[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Atal Realtech Limited
Unit No. 301 and 302,
ABH Developers Town Square,
S No. 744, Nashik

I have conducted the secretarial audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by **ATAL REALTECH LIMITED** (hereinafter called 'the Company'). Secretarial audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial year ended on 31st March, 2022, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2022 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

- h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (Not applicable to the Company during the Audit Period)
- i. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
- j. I further report that based on the explanation given by the management of the Company, even though being in Construction Business there are no other laws that are specifically applicable to the Company since it has subcontracted its existing business contracts to other parties for execution.

I have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards issued by The Institute of Company Secretaries of India.

(ii) The SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015;

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all the directors to schedule the Board Meeting, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarification on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions of the Board and committee meetings are carried out unanimously as recorded in the minutes of the meeting of the board of directors or committees thereof as the case may be. There were no dissenting views of any member of the Board or committees thereof during the period under review.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Corporate Governance Report

The Directors present the Company's Report on Corporate Governance pursuant to the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the SEBI Listing Regulations) for the financial year ended 31st March 2022.

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE:

The purpose of Code of Governance (hereinafter referred to as "Code" or "ARL – Code of Governance") is to conduct the business of the Company in accordance with the applicable laws, rules, and regulations and with the highest standard of ethics and values. The matters covered in this Code are of utmost importance to the Company, shareholders and other stakeholders. Each and every Director and Officer shall be duty-bound to follow the provisions of the Code in letter and spirit. Any instance of non-compliance of any of the provisions shall be a breach of ethical conduct and shall be viewed seriously by the Company. Accordingly, the Directors and Officers are expected to read and understand the Code and uphold these standards in their business dealings and activities. This model code of governance is a guide to help Directors on the Board & Senior Management team of the Company to live up to the companies ethical standards.

The prime purpose of the Code of Governance is to create an environment where all the Directors and Officers of the Company maintain an ethical standard and compliance to the ethical standards. The code of governance will act as guideline to all to:

- Promote honest and ethical conduct.
- Maintain a corporate climate in which the integrity and dignity of each individual is valued and promoted.
- Assure compliance with laws, rules and regulations that govern the Company's business activities; and
- Assure the proper use of the Company's assets.
- The Code does not specifically address every potential form of unacceptable conduct, and it is expected that the Directors and Officers of the Company will exercise good judgment in compliance with the principles set out in this Code. The Directors and Officers of the Company have a duty to avoid any circumstance that would violate the letter or spirit of this Code.

The Company has adopted a Code of Conduct for its employees including the Managing Director. In addition, the Company has adopted a Code of Conduct for its non-executive directors which includes Code of Conduct for Independent Directors which suitably incorporates the duties of Independent Directors as laid down in the Companies Act, 2013 ("the Act").

Details of board structure and the various committees that constitute the governance structure of the organization are covered in detail in this report.

2. BOARD OF DIRECTORS

The Board of Directors ('the Board') is responsible for and committed to sound principles of Corporate Governance in the Company. The Board plays a crucial role in overseeing how the management serves the short and long term interests of shareholders and other stakeholders. This belief is reflected in our governance practices, under which we strive to maintain an effective, informed and independent Board.

The Board of Directors is entrusted with the ultimate responsibility of the management, general affairs, direction and performance of the Company and has been vested with requisite powers, authorities and duties.

Composition

The Board of Directors along with its Committees provide leadership and guidance to the Company's management and direct, supervises and controls the performance of the Company. The present strength of Board of Directors is 4 (Four), whose composition and category is given below:

One - Managing Director
One - Executive Director
Two - Non-Executive and Independent Directors
Independent Directors including One Woman Director

The composition of the Board also complies with the provisions of the Companies Act, 2013 and SEBI (LODR) Regulations, 2015. The composition of the Board represents an optimal mix of professionalism, knowledge and experience and enables the Board to discharge its responsibilities and provide effective leadership to the business.

C) Board Procedure

The Companies Act, 2013 read with the relevant rules made there under, now facilitates the participation of a Director in Board / Committee Meetings through video conferencing or other audio visual mode. Accordingly, the option to participate in the Meeting through video conferencing was made available for the Directors except in respect of such Meetings/Items which are not permitted to be transacted through video conferencing.

