Key Message

Reported sales of INR 360 crores in Q1'FY19, a growth of 18% on like to like basis over corresponding quarter last year. Topline growth is driven by volume. PBT and PAT margins stood at 3.6% and 2.3% respectively.

Our strategy of strengthening our Brand in BATHWARE Segment (Sanitaryware and Bath fittings) is showing results on expected lines. This segment grew by 75% during the quarter and contributed 10% to overall sales in Q1'FY19.

Effective cost control helped to mitigate the increasing gas prices. Haryana government decision to cut VAT rate on natural gas from 13.13% to 6.0% has provided some relief in the twin pressures of increasing gas prices and USD.

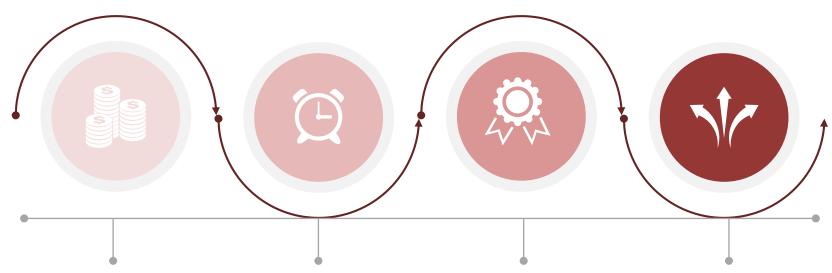

Enhanced the glazed vitrified tile (GVT) product portfolio further by launching three new larger sizes (800x2400, 1200x2400 and 1200x1200) in *Duragres Max* series.

Better enforcement of GST and E-Way Bill will be key towards achieving accelerated growth of the Sector thus unleashing its true potential.

Expect growth to be back ended to H2'FY19; stable regulatory regime and increased Government spends should aid growth !!!
