Kranti Industries Secures New Orders from three wheeler segment -EKA Mobility (India) & Ingersoll Rand (USA), Strengthening Domestic & Global Footprint

29th July 2025, Pune: Kranti Industries Limited, a trusted name in precision component manufacturing, is pleased to announce the receipt of two significant purchase orders from new customers, marking a strategic step in expanding both domestic and international markets.

The company has received:

- A domestic order from Pinnacle Mobility Solutions Private Limited (EKA Mobility), an electric commercial vehicle manufacturer based in Pune, for the tooling cost of manufacturing and supply of machining parts valued at ₹5,00,000.
- An international order from Ingersoll-Rand Industrial U.S., Inc., USA for manufacturing and supply of tooling parts for housing components, adding a new product to our portfolio, valued at approximately \$2,21,000.

Order Highlights:

- **Domestic Client:** Pinnacle Mobility Solutions Private Ltd. (EKA Mobility)
- **New International Client:** Ingersoll-Rand Industrial U.S., Inc. (IR)
- **Order Values:** ₹5,00,000 (EKA) and \$2,21,000 (IR)
- **Nature of Orders:** Tooling cost of manufacturing & supply of machining parts (EKA) and tooling parts for housing components (IR)
- **Execution Timelines:** EKA – As per PO; IR – On or before October 31, 2025

Strategic Significance:

- This development reinforces Kranti Industries' commitment to delivering precision-engineered solutions to leading Original Equipment Manufacturers (OEMs) across automotive, electric mobility, and industrial sectors.
- Purchase order from EKA marks our strategic entry into the three-wheeler segment, expanding our footprint in the electric mobility space.
- The combination of a domestic order from EKA Mobility and an international order from Ingersoll-Rand underlines Kranti's ability to meet diverse customer needs across geographies while strengthening its position as a global supplier of high-quality machined components.

Commenting on these developments, Mr. Sachin Subhash Vora, Chairman & Managing Director of Kranti Industries Limited, said,

"These orders from EKA Mobility and Ingersoll-Rand validate our growing credibility among both domestic and global OEMs. While the EKA order supports India's electric vehicle ecosystem, the Ingersoll-Rand project showcases our readiness to deliver on international quality benchmarks.

Our team remains focused on innovation, technological development, and continuous process improvement to deliver quality products that meet global standards. As Kranti grows and expands its client base, we remain committed to innovation, engineering excellence, and strengthening partnerships that fuel our long-term growth vision."

About Kranti Industries Limited (BSE: 542459):

Kranti Industries Limited (KIL), a BSE-listed entity with IATF 16949:2016 and ISO 9001:2015 certifications, established in 1981, boasts over four decades of expertise in the auto ancillary sector. Renowned for its precision component manufacturing, the company holds a global standing for delivering top-notch solutions. Specialising in crafting innovative components for leading OEMs in the Tractor, Construction Equipment, automotive, and Electric Vehicles domains, KIL offers end-to-end services.

With three state-of-the-art units across Pune, KIL operates with 80 production machines and comprehensive inspection setups. Their facilities are equipped with world-class machining centres, including multi-axis machining centres, CNC turning, vertical turret lathes, horizontal machining centres, and vertical machining centres.
