminished. Lease income is presented under Revenue from Operations.

1.1.4A Ind AS 115 Revenue from Contracts with Customers:

"Ind AS 115 was issued on 28th March 2018 and supersedes Ind AS 11 Construction Contracts and Ind AS 18 Revenue and it applies, with limited exceptions, to all revenue arising from contracts with its customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognized at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Ind AS 115 requires entities to exercise judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers.

The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract. In addition, the standard requires extensive disclosures. The application of Ind AS 115 did not have any significant impact on recognition and measurement of revenue and related items in the financial results".

1.1.5. Property, Plant and Equipment:

Property, Plant and Equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, intended by the Management. The Company depreciates property, plant and equipment over their useful lives specified in Schedule II of the Companies Act, 2013 using the straight- line method. The useful lives of the assets are as follows:

Asset Category	Useful Life considered by company (Years)
Office Equipment	5
Furniture & Fixtures	10
Computer Systems – other than servers	3
Computer Systems –servers	3

Electrical Installations	10
Vehicles	10
Buildings	20

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

The cost of assets not ready to use before year ended are disclosed under 'Capital work-in-progress'.

Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

The company realised the revenue from eSubcenter project in the current financial year so the Capital expenditure relating to the eSubcenter project was capitalised and charged the depreciation over a period of 5 years, since the project life is 5 years and the revenue expenditure charged to profit and loss account.

1.1.6. Intangible Assets

Intangible Assets are stated at cost less accumulated amortization and impairment, if any. Intangible Assets are amortized over their respective individual estimated useful lives on the straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence demand, competition, and other economic factors (such as stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

Software product development costs are expensed as incurred unless technical and commercial feasibility of the project demonstrated, future economic benefits are probable, the Company has an intention and ability to complete and use or sell the software and the costs can be reliably measured. The costs which can be capitalized include the cost of material, employee benefit expenses, overhead costs that are directly attributable to preparing the asset for its intended use.

1.1.7. Inventories

Inventories are valued at cost or net realizable value whichever is lower. Costs include all nonrefundable duties and all charges incurred in bringing the goods to their present location and condition.

1.1.8. Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability of another entity.

Initial recognition:

All financial assets and financial liabilities are initially measured at fair value, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value of financial assets and financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition or issue of financial assets and financial liabilities at fair value through profit and loss are recognized immediately in profit or loss.

(a) Financial Assets:

The measurement of financial assets depends on their classification, as described below:

i) At Amortized cost:

A financial asset is measured at the amortized cost if both the following conditions are met:

- A.** The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- B.** Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal interest (SPPI) on the principal amount outstanding.

ii) At Fair Value through Other Comprehensive Income (FVTOCI):

A financial asset is measured at the FVTOCI if both the following conditions are met:

- A.** The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- B.** Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal interest (SPPI) on the principal amount outstanding.

iii) At Fair Value through Profit or Loss:

A Financial asset which is not classified in any of the above categories ((i) and (ii)) is subsequently fair valued through profit or loss.

(b) Financial Liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest rate method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to short maturity of these instruments.

(c) Investment in subsidiaries

Investment in subsidiaries is carried at cost in the separate financial statements.

(d) Derecognition of Financial instrument:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of financial liability) is derecognized from the Company's Balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

1.1.9. Fair value of financial instruments:

For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to short maturity of these instruments.

1.1.10. Impairment:

(a) Financial assets

The Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposure. The Company follows 'Simplified Approach' for recognition of impairment loss allowance on all trade receivables or contractual receivables.

Under the simplified approach the Company does not track changes in credit risk, but it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. If credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income / (expense) in the statement of profit and loss.

(b) Non-Financial assets

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of fair value less cost to sell and the value-in-use) is determined on an individual basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimated used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

1.1.11. Provision, Contingent Liabilities and Contingent Assets:

Provisions are recognized for when the Company has a present, legal or contractual obligation as a result of past events, only if it is probable that an outflow of resources embodying economic outgo or loss will be required and if the amount involved can be measured reliably.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as finance cost.

Contingent Liability

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise are disclosed as contingent liability and not provided for. Such liability is not disclosed if the possibility of outflow of resources is remote.

Contingent Asset

A contingent asset is possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Contingent assets are not recognized but disclosed only when an inflow of economic benefits are probable.

1.1.12. FOREIGN CURRENCY TRANSACTIONS

(a) Initial recognition

Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction.

(b) Conversion:

At the year-end, monetary items denominated in foreign currencies, if any, are converted into rupee equivalents at exchange rates prevailing on the balance sheet date.

(c) Exchange Differences:

All exchange differences arising on settlement and conversion of foreign currency transaction are included in the Statement of Profit and Loss.

