Limited Review Report on unaudited quarterly consolidated financial results of Britannia Industries Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Britannia Industries Limited

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Britannia Industries Limited ('the Parent'), its subsidiaries (collectively referred to as 'the Group') and its share of the net profit after tax and total comprehensive income of its associates for the quarter ended 30 June 2019 attached herewith, being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').
2. This Statement, which is the responsibility of the Parent's Management and has been approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, to the extent applicable.
4. The Statement includes the results of the entities mentioned in Annexure I
5. Attention is drawn to the fact that the figures for the 3 months ended 31 March 2019 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

6. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Limited Review Report on unaudited quarterly standalone financial results of Britannia Industries Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Britannia Industries Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of Britannia Industries Limited ('the Company') for the quarter ended 30 June 2019 ('the Statement') attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Attention is drawn to the fact that the figures for the 3 months ended 31 March 2019 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

Press Release

**Britannia Consolidated Revenue grew 6% and Adjusted Net Profit increased by 3% for the quarter
(including exceptional expenses, Net profit decreased by 3%)**

Kolkata, Aug 9th, 2019: Britannia Industries Ltd. (BIL), India's leading Food Company, reported consolidated revenue growth of 6% for the Quarter at Rs. 2,677 crores. Adjusted Net Profit increased by 3% for the Quarter at Rs. 267 crores (Reported Net profit of Rs. 251 crores).

Commenting on the performance, Mr. Varun Berry, Managing Director, said,

"We outpaced the market and strengthened our market position during this phase of sluggish demand. Our journey to become a "Total Foods Company" is progressing well with good response to our new products viz. "Treat Wafers" and "Winkin Cow Milkshakes". We are redefining bakery with the launch of "baked salted snacks" and "Croissant". Some of our recent innovative product launches viz. Open Sandwich biscuit "Treat Stars" and Democratized centre filled biscuit "Treat Burst" are gaining traction and redefining the biscuit space. Our priority now is to scale up the recent product launches and achieve profitable growth.

On the cost front, we witnessed moderate inflation in the prices of key raw materials for the bakery business. However, the inordinate increase in milk prices impacted profitability of our Dairy business adversely. We strengthened our brand equity through focused campaigns and invested in building capabilities & structures for both our base business & strategic business units to drive future growth. In this context, I am happy to inform that Britannia has been ranked amongst the top 15 Best Employers by Forbes – Aon Hewitt Survey'2019. Further, with a focus on tightening our belt in this phase of low growths, we have accelerated the cost efficiency initiatives to maintain the shape of business.

As we move forward, we are quite hopeful that the Government will take requisite measures to boost the economy & get it back on a high growth trajectory."
