We have conducted secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Modi Rubber Limited (hereinafter called “**the Company**”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating corporate conducts/statutory compliances and expressing our opinion thereon.

We report that

- a) Maintenance of secretarial records is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
- b) We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in the secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
- c) We have not verified the correctness and appropriateness of the financial statements of the Company.
- d) Wherever required, we have obtained the management representation about the compliances of laws, rules and regulations and happening of events etc.
- e) The compliance of the provisions of the Corporate and other applicable laws, rules, regulation, standards is the responsibility of the management. Our examination was limited to the verification of procedures on test basis.
- f) The Secretarial Audit Report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2018 (“Audit Period”) complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the company for the financial year ended on 31st March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’):-

INDEPENDENT AUDITOR'S REPORT

**To the Members of
Modi Rubber Limited**

Report on the Standalone Financial Statements

We have audited the accompanying standalone Ind AS financial statements of **Modi Rubber Limited, ("the Company")** which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and Statement of Changes in Equity for the year ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive Income, cash flows and Statement of changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of the material misstatement of the standalone Ind AS financial statements, whether due to error or fraud. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall

presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2018, and its loss, total comprehensive income, its cash flows and changes in equity for the year ended on that date.

Other Matters

The financial information of the Company for the year ended March 31, 2017 and the transition date opening balance sheet as at April 1, 2016 included in these Ind AS financial statements, are based on the previously issued statutory financial statements for the years ended March 31, 2017 and March 31, 2016 prepared in accordance with the Companies (Accounting Standards) Rules, 2006 (as amended) which were not audited by us. The adjustments to those financial statements for the differences in accounting principles adopted by the Company on transition to the Ind AS have been audited by us.

Our opinion is not qualified in respect of these matters.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order'), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. in our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder;
 - e. on the basis of written representations received from the directors as on 31 March 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2018, from being appointed as a director in terms of Section 164(2) of the Act.

- f. with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and;
- g. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- the Company has disclosed the impact of pending litigation on its financial position in its financial statements- Refer Note 42 to the financial statements;
 - the Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
 - there is no amount required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Modi Rubber Limited**, ("the Company") as on 31 March 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the

assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Significant accounting policies and other notes to financial statements for the year ended March 31, 2018

1. CORPORATE INFORMATION

Modi Rubber Ltd. ("the Company") is a company domiciled in India, with its registered office situated at Modi Bhawan, Modinagar-201204, District Ghaziabad, Uttar Pradesh. The Company has been incorporated under the provisions of Indian Companies Act and its equity shares are listed on the BSE & NSE in India.

1.1 SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Preparation of Financial Statements

a) Statement of Compliance

The financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules, 2015. The financial statements have been prepared in accordance with Ind AS prescribed under Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies to the extent applicable.

Upto the year ended March 31, 2017, the Company prepared its financial statements in accordance with the requirements of the Standards notified under the Companies (Accounting Standards) Rules, 2014 and guidelines issued by the Securities and Exchange Board of India (SEBI) as amended from time to time. These are the Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016. Details of first-time adoption exemptions availed by the Company is given in Note 32. In accordance with Ind AS 101 First-time Adoption of Indian Accounting Standard, the Company has presented a reconciliation from the presentation of financial statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2014 ("Previous GAAP") to Ind AS of Shareholders' equity as at March 31, 2017 and April 1, 2016 and of the comprehensive net income for the year ended March 31, 2017.

b) Basis of Preparation and Presentation

The financial statements have been prepared on accrual basis under the historical cost convention except for certain financial instruments that are measured at fair values at the end of each reporting period and in case of certain items of Income/Expenditure where recovery/payment is uncertain.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Functional and Presentation Currency

The financial statements have been prepared and presented in Indian Rupees (₹), which is also the Company's functional currency.

Rounding off

All amounts in the financial statement and accompanying notes are presented in ' Lakhs and have been rounded-off to two decimal place unless stated otherwise.

Current and Non-current Classification

The Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities. This is based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents.

c) Inventories

Inventories are stated at the lower of cost and net realisable value after providing for obsolescence. Costs of inventories are determined on weighted average basis. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition.

i) Raw Materials	Lower of cost or net realizable value
ii) Goods-in-process	Lower of cost or net realizable value
iii) Finished Goods	Lower of cost or net realizable value
iv) Stores, Spares Parts and Loose Tools	At weighted average cost
v) Scrap and Wastage	At estimated selling price

d) Property, Plant and equipment

- i) Items of property, plant & equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost is inclusive of freight, duties, taxes or levies (net of recoverable taxes) and any directly attributable cost of bringing the assets to their working condition for intended use.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

Profit or loss on disposal/ scrapping/ write off/ retirement from active use of an item of property, plant and equipment is recognised in the statement of profit and loss.

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Leasehold land, building on leasehold land as well as building on freehold land that are neither held to earn rentals nor for capital appreciation do not qualify as investment property.

- ii) Intangible assets acquired separately are measured on initial recognition at cost. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized

Impairment of Property, Plant and Equipment

At each balance sheet date, items of property, plant and equipment are reviewed to determine whether there is any indication of impairment. If any impairment indicator exists, estimate of the recoverable amount of the property, plant and equipment is made. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount rate.

Reversal of impairment losses recognised in earlier years is recorded when there is an indication that the impairment losses recognised for the asset no longer exist or have decreased. However, the increase in carrying amount of an asset due to reversal of an impairment loss is recognised to the extent it does not exceed the carrying amount that would have been determined (net of depreciation) had no impairment loss been recognised for that asset in earlier years.

e) Depreciation and Amortization

- i) Depreciation on Machinery is provided on Straight Line method and other assets on the written down value method over the useful estimated lives of assets as mentioned in Schedule II of the Companies Act, 2013. The estimated useful lives of the assets are as follows:

Assets	Useful Life
Building	30-60 years
Plant & Machinery	15 years
Furniture & Fixtures	10 years
Electrical Installation	10 years
Vehicles	8 years
Office Equipment	5 years
Computers	3 years

- ii) Intangible assets are amortized on a straight line basis over the estimated useful economic life.
- iii) Depreciation on Investment property is provided on the written down value method over the useful estimated lives of assets as mentioned in Schedule II of the Companies Act, 2013. Useful lives and residual values of all the fixed assets are reviewed annually.

f) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed on to the buyer, usually on delivery of goods. The company collects Service Tax, value added taxes (VAT) and Goods & Service Tax (GST) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. GST/Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year.

Interest

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding.

Dividend

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

Other Incomes are recognized on accrual basis.

g) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax

The tax currently payable is based on taxable profits for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amount of assets and liabilities in the financial statements and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and Deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Minimum Alternate Tax

Minimum alternate tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent

the Company does not have convincing evidence that it will pay normal tax during the specified period.

h) Earning per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earning per share is the net profit for the period. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares that could have been issued upon conversion.

i) Leases

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset/s and the arrangement conveys a right to use the asset/s, even if that right is not explicitly specified in an arrangement.

