MANAGEMENT DISCUSSION AND ANALYSIS

The Management of Milestone Global Limited is pleased to present the following Management Discussion and Analysis Report which contains a brief write-up on the industry structure, opportunities and concerns, performance of the Company with respect to the operations other information.

This chapter on Management Discussion and Analysis forms a part of the compliance report on Corporate Governance.

Indian Economy and Industry Overview

India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships.

In 2025, the Indian economy is projected to remain one of the fastest-growing major economies, with a GDP growth rate of 6.2% to 6.3%. India is anticipated to be the fourth-largest economy globally, surpassing Japan. This growth is supported by robust private consumption, particularly in rural areas, and government spending.

India's GDP growth of 6.2% till Q3 FY2025 may raise eyebrows, especially when compared to the sharp 9.2% and 7.6% growth seen in the past two years. But look a little closer, and you will find this is not a sign of slowdown. It is probably a reset before a rebound. Temporary headwinds like election-led policy caution, and irregular rainfall in the first half, and global trade uncertainties since September 2024 muted momentum in the first three quarters of FY2025. The shadow of a high base is making this year's growth look smaller than it truly is. But high-frequency indicators such as GST collections, auto sales, and FMCG growth are bouncing back, pointing to a strong domestic engine still humming underneath.

If a US-India bilateral trade agreement comes through, it could flip trade headwinds into tailwinds, opening up market access and energising exports. But if global volatility persists, we may see a drag of -0.1% to -0.3%.

A scrutiny of IMF data indicated that India's GDP growth rate in 2026 and 2027 would be, notwithstanding the individual size of the larger economies, higher than that of the U.S., China, Japan and United Kingdom, among others.

Granite Industry- Structure and Developments

Granite is being preferred over other stones due to its resistance to wear and tear as well as weathering which makes granite everlasting stone. India has one of the best granite deposits in the world having vast varieties comprising over 200 shades. India accounts for over 20% of the world resources in granite.

Splendid black and multi-colour varieties of granite are available in the states of Karnataka, Andhra Pradesh, Tamil Nadu and Uttar Pradesh. Granite deposits are also widespread over provinces of Rajasthan, Bihar, West Bengal and Gujarat.

India continues to be one of the leading countries in the production and export of granite and other stones. India has vast resources of granite with about 125 varieties of different colors and textures such as black, grey, pink, multi colored etc. These varieties are used to produce monuments, building slabs, titles, surface plates etc. About 125 varieties of granites have been identified for processing as products for exports. The deposits are widely spread over the entire country. However, popular varieties are mainly found in South India.

By general consensus, India and Brazil have been blessed by nature with the widest variety of the most beautiful granites. Yet, when it comes to processing facilities, their development has been way below the potential. The volatile nature of the Brazilian economy with lot of uncertainty over the last decade, has discouraged investment. The market share of China in the international trade in granite has been steadily increasing in recent years. Only China remains a threat to other countries in the manufacture and export of granite.

India is the world's second-largest producer of granite, accounting for about one-fifth of the world's total production. Granite is widely used in construction and building material industry as a decorative stone and flooring material due to its durability and aesthetic appeal. It also has uses in sculptures, monuments, kitchen countertops, vanity tops, bathroom fixtures etc. The growth of India's real estate sector has been driving the demand for granite since last few years as it accounts for a major share of new construction projects and remodeling activities across residential and commercial sectors. Additionally, increasing consumer preference towards premium stones like marble & quartz over granite have further increased its demand among builders & consumers alike leading to positive outlook for India Granite Market during forecast period (2025-2031).

The Indian granite industry is facing increasing competition from other countries, such as China and Vietnam. These countries have lower labor costs and are able to produce granite products at a lower price. However, the Indian granite industry is still able to compete effectively due to its high-quality products and strong brand reputation.

The India Granite Market is projected to witness mixed growth rate patterns during 2025 to 2029. Starting at 14.72% in 2025, the market peaks at 15.27% in 2027, and settles at 13.88% by 2029.

Granite's unparalleled aesthetic appeal and durable physical qualities are fueling the material's steady expansion in the global market. Granite's market position has also been strengthened by improvements in availability and quality brought about by developments in quarrying and processing technology. Growing demand from the real estate and construction industries, especially as a result of fast infrastructure development and urbanization, is a major factor propelling the world-wide granite market. It is perfect for both indoor and outdoor applications because of its inherent strength and weather resistance.

