Mr. Rajesh Mehta, Chairman of Rajesh Exports Limited said, “I am pleased to announce the results for the quarter ended 30th September 2015. This quarter for the company has been a record breaking quarter compared to any other quarter for the company since inception. The company achieved a major milestone during this quarter with the completion of acquisition of Valcambi. Acquisition of Valcambi has proved to be a path breaking event for the company as the company has emerged as a truly global company and as the largest gold company in the world. I am confident that the acquisition would yield further better results in the coming quarters as the synergies of both the companies would start integrating and set a new world order in gold business.

REL is the only fully integrated company across the value chain of gold and going forward this integration would be strengthened to yield more results for the company in the retail segment, which would be one of the driver of higher profitability for the company. The company is working towards strengthening its retail presence and has drawn up specific plans to ensure migration of its volumes from bulk to retail which would ensure higher profitability for the company in the coming quarters.”
