Managing Director & CEO's Message

Commenting on the performance for Q3 FY2020, Mr. Shobhan Mittal, Managing Director and CEO, Greenpanel Industries Ltd. said,

“We had a good quarter with performance improving significantly in terms of MDF sales volumes. MDF sales volumes increased by 47% y-o-y and 38% q-o-q. Continuous focus on reduction in Working Capital Investments enabled us to reduce working capital by 38 days y-o-y and 11 days q-o-q. We have repaid Rs 79.97 crores of term loan borrowings during the nine-months period and will repay term loans of Rs 25.52 crores during Q4. However, Net Profit for the quarter was adversely impacted due to accounting for foreign exchange loss (MTM basis) of Rs 11.81 crores on long term borrowings for Andhra MDF Plant.”