Problems Related to Granite Mining Industry

• PRODUCTIVITY

The main problem of Granite Mining Industry in India is the low productivity and high wastage. The granite mining industry in India is far behind in terms of productivity compared to countries like Italy, Brazil, Spain, Norway, South Africa etc. The low productivity is mainly due to conventional methods of mining adopted at present.

• MODERNIZATION

The main obstacle for modernizing the quarry is high capital investments in modern mining equipment. Quarries are always under threat of closure due to license and environment issues, making it difficult for them to have long term vision. Investment in mining equipment can take several years to recover, stability and guarantee of continuity of operations is required to make these investments

• LABOUR MANAGEMENT

The low productivity per worker and less man-hour utilization is another problem for the granite quarrying in India. The lack of exposure to modern quarrying and training for the Indian workers is a major reason for the low productivity of the workers. It is high time that Government and the industry should work together to establish a Training Institute to educate and train the work force, which will help the mining industry to a great extent.

• LEASING POLICY

The Government should announce a long-term mining policy and stop frequent changes of leasing policies as adopted by various state Governments. Granite mining is a high-risk area where there is no guarantee on return on investment. The mining of a natural product requires a long period of time to develop the land and infrastructure and high investment for economical operations. Hence the leases of quarry lands should be on long-term basis of minimum of 30 years as in other countries where it is normally ranging from 30 to 90 years. It is impossible for anyone to invest in machines and modernize the quarry in the absence of long time leasing.

• EXPLORING NEW AREAS

As per the geological survey, India has a vast area of abundant granite deposits of various colours that are still to be explored. The government should encourage entrepreneurs to explore the new areas on recommendations as stated above. Every effort should be taken by both the government and the granite industry to improve the country's share in the world market by exploring new areas.

The government should also guarantee free trading without imposing any restrictions on exports of blocks.

• SIMPLIFICATION OF PROCEDURES

The procedures of lease agreements, permits for movement of blocks, payments of royalty etc., must be simplified. Most of the times the dispatches are held up due to delay in getting the permits and particularly during holidays, strike etc. Since highly valuable goods are presently allowed on self-removal scheme, the granite blocks can also be allowed under the same scheme in place of the present permit system.

Problems Related To Granite Processing Industries

• INFRASTRUCTURE DEVELOPMENT

The existing infrastructure to meet the needs of the stone sector in India is extremely poor and inadequate for the growing demand. The infrastructure facilities like road, rails, electricity services, water sources need to be improved.

The movement of either the blocks from the quarries or the containers from the factories to the ports is always cumbersome. Quarry access roads are still not developed which restricts the sizes and the movements of the blocks. Even the highways are not sufficient for easy movement of trucks.

The infrastructure is the backbone for any industry to operate economically and compete in the world market. Unless proper facilities are created for smooth traffic and movement of materials, further development will not be possible

AVAILABILITY OF BLOCKS

The major problem highlighted by the processing industries is the non-availability of best quality blocks for the processing. The first quality blocks, which are free from defects and larger in size, are always given preference for exports. Hence the local processing factories have to depend on smaller size blocks, which resulted in high processing wastage, higher production cost and thereby, high selling price. This is one of the reasons for the less competitiveness of finished products in the world market. It must be the aim for both government and the industry to expand the processing capacity of the country to get more value addition.

MODERNIZATION AND UPGRADATION OF PROCESSING TECHNOLOGY

The consistent modernization of the factory and upgrading of the processing technology by installing new machines will improve the productivity and reduce production cost.

The major threat areas include:

- 1. Container shortage and global shipping crisis
- 2. Non-Availability of best quality blocks for processing.
- 3. Frequent power disruptions and high dependency on diesel affecting the production and the cost of raw materials and finished goods.
- 4. Lack of proper infrastructure.
- 5. Lack of skilled labor.
- 6. The granite industry is a major source of environmental pollution. The mining and processing of granite can lead to air and water pollution, and the disposal of granite waste can also cause environmental damage.

Prospects For The Granite Industry

In North America and Europe consistent quality control, and prompt deliveries to the buyers are very important to procure more orders and stay in business, new products with new design should be developed by constant up gradation of existing technology to sustain growth.

The following factors are motivating the growth of granite industry

- 1. Introduction of Stones for new applications and utilities etc.
- 2. Spurt in demand for Indian Granites Worldwide.
- 3. Increased domestic demand.

Technologies advances and market competition has changed the basis feature of the industry the margins it works with. While granite has an image of a luxury product, in the production side, the processing industry has changed from being a low volume high margin one to a low margin high volume business.

