## Chairman's Message

*Harsh Kumar Anand,*

### Dear Shareholders,

It is with immense pride and heartfelt gratitude that I present to you the 16<sup>th</sup> Annual Report of **Wonder Electricals Limited** for the financial year 2024–25 — a year that has once again proved that resilience, innovation, and an unwavering commitment to our customers can illuminate the path to sustainable and enduring growth.

As a company without our own consumer-facing brand, our entire business is built around one principle — **enabling the success of others**. We design, engineer, and manufacture high-quality fan products for some of the most respected brands in the industry, who trust us to bring their vision to life. This unique model has not only helped us carve out a strong identity as a back-end powerhouse, but it also allows us to remain laser-focused on innovation, quality, and operational excellence.

Our OEM/ODM business model allows us to focus on what we do best — engineering precision, scalable manufacturing, and timely delivery — while enabling our customers to concentrate on brand-building and market expansion. This symbiotic relationship has been at the core of our sustainable growth.

The Indian electrical industry stands at a pivotal moment in history. Rapid urbanization, growing aspirations, and a nationwide shift towards energy-efficient living are transforming consumer needs and redefining the future. In this evolving landscape, **Wonder Electricals** has not only preserved its strong leadership in the fans segment but has also deepened its footprint across diverse geographies — all driven by our commitment to quality, design excellence, and the trust we have built over decades.

The year gone by was truly a milestone. We achieved **record revenues of ₹89,450 lakh**, a robust increase over the previous year, alongside a **Profit After Tax of ₹1,901.71 lakh**. These results are not just numbers; they are the reflection of disciplined cost management, operational excellence, and our ability to adapt swiftly to market dynamics without ever compromising on the standards that define us. This success belongs to our team — their passion and dedication; to our customers — for their unwavering loyalty; and to you, our shareholders — for your steadfast faith in our vision.

Beyond financial performance, FY 2024–25 was a year of transformation and preparation for the future. We strengthened our manufacturing backbone, investing in cutting-edge technology, expanding our R&D capabilities, and enhancing supply chain agility. With three strategically located plants at Roorkee, Haridwar and Hyderabad, we continue to balance the benefits of scale with the agility needed to respond to diverse market needs — ensuring that every product that carries the Wonder name meets our promise of durability, efficiency, and style.

We successfully enhanced our production capacity, streamlined procurement, and implemented several automation initiatives across our manufacturing lines. These initiatives have not only improved

efficiency but also reduced our time-to-market — a critical factor in the competitive OEM landscape.

Despite the macroeconomic pressures, our topline and operating margins remained resilient, underscoring the strength of our business model and the trust reposed in us by our longstanding customers.

As a pure-play OEM/ODM, we work silently behind the scenes while empowering our clients to shine. Our engineering teams collaborate closely with customer R&D units to create tailor-made solutions that align with their brand positioning, regulatory standards, and consumer expectations.

This year, we supported several new products in launching **next-generation fans** with energy-efficient motors, smart connectivity, and improved aerodynamics. From concept to final assembly, our involvement ensures that every product that leaves our factory meets stringent quality benchmarks.

Furthermore, our "**zero-brand conflict**" position continues to be a key differentiator. Our customers value the exclusivity and confidentiality with which we handle their designs and intellectual property. This trust is what fuels long-term partnerships and repeat business — the foundation of our sustainable growth.

In a rapidly evolving world, standing still is not an option. This year, we have taken strategic steps toward building another factory at Haridwar. We expanded our infrastructure with a new factory for manufacturing of PCB cards which would be used for fans.

Behind every unit produced lies the hard work of hundreds of individuals who embody our values of **precision, integrity, and excellence**. Our team remains our greatest asset. During the year, we focused heavily on training, safety, and employee engagement programs that foster collaboration and innovation.

We also strengthened our leadership team with key hires in operations, R&D, and procurement bringing in fresh perspectives and experience that will support our growth in the years ahead.

The fan market continues to evolve, with rising demand for smart, sustainable, and customizable products. As brand owners focus on product differentiation and market expansion, they increasingly look for manufacturing partners who can offer more than just capacity — they seek partners who can provide design input, engineering support, and supply chain reliability. We are proud to be that partner.

In the coming year, we aim to deepen our engagements with existing clients, diversify into adjacent product categories, and expand our presence in new geographies. At the same time, we remain steadfast in our commitment to cost discipline, quality excellence, and stakeholder value creation.

At **Wonder Electricals**, we have always measured our success not merely by our financial results, but by the trust we inspire and the long-term value we create for all our stakeholders. As we step into FY 2025–26, we do so with sharper strategies, greater agility, and the same integrity that has been our foundation since inception.

The journey ahead will bring challenges — but within every challenge lies the seed of opportunity. With innovation as our compass, determination as our engine, and your trust as our strength, I am confident that **Wonder Electricals** will not only adapt to change, but lead it.

On behalf of the Board of Directors, I express my heartfelt gratitude to all our shareholders, customers, employees, suppliers, and partners. Your trust and support have been instrumental in shaping our journey, and we look forward to continuing this journey with renewed energy and a clear vision.

Warm regards,  
**Harsh Kumar Anand**  
Chairman

## **Managing Director's Message,** *Yogesh Sahni,*

**Dear Shareholders,**

It is an honour and a privilege to present to you the **16th Annual Report of Wonder Electricals Limited** — a document that goes beyond numbers to tell a story of progress, resilience, and unwavering commitment. This report encapsulates not just our financial performance, but the values, strategy, and purpose that define us.

### **A Year of Strong Growth and Operational Excellence**

The financial year **2024–25** has been a defining one for Wonder Electricals. In a dynamic and competitive landscape, we have demonstrated that disciplined execution, customer focus, and a forward-looking strategy can create sustainable momentum.

We are pleased to report a **57% increase in Revenue from Operations, rising to ₹89,450 lakhs, from ₹56,999 lakhs in FY 2023–24**. Our EBITDA grew by 45% to ₹3,242 lakhs, and **Profit After Tax increased by 63% to ₹1,901 lakhs**. These impressive figures reflect not only our operational efficiency but also the growing trust our clients place in us as their preferred manufacturing partner.

As an OEM and ODM focused company, Wonder Electricals doesn't market products under its own brand. Instead, we specialize in delivering high-quality, precision-engineered fans for leading national and international brands. Our success lies in enabling the success of others — and we do this with integrity, innovation, and unwavering reliability.

### **Understanding Market Dynamics**

The Indian fan industry continues to present compelling opportunities, driven by multiple macro and demographic tailwinds. Rising disposable incomes, increased focus on home improvement, and growing awareness around energy-efficient appliances are reshaping consumer preferences.

While the market remains partly fragmented, there is a clear shift toward organized players and branded products. At Wonder Electricals, we are proud to power some of the most trusted names in the electrical goods industry, helping them bring premium and value-based offerings to market.

Yet, the journey is not without its challenges. Volatility in raw material prices, increased competition, and supply chain pressures remain areas of concern. However, rather than viewing these as obstacles, we consider them catalysts that push us to become more agile, cost-conscious, and technologically driven.

### **Manufacturing Excellence and Scale**

Our strength lies in manufacturing excellence. With three strategically located plants in Roorkee, Haridwar, and Hyderabad, equipped with modern assembly lines and quality assurance systems, we are well-positioned to serve both domestic and export markets with scale, speed, and precision.

Our proximity to key supply chains and logistics hubs allows us to optimize lead times, reduce costs, and deliver consistent value to our customers. Each unit functions as part of an integrated system, ensuring uniform quality, high productivity, and seamless scalability.

In addition, we continue to invest in automation, digital tools, and skill development to remain ahead of industry trends. These initiatives help us manage volume fluctuations, enhance employee productivity, and improve real-time quality monitoring — all of which are essential for a zero-defect manufacturing environment.

## **Innovation and Future-Readiness**

As we look to the future, our focus remains firmly on innovation, sustainability, and customer-centricity.

We are expanding our product portfolio to include smart fans, BLDC models, and eco-friendly materials, aligned with evolving regulatory norms and customer expectations. Our R&D team is working closely with client product teams to co-develop next-generation solutions that offer higher energy efficiency, better air delivery, and enhanced aesthetics.

Furthermore, we are enhancing our ODM capabilities, providing end-to-end product development support from concept to prototype to final manufacturing. This value-added service is helping us build deeper, more strategic relationships with our clients.

In parallel, we are strengthening our digital infrastructure — from ERP systems to customer interface tools — to ensure seamless communication, faster decision-making, and real-time visibility across our operations.

## **People-Driven Culture**

Behind every milestone, there is a team of passionate individuals. At Wonder Electricals, we believe that our people are our greatest asset. In FY 2024–25, we continued to focus on employee engagement, training, and performance development. We promoted a culture of accountability, innovation, and continuous improvement across all levels.