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards incidental to ownership of the asset to the lessee. All other leases are classified as operating leases.

Payments made under operating leases are recognised as an expense in the statement of profit and loss on a straight-line basis over the term of the lease unless such payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, in which case the same is recognised as an expense in line with the contractual term.

j) Foreign Exchange Transactions

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees.

In preparing the financial statements, transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognised in profit or loss in the period in which they arise.

k) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds.

l) Employee Benefits

Short term employee benefits

All employee benefits payable wholly within twelve months of rendering services are classified as short term employee benefits. Benefits such as salaries, wages, expected cost of bonus, ex-gratia, leave travel allowance, medical reimbursement, etc. are recognised in the period in which the employee renders the related services.

Compensated absences: As per the Company's leave policy, employees have to utilise their leave entitlement during the financial year and cannot carry forward their outstanding leave balance. Consequently, the Company does not make any provision for leave encashment/compensated absences as at the year end.

Post employment benefit plans

Defined Contribution Plan - Contributions towards Employees' PF Linked Pension Scheme is made to the regulatory

authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

Defined Benefit Plan

Provident Fund: Contribution towards provident fund are made to Employees' Provident Fund Organisation, India.

Gratuity: The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering employees on actual duty. The Company's liability is actuarially determined (using the Projected Unit Credit Method) at the end of each year. Actuarial losses/gains are recognised in the Other Comprehensive Income in the year in which they arise.

m) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are not recognised in the financial statements.

n) Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

o) Financial instruments

Financial assets and financial liabilities are recognized when an entity becomes a party to the contractual provisions of the instruments.

Initial recognition

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

a) Non-derivative financial instruments

i) Cash and Cash equivalents

The company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consists of balances with banks which are unrestricted for withdrawal and usage.

ii) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii) Equity investments at fair value through other comprehensive income (FVTOCI)

These include financial assets that are equity instruments and are irrevocably designated as such upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognized directly

in other comprehensive income, net of applicable income taxes.

Dividends from these equity investments are recognized in the Statement of Profit and Loss when the right to receive payment has been established. When the equity investment is derecognized, the cumulative gain or loss in equity is transferred to retained earnings.

iv) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

v) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

b) Share Capital

Ordinary Shares

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are recognized as a deduction from equity.

c) Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

p) Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include available quoted market prices. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized. The fair values of investments in mutual fund units is based on the net asset value ("NAV") as stated by the issuers of these mutual fund units in the published statements as at Balance Sheet date. NAV represents the price at which the issuer will issue further units of mutual fund and the price at which issuers will redeem such units from the investors.

The fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices in active markets for identical assets or liabilities that the Company can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability

q) Impairment of Financial Assets

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in profit or loss.

r) First-time adoption-mandatory exceptions and optional exemptions

Overall Principle

The Company has prepared the opening balance sheet as per Ind AS as of April 1, 2016 (the transition date) by

recognising all assets and liabilities whose recognition is required under Ind AS, not recognising items of assets and liabilities which are not permitted under Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to the certain exception and certain optional exemptions availed by the Company as detailed below.

Deemed cost for property, plant and equipment

The company has elected to continue with the carrying value of all of its property, plant and equipment recognized as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

s) Critical estimates in applying accounting policies

The preparation of financial statements in conformity with Ind AS requires management to make certain judgements and estimates that may affect the application of accounting policies, reported amounts and related disclosures.

These judgements and estimates may have an impact on the assets and liabilities, disclosure of contingent liabilities at the date of the financial statements, and income and expense items for the period under review. Actual results may differ from these judgments and estimates.

All assumptions, expectations and forecasts that are used as a basis for judgements and estimates in the financial statements represent as accurately an outlook as possible for the group. These judgements and estimates only represent our interpretation as of the dates on which they were prepared. Important judgements and estimates relate largely to provisions, pensions, tangible and intangible assets (lives, residual values and impairment), deferred tax assets and liabilities and valuation of financial instruments.

t) RECENT ACCOUNTING PRONOUNCEMENTS

Impact of implementation of Goods and Services Tax (GST) on the financial statements

Consequent to the introduction of Goods and Services Tax (GST) with effect from 1 July 2017, VAT, Service Tax etc. have been subsumed into GST. With the change in structure of indirect taxes, expenses are also being reported net of taxes. Accordingly, Financial statements for the year ended 31 March 2018 and in particular absolute expenses etc. are not comparable with the figures of the previous year.

Note:

* The Company holds around 55% shares in Modistone Ltd (MSL) which is under liquidation and was having working capital facilities from various banks. In 1996, the Company had also given a cash loan and material loan of Rs. 2524.00 lacs to MSL against mortgage of 2 flats in posh localities of Mumbai by way of deposit of title deeds. In 1996-97, at the time of renewal of working capital facility of MSL, consortium banks had asked for personal guarantee from Mr VK Modi & Dr. BK Modi (not holding any shares in MSL), who were then were the nominee directors of the Company on the board of MSL. MSL had also given them the counter guarantee. Board of Industrial and Financial Reconstruction recommended under section 20 of Sick Industrial Companies Act, 1985 to Bombay High Court for winding up of MSL. Consortium banks have filed recovery suits against guarantors and obtained decree from Debt Recovery Tribunal. Board of Directors of the Company in their board meeting dated 17th August 2017 decided to indemnify director of the Company (Mr. VK Modi) and also to do settlements with other banks on similar terms. 32. First-Time Adoption of Ind AS

The company has prepared its first Financial Statements in accordance with Ind AS for the year ended March 31, 2018. For periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with Indian GAAP, including accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended). The effective date for Company's Ind AS Opening Balance Sheet is April 1, 2016 (the date of transition to Ind AS). The adoption of Ind AS has been carried out in accordance with Ind AS 101, First time adoption of Indian Accounting Standards. Ind AS 101 requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements for the year ended March 31, 2018, be applied retrospectively and consistently for all financial years presented.

The accounting policies set out in Note 1.1 have been applied in preparing the financial statements for the year ended March 31, 2018, the comparative information presented in these financial statements for the year ended March 31, 2017 and in the preparation of an opening Ind AS Balance Sheet at April 1, 2016 (the Company's date of transition). According to Ind AS 101, the first Ind AS Financial Statements must use recognition and measurement principles that are based on standards and interpretations that are effective at March 31, 2018, the date of first-time preparation of Financial Statements according to Ind AS. These accounting principles and measurement principles must be applied retrospectively to the date of transition to Ind AS and for all periods presented within the first Ind AS Financial Statements.

However, in preparing these Ind AS financial statements, the company has availed certain exemptions and exceptions in accordance with Ind AS 101. Any resulting differences between carrying amounts of assets and liabilities according to Ind AS 101 as of April 1, 2016 compared with those presented in the Indian GAAP Balance Sheet as of March 31, 2016, were recognized in equity under retained earnings within the Ind AS Balance Sheet.