• The future for the granite industry for both blocks and finished products is encouraging. India can improve its export performance as the processing capacity is very low, with less than 8% of gangsaws installed in the world. The increase in export of blocks and finished products during the last year is an indication of the encouraging signs of market improvement. In spite of so many problems, the demand for granite products is increasing everywhere with consistent growth rate of consumption.

- India, which is blessed with various types of unique colours and large deposits of granite, is certain to get its due share in the ever-growing world market. Many countries are worried about the strong entrance of China in the market but the fact is that China landed up importing more rough blocks and finished products due to high domestic demand.
- The worldwide improvement of transportation system with more and more bulk vessels will also help many countries to import more thereby boosting our exports.

Internal Control Systems and Their Adequacy

The Company has adequate system of internal control relating to the purchase of raw materials, Stores, Consumables and Packing Materials, and for the sale of goods commensurate with the size of the Company and the nature of business.

The system of internal control of the Company is adequate keeping in mind the size and complexity of your Company's business. Systems are regularly reviewed to ensure effectiveness.

The Audit Committee of the Company meets periodically to review and recommend quarterly, half yearly and annual financial statements of the Company.

Discussion On Financial Performance with Respect to Operational Performance

The Turnover achieved by the Company for the year ended 31.03.2025 is Rs 1220.32 Lakhs as compared to the Previous Year turnover of Rs 1510.09 Lakhs. The decrease in turnover is 19.19% over the previous year.

The Company earned a profit before tax of Rs. 38.71 lakhs as compared to the previous year's profit before tax of Rs. 87.96 lakhs. The profit before tax has decreased by 55.99% over the previous year. The net profit after tax is Rs. 28.28 lakhs as compared to the previous year's profit after tax of Rs. 65.13. The net profit for the year decreased by 56.58%.

The profitability of the Company has decreased considerably over the previous year. The reason for this decrease in profitability is the decrease in the turnover by approximately 20%. The Company endeavors to maintain a sustainable cut off vis a vis its turnover in every financial year. However, during the financial year under review, the turnover suffered a hit as one of our biggest customers sold off its business. Also, new customers are not keen on buying in such volumes to keep up the turnover threshold intact. We are trying to explore the Europe and UK markets to cover up for this and planning to sell directly through our subsidiary in the US. We are trying to sell more in the coming years and hoping that the turnover will come back to its original pace in the next 2 to 3 years.

The Company is otherwise doing good in Europe and UK markets and we are hopeful to keep up this pace and do even much better in the coming years.

Human Resources / Industrial Relations

The overall relation with employees has been cordial. The management has been striving to maintain the harmonious relations and has always looked after its human resources well.

INDEPENDENT AUDITOR'S REPORT

To the Members of MILESTONE GLOBAL LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of MILESTONE GLOBAL LIMITED ("the Company"), which comprise the balance sheet as at 31st March 2025, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. (herein after referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules 2015, as amended ,("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Standalone financial statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of subsection (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

Milestone Global Limited

Annual Report 2024-2025

- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, statement of changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014 as amended.
- e. On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure B**.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act read with schedule V of the Companies Act, 2013

Further the company has inadequate profit and therefore remuneration to directors has been paid in accordance with the limits prescribed in section II of part II of schedule V to the Companies Act by passing a resolution as prescribed under the Companies Act.

ANNEXURE - B TO THE AUDITORS REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF MILESTONE GLOBAL LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of MILESTONE GLOBAL LIMITED ("the Company") as of 31 March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our

audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists,

and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were

operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1: MATERIAL ACCOUNTING POLICIES

Reporting Entity

Milestone Global Limited (the "Company") is a company domiciled in India and limited by shares (CIN: L93000KA1990PLC011082). The shares of the Company are publicly traded on the Bombay Stock Exchange Limited. The address of the company's registered office is 54-B Hoskote Industrial Area, KIADB, Chintamani Road, Hoskote, Bangalore, KARNATAKA – 562114. The Company is primarily engaged in the manufacture and sale of Polished Granite Monuments.

1.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015.

1.2 Current and non-current Classification

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is treated as current when:

- (a) it expects to realize the asset, or intends to sell or consume it, in its normal operating cycle;
- (b) it holds the asset primarily for the purpose of trading;
- (c) it expects to realize the asset within twelve months after the reporting period; or
- (d) the asset is cash or a cash equivalent (as defined in Ind AS 7) unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

An entity shall classify a liability as current when:

- (a) it expects to settle the liability in its normal operating cycle;
- (b) it holds the liability primarily for the purpose of trading;
- (c) the liability is due to be settled within twelve months after the reporting period; or
- (d) it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current.