We also upheld the highest standards of health and safety in our plants and offices, ensuring a secure and productive work environment for every team member.

## **Sustainability and Governance**

We understand that business success must go hand in hand with social and environmental responsibility. We are taking progressive steps towards sustainable manufacturing, including optimizing energy use, minimizing waste, and sourcing responsibly.

On the governance front, we continue to operate with transparency, accountability, and strict compliance with all regulatory frameworks. The Board remains actively involved in guiding our strategic direction and ensuring that risk is prudently managed.

## **Road Ahead**

As India's electricals sector matures, we see enormous headroom for growth — particularly in the Tier-2 and Tier-3 segments, where organized penetration is still catching up. Wonder Electricals is well-equipped to lead this wave with an unwavering focus on:

- Widening our product offerings across use-cases and price points
- Deepening client partnerships through customized solutions and co-creation
- Enhancing cost efficiency and profitability through lean operations
- Building a purpose-driven culture that empowers people and respects the planet

Our vision is not only to be the largest fan manufacturer in India but also the most respected partner to brands who count on us to deliver excellence — quietly and consistently.

I would like to take this opportunity to express my sincere appreciation to our employees, customers, suppliers, partners, and of course, you — our valued shareholders — for your continued faith and support.

Your trust drives us to aim higher every year. With your partnership, I am confident that Wonder Electricals will continue to grow, evolve, and excel — setting benchmarks in quality, reliability, and value creation.

Let us move forward with ambition in our hearts and purpose in our actions.

**Warm regards,**  
**Yogesh Sahni**  
*Managing Director*

The Statement setting out material facts, pursuant to Section 102 of the Companies Act, 2013, Secretarial Standard-2 on General Meetings and Regulation 36 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations) in respect of the Special Business, specified in item nos. 5 to 10 of the accompanying Notice is annexed hereto.

5. Brief resume of the Directors proposed to be reappointed at this AGM, nature of their expertise in specific functional areas, names of companies in which they hold directorship and membership /chairmanships of Board Committees, shareholding and relationship between directors inter-se as stipulated under Regulation 36 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other requisite information as per Clause 1.2.5 of Secretarial Standard-2 on General Meetings, are provided in **Annexure-1**.
6. Since the AGM is being held pursuant to the Circulars issued by the Ministry of Corporate Affairs through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility to appoint a proxy by a member will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under section 103 of the Act. However, the Body Corporates are entitled to appoint authorized representatives to attend the AGM through VC/OAVM and participate there at and cast their vote through remote e-voting.
7. However, in terms of the provisions of section 112 and 113 of the Act read with the said Circulars, Corporate Shareholders are entitled to appoint their authorised representatives to attend the AGM through VC/OAVM on their behalf and participate there at, including cast votes by electronic means (details of which are provided separately, herein below). Such Corporate Shareholders are requested to refer 'General Guidelines for Shareholders' provided in the notice below, for more information.
8. Pursuant to Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time, the Company is providing facility of remote e-Voting to its Shareholders in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as voting on the date of the AGM will be provided by NSDL.
9. The Register of Directors and Key Managerial Personnel and their shareholding, and the Register of Contracts or Arrangements in which the directors are interested, maintained as per the Companies Act, 2013 will be available for electronic inspection by the Shareholders during the AGM without any fee. Shareholders seeking to inspect such documents may send an email to [cs@wonderelectricals.com](mailto:cs@wonderelectricals.com).
10. **DIVIDEND:** The dividend, as recommended by the Board of Directors, if approved at the AGM, would be paid subject to deduction of tax at source, as may be applicable, on or after September 25th, 2025, to those persons or their mandates:
  - (a) whose names appear as Beneficial Owners as at the end of the business hours on **Thursday, 18th September, 2025** in the list of Beneficial Owners to be furnished by National Securities Depository Limited and Central Depository Services (India) Limited in respect of the shares held in electronic form; and
  - (b) whose names appear as Members in the Register of Members of the Company as at the end of the business hours on **Thursday, 18th September, 2025** after giving effect to valid request(s) received for transmission/ transposition of shares.
11. **ELECTRONIC CREDIT OF DIVIDEND:** SEBI has made it mandatory for all companies to use the bank account details furnished by the Depositories and the bank account details maintained by the Registrar and Transfer Agent for payment of dividend to Members electronically. The Company has extended the facility of electronic credit of dividend directly to the respective bank accounts of the Member(s) through the National Electronic Clearing Service (NECS)/ National Electronic Fund Transfer (NEFT)/Real Time Gross Settlement (RTGS)/Direct Credit, etc.

Members holding shares in demat form are requested to update their bank account details with their respective Depository Participants ("DPs"). The Company or KFin cannot act on any request received directly from the Members holding shares in dematerialised form for any change of bank particulars.

Such changes are to be intimated only to the DPs of the Members. Further, instructions, if any, already given by them in respect of shares held in physical form will not be automatically applicable to shares held in the electronic mode.

Shareholders are requested to ensure that their bank account details in their respective demat accounts are updated to enable the Company to provide timely credit of dividend in their bank accounts.

**12. TAX ON DIVIDEND:** Members may note that pursuant to the Finance Act, as amended, dividend income is now taxable in the hands of the members and the Company is required to deduct tax at source ("TDS") from dividend paid to the members at the rates prescribed in the Income Tax Act, 1961. In order to enable the Company to determine the appropriate TDS rate as applicable, members are requested to submit the documents in accordance with the provisions of the Income Tax Act, 1961 and Rules thereto.

- a) **For Resident members:** Tax at source shall be deducted under Section 194 of the Income Tax Act, 1961 at 10% on the amount of dividend declared and paid by the Company during the year, subject to PAN details registered/ updated by the member. If PAN is not registered/ updated in the demat account/folio as on the Record date/cut-off date, TDS would be deducted @20% as per Section 206AA of the Income Tax Act, 1961. No tax at source is required to be deducted, if during the financial year, the aggregate dividend paid or likely to be paid to an individual member does not exceed ₹5,000 (Rupees Five Thousand Only). Further, in cases where the shareholder provides Form 15G (applicable to any person other than a Company or a Firm) / Form 15H (applicable to an Individual who is of the age of 60 years and above), provided that the eligibility conditions are being met, no TDS shall be deducted. Notwithstanding the above, in case PAN of any member falls under the category of 'Specified Person', the Company shall deduct TDS @20% as per Section 206AB of the Income Tax Act 1961.
- b) **For Resident Non-Individual:** No tax shall be deducted on the dividend payable to the following resident non- individuals where they provide relevant details and documents:

**Insurance Companies:** Self-declaration that it qualifies as 'Insurer' as per section 2(7A) of the Insurance Act, 1938 and has full beneficial interest with respect to the ordinary shares owned by it along with self-attested copy of PAN card and certificate of registration with Insurance Regulatory and Development Authority of India (IRDAI)/LIC/GIC.

**Mutual Funds:** Self-declaration that it is registered with SEBI and is notified under section 10 (23D) of the Income Tax Act, 1961 along with self-attested copy of PAN card and certificate of registration with SEBI.

**Alternative Investment Fund (AIF):** Self-declaration that its income is exempt under section 10 (23FBA) of the Income Tax Act, 1961 and they are registered with SEBI as Category I or Category II AIF along with self-attested copy of PAN card and certificate of AIF registration with SEBI.

**New Pension System (NPS) Trust:** Self declaration that it qualifies as NPS trust and income is eligible for exemption under section 10(44) of the Income Tax Act, 1961 and is being regulated by the provisions of the Indian Trusts Act, 1882 along with self-attested copy of PAN card.

**Recognized Provident Fund:** Self-attested copy of a valid order from Commissioner under Rule 3 of Part A of Fourth Schedule to the Income Tax Act, 1961 or self-attested valid documentary evidence (e.g. relevant copy of registration, notification, order, etc.) in support of the provident fund being established under a scheme framed under the Employees' Provident Funds Act, 1952.

**Approved Superannuation Fund:** Self-attested copy of valid approval granted by Commissioner under Rule 2 of Part B of Fourth Schedule to the Income Tax Act, 1961.

**Approved Gratuity Fund:** Self-attested copy of valid approval granted by Commissioner under Rule 2 of Part C of Fourth Schedule to the Income Tax Act, 1961.

**National Pension Scheme:** A declaration that the NPS is exempt under Section 10(44) of the Income Tax Act, 1961 and registration taken under Pension Fund Regulatory and Development Authority Act, 2013.

**Other non-individual shareholders:** Self- attested copy of documentary evidence supporting the

exemption along with self- attested copy of PAN card.

Please note that as per section 206AB of the Income Tax Act, 1961 in case a person has not filed his/her Return of Income for the preceding financial year and the aggregate of tax deducted at source in his/her case is Rs. 50,000 or more in the said financial year, TDS will be higher of the following:

- a) Twice the rate specified in the relevant provision of the Income Tax Act, 1961; or
- b) Twice the rate or rates in force; or
- c) The rate of five per cent.