An explanation of how the transition from previous GAAP to Ind AS has affected the company's financial position, financial performance and cash flows is set out in the following notes and tables

A) Exemption and exceptions availed

In the Ind AS Opening Balance Sheet as at April 1, 2016, the carrying amounts of assets and liabilities from the Indian GAAP as at 31 March 2016 are generally recognized and measured according to Ind AS in effect as on March 31, 2018. For certain individual cases, however, Ind AS 101 provides for optional exemptions and mandatory exceptions to the general principles of retrospective application of Ind AS. The Company has used the following exemptions and exceptions in preparing its Ind AS Opening Balance Sheet:

A.1 Ind AS optional exemptions

A.1.1 Property, plant and equipment & Intangible assets

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments. This exemption can also be used for intangible assets covered by Ind AS 38, Intangible Assets. Accordingly, the company has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying value.

A.2 Ind AS mandatory exceptions

A.2.1 Estimates

The Company's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at 1 April 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP. The Company made estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous GAAP:

- Investment in equity instruments carried at FVTPL or FVTOCI;
- Impairment of financial assets based on expected credit loss model.

A.2.2 Classification and measurement of financial assets

Ind AS 101 requires the company to assess classification of financial assets on the basis of facts and circumstances existing as at the date of transition. Further, the standard permits measurement of financial assets accounted on amortised cost basis on fact and circumstances existing as at the date of transition, if retrospective application is impracticable.

Accordingly, the Company has determined the classification of financial assets on the basis of facts and circumstances existing as at the date of transition. Measurement of financial assets has been done retrospectively except where the same is impracticable.

A2.3 Derecognition of financial assets and liabilities

As per Ind AS 101 an entity should apply derecognition requirements in Ind AS 109 prospectively for transaction occurring on or after the date of transition to Ind AS.

Notes to first-time adoption:**(a) Financial assets**

Under Indian GAAP, investment in equity shares, mutual funds and GOI bonds are recorded at cost.

However, under Ind AS 113, certain assets which meet the definition of financial assets are classified as financial assets at fair value. Therefore, such financial assets have been fair valued as per market data. Gain/loss due to fair valuation of investments on the transition date has been adjusted against the retained earnings. Further, financial income on fair valuation during the year ended March 31, 2017 has been credited to the statement of profit and loss.

The effect of the adjustments resulted in increase in the value of financial assets and increase in retained earnings by Rs. 1,347.14 lacs on transition date. During the year ended March 31, 2017, value of financial assets were decreased by Rs 131.57 lacs by corresponding recording of financial income in the statement of profit and loss.

(b) Financial liabilities

Under Indian GAAP, liabilities pertaining to security deposits received from customers are recorded at cost.

However, under Ind AS, liabilities in which the Company has a contractual obligation to deliver cash are classified as financial liabilities and recorded at amortized cost. Therefore, such financial liabilities have been discounted to present value since they do not carry any interest. The upfront benefit on transition date due to the discounting has been adjusted against the retained earnings. Further, interest cost on unwinding of discount has been charged off to the statement of profit or loss.

The effect of the adjustments resulted in reduction of the value of financial liabilities by Rs. 2.36 lacs along with corresponding increase in retained earnings as on the transition date. During the year ended March 31, 2017, value of financial liabilities was increased by Rs. 0.06 lacs by corresponding increase in the statement of profit and loss.

(c) Employee benefits :

Both under Indian GAAP and Ind-AS, the company recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under Indian GAAP, the entire cost, including actuarial gains and losses, are charged to the statement of profit or loss. However, Under Ind-AS, remeasurements [comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets excluding amounts included in net interest on the net defined benefit liability] are recognised in Other Comprehensive Income.

(d) Loss allowance on trade receivable

Under Ind AS, impairment allowance has been determined based on Expected Loss Model (ECL) using the provision matrix as practical expedient. Due to ECL model, the Company has impaired its trade receivable by Rs. 2.49 lacs as on April 1, 2016 which has been adjusted against retained earnings. The net impact of Rs. 86.21 lacs for the year ended March 31, 2017 has been recognised in statement of profit and loss.

(e) Borrowings

Under IGAAP, transaction cost incurred in connection with borrowings are amortised upfront and charged to profit and loss for the period. Under Ind AS, transaction cost are included in the initial recognition amount of the financial liability and charged to profit and loss over the tenure of the loan using the effective interest method. Due to this, the Company has decreased its borrowings by Rs 0.03 lacs as on April 1, 2016 which has been adjusted against retained earnings. The corresponding amortization impact of Rs Nil for the year ended March 31, 2017 has been recognised in statement of profit and loss.

(f) Deferred taxes

The above changes increased (decreased) the deferred tax liability as follows based on a tax rate of 30.90 per cent and long term and short term capital gain tax rate of Rs 20.6% and 30.9% respectively:

Indian GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind-AS 12 "Income Taxes" requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind-AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under Indian GAAP.

The above changes increased/(decreased) the deferred tax asset as follows:

(g) Retained earnings :

Retained earnings as at April 1, 2016 has been adjusted consequent to the above Ind AS transition adjustments.

(h) Other comprehensive income

Under Indian GAAP, the Company has not presented other comprehensive income (OCI) separately. Items that have been reclassified from statement of profit and loss to other comprehensive income includes remeasurement of defined benefit plans (net of tax) and gain/loss on Fair Value Through Other Comprehensive Income of equity instruments. Hence, Indian GAAP profit or loss is reconciled to total comprehensive income as per Ind AS.

(i) Statement of cash flows

The transition from Indian GAAP to Ind AS has not had a material impact on the statement of cash flows.

(j) Leasehold land, building on leasehold land as well as building on freehold land that are neither held to earn rentals nor for capital appreciation do not qualify as investment property.

34. Fair Value Measurements

(a) Financial instruments by category

All the financial assets and liabilities viz. deposits for utilities, trade receivables, cash and cash equivalents, other bank balances, interest receivable, recoverable from employees, trade payables, employee related liabilities and payable for expenses, are measured at amortised cost.

(b) Fair value hierarchy

The Company determines the fair value of its financial instruments on the basis of the following hierarchy:

Level 1: The fair value of financial instruments that are quoted in active markets are determined on the basis of quoted price for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques based on observable market data.

Level 3: The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs). Fair value of investment in unquoted equity shares is determined using discounted cash flow technique.

There are no transfers between different fair value hierarchy levels in 2016-17, 2017-18.

35.1 Financial Risk Management

In the course of its business, the Company is exposed to a number of financial risks: liquidity risk, credit risk, market risk. This note presents the Company's objectives, policies and processes for managing its financial risk and capital.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations resulting in a financial loss to the Company. Credit risk encompasses both the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. Credit risk arises principally from trade receivables, loans & advances, cash & cash equivalents and deposits with banks and financial institutions.

Investments

The Company has made investments in tax free long term bonds, deposit with banks, mutual funds etc. Funds are invested in accordance with the Company's established investment policy that includes parameters of safety, liquidity and post tax returns.