1.3 Revenue recognition

1.3.1 Sales revenue

Revenue from the sale of goods is recognized when all the following conditions have been satisfied:

- (a) the entity has transferred to the buyer the significant risks and rewards of ownership of the goods;
- (b) the entity retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- (c) the amount of revenue can be measured reliably;
- (d)it is probable that the economic benefits associated with the transaction will flow to the entity; and
- (e) the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes, levies or duties collected on behalf of the government/ other statutory bodies.

The taxes, levies or duties are not considered to be received by the Company on its own account and are excluded from net revenue.

1.3.2 Interest

Interest income is recognised using the Effective Interest Method.

1.3.3 Dividend

Dividend income from investments is recognised when the rights to receive payment is established.

1.3.4 Other Claims

Other claims (including interest on delayed realization from customers) are accounted for, when there is certainty of realisation.

1.4 Property, Plant and Equipment (PPE)

Land is carried at historical cost. Historical cost includes expenditure which are directly attributable to the acquisition of the land like, rehabilitation expenses, resettlement cost etc.

After recognition, an item of all other Property, plant and equipment are carried at its cost less any accumulated depreciation and any accumulated impairment losses under Cost Model. The cost of an item of property, plant and equipment comprises:

- (a) its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- (b) any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- (c) the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which an entity incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item depreciated separately. However, significant part(s) of an item of PPE having same useful life and depreciation method are grouped together in determining the depreciation charge.

Costs of the day to-day servicing described as for the 'repairs and maintenance' are recognised in the statement of profit and loss in the period in which the same are incurred.

Subsequent Measurement

Subsequent cost of replacing parts of an item of property, plant and equipment are recognised in the carrying amount of the item, if it is probable that future economic benefits associated with the item will flow to the Company; and the cost of the item can be measured reliably. The carrying amount of those parts that are replaced is derecognised in accordance with the de recognition policy mentioned below.

When major inspection is performed, its cost is recognised in the carrying amount of the item of property, plant and equipment as a replacement if it is probable that future economic benefits associated with the item will flow to the Company; and the cost of the item can be measured reliably. Any remaining carrying amount of the cost of the previous inspection (as distinct from physical parts) is derecognised.

An item of Property, plant or equipment is derecognised upon disposal or when no future economic benefits are expected from the continued use of assets. Any gain or loss arising on such de recognition of an item of property plant and equipment is recognised in profit and Loss.

Depreciation

Depreciation on property, plant and equipment, except freehold land, is provided on straight line method based on useful life specified in schedule II to the Companies Act, 2013. The residual value of Property, plant and equipment is considered as 5% of the original cost of the asset.

Depreciation on the assets added / disposed of during the year is provided on pro-rata basis with reference to the month of addition / disposal.

Capital Expenses incurred by the company on construction/development of certain assets which are essential for production, supply of goods or for the access to any existing Assets of the company are recognised as Enabling Assets under Property, Plant and Equipment.

1.5 Impairment of Assets

The Company assesses on a forward-looking basis the expected credit losses associated with its assets carried at amortized cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

With regard to trade receivable, the Company applies the simplified approach as permitted by Ind AS 109, Financial Instruments, which requires expected lifetime losses to be recognized from the initial recognition of the trade receivables.

The Company assesses at the end of each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. An asset's recoverable amount is the higher of the asset's or cash-generating unit's value in use and its fair value less costs of disposal, and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case the recoverable amount is determined for the cash-generating unit to which the asset belongs.

1.6 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

1.6.1 Financial assets

1.6.1 Initial recognition and measurement

All financial assets are recognised initially at fair value, in the case of financial assets not recorded at fair value through profit or loss, plus transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

1.6.2 Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

1.6.2.1 Equity investments in subsidiaries, associates and Joint Ventures

In accordance of Ind AS 101 (First time adoption of Ind AS), the carrying amount of these investments as per previous GAAP as on the date of transition is considered to be the deemed cost. Subsequently Investment in subsidiaries, associates and joint ventures are measured at cost.

1.6.2.2 Other Equity Investment

1.6.2.3 Impairment of financial assets

The Company assesses on a forward-looking basis the expected credit losses associated with its assets carried at amortized cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

With regard to trade receivable, the Company applies the simplified approach as permitted by Ind AS 109, Financial Instruments, which requires expected lifetime losses to be recognized from the initial recognition of the trade receivables.