The non-residents who do not have permanent establishment and residents who are not required to file a return under section 139 of Income Tax Act, 1961 are excluded from the scope of a "specified person" i.e. levy of higher TDS under section 206AB of the Income Tax Act, 1961.

**For Non-Resident Members:** Tax at source shall be deducted under Section 195 of the Income-Tax Act, 1961 at the applicable rates. As per the relevant provisions of the Income-Tax Act, 1961, the withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) on the amount of dividend payable to non-resident members. As per Section 90 of the Income Tax Act, 1961, members may be entitled to avail lower TDS rate as per Double Taxation Avoidance Agreement ("DTAA"). To avail the Tax Treaty benefits, the non-resident member will have to provide the following:

- a. Self-attested copy of Tax Residency Certificate ("TRC") obtained from the tax authorities of the country of which the member is a resident.
- b. Self-declaration in Form 10F.
- c. Self-attested copy of the Permanent Account Number (PAN Card) allotted by the Indian Income Tax authorities, if any.
- d. Self-declaration, certifying the following points:
  - Member remained a tax resident of the country of its residence during the financial year 2024-25;
  - Member is eligible to claim the beneficial DTAA rate for the purposes of tax withholding on dividend declared by the Company.
  - Member has no reason to believe that its claim for the benefits of the DTAA is impaired in any manner;
  - Member is the ultimate beneficial owner of its shareholding in the Company and dividend receivable from the Company; and
  - Member does not have a taxable presence or a permanent establishment in India during the financial year 2024-25.

**13.** Notwithstanding the above, in case PAN falls under the category of 'Specified Person', member is mandatorily required to submit a declaration providing status of Permanent Establishment in India for the financial year 2025-26. As per Section 206AB of the Income Tax Act 1961, if the said declaration is not furnished, the Company shall deduct tax at source at twice the applicable rate.

**14.** The Company shall not be obligated to apply the beneficial DTAA rates at the time of tax deduction/ withholding on dividend amounts. Application of beneficial DTAA Rate shall depend upon the completeness and satisfactory review by the Company of the documents submitted by the Non-Resident member.

**15.** In order to enable the Company to determine the appropriate TDS/withholding tax rate applicable, members are requested to provide the aforesaid details and documents on or before Thursday September 18, 2025 at [inward.ris@kfintech.com](mailto:inward.ris@kfintech.com) and Blank Form 15G and 15H can be downloaded from the website of KFin Technologies Limited, (Registrar and Share Transfer Agents/RTA) viz. <https://ris.kfintech.com/form15>. No communication on the tax determination/deduction shall be entertained post **Thursday September 18, 2025**. Members may note that in case the tax on said dividend is deducted at a higher rate due to non-receipt of the aforementioned details/ documents, there

would still be an option available to the member to file the return of income and claim an appropriate refund, if eligible.

16. In accordance with the provisions of the Income Tax Act 1961, TDS certificates can be made available to the members at their registered e-mail ID after filing of the quarterly TDS Returns of the Company, post payment of the said dividend.
17. Dividends, if not encashed for a consecutive period of 7 years, from the date of transfer to Unpaid / Unclaimed Dividend Account of the Company, are liable to be transferred to Investor Education and Protection Fund ("IEPF"). Further, the shares of a member who does not encash his/ her dividend for a continuous period of 7 years, are also liable to be transferred to the demat account of IEPF Authority. In view of this, members, who have not yet claimed their dividend, paid by the Company upto and during the financial year ended March 31, 2025, are requested to claim their dividends from the Company / RTA, within the stipulated timeline. Information in respect of the unclaimed dividend as on March 31, 2025, will be uploaded on the website of the Company [www.wonderelectricals.com](http://www.wonderelectricals.com) after the AGM.
18. **SUBMISSION OF QUESTIONS / QUERIES PRIOR TO AGM:** Members who would like to express their views or ask questions during the AGM may pre-register themselves as a speaker by sending their request from their registered Email ID mentioning their name, DP ID and Client ID/folio number, PAN, mobile number at [cs@wonderelectricals.com](mailto:cs@wonderelectricals.com) from **Tuesday 16<sup>th</sup> September, 2025 (from 9.00 a.m.) to Thursday, 18<sup>th</sup> September, 2025 (up to 5.00 p.m.)**. Those Members who have registered themselves as a speaker will only be allowed to express their views/ask questions during the AGM. The Company reserves the right to restrict the number of speakers depending on the availability of time for the AGM.
19. The Shareholders, who do not wish to speak during the AGM but have queries may send their queries or seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company on or before **18<sup>th</sup> September, 2025**, through E-mail mentioning their name, demat account number/folio number, email id, mobile number at [cs@wonderelectricals.com](mailto:cs@wonderelectricals.com). The same will be replied by the Company suitably.
20. In line with the said Circulars issued by the MCA and said SEBI Circular, the Annual Report including Notice of the 16<sup>th</sup> AGM of the Company inter alia indicating the process and manner of e-voting is being sent only **through electronic mode**, to all those Shareholders whose Email IDs are registered with the Company/Depository Participant(s) for communication purposes to the Shareholders and to all other persons so entitled.
21. Further, in terms of the applicable provisions of the Act, SEBI Listing Regulations read with the said Circulars issued by MCA and said SEBI Circular, the Annual Report including Notice of the 16<sup>th</sup> AGM of the Company will also be available on the website of the Company at [www.wonderelectricals.com](http://www.wonderelectricals.com). The same can also be accessed from the website of both the Stock Exchanges i.e., BSE Limited and the National Stock Exchange of India Limited at [www.bseindia.com](http://www.bseindia.com) and [www.nseindia.com](http://www.nseindia.com) respectively and AGM notice is also available on the website of NSDL (agency providing the Remote e-Voting facility) i.e. [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
22. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Shareholders holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Shareholders are requested to intimate changes, if any, pertaining to their name, postal address, Email ID, telephone/mobile numbers, PAN, mandates, nominations, power of attorney, bank details (such as name of the bank and branch details, bank account number, MICR code, IFSC code, etc.), with necessary documentary evidence, to their Depository Participants in case the shares are held by them in dematerialized form.

23. Changes intimated to the Depository Participant will then be automatically reflected in the Company's records which will help the Company and its Registrar & Share Transfer Agent to provide efficient and better services to the Shareholders.
24. In terms of the provisions of Section 72 of the Act, the facility for making nomination is available for the Shareholders in respect of the shares held by them. Shareholders who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Shareholders holding shares in dematerialised form are requested to submit the said details to their Depository Participant(s).

### ❖ Voting through electronic means

- There being no physical shareholders in the Company, the Register of members and share transfer books of the Company will not be closed. In accordance with Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Amendment Rules, 2015, the Company has fixed **Thursday, 18<sup>th</sup> September, 2025** as the “**cut-off date**” to determine the eligibility to vote by remote e-voting or e-voting at the AGM. A person whose name is recorded in the Register of Shareholders or in the Register of Beneficial Owners maintained by the depositories as on the cut-off date, i.e., **Thursday, 18<sup>th</sup> September, 2025**, shall be entitled to avail the facility of remote e-voting or e-voting at the AGM.
- Only those Shareholders, who will be present at the AGM through VC/OAVM facility and who would not have cast their vote by remote e-voting prior to the AGM and are otherwise not barred from doing so, shall be eligible to vote through e-voting system at the AGM.
- Further, pursuant to SEBI Circular dated 9<sup>th</sup> December, 2020, to eradicate the hardship caused to the Shareholders of remembering login credentials of various e-voting service providers (ESPs), the SEBI has mandated to provide the facility of using single login credentials with various ESPs. This means Shareholders can avail the e-voting facility of various ESPs through their single login credentials, this will help in non-creation of login credentials again and again.
- The Board has appointed Ms. Rubina Vohra, Proprietor of M/s. Rubina Vohra & Associates, Company Secretaries, as the Scrutiniser to scrutinise the remote e-voting process as well as the e-voting system on the date of the AGM, in a fair and transparent manner.
- The Scrutiniser shall, after the conclusion of e-voting at the AGM, first count the votes cast vide e-voting at the AGM and thereafter shall, unblock the votes cast through remote e-voting, in the presence of at least two witnesses not in the employment of the Company. She shall submit a Consolidated Scrutiniser's Report of the total votes cast in favour or against, within 2 working days from the conclusion of the AGM, to the Chairman or a person authorised by him in writing, who shall counter sign the same and declare the result of the voting forthwith.
- The results declared along with the Scrutiniser's Report shall be communicated to the stock exchanges on which the Company's shares are listed, NSDL, and RTA and will also be placed on the Company's website [www.wonderelectricals.com](http://www.wonderelectricals.com)
- The remote e-voting period begins on **Sunday, 21<sup>st</sup> September, 2025 at 9.00 a.m. and ends on Tuesday, 23<sup>rd</sup> September, 2025 at 5.00 p.m.** and the remote e-voting module shall be disabled by NSDL for voting thereafter. once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently.

