### Management

**Mr. Prakash P. Chhabria**

Executive Chairman

Subsequent to a Covid-19 induced volume reduction in Q1, business has witnessed recovery in Q2 with near normal operating conditions. Significant improvement in EBIT on YOY basis, attributable to better realisations and lower costs in both the operating segments and higher volume in the PVC resin segment.

**About Finolex Industries Limited**

Finolex Industries Limited, headquartered in Pune, is the largest supplier of PVC Pipes & Fittings for the agriculture and non-agricultural sectors. Our state-of-the-art manufacturing plants at Pune and Ratnagiri in Maharashtra and Masar in Gujarat provide excellent resources to better serve our customers. Our own PVC Resin manufacturing facility in Ratnagiri, set in technical collaboration with Uhde GmbH, with Hoechst technology, provides a consistent supply of superior quality resin to our pipe manufacturing plants. This ensures we are able to deliver quality, superior products to our customers. Our open sea cryogenic jetty, the first of its kind in the Indian private sector, has been the hallmark of our PVC Complex. We are the first Indian PVC Pipes manufacturer to have been awarded the ISO 9001:2008 Certification.

Our major strength lies in our skilled workforce. We recognize and attribute our operating excellence and success to our employees. We have a widespread presence throughout the country, with a wide network of over 18,000 retail outlets ably supported by dealers and sub-dealers. They work as our extended arm in bringing quality products to our customers. Our core values of quality, trust and integrity help us to build an unbreakable bond with both customers and stakeholders.

We believe in “Performance with Purpose” and are deeply concerned about society and our community. We have been actively working along with Mukul Madhav Foundation, our CSR partner, in contributing to the social and economic development of the underprivileged sectors of society in and around our plants in Ratnagiri, Pune and Masar. Our focus is on women and children in areas of education, healthcare, community development, environment and self-development.