The Company assesses at the end of each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. An asset's recoverable amount is the higher of the asset's or cash-generating unit's value in use and its fair value less costs of disposal, and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case the recoverable amount is determined for the cash-generating unit to which the asset belongs.

1.6.3 Financial liabilities

1.6.3.1 Initial recognition and measurement

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

1.6.3.2 Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

1.6.3.3 Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

1.6.4 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

1.7 Borrowing Costs

Borrowing costs are expensed as incurred except where they are directly attributable to the acquisition, construction or production of qualifying assets i.e. the assets that necessarily takes substantial period of time to get ready for intended use, in which case they are capitalised as part of the cost of those asset up to the date when the qualifying asset is ready for its intended use.

1.8 Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive Income or equity.

Current Tax:

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance Sheet date.

Deferred Tax:

Deferred Tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

1.9 Employee Benefits

(i) Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Defined contribution plans

Obligations for contributions to defined contribution plans are expensed as the related service is provided. The company has following defined contribution plans:

a) Provident fund

b) Superannuation scheme

(iii) Defined benefit plans

The company net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the company, the recognized asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognized immediately in Other Comprehensive Income. Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognized in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognized immediately in profit or loss. The company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

The company has following defined benefit plans:

a) Gratuity

The company provides for its gratuity liability based on actuarial valuation of the gratuity liability as at the Balance Sheet date, based on Projected Unit Credit Method, carried out by an independent actuary and contributes to the gratuity fund. The contributions made are recognized as plan assets. The defined benefit obligation as reduced by fair value of plan assets is recognized in the Balance Sheet. Re-measurements are recognized in the Other Comprehensive Income, net of tax in the year in which they arise.

b) Leave Encashment

Leave encashment is accounted for on payment basis.

1.10 Foreign Currency Transactions

The company's reported currency and the functional currency for majority of its operations is in Indian Rupees (INR) being the principal currency of the economic environment in which it operates.

Transactions in foreign currencies are converted into the reported currency of the company using the exchange rate prevailing at the transaction date. Monetary assets and liabilities denominated in foreign currencies outstanding at the end of the reporting period are translated at the exchange rates prevailing as at the end of reporting period. Exchange differences arising on the settlement of monetary assets and liabilities or on translating monetary assets and liabilities at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognised in statement of profit and loss in the period in which they arise.

Non-monetary items denominated in foreign currency are valued at the exchange rates prevailing at the transaction date .

1.11 Inventories

i) Inventories are valued as follows:

Raw materials, packing materials, stores and	Lower of cost and net realisable value. Cost is determined
spares	by using First in First Out (FIFO) method. Materials and other items held
	for use in the production of inventories are not written down below costs, if
	finished goods in which they will be incorporated are expected to be sold at
	or above cost

	Lower of cost and net realisable value. Cost includes direct materials, labour
goods	and a proportion of manufacturing overheads. Cost of finished goods
	includes excise duty, wherever applicable.
Waste	At net realisable value

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and to make the sale.

- ii) Work-in-progress, finished goods and traded goods have been valued as per the principles and basis consistently followed.
- iii) Provision for obsolete/ old inventories is made, wherever required.

1.12 Provisions, Contingent Liabilities & Contingent Assets

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, and it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Where the time value of money is material, provisions are stated at the present value of the expenditure expected to settle the obligation.

All provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future uncertain events not wholly within the control of the company, are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

Contingent Assets are not recognised in the financial statements. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate.

1.13 Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per shares is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per shares and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

1.14 Judgements, Estimates and Assumptions

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and the amount of revenue and expenses during the reported period. Application of accounting policies involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed. Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimate are recognised in the period in which the estimates are revised and, if material, their effects are disclosed in the notes to the financial statements.

1.14.1 Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the consolidated financial statements:

1.14.1.1 Formulation of Accounting Policies

Accounting policies are formulated in a manner that result in financial statements containing relevant and reliable information about the transactions, other events and conditions to which they apply. Those policies need not be applied when the effect of applying them is immaterial.

1.14.1.2 Materiality

Ind AS applies to items which are material. Management uses judgment in deciding whether individual items or groups of item are material in the financial statements. Materiality is judged by reference to the size and nature of the item. The deciding factor

is whether omission or misstatement could individually or collectively influence the economic decisions that users make on the basis of the financial statements. Management also uses judgement of materiality for determining the compliance requirement of the Ind AS. In particular circumstances either the nature or the amount of an item or aggregate of items could be the determining factor. Further an entity may also be required to present separately immaterial items when required by law.