1.1.13. Taxes on Income

Income tax expenses comprise current and deferred income tax. Income Tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to item recognized directly in equity, in which case it is recognized in Other Comprehensive Income.

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from tax authorities, using the tax rates and tax laws that have been enacted or substantially enacted by the Balance Sheet date.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefits will be realized.

Minimum alternate tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax for the year. The Company recognizes MAT credit available as deferred tax asset only when there is convincing evidence that sufficient taxable profit will be available to allow all or part of MAT credit to be utilized during the specified period, i.e., the period for which such credit is allowed to be utilized. In the year in which the Company recognizes MAT credit as an asset, it is created by way of credit to the Statement of Profit and Loss and shown as part of deferred tax asset. The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent that it is no longer probable that it will pay normal tax during the specified period.

1.1.14. Retirement and other employee benefits:

(a) Short Term Employee Benefits

The company has an obligation towards leave encashment, a defined benefit retirement plan covering eligible employees. The liability is provided for on the basis of the Company policy and calculations made by the Management at the end of each financial year.

(b) Post-Employment Benefits

i) Defined Benefit Plan

Gratuity being a defined benefit scheme is accrued based on the valuations (Gratuity payable) calculated by the employees of the company and were not on the basis of actuarial valuations made by a qualified actuary.

For the purpose of presentation of defined benefit plans, the allocation between short term and long-term provisions has been made as determined by the internal staff.

ii) Defined Contribution Plans

Company's contribution to Provident Fund and Employees' State Insurance Fund which are defined contribution plans determined under the relevant schemes and/or statutes are charged to Statement of Profit and Loss when incurred.

1.1.15. Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax for the period adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

1.1.16. Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes

substantial period of time to get ready for intended use. All other borrowing costs are recognized in the Statement of Profit and Loss in the period they occur.

1.1.17. Segment Reporting

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

1.1.18. Earnings per Equity Share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per equity share are computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

NOTE 34 - FINANCIAL RISK MANAGEMENT

Financial risk factors:

The Company's activities expose it to a variety of financial risks - market risk, credit risk and liquidity risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the Company is interest rate risk. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and foreign currency risk.

A. Interest rate risk

Interest rate risk is the risk that fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company quite often bridges its short-term cash flow mismatch by availing working capital loan from banks by hypothecation of stocks and book debts. The interest rate on working capital loan is Bank Rate RLLR + 2.50%.

The Company's exposure to interest rate risk due to variable interest rate borrowings is as follows:

(All amounts are in lakhs of Indian Rupees, unless otherwise stated)

Particulars	As at March 31, 2025	As at March 31, 2024
Working capital loan from Banks (Punjab National Bank)	43.85	-

B. Foreign currency risk

Foreign currency risk is the risk that the fair value of future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the rendering of services in US. The exchange rate between the Indian rupee and US dollar has changed in recent years and may fluctuate in substantially in the future.

The foreign currency risk from monetary assets and liabilities is as follows:

(All amounts are in lakhs of Indian Rupees, unless otherwise stated)

Particulars	Foreign currency	Year ended March 31, 2025	Year ended March 31, 2024
Trade receivables	US Dollar	-	4.68

C. Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to ₹3,829.42 and ₹4,706.99 respectively as at March 31, 2025 and March 31, 2024 respectively. Trade receivables are typically unsecured and are derived from revenue earned from customers primarily located in India and US. Credit risk has always managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. As per Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain.

Credit risk exposure

The allowance for expected credit loss on customer balances for the years ended March 31, 2025 and March 31, 2024 is ₹344.50 and ₹359.12 respectively.

The movement in credit loss allowance is as follows:

(All amounts are in lakhs of Indian Rupees, unless otherwise stated)

Particulars	Year ended March 31, 2025	Year ended March 31, 2024
Balance at the beginning	359.12	191.88
Impairment loss recognized/(reversed)	(14.62)	167.24
Balance at the end	344.50	359.12

Credit risk on cash and cash equivalents is limited as the Company generally invests in deposit with banks with high credit ratings assigned by credit rating agencies.

D. Liquidity risk

The Company monitors its risk of shortage of funds using cash flow forecasting models. These models consider the maturity of its financial investments, committed funding and projected cash flows from operations. The Company's objective is to provide financial resources to meet its business objective in a timely, cost effective and reliable manner and to manage its capital structure. A balance between continuity of funding and flexibility is maintained through the use of various types of borrowings.

NOTE 35 - CAPITAL MANAGEMENT

The Company's objective when managing capital is to safeguard continuity and healthy capital ratios in order to support its business.

The Company sets the amount of capital required on the basis of annual business and long-term operating plans which include capital and strategic investments.

The funding requirements are met through a mixture of equity, internal fund generation, borrowings. The Company's policy is to use borrowings to meet anticipated funding requirements.