**STATEMENT SETTING OUT THE MATERIAL FACTS CONCERNING AND RELATING TO THE SPECIAL BUSINESS TO BE TRANSACTED AT THE MEETING PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**

---

**ITEM NO. 5**

The Board of Directors on the recommendation of Audit Committee, appointed **Mr. Ajay Kumar Singh & Co, Cost Accountant in Practice (Firm Registration No.- 000386)**, as the Cost Auditor of the Company for conducting the audit of the cost records of the Company for the financial year 2025-26, at a remuneration of Rs. 40,000/-(Forty Thousand only) excluding tax and out of pocket expenses which shall be reimbursed to him on actual basis.

In accordance with the provisions of Section 148 of the Companies Act, 2013, read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to Cost Auditor as recommended by the Audit Committee and approved by the Board of Directors, requires ratification by the shareholders of the Company.

Accordingly, the shareholders are requested to ratify the remuneration of the Cost Auditor for the financial year 2025-26 as set out above for the aforesaid services to be rendered by him.

None of the Directors and Key Managerial Personnel and their relatives, are in any way, financially or otherwise, concerned or interested financially or otherwise, in the passing of the resolution set out at **Item No. 5 of the Notice.**

The Board of Directors of the Company recommends the resolution set forth at **Item no. 5** of the accompanying Notice, for the approval of the shareholders as an **Ordinary Resolution.**

**ITEM NO. 6**

In terms of the provisions of Section 204 of the Companies Act, 2013 ("the Act") read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, and pursuant to the amended provision of Regulation 24A of the Listing Regulations, 2015, every listed company is required to undertake Secretarial Audit by a Peer Reviewed Company Secretary who shall be appointed by the shareholders of the Company.

Based on the recommendation of the Audit Committee, the Board of Directors at their meeting held on August 12, 2025, subject to approval of shareholders, have approved the appointment of M/s. Rubina Vohra & Associates, Practicing Company Secretaries (peer review no.1829/2022), as the Secretarial Auditor of the Company, for a term of five (5) consecutive years, commencing from FY 2025-26 till FY 2029-30, on such remuneration as decided by the Board of Directors of the Company.

M/s. Rubina Vohra & Associates, have given their consent to act as the Secretarial Auditors of the Company and have confirmed that their appointment, if made, will be within the limit specified under Section 204 of the Companies Act, 2013. They have also confirmed that they are not disqualified to be appointed as secretarial auditors in terms of the provisions of the Section 204 of the Companies Act, 2013 and the Rules made thereunder, read with Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable Regulations.

None of the Directors and Key Managerial Personnel and their relatives, are in any way, financially or otherwise, concerned or interested financially or otherwise, in the passing of the resolution set out at **Item No. 6 of the Notice.**

The Board of Directors of the Company recommends the resolution set forth at **Item no. 6** of the accompanying Notice, for the approval of the shareholders as an Ordinary Resolution.

### **ITEM NO. 7**

As per the provisions of Section 180(1)(c) of the Companies Act, 2013 (“the Act”), the Board of Directors of a company shall not, except with the consent of the Members by way of a Special Resolution, borrow monies, apart from temporary loans obtained from the Company’s bankers in the ordinary course of business, in excess of the aggregate of the paid-up share capital, free reserves and securities premium of the Company.

The Members of the Company had, at earlier Annual General Meetings, authorised the Board of Directors to borrow monies within the limits considered adequate at that time. With the growth of the Company’s scale of operations, increasing capital expenditure, and evolving working capital requirements, the Board of Directors has reviewed the present borrowing limits and is of the view that the same needs to be enhanced to provide greater financial flexibility.

Wonder Electricals Limited is engaged in the business of manufacturing of various types of Fans products, which is capital and working capital intensive in nature. In order to meet the long-term funding requirements for expansion projects, capacity enhancement, modernisation of facilities, investment in new technologies, and to support day-to-day operational needs, it is essential that the Company is empowered to borrow additional funds as and when necessary.

Accordingly, it is proposed to authorise the Board of Directors of the Company to borrow monies up to an overall limit not exceeding ₹200 Crores (Rupees Two Hundred Crores Only) over and above the aggregate of the paid-up share capital, free reserves and securities premium of the Company. This will enable the Company to raise resources, in a timely and cost-effective manner, from diverse sources including banks, financial institutions and other lenders, depending upon the requirements of the business and prevailing market conditions.

The Board believes that the proposed resolution will strengthen the Company’s financial position, provide the necessary leverage for seizing business opportunities, and ensure that the Company remains well-prepared to meet future funding requirements.

The Board of Directors accordingly recommends the Special Resolution set out at **Item No. 7** of this Notice for approval of the Members.

None of the Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

### **ITEM NO. 8**

As per the provisions of Section 180(1)(a) of the Companies Act, 2013 (“the Act”), the Board of Directors of a company shall not, except with the consent of the Members by way of a Special Resolution, sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company or create any charge, mortgage or hypothecation on the assets of the Company.

The Members of the Company had earlier authorised the Board of Directors to create charges, mortgages and hypothecations on the assets of the Company for securing its borrowing requirements. With the Company’s continuous growth, expansion plans, and enhanced borrowing requirements, it has become necessary to provide adequate security to lenders and financial institutions in connection with the funds borrowed or proposed to be borrowed by the Company.

Wonder Electricals Limited is engaged in the manufacturing of various types of fans, which is a business requiring significant capital as well as working capital investments. To meet such requirements and to maintain financial flexibility, the Company may need to borrow funds from banks,

financial institutions, and other lenders, and in turn, create mortgage, charge, hypothecation or other encumbrances on its immovable and movable properties, both present and future, in favour of such lenders.

Accordingly, the consent of the Members is being sought to authorise the Board of Directors to create, in addition to the existing charges, such mortgages, charges, hypothecations and other encumbrances on the assets and properties of the Company, as may be necessary, to secure borrowings not exceeding ₹200 Crores (Rupees Two Hundred Crores Only) together with interest, costs, charges and all other monies payable in respect thereof.

This authorisation will empower the Board to negotiate and finalise the terms and conditions with the lenders, execute necessary deeds and documents, and take such steps as may be required for creation, perfection or modification of charges and to secure the financial facilities availed by the Company.

The Board in the view that the proposed resolution is in the best interests of the Company and therefore recommends the Special Resolution set out at **Item No. 8** of this Notice for the approval of the Members.

None of the Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

### **ITEM NO. 9**

As per the provisions of Section 186 of the Companies Act, 2013, the Board of Directors of a company can give any loan, guarantee or provide any security in connection with a loan to any other body corporate or person and acquire securities of any other body corporate up to the limits prescribed therein. Where it is proposed to exceed such limits, prior approval of the Members of the Company by way of a Special Resolution is required.

Considering the Company's present and future requirements relating to business operations, growth, working capital, strategic investments, joint ventures, subsidiaries and for other business purposes, it is proposed to enhance the overall limits for loans, guarantees, securities and investments by the Company up to an aggregate amount not exceeding Rs. 200 Crores (Rupees Two Hundred Crores only), over and above the limits specified under Section 186(2) of the Act.

The Board of Directors is of the view that the proposed resolution is in the best interest of the Company, as it will provide necessary flexibility to optimally utilize the Company's funds, support its expansion plans and meet any funding requirements of its subsidiaries, associates and joint ventures.

None of the Directors, Key Managerial Personnel of the Company and/or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution, except to the extent of their shareholding, if any, in the Company.

Accordingly, the Board of Directors recommends the Special Resolution set out at **Item No. 9** of the Notice for the approval of Members.

### **ITEM NO:10**

The Members may note that pursuant to the provisions of Section 185 of the Companies Act, 2013 read with the Companies (Meeting of Board and its Powers) Rules, 2014 (the "Rules") (as amended from time to time), no company shall, directly or indirectly, advance any loan, including any loan represented by a book debt to, or give any guarantee or provide any security in connection with any loan taken by

- (a) any director of company, or of a company which is its holding company or any partner or relative of any such director; or
- (b) any firm in which any such director or relative is a partner.

However, a company may advance any loan including any loan represented by a book debt, or give any guarantee or provide any security in connection with any loan taken by any person in whom any of the director of the company is interested, subject to the condition that

- (a) a special resolution is passed by the company in general meeting and
- (b) the loans are utilized by the borrowing company for its principal business activities.