1.14.2 Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

1.14.2.1 Impairment of non-financial assets

There is an indication of impairment if, the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. Company considers individual PPE as separate cash generating units for the purpose of test of impairment. The value in use calculation is based on a DCF model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

1.14.2.2 Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

1.14.2.3 Defined benefit plans

The cost of the defined benefit gratuity plan and other post-employment medical benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates

Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

1.14.2.4 Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Rights, Preferences and restrictions attached to equity shares:

The Company has single class of equity shares. Accordingly, all equity shares rank equally with regard to dividend and share in the Company's residual assets. The equity shareholders are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to its share in the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

41 FINANCIAL RISK MANAGEMENT OBJECTIVES:

The Company has a system-based approach to risk management, anchored to policies and procedures and internal financial controls aimed at ensuring early identification, evaluation and management of key financial risks (such as market risk, credit risk and liquidity risk) that may arise as a consequence of its business operations as well as its investing and financing activities. Accordingly, the Company's risk management framework has the objective of ensuring that such risks are managed within acceptable and approved risk parameters in a Disciplined and consistent manner and in compliance with applicable regulation. It also seeks to drive accountability in this regard.

i) Liquidity Risk:

The company is able to settle or to meet its obligation as they become due.

ii) Market Risks:

The Company is not an active investor in equity markets.

iii) Foreign Currency Risk:

The Company undertakes transactions denominated in foreign currency (mainly US Dollar) which are subject to the risk of exchange rate fluctuations.

iv) Credit Risk:

The Company's historical experience of collecting receivables and the level of default indicate that credit risk is low and generally uniform across markets; consequently, trade receivables are considered to be a single class of financial assets. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer.

D. FAIR VALUE MEASUREMENT:

Fair value hierarchy:

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1:

Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2:

Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3:

Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The fair value of trade receivables, trade payables and other Current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature.

INDEPENDENT AUDITOR'S REPORT

To the Members of Milestone Global Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Milestone Global Limited (hereinafter referred to as the 'Holding Company') and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2025, and the consolidated statement of Profit and Loss, the consolidated statement of changes in equity and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2025, of consolidated profit, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the *Code of Ethics issued by ICAI*, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Consolidated financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other Information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

(a) The consolidated Financial Results include the unaudited Financial Results of two subsidiaries whose interim Financial Statements reflects of total assets of Rs. 314.21 lakh as at 31-03-2025, total revenue of Rs. 564.92 lakh, total net profit after tax Rs. (8.77) lakh and total comprehensive income of Rs. (8.48) lakh for the period from 01-04-2024 to 31-03-2025, as considered in the consolidated financial statements. These unaudited Financial Statements have been furnished to us by the Board of Directors and our opinion on the consolidated Financial Results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on such unaudited Financial Statements. In our opinion and according to the information and explanations given to us by the Board of Directors, these Financial Statements are not material to the Group.

Our opinion on the consolidated financial statements is not modified in respect of the above matters with respect to our reliance on the work done and the financial statements certified by the Board of Directors.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the unaudited financial statements furnished to us by the Management.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, consolidated statement of changes in equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014 as amended.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2025 taken on record by the Board of Directors of the Holding Company and the unaudited financial statements/financial information of the subsidiaries company furnished to us by the Management, none of the directors of the Group companies incorporated in India is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure-C"
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:
 - In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act read with schedule V of the Companies Act, 2013.
 - Further the company has inadequate profit and therefore remuneration to directors has been paid in accordance with the limits prescribed in section II of part II of schedule V to the Companies Act by passing a resolution as prescribed under the Companies Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group- Refer Note 29 to the consolidated financial statements.
- ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiaries.

- Iv (a) The Management has represented that, to the best of it's knowledge and belief, as disclosed in note no. 11.1, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the group to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- iv(b) The Management has represented, that, to the best of it's knowledge and belief, as disclosed in note no. 14 to the financial statements, no funds have been received by the group from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Based on such audit procedures we have considered reasonable and appropriate the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv)(a) and (iv)(b) above contain any material misstatement.

- v The group has not declared or paid any dividend during the year.
- vi Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail being tampered with. The audit trail has been preserved by the company as per the statutory requirements for record retention.
- (h) With respect to the matters specified in paragraphs 3(xxi) of the Companies (Auditor's Report) Order,2020 issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, this clause is not applicable as the Companies (Auditor's Report) Order, 2020 is not applicable to company's foreign subsidiaries.

