- 1. We have reviewed the Standalone Unaudited Financial Results of Akzo Nobel India Limited (the "Company") for the quarter ended 30 September 2023 and the year to date results for the period of April 2023 to 30 September 2023, which are included in the accompanying 'Statement of Standalone Unaudited Financial Results for the quarter and half year ended 30 September 2023', the Standalone Unaudited Statement of Assets and Liabilities as on that date and the Standalone Unaudited Statement of Cash Flows for the half-year ended on that date (the "Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015"), which has been initialled by us for identification purposes. The Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
- 2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.
- 3. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

- 1. We have reviewed the Consolidated Unaudited Financial Results of Akzo Nobel India Limited (the "Parent") and its subsidiary (the parent and its subsidiary hereinafter referred to as the "Group") [refer note 2 on the Statement] for the quarter ended 30 September 2023 and the year to date results for the period 01 April 2023 to 30 September 2023 which are included in the accompanying 'Statement of Consolidated Unaudited Financial Results for the quarter and half year ended 30 September 2023', the Consolidated Unaudited Statement of Assets and Liabilities as on that date and the Consolidated Unaudited Statement of Cash Flows for the half-year ended on that date (the "Statement"). The Statement is being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015"), which has been initialled by us for identification purposes.
- 2. This Statement, which is the responsibility of the Parent's Management and has been approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

- 4. The Statement includes the results of the following entities:
  - Akzo Nobel India Limited (Parent)

Registered office and Head office: 11-A, Vishnu Digamber Marg, Sucheta Bhawan, Gate No 2, 1st Floor, New Delhi - 110002

- 5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement has not been prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 6. We did not review the interim financial results of the subsidiary included in the Consolidated Unaudited Financial Results, whose interim financial results reflect total assets of Rs. 13 Million and net assets of Rs. 7 Million as at 30 September 2023 and total revenues of Rs. 3 Million and Rs. 5 Million, total net profit after tax of Rs. #### Akzo Nobel India announces Q2 and H1 results for 2023-24

Today, the Board of Directors of Akzo Nobel India Limited, a leading Paints and Coatings company and maker of Dulux Paints, approved the financial results for the quarter and half year ended 30 September 2023.

#### **Highlights**

#### Q2 FY24 (compared with Q2 FY23)

- Revenue from operations at ₹956.3 crore, up by 3%
- **EBIT from operations ₹120.7 crore**, up by 39%
- **PAT ₹94.2 crore**, up by 44%

#### H1 FY24 (compared to H1 FY23): Record performance across all parameters in absolute terms.

- Revenue from operations at ₹1955.5 crore, up by 5%
- **EBIT from operations ₹263.5 crore**, up by 40%
- **PAT ₹204.1 crore**, up by 43%

#### Rajiv Rajgopal, Managing Director, Akzo Nobel India commented:

"In Q2 FY24, we continued building on margin improvement and topline growth. Coatings business and B2B segment registered strong growth. In retail, softening demand and erratic rains muted sales. Improvement in gross margins was mainly attributed to easing of raw material costs coupled with favourable mix. Operating leverage and productivity gains further contributed to our double-digit profitability.

The record performance in the first half of FY24 across all parameters underscores our strong commitment towards profitable growth."

#### Recent highlights:

#### Two new propositions and Dulux's first warranty program launched in Decorative Paints:

- New Dulux Weathershield Protect Rainproof: Powered with the Rain Shield Technology, this premium acrylic exterior emulsion is specially developed for high humidity and rainfall areas. It provides all-weather protection against rainfall, dust, sunlight, fungal and algae attacks, and comes with a 7-year warranty.
- 2000+ colours options in wood finishes: Sadolin PU range of premium wood coatings by Dulux is now reimagining wood finishes with more than 2,000 high-opacity intense colours. The tint-able shades are available in both matte and gloss finish options in three palettes, namely Neutral, Warm and Cool.
- New Dulux Assurance<sup>TM</sup> warranty program is AkzoNobel's first warranty program for its paint consumers in India. The program covers 17 Dulux offerings across interior and exterior emulsions, making it truly 'A Coat of Trust in Every Stroke'.

#### Upgraded Dulux Professional Weathershield Elastomeric launched for projects

This popular premium exterior emulsion is now upgraded with Polyurethane (PU) technology. This proposition now provides a longer lasting 10-year protection from the damaging effects of weather, dirt, dust, rainfall, heat, and UV rays while countering algae and fungal formation. The Crack Proof Technology allows the paint film to stretch itself to bridge hairline cracks, thus preventing water ingress in exteriors and dampness in project interiors.