In order to extend financial support for meeting out the working capital requirements by the entities as defined under Explanation to Section 185(2) of the Companies Act, 2013, the Board of Directors, at the recommendations of Audit Committee, at its meeting held on August 12, 2025 has approved to seek approval of Shareholders of the Company to advance any loan including any loan represented by a book debt, or give any guarantee or provide any security in connection with any loan taken by any person/entity, in whom any of the director of the company is interested as specified under Section 185 of the Companies Act, 2013 (hereinafter commonly known as the Entities), as the Board of the Directors, upon the recommendations of Audit Committee, deems fit and beneficial/ in the best interest of the Company, including all the existing transactions, if any pertaining to advancing loan and/or giving guarantee and/or providing any security to the Entities, provided that the advancing loan and/or giving guarantee and/or providing any security to the Entities at any point of time shall not exceed the aggregate limit of Rs. 200 Crore (Rupees Two Hundred Crore Only), singly or collectively, to all the Entities.

Such transactions shall be evaluated and approved/ noted by the Board of Directors at the recommendations of the Audit Committee from time to time.

The Board of Directors may further delegate the authority to any Committee with respect to advancing loan and/or giving guarantee and/or providing any security to the Entities, subject to periodic review of the same, as it may deem fit, proper and necessary in the best interests of the Company. Such loans shall only be utilized by the borrowing company for its principal business activities.

None of the Directors or Key Managerial Personnel or their relative(s) is / are in any way concerned or interested, in passing of the above-mentioned resolution.

Accordingly, the Board of Directors recommends the Special Resolution set out at **Item No. 10** of the Notice for the approval of Members.

### **STATE OF COMPANY'S AFFAIRS/OPERATIONS**

At Wonder Electricals Limited, we manufacture and supply a wide range of ceiling, exhaust, pedestal, TPW and BLDC fans in various attractive designs and patterns, which are known for their high performance and low power consumption in the market. Our range of fans is available in different designs, colors and has superior gloss finishes that add grace to the decor of the surroundings. We also manufacture these fans as per specification of our clients which include well-known companies which are selling under their own brands in India.

We are a fully integrated end-to-end product and solution suite to the original sellers of the fans wherein we provide start to end solutions for fan sellers including sourcing, manufacturing, quality testing and packaging.

In line with our focus to provide end to end product solutions, we have done backward integration of our major manufacturing processes by developing in-house capabilities for blade fabrication, cover & rotor machining on automatic CNC machines, copper winding of stators, sanding, buffing, pre-treatment using nano technology, powder coating on a fully conveyORIZED & automatic paint-shop using robotic arm reciprocators, liquid painting for high end metallic finishes on a fully conveyORIZED, semi-automatic paint-shop and assembly. We believe that this improves our cost efficiency, reduces dependency on third party suppliers and gives better control on production time and quality of critical components used in manufacturing of the products.

At present, the Company is operating with Three (3) plants at locations as mentioned in **Error! Filename not specified.**Corporate Governance Report.

To,  
The Members,  
**WONDER ELECTRICALS LIMITED**  
**(CIN:L31900DL2009PLC195174)**  
45, Ground Floor, Okhla Industrial Estate,  
Phase-III, New Delhi-110020

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and adherence to good corporate practices by **WONDER ELECTRICALS LIMITED** (hereinafter called “the Company”) during the financial Year from 1st April 2024 to 31<sup>st</sup> March 2025 (“the year”/ “audit period”/ “period under review”). We conducted the Secretarial Audit in a manner that provided us a reasonable basis for evaluating the Company’s corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended March 31, 2025 (“**Audit Period**”) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter along with **Annexure - A** attached to this report.

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by the Company for the financial year ended March 31, 2025 according to the applicable provisions of:

1. The Companies Act, 2013 (**the Act**) and the rules made thereunder;
2. The Securities Contract (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
4. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’) to the extent applicable to the Company:
  - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (hereinafter “**SEBI ICDR Regulations**”); (**not applicable during the year**)
  - d) The Securities and Exchange Board of India (Share Based Employee Benefits & Sweat Equity) Regulations, 2021 (**Not applicable to the Company during the Audit Period**);
  - e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Shares) Regulations, 2021 (**Not applicable to the Company during the Audit Period**);

- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client **(Not applicable as the Company is not registered as Registrar to an Issue and Share Transfer Agent);**
- g) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018, **(Not applicable to the Company during the Audit Period);** and
- h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021, **(Not applicable to the Company during the Audit Period).**
- i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
5. We further report that, our examination and reporting with respect to compliance of the below mentioned specific Law, as identified and confirmed by the management, have been conducted on a test-check basis:
- Environmental Laws
  - The Legal Metrology Act, 2009
  - The Bureau of Indian Standards Act, 2016
  - E-Waste (Management) Rules, 2022

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards (SS-1 & SS-2) issued by The Institute of Company Secretaries of India with respect to Board and General Meetings.
- (ii) The Listing Agreements entered into by the Company with National Stock Exchange of India Limited and BSE Limited read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended till date.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines and standards as above subject to the following:

1. During the course of audit, it was noted that the Company had filed the disclosure of Related Party Transactions with a delay of one day in XBRL mode under Regulation 23(9) of SEBI (LODR) Regulations, 2015. The Stock Exchange imposed a nominal fine of Rs. 5,900/- (inclusive of GST) in June 2024, which was duly paid by the Company. The delay was inadvertent and technical in nature. The Board has taken note of the same and strengthened internal monitoring to avoid recurrence.

We further report that:

1. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors and women Director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act are as follows:

Date of Event	Name of Directors and KMP	Details
17/10/2024	Yogesh Anand	Appointed as an Additional Director as on 17.10.2024 and regularized as Executive Director of the Company as on 25th December 2024
12/11/2024	Bhawna Saunkhiya	Appointed as Additional Director as on 12.11.2024 and regularized as Independent Non-Executive Director of the Company as on 25th December 2024

2. In pursuance to the provisions of the Act, adequate notices and shorter Notice, as the case may be, were given to all the directors to schedule the Board Meetings along with agenda and detailed notes on agenda and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting in compliance of the Act.
3. All decisions at Board Meetings and Committee Meetings have been carried out with requisite majority and recorded in the Minutes of the meetings. Further, as informed and verified from minutes, no dissent was given by any director in respect of the resolutions passed in the Board and the Committee Meetings.

Based on the information provided by the Company, its officers and authorised representative during the conduct of the audit, in our opinion, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations, and guidelines.

**We further report** that during the audit period the Company has incurred following specific event / action that can have major bearing on the Company's affairs in pursuance of above referred laws, rules, regulations, guidelines, standards etc.:

1. The Company has altered the provisions of its Memorandum of Association pursuant to members' approval in the AGM dated September 24, 2024, effecting a sub-division of equity shares from a face value of Rs.10 each to Re. 1 each, with effect from November 12, 2024. Consequently, each existing Equity Share of Rs.10/- has been split into 10 (Ten) Equity Shares of Re. 1/- each.
2. The Company has declared and paid dividends to its shareholders as per the provisions of the Companies Act, 2013. The Board, at its meeting held on August 12, 2024, has recommended a final dividend of Rs.1/- per equity share of Rs.1/- each of the Company, for the year ended March 31, 2024, and on AGM dated 24th September 2024, members approved the same. **ANNEXURE -C****MANAGEMENT DISCUSSION AND ANALYSIS REPORT****ECONOMIC REVIEW & OUTLOOK**

The year 2024 emerged as a politically significant period, marked by landmark elections in countries like India, the United States, and Indonesia, which collectively influenced the global policy landscape. In India, the ruling government secured a third consecutive term, reinforcing political stability and signalling continuity in its economic and strategic direction amid global volatility.

On the economic front, 2024 presented a mixed picture of recovery. While the services sector demonstrated resilience, the manufacturing sector continued to struggle, especially in regions such as Europe and parts of Asia, where lingering supply chain disruptions and weakened external demand weighed on growth. Additionally, geopolitical instability — notably the Russia-Ukraine conflict and ongoing tensions in the Middle East — added further pressure on global financial and commodity markets, amplifying uncertainty for policymakers and investors alike.

In 2024, the global economy expanded at a moderate pace of 3.3%, according to the IMF, reflecting a phase of relative stability despite continued constraints on growth. As 2025 progresses, the global environment is undergoing a period of significant transition, with countries reassessing their policy priorities in response to rising geopolitical tensions and deepening economic headwinds.

The United States has introduced a series of additional tariff measures, triggering swift and firm responses from major trading partners. This escalation has resulted in widespread tariff increases across major economies, driving effective tariff rates to historic highs and exerting considerable pressure on global GDP. The situation has been further complicated by the abrupt and unpredictable nature of these policy shifts, which has sharply increased economic uncertainty and destabilized the short-term outlook. Amid these developments, global headline inflation is now expected to ease at a slower pace than earlier projected.