Trade receivables

The activities of the company primarily include rental income. The invoices raised to customers immediately falls due for payment after the credit period allowed to customers. Refer Note 39 on disclosure on related party transactions with respect to amount outstanding as at reporting date.

Credit risk arising from trade receivables is managed in accordance with the Management control and approval procedure. The Company provides for expected credit losses on trade receivables based on a simplified approach as per Ind AS 109. Under this approach, expected credit losses are computed basis the probability of defaults over the lifetime of the asset. This allowance is measured taking into account credit profile of the customer, geographical spread, trade channels, past experience of defaults, estimates for future uncertainties etc.

Other financial assets

Other financial assets include employee loans, security deposits etc. Based on historical experience and credit profiles of counterparties, the Company does not expect any significant risk of default. The Company's maximum exposure to credit risk for each of the above categories of financial assets is their carrying values as at the reporting dates.

(i) **Exposure to credit risk**

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

Liquidity risk

Liquidity risk refers to risk that the Company may encounter difficulties in meeting its obligations associated with financial liabilities that are settled in cash or other financial assets. The Company regularly monitors the rolling forecasts to ensure that sufficient liquidity is maintained on an ongoing basis to meet operational needs. The Company manages the liquidity risk by planning the investments in a manner such that the desired quantum of funds could be made available to meet any of the business requirements within a reasonable period of time. In addition, the Company also maintains flexibility in arranging the funds by maintaining committed credit lines with various banks to meet the obligations.

Market risk

Market risk is the risk of any loss in future earnings, in realizable fair values or in future cash flows that may result from a change in the price of a financial instrument. The risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

Interest Rate Risk

Interest rate risk refers to risk that the fair value of future cash flows of a financial instrument may fluctuate because of changes in market interest rates. The Company is not exposed to any significant interest rate risk as its investments are primarily in fixed rate instruments. Also, there are no significant borrowings as at the balance sheet date.

Price Risk

Price risk refers to risk that the fair value of a financial instrument may fluctuate because of the change in the market price. The Company is exposed to the price risk mainly from investment in mutual funds and investment in equity instruments. Investment in mutual funds are made primarily in units of liquid funds and are not exposed to significant price risk.

Foreign Currency Risk

Foreign currency risk refers to risk that the fair value of future cash flows of an exposure may fluctuate due to change in the foreign exchange rates. The Company is not exposed to foreign currency risk as it is not having any transactions in foreign currency.

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for preparation of these consolidated Ind-AS financial statements in terms of the requirement of Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance (including Other Comprehensive Income), consolidated cash flows and consolidated statement of changes in equity of the Group including its joint ventures and associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with relevant rules issued thereunder.

The respective Board of Directors of the Companies included in the Group and of its joint ventures and associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group including its joint ventures and associate and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Board of Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about

the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements of joint ventures and associate, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its joint ventures and associate as at 31 March 2018 and their consolidated profit including other comprehensive income, their consolidated cash flows and consolidated statement of changes in equity for the year ended on that date.

Other Matters

- a) The consolidated financial statements also include the Group's share of net profit of Rs. 3,023.39 lacs including other comprehensive income for the year ended 31 March 2018, as considered in the consolidated Ind AS financial statements, in respect of 2 joint ventures, whose financial statements have not been audited by us. These financial statements have been audited by the other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these joint ventures, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid joint ventures, is based solely on the reports of the other auditors.
- b) The consolidated Ind AS financial statements also include the Group's share of net profit of Rs. 86.88 lacs including other comprehensive income for the year ended 31 March 2018, as considered in the consolidated Ind AS financial statements, in respect of 1 joint venture. These financial statements and other financial information are unaudited and has been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the joint venture, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid joint venture, is based solely on such unaudited financial statements and other financial information. In our opinion and according to the information and explanations given

to us by the Management, these financial statements and other financial information are material to the Group.

- c) The consolidated Ind AS financial statements also include the Group's share of net profit of Rs. 1.08 lacs including other comprehensive income for the year ended 31 March 2018, as considered in the consolidated Ind AS financial statements, in respect of 1 associate. These financial statements and other financial information are unaudited and has been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the associate, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid associate, is based solely on such unaudited financial statements and other financial information. Further, these financial statements have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP) as notified under Companies (Accounting Standards) Rules, 2006. However, as per Management there will be no material differences in financial statements, if the same will be converted from Indian GAAP to Ind AS. In our opinion and according to the information and explanations given to us by the Management, these financial statements and other financial information are not material to the Group.
- d) The comparative financial information for the year ended March 31, 2017 and the transition date opening balance sheet as at April 1, 2016 in respect of 2 joint ventures included in these consolidated Ind AS financial statements prepared in accordance with the Ind AS have been audited by other auditors and have been relied upon by us.
- e) The financial information of the Group for the year ended March 31, 2017 and the transition date opening balance sheet as at April 1, 2016 included in these consolidated Ind AS financial statements, are based on the previously issued statutory financial statements for the years ended March 31, 2017 and March 31, 2016 prepared in accordance with the Companies (Accounting Standards) Rules, 2006 (as amended) which were not audited by us. The adjustments made to those financial statements for the differences in accounting principles adopted by the Company on transition to comply with the Ind AS have been audited by us.

Our opinion on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the management of the Parent.

Report on Other Legal and Regulatory Requirements

As required by Section 143 (3) of the Act, based on our audit and on the consideration of the report of other auditors on separate financial statements and other financial information of subsidiaries and joint ventures and associate, as noted in the 'other matters' paragraph, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;

- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
- (d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, read with relevant rules issued thereunder;
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2018 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies, joint ventures and associate incorporated in India, none of the directors of the Group's companies and its joint ventures and associate incorporated in India is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company, its subsidiary companies, joint venture and associate incorporated in India and operating effectiveness of such controls, referred to in our separate Report in "Annexure A";
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors') Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the joint ventures and associate as noted in the 'Other matters' paragraph:
- The consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its joint ventures and associate. (Refer Note 43 and 53 to the consolidated Ind AS financial statements).

**ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT
(Referred to in paragraph 1(g) under the heading 'Report on Other
Legal and Regulatory Requirements' of our report of even date on
the Consolidated Ind AS Financial Statements of Modi Rubber
Limited)**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")
In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31 March 2018, we have audited the internal financial controls over financial reporting of Modi Rubber Limited ("the Holding Company"), its subsidiaries, (the Holding Company and its subsidiaries together referred to as "the Group"), its joint ventures and its associate, which are the companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary companies, its joint ventures and its associate which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on, the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditors in terms of their reports referred to in the other matter paragraph below, is sufficient and

appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to further periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies, its joint ventures and its associate which are companies incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting, insofar as it relates to 2 joint ventures, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India, and in so far as it relates to 1 joint venture and 1 associates, which are companies incorporated in India, and whose financial statements are unaudited, is based on written representation from the management of such companies.

