PERFORMANCE:

The company has started taking steps towards consolidation and purchasing some components.

As part of consolidation one factory unit at Thekkalur has been sold for a consideration of Rs 28 crores and our Dindigul Foundry operations are now shifted to our Veda sandur Foundry Division with effect from 16.06.2024

We expect this to have a positive impact on efficiency and increase cost savings.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Despite a decrease in the sales turnover of the company, we have focused on profitability and increased the PBT significantly to 10% vs 7.5% over the previous year.

Performance

FY 24-25 was a year of disciplined execution and balance-sheet strengthening. On a standalone basis, Total Income from Operations was Rs.81.10 crore, representing a growth of 6% compared to Rs 76.53 crore in FY 23-24.

Profit from operations (before exceptional items) stood at Rs 7.02 crore, translating to an operating margin of (-)8.7%, an improvement over FY 23-24 levels.

After accounting for exceptional gains from asset monetisation, reported PBT was Rs 26.24 crore, a growth of 284% , while PAT was Rs 23.30 crore, up 299% from Rs 5.84 crore in FY 23-24, translating to an EPS of Rs 25.66 up from. Rs 6.43 in FY 23-24.

ROE improved sharply to 28.78% in FY 24-25 (8.6% in FY 23-24). Interest costs remained modest at 1.1% of operating revenue, and employee costs stable at 12.3%, reflecting efficiency gains.

Consolidation & Exceptional Items

The Company completed the sale of the Thekkalur unit (Rs 28 crore) and Dindigul operations (Rs 13.5 crore) for a total consideration of Rs 41.5 crore. The profit on disposal was recognised as exceptional income in FY 24-25.

Production continuity was maintained by relocating capacities to our Veda sandur Foundry Division.

Profitability Drivers

Product mix & realisations: Larger-sized fittings and niche products supported 5–7% higher export realisations Year on Year.

Cost management: Improved yields, tighter working capital, and reduced finance costs lifted underlying margins (from 7.5% PBT margin in FY 23-24 to 8.7% operating margin in FY 24-25).

Exceptional gains: Overall PBT margin stood at 32.3% in FY 24-25 due to asset monetisation.

Market Environment

Despite geopolitical disruptions in the Middle East and global election-related slowdowns, the Company recorded 6% revenue growth, reflecting resilience in both export and domestic markets.

Future Outlook

Looking ahead, the Company remains focused on sustaining high-single-digit operating margins (exceptional) and achieving steady revenue growth through new product introductions, stronger domestic penetration, and export diversification.

Promoter Transition

The promoter change has been formally announced and is currently awaiting regulatory clearance. The incoming promoters bring over 40 years of experience in the pipe fittings casting business, directly aligned with our major raw material requirement. Their induction is expected to:

- Strengthen raw material security and cost stability through backward integration, reducing long-term input volatility.
- Improve profitability via assured quality castings and process efficiencies.
- Provide synergies in supply and customer networks, accelerating domestic and export reach.
- Infuse fresh strategic vision and capital strength to support investments in machining, assembly, and new product lines.

This transition positions National Fittings Ltd. for stronger, sustainable growth and improved competitiveness.

SIGNIFICANT CHANGES

Operating profit and net profit margin increased over previous year due to increase in selling prices in the export and domestic markets and sale of assets.

Capital expenditure to the extent of 7.51 Crores was done during the year in the infrastructure and on Valve design, machines, tooling.

Debtors, Inventories, turnover ratio, current sale ratio and debt equity ratio has not changed significantly over the previous year.

Return on Net Worth was affected compared to previous year. Ratios are detailed in Note 2.31 of the Notes to the Financial Statements.

RISK MANAGEMENT AND FUTURE OUTLOOK

Tariff Developments:

The recent imposition of tariffs on competing suppliers could alter competitive dynamics in certain markets. While this may create opportunities, competitor reactions and pricing strategies could also affect demand patterns. We are monitoring the situation closely and will adapt our pricing and sourcing strategies as needed.

- Geopolitical Risks: Conflicts in the Middle East and global political uncertainty continue to affect infrastructure spending.
- Supply Chain: We continue to mitigate shipping and logistics risks through higher buffer stocks and alternate routing.