According to the International Monetary Fund's most recent forecasts, global inflation is projected to decline to around 4.2% in 2025 and further to approximately 3.6% in 2026, reflecting a gradual but steady easing of price pressures. This updated outlook underscores a divergent inflation trajectory—advanced economies are seeing upward revisions, largely due to prolonged services inflation, while emerging markets and developing economies are registering modest downward adjustments.

Global inflation eased to 5.8% in 2024 from 6.7% in 2023, supported by moderating demand, stable crude oil prices, and the gradual resolution of earlier supply chain disruptions. According to the International Monetary Fund (IMF), the decline in inflation reflects the combined effect of tighter monetary policies across economies and improving supply-side dynamics. In response to evolving macroeconomic conditions, several governments introduced targeted initiatives such as infrastructure development programs, social welfare measures, and corporate incentive schemes aimed at stimulating domestic economic activity and cushioning the impact of ongoing geopolitical risks.

The economy of India achieved an estimated 6.5% growth in GDP during FY 2025. This robust performance was the result of a thriving services sector, expedited urbanization, clean energy transition and moderate domestic consumption. The government's strategic initiatives, particularly the Production Linked Incentive (PLI) scheme and substantial infrastructure investment budget of ₹10.2 trillion, continue to serve as key economic catalysts.

India demonstrated effective fiscal management by containing its deficit at 4.8% of GDP, creating additional fiscal space for the government to enhance public expenditure and stimulate economic growth. Additionally, the Reserve Bank of India shifted to an accommodative monetary stance. In February, the RBI reduced the repo rate from 6.5% to 6.25%, further reducing it to 5.5% in June, injecting liquidity, enhancing credit accessibility and augmenting consumer spending.

## **INDUSTRY OVERVIEW**

### **The Electrical Consumer Durables (ECD) segment in India**

The Indian **Electrical Consumer Durables (ECD)** industry continued to exhibit strong growth momentum in FY 2024–25, supported by a combination of sustained consumer demand, government-led infrastructure expansion, and rising disposable incomes. Within this segment, the **fans industry** remains one of the most significant categories, driven by widespread electrification, the growing emphasis on energy efficiency, and rapid urbanisation. Industry reports, including those from the Indian Brand Equity Foundation (IBEF), project the overall Consumer Electronics and Appliances sector to rank among the top five globally by 2025, with India emerging as a manufacturing hub under the *Make in India* and *Atmanirbhar Bharat* initiatives.

The ceiling fan market has benefited from policy-driven rural electrification programmes such as *Saubhagya Yojana* and *Deen Dayal Upadhyaya Gram Jyoti Yojana*, which have significantly expanded electricity access in rural areas, creating vast new customer bases. Meanwhile, in urban markets, rising aspirations, the growth of the organised retail sector, and the rapid adoption of e-commerce have accelerated the shift towards branded, premium products with aesthetic appeal and advanced technology. The increasing popularity of **BLDC motors**, remote-controlled features, and smart connectivity has redefined consumer expectations, while the focus on energy conservation, reinforced through the *Bureau of Energy Efficiency's (BEE)* star labelling programmes, has driven replacement demand for older, less efficient models.

Furthermore, allied sectors such as real estate, hospitality, and infrastructure development have created sustained institutional demand for high-quality fans, exhaust systems, and ventilation solutions. The interplay of these structural factors indicates that the Indian fans industry is poised for long-term growth, with opportunities for manufacturers who can combine innovation, quality, and competitive pricing.

## **OPPORTUNITIES**

□ **Expansion of Energy-Efficient Product Portfolio**-The growing emphasis on energy conservation offers significant scope to expand BLDC and star-rated fans. Consumers are increasingly aware of lifecycle cost savings, making efficiency a decisive purchase factor.

□ **Premium and Designer Models**-Urban households and commercial establishments are showing a preference for aesthetically appealing, technologically advanced products. Expanding premium lines with unique designs, finishes, and smart features can cater to this aspirational segment.

□ **Rural Electrification and Penetration into Tier-II & Tier-III Markets**-With government initiatives ensuring consistent electricity supply in rural and semi-urban areas, untapped geographies present substantial growth potential. Competitive pricing and durable models tailored for these markets can drive volumes.

□ **Institutional and Project Sales**-Large-scale demand from builders, hospitality chains, and government housing projects presents an opportunity for bulk supplies and long-term contracts.

□ **Backward Integration and Component Manufacturing**-Setting up in-house manufacturing of PCB boards and other components, as planned under the Company's LLP venture, will enhance quality control, reduce dependence on external suppliers, and improve cost efficiency.

□ **E-Commerce and Omnichannel Presence**-The rapid rise of online marketplaces provides a cost-effective way to reach new customers. A strong omnichannel strategy integrating physical distribution with digital platforms can increase brand visibility and market share.

**THREATS****Economic Downturns:**

- **Consumer Spending:** Economic instability can lead to reduced consumer spending on non-essential items, affecting sales.

**High Competition:**

- **Price Wars:** High competition from both domestic and international manufacturers can lead to price wars and reduced profit margins.
- **Substitute Products:** Competition from alternative cooling solutions like air conditioners or evaporative coolers.

**Raw Material Costs:**

- **Fluctuating Prices:** Volatility in the cost of raw materials (e.g., metals, plastics) can impact production costs and pricing strategies.

**Regulatory Challenges:**

- **Compliance:** Adhering to varying regulatory standards and certifications in different markets can increase operational complexity and costs.
- **Environmental Regulations:** Stricter environmental regulations may require additional investments in sustainable practices and technologies.

**Supply Chain Disruptions:**

- **Logistics Issues:** Disruptions in the supply chain, such as those caused by geopolitical tensions or pandemics, can impact production and delivery.

**Power disruptions:**

- **Electricity:** Any impact on power distribution and electricity delivery can impact the demand for electrical products. Availability of stable and quality power supply continues to be an important factor for the industry's growth prospects.

**SEGMENT-WISE OR PRODUCT WISE PERFORMANCE**

As the Company has identified manufacturing/dealing/trading of ceiling, exhaust, pedestal & BLDC fans as its primary business segment, the disclosure requirements of Indian Accounting Standard 108 – “Operating Segments”, issued by the Institute of Chartered Accountants of India are not applicable. In the opinion of the management there does not exist separate reportable geographical segment.

**OUTLOOK**

The government is focused on export growth through strengthening bilateral relations and is maintaining a vigilant stance on the shifting global tariff scenario to craft a calibrated response, amid growing global geo-economic fragmentation. Further, it is committed to achieving domestic manufacturing excellence through initiatives like ‘Make in India.’ Overall, these initiatives by the government create a balanced growth model.

The Company remains confident about the long-term growth prospects of the electrical consumer durables sector, particularly the fans segment, supported by strong fundamentals such as rising disposable incomes,

continued rural electrification, urban housing growth, and increasing consumer preference for branded, energy-efficient products. In FY 2025–26, the focus will remain on strengthening the product portfolio with innovative and value-added offerings, especially in the BLDC and premium categories, while also expanding presence in untapped Tier-II, Tier-III, and rural markets. Strategic investments in technology, backward integration through in-house PCB manufacturing under the newly formed LLP, and enhancement of digital and modern trade channels are expected to improve operational efficiency and market penetration. The Company will continue to optimize its cost structure, maintain prudent financial management, and focus on quality and service excellence to strengthen brand equity. While mindful of potential challenges such as raw material price volatility and competitive pressures, management believes that the Company's diversified distribution network, robust supply chain, and ongoing R&D initiatives will position it well to deliver sustainable growth and value to shareholders in the coming years.

### **RISKS & CONCERNS**

Your Company has a well-framed and robust internal financial control system in place which governs the risk management and governance. A structured risk management system permits the management to take calibrated risks, which provides a holistic view of the business wherein risks are identified in a structured manner from a top-down to the bottom-up approach. The twin purpose of Enterprise Risk Management is to mitigate the adverse impacts and seize the market opportunities to sustain business growth and maintain a competitive edge in the industry.

Key risks of your Company include business risk, operational risk and external risk. Your Company regularly oversees and monitors the risks in line with the industry best practices. Your Company endeavors to attain cost control, expand customer base, and produce premium and innovative products to fulfil evolving customer requirements.

### **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

The Company implements internal controls into its daily operations as a vital part of governance. **Wonder Electricals Limited** has strengthened its internal control system through targeted audit plans covering several new operational areas through pre audits and interim reviews. The Company regularly fine tunes the audit processes to ensure accounting records remain reliable. This approach helps it create timely and accurate financial information that meets compliance standards. Wonder Electricals Limited risk management framework includes three key policies - Internal Financial Control, Whistle blower and Fraud Risk Framework. These tools help quickly spot various risks and bring them to senior management's attention. An independent internal auditor conducts the comprehensive audit program, presenting critical findings to the Audit Committee and Board every quarter. The Internal Audit team acts as the watchdog, making sure all control systems work properly. Their recommendations are implemented in a timely manner by the Company. Follow up is conducted after closing each issue to maintain high standards of financial control and governance. Wonder Electricals Limited quick response approach ensures that it can address potential problems before they can grow into serious concerns.

Further, the Statutory Auditors of the Company also carried out audit of the Internal Financial Controls Over Financial Reporting of the Company as on March 31, 2025.

## **Independent Auditors' Report**

**To The Members of**  
**M/s Wonder Electricals Limited**  
New Delhi

### **Report on the Standalone Financial Statements**

#### **Opinion**

We have audited the standalone financial statements of **M/s Wonder Electricals Limited** (the Company), which comprise the Balance Sheet as at **31<sup>st</sup> March, 2025**, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the state of affairs of the Company as at 31<sup>st</sup> March'2025, its profit/loss and its cash flows for the year ended on that date.

- a) In the case of the balance sheet, of the state of affairs of the company as at March 31, 2025;
- b) In the case of the Profit and Loss Account, of the profit for the period ended on that date and;
- c) In the case of cash flow statement, for the cash flows for the year ended on that date;
- d) And the changes in equity for the year ended on that date

**Basis for Opinion**

We conducted our audit in accordance with the Indian Accounting Standards (Ind AS) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. On our test check basis there is no matter during the year under audit which required to be reported in our report.

**Information other than the financial statements and auditors' report thereon**

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of directors is responsible for the matter stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance of the Company and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting standards (IND AS) notified under the Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent' and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a

reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Other Matters:-**

Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention.

#### **Report on other Legal and Regulatory Requirements**

## **“Annexure-B” to the Auditor’s Report**

**Referred to in paragraph 2(f) on ‘Report on Other Legal and Regulatory Requirements’ of our report of even date.**

**Independent Auditor’s report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **M/s Wonder Electricals Limited** (“the Company”) as of **31<sup>st</sup> March 2025** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Opinion**

In our opinion, the Company has, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management and the Board of Directors are responsible for establishing and maintaining internal financial controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as “the Act”).

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Notes to the financial statements for the year ended 31<sup>st</sup> March'2025****NOTE NO. 25**

**1. Organization structure and nature of Business-** Wonder Electricals Limited is a listed public company limited by shares, incorporated and domiciled in India. Its registered office is located at Okhla Industrial Estate, Phase-III, Delhi, India and factories at Bhagwanpur, Roorkee and SIDCUL, Haridwar in the state of Uttarakhand and at Manoharabad Mandal, Medak, Hyderabad in the state of Telangana. The Company is engaged in the manufacturing of electric goods. Company has diversified market not only in domestic but also has global presence.

**2. Additional Notes to the financial statements****A) Contingent liabilities: -**

There is no contingent liability at the year end.

B) Books of accounts of the company have been maintained at Factories at Bhagwanpur, Roorkee and SIDCUL, Haridwar in the state of Uttarakhand and at Manoharabad Mandal, Medak, Hyderabad in the state of Telangana.

**3. Significant Accounting Policies****a. Basis of preparation of financial statements:-**

The financial statements of the Company have been prepared in accordance with Indian accounting standards (IND AS) notified under the Section 133 of the Companies Act read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in accounting policy hitherto in use. Financial statements of the company are prepared under the historical cost convention on the accrual basis except some assets and liabilities which have been measured at their fair value.

The financial statements are presented in INR and all values are rounded to the nearest rupees in lakh.

**b. Current and non-current classification**

The company presents assets and liabilities in the balance sheet based on current/non-current classification

An asset is treated as current when:

- (a) it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle;
- (b) it holds the asset primarily for the purpose of trading;
- (c) it expects to realise the asset within twelve months after the reporting period; or
- (d) the asset is cash or a cash equivalent (as defined in Ind AS 7) unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period;

Current maturities of non-current asset are also termed as current assets.

An entity shall classify a liability as current when:

- (a) it expects to settle the liability in its normal operating cycle;
- (b) it holds the liability primarily for the purpose of trading;
- (c) the liability is due to be settled within twelve months after the reporting period; or
- (d) it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting.

Current maturities of non-current liabilities are also termed as current liability.

Company always classifies deferred tax assets (liabilities) as non-current assets (liabilities).

All other liabilities are classified as non-current.

The operating cycle of a company is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. When the entity's normal operating cycle is not clearly identifiable, it is assumed to be twelve months.

### **c. Foreign Currency**

The company's reporting currency and the functional currency for its operations is Indian Rupees (INR) being the principal currency of the economic environment in which it operates.

#### **(i) Transaction and balances**

A foreign currency transaction shall be recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate, of the date on which transaction first qualifies for recognition as per Ind AS's, between the functional currency and the foreign currency at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies outstanding at the end of the reporting period are translated at the exchange rates prevailing as at the end of reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items

measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

Exchange differences arising on the settlement of monetary assets and liabilities or on translating monetary assets and liabilities at rates different from those at which they were translated on initial recognition during the period or in previous financial statements shall be recognized in statement of profit and loss in the period in which they arise. When a gain or loss on a non-monetary item is recognized in other comprehensive income, any exchange component of that gain or loss shall be recognized in profit or loss, any exchange component of that gain or loss shall be recognized in profit or loss.

Earning & expenditure in foreign exchange are as below:

Particulars	Current Year (₹)	Previous Year (₹)
Earning in foreign exchange	Nil	Nil
Expenditure in foreign exchange	Nil	Nil

#### **d. Fair value measurement**

The Company measures some financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date:

- Level 1 — Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 — inputs other than quoted prices included in level 1 that are observed for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3 — inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The Company recognizes transfers between level of the fair value hierarchy at the end of reporting period during which the change has occurred. The management has an established control framework with respect to fair value measurement.

**e. Revenue recognition****(i) Sales of goods:-**

Revenue from the sale of goods shall be recognised when all the following conditions have been satisfied:

- (a) the entity has transferred to the buyer the significant risks and rewards of ownership of the goods;
- (b) the entity retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- (c) the amount of revenue can be measured reliably;
- d) it is probable that the economic benefits associated with the transaction will flow to the entity; and
- e) the costs incurred or to be incurred in respect of the transaction can be measured reliably;
- f) subsidies and other incentives are recognized on collection/receipt basis;

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes, levies or duties collected on behalf of the government/ other statutory bodies. Taxes, levies or duties are not considered to be received by the Company on its own account and excluded from net revenue.

Warranty is not a separate performance obligation but assurance type warranty and no separate provisions has been accounted for a warranty.

**(ii) Rendering of services:**

When the outcome of a transaction involving the rendering of services can be estimated reliably, revenue associated with the transaction shall be recognised by reference to the stage of completion of the transaction at the end of the reporting period.

The outcome of a transaction can be estimated reliably when all the following conditions are satisfied:

- (a) the amount of revenue can be measured reliably;
- (b) it is probable that the economic benefits associated with the transaction will flow to the entity;
- (c) the stage of completion of the transaction at the end of the reporting period can be measured reliably; and
- (d) the costs incurred for the transaction and the costs to complete the transaction can be measured reliably;

**(iii) Interest income**

For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR).

Interest Income from Bank- interest income is recorded on a time-proportionate basis that takes into account the effective interest rate (EIR)

Interest Received from Security with Electricity Board- Interest is recorded on the basis of agreement with Electricity Board while depositing the security amount.

Interest Received on IT Refund- Interest received at half percent per month as per rate defined under Income Tax Act

Other Income- It comprises of Interest Income received from Banks, Electricity board and other misc. interest.

**f. Taxation**

Income tax expense represents the sum of the current tax payable and deferred tax. The current tax is based on taxable profit for the year, which is determined pursuant to Income Tax Act, 1961. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income, in which case, the current tax and deferred tax are also recognised in other comprehensive income.

Deferred tax liability is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax base used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary difference to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiaries and associates, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Unrecognised deferred tax assets are reassessed at the end of each reporting year and are recognised to the extent that it has become probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realized, based on tax rate (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

**g. Property, Plant and Equipment**

Capital work in progress, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of plant and equipment and borrowing cost for long-term construction projects. The cost of an item of property, plant and equipment comprises:

(a) its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.

(b) any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

(c) the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which an entity incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

Subsequent costs are included in the carrying amount of assets or recognised as separate assets, as appropriate, only when it is probable that future economic benefits associated with them will flow to the company and the cost of the item can be measured reliably and it is expected to be used for more than one year.

An item of Property, plant or equipment is derecognised upon disposal or when no future economic benefits are expected from the continued use of assets. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is recognised in profit and loss. Depreciation on property, plant and equipment, except leasehold land, has been provided on written down value method as per the useful life of assets prescribed in Schedule II to the Companies Act, 2013.