ANNEXURE "C" TO THE INDEPENDENT AUDITORS REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF MILESTONE GLOBAL LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the company as of and for the year ended 31st March, 2025, we have audited the internal financial controls over financial reporting of MILESTONE GLOBAL LIMITED ("the Holding Company") as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiaries are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and

detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. MATERIAL ACCOUNTING POLICIES ON CONSOLIDATED ACCOUNTS

A. CORPORATE INFORMATION

Reporting Entity

The Consolidated financial statement comprises statement of Milestone Global Limited, its subsidiaries (Collectively, the group) for the year ended 31st March 2025. Milestone Global Limited (Milestone Global Limited or the group or the parent) is a public limited group domiciled in India and has its registered office at 54-B Hoskote Industrial Area, KIADB, Chintamani Road, Hoskote, Bangalore, Karnataka – 562114. Milestone Global Limited, equity shares are listed on Bombay Stock Exchange in India. The Group is engaged in the manufacturing and trading of Monuments and Monuments related products.

B MATERIAL ACCOUNTING POLICIES

B.1 BASIS OF PREPARATION AND PRESENTATION

The consolidated financial statements have been prepared on the historical cost basis. The consolidated financial statements of the Group have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

The Company's consolidated financial statements are presented in Indian Rupees (') in Lakh.

B.2 PRINCIPLES OF CONSOLIDATION

The consolidated financial statements relate to Milestone Global Limited ('the Company') and its subsidiary companies. The consolidated financial statements have been prepared on the following basis:

- a) The financial statements of the Company and its subsidiary are combined on a line-by-line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash -flows, after fully eliminating intra-group balances and intra-group transactions.
- b) Profits or losses resulting from intra-group transactions that are recognized in assets, such as inventory and property, plant & equipment, are eliminated in full.
- c) In case of foreign subsidiary, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognized in the Other Comprehensive Income (OCI).
- d) Offset (eliminate) the carrying amount of the parent's investment in subsidiary and the parent's portion of equity of subsidiary.

B.3 OTHER MATERIAL ACCOUNTING POLICIES

These are set out under "Material Accounting Policies" as given in the Company's standalone financial statements.

C The subsidiary company considered in the consolidated statements is:

Rights, Preferences and restrictions attached to equity shares:

The Company has single class of equity shares. Accordingly, all equity shares rank equally with regard to dividend and share in the Company's residual assets. The equity shareholders are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to its share in the paid- up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

33. FINANCIAL RISK MANAGEMENT OBJECTIVES:

The Company has a system-based approach to risk management, anchored to policies and procedures and internal financial controls aimed at ensuring early identification, evaluation and management of key financial risk (such as market risk, credit risk and liquidity risk) that may arise as a consequence of its business

operations as well as its investing and financing activities. Accordingly, the company's risk management framework has the objective of ensuring that such risks are managed within acceptable and approved risk parameters in a Disciplined and consistent manner and in compliance with applicable regulation. It also seeks to drive accountability in this regards.

.

Liquidity Risk:

The Company's Current Assets aggregate to Rs 778.09 Lakh (2023-24 Rs 737.77 Lakh) including Current Investments, Cash and Cash Equivalents and Other Bank Balances of Rs 175.35 Lakh (2023-24 Rs 132.36 Lakh) against an aggregate Current Liability of Rs 124.13 Lakh (2023-24 Rs 100.43 Lakh) Non - Current Liabilities of Rs 24.93 Lakh (2023-24 Rs 24.80 Lakh) on the reporting date.

Further, while the Company's total Equity stands at Rs 946.74 Lakh (2023-24 Rs 926.84 Lakh it has borrowings of Rs Nil (2023-24 Rs NIL Lakh). In such circumstances, liquidity risk or the risk that the Company may not be able to settle or meet its obligations as they become due does not exist.

ii Market Risks:

The Company is not an active investor in equity markets.

Foreign Currenc

iii risk:

The Company undertakes transactions denominated in foreign currency (US Dollar and UK Pound Sterling) which are subject to the risk of exchange rate fluctuations.

iv Credit Risk:

The Company's historical experience of collecting receivables and the level of default indicate that credit risk is low and generally uniform across markets; consequently, trade receivables are considered to be a single class of financial assets. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer.

D FAIR VALUE

MEASUREMENT:

Fair value

hierarchy:

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels:

Level 1:

Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2:

Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3:

Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The fair value of trade receivables, trade payables and other Current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature.