D) Directors' Induction and Familiarization

At the time of appointing a Director, a formal letter of appointment is given. The Directors are familiarized with the History, Vision and Mission of the Company and also explained in details the compliances required from them under Companies Act, 2013, SEBI (LODR) Regulations, 2015 and other relevant regulations. The Managing Director also has a one-to-one discussion with the newly appointed Director. The above initiative helps the Director to understand the Company, its business and the

regulatory framework in which the Company operates and equips them to effectively fulfill his role as a Director of the Company.

E) Reappointment of Directors:

Mr. Vijaygopal Atal, Executive Director retires at the ensuing Annual General Meeting and is being eligible to offer herself for re-appointment at the ensuing Annual General Meeting.

3. COMMITTEES OF THE BOARD:

The Board Committees play a crucial role in the governance structure of the Company and have been constituted to deal with specific areas / activities which concern the Company and need a closer review. The Board Committees are set up under the formal approval of the Board to carry out clearly defined roles which are considered to be performed by members of the Board, as a part of good governance practice. The Board supervises the execution of its responsibilities by the Committees and is responsible for their action. The Chairman of the respective Committee informs the Board about the summary of the discussions held in the Committee Meetings. The minutes of the meetings of all Committees are placed before the Board for review. The Board Committees can request special invitees to join the meeting, as appropriate.

The Board has established the following statutory and non-statutory Committees.

Management Discussion and Analysis Report

Industry Overview

The impact of Pandemic is fading gradually and Industry is in second year of recovery from the regression in Industry. It is undeniable fact that infrastructure is key accelerator in Nation's Growth, and thus, has intense focus from the Government for initiating policies that would ensure the country's time-bound creation of world-class infrastructure.

With huge ongoing project opportunities, it is the third largest contributor to economic growth. Various governmental flagship programs like 'PM Awas Yojna', 'PM Gati Shakti', 'Make in India' and 'Kawach' will further drive growth. Due to continuous urbanization, upcoming infrastructure projects and a growing population base, the construction industry in India is booming. The industry employs more than 50 million people and has a large pool of low-cost workers. Owing to these efforts and government's will to increase public private partnerships with foreign companies, it is expected to attract more foreign investment.

Covid Impact

COVID crisis-affected this sector adversely. The sector was battling from the liquidity crunch. For the major part of 2020, the construction sector in India was overcoming the labor shortage and supply chain disruptions of their raw material. Now the sector is recovering from regression steadily.

Our Company

Our Company was incorporated in the year 2012 for undertaking various construction activities. We are a construction company providing integrated civil works contracting and engineering services for structural construction and infrastructure sector projects and are a registered contractor with the Government of Maharashtra Public Works Department in Class I-A. Our Company engages in contracting and sub-contracting for various government and private projects which includes construction of commercial structures and industrial structures. Our Company is situated at Nashik and many of our project sites are located in the State of Maharashtra, though we have undertaken projects in other parts of India. Majority of the construction activity being undertaken by us includes civil & structural construction and infrastructure contracts under subcontracting by main contractors, who have been allotted the project by a principle employer.

Our Company's revenue model also includes trading of certain construction materials. Besides undertaking contracted and / or sub-contracted projects, our Company is also engaged in trading activities, wherein we supply construction materials to our various clients as per their specific requirements.

The company got listed on NSE Emerge (SME platform of National Stock Exchange of India) on 15th October, 2020. We have experienced a steady growth in recent years and expect our businesses to continue to grow significantly. Our future growth is subject to risks arising from a rapid increase in order volume, and inability to retain and recruit skilled staff. Although, we plan to continue to expand our

scale of operations through organic growth or investments in other entities, we may not grow at a rate comparable to our growth rate in the past, either in terms of income or profit or work quality.

REVIEW OF OPERATIONS& IMPACT OF COVID-19:

During F.Y. 2021-22, Company has earned a total income of Rs.4056.02lakhs compared to previous year's Rs. 4365.82 lakhs.

Net profit after tax has increased from Rs. 215.50lakhs to Rs.239.90 Lakhs. Consequently, EPS increased to Rs. 4.37 per share from Rs. 4.25 per share.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company's internal control systems are adequate, operating effectively and commensurate with the size of business. These internal control systems are provided through competent management, implementation of standard policies and processes, maintenance of an appropriate audit programme with an internal control environment, effective risk monitoring and management information systems. Moreover, the Company continuously upgrades these systems in line with the best available practices.