Significant accounting policies and other notes to consolidated financial statements for the year ended March 31, 2018

1. GROUP CORPORATE INFORMATION

Modi Rubber Limited Group consists of Modi Rubber Limited (“the Company”), its two subsidiaries, (the Holding Company and its subsidiaries together referred to as “the Group”), its three joint ventures and its one associate. The Group’s operations comprise manufacturing automobile tyres, tubes & flaps, manufacture and sale of resin coated sand as well as operating salons.

1.1 SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Preparation of Consolidated Financial Statements.

a) Statement of Compliance

The Consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules, 2015. The financial statements have been prepared in accordance with Ind AS prescribed under Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies to the extent applicable.

Upto the year ended March 31, 2017, the Group prepared its consolidated financial statements in accordance with the requirements of the Standards notified under the Companies (Accounting Standards) Rules, 2014 and guidelines issued by the Securities and Exchange Board of India (SEBI) as amended from time to time. These are the Group’s first Ind AS consolidated financial statements. The date of transition to Ind AS is April 1, 2016. Details of first-time adoption exemptions availed by the group is given in Note 32. In accordance with Ind AS 101 First-time Adoption of Indian Accounting Standard, the Group has presented a reconciliation from the presentation of consolidated financial statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2014 (“Previous GAAP”) to Ind AS of Shareholders’ equity as at March 31, 2017 and April 1, 2016 and of the comprehensive net income for the year ended March 31, 2017.

b) Basis of Preparation and Presentation

The consolidated financial statements have been prepared on accrual basis under the historical cost convention except for certain financial instruments that are measured at fair values at the end of each reporting period and in case of certain items of Income/Expenditure where recovery/payment is uncertain.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Basis of consolidation

Subsidiaries

The Consolidated Financial Statements of the Group include its subsidiaries namely Superior Investment (India) Limited and Spin Investment (India) Limited incorporated in India in which the Company holds 100% of their respective paid up Share Capital. Subsidiaries are entities controlled by the Company. Control exists when the Company (a) has power over the investee; (b) it is exposed, or has rights, to variable returns from its involvement with the investee and (c) has the ability to affect those returns through its power over the investee. The Company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements listed above. In assessing control, potential voting rights that currently are exercisable are taken into account.

The assets, liabilities, income and expenses of subsidiaries are aggregated and consolidated, line by line. Profit or loss and each component of other comprehensive income are attributed to the Group as owners and to the non-controlling interests.

Inter-company transactions and balances including unrealized profits are eliminated in full on consolidation.

Joint ventures and Associate

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement. The results, assets and liabilities of a joint venture are incorporated in these financial statements using the equity method of accounting as described below.

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies. The

results, assets and liabilities of associate are incorporated in these financial statements using the equity method of accounting as described below.

Equity method of accounting

An interest in a joint venture and associate is accounted for using the equity method from the date in which the investee becomes a joint venture/associate and are recognized initially at cost. The Group's investment includes goodwill identified on acquisition, net of any accumulated impairment losses. The consolidated financial statements include the Group's share of profits or losses and equity movements of equity accounted investees, from the date that joint control/significant influence commences until the date that joint control/significant influence ceases. When the Group's share of losses exceeds its interest in an equity accounted investee, the carrying amount of that interest (including any long-term investments in the nature of net investments) is reduced to nil and the recognition of further losses is discontinued except to the extent that the Group has an obligation or has made payments on behalf of the investee. When the Group transacts with a joint venture/associate, unrealized profits and losses are eliminated to the extent of the Group's interest in its associate or joint venture.

The Consolidated Financial Statements comprise the financial statements of Modi Rubber Limited and its subsidiaries, joint ventures and associate companies as on 31 March 2018 which are as under:

S. No.	Name of the Subsidiary and Joint Venture	Financial year ended on	Extent of Holding Company's interest as 31 March 2018/ 31 March 2017/ 01 April 2016	Country of incorporation

	Associate			
vi)	Vinura Beverages Private Limited	March 31, 2018	49.98%/49.98%/49.98%	India

* Incorporated on 07 December 2016

Consolidation of the Modistone Limited in which the parent company holds 55.32% of its paidup Capital has not been made because Modistone Limited is under liquidation. The Official Liquidator has taken charge of the company w.e.f. 25.7.2002 as per the order of Hon'ble Bombay High Court. Provision for diminution in value of this investment has already been made in earlier years.

Functional and Presentation Currency

The financial statements have been prepared and presented in Indian Rupees (₹), which is also the Group's functional currency.

Rounding off

All amounts in the financial statement and accompanying notes are presented in Rs Lakhs and have been rounded-off to two decimal places unless stated otherwise.

Current and Non-current Classification

The Group has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities. This is based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents.

c) Inventories

Inventories are stated at the lower of cost and net realisable value after providing for obsolescence. Costs of inventories are determined on weighted average basis. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. Cost of inventories comprises of cost of

purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition.

- | | |
|--|---------------------------------------|
| i) Raw Materials | Lower of cost or net realizable value |
| ii) Goods-in-process | Lower of cost or net realizable value |
| iii) Finished Goods | Lower of cost or net realizable value |
| iv) Stores, Spares Parts and Loose Tools | At weighted average cost |
| v) Scrap and Wastage | At estimated selling price |

d) Property, Plant and equipment

- i) Items of property, plant & equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost is inclusive of freight, duties, taxes or levies (net of recoverable taxes) and any directly attributable cost of bringing the assets to their working condition for intended use.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

Profit or loss on disposal/ scrapping/ write off/ retirement from active use of an item of property, plant and equipment is recognised in the statement of profit and loss.

For transition to Ind AS, the Group has elected to continue with the carrying value of all of its property, plant and equipment recognised as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Leasehold land, building on leasehold land as well as building on freehold land that are neither held to earn rentals nor for capital appreciation do not qualify as investment property.

- ii) Intangible assets acquired separately are measured on initial recognition at cost. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized

Impairment of Property, Plant and Equipment

At each balance sheet date, items of property, plant and equipment are reviewed to determine whether there is any indication of impairment. If any impairment indicator exists, estimate of the recoverable amount of the property, plant and equipment is made. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount rate.

Reversal of impairment losses recognised in earlier years is recorded when there is an indication that the impairment losses recognised for the asset no longer exist or have decreased. However, the increase in carrying amount of an asset due to reversal of an impairment loss is recognised to the extent it does not exceed the carrying amount that would have been determined (net of depreciation) had no impairment loss been recognised for that asset in earlier years.

e) Depreciation and Amortization

- i) Depreciation on Machinery is provided on Straight Line method and other assets on the written down value method over the useful estimated lives of assets as mentioned in Schedule II of the Companies Act, 2013. The estimated useful lives of the assets are as follows:

Assets	Useful Life
Building	30-60 years
Plant & Machinery	15 years
Furniture & Fixtures	10 years
Electrical Installation	10 years
Vehicles	8 years
Office Equipment	5 years

- ii) Intangible assets are amortized on a straight line basis over the estimated useful economic life
- iii) Depreciation on Investment property is provided on the written down value method over the useful estimated lives of assets as mentioned in Schedule II of the Companies Act, 2013. Useful lives and residual values of all the fixed assets are reviewed annually.

f) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed on to the buyer, usually on delivery of goods. The Group collects Service Tax, value added taxes (VAT) and Goods & Service Tax (GST) on behalf of the government and, therefore, these are not economic benefits flowing to the Group. Hence, they are excluded from revenue. GST/Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year.

