## KEY BUSINESS UPDATES

### • Acquisition of Valcambi

- REL acquired 100% stake in Valcambi, the world's largest gold refinery. REL acquired 100% stake in the world's most credible company in gold business from New Mont Mining Corporation (USA) and the minority stake from a group of private Swiss shareholders. The acquisition would be EPS accretive and would significantly add to the top line and bottom line of REL.
- Valcambi, the world's largest gold refinery and the largest gold bar manufacturer has its headquarters in Balerna, in south eastern Switzerland.
- Valcambi is a 53 year old company. Growing consistently and profit making, paying consistent dividend since inception.
- For the last three years on an average per year Valcambi generated revenues in excess of USD 38 Bln (INR 2,36,500 Crores) and EBITDA of USD 33 Mln (INR 205 Crores) by refining and selling 945 tons of Gold and 325 tons of Silver per year. Valcambi sells more gold than the entire Indian consumption.
- Valcambi is a Zero debt company with considerable cash surplus on it's balance sheet. KPMG is Valcambi's Auditor and has been auditing the company for more than 40 years.
- Valcambi has the most enviable list of suppliers including some of the largest mining companies in the world and the client list of Valcambi includes some of the largest banks, Governments, Central Banks and premium gold product makers of the world.
- Valcambi is the most respected global company in gold business. Valcambi gold bars are accepted as good delivery bars on all the commodity exchanges of the World and across all the Banks and Central banks of the World. Valcambi gold refinery is LBMA accredited.
- The R&D department of Valcambi has developed many processes and products which are the first in the world, including the first minted gold bar in the world. Valcambi is the only refinery in the world manufacturing gold bars by a 100% robotic process without human intervention.