NOTES:

- 1. Pursuant to the General Circular number no. 10/2022 issued by the Ministry of Corporate Affairs (MCA) dated 28th December, 2022 and SEBI Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated 5th January, 2023 {hereinafter collectively referred to as "the Circulars"}, companies are allowed to hold AGM through Video Conferencing (VC), without the physical presence of members at a common venue. Hence, in compliance with the Circulars, the forthcoming AGM of the Company is being held through VC. Hence, Members can attend and participate in the ensuing AGM through VC.
- 2. A member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his / her behalf and the proxy need not be a member of the Company. Since the AGM is being held in accordance with the Circulars through VC, the facility for appointment of proxies by the members will not be available.
- 3. Participation of members through VC will be reckoned for the purpose of quorum for the AGM as per section 103 of the Companies Act, 2013 ("the Act").
- 4. Members of the Company under the category of Institutional Investors are encouraged to attend and vote at the AGM through VC. Corporate members intending to authorize their representatives to participate and vote at the meeting are requested to send a certified copy of the Board resolution / authorization letter to the Company.
- 5. The requisite registers will be available electronically for inspection by the members during the AGM and will also be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM.
- 6. Members holding shares in electronic form are requested to intimate any changes in their address, e-mail id and signature to their respective Depository Participants, with whom they are maintaining their demat accounts. Members holding shares in Physical form are requested to intimate such changes to Integrated Registry Management Services Private Limited ("RTA"), the Company's Registrar and Share transfer Agent
- 7. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and in terms of SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 9th December 2020, the Company has provided a facility to its members to exercise their votes electronically through the electronic voting facility provided by the Central Depository Services (India) Limited {CDSL}. Members who have cast their votes by remote e-voting prior to the AGM may participate in the AGM but shall not be entitled to cast their votes again. The manner of voting remotely by members holding shares in dematerialized

mode, physical mode and for members who have not registered their email addresses is provided in the instructions for e-voting section which forms part of this Notice. The Board has appointed Mr. M. Jagadeesh, Lawyer as the Scrutinizer to scrutinize the e-voting in a fair and transparent manner.

- 8. The e-voting period commences on Wednesday, 17th September, 2025 (9:00 a.m. IST) and ends on Friday, 19th September, 2025 (5:00 p.m. IST). During this period, members holding shares either in physical or dematerialized form, as on cut-off date, i.e. as on 12th September, 2025 may cast their votes electronically. The e-voting module will be disabled by CDSL for voting thereafter. A member will not be allowed to vote again on any resolution on which vote has already been cast. The voting rights of members shall be proportionate to their share of the paid-up equity share capital of the Company as on the cut-off date.
- 9. The facility for voting during the AGM will also be made available. Members present in the AGM through VC and who have not cast their vote on the resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through the e-voting system during the AGM.
- 10. In compliance with the Circulars, the Annual Report 2024-2025, the Notice of the AGM, and instructions for e-voting are being sent only through electronic mode to those members whose email addresses are registered with the Company / depository participant(s). Also, pursuant to recent amendments under Regulation 36(1)(b) of the SEBI Listing Regulations, as per the SEBI Circular applicable with effect from December 13, 2024, Letters are being dispatched by the Company to the shareholders whose email id is not registered, to inform them that the Notice of the AGM along with Company's Annual Report can be accessed by them on the Company's website and the weblink for the same has also been provided in the said Letter.
- 11. We urge members to support our commitment to environmental protection by choosing to receive the Company's communication through email. Members holding shares in demat mode, who have not registered their email addresses are requested to register their email addresses with their respective depository participants, and members holding shares in physical mode are requested to update their email addresses with the Company's RTA Integrated Registry Management Services Private Limited at "irg@integratedindia.in, to receive copies of the Annual Report 2024-2025 in electronic mode. - The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
- 8. In continuation to this Ministry's **General Circular No. 20/2020** dated 05.05.2020, General Circular No. 02/2022 dated 05.05.2022 and General Circular No. 10/2022 dated 28.12.2022 and after due examination, it has been decided to allow companies whose AGMs are due in the Year 2023 or 2024, to conduct their AGMs through VC or OAVM on or before 30th September, 2024 in accordance with the requirements laid down in Para 3 and Para 4 of the General Circular No. 20/2020 dated 05.05.2020.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- (i) The voting period begins on Wednesday 17th September 2025 (9:00 a.m. IST and ends on <Friday 19th September, 2025 (5:00 p.m. IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 13th September, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.