Interest

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding.

Dividend

Dividend income is recognized when the Group's right to receive dividend is established by the reporting date.

Other Incomes are recognized on accrual basis.

g) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax

The tax currently payable is based on taxable profits for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amount of assets and liabilities in the financial statements and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and Deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Minimum Alternate Tax

Minimum alternate tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The Group recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Group will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Group recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement." The Group reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Group does not have convincing evidence that it will pay normal tax during the specified period.

h) Earning per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Group's earning per share is the net profit for the period. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares that could have been issued upon conversion.

i) Leases

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset/s and the arrangement conveys a right to use the asset/s, even if that right is not explicitly specified in an arrangement.

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards incidental to ownership of the asset to the lessee. All other leases are classified as operating leases.

Payments made under operating leases are recognised as an expense in the statement of profit and loss on a straight-line basis over the term of the lease unless such payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, in which case the same is recognised as an expense in line with the contractual term.

j) Foreign Exchange Transactions

The functional currency of the Group is the Indian rupee. These financial statements are presented in Indian rupees.

In preparing the financial statements, transactions in currencies other than the Group's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognised in profit or loss in the period in which they arise.

k) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

Borrowing costs consist of interest and other costs that the Group incurs in connection with the borrowing of funds.

l) Employee Benefits

Short term employee benefits

All employee benefits payable wholly within twelve months of rendering services are classified as short term employee benefits. Benefits such as salaries, wages, expected cost of bonus, ex-gratia, leave travel allowance, medical reimbursement, etc. are recognised in the period in which the employee renders the related services.

Performance incentives: The undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered by employees is recognised during the period when the employee renders the services. These benefits include performance incentives.

Compensated absences: As per the Group's leave policy, employees have to utilise their leave entitlement during the financial year and cannot carry forward their outstanding leave balance. Consequently, the Group does not make any provision for leave encashment/compensated absences as at the year end

Post employment benefit plans

Defined Contribution Plan - Contributions towards Employees' PF Linked Pension Scheme is made to the regulatory authorities, where the Group has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Group does not carry any further obligations, apart from the contributions made on a monthly basis.

Defined Benefit Plan

Provident Fund: Contribution towards provident fund are made to Employees' Provident Fund Organisation, India.

Gratuity: The Group provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering employees on actual duty. The Group's liability is actuarially determined (using the Projected Unit Credit Method) at the end of each year. Actuarial losses/gains are recognised in the Other Comprehensive Income in the year in which they arise.

m) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are not recognised in the financial statements.

n) Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

o) Financial instruments

Financial assets and financial liabilities are recognized when an entity becomes a party to the contractual provisions of the instruments.

Initial recognition

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

a) Non-derivative financial instruments

i) Cash and Cash equivalents

The Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consists of balances with banks which are unrestricted for withdrawal and usage.

ii) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii) Equity investments at fair value through other comprehensive income (FVTOCI)

These include financial assets that are equity instruments and are irrevocably designated as such upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognized directly in other comprehensive income, net of applicable income taxes.

Dividends from these equity investments are recognized in the Statement of Profit and Loss when the right to receive payment has been established. When the equity investment is derecognized, the cumulative gain or loss in equity is transferred to retained earnings.

iv) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

v) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

b) Share Capital

Ordinary Shares

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are recognized as a deduction from equity.

c) Derecognition of financial instruments

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

p) Fair value of financial instruments

In determining the fair value of its financial instruments, the Group uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include available quoted market prices. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized. The fair values of investments in mutual fund units is based on the net asset value ("NAV") as stated by the issuers of these mutual fund units in the published statements as at Balance Sheet date. NAV represents the price at which the issuer will issue further units of mutual fund and the price at which issuers will redeem such units from the investors.

The fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices in active markets for identical assets or liabilities that the Group can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

q) Impairment of Financial Assets

The Group recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is

measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in profit or loss.

r) First-time adoption-mandatory exceptions and optional exemptions

Overall Principle

The Group has prepared the opening balance sheet as per Ind AS as of April 1, 2016 (the transition date) by recognising all assets and liabilities whose recognition is required under Ind AS, not recognising items of assets and liabilities which are not permitted under Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to the certain exception and certain optional exemptions availed by the Group as detailed below.

Deemed cost for property, plant and equipment

The Group has elected to continue with the carrying value of all of its property, plant and equipment recognized as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

s) Critical estimates in applying accounting policies

The preparation of financial statements in conformity with Ind AS requires management to make certain judgements and estimates that may affect the application of accounting policies, reported amounts and related disclosures.

These judgements and estimates may have an impact on the assets and liabilities, disclosure of contingent liabilities at the date of the financial statements, and income and expense items for the period under review. Actual results may differ from these judgments and estimates.

All assumptions, expectations and forecasts that are used as a basis for judgements and estimates in the financial statements represent as accurately an outlook as possible for the group. These judgements and estimates only represent our interpretation as of the dates on which they were prepared. Important judgements and estimates relate largely to provisions, pensions, tangible and intangible assets (lives, residual values and impairment), deferred tax assets and liabilities and valuation of financial instruments.

t) RECENT ACCOUNTING PRONOUNCEMENTS

Impact of implementation of Goods and Services Tax (GST) on the financial statements

Consequent to the introduction of Goods and Services Tax (GST) with effect from 1 July 2017, VAT, Service Tax etc. have been subsumed into GST. With the change in structure of indirect taxes, expenses are also being reported net of taxes. Accordingly, financial statements for the year ended 31 March 2018 and in particular absolute expenses etc. are not comparable with the figures of the previous year.

Note:

* The Company holds around 55% shares in Modistone Ltd (MSL) which is under liquidation and was having working capital facilities from various banks. In 1996, the Company had also given a cash loan and material loan of Rs. 2524.00 lacs to MSL against mortgage of 2 flats in posh localities of Mumbai by way of deposit of title deeds. In 1996-97, at the time of renewal of working capital facility of MSL, consortium banks had asked for personal guarantee from Mr VK Modi & Dr. BK Modi (not holding any shares in MSL), who were then were the nominee directors of the Company on the board of MSL. MSL had also given them the counter guarantee. Board of Industrial and Financial Reconstruction recommended under section 20 of Sick Industrial Companies Act, 1985 to Bombay High Court for winding up of MSL. Consortium banks have filed recovery suits against guarantors and obtained decree from Debt Recovery Tribunal. Board of Directors of the Company in their board meeting dated 17th August 2017 decided to indemnify director of the Company (Mr. VK Modi) and also to do settlements with other banks on similar terms. The Company settled the liability of State Bank of Bikaner & Jaipur of Rs. 1320.00 lacs & State Bank of Indore of Rs. 536.04 lacs for Rs. 141.11 lacs & Rs. 72.61 lacs respectively which are recoverable from MSL in due course.

