ANNEXURE-III

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Company is operating only one segment Vis Food Processing. However the company has not processed any green pea during the year.

1. Industry Structure and Outlook

In India, the domestic consumption behavior is undergoing a transformation and this change has been confirmed by an independent study initiated by the Company. These changes bode well for the Indian Frozen Foods industry where current penetration levels are substantially lower than other Asian countries.

In terms of international competitiveness as a supplier, India has strong fundamentals. It has the world's second largest arable land and its climatic and soil diversity allows it to produce a host of tropical and exotic crops. Internationally trade in processed foods is growing and represents 75% of global agricultural trade.

In recognition of the above, the Government of India and select State Governments are offering a series of incentives to the industry for the establishment and expansion of food processing facilities and food chain.

2. Opportunities and Threats

Frozen products offer a variety of benefits to consumers in terms of reduced time and labour costs, quality, product consistency, reduced prep- time, portion control, convenience, and avoidance of wastage, ease of storage, price stability and economics. The Foods Services Industry is an untapped segment of the market of the emerging frozen food market and presents itself as a significant opportunity.

The major threats to the industry arise out of backward integration of the emerging formats into private labeling, stringent food laws and stiff import duties of these products of importing countries and aggressive export pricing by China that can virtually block exports from India.

3. Risks and concerns

The Food Processing Business is dependent upon an assured supply of quality raw materials at competitive and predictable prices. Fluctuations in raw material prices and crop failures due to adverse climatic conditions present a business risk.

Whilst the country boasts of a large and diverse supply of raw materials, horticulture production in the country is primarily targeted towards production for the wet market. The pace at which the horticulture practices transform is a concern.

The products are stored and transported at sub - zero temperature and third party facilities are used extensively. Whilst a risk assessment is carried out in the selection and engagement of these third party facilities are used extensively, therefore the risks exist.

4. INTERNAL FINANCIAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has an internal control system, commensurate with the size, scale and complexity of its operation, the scope and authority of the internal audit function is well defined in the organization.

To maintain its objectivity and independence, internal audit function is laid before the Audit committee of the Board.

Based on the report of the internal audit & Audit Committee observation, corrective actions are undertaken by the respective department and thereby strengthen the controls.

5. Segment-wise Financial Performance

Segment wise performance is not applicable as the company is not operating factory during the year.

ANS INDUSTRIES LIMITED

6. Financial & Operational Performance

The total revenue during the year under review was Rs. 77.65 Lacs as against Rs.65.63 Lacs during the previous year financial year. The Company has registered net loss of Rs. 220.26 Lacs as against the net loss of Rs. 37.47 Lacs during the previous financial year.

7. Human resources development and industrial relations

The current strength of staff is 9. A higher than normal attrition rate was observed primarily on account of changes in the industry and the transformation. Industrial relations at the plant during the year were cordial.

8. Disclosure of Accounting Treatment

In the preparation of the financial statements, the company has followed the Accounting Standards referred to in Section 133 of the Companies Act, 2013.

9. Cautionary Statement:

The statement in the 'Management Discussions and Analysis Report' with regards to the projections, estimates and expectations have been made in good faith. But Achievement of results is subject to the Risks, uncertainty and moreover condition of weather and availability and supply of raw material.

INDEPENDENT AUDITOR'S REPORT

To the Member of

ANS INDUSTRIES LIMITED

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying standalone Financial statements of ANS Industries Limited ('the Company'), which comprise the Balance Sheet as at 31st March, 2025, and the Statement of Profit and Loss, and statement of cash flow for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Financial statements give the information required by the companies Act 2013 in the manner so required and give a true and fair view in conformity with the Indian accounting Standards prescribed u/s 133 Of the act read with Indian accounting standards rules 2015 as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, and profit/loss, and its cash flow for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed satisfactorily in the context of our audit of the financial statements in forming our opinion thereon.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation and presentation of the standalone Financial statements that give a true and fair view of the financial position, financial performance, and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safe guarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013 we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements, or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timings of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationship and other matters that may reasonably be thought to be bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequence of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order 2020, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we enclose in **Annexure 'A'**, a statement on the matters specified in paragraphs 3 & 4 of the Order, to the extent applicable.

