Despite global challenges including geopolitical tensions, supply chain disruptions, and tightening financial conditions, the Indian economy is projected to grow at a **robust 6.5% to 7% in FY 2024–25**, as per RBI and IMF estimates.

- Lower inflation compared to FY 2022–24

The government's continued emphasis on the “Make in India” initiative, Production Linked Incentive (PLI) schemes, and focus on affordable housing and infrastructure are expected to further support economic activity.

SECTOR OUTLOOK – REAL ESTATE

The Indian Real Estate sector has shown strong signs of recovery in FY 2023–24 and continues to gain momentum in FY 2024–25. Residential demand is witnessing steady growth, especially in Tier I and Tier II cities, supported by:

- Stable interest rates on home loans
- Improved buyer sentiment
- Rising disposable incomes

COMMERCIAL REAL ESTATE is also seeing renewed interest due to return-to-office trends and demand from IT, co-working, and manufacturing sectors. The implementation of **RERA**, digitization of land records, and transparent legal frameworks have enhanced investor confidence.

Despite higher input costs and regulatory challenges, the sector is projected to grow at **8–9% CAGR** in the medium term. Government support through infrastructure development, PMAY housing schemes, and tax reliefs continues to fuel momentum.

- **Inflationary pressures** affecting construction costs
- **Land acquisition delays**
- **Regulatory compliance complexities**
- **Volatility in interest rates and funding availability**
- **Contractor shortages and skilled labour gaps**

The Company has a structured **Risk Management Framework** to identify, evaluate, and mitigate potential risks. However, until CIRP concludes, implementation remains on hold.

OPPORTUNITIES

Post-CIRP, the Company expects to explore new business avenues in real estate and infrastructure development, in alignment with emerging trends like:

- Redevelopment of urban spaces
- Smart city infrastructure

Favorable demographics, government push on housing and infrastructure, and a growing middle class position the Company to benefit from long-term sectoral trends.

INDUSTRY SCENARIO & REGULATORY ENVIRONMENT

The regulatory framework for the real estate sector has evolved significantly, focusing on transparency, accountability, and consumer protection. Implementation of RERA, GST, digitisation of approvals, and faster clearance mechanisms have improved ease of doing business.

We have examined the compliance with the conditions of Corporate Governance of VAS INFRASTRUCTURE LIMITED (CN) ("the Company") for the year ended on 31st March, 2025, as prescribed in the Regulations 17 to 27, 62(1A), and Para C, D and E of Schedule V of The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). The National Company Law Tribunal (NCLT) vide order dated 11 March, 2024 has initiated Corporate Insolvency Resolutions Process (CIRP) under the Insolvency and Bankruptcy Code, 2016 for the Company. Further, vide the above mentioned NCLT's Order and pursuant to Section 17 of IBC, the power of Board of Directors of the Company stood suspended and such powers were vested with interim Resolution Professional (IRP)/ Resolution Professionals (RP), prior to the date of commencement of CIRP, the board of directors was responsible for complying with the conditions of Corporate Governance as stipulated under Chapter IV, of Listing Regulation

The compliance of conditions of Corporate Governance is the responsibility of the management. Our Examination was limited to review the procedures and implementation thereof, adopted by the company for ensuring the compliance of the condition of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statement of the company.

Subject to above, in our opinion and to the best of our information and according to the explanation given to us, we certify that the company has complied with the conditions of corporate governance as stipulated in the above-mentioned listing Agreement. Subsequent to the date of commencement of CIRP, complying with the provisions as stipulated in the said listing regulation, refer to in paragraph above, were not applicable on account of suspension of the power of the Board of Directors and its Committee thereof, however, the requirements of such provision were fulfilled by the concern IRP / RP to the extent deemed appropriate.

We have been explained that no investor grievances are pending for a period exceeding one month against the company as per the records maintained by the Company.

Note on Board Composition during CIRP:

As per Regulation 17(1)(a) of the SEBI (LODR) Regulations, 2015, a listed entity is required to have a minimum of three directors on the Board. However, pursuant to the initiation of the Corporate Insolvency Resolution Process (CIRP) under the Insolvency and Bankruptcy Code, 2016 vide order dated March 11, 2024, the powers of the Board of Directors have been suspended.

In the meeting of the Committee of Creditors (CoC) held on 24.04.2024, a resolution was passed stating that it is not required to maintain the minimum Board composition, as the Board of Directors stands suspended under the provisions of the IBC, and all powers are vested in the Resolution Professional (RP).

Accordingly, the Company is not in violation of the minimum Board composition requirement under SEBI (LODR), as the IBC provisions override other laws in case of conflict, as per Section 238 of the IBC.

We further state that such compliance is neither an assurance as to the further viability of the company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditor's Report

To the Members of VAS INFRASTRUCTURE LIMITED,

Report on the audit of the financial statements

Opinion

We have audited the financial statements of VAS INFRASTRUCTURE LIMITED, which comprise the balance sheet as at March 31, 2025, the statement of Profit and Loss, the Cash flow statement and Statement of changes in Equity for the year then ended and notes to the financial statements including a summary of significant accounting policies and other explanatory information (herein after referred to as "Financial Statement").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs as at March 31, 2025, its loss and its cash flows and changes in equity for the year ended on that date.

Basis for opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matter

The accumulated losses of the Company as at March 31, 2025 amounting to Rs. 30164.28 Lakhs, exceeded its net worth. We draw your attention to Note no: 39 to the IND AS financial statements regarding recent developments which states that "As per the Code, it is required that the company be managed as a "going concern" during the CIRP. The future prospects of the company would be determined on the completion of CIRP".

In view of these facts, the IND AS financial statements have been prepared by the management on "going concern" basis. Our opinion is not modified in respect of these matter.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended March 31, 2025. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our

opinion thereon, and we do not provide a separate opinion on these matters. There are no key audit matters to be reported for the financial year ended March 31, 2025.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board Report of the company, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information; we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of management for the financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances under section 143(3) (i) of the Act
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(Referred to in paragraph 2 (e) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of VAS Infrastructure Limited on the financial statements as of and for the year ended March 31, 2025)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **VAS INFRASTRUCTURE LIMITED**, as of March 31, 2025, in conjunction with our audit of the financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential Company of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential Company of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