32. First-time Adoption of Ind AS

The company has prepared its first Consolidated Financial Statements in accordance with Ind AS for the year ended March 31, 2018. For periods up to and including the year ended March 31, 2017, the Company prepared its Consolidated financial statements in accordance with Indian GAAP, including accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended). The effective date for Company's Ind AS Opening Balance Sheet is April 1, 2016 (the date of transition to Ind AS). The adoption of Ind AS has been carried out in accordance with Ind AS 101, First time adoption of Indian Accounting Standards. Ind AS 101 requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS Consolidated financial statements for the year ended March 31, 2018, be applied retrospectively and consistently for all financial years presented.

The accounting policies set out in Note 1.1 have been applied in preparing the financial statements for the year ended March 31, 2018, the comparative information presented in these financial statements for the year ended March 31, 2017 and in the preparation of an opening Ind AS Balance Sheet at April 1, 2016 (the Company's date of transition). According to Ind AS 101, the first Ind AS Consolidated Financial Statements must use recognition and measurement principles that are based on standards and interpretations that are effective at March 31, 2018, the date of first-time preparation of Financial Statements according to Ind AS. These accounting principles and measurement principles must be applied retrospectively to the date of transition to Ind AS and for all periods presented within the first Ind AS Consolidated Financial Statements.

However, in preparing these Ind AS Consolidated financial statements, the company has availed certain exemptions and exceptions in accordance with Ind AS 101. Any resulting differences between carrying amounts of assets and liabilities according to Ind AS 101 as of April 1, 2016 compared with those presented in the Indian GAAP Balance Sheet as of March 31, 2016, were recognized in equity under retained earnings within the Ind AS Balance Sheet.

An explanation of how the transition from previous GAAP to Ind AS has affected the company's financial position, financial performance and cash flows is set out in the following notes and tables

A) Exemption and exceptions availed

In the Ind AS Opening Consolidated Balance Sheet as at April 1, 2016, the carrying amounts of assets and liabilities from the Indian GAAP as at 31 March 2016 are generally recognized and measured according to Ind AS in effect as on March 31, 2018. For certain individual cases, however, Ind AS 101 provides for optional exemptions and mandatory exceptions to the general principles of retrospective application of Ind AS. The Company has used the following exemptions and exceptions in preparing its Ind AS Opening Consolidated Balance Sheet:

A.1 Ind AS optional exemptions

A.1.1 Property, plant and equipment & Intangible assets

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the Consolidated financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments. This exemption can also be used for intangible assets covered by Ind AS 38, Intangible Assets. Accordingly, the company has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying value.

A.2 Ind AS mandatory exceptions

A.2.1 Estimates

The Company's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error. Ind AS estimates as at 1 April 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP. The Company made estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous GAAP:

- Investment in equity instruments carried at FVTPL or FVTOCI;
- Impairment of financial assets based on expected credit loss model.

A2.2 Classification and measurement of financial assets

Ind AS 101 requires the company to assess classification of financial assets on the basis of facts and circumstances existing as at the date of transition. Further, the standard permits measurement of financial assets accounted on amortised cost basis on fact and circumstances existing as at the date of transition, if retrospective application is impracticable.

Accordingly, the Company has determined the classification of financial assets on the basis of facts and circumstances existing as at the date of transition. Measurement of financial assets has been done retrospectively except where the same is impracticable.

A2.3 Derecognition of financial assets and liabilities

As per Ind AS 101 an entity should apply derecognition requirements in Ind AS 109 prospectively for transaction occurring on or after the date of transition to Ind AS.

Notes to first-time adoption:

(a) Financial assets

Under Indian GAAP, investment in equity shares, mutual funds and GOI bonds are recorded at cost.

However, under Ind AS 113, certain assets which meet the definition of financial assets are classified as financial assets at fair value. Therefore, such financial assets have been fair valued as per market data. Gain/loss due to fair valuation of investments on the transition date has been adjusted against the retained earnings. Further, financial income on fair valuation during the year ended March 31, 2017 has been credited to the statement of profit and loss.

The effect of the adjustments resulted in increase in the value of financial assets and increase in retained earnings by Rs. 1,347.14 lacs on transition date. During the year ended March 31, 2017, value of financial assets were decreased by Rs 131.57 lacs by corresponding recording of financial income in the statement of profit and loss.

(b) Financial liabilities

Under Indian GAAP, liabilities pertaining to security deposits received from customers are recorded at cost.

However, under Ind AS, liabilities in which the Company has a contractual obligation to deliver cash are classified as financial liabilities and recorded at amortized cost. Therefore, such financial liabilities have been discounted to present value since they do not carry any interest. The upfront benefit on transition date due to the discounting has been adjusted against the retained earnings. Further, interest cost on unwinding of discount has been charged off to the statement of profit or loss.

The effect of the adjustments resulted in reduction of the value of financial liabilities by Rs. 2.36 lacs along with corresponding increase in retained earnings as on the transition date. During the year ended March 31, 2017, value of financial liabilities was increased by Rs. 0.06 lacs by corresponding increase in the statement of profit and loss.

(c) Employee benefits :

Both under Indian GAAP and Ind-AS, the company recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under Indian GAAP, the entire cost, including actuarial gains and losses, are charged to the statement of profit or loss. However, Under Ind-AS, remeasurements [comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets excluding amounts included in net interest on the net defined benefit liability] are recognised in Other Comprehensive Income.

(d) Loss allowance on Trade receivable

Under Ind AS, impairment allowance has been determined based on Expected Loss Model (ECL) using the provision matrix as practical expedient. Due to ECL model, the Company has impaired its trade receivable by Rs. 2.49 lacs as on

April 1, 2016 which has been adjusted against retained earnings. The net impact of Rs. 86.21 lacs for the year ended March 31, 2017 has been recognised in statement of profit and loss.

(e) Borrowings

Under IGAAP, transaction cost incurred in connection with borrowings are amortised upfront and charged to profit and loss for the period. Under Ind AS, transaction cost are included in the initial recognition amount of the financial liability and charged to profit and loss over the tenure of the loan using the effective interest method. Due to this, the Company has decreased its borrowings by Rs 0.03 lacs as on April 1, 2016 which has been adjusted against retained earnings. The corresponding amortization impact of Rs Nil lacs for the year ended March 31, 2017 has been recognised in statement of profit and loss.