Conclusion

- With revenue growth of 6% Year on Year, PAT growth of nearly 300% YoY, stronger balance sheet, and a promoter transition backed by deep casting expertise, National Fittings Ltd. is well-positioned to sustain profitability in the near term and capture stronger growth opportunities in the medium term, while carefully navigating external risks such as tariffs and global demand volatility.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF NATIONAL FITTINGS LIMITED

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone financial statements of National Fittings Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Emphasis of Matter

As represented by the management that sale of assets of thekkalur and dindigul operation is only strategic decision to consolidate the operations and sufficient additional funding for activities aimed at business expansion and in the opinion of the management there is no disruption to current revenues on account of sale of unit, since the company has sufficient manufacturing capacity for production and also has made alternative arrangement for procurement of some components. Also its operation does not constitute separate major line of business or geographical area and also not a cash generating unit as defined in Ind AS 105 – "Non-current Assets held for Sale and Discontinued Operations. Accordingly, the disclosure required as per Ind AS 105 – "Non-current Assets held for Sale and Discontinued Operations has not been provided in the financial results as per the criteria defined by the company.

Our opinion is not modified in respect of these matters.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements..

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the financial statements and auditors' report thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and shareholder's Information, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.
- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that, a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. (A) As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements. (Refer Note 2.24(i)(a) to the Standalone financial statements)
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or

provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 2.35(v) to the Standalone financial statements);

- (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 2.35(vi) to the Standalone financial statements); and
 - (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. (a) The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.
- (b) No interim dividend declared and paid by the Company during the year and until the date of this audit report.
- (c) The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with Section 123 of the Act, as applicable.
- vi. Based on our examination which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2025 which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software.

During the course of performing our audit procedures, we did not notice any instance of audit trail feature being tampered with. Further, the audit trail, to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 2 under “Report on Other Legal and Regulatory Requirements” section of our report of even date)

- (i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.
- (b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.
- (c) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date, except in respect of certain immovable property, the name is yet to be changed from the erstwhile Transferor Company's name consequent to the merger order by the Hon'ble NCLT, Chennai. (Refer Note 2.1 of Financial Statement)
- (d) The Company has not revalued its Property, Plant Equipment (including Right of Use assets) or intangible assets or both during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) or intangible assets does not arise.
- (e) Based on the information and explanations furnished to us, no proceedings have been initiated or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its financial statements does not arise.
- (ii) (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate from banks on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks are in agreement with the books of account of the Company
- (ii) (a) During the year the Company has not provided any loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(a) of the Order is not applicable to the Company.

- (b) During the year the Investments made by the Company is not prejudicial to the Company's interest. The Company has not provided guarantees or security and has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties and hence not commented upon.
- (c) The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(c) to 3(iii)(f) of the Order is not applicable to the Company and hence not commented upon.
- (iv) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not given any loans or provided any guarantee or security as specified under Section 185 of the Companies Act, 2013 and the Company has not provided any guarantee or security as specified under Section 186 of the Companies Act, 2013. Further, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in relation to loans given and investments made.
- iv) The Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- (vi) The maintenance of cost records has not been specified by the Central Government under subsection (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company
- (vii) (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.

- (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2025 on account of disputes are given below:

Nature of the Statute	Nature of dues	Amount of Demand without netting-off amount paid under protest ₹ in Lacs	Amount paid under protest (₹ in Lacs)	Period to which the amount relates (Financial Year)	Forum where dispute is pending
Employees State Insurance Act, 1948	Insurance Premium	6.80	5.27	2004-2011	Labour Court, Madurai
Goods and Service Tax Act, 2017	Goods and Service Tax	13.80	1.15	2020-2021	Commissioner of Appeals-GST

- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income-tax Act, 1961 as income during the year
- (xi) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company,) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a willful defaulter by any bank or financial institution or government or government authority;
- (c) According to the information and explanations given to us by the management, the Company has not obtained any term loans. Accordingly, clause 3(ix)(c) of the Order is not applicable.
- (d) According to the information and explanations given to us and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments). Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

Annexure - B to the Independent Auditor's Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of NATIONAL FITTINGS LIMITED, ("the Company") as of 31st March, 2025 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by The Institute of Chartered Accountants of India and The Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls system over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the financial statements for the year ended 31.03.2025.

Note	Particulars
------	-------------

1.1 Corporate Information

National Fittings Limited (referred to as “the Company”) manufacture and sells SG Iron Grooved and Screwed Pipe Fittings, Stainless Pipe Fittings and Ball Valves for industrial and non-industrial applications.