The internal control systems are supplemented by extensive internal audits, regular reviews by the Management and standard policies and guidelines to ensure the reliability of financial and all other records to prepare financial statements and other data. The Company has regular checks and procedures through internal audits conducted by an independent audit firm, periodically. The reports are deliberated and an executive summary of the same along with Action Taken Reports (ATR) and steps taken by the Management to address the issues, are placed before the Audit Committee meeting/ Board meeting for their review. Reports of internal auditors are reviewed by the Audit Committee, and corrective measures, if any, are carried out towards further improvement in systems and procedures in compliance with Internal Control Systems. The Board also recognizes the work of the auditors as an independent check on the information received from the Management on the operations and performance of the Company.

Future Projections:

Despite near-term challenges in certain construction sectors, medium to long term growth story in India remains intact. The construction industry in India is expected to grow steadily over the next four quarters.

The construction industry market in India works across 250 sub-sectors with linkages across sectors. The growth momentum is expected to continue over the forecast period, recording a CAGR of 9.5% during 2022-2026. The construction output in the country is expected to reach INR 60,508.9 billion by 2026. Both the state and the central government expected to increase their spending on the commercial construction projects, the analyst expects it to keep supporting the industry growth over the next four to eight quarters in the country.

The Company has established a comprehensive system for risk management and internal controls for all its businesses to manage the risks that it is exposed to. The objective of its risk management framework is to ensure that various risks are identified, measured and mitigated and also that policies, procedures and standards are established to address these risks and ensure a systematic response in the case of crystallisation of such risks.

CAUTIONARY STATEMENT:

Statements in the Management Discussion and Analysis describing the company's objectives, projections, estimates, expectations may be forward-looking statements. Actual results may differ materially from those expressed or implied. Important factors that could make difference to the company's operations include economic conditions in which the company operates, change in government regulations, tax laws, statutes and other incidental factors.

Notes to financial statements for the year ended 31 March 2022

1. Background

Atal Realtech Limited ('the Company') is incorporated in August 2012 as a private company and converted into a public company with effect from January 21, 2020. The company is listed on NSE Emerge Platform with effect from October 15, 2020. The company is engaged in the business of civil construction and government contracting.

2. Summary of significant accounting policies

2.1. Basis of preparation of financial statements

These financial statements are prepared and presented under the historical cost convention as a going concern on the accrual basis of accounting and comply with the Accounting Standards ('AS') specified under section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India, to the extent applicable. The financial statements are presented in Indian rupees and rounded off to the nearest rupee.

2.2. Use of estimates

The preparation of the financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as of the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates and such differences are recognised in the period in which such results are known / materialize. Any revision to accounting estimates is recognised prospectively in current and future periods.

2.3. Current/ non-current classification

All assets and liabilities are classified into current and non-current as follows:

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realised within 12 months after the reporting date; or
- d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities:

A liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is due to be settled within 12 months after the reporting date; or
- d) the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that

could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

2.4. Operating cycle:

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out above which are in accordance with the Schedule III to the Act. Based on the nature of business the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

2.5. Inventories

Inventories are valued as follows:

A. Raw material, components, stores, spares and tools

These are valued at lower of cost or net realisable value. Cost includes all cost of purchase and all other costs incurred to bring them to its present location and condition. Cost of purchase consists of purchase price including duties and taxes (*excluding those that are subsequently recoverable*), freight inwards and other expenditure directly attributable to the acquisition. Further, trade discounts, rebates and other similar items are deducted in determining the costs of purchase. Further, these are valued on first-in-first out method.

Net realisable value is determined as the estimated selling price of finished goods in the ordinary course of business less selling expenses.

B. Work-in-progress and finished goods

These are valued at lower of cost or net realisable value. Cost includes direct materials and labour and a proportion of overheads based on normal operating capacity. Cost is determined on weighted average basis.

Net realisable value is the estimated contract price in the ordinary course of business, less estimated costs of completion of the contract.

2.6. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised. Claims are recognised as income to the extent it is measurable and it is not unreasonable to expect ultimate collection.

A. Construction Contracts

Contract revenue and contract cost associated with the construction of buildings and civil structures are recognised as revenue and expenses respectively by reference to the stage of completion of the projects at the balance sheet date i.e. percentage of completion method. The stage of completion of project is determined by the proportion that contract cost incurred for work performed up to the balance sheet date bear to the estimated total contract costs. Where the outcome of the construction cannot be estimated reliably, revenue is recognised to the extent of the

construction costs incurred if it is probable that they will be recoverable. If total cost is estimated to exceed total contract revenue, the Company provides for foreseeable loss. Contract revenue earned in excess of billing has been reflected as unbilled revenue and billing in excess of contract revenue has been reflected as unearned revenue.

B. Project supplies

Revenue on sale of goods is recognised when the property in goods has been transferred to the buyer for a price or when all significant risks and rewards of ownership have been transferred to the buyer such that the seller retains no effective control of the goods transferred to a degree usually associated with ownership. This usually takes place when the goods are delivered to the customer.

In a situation, where transfer of property in goods does not coincide with the transfer of significant risks and rewards of ownership, revenue in such a situation is recognised at the time of transfer of significant risks and rewards of ownership to the buyer.

C. Interest income

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

During the current year, there is no revenue, recognition of which is postponed due to lack of certainty of its ultimate collection.

2.7. Property Plant and Equipment

Property, plant and equipment are stated at cost (i.e., cost of acquisition or construction inclusive of freight, erection and commissioning charges, non-refundable duties and taxes, expenditure during construction period, borrowing costs (in case of a qualifying asset) up to the date of acquisition/ installation).

Depreciation is calculated on written down value method (WDV) using the useful lives as prescribed under Schedule II to the Companies Act, 2013.

2.8. Impairment of assets

In accordance with AS 28 – Impairment of Assets, the carrying amounts of the Company's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. For assets in respect of which any such indication exists, the asset's recoverable amount is estimated, at higher of the net selling price and the value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. If at the Balance Sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reinstated at the recoverable amount subject to a maximum of depreciable historical cost.

2.9. Investments

Investments are stated at cost, unless there is permanent diminishing in the value of the investment.

2.10. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consists of interest and other costs incurred in connection with the borrowing of funds.

2.11. Retirement and other employee benefits

A. Defined contribution plan

Retirement benefits in the form of Provident Fund, Pension Fund and Employees State Insurance Fund are a defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the period when the employee renders related services. There are no other obligations other than the contribution payable to the respective authorities.

B. Defined benefit plan

Gratuity liability for eligible employees is defined benefit obligation and is provided on the basis of management estimation.

C. Leave encashment

The Company does not have any leave encashment policy and all the unutilised leaves lapse at the end of the year.

2.12. Income taxes

Income-tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income-tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). Income-tax expense is recognised in Statement of Profit or Loss except that tax expense related to items recognised directly in reserves is also recognised in those reserves.

Current tax is measured at the amount expected to be paid to/ recovered from the taxation authorities, using the applicable tax rates and tax laws.

Deferred tax is recognised in respect of timing differences between taxable income and accounting income i.e. differences that originate in one period and are capable of reversal in one or more subsequent periods. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonably/ virtually certain (as the case may be) to be realised.

2.13. Earning per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's

earnings per share is the net profit or loss for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

2.14. Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.15. Provisions and contingencies

A provision is recognized when there is a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

When there is a possible obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

INDEPENDENT AUDITOR'S REPORT

**To,
The Board of Directors of
Atal Realtech Limited**

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of **Atal Realtech Limited** ('the Company') (CIN – U45400MH2012PLC234941) which comprise the balance sheet as at 31 March 2022, and the statement of profit and loss, and statement of cash flows for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, and its financial performance, and its cash flows for the year ended on that date.

Basis for Opinion

We have conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the

preparation and presentation of the financial statements that give a true and fair view and are free from materials misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order 2016 ('the Order'), issued by the Central Government in terms of Section 143(11) of the Act, we give in the **"Annexure A"** a statement on matters specified in paragraphs 3 and 4 of the Order.

Annexure B referred to in paragraph 2(i) under the heading “Report on Other Legal and Regulatory Requirements” of our report of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Atal Realtech Limited (‘the Company’) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (‘the Guidance Note’) and the Standards on Auditing (‘the Standards’), issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India..