(f) Deferred taxes

The above changes increased/(decreased) the deferred tax liability as follows based on a tax rate of 30.90 per cent and long term and short term capital gain tax rate of Rs 20.6% and 30.9% respectively:

Indian GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind-AS 12 "Income Taxes" requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind-AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under Indian GAAP.

The above changes increased/(decreased) the deferred tax asset as follows:

	April 1, 2016	March 31, 2017
Measurement of financial liabilities at amortised cost	(0.74)	0.82
Measurement of investment at fair value	(64.00)	(2.62)
Measurement of assets at amortised cost	0.77	26.64
Rent equalisation reserve	7.79	0.09
	(56.18)	24.93

(g) Investment in joint venture:

Under previous GAAP, Group had accounted its interest in the joint ventures in the consolidated financial statements on proportionate consolidation method. On transition to Ind AS the Group has assessed and determined that joint venture has to be accounted for using the equity method as against proportionate consolidation method. For the application of equity method, the initial investment, as at the date of transition, is regarded as a deemed cost and measured as the aggregate of carrying amount of assets and liabilities that the Group had previously proportionately consolidated including any goodwill arising on acquisition.

(h) Retained earnings :

Retained earnings as at April 1, 2016 has been adjusted consequent to the above Ind AS transition adjustments.

(i) Other comprehensive income

Under Indian GAAP, the Company has not presented other comprehensive income (OCI) separately. Items that have been reclassified from statement of profit and loss to other comprehensive income includes remeasurement of defined benefit plans (net of tax) and gain/loss on Fair Value Through Other Comprehensive Income of equity instruments. Hence, Indian GAAP profit or loss is reconciled to total comprehensive income as per Ind AS.

(j) Statement of cash flows

The transition from Indian GAAP to Ind AS has not had a material impact on the statement of cash flows.

(k) Leasehold land, building on leasehold land as well as building on freehold land that are neither held to earn rentals nor for capital appreciation do not qualify as investment property.

34. Fair Value Measurements

(a) Financial instruments by category

All the financial assets and liabilities viz. deposits for utilities, trade receivables, cash and cash equivalents, other bank balances, interest receivable, recoverable from employees, trade payables, employee related liabilities and payable for expenses, are measured at amortised cost.

(b) Fair value hierarchy

The Company determines the fair value of its financial instruments on the basis of the following hierarchy:

Level 1: The fair value of financial instruments that are quoted in active markets are determined on the basis of quoted price for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques based on observable market data.

Level 3: The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs). Fair value of investment in unquoted equity shares is determined using discounted cash flow technique.

There are no transfers between different fair value hierarchy levels in 2016-17, 2017-18.

35.1 Financial Risk Management

In the course of its business, the Company is exposed to a number of financial risks: liquidity risk, credit risk, market risk. This note presents the Company's objectives, policies and processes for managing its financial risk and capital.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations resulting in a financial loss to the Company. Credit risk encompasses both the direct risk of default and

the risk of deterioration of creditworthiness as well as concentration risks. Credit risk arises principally from trade receivables, loans & advances, cash & cash equivalents and deposits with banks and financial institutions.

Investments

The Company has made investments in tax free long term bonds, deposit with banks, mutual funds etc. Funds are invested in accordance with the Company's established investment policy that includes parameters of safety, liquidity and post tax returns.

Trade receivables

The activities of the company primarily include rental income. The invoices raised to customers immediately falls due for payment after the credit period allowed to customers. Refer Note 39 on disclosure on related party transactions with respect to amount outstanding as at reporting date. Credit risk arising from trade receivables is managed in accordance with the Management control and approval procedure. The Company provides for expected credit losses on trade receivables based on a simplified approach as per Ind AS 109. Under this approach, expected credit losses are computed basis the probability of defaults over the lifetime of the asset. This allowance is measured taking into account credit profile of the customer, geographical spread, trade channels, past experience of defaults, estimates for future uncertainties etc.

Other financial assets

Other financial assets include employee loans, security deposits etc. Based on historical experience and credit profiles of counterparties, the Company does not expect any significant risk of default. The Company's maximum exposure to credit risk for each of the above categories of financial assets is their carrying values as at the reporting dates.

(i) Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

Note 1 - In view of large number of cases, it is not practicable to disclose individual details. Above amounts are affected by numerous uncertainties and timing of economic benefit outflow will depend upon timing of decision of these cases.

Note 2 - On the basis of current status of individual case and as per legal advise obtained by the Company, wherever applicable. The Company is confident of winning the above cases and is of the view that no further provision required in respect of these cases.

- 44** Post sanction of Rehabilitation Scheme under the provisions of SICA by BIFR on 21.04.2008, the Company had given full effect of the scheme from cut off date in the books of accounts assuming that the relief and concessions as given to the company in the scheme would be accepted by all the concerned parties/creditors.
- 45** BIFR vide its order dated 23.02.2010 discharged the company from the purview of SICA/ BIFR upon turning net worth positive as at 31.03.2009, with the direction that the unimplemented portion of rehabilitation scheme (SS08) for the unexpired period of the Scheme would be implemented by the concerned agencies and their implementation would be monitored by the company. Some of the authorities/parties have not accepted terms of settlement and relief & concessions as provided in SS08. The Company has filed a status report on the unimplemented portion of the Rehabilitation Scheme as at September 30th, 2016 with BIFR on 20/10/2016. Further Government of India (GOI) vide its Gazette notification dated 25/11/2016 repealed SICA w.e.f 01/12/2016 by passing the Sick Industrial Companies (Special provisions) Repeal Act, 2003. All proceedings pending in BIFR/ AAFIR would now stand abated and a time period of 180 days have been given to all applicants to approach National Company Law Tribunal (NCLT) and to get appropriate relief under Insolvency and Bankruptcy Code, 2016. Further all schemes sanctioned by BIFR are saved and would continue to be enforceable by NCLT.
- 46** Land & Building at Modi Tyre Factory (MTF), Modinagar is on perpetual lease taken from Modi Export Processors Ltd. (MEPL) which has been liquidated by the order of Hon'ble Allahabad High Court. Pursuant to Allahabad High Court Order possession of the MTF is with the Official Liquidator of MEPL. Company has taken appropriate legal recourse for getting possession back of MTF from Official Liquidator for carrying out industrial activities in terms of BIFR Order dated 21.04.2008. After possession, Company shall take necessary steps as required
- 47** Expenses and claims relating to previous year adjusted in respective accounts not separately shown are Rs. Nil Lacs [previous year Rs. 4.64 Lacs].
- 48** The Company's operations comprise only one segment i.e. Automobile Tyres, Tubes & Flaps and therefore there is no other business / geographical segments to be reported as required under Accounting Standard (AS-17) of the The Institute of Chartered Accountants of India.

- 49 During the previous year, the Company had specified bank notes or other denomination note as defined in the MCA notification G.S.R. 308(E) dated March 30, 2017 on the details of Specified Bank Notes (SBNs) held and transacted during the period from November 8, 2016 to December, 30 2016, the denomination wise SBNs and other notes as per the notification is given below:
