A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. - 5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 6. We draw attention to Note 3 of the accompanying consolidated financial results which describes the uncertainty relating to the outcome of ongoing litigation including claim for encashment of bank guarantee by a contractor in respect of one of the overseas projects executed by the Company in earlier periods. Our conclusion is not modified in respect of this matter.

The Group had entered into a sub-contract along with a consortium partner with a Main Contractor, through its branch in Qatar in the year 2010. The Main Contract between the Ultimate customer and the Main Contractor was terminated closer to the completion of the contract in 2014 citing delays and defects in execution and non-compliance of contractual terms by the Main Contractor leading to arbitration between the Main Contractor and the Ultimate customer, of which final award is pending. The Group had performed a comprehensive assessment of the losses arising on account of such termination of the Main contract and cessation of work and accounted for all probable losses on the sub-contract in the earlier years.

The Group had issued bank guarantees amounting to approximately Rs.373 crores (QAR 166.6 million) to its Main Contractor which was being disclosed as a contingent liability over the years. In the previous quarter, the Group was intimated of a request received by the bank from the Main contractor for encashment of the said bank guarantee, which due to certain deficiencies was not paid by the bank to the Main contractor and the matter is in litigation, Further during the current quarter, the Company and the Main Contractor have filed claims and counter claims against each other with Investment and Trade Court (Qatar). In light of the recent claim for encashment of the bank guarantees and related developments, the Group has re-assessed its liability under the sub-contract and basis such internal assessment on technical merits of the case and legal opinion on the contractual aspects, is confident that it has good grounds to successfully defend any claims that may arise on the Group. Accordingly, no further provision has been considered in the above financial results. The Group has taken all necessary steps, including legal remedies to safeguard and defend itself. The matter is sub-judice and the Company is closely monitoring the developments as they arise.

The Statutory Auditors of the Company have conducted a "Limited Review" of the aforesaid financial results.

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to The Board of Directors Voltas Limited

- 1. We have reviewed the accompanying statement of unaudited standalone financial results of Voltas Limited (the "Company") for the quarter ended September 30, 2023 and year to date from April 01, 2023 to September 30, 2023 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- 2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw attention to Note 3 of the accompanying standalone financial results which describes the uncertainty relating to the outcome of ongoing litigation including claim for encashment of bank guarantee by a contractor in respect of one of the overseas projects executed by the Company in earlier periods. Our conclusion is not modified in respect of this matter.

3) The Company had entered into a sub- contract along with a consortium partner with a Main Contractor, through its branch in Qatar in the year 2010. The Main Contract between the Ultimate customer and the Main Contractor was terminated closer to the completion of the contract in 2014 citing delays and defects in execution and non- compliance of contractual terms by the Main Contractor leading to arbitration between the Main Contractor and the Ultimate customer, of which final award is pending. The Company had performed a comprehensive assessment of the losses arising on account of such termination of the Main contract and cessation of work and accounted for all probable losses on the sub-contract in the earlier years.

The Company had issued bank guarantees amounting to approximately Rs.373 crores (QAR 166.6 million) to its Main Contractor which was being disclosed as a contingent liability over the years. In the previous quarter, the Company was intimated of a request received by the bank from the Main contractor for encashment of the said bank guarantee, which due to certain deficiencies was not paid by the bank to the Main contractor and the matter is in litigation. Further during the current quarter, the Company and the Main Contractor have filed claims and counter claims against each other with investment and Trade Court (Qatar). In light of the recent claim for encashment of the bank guarantees and related developments, the Company has re-assessed its liability under the sub-contract and basis such internal assessment on technical merits of the case and legal opinion on the contractual aspects, is confident that it has good grounds to successfully defend any claims that may arise on the Company. Accordingly, no further provision has been considered in the above financial results. The Company has taken all necessary steps, including legal remedies to safeguard and defend itself. The matter is sub-judice and the Company is closely monitoring the developments as they arise.

4) The Board of Directors of Voltas Limited ('Holding Company') at its meeting held on 12th February, 2021, have approved the transfer of domestic B2B businesses of the Holding Company relating to Projects business comprising Mechanical Electrical and Plumbing (MEP)/ Heating, Ventilation and Air-Conditioning (HVAC) and Water projects, Mining and Construction Equipment (MBCE) business and Textile Machinery Division (TMD) business to its wholly owned subsidiary viz. Universal MEP Projects & Engineering Services Limited ('UMPESL') via slump sale through a Business Transfer Agreement ('BTA'). The BTA transaction has been consummated on 1st August, 2022, being the closing date for the transfer of business for a consideration of Rs.1190 crores and resultant gain on said transaction of Rs.1049.04 crores has been disclosed as an Exceptional Item for the quarter and six months ended 30th September, 2022 and for the year ended 31st March, 2023.

Considering the transaction is between the Holding Company and its subsidiary, this transaction has no impact on the consolidated financial results and accordingly the gain will be eliminated therein. Further, as the transaction has been consummated w.e.f. 1st August, 2022, the financial results for the quarter and six months ended 30th September, 2022 includes the results of transferred business and are not strictly comparable to the financial results for the quarter and six month ended 30th September, 2023.

5) The Statutory Auditors of the Company have conducted a "Limited Review" of the aforesaid financial results.