The residual value of PPE for depreciation purpose is considered as 5% of the original cost of the asset. The estimated useful life of the assets is reviewed at the end of each financial year. Depreciation on the assets added / disposed of during the year is provided on pro-rata basis with reference to the month of addition / disposal. Value of leasehold land is amortised on the basis of lease period or balance life of the project whichever is earlier.

Name of company	Type of Asset	Method of Depreciation	Useful life (years)
Wonder Electricals Limited	Building	Written Down Value method	30
	Furniture & Fixture		10
	Office Equipment		5
	Plant & Machinery		15
	Vehicles		10
	Computer & Others		3

- 1) Property and equipment comprise of Land of Rs. 4,42,04,328 for which the company has title and management has intention to use this asset for business purpose in near future.
- 2) The Company has recorded depreciation charge of Rs 711.07 Lakhs for the period ended 31 March 2025.

#### **h. Intangible Assets**

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

#### **i. Borrowing Costs**

Borrowing cost attributable to the acquisition or construction of qualifying/eligible assets are capitalized as part of the cost of such assets. A qualifying/eligible asset is an asset that necessarily takes a substantial period of time to get ready for intended use. All other borrowing cost are recognised as expenses and are charged to revenue in the year.

#### **j. Leases**

##### **Company as a lessee**

The company has applied Ind AS 116 using the modified retrospective approach and therefore the comparative information has not been restated and continues to be reported under Ind AS 17.

##### **As a lessee**

The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease.

Lease payments included in the measurement of the lease liability comprise the following:

- Fixed payments, including in-substance fixed payments;
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- Amounts expected to be payable under a residual value guarantee; and

– The exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

For Operating leases, security expenses is recognized on a straight line basis over the term of the relevant lease.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The company presents right-of-use assets that do not meet the definition of investment property in 'property, plant and equipment' and lease liabilities in 'loans and borrowings' in the statement of financial position.

#### **k. Inventories**

Cost shall comprise:

**For Raw Materials and Packing materials:** Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in first out method basis.

**Finished Goods and Work in progress:** Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on first in first out basis material cost and includes cost of conversion and cost incurred in bringing the goods to present location and condition.

**Stores & Spares:** The Stock of stores & spare parts are charged to revenue account except loose tools. Stores are valued at cost calculated on the basis of first in first out method. Provisions are made for unserviceable, damaged, obsolete, slow moving, defective stores and spares identified during the physical stock taking.

#### **Scrap**

Scrap is valued at cost or net realizable value whichever is lower.

## **l. Impairment**

At the end of each reporting period, entity assesses whether there is any indication that an asset (tangible or intangible) may be impaired. If any such indication exists, the entity estimates the recoverable amount of the asset. Asset is impaired when its carrying value exceeds its recoverable amount. Where an indication of impairment exists, the asset's recoverable amount is estimated. An asset's recoverable amount is the higher of the asset's or cash-generating unit's value in use and its fair value less costs of disposal, and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets, in which case the recoverable amount is determined for the cash-generating unit to which the asset belongs.

## **m. Provisions, Contingent Liabilities & Contingent Assets**

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, and it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Where the time value of money is material, provisions are stated at the present value of the expenditure expected to settle the obligation. All provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future uncertain events not wholly within the control of the company, are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote. Contingent Assets are not recognised in the financial statements. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate. Where an inflow of economic benefits is probable, an entity shall disclose a brief description of the nature of the contingent assets at the end of the reporting period, and, where practicable, an estimate of their financial effect.

## **n. Employee benefits expenses**

Employee benefits include salaries, wages, contribution to provident fund, gratuity, leave encashment towards un-availed leave, compensated absences, post-retirement medical benefits and other terminal benefits.

The company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined using the

projected unit credit method. Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income. Past Service cost is recognized in the statement of profit & loss in the period of plan amendment.

**Defined contribution plan:**

Company's contributions paid/payable during the year to Provident Fund, Superannuation Fund and Employee state insurance are recognised in statement of profit and loss.

**Compensated absence:**

Liability for compensated absence is provided based on accumulated leave credit outstanding to employees as on the date of balance sheet.

Liabilities for short term employee benefits are measured at undiscounted amount of the benefits expected to be paid and charged to Statement of Profit & Loss in the year in which the related service is rendered.

Whereas Company is maintaining the Gratuity funds with LIC and making the premium payment over the period for its maintenance. The post-employment benefits like pension and gratuity are taken under Other Current Assets.

**o. Financial instruments**

**A. Financial assets:-**

**(i) Initial recognition and measurement**

All financial assets are recognised initially at fair value plus or minus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

**(ii) Subsequent measurement**

On subsequent recognition, a financial asset is classified as measured at:

- Amortised cost — Debt instruments
- Fair value through other comprehensive income (FVTOCI) - Debt Investment
- Fair value through other comprehensive income (FVTOCI) — Equity investment
- Fair value through profit or loss (FVTPL) — Derivatives, preference shares and debt instruments.

**(iii) Amortised cost**

A 'Financial asset' is measured at the amortised cost if both the following conditions are met and is not designated as at FVTPL:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

**(iv) Equity Investment**

On initial recognition of an equity investment that is not held for trading, the company may irrevocably elect to present subsequent changes in the fair value of investment in OCI (designated as FVTOCI — equity investment). This election is made on an investment by investment basis.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has

neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

**(v) Impairment of financial assets**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance. Financial assets that are debt instruments and are measured as at FVTOCI. Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18. Financial guarantee contracts which are not measured as at FVTPL.

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

Trade receivables or contract revenue receivables; and The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For

recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all the contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

All the contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual cash terms of the financial instruments.

Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

**(vi) Financial Liabilities**

A financial liability is any liability that is:

- a) a contractual obligation :
  - i) to deliver cash or another financial asset to another entity; or
  - ii) to exchange financial assets or financial liabilities with another
  - iii) entity under conditions that are potentially unfavourable to the entity; or
- b) a contract that will or may be settled in the entity's own equity instruments and is:
  - i) a non-derivative for which the entity is or may be obliged to deliver a variable number of the entity's own equity instruments; or
  - ii) a derivative that will or may be settled other than by the exchange of a fixed amount of cash or another financial asset for a fixed number of the entity's own equity instruments. For this purpose, rights, options or warrants to acquire a fixed number of the entity's own equity instruments for a fixed amount of any currency are equity instruments if the entity offers the rights, options or warrants pro rata to all of its existing owners of the same class of its own non- derivative equity instruments. Apart from the aforesaid, the equity conversion option embedded in a convertible bond denominated in foreign currency to acquire a fixed number of the entity's own equity instruments is an equity instrument if the exercise price is fixed in any currency.

Also, for these purposes the entity's own equity instruments do not include puttable financial instruments that are classified as equity instruments in

accordance with paragraphs 16A and 16B, instruments that impose on the entity an obligation to deliver to another party a pro rata share of the net assets of the entity only on liquidation and are classified as equity instruments in accordance with instruments that are contracts for the future receipt or delivery of the entity's own equity instruments. As an exception, an instrument that meets the definition of a financial liability is classified as an equity instrument if it has all the features and meets the conditions in paragraphs 16A and 16B or paragraphs 16C and 16D.

### **Initial Recognition and measurement**

All financial liabilities are recognised initially at fair value plus or minus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

### **Subsequent recognition**

Instrument	Subsequent recognition
Held for trading	Fair value
Financial guarantee contracts	Higher of loss allowance and amount recognised less cumulative amortization
Loans and borrowings	Amortised cost

### **(vii) Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference between the carrying amount of a financial liability (or part of a financial Liability) extinguished or transferred to another party and the consideration paid, including any non- cash assets transferred or liabilities assumed, shall be recognised in profit or loss.

### **(viii) Reclassification of financial assets**

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model.

**p. Cash and Cash equivalents**

Cash and Cash equivalents in the balance sheet comprises cash on hand, at bank and short-term deposits with banks. The Company considers all highly liquid financial instruments, which are readily convertible into cash and have original maturities of three months or less from the date of purchase, to be cash equivalents. Such cash equivalents are subject to insignificant risk of changes in value.

In Cash Flow statement prepared by the company, Cash flows are reported using indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transaction of non- cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

**q. Earnings per share**

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of any extra ordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented.

**r. Trade receivables**

Trade receivables represents amount billed to customers as credit sales and are net off;

- a) Any amount billed but for which revenues are reversed under the different accounting standard and
- b) Impairment for trade receivables, which is estimated for amounts not expected to be collected in full.

**s. Loans and Advances**

Loans and advances are non-derivative financial assets with fixed and determinable payments. This category includes the loans, cash and bank balances, other financial assets and other current assets.

Subsequent to initial measurement, loans and receivables are carried at amortized cost based on effective interest rate method less appropriate allowance for doubtful receivables.

Loans and advances are further classified as current and non-current depending on whether they will be realized within 12 months after the balance sheet date or beyond.

**t. Investment:-**

There is no investment made by the company in securities or shares during the year.
