Key Growth Drivers

Key Growth Drivers

Strong Industry Fundamentals
Robust demand outlook for the md market domestic tourism on the back of rising middle class and increasing discretionary spending

Focused Strategy
Mid market focused hospitality brand with focus on domestic tourism
Niche in vegetarian segment
Diversified revenue mix with focus on F&B, events (corporate and social)

Asset Light Business Model
Low capital expenditure leading to high return ratios (30%+ RoCE) and high cash flow generation
Low debt (Debt/Equity of 0.1)

Wide Distribution Network
Tie-up with 300+ travel agents
Enable to optimise occupancy in both segments

1 Strong Industry Fundamentals

Huge Potential of Domestic Tourism

Expanding Middle Class

Increasing Discretionary Spend

Mid market focused hospitality brand with focus on domestic tourism

- Domestic travellers have been the bedrock of demand for the Indian hotel industry – Domestic tourism continues to be over 80% of the total tourist expenditure in India
- A growing middle class has created demand for branded budget hotels for the domestic travellers
- Byke has created a distinct brand in the budget hotels category

Niche in vegetarian segment

- Restaurants/ Banquets in all hotels serve pure vegetarian food
- Awarded for contribution to promote vegetarian hotels in India at 11th Hospitality India & Explore the World Annual International Travel Awards

Diversified revenue mix with focus on F&B and events

- Increasing focus on diversified revenue streams including corporate events (meetings, offsites) and social events (weddings, parties) to optimize occupancy and margins
- Restaurants/ conference rooms/ banquet halls & lawns across properties for social and corporate events

Average Room Rent in Rs (Hotels segment)

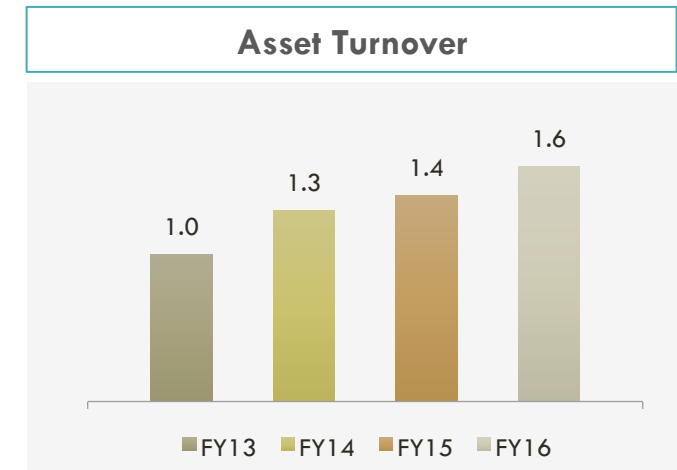

Hotel Segment Revenue Break-up

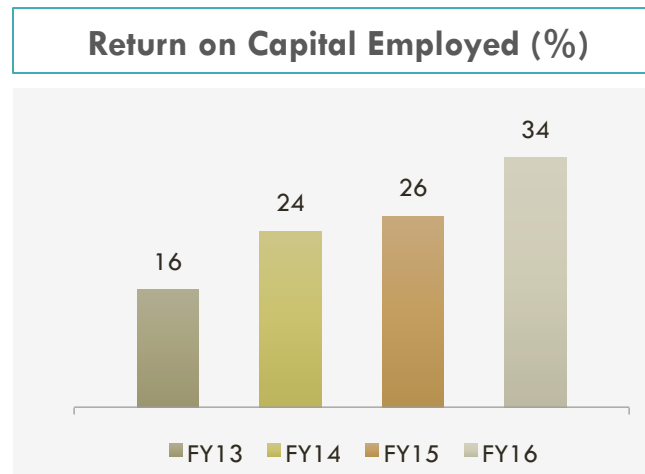

3 Asset Light Business Model

Low capital requirement as properties are taken on a long term lease

- Incremental room addition requires minimal capital employment; only capex required for refurbishment and rebranding
- Enables the company to leverage high profitability from a low capital base
- Attractive cash flow generation and deleveraging profile

Impeccable return ratios with minimal level of debt

ROE = PAT / Average Net Worth; ROCE = EBIT / Average Capital Employed; Asset Turnover Ratio = Revenue/Average Total Assets

4 Wide Distribution Network

➤➤ Pan-India presence through strong agent network

- In hospitality, selling is the major constraint, which is mitigated through tie-up with over 300 agents to sell owned + leased hotel rooms as well as chartered rooms
- Pan-India network of agents

➤➤ Enables to optimize occupancy levels

Room Chartering Segment

Unique Value Proposition

What is Room Chartering

Involves **aggregation of hotel rooms through prior booking** of inventory with partial / full **advance payments**

This is **done 3-4 months before the tourist season for the entire duration of the tourist season** in a particular location

Why Room Chartering

- 1 **Scalable:** Flexibility to quickly expand depending on tourist trends
- 2 **Risk mitigation:** Pan India chartering depending on peak season; Strict quality checks while purchasing inventory
- 3 **Network effect:** Sold onward to wide network of travel agents who sell to customers
- 4 **Synergistic:** Gives insight on where to expand in hotel segment; agent network helps maximizing occupancy for hotel segment
- 5 **High returns:** Discount leads to low break-even point; low capital employed yielding high returns

Growth Strategy

Growth Strategy

01

Pan India Presence with 25 properties by 2020...

Expand current portfolio from 11 properties to 25 by FY20

02

Opportunistic room chartering...

Grow this segment in equal proportion by capitalizing on diverse seasons across India

03

Continue focus on being asset light...

New properties to be taken on long term lease thus minimizing capital requirement and yielding better returns

04

...To drive growth and profitability going forward

Grow revenue at over 20% CAGR to reach Rs 5,000 million by FY20