The Company is a Public limited company incorporated and domiciled in India, whose shares are publicly traded.

1.2 Significant accounting policies

a) Statement of compliance

The Standalone Financial Statements comply, in all material aspects, with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

b) Basis of Preparation

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on accrual basis, except for certain items which are measured at fair value.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of the price is directly observable or estimated using another valuation technique.

All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013 and Ind AS, based on the nature of products and the time between the acquisition of assets or processing and their realisation in cash and cash accruals

c) Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment loss, if any. Depreciation is provided for property, plant and equipment so as to expense the cost less residual value over their estimated useful lives based on technical evaluation. The estimated useful lives and residual value are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Depreciation on tangible assets is provided on the straight-line method over the useful lives of assets as prescribed under Part C of Schedule II of the Companies Act 2013 except for Building and Plant and Machinery for which the Management estimates the useful lives as follows:

- | | |
|---------------------------|-------------|
| a) Building(1) | 30-40 Years |
| b) Plant and Machinery(1) | 5-15 Years |
| c) Patterns and Moulds | 3 Years |

Notes forming part of the financial statements for the year ended 31.03.2025.**Note 2 Significant accounting policies (Contd.)**

Note	Particulars
(1)	<p>For these Building and Plant and Machinery, based on the internal assessment and independent technical evaluation carried out by the management, the useful lives as given above represent the period over which management expects to use these assets. Hence useful lives of these assets is different from the part C of Schedule II of the Companies Act, 2013.</p> <p>Depreciation is not recorded on capital work In progress until construction and installation is complete and the asset is ready for its intended use.</p>

d) Intangible assets

Intangible assets that the Company controls and from which Intangible Assets that the Company controls and from which it expects future economic benefits are capitalised upon acquisition and measured initially:

- a. for assets acquired in a business combination, at fair value on the date of acquisition
- b. for separately acquired assets, at cost comprising the purchase price (including import duties and non-refundable taxes) and directly attributable costs to prepare the asset for its intended use.

e) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

(i) As a lessee

A lease is classified at the inception date as a finance lease or an operating lease. Leases of property, plant and equipment where the company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

(ii) As a lessor

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

Lease income from operating leases where the company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Note	Particulars
f) Impairment	<p>The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances and security deposits held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since initial recognition</p>
g) Investments	<p>Long-term investments , are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.</p>
h) Employee benefits	<p>Short Term Employee Benefits</p> <p>All employee benefits payable within twelve months of rendering the services are recognized in the period in which the employee renders the related service.</p> <p>Post Employment / Retirement Benefits</p> <p>Defined Contribution Plans such as Provident Fund etc., are charged to the Profit and Loss account as incurred.</p> <p>Defined Obligation Plans - The Present Value of the obligation under such plans, is determined based on an actuary valuation, using the Projected Unit Credit Method. Actuarial gains and losses arising on such valuation are recognized immediately in the Profit and Loss account.</p> <p>Other Long Term Employee Benefits are recognized in the same manner as Defined Benefit Plans.</p> <p>Termination Benefits</p> <p>Termination Benefits are recognized as and when incurred.</p>
i) Revenue recognition	<p>National Fittings Ltd., (referred as Company) earns revenue primarily from sale of SG Iron Grooved and Screwed Pipe Fittings, Stainless Pipe Fittings and Ball Valves for industrial and non-industrial applications.</p> <p>Revenue is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of returns and discounts to customers. Revenue from the sale of goods is shown excludes Goods and Services Tax which are payable in respect of sale of goods and services.</p> <p>Revenue from the sale of goods and services is recognised when the Company performs its obligations to its customers and the amount of revenue can be measured reliably and recovery of the consideration</p>

	<p>is probable. The timing of such recognition in case of sale of goods is when the control over the same is transferred to the Customer, which is mainly upon delivery and in case of services, in the period in which such services are rendered.</p> <p>Export Benefits are accounted on estimated basis and recognised in the year of export.</p> <p>j) Taxes on Income</p> <p>Taxes on income comprise current taxes and deferred taxes. Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years. Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the amounts used for taxation purposes (tax base), at the tax rates and tax laws enacted or substantively enacted by the end of the reporting period. Deferred tax assets are recognised for the future tax consequences to the extent it is probable that future taxable profits will be available against which the deductible temporary differences can be utilised. Income tax, insofar as it relates to items disclosed under other comprehensive income or equity, is disclosed separately under other comprehensive income or equity, as applicable. Deferred tax assets and liabilities are offset when there is legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on net basis, or to realize the asset and settle the liability simultaneously.</p> <p>k) Foreign currency transactions</p> <p>The Functional and presentation currency of the Company is Indian Rupee.</p> <ol style="list-style-type: none"> The transactions involving Foreign Currencies are accounted for at the rates prevailing on the date of transactions and accordingly Gains/(Losses) arising out of fluctuation in exchange rates are recognized in the Profit & Loss Statement In case of forward contracts, if any, the difference between the forward rate and the exchange rate at the prevailing period is recognized in the Profit & Loss Statement over the life of the contract. Foreign currency monetary Assets & Liabilities such as cash, receivables, payables etc., are translated at the exchange rate prevailing at the year end and overall net gain/loss is adjusted to the Profit & Loss Statement. Non-monetary items denominated in foreign currency such as investment, fixed assets etc., are valued at the exchange rate prevailing on the date of transactions <p>l) Inventories</p> <p>Inventories of Raw Materials, Stores and Spares parts, Work in progress and Finished goods are valued at the lower of cost ascertained on weighted average cost basis and the net realisable value after providing for obsolescence and other losses, where considered necessary. Note	Particulars
	<p>Stock of tools are valued at cost and are written off over a period of ten years.</p>
m) Provisions, Contingent Liabilities and Contingent Assets	<p>A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are neither recognised or disclosed in the financial statements.</p>
n) Dividend Distribution	<p>Dividends paid (including income tax thereon) are recognised in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders."</p>
o) Earnings per share	<p>Basic and diluted earning per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.</p>
p) Segment reporting	<p>The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the Executive Management in deciding how to allocate resources and in assessing performance.</p> <p>The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.</p> <p>Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors.</p> <p>Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".</p>
q) Cost recognition	<p>Cost and expenses are recognised when incurred and have been classified according to their nature. The borrowing cost represents interest payable on loans taken for carrying out business operations and the same is charged to revenue.</p>

r) Financial instruments, Financial Assets, Financial Liabilities

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

Initial Recognition

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

the entity's business model for managing the financial assets and

the contractual cash flow characteristics of the financial asset.

(i) Amortised Cost

A financial asset shall be classified and measured at amortised cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Fair Value through other comprehensive income

A financial asset shall be classified and measured at fair value through OCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Fair Value through Profit or Loss

A financial asset shall be classified and measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through OCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification and Subsequent Measurement: Financial liabilities

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

(i) Financial Liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL. Gains or Losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

(ii) Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Impairment of financial assets

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. The Company recognises a loss allowance for expected credit losses on financial asset. In case of trade receivables, the Company follows the simplified approach permitted by Ind AS 109 – Financial Instruments for recognition of impairment loss allowance. The application of simplified approach does not require the Company to track changes in credit risk. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

Derecognition of financial liabilities

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially

different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Equity investment in subsidiaries, joint ventures and associates

Investment in subsidiaries, joint ventures and associates are carried at cost. Impairment recognized, if any, is reduced from the carrying value.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derivative financial instruments

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

1.3 Use of estimates

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expense during the year. Future results could differ due to changes in these estimates and the difference between the actual result and the estimates are recognised in the period in which the results are known / materialise.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

1.4 Significant estimates and judgements

The areas involving critical estimates or judgements are:

- i) Estimation of useful life of Property, Plant and Equipment - Refer Note 2(e)
- ii) Defined benefit obligation - Refer Note 2.25
- iii) Estimation and evaluation of provisions and contingencies relating to tax litigations - Refer Note 2.24

1.5 Recent Indian Accounting Standard (Ind AS) pronouncements which are not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any impact in its financial statements.

Concentration of Risk

In respect of trade and other receivables, the Company is not exposed to any significant credit risk exposure to any single counter party or any group of counter parties having similar characteristics. Trade receivables consists of a large number of customers in various industries and geographical areas. Based on historical information about customer default rates management considers the credit quality of trade receivables that are not past due or impaired to be good. The concentration of credit risk is limited due to the fact that the customer base is large and unrelated.