ANS INDUSTRIES LIMITED

2. As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- f) The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1 April 2023.

Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. Additionally the audit trail has been preserved by the company as per statutory requirements for record retention.

- g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refers to our separate Report in "Annexure B" which is based on the Auditor's Report of the Company. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over reporting of the Company;
- h) Attention is invited to Note No.1 (8) in regard to employee benefits.
- i) Attention is invited to Note no.2 (viii) stating that some of balance of debtors, creditors and loans and advances are subject to confirmation from respective parties. We have relied on the representation of the management that no significant impact is expected on the working results of the company on this account;
- j) Attention is invited to note no. 1(9) relating to Contingent liabilities. We have relied on the representation of the management that no significant impact is expected on the working results of the company on this account;
- k) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :
 - i. The Company has disclosed the impact of pending litigation on its financial position in its financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivatives contracts in financial statements; and
 - iii. There has been no delay whenever applicable, in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ANS Industries Limited ('the Company'), as of 31 March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

ANS INDUSTRIES LIMITED

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note No. 1 Significant Accounting Policies and key accounting estimates:

Basis of preparation of financial statements:

- 1) The financial statements are prepared under the historical cost convention and have been prepared in accordance with applicable mandatory Indian Accounting Standards (IND-AS) and relevant presentational requirements of the Companies Act, 2013.
- 2) The Company follows the mercantile system of accounting and recognizes income and expenditure on accrual basis. Accounting policies not specifically referred to otherwise are consistent and in consonance with generally accepted accounting principle in India. Accounting policies have been consistently applied except when IND-AS were initially adopted.
- 3) The preparation of financial statements in conformity with generally accepted accounting principle requires management to make estimates and assumption that affect the reported amount of assets and liabilities and disclosure of contingent liabilities and commitments at the end of the reporting period and results of operations during the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, actual results could differ from those estimates. Difference between the actual result and estimates are recognized in the period which the results are known/materialized.
- 4) Property Plant and equipment are stated at cost less depreciation. The cost of these includes interest on specific borrowings obtained for the purpose or acquiring up to the date of commissioning of the assets and other incidental expenses incurred up to that date.
- 5) Plant and Machinery includes expenses incurred on erection and commissioning, foundation, laboratory equipment, air and water pollution devices, electric installation, technical know-how fees, tools, and miscellaneous fixed assets other than land, building, furniture & fixture, vehicles, office equipment's computer equipment's and air conditioning equipment's. Technical know-how fee is inseparable and hence treated as part of plant & machinery. No adjustment is required to be made as per Indian accounting standard 38 on intangible assets, issued by the Institute of Chartered Accountants of India. Agricultural land valued at Rs. 1,90,13,150/- Situated at Sahabad Garhi, Mawana, Meeruth (UP) is under dispute.
- 6) Expenditure related to and incurred during implementation of new/expansion-cum-modernization projects is included under capital work in progress and the same is allocated to the respective tangible assets on completion of its construction/erection.
- 7) Useful lives of property, plant and equipment and intangible assets:
Charge in respect of periodic depreciation of these assets is derived after determining an estimate of expected useful life and expected residual value at the end of their life. This estimates of useful life and residual value are determined by the management at the time of acquisition.
- 8) Employee benefits
Provision for employee benefits charged on accrual basis is determined based on Indian Accounting standard 19 "Employees Benefits" issued by the Institute of Chartered Accountants of India. No provision for Gratuity and Leave encashment has been made during the year.
 - (i) Short-term benefits
All employee benefits payable wholly within twelve months of rendering service are classified as short term-benefits and are recognized in the period in which employee renders service.
 - (ii) Post-employment benefits
Gratuity liability is provided for on the basis of actuarial valuation.
 - (iii) Leave salary