The management assessed that the fair value of cash and cash equivalent, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments

The fair values of non current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk

ii. Fair Value Hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are recognised and measure at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table:

Assets and Liabilities measured at fair value - recurring fair value measurement Rs. in lakhs

Particulars	March 31, 2025				March 31, 2024			
	Fair value measurement using			Total	Fair value measurement using			Total
	Quoted prices in active markets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)		Quoted prices in active markets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Financial Assets Fair Value Through Profit and Loss								
Investment in Equity Instruments	8.50	—	34.80	43.30	10.35	—	56.55	66.89
Investment in Balanced Fund	578.00	—	—	578.00	156.35	—	—	156.35
	586.50	—	34.80	621.29	166.70	—	56.55	223.24

There have been no transfers among Level 1, Level 2 and Level 3 during the period

Level 1 - Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2 - The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 - If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

iii. Valuation technique used to determine fair value

Specific Valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments

Notes forming part of the financial statements

Note 2. Disclosures under Accounting Standards (contd.)

Note	Particulars
	- the fair value of the remaining financial instruments is determined using discounted cash flow analysis

The fair value of unquoted equity instruments and unquoted bonds is not significantly different from their carrying value and hence the management has considered their carrying amount as fair value.

iv. Valuation processes

The finance department of the company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial officer (CFO) and the audit committee (AC). Discussions of valuation processes and results are held between the CFO, AC and the valuation team at least once every three months, in line with the company's quarterly reporting periods.

2.28 FINANCIAL RISK MANAGEMENT OBJECTIVES

The Company's activity exposes itself to variety of financial risk which includes market risk, credit risk, liquidity risk, interest rate risk and price risk. The Company monitors and manages the above financial risks relating to the operations of the group through internal risk reports which analyses exposures by degree and magnitude of risks. The primary focus is to identify risks and take steps for mitigation of risk or to minimise the potential adverse effects on the financial performance of the Company. The Company does not enter into any derivative financial instruments to hedge risk exposures.

A) Foreign Currency Risk

The Company undertakes transactions denominated in foreign currencies and consequently has exposure to exchange rate fluctuations. The company operates internationally and a major portion of the international sales transaction are in USD, purchases from overseas suppliers are in USD.

The Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies and standard operating procedures to mitigate the risks

These exchange rate exposures are not hedged by the Company. The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:-

Particulars	Amount in foreign currency (in Lakhs)		Equivalent INR (In Lakhs)	
	As at March 31, 2025	As at March 31, 2024	As at March 31, 2025	As at March 31, 2024

Impact on profit : 5 % decrease in currency rate	(25.48)	(18.57)

B) Interest rate risk

The Company's main interest rate risk arises from long-term and short-term borrowings are Fixed rates, which expose the Company to cash flow interest rate risk. Company policy is to maintain adequate Fixed Deposit with banks to mitigate Interest rate risk

Interest rate sensitivity analysis

(Rs. In Lacs)

Particulars	As at March 31, 2025	As at March 31, 2024

Impact on profit : increase of 25 basis points	9.10	(1.45)
Impact on profit : decrease of 25 basis points	(9.10)	1.45

C) Market risk

Market risk is the risk of any loss in future earnings, in realisable fair values or in future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity price fluctuations, liquidity and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

D) Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The company's principal source of liquidity is from cash and cash equivalent and working Capital borrowings. The company believes that the working capital through internal accruals is sufficient to meet its current requirements and hence the Company does not perceive any such risk.

F) Credit risk

Credit risk arises from the risk of default on its obligation by the counterparty resulting in financial loss, such as cash and cash equivalents and outstanding receivables.

Notes forming part of the financial statements

Note 2. Disclosures under Accounting Standards (contd.)

Note	Particulars
	Credit risk on cash and cash equivalents is considered negligible as the company generally invests in fixed deposits with reputable banks. They are not impaired or past due for each of the reporting dates.
	Credit risk on outstanding receivables is the exposure to billed receivable and are normally unsecured and derived from revenue earned from customer mostly from Outside India. Credit risk is managed by the company through credit approvals and continuously monitoring the credit worthiness of the customer to which the company grants credit in the normal course of business. Trade receivables consist of a large number of customers, spread across diverse industries and geographical areas. The Company does not have any significant credit risk exposure to any single counterparty.
	The concentration of credit risk is limited due to the fact that the customer base is large and unrelated.

2.29 CAPITAL MANAGEMENT

For the purpose of the company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company maintain or adjust the capital structure by dividend payment to shareholders, return capital to shareholders or issue new shares. The company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents.
